MINUTES
ROCKWALL CITY COUNCIL
Monday, December 16, 2013
4:00 p.m. Regular City Council Meeting
City Hall, 385 S. Goliad, Rockwall, Texas 75087

I. CALL PUBLIC MEETING TO ORDER

Mayor Sweet called the meeting to order at 4:00 p.m. Mayor David Sweet, Mayor Pro Tem David White and Council Members Jim Pruitt, Mike Townsend, Scott Milder, Bennie Daniels and Dennis Lewis were present as well as City Manager Rick Crowley, Assistant City Managers Mary Smith and Brad Griggs and city attorney Steven Pena (filling in for Frank Garza). Mayor Sweet read the below listed discussion items into the record before recessing the public meeting into Executive Session.

II. EXECUTIVE SESSION.

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding the city's Fixed Based Operator airport agreement pursuant to Section § 551.071 (Consultation with Attorney)
2. Discussion regarding appointments to city regulatory boards, commissions, and committees including the Rockwall Central Appraisal District and the Fire Department Pension Board pursuant to Section §551.074 (personnel matters)
3. Discussion regarding the following legal claims: TF-Harbor LLC v. City of Rockwall, Texas and Rockwall Rental Properties L.P. and Philadelphia Indemnity Insurance v. City of Rockwall pursuant to Section 551.071 (Consultation with Attorney)
4. Discussion regarding park land acquisition and land in the vicinity of the downtown area for municipal purposes pursuant to Section § 551.072 (Real Property).

III. ADJOURN EXECUTIVE SESSION

Executive Session was adjourned at 5:50 p.m.

MINUTES
ROCKWALL CITY COUNCIL
Monday, December 16, 2013
6:00 p.m. Regular City Council Meeting
City Hall, 385 S. Goliad, Rockwall, Texas 75087

IV. RECONVENE PUBLIC MEETING

Mayor Sweet reconvened the public meeting at 6:00 p.m. with all seven city council members present. City Manager Rick Crowley, Assistant City Managers Brad Griggs and Mary Smith, and city attorney Steven Pena (filling in for Frank Garza) were also present.

V. TAKE ANY ACTION AS A RESULT OF EXECUTIVE SESSION

Councilmember Jim Pruitt made a motion to appoint Ben Weible to be the city's representative on the Rockwall Central Appraisal District (RCAD) Board of Directors. Councilmember Townsend seconded the motion, which passed by a vote of 6 ayes with 1 abstention (White).

VI. INVOCATION AND PLEDGE OF ALLEGIANCE – COUNCILMEMBER LEWIS

Councilmember Lewis delivered the invocation and led the Pledge of Allegiance.

VII. CONSENT AGENDA

1. Consider approval of the minutes from the November 18, 2013 regular city council meeting, and take any action necessary.

2. Consider approval of the minutes from the December 2, 2013 regular city council meeting, and take any action necessary.

3. Consider authorizing the City Manager to execute a maintenance agreement with Harris Corporation for the public safety radio system in the amount of $163,178.17 and to purchase radio system spare parts in the amount of $38,880.00 to be funded from the Radio System Operating Budget and take any action necessary.

4. **P2013-040** - Consider a request by Glenn Engineering Corporation on behalf of James A. Havens for the approval of a replat for Lots 2 & 3, Block H, The Shores Club House Addition, Phase 2 being a 9.455-acre parcel of land currently identified as Lot 1, Block H, The Shores Club House Addition, Phase 2, City of Rockwall, Rockwall County, Texas; zoned Planned Development District 3 (PD-3), addressed as 2600 Champions Drive, and take any action necessary.

5. Consider authorizing the City Manager to execute a purchase agreement with Affiliated Communications, Inc. for the purchase and installation of a new phone system in the amount of $156,982.00 to be paid for from the Internal Operations Operating Budget and take any action necessary.

6. Consider approval of a Facilities Agreement with Lakes Regional MHMR center for the pro-rata reimbursement of off-site sanitary sewer expenses associated with this development, and take any action necessary.

Mayor Pro Tem White made a motion to approve the entire Consent Agenda (#s 1, 2, 3, 4, 5 and 6). Councilmember Townsend seconded the motion, which passed unanimously of council (7 ayes to 0 nays).

VIII. APPOINTMENTS

1. Appointment with the Planning and Zoning Chairman to discuss and answer any questions regarding cases on the agenda and related issues and take any action necessary.

Chair of the Planning & Zoning Commission, Craig Renfro, came forth and provided brief comments related to recommendations of the Commission relative to items on tonight's council agenda. Mr. Renfro indicated that one commissioner was absent when these cases went before the Planning & Zoning Commission. He shared that the Commission unanimously voted to deny the SUP for Z2013-031 and that the remaining cases were all unanimously recommended for approval. The Council took no action related to this agenda item.

2. Appointment with Dana Macalik of the Rockwall Area Chamber of Commerce to hear report on the Rockwall Boat Show, which took place in September at The Harbor and included the use of Hotel/Motel Tax Funding, and take any action necessary.

Mrs. Macalik came forward and provided an update to council regarding this event, which was held on September 28 and 29, 2013 at The Harbor. She stated that a little over five hundred people attended over the course of the two day event. Mrs. Macalik reported that advertising for the event was promoted through the Dallas Morning News as well as Groupon, Living Social, The Friday Guide, local newspapers, three separate billboards, the Chamber website, e-mails, and social media. Thirty-six rooms associated with this event were booked at The Hilton. The council thanked Mrs. Macalik for her report and took no action related to this agenda item.

IX. PUBLIC HEARING ITEMS

1. **Z2013-031 - (Applicant has requested withdrawal)** Hold a public hearing to discuss and consider approval of an ordinance for a request by Shawn Valk on behalf of LGI Properties for the approval of a Specific Use Permit to allow a mini-warehouse facility on a 5.94-acre tract of land, zoned Commercial (C) District and located within the Scenic Overlay (SOV) District, being a portion of a 9.699-acre tract land identified as Tract 15 of the E. P. G. Chisum Survey, Abstract No. 64, City of Rockwall, Rockwall County, Texas; located at the southwestern corner of Ridge Road [FM-740] and Turtle Cove Boulevard, and take any action necessary (1st Reading).

Mayor Pro Tem White made a motion to accept the applicant's requested withdrawal. Councilmember Lewis seconded the motion, which passed by a vote of 7 ayes to 0 nays.

2. **Z2013-032** - Hold a public hearing to discuss and consider approval of an **ordinance** for a request by Andrea Holliman for the approval of a Specific Use Permit to allow an antiques/collectibles and general retail store in Planned Development District 50 (PD-50) for a 0.47-acre parcel of land identified as a portion of Lot 1 of the W. D. Austin Addition, Rockwall, Rockwall County, Texas, zoned Planned Development District 50 (PD-50) for Residential-Office (RO) District uses, located within the North Goliad

Corridor Overlay (NGC OV) District and the North SH 205 Corridor Overlay (N-SH 205 OV) District, addressed as 904 N. Goliad Street, and take any action necessary **(1st Reading).**

Planning Director Robert LaCroix provided background information related to this item, indicating that the underlying zoning for this piece of property is RO (residential office). Ms. Holliman has bought the property, which is L shaped and fronts on Goliad Street with access on the Heath Street side. Ms. Holliman would like to do a general retail store with antique / collectibles. Mr. LaCroix went on to explain that the antique / collectible use is limited to 2,000 square feet, and there is a limitation in that it cannot include the sale of used clothing. Only new clothing would be allowed to be sold in the general retail section of the facility. The applicant has been able to accommodate the required nine parking spaces. An easement along the rear of the property will serve as a joint access easement. Notices were mailed out to twenty-three adjacent property owners in the area, and no responses have been received back by staff at this time. Staff has suggested some limitations for the council to consider regarding potential approval of this SUP.

Mayor Sweet then opened the public hearing and called the applicant forth.

Andrea Holliman
332 Shepherds Hill
Rockwall, TX

Mrs. Holliman explained that she has decided to eliminate the sale of any sort of clothing and instead just focus on china, silver, antiques and collectibles as well as general retail.

There being non one else in the audience wishing to come forth and speak regarding this item, Mayor Sweet then closed the public hearing.

Mayor Pro Tem White made a motion to approve Z2013-032. Councilmember Lewis seconded the motion.

After additional discussion, the ordinance was read as follows:

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT WITHIN PLANNED DEVELOPMENT DISTRICT 50 (PD-50) ALLOWING FOR AN ANTIQUES/COLLECTIBLES AND GENERAL RETAIL STORE, THE SUBJECT PROPERTY IS LOCATED AT 904 N. GOLIAD STREET, BEING A PARCEL OF LAND DESCRIBED AS LOT 1 OF THE W. D. AUSTIN ADDITION, ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion to approve passed by a vote of 7 ayes to 0 nays.

3. **Z2013-033** - Hold a public hearing to discuss and consider approval of an **ordinance** for a request by Kristin and Joshua Whitaker for the approval of a Specific Use Permit for an accessory building that does not conform to the material requirements as specified for a property in a Single-Family Estate 1.5 (SFE-1.5) District on a 1.5-acre parcel of land identified as Lot 17, Block B, Sterling Farms Addition, Rockwall, Rockwall County, Texas, zoned Single-Family Estate 1.5 (SFE-1.5) District, located at 1970 Copper Ridge Circle, and take any action necessary **(1st Reading)**.

Planning Director Robert LaCroix provided brief background information related to this agenda item. He indicated that notices were sent out to fifteen adjacent property owners in the area, and one was received back by staff in favor of this SUP.

Mayor Sweet opened the public hearing and called the applicant forth to speak. Being that the applicant did not wish to come forth, and there being no one else in the audience wishing to come forth and speak, Mayor Sweet closed the public hearing.

Mayor Pro Tem White made a motion to approve Z2013-033. Councilmember Pruitt seconded the motion. The ordinance was read as follows:

> **AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT WITHIN THE SINGLE-FAMILY ESTATE (SF-E/1.5) DISTRICT ALLOWING FOR AN ACCESSORY BUILDING NOT MEETING THE EXTERIOR CLADDING REQUIREMENTS, ON THE PROPERTY LOCATED AT 1970 COPPER RIDGE CIRCLE, BEING A 1.5 ACRE PARCEL OF LAND DESCRIBED AS LOT 17, BLOCK B, STERLING FARMS ADDITION, CITY AND COUNTY OF ROCKWALL, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.**

The motion to approve passed by a vote of 7 ayes to 0 nays.

4. **Z2013-034** - Hold a public hearing to discuss and consider approval of an **ordinance** for a request by John Spiars on behalf of the owner the Cambridge Company, Inc. for the approval of a Specific Use Permit for a new car dealership on a 12.6114-acre tract of land being identified as a 5.0966-acre portion of Tract 2 of the J. Lockhart Survey, Abstract No. 134 and a 7.5148-acre portion of Tract 3 of the J. M. Allen Survey, Abstract No. 2, Rockwall, Rockwall County, Texas, zoned Commercial (C) District, located within the IH-30 Overlay (IH-30 OV) District and the SH-205 By-Pass Overlay (SH-205 BY-OV) District, located at the southwest corner of John King Boulevard and the IH-30 frontage road, and take any action necessary **(1st Reading)**.

Mr. LaCroix provided background information related to this agenda item. He explained that this is a conceptual plan and that no specific building plan has been submitted at this time. Also, no indication has been given regarding what specific car dealership this will be. Notices were sent out to adjacent property owners located within two hundred feet, and one notice was received back in favor. The Planning & Zoning Commission did recommend approval of this item.

Mayor Sweet opened the public hearing and called the applicant forth to address the council.

Gary Halbrooks
1307 Dominion Plaza
Tyler, TX 75703
Fenton Motor Group

Mr. Halbrooks came forth and indicated that this will be a Nissan dealership.

There being no one else wishing to come forth and speak, Mayor Sweet then closed the public hearing.

Councilmember Pruitt asked if the applicant is willing to forego a previously granted SUP by the Rockwall City Council if this one should be approved by council this evening.

Mayor Pro Tem White made a motion to approve Z2013-034. Councilmember Daniels seconded the motion.

Councilmember Pruitt generally expressed concerns regarding adding additional car dealerships to the IH-30 and John King Boulevard area, especially since it is an important entryway into our city. Mayor Sweet added to those comments, indicating that he too has concerns about adding an additional car dealership in this area along IH-30. Councilmember Milder echoed Councilmember Pruitt and Mayor Sweet's comments and concerns regarding the addition of another car dealership in this area. After the discussion, the ordinance was read as follows:

> **AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT TO ALLOW FOR A "MOTOR VEHICLE DEALERSHIP, NEW" ON A TRACT OF LAND BEING A TOTAL OF 12.6114-ACRES AND FURTHER IDENTIFED AS A 5.0966-ACRE PORTION OF TRACT 2 OF THE J. LOCKHART SURVEY, ABSTRACT NO. 134 AND A 7.5148-ACRE PORTION OF LOT 3 OF THE J.M. ALLEN SURVEY, ABSTRACT NO. 2, AND MORE SPECIFICALLY DESCRIBED IN EXHIBIT "A" AND FURTHER DEPICTED IN EXHIBIT "B" OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.**

The motion to approve Z2013-034 failed by a vote of 3 in favor with 4 against (Pruitt, Townsend, Sweet, and Milder).

5. **Z2013-035** - Hold a public hearing to discuss and consider approval of an **ordinance** for a request by J. D. Jacobs, Jr. for the approval of a zoning change from Single Family 7 (SF-7) District to a Residential-Office (RO) District for a 0.661-acre tract of land identified as a portion of Lot 3 and all of Lot 4, Block G, Sanger Addition, Rockwall, Rockwall County, Texas, located east of the intersection of Peters Colony Drive and E. Bourn Street, and take any action necessary **(1st Reading)**.

Planning Director Robert LaCroix provided background information related to this agenda item. Notices were sent out to nineteen surrounding property owners, and one notice was received back in favor. Mayor Sweet then opened the public hearing and called for the applicant:

Donna Allen
106 Windmill Ridge Drive
Rockwall, Texas.

Ms. Allen indicated that she is representing her father this evening, and he has owned this piece of property since 2007. She generally asked the council to approve the requested

zoning change. There being no one else wishing to come forth and speak, Mayor Sweet then closed the public hearing.

Mayor Sweet made a motion to approve Z2013-035. Mayor Pro Tem White seconded the motion.

The ordinance was read as follows:

> **AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [ORDINANCE NO. 04-38] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED SO AS FURTHER AMEND THE ZONING MAP TO ADOPT A CHANGE IN ZONING FROM A SINGLE FAMILY 7 (SF-7) DISTRICT TO A RESIDENTIAL-OFFICE (RO) DISTRICT FOR A TRACT OF LAND BEING A TOTAL OF 0.661-ACRES AND FURTHER IDENTIFIED AS A PORTION OF LOT 3 AND ALL OF LOT 4, BLOCK G, SANGER ADDITION, ROCKWALL, ROCKWALL COUNTY, TEXAS AND MORE SPECIFICALLY DESCRIBED IN EXHIBIT 'A' AND FURTHER DEPICTED IN EXHIBIT 'B' OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.**

The motion to approve passed unanimously of council (7 ayes to 0 nays).

X. ACTION ITEMS

1. Discuss and consider amending the Volunteer Coach's Eligibility Policy and take any action necessary.

Andy Hesser, Parks and Recreation Manager, indicated that the city council passed a policy back in 2006 to spell out the eligibility criteria for individuals who would like to coach youth sports teams on a volunteer basis. As part of the policy, all coaches, umpires, board members and volunteers on the field of play during a game have to submit to criminal history background searches. He went on to explain the various waiting periods associated with different types of past crimes which may be revealed about individuals upon conducting of said background checks. He explained that the policy from 2006 specifies that the appeal board will be the Rockwall Police Chief (or his designee), the Rockwall Municipal Court Judge (or designee), a member of the association wishing to make the appeal (i.e. Lakepointe Church sports program or the past RGBA or RBA). An amendment to this past policy is needed to specify the make-up of a new appeal board. He explained that the Park Board, upon review of the 2006 policy, had strong feelings about certain "crimes of moral turpitude" as well as other crimes they felt were quite serious and should be considered only via the appeal board process. Regarding the appeal board, the Park Board felt that it should be comprised of the Police Chief, the Municipal Court Judge (or their designees) and a three person sub-committee of the Park Board to be appointed by the Park Board Chairman.

City Manager Rick Crowley indicated that the service of the appeal board (its stated purposes) and who will serve on the appeal board are things that our city attorney (who is currently not present at the council meeting this evening) is reviewing at this time but has not yet made a final recommendation on. So, Mr. Crowley urged the council to take information that Mr. Hesser has shared under advisement at this time with further discussion taking place concerning these matters upon return and receipt of the recommendations by the city's attorney, Frank Garza, in January. Mr. Pena, the attorney

filling in for Mr. Garza at the meeting, generally explained that appointing, for example the Police Chief or Municipal Court Judge, to serve on the proposed appeals board may be in violation of the city's charter. Mr. Garza will be evaluating this matter for clarification and further discussion at a January council meeting.

Councilmember Pruitt pointed out that it is not a crime to lie to a police officer; however, it is a crime to file a false police report – he suggested this language be changed in the proposed policy. He also has concerns about some of the "waiting period" time frames associated with past crimes that show up in background checks. He suggested the council carefully evaluate these waiting periods and perhaps consider some of the crimes on a case-by-case basis.

After additional, lengthy discussion regarding various types of past crimes committed and how they should be addressed in the policy, the Council took no action related to this agenda item, agreeing instead to revisit the proposed policy at a January city council meeting.

2. Discuss and consider appointments to the city's Architectural Review Board, and take any action necessary.

The Council did not discuss this agenda item and took no related action.

XI. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding the city's Fixed Based Operator airport agreement pursuant to Section § 551.071 (Consultation with Attorney)

2. Discussion regarding appointments to city regulatory boards, commissions, and committees including the Rockwall Central Appraisal District and the Fire Department Pension Board pursuant to Section §551.074 (personnel matters)

3. Discussion regarding the following legal claims: TF-Harbor LLC v. City of Rockwall, Texas and Rockwall Rental Properties L.P. and Philadelphia Indemnity Insurance v. City of Rockwall pursuant to Section 551.071 (Consultation with Attorney)

4. Discussion regarding park land acquisition and land in the vicinity of the downtown area for municipal purposes pursuant to Section § 551.072 (Real Property).

XII. RECONVENE PUBLIC MEETING & TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

The council did not reconvene into Executive Session at the close of the public meeting. See action taken at the start of the 6:00 p.m. public meeting for action taken as a result of the first Executive Session.

XIII. ADJOURNMENT

The meeting was adjourned at 7:07 p.m.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 6th day of January, 2014.

CITY OF ROCKWALL

ORDINANCE NO. 14-01

SPECIFIC USE PERMIT NO. S-117

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT WITHIN PLANNED DEVELOPMENT DISTRICT 50 (PD-50) ALLOWING FOR AN ANTIQUES/COLLECTIBLES AND GENERAL RETAIL STORE, THE SUBJECT PROPERTY IS LOCATED AT 904 N. GOLIAD STREET, BEING A PARCEL OF LAND DESCRIBED AS LOT 1 OF THE W. D. AUSTIN ADDITION, ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a request has been made by Andrea Holliman for a Specific Use Permit within Planned Development District 50 (PD-50) allowing for an Antiques/Collectibles and General Retail Store on the property located at 904 N. Goliad Street, being a parcel of land described as Lot 1 of the W. D. Austin Addition, Rockwall, Rockwall County, Texas; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the Unified Development Code of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit allowing for an Antiques/Collectibles and General Retail Store within Planned Development District 50 (PD-50), on the subject property at 904 N. Goliad Street, being a parcel of land described as Lot 1 of W.D. Austin Addition, Rockwall, Rockwall County, Texas; and

Section 2. That the Specific Use Permit shall be subject to the conditions set forth in **"PD-50" Planned Development District-50 (PD-50) & Section 4.2, *"R-O" Residential Office District*, of Article V, *District Development Standards*, of the City of Rockwall Unified Development Code (Ordinance No. 04-38)** as heretofore amended, as amended herein by granting of this zoning change, and as may be amended in the future, and shall be subject

to the additional following conditions and definitions.

2.1 Operational Conditions

The following conditions pertain to the operation of an Antiques/Collectibles and General Retail Store on the subject property at 904 N. Goliad Street and conformance to these stipulations are required for continued operations:

1) The Antique/Collectible Sales and General Retail Store shall be limited to the existing home at 2,246 square feet in area and in accordance with the floor plan attached hereto as Exhibit A (Area for Antique/Collectible Sales not to exceed 2,000 square feet).

2) Parking along, adjacent to or in the right-of-way of SH-205 shall be prohibited. Parking in front of the building for any reason shall also be prohibited.

3) Signage for the site shall conform to the Old Historic Rockwall Historic District Guidelines detailed in Exhibit B of Ordinance No. 02-46 (PD-50) and the North Goliad Corridor Overlay (NGCOV) District.

4) No outside display or storage shall be permitted on this site.

5) The City Council reserves the right to review the Specific Use Permit granted herein upon the expiration of one (1) year from the date hereof and at any time thereafter.

Section 3. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

Section 4. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

Section 5. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of TWO THOUSAND DOLLARS ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 6. If any section or provision of this ordinance or the application of that section or provision to any person, firm, corporation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 6th DAY OF JANUARY, 2014.

CITY OF ROCKWALL

ORDINANCE NO. 14-02

SPECIFIC USE PERMIT NO. S-118

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT WITHIN THE SINGLE-FAMILY ESTATE (SF-E/1.5) DISTRICT ALLOWING FOR AN ACCESSORY BUILDING NOT MEETING THE EXTERIOR CLADDING REQUIREMENTS, ON THE PROPERTY LOCATED AT 1970 COPPER RIDGE CIRCLE, BEING A 1.5 ACRE PARCEL OF LAND DESCRIBED AS LOT 17, BLOCK B, STERLING FARMS ADDITION, CITY AND COUNTY OF ROCKWALL, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a request has been made by Kristen and Joshua Whitaker for a Specific Use Permit allowing for an accessory building not meeting the exterior cladding requirements within the Single-Family Estate (SF/E-1.5) District, on the property located at 1970 Copper Ridge Circle, being a 1.5 acre parcel of land described as Lot 17, Block B, Sterling Farms Addition, City and County of Rockwall, Texas; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the Unified Development Code of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit allowing for an accessory building not meeting the exterior cladding requirements within the Single-Family Estate (SF/E-1.5) District, on the property located at 1970 Copper Ridge Circle, being a 1.5 acre parcel of land described as Lot 17, Block B, Sterling Farms Addition, City and County of Rockwall, Texas; and

Section 2. That the Specific Use Permit shall be subject to the following conditions:

1) The accessory building must conform to the approved site plan and building elevations depicted in Exhibits 'A' & 'B' of this ordinance.

2) The City Council reserves the right to review the Specific Use Permit granted herein upon the expiration of one (1) year from the date hereof and at any time thereafter.

Section 3. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

Section 4. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

Section 5. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of TWO THOUSAND DOLLARS ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 6. If any section or provision of this ordinance or the application of that section or provision to any person, firm, corporation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

CITY OF ROCKWALL

ORDINANCE NO. 14-03

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [ORDINANCE NO. 04-38] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED SO AS FURTHER AMEND THE ZONING MAP TO ADOPT A CHANGE IN ZONING FROM A SINGLE FAMILY 7 (SF-7) DISTRICT TO A RESIDENTIAL-OFFICE (RO) DISTRICT FOR A TRACT OF LAND BEING A TOTAL OF 0.661-ACRES AND FURTHER IDENTIFIED AS A PORTION OF LOT 3 AND ALL OF LOT 4, BLOCK G, SANGER ADDITION, ROCKWALL, ROCKWALL COUNTY, TEXAS AND MORE SPECIFICALLY DESCRIBED IN EXHIBIT 'A' AND FURTHER DEPICTED IN EXHIBIT 'B' OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City has received a request from J.D. Jacobs, Jr. for an amendment to the Unified Development Code [Ordinance No. 04-38] of the City of Rockwall to adopt a change in zoning from a Single Family 7 (SF-7) District to a Residential-Office (RO) District for a tract of land being a total of 0.661-acres and further identified as a portion of Lot 3 and all of Lot 4, Block G, Sanger Addition, Rockwall, Rockwall County, Texas, and more specifically described in Exhibit 'A' and further depicted in Exhibit 'B' of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area, and in the vicinity thereof, and the governing body in the exercise of its legislative discretion, has concluded that the Unified Development Code should be amended as follows:

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

Section 1. That the Unified Development Code [Ordinance No. 04-38] of the City of Rockwall, Texas, as heretofore amended, be and the same are hereby amended by amending the zoning map of the City of Rockwall so as to change the zoning from a Single Family 7 (SF-7) District to a Residential-Office (RO) District for the *Subject Property*; and

Section 2. That the *Subject Property* shall be used only in the manner and for the purposes provided for in *Section 4.2, "Residential-Office (RO) District", Article V, "District Development Standards", of the Unified Development Code* of the City of Rockwall as heretofore amended, as amended herein by granting of this zoning change, and as may be amended in the future.

Section 3. That the official zoning map of the City be corrected to reflect the changes in the zoning described herein.

Section 4. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of two thousand dollars ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 5. If any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code of the City of Rockwall, Texas, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable.

Section 6. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be and the same are hereby repealed, and all other ordinances of the City of Rockwall not in conflict with the provisions of this ordinance shall remain in full force and effect.

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: **Brad Griggs, Assistant City Manager**

FROM: **Andy Hesser, Parks and Recreation Manager**

DATE: **December 30, 2013**

SUBJECT: **CONSTRUCTION OF ORNAMENTAL GATES AT TUTTLE ATHLETIC COMPLEX**

One of the improvements that have been discussed at the Tuttle Athletic Complex is to improve the entry features by adding ornamental wrought iron style gates at each of the three entrances. Three commercial fence contractors were contacted to discuss design and pricing.

Each gate is planned to have a laser cut steel City of Rockwall logo similar to the one at the south entrance of The Harbor. The gates will be mounted between to stone columns approximately 7 feet tall and 18 inches square with cast stone caps.

The bid results are as follows:

- Cambridge Fence. Co. - $13,998.00
- Sunnyvale Fence Co. - $16,000.00
- Blackwell Fence NO BID

This park upgrade was not budgeted this year. Staff is asking Council to consider approving this project and allow the City Manager to execute a contract with the low bidder, Cambridge Fence, for this work. Adequate funding is available in the Recreation Development Fund.

To: Ashberry, Kristy
Cc: 'Kurt Pflieger, MD'; Dobson, Aaron; Angela Nawar
Subject: RE: American Heart Association-Request to be on City Council Agenda for Request of Harbor in 2014

On behalf of the American Heart Association, we would like to have the opportunity to request the use of the Harbor in Rockwall for the use of our 4th Annual HeartChase event in Rockwall for September 2014 with the fees waived again this year. HeartChase allows us engage the community in a fun and educational way through challenges and games! This past year was the greatest success yet, both in sponsors and participant engagement. We are looking forward to another great year!

Let me know if this will work Kristy.

Dr. Pflieger, are you able to attend to request this sir?

Thanks so much for your help!

Best,
Brooke Domek

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: City Council

FROM: Ryan Miller, *Planning Manager*

DATE: January 6, 2014

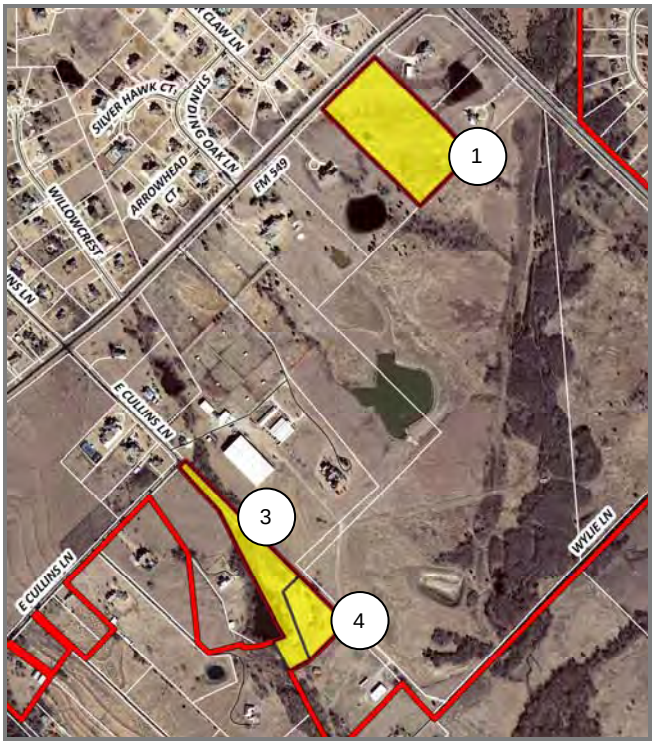
SUBJECT: Proposed Annexation of 42.482-Acres [*A2013-001*]

On January 6, 2014 the City Council will be considering the first reading of an annexation ordinance proposing the voluntary annexation of approximately 42.482-acres. The subject properties consist of two (2) areas (depicted in *Exhibit 'A'*), which are generally located contiguous to the existing city limits line west of SH-205 (S. Goliad Street) and south of FM-549.

In accordance with Texas State Law, public hearings were conducted on December 2, 2013 at 6:00 PM and 6:30 PM. Additionally, staff has followed proper procedure as set forth in the Texas Local Government Code concerning public notices to all affected property owners, publishing a notice in a newspaper of general circulation (i.e. Rockwall County News), and posting the case on the City's website.

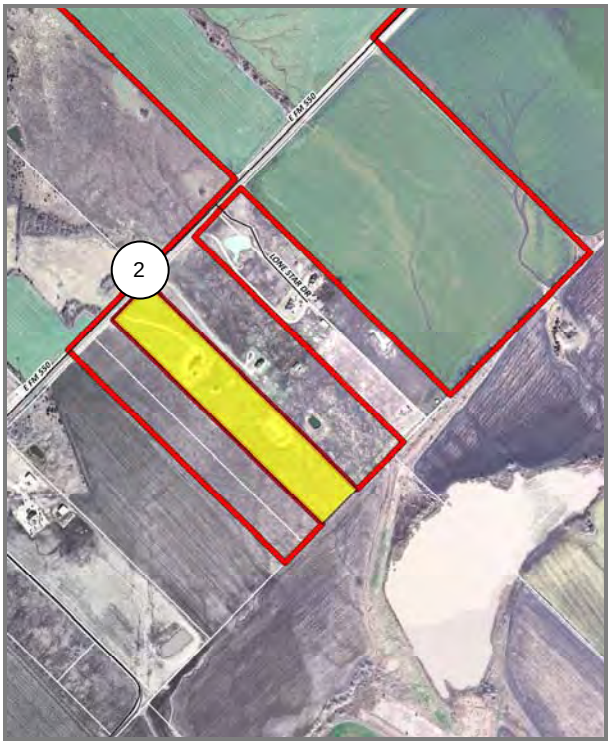
The subject area consists of two (2) areas comprised of four (4) tracts of land owned by three (3) property owners. The annexation area totals 42.482-acres of land and is more specifically described as follows:

1) Tract 17-14 of the W. W. Ford Survey, Abstract No. 80 being 12.493-acres.
2) Tract 40 of the W. W. Ford Survey, Abstract No. 80 being 8.989-acres.
3) Tract 40-1 of the W. W. Ford Survey, Abstract No. 80 being 1-acre.
4) Tract 1-4 of the J. W. Pitman Survey, Abstract No. 181 being 20-acres.



Included in the Ordinance is the service plan (which is also contained in *Exhibit 'B'*) for the proposed annexation area. This service plan has been available to the public at City Hall and on the City's website since the expiration of the previous 212 Development Agreement. The second and final reading of the attached ordinance is planned for January 21, 2013 (regularly scheduled City Council Meeting).

Exhibit 'A'
Legal Descriptions and Location Maps



(Page 1 of 1)

BEING for four (4) tracts of land comprising approximately 42.482-acres of land situated in the W. W. Ford Survey, Abstract No. 80 and J. W. Pitman Survey, Abstract No. 181, County of Rockwall, Texas and generally located contiguous to the existing city limits line west of SH-205 (S. Goliad Street) and south of FM-549 and specifically described as follows:

No.	Owner	Tract	Size of Tract
1	Scott W. & Glenita G. Blackwood	A0080 W. W. Ford, Tract 17-14	12.493-Acres
2	Mark S. Olmstead	A0181 J. W. Pitman, Tract 1-4	20.00-Acres
3	Alan D. Travis	A0080 W. W. Ford, Tract 40	8.989-Acres
4	Alan D. Travis	A0080 W. W. Ford, Tract 40-01	1.00-Acres

SERVICE PLAN FOR ANNEXED AREA

CITY OF ROCKWALL, TEXAS
CASE NO.: A2013-001

ACREAGE/AREA TO BE ANNEXED: *42.482-Acres*

SURVEY ABSTRACT AND COUNTY

BEING four (4) tracts of land comprising approximately 42.482-acres of land situated in the W. W. Ford Survey, Abstract No. 80 and J. W. Pitman Survey, Abstract No. 181, Rockwall County, Texas and being specifically described in the following sections of this plan.

DATE OF ADOPTION OF ANNEXATION ORDINANCE: *January 21, 2014*
DATE

Municipal services to the acreage described above shall be furnished by or on behalf of the City of Rockwall, Texas, at the following levels and in accordance with the following schedule:

A. POLICE SERVICES:

1. Patrolling, responses to calls, and other routine police services, within the limits of existing personnel and equipment, will be provided within 60 days of the effective date of annexation.
2. As development and construction commence within this area, sufficient police personnel and equipment will be provided to continue to furnish this area the level of police services consistent with police services available in other parts of the City with land uses and population densities similar to those projected in the annexed area.

B. FIRE SERVICES

1. Fire protection by the present personnel and the present equipment of the fire Department, within the limitations of available water and distances from existing fire stations, will be provided to this area within 60 days of the effective date of annexation.
2. As development and construction commences within this area, sufficient fire personnel and equipment will be provided to continue to furnish this area the level of fire services consistent with fire service available in other parts of the City with land uses and population densities similar to those projected in the annexed area.

C. HEALTH AND CODE COMPLIANCE SERVICES

1. Enforcement of the City's health ordinances and regulations including, but not limited to, weed and brush ordinances, junked and abandoned vehicle ordinances, food handlers ordinances and animal control ordinances, shall be provided within this area on the effective date of the annexation ordinance. These ordinances and regulations will be enforced by existing personnel.

   Complaints of ordinance or regulation violations within this area will be responded

and investigated by existing personnel beginning with the effective date of the annexation ordinance.

2. The City's building, plumbing, electrical, gas heating, air conditioning and all other construction codes will be enforced within this area beginning with the effective date of the annexation ordinance. Existing personnel will be used to provide these services.
3. The City's zoning, subdivision, and other ordinances shall be enforced in this area beginning on the effective date of the annexation ordinance.
4. All inspection services furnished by the City of Rockwall, but not mentioned above, will be provided to this area beginning on the effective date of the annexation ordinance. Any property owner or his/her assigns who in good faith has a new building or structure, as defined in the Comprehensive Zoning Ordinance, under construction on the effective date of annexation shall be exempted from these inspections for that building or structure under construction for a period of one year from the effective date of annexation. *For the purpose of this ordinance "under construction" shall mean any work that requires a building permit from the City of Rockwall.*
5. As development and construction commence within this area, sufficient personnel will be provided to continue to furnish this area the same level of Health and Code compliance services as are furnished throughout the City.

D. PLANNING AND ZONING SERVICES

1. The planning and zoning jurisdiction of the City will extend to this area on the effective date of the annexation ordinance. City planning will thereafter encompass this property, and it shall be entitled to consideration for zoning in accordance with the City's Comprehensive Plan, Zoning Ordinance, Landscape Ordinance and Code of Ordinances.

E. RECREATION AND LEISURE SERVICES

1. Residents of this property may utilize all existing recreational and leisure services facilities and sites throughout the City beginning with the effective date of the annexation ordinance.
2. Existing parks, playgrounds, swimming pools and other recreation and leisure facilities within this property shall, upon dedication to and acceptance by the City, be maintained and operated by the City of Rockwall.

F. SOLID WASTE COLLECTION

1. Solid waste collection shall be provided to the property owner in accordance with existing City policies as to frequency and charges, beginning on the effective date of annexation except for properties that are served by a privately owned solid waste management service provider. Such properties will be allowed to continue private service for a period of two years from the effective date of annexation at which time the property will be required to begin service with a franchised solid waste contractor within the City of Rockwall.

G. STREETS

1. The City of Rockwall's existing policies with regard to street maintenance, applicable throughout the entire City, shall apply to this property beginning immediately as of the effective date of the annexation ordinance.
2. As development, improvements or construction of streets to the City standards commence within this property, the policies of the City of Rockwall with regard to impact fees and participation in the cost thereof, acceptance upon completion, and maintenance after completion, shall apply.
3. The same level of maintenance shall be provided to streets within this property that have been accepted by the City of Rockwall as is provided to like City streets throughout the City.

H. WATER SERVICES

1. Connection to existing City water mains for water services for domestic, commercial and industrial use within this property will be provided in accordance with existing City policies. Upon connection to existing mains, water will be provided at rates established by City ordinance for such services throughout the City.
2. Water mains of the City will be extended in accordance with provisions of the Code of Ordinances and other applicable ordinances and regulations. City participation in the costs of these extensions shall be in accordance with applicable City ordinances and regulations and will be provided as otherwise available in other parts of the City with topography, land uses, population densities similar to those reasonably contemplated or projected in the annexed area.
3. Water mains which are within the annexed area and are owned and operated by the City shall be maintained beginning with the effective date of the annexation ordinance or upon acquisition by the City.
4. Private water lines within this property shall be maintained by their owners, in accordance with existing policies applicable throughout the City.

I. SANITARY SEWER SERVICES

1. Connections to existing City sanitary sewer mains for sanitary sewage service in this area will be provided in accordance with the existing City policies. Upon connection, sanitary sewage service will be provided at rates established by City ordinances for such services throughout the City.
2. Sanitary sewer mains and/or lift stations which are within the annexed area and are connected to City mains shall be maintained by the City of Rockwall beginning with the effective date of the annexation ordinance or upon acquisition by the City.
3. Sanitary sewer mains of the City will be extended in accordance with the provisions of the Code of Ordinances and engineering standards and other applicable ordinances and regulations. City participation in the costs of these extensions shall be in accordance with applicable City ordinances and regulations and will be provided as otherwise availably in other parts of the City with topography, land uses, and population densities similar to those reasonably contemplated or projected in the area.

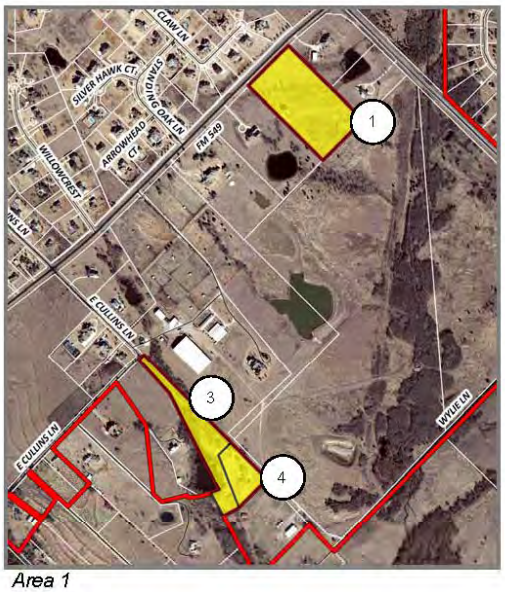
4. Previously granted exceptions to the requirements of connections to the city's sanitary sewer treatment system shall be continued until such alternate systems are determined to no longer function to meet the sanitary sewer needs of the subdivision granted the exception.

J. PUBLIC UTILITIES

1. Other public utilities will be provided by the City's franchisee or a provider holding a certificate of convenience issued by the state to serve that area.

K. MISCELLANEOUS

1. General municipal administration services of the City shall be available to the annexed area beginning with the effective date of the annexation ordinance.



ANNEXATION SCHEDULE

- ✓ *Friday, March 15, 2013:* 180-day notice of expiring 212 Development Agreement sent to all property owners.
- ✓ *Tuesday, May 21, 2013:* 150-day extension request deadline.
- ✓ *Friday, July 12, 2013:* Notice sent by Certified Mail of expiring 212 Development Agreement and intent to accept voluntary petitions for annexation (*sent 90 days prior to the expiration date of the 212 Development Agreement*).
- ✓ *Friday, October 18, 2013: Current 212 Development Agreements expire.*
- ✓ *Thursday, October 24, 2013:* Notice of 1st & 2nd Public Hearing mailed to property owners (*30 days prior to 1st & 2nd Public Hearing*).
- ✓ *Thursday, October 31, 2013:* Notice sent to paper for publication (*1st & 2nd Public Hearing*).
- ✓ *Tuesday, November 12, 2013:* Notification appears in newspaper for 1st & 2nd Public Hearing (*x<20 and x>10 days before Public Hearing*). Obtain required affidavit of publication from paper.
- ✓ *Tuesday, November 12, 2013:* Notification posted on internet 1st & 2nd Public Hearing (*x<20 and x>10 days before Public Hearing*).
- ✓ *Monday, December 02, 2013:* FIRST PUBLIC HEARING/SECOND PUBLIC HEARING (*x<40 and x>20 days before 1st Reading*).
- ✓ *Monday, January 06, 2013:* City Council approves annexation ordinance (*1st Reading*).
- ✓ *Monday, January 21, 2014:* City Council final approval (*2nd Reading*).
- ✓ *Sunday, April 06, 2014:* Annexation must be completed before the date to the left. Annexation proceedings must be completed within 90 days of 1st Reading of ordinance.

CITY OF ROCKWALL

ORDINANCE NO. 14-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, PROVIDING FOR THE EXTENSION OF CERTAIN BOUNDARY LIMITS OF THE CITY OF ROCKWALL, TEXAS AND THE ANNEXATION OF CERTAIN TERRITORY CONSISTING OF 42.482-ACRES OF LAND, WHICH SAID TERRITORY LIES ADJACENT TO AND ADJOINS THE PRESENT BOUNDARY LIMITS OF THE CITY OF ROCKWALL, TEXAS; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, Public Hearings were held before the governing body of the City of Rockwall, Texas, where all interested persons were provided with an opportunity to be heard, on December 2, 2013, at 6:00 p.m. and on December 2, 2013, at 6:30 p.m. at *City Hall, 385 S. Goliad*, Rockwall, Rockwall County, Texas with said dates being not more than forty (40) days nor less than twenty (20) days prior to the institution of annexation proceedings, on the proposed annexation of the following described territories.

BEING, four (4) tracts of land comprised of 42.482-acres of land situated in the W. W. Ford Survey, Abstract No. 80 and J. W. Pitman Survey, Abstract No. 181 in the County of Rockwall, Texas and generally located contiguous to the existing city limits line west of SH-205 (S. Goliad Street) and south of FM-549, depicted in *Exhibit 'A'* of this ordinance, and specifically described as follows:

No.	Owner	Tract	Size of Tract
1	Scott W. & Glenita G. Blackwood	A0080 W. W. Ford, Tract 17-14	12.493-Acres
2	Mark S. Olmstead	A0181 J. W. Pitman, Tract 1-4	20.00-Acres
3	Alan D. Travis	A0080 W. W. Ford, Tract 40	8.989-Acres
4	Alan D. Travis	A0080 W. W. Ford, Tract 40-01	1.00-Acres

WHEREAS, notice of such public hearings were published in a newspaper having general circulation in the City of Rockwall, Rockwall County, Texas and in the territory described herein on October 31, 2013, and posted on the City of Rockwall Internet site on November 12, 2013, said dates being not more than twenty (20) days nor less than ten (10) days prior to the dates of such public hearings; and

WHEREAS, the territory lies adjacent to and adjoins the present boundaries of the City of Rockwall, Rockwall County, Texas; and

WHEREAS, the territory above contains 42.482-acres;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1. That the above recitals are hereby found to be true and correct and incorporated herein for all purposes.

SECTION 2. The land and territory more specifically described in *Exhibit 'A'* and incorporated by reference as the *Subject Property*, and containing 42.482-acres which is adjacent to and adjoining the present boundaries of the City of Rockwall, Rockwall County, Texas, is hereby added and annexed to the City of Rockwall, Rockwall County, Texas and said territory as described herein shall hereafter be included within the boundary limits of the City of Rockwall, Rockwall County,

Texas and the present boundary limits of the City at the various points contiguous to the areas as described above, are altered and amended so as to include said area within the corporate limits of the City.

SECTION 3. That the official map of the City is hereby amended to reflect the addition of the property described herein.

SECTION 4. The above described territory and the acres so annexed shall be a part of the City of Rockwall, Texas, and the inhabitants thereof, if any, shall be entitled to all of the rights and privileges of all citizens and shall be bound by the acts, ordinances, resolutions and regulations of the City of Rockwall, Texas.

SECTION 5. That the *Service Plan* for the annexation area, which was made available for public inspection at the Public Hearings referenced above, is hereby approved with a copy of said plan being attached hereto and incorporated by reference for all purposes and labeled *Exhibit 'B'*.

SECTION 6. That this ordinance shall take effect immediately from and after its passage and approval, in accordance with applicable law and the charter of the City of Rockwall, Texas.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 21ST DAY OF JANUARY, 2014.

SERVICE PLAN FOR ANNEXED AREA

CITY OF ROCKWALL, TEXAS
CASE NO.: A2013-001

ACREAGE/AREA TO BE ANNEXED: *42.482-Acres*

SURVEY ABSTRACT AND COUNTY

BEING four (4) tracts of land comprising approximately 42.482-acres of land situated in the W. W. Ford Survey, Abstract No. 80 and J. W. Pitman Survey, Abstract No. 181, Rockwall County, Texas and being specifically described in the following sections of this plan.

DATE OF ADOPTION OF ANNEXATION ORDINANCE: *January 21, 2014*
DATE

Municipal services to the acreage described above shall be furnished by or on behalf of the City of Rockwall, Texas, at the following levels and in accordance with the following schedule:

A. POLICE SERVICES:

1. Patrolling, responses to calls, and other routine police services, within the limits of existing personnel and equipment, will be provided within 60 days of the effective date of annexation.
2. As development and construction commence within this area, sufficient police personnel and equipment will be provided to continue to furnish this area the level of police services consistent with police services available in other parts of the City with land uses and population densities similar to those projected in the annexed area.

B. FIRE SERVICES

1. Fire protection by the present personnel and the present equipment of the fire Department, within the limitations of available water and distances from existing fire stations, will be provided to this area within 60 days of the effective date of annexation.
2. As development and construction commences within this area, sufficient fire personnel and equipment will be provided to continue to furnish this area the level of fire services consistent with fire service available in other parts of the City with land uses and population densities similar to those projected in the annexed area.

C. HEALTH AND CODE COMPLIANCE SERVICES

1. Enforcement of the City's health ordinances and regulations including, but not limited to, weed and brush ordinances, junked and abandoned vehicle ordinances, food handlers ordinances and animal control ordinances, shall be provided within this area on the effective date of the annexation ordinance. These ordinances and regulations will be enforced by existing personnel.

   Complaints of ordinance or regulation violations within this area will be responded

and investigated by existing personnel beginning with the effective date of the annexation ordinance.

2. The City's building, plumbing, electrical, gas heating, air conditioning and all other construction codes will be enforced within this area beginning with the effective date of the annexation ordinance. Existing personnel will be used to provide these services.
3. The City's zoning, subdivision, and other ordinances shall be enforced in this area beginning on the effective date of the annexation ordinance.
4. All inspection services furnished by the City of Rockwall, but not mentioned above, will be provided to this area beginning on the effective date of the annexation ordinance. Any property owner or his/her assigns who in good faith has a new building or structure, as defined in the Comprehensive Zoning Ordinance, under construction on the effective date of annexation shall be exempted from these inspections for that building or structure under construction for a period of one year from the effective date of annexation. *For the purpose of this ordinance "under construction" shall mean any work that requires a building permit from the City of Rockwall.*
5. As development and construction commence within this area, sufficient personnel will be provided to continue to furnish this area the same level of Health and Code compliance services as are furnished throughout the City.

D. PLANNING AND ZONING SERVICES

1. The planning and zoning jurisdiction of the City will extend to this area on the effective date of the annexation ordinance. City planning will thereafter encompass this property, and it shall be entitled to consideration for zoning in accordance with the City's Comprehensive Plan, Zoning Ordinance, Landscape Ordinance and Code of Ordinances.

E. RECREATION AND LEISURE SERVICES

1. Residents of this property may utilize all existing recreational and leisure services facilities and sites throughout the City beginning with the effective date of the annexation ordinance.
2. Existing parks, playgrounds, swimming pools and other recreation and leisure facilities within this property shall, upon dedication to and acceptance by the City, be maintained and operated by the City of Rockwall.

F. SOLID WASTE COLLECTION

1. Solid waste collection shall be provided to the property owner in accordance with existing City policies as to frequency and charges, beginning on the effective date of annexation except for properties that are served by a privately owned solid waste management service provider. Such properties will be allowed to continue private service for a period of two years from the effective date of annexation at which time the property will be required to begin service with a franchised solid waste contractor within the City of Rockwall.

G. STREETS

1. The City of Rockwall's existing policies with regard to street maintenance, applicable throughout the entire City, shall apply to this property beginning immediately as of the effective date of the annexation ordinance.
2. As development, improvements or construction of streets to the City standards commence within this property, the policies of the City of Rockwall with regard to impact fees and participation in the cost thereof, acceptance upon completion, and maintenance after completion, shall apply.
3. The same level of maintenance shall be provided to streets within this property that have been accepted by the City of Rockwall as is provided to like City streets throughout the City.

H. WATER SERVICES

1. Connection to existing City water mains for water services for domestic, commercial and industrial use within this property will be provided in accordance with existing City policies. Upon connection to existing mains, water will be provided at rates established by City ordinance for such services throughout the City.
2. Water mains of the City will be extended in accordance with provisions of the Code of Ordinances and other applicable ordinances and regulations. City participation in the costs of these extensions shall be in accordance with applicable City ordinances and regulations and will be provided as otherwise available in other parts of the City with topography, land uses, population densities similar to those reasonably contemplated or projected in the annexed area.
3. Water mains which are within the annexed area and are owned and operated by the City shall be maintained beginning with the effective date of the annexation ordinance or upon acquisition by the City.
4. Private water lines within this property shall be maintained by their owners, in accordance with existing policies applicable throughout the City.

I. SANITARY SEWER SERVICES

1. Connections to existing City sanitary sewer mains for sanitary sewage service in this area will be provided in accordance with the existing City policies. Upon connection, sanitary sewage service will be provided at rates established by City ordinances for such services throughout the City.
2. Sanitary sewer mains and/or lift stations which are within the annexed area and are connected to City mains shall be maintained by the City of Rockwall beginning with the effective date of the annexation ordinance or upon acquisition by the City.
3. Sanitary sewer mains of the City will be extended in accordance with the provisions of the Code of Ordinances and engineering standards and other applicable ordinances and regulations. City participation in the costs of these extensions shall be in accordance with applicable City ordinances and regulations and will be provided as otherwise availably in other parts of the City with topography, land uses, and population densities similar to those reasonably contemplated or projected in the area.

4. Previously granted exceptions to the requirements of connections to the city's sanitary sewer treatment system shall be continued until such alternate systems are determined to no longer function to meet the sanitary sewer needs of the subdivision granted the exception.

J. PUBLIC UTILITIES

1. Other public utilities will be provided by the City's franchisee or a provider holding a certificate of convenience issued by the state to serve that area.

K. MISCELLANEOUS

1. General municipal administration services of the City shall be available to the annexed area beginning with the effective date of the annexation ordinance.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Honorable Mayor & City Council Members

FROM: Kristy Ashberry, City Secretary / Assistant to the City Manager

DATE: December 31, 2013

SUBJECT: Ordinance prohibiting e-cigarette smoking products

At the December 2, 2013 meeting, the City Council discussed an agenda item regarding the possibility of placing "a moratorium on the acceptance, processing of applications and issuance of permits for the operation of non-traditional smoking related businesses including regulation of vaporizers, e-cigarettes and other non-traditional smoking products within the corporate limits of the City of Rockwall." As part of this discussion, some members of council expressed an interest in having the city attorney further evaluate this matter and return a draft ordinance to the Council for consideration at a later date. Mr. Garza has evaluated this topic, as requested. Included for consideration in the January 6th city council meeting packet is an ordinance drafted by City Attorney, Frank Garza, related to e-cigarette smoking product prohibitions, specifically concerning minors. In addition to the draft ordinance, at the request of Councilmember Milder, I have also included some articles related to the subject of e-cigarettes.

Mr. Garza and staff will be available to answer any questions the council may have at the meeting Monday evening.

CITY OF ROCKWALL, TEXAS

ORDINANCE NO. 14-xx

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE CITY CODE OF ORDINANCES TO ESTABLISH CHAPTER 22, ARTICLE II. OFFENSES REGARDING MINORS, SECTION 22-71. POSSESSION/PURCHASE BY MINOR OF E-CIGARETTES, REGULATING THE POSSESSION PURCHASE, SALE, OFFER TO SELL, AND INGESTION OF ANY E-CIGARETTE SMOKING PRODUCT TO OR BY ANY MINOR; PROVIDING A PENALTY; PROVIDING A SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the City of Rockwall (the "City") is permitted to establish ordinances to protect the health, safety and general welfare of its residents; and

WHEREAS, electronic cigarettes are devices that convert liquid nicotine into a gas that is inhaled by the consumer; and

WHEREAS, the National Institute for Occupational Safety and Health and the Center for Disease Control and Prevention have prepared emergency response information addressing the dangers associated with liquid nicotine. Nicotine affects the nervous system and heart and is addictive. Exposure to relatively small amounts of liquid nicotine can rapidly be fatal; and

WHEREAS, the Federal Drug Administration published an article in July of 2009 warning of the dangers posed by electronic cigarettes, which include nicotine addiction and the appeal to young people due to the different flavors (such as chocolate, strawberry and mint); and

WHEREAS, the American Medical Association addressed the risks associated with the use of electronic cigarettes and adopted a policy recommending that electronic cigarettes be classified as a drug delivery device, subject the FDA's regulations and approval;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THAT;

SECTION 1. FINDINGS. The foregoing recitals are hereby found to be true and correct and are hereby adopted by the City Council and made a part hereof for all purposes as findings of fact.

SECTION 2. PURPOSE. The purpose and intent of this Section is to protect individuals under the age of 18 from the hazards of nicotine addiction and the dangers of ingesting products with no regulatory oversight as to their purity, contents, and potential negative health impacts.

SECTION 3. Section 22.71 is hereby established and shall read as follows:

DRAFT

Sec. 22.71 Possession/purchase by minor of E-Cigarettes

(a) Definitions: As used in this section, the following words and phrases shall have the following meanings:

"*Electronic cigarette*" or "*e- cigarette*" means an electronic device usually composed of a mouthpiece, a heating element or atomizer, a battery, and electronic circuits that provides a gas derived from liquid nicotine and/or other substances which is inhaled by a user simulating smoking. The term includes such devices, regardless of the details of the product appearance or marketed name, generally manufactured to resemble cigarettes, cigars, pipes, or other smoking devices.

"*Liquid nicotine*" means any liquid product composed either in whole or part of nicotine, propylene glycol and/or other similar substances and manufactured for use with an e- cigarette to be converted into a gas for inhaling.

"*Minor*" means a person less than 18 years of age.

"*Person*" means any natural person, individual, corporation, limited liability company, unincorporated association, proprietorship, firm, partnership, joint venture, joint stock association, or other entity or business of any kind.

"*Photographic identification*" means state, district, national or other equivalent government driver's license, identification card or military card, in all cases bearing a photograph and a date of birth, or a valid passport.

(b) Prohibited Acts

1. No person may give, distribute, transfer, sell, market, or offer e-cigarettes, their components, or samples to any minor.

2. No minor may purchase, attempt to purchase, possess, or obtain e-cigarette or their components. This prohibition does not apply to activities or enforcement actions under the control of a City, state, or federal law enforcement authority.

3. No person shall sell or permit to be sold e-cigarettes or their components through any device that mechanically dispenses such products unless the device is located fully within premises from which minors are prohibited.

(c) Penalty and Exceptions

1. The penalty for violation of this Ordinance shall be in accordance with the general penalty provision contained in the Code of Ordinances of the City of Rockwall, Texas. Each continuing day's violation under this Ordinance shall constitute a separate offense.

2. It is a defense to a prosecution for violation of subsection (b) of this section that a minor possessed an e-cigarette product in the presence of an adult parent, guardian, or spouse, or other adult to whom the minor has been committed by a court.

DRAFT

59

3. It is a defense to a prosecution for violation of subsection (b) of this section that a minor possessed a e-cigarette product while in the course and scope of the minor's employment by a person or entity in the business of being a distributor, wholesaler, bonded agent or retailer of e-cigarette products.

4. Purchase by Minor.

(A) It is a defense to prosecution under this subsection (b) that the minor purchased an e-cigarette product in the presence of an adult parent, guardian, or spouse, or other adult to whom the minor has been committed by a court.

(B) False information. It is an offense for a minor, in order to acquire an e-cigarette product, to state to any person engaged in the business of selling such products that such minor is not a minor, or to present to any such person a document or writing that purports to establish that such minor is not a minor.

SECTION 4. SEVERABILITY. If any section, subsection, sentence, clause or phrase of this ordinance is for any reason held to be unconstitutional or illegal, such decision shall not affect the validity of the remaining sections of this ordinance. The City Council hereby declares that it would have passed this ordinance, and each section, subsection, clause, or phrase thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses or phrases be declared void.

SECTION 5. SAVINGS CLAUSE. All ordinances or parts of ordinances, in conflict herewith are to the extent of such conflict hereby repealed. The balance of such ordinance is hereby saved from repeal.

SECTION 6. EFFECTIVE DATE. The Ordinance shall be effective immediately following its second reading and publication in accordance with the City Charter.

U.S. State and Local Laws Regulating Use of Electronic Cigarettes

As of January 2, 2014

The following list includes states and municipalities that have enacted laws regulating where electronic cigarette use (e-cigarettes) is prohibited. E-cigarettes are battery-powered devices that are designed to mimic cigarettes by vaporizing a nicotine-laced liquid that is inhaled by the user. The use of e-cigarettes in workplaces and public places is a significant public health concern, not only because of their unregulated constituents and the potential health impact of the vapor on users and bystanders, but also because e-cigarette use causes public confusion as to where smoking is allowed, resulting in compliance problems with smokefree laws.

Most local and state smokefree laws were enacted before e-cigarettes were on the market, so while such laws do not explicitly mention e-cigarettes, it should not be assumed that their use is permitted. Existing smokefree laws are often interpreted to prohibit e-cigarette use in their smokefree provisions.

NOTE: In the 100% Smokefree Venues column, the following abbreviations are used: W=non-hospitality workplaces; R=restaurants; B=bars; G=gambling facilities.

For more information, please visit ANR's e-cigarettes page.

State Laws Regulating Use of E-cigarettes

State Laws Restricting E-cigarette Use in 100% Smokefree Venues

Other state laws that do not explicitly address e-cigarettes might be interpreted as prohibiting the use of e-cigarettes in existing smokefree provisions.

State	Use of E-cigarettes Prohibited	100% Smokefree Venues in Which Use of E-cigarettes Prohibited	Use of E-cigarettes Specifically Permitted	Permitted In:
1. North Dakota	Yes	WRBG	No	
2. New Jersey	Yes	WRB	No	
3. Utah	Yes	WRB	Yes	Retailers that sell e-cigarettes, until 7/1/17.

State Laws Regulating E-cigarette Use in Other Venues

State	Use of E-cigarettes Prohibited	Prohibited In:	Use of E-cigarettes Specifically Permitted	If Partial, Permitted In:
1. Arkansas	Yes	Use of e-cigarettes prohibited on school district property.	No	
2. Colorado	Yes	Definition of tobacco product for purposes of prohibition of use on school property amended to include e-cigarettes, unless approved by FDA as cessation devices.	No	
3. Delaware	Yes	Tobacco use, including use of e-cigarettes and hookahs, prohibited in all State workplaces, including all buildings, facilities, indoor and outdoor spaces and surrounding grounds, as well as parking lots and state vehicles operated on State workplace property.	No	
4. Kansas	Yes	Tobacco use, including use of e-cigarettes, prohibited on all Dept. of Corrections property and grounds, by both employees and inmates. Per opinion of Attorney General, Indoor Clean Air Act of 2010 does not apply to e-cigarettes.	Partial	All places where smoking is prohibited per 3/12/10 law, including workplaces, restaurants, bars, gambling facilities, and public places generally.
5. Maryland	Yes	Smoking, including use of e-cigarettes prohibited on MARC commuter rail system trains.	No	
6. New Hampshire	Yes	Use of e-cigarettes prohibited in public educational facilities and on grounds thereof.	No	
7. Oklahoma	Yes	Tobacco use, including use of e-cigarettes, prohibited in all Dept. of Corrections facilities, including vehicles and grounds.	No	
8. Oregon	Yes	State agency employees prohibited from using tobacco products, including e-cigarettes, in State agency buildings and on State agency grounds adjacent to buildings.	No	

State	Use of E-cigarettes Prohibited	Prohibited In:	Use of E-cigarettes Specifically Permitted	If Partial, Permitted In:
9. South Dakota	Yes	Tobacco use, including use of e-cigarettes, prohibited in Dept. of Corrections facilities and on grounds thereof, by both employees and inmates.	No	

Local Laws Regulating Use of E-cigarettes

Laws Restricting E-cigarette Use in 100% Smokefree Venues

Note: <u>The jurisdiction(s) affected by county-level laws vary widely.</u> Look for a plus symbol (+) next to each county with a law that includes both incorporated and unincorporated areas. A county without a symbol means that the county law covers unincorporated areas only.

Marijuana Smokers Using E-Cigarettes to get High

When you see someone smoking an electronic cigarette, it might not be nicotine they're inhaling. Some are now using e-cigarettes as a new way to get high. They're smoking a vapor of liquid cannabis. It's sometimes referred to as hash oil. By using e-cigarettes, the illegal drug can be smoked anywhere without being detected. That has the Sangamon County Sheriff's Office concerned.

"You have no idea what they're smoking in there," said Kathy Drea, Vice President of Advocacy for the American Lung Association of the Upper Midwest.

It's a new trend among marijuana users: smoking illegal hash oil using electronic cigarettes.

"Hash is a derivative of marijuana, and it's a process where they make it sometimes into a paste, obviously they make it into an oil. But they're putting it into these e-cigarettes and they're using it to get high. And hash causes a very intense high," said Sangamon County Undersheriff Jack Campbell.

Since the vapor from electronic cigarettes is odorless, the smell of the marijuana is non-existent.

"Now we're afraid that here's another opportunity for people to walk down the street and do this right in front of us and we can't tell," said Campbell.

That's just one more reason Drea says she is fighting for e-cigarettes to be regulated by the government.

"We would like to see definitely restrictions on sales. We would like to see all smoke-free laws--that they're included in all smoke-free laws like Smoke-

next

Free Illinois," said Drea.

With marijuana now legal in some states, enforcement in Illinois is even more challenging.

"It seems to be working its way here probably from the west. Colorado, where marijuana is legal now, is one of the places where they began using this first. And we're afraid that as other states move into legalizing marijuana, that we're going to be seeing more of that here," said Campbell.

That's why local law enforcement officials say they're on the lookout for those using electronic cigarettes to smoke hash oil.

"Right now it's illegal to do, it's illegal to possess. So from our end of it in law enforcement, we're going to arrest you if we catch you with it," said Campbell.

A letter was signed by 40 state attorneys general, including Illinois' Lisa Madigan, urging the Food and Drug Administration to regulate electronic cigarettes. Officials say they're expecting a response from the FDA soon.

The National Association of Attorneys General says e-cigarette sales are growing rapidly, doubling every year since their inception in 2008. Sales in 2013 are now accelerating even faster and projected to reach $1.7 billion.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: **Brad Griggs, Assistant City Manager**

FROM: **Andy Hesser, Parks and Recreation Manager**

DATE: **December 31, 2013**

SUBJECT: **SUPPLEMENTAL MEMO FOR VOLUNTEER COACH'S ELIGIBILITY POLICY**

At the December 16th Council meeting, two issues were raised regarding the Coach's Eligibility Policy. The first issue raised by the City Attorney in regards to the membership of the appeal board. The original recommendation included the Police Chief, a City of Rockwall Municipal Judge and a three person subcommittee of the Park Board appointed by the Park Board Chairman.

According to the City Attorney's review of the City of Rockwall Charter during the Council meeting, a person who serves in an appointed position AND who is compensated for that appointment cannot serve as a voting member on another decision-making board.

In consultation with City Attorney Frank Garza following the Council meeting, Mr. Garza recommended that the Municipal Judge can act in an advisory capacity on the appeal board, but not as a voting member. I have included the revised policy recommendation in the Council packet. The amended language is in RED.

The second issue raised by Council was in reference to the time frames associated with the categories of crimes and the respective waiting period. There was much discussion, but no recommendation was made at that time. The policy included in the packet reflects the original unanimous Park Board recommendation as well as the original memo for the December 16th Council meeting.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: **Brad Griggs, Assistant City Manager**

FROM: **Andy Hesser, Parks and Recreation Manager**

DATE: **December 11, 2013**

SUBJECT: **AMENDED YOUTH SPORTS COACH'S ELIGIBILITY POLICY**

BACKGROUND: In February of 2006, City Council approved Park Board's recommendation to establish a policy for Eligibility Criteria for Co-Sponsored Youth Sports Programs as a Coach. This policy was included as a requirement in the Facility Use Agreements between the City and Rockwall Baseball Association (RBA) and Rockwall Girls Softball Association (RGSA) since 2006 to present. Lake Pointe Church Youth Sports Program has had the same requirement in their Facility Use Agreement since 2011.

All volunteers wishing to coach for any of these entities must submit a background check form as well as a signed copy of the Coach's Eligibility Policy indicating that they have received it and read it. A firm selected by the City then conducts the search and reports the data back to the City. The policy recommends various waiting periods in determining applicant's eligibility. For example, Driving Under the Influence requires a three year waiting period before a coach is eligible.

At the August 2013 meeting, staff brought the policy before the Park Board to discuss needed amendments. The first issue concerned the members of the appeal board. The current policy states that the appeal board is made up of the Rockwall Police Chief or designee, a City of Rockwall Municipal Court Judge, a member of the Rockwall County District Attorney's office and a board member of the respective youth sports association i.e. RBA or RGSA. At this time, it was clear that pending budget approval the City would no longer contract with RBA and RGSA and would offer those services as a City operated program. Therefore the policy needs to reflect those changes.

The second issue was the need for further clarification of offenses that affect the eligibility of prospective coaches. There have been instances of offenses that show up on the criminal history search results that may not clearly fall under the category of Crimes of Moral Turpitude, such as certain assaults. An example is that a simple misdemeanor assault may not fall into the category of Crimes of Moral Turpitude as defined by the Texas Attorney General, but assault with a deadly weapon may qualify.

From the August meeting, Park Board's unanimous recommendation is as follows:

- The appeal board shall be the City of Rockwall Police Chief or designee, the City of Rockwall Municipal Judge and a three member subcommittee of the Park Board which shall be appointed by the Park Board Chairman.
- All assaults, family violence and crimes of a sexual nature should be considered on an appeal basis only.

Two other concerns were raised. The first being the need for a clear definition of Crimes of Moral Turpitude, the second was concerning non-disclosure orders issued by a judge in deferred adjudication cases.

In consultation with the City Attorney, the proposed policy amendments address the Park Board's recommendation and concerns by reflecting the changes in the Appeal Board membership; and including a definition and list of crimes that have been recognized under Texas Law as Crimes of Moral Turpitude that could affect the eligibility to serve as a coach or official.

In regards to non-disclosure orders, KRESS the company that the City has used to conduct criminal history searches, collects data from sites that provide public information only. According to KRESS, information that may be included in a judge's order for non-disclosure should not be available as public information through public data portals.

They also stated that their staff is trained to look for possible non-disclosure rulings and would therefore not include this information to the City in their report. Criminal history checks through KRESS are required to be in compliance with the Fair Credit Reporting Act (FCRA). Individuals who submit a form for a criminal history check are also provided a copy of their rights under the FCRA and the process for disputing any information reported by KRESS.

I have included a copy of the previously adopted policy as well as the proposed amended draft in your packet. Staff will be available to answer any questions you may have.

The City of Rockwall	**Parks, Recreation, and Streets Policies & Administrative Directives**		
	Policy Number **1**	Page # 1 of 2	Origination Date: 2/20/2006 Revision Date: 12/31/2013
	Subject: **AMENDED Eligibility Criteria for Youth Sports Programs as a Coach**		_____Date:_____ Director Signature

The eligibility of a coach or an official in the City of Rockwall Baseball & Softball League (RBSL) is based on the results of a criminal history background check. A firm selected by the City will conduct the search and report the data back to the City. A coach or other official that is determined by city staff to be ineligible, shall not be allowed on the field of play during practices or games. A potential applicant may appeal the staff decision to a five member panel for final determination. The appeal panel would listen to an applicant's appeal of ineligibility taking into account the type and severity of the offense reported in the background check and all mitigating factors provided by the applicant. **The make-up of this appeal panel is to be the City of Rockwall Chief of Police or his designated representative, the City of Rockwall Municipal Judge, and a three member subcommittee of the Park Board which shall be appointed by the Park Board Chairman**. The ruling by appointed panel shall be final. The Municipal Judge shall not be a voting member, but act in an advisory capacity only. In the event of a tie vote of two appeal board members in favor and two against, the appeal shall be considered denied and the coach will be deemed ineligible.

A person shall not be eligible to serve as a coach or official if they have been convicted of or received deferred adjudication community supervision for a crime involving moral turpitude. A person is considered to have been placed on deferred adjudication community supervision if, regardless of the statutory authorization:

(1) the person entered a plea of guilty or nolo contendere;

(2) the judge deferred further proceedings without entering an adjudication of guilt and placed the person under the supervision of the court or an officer under the supervision of the court; and

(3) at the end of the period of supervision the judge dismissed the proceedings and discharged the person.

Moral turpitude is a legal term and has a recognized meaning to include:

- Dishonesty, fraud, deceit, misrepresentation or deliberate violence
- Matters of personal morality
- Conduct committed knowingly and contrary to justice, honesty, principle or good morals
- Baseness, vileness or depravity
- Conduct immoral in itself, regardless of whether it is punishable by law
- Immoral conduct that is willful, flagrant or shameless and shows a moral indifference to the opinion of the good and respectable members of the community

Under Texas Law the following crimes have been recognized as crimes of moral turpitude and shall affect the eligibility to serve as a coach or official:

- **Sexual assault of a child**

DRAFT

- **Lying to a police officer**
- **Mail fraud**
- **Tax evasion**
- **Prostitution**
- **Purchase of a child**
- **Indecent exposure**
- **Failure to stop & render aid**
- **Theft**
- **Aggravated assault**
- **Assault by a male on a female**
- **Communicating a false alarm**
- **Murder and indecent exposure**
- **Swindling**
- **Bank fraud**
- **Theft, shoplifting**

The safety and protection of the participants in this league are paramount to the interests of coaches or officials. As such, some offenses that may not be crimes of moral turpitude are nonetheless determinative as to eligibility to participate as a coach or official in this league. Potential coaches or officials that may have been convicted or received deferred adjudication community supervision for certain crimes may apply if certain time periods have expired. These time periods run from the date of conviction or the date that the person was discharged from deferred adjudication community supervision. The following waiting periods will be used in determining applicant's eligibility.

- Driving Under the Influence/Driving While Intoxicated/misdemeanor — 3 years
- Misdemeanor Crimes of Moral Turpitude — 7 years
- Felony Offenses not involving assaults or domestic violence — 10 years

Potential coaches or officials that may have been convicted or received deferred adjudication community supervision for certain crimes may be totally excluded if the offense was of a sexual nature, a felony assault or felony domestic violence. Potential coaches or officials that may have been convicted or received deferred adjudication community supervision for these offenses can only participate if the appeal panel grants their appeal of ineligibility.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Honorable Mayor and Council**

FROM: **Jeffrey Widmer, Building Official**

DATE: **January 6, 2014**

SUBJECT: **Amendment to sign ordinance adding brightness standards for CEVM signs and a minor change regarding the allowable height for wall signs.**

Following the recent City Council work session pertaining to various sign ordinance issues, and the direction given by City Council to develop standards regulating the brightness of changeable electronic variable message signs (CEVM), staff has researched the topic and has drafted a sign ordinance amendment for your review and consideration.

Topics that were researched and considered in preparing the draft amendment included the following; other municipalities that currently have standards to regulate CEVM signs and studies that have been conducted on the topic of safety for motorists and the appropriate methods that should be utilized to measure and regulate the brightness and motion of CEVM signage displays. In addition, staff has inventoried and measured the brightness of all existing CEVM signs within the City, to determine how this new proposed standard might affect them.

The proposed amendment basically sets limitations for the maximum amount of light emitted from CEVM signs and would require existing signs to be brought into compliance within a set period of time. Two levels of limits are included, with one for daytime and one for nighttime use. The ordinance would require any individuals seeking a future permit to erect a CEVM sign, to provide certification to the City, indicating that the new proposed sign would meet the ordinance requirements. In addition, a maximum allowable size for the CEVM portion of any sign has been added. Lastly, the language for other existing regulations related to CEVM signs has been reorganized.

In addition to the changes listed above, a proposed change had been drafted relating to the allowable height for wall signs. Currently, wall sign height is limited to a maximum of six (6) feet. The proposed amendment eliminates the six (6) foot limitation and relies simply on the maximum allowable size for wall signs to govern their overall height. Wall signs are currently allowed up to ten (10%) percent of a building façade area and that regulation would continue to apply to any future wall signs.

CITY OF ROCKWALL, TEXAS

ORDINANCE NO. 14-xx

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE CODE OF ORDINANCES IN CHAPTER 32 SIGNS, ARTICLE III REGULATIONS AND REQUIREMENTS, DIVISION 3. FUNCTIONAL STANDARDS, SECTION 32-233. CHANGEABLE ELECTRONIC VARIABLE MESSAGE SIGNS (CEVM) TO REPEAL THIS SECTION IN ITS ENTIRETY AND PROVIDE FOR A NEW SECTION 32-233; PROVIDING FOR A PENALTY CLAUSE; PROVIDING FOR REPEALING, SAVINGS AND SEVERABILITY CLAUSES; PROVIDING FOR PUBLICATION; AND PROVIDING FOR AN EFFECTIVE DATE OF THIS ORDINANCE.

WHEREAS, the Rockwall City Council deems the public interest to be best served by the adoption of certain rules and regulations regarding Changeable Electronic Variable Message Signs as set forth herein;

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

SECTION 1. That the Code of Ordinances in Chapter 32. Signs, Article III. Regulations and Requirements, Division 3. Functional Standards, Section 32-233 is hereby repealed in its entirety and is replaced with a new Sec. 32-233 which shall hereby read in its entirety as follows:

Sec. 32-233. Changeable Electronic Variable Message Signs (CEVMs)

CEVMS signs are subject to the same size and location restrictions as other signs regulated by this division. In addition, CEVM signs are subject to the following restrictions:

(1) *Location:* CEVM signs shall not be erected within 150 feet of a residential district or residential use unless the lighting is shielded from view from the residential district or residential use.

(2) *Size:* The CEVM portion of any sign shall be limited to two hundred (200) square feet in message area.

(3) *Dwell Time:* Messages shall remain static for a minimum period of five (5) seconds.

(4) *Change of Message:* Any change of pictures or information on a CEVM sign shall not produce the illusion of blinking, flashing, expanding or contracting shapes, scrolling, rotation or any similar effect of animation. Message changes shall be accomplished within two (2) seconds or less and shall occur simultaneously on the entire sign face.

(5) *Brightness:* The maximum brightness of a CEVM sign shall not exceed 7,500 Nits (candelas per square meter cd/m^2) during daylight hours or 750 Nits between dusk to dawn. CEVM signs shall be fitted with a light sensing device or contain software that is programmed to automatically adjust the brightness in accordance with these standards and the intensity of its display according to natural ambient light conditions. Further, prior to the issuance of a permit, the applicant shall provide written certification from the sign manufacturer that the light intensity has been factory pre-set not to exceed the levels specified above, and the intensity level is protected from end-user manipulation by password-protected software or other method.

(6) *Malfunction:* CEVM signs shall be equipped with a properly functioning default mechanism that will cause the sign to revert immediately to a single, fixed image or to a black-screen if the sign malfunctions.

(7) *Existing signs:* All CEVM signs in existence prior to the effective date of this Ordinance shall conform to the provisions of this subsection within 30 days of the adoption date of this ordinance [January 20, 2014].

SECTION 2. That any person, firm or corporation who violates any provision of this ordinance or who fails to obtain a special event permit shall be deemed guilty of a misdemeanor and upon conviction thereof, in the Municipal Court of Rockwall, TX, shall be subject to a fine in accordance with the general provisions of the Code of Ordinances.

SECTION 3. That all ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed to the extent of such conflict.

SECTION 4. That the Code of the City of Rockwall, Texas, as amended, shall remain in full force and effect, save and except as amended by this ordinance.

SECTION 5. That should any section, paragraph, sentence, clause, phrase or word of this ordinance be declared unconstitutional or invalid for any purpose by a court of competent jurisdiction, the remainder of this ordinance shall not be affected thereby, and to this end the provisions of this ordinance are declared to be severable.

SECTION 6. That it is hereby found and determined that the meeting at which this ordinance was passes was open to the public as required by Section 551.001 et seq., Texas Government Code, and that advance public notice of the time, place and purpose of said meeting was given.

SECTION 7. That this Ordinance shall take effect immediately upon its second reading and newspaper publication as required by the City Charter, Section 3.11.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 21st day of January, 2014.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Honorable Mayor and Council**

FROM: **Jeffrey Widmer, Building Official**

DATE: **January 6, 2014**

SUBJECT: **Amendment to sign ordinance adding brightness standards for CEVM signs and a minor change regarding the allowable height for wall signs.**

Following the recent City Council work session pertaining to various sign ordinance issues, and the direction given by City Council to develop standards regulating the brightness of changeable electronic variable message signs (CEVM), staff has researched the topic and has drafted a sign ordinance amendment for your review and consideration.

Topics that were researched and considered in preparing the draft amendment included the following; other municipalities that currently have standards to regulate CEVM signs and studies that have been conducted on the topic of safety for motorists and the appropriate methods that should be utilized to measure and regulate the brightness and motion of CEVM signage displays. In addition, staff has inventoried and measured the brightness of all existing CEVM signs within the City, to determine how this new proposed standard might affect them.

The proposed amendment basically sets limitations for the maximum amount of light emitted from CEVM signs and would require existing signs to be brought into compliance within a set period of time. Two levels of limits are included, with one for daytime and one for nighttime use. The ordinance would require any individuals seeking a future permit to erect a CEVM sign, to provide certification to the City, indicating that the new proposed sign would meet the ordinance requirements. In addition, a maximum allowable size for the CEVM portion of any sign has been added. Lastly, the language for other existing regulations related to CEVM signs has been reorganized.

In addition to the changes listed above, a proposed change had been drafted relating to the allowable height for wall signs. Currently, wall sign height is limited to a maximum of six (6) feet. The proposed amendment eliminates the six (6) foot limitation and relies simply on the maximum allowable size for wall signs to govern their overall height. Wall signs are currently allowed up to ten (10%) percent of a building façade area and that regulation would continue to apply to any future wall signs.

CITY OF ROCKWALL, TEXAS

ORDINANCE NO. 14-xx

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE CODE OF ORDINANCES IN CHAPTER 32 SIGNS, ARTICLE III REGULATIONS AND REQUIREMENTS, DIVISION 2. STRUCTURAL STANDARDS, SECTION 32-204. WALL SIGNS AND DIVISION 6. SPECIFIC SIGN REGULATIONS, SECTION 32-306. WALL SIGNS TO ELIMINATE CERTAIN PROVISIONS REGARDING WALL SIGN HEIGHT; PROVIDING FOR A PENALTY CLAUSE; PROVIDING FOR REPEALING, SAVINGS AND SEVERABILITY CLAUSES; PROVIDING FOR PUBLICATION; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the Rockwall City Council deems the public interest to be best served by the adoption of certain rules and regulations regarding the height of wall signs as set forth herein;

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

SECTION 1. That the Code of Ordinances in Chapter 32. Signs, Article III. Regulations and Requirements, Division 2. Structural Standards, Section 32-204(a) is hereby amended to strike language and read as follows:

Sec. 32-204. Wall Signs

(a) Wall signs may be painted on a window or door, but no other building surface. All other wall signs shall be attached to, and not painted onto any building. The sign brackets or supports for wall signs may not project more than two inches from said wall. Such sign faces shall not ~~have a vertical height of more than six feet nor~~ exceed ten percent of the front face area of the building or storefront as established in approved plans submitted to the city, or 60 square feet, whichever is greater, nor exceed 75 percent of the width of such building or store frontage, nor the sign standards of the functional standards table set forth in section 32-366. Vertical clearance shall be subject to the requirements of section 32-206.

SECTION 2. That the Code of Ordinances in Chapter 32. Signs, Article III. Regulations and Requirements, Division 6. Specific Sign Regulations, Section 32-306 is hereby amended to strike language and read as follows:

Sec. 32-306. Wall Signs

A business shall be allowed any number of attached wall, projection or marquee signs so long as the total face area of the attached signs does not exceed ten percent of the front face area of the building or store front as established in approved plans

submitted to the city, or 60 square feet, whichever is greater~~, or exceed six feet in height~~.

SECTION 3. That any person, firm or corporation who violates any provision of this ordinance or who fails to obtain a special event permit shall be deemed guilty of a misdemeanor and upon conviction thereof, in the Municipal Court of Rockwall, TX, shall be subject to a fine in accordance with the general provisions of the Code of Ordinances.

SECTION 4. That all ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed to the extent of such conflict.

SECTION 5. That the Code of the City of Rockwall, Texas, as amended, shall remain in full force and effect, save and except as amended by this ordinance.

SECTION 6. That should any section, paragraph, sentence, clause, phrase or word of this ordinance be declared unconstitutional or invalid for any purpose by a court of competent jurisdiction, the remainder of this ordinance shall not be affected thereby, and to this end the provisions of this ordinance are declared to be severable.

SECTION 7. That it is hereby found and determined that the meeting at which this ordinance was passes was open to the public as required by Section 551.001 et seq., Texas Government Code, and that advance public notice of the time, place and purpose of said meeting was given.

SECTION 8. That this Ordinance shall take effect immediately upon its second reading and newspaper publication as required by the City Charter, Section 3.11.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 21st day of January, 2014.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: **Honorable Mayor & City Council Members**

FROM: **Kristy Ashberry, City Secretary / Assistant to the City Manager**

DATE: **December 31, 2013**

SUBJECT: **Appointment(s) to Main Street Advisory Board (MSAB)**

Mayor Sweet is the council's designee for making recommendations to the full council concerning appointments to the Main Street Advisory Board. He would like the council to consider appointing Jessica Kovar to fill a vacancy left by Chris Cameron, a current board member whose term expires in Jan. 2014 and who does not wish to be reappointed. In Ms. Kovar's application, she states the following about herself:

> *I have been in the restaurant and customer service trades through professional offices and many aspects of the food and beverage industry. I love working with people and creating a buzz around projects I am involved in. I have recently accepted a promotion of Food and Beverage Director at the Rockwall Golf and Athletic Club after leaving one of my favorite place, Zanata. There is a great undertaking here to improve the experience and general services we provide to our members and surrounding public, and I love the challenge. I was born and raised in Rockwall, graduated from Rockwall High School in 2003 and went to North Texas, Texas Tech and the Art Institute for Interior Design and Architecture.*

I have briefly spoken to Ms. Kovar to confirm her interest and willingness to serve, and I notified her that the council will be considering her possible appointment at the January 6 council meeting. I explained that, if appointed, she would serve a two-year term (expiring January 2016).

In addition, Mayor Sweet would like the council to consider reappointing Michael Adrian to the MSAB for an additional, two-year term which would expire in January 2016. While Mr. Adrian's attendance was concerning for a period, the previous conflict related to his ability to attend meetings has been resolved, and he does have a desire to be reappointed at this time.

Re: November 2013 Structure Fire Report.
Date: November 14, 2013

609 Sunset Hill

We responded to a report of a fire at 609 Sunset Hill on November 24, 2013. The first unit on scene arrived and reported light smoke showing from the garage. Upon entry into the garage firefighters located a small smoldering fire that was emitting a large amount of smoke. The fire was quickly extinguished. There was some damage to the interior of the residence due smoke and there was significant damage to the garage due to smoke and heat. No firefighter injuries were reported on this incident.

Dispatch time: 09:19.36
Enroute time: 09:21.04
On scene time: 09:24.00
Clear time: 10:31.20

4 Men on scene 09:27
8 men on scene 09:30
12 men on scene 09:32

We had a total of 16 Firefighters on scene, 2 Chiefs and 3 apparatus.

Blank Page 181

Discuss and consider citywide recycling program, including possible survey of residents regarding the program and associated monthly fee, and take any action necessary.

Pruitt Request 182
Blank Page 183

Discuss and consider appointments to the city's Art Review Team (ART) Commission, and take any action necessary.

Memo 184
Blank Page 187

AGENDA
ROCKWALL CITY COUNCIL
Tuesday, January 21, 2014
4:00 p.m. Regular City Council Meeting
City Hall, 385 S. Goliad, Rockwall, Texas 75087

I. CALL PUBLIC MEETING TO ORDER

II. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding recent employment action taken pursuant to Section § 551.074 (Personnel Matters)
2. Discussion regarding land acquisition in the vicinity of the downtown area for municipal purposes pursuant to Section § 551.072 (Real Property).
3. Discussion regarding the city's Fixed Based Operator airport agreement pursuant to Section § 551.071 (Consultation with Attorney)
4. Discussion regarding the following legal claim: TF-Harbor LLC v. City of Rockwall, Texas and Rockwall Rental Properties L.P. pursuant to Section 551.071 (Consultation with Attorney)

III. ADJOURN EXECUTIVE SESSION

IV. WORK SESSION (5:00 P.M.)

1. **CONDUCT INTERVIEWS FOR FIXED BASED OPERATOR SERVICES AT THE RALPH M. HALL / ROCKWALL MUNICIPAL AIRPORT AND TAKE ANY NECESSARY ACTION.**

AGENDA
ROCKWALL CITY COUNCIL
Tuesday, January 21, 2014
6:00 p.m. Regular City Council Meeting
City Hall, 385 S. Goliad, Rockwall, Texas 75087

V. RECONVENE PUBLIC MEETING

VI. TAKE ANY ACTION AS A RESULT OF EXECUTIVE SESSION

VII. INVOCATION AND PLEDGE OF ALLEGIANCE – MAYOR PRO TEM WHITE

VIII. CONSENT AGENDA

p.10 **1.** Consider approval of the minutes from the January 6, 2014 regular city council meeting, and take any action necessary.

p.23 **2.** Consider approval of the Contract for Election Services between the City of Rockwall, Rockwall County and the Rockwall Independent School District for a General Election to be held May 10, 2014, and take any action necessary.

p.39 **3.** **A2013-001**- Consider approval of an **ordinance** for a City initiated request to annex land in accordance with previously approved Chapter 212 Texas Local Government Code Development Agreements, specifically for four (4) tracts of land comprising approximately 42.482-acres of land situated in the W. W. Ford Survey, Abstract No. 80 and J. W. Pitman Survey, Abstract No. 181 and generally located contiguous to the existing city limits line west of SH-205 (S. Goliad Street) and south of FM-549 and specifically described as follows: (1)Tract 17-14 of the W. W. Ford Survey, Abstract No. 80 being 12.493-acres, (2) Tract 40 of the W. W. Ford Survey, Abstract No. 80 being 8.989-acres, (3) Tract 40-1 of the W. W. Ford Survey, Abstract No. 80 being 1-acre, (4) Tract 1-4 of the J. W. Pitman Survey, Abstract No. 181 being 20-acres. **(2nd Reading)**

p.50 **4.** Consider authorizing the City Manager to enter into a contract extension with Clean Harbors Inc. to manage Household Hazardous Waste Collection Day April 5, 2014 and take any action necessary.

p.52 **5.** Consider authorizing the City Manager to execute a purchase order with Caldwell Country (Chevrolet) for the purchase of a Suburban for Fire Command operations in the amount of $45,388 funded with General Fund Reserves budget of $65,000 and take any action necessary.

p.54 **6.** Consider approval of Change Order No. 1 to Hill & Wilkinson General Contractors for the construction of additional two parking lots with the downtown project in the amount of $126,224.00 and funded by General Reserves, and take any action necessary.

p.58 **7.** Consider approval of a resolution establishing the pro rata equipment fee related to the city's mandatory neighborhood park land dedication regulations, and take any action necessary.

p.61 **8.** Consider approval of a resolution regarding the cost per acre for mandatory neighborhood park land dedication, and take any action necessary.

p.103 **9.** Consider approval of an ordinance amending the Code of Ordinances in Chapter 32 Signs, Article III. Regulations and Requirements, Division 2. Structural Standards, Section 32-204. Wall Signs and Division 6. Specific Sign Regulations, Section 32-306. Wall Signs to eliminate certain provisions regarding wall sign height, and take any action necessary. (2nd reading)

p.106 **10.** **P2013-042** - Consider a request by Drew Colon of Greener City Groups, Inc. for the approval of a final plat of Lots 1-14, Block 1, Shady Dale Estates Addition being a 4.32-acre tract of land identified as Tracts 4-13 & 4-14 of the Edward Teal Survey, Abstract 207, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 9 (PD-9) for Single Family Residential uses, located east of the intersection of Ridge Road [FM-740] and Shady Dale Lane, and take any action necessary.

p.114 **11.** **P2013-043** - Consider a request by Mushtak Khatri of the Tabani Group on behalf of T. Rockwall Phase 2, LLC for the approval of a final plat for Lot 5, Block A, Rockwall Commons Addition being a 3.802-acre parcel of land currently recognized as a one (1) acre parcel of land identified as Lot 1, Block 1, Independent Community Financial Corporation Addition and a 2.802-acre tract of land identified as Tract 6-2 of the B. J. T. Lewis Survey, Abstract No. 255 and the D. Atkins Survey, Abstract No. 1, both properties being zoned Planned Development District 1 (PD-1) for mixed use development, generally located on Ridge Road [FM-740] south of Summit Ridge Drive, and take any action necessary.

p.120 **12.** **P2013-044** - Consider a request by Jay Bedford of the A. J. Bedford Group, Inc. on behalf of BDC Family Limited Partnership for the approval of a replat for Lot 13, Block 1, Rockwall Centre Corners Addition being a 2.644-acre parcel of land currently identified as Lot 12, Block 1, Rockwall Centre Corners Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the IH-30 Overlay (IH-30 OV) District, the SH-205 (SH-205 OV) District and SH-276 (SH-276) District, and located at the northeast corner of the intersection of S. Goliad Street (SH-205) and SH-276, and take any action necessary.

IX. APPOINTMENTS

p.126 **1.** Appointment with Rob Dixon of Hill & Wilkinson, General Contractors, and Michael Black with la terra studio, to hear and discuss a progress update of the Downtown Improvements Project, including the engineering and construction plans status for phase two, and take any action necessary.

2. Appointment with Freddie Jackson and representatives of the Southside Residential Overlay District to discuss zoning procedures, and take any action necessary.

X. ACTION ITEMS

p.128 **1.** **Z2013-035** - Discuss and consider approval of an **ordinance** for a request by J. D. Jacobs, Jr. for the approval of a zoning change from Single Family 7 (SF-7) District to a Residential-Office (RO) District for a 0.661-acre tract of land identified as a portion of Lot 3 and all of Lot 4, Block G, Sanger Addition, Rockwall, Rockwall County, Texas, located east of the intersection of Peters Colony Drive and E. Bourn Street, and take any action necessary **(2nd Reading).**

p.140 **2.** Discuss and consider the city's process associated with proposed zoning change notifications, and take any action necessary.

p.168 **3.** Discuss and consider approval of an **ordinance** amending Chapter 22, Article II of the City's Code of Ordinances to establish Section 22.71 regulating the purchase, sale, offer to sell, and ingestion of any e-cigarette smoking product to or by any minor, and take any action necessary. **(2nd reading)**

p.173 **4.** Discuss and consider approval of an ordinance amending the Code of Ordinances in Chapter 32 Signs, Article III. Regulations and Requirements, Division 3. Functional Standards, Section 32-233. Changeable Electronic Variable Message Signs (CEVMs) to repeal this section in its entirety and provide for a new section 32-233, and take any action necessary. **(2nd reading)**

p.177 **5.** Discuss and consider an ordinance amending the city's Code of Ordinances in Chapter 10. Buildings and Building Regulations, Article XIII. Dangerous Buildings, Section 10-537. Procedure When Owner Fails to Comply to amend the minimum waiting period associated with the City conducting a building demolition, and take any necessary action. **(1st reading)**

p.182 **6.** Discuss and consider citywide recycling program, including possible survey of residents regarding the program and associated monthly fee, and take any action necessary.

p.184 **7.** Discuss and consider appointments to the city's Art Review Team (ART) Commission, and take any action necessary.

XI. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding recent employment action taken pursuant to Section § 551.074 (Personnel Matters)

2. Discussion regarding land acquisition in the vicinity of the downtown area for municipal purposes pursuant to Section § 551.072 (Real Property).

3. Discussion regarding the city's Fixed Based Operator airport agreement pursuant to Section § 551.071 (Consultation with Attorney)

4. Discussion regarding the following legal claim: TF-Harbor LLC v. City of Rockwall, Texas and Rockwall Rental Properties L.P. pursuant to Section 551.071 (Consultation with Attorney)

XII. RECONVENE PUBLIC MEETING & TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

XIII. ADJOURNMENT

This facility is wheelchair accessible and accessible parking spaces are available. Request for accommodations or interpretive services must be made 48 hours prior to this meeting. Please contact the City Secretary's Office at (972) 771-7700 or FAX (972) 771-7727 for further information.

The City of Rockwall City Council reserves the right to adjourn into executive session at any time to discuss any of the matters listed on the agenda above, as authorized by Texas Government Code § 551.071 (Consultation with Attorney) § 551.072 (Deliberations about Real Property) § 551.074 (Personnel Matters) and § 551.086 (Economic Development)

I, Kristy Ashberry, City Secretary for the City of Rockwall, Texas, do hereby certify that this Agenda was posted at City Hall, in a place readily accessible to the general public at all times, on the 17th day of January, 2013 at 4:00 p.m. and remained so posted for at least 72 continuous hours preceding the scheduled time of said meeting.

MINUTES
ROCKWALL CITY COUNCIL
Monday, January 06, 2014
4:00 p.m. Regular City Council Meeting
City Hall - 385 S. Goliad, Rockwall, Texas 75087

I. CALL PUBLIC MEETING TO ORDER

Mayor Sweet called the meeting to order at 4:00 p.m. Present were Mayor David Sweet, Mayor Pro Tem David White and Councilmembers Mike Townsend, Scott Milder, Bennie Daniels and Dennis Lewis. Also present were City Manager Rick Crowley, Assistant City Managers Mary Smith and Brad Griggs, and City Attorney Frank Garza. Councilmember Jim Pruitt was absent from the meeting.

Mayor Sweet read the below listed items into the public record before recessing the meeting into Executive Session at 4:01 p.m.

II. EXECUTIVE SESSION.

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding the following legal claim: TF-Harbor LLC v. City of Rockwall, Texas and Rockwall Rental Properties L.P. pursuant to Section 551.071 (Consultation with Attorney)
2. Discussion regarding appointments to city regulatory boards, commissions, and committees including the Fire Department Pension Board pursuant to Section §551.074 (personnel matters)

III. ADJOURN EXECUTIVE SESSION

The Council adjourned from Executive Session at 4:25 p.m.

MINUTES
ROCKWALL CITY COUNCIL
Monday, January 06, 2014
6:00 p.m. Regular City Council Meeting
City Hall, 385 S. Goliad, Rockwall, Texas 75087

IV. RECONVENE PUBLIC MEETING

Mayor Sweet reconvened the public meeting at 6:00 p.m. All council members except for Councilman Jim Pruitt were present.

V. TAKE ANY ACTION AS A RESULT OF EXECUTIVE SESSION

Mayor Pro Tem White made a motion to appoint Bennie Daniels to serve on the Fire Department Pension Board. Councilmember Lewis seconded the motion, which passed by a vote of 6 ayes with 1 absent (Pruitt).

VI. INVOCATION AND PLEDGE OF ALLEGIANCE – COUNCILMEMBER TOWNSEND

Councilmember Townsend delivered the invocation and led the Pledge of Allegiance.

VII. OPEN FORUM

Mayor Sweet explained how Open Forum is conducted and then asked if anyone in the audience would like to come forth to address the Council at this time.

Joe Robbins
805 Peters Colony
Rockwall, TX

Mr. Robbins expressed that he is transferring his pastor role to a younger pastor. He indicated he is also concerned about the rezoning that has been proposed in the Southside community. He shared that he is located next door to the subject property and did not receive a letter notifying him of the proposed zoning change. He is not in favor of a commercial office building being placed on this piece of property.

Freddie Jackson
1812 Bristol Lane
Rockwall, TX 75032

Mr. Jackson thanked the city council and city officials for coming out and supporting the community in their loss of Mr. Sam Buffington. He then indicated that the community itself is opposed to this proposed zoning change in the Southside. He expressed that they want to see that piece of property zoned for residential homes instead of an office building. He shared that a lot of the residents have indicated to him that they did not receive a notice of this proposed zoning change. He would like the council to postpone this item or send it back to the Planning & Zoning Commission for further investigation at this time.

Judith Matherne
1115 Signal Ridge Place
Rockwall, TX 75032

Mrs. Matherne indicated that she has been a resident of Rockwall for a long time, and she is also a friend of the late Sam Buffington. She expressed she agrees with Mr. Jackson in that the community needs to remain residential. She spoke on behalf of the community asking the council to reconsider approving this zoning change request for office space.

Leslie Milder
830 Shores Boulevard
Rockwall, TX

Mrs. Milder generally indicated that she would like to speak in favor of the agenda item related to prohibiting the sale of e-cigarettes to minors in the Rockwall community. She expressed that she is a former teacher and has background knowledge in child psychology, so she understands the questionable ability of adolescents to make good choices for themselves. She is in favor of free enterprise, but not at the expense of kids. She generally expressed the belief that banning the sale of these products to minors will aid in keeping Rockwall as a great place to raise children and families.

Etta Anderson
Pastor, St. Paul AME Church
805 Peters Colony
Rockwall, TX

Ms. Anderson indicated that she is the new pastor of this church. She generally expressed that she is in opposition of the proposed zoning change which changes the property to commercial office space. She is only in favor of it being zoned as residential. She asked the council to either postpone approval of this item or otherwise allow time for it to be reconsidered.

Tony Rios
(no address provided)

Mr. Rios indicated that years ago (in 1995), he met with Mr. Buffington and Pastor Robbins. During that time period, the Southside Neighborhood Coalition, a 501c3, non-profit organization, was created in order to preserve the Southside Community. He generally urged the council to consider delaying the decision regarding rezoning this property because he would like to see it preserved for residential use.

Dr. Barbara Montgomery
205 Clark Street
Rockwall, TX

Dr. Montgomery indicated she would like to speak on behalf of the late Sam Buffington. She indicated she was an honorary member of the Southside Coalition, and she worked with other members in the community to protect and preserve the Southside community. She believes that an Overlay District that was created years ago would protect the Southside community and preserve it as residential. She urged the council to revisit the

Overlay District regulations. She also indicated that a lot of people in the community did not receive a notice about this proposed rezoning.

Reverend Warren Daniels
New Caldonia Baptist Church
301 East Bourn

Reverend Daniels indicated he would like the proposed zoning to be kept "as is" and not changed to commercial office.

J.D. Jacobs
5961 Connie Lane
Rockwall, TX

Mr. Jacobs thanked the Mayor and Council for their time. He indicated that he has a residence in Rockwall and has had it since 1969. He has raised a family in Rockwall. He stated that he was the original Chairman of the Southside Coalition when it started. In the past, he has worked in the New Caldonia Church and St. Paul church building cabinets and donating his time. He has also previously served for three-and-a-half years on the city's Planning and Zoning Commission and the Rockwall Housing Development Board for three years. He was previously instrumental in getting grants to help build homes in the Southside area. He clarified that he is requesting the zoning on this piece of property for "residential office," which is different than "commercial" or "industrial" zoning. He thinks it may be helpful if there were more clarification provided, perhaps by staff, to more clearly define the "residential office" zoning designation. He indicated that this item has been up before the city for public hearing twice. He cares about the Southside community and is trying to increase the property values.

Nell Wellborn
810 Lake Meadows Circle
Rockwall, TX

Mrs. Wellborn indicated she is speaking about Z2013-035. She shared that for many years, residents in this neighborhood have depended on Sam Buffington and that during his illness and subsequent passing, perhaps some things fell to the way side. Mrs. Welborn stated that there is obviously some level of confusion or misunderstanding regarding this matter. Also, some residents have indicated that they did not receive notices on this proposed zoning change. She asked the Council to consider delaying the second reading of this ordinance in order to allow some additional community input regarding this topic. If this is not possible, she asked if there is some way that this item can be remanded back to the Planning & Zoning Commission for another public hearing without it being too disruptive to Mr. Jacobs who is requesting the zoning change.

There being no one else wishing to come forth and speak during Open Forum, Mayor Sweet then closed Open Forum.

VIII. CONSENT AGENDA

1. Consider approval of the minutes from the December 16, 2013 regular city council meeting, and take any action necessary.

2. **Z2013-032** - Consider approval of an **ordinance** for a request by Andrea Holliman for the approval of a Specific Use Permit to allow an antiques/collectibles and general retail store in Planned Development District 50 (PD-50) for a 0.47-acre parcel of land identified as a portion of Lot 1 of the W. D. Austin Addition, Rockwall, Rockwall County, Texas, zoned Planned Development District 50 (PD-50) for Residential-Office (RO) District uses, located within the North Goliad Corridor Overlay (NGC OV) District and the North SH 205 Corridor Overlay (N-SH 205 OV) District, addressed as 904 N. Goliad Street, and take any action necessary **(2nd Reading)**.

3. **Z2013-033** - Consider approval of an **ordinance** for a request by Kristin and Joshua Whitaker for the approval of a Specific Use Permit for an accessory building that does not conform to the material requirements as specified for a property in a Single-Family Estate 1.5 (SFE-1.5) District on a 1.5-acre parcel of land identified as Lot 17, Block B, Sterling Farms Addition, Rockwall, Rockwall County, Texas, zoned Single-Family Estate 1.5 (SFE-1.5) District, located at 1970 Copper Ridge Circle, and take any action necessary **(2nd Reading)**.

4. **Z2013-035** - Consider approval of an **ordinance** for a request by J. D. Jacobs, Jr. for the approval of a zoning change from Single Family 7 (SF-7) District to a Residential-Office (RO) District for a 0.661-acre tract of land identified as a portion of Lot 3 and all of Lot 4, Block G, Sanger Addition, Rockwall, Rockwall County, Texas, located east of the intersection of Peters Colony Drive and E. Bourn Street, and take any action necessary **(2nd Reading)**.

5. Consider authorizing the City Manager to execute a contract with Cambridge Fence Co. for a gate construction project at Tuttle Park in the amount of $13,998.00 to be funded from the Recreation Development Fund, and take any action necessary.

Mayor Pro Tem White pulled Consent Agenda item #4.

Mayor Pro Tem White then made a motion to approve the remaining Consent Agenda items (#1, 2, 3, and 5). Councilmember Daniels seconded the motion. The ordinances were read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 14-01
SPECIFIC USE PERMIT NO. S-117

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT WITHIN PLANNED DEVELOPMENT DISTRICT 50 (PD-50) ALLOWING FOR AN ANTIQUES/COLLECTIBLES AND GENERAL RETAIL STORE, THE SUBJECT PROPERTY IS LOCATED AT 904 N. GOLIAD STREET, BEING A PARCEL OF LAND DESCRIBED AS LOT 1 OF THE W. D. AUSTIN ADDITION, ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

CITY OF ROCKWALL
ORDINANCE NO. 14-02
SPECIFIC USE PERMIT NO. S-118

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT WITHIN THE SINGLE-FAMILY ESTATE (SF-E/1.5) DISTRICT ALLOWING FOR AN ACCESSORY BUILDING NOT MEETING THE EXTERIOR CLADDING REQUIREMENTS, ON THE PROPERTY LOCATED AT 1970 COPPER RIDGE CIRCLE, BEING A 1.5 ACRE PARCEL OF LAND DESCRIBED AS LOT 17, BLOCK B, STERLING FARMS ADDITION, CITY AND COUNTY OF ROCKWALL, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a vote of 6 ayes with 1 absent (Pruitt).

Mayor Pro Tem White made a motion to table Consent Agenda item #4 for at least two weeks. During that time, he asked Mr. Jacobs to please meet with members of the Southside community to plead his case with residents and representatives in that community and try to address any concerns or potential misconceptions concerning the proposed zoning change. Councilmember Lewis seconded the motion.

Councilmember Daniels facilitated a brief discussion related to notices that were sent out regarding the Z2013-035 rezoning proposal. Planning Director Robert LaCroix indicated that about twenty-five notices were sent out to property owners within two-hundred feet of the subject property. He clarified that if residents in that notification area rent their homes, they may not have received the notice, as, again, it is sent out to only property owners in accordance with the law. He also indicated that a notice in the form of an actual sign posted on the property was also posted at least ten days prior to the Planning & Zoning public hearing, and that this type of sign stays posted on the property until substantially after the second hearing of the ordinance has taken place. All in all, it has been posted for about a four week period.

Councilmember Daniels expressed concern about the oppositions just now coming forth in the last couple of days, despite the fact that this topic has already gone substantially through the process at this point.

Mayor Sweet spoke, generally indicating that he will be placing an agenda item on the next council agenda to revisit notices related to zoning changes, including the distance associated with the notifications, the signage requirements, and other provisions.

The motion passed unanimously by a vote of 6 in favor with 1 absent (Pruitt).

IX. APPOINTMENTS

1. Appointment with the Planning and Zoning Chairman to discuss and answer any questions regarding cases on the agenda and related issues and take any action necessary.

Mr. LaCroix indicated that the chairman had no additional information to share with the council this evening. The council did not discuss this item, nor was any action taken.

2. Appointment with representative(s) of the American Heart Association to request waiver of Harbor related fees for the 4th annual Heart Chase event to be held in September 2014 at The Harbor, and take any action necessary.

Dr. Kirk Pfleiger came forth and indicated that he represents the American Heart Association. He thanked the city council for their support of this event in the past. He stated that the event will be held in September this year, so hopefully it will be much cooler. He asked the council to please consider waiving the Harbor related fees again this year.

Councilmember Lewis made a motion to waive the Harbor-related fees with the understanding that the American Heart Association will still be responsible for the custodial portion of any fees associated with renting the Harbor for this event. Mayor Pro Tem White seconded the motion. He asked Dr. Pfleiger if this is a totally local event, or if people from outside of Rockwall come to stay the night in local hotels as a result of this event. Dr. Pfleiger indicated that it does attract people from Rowlett and other cities, and it does result in some overnight stays in hotels. Mayor Pro Tem White indicated that the city has hotel/motel tax funds that it collects in order to assist with events that help attract outsiders into Rockwall. He asked Dr. Pfleiger to speak with staff about the possibility of utilizing hotel/motel tax funding for requests such associated with the Heart Chase event in the future.

Councilmember Lewis clarified his motion to approve waiver of the Harbor-related fees with the exception of custodial fees and with the understanding that next year, event planners will consult with staff to see if the event will qualify for hotel / motel tax funding to take care of the Harbor fees. Mayor Pro Tem White asked that the motion be amended and restated once more to stipulate that if the event qualifies for hotel / motel funding this year, that those types of funds be utilized for this year's event. Councilmember Lewis agreed to this stipulation in his motion. Mayor Pro Tem White seconded it, which passed by a vote of 6 ayes with 1 absent (Pruitt).

3. Appointment with Rick Bernas of Republic Waste to hear update regarding debris clean-up efforts associated with the recent ice-related severe weather event, and take any action necessary.

Mr. Bernas came forth and provided an update on the clean up efforts associated with the recent ice storm in December. He indicated that on an average week, about 85 tons of debris is collected. In the last three weeks, they have collected 931 tons and 233 loads. About ¾ of the city is completed at this time. On about January 27, they expect to be back on a normal routine and pick up schedule. In summary, about 3 months worth of volume has been collected in the last three weeks since the recent, December ice storm occurred.

Mayor Sweet and Mayor Pro Tem White thanked Republic for their work on these clean up efforts over the last several weeks.

X. ACTION ITEMS

1. **A2013-001**- Discuss and consider approval of an **ordinance** for a City initiated request to annex land in accordance with previously approved Chapter 212 Texas Local Government Code Development Agreements, specifically for four (4) tracts of land comprising approximately 42.482-acres of land situated in the W. W. Ford Survey, Abstract No. 80 and J.

W. Pitman Survey, Abstract No. 181 and generally located contiguous to the existing city limits line west of SH-205 (S. Goliad Street) and south of FM-549 and specifically described as follows: (1)Tract 17-14 of the W. W. Ford Survey, Abstract No. 80 being 12.493-acres, (2) Tract 40 of the W. W. Ford Survey, Abstract No. 80 being 8.989-acres, (3) Tract 40-1 of the W. W. Ford Survey, Abstract No. 80 being 1-acre, (4) Tract 1-4 of the J. W. Pitman Survey, Abstract No. 181 being 20-acres. **(1st Reading)**

Planning Director Robert LaCroix provided background information related to this agenda item. He indicated that these are voluntary annexations related to property owners who did not wish to renew their 212 agreements upon their 3 year term expiration and therefore would now like to be annexed into the city. Two public hearings were held on December 2, 2013, and all legal requirements have been adhered to. Included with the ordinance is the service plan that speaks about the city services that will be extended to the area upon annexation. Should the council approve this upon 1st reading tonight, second reading will take place on January 21st.

Mayor Pro Tem White made a motion to approve the annexations associated with A2013-001. Councilmember Townsend seconded the motion. The ordinance was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 14-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, PROVIDING FOR THE EXTENSION OF CERTAIN BOUNDARY LIMITS OF THE CITY OF ROCKWALL, TEXAS AND THE ANNEXATION OF CERTAIN TERRITORY CONSISTING OF 42.482-ACRES OF LAND, WHICH SAID TERRITORY LIES ADJACENT TO AND ADJOINS THE PRESENT BOUNDARY LIMITS OF THE CITY OF ROCKWALL, TEXAS; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a vote of 6 ayes with 1 absent (Pruitt).

2. Discuss and consider approval of an **ordinance** amending Chapter 22, Article II of the City's Code of Ordinances to establish Section 22.71 regulating the possession purchase, sale, offer to sell, and ingestion of any e-cigarette smoking product to or by any minor, and take any action necessary. **(1st reading)**

Councilmember Milder explained that it is currently legal in our city for any minor to walk into a store and purchase these sorts of products. Councilmember Milder then made a motion to approve the ordinance, clarifying that the prohibition would apply to any product with or without nicotine. Councilmember Townsend seconded the motion.

Councilmember Townsend then asked for clarification regarding a portion of the ordinance where it speaks about a minor "purchasing "and "attempting to purchase" these sorts of products. He asked if "attempting to purchase" would be a violation under this ordinance, expressing some concern regarding enforceability of such provision. Also, Councilmember Townsend asked for clarification regarding a minor being in possession of these sorts of products. He wondered, for example, if the minor purchases the product in Garland and then enters Rockwall, will that minor be in violation of the ordinance?

Councilmember Milder indicated that he would like to leave out the "attempt to purchase" and "possession" aspects of the draft ordinance upon approval.

After input from Mr. Garza, City Attorney, Councilmember Milder clarified and restated his original motion, calling for approval of the ordinance with the understanding that Section 22.71 (b) (2) will be amended to eliminate "attempt to purchase or possess" from the final ordinance prior to second reading. Councilmember Townsend seconded the amended motion.

Councilmember Lewis clarified with the city attorney that the fine for violation of this ordinance is set at $500 and that this fine would apply to both the person selling the product to a minor and to any minor purchasing such product.

Both Councilmember Lewis and Mayor Sweet expressed that they are thankful the previously discussed moratorium on businesses selling this products did not come to fruition. Mayor Sweet indicated that he shares Councilman Milder's concerns with regards to these types of products being sold to minors.

Police Chief Mark Moeller indicated he believes his staff will be able to work with the Neighborhood Improvement Services Department on enforcement of this ordinance.

CITY OF ROCKWALL
ORDINANCE NO. 14-__

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE CITY CODE OF ORDINANCES TO ESTABLISH CHAPTER 22, ARTICLE II. OFFENSES REGARDING MINORS, SECTION 22-71. PURCHASE BY MINOR OF E-CIGARETTES, REGULATING THE PURCHASE, SALE, OFFER TO SELL, AND INGESTION OF ANY E-CIGARETTE SMOKING PRODUCT TO OR BY ANY MINOR; PROVIDING A PENALTY; PROVIDING A SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE.

The motion passed by a vote of 5 in favor, 1 against (White), and 1 absent (Pruitt).

3. Discuss and consider amending the Volunteer Coach's Eligibility Policy and take any action necessary.

Andy Hesser, Parks & Recreation Manager, came forth and indicated that there were a couple of outstanding issues which warranted further exploration on the part of staff as a result of the December 16 council meeting. Mr. Hesser indicated that the Park Board had previously recommended that the 'appeal board' be comprised of the city's Police Chief, the Municipal Court Judge, and three individuals from the city's Park Board. City Attorney Frank Garza indicated that he has reviewed this proposed make-up and is recommending the council consider having the Municipal Court Judge, who is appointed by the council, only serve on the appeal board in an advisory / non-voting capacity.

Regarding waiting periods associated with various types of past crimes which may come before the appeal board for consideration, Mr. Hesser indicated that staff will need direction from Council on this if the periods which have been proposed are in need of modification.

Mayor Pro Tem White made a motion to approve the amended Volunteer Coach's Eligibility Policy. Councilmember Lewis seconded the motion.

Discussion ensued regarding modifying some of the waiting period timeframes. Councilmember Townsend indicated he would like to see 3, 5 and 7 year waiting periods

in the policy in lieu of the proposed 3, 7 and 10. Brief, additional discussion took place related to the various timeframes, but no subsequent motion was made to change the draft policy as presented.

The motion then passed by a vote of 6 ayes with 1 absent (Pruitt).

4. Discuss and consider approval of an **ordinance** amending the Code of Ordinances in Chapter 32 Signs, Article III. Regulations and Requirements, Division 3. Functional Standards, Section 32-233. Changeable Electronic Variable Message Signs (CEVMs) to repeal this section in its entirety and provide for a new section 32-233, and take any action necessary. **(1st reading)**

Supervisor of Neighborhood Improvement Services (NIS), Cliff Griffin, came forth and offered background information related to this agenda item. Mr. Griffin indicated that staff has researched the brightness of these types of signs. Only about two to three companies in the United States manufacture the type of signs, and staff has spoken with these sign companies to verify that adjustments can be made to affect the brightness level of these signs without hindering the full effectiveness of the signs for the businesses who use them.

Councilmember Lewis asked how bright the Hyundai sign has been when staff measured it. Mr. Griffin indicated when staff measured it during daytime hours, it was at 7450 NITS. One night when staff measured it, it was over 6000 NITS, and it was on a night when the sign was not functioning properly. He stated that he measured this sign one night recently, and it was at 132 NITS. At that level, it was still totally visible at night.

After the discussion, Councilmember Lewis made a motion to approve the ordinance. Councilmember Milder seconded the motion. The ordinance was read as follows:

CITY OF ROCKWALL, TEXAS
ORDINANCE NO. 14-xx

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE CODE OF ORDINANCES IN CHAPTER 32 SIGNS, ARTICLE III REGULATIONS AND REQUIREMENTS, DIVISION 3. FUNCTIONAL STANDARDS, SECTION 32-233. CHANGEABLE ELECTRONIC VARIABLE MESSAGE SIGNS (CEVM) TO REPEAL THIS SECTION IN ITS ENTIRETY AND PROVIDE FOR A NEW SECTION 32-233; PROVIDING FOR A PENALTY CLAUSE; PROVIDING FOR REPEALING, SAVINGS AND SEVERABILITY CLAUSES; PROVIDING FOR PUBLICATION; AND PROVIDING FOR AN EFFECTIVE DATE OF THIS ORDINANCE.

The motion passed by a vote of 5 in favor, 1 against (White), and 1 absent (Pruitt).

5. Discuss and consider approval of an **ordinance** amending the Code of Ordinances in Chapter 32 Signs, Article III. Regulations and Requirements, Division 2. Structural Standards, Section 32-204. Wall Signs and Division 6. Specific Sign Regulations, Section 32-306. Wall Signs to eliminate certain provisions regarding wall sign height, and take any action necessary. **(1st reading)**

Cliff Griffin of the Neighborhood Improvement Services Department provided brief comments related to this proposed ordinance. Councilmember Townsend made a motion to approve the ordinance. Councilmember Milder seconded the motion. The ordinance was read as follows:

CITY OF ROCKWALL, TEXAS
ORDINANCE NO. 14-xx

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE CODE OF ORDINANCES IN CHAPTER 32 SIGNS, ARTICLE III REGULATIONS AND REQUIREMENTS, DIVISION 2. STRUCTURAL STANDARDS, SECTION 32-204. WALL SIGNS AND DIVISION 6. SPECIFIC SIGN REGULATIONS, SECTION 32-306. WALL SIGNS TO ELIMINATE CERTAIN PROVISIONS REGARDING WALL SIGN HEIGHT; PROVIDING FOR A PENALTY CLAUSE; PROVIDING FOR REPEALING, SAVINGS AND SEVERABILITY CLAUSES; PROVIDING FOR PUBLICATION; AND PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a vote of 6 ayes with 1 absent (Pruitt).

6. Discuss and consider appointments to the city's Main Street Advisory Board, and take any action necessary.

Mayor Sweet made a motion to reappoint Michael Adrian to the Main Street Advisory Board for a two-year term to expire in January 2016 and to appoint Jessica Kovar to replace Chris Cameron on the MSAB for a two-year term expiring in January 2016. Mayor Pro Tem White seconded the motion, which passed by a vote of 6 ayes with 1 absent (Pruitt).

XI. CITY MANAGER'S REPORT TO DISCUSS CURRENT CITY ACTIVITIES, UPCOMING MEETINGS, FUTURE LEGISLATIVE ACTIVITIES, AND OTHER RELATED MATTERS.

1. Departmental Reports
Building Inspections Monthly Report - November 2013
Fire Department Monthly Report - November 2013
Harbor PD Monthly Report - November 2013
Internal Operations Department Monthly Report - November 2013
Police Department Monthly Report - November 2013
Recreation Monthly Report - November 2013

2. City Manager's Report

City Manager Rick Crowley shared that the city's bond rating with Standard and Poors recently improved from AA- to AA+, which is a two-step improvement for the city. An update from the Construction Manager at Risk related to the downtown improvements project is forthcoming soon, likely at the next council meeting. The Trend Tower construction is progressing and meetings will be held next week regarding "finish out" of the building. The city's annual audit being conducted by Rutledge and Crain is currently underway. Assistant City Manager Brad Griggs provided a brief update to the council regarding the status of a "facilities use agreement" with Lakepointe Church regarding sports playing fields use. Mr. Griggs indicated that staff has worked out this agreement to facilitate the church's youth baseball program. It has been approved by the church and will go to the Park Board for approval tomorrow. It will then be brought to the council for approval in two weeks. It is designed to meet the church's needs and the city's needs. It is a five year agreement. Mr. Crowley then briefly updated the council on various, upcoming events and associated dates that the Council may have an interest in attending.

Mayor Sweet adjourned the meeting at 7:21 p.m.

XII. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding the following legal claim: TF-Harbor LLC v. City of Rockwall, Texas and Rockwall Rental Properties L.P. pursuant to Section 551.071 (Consultation with Attorney)
2. Discussion regarding appointments to city regulatory boards, commissions, and committees including the Fire Department Pension Board pursuant to Section §551.074 (personnel matters)

XIII. RECONVENE PUBLIC MEETING & TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

The Council did not reconvene into Executive Session following the close of the public meeting. Please see the start of the 6:00 p.m. public meeting above for action taken as a result of the first Executive Session.

XIV. ADJOURNMENT

The meeting was adjourned at 7:21 p.m.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 21st day of January, 2014.

CITY OF ROCKWALL
ROCKWALL INDEPENDENT SCHOOL DISTRICT

CONTRACT FOR ELECTION SERVICES

BY THE TERMS OF THIS CONTRACT made and entered into by and between the **CITY OF ROCKWALL** (the "City"), the **ROCKWALL INDEPENDENT SCHOOL DISTRICT** (the "School District") and the **ELECTIONS ADMINISTRATOR OF ROCKWALL COUNTY** (the "EA"), pursuant to the authority in Subchapter D, Section 31.092, of Chapter 31, of the Texas Election Code, agree to the following particulars in regard to coordination, supervision and running of the City's General Election and the School District's General Election to be held on May 10, 2014.

THIS AGREEMENT is entered into in consideration of the mutual covenants and promises hereinafter set out. IT IS AGREED AS FOLLOWS:

I. **PRINCIPAL DUTIES AND SERVICES OF THE EA**. The EA shall be responsible for performing the following duties and shall furnish the following services and equipment:

A. The EA shall arrange for appointment, notification (including writ of election), training and compensation of all presiding judges, alternate judges, the judge of the Tabulation Room and judge of the Early Voting Balloting Board.

1. The EA shall be responsible for notification of each Election day and Early Voting presiding judge and alternate judge of his or her appointment. The EA recommends providing up to six (6) election workers including alternate judges, clerks and interpreters. The presiding election judge of each polling place, however, will use his/her discretion to determine the working hours of the election workers during normal and peak voting hours. The EA will determine the number of clerks to work in the Tabulation Room and the number of clerks to work on the Balloting Board.

2. Election judges (including Presiding and Alternate) shall attend the EA's school of instruction (Elections Seminar) to be held on a date determined by the EA. The Elections Seminar shall provide training in standard procedures as set forth by the Secretary of State and will also include training on the ES&S Model 100 Precinct Ballot Scanners, the ES&S Ivotronic ADA voting machines and the ADA headphones.

3. Election judges shall be responsible for picking up from and returning election supplies to the Rockwall County Election Administrator's office located at 107 E. Kaufman, Rockwall, Texas. Compensation for this pickup and delivery of supplies will be $25.00.

4. The EA shall compensate each election judge, alternate judge, clerk and interpreter. Each election judge and interpreter shall receive $12.00 per hour for services rendered. Each alternate judge and clerk shall receive $10.00 per hour for services rendered. The expenses shall be shared equally pursuant to the Joint Election Agreement as

shown in Exhibit “D” attached and incorporated by reference into this contract.

B. The EA shall procure, prepare, and distribute voting machines, election kits and election supplies.

1. The EA shall secure election kits which include the legal documentation required to hold an election and all supplies including locks, pens, magic markers, etc.

2. The EA shall secure all tables, chairs, and legal documentation required to run the Tabulation Room.

3. The EA shall provide all lists of registered voters required for use on election day and for the early voting period required by law. The Election Day List of registered voters shall be arranged in alphabetical order by polling place.

4. The EA shall procure and arrange for the distribution of all election equipment and supplies required to hold an election. Equipment includes the rental of ES&S Model 100 Precinct Ballot Scanners, ES&S Ivotronic ADA voting machines, ADA headphones, transfer cases, voting signs and supply bags.

5. The EA shall take reasonable measurers to ensure that the voting Systems and election equipment are in working order and comply with applicable laws and regulations.

C. The EA shall be appointed as the Early Voting Clerk by the City and School District.

1. The EA shall supervise and conduct early voting by mail and in person and shall secure personnel to serve as Early Voting Deputies.

2. Early Voting by personal appearance for the City’s General Election and School District’s General Election held on May 10, 2014 shall be conducted during the time period and at the locations listed in Exhibit “A”, attached and incorporated by reference into , this contract.

3. All applications for an Early Voting mail ballot shall be received and processed by the Rockwall County Elections Administrator’s office located at 107 E. Kaufman, Rockwall, Texas 75087.

(a) Applications for mail ballots erroneously mailed to the City or School District shall immediately be faxed to the EA for timely processing. The original application shall then be forwarded to the EA for proper retention.

(b) All Federal Post Card Applicants (FPCA) will be sent a mail ballot. No postage is required.

4. All Early Voting ballots (those cast by mail and those cast by personal appearance) shall be prepared for count by the Early Voting Ballot Board in accordance with Section 87.000 of the Texas Election Code. The presiding judge of this Board shall be appointed by the EA. The Board shall meet for preparation of the early voting ballots at a time agreed to between the EA and the Early Voting Ballot Board Judge.

D. The EA shall arrange for the use of all election day polling places. The City and School District shall each assume the responsibility of incurring and absorbing the cost of its employees required to provide access, security and/or custodial services for the polling locations pursuant to a Joint Election Agreement as shown in Exhibit "D" attached and incorporated by reference into this contract. The election day polling locations are listed in Exhibit "B", attached and incorporated by reference into this contract.

E. The EA shall be responsible for establishing and operating the Tabulation Room to receive the ES&S Ivotronic Flashcards and the ES&S Model 100 PCMIA memory cards.

1. The EA shall prepare, test and run the County's Tabulation System in accordance with the statutory requirements.

2. The Public Logic and Accuracy Test of the electronic voting system shall be conducted by the EA and notice of the date shall be posted in local newspapers.

3. The EA shall cause to be published in the local newspapers the required notices including notices of early voting locations, election day voting locations, and tabulation testing.

4. Election night reports will be available to the City and School District after tabulation is completed. Provisional ballots will be tabulated after election night in accordance with the law.

5. The EA shall prepare the unofficial canvass report after all precincts have been counted, and will provide a copy of the unofficial canvass to the City and School District as soon as possible after all returns have been tallied.

6. The EA shall conduct a manual count as prescribed by Section 127.201 of the Texas Election Code and submit a written report to the City and School District in a timely manner. Unless waived by the Secretary of State, if applicable, a written report shall be submitted to the Secretary of State as required by Section 127.201(e) of the aforementioned code.

F. The EA shall be appointed to serve as the Central Counting Station Manager and Tabulation Supervisor by the City and School District.

II. PRINCIPAL DUTIES AND SERVICES OF THE CITY AND SCHOOL DISTRICT. Each entity shall assume the following responsibilities:

A. The City and School District shall prepare the election orders, resolutions, notices, official canvass and other pertinent documents for adoption by the appropriate office or body.

B. The City and School District shall provide the EA with an updated map and street index of its jurisdictions in an electronic or printed format as soon as possible.

C. The City and School District shall design and provide the EA with the ballot layout and Spanish interpretation in an electronic format.

D. The City and School District shall cause to be published in the local newspapers the required notice of election.

1. The City and School District shall deliver to the EA as soon as possible the official wording of the ballot for the City's General Election and School District's General Election to be held on May 10, 2014.

2. The City and School District shall approve the ballot format prior to the final printing.

E. The City, School District and the EA shall determine the number of ballots to be purchased.

F. The City and School District shall compensate the EA for any additional verified cost incurred in the process of running this election or for a manual count of this election, if required, consistent with charges and rates shown on Exhibit "C" for required services. These costs will be invoiced for reimbursement.

G. The City and School District shall reimburse Rockwall County for its portion of the printing costs of any and all related materials for ballots, early voting, election day voting, election kits, and for the ES&S Model 100 Precinct Ballot Scanner and ES&S ADA Ivotronic voting machines pursuant to a Joint Election Agreement as shown in Exhibit "D" attached and incorporated by reference into this contract.

H. The City and School District shall reimburse Rockwall County for its portion of the rental of all electronic voting equipment, including Model 100 Precinct Ballot Scanners and ADA Ivotronic voting machines, compliance headphones, PEBs, flash cards, PCMIA cards and any other equipment required to complete the counting of votes pursuant to a Joint Election Agreement as shown in Exhibit "D" attached and incorporated by refrence into this contract.

I. The City and School District shall each reimburse the EA for an administrative fee not to exceed ten percent (10%) of the City and School District's portion of the total cost of the election.

J. The City and School District shall each deposit its share of the election costs as set forth on Exhibit “C”. The check is to be made payable to Rockwall County and delivered to the EA. The final costs of the election along with the ten percent (10%) administration fee will be prepared on a format similar to Exhibit “C” and the invoice along with any supporting documentation shall be delivered by the EA. The invoice is due and payable 30 days after receipt by the City and School District.

K. The City and School District, in the event of a contested election, agrees to provide competent legal counsel and representation for the EA and her staff, covering any and all legal fees and costs as a result of this elections process.

L. The City and School District, in the event of a recount, agrees to reimburse any expenses incurred by the EA’s office not covered by the charges assessed to the person requesting the recount. This would include, but not be limited to the compensation costs of any Rockwall County Election personnel required to work beyond regular office hours in order to conduct said recount of this election. The recount shall take places in the EA’s office and the EA’s office shall assist the Recount Supervisor and/or the Recount Coordinator in the completion of the recount.

M. The EA shall be the custodian of the voted ballots and shall retain all election materials for a period of 6 months.

N. The City and School District shall prepare and submit to the U.S. Department of Justice under the Federal Voting Rights Act of 1965, any required submissions on voting changes.

III. COST OF SERVICES. See Exhibit "C."

A. The City and School District shall share equally in the expense of conducting early voting and election day voting pursuant to a Joint Election Agreement as shown in Exhibit “D” attached incorporated by reference into this contract.

B. The cost of site support by Third Party Contractors shall be shared equally by the City and School District pursuant to a Joint Election Agreement as shown in Exhibit “D” attached and incorporated by reference into this contract.

IV. GENERAL PROVISIONS.

A. To the extent permitted by law, the City and School District agree to save and hold harmless the EA from any and all claims arising out of the failure or omission of the City or School District to perform its obligations under this contract.

B. To the extent permitted bylaw, the EA agrees to save and hold harmless the City and School District from any all claims arising out of the failure or omission of the County and the EA to perform their obligations under this contract.

C. Nothing contained in this agreement shall constitute a waiver of immunity from Tort liability by either party or an agreement to assume any liabilities of one party for which the other party would be entitiled to claim immunity.

D. Nothing contained in this contract shall authorize or permit a change in the officer with whom or the place at which any document or record relating to the City's General Election or School District's General Election held on May 10, 2014 is to be filed or the place at which any function is to be carried out, or any nontransferable functions specified under Section 31.096 of the Texas Election Code.

E. Upon request, the EA shall provide copies of all invoices, cost reports and other charges incurred in the process of running said election for the City and School District.

F. The EA shall file copies of this contract with the County Auditor and the County Treasurer of Rockwall County, Texas.

G. The City and School District shall enter into a Joint Election Agreement as shown in Exhibit "D" attached and incorporated by reference into this contract.

H. If the City and/or School District cancels their election pursuant to Section 2.053 of the Texas Election Code, the EA shall be paid a contract preparation fee of $75.00. The City and School District will not be liable for any further costs incurred by the EA in conducting the May 10, 2014 Election.

I. This Agreement contains the entire agreement of the parties to the rights herein granted and the obligations herein assumed and supersedes all prior agreements, including prior election services contracts relating to each Entity's May 2014 election. Any prior agreements, promises, negotiations, or representations not expressly contained in this Agreement are of no force and effect. Any oral representations or modifications concerning this Agreement shall be of no force or effect, excepting a subsequent modification in writing as provided herein.

J. Should any part of this Agreement conflict with any state or federal law or regulation, the law or regulation shall prevail. Further the invalidity or unenforceability of any particular provision of this Agreement shall not affect the other provisions hereof, and this Agreement shall be construed in all respects as if such invalid or unenforceable provision were omitted.

K. Except as otherwise provided, this Agreement may not be amended, modified, or changed in any respect whatsoever, except by a further Agreement in writing, duly executed by the parties hereto. No official, representative, agent or employee of any Participating Entity has any authority to modify this Agreement except pursuant to such expressed authorization as may be granted by the governing body of the respective Participating Entity.

L. This Agreement may be executed in multiple counterparts, all of which shall be deemed originals and with the same effect as if all parties hereto had signed the same document. All of such counterparts shall be construed together and shall constitute one and the same Agreement.

WITNESS BY MY HAND THIS _____ DAY OF _____, 2014.

*** County employees will be paid in accordance with County policies regarding overtime. Hours worked in excess of 40 during a week are paid at 1.5 times each employee's hourly rate. Compensation includes payroll appendages.

A 10% Administration fee will be added to the total amount of the contract. This fee will be determined based upon final actual costs and included on the final invoice.

Exhibit "D"

STATE OF TEXAS
CITY OF ROCKWALL
ROCKWALL INDEPENDENT SCHOOL DISTRICT

JOINT ELECTION AGREEMENT

This Agreement is entered into by and between the City of Rockwall, Texas (the "City") and the Rockwall Independent School District (the "School District").

By the terms of this agreement, the City and School District do hereby agree, pursuant to the provisions of the Texas Election Code, to hold a joint election of the General Election of the City and the General Election of the School District to be held on Saturday, May 10, 2014. All entities have contracted with the Rockwall County Elections Administrator (the "EA") to perform various duties and responsibilities on behalf of the two entities.

The two entities shall share equally in the expense of conducting Early and Election Day voting, polling locations, election officials, election supplies, ballots and other and all necessary expenses for the election upon receipt of satisfactory billing and invoices reflecting the total of such election.

An entity canceling an election pursuant to Section 2.053 of the Texas Election Code will not be liable for costs incurred by the EA in conducting the May 10, 2014 Joint General Election; they will be liable for on the contract preparation fee of $75.00.

This Agreement contains the entire agreement of the parties relating to the rights herein granted and the obligations herein assumed and supersedes all prior agreements, including prior election services contracts relating to each Entity's May 2014 election. Any prior agreements, promises, negotiations, or representations not expressly contained in this Agreement are of no force and effect. Any oral representations or modifications concerning this Agreement shall be of no force or effect, excepting a subsequent modification in writing as provided herein.

Except as otherwise provided, this Agreement may not be amended, modified, or changed in any respect whatsoever, except by a further Agreement in writing, duly executed by the parties hereto. No official, representative, agent or employee of any Participating Entity has any authority to modify this Agreement except pursuant to such expressed authorization as may be granted by the governing body of the respective Participating Entity.

This Agreement may be executed in multiple counterparts, all of which shall be deemed originals and with the same effect as if all parties hereto had signed the same document. All of such counterparts shall be construed together and shall constitue one and the same Agreement.

APPROVED BY THE CITY COUNCIL OF ROCKWALL, TEXAS, in its meeting held on the _____ day of _____, 2014, and executed by its authorized representative.

CITY OF ROCKWALL

ORDINANCE NO. 14-04

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, PROVIDING FOR THE EXTENSION OF CERTAIN BOUNDARY LIMITS OF THE CITY OF ROCKWALL, TEXAS AND THE ANNEXATION OF CERTAIN TERRITORY CONSISTING OF 42.482-ACRES OF LAND, WHICH SAID TERRITORY LIES ADJACENT TO AND ADJOINS THE PRESENT BOUNDARY LIMITS OF THE CITY OF ROCKWALL, TEXAS; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, Public Hearings were held before the governing body of the City of Rockwall, Texas, where all interested persons were provided with an opportunity to be heard, on December 2, 2013, at 6:00 p.m. and on December 2, 2013, at 6:30 p.m. at *City Hall, 385 S. Goliad*, Rockwall, Rockwall County, Texas with said dates being not more than forty (40) days nor less than twenty (20) days prior to the institution of annexation proceedings, on the proposed annexation of the following described territories.

BEING, four (4) tracts of land comprised of 42.482-acres of land situated in the W. W. Ford Survey, Abstract No. 80 and J. W. Pitman Survey, Abstract No. 181 in the County of Rockwall, Texas and generally located contiguous to the existing city limits line west of SH-205 (S. Goliad Street) and south of FM-549, depicted in *Exhibit 'A'* of this ordinance, and specifically described as follows:

No.	Owner	Tract	Size of Tract
1	Scott W. & Glenita G. Blackwood	A0080 W. W. Ford, Tract 17-14	12.493-Acres
2	Mark S. Olmstead	A0181 J. W. Pitman, Tract 1-4	20.00-Acres
3	Alan D. Travis	A0080 W. W. Ford, Tract 40	8.989-Acres
4	Alan D. Travis	A0080 W. W. Ford, Tract 40-01	1.00-Acres

WHEREAS, notice of such public hearings were published in a newspaper having general circulation in the City of Rockwall, Rockwall County, Texas and in the territory described herein on October 31, 2013, and posted on the City of Rockwall Internet site on November 12, 2013, said dates being not more than twenty (20) days nor less than ten (10) days prior to the dates of such public hearings; and

WHEREAS, the territory lies adjacent to and adjoins the present boundaries of the City of Rockwall, Rockwall County, Texas; and

WHEREAS, the territory above contains 42.482-acres;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1. That the above recitals are hereby found to be true and correct and incorporated herein for all purposes.

SECTION 2. The land and territory more specifically described in *Exhibit 'A'* and incorporated by reference as the *Subject Property*, and containing 42.482-acres which is adjacent to and adjoining the present boundaries of the City of Rockwall, Rockwall County, Texas, is hereby added and annexed to the City of Rockwall, Rockwall County, Texas and said territory as described herein shall hereafter be included within the boundary limits of the City of Rockwall, Rockwall County, Texas and

the present boundary limits of the City at the various points contiguous to the areas as described above, are altered and amended so as to include said area within the corporate limits of the City.

SECTION 3. That the official map of the City is hereby amended to reflect the addition of the property described herein.

SECTION 4. The above described territory and the acres so annexed shall be a part of the City of Rockwall, Texas, and the inhabitants thereof, if any, shall be entitled to all of the rights and privileges of all citizens and shall be bound by the acts, ordinances, resolutions and regulations of the City of Rockwall, Texas.

SECTION 5. That the *Service Plan* for the annexation area, which was made available for public inspection at the Public Hearings referenced above, is hereby approved with a copy of said plan being attached hereto and incorporated by reference for all purposes and labeled *Exhibit 'B'*.

SECTION 6. That this ordinance shall take effect immediately from and after its passage and approval, in accordance with applicable law and the charter of the City of Rockwall, Texas.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 21ST DAY OF JANUARY, 2014.

SERVICE PLAN FOR ANNEXED AREA

CITY OF ROCKWALL, TEXAS
CASE NO.: A2013-001

ACREAGE/AREA TO BE ANNEXED: *42.482-Acres*

SURVEY ABSTRACT AND COUNTY

BEING four (4) tracts of land comprising approximately 42.482-acres of land situated in the W. W. Ford Survey, Abstract No. 80 and J. W. Pitman Survey, Abstract No. 181, Rockwall County, Texas and being specifically described in the following sections of this plan.

DATE OF ADOPTION OF ANNEXATION ORDINANCE: *January 21, 2014*
DATE

Municipal services to the acreage described above shall be furnished by or on behalf of the City of Rockwall, Texas, at the following levels and in accordance with the following schedule:

A. POLICE SERVICES:

1. Patrolling, responses to calls, and other routine police services, within the limits of existing personnel and equipment, will be provided within 60 days of the effective date of annexation.
2. As development and construction commence within this area, sufficient police personnel and equipment will be provided to continue to furnish this area the level of police services consistent with police services available in other parts of the City with land uses and population densities similar to those projected in the annexed area.

B. FIRE SERVICES

1. Fire protection by the present personnel and the present equipment of the fire Department, within the limitations of available water and distances from existing fire stations, will be provided to this area within 60 days of the effective date of annexation.
2. As development and construction commences within this area, sufficient fire personnel and equipment will be provided to continue to furnish this area the level of fire services consistent with fire service available in other parts of the City with land uses and population densities similar to those projected in the annexed area.

C. HEALTH AND CODE COMPLIANCE SERVICES

1. Enforcement of the City's health ordinances and regulations including, but not limited to, weed and brush ordinances, junked and abandoned vehicle ordinances, food handlers ordinances and animal control ordinances, shall be provided within this area on the effective date of the annexation ordinance. These ordinances and regulations will be enforced by existing personnel.

   Complaints of ordinance or regulation violations within this area will be responded

and investigated by existing personnel beginning with the effective date of the annexation ordinance.

2. The City's building, plumbing, electrical, gas heating, air conditioning and all other construction codes will be enforced within this area beginning with the effective date of the annexation ordinance. Existing personnel will be used to provide these services.
3. The City's zoning, subdivision, and other ordinances shall be enforced in this area beginning on the effective date of the annexation ordinance.
4. All inspection services furnished by the City of Rockwall, but not mentioned above, will be provided to this area beginning on the effective date of the annexation ordinance. Any property owner or his/her assigns who in good faith has a new building or structure, as defined in the Comprehensive Zoning Ordinance, under construction on the effective date of annexation shall be exempted from these inspections for that building or structure under construction for a period of one year from the effective date of annexation. *For the purpose of this ordinance "under construction" shall mean any work that requires a building permit from the City of Rockwall.*
5. As development and construction commence within this area, sufficient personnel will be provided to continue to furnish this area the same level of Health and Code compliance services as are furnished throughout the City.

D. PLANNING AND ZONING SERVICES

1. The planning and zoning jurisdiction of the City will extend to this area on the effective date of the annexation ordinance. City planning will thereafter encompass this property, and it shall be entitled to consideration for zoning in accordance with the City's Comprehensive Plan, Zoning Ordinance, Landscape Ordinance and Code of Ordinances.

E. RECREATION AND LEISURE SERVICES

1. Residents of this property may utilize all existing recreational and leisure services facilities and sites throughout the City beginning with the effective date of the annexation ordinance.
2. Existing parks, playgrounds, swimming pools and other recreation and leisure facilities within this property shall, upon dedication to and acceptance by the City, be maintained and operated by the City of Rockwall.

F. SOLID WASTE COLLECTION

1. Solid waste collection shall be provided to the property owner in accordance with existing City policies as to frequency and charges, beginning on the effective date of annexation except for properties that are served by a privately owned solid waste management service provider. Such properties will be allowed to continue private service for a period of two years from the effective date of annexation at which time the property will be required to begin service with a franchised solid waste contractor within the City of Rockwall.

G. STREETS

1. The City of Rockwall's existing policies with regard to street maintenance, applicable throughout the entire City, shall apply to this property beginning immediately as of the effective date of the annexation ordinance.
2. As development, improvements or construction of streets to the City standards commence within this property, the policies of the City of Rockwall with regard to impact fees and participation in the cost thereof, acceptance upon completion, and maintenance after completion, shall apply.
3. The same level of maintenance shall be provided to streets within this property that have been accepted by the City of Rockwall as is provided to like City streets throughout the City.

H. WATER SERVICES

1. Connection to existing City water mains for water services for domestic, commercial and industrial use within this property will be provided in accordance with existing City policies. Upon connection to existing mains, water will be provided at rates established by City ordinance for such services throughout the City.
2. Water mains of the City will be extended in accordance with provisions of the Code of Ordinances and other applicable ordinances and regulations. City participation in the costs of these extensions shall be in accordance with applicable City ordinances and regulations and will be provided as otherwise available in other parts of the City with topography, land uses, population densities similar to those reasonably contemplated or projected in the annexed area.
3. Water mains which are within the annexed area and are owned and operated by the City shall be maintained beginning with the effective date of the annexation ordinance or upon acquisition by the City.
4. Private water lines within this property shall be maintained by their owners, in accordance with existing policies applicable throughout the City.

I. SANITARY SEWER SERVICES

1. Connections to existing City sanitary sewer mains for sanitary sewage service in this area will be provided in accordance with the existing City policies. Upon connection, sanitary sewage service will be provided at rates established by City ordinances for such services throughout the City.
2. Sanitary sewer mains and/or lift stations which are within the annexed area and are connected to City mains shall be maintained by the City of Rockwall beginning with the effective date of the annexation ordinance or upon acquisition by the City.
3. Sanitary sewer mains of the City will be extended in accordance with the provisions of the Code of Ordinances and engineering standards and other applicable ordinances and regulations. City participation in the costs of these extensions shall be in accordance with applicable City ordinances and regulations and will be provided as otherwise availably in other parts of the City with topography, land uses, and population densities similar to those reasonably contemplated or projected in the area.

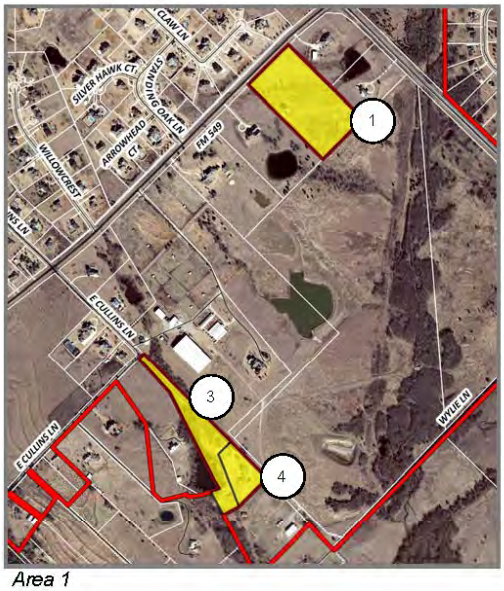
4. Previously granted exceptions to the requirements of connections to the city's sanitary sewer treatment system shall be continued until such alternate systems are determined to no longer function to meet the sanitary sewer needs of the subdivision granted the exception.

J. PUBLIC UTILITIES

1. Other public utilities will be provided by the City's franchisee or a provider holding a certificate of convenience issued by the state to serve that area.

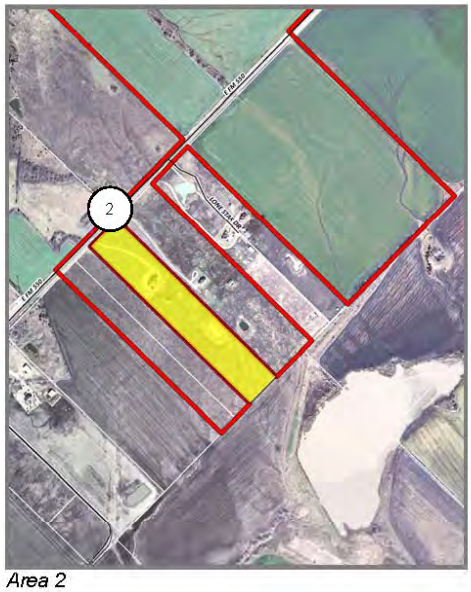
K. MISCELLANEOUS

1. General municipal administration services of the City shall be available to the annexed area beginning with the effective date of the annexation ordinance.



ANNEXATION SCHEDULE

- ✓ *Friday, March 15, 2013:* 180-day notice of expiring 212 Development Agreement sent to all property owners.
- ✓ *Tuesday, May 21, 2013:* 150-day extension request deadline.
- ✓ *Friday, July 12, 2013:* Notice sent by Certified Mail of expiring 212 Development Agreement and intent to accept voluntary petitions for annexation (*sent 90 days prior to the expiration date of the 212 Development Agreement*).
- ✓ *Friday, October 18, 2013: Current 212 Development Agreements expire.*
- ✓ *Thursday, October 24, 2013:* Notice of 1st & 2nd Public Hearing mailed to property owners (*30 days prior to 1st & 2nd Public Hearing*).
- ✓ *Thursday, October 31, 2013:* Notice sent to paper for publication (*1st & 2nd Public Hearing*).
- ✓ *Tuesday, November 12, 2013:* Notification appears in newspaper for 1st & 2nd Public Hearing (*x<20 and x>10 days before Public Hearing*). Obtain required affidavit of publication from paper.
- ✓ *Tuesday, November 12, 2013:* Notification posted on internet 1st & 2nd Public Hearing (*x<20 and x>10 days before Public Hearing*).
- ✓ *Monday, December 02, 2013:* FIRST PUBLIC HEARING/SECOND PUBLIC HEARING (*x<40 and x>20 days before 1st Reading*).
- ✓ *Monday, January 06, 2013:* City Council approves annexation ordinance (*1st Reading*).
- ✓ *Monday, January 21, 2014:* City Council final approval (*2nd Reading*).
- ✓ *Sunday, April 06, 2014:* Annexation must be completed before the date to the left. Annexation proceedings must be completed within 90 days of 1st Reading of ordinance.



LEGAL DESCRIPTION

Being for four (4) tracts of land comprising approximately 42.482-acres of land situated in the W. W. Ford Survey, Abstract No. 80 and J. W. Pitman Survey, Abstract No. 181, County of Rockwall, Texas and generally located contiguous to the existing city limits line west of SH-205 (S. Goliad Street) and south of FM-549 and specifically described as follows:

No.	Owner	Tract	Size of Tract
1	Scott W. & Glenita G. Blackwood	A0080 W. W. Ford, Tract 17-14	12.493-Acres
2	Mark S. Olmstead	A0181 J. W. Pitman, Tract 1-4	20.00-Acres
3	Alan D. Travis	A0080 W. W. Ford, Tract 40	8.989-Acres
4	Alan D. Travis	A0080 W. W. Ford, Tract 40-01	1.00-Acres

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Mary Smith, Assistant City Manager**

DATE: **January 17, 2014**

SUBJECT: **2014 Household Hazardous Waste Program**

The fiscal year 2014 Water and Sewer budget includes funding for the 13th annual household hazardous waste collection event. Staff has selected April 5, 2014 as the date for this collection. The previous programs have been tremendous successes for citizens and the City. The City also gets credit on our Storm Water Control Program for sponsoring the program. The City of Heath as well as Rockwall County joined in participation and sponsorship of the event for 2013 and we expect their participation is likely again this year. We processed items from 947 vehicles last year.

In March 2001, the City Council awarded a contract for the categorization, packaging, manifesting, transporting and disposal of household hazardous waste. The contract is with Clean Harbors, Inc. and is annually renewing until either of the parties chooses to terminate. The collection site crew will come out of the Dallas field office and will include many of the same people who have been here for our previous events. Their longevity with this event allows us to continue to offer good service as the day has become routine for city staff and public.

Last year's program cost to the City was approximately $95,931. The cost included set up, labor at the collection site and primarily disposal of all collected materials. Over 77,930 lbs of paint and chemicals were collected during the six-hour event. Funding for this event is included in the monthly garbage rate at $.64 per household. Each of the other participating entities was charged a $115 per car fee to offset their portion of the expense.

In addition to the Clean Harbors contract, the City used a local tire service to dispose of the more than 1,070 old tires collected last year. We also collected old computer and television equipment and took in more than 23,600lbs of it at last year's event. The equipment was disposed of with the assistance of a grant program from Apple, Inc. In addition, we offered secure paper shredding which resulted in 15,520lbs of paper being shredded that day.

The 2013 event budget is $100,000. The full cost is not known until the close of the event since it is principally dependent on volumes. Staff requests Council authorize the City Manager to execute the necessary documents to proceed with the 2014 household hazardous waste event on April 5, 2014.

51

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Lea Ann Ewing, Purchasing Agent**

DATE: **January 15, 2014**

SUBJECT: **Purchase of Command Vehicle for Fire Operations**

Approved in the budget is $65,000 to purchase a Chevrolet Suburban for Fire Command Operations.

The Suburban is available from Caldwell Country Chevrolet through the Houston Galveston Area Council of Governments (HGAC) purchasing cooperative contract #VE11-13 for $45,388. The remaining budget dollars will be used to purchase emergency lights, decals, console, power pack, wiring, mounting brackets and installation of these items plus install of radio and computer.

The City has participated and purchased commodities, vehicles and equipment through purchasing cooperatives for many years. As a member and participant in these coop programs, we have met all formal bidding requirements pertaining to the purchase of this new vehicle.

Staff recommends purchase of this vehicle as described above; authorizing the City Manager to execute a Purchase Order to Caldwell Country for a total bid award of $45,388. Funded from General Reserves.

MEMORANDUM

TO: Rick Crowley, City Manager

FROM: Timothy M. Tumulty, Director of Public Works/City Engineer

DATE: January 16, 2014

SUBJECT: Downtown Rockwall Improvement Project

Hill & Wilkinson General Contractors was hired by the City to function as the Construction Manager At-Risk for the engineering design and construction of the Downtown Rockwall Improvement Project. The Guaranteed Maximum Price was approved in the amount of $8,625,000.00.

This project did not include the construction of the expansion of the parking south of the City Hall building (adjacent to the Rockwall Drugstore) as well constructing a new parking lot on Dewayne Cain's empty lot at the northeast corner of North Fannin and Rusk Streets. The cost for the construction of these two parking lots is $126,224.00. This change order will be funded from General Reserves as discussed with City Council when property acquisitions were occurring.

Staff recommends approval of Change Order Number One to Hill & Wilkinson General Contractors for the construction of two additional parking lots in the Downtown Rockwall Improvement Project in an amount of $126,224.00

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: **Brad Griggs, Assistant City Manager**

FROM: **Andy Hesser, Parks and Recreation Manager**

DATE: **January 15, 2014**

SUBJECT: **MANDATORY PARK LAND DEDICATION FEES**

A component of our Mandatory Park Land Dedication Ordinance is the cash in lieu of land fee. This fee is applied when the Park Board feels that it is in the best interest of the City to accept cash-in-lieu of land for neighborhood parkland. According to our Mandatory Parkland Dedication Ordinance, the Park Board shall annually make a recommendation to the City Council and Council will set the fee by resolution. The fee is based on the average cost of neighborhood park land across the entire City.

Bryan E. Humphries and Associates completed their appraisal in December 2013 to determine the average cost. The property must not be within the 100 year flood plain and not possess any unusual topography rendering the land useless for organized recreational activities. According to Mr. Humphries, the average cost of one acre of neighborhood park land with the above restrictions within the City is $28,000.

At the January 7th 2014 meeting, Park Board recommended keeping the fee for 2014 at $28,000 per acre. Park Board also recommended that the Pro-rata Equipment Fee portion of the ordinance remain at $1,050,000 for the cost of developing a typical 11 park. $525,000.00 would be the "per neighborhood park" cost to be used in calculation of pro-rata neighborhood park development equipment fees associated with the developer's share of the park.

I have attached the appraisal letter completed by Mr. Humphries and the resolutions for the City Council to set the fee at $28,000 per acre. Please let me know if you need additional information.

CITY OF ROCKWALL, TEXAS

RESOLUTION NO. ___

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS ADOPTING THE PER NEIGHBORHOOD PARK DEVELOPMENT COST TO BE USED IN CALCULATION OF A NEW DEVELOPMENT'S PRO RATA SHARE CONTRIBUTION FOR NEIGHBORHOOD PARK DEVELOPMENT EQUIPMENT FEES; PROVIDING AN EFFECTIVE DATE

WHEREAS, the City of Rockwall desires to provide a park system which includes adequately sized and appropriately equipped Neighborhood Parks, and

WHEREAS, the City of Rockwall has adopted a Park and Recreation Master Plan designed to facilitate development of its Park Systems; and

WHEREAS, the City of Rockwall adopted Ordinance No. 99-20, Mandatory Neighborhood Parkland Dedication Ordinance, designed to facilitate participation by developers (on a pro-rata basis) in acquisition and development of neighborhood parks; and

WHEREAS, said ordinance provides that the City Council shall annually adopt a resolution establishing the "per neighborhood park development cost" to be used in calculation of a new development's pro-rata share contribution for neighborhood park development equipment fees,

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THAT:

Section 1. Based upon a recommendation of the City of Rockwall Parks and Recreation Board, $525,000.00 per neighborhood park is hereby adopted as the "per neighborhood park" park development cost to be used in calculation of pro-rata neighborhood park development equipment fees associated with Ordinance No. 99-20.

Section 2. This resolution shall be in force and effect from and after its passage and it is accordingly so resolved.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS THIS 21st day of January, 2014.

RESOLUTION NO. 14-___

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS ESTABLISHING THE "PER ACRE PRICE" TO BE USED IN CALCULATION OF A NEW DEVELOPMENT'S PRO RATA SHARE CONTRIBUTION FOR NEIGHBORHOOD PARK LAND DEDICATION IN ACCORDANCE WITH THE PROVISIONS OF CHAPTER 38. SUBDIVISIONS, ARTICLE II. PARKLAND DEDICATION OF THE ROCKWALL CITY CODE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City of Rockwall desires to provide an exemplary park system which includes adequately sized and appropriately equipped Neighborhood Parks; and

WHEREAS, the City of Rockwall has adopted a Parks and Recreation Master Plan designed to facilitate development of its Parks System; and

WHEREAS, the City of Rockwall adopted Chapter 38. Subdivisions, Article II. Parkland Dedication, to facilitate participation by developers (on a pro-rata basis) in acquisition and development of neighborhood parks, and

WHEREAS, Sec. 38-55 of Ch. 38, Article II. provides that the City Council shall annually adopt a resolution establishing the "per acre price" to be used in calculation of a new development's pro rata cash payment in lieu of land contribution for neighborhood park land;

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That based upon a recommendation of the City of Rockwall Parks and Recreation Board, $28,000.00 is the dollar amount hereby adopted as the "per acre price" to be used in calculation of a developer's pro-rata cash payment in lieu of land associated with neighborhood parkland dedication in accordance with the Ch. 38, Article II. of the Rockwall City Code.

Section 2. That this resolution shall be in force and effect from and after its passage and it is accordingly so resolved.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS THIS 21st day of January, 2013.

Re: Average Price Per-Acre of Land in the City of Rockwall
City of Rockwall, Rockwall County, Texas

Dear Mr. Andy Hesser,

We are pleased to transmit this gross market study/real property appraisal consulting report that was prepared for the purpose of valuing typical parkland in the City of Rockwall. This parkland is typically five acres and in the early stages of development. Please refer to identification of project on page 4 for further explanation of the project scope. This report is a gross market study (real property appraisal consulting report) and does not involve analysis of or the inspection of a physical subject property. The purpose of this gross market study is to derive an opinion of a fee simple market value of the average price per-acre of land in the City of Rockwall, as set forth in the City of Rockwall Park Land Dedication Ordinance, Section 24-45 (b). The effective date of this gross market study is January 1, 2014.

The client should not conclude that an appraisal has been prepared, and this report should not be used for condemnation purposes. This consulting report is only intended to assist the City of Rockwall, in establishing a general value trend and current market value of the average price per-acre of land in the City of Rockwall.

4054 McKinney Avenue, Suite 210, Dallas, Texas 75204

214/528-7584 E-Mail: behinc@flash.net FAX 214/528-2921

Our opinion of market value is premised upon the Assumptions and Limiting Conditions outlined herein. The definition of market value may be found in Addendum A. The report has been prepared in conformity with the Uniform Standards of Professional Appraisal Practice (USPAP) and the Standards of Professional Practice of the Appraisal Institute. This consulting assignment has been developed and reported in conformity with Standards Rules 4 and 5 of USPAP. Again, it should be noted that this assignment provides an analysis of general land value and value trend. The assignment considers sales and listing data available from the North Texas Multiple Listing Service as well as information gathered from interviews with knowledgeable real estate brokers and salespeople.

Based on the analysis contained within this report, considering the nature of the analyzed market areas, it is our opinion that the approximate value for the average price-per acre of land in the City of Rockwall, as of January 1, 2014, is:

$28,000

If you have any questions or comments, please contact the undersigned. Thank you for the opportunity to be of service

Respectfully submitted,
BRYAN E. HUMPHRIES AND ASSOCIATES

CERTIFICATE

I certify that, to the best of my knowledge and belief,...

The statements of fact contained in this report are true and correct.

The reported analyses, opinions, and conclusions are limited only by the reported assumptions and limiting conditions, and are my personal, impartial, unbiased professional analyses, opinions, and conclusions.

As of the date of the appraisal only, I have no present or prospective interest in the property that is the subject of this report, and I have no personal interest or bias with respect to the parties involved.

We have no bias with respect to the property that is the subject of this report or to the parties involved with this assignment.

My engagement in this assignment was not contingent upon developing or reporting predetermined results.

My compensation for completing this assignment is not contingent on the development or reporting of a predetermined value or direction in value that favors the cause of the client, the amount of the value opinion, the attainment of a stipulated result, or the occurrence of a subsequent event directly related to the intended use of this appraisal.

Bryan Humphries has made a personal inspection of the property that is the subject of this report.

No one provided significant real property appraisal assistance to the persons signing this certificate.

I have performed a previous appraisal (1/1/13) involving the subject property within the three years prior to this assignment.

The report analysis, opinions, and conclusions were developed, and this report has been prepared, in conformity with the requirements of the Code of Professional Ethics and the Uniform Standards of Professional Appraisal Practice of the Appraisal Institute.

The use of this report is subject to the requirements of the Appraisal Institute relating to review by its duly authorized representatives.

As of the date of this Study, I have completed the requirements of the continuing education program of the Appraisal Institute.

GENERAL INFORMATION & SCOPE OF WORK

Identification of Subject and Project

The subject property is a typical, underdeveloped, Parcel in the City of Rockwall. The parcel represents the average in the City of Rockwall, as set forth in the City of Rockwall Park Land Dedication Ordinance, Section 24-45 (b). According to the ordinance, from time to time, developers must dedicate land to the City of Rockwall in order to meet the need for park land in the area. If the dedication is not feasible, the developers must then give the City cash in liew of land that is reflective of typical residential land in Rockwall. The client has indicated that this average residential land is typically 5 acres and in the early stages of development.

Inspection Information, Effective Date and Date of Report

This analysis does not involve a physical subject property, only a hypothetical property, thus no inspection is required. The effective date of the assignment is January 1, 2014. The date of the report is the date of the signature on the first page of this report. Unless otherwise stated, all factors pertinent to a determination of value are considered as of this date.

Identification of the Client/Intended User

This real property appraisal consulting report is prepared for the City of Rockwall, Mr. Andy Hesser, 108 E. Washington, Rockwall, Texas 75087.

Objective of the Assignment/Intended Use

This consulting assignment is only intended to assist the client in establishing an average price per-acre of land. The client should not conclude that an appraisal has been prepared, and this report should not be used for condemnation purposes.

Appraisal Report Option

This is a real property appraisal consulting assignment that complies with the reporting requirements set forth under Standard 5 of the *Uniform Standards of professional Appraisal Practices (USPAP).* As such, it presents sufficient information to enable the client and other intended users, as identified, to understand it properly. The depth of discussion contained in this report is specific to the needs of the client and the intended users of this property appraisal consulting report.

Analysis Overview

As part of this consulting assignment, we have completed the following steps to gather, confirm, and analyze the data.

- ► Physically inspected the subject markets and the surrounding neighborhoods.
- ► Collected factual information about the surrounding market and confirmed that information with various sources.
- ► Collected market information needed to consider the three traditional approaches to value: Cost approach, sales comparison approach and income capitalization approach (if applicable).
- ► Prepared a real property appraisal consulting report setting forth the conclusion derived in this analysis as well as a summary of the information upon which the conclusions are based.

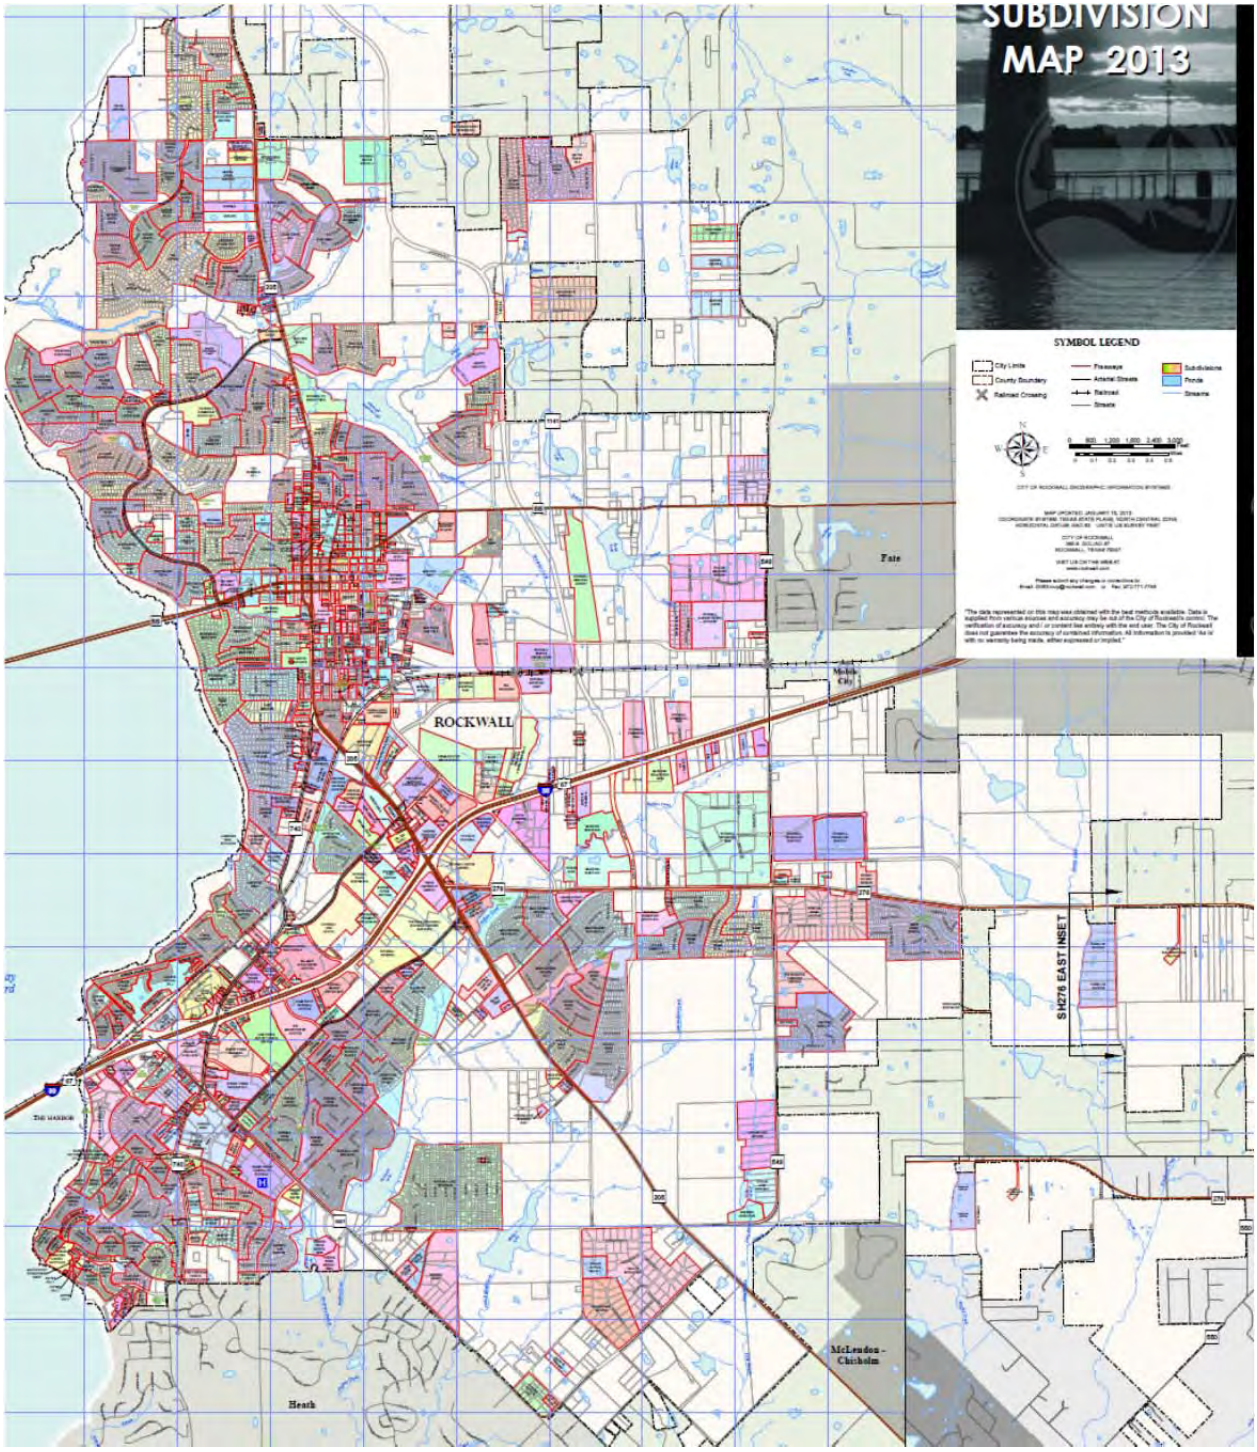
Extraordinary Assumptions

An extraordinary assumption is something that is assumed to be true, but it is not certain. If it turns out to be untrue, the value conclusion could be impacted. Extraordinary assumptions are those assumptions that are specific to the assignment, as opposed to general assumptions, which could be applicable to any assignment. In this assignment, we have assumed typical general assumptions and limiting conditions as cited above. In this particular assignment, the following extraordinary assumptions were made:

- ► Sales and listing data obtained from the Multiple Listing Service is deemed to be sufficiently reliable data to establish overall market trends and the current market value of an average, price per-acre of land. While some knowledgeable real estate brokers and salespeople have been contacted to obtain and confirm data, the reader should be aware that not all of the sales and listing data analyzed was independently confirmed.

- The client should not conclude than an appraisal has been prepared, and this consulting report should not be used for condemnation purposes. This gross market study (real property appraisal consulting report) is only intended to assist the City of Rockwall in establishing a general value trend and current market value of an average price per-acre in the City of Rockwall.

- The purpose of this consultation report is to establish the average price per acre of land in the City of Rockwall. As set forth in the City of Rockwall, Park Land Dedication Ordinance, Section 24-45(b). However, it is beyond the scope of this consultation report to estimate the actual costs of adjacent street and site utilities as stated in the ordinance (see addenda).



Jurisdictional Exceptions

The Jurisdictional Exception Rule provides for severability preserving the balance of the *Uniform Standards of Professional Appraisal Practice (USPAP).* If one or more parts of *USPAP* are "contrary to the law or public policy of any jurisdiction, only that part shall be void and of no force or effect in that jurisdiction." According to *USPAP*, "A law means a body of rules with binding legal force established by the controlling governmental authority." This includes federal and state constitutions, legislative and court made law, administrative rules, regulations and ordinances. In this assignment, there are no known conflicts of law or public policy that disregard the *USPAP*.

Hypothetical Conditions

A hypothetical condition is that which is contrary to what exists but is supposed for the purpose of analysis. In this particular assignment, the following hypothetical condition was made:

> For purposes of this analysis, the subject property is a hypothetical, undeveloped, parcel in the City of Rockwall.

Residential Market Analysis

Boundaries

The neighborhood boundaries are generally defined as follows:
City of Rockwall (Urban)
Outlying areas of the City of Rockwall (Suburban)

Development Activities and Trends

Residential development comprises approximately 80% of the development in Rockwall. According to ESRI, the median 2010 home price within a 1-mile, 3-mile, and 5-mile radius of the Subject is $198,378, $207,000, and $201,790, respectively.

Recent single family building permit activity in Rockwall County summarized as follows:

Rockwall MSA Single Family Building Permits				
Year	**Units**	**% Change**	**Average Value**	**% Change**
2000	955	-	$194,400	-
2001	1.267	32.7%	$171,000	-12%
2002	1,224	-3.4%	$171,000	0.0%
2003	1,219	-0.4%	$168,500	-1.5%
2004	1,598	31.1%	$168,100	-0.2%
2005	1,756	9.9%	$183,400	9.1%
2006	1,190	-32.2%	$201,800	10.0%
2007	759	-36.2%	$240,200	19.0%
2008	589	-22.4%	$192,800	-19.7%
2009	545	-7.5%	$166,500	-13.6%
2010	489	-10.3%	$200,800	20.6%
2011	411	-16.0%	$233,800	16.4%
2012	675	+64.2	$247,700	5.9%
YTD Oct 2013	618	-	$260,530	5.2%

1Data provided by Texas A&M Real Estate Center

As indicated by the preceding chart, new single family home activity peaked in 2005 at 1,756 permits. Building permit activity dropped significantly in 2006, 2007, and 2008, but slowed to 7.5% in 2009. New construction continued to decline in 2010, but appears to have bottomed in 2011 with 411 homes as 487 building permits were issued through September 2012. For 2012 & YTD 2013, permits have rebounded significantly, being up over 60% from 2011 levels.

Demographic Trends
Population growth in Rockwall County had been slow in relation to the Dallas-Fort Worth CMSA after Lake Ray Hubbard was impounded in the 1960's. That changed when IH-30 was upgraded and the bridge widened in the 1990s. While the entire county

has benefited, most of the growth has taken place along or near IH-30, and from west to east. Access remains an important factor in Rockwall County's growth pattern.

Area	1980	1990	2000	2010	2000 to 2010 % Change	2000 to 2010 Annual %Change	Estimated 2013

The following data is compiled from the North Texas Real Estate Information Systems and analyzed by the Real Estate Center at Texas A&M University. According to the data as of October 2013 (includes residential, commercial and farm and ranch) the number of closed transactions year-to-date for lots and vacant land in the Rockwall market area has decreased 7% and the average price has increased 23%. The average sold to list price has increased 9% and the average days on market has increased 24%. Pending sales have decreased by 20% and inventory has decreased. The increase in pending sales is a good indicator of possible increased transaction levels in the coming months.

Conclusions

Rockwall has shown strong population growth over the past twenty years and employment trends are positive. The area is rapidly being developed with commercial and residential uses. In the future, Rockwall County is anticipated to be one of the fastest growing areas of the metropolis. The neighborhood is considered to be in a growth life stage and the overall aspects are considered to be good.

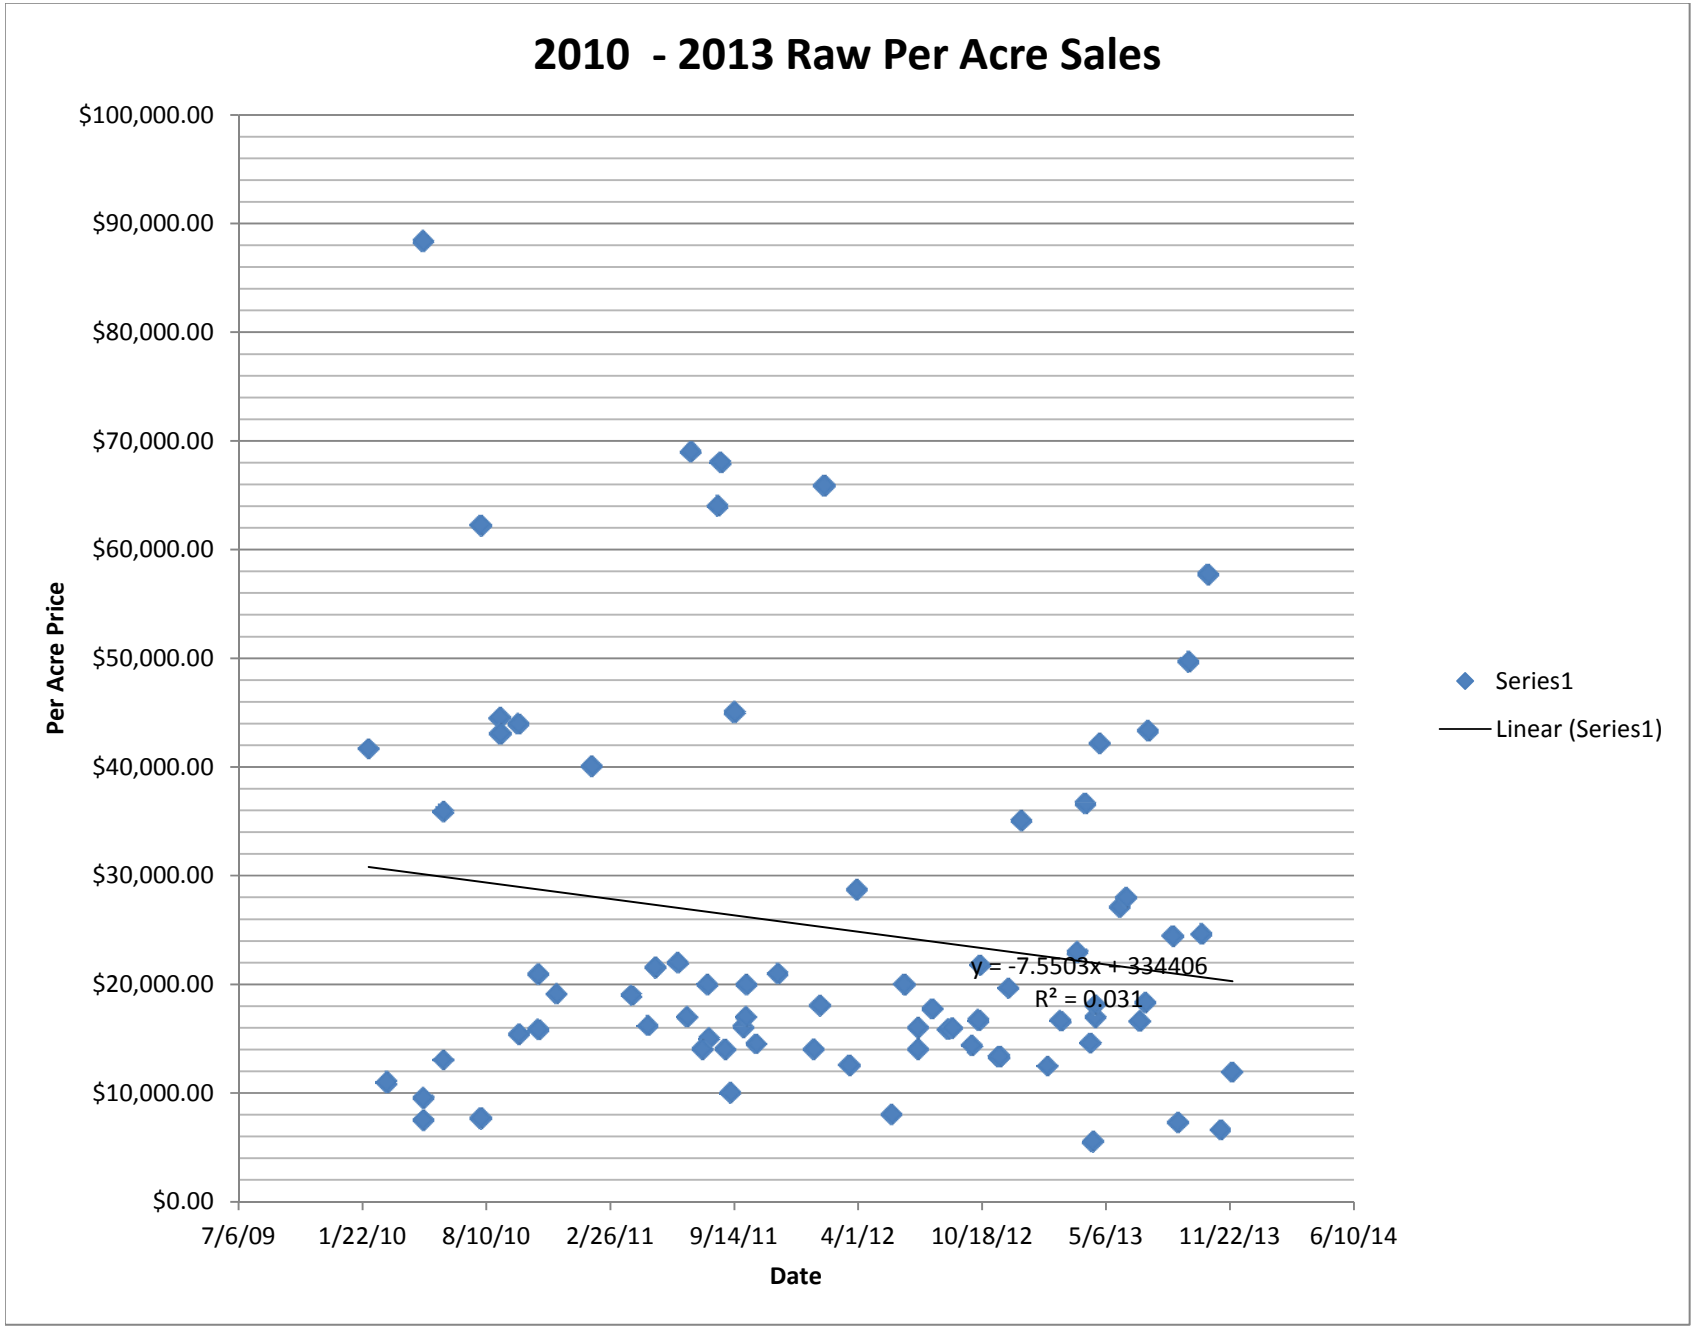
DATA ANALYSIS

Description and Analysis of the Subject

For purposes of this analysis, the subject property is a typical, undeveloped, parcel in the City of Rockwall. According to the client, the City of Rockwall will be using the data to value parklands ranging in size from 1 to 10 acres. The client instructed the appraisers to base adjustments on a typical 5 acre residential parcel.

Description of the Data and Analysis

The purpose of this analysis is to determine the average value of a residential, undeveloped, parcel within the City of Rockwall. The parcel is assumed to have paved street access, utilities and to be in the early stages of development.



Sales and listing data was obtained from the Multiple Listing Service. Our queried data included all residential land sales from one tenth of an acre to twenty acres in the City of Rockwall. Included within the data are land sales of parcels improved with typical subdivision infra-structure (i.e. paved streets, utilities, engineering, platting, etc.) and those that do not have these improvements. These sales have been adjusted to reflect their condition above and below the average undeveloped parcel. Within our analysis we have also considered historical land sale prices and trends as these are good indicators of current prices and prices going forward and provide a helpful frame of reference for the overall market. Other factors considered and adjusted for within the sales data include parcel size and location.

Our queries presented the following raw data. The data is not adjusted to reflect the average, undeveloped parcel. The raw average price per acre is heavily biased and influenced by sales of lake front lots.

	2010	2011	2012	2013
Total Sales	51	79	90	97
Sale to List Ratio	83%	85%	88%	92%
Avg. Price Per Acre	$139,558	$75,231	$59,877	$89,958
Avg. Days on Market	304	371	90	282
Percentage of Sale Under 1 Acre	33.33%	45.57%	36.67%	41.1%

Data Analysis, continued

A trend analysis of the raw price per acre of all lot sale listed in MLS from 2010 to 2013 suggests the price trend is to be to slightly increasing. The data set was 317 sales. However, little weight should be given in this data as it is heavily upward biased because of small lots located on or near the lake which sale at a premium price due to location and higher unit prices due to economies of scale. Likewise, at the other end of the spectrum, a few sales sold for $200,000+. Many of the sales were located within Rockwall County but not in the City of Rockwall. In an attempt to reduce the skewing, the data set used in the analysis is refined to sales greater than 1 acre up to 20 acres that sold for less than $200,000 per acre. Only lot sales stated by MLS to be in the City of Rockwall were considered. For the 2010 thru 2013 time period the data set is narrowed to sales greater than 1.0001 acres and less than $100,000 in price. The following chart reflects the trend of these sales. The data indicates that not only has the velocity of acre sales increased but also the price. The data would indicate that the lots sales from 2010 to 2013 had a declining trend. However, this is somewhat misleading because the data appears to be skewed by several high priced lot sales in 2010 & 2011.

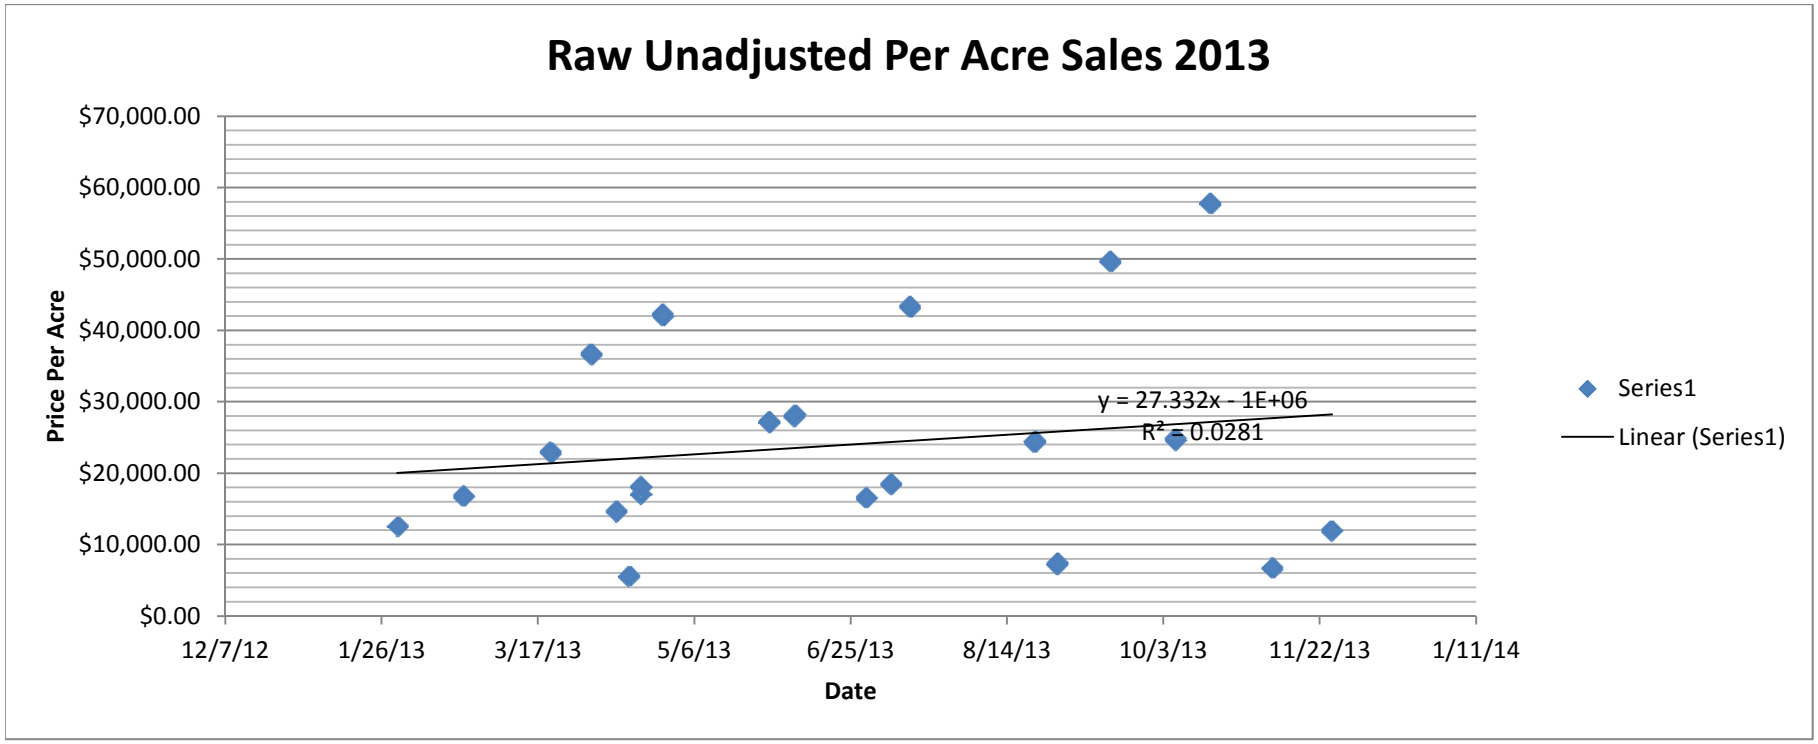
Data Analysis, continued

The most recent sales of lots is the 2013 data set. The analysis will focus on the 2013 sales. This data set contains 20 sales that MLS lists as in the City of Rockwall.

The data will first be adjusted for location and in infrastructure. These adjustments considered information included in the detail MLS write up sheets. . The average price per acre adjusted for location and infrastructure was $32,610.

The next adjustment is a lot size adjustment. The following chart represents the size adjustment of the data set.



Data Analysis, continued

The data represents the following adjustment to a 5 acre tract.

Size Adjustment for a 5 Acre Tract	
1 Acre	**-25%**
2Acre	**-15%**
3Acre	**-7.5%**
4 Acre	**-3%**
5 Acre	**0**

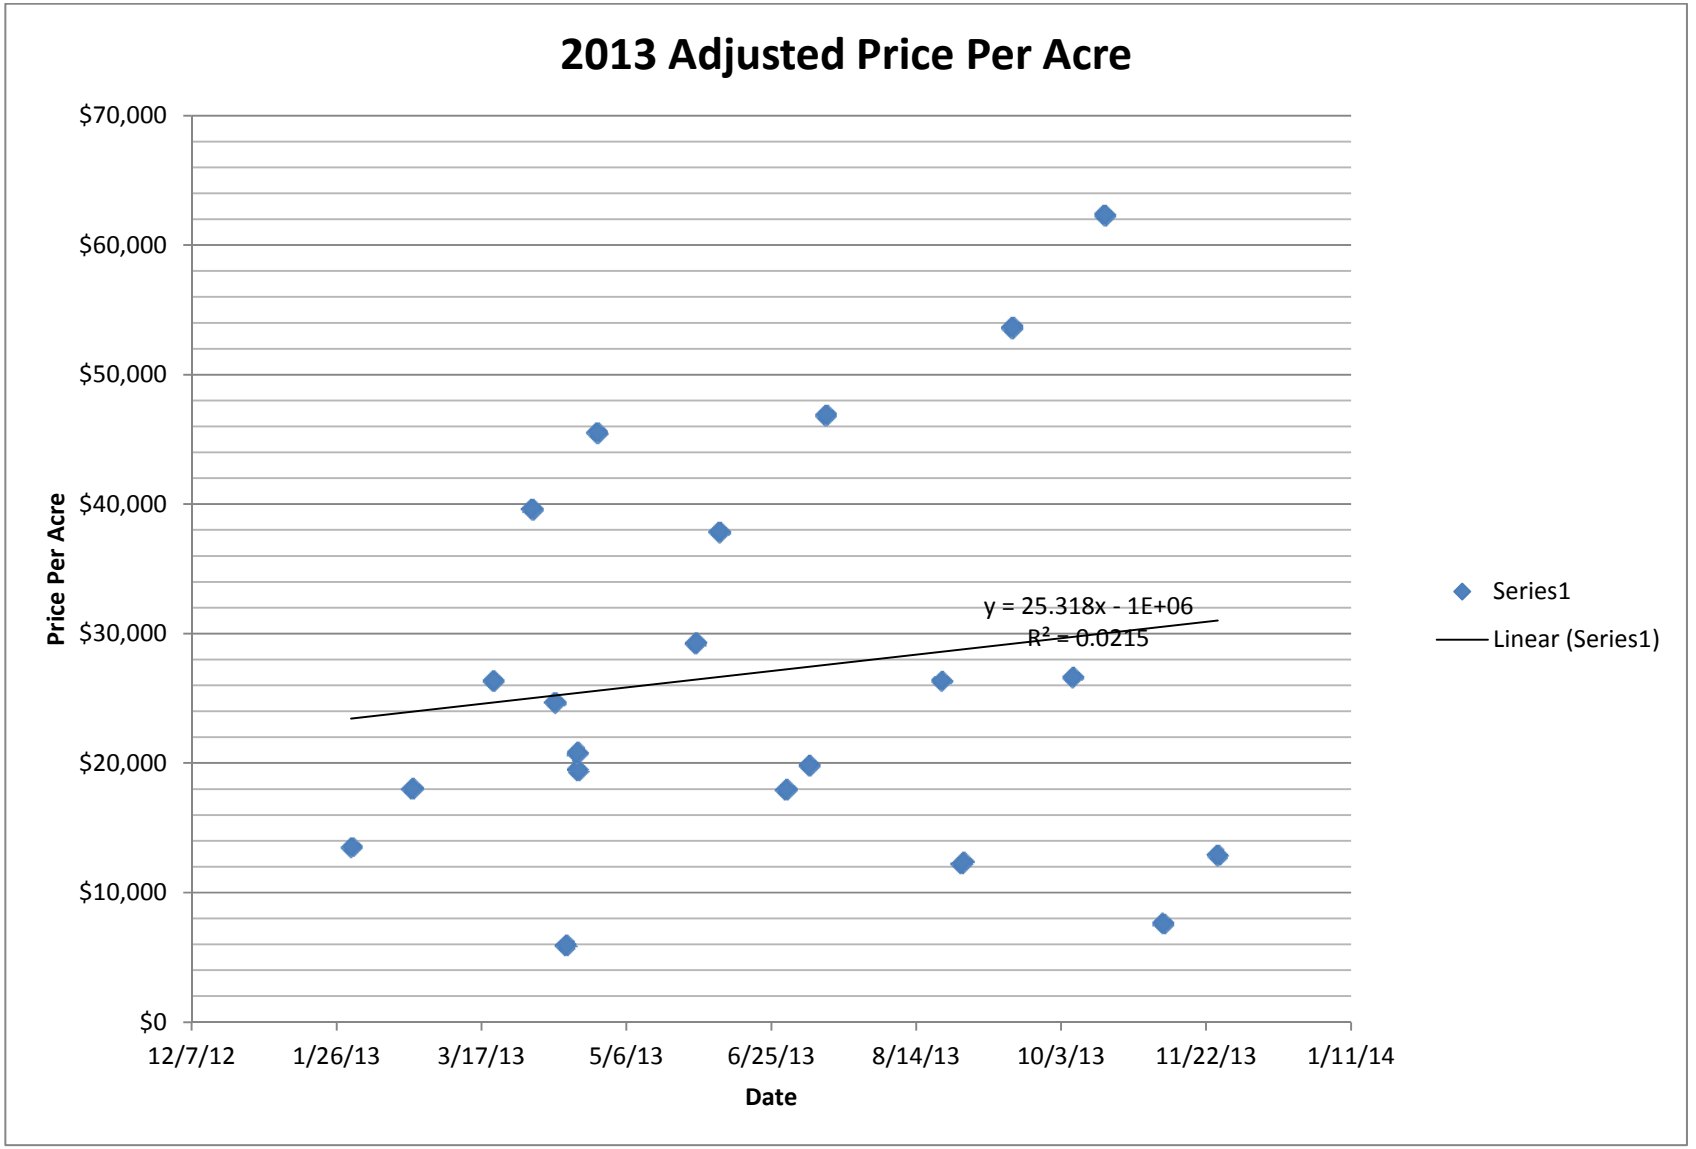
8 Acre	**-20**
9 Acre	**+25**
10 Acre	**+25**



Following are two charts. The first shows the 2013 per acre lot sales date unadjusted. This chart shows the data quite dispersed between ±$6,000 per acre price to a $68,000 per acre price. The average 2013 per acre price was $25,085/Acre. The trend line indicates that the Acre price to be approximately $20,000/Acre at the beginning of 2012 and around $28,000/Acre at the end of 2013.

Data Analysis, continued

Data Analysis, continued

The second chart represents the 2013 data after adjustments for location, infrastructure and size. As shown on the chart, the data is represented in a much tighter range. The average for the adjusted data is $26,900/acre. The trend line indicates the price per acre at the beginning of 2013 to be approximately $23,500/acre and $31,000/acre toward the end of the year. This represents an annual growth rate of ±12%

Conclusions

Over the last three years lot sales actively has been improving for both the number of sales as well as the price.

The following list a summary of our data findings over the past three years.

Average Per Acre Price 2010 2013 Unadjusted:	$25,595Acre
Average Per Acre Price 2013 Unadjusted:	$25,085/Acre
Average Per Acer Price Adjusted for Location & Infrastructure:	$32,610/Acre
Average per Acre Price 2013 Adjusted for Location, Infrastructure and Size:	$27,300/Acre

The adjusted 2013 data represents the tightest range of lot sales. The trend line of the data indicates per acre lot sales increased during 2013 from $23,500/Acre to $31,000/Acre at the end of the year.

Based upon our analysis and conclusions, subject to parameters defined, my opinion of the average market value price per acre of residential land in the City of Rockwall as of 1/1/2014 is:

$28,000/Acre

ASSUMPTIONS AND LIMITING CONDITIONS

1. It is assumed that title to the property herein appraised is good and merchantable, and in fee simple. The value is reported without regard to questions of title, boundaries, encroachments, environmental regulations, licenses, or other matters of a legal nature unless noncompliance has been stated, defined, and considered in the appraisal report.

2. The value is estimated under the assumption that there will be no international or domestic political, economic, or military actions that will seriously affect real estate values throughout the country.

3. Certain information concerning market and operating data was obtained from others. This information is verified and checked, where possible, and is used in this appraisal only if it is believed to be accurate and correct. However, such information is not guaranteed. Dimensions and areas of the Subject Property and of the comparables were obtained by various means and are not guaranteed to be exact.

4. Real estate values are influenced by a number of external factors. The information contained herein is all of the data we consider necessary to support the value estimate. We have not knowingly withheld any pertinent facts, but we do not guarantee that we have knowledge of all factors, which might influence the value of the Subject Property. Due to rapid changes in external factors, the value estimate is considered to be reliable only as of the date of the appraisal.

5. Opinions of value contained herein are estimates. This is the definition of an appraisal. There is no guarantee, written or implied, that the Subject Property will sell for the estimated value. The estimated value assumes that the property is under responsible ownership and has competent and prudent management.

6. The appraiser will not be required to provide testimony or attendance in court or before other legal authority by reason of this appraisal without prior agreement and arrangement between the employer and the appraiser.

7. Disclosure of the contents of this appraisal report is governed by the By-Laws and Regulations of the Appraisal Institute. Neither all nor any part of the contents of this report (especially any opinions, analyses, or conclusions concerning value, the identity of the appraiser or the firm with which he is connected, or any reference to the Appraisal Institute or the M.A.I. or SRA Designation) shall be disseminated to the public through advertising media, public relations media, news media, sales media, prospectus for securities, or any other public means of communication without prior written consent and approval of the undersigned.

8. It is assumed that there are no hidden or unapparent conditions of the property, subsoil, or structures which would render it more or less valuable, except as stated in this report. No responsibility is assumed for such conditions or for engineering, which may be required to discover them. It is assumed that a prudent owner/buyer would allow inspection of the property by a qualified soils or structure engineer if conditions so required.

9. The distribution of the total valuation in this report between land and improvements applies only under the reported highest and best use of the land. The allocation of value for land and improvements, if presented, must not be used in conjunction with any other appraisal and are invalid if so used.

10. Estimates of costs to cure deferred maintenance are difficult at best. Contractors approach such problems in various ways. The estimates, if any, provided within this report are probable costs given current market conditions, available information, and the appraiser's expertise.

11. No environmental impact studies were requested or made in conjunction with this appraisal, and the appraiser hereby reserves the right to alter, amend, revise, and/or rescind the value opinions based upon any subsequent environmental impact studies, research, or investigation.

12. This appraisal was prepared by Bryan E. Humphries & Associates and consists of trade secrets and commercial or financial information, which is privileged and confidential and is exempted from disclosure under 5 U.S.C. 552 (b) (4). Please notify Bryan E. Humphries & Associates of any request of reproduction of this appraisal.

13. Unless otherwise stated in this report, the existence of hazardous substances, including without limitation asbestos, polychlorinated biphenyl, petroleum leakage, or agricultural chemicals, which may or may not be present on the property or other environmental conditions, were not called to the attention of nor did the appraiser become aware of such during the appraiser's inspection. The appraiser has no knowledge of the existence of such materials on or in the property unless otherwise stated. The appraiser, however, is not qualified to test such substances or conditions. If the presence of such substances, such as asbestos, urea formaldehyde foam insulation, or other hazardous substances or environmental conditions, may affect the value of the property, the value estimated is predicated on the assumption that there is

no such condition on or in the property or in such proximity thereto that it would cause a loss in value. No responsibility is assumed for any such conditions, or for any expertise or engineering knowledge required to discover them.

14. Anyone acting in reliance upon the opinions, judgments, conclusions, or data contained herein, who has the potential for monetary loss due to the reliance thereon, is advised to secure an independent review and verification of all such conclusions and/or facts.

The user agrees to notify the appraiser prior to any irrevocable loan or investment decision of any error, which would reasonably be determined from a thorough and knowledgeable review.

15. By acceptance and use of this report, the user agrees that any liability for errors, omissions or judgment of the appraiser is limited to the amount of the fee charged.

16. The limiting condition relating to the ADA is as follows:

> This appraisal has not considered the effects of the enactment of the Americans with Disabilities Act of 1990 (ADA), which initially became effective January 26, 1992. We have not made a specific compliance survey and analysis of this property to determine whether or not it is in conformity with the various detailed requirements of the ADA. Standards of this act are designed to provide access to all public facilities to all persons, regardless of mobility limitations. The act provides forceful encouragement for commercial establishments to enhance their accessibility and requires that renovations after this date fully comply with the access standards established by the Architectural and Transportation Barriers Compliance Board. Enhancements to buildings must be readily achievable and able to be carried out without much difficulty or expense. The act recognizes that "readily achievable" is different for companies depending on their resources. The first priority is to provide access from sidewalks, parking and transportation areas, with the second priority being to provide access to areas where goods and services are available to the public. Finally, access to restroom facilities must accommodate all persons. The modifications and costs that may be necessary for the property to conform to ADA can be ascertained only by a qualified architect. Should such a study be undertaken, and should the retrofit costs, if any, become known, then the appraisers reserve the right to re-evaluate the Subject Property.

CITY OF ROCKWALL, TEXAS

ORDINANCE NO. _____

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING ARTICLE II. PARK LAND DEDICATION OF THE SUBDIVISION REGULATIONS OF THE CODE OF ORDINANCES AS SET FORTH HEREIN; PROVIDING FOR A PENALTY OF A FINE NOT TO EXCEED THE SUM OF FIVE HUNDRED DOLLARS ($500.00); PROVIDING A SEVERABILITY CLAUSE; PROVIDING AN EFFECTIVE DATE.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the Subdivision Regulations of the Code of Ordinances shall be amended in Article II. Park Land Dedication, which shall hereafter read in its entirety as follows:

"ARTICLE II. PARK LAND DEDICATION

Sec. 24-41. Purpose.

(a) This article [Ordinance Number 87-1] is adopted to provide recreational areas in the form of neighborhood parks as a function of subdivision development in the City of Rockwall, Texas.This article is enacted in accordance with the Home Rule powers of the City of Rockwall, granted under the Texas Constitution, in statutes of the State of Texas, including but not by way of limitation, articles 974a and 1175. It is hereby declared by the city council that recreation areas in the form of neighborhood parks are necessary and in the public welfare, and that the only adequate procedure to provide for same is by integrating such a requirement into the procedure for planning and developing property or subdivisions in the city, whether such development consists of new construction on vacant land or rebuilding structures on existing residential property.

(b) Neighborhood parks are those parks providing for a variety of outdoor recreational opportunities, be a minimum of ten acres, and be within convenient distances for a majority of the residents to be served thereby. Park districts are established by the official park plan for the City of Rockwall, Texas, and shall be prima facie proof that any park located therein is within such convenient distance from any residence located therein. Primary cost of neighborhood parks shall be borne by the ultimate residential property owners, who, by reason of the proximity of their property to such parks, shall be the primary beneficiary of such facilities. Therefore, the following requirements are adopted to effect the purposes stated. (Ord. No. 87-1, § I, 1-5-87)

Sec. 24-42. Definitions.

For the purposes of this article, the following definitions shall apply:

Develop (V): The act of subdividing a parcel or tract of land and installation of community facilities in accordance with and as defined by the City of Rockwall Subdivision Ordinance.

Development (N): A parcel or tract of land proposed for subdivision in accordance with and as defined by the City of Rockwall Subdivision Ordinance.

Park development. The development of a park site by construction of streets, drainage, utilities, and recreational improvements to serve a neighborhood park district.

Recreational Improvements - Facilities: The park features set forth for a neighborhood park in the Activity Menu of the Park Plan. A uniform cost shall be prepared annually for these features and adopted by resolution by the City Council. The dedication factor shall be applied to this cost to determine the pro rata share per new dwelling unit for recreational improvements - facilities.

Pro rata share of required dedication. The amount of land that shall be dedicated (or the acreage figure used to calculate cash in lieu of land donation) as prescribed within this article. The pro rata share of required dedication in a neighborhood park district shall be calculated as follows: Pro rata share of required acreage dedication per new dwelling unit is the factor obtained when the 10 acre area of park is divided by the ultimate residential dwelling unit holding capacity for park district in which the unit(s) is located.

The total number of residential units which a neighborhood park district is projected to have when fully developed shall be determined by the Impact Fee Land Use Assumptions as set forth in Table 1, Park Dedication Acreage Factor per Dwelling Unit, below. (Ord. No. 87-1, § II, 1-5-87)

TABLE 1
PARK DEDICATION ACREAGE FACTOR PER DWELLING UNIT

Sec. 24-43. General Requirement for SF-16, SF-10, SF-7, ZL-5, 2-F and MF-15, to be used for single-family, zero lot line, duplex, and/or apartment multi-family residential purposes.

(a) Whenever a final plat is filed of record with the county clerk of Rockwall County for development of a residential area in accordance with the planning and zoning ordinances of the City of Rockwall, such plat shall contain a clear fee simple dedication of an area of land to the City of Rockwall for park purposes, which area shall be equal to or greater than the property being subdivided's pro rata share of neighborhood park property required for the neighborhood park district in which the property being platted or subdivided is located as shown by the Park Master Plan. In addition, the developer shall make payment of money for pro-rata share and recreational improvement facilities as defined in this article. Any proposed plat submitted to the city for approval shall show the area proposed to be dedicated under this article. The requirement for dedication under this article may be met by a payment of money in lieu of land when permitted or required by the other provisions of this article.

(b) The city council declares the development of an area smaller than one acre for public park purposes to be impractical. Therefore, if less than one acre is calculated to be the pro rata share of a development plat filed for approval, the developer shall be required to pay the applicable cash in lieu of land amount provided for by Section 24-45(c) of this article, rather than dedicate any land area. No plat showing a dedication of less than one acre shall be approved.

(c) In instances where an area of less than six (6) acres but more than one acre is calculated to be the pro rata share of a development the city council shall have the option of requiring land dedication or cash in lieu of land in accordance with Section 24-45(c) of this article after consideration of the recommendation of the planning and zoning commission and the parks and recreation board. If the City determines that sufficient park area is already in the public domain in the area of the proposed development or the neighborhood park district, or if the recreation potential for that zone would be better served by

expanding or improving an existing park, dedication may also be refused and cash in lieu of land may, likewise, be required.

(d) The dedication required by this article shall be made by filing of final plat or contemporaneously by separate instrument. If the actual number of completed dwelling units exceeds the figures upon which the original dedication is based, additional dedication shall be required and shall be made by payment in lieu of land amount described by Section 24-45(c) of this article, or by the conveyance of an entire numbered lot to the city. (Ord. No.87-1, § III, 1-5-87)

Sec. 24-44. Prior dedication; absence of prior dedication.

At the discretion of the city council, any former gift of land to the city may be credited on a per acre basis toward the eventual land dedication requirements imposed on the donor of such land. The city council shall consider recommendations of the planning and zoning commission and the parks and recreation board in exercising its discretion under this section. (Ord. No. 87-1, § IV, 1-5-87)

Sec. 24-45. Money in lieu of land.

(a) Subject to the veto of the city council and the terms of Section 24-43 of this article, a land owner responsible for dedication under this article may elect to meet the requirements of Section 24-43 in whole or in part by a cash payment in lieu of land, in an amount set forth in Section 24-45(c). Such payment in lieu of land shall be made at or prior to final plat approval.

(b) The city may from time to time decide to purchase land for parks in or near the area of actual or potential development. If the city does purchase park land in a neighborhood park district and said land purchased is used to meet the need for a neighborhood park, subsequent land dedications for that district shall be in cash only and calculated on a pro rata share basis to reimburse the city's actual cost of acquisition and development of such land for parks. The cash amount shall be equal to the sum of (1) the average price per acre of such land, and (2) the actual cost of adjacent streets and site utilities, or an estimate of such actual costs provided by the city engineer and the recreation improvement costs for facilities as set forth in the Park Master Plan for neighborhood parks. Once the city has been reimbursed entirely for all park land within a park zone, this section shall cease to apply and the other sections of this article shall be applicable.

(c) To the extent that Section 24-45(b) is not applicable, the dedication requirements shall be met by a cash payment in lieu of land on the basis of a per acre price. Said per acre price shall be determined annually by the city council and shall be based on current land values within the City. Once established the Council shall adopt the value(s) by resolution for appreciation as required in this subsection. Cash payments may be used only for acquisition or improvement of neighborhood parks located within the same neighborhood park district as the development in accordance with the Park Master Plan. (Ord. No. 87-1, § V, 1-5-87)

Sec. 24-46. Dedication of more than the pro rata share of park land.

The developer of a residential subdivision which is subject to the terms of this article may dedicate more land than the pro rata share calculated for the development if approved by the city council. If the developer dedicates an amount equal to or greater than the total required park land area for the neighborhood park district in which his subdivision is located, the city and the developer shall execute a pro rata refunding agreement in accordance with the City of Rockwall Subdivision Regulations which shall recover the cost of land dedicated in excess of the developer's pro rata share after streets, drainage, and utilities are constructed on the dedicated property.

The developer shall install the streets, drainage, and utilities to serve the neighborhood park, and the cost of same shall be included in the pro rata refunding agreement. The pro rata refunding agreement shall provide that future developers in the same neighborhood park district shall pay their pro rata share of the actual cost of park development which shall be calculated based on the per acre cash in lieu of land cost in effect at the time of dedication, plus the costs of streets, drainage, utilities, and recreational facilities installed to serve the dedicated neighborhood park. The cost of streets, drainage and utilities installed to serve the park shall be certified by the city engineer. In no case shall the developer receive pro rata payments after he has recovered an amount equal to the number of acres actually dedicated in excess of his pro rata share multiplied by the per acre cash in lieu of land figure in effect at the time of actual dedication, plus the costs of streets, drainage, and utilities as certified by the city engineer necessary to serve the neighborhood park. In no case shall the term of any pro rata agreement provided by this article be for a period in excess of five (5) years from the date of dedication. (Ord. No. 87-1, § VI, 1-5-87)

Sec. 24-47. Special fund established; right to refund.

(a) There is hereby established a special fund for the deposit of all cash funds in lieu of land dedication under this article, which fund shall be known as the "Park Land Dedication Fund."

(b) The city shall account for all sums paid in lieu of land dedication under this article referenced to individual plats involved. Any funds paid for such purposes must be expended by the city within eight (8) years from the date received by the city for acquisition and development of a neighborhood park as defined herein. Such funds shall be considered to be spent on a first/in first/out basis. If not so expended, the owners of the property on the last day of such period shall be entitled to a pro rata refund of such funds, calculated on a square footage basis. The owners of such property must request such refund within one year of entitlement; in writing, or such rights shall be barred. (Ord. No. 87-1, § VII, 1-5-87)

Sec. 24-48. Additional requirements and provisions.

(a) Any land dedicated to the city under this article shall be suitable for park and recreation use. The following characteristics of a proposed area are generally unsuitable:

(1) Any area located in the one hundred-year floodplain;

(2) Any area of unusual topography or slope which renders same unusable for organized recreational activities.

The above characteristics of park land dedication area may be grounds for refusal of a plat.

(b) Each park must have ready access to a public street.

(c) Unless provided otherwise herein, action by the city shall be by the city council after consideration of the recommendations of the planning and zoning commission and the parks and recreation board. Any proposal considered by the planning and zoning commission under this article shall have been reviewed by the parks and recreation board and its recommendation given to the commission. The commission may make a decision contrary to such recommendation only by a vote of at least five (5) members. Should the commission be unable to get this vote, the matter shall then be referred to the city council for final decision.

(d) If any provision of this article or the application thereof to any person or circumstances is held invalid, such invalidity shall not affect any other provisions or applications of this article which can be given effect without the invalid provision or application, and to this end the provisions of this article are declared to be severable.

(e) This article shall become effective upon adoption by the city council. (Ord. No. 87-1, § VIII, 1-5-87)

Sec. 24-49. Review and updating park master plan.

The City of Rockwall Parks and Recreation Department shall consider the need to update the Park Master Plan at least annually to insure that the plan remains current and provides an equitable, effective framework from which to pursue the acquisition and development of neighborhood park services for each neighborhood park district.

(Ord. No. 87-1, § XI, 1-5-87)

Sec. 24-50. Waiver of mandatory neighborhood park land dedication in the case of private developments.

If a development is proposed to be a private development where no public streets are dedicated for use by the public the city shall:

(1) Calculate the pro rata share of the proposed private development as if it were to be a development where public streets were to be dedicated.

(2) Waive the requirement for mandatory dedication if the private amenities of the proposed development meet or exceed the calculated pro rata share as calculated under Section 24-50(1) above.

(3) Decrease the total acreage shown in the Park Master Plan as being required to meet the ultimate need for neighborhood parks in the applicable neighborhood park district by the acreage calculated under Section 24-50(1) above (for the purpose of future calculations of pro rata shares for future developments).

(4) In a private development within a park district or a private development encompassing an entire park district, the park property within the private development must be easily accessible to the general public either through the use of the city trail system or public roadways. If the private development encompasses the entire park district and the ten acres of park land is not continuous, each separate section of park property must be accessible to the general public and connected by way of a minimum eight foot wide trail.

(Ord. No. 87-1, § IX, 1-5-87)

Sec. 24-51. Waiver of article requirements by city council.

The city council of the City of Rockwall, Texas may waive the requirements of this article upon a finding by the city council that said waiver is clearly in the best interest of the City of Rockwall. (Ord. No. 87-13, § I, 3-16-87)"

Section 2. Any person violating the provisions of this Ordinance shall be deemed guilty of a misdemeanor and upon conviction be subject to a fine in accordance with the general provisions of the Code of Ordinances.

Section 3. If any section or provision of this ordinance or the application of that section or provision to any person, firm, corporation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

Section 4. That this ordinance shall take effect immediately from and after its passage and approval, and it is so ordained.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this _____ day of _____, 1999.

CITY OF ROCKWALL, TEXAS

ORDINANCE NO. 14-07

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE CODE OF ORDINANCES IN CHAPTER 32 SIGNS, ARTICLE III REGULATIONS AND REQUIREMENTS, DIVISION 2. STRUCTURAL STANDARDS, SECTION 32-204. WALL SIGNS AND DIVISION 6. SPECIFIC SIGN REGULATIONS, SECTION 32-306. WALL SIGNS TO ELIMINATE CERTAIN PROVISIONS REGARDING WALL SIGN HEIGHT; PROVIDING FOR A PENALTY CLAUSE; PROVIDING FOR REPEALING, SAVINGS AND SEVERABILITY CLAUSES; PROVIDING FOR PUBLICATION; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the Rockwall City Council deems the public interest to be best served by the adoption of certain rules and regulations regarding the height of wall signs as set forth herein;

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

SECTION 1. That the Code of Ordinances in Chapter 32. Signs, Article III. Regulations and Requirements, Division 2. Structural Standards, Section 32-204(a) is hereby amended to strike language and read as follows:

Sec. 32-204. Wall Signs

(a) Wall signs may be painted on a window or door, but no other building surface. All other wall signs shall be attached to, and not painted onto any building. The sign brackets or supports for wall signs may not project more than two inches from said wall. Such sign faces shall not ~~have a vertical height of more than six feet nor~~ exceed ten percent of the front face area of the building or storefront as established in approved plans submitted to the city, or 60 square feet, whichever is greater, nor exceed 75 percent of the width of such building or store frontage, nor the sign standards of the functional standards table set forth in section 32-366. Vertical clearance shall be subject to the requirements of section 32-206.

SECTION 2. That the Code of Ordinances in Chapter 32. Signs, Article III. Regulations and Requirements, Division 6. Specific Sign Regulations, Section 32-306 is hereby amended to strike language and read as follows:

Sec. 32-306. Wall Signs

A business shall be allowed any number of attached wall, projection or marquee signs so long as the total face area of the attached signs does not exceed ten percent of the front face area of the building or store front as established in approved plans

submitted to the city, or 60 square feet, whichever is greater~~, or exceed six feet in height~~.

SECTION 3. That any person, firm or corporation who violates any provision of this ordinance or who fails to obtain a special event permit shall be deemed guilty of a misdemeanor and upon conviction thereof, in the Municipal Court of Rockwall, TX, shall be subject to a fine in accordance with the general provisions of the Code of Ordinances.

SECTION 4. That all ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed to the extent of such conflict.

SECTION 5. That the Code of the City of Rockwall, Texas, as amended, shall remain in full force and effect, save and except as amended by this ordinance.

SECTION 6. That should any section, paragraph, sentence, clause, phrase or word of this ordinance be declared unconstitutional or invalid for any purpose by a court of competent jurisdiction, the remainder of this ordinance shall not be affected thereby, and to this end the provisions of this ordinance are declared to be severable.

SECTION 7. That it is hereby found and determined that the meeting at which this ordinance was passes was open to the public as required by Section 551.001 et seq., Texas Government Code, and that advance public notice of the time, place and purpose of said meeting was given.

SECTION 8. That this Ordinance shall take effect immediately upon its second reading and newspaper publication as required by the City Charter, Section 3.11.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 21st day of January, 2014.

David Sweet, Mayor

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 1/21/2014

APPLICANT: Greener City Group

AGENDA ITEM: **P2013-042**; Shady Dale Estates

Discuss and consider a request by Drew Colon of Greener City Groups, Inc. for the approval of a final plat of Lots 1-14, Block 1, Shady Dale Estates Addition being a 4.32-acre tract of land identified as Tracts 4-13 & 4-14 of the Edward Teal Survey, Abstract 207, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 9 (PD-9) for Single Family Residential uses, located east of the intersection of Ridge Road [FM-740] and Shady Dale Lane, and take any action necessary.

BACKGROUND INFORMATION:

* The purpose of the final plat is to establish 14 single family lots for the Shady Dale Estates Addition. The plat conforms to the requirements established within PD-9.

* The Treescape Plan submitted for this development indicates an overall total of 81 caliper inches being removed from the site (primarily Hackberry & Cedars). However, there are two (2) Elms that are considered feature trees and require P&Z approval prior to their removal. The Elms require an inch for inch replacement while Hackberry & Cedars that are eleven (11) caliper inches or great require a 50% replacement of the total caliper inches being removed. The applicant is proposing 28 – three (3) caliper inch trees to be planted (2 trees per lot) in order to satisfy the mitigation for the development.

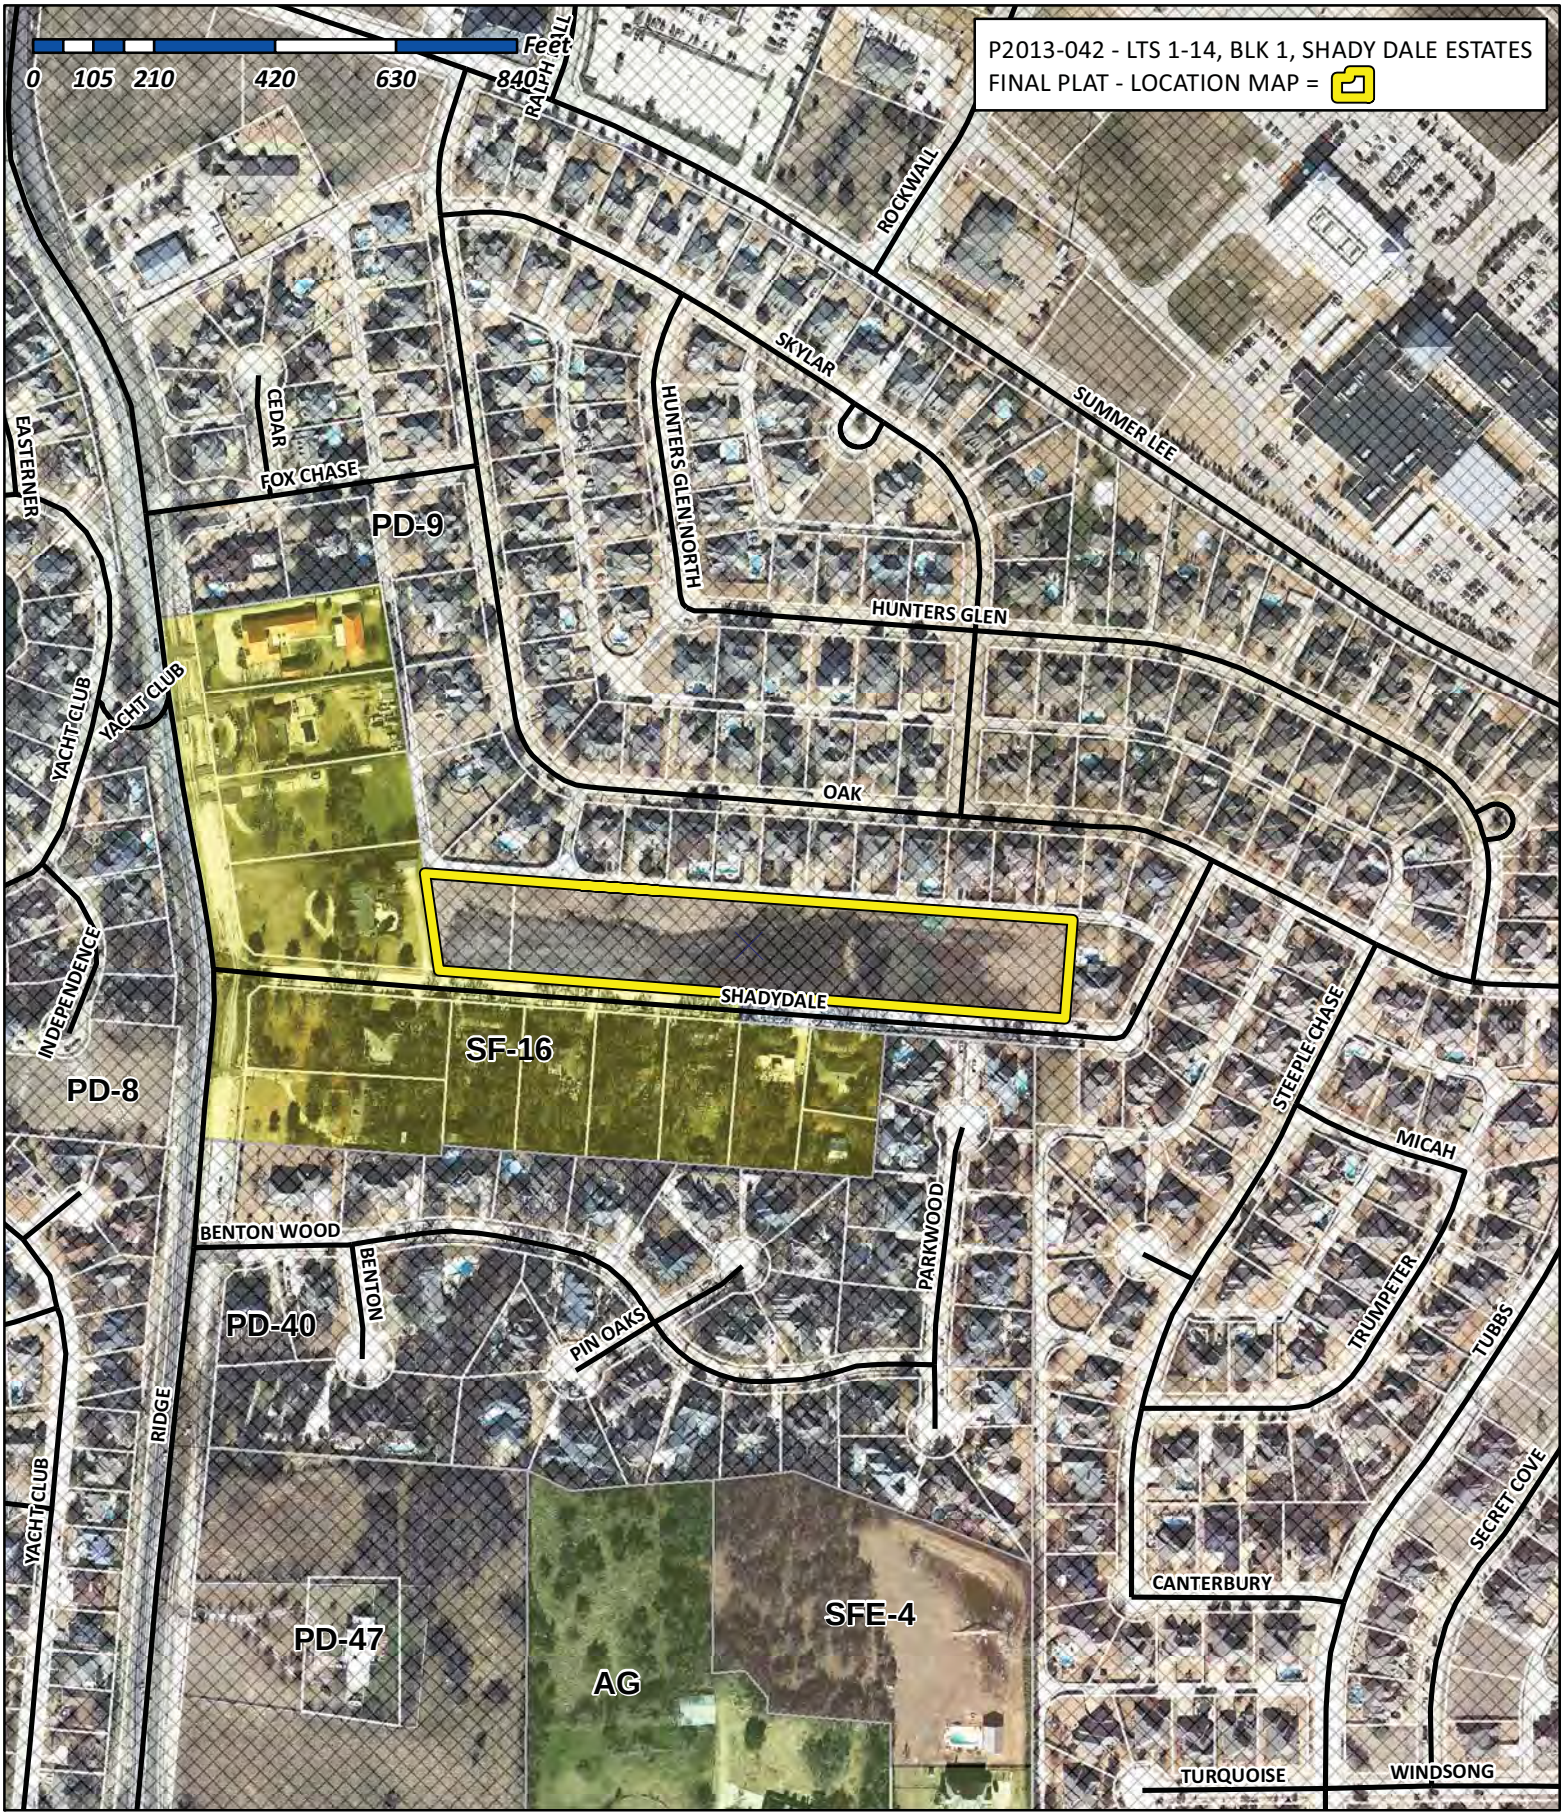
* The Parks Board met on January 7, 2014 and recommended approval of the final plat. The Shady Dale Estates Addition is within Park District No. 16 and requires Cash in Lieu of Land fees calculated at $590 per lot and Pro-Rata Equipment fees calculated at $1,006 per lot. These particular fees are due at final plat approval.

* This plat is recommended for conditional approval pending the completion of final technical modifications and submittal requirements required prior to the recordation with the County.

* Conditional approval of this plat by the City Council shall constitute approval subject to the conditions stipulated in the Recommendation section below.

With the exception of the items listed in the Recommendation section of this case memo, this plat is in substantial compliance with the requirements of the Subdivision

Ordinance in the Municipal Code of Ordinances. Also, the final plat meets the minimum requirements of the Planned Development No. 9 (PD-9) district that governs the development.

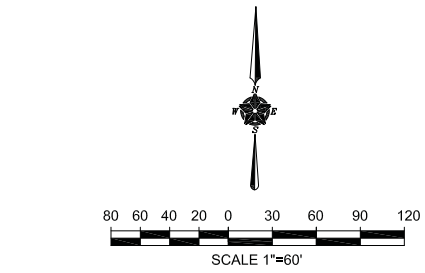


RECOMMENDATIONS:

If approved, staff recommends the following conditions:

1. Adherence to Engineering and Fire Department standards.
2. Provide the location and dimension of all franchise easements.
3. Adherence to Parks Board and Parks Department requirements. Payment of the Cash in Lieu of Land and Pro-Rata Equipment fees are due at final plat approval.

PLANNING & ZONING COMMISSION:



On January 14, 2014 the Planning & Zoning Commission approved the replat subject to staff's recommendations by a vote of 6-0, with Commissioner McCuthcheon absent.

OWNER'S CERTIFICATE:

STATE OF TEXAS
COUNTY OF ROCKWALL
CITY OF ROCKWALL

WHEREAS, Greener City Group, Inc. is the sole owner of a tract of land situated in the Edward Teal Survey, Abstract No. 207, in Rockwall County County, Texas, being that same tract of land conveyed to Greener City Group, Inc. by General Warranty Deeds recorded In Volume 7297, Page 50 and Volume 7297, Page 54, of the Deed Records of Rockwall County, Texas, and being together more particularly described by metes and bounds as follows:

Beginning at a 1/2 inch iron rod set for corner with a yellow cap stamped "TXHS" in the North right-of-way line of Shady Dale Lane (50 foot public right-of-way), said point being the Southeast corner of Lot 1, Block B of Highland Acres, an addition to the City of Rockwall, Rockwall County, Texas, according to the Plat thereof recorded In Cabinet A, Slide 91 of the Plat Records of Rockwall County, Texas, same being the most westerly Southwest corner of herein described tract;

Thence North 08 Degrees 22 Minutes 20 Seconds West, along the East line of said Lot 1, Block B, a distance of 174.10 feet to a 1/2 Inch Iron rod set for corner with a yellow cap stamped "TXHS", said point being the Southwest corner of a 20 foot alley as shown on the plats of Foxchase - Phase One, an addition to the City of Rockwall, Rockwall County, Texas, according to the plat thereof recorded In Cabinet C, Slide 49 and Foxchase - Phase Two, an addition to the City of Rockwall, Rockwall County, Texas, according to the plat thereof recorded in Cabinet C, Slide 206 of the Plat Records of Rockwall County, Texas, same being the Northwest corner of herein described tract;

Thence North 85 Degrees 31 Minutes 09 Seconds West, along the North line of said Lot 1, Block G, passing the Northeast corner of Block A of Benton Woods, an addition to the City of Rockwall, Rockwall County, Texas, according to the plat thereof recorded In Cabinet C, Slide 254 of the Plat Records of Rockwall County, Texas, and continuing along the North line of said Benton Woods addition, and passing the Northeast corner of a tract of land conveyed to Jerry E. Thomas by deed recorded in Volume 557, Page 325 of the Deed Records of Rockwall County, Texas, and continuing along the North line of said Thomas tract, and passing the Northeast corner of a tract of land conveyed to Don L. Blankenship by deed recorded in Volume 284, Page 767 of the Deed Records of Rockwall County, Texas, and contiuing along the North line of said Blankenship tract, for a total distance of 560.97 feet to a 1/2 Inch Iron rod set for corner with a yellow cap stamped "TXHS", said point being the Southeast corner of said Shady Dale Lane, same being the Northeast corner of Lot 4, Block A of the aforementioned Highland Acres, being the Northwest corner of said Blankenship tract and being the most easterly Southwest corner of herein described tract;

Thence North 05 Degrees 01 Minute 51 Seconds East, along the East right-of-way line of said Shady Dale Lane, a distance of 50.00 feet to a 1/2 Inch Iron rod set for corner with a yellow cap stamped "TXHS", said point being the Northeast corner of said Shady Dale Lane;

Thence North 85 Degrees 31 Minutes 09 Seconds West, along the North right-of-way line of said Shady Dale Lane, a distance of 528.23 feet to the POINT OF BEGINNING and containing 216,125 square feet or 4.96 acres of land.

GENERAL NOTES:

1) Bearings are based on deed recorded in Volume 7297, Page 50, Deed Records, Rockwall County, Texas.

2) The purpose of this plat is to create 14 lots.

3) This property is in Zone(s) X of the Flood Insurance Rate Map, Community Panel No. 49397C0040 L, which bears an effective date of September 26, 2008 and IS NOT In a Special Flood Hazard Area.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

STATE OF TEXAS
COUNTY OF ROCKWALL
CITY OF ROCKWALL

That, Greener City Group, Inc., through the undersigned authority, does hereby adopt this plat designating the herein above described property as **Shady Dale Estates**, a subdivision to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, watercourses, drains, easements and public places thereon shown for the purposes and consideration therein expressed. We further certify that all other parties who have a mortgage or lien interest in the Shady Dale Estates subdivision have been notified and signed this plat.

I understand and do hereby reserve the easements strips shown on this plat for the purposes stated and for the mutual use accommodation of all utilities desiring to use or using same. I also understand the following:

1. No buildings shall be constructed upon, over, or across the utility easements as described herein.
2. Any public utility shall have the right to remove and keep removed all or part of any building, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance, or efficiency of their respective system on any of these easement strips, and any public utility shall at all times have the right to Ingress or egress to, from and upon the said easement strips for the purpose of construction, reconstructing, inspecting, patrolling, maintaining, and either adding to or removing all or part of the respective system without the necessity of, at any time, procuring the permission of anyone.
3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.
4. The developer and subdivision engineer shall bears total responsibility for storm drain improvements.
5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.
6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, storm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or

Until an escrow deposit sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer and/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such Improvements itself. Such deposit may be used by the developer and/or owner as progress payments as the work progresses In making such Improvements by making certified requisitions to the city secretary, supported by evidence or work done; or

Until the developer and/or owner files a corporate surety bond with the city secretary In a sum equal to the cost of such Improvements for the designated area, guaranteeing the Installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

I further acknowledge that the dedications and/or exaction's made herein are proportional to the Impact of the Subdivision upon the public services required In order that the development will comport with the present and future growth needs of the City; Our successors and assigns hereby waive any claim, damage, or cause of action the We may have as a result of the dedication of exactions made herein.

CITY OF ROCKWALL
PLANNING AND ZONING COMMISSION MEMO

AGENDA DATE: 01/14/2014

APPLICANT: Tabani Group

AGENDA ITEM: **P2013-043**; Lot 5, Block A, Rockwall Commons

SUMMARY:

Discuss and consider a request by Mushtak Khatri of the Tabani Group on behalf of T. Rockwall Phase 2, LLC for the approval of a final plat for Lot 5, Block A, Rockwall Commons Addition being a 3.802-acre parcel of land currently recognized as a one (1) acre parcel of land identified as Lot 1, Block 1, Independent Community Financial Corporation Addition and a 2.802-acre tract of land identified as Tract 6-2 of the B. J. T. Lewis Survey, Abstract No. 255 and the D. Atkins Survey, Abstract No. 1, both properties being zoned Planned Development District 1 (PD-1) for mixed use development, generally located on Ridge Road [FM-740] south of Summit Ridge Drive, and take any action necessary.

COMMENTS:

- ✓ The objective of this request is to final plat a 3.802-acre tract of land into one (1) non-residential lot for the purpose of constructing a mixed residential/retail development. The proposed development will be similar to the existing mixed use development that exists directly adjacent to the subject property.

- ✓ This plat includes the dedication of twenty (20) feet of right-of-way for Ridge Road [FM-740]. After the dedication the total right-of-way width for Ridge Road [FM-740] will be 100-feet.

- ✓ On January 7, 2014 the Parks Board reviewed the proposed final plat and recommended the following:

    1) The developer pay the cash-in-lieu of land fees required for Park District No. 20 in the amount of $68,180.00 [140 Units @ $487.00 Per Unit], and

    2) The developer pay the pro-rata equipment fees required for Park District No. 20 in the amount of $40,040.00 [140 Units @ $286.00 Per Unit].

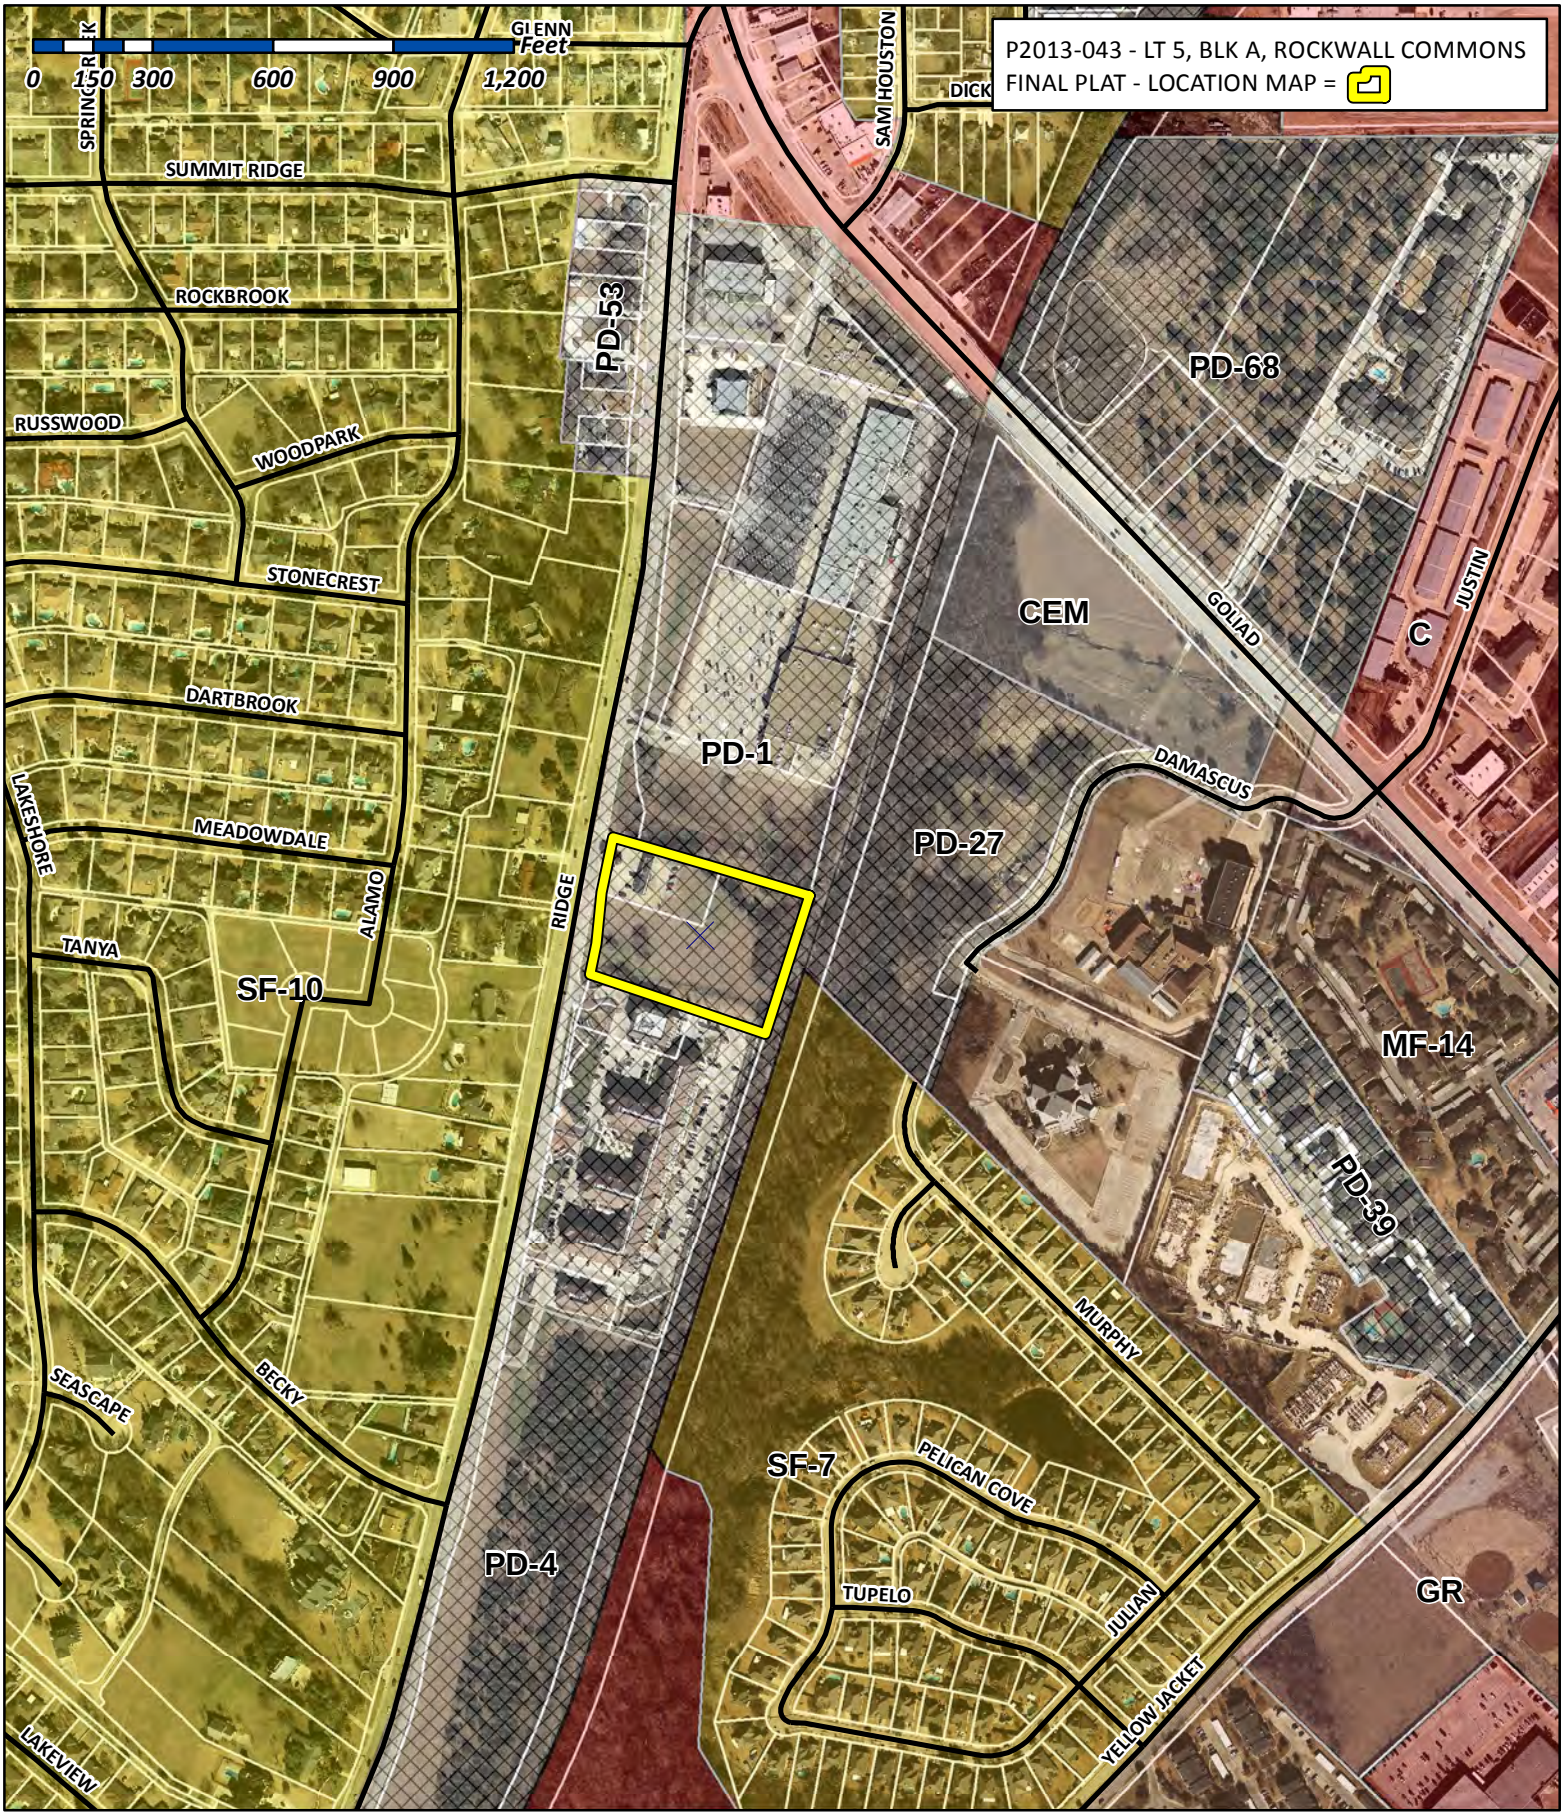
- ✓ The Surveyor has completed the majority of the technical revisions requested by staff, and this plat, conforming to the requirements for final plats as stated in the Subdivision Ordinance in the Municipal Code of Ordinances, is recommended for conditional approval pending the completion of final technical modifications and submittal requirements.

- ✓ Conditional approval of this plat by the City Council shall constitute approval subject to the conditions stipulated in the *Recommendation* section below.

With the exception of the items listed in the *Recommendation* section of this case memo, this plat is in substantial compliance with the requirements of the *Subdivision Ordinance* in the Municipal Code of Ordinances.

RECOMMENDATIONS:

Staff recommends approval of the final plat for *Lot 5, Block A, Rockwall Commons* in conformance with the following conditions of approval:



1) All technical comments from the Engineering, Planning and Fire Departments shall be addressed prior to the filing of this plat;

2) The applicant shall adhere to the recommendations made by the Parks Board (*stated above*);

3) Any construction resulting from the approval of this *final plat* shall conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING & ZONING COMMISSION:

On January 14, 2014 the Planning & Zoning Commission approved the replat subject to staff's recommendations by a vote of 6-0, with Commissioner McCuthcheon absent.

NOTES:

cirs = 1/2" iron rod with orange plastic cap stamped "PIBURN PARTNERS" set for corner

No portion of the subject property lies within any area of 100-year flood according to FEMA's Flood Insurance Rate Map No. 48397C0040L, dated September 26, 2008. Property is in zone X.

Bearings are based upon the southeasterly line of Ridge Road (FM 740) as shown on plat of Lot 1, Block 1, INDEPENDENT COMMUNITY FINANCIAL CORPORATION ADDITION, as recorded in Cabinet B, Slide 76, Plat Records, Rockwall County, Texas.

OWNERS CERTIFICATE

STATE OF TEXAS §
COUNTY OF ROCKWALL §

WHEREAS T Rockwall Phase 2, LLC, BEING THE OWNER OF A TRACT OF land in the County of Rockwall, State of Texas, said tract being described as follows:

BEING *a 3.802 acre tract of land situated in the D. Arkins Survey, Abstract No. 1, same being a tract of land conveyed to T Rockwall Phase 2, LLC by deed recorded in Volume 6766, Page 292, Deed Records, Rockwall County, Texas, all being further described as follows:*

BEGINNING *at a 1/2" iron rod found for corner at the southwesterly corner of the herein described tract of land, same being in the southeasterly right-of-way line of Ridge Road (FM 740, a 100' Public R.O.W.), same also being the northwesterly corner of Lot 2, Block A, of REPLAT OF ROCKWALL COMMONS, as recorded in Cabinet H, Slide 135, Plat Records, Rockwall County, Texas;*

THENCE *North 12°32'48" East, along said right-of-way line, for a distance of 77.99 feet to a brass monument found for corner;*

THENCE *North 07°59'24" East, for a distance of 114.43 feet to a brass monument found for corner in the southwesterly corner of Lot 1, Block 1, Independent Community Financial Corporation, as recorded in Cabinet B, Slide 76, Plat Records, Rockwall County, Texas;*

THENCE *North 12°20'00" East, continuing along said right-of-way line, for a distance of 150.68 feet to a brass monument found for corner at the southwest corner of Eastridge Center, as recorded in Cabinet A, Slide 263, Plat Records, Rockwall County, Texas;*

THENCE *South 71°26'08" East, departing said southeasterly right-of-way line and along the southerly line of said Eastridge Center, for a distance of 278.31 feet to a 3/8" iron rod found for corner;*

THENCE *South 71°14'00" East, continuing along said Eastridge Center, for a distance of 231.77 feet to a 1/2" iron rod found for the southeast corner of said Eastridge Center, same being in the northwesterly line of the UP & Dallas Northeast Railroad (100' R.O.W.);*

THENCE *South 18°59'52" West, along said northwesterly line of the UP & Dallas Northeast Railroad, for a distance of 340.25 feet to a 1/2" iron rod found for corner at the northeast corner of Lot 4, Block A, of said REPLAT OF ROCKWALL COMMONS;*

THENCE *North 71°17'00" West, departing said northwesterly line of the UP & Dallas Northeast Railroad, along said northerly line of said Lot 4, Block A and aforementioned Lot 2, Block A, for a distance of 461.98 feet to the POINT OF BEGINNING and containing 165,635 square feet or 3.802 acres of land, more or less.*

I(we) the undersigned owner(s) of the land shown on this plat, and designated herein as LOT 3, BLOCK A, ROCKWALL COMMONS PHASE 2, an addition to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, water courses, drains, easements and public places thereon shown on the purpose and consideration therein expressed. I (we) further certify that all other parties who have a mortgage or lien interest in the LOT 3, BLOCK A, ROCKWALL COMMONS PHASE 2, addition have been notified and signed this plat.

I (we) understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same. I (we) also understand the following;

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of their respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maintaining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, storm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or

Until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer and/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as progress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or

Until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

I (we) further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the Subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; I (we), my (our) successors and assigns hereby waive any claim, damage, or cause of action that I (we) may have as a result of the dedication of exactions made herein.

CITY OF ROCKWALL
PLANNING AND ZONING COMMISSION MEMO

AGENDA DATE: 01/14/2014

APPLICANT: A. J. Bedford Group, Inc.

AGENDA ITEM: **P2013-044**; Lot 13, Block 1, Rockwall Centre Corners Addition

---

SUMMARY:

Discuss and consider a request by Jay Bedford of the A. J. Bedford Group, Inc. on behalf of BDC Family Limited Partnership for the approval of a replat for Lot 13, Block 1, Rockwall Centre Corners Addition being a 2.644-acre parcel of land currently identified as Lot 12, Block 1, Rockwall Centre Corners Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the IH-30 Overlay (IH-30 OV) District, the SH-205 (SH-205 OV) District and SH-276 (SH-276) District, and located at the northeast corner of the intersection of S. Goliad Street (SH-205) and SH-276, and take any action necessary.

COMMENTS:

- ✓ The purpose of the applicant's request is to replat one (1) non-residential parcel of land for the purpose of establishing easements on a previously platted property. A site plan (SP2013-015) for a restaurant was approved for this site on July 9, 2013 by the Planning & Zoning Commission.

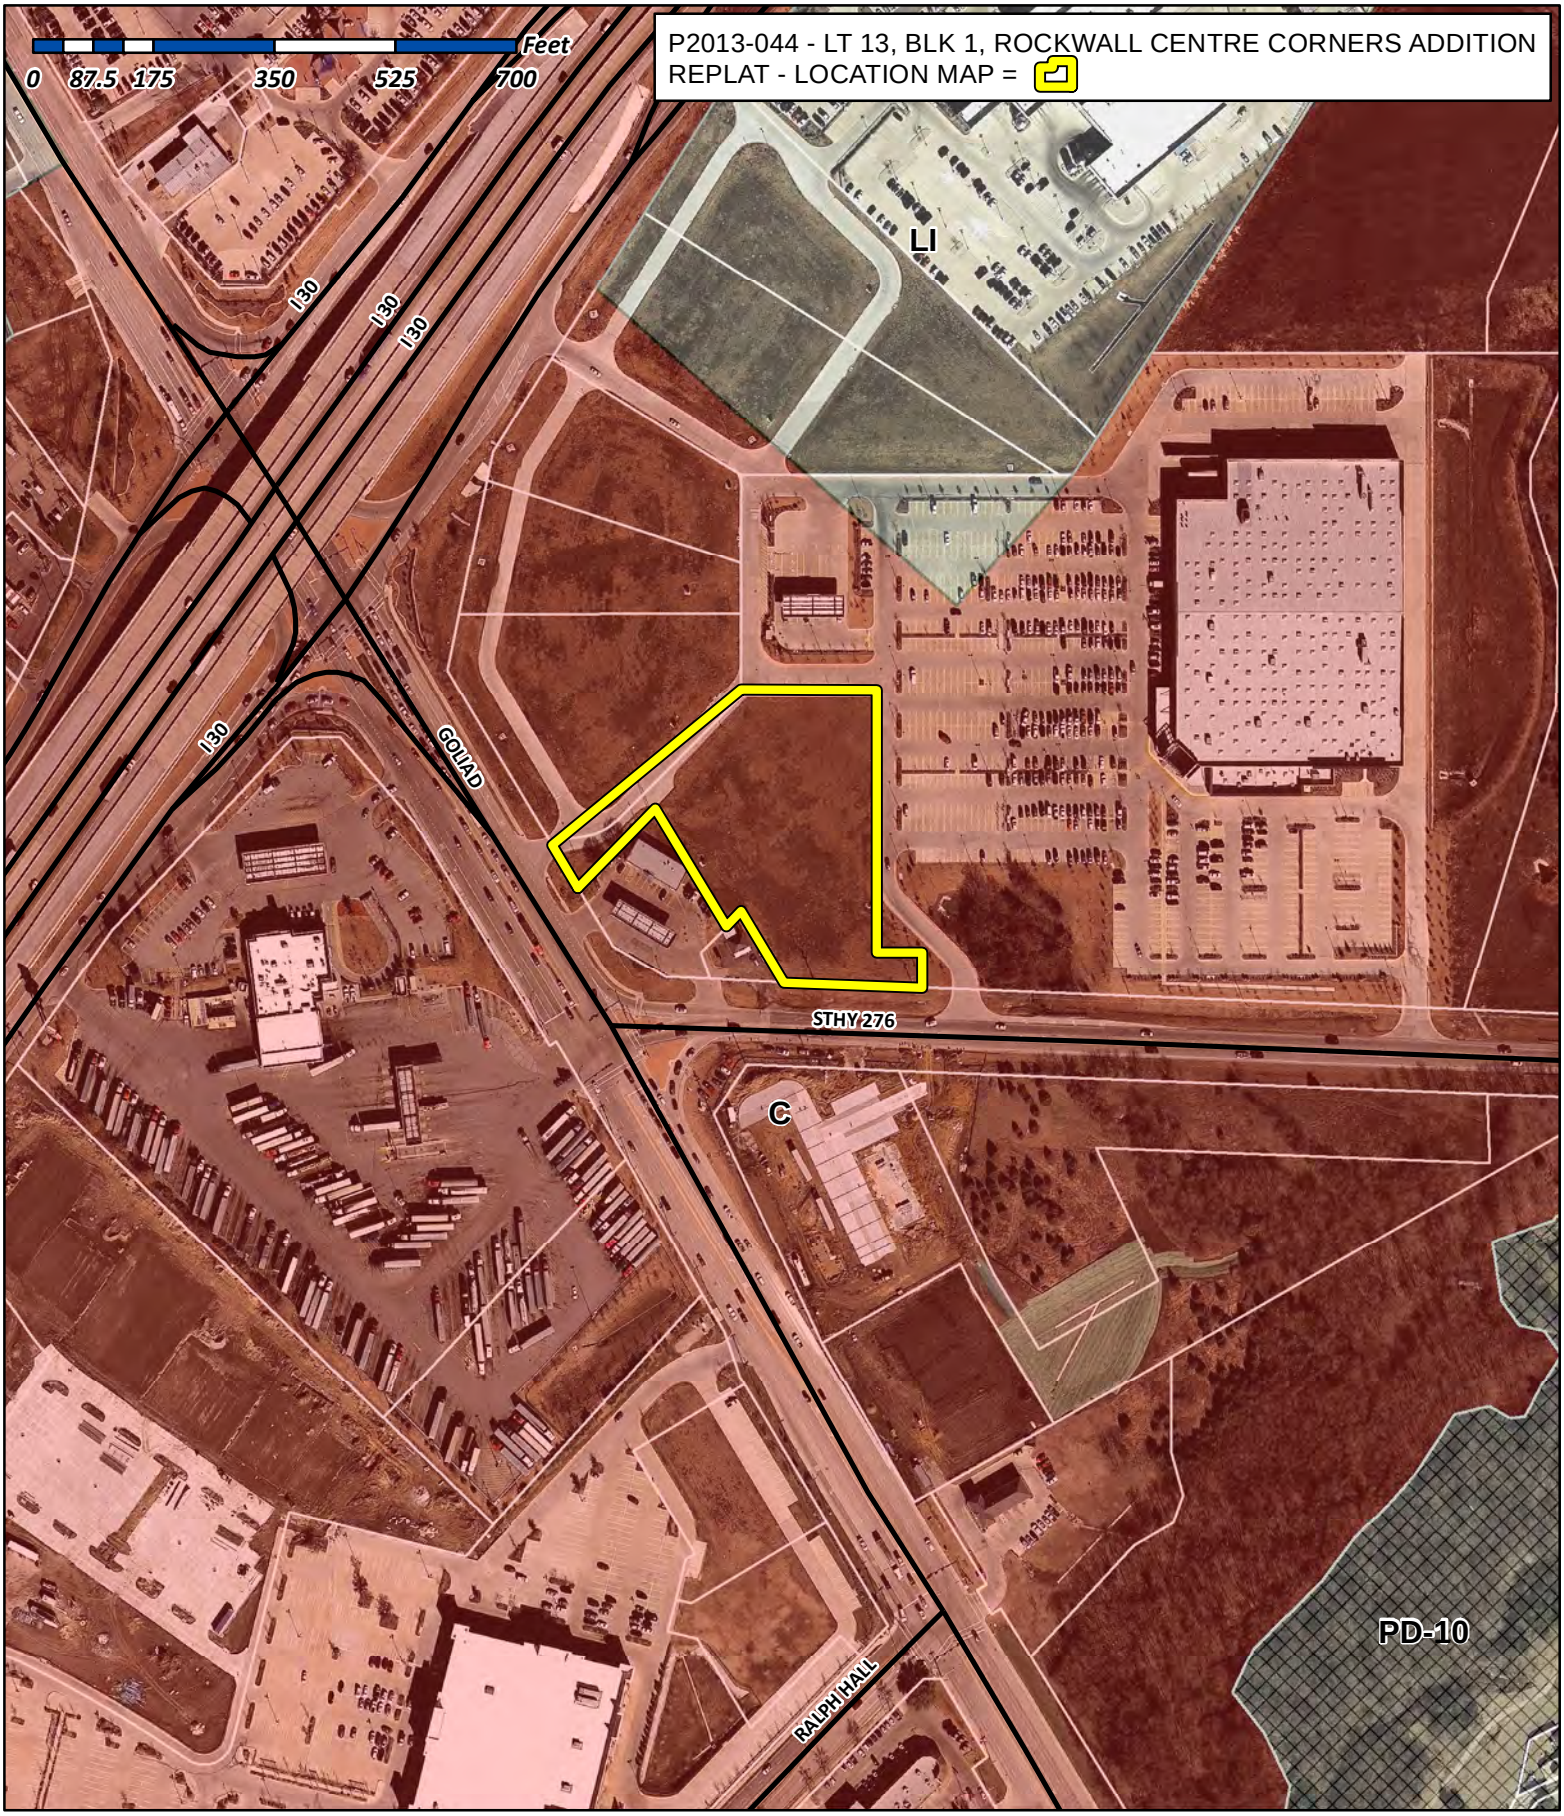
- ✓ The Engineer has completed the majority of the technical revisions requested by staff, and this plat is recommended for conditional approval pending the completion of final technical modifications and submittal requirements required for the recordation by the applicant or owner.

- ✓ Conditional approval of this plat by the City Council shall constitute approval subject to the conditions stipulated in the *Recommendation* section below.

With the exception of the items listed in the *Recommendation* section of this case memo, this plat is in substantial compliance with the requirements of the *Subdivision Ordinance* in the Municipal Code of Ordinances.

RECOMMENDATIONS:

If the Planning & Zoning Commission and City Council choose to approve the final plat for *Lot 13, Block 1, Rockwall Centre Corners Addition* then staff would recommend the following conditions of approval:



1) All the technical comments from the Engineering, Planning and Fire Departments shall be addressed prior to the filing of this plat;

2) Any construction resulting from the approval of this *final plat* shall conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING & ZONING COMMISSION:

On January 14, 2014 the Planning & Zoning Commission approved the replat subject to staff's recommendations by a vote of 6-0, with Commissioner McCuthcheon absent.

STATE OF TEXAS §
COUNTY OF ROCKWALL §

WE the undersigned owners of the land shown on this plat, and designated herein as the FINAL REPLAT ROCKWALL CENTRE CORNERS ADDITION LOT 13, BLOCK 1 to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, water courses, drains, easements and public places thereon shown on the purpose and consideration therein expressed. WE further certify that all other parties who have a mortgage or lien interest in the ROCKWALL CENTRE CORNERS ADDITION have been notified and signed this plat.

WE understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same. I (we) also understand the following:

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of their respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maintaining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

6. No house, dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, storm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or

Until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer and/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as progress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or

Until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

WE further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the Subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; I (we), my (our) successors and assigns hereby waive any claim, damage, or cause of action that I (we) may have as a result of the dedication of exactions made herein.

CITY OF ROCKWALL

ORDINANCE NO. 14-03

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [ORDINANCE NO. 04-38] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED SO AS FURTHER AMEND THE ZONING MAP TO ADOPT A CHANGE IN ZONING FROM A SINGLE FAMILY 7 (SF-7) DISTRICT TO A RESIDENTIAL-OFFICE (RO) DISTRICT FOR A TRACT OF LAND BEING A TOTAL OF 0.661-ACRES AND FURTHER IDENTIFIED AS A PORTION OF LOT 3 AND ALL OF LOT 4, BLOCK G, SANGER ADDITION, ROCKWALL, ROCKWALL COUNTY, TEXAS AND MORE SPECIFICALLY DESCRIBED IN EXHIBIT 'A' AND FURTHER DEPICTED IN EXHIBIT 'B' OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City has received a request from J.D. Jacobs, Jr. for an amendment to the Unified Development Code [Ordinance No. 04-38] of the City of Rockwall to adopt a change in zoning from a Single Family 7 (SF-7) District to a Residential-Office (RO) District for a tract of land being a total of 0.661-acres and further identified as a portion of Lot 3 and all of Lot 4, Block G, Sanger Addition, Rockwall, Rockwall County, Texas, and more specifically described in Exhibit 'A' and further depicted in Exhibit 'B' of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area, and in the vicinity thereof, and the governing body in the exercise of its legislative discretion, has concluded that the Unified Development Code should be amended as follows:

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

Section 1. That the Unified Development Code [Ordinance No. 04-38] of the City of Rockwall, Texas, as heretofore amended, be and the same are hereby amended by amending the zoning map of the City of Rockwall so as to change the zoning from a Single Family 7 (SF-7) District to a Residential-Office (RO) District for the *Subject Property*; and

Section 2. That the *Subject Property* shall be used only in the manner and for the purposes provided for in *Section 4.2, "Residential-Office (RO) District", Article V, "District Development Standards", of the Unified Development Code* of the City of Rockwall as heretofore amended, as amended herein by granting of this zoning change, and as may be amended in the future.

Section 3. That the official zoning map of the City be corrected to reflect the changes in the zoning described herein.

Section 4. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of two thousand dollars ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 5. If any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code of the City of Rockwall, Texas, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable.

Section 6. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be and the same are hereby repealed, and all other ordinances of the City of Rockwall not in conflict with the provisions of this ordinance shall remain in full force and effect.

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, ON THIS THE 6th DAY OF JANUARY, 2014.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Rick Crowley, *City Manager*

FROM: Ryan Miller, *Planning Manager*

DATE: January 14, 2014

SUBJECT: Notification Procedures for Zoning Cases

At the January 6, 2014 City Council Meeting questions were raised concerning the notification procedures for zoning cases. The following is a summary of all practices performed by staff concerning the notification of property owners as required by State and Local law and Departmental policy.

State Requirements

According to Section 211, *Municipal Zoning Authority*, of the Texas Local Government Code in order for a municipality to exercise zoning authority through a public hearing proper notification must be provided. Proper notification in this case is defined as (1) a newspaper notice which is published in a newspaper of general circulation within the municipality ten (10) days prior to the public hearing, and (2) a notification indicating the proposed change in zoning and the date of the public hearing sent to all real property owners, as indicated by the most recent municipal tax roll, within 200-feet of the subject property (*§211.007(c)*) [see *Appendix 'A'* for all Texas Local Government Code references pertaining to property owner notifications under Section 211].

In addition, Section 211.0075 states that all meetings posted by the board or commission and the governing body shall maintain compliance with the requirements of the open meetings laws. As required by these laws, staff posts a copy of the agendas for all public meetings on the bulletin board at the entrance to City Hall (*§551.050*) [see *Appendix 'B'* for all Texas Local Government Code references pertaining to posting notice under Section 551]. Section 551.056 also requires that all municipalities that maintain a website shall be required to post notice of all public meetings on said website. The City's website currently complies with this requirement [see *Appendix 'C'* depicting the Meeting and Agendas webpage available on the City's website].

City Requirements

Section 6.1 of Article II, *Authority and Administrative Procedures*, of the Unified Development Code (UDC) summarizes the Texas Local Government Code's notification requirements, and stipulates that staff shall post a sign advertising the zoning change on the subject property ten (10) days prior to the public hearing date [see *Appendix 'D'* for Section 6.1 of the UDC]. It is the Planning & Zoning Department's policy to have signs posted 15 days prior to the Planning & Zoning Meeting and 21 days prior to the City Council Meeting [see *Appendix 'E'* for examples of the signs used by staff to advertise zoning cases].

Planning and Zoning Department Policy

In addition to maintaining compliance with all current State and Local laws, staff also posts all current development cases (*i.e. Plats, Site Plans, Specific Use Permits, Zoning Changes, etc.*) on the Planning & Zoning Department's webpage located on the city's website and adds the

locations of the subject properties to the interactive map (which is also available on the City's website) [see *Appendix 'F'* for screen shots of the website]. These courtesy notifications on the website generally include links to the location map and/or the development documents (*i.e. the Plat, Site Plan, Zoning Exhibit, etc.*). Additionally, the locations of the development cases are generally input into the online map within a week of receiving the application (*i.e. 18-19 days prior to the Planning & Zoning Commission Meeting*), and are generally advertised on the Planning & Zoning Department's webpage 15 days prior to the Planning & Zoning Meeting.

Summary of Notification Statistics

As of last year the Planning & Zoning Department compiled the following notification statistics:

- ☑ Between January 1, 2013 and December 31, 2013 city staff sent out 608 property owner notifications concerning zoning cases and residential replats were mailed out (*i.e. 460 zoning related notifications and 148 replat notifications*).

- ☑ Between January 1, 2013 and December 31, 2013 35 zoning applications were submitted with 33 zoning applications requiring notification (two [2] cases were withdrawn prior to notices being sent out).

- ☑ Between January 1, 2013 and December 31, 2013 six (6) residential replat applications were submitted.

- ☑ Between October 1, 2012 and September 30, 2013 staff published eleven (11) publications in a newspaper of general circulation costing approximately $2,830.10 (this figure may actually be higher due to notifications sent out by the City Secretary's Office as opposed to the Planning and Zoning Department).

In summary, the City of Rockwall currently posts notifications concerning public hearings on its website and in a newspaper of general circulation, sends out property owner notifications to all properties within 200-feet of the subject property, posts a sign advertising the public hearing on the subject property, and provides links to materials submitted with the development application on the City's website. These actions currently exceed the notification requirements stipulated by State and Local laws.

141

SECTION 211.007. ZONING COMMISSION.

(a) To exercise the powers authorized by this subchapter, the governing body of a home-rule municipality shall, and the governing body of a general-law municipality may, appoint a zoning commission. The commission shall recommend boundaries for the original zoning districts and appropriate zoning regulations for each district. If the municipality has a municipal planning commission at the time of implementation of this subchapter, the governing body may appoint that commission to serve as the zoning commission.

(b) The zoning commission shall make a preliminary report and hold public hearings on that report before submitting a final report to the governing body. The governing body may not hold a public hearing until it receives the final report of the zoning commission unless the governing body by ordinance provides that a public hearing is to be held, after the notice required by Section 211.006(a), jointly with a public hearing required to be held by the zoning commission. In either case, the governing body may not take action on the matter until it receives the final report of the zoning commission.

(c) Before the 10th day before the hearing date, written notice of each public hearing before the zoning commission on a proposed change in a zoning classification shall be sent to each owner, as indicated by the most recently approved municipal tax roll, of real property within 200 feet of the property on which the change in classification is proposed. The notice may be served by its deposit in the municipality, properly addressed with postage paid, in the United States mail. If the property within 200 feet of the property on which the change is proposed is located in territory annexed to the municipality and is not included on the most recently approved municipal tax roll, the

notice shall be given in the manner provided by Section 211.006(a).

(d) The governing body of a home-rule municipality may, by a two-thirds vote, prescribe the type of notice to be given of the time and place of a public hearing held jointly by the governing body and the zoning commission. If notice requirements are prescribed under this subsection, the notice requirements prescribed by Subsections (b) and (c) and by Section 211.006(a) do not apply.

(e) If a general-law municipality exercises zoning authority without the appointment of a zoning commission, any reference in a law to a municipal zoning commission or planning commission means the governing body of the municipality.

Sec. 551.050. MUNICIPAL GOVERNMENTAL BODY: PLACE OF POSTING NOTICE.

(a) In this section, "electronic bulletin board" means an electronic communication system that includes a perpetually illuminated screen on which the governmental body can post messages or notices viewable without manipulation by the public.

(b) A municipal governmental body shall post notice of each meeting on a physical or electronic bulletin board at a place convenient to the public in the city hall.

Added by Acts 1993, 73rd Leg., ch. 268, Sec. 1, eff. Sept. 1, 1993.
Amended by: Acts 2011, 82nd Leg., R.S., Ch. 1007, Sec. 2, eff. June 17, 2011.

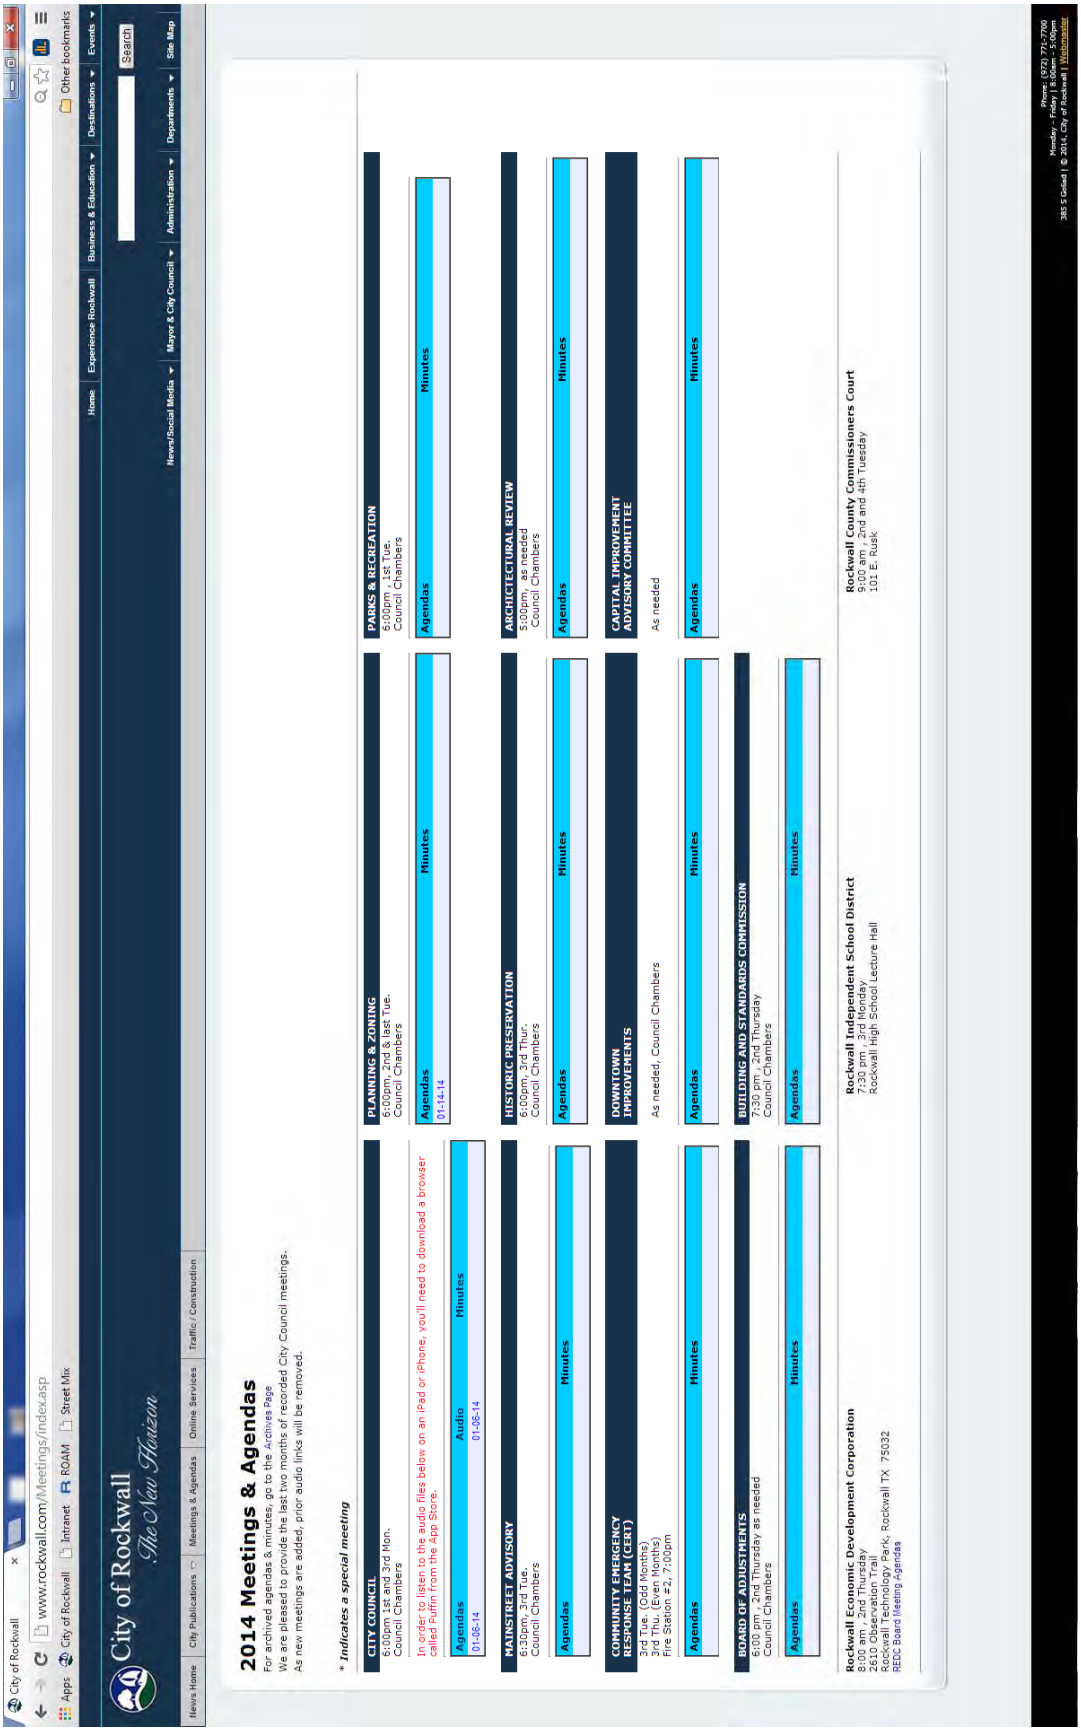
Sec. 551.056. ADDITIONAL POSTING REQUIREMENTS FOR CERTAIN MUNICIPALITIES, COUNTIES, SCHOOL DISTRICTS, JUNIOR COLLEGE DISTRICTS, AND DEVELOPMENT CORPORATIONS.

(a) This section applies only to a governmental body or economic development corporation that maintains an Internet website or for which an Internet website is maintained. This section does not apply to a governmental body described by Section 551.001(3)(D).

(b) In addition to the other place at which notice is required to be posted by this subchapter, the following governmental bodies and economic development corporations must also concurrently post notice of a meeting on the Internet website of the governmental body or economic development corporation:

1) a municipality;
2) a county;
3) a school district;

4) the governing body of a junior college or junior college district, including a college or district that has changed its name in accordance with Chapter 130, Education Code;
5) a development corporation organized under the Development Corporation Act (Subtitle C1, Title 12, Local Government Code); and
6) a regional mobility authority included within the meaning of an "authority" as defined by Section 370.003, Transportation Code.



(c) The following governmental bodies and economic development corporations must also concurrently post the agenda for the meeting on the Internet website of the governmental body or economic development corporation:

1) a municipality with a population of 48,000 or more;
2) a county with a population of 65,000 or more;
3) a school district that contains all or part of the area within the corporate boundaries of a municipality with a population of 48,000 or more;
4) the governing body of a junior college district, including a district that has changed its name in accordance with Chapter 130, Education Code, that contains all or part of the area within the corporate boundaries of a municipality with a population of 48,000 or more;
5) a development corporation organized under the Development Corporation Act (Subtitle C1, Title 12, Local Government Code) that was created by or for:
6) a municipality with a population of 48,000 or more; or
7) a county or district that contains all or part of the area within the corporate boundaries of a municipality with a population of 48,000 or more; and
8) a regional mobility authority included within the meaning of an "authority" as defined by Section 370.003, Transportation Code.

(d) The validity of a posted notice of a meeting or an agenda by a governmental body or economic development corporation subject to this section that made a good faith attempt to comply with the requirements of this section is not affected by a failure to comply with a requirement of this section that is due to a technical problem beyond the control of the governmental body or economic development corporation.

Added by Acts 2005, 79th Leg., Ch. 340, Sec. 1, eff. January 1, 2006. Amended by: Acts 2007, 80th Leg., R.S., Ch. 814, Sec. 1, eff. September 1, 2007. Acts 2007, 80th Leg., R.S., Ch. 885, Sec. 3.10, eff. April 1, 2009.

Sec. 6.1. Notice of Public Hearing.

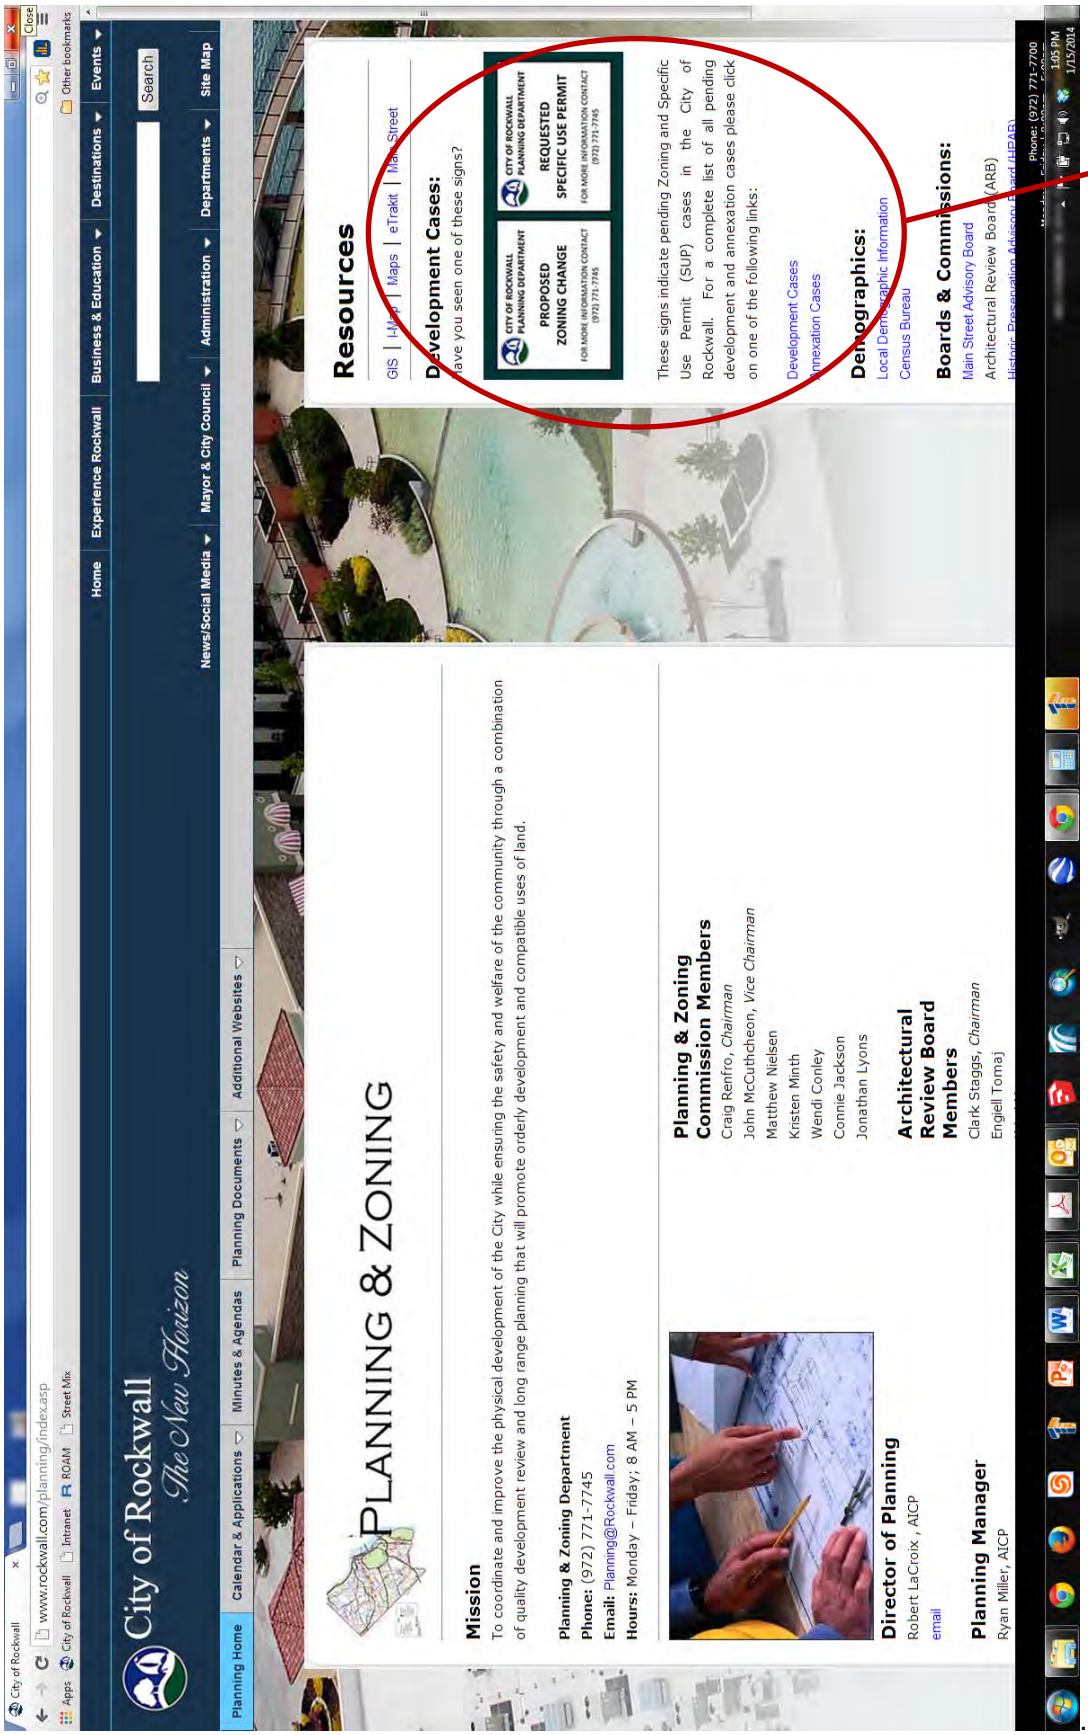
Written notice of all public hearings on proposed changes in district boundaries shall be sent to all owners of property within a distance of at least 200 feet from the boundaries of the subject property at least ten days prior to the hearing date. Such notice shall be served by using the last known address as listed on the last approved city tax roll and depositing the notice postage paid in the United States mail.

In addition, notice of such hearing shall be published one time in a newspaper of general circulation in the city, not less than ten days prior to the date of such hearing, and signs giving notice of a proposed zone change shall be placed on the subject property at least ten days prior to the public hearing.

Notice of hearings on proposed changes in the text of this Unified Development Code shall be accomplished by one publication not less than 15 days prior to the hearing, in the official newspaper of the city.

(Ord. No. 10-14, § 1, 7-6-2010)

Exhibit 'E'
Zoning Signs



The following are illustrations of the signs used to advertise development cases to meet the requirements of Article II, *Authority and Administrative Procedures*, of the Unified Development Code. The signs used by staff are either 1½-feet by two (2) feet (or 3 SF) or four (4) feet by five (5) feet (or 20 SF). The smaller of the two (2) signs costs $75.00 per sign and the larger of the two signs cost $170.00 per sign.

City of Rockwall
The New Horizon

MEMORANDUM

TO: City Council

FROM: Robert LaCroix

DATE: April 8, 2013

SUBJECT: Zoning Notification Signage

Notice Procedures

Article II, Section 6.1 of the Unified Development Code contains the notice procedures for conducting public hearings. In addition to the required procedures the staff also posts the agenda on the City's website and zoning cases are linked to our GIS interactive map for citizens to get more detailed information on individual cases. The agenda is also sent out as part of the E-News email blast. The signs that we utilize are 24" x 18" for smaller properties and the larger signs are 5' x 4' for the bigger properties.

The City Council reviewed the notification policies back in January 2010 and elected to continue using the notification procedures that were in place at the time with the addition of the E-News and posting additional information on the website.

Sec. 6.1. - Notice of public hearing.

Written notice of all public hearings on proposed changes in district boundaries shall be sent to all owners of property within a distance of at least 200 feet from the boundaries of the subject property at least ten days prior to the hearing date. Such notice shall be served by using the last known address as listed on the last approved city tax roll and depositing the notice postage paid in the United States mail.

In addition, notice of such hearing shall be published one time in a newspaper of general circulation in the city, not less than ten days prior to the date of such hearing, and signs giving notice of a proposed zone change shall be placed on the subject property at least ten days prior to the public hearing.

Notice of hearings on proposed changes in the text of this Unified Development Code shall be accomplished by one publication not less than 15 days prior to the hearing, in the official newspaper of the city.

AGENDA
ROCKWALL CITY COUNCIL
Monday, January 04, 2010
6:00 p.m. Regular Meeting
City Hall, 385 S. Goliad, Rockwall, Texas 75087

I. CALL TO ORDER

II. INVOCATION AND PLEDGE OF ALLEGIANCE – COUNCILMEMBER FARRIS

III. OPEN FORUM

IV. CONSENT AGENDA

1. Consider approval of an ordinance granting a franchise to Oncor Electric Delivery Company LLC and take any action necessary.(2nd Reading)
2. Consider authorizing the purchase of a new fire apparatus, and take any action necessary.
3. Consider award of a contract for construction debris hauling, and take any action necessary.
4. A2009-005 - Discuss and consider approval of an ordinance for a City-initiated request to annex land in accordance with a previously approved Chapter 212 Texas Local Government Code Development Agreement, specifically for approximately 288.80-acres located along the north side of SH 66 east of FM 1141 and west of FM 549, and contiguous to the existing City Limits line. (2nd reading)
5. Consider a resolution approving the Multiple Use Agreement with TXDOT for the City's early warning signal siren at the corner of Emma Jane and SH-205, and take any action necessary.

V. ACTION ITEMS

1. Discuss and consider expanding the distance requirement from 200 feet to 1,000 feet associated with notices issued to property owners by the city for zoning changes, and consider requiring sending such notices for requests for Special Use Permits and take any action necessary.

VI. CITY MANAGER'S REPORT TO DISCUSS CURRENT CITY ACTIVITIES, UPCOMING MEETINGS, FUTURE LEGISLATIVE ACTIVITIES, AND OTHER RELATED MATTERS.

1. Departmental Reports
   Building Monthly Report - November 2009
   Police Department Monthly Report - November 2009
   Internal Operations Department Monthly Report - November 2009
   Finance Department Monthly Report - November 2009
   Recreation Monthly Report - November 2009
   Harbor PD Report - November 2009

MINUTES

ROCKWALL CITY COUNCIL

Monday, January 04, 2010
6:00 p.m. Regular Meeting
City Hall, 385 S. Goliad, Rockwall, Texas 75087

I. CALL TO ORDER

Mayor Bill Cecil called the meeting to order at 6:00 p.m. Present were Mayor Cecil, Mayor Pro Tem David Sweet and Council members Matt Scott, Margo Nielsen, Cliff Sevier and Glen Farris. Also present were City Manager Julie Couch and City Attorney Pete Eckert. Councilmember Mark Russo was absent from the meeting.

II. INVOCATION AND PLEDGE OF ALLEGIANCE – COUNCILMEMBER FARRIS

Councilmember Farris delivered the invocation and led the Pledge of Allegiance.

III. OPEN FORUM

Mayor Cecil explained Open Forum and then opened the floor for anyone wishing to come forth and speak.

Pastor Joe Robbins
Peters Colony
Rockwall, TX
Pastor Robbins came forth to commend the Council and staff for a job well done over the course of the past year and in years past.

Bill Bricker
505 Westway
Rockwall, TX
Mr. Bricker came forth to generally commend the council for a job well done.

There being no one else to come forth to speak, Mayor Cecil then closed the Open Forum.

IV. CONSENT AGENDA

1. Consider approval of an ordinance granting a franchise to Oncor Electric Delivery Company LLC and take any action necessary.(2nd Reading)
2. Consider authorizing the purchase of a new fire apparatus, and take any action necessary.
3. Consider award of a contract for construction debris hauling, and take any action necessary.
4. A2009-005 - Discuss and consider approval of an ordinance for a City-initiated request to annex land in accordance with a previously approved Chapter 212 Texas Local Government Code Development Agreement, specifically for approximately 288.80-acres located along the north side of

SH 66 east of FM 1141 and west of FM 549, and contiguous to the existing City Limits line. (2nd reading)

5. Consider a resolution approving the Multiple Use Agreement with TXDOT for the City's early warning signal siren at the corner of Emma Jane and SH-205, and take any action necessary.

Councilmember Scott made a motion to approve Consent Agenda items #1-5. Mayor Pro Tem seconded the motion. The ordinances were read as follows:

CITY OF ROCKWALL, TEXAS
ORDINANCE NO. 10-01

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, PROVIDING FOR THE EXTENSION OF CERTAIN BOUNDARY LIMITS OF THE CITY OF ROCKWALL, TEXAS AND THE ANNEXATION OF CERTAIN TERRITORY CONSISTING OF 288.80 ACRES OF LAND, WHICH SAID TERRITORY LIES ADJACENT TO AND ADJOINS THE PRESENT BOUNDARY LIMITS OF THE CITY OF ROCKWALL, TEXAS; PROVIDING FOR AN EFFECTIVE DATE.

CITY OF ROCKWALL, TEXAS
ORDINANCE NO. 10-02

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS GRANTING TO ONCOR ELECTRIC DELIVERY COMPANY LLC, ITS SUCCESSORS AND ASSIGNS, AN ELECTRIC POWER FRANCHISE TO USE THE PRESENT AND FUTURE STREETS, ALLEYS, HIGHWAYS, PUBLIC UTILITY EASEMENTS, PUBLIC WAYS AND PUBLIC PROPERTY OF ROCKWALL, TEXAS, PROVIDING FOR COMPENSATION THEREFOR, PROVIDING FOR AN EFFECTIVE DATE AND A TERM OF SAID FRANCHISE, PROVIDING FOR WRITTEN ACCEPTANCE OF THIS FRANCHISE, PROVIDING FOR THE REPEAL OF ALL EXISTING FRANCHISE ORDINANCES TO ONCOR ELECTRIC DELIVERY COMPANY LLC, ITS PREDECESSORS AND ASSIGNS, AND FINDING THAT THE MEETING AT WHICH THIS ORDINANCE IS PASSED IS OPEN TO THE PUBLIC.

The motion passed by a vote of 6 ayes to 1 absent (Russo).

V. ACTION ITEMS

1. Discuss and consider expanding the distance requirement from 200 feet to 1,000 feet associated with notices issued to property owners by the city for zoning changes, and consider requiring sending such notices for requests for Special Use Permits (SUP) and take any action necessary.

Councilmember Scott expressed that he has brought this item forth to the Council for consideration at this time because of his concerns that the existing 200 feet rule is not sufficient to notify enough people who may be affected by a particular zoning change or SUP. In general, he expressed that he would like the Council to consider expanding the notification requirement include those living outside of the existing 200 foot area.

Mayor Cecil called upon former Planning & Zoning Chairman Bill Bricker to come forth and speak related to his personal views on this topic. In general, Mr. Bricker expressed that he has concern about expanding the notification area and believes it could negatively affect developers. He generally believes that the current notification requirements (200 feet) should remain in place.

Councilmember Nielsen made a motion to instruct staff to move forward with bringing back a resolution, policy or ordinance to the Council for consideration at a future date related to a tiered notification approach recommended by staff as follows:

- A tiered approach adopted by policy rather than by ordinance as follows:
  0-5 acres = 200' notice
  5-25 acres = 400' notice (courtesy notice beyond 200')
  25+ acres = 500' notice (courtesy notice beyond 200')

Councilmember Scott seconded the motion.

Mayor Cecil generally expressed that he does not support the motion on the floor this evening. Councilmember Farris also expressed that he is not in support of the motion on the floor due to the various, present day means by which a large number of citizens likely receive their information, such as through 'social media' like the city's E-News e-mail blasts/notifications. General discussion took place related to 'social media' and other methods by which citizens are informed of issues such as potential zoning changes or special use permits (SUPs), including the monthly water bill newsletter/insert and the city's website.

After additional discussion, the motion failed by a vote of 3 ayes to 3 nays (Cecil, Sevier, and Farris).

Mayor Cecil then made a motion to send out notices on the city's E-News e-mail blasts and to post them on the city's website. Councilmember Farris seconded the motion.

The motion passed by a vote of 6 ayes to 1 absent (Russo).

VI. CITY MANAGER'S REPORT TO DISCUSS CURRENT CITY ACTIVITIES, UPCOMING MEETINGS, FUTURE LEGISLATIVE ACTIVITIES, AND OTHER RELATED MATTERS.

1. Departmental Reports
   Building Monthly Report - November 2009
   Police Department Monthly Report - November 2009
   Internal Operations Department Monthly Report - November 2009
   Finance Department Monthly Report - November 2009
   Recreation Monthly Report - November 2009
   Harbor PD Report - November 2009
2. City Manager's Report

No action was taken as a result of the Departmental & City Manager reports.

VII. HOLD EXECUTIVE SESSION UNDER SECTIONS 551.072, 551.074 AND 551.087 OF TEXAS GOVERNMENT CODE TO DISCUSS:

1. Deliberation regarding the purchase, exchange, lease, or value of real property.
2. Personnel Issues, including Board, Commission, and Committee Appointments, and Related Matters.
3. Commercial or financial information regarding business prospects that the City seeks to have locate, stay, or expand in or near the territory of the City of Rockwall and with which the Board is conducting economic development negotiations.
4. Pursuant to Section 551.071, consultation between the City's attorneys and City Council where the duty of the City's attorneys to the City Council under the Code of Professional Responsibility of the State Bar of Texas clearly conflicts with the Open Meetings Act, regarding: legal issues pertaining to annexation of territory, annexation agreements, and development agreements pursuant to Tex. Loc. Gov't Code ch. 43.

VIII. TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

The Council did not reconvene into Executive Session at the close of the public meeting; therefore, no action was taken as a result of Executive Session.

IX. ADJOURNMENT

Mayor Cecil adjourned the meeting at 6:48 p.m.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 19th day of January, 2010.

William R. Cecil

William R. Cecil, Mayor

CITY OF ROCKWALL TEXAS
SEAL

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: **City Council**

FROM: **Robert LaCroix**

DATE: **June 4, 2007**

SUBJECT: **Zoning Notification**

At the April 16, 2007 City Council Meeting, Staff was instructed to look at the implications of increasing the notification buffer for zoning cases. The first seven (7) local cities that staff researched (**Wylie, Richardson, Southlake, Rowlett, McKinney, Frisco** and **Allen**) all have maintained the 200-ft notification requirements as prescribed in State Law. Subsequently, we sent an email request through the APA-Texas Chapter's listserv (which is distributed instantly to planners in most cities and private firms in the state of Texas) soliciting input from anyone that has increased notification areas. Staff received twelve (12) responses from organizations that have modified their notification requirements in some fashion, and several more responses from cities that have not. We also inquired about courtesy notification, if increased notification was accomplished by ordinance or policy and any other information that might be useful in determining whether to increase notification. We have included that information for your review.

Several cities did send out "courtesy notices" as a matter of policy or in specific situations. For instance, the City of **Denton** ordinance requires a 200 foot notification, but as a matter of policy the City also sends out a separate courtesy notice to all *physical addresses* within 500-ft of the subject property. By sending the notice to the physical address, renters, new property owners and others that may not show up on the latest tax roll are also notified. The City of **Plano** indicated they have not changed from 200-ft, but have sent out extended courtesy notices on sensitive zoning cases. The City of **Leon Valley** will send out an extended notice for a case if a special request is made by a City Council member.

The cities of **Austin**, **Round Rock**, **El Paso**, **Fort Worth** and **Hutto** have adopted a 300 foot notification by ordinance. The City of **Garland** has instituted a 400-ft notification requirement. However, most of these cities (with the known exception of **Hutto**) maintain that written protest is only counted for the area within 200-ft, as outlined in State Law. This means that written protests from owners that are located beyond 200-ft do not count towards the 20% rule that constitutes a ¾ vote by City Council for approval.

The City of **Dallas** has created a tiered approach to notification. The notification area is based on the property size in the request:

- 0-1 acre = 200' notice
- 1-5 acres = 300' notice,
- 5-25 acres = 400' notice
- 25+ acres = 500' notice

These notice requirements are tied to their fee schedule and the fees are quite substantial with the larger zoning requests. It would appear from this approach that the greater the land area of

the zoning request the greater the amount of effect on the surrounding properties, hence, the increased notification requirement.

Some of the cities (**Austin, El Paso)** we surveyed also send notices to registered or known home owners association within the notification area. This is generally done by policy, and the City of Rockwall has employed this policy for both zoning and residential replat notifications.

Finally, it should be noted that several cities responded to staff's inquiry with caution and reported that they have been advised by their legal staff not to deviate from state law. The City of **San Antonio**, for example, indicated that their legal counsel believed the 200 foot notice required by State Law is the maximum that could be required and advised against increasing it because any additional notice would, in their opinion, injure the rights of the applicant by giving standing to individuals who should not be involved. The City of **Sugarland** further pointed out that there would be greater chances of clerical error with a larger notice, and potentially greater chances for due process claims.

City of Rockwall Current Ordinance / Policy for Zoning Notifications

The following is the notification requirements for the City of Rockwall, as specified in the Unified Development Code:

> **"Notice of Public Hearing**
> Written notice of all public hearings on proposed changes in district boundaries shall be sent to all owners of property within a distance of at least 200 feet from the boundaries of the subject property at least ten (10) days prior to the hearing date. Such notice shall be served by using the last known address as listed on the last approved City tax roll and depositing the notice postage paid in the United States mail. In addition, notice of such hearing shall be published one time in a newspaper of general circulation in the City, not less than ten (10) days prior to the date of the Planning & Zoning public hearing and fifteen (15) days prior to the date of the City Council public hearing. Additionally, signs giving notice of a proposed zone change shall be placed on the subject property at least ten (10) days prior to the public hearing."

Additional steps of notification done by departmental policy:

- Staff posts the Planning & Zoning agenda on our website that would indicate all public hearings.

- In the recent past, depending on the significance of either a zoning case or a major new development case, we have encouraged broader communication with affected neighborhoods either by the developer or initiated by the City. Some examples of these actions include the Harbor Project where the City notified and initiated public meetings with the Lago Vista subdivision, the new hospital project where the developer and the City notified and coordinated meetings with the Fox Chase subdivision, the Downtown Plan and form-based code adoption where the City notified all property owners (and tenants) and held town hall meetings to inform citizens of the proposed changes and recently, the Caruth zoning case where the City and developers held public meetings with the surrounding property owners to discuss the proposal prior to the public hearings.

- Generally if a portion of a subdivision receives a zoning change notice and that subdivision has an HOA (Homeowner's Association), the staff will send a notice to the HOA. An active HOA will usually notify its membership of any zoning change it deems significant or one that would raise concerns. Good examples of an active HOA are Chandler's Landing and the Shores.

Cost of increased notification:

Staff has created two hypothetical cases to attempt to identify some quantifiable costs associated with increased notification. Items such as postage, letterhead, envelopes, and initial staff time dedicated to produce the notices are listed in both examples (see attached worksheet). The 500-ft notification for instance led to a 143% cost increase on the larger case (Presbyterian Hospital site) and a 236% cost increase on the smaller case (Green Cottage site).

With the increased notification (particularly for smaller-tract application) the basic quantifiable costs such as postage and envelopes quickly begin to approach the charged fee amount. Moreover, we did not include the "fixed costs" of newspaper advertising or zoning signs, which will not change regardless of notification area. Nor did we factor in administrative costs associated with each case such as staff time for review and analysis, all of which can be partly weighed into the application fee.

The unquantifiable costs associated with increased notification would essentially include, but not necessarily limited to:

- Increased staff time involved with customer inquires (phone calls and walk-ins),
- Potential errors associated with increased notification which may lead to re-notification,
- Delays to applicants that lead to increased cost in development and land acquisition,
- Challenges from property owners regarding receipt of notification that may lead to delays in processing applications.
- Increased complication and potential for error involved with calculating the "area of protest" within 200-ft with additional notices to owners beyond the 200-ft. On a related note, an unintended effect could be the frustration of citizens who may not understand why their written protest does not "count" towards the 20% rule.

Recommendations:

If Council is inclined to increase the notification area staff would recommend the following alternative approaches in regard to an increase:

- A tiered approach adopted by policy rather than by ordinance as follows:
  0-5 acres = 200' notice
  5-25 acres = 400' notice (courtesy notice beyond 200')
  25+ acres = 500' notice (courtesy notice beyond 200')
- An overall 300' notice for all zoning cases regardless of size, with the courtesy notice beyond 200' being adopted by policy

Staff would also recommend, if either of these approaches are considered, that the current fees for zoning applications be reviewed to determine if they are appropriate to address the increased costs. A tiered fee structure similar to Dallas may be appropriate, or possibly a fee structure that charges a base fee *plus an amount per notice mailed* (which was used in cities such as Rowlett and Frisco when staff reviewed area fees and revised the City's development fees in 2005).

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: **City Council**

FROM: **Robert LaCroix**

DATE: **April 9, 2007**

SUBJECT: **Zoning Notification**

Recently, a zoning application concerning a zone change in the 1400 block of Ridge Road was submitted to the Planning Staff and shortly after the submission the application was withdrawn. The Unified Development Code prescribes the manner in which notice of public hearings is given in accordance with State law.

Notice of Public Hearing

Written notice of all public hearings on proposed changes in district boundaries shall be sent to all owners of property within a distance of at least 200 feet from the boundaries of the subject property at least ten (10) days prior to the hearing date. Such notice shall be served by using the last known address as listed on the last approved City tax roll and depositing the notice postage paid in the United States mail. In addition, notice of such hearing shall be published one time in a newspaper of general circulation in the City, not less than ten (10) days prior to the date of the Planning & Zoning public hearing and fifteen (15) days prior to the date of the City Council public hearing. Additionally, signs giving notice of a proposed zone change shall be placed on the subject property at least ten (10) days prior to the public hearing.

Staff also posts the Planning & Zoning agenda on our website that would indicate all public hearings.

In the recent past, depending on the significance of either a zoning case or a major new development case, we have encouraged broader communication with affected neighborhoods either by the developer or initiated by the City. Some examples of these actions include the Harbor Project where the City notified and initiated public meetings with the Lago Vista subdivision, the new hospital project where the developer and the City notified and coordinated meetings with the Fox Chase subdivision, the Down Town zoning change where the City notified all property owners and held town hall meetings to inform citizens of the proposed changes and recently, the Caruth zoning case where the City and developers held public meetings with the surrounding property owners to discuss the proposal prior to the public hearings.

Generally if a portion of a subdivision receives a zoning change notice and that subdivision has an HOA (Homeowner's Association), the staff will send a notice to the HOA. An active HOA will usually notify its membership of any zoning change it deems significant or one that would raise concerns. Good examples of an active HOA are Chandler's and the Shores.

The staff encourages developers to meet with neighborhoods when critical zoning changes are being proposed, especially when they are affecting single family residential neighborhoods. As stated, when development or a zoning change is perceived to be affecting a neighborhood to a much greater extent as with the Harbor Project or the hospital project, staff would initiate a greater notification as a courtesy to those affected residents. However, the Staff does follow certain procedures before notification which include deadlines for newspaper publication and the mailing of notices. These procedures allow for an applicant to withdraw his zoning case prior to the newspaper publication and the mailing of notices.

State law prescribes that if a proposed zoning change is protested by at least 20% of either the area of the lots or land covered by the propose changed; or the area of the lots or land immediately adjoining the area covered by the proposed change and extending 200 feet from that area, to be approved, the affirmative vote of at least three-fourths of all members of the governing body must be received. Precaution should be taken in amending the zoning ordinance to consider any increase to the required notification areas for public hearings due to the 20% protest calculation and that a dual notice process would have to be undertaken. An increase to 400 feet or 800 feet would exponentially increase the area of notification and would increase the cost of notification in both mailing and staff time and increase the potential of errors in notification which would in turn delay cases, cause more cost to the City as well as the applicant. In some cases, the increased notification area would incur more cost that would not be covered by our current fee structure. As we have previously stated, if an application, whether it is a zoning case or a development case, is affecting an entire neighborhood or subdivision we would encourage an applicant to communicate and meet with the neighborhood and additionally, the City may elect to initiate a courtesy notification to those affected citizens and hold additional public meetings. We feel that this approach is actually more beneficial to the surrounding property owners and to the applicant in his attempt to communicate his project to the neighborhood and gain approval from Council.

CITY OF ROCKWALL, TEXAS

ORDINANCE NO. 14-05

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE CITY CODE OF ORDINANCES TO ESTABLISH CHAPTER 22, ARTICLE II. OFFENSES REGARDING MINORS, SECTION 22-71. PURCHASE BY MINOR OF E-CIGARETTES, REGULATING THE PURCHASE, SALE, OFFER TO SELL, AND INGESTION OF ANY E-CIGARETTE SMOKING PRODUCT TO OR BY ANY MINOR; PROVIDING A PENALTY; PROVIDING A SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the City of Rockwall (the "City") is permitted to establish ordinances to protect the health, safety and general welfare of its residents; and

WHEREAS, electronic cigarettes are devices that convert liquid nicotine into a gas that is inhaled by the consumer; and

WHEREAS, the National Institute for Occupational Safety and Health and the Center for Disease Control and Prevention have prepared emergency response information addressing the dangers associated with liquid nicotine. Nicotine affects the nervous system and heart and is addictive. Exposure to relatively small amounts of liquid nicotine can rapidly be fatal; and

WHEREAS, the Federal Drug Administration published an article in July of 2009 warning of the dangers posed by electronic cigarettes, which include nicotine addiction and the appeal to young people due to the different flavors (such as chocolate, strawberry and mint); and

WHEREAS, the American Medical Association addressed the risks associated with the use of electronic cigarettes and adopted a policy recommending that electronic cigarettes be classified as a drug delivery device, subject the FDA's regulations and approval;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THAT;

SECTION 1. FINDINGS. The foregoing recitals are hereby found to be true and correct and are hereby adopted by the City Council and made a part hereof for all purposes as findings of fact.

SECTION 2. PURPOSE. The purpose and intent of this Section is to protect individuals under the age of 18 from the hazards of nicotine addiction and the dangers of ingesting products with no regulatory oversight as to their purity, contents, and potential negative health impacts.

SECTION 3. Section 22.71 is hereby established and shall read as follows:

Sec. 22.71 Purchase by minor of E-Cigarettes

(a) Definitions: As used in this section, the following words and phrases shall have the following meanings:

"*Electronic cigarette*" or "*e- cigarette*" means an electronic device usually composed of a mouthpiece, a heating element or atomizer, a battery, and electronic circuits that provides a gas derived from liquid nicotine and/or other substances which is inhaled by a user simulating smoking. The term includes such devices, regardless of the details of the product appearance or marketed name, generally manufactured to resemble cigarettes, cigars, pipes, or other smoking devices.

"*Liquid nicotine*" means any liquid product composed either in whole or part of nicotine, propylene glycol and/or other similar substances and manufactured for use with an e- cigarette to be converted into a gas for inhaling.

"*Minor*" means a person less than 18 years of age.

"*Person*" means any natural person, individual, corporation, limited liability company, unincorporated association, proprietorship, firm, partnership, joint venture, joint stock association, or other entity or business of any kind.

"*Photographic identification*" means state, district, national or other equivalent government driver's license, identification card or military card, in all cases bearing a photograph and a date of birth, or a valid passport.

(b) Prohibited Acts

1. No person may give, distribute, transfer, sell, market, or offer e-cigarettes, their components, or samples to any minor.

2. No minor may purchase or obtain e-cigarette or their components. This prohibition does not apply to activities or enforcement actions under the control of a City, state, or federal law enforcement authority.

3. No person shall sell or permit to be sold e-cigarettes or their components through any device that mechanically dispenses such products unless the device is located fully within premises from which minors are prohibited.

(c) Penalty and Exceptions

1. The penalty for violation of this Ordinance shall be in accordance with the general penalty provision contained in the Code of Ordinances of the City of Rockwall, Texas. Each continuing day's violation under this Ordinance shall constitute a separate offense.

2. It is a defense to a prosecution for violation of subsection (b) of this section that a minor possessed an e-cigarette product in the presence of an adult parent, guardian, or spouse, or other adult to whom the minor has been committed by a court.

3. It is a defense to a prosecution for violation of subsection (b) of this section that a minor possessed a e-cigarette product while in the course and scope of the minor's employment by a person or entity in the business of being a distributor, wholesaler, bonded agent or retailer of e-cigarette products.

4. Purchase by Minor.

(A) It is a defense to prosecution under this subsection (b) that the minor purchased an e-cigarette product in the presence of an adult parent, guardian, or spouse, or other adult to whom the minor has been committed by a court.

(B) False information. It is an offense for a minor, in order to acquire an e-cigarette product, to state to any person engaged in the business of selling such products that such minor is not a minor, or to present to any such person a document or writing that purports to establish that such minor is not a minor.

SECTION 4. SEVERABILITY. If any section, subsection, sentence, clause or phrase of this ordinance is for any reason held to be unconstitutional or illegal, such decision shall not affect the validity of the remaining sections of this ordinance. The City Council hereby declares that it would have passed this ordinance, and each section, subsection, clause, or phrase thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses or phrases be declared void.

SECTION 5. SAVINGS CLAUSE. All ordinances or parts of ordinances, in conflict herewith are to the extent of such conflict hereby repealed. The balance of such ordinance is hereby saved from repeal.

SECTION 6. EFFECTIVE DATE. The Ordinance shall be effective immediately following its second reading and publication in accordance with the City Charter.

CITY OF ROCKWALL, TEXAS

ORDINANCE NO. 14-06

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE CODE OF ORDINANCES IN CHAPTER 32 SIGNS, ARTICLE III REGULATIONS AND REQUIREMENTS, DIVISION 3. FUNCTIONAL STANDARDS, SECTION 32-233. CHANGEABLE ELECTRONIC VARIABLE MESSAGE SIGNS (CEVM) TO REPEAL THIS SECTION IN ITS ENTIRETY AND PROVIDE FOR A NEW SECTION 32-233; PROVIDING FOR A PENALTY CLAUSE; PROVIDING FOR REPEALING, SAVINGS AND SEVERABILITY CLAUSES; PROVIDING FOR PUBLICATION; AND PROVIDING FOR AN EFFECTIVE DATE OF THIS ORDINANCE.

WHEREAS, the Rockwall City Council deems the public interest to be best served by the adoption of certain rules and regulations regarding Changeable Electronic Variable Message Signs as set forth herein;

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

SECTION 1. That the Code of Ordinances in Chapter 32. Signs, Article III. Regulations and Requirements, Division 3. Functional Standards, Section 32-233 is hereby repealed in its entirety and is replaced with a new Sec. 32-233 which shall hereby read in its entirety as follows:

Sec. 32-233. Changeable Electronic Variable Message Signs (CEVMs)

CEVMS signs are subject to the same size and location restrictions as other signs regulated by this division. In addition, CEVM signs are subject to the following restrictions:

(1) *Location:* CEVM signs shall not be erected within 150 feet of a residential district or residential use unless the lighting is shielded from view from the residential district or residential use.

(2) *Size:* The CEVM portion of any sign shall be limited to two hundred (200) square feet in message area.

(3) *Dwell Time:* Messages shall remain static for a minimum period of five (5) seconds.

(4) *Change of Message:* Any change of pictures or information on a CEVM sign shall not produce the illusion of blinking, flashing, expanding or contracting shapes, scrolling, rotation or any similar effect of animation. Message changes shall be accomplished within two (2) seconds or less and shall occur simultaneously on the entire sign face.

(5) *Brightness:* The maximum brightness of a CEVM sign shall not exceed 7,500 Nits (candelas per square meter cd/m^2) during daylight hours or 750 Nits between dusk to dawn. CEVM signs shall be fitted with a light sensing device or contain software that is programmed to automatically adjust the brightness in accordance with these standards and the intensity of its display according to natural ambient light conditions. Further, prior to the issuance of a permit, the applicant shall provide written certification from the sign manufacturer that the light intensity has been factory pre-set not to exceed the levels specified above, and the intensity level is protected from end-user manipulation by password-protected software or other method.

(6) *Malfunction:* CEVM signs shall be equipped with a properly functioning default mechanism that will cause the sign to revert immediately to a single, fixed image or to a black-screen if the sign malfunctions.

(7) *Existing signs:* All CEVM signs in existence prior to the effective date of this Ordinance shall conform to the provisions of this subsection within 30 days of the adoption date of this ordinance [January 20, 2014].

SECTION 2. That any person, firm or corporation who violates any provision of this ordinance or who fails to obtain a special event permit shall be deemed guilty of a misdemeanor and upon conviction thereof, in the Municipal Court of Rockwall, TX, shall be subject to a fine in accordance with the general provisions of the Code of Ordinances.

SECTION 3. That all ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed to the extent of such conflict.

SECTION 4. That the Code of the City of Rockwall, Texas, as amended, shall remain in full force and effect, save and except as amended by this ordinance.

SECTION 5. That should any section, paragraph, sentence, clause, phrase or word of this ordinance be declared unconstitutional or invalid for any purpose by a court of competent jurisdiction, the remainder of this ordinance shall not be affected thereby, and to this end the provisions of this ordinance are declared to be severable.

SECTION 6. That it is hereby found and determined that the meeting at which this ordinance was passes was open to the public as required by Section 551.001 et seq., Texas Government Code, and that advance public notice of the time, place and purpose of said meeting was given.

SECTION 7. That this Ordinance shall take effect immediately upon its second reading and newspaper publication as required by the City Charter, Section 3.11.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 21st day of January, 2014.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Honorable Mayor and Council**

FROM: **Jeffrey Widmer, Building Official**

DATE: **January 21, 2014**

SUBJECT: **Waiting period to perform a demo following a show cause hearing.**

The City of Rockwall currently has a ninety day waiting period prior to performing demolition work following a show cause hearing in which the City Council orders the property owner to repair, remove or demolish. This ninety day period has been in place for many years.

After consultation with Mr. Garza, I would like to ask the Council to consider an amendment to our Dangerous Building ordinance, setting our waiting period at thirty days, which complies with state law.

The purpose for the proposed change is to allow the City to move forward with any future demolition work in a timelier manner. Typically, when staff brings a show cause hearing to the Council for consideration, it is because the building in question has deteriorated to an extent that it is considered dangerous and potentially hazardous to the public. Because of this, it would be prudent to proceed with the demolition work in a more expeditious manner in order to protect the public's health and safety. If Council elects to approve this proposed amendment, staff would continue to exercise discretion if extenuating circumstances are involved and could allow additional time for a property owner to bring the property into compliance.

177

Proposed ordinance amendment to Code of Ordinances Chapter 10, Article XIII, Section 10-537

Sec. 10-537. - Procedure when owner fails to comply.

If the owner or responsible person fails or refuses to repair, demolish or remove a building or structure within ten days after receipt of the notice provided for in section 10-536, the fire marshal, fire chief or building official may cause an appropriate citation to be issued notifying such person to appear before the municipal court to answer a complaint against him for violation of this article, or the fire marshal, fire chief or building official may give further notice in writing by certified mail, return receipt requested, or in the event the owner is a nonresident, and his address is unknown, by publishing notice one time in the official newspaper of the city and by posting a copy thereof on the building or structure, ordering such person to appear before the city council at a time and date specified in the notice, to show cause, if he has any, why the building or structure, or any part thereof, should not be repaired, demolished or removed. At the time of the hearing before the city council, the appropriate official of the city shall present such evidence as he may have concerning the condition of the building or structure and make such recommendations, as he may feel proper to the city council. The owner or other person ordered to appear may offer such evidence concerning the condition of the building or structure, as he may desire. At the conclusion of the hearing, the city council may order the building or structure repaired, demolished or removed, as the council may deem necessary. In no event, however, shall the time fixed for such repair, demolition, or removal be less than ~~90~~ 30 days from the date of the council order.

CITY OF ROCKWALL, TEXAS

ORDINANCE NO. 14-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE CODE OF ORDINANCES IN CHAPTER 10 BUILDINGS AND BUILDING REGULATIONS, ARTICLE XIII DANGEROUS BUILDINGS, SECTION 10-537. PROCEEDURES WHEN OWNER FAILS TO COMPLY; TO AMEND THE 90 DAY DEMOLITION WAITING PERIOD TO 30 DAYS ; PROVIDING FOR A PENALTY CLAUSE; PROVIDING FOR REPEALING, SAVINGS AND SEVERABILITY CLAUSES; PROVIDING FOR PUBLICATION; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the Rockwall City Council deems the public interest to be best served by the adoption of certain rules and regulations regarding the height of wall signs as set forth herein;

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

SECTION 1. That the Code of Ordinances in Chapter 10. Buildings and Building Regulations, Article XIII. Dangerous Buildings Section 10-537 is hereby amended to strike language and read as follows:

Sec. 10-537. - Procedure when owner fails to comply.

If the owner or responsible person fails or refuses to repair, demolish or remove a building or structure within ten days after receipt of the notice provided for in section 10-536, the fire marshal, fire chief or building official may cause an appropriate citation to be issued notifying such person to appear before the municipal court to answer a complaint against him for violation of this article, or the fire marshal, fire chief or building official may give further notice in writing by certified mail, return receipt requested, or in the event the owner is a nonresident, and his address is unknown, by publishing notice one time in the official newspaper of the city and by posting a copy thereof on the building or structure, ordering such person to appear before the city council at a time and date specified in the notice, to show cause, if he has any, why the building or structure, or any part thereof, should not be repaired, demolished or removed. At the time of the hearing before the city council, the appropriate official of the city shall present such evidence as he may have concerning the condition of the building or structure and make such recommendations, as he may feel proper to the city council. The owner or other person ordered to appear may offer such evidence concerning the condition of the building or structure, as he may desire. At the conclusion of the hearing, the city council may order the building or structure repaired, demolished or removed, as the council may deem necessary. In no event, however, shall the time fixed for such repair, demolition, or removal be less than ~~90~~ 30 days from the date of the council order.

SECTION 2. That any person, firm or corporation who violates any provision of this ordinance shall be deemed guilty of a misdemeanor and upon conviction thereof, in the Municipal Court of Rockwall, TX, shall be subject to a fine in accordance with the general provisions of the Code of Ordinances.

SECTION 3. That all ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed to the extent of such conflict.

SECTION 4. That the Code of the City of Rockwall, Texas, as amended, shall remain in full force and effect, save and except as amended by this ordinance.

SECTION 5. That should any section, paragraph, sentence, clause, phrase or word of this ordinance be declared unconstitutional or invalid for any purpose by a court of competent jurisdiction, the remainder of this ordinance shall not be affected thereby, and to this end the provisions of this ordinance are declared to be severable.

SECTION 6. That it is hereby found and determined that the meeting at which this ordinance was passes was open to the public as required by Section 551.001 et seq., Texas Government Code, and that advance public notice of the time, place and purpose of said meeting was given.

SECTION 7. That this Ordinance shall take effect immediately upon its second reading and newspaper publication as required by the City Charter, Section 3.11.

MEMORANDUM

TO: Honorable Mayor and City Council Members

FROM: Kristy Ashberry, City Secretary

DATE: January 17, 2014

SUBJECT: Art Review Team (ART) Commission

An item has been placed on the January 21 council meeting agenda related to appointments to the city's ART Commission. Information relative to this commission is as follows:

Councilmember Milder was selected by council to serve as the "appointments liaison" to this board, and it was agreed that Mayor Sweet would also assist with the recommendations. Please note it has been a number of years since appointments to this commission have been considered by council, and it has been many years since it actually convened. The table below shows the most up-to-date information on file relative to the ART Commission.

Art Review Team Commission	FIRST	LAST	CURRENT 2 YR. TERM EXPIRES
~~Visual Art Professional / Chairperson~~	~~Joetta~~	~~Currie~~	~~Aug. 2010~~
Visual Art Professional (Chairperson)	Michelle	Pauken	Aug. 2009
Business Community Member (Vice Chair)	Bob	Jolley	Aug. 2009
Business Community Member	David	Butler	Aug. 2010
Resident / Vice Chairperson	Anita	Russelmann	Aug. 2009
Ex Officio member from Rockwall Alliance for the Arts	Maurice	Thompson	Aug. 2010
Ex Officio City Staff Member	Andy	Hesser	n/a

Information reflected in our city's code of ordinances regarding this commission is as follows:

Sec. 36-77. Established

(a) *Composition; appointment of members; term; compensation.* There is hereby created a commission known as the art review team (ART) commission. The commission shall be organized as follows:

(1) **The art review team (ART) commission shall consist of five members, appointed by the city council. The team members will include:**

- **two visual arts professionals,**
- **two members of the business community who will be representative of the environmental design fields (architecture, landscape architecture, urban planning / design), and**
- **one resident of the community.**

Selection of the team will reflect ethnic, artistic, economic and demographic diversity of the community. All team members must possess knowledge of, or have an interest in contemporary, visual art, artistic principles and art media. **A board member of the Rockwall Alliance for the Arts and the director of parks and recreation or his designee will serve as ex officio (nonvoting) members.**

a. The art review team (ART) commission shall consist of five regular members appointed by a majority of the city council. The ex officio member from the Rockwall Alliance for the Arts will also be appointed by the city council. The ex officio member from the parks and recreation department will be appointed by the city manager.

b. In the case of a vacancy of the commission, the city council, by a majority vote, may appoint a replacement member to the commission. Any person appointed shall serve until the expiration of the term of office of the vacated position.

c. Each member of the commission shall be a resident citizen and qualified voter of the city.

d. Upon the initial appointment of the commission by the city council, members shall draw lots for three two-year terms and three one-year terms of service. Thereafter, the term of office of members of the commission shall be for two years. Members may be removed, as determined by the city council.

e. Members shall serve without compensation.

(b) *Meetings.* The commission shall hold its meetings on the call of the chairperson, or at such other times as the commission may determine. All meetings shall be open to the public.

(c) *Quorum.* All cases to be heard by the commission must be heard by at least four members.

(d) *Chairperson and vice-chairperson.* A chairperson and vice-chairperson shall be elected by the members of the commission at the first meeting following the annual appointment of the new members.

(e) *Records.* The commission shall keep minutes of its proceedings, showing the vote of each member upon each question, or, if absent or failing to vote, indicating such fact, and shall keep records of its examinations and other official actions, all of which shall be immediately filed in the office of the commission and shall be a public record.

(f) *Vote.* The concurring vote of four members of the commission shall be necessary for the approval of any application. Only the members of the commission present shall have voting privileges.

(g) *Rules and regulations.* The commission shall adopt rules in accordance with this article.

(Ord. No. 06-17, § 1(23-35), 6-5-2006)

Sec. 36-78. Duties and responsibilities regarding education and public relations.

(a) The art review team (ART) commission shall promote the art in public places master plan.

(b) The art review team (ART) commission shall develop, evaluate and recommend projects in accordance with these guidelines:

(1) Press releases to all applicable news sources;

(2) Presentations to local civic organizations and area schools;

(3) Fundraising efforts for the art in public places fund;

(4) Grant applications for the art in public places program or its proposed projects; and

(5) Public forum.

(c) The art review team (ART) commission shall promote the art in public places master plan by various means, including:

(1) Acquiring suitable speakers to make presentations;

(2) Scheduling presentations; and

(3) Providing a copy of the information to outside sources wishing to use it to promote and further the art in public places master plan.

(d) The art review team (ART) commission, on an ongoing basis, shall actively explore potential sites for art in public places projects. In this, the commission shall seek the input of various city departments, as well as the community at large, to identify both future planned and existing sites. Upon development of an art project, information will be disseminated, as appropriate, through various mediums well in advance of the selection process to provide adequate time for applicants to prepare submissions. The coordinator will promote communication between the artist, art review team (ART) commission, city departments and any contractor or consultant involved with the project.

MEMORANDUM

TO: Honorable Mayor and City Council Members

FROM: Kristy Ashberry, City Secretary

DATE: January 31, 2014

SUBJECT: May 10, 2014 General Election

Included for consideration and approval in the February 3rd council meeting packet is a resolution calling the Saturday, May 10, 2014 General Election to elect City Council Places 2, 4, and 6. Staff recommends approval of this item.

CITY OF ROCKWALL, TEXAS

RESOLUTION NO. 14-03

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, CALLING A GENERAL ELECTION TO BE HELD JOINTLY WITH THE ROCKWALL INDEPENDENT SCHOOL DISTRICT AND ADMINISTERED BY THE ROCKWALL COUNTY ELECTIONS ADMINISTRATOR ON SATURDAY, MAY 10, 2014 FOR THE PURPOSE OF ELECTING THREE (3) COUNCIL MEMBERS, ONE (1) FOR PLACE 2, ONE (1) FOR PLACE 4, AND ONE (1) FOR PLACE 6, EACH FOR TWO (2) YEAR TERMS; DESIGNATING THE ENTIRE CITY AS ONE ELECTION PRECINCT; DESIGNATING THE POLLING PLACE; DESIGNATING FILING DEADLINES: ORDERING NOTICES OF ELECTION TO BE POSTED AND PUBLISHED AS PRESCRIBED BY LAW IN CONNECTION WITH SAID ELECTION; PROVIDNG A SEVERABILITY CLAUSE; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, Section 41.001 of the Texas Election Code, as amended (the "Code") specifies that the second Saturday in May shall be a "uniform election date" and that a general election of a city may be held on such day; and

WHEREAS, the City Council of the City of Rockwall, Texas (hereinafter referred to as the "City"), in accordance with its City Charter, Section 5.01, has determined that the City shall conduct general municipal elections on the second Saturday in May 2014; and

WHEREAS, by this Resolution, it is the intention of the City Council to: (i) call for said election to be held on said date, (ii) designate the entire City as one election precinct, (iii) designate Utley Middle School as the polling place for the election and (iv) establish and set forth procedures for conducting said election.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. Incorporation of Premises. That all of the above premises are found to be true and correct and are incorporated into the body of this Resolution as if copied in their entirety.

Section 2. Election Date, Purpose of Election, Officers and Terms of Office. That a general election is hereby ordered to be held jointly with the Rockwall Independent School District in and throughout the City on Saturday, May 10, 2014, for the purpose of electing three (3) Council Members, one (1) for Place 2, one (1) for Place 4, and one (1) for Place 6, each for two (2) year terms.

Section 3. Eligibility for Candidacy. That in accordance with Section 22.032 of the Texas Local Government Code and Section 5.02 of the City Charter of the City of Rockwall, no person shall be eligible for the office of Council Member, unless he/she is a registered voter who

shall have resided within the corporate limits of the City, or recently annexed territory, for at least twelve (12) months prior to the filing deadline, shall be twenty-one years old and not be in arrears in payment of taxes or other liabilities due the City. In accordance with Section 5.04 of the City Charter, a plurality vote is required to be elected and declared the winner.

Section 4. Application for a Place on the Ballot. That in accordance with Section 143.007 of the Code, any eligible and qualified person may have his/her name printed upon the official ballot as a candidate for the offices herein before set forth by filing his/her sworn application with the City Secretary not earlier than 8:00 a.m., January 29, 2014 and not later than 5:00 p.m., February 28, 2014. Each such application shall be on a form as prescribed by Section 141.031 of the Code. The order in which the names of the candidates are to be printed on the ballot shall be determined by a drawing by the City Secretary as provided by Section 52.094 of the Code. Notice of the time and place for such drawing shall be given in accordance with the Code.

Section 5. Election Precinct, Polling Place, and Election Hours. That the entire City of Rockwall, Texas shall constitute one (1) election precinct for the election, and the polling place is hereby designated to be located at Utley Middle School, 1201 T.L. Townsend, Rockwall, Texas 75087. In accordance with and pursuant to the requirements of the Code, said polling place shall be open from 7:00 a.m. until 7:00 p.m. on the date of the election.

Section 6. Early Voting. That early voting by personal appearance shall be conducted at the Rockwall County Elections Office, 107 E. Kaufman, Rockwall, Texas 75087 on the following dates at the specified times with the exception of Saturday, Sunday and State holidays:

Monday, April 28 through Saturday, May 3, 2014 - 8:00 a.m. until 5:00 p.m.
Monday, May 5 and Tuesday, May 6, 2014 - 7:00 a.m. until 7:00 p.m.

Applications for ballot by mail shall be requested from and mailed to the Rockwall County Election Administrator, Attn: Glenda Denton, 107 E. Kaufman, Rockwall, TX 75087. Applications for ballots by mail must be received no later than the close of business on Thursday, May 1, 2014.

Section 7. Method of Voting. That Direct Record Electronic (DRE) voting machines and Optical Scan ballots shall be used for early voting by personal appearance and for Election Day voting. Optical scan ballots shall be used for early voting by mail. The City Secretary, acting as chief elections officer, shall provide at least one (1) E. S. & S. Ivotronic "ADA" approved voting machine at the polling place as required by Section 61.012, of the Texas Election Code.

Section 8. Governing Law and Qualified Voters. That the election shall be held in accordance with the constitution of the State of Texas and the Code, and all resident, qualified electors of the city, shall be eligible to vote at the election.

Section 9. Publication and Posting of the Notice. That notice of the election in English and Spanish shall be given by posting a notice of election on the City Hall bulletin board used for posting notices of the meetings of the City Council not less than twenty-one (21) days prior to the date upon which the election is to be held, and by publication of said notice at least once in a newspaper of general circulation within the city, the date of said publication to be not less than ten (10) days and not more than thirty (30) days prior to the date set for the election.

Section 10. That the Rockwall Elections Administrator shall serve as the Administrator of the election. The Elections Administrator shall appoint a sufficient number of judges and clerks in accordance with Chapter 32 Texas Elections Code to assist in the proper conduct of the election.

Section 11. Delivery of Returns: Preservation of Election Records. That in accordance with the Code and the City's contract with the Rockwall County Elections Administrator, immediately after the closing of the poll on the day of the election, the election officers shall make and deliver the returns of the election in triplicate as follows: one copy shall be retained by the Presiding Election Judge and by the Presiding Election Judge of the Early Ballot Board, one copy shall be delivered to the Mayor of the City, and one copy of the returns, together with the ballot boxes and all election supplies, shall be delivered to the Rockwall County Elections Administrator. All election records and supplies shall be preserved in accordance with the Code.

Section 12. Representatives. That the following slate of officials and other designated persons are hereby authorized to be present to observe the election counting process:

a. The Mayor and members of the City Council of the City of Rockwall;
b. Candidates for Mayor and City Council of the City of Rockwall;
c. The Rockwall City Secretary or her designated representative.

Section 13. Canvassing of Returns. That the City Council of the City shall convene between May 13, 2014 to May 21, 2014 to canvass the returns of the election in accordance with the Texas Election Code.

Section 14. Necessary Action. That the Mayor and the City Secretary of the City, in consultation with the City Attorney, are hereby authorized and directed to take any and all actions necessary to comply with the provisions of the Code in carrying out and conducting the election, whether or not expressly authorized herein.

Section 15. Severability. That should any part, section, subsection, paragraph, sentence, clause or phrase contained in this resolution be held to be unconstitutional or of no force and effect, such holding shall not affect the validity of the remaining portion of this resolution, but in all respects said remaining portion shall be and remain in full force and effect.

Section 16. Effective Date. That this Resolution shall be in force and effect from and after its passage and it is accordingly so resolved.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 3rd day of February, 2014.

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Timothy M. Tumulty, Director of Public Works/City Engineer**

DATE: **January 29, 2014**

SUBJECT: **Construction Contract Award – Glenn Avenue Utility Rehabilitation**

Background:
The Glenn Avenue Utility Rehabilitation project consists of approximately 289 linear feet of storm sewer, 1,894 linear feet of 8-inch waterline, 1,494 linear feet of 8-inch wastewater line, and associated services and pavement replacement on Glenn Avenue. The design was completed by Verdunity, and the consultant provided an engineer's estimate of $531.492.00 for construction.

The City received and opened bids on January 23, 2014 and are as follows:

1. PC Contractors $452,009.04
2. Jim Bowman Construction $502,579.70
3. A&M Construction and Utilities $552,972.75

The experience and references provided with the low bid demonstrate PC Contractors has the resources to suitably complete a utility rehabilitation project.

Financial Implications:
Funding for this project is available in current water/sewer revenues.

Action Desired/Recommendation:
Staff recommends Council award the Glenn Avenue Utility Rehabilitation Project construction contract to PC Contractors, in the amount of $452,009.04.

VERDUNITY
A better future, by design.

January 29, 2014

Kathleen Moreno, P.E.
Engineer II
City of Rockwall
385 S. Goliad
Rockwall, Texas 75087

Reference: BID EVALUATION AND RECOMMENDATION FOR AWARD
Glenn Avenue Utility, Paving and Drainage Improvements, Rockwall TX

Dear Ms. Moreno:

Bids for the above referenced project were submitted last Thursday, January 23rd. Five bids were received from the following contractors:

Bidder	Total Base Bid
PC Contractors, LLC	$452,009.04
A&M Construction & Utilities, Inc	$552,972.75
Camino Constructionm LP	$568,370.50
Jim Bowman Construction Co, LP	$502,579.70
Utilitex	$663,270.50

We have reviewed all of the bids for accuracy and completeness, and prepared a bid tabulation spreadsheet showing the unit prices and total bids for our engineer's estimate and the bidders (attached). **The low bidder is PC Contractors, LLC with a total base bid of $452,009.04.** For reference purposes, VERDUNITY's estimate was $531,492.00, which ended up in the middle of the submitted bids. We have checked references, and are confident this company has sufficient qualifications and resources to complete the work as outlined in the construction plans and specifications. Therefore, **VERDUNITY is pleased to recommend that the City proceed with awarding the construction contract for this project to PC Contractors, LLC**.

If you have any questions regarding this recommendation, please do not hesitate to call me at (214) 425-6720 or email me at kevin@verdunity.com. We look forward to beginning construction soon!

Respectfully Submitted,

VERDUNITY, Inc.

City of Rockwall
The New Horizon

MEMORANDUM

TO: Rick Crowley, City Manager

FROM: Timothy M. Tumulty, Director of Public Works/City Engineer

DATE: January 30, 2014

SUBJECT: Septic System Inspection and Permitting Renewal – Interlocal Agreement Rockwall County

Historically Rockwall County has provided septic sewer system permitting and inspection services to the areas of the city not served by sanitary sewer service. Rockwall County charges a fee of $500.00 for an initial inspection. In addition, they charge a $100 fee for modifications, repairs or re-inspections. The same fee applies to all areas they serve, whether they are in the City of Rockwall or other parts of the County. They do not charge any annual maintenance fee so the initial fee is the only County charge incurred by a homeowner until the system needs repair, modifications or replacement. Septic systems generally last for many years. The fees have not changed since 2009.

The County currently maintains permits for over 500 septic systems within our City limits. That number changes as the City continues to annex additional areas in our City limits. The County reviews the permit which includes septic system plans and drawings submitted by a Registered Sanitarian or Professional Engineer and a site visit is performed. During construction, the County will inspect the system to insure that it was installed properly. All septic systems must have a maintenance contract to insure proper operation of the system. The County tracks the maintenance contracts and notifies the system owner when their contract is about to expire and reminds them to obtain a new maintenance contract. The septic systems are inspected three times per year by an "on-site septic system maintenance provider" (hired by the system owner) and the reports are tracked and reviewed by the County. If a problem is identified the County coordinates with the system owner to resolve the problem.

Attached for review and execution is a renewal of the Interlocal Agreement between the City of Rockwall and Rockwall County for the inspection of new and existing commercial/ residential septic systems as well as permit review and approval (when applicable) within the City of Rockwall. The Rockwall County Commissioner's Court approved the Interlocal Agreement on January 14, 2014. If you have any questions, please advise.

INTERLOCAL COOPERATION AGREEMENT BETWEEN ROCKWALL COUNTY AND THE CITY OF ROCKWALL REGARDING SEPTIC SYSTEM INSPECTIONS

THIS INTERLOCAL COOPERATION AGREEMENT is made and entered into by and between Rockwall County, Texas, a political subdivision of the State of Texas (*hereinafter referred to as "COUNTY")*, and the City of Rockwall, a Home Rule Municipal Corporation within the State of Texas (*hereinafter referred to as "CITY."*)

WHEREAS, the CITY and the COUNTY have determined that a need exists to perform inspections on new and existing systems in the CITY; and

WHEREAS, the septic systems subject to this agreement are located either wholly or in part within the corporate boundaries of the CITY which is itself located wholly within the COUNTY; and

WHEREAS, the CITY and the COUNTY find that the septic system inspections referred to above will provide a public health benefit to the citizens of both the COUNTY and the CITY and that a cooperative effort by both parties, pursuant to Texas Government Code Chapter 791.011 (a), whereby the COUNTY and the CITY will agree upon the terms of said written agreement;

NOW, THEREFORE, the COUNTY and the CITY mutually agree as follows:

A. The COUNTY agrees to perform inspection of new and existing septic systems (and to issue permits when applicable) through its County Environmental Health Coordinator and pursuant to the COUNTY'S Rules for Regulation of On-Site Sewage Facilities adopted on September 9, 2008, as amended, by the Rockwall County Commissioners Court and approved by the Texas Commission on Environmental Quality on February 11, 2009.

B. The COUNTY shall collect all inspection fees based upon the following fee schedule:

(1)	New Residential Inspections	$500.00
(2)	New Commercial Inspections	$500.00
(3)	Repair or Add-On Fee	$100.00
(4)	Re-Inspection Fee	$100.00

C. This Agreement is effective as of February 4, 2014 and will continue for a period of one (1) year ending February 3, 2015. Thereafter, the agreement shall be renewed automatically for an additional one year term unless either the CITY or the COUNTY gives the other party written notice of its desire not to renew the agreement at least ninety (90) days prior to the expiration of the then current term.

D. The COUNTY agrees and is hereby bound to hold the CITY whole and harmless from any act or omission of any representative, agent, customer, employee and/or invitee of the COUNTY to the extent permitted by Texas law. The CITY agrees and is hereby bound to hold the COUNTY whole and harmless from any act or omission of any representative,

agent, customer, employee and/or invitee of the CITY to the extent permitted by Texas law.

E. This agreement represents the entire understanding of both the CITY and the COUNTY and may not be changed, altered, or modified without the prior written consent of the CITY and the COUNTY.

EXECUTED THIS 14th day of January 2014.

CITY OF ROCKWALL, TEXAS

ORDINANCE NO. 14-08

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE CODE OF ORDINANCES IN CHAPTER 10 BUILDINGS AND BUILDING REGULATIONS, ARTICLE XIII DANGEROUS BUILDINGS, SECTION 10-537. PROCEDURES WHEN OWNER FAILS TO COMPLY; TO AMEND THE 90 DAY DEMOLITION WAITING PERIOD TO 30 DAYS; PROVIDING FOR A PENALTY CLAUSE; PROVIDING FOR REPEALING, SAVINGS AND SEVERABILITY CLAUSES; PROVIDING FOR PUBLICATION; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the Rockwall City Council deems the public interest, safety and welfare to be best served by the adoption of certain rules and regulations regarding the waiting period associated with demolition of dangerous structures as set forth herein;

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

SECTION 1. That the Code of Ordinances in Chapter 10. Buildings and Building Regulations, Article XIII. Dangerous Buildings Section 10-537 is hereby amended to strike language and read as follows:

Sec. 10-537. - Procedure when owner fails to comply.

If the owner or responsible person fails or refuses to repair, demolish or remove a building or structure within ten days after receipt of the notice provided for in section 10-536, the fire marshal, fire chief or building official may cause an appropriate citation to be issued notifying such person to appear before the municipal court to answer a complaint against him for violation of this article, or the fire marshal, fire chief or building official may give further notice in writing by certified mail, return receipt requested, or in the event the owner is a nonresident, and his address is unknown, by publishing notice one time in the official newspaper of the city and by posting a copy thereof on the building or structure, ordering such person to appear before the city council at a time and date specified in the notice, to show cause, if he has any, why the building or structure, or any part thereof, should not be repaired, demolished or removed. At the time of the hearing before the city council, the appropriate official of the city shall present such evidence as he may have concerning the condition of the building or structure and make such recommendations, as he may feel proper to the city council. The owner or other person ordered to appear may offer such evidence concerning the condition of the building or structure, as he may desire. At the conclusion of the hearing, the city council may order the building or structure repaired, demolished or removed, as the council may deem necessary. In no event, however, shall the time fixed for such repair, demolition, or removal be less than ~~90~~ 30 days from the date of the council order.

SECTION 2. That any person, firm or corporation who violates any provision of this ordinance shall be deemed guilty of a misdemeanor and upon conviction thereof, in the Municipal Court of Rockwall, TX, shall be subject to a fine in accordance with the general provisions of the Code of Ordinances.

SECTION 3. That all ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed to the extent of such conflict.

SECTION 4. That the Code of the City of Rockwall, Texas, as amended, shall remain in full force and effect, save and except as amended by this ordinance.

SECTION 5. That should any section, paragraph, sentence, clause, phrase or word of this ordinance be declared unconstitutional or invalid for any purpose by a court of competent jurisdiction, the remainder of this ordinance shall not be affected thereby, and to this end the provisions of this ordinance are declared to be severable.

SECTION 6. That it is hereby found and determined that the meeting at which this ordinance was passes was open to the public as required by Section 551.001 et seq., Texas Government Code, and that advance public notice of the time, place and purpose of said meeting was given.

SECTION 7. That this Ordinance shall take effect immediately upon its second reading and newspaper publication as required by the City Charter, Section 3.11.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 3rd day of February, 2014.

David Sweet, Mayor

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: **Brad Griggs, Assistant City Manager**

FROM: **Andy Hesser, Parks and Recreation Manager**

DATE: **January 28, 2014**

SUBJECT: **FIELD USE AGREEMENT BETWEEN CITY AND LAKE POINTE CHURCH**

In 2004, the City of Rockwall and Lake Pointe Church (LPC) entered into a three year agreement to improve the ball fields located at Yellow Jacket Park. The agreement involved approximately $80,000 of improvements from Lake Pointe Church in the form of new fencing, infields, irrigation and landscaping. The City's contribution was a similar amount of amenities that included an asphalt parking lot and a restroom facility. In exchange, LPC was granted use of the fields to provide a spring youth baseball program.

LPC was permitted to continue using the fields under a facility use agreement that required a $30 non-resident fee and proof of sufficient background checks for all coaches. This agreement has now expired and LPC is requesting a new facility use agreement with the City.

The terms of the proposed agreement are based on the primary goal of the City is to coordinate the Rockwall Baseball and Softball League for children ages 5-14 years old. The format of the program is to provide participants two practices per week prior to the season and one practice slot per week and two games per week once the season begins. This goal is the basis of the allocation of City owned fields. Once this goal is met, additional fields may be available to LPC. The goal of LPC is to provide one practice time and one game time per week during the season. Fields will be allocated in a manner to meet the goals of each party.

The initial agreement is a three year term with two one-year optional renewals. In exchange for field use LPC agrees to pay the City as follows: $10,000 in 2014, $11,000 in 2015 and $12,000 in each year from 2016 – 2018 including renewals. The fees include non-resident fees and field use fees. The specific means of calculating the fees is included in the agreement provided in your packet.

At the January 7th meeting, the Park Board voted unanimously to recommend that City Council authorize the City Manager to execute the attached field use agreement with LPC.

FACILITY USE AGREEMENT BETWEEN THE CITY OF ROCKWALL, TEXAS, AND THE LAKEPOINTE CHURCH

STATE OF TEXAS §
§
COUNTY OF ROCKWALL §

WHEREAS, the City of Rockwall, Texas (City) is a home rule city with all the rights, powers, and privileges set forth by the applicable statutes of the State of Texas and the City Charter; and

WHEREAS, the City is empowered pursuant to those statutes and said City Charter to provide for the regulation and improvement of all public grounds, including parks, located within the City's limits; and

WHEREAS, Lakepointe Church (LPC) desires to operate a baseball program utilizing City athletic fields; and

WHEREAS, the City desires to promote the health, welfare, and safety of its citizens:

WITNESSETH

NOW, THEREFORE, for and in consideration of the mutual promises contained herein and the mutual benefits flowing to both the City and LPC, and other good and valuable considerations recited herein, the receipt and sufficiency of which are hereby acknowledged, the City and the Associations do **CONTRACT, COVENANT, WARRANT, AND AGREE** as follows:

I.

INCORPORATION

All matters contained in the above and foregoing preamble are incorporated herein and made part of this Facilities Use Agreement (Agreement) as if copied herein in its entirety.

DRAFT

II.

DEFINITIONS

A. The terms "athletic facility," "athletic fields," or "fields" mean the eight fields at Leon Tuttle Park, the two fields at Harry Myers Park and the three fields Yellowjacket Park, and any other location made available by the City on which athletic events are or can be held.

B. "Director" means the Director of Parks and Recreation for the City of Rockwall, or his/her designee.

C. "City Manager" means the City Manager for the City of Rockwall, or his/her designee.

III.

FIELD USE

A. Both the City and LPC acknowledge that the fields are owned by the City and are provided for the benefit of citizens of the City. At any time the fields are not being used by LPC, the City may assign such fields to other associations or parties. The City shall maintain approval over the use of the fields at all times. Under terms of this Agreement, the City permits LPC to use the fields to provide youth baseball activities.

B. LPC shall not assign this Agreement or rent out any part of the fields or concession facilities without prior written consent of the City. Any request for assignment or rental made by a third party shall be referred to the Director. All parties understand that LPC's use of the fields is nonexclusive.

C. No use of the City's fields is permitted outside the terms of this Agreement, as set forth herein.

D. The City of Rockwall will coordinate the Rockwall Baseball and Softball League for children 5-14 years old. It is the goal to provide two practice periods per week to each team prior to the season and fields for one practice and two games per week and once the season has commenced. This goal will be the basis for the allocation of all City owned fields. Once this goal is met, additional fields may be available to LPC. It shall be the goal of LPC to provide one practice time and one game time per week during the season. Fields shall be allocated in a manner to meet the goals of each party.

E. At the beginning of each season, a representative from LPC will meet with the Director to work through game and practice schedules. The Director will have final approval over all game and practice schedules of LPC and any other league or organization.

IV.

OBLIGATIONS OF THE CITY

The City shall:

A. Maintain all fences and gates in a safe and secure condition;

B. Maintain all turf areas on the fields to include mowing, weed control, fertilizing and herbicide spraying;

C. Perform all pre-season clay and turf maintenance to include adding clay, clay renovation and cutting infield arcs;

D. Provide sand, soil, etc. to be used in leveling or backfilling low areas when deemed necessary, within normal yearly operating budget constraints;

E. Drag infields daily, Monday through Friday, weather permitting during regularly scheduled league games, and make-up games. The City will drag fields on Saturdays and Sundays upon request subject to applicable fees (see attached fee schedule). Services do not include preparation for foul weather;

F. Painting or chalking of outfield boundary lines on the playing surface of the park areas;

G. Haul off trash **THAT HAS BEEN DEPOSITED** in trash receptacles as warranted. The City shall provide trash receptacles;

H. Maintain structural integrity of concession stands, restrooms and storage buildings, including repair or replacements of damaged roofs, doors, and windows;

I. Maintain all area and field lighting systems where applicable;

J. Repair or replace lights, poles, wiring fuses, transformers and other equipment related to the lighting of each field to be used by LPC where applicable and within normal operating budget constraints;

K. Pay all electric and water bills in connection with use of the fields;

L. Maintain any field irrigation system and watering schedules of turf areas;

M. Maintain any adjacent park irrigation systems and the scheduling of watering turf areas;

N. Maintain restroom facilities;

O. Maintain and repair parking areas; and

DRAFT

P. Provide Hollywood style bases, home plates, and pitching rubbers for use by LPC.

Q. Determine, in its sole discretion, field closures due to weather. Determinations will be made by 3:30 pm on weekdays. Weather will be monitored beyond the determination times if necessary.

R. Perform its duties only to the extent that budgeted funds and manpower are available. If the City is unable to fulfill its obligation due to budget restraints, it will not be obligated to LPC for any monetary damages.

S. Provide pitching mounds and bases according to the rules and regulations of the relevant age group of teams participating in practices and games. The initial field and mound set-up shall be at no charge to LPC. The City shall charge a $50 fee for each additional mound construction and/or demolition that is required for non-regular season games or additional tournaments (see attached fee schedule).

T. To be eligible to be on the field or in the dugout during league games, coaches must pass a criminal history check. The eligibility criteria for coach participation shall be determined by the City of Rockwall Parks and Recreation Advisory Board in accordance with the adopted coach's eligibility policy. LPC coach's eligibility procedure will be accepted in lieu of City program.

V.

OBLIGATIONS OF LPC

LPC shall:

A. Provide a field manager schedule no later than 7 days prior to the beginning of each season. The field manager shall be responsible for unlocking and locking the gates and shall be on site during every regular season game and tournament game, and is responsible for game day policing of all litter on their field(s), to include playing areas, dugouts, fences, backstops, bleachers, concession stands, and adjacent grounds;

B. Monitor any restrooms at the fields and keep them stocked and assist with cleaning when needed;

C. Pay a key deposit prior to commencement of regularly scheduled practices and league games, if applicable;

D. LPC shall pay the City of Rockwall a fee for field use according to the following schedule. The "field use" fee shall include all "non-resident" player fees as well as fee for the field use and the preparation of the playing areas.

2014: Non-resident fees and field use shall be $10,000

2015: Non-Resident fees and field use fees shall be $11,000

2016-2018: Non-Resident Fees and Field use fees shall be $12,000

If the CITY is unable to meet the field use needs of LPC as defined in Section III. D., LPC will pay the City the pro-rata share of the field usage charges (i.e. if LPC field use requests total 100 practice/game times to meet the goals of LPC as described in Section III, D., and the City is only able to provide 93 game/practice times, LPC will pay the CITY 93% of the difference between the total "non-resident" fees and the maximum amount to be paid by LPC).

E. Pay all fees associated with additional services provided, such as pitching mound construction and weekend field preparation, according to attached fee schedule;

F. Obtain advanced written approval from the Director to charge admissions to any field or park for LPC events;

G. Use the fields within the policies, procedures, and rules established for park usage by the Parks and Recreation Department. Policies, procedures, and rules are as follows:

a. No alcoholic beverages allowed in the park. **Ordinance No. 19.3f;**

b. No skates, skateboards, or bikes allowed in the park;

c. Pets must be on leashes at all times. **Ordinance No. 5.18;**

d. No glass containers allowed around the athletic facilities;

e. Users will not use the fields when there is inclement weather or when the fields are unplayable;

f. Users will park in designated parking areas. **Ordinance No. 19.3d;**

g. City field curfew is 11 p.m., **Ordinance No. 19.3e.** This can be waived for tournaments with permission from the Director. (No league games may start after 8:30 p.m.);

h. Illegal entry by players or coaches may result in that team's loss of field use for practice privileges.

H. Not discriminate against any person or persons because of race, color, religion, sex, disability, or national origin;

DRAFT

I. Provide sufficient notice of all scheduled make-up game times (preferably a one-week notice). Notice shall be given to the Director;

J. Not engage in any business on the premises or do anything in connection therewith that shall violate any existing municipal, state, or federal law or ordinance, or use the same in such manner as to constitute a nuisance. The City reserves the right to exclude any individual or group from its facilities based on conduct, which it determines in its sole discretion to be objectionable or contrary to City interests. LPC hereby consents to the exercise of such authority by the City over its members, officials, and agents;

K. Submit all of the following to the Director:

a. A list of current participants, including name and address, as well as coaches, leadership staff, and officials, including the name, address, day and night time telephone numbers, and e-mail address of all adults;

b. A schedule of games with coaches and rosters to be played at the City's fields;

c. A copy of a general liability insurance policy naming the City as additional insured in the amount of at least $1,000,000.00;

d. A schedule with names and contact numbers of on site field representatives during the spring and fall seasons;

e. Policies and procedures for dealing with medical emergencies and hazardous weather conditions;

f. Any proposal to install, construct, alter, or modify any temporary or permanent structures, signs, equipment, or other related items, before commencing any work. All such proposals must be approved in writing by the Director in advance of construction. All applicable City codes must be followed. Approval of the proposal shall rest solely with the Director. Permanent structures shall become property of the City;

L. Designate a point of contact that will be responsible for correspondence with the City;

M. Communicate all necessary repairs and/or service requests to the Director;

N. Account for non-resident use of City fields by requiring a $30.00 payment per non-resident participant, and such amounts shall be remitted to the City by LPC which is included in fee contained in Section V. D.

DRAFT

VI.

CESSATION OF PLAY

A. LPC agrees and understands that the City, acting through an employee designated by the City Manager, the Director, or any Rockwall Police Officer shall have the authority to order cessation of any ball game, practice, or other activity of LPC on City fields. Such a cessation order by any one of said representatives of the City shall be the result of a determination by said representative that continuation of play would be unsafe or not in the interest of the City or the players. Play or use may resume when approved by the representative of the City who issued the cessation order or the City Manager.

VII.

LIABILITY INSURANCE

A. The City, its employees, agents, and landlords shall not be liable to the LPC or to any employee, member, customer, or agent of the LPC for any damage caused by negligence of the LPC, its members, employees, customers, volunteers or agents. The LPC hereby releases, relieves, quit claim and holds harmless, fully indemnifies and agrees to defend the City, its employees, agents, and landlords from any and all claims, damages, injuries, law suits, judgments, or causes of action of ay type (including but not limited to any action taken as a result of the sale of food and beverages at the concession facility) arising out of the Agreement or any reasonable action taken pursuant thereto.

B. LPC agrees to acquire and maintain an insurance policy or policies that will provide liability coverage and medical coverage for medical expenses resulting from injury of players while engaged in the Association's activities. Said coverage shall be with an insurance company and have such limits as shall be acceptable to the City Manager. Evidence of such insurance policies shall be provided to the City prior to use of fields by LPC and the City shall be listed as an additional insured.

VIII.

RULE CHANGES

A. LPC shall submit a copy of all rule changes to the Parks and Recreation Director for approval before the beginning of the season in which the rule changes will be effective.

DRAFT

IX.

FINANCIAL RECORDS

A. The City shall have the right to examine LPC's annual audit, upon request, by the City Director of Parks and Recreation, Assistant City Manager, or City Manager. LPC shall be given reasonable notice and the City will schedule a time convenient for LPC.

X.

DEFAULT BY LPC

A. This Agreement may be canceled in the event of default by LPC. The City may by action of the City Council declare LPC in default of this Agreement and the Agreement canceled if any of the following conditions are present:

a. LPC ceases or is unable to provide or perform the functions listed in this Agreement;

b. LPC becomes inactive or fails to initiate advance planning for any season during the term of this contract;

c. LPC provides a program in any year that is not acceptable to the City.

XI.

TERM OF AGREEMENT

A. This Agreement runs from February 15, 2014, to July 1, 2016 and shall be renewable by consent of each party for a one year period a maximum of two times.

B. Either party may terminate this Agreement by giving thirty days written notice to the other party.

XII.

VENUE

A. Venue for any proceedings under this Agreement shall be in Rockwall County, Texas.

DRAFT

XIII.

SEVERABILITY

A. If any clause, section, paragraph, or portion of this Agreement shall be found to be illegal, unlawful, unconstitutional, or void for any reason, the balance of the contract shall remain in full force and effect and the parties shall be deemed to have contracted as if said clause, section, paragraph, or portion had not been in the Agreement initially.

XIV.

SCHEDULE OF FEES

Key Deposit	$300
Trash Hourly Rate	$25/hour per worker
Weekend Field Preparation	$25/hour
Non-resident Fee	$30 per individual
Pitching Mound Construction/Demolition	$50 per mound each time

LPC'S NON-COMPLIANCE WITH ANY OF THE ABOVE STATED POLICIES, PROCEDURES, OR RULES COULD RESULT IN IMMEDIATE TERMINATION OF THIS AGREEMENT BY THE CITY.

MEMORANDUM

TO: **Honorable Mayor and Council**

FROM: **Jeffrey Widmer, Building Official**

DATE: **February 3, 2014**

SUBJECT: **Monument sign height, size and setback variance request**

Mr. Trevor Arterburn with Houston's Drive Inn, LLC has requested to appear before the City Council to request variances for the height, size and setback of a new monument sign to be located at 715 West Rusk Street.

Our sign ordinance allows a monument sign to be a maximum height of seven (7) feet, a maximum size of ninety-eight (98) square feet and requires a minimum setback from property lines of ten (10) feet.

The applicant is requesting approval to allow a one hundred thirty six (136) square foot sign, with a height of ten and one half (10½) feet and placed two and a half (2½) feet from the property line.

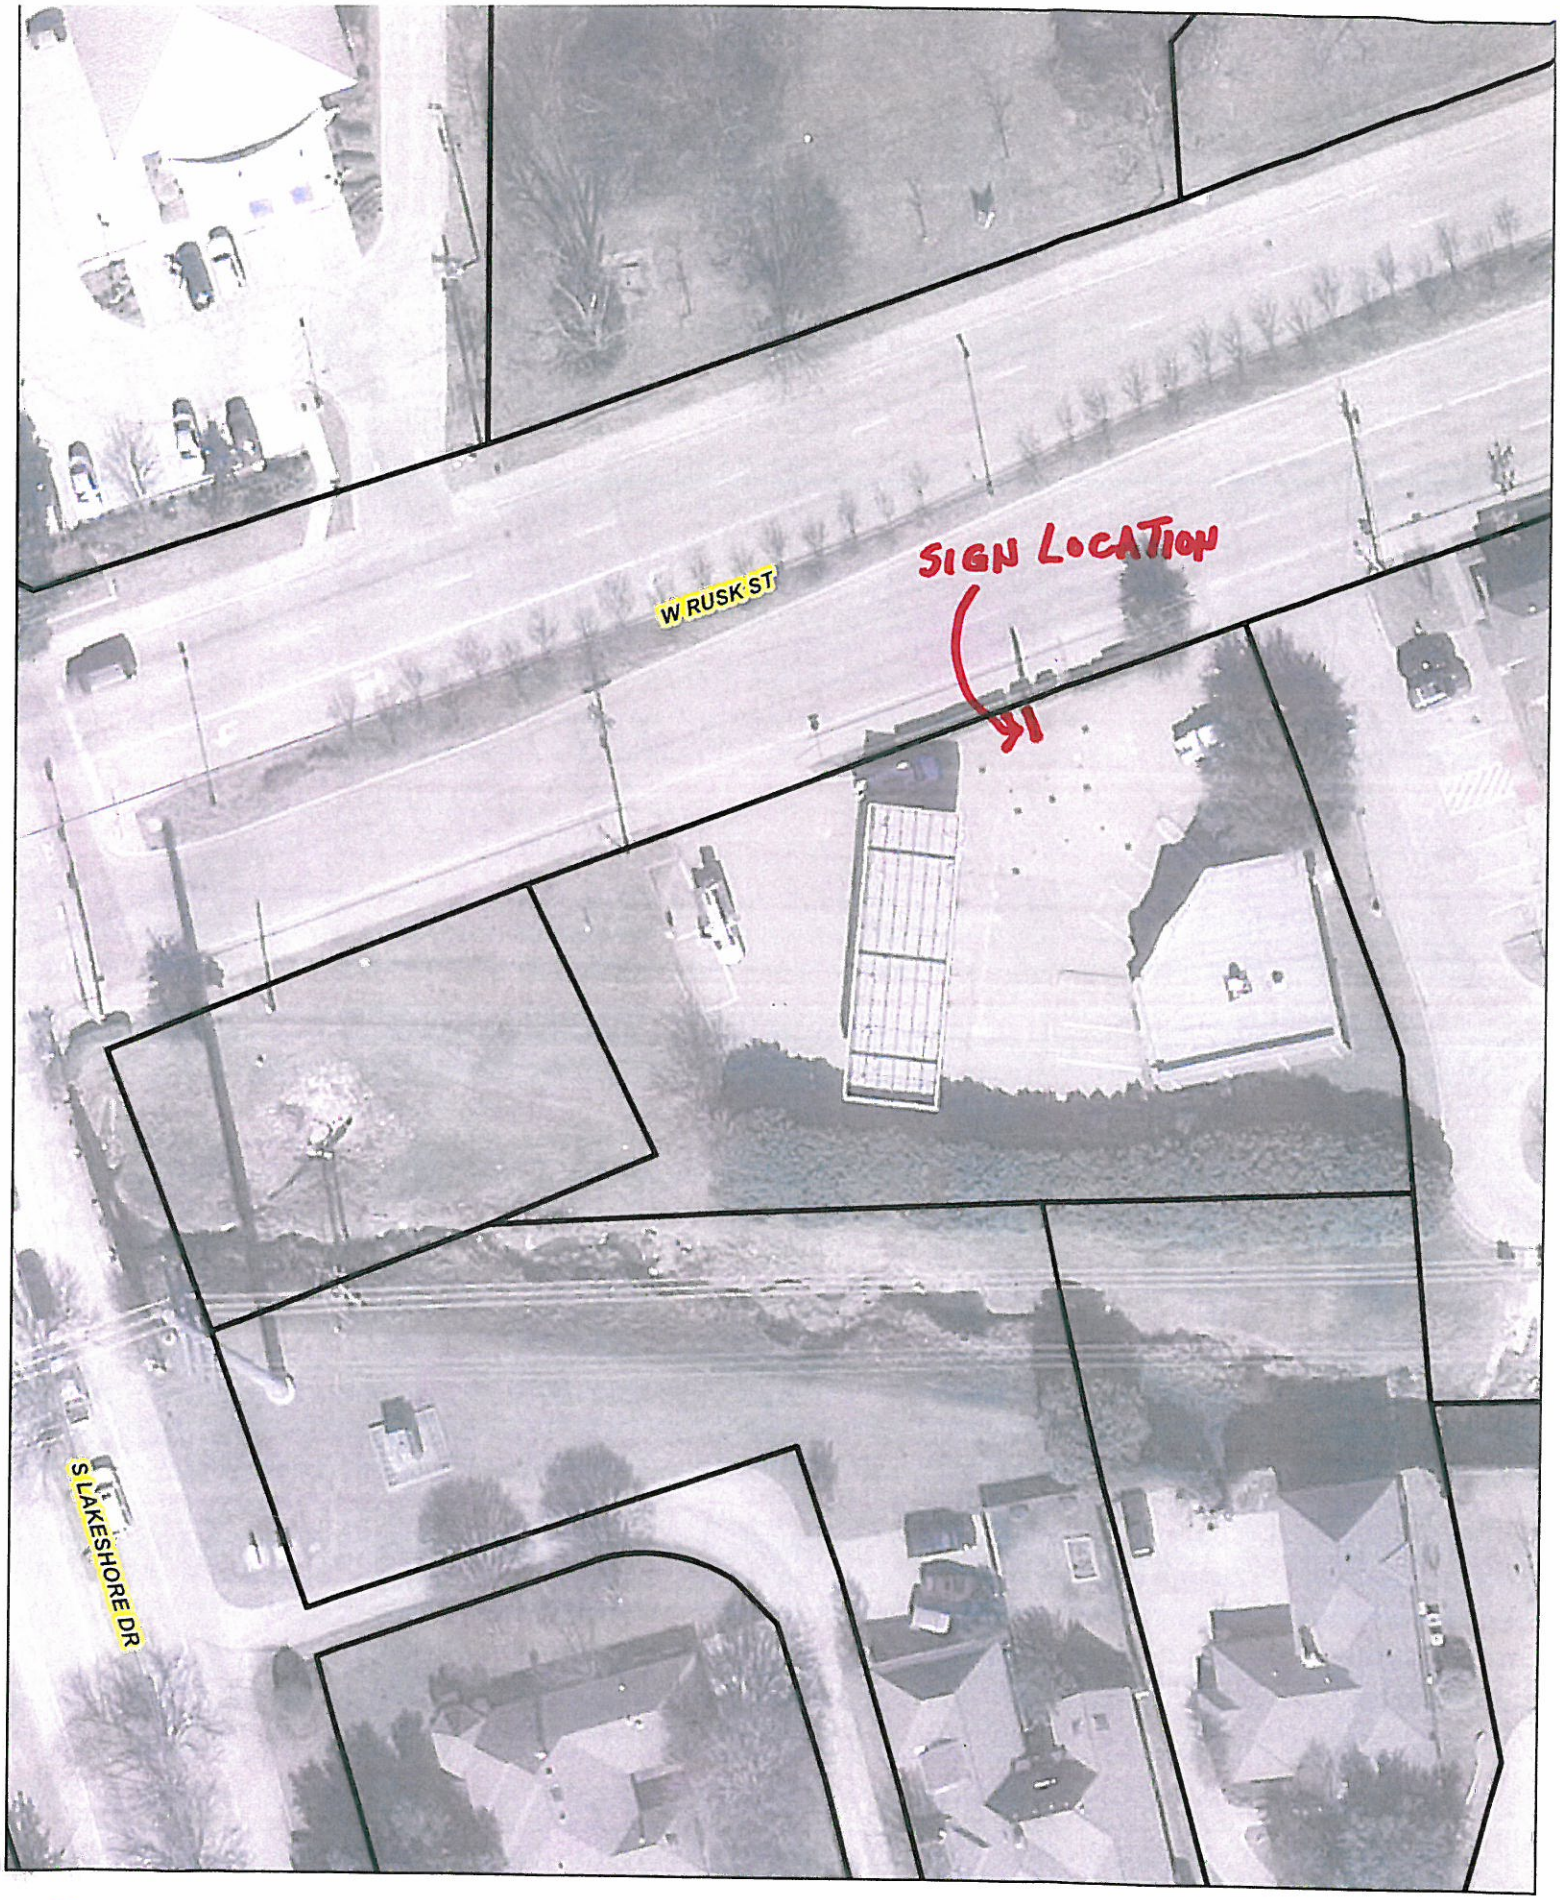
The applicant has stated that the setback variance request is due to limited location options for the new sign and that the purpose for the increased height, is to raise the sign area up to the top of the existing landscaping, so that it will be clearly visible by passing motorists. The increased size is attributed to the large masonry base, which will be used to raise the sign to the necessary height for visibility. The Applicant is planning to include the required six inch masonry cap on the top of the sign.

City of Rockwall
385 South Goliad
Rockwall, Texas 75087

Re: Sign variance at 715 West Rusk, Rockwall, Texas

To Whom It May Concern:

We are requesting a variance for a sign at 715 West Rusk, Rockwall, Texas 75087. The location has been vacant for several years with the previous sign removed due to the vacancy. In preparation for the reopening, several improvements have been made to the inside and outside of the property, and we have a strong desire to upgrade the signage.



Our desire is for a sign that will not only show the residents of Rockwall that we are reopening this location, but that the store will be better than before. The size of the sign requested is 130 square feet (10' high & 13' wide). A 6" masonry cap and side border will also be added to meet other requirements.

We are also requesting a variance that the sign be allowed at the location of the previous sign. Our desire is to put the sign in a spot highly visible to the public, but with the limited size of the parking lot and objects that hinder visibility, our location options are limited. Therefore, we request a variance allowing us to use the position of the original sign. Our plans are adjusted so that it will be located within 10' of the property line and will not hang over the curb whatsoever.

Thank you for your consideration and for the opportunity to contribute to this great city.

Sincerely,

Trevor Arterburn

MEMORANDUM

TO: **Rick Crowley – City Manager**

FROM: **Brad Griggs – Assistant City Manager**

DATE: **January 29, 2014**

SUBJECT: **Regulations for Human Signs**

Councilmember Pruitt has requested that an item be placed on the agenda concerning the regulation of "human signs".

As our ordinance currently states, a human sign is currently defined as:

"Sign, human, means a sign held by or attached to a human being who stands or walks on the ground, at a business location. A human sign includes a person dressed in costume, for the purposes of advertising or otherwise drawing attention to an individual, business, commodity, service, activity, or product. (On-premises)

Councilmember Pruitt has proposed that the following definition be used:

"Sign, human, means a (COMMERCIAL) sign held by or attached to a human being who stands or walks on the ground, at a business location. A human sign includes a person dressed in costume, for the purposes of advertising or otherwise drawing attention to an individual, business, commodity, service or product."

Mr. Pruitt will be discussing the item as requested and staff will be available to respond to the Council action or answer any questions that may arise.

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Mary Smith, Assistant City Manager**

DATE: **January 31, 2014**

SUBJECT: **December 2013 Budget Report**

The following analysis is offered for the period ended December 31, 2014 budget report. The budget is established in broad categories with line item estimates. In each category actual expenses as a whole should be considered rather than at the line item level. The budget threshold for this period is 25%.

General Fund Revenues

- All revenues are coming in at or above expected levels for this early period.
- Sales tax increased by 4.38% for the month of December (October sales) as compared to the prior year, same month. The statewide increase was 6.56%. November sales were even higher at 6.05%.

General Fund Expenditures

- Administration Contractual – the first and second quarter payments to the E.S Corporation and the Appraisal District have been made this quarter.
- Internal Operations Capital – Council approved the purchase of security equipment this quarter.
- Police Communications Contractual – annual lease payment and maintenance agreement for CAD package have been paid.
- Inspections Operations – annual training is held early in the budget year.
- Engineering Operations – annual membership in COG regional storm water and public works standards programs were paid in this quarter.

Water / Sewer Revenues

- Water sales – sales were up nearly 9.63% for the first quarter when compared to the prior year. The revenues for this period were increased due to the rate increases enacted – our customers continue to conserve, as we have required them to do.
- All other revenues are in line with projections.

Water / Sewer Expenditures

- Sewer Operations Contractual – NTMWD requires payment in advance for the sewer treatment plants in order to fund their operating expenses.
- All other accounts are within thresholds.

Special Revenue Funds Summary

- All establishments paid the hotel taxes this quarter.

From: BC Merritt
Re: December 2013 Structure Fire Report.
Date: January 14, 2013

2003 Ridge Road

We responded to a report of a fire at 2003 Ridge Rd on December 03, 2013. The first unit on scene arrived and reported heavy flames and smoke coming from one room of the structure. One dog was rescued from within the burning structure. There was major damage to the interior of the residence due smoke and heat. No firefighter injuries were reported on this incident.

Dispatch time: 10:02.56
Enroute time: 10:03.44
On scene time: 10:07.38
Clear time: 12:22.20

4 Men on scene 10:08.13
8 men on scene 10.12.15
12 men on scene 10:15.48

We had a total of 20 Firefighters on scene, 2 Chiefs and 3 apparatus.

6007 Volunteer Place

We responded to a report of a structure fire on December 08, 2013. The first unit arrived on scene and reported no smoke or flames visible from the outside. Upon entry into the residence firefighters discovered a small pile of trash and a cabinet on fire in the kitchen. The fire was quickly extinguished. Minimal damage was done to the residence and no firefighter injuries were reported on this incident.

Dispatch Time 12:45.55
Enroute Time 12:46.40
On scene Time 12:51.09
Clear Time 14:03.39

4 men on scene Not recorded
8 men on scene 12:59.18
12 men on scene 13:01.36
We had a total of 16 Firefighters on scene, 2 Chiefs and 3 apparatus.

2013 Points of Pride
Rockwall Fire Department
Prepared by: Chief Poindexter

OVERVIEW

The 2013 calendar year was another very busy year for the Rockwall Fire Department. Our calls were up 3.87% in the City and down 42.86% in the County. As always, the volunteers and full-time members of this department worked very hard, did an excellent job for the city and its citizens, and achieved many goals within the year. As a Combination Department we continue to work with a limited paid staff to supplement the volunteers of the department. Operating four fire stations with three Captains, ten drivers and part-time drivers is very challenging and we will be evaluating the future staffing levels in the first quarter of 2014. We currently have one person on shift duty at Station 3 & 4. We have two persons on duty at Station 1. Station 2 only has two on duty on one of the three shifts and we are working to fill the two open spots, so that we have two on each shift at Station 2. I am excited about the New Year. The City Council and City staff have assisted this department in making major changes that will produce many positive effects in the years to come. The Fire Department is off to a busy start in 2014.

TRAINING & INCENTIVES

The Battalion Chief continues to have positive effects on the level of training among fire department personnel.

Training Highlights

- Twice monthly training sessions
- Fire training schools at Texas A & M
- Basic Wildland Firefighting Certification
- 168 certifications held among our firefighters
- 23 different types of certifications
- 34 Certified firefighters

Incentives at a Glance

- Provide tuition for State Firefighter certification and Emergency Medical Technician certification
- Incentive to attend week long training courses
- VFIS accident/injury insurance
- Workers compensation coverage
- Credit on monthly water bills
- Higher education certification pay
- Pay per call incentive
- Retirement program
- Incentive for receiving State Firefighter Certification & EMT Certifications
- Recruiting incentive
- Recruit training incentive
- Driver shift pay
- Longevity pay

STAFFING

As you are aware, the Rockwall Fire Department can have up to forty-nine volunteer firefighters. Currently we have:

- Fire Chief
- Battalion Chief
- 3 Captains
- 10 Driver/Operators
- 2 vacant Driver/Operator positions
- Fire Marshal
- 3 Fire Inspectors/Arson Investigators/Firefighters
- 16 Part-time Driver/Operators (8 full-time paid in other cities)
- 13 volunteers
- 1 Administrative Assistant
- 1 Administrative Technician

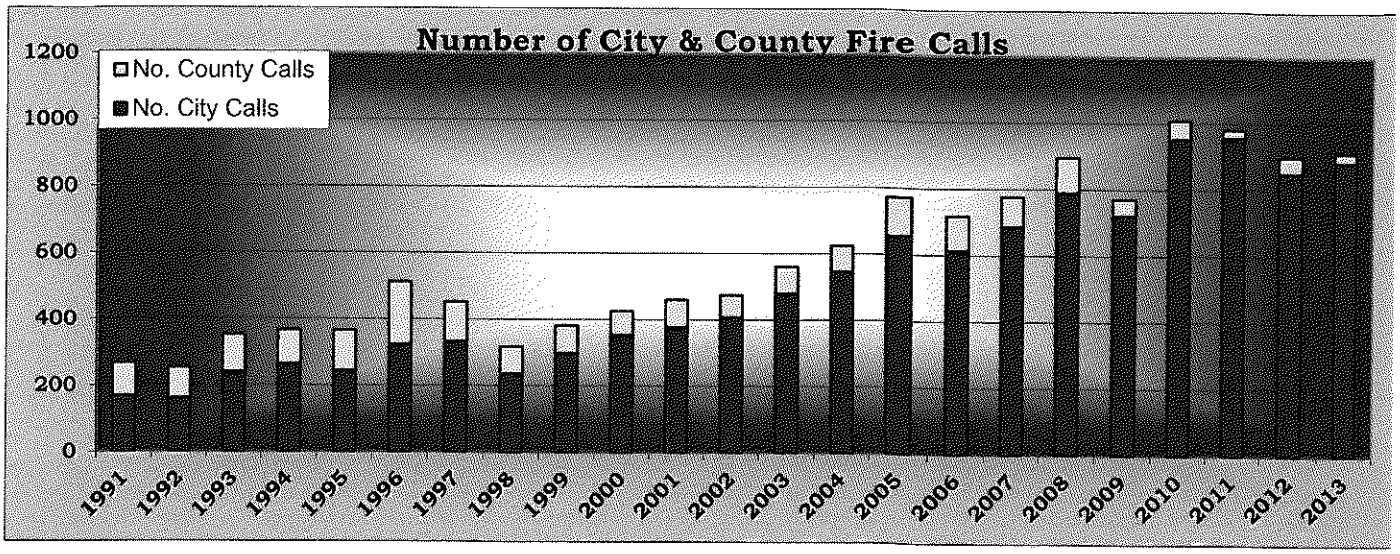
.

RECRUITING & RETENSION

The number of applications submitted in 2012 decreased by 1 from 2011, from 18 to 17 this year. This continues to be a priority for our department as we look for ways to recruit new volunteers.

Recruiting Results:

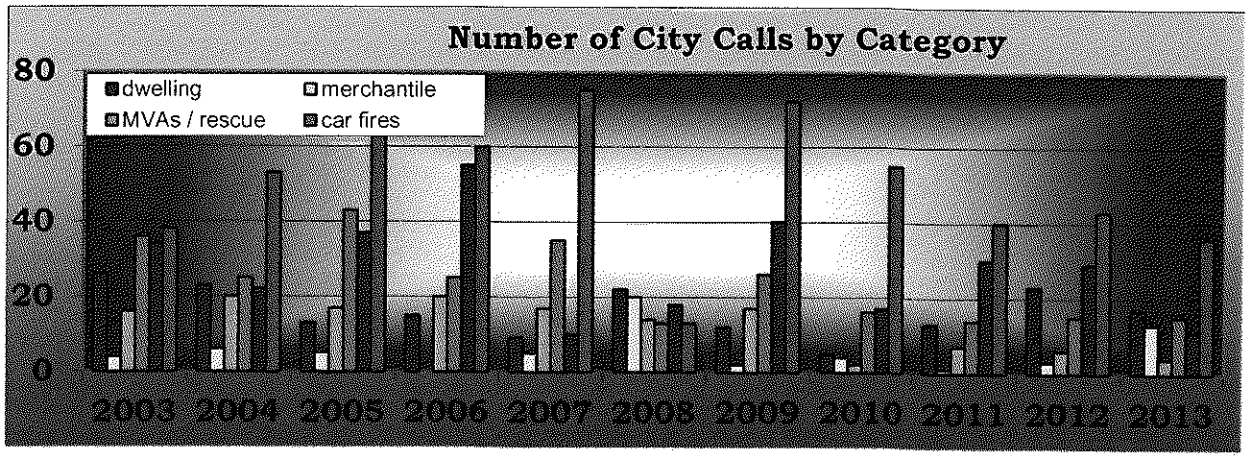
- 34 volunteers at beginning of year
- 11 volunteers left the volunteer force during the year
- We had 20 applications in the process at the start of year
- We received 40 applications during the year
- 12 applications currently being processed or awaiting Physical Agility Testing or Oral Review Board
- 42 applicants were rejected or withdrew from process
- 6 became new members
- 29 total volunteers at end of the year



Retention Results:

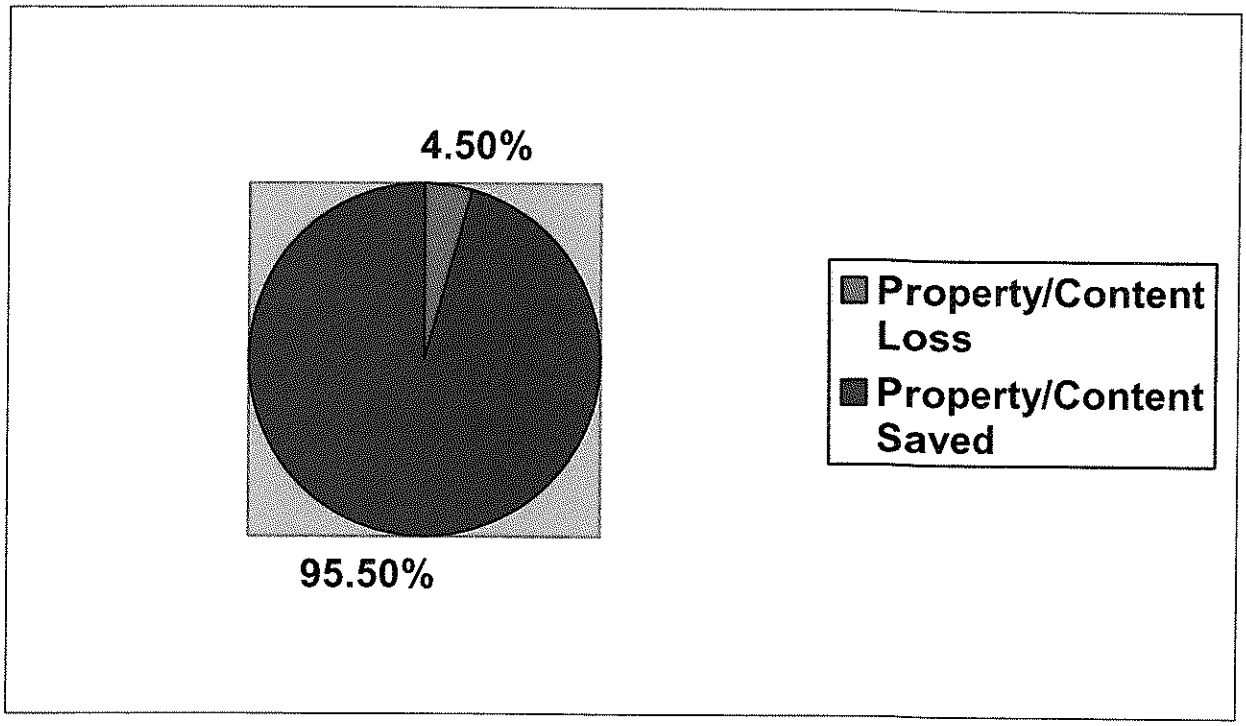
- 3 volunteers resigned during the year

STATISTICS



Fire Calls

In 2013, the Rockwall Fire Department answered 885 calls in the City and 28 calls in the County for a total of 913 calls. Of those calls, 11 of the 913 calls were mutual aid calls. City calls were up, but County calls were down, so overall we increased call volume by 12 calls, or 1.315%



Manpower
During 2013, we maintained the average manpower of 15.86 firefighters on structure fire calls within the City.

Our target is to have at least 24 firefighters available for any type of structure fire. Therefore we fell short of meeting the target for 2013 by 8.14 firefighters.

The pre-incident value of property involved in a fire incident in the City was $3,526,807.00 and the pre-incident value of content involved in a fire incident in the City was $13,718,980.20 for a total of $17,245,787.20. The property lost in a fire was valued at $539,144.90 and the content lost in a fire was valued at $237,438.94.

In 2013 the Fire Department saved $2,987,662.10 in property and $13,481,541.26 in content in the City of Rockwall. The amount of property/content loss was 4.5% of the pre-incident value and the amount of property/content saved was 95.5%.

ISO

We are very proud that we were able to achieve our Goal in 2013 by lowering our Class 3 Public Protection Class Rating to a PPC Rating of Class 2. This is done by using the Fire Suppression Rating Schedule and taking an in-depth look into the dispatching, water system, fire department and prevention programs within our community. The Citizens should start seeing the great benefits through the lowering of their insurance premiums as their policies renew.

Response Time

Response time criteria was set by Council with goals of achieving them 90% of the time in City fire boxes with stations, 60% of the time in City fire boxes without stations and 60% of the time in the County and Mutual Aid fire boxes. The criteria set forth by Council for enroute times is 1 ½ minutes in the City and County. The criterion for arrival time is 6 minutes in the City and 10 minutes in the County. The criteria set forth for overall response time is 7 ½ minutes in the City and 11 ½ minutes in the County. Response times are tracked by boxes, involving those in the City where we have stations versus those in the City where there are no stations. Also we track the County and mutual aid response times and boxes separately.

In 2013, we met the enroute criteria in the City overall 90.48% of the time. We met the enroute criteria for the County and Mutual Aid areas 77.27% of the time. The arrival criterion in the city overall was 88.25%. The arrival criterion in the County and Mutual Aid boxes was met at 86.36%. The response time criterion in the City Overall was met at 91.98%. The response time criterion in the County and Mutual Aid box districts was met at 86.36%.
This chart shows the response times percentages under the criteria set by Council in the Balanced Scorecard Measures.

	En Route	Arrival	Response	Goal	Status
City limits - boxes with stations	89.49%	92.04%	94.32%	90%	Not Achieved
City limits - boxes without station	98.00%	60.42%	74.46%	60%	Achieved
County & Mutual Aid Area	77.27%	86.36%	86.36%	60%	Achieved

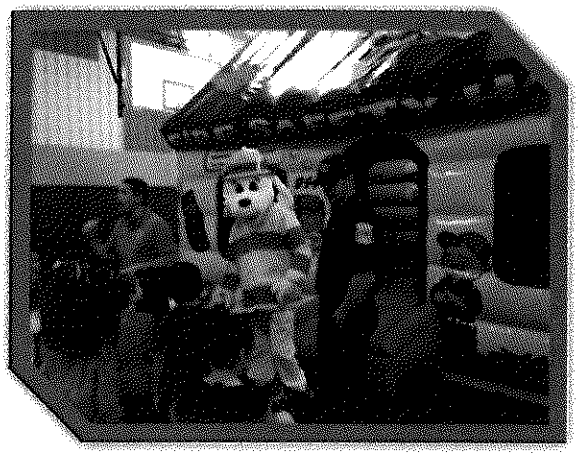
Fire Marshal's Office

The Fire Marshal's Office is responsible for community Fire Prevention Education, Fire & Building Codes Enforcement, Business & Building Pre Incident Planning, and Fire/Arson Investigations. The Rockwall Fire Marshal's Office strives to provide the best service possible to the City of Rockwall and its customers in all we do.

Fire Prevention Education

An essential component of the service that the Fire Marshal's Office provides to our customers is Fire Prevention. The Fire Marshal's Office focuses on educating the community about the benefits of proper safety practices and identifying and eliminating all types of hazardous conditions, which pose a threat to life, the environment, and property.

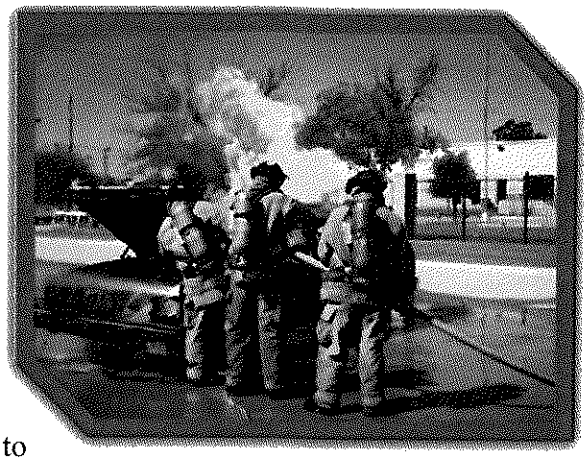
Annual Fire Department Open House



The Fire Marshal's Office is responsible for organizing and managing our annual Fire Department Open House. This year we hosted our 10th annual event. We opened Fire Station #2 to our citizens who wanted to learn more about their fire department. The event was a lot of fun and educational too.

Fire Prevention Month

We continued our partnership with the Rockwall Independent School District on the injury prevention Risk Watch program,



Fire Prevention Month

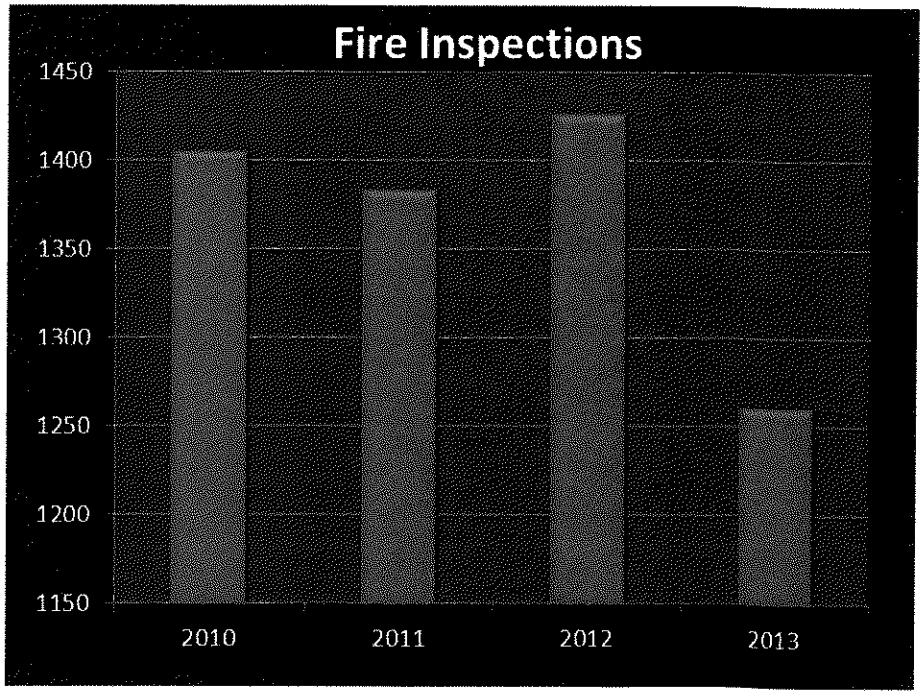
We continued our partnership with the Rockwall Independent School District on the injury prevention Risk Watch program, focusing this year on cooking safety. We visited 11 elementary schools with our interactive Fire Safety Games, new Sparky the Fire Dog (purchased with a grant from Firehouse Subs) and new inflatable fire safety house (purchased with a grant from FEMA). With this program we directly educated over 7,000 children in the community of Rockwall.

Citizen's Fire Academy

The Fire Marshal's Office host a free educational program called Rockwall Citizen's Fire Academy once a year for Rockwall citizens and those who work in Rockwall giving them an insider's look at firefighter training involving structural firefighting, fire investigations, and fire prevention, plus hands-on experience in emergency operations. The academy includes classes about various fire department activities and all classes include a hands-on activity each night. Climb a ladder truck, investigate a fire scene, use a fire extinguisher, drag a fire hose, wear all the gear, use the rescue tools to cut apart a vehicle, experience firefighter life inside a fiery building, do the same things Rockwall firefighters do while they train to rescue citizens from burning buildings.

Community Emergency Response Team

The Fire Marshal's Office manages and conducts training for our CERT program to promote a partnering effort between emergency services and the people they serve. The goal is for emergency personnel to provide training in basic response skills to volunteer members from our neighborhoods, community organizations and workplaces. CERT members learn basic emergency skills, such as first aid, CPR, triage, fire suppression, utilities management, communications, and traffic/crowd control. In addition, the CERT team provides rehab services to the fire department during large

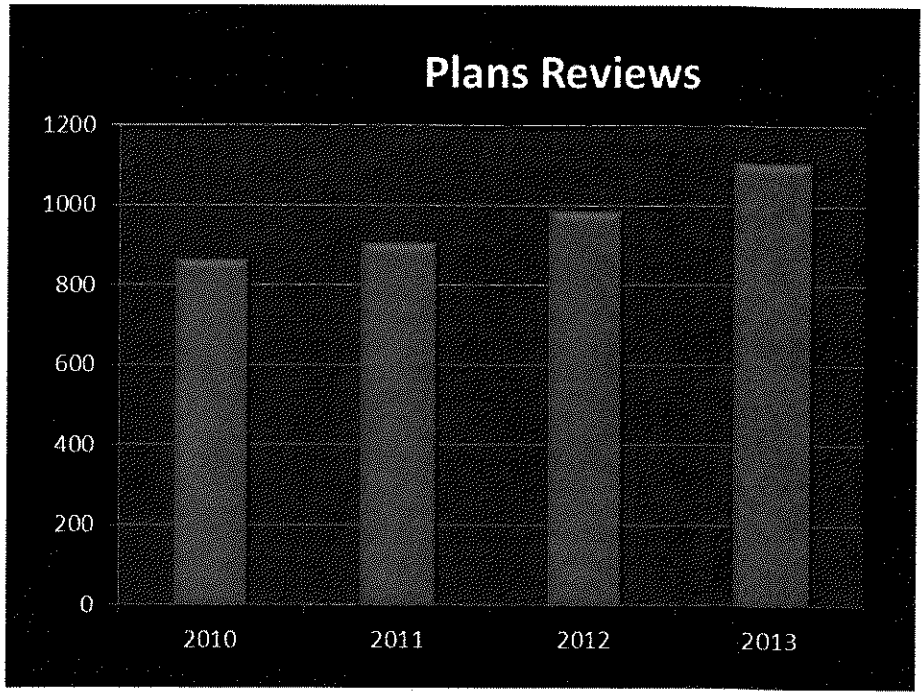


emergency events, assist with Traffic/crowd control, First aid stations, and helps with Lost Child services at various community events. This year we have expanded our community efforts by partnering with East Texas CERT, a group serving our surrounding counties. The joint effort has led to increased training opportunities and resources.

Fire & Building Codes Enforcement Program

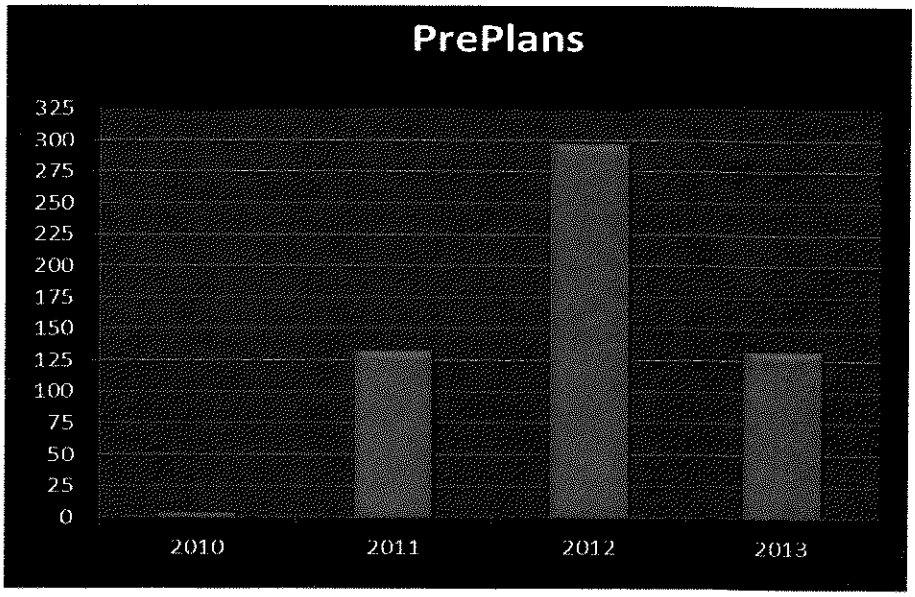
Code enforcement is a critical element in the success of fire prevention programs. Almost every aspect of a thorough fire prevention program is affected by code enforcement in some way. It plays a major role in fire and life safety inspections, plans review, hazardous materials and environmental investigations, and the issuance of fire code permits.

Fire Inspections



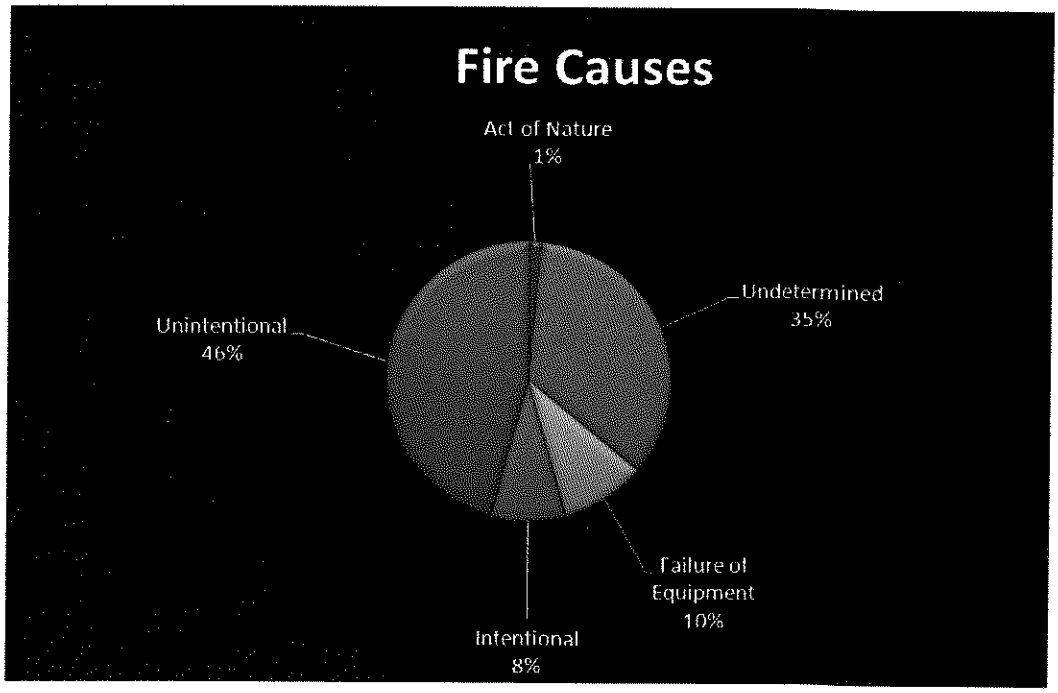
The Fire Marshal's Office is involved in the inspection process from the very beginning of a building development until the day the building opens to the public, and then at least every year thereafter. The Fire Marshal's Office conducts inspections during the Site/Civil phase, Building Construction Phases, and during building modifications. In addition, the Fire Marshal's Office conducts annual inspections in existing occupancies, State Mandated Licensing Inspections, Special Events Inspection, and other specialized permit inspections such as for Hazardous Materials and Rack Storage.

Plan Reviews



The Fire Marshal's Office plays a key role in the development process within the City of Rockwall. The Fire Marshal's Office is involved from the very early stages all the way until the opening day of a building and the business that occupies it, from concept to certificate of occupancy. The Fire Marshal's Office reviews Zoning Cases, Site Plans, Specific Use

Permits, Site/Civil Engineering Plans, Building Plans, Fire Protection Systems Plans, and Special System Plans such as electronic locking systems, Hazardous Materials, and High-Rack Storage Permits. In addition, The Fire Marshal's office is involved in the Special Event permitting process.



Building & Business Pre Incident Planning

In the last quarter of 2010, we began a new Building and Business Pre-Incent Planning Program. The Rockwall Fire Department is responsible to conduct Pre-Incident Plans, or pre-plans, on every commercial occupancy. Every building and business that is considered commercial property has a record in our reporting software. This program allows for vital information to be available to responding firefighters and the Incident Commander at all incidents.

Fire Investigations

The Fire Marshal's Office conducted 72 investigations to determine the cause. The investigators interview witnesses, collect evidence, write reports, and process cases all the way to the DA's office for prosecution if needed.

False Alarm Calls
Annual Report 2013

Total Alarms:	299(City and County)
Total False Alarms:	29

To: Chief Mark Poindexter
From: Battalion Chief Brett Merritt
Re: Applicant Status for 2013
Date: January 14, 2014.

2013 Beginning membership 34, current membership 29

1. **40** Total Applications received in 2013. Adams, Ashcraft, Baker, Barto, Bryan, Carter, Carter, Coates, Combs, Davis, Day, Dillard, Dower, Dudley, Gregory, Harvey, Houpt, Kelley, Leal, Lopez, McCormack, Moffat, Moreau, Najmabadi, Oloya, Oravsky, Osborn, Perez, Plexico, Poindexter, Points, Saliture, Stephens, Thorn, Vasquez, Waters,Wells, West, Wray.

2. **3** Applications withdrawn by the applicant: Poindexter, Plexico, Saliture

3. **2** applicants passed the PAT and then withdrew their applications: Ashcraft Moffat.

4. **1** applicants have been rejected due to issues that were found during the background check or oral review: Moreau.

5. **11** Applications were rejected due to applicants' failure to return phone calls or e-mail messages that were intended to schedule the applicant for the physical agility tests. I made multiple unsuccessful attempts to contact each applicant prior to this rejection: Carter, Coates, Dillard, Dudley, Harvey, Kelley, Leal, Perez, Waters, West, Wray.

6. **1** Applicant was disqualified due to confirming for and then failing to attend the PAT: Oloya

7. **30** Applicant were rejected due to not meeting residency requirements:

8. **9** Applicants are awaiting the next physical agility test: Baker, Barto, Bryan, Davis, Houpt, Lopez, Najmabadi, Orovsky, Vasquez.

9. **6** Applicants became recruits 2013: Day, Dower, Gregory, Points, Stephens, Thorn.

10. **1** Applicant is awaiting the oral review board. Wells

11. 2 Applicants have passed PAT and we are awaiting the return of background packet. Combs, McCormack

12. **1** member was removed from the department for failing to attend 25% of paged emergency calls for two years in a row. Colbert

13. **6** Volunteer Firefighters resigned from the department in 2012. Cruse, Walker, Whaley, Deleon, Gregory, Stephens.

14. **26** Scheduled Physical agility test/practice sessions. 10 were cancelled due to weather or no applicants for testing.

15. **0** volunteers are being placed on probation for failing to attend meet minimum response and training requirements for the year.

16. **4** Volunteer Firefighters were hired as full time driver operators.

2013 Structure Fire Report

6007 Volunteer Place

We responded to a report of a structure fire on December 08, 2013. The first unit arrived on scene and reported no smoke or flames visible from the outside. Upon entry into the residence firefighters discovered a small pile of trash and a cabinet on fire in the kitchen. The fire was quickly extinguished. Minimal damage was done to the residence and no firefighter injuries were reported on this incident.

The City of Rockwall City Council reserves the right to adjourn into executive session at any time to discuss any of the matters listed on the agenda above, as authorized by Texas Government Code § 551.071 (Consultation with Attorney) § 551.072 (Deliberations about Real Property) § 551.074 (Personnel Matters) and § 551.086 (Economic Development)

I, Kristy Ashberry, City Secretary for the City of Rockwall, Texas, do hereby certify that this Agenda was posted at City Hall, in a place readily accessible to the general public at all times, on the 14th day of February, 2014 at 5:00 p.m. and remained so posted for at least 72 continuous hours preceding the scheduled time of said meeting.

_____ _____

Kristy Ashberry, City Secretary — Date Removed

Jacky Casey, Assistant Secretary

MINUTES
ROCKWALL CITY COUNCIL
Tuesday, January 21, 2014
4:00 p.m. Regular City Council Meeting
City Hall, 385 S. Goliad, Rockwall, Texas 75087

I. CALL PUBLIC MEETING TO ORDER

Mayor Sweet called the meeting to order at 4:00 p.m. Present were Mayor David Sweet, Mayor Pro Tem David White and Councilmembers Jim Pruitt, Mike Townsend, Scott Milder, Bennie Daniels and Dennis Lewis. Also present were City Manager Rick Crowley, Assistant City Managers Mary Smith and Brad Griggs and City Attorney Steven Pena (filling in for Frank Garza). Mayor Sweet read the below listed discussion items into the public record before recessing the public meeting into Executive Session.

II. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding recent employment action taken pursuant to Section § 551.074 (Personnel Matters)
2. Discussion regarding land acquisition in the vicinity of the downtown area for municipal purposes pursuant to Section § 551.072 (Real Property).
3. Discussion regarding the city's Fixed Based Operator airport agreement pursuant to Section § 551.071 (Consultation with Attorney)
4. Discussion regarding the following legal claim: TF-Harbor LLC v. City of Rockwall, Texas and Rockwall Rental Properties L.P. pursuant to Section 551.071 (Consultation with Attorney)

III. ADJOURN EXECUTIVE SESSION

Executive Session was adjourned at 5:00 p.m.

IV. WORK SESSION (5:00 P.M.)

1. **CONDUCT INTERVIEWS FOR FIXED BASED OPERATOR SERVICES AT THE RALPH M. HALL / ROCKWALL MUNICIPAL AIRPORT AND TAKE ANY NECESSARY ACTION.**

The Council opened up the doors to the conference room after adjourning from Executive Session. Brief interviews were then conducted by the council with potential FBO operators, including Greg Shockley and Todd Parks. Mayor Sweet recessed the meeting until 6:00 p.m. following the conclusion of these interviews.

MINUTES
ROCKWALL CITY COUNCIL
Tuesday, January 21, 2014
6:00 p.m. Regular City Council Meeting
City Hall, 385 S. Goliad, Rockwall, Texas 75087

V. RECONVENE PUBLIC MEETING

Mayor Sweet reconvened the public meeting at 6:00 p.m. with all city council members present. Mayor Sweet introduced a local Cub Scout troop, explaining that members of the troop are visiting to observe a portion of the city council meeting this evening.

VI. TAKE ANY ACTION AS A RESULT OF EXECUTIVE SESSION

Mayor Sweet announced that there is no action to be taken as a result of Executive Session at this time.

VII. INVOCATION AND PLEDGE OF ALLEGIANCE – MAYOR PRO TEM WHITE

Mayor Pro Tem White delivered the invocation, and one of the visiting Cub Scout members led the Pledge of Allegiance.

VIII. CONSENT AGENDA

1. Consider approval of the minutes from the January 6, 2014 regular city council meeting, and take any action necessary.

2. Consider approval of the Contract for Election Services between the City of Rockwall, Rockwall County and the Rockwall Independent School District for a General Election to be held May 10, 2014, and take any action necessary.

3. **A2013-001**- Consider approval of an **ordinance** for a City initiated request to annex land in accordance with previously approved Chapter 212 Texas Local Government Code Development Agreements, specifically for four (4) tracts of land comprising approximately 42.482-acres of land situated in the W. W. Ford Survey, Abstract No. 80 and J. W. Pitman Survey, Abstract No. 181 and generally located contiguous to the existing city limits line west of SH-205 (S. Goliad Street) and south of FM-549 and specifically described as follows: (1)Tract 17-14 of the W. W. Ford Survey, Abstract No. 80 being 12.493-acres, (2) Tract 40 of the W. W. Ford Survey, Abstract No. 80 being 8.989-acres, (3) Tract 40-1 of the W. W. Ford Survey, Abstract No. 80 being 1-acre, (4) Tract 1-4 of the J. W. Pitman Survey, Abstract No. 181 being 20-acres. **(2nd Reading)**

4. Consider authorizing the City Manager to enter into a contract extension with Clean Harbors Inc. to manage Household Hazardous Waste Collection Day April 5, 2014 and take any action necessary.

5. Consider authorizing the City Manager to execute a purchase order with Caldwell Country (Chevrolet) for the purchase of a Suburban for Fire

Command operations in the amount of $45,388 funded with General Fund Reserves budget of $65,000 and take any action necessary.

6. Consider approval of Change Order No. 1 to Hill & Wilkinson General Contractors for the construction of additional two parking lots with the downtown project in the amount of $126,224.00 and funded by General Reserves, and take any action necessary.

7. Consider approval of a resolution establishing the pro rata equipment fee related to the city's mandatory neighborhood park land dedication regulations, and take any action necessary.

8. Consider approval of a resolution regarding the cost per acre for mandatory neighborhood park land dedication, and take any action necessary.

9. Consider approval of an ordinance amending the Code of Ordinances in Chapter 32 Signs, Article III. Regulations and Requirements, Division 2. Structural Standards, Section 32-204. Wall Signs and Division 6. Specific Sign Regulations, Section 32-306. Wall Signs to eliminate certain provisions regarding wall sign height, and take any action necessary. (2nd reading)

10. **P2013-042** - Consider a request by Drew Colon of Greener City Groups, Inc. for the approval of a final plat of Lots 1-14, Block 1, Shady Dale Estates Addition being a 4.32-acre tract of land identified as Tracts 4-13 & 4-14 of the Edward Teal Survey, Abstract 207, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 9 (PD-9) for Single Family Residential uses, located east of the intersection of Ridge Road [FM-740] and Shady Dale Lane, and take any action necessary.

11. **P2013-043** - Consider a request by Mushtak Khatri of the Tabani Group on behalf of T. Rockwall Phase 2, LLC for the approval of a final plat for Lot 5, Block A, Rockwall Commons Addition being a 3.802-acre parcel of land currently recognized as a one (1) acre parcel of land identified as Lot 1, Block 1, Independent Community Financial Corporation Addition and a 2.802-acre tract of land identified as Tract 6-2 of the B. J. T. Lewis Survey, Abstract No. 255 and the D. Atkins Survey, Abstract No. 1, both properties being zoned Planned Development District 1 (PD-1) for mixed use development, generally located on Ridge Road [FM-740] south of Summit Ridge Drive, and take any action necessary.

12. **P2013-044** - Consider a request by Jay Bedford of the A. J. Bedford Group, Inc. on behalf of BDC Family Limited Partnership for the approval of a replat for Lot 13, Block 1, Rockwall Centre Corners Addition being a 2.644-acre parcel of land currently identified as Lot 12, Block 1, Rockwall Centre Corners Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the IH-30 Overlay (IH-30 OV) District, the SH-205 (SH-205 OV) District and SH-276 (SH-276) District, and located at the northeast corner of the intersection of S. Goliad Street (SH-205) and SH-276, and take any action necessary.

Councilmember Daniels pulled item #10. Councilmember Lewis pulled item #6. Mayor Pro Tem White made a motion to approve the remaining Consent Agenda items (#1, 2, 3,

4, 5, 7, 8, 9, 11 and 12). Councilmember Lewis seconded the motion. The ordinances were read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 14-04

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, PROVIDING FOR THE EXTENSION OF CERTAIN BOUNDARY LIMITS OF THE CITY OF ROCKWALL, TEXAS AND THE ANNEXATION OF CERTAIN TERRITORY CONSISTING OF 42.482-ACRES OF LAND, WHICH SAID TERRITORY LIES ADJACENT TO AND ADJOINS THE PRESENT BOUNDARY LIMITS OF THE CITY OF ROCKWALL, TEXAS; PROVIDING FOR AN EFFECTIVE DATE.

CITY OF ROCKWALL, TEXAS
ORDINANCE NO. 14-07

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE CODE OF ORDINANCES IN CHAPTER 32 SIGNS, ARTICLE III REGULATIONS AND REQUIREMENTS, DIVISION 2. STRUCTURAL STANDARDS, SECTION 32-204. WALL SIGNS AND DIVISION 6. SPECIFIC SIGN REGULATIONS, SECTION 32-306. WALL SIGNS TO ELIMINATE CERTAIN PROVISIONS REGARDING WALL SIGN HEIGHT; PROVIDING FOR A PENALTY CLAUSE; PROVIDING FOR REPEALING, SAVINGS AND SEVERABILITY CLAUSES; PROVIDING FOR PUBLICATION; AND PROVIDING FOR AN EFFECTIVE DATE.

The motion passed unanimously of council (7 ayes to 0 nays).

Regarding Consent Agenda item #6, Councilmember Lewis indicated that he needs to recuse himself from any discussion and vote on this item due to a business-related conflict of interest. Mayor Pro Tem White made a motion to approve Consent Agenda item #6. Councilmember Daniels seconded the motion, which passed by a vote of 6 ayes with 1 abstention (Lewis).

Regarding Consent Agenda item #10, Councilmember Daniels indicated that he is opposed to this item, so he wanted to pull it to state so this evening. Mayor Pro Tem White then made a motion to approve this item. Councilmember Townsend seconded the motion, which passed by a vote of 5 ayes with 2 against (Milder and Daniels).

IX. APPOINTMENTS

1. Appointment with Rob Dixon of Hill & Wilkinson, General Contractors, and Michael Black with la terra studio, to hear and discuss a progress update of the Downtown Improvements Project, including the engineering and construction plans status for phase two, and take any action necessary.

Mr. Dixon came forth and provided a briefing to the council regarding construction progress in the downtown area and timeline estimates associated with future work. The Council took no action related to this agenda item.

2. Appointment with Freddie Jackson and representatives of the Southside Residential Overlay District to discuss zoning procedures, and take any action necessary.

Mr. Freddie Jackson
1812 Bristol Lane

Rockwall, Texas

Mr. Jackson indicated that he would like to propose that signage used for zoning notifications have larger print, more colors so they will stand out, and a diagonal type of positioning instead of 'straight on' so that such signs may be more easily read by those passing by. He suggested the Council also consider hand delivering zoning notification letters to residents, as this will be the only way to ensure residents receive such letters.

Councilmember Pruitt indicated that he gleaned from attending a recent Southside community meeting that the city could improve upon communication with residents with regards to proposed zoning cases. Councilmember Pruitt indicated that he may put forth a suggestion about mailing the notices certified mail to both the property owner and to the actual, physical address. He also has concerns that the signage on the property of a recently proposed zoning change was not seen by residents in the neighborhood.

Mr. Jackson went on to suggest that the 200 foot notice be broadened beyond this limited circumference so that more residents are made aware of proposed zoning changes. He also suggested that the city consider different colored text, such as red and larger font / text.

The council took no action related to this appointment item.

X. ACTION ITEMS

1. **Z2013-035** - Discuss and consider approval of an **ordinance** for a request by J. D. Jacobs, Jr. for the approval of a zoning change from Single Family 7 (SF-7) District to a Residential-Office (RO) District for a 0.661-acre tract of land identified as a portion of Lot 3 and all of Lot 4, Block G, Sanger Addition, Rockwall, Rockwall County, Texas, located east of the intersection of Peters Colony Drive and E. Bourn Street, and take any action necessary **(2nd Reading).**

Planning Director Robert LaCroix offered brief comments related to this agenda item, indicating that a public hearing has already been conducted on this item. At the last council meeting, the city council had asked that Mr. Jacobs meet with residents in the Southside neighborhood to further discuss this matter before considering second reading of the ordinance this evening. Mr. LaCroix indicated that this meeting was held on January 13, and staff did offer further information and zoning-related clarification to those in attendance as well as answer questions from those in the audience. Mr. Jacobs, the applicant, also conversed with residents who attended the meeting. Mr. LaCroix indicated that he is unsure if a positive resolution was reached during the meeting, as some seemed to remain in opposition to the proposed zoning change while some seemed to be in favor of it.

Mr. Anderson
Pastor, St. Paul AME Church
805 Peters Colony
Rockwall, TX

Mr. Anderson came forth, generally expressing concern about residents not having had knowledge of this proposed zoning change in a timely manner. He expressed the belief

that the process associated with this particular zoning change seemed to speed up when Mr. Sam Buffington was on his death bed. Overall, he strongly encouraged the council to vote 'no' regarding this proposed zoning change. He indicated that he originally heard about this proposed zoning change via 'word of mouth.'

Mr. Freddie Jackson
1812 Bristol Lane
Rockwall, Texas

Mr. Jackson came forth and showed a map of the overlay district of which the Southside community is a part, explaining its parameters. He explained the current zoning and the types of homes, families, people and facilities (churches) located in the area. He then shared a series of photographs of the homes and structures currently located in this neighborhood. He explained that he and the residents in the neighborhood see no reason to allow a "residential office" zoning for this property. He explained that the churches that exist are operating as churches, not as commercial-type uses. He generally urged the council to vote 'no' to this proposed zoning change and help keep the Southside a residential / family type community.

Councilmember Pruitt asked if the church were to someday sell, could it turn into a commercial use thereafter and be converted into offices. Mr. LaCroix indicated that, yes, this could happen.

Ms. Allen (speaking on behalf of the applicant) came forth and indicated that Enid Reyes with Lakepointe Church is considering placing a clinic in the location of the former Borne Avenue School.

Mayor Pro Tem White made a motion to deny the ordinance for Z2013-035. Councilmember Pruitt seconded the motion. The motion passed by a vote of 7 ayes to 0 nays.

2. Discuss and consider the city's process associated with proposed zoning change notifications, and take any action necessary.

Mayor Sweet began discussion of this item, indicating that both he and Councilmember Pruitt requested this agenda discussion item. He has concerns about zoning notifications, including the size of the sign, the fact that signs are single-sided, notification areas (suggested expanding the number of feet surrounding the proposed zoning change regarding mailing of notices), and notice of acceptance of said notifications.

Councilmember Pruitt indicated that the city spent $2,800 putting notices in the newspaper regarding the recent proposed zoning change, but he does not believe these published notices are effective in notifying residents, although, he indicated the city does the publications due to legal requirements. He suggested that the notice area be expanded from 200 to at least 500 feet surrounding the proposed zoning change. He would also like the notices to be certified mailed to not only the property owner on record but also the physical address of the property. Perhaps this will help renters be informed as well.

Councilmember Daniels indicated he totally agrees with Councilmember Pruitt's comments. In addition, he would like proposed zoning change signs to be 4'x5' to

ensure they are large enough to be seen. He also suggested they be positioned in a way they can be seen for those passing by, both coming and going.

Councilmember Milder indicated he supports these proposed, enhanced notification measures. He asked if the Planning staff will be able to accommodate these suggested measures. Mr. LaCroix indicated that making these sorts of changes will result in some level of increased cost, but it will likely be monetarily minimal if the regular U.S. Postal service is utilized. It will also take more staff time to separate and calculate the 'opposition' responses to delineate which of those are located within 200 feet and which are beyond the 200 feet. He explained that the percentages of opposition located within 200 feet makes a difference because, legally, it could trigger a different type of voting requirement (i.e. "super majority") on the part of the council.

Councilmember Lewis indicated he agrees with the signs being a bit larger and being a different color. He is unsure how much he agrees with the notification zone being expanded to five hundred feet. Discussion ensued regarding the length of advanced notification, including ten days versus fifteen advanced days prior to a Planning & Zoning Commission meeting. Mr. LaCroix pointed out that their Planning Department website always has notices posted along with pertinent information related to zoning cases that are in progress or upcoming.

Mr. Crowley indicated that if there are any increased costs associated with these notice changes, the council can choose to pass along these sorts of costs to the applicant making the zoning change request. He also pointed out that changing procedures to require a certified letter be sent and to require a "sign receipt" may trigger a resident having to travel to the post office in order to sign for the letter. He indicated that, while there may be some increased costs, the signage can be any size and color the council chooses.

Mayor Pro Tem White summarized that the council would like to see an expanded notification area, larger signage (passing along the increased costs to the applicants) (size 4'x4') and notices sent via Certified Mail.

Councilmember Pruitt offered brief comments related to estimated increases in costs associated with mailing notices to both the property owners and the actual property address, generally indicating the estimated increased costs are minimal.

Councilmember Daniels asked if SUP requests will be included in these changes. Mr. LaCroix indicated that, yes, these would be included. Mr. LaCroix indicated that there were 460 zoning-related requests last year.

City Attorney Frank Pena did clarify that for a home rule city such as Rockwall, publishing notice of public hearings in a newspaper is in fact required by law.

Mayor Sweet made a motion to expand the notification area to 500 feet, a 4'x4' sign be placed on the property with clearly understandable verbiage stating what the zoning is being proposed to change 'from' and 'to,' and the notifications to be sent via certified mail to both the property owner and the physical addresses (no return receipt necessary). Councilmember Pruitt seconded the motion.

Mayor Sweet restated his motion to clarify that he is calling for a 500 foot notification area, a 4'x4' sign that is front and back (double sided) with the proposed zoning change type clearly stated on the sign (change "from" / "to"), with certified mailings being sent to both the property owner listed on the tax rolls and the physical addresses of property owners within 500 feet, and with any increased costs being passed along to applicants.

Councilmember Pruitt seconded the motion. After brief comments, the motion passed by a vote of 7 ayes to 0 nays.

3. Discuss and consider approval of an **ordinance** amending Chapter 22, Article II of the City's Code of Ordinances to establish Section 22.71 regulating the purchase, sale, offer to sell, and ingestion of any e-cigarette smoking product to or by any minor, and take any action necessary. **(2nd reading)**

Councilmember Milder made a motion to approve the ordinance as presented. Councilmember Townsend seconded the motion. The ordinance was read as follows:

CITY OF ROCKWALL, TEXAS
ORDINANCE NO. 14-05

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE CITY CODE OF ORDINANCES TO ESTABLISH CHAPTER 22, ARTICLE II. OFFENSES REGARDING MINORS, SECTION 22-71. PURCHASE BY MINOR OF E-CIGARETTES, REGULATING THE PURCHASE, SALE, OFFER TO SELL, AND INGESTION OF ANY E-CIGARETTE SMOKING PRODUCT TO OR BY ANY MINOR; PROVIDING A PENALTY; PROVIDING A SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE.

The motion passed by a vote of 5 ayes with 2 nay (White and Pruitt).

4. Discuss and consider approval of an ordinance amending the Code of Ordinances in Chapter 32 Signs, Article III. Regulations and Requirements, Division 3. Functional Standards, Section 32-233. Changeable Electronic Variable Message Signs (CEVMs) to repeal this section in its entirety and provide for a new section 32-233, and take any action necessary. **(2nd reading)**

Mayor Sweet made a motion to approve the ordinance as presented. Councilmember Lewis seconded the motion. The ordinance was read as follows:

CITY OF ROCKWALL, TEXAS
ORDINANCE NO. 14-06

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE CODE OF ORDINANCES IN CHAPTER 32 SIGNS, ARTICLE III REGULATIONS AND REQUIREMENTS, DIVISION 3. FUNCTIONAL STANDARDS, SECTION 32-233. CHANGEABLE ELECTRONIC VARIABLE MESSAGE SIGNS (CEVM) TO REPEAL THIS SECTION IN ITS ENTIRETY AND PROVIDE FOR A NEW SECTION 32-233; PROVIDING FOR A PENALTY CLAUSE; PROVIDING FOR REPEALING, SAVINGS AND SEVERABILITY CLAUSES; PROVIDING FOR PUBLICATION; AND PROVIDING FOR AN EFFECTIVE DATE OF THIS ORDINANCE.

The motion passed by a vote of 6 ayes to 1 nay (White).

5. Discuss and consider an ordinance amending the city's Code of Ordinances in Chapter 10. Buildings and Building Regulations, Article XIII. Dangerous Buildings, Section 10-537. Procedure When Owner Fails to Comply to amend the minimum waiting period associated with the City conducting a building demolition, and take any necessary action. **(1st reading)**

Mr. Jeffrey Widmer, the city's Building Official, provided brief background information related to this agenda item, indicating that a recent change in state law now allows the waiting period regarding demolitions following a show cause hearing to be as short as thirty (30) days. Staff would like to see if council is interested in lowering the current ninety (90) day waiting period down to thirty days instead.

Councilmember Lewis made a motion to approve the ordinance as presented (at a thirty (30) day waiting period. Councilmember Milder seconded the motion. The ordinance was read as follows:

CITY OF ROCKWALL, TEXAS
ORDINANCE NO. 14-08

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE CODE OF ORDINANCES IN CHAPTER 10 BUILDINGS AND BUILDING REGULATIONS, ARTICLE XIII DANGEROUS BUILDINGS, SECTION 10-537. PROCEDURES WHEN OWNER FAILS TO COMPLY; TO AMEND THE 90 DAY DEMOLITION WAITING PERIOD TO 30 DAYS; PROVIDING FOR A PENALTY CLAUSE; PROVIDING FOR REPEALING, SAVINGS AND SEVERABILITY CLAUSES; PROVIDING FOR PUBLICATION; AND PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a vote of 7 ayes to 0 nays.

6. Discuss and consider citywide recycling program, including possible survey of residents regarding the program and associated monthly fee, and take any action necessary.

Rick Burnis, representing the city's solid waste contractor, Republic Waste, was present and came forth at this time. Councilmember Pruitt indicated that he requested this item be placed on the agenda tonight for council discussion. He generally expressed a desire to allow the citizens of Rockwall to choose whether or not they wish to participate in a recycling program instead of forcing it upon residents.

Councilmember Daniels made a comparison of charging residents for recycling to being charged property taxes that benefit the school district even though he has not had school aged children in local schools for more than thirty years. He suggested that sometimes things like this are just good for the community as a whole.

Councilmember Pruitt indicated that maybe the next time the city negotiates its solid waste contract, the contractor will absorb all of the costs associated with a recycling program such as the one currently in place in Rockwall. Councilmember Pruitt generally indicated he does not see a benefit "to the whole" as Councilmember Daniels alluded to.

Councilmember Townsend suggested that allowing residents to "opt in or out," address-by-address, will likely result in a much higher cost. He suggested that a program like this should either be "all or nothing" as far as resident participation.

Assistant City Manager Mary Smith indicated that a reduction in recycling could perhaps have the affect of increasing the solid waste side of the contract expenses due to increases in landfill fees.

Mr. Crowley, City Manager, indicated that staff will be glad to draft a survey for residents to bring back to the council for consideration at a future meeting date if the council so desires.

In 2013, the City of Rockwall recycled 3.4 million pounds of recycling material. The city has about a 40% participation rate in recycling currently. Mr. Burnis indicated he will be glad to evaluate the recycling program with staff. Mrs. Smith indicated that the current solid waste contract runs through the end of the year 2015.

Councilmember Milder asked if any residents have called the city to complain that they are being charged the .99 cents for the recycling program. Mrs. Smith indicated that she cannot recall any off hand.

Councilmember Milder suggested a 'multi subject' type survey be developed (including recycling and other city items of concern) if the city council chooses to move forward with conducting a survey of residents.

Councilmember Pruitt indicated that he did not realize, until recently, that he was being assessed this recycling charge. He suggested that the Republic Waste representatives meet with staff and then return to the city council to hold a work session to further discuss the financials.

Brief comments took place related to the recent ice storm cleanup efforts.

The council took no formal action related to this agenda item.

7. Discuss and consider appointments to the city's Art Review Team (ART) Commission, and take any action necessary.

Councilmember Milder indicated that he was the councilmember selected by the council to make recommendations regarding appointments to this Commission. During the discussion, Mr. Crowley indicated that about $73,000 in art-related funding will be available associated with the downtown improvements project. He stated that this ordinance was passed years ago as a way to fund public art. Assistant City Manager Brad Griggs suggested that the council may want staff to attempt to solicit applicants that would be qualified to serve on this five-member commission, as the required positions, according to the ordinance, are specific. The council took no action related to this agenda item at this time.

Mayor Sweet then read Executive Session discussion items #3, #2 and #4 below into the public record before recessing the public meeting back into Executive Session (at 7:50 p.m.).

3. Discussion regarding the city's Fixed Based Operator airport agreement pursuant to Section § 551.071 (Consultation with Attorney)

2. Discussion regarding land acquisition in the vicinity of the downtown area for municipal purposes pursuant to Section § 551.072 (Real Property).

4. Discussion regarding the following legal claim: TF-Harbor LLC v. City of Rockwall, Texas and Rockwall Rental Properties L.P. pursuant to Section 551.071 (Consultation with Attorney)

XI. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding recent employment action taken pursuant to Section § 551.074 (Personnel Matters)

2. Discussion regarding land acquisition in the vicinity of the downtown area for municipal purposes pursuant to Section § 551.072 (Real Property).

3. Discussion regarding the city's Fixed Based Operator airport agreement pursuant to Section § 551.071 (Consultation with Attorney)

4. Discussion regarding the following legal claim: TF-Harbor LLC v. City of Rockwall, Texas and Rockwall Rental Properties L.P. pursuant to Section 551.071 (Consultation with Attorney)

XII. RECONVENE PUBLIC MEETING & TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

Mayor Sweet reconvened the public meeting at 8:23 p.m. with all city council members (7) present. Mayor Pro Tem White made a motion to select Todd Parks, also known as Texas Air Center, as the city's Fixed Based Operator (FBO) for the Rockwall Municipal Airport and to authorize the city manager to pursue contract negotiations with this company. Councilmember Milder seconded the motion, which passed by a vote of 7 ayes to 0 nays.

XIII. ADJOURNMENT

The meeting was adjourned at 8:24 p.m.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 17th day of February, 2014.

THIS PAGE INTENTIONALLY LEFT BLANK

MINUTES
ROCKWALL CITY COUNCIL
Monday, February 03, 2014
4:00 p.m. Regular City Council Meeting
City Hall - 385 S. Goliad, Rockwall, Texas 75087

I. CALL PUBLIC MEETING TO ORDER

Mayor Sweet called the meeting to order at 4:00 p.m. Present were Mayor David Sweet, Mayor Pro Tem David White and Councilmembers Jim Pruitt, Mike Townsend, Scott Milder, Bennie Daniels and Dennis Lewis. Also present were City Manager Rick Crowley, Assistant City Managers Brad Griggs and Mary Smith, and City Attorney Frank Garza. Mayor Sweet then read the below listed discussion items into the public record before recessing the meeting into Executive Session.

II. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding Economic Development incentives, procedures and possible projects pursuant to Section 551.087 (Economic Development)

2. Discussion regarding legal options available against former city contractors pursuant to § 551.071 (Consultation with Attorney)

3. Discussion regarding land acquisition in the vicinity of the downtown area for municipal purposes pursuant to Section § 551.072 (Real Property).

4. Discussion regarding the following legal claim: TF-Harbor LLC v. City of Rockwall, Texas and Rockwall Rental Properties L.P. pursuant to Section 551.071 (Consultation with Attorney)

III. ADJOURN EXECUTIVE SESSION

Executive Session was adjourned at 5:20 p.m.

MINUTES
ROCKWALL CITY COUNCIL
Monday, February 03, 2014
6:00 p.m. Regular City Council Meeting
City Hall, 385 S. Goliad, Rockwall, Texas 75087

IV. RECONVENE PUBLIC MEETING

Mayor Sweet reconvened the public meeting at 6:00 p.m. All seven council members were present.

V. TAKE ANY ACTION AS A RESULT OF EXECUTIVE SESSION

Mayor Pro Tem White indicated there was no action to take as a result of Executive Session.

VI. INVOCATION AND PLEDGE OF ALLEGIANCE – MAYOR DAVID SWEET

Mayor David Sweet delivered the invocation and led the Pledge of Allegiance.

VII. OPEN FORUM

Mayor Sweet explained how Open Forum is conducted and then asked if anyone would like to address the council at this time.

Judith Matherne
1115 Signal Ridge
Rockwall, TX 75032

Mrs. Matherne came forth and thanked the council for the action they took at the last meeting which honored the wishes of residents in the Southside community who had opposed a particular, proposed zoning change.

Jennifer Norman
1408 Rapids Court
Rockwall, TX

Mrs. Norman came forth and indicated that she owns and operates JW Winery and KE Cellars in downtown Rockwall. She explained they have a "winery" license currently, and they would like to get a beer and wine license, which she has been told by TABC will require a 'food and beverage permit' (51% sale of food) in Rockwall. She explained there is no way for a kitchen to be put in to meet this requirement. So she asked if there is a way that the 'food and beverage permit' provision could be waived for her business. Or, if this is not possible, she wonders if the restaurants that she partners with to have food brought into her establishment (i.e. Zanatas and Pizza Cucina) could somehow count towards the food percentage requirement.

City Attorney Frank Garza indicated he will need to look into how the ballot language was worded when the election passed allowing alcohol sales in the city. He will also have to look into how the city defines "food service establishment" compared to how TABC

defines "food service establishment" and then get back to Mrs. Norman. It was agreed Mr. Garza would look into this further, and it would be discussed with Mrs. Norman.

Pastor Joe Robbins
St. Paul AME Church
805 Peters Colony

Mr. Robbins commended the city council for listening to the Southside community regarding the recently proposed zoning change.

Dwain Smith
2165 Hillcroft Drive
Rockwall, TX 75087

Mr. Smith came forward to indicate he would like to speak about the Rockwall Girls Softball Association (RGSA). Mayor Sweet asked Mr. Smith to wait, and he will move Action Item #3 up for discussion just after the Consent Agenda is addressed.

VIII. CONSENT AGENDA

1. Consider approval of a resolution calling the May 10, 2014 General Election for the purpose of electing city council members, one each for Place 2, 4, and 6, and take any action necessary.

2. Consider authorizing the City Council to award the Glenn Avenue Utility Rehabilitation Project construction contract to PC Contractors, in the amount of $452,009.04. Funding for this project is available from 2008 water/sewer revenue bonds, and take any action necessary.

3. Consider authorizing Council to approve an Interlocal Agreement with Rockwall County to permit and inspect sanitary sewer septic systems in the City of Rockwall, and take any action necessary.

4. Consider an **ordinance** amending the city's Code of Ordinances in Chapter 10. Buildings and Building Regulations, Article XIII. Dangerous Buildings, Section 10-537. Procedure When Owner Fails to Comply to amend the minimum waiting period associated with the City conducting a building demolition, and take any necessary action. **(2nd Reading)**

5. Consider authorizing the City Manager to execute a Field Use Agreement with Lake Pointe Church for ball field usage, and take any action necessary.

Mayor Pro Tem White pulled item # 2 from the Consent Agenda. Councilmember Pruitt pulled item #1.

Mayor Pro Tem White made a motion to approve the remaining items (#3, 4 and 5). Councilmember Townsend seconded the motion. The ordinance was read as follows:

CITY OF ROCKWALL, TEXAS
ORDINANCE NO. 14-08

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE CODE OF ORDINANCES IN CHAPTER 10 BUILDINGS AND

BUILDING REGULATIONS, ARTICLE XIII DANGEROUS BUILDINGS, SECTION 10-537. PROCEDURES WHEN OWNER FAILS TO COMPLY; TO AMEND THE 90 DAY DEMOLITION WAITING PERIOD TO 30 DAYS; PROVIDING FOR A PENALTY CLAUSE; PROVIDING FOR REPEALING, SAVINGS AND SEVERABILITY CLAUSES; PROVIDING FOR PUBLICATION; AND PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a vote of 7 ayes to 0 nays.

Regarding Consent Agenda item #1, Councilmember Pruitt offered a few, brief comments related to the memo and associated resolution. He then made a motion to approve item #1. Councilmember Lewis seconded the motion, which passed by a vote of 7 ayes to 0 nays.

Regarding Consent Agenda item #2, Mayor Pro Tem White indicated that staff has asked that this item be pulled for consideration at a later time.

Mayor Sweet then reordered the agenda to address Action Item #3 next.

IX. ACTION ITEMS

1. Discuss and consider a request from Trevor Arterburn with Houston's Drive Inn, LLC for a height, size and setback variance for a new monument sign to be located at 715 West Rusk Street and take an action necessary.

Mr. Jeffrey Widmer, Rockwall Building Official, came forth and provided brief, introductory comments related to this agenda item.

Mr. Trevor Arterburn then came forth and explained the nature of his variance request.

Mayor Pro Tem White made a motion to approve the sign variance. Councilmember Townsend seconded the motion. Councilmember Townsend expressed concern that where the sign sits may cause a traffic hazard in that it may cause a visibility and safety concern. Mr. Arterburn explained why he does not believe this will be a problem.

After brief discussion, the motion passed by a vote of 7 ayes to 0 nays.

2. Discuss and consider approval of an ordinance amending the city's Code of Ordinances in Chapter 32. Signs, Article I. In General. Section 32-1. Definitions to modify the definition of "sign, human," and take any action necessary.

Councilmember Pruitt indicated that he brought this item forth for discussion because of some things that have happened recently in other cities, things that really had more so to do with 'freedom of speech' than anything. He generally expressed the belief that our city's current definition of 'human sign' needs some tweaking if it is even to remain at all.

Mayor Pro Tem White made a motion to repeal the entire portions of the sign ordinance regulations that deal with "human signs," including the associated definition of such. Councilmember Pruitt seconded the motion.

The motion passed by a vote of 7 ayes to 0 nays.

The council next addressed the departmental and city managers reports on the agenda.

3. Discuss status of the girls' softball program and take any action necessary.

Councilmember Jim Pruitt indicated he placed this item on tonight's agenda for discussion. Mr. Shawn Britton (1080 Midnight Pass Rockwall, TX) came forth and read a pre-written letter to the city council on behalf of the the Rockwall Girls Softball Association Board of Directors. In it, he generally expressed a desire to continue partnering with the city to allow girls on the RGSA to practice and play on Rockwall fields. He explained that a proposed field use agreement was recently given to Brad Griggs, and he hopes this agreement will be forthcoming to the council for consideration in the next few weeks, as time is of the essence regarding securing practice and playing fields. During the discussion, Mr. Britton expressed general concern related to the current dynamics associated with the long-standing partnership between the RGSA and the City of Rockwall.

Councilmember Townsend asked Mr. Britton why he so strongly believes that the RGSA league is better and will succeed more so than the city's newly formed RBSA league. Mr. Townsend went on to express deep concern about past meetings and conversations that were had between the City Council Sports Subcommittee and the RGSA league, generally indicating he thought any concerns had already been addressed.

Councilmember Pruitt indicated he had a discussion last week with one of the RGSA board members that led him to believe RGSA would like to reach some sort of compromise with the city regarding these leagues; however, since that conversation and over the weekend, he has not heard anything from the RGSA about facilitating such discussions. He encouraged the RGSA to take action to reach out to the city council and/or staff to have said dialogue soon if they so desire.

Councilmember Lewis asked why the RGSA does not wish to mesh and blend with the city's new league. Mr. Britton generally indicated that his league has been in existence for a long time, and it is like a big family. Girls who play in the league would like to continue to play on the same teams they have been accustomed to playing on. Councilmember Lewis expressed concern, indicating he does not understand why, if everyone is only concerned about the girls who want to play, these conversations are even taking place.

Councilmember Milder indicated that Rockwall is now a city of more than 40,000 population, and it is now in a position to take over and organize a successful league. He explained that in years past, when the RGSA was organizing things, the city was much smaller and it made sense at the time. He explained that administering a league via the city and city staff seems to make the most sense at this time because it takes the burden of registrations, acceptance of money and organization of teams off of volunteers in the RGSA league; however, it still allows coaching to continue to take place with volunteer coaches who wish to do so.

Mayor Sweet expressed concern with the city and the RGSA both digging their heels in, which is resulting in division of girls between these two leagues.

Councilmember Townsend suggested that the RGSA request a meeting with the city. He asked RGSA to come up with a proposal they want the Council to consider and then approach the city to have discussions about reaching a compromise.

During the discussion, Councilmember Daniels asked if all the obligations of the 2013 contract had been fulfilled by both the RGSA and the city. Mr. Griggs, Assistant City Manager and Director of Parks & Recreation, indicated that no, they had not. He further indicated that dues to the city for non-resident players had not been paid by the RGSA.

Mayor Sweet made a motion to have the city council sports subcommittee and city staff schedule and hold a meeting by the end of this week with representatives of the RGSA league. Councilmember Daniels seconded the motion.

Brian Martin
10610 Waterview Parkway
Rowlett, TX 75089

Mr. Martin came forth and indicated he is a resident of Rowlett but he has a daughter who has been playing on a softball team through RGSA, and she would like to continue playing on that same team. He explained he inquired about the new league by calling a city staff member, and he was told his daughter needed to sign up with the city's new league or else she would not be able to play. He expressed deep concern about the division and tension between the city and the RGSA, as he believes it is adversely affecting the girls who want to play. He expressed that the conversation he had with the city staff member with whom he spoke after receiving the letter from the city was not perceived by him as a pleasant one.

Justin Jeffus
581 Lone Rider Court
Rockwall, TX 75087

Mr. Jeffus expressed concern that the city seems to be focusing mainly on boys baseball rather than girls, and he has concerns about having two different sets of Rockwall girls playing in two different leagues.

Jay Baker
1475 Lochspring Drive
Rockwall, TX

Mr. Baker came forth, indicating he is the president of the RGSA league, and he suggested, as a starting point, that the city consider allowing RGSA to run the citywide league (only one league, not two), and then have Mr. Evans (city's program director) have a seat on his RGSA board.

Councilmember Pruitt briefly stepped out of the chambers. Upon his return, he indicated that the RGSA board member with whom he had the discussion last week indicated there had been some miscommunication because he was under the impression that any discussions about compromise would be facilitated and take place after tonight's city council meeting.

After additional, brief comments the motion made by Mayor Sweet and seconded by Councilmember Daniels passed unanimously of council (7 ayes to 0 nays).

Action Item #1 was addressed next by city council.

X. CITY MANAGER'S REPORT TO DISCUSS CURRENT CITY ACTIVITIES, UPCOMING MEETINGS, FUTURE LEGISLATIVE ACTIVITIES, AND OTHER RELATED MATTERS.

1. Departmental Reports
Animal Shelter Monthly Report - December 2013
Building Inspections Monthly Report - December 2013
Finance Department Monthly Report - December 2013
Harbor PD Monthly Report December 2013
Fire Department Monthly Reports - December 2013
2013 Fire Dept. Annual Report
Internal Operations Department Monthly Report - December 2013
Police Department Monthly Report
Recreation Monthly Report December 2013
Quarterly Report from Rockwall County Committee on Aging

2. City Manager's Report

City Manager Rick Crowley pointed out that the departmental reports were included in council member packets, and he asked if anyone has any questions relative to those reports. No questions were brought forth by council.

XI. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding Economic Development incentives, procedures and possible projects pursuant to Section 551.087 (Economic Development)

2. Discussion regarding legal options available against former city contractor pursuant to § 551.071 (Consultation with Attorney)

3. Discussion regarding land acquisition in the vicinity of the downtown area for municipal purposes pursuant to Section § 551.072 (Real Property).

4. Discussion regarding the following legal claim: TF-Harbor LLC v. City of Rockwall, Texas and Rockwall Rental Properties L.P. pursuant to Section 551.071 (Consultation with Attorney)

XII. RECONVENE PUBLIC MEETING & TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

The council did not reconvene back into Executive Session at the close of the public meeting agenda.

XIII. ADJOURNMENT

Mayor Sweet adjourned the meeting at 7:19 p.m.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 17th day of February, 2014.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 2/17/2014

APPLICANT: R.L. Goodson Consulting Eng

AGENDA ITEM: **P2014-003;** YMCA Replat

SUMMARY:

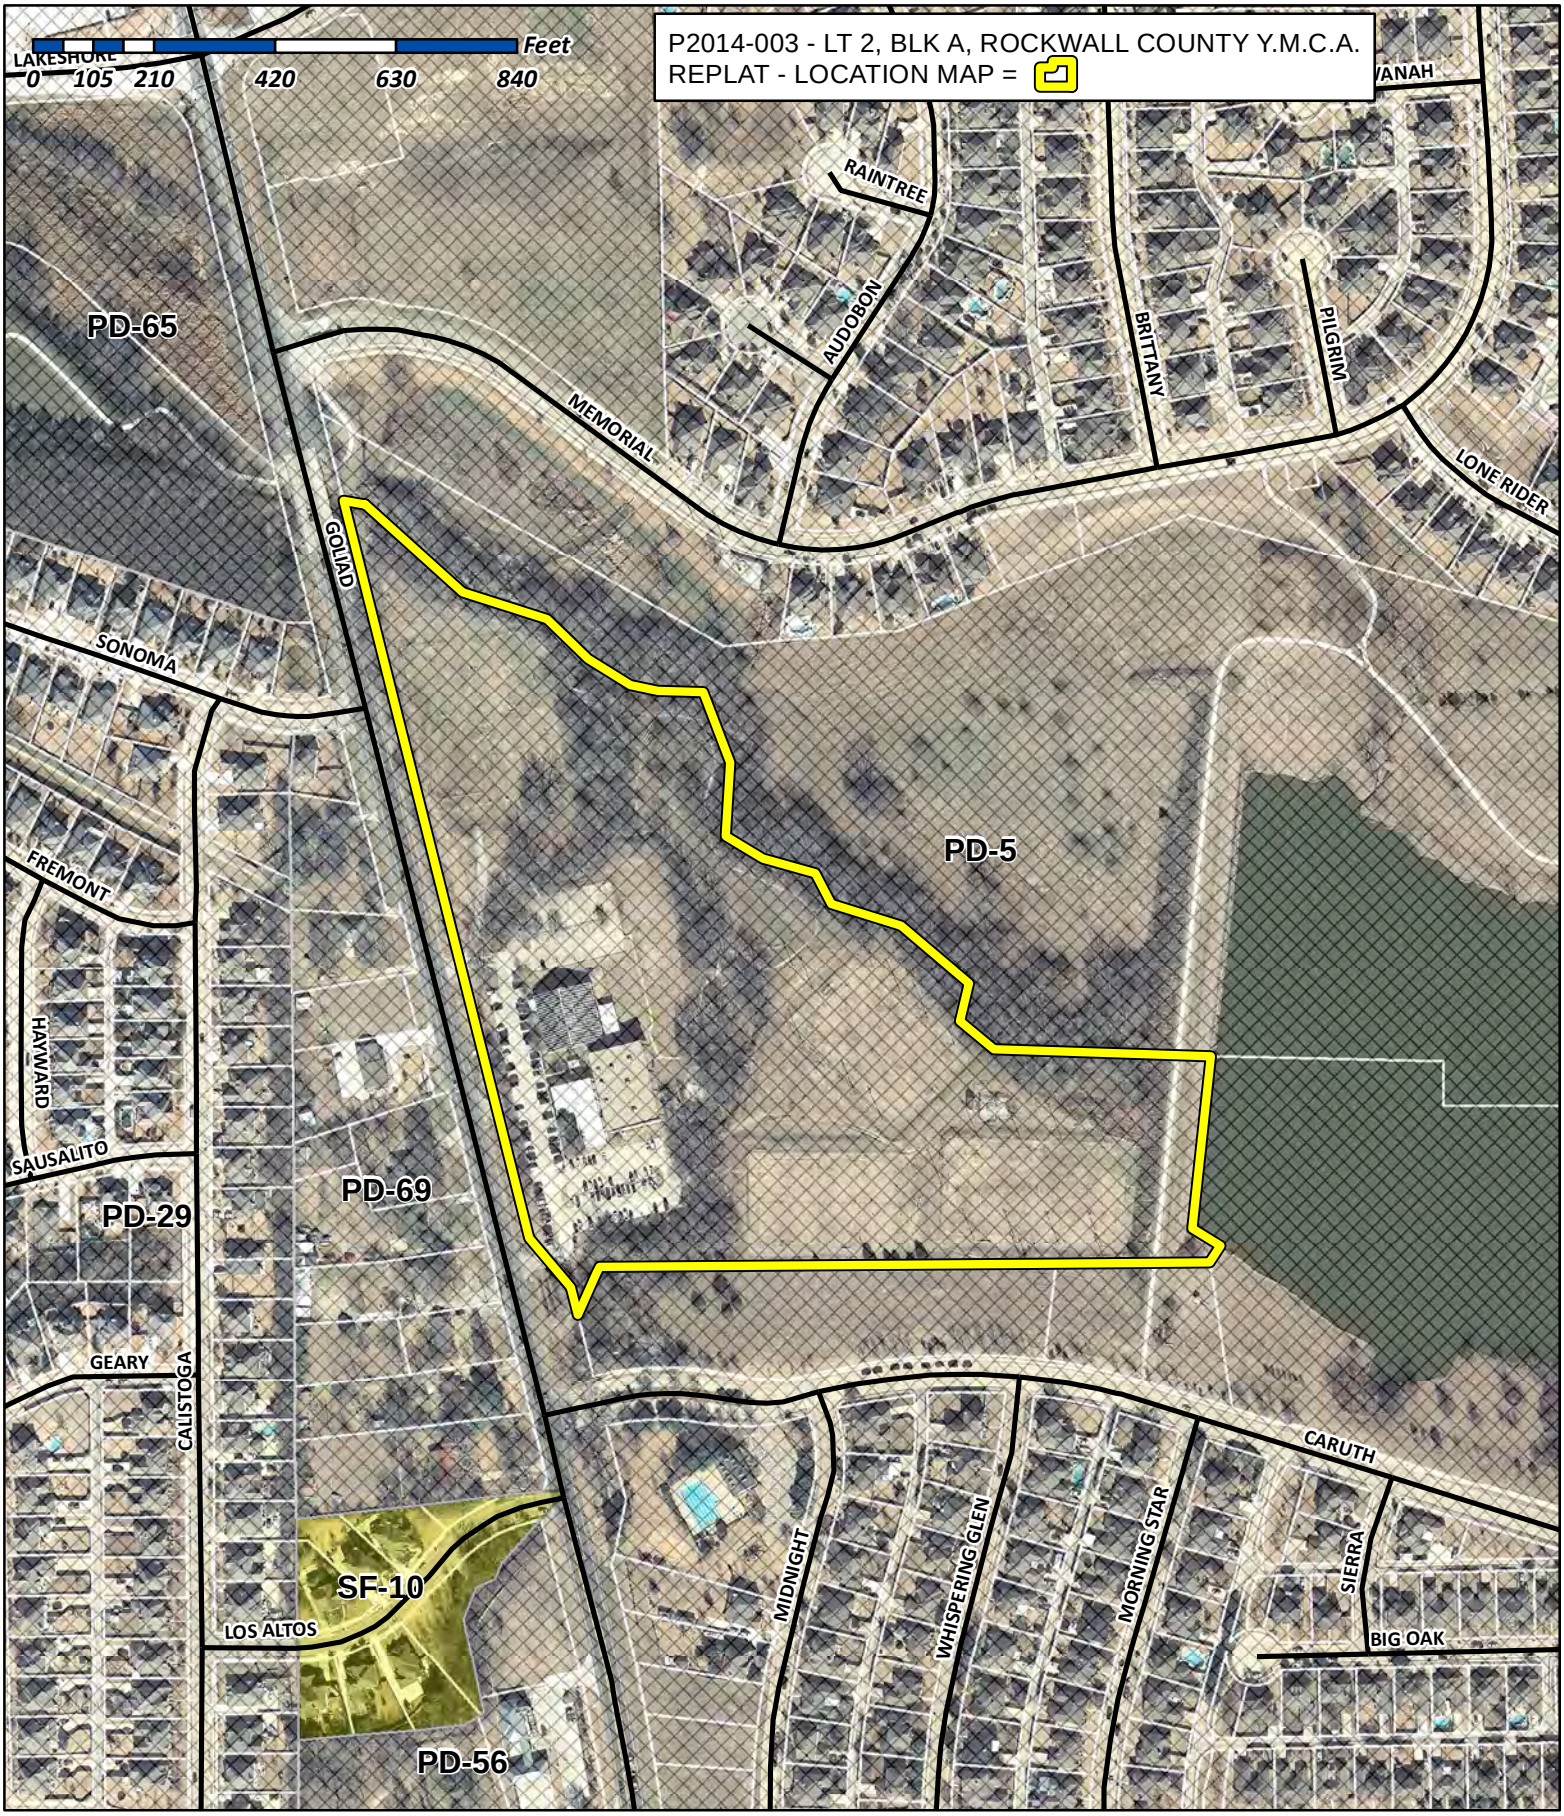
Discuss and consider a request by R.L. Goodson Consulting Engineers on behalf of the YMCA of Dallas for the approval of a replat for Lot 2, Block A, Rockwall County Y.M.C.A. containing one (1) non-residential lot, zoned Planned Development District 5 (PD-5), on 21.378-acres, currently identified as Lot 1, Block A, Rockwall County Branch Y.M.C.A., City of Rockwall, Rockwall County, Texas, situated within the North SH-205 Overlay (N SH-205 OV) District, located on the east side of SH-205 north of Caruth Lane, and take any action necessary.

COMMENTS:

- The purpose of this replat is to indicate easements required for the expansion of the YMCA.

- The Engineer has completed the technical revisions requested by staff, and this plat is recommended for conditional approval pending the completion of final technical modifications and submittal requirements required for the recordation by the applicant or owner.

- Conditional approval of this plat by the City Council shall constitute approval subject to the conditions stipulated in the Recommendation section below.

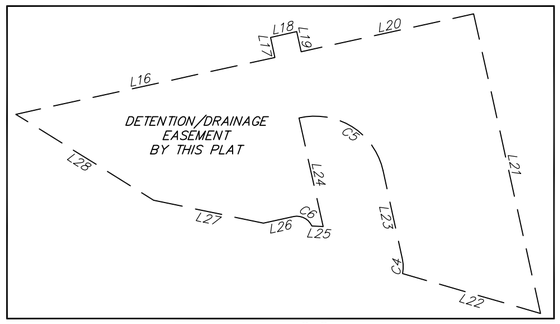


With the exception of the items listed in the Recommendation section of this case memo, this plat is in substantial compliance with the requirements of the Subdivision Ordinance in the Municipal Code of Ordinances

RECOMMENDATIONS:

If the Planning & Zoning Commission and City Council choose to approve the replat for Lot 2, Block A, Rockwall County Y.M.C.A., the following conditions of approval are offered:

1) All the technical comments from the Engineering, Planning and Fire Departments shall be addressed prior to the filing of this plat;



2) Any construction resulting from the approval of this final plat shall conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

OWNER'S CERTIFICATE

STATE OF TEXAS §
COUNTY OF ROCKWALL §

WHEREAS, Y.M.C.A. of Dallas, BEING THE OWNER OF A TRACT OF land situated in the Samuel S. McCurry Survey, Abstract No. 146, City of Rockwall, Rockwall County, Texas, as conveyed to Y.M.C.A. of Dallas by Warranty Deed recorded in Volume 152, Page 77, Deed Records, Rockwall County, Texas, and being all of Lot 1, Block A, Rockwall County Branch Y.M.C.A., an addition to the City of Rockwall according to the plat recorded in Cabinet B, Slide 33, Plat Records, Rockwall County, Texas, and being more particularly described as follows:

BEGINNING at a 1/2" iron rod found in the east line of State Highway No. 205, North Goliad Street (variable width right-of-way, 150' wide at this point), said rod being the most westerly northwest corner of Caruth Lake Phase One, an addition to the City of Rockwall according to the plat recorded in Cabinet C, Slide 208, Plat Records, Rockwall County, Texas;

THENCE North 13° 02' 30" West along the east line of said State Highway No. 205 a distance of 50.40 feet to 1/2" iron rod with yellow plastic cap stamped "RLG INC" set for corner;

THENCE North 39° 33' 24" West continuing along the east line of said State Highway No. 205 a distance of 84.00 feet to a chiseled "X" set for corner;

THENCE North 13° 02' 30" West continuing along the east line of said State Highway No. 205, passing at a distance of 1,282.64 feet a 1/2" iron rod with yellow plastic cap stamped "RLG INC" set for witness corner, continuing a total distance of 1,342.64 feet to a point for corner in the center of Squabble Creek and the southwest line of a tract of land conveyed to the City of Rockwall by Quit Claim Deed recorded in Volume 3907, Page 143, Deed Records, Rockwall County, Texas;

THENCE along the common line between said City of Rockwall tract and said Lot 1 and along the meanders of Squabble Creek as follows:

South 77° 01' 40" East a distance of 17.26 feet to a point for corner;

South 48° 04' 10" East a distance of 176.19 feet to a point for corner;

South 49° 15' 19" East a distance of 59.25 feet to a point for corner;

South 71° 47' 29" East a distance of 153.39 feet to a point for corner;

South 44° 44' 06" East a distance of 97.52 feet to a point for corner;

South 55° 54' 34" East a distance of 83.62 feet to a point for corner;

South 77° 31' 01" East a distance of 48.72 feet to a point for corner;

South 89° 00' 07" East a distance of 82.03 feet to a point for corner;

South 19° 44' 10" East a distance of 132.72 feet to a point for corner;

South 05° 23' 42" West a distance of 126.89 feet to a point for corner;

South 58° 32' 41" East a distance of 79.12 feet to a point for corner;

South 75° 09' 27" East a distance of 91.80 feet to a point for corner;

South 25° 55' 46" East a distance of 62.56 feet to a point for corner;

South 72° 15' 30" East a distance of 126.26 feet to a point for corner;

South 49° 44' 27" East a distance of 155.37 feet to a point for corner;

South 13° 48' 25" West a distance of 67.87 feet to a point for corner;

South 49° 10' 04" East a distance of 77.28 feet to a point for corner;

South 88° 11' 53" East passing at a distance of 313.69 feet a chiseled "X" set for witness corner, continuing a total distance of 379.69 feet to a point for corner in Caruth Lake, said point being the northwest corner of tract of land conveyed to the City of Rockwall by Quitclaim Deed recorded in Volume 2770, Page 151, Deed Records, Dallas County, Texas;

THENCE South 07° 32' 20" West along said City of Rockwall tract a distance of 303.16 feet to a point for corner in Caruth Lake, from which a chiseled "X" set for witness corner bears South 89° 59' 50" West a distance of 66.00 feet;

THENCE South 57° 12' 00" East along said City of Rockwall tract a distance of 57.95 feet to a point for corner in Caruth Lake;

THENCE South 32° 48' 00" West along said Rockwall tract a distance of 35.00 feet to a 1/2" iron rod with yellow plastic cap stamped "RLG INC" set for corner, being a common corner with said City of Rockwall tract and a tract of land conveyed to Robert S. Whittle by Special Warranty Deed and Bill of Sale recorded in Volume 694, Page 47, Deed Records, Rockwall County, Texas;

THENCE North 90° 00' 00" West along the north line of said Whittle tract, passing at a distance of a 279.34 feet the common corner between said Whittle tract and said Caruth Lake addition, continuing along the north line of said Caruth Lake addition, passing at a distance of 1047.00 feet a 1/2" iron rod with yellow plastic cap stamped "RLG INC" set for witness corner, continuing a total distance of 1,067.00 feet to a point for corner in the center of a creek;

THENCE South 10° 43' 51" West along the north line of said Caruth Lake addition a distance of 9.04 feet to a point for corner in said creek;

THENCE South 25° 43' 41" West along said Caruth Lake addition a distance of 84.07 feet to the **POINT OF BEGINNING** and containing 931,233 square feet or 21.378 acres, more or less.

STATE OF TEXAS
COUNTY OF ROCKWALL

We the undersigned owners of the land shown on this plat, and designated herein as the **ROCKWALL COUNTY BRANCH Y.M.C.A.** subdivision to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, watercourses, drains, easements and public places thereon shown on the purpose and consideration therein expressed. We further certify that all other parties who have a mortgage or lien interest in the **ROCKWALL COUNTY BRANCH Y.M.C.A.** subdivision have been notified and signed this plat.

We understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same. we also understand the following;

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of their respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maintaining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, storm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or

Until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer and/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as progress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or

Until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

We further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the Subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; We, our successors and assigns hereby waive any claim, damage, or cause of action that we may have as a result of the dedication of exactions made herein.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 02/17/2014

APPLICANT: Ronald Valk

AGENDA ITEM: **P2014-004**; Lot 1, Block 1, Valk Rockwall Addition

---

SUMMARY:

Discuss and consider a request by Ronald Valk for the approval of a final plat for Lot 1, Block 1, Valk Rockwall Addition being a 4 .264-acre tract of land located within the ext raterritorial jurisdiction of the City of Rockwall and situate d in the Joseph Strickla nd Survey, Abstract No. 187, Rockwall County, Texas, and located on the east side of SH-205 north of F. M. 552, and take any action necessary.

COMMENTS:

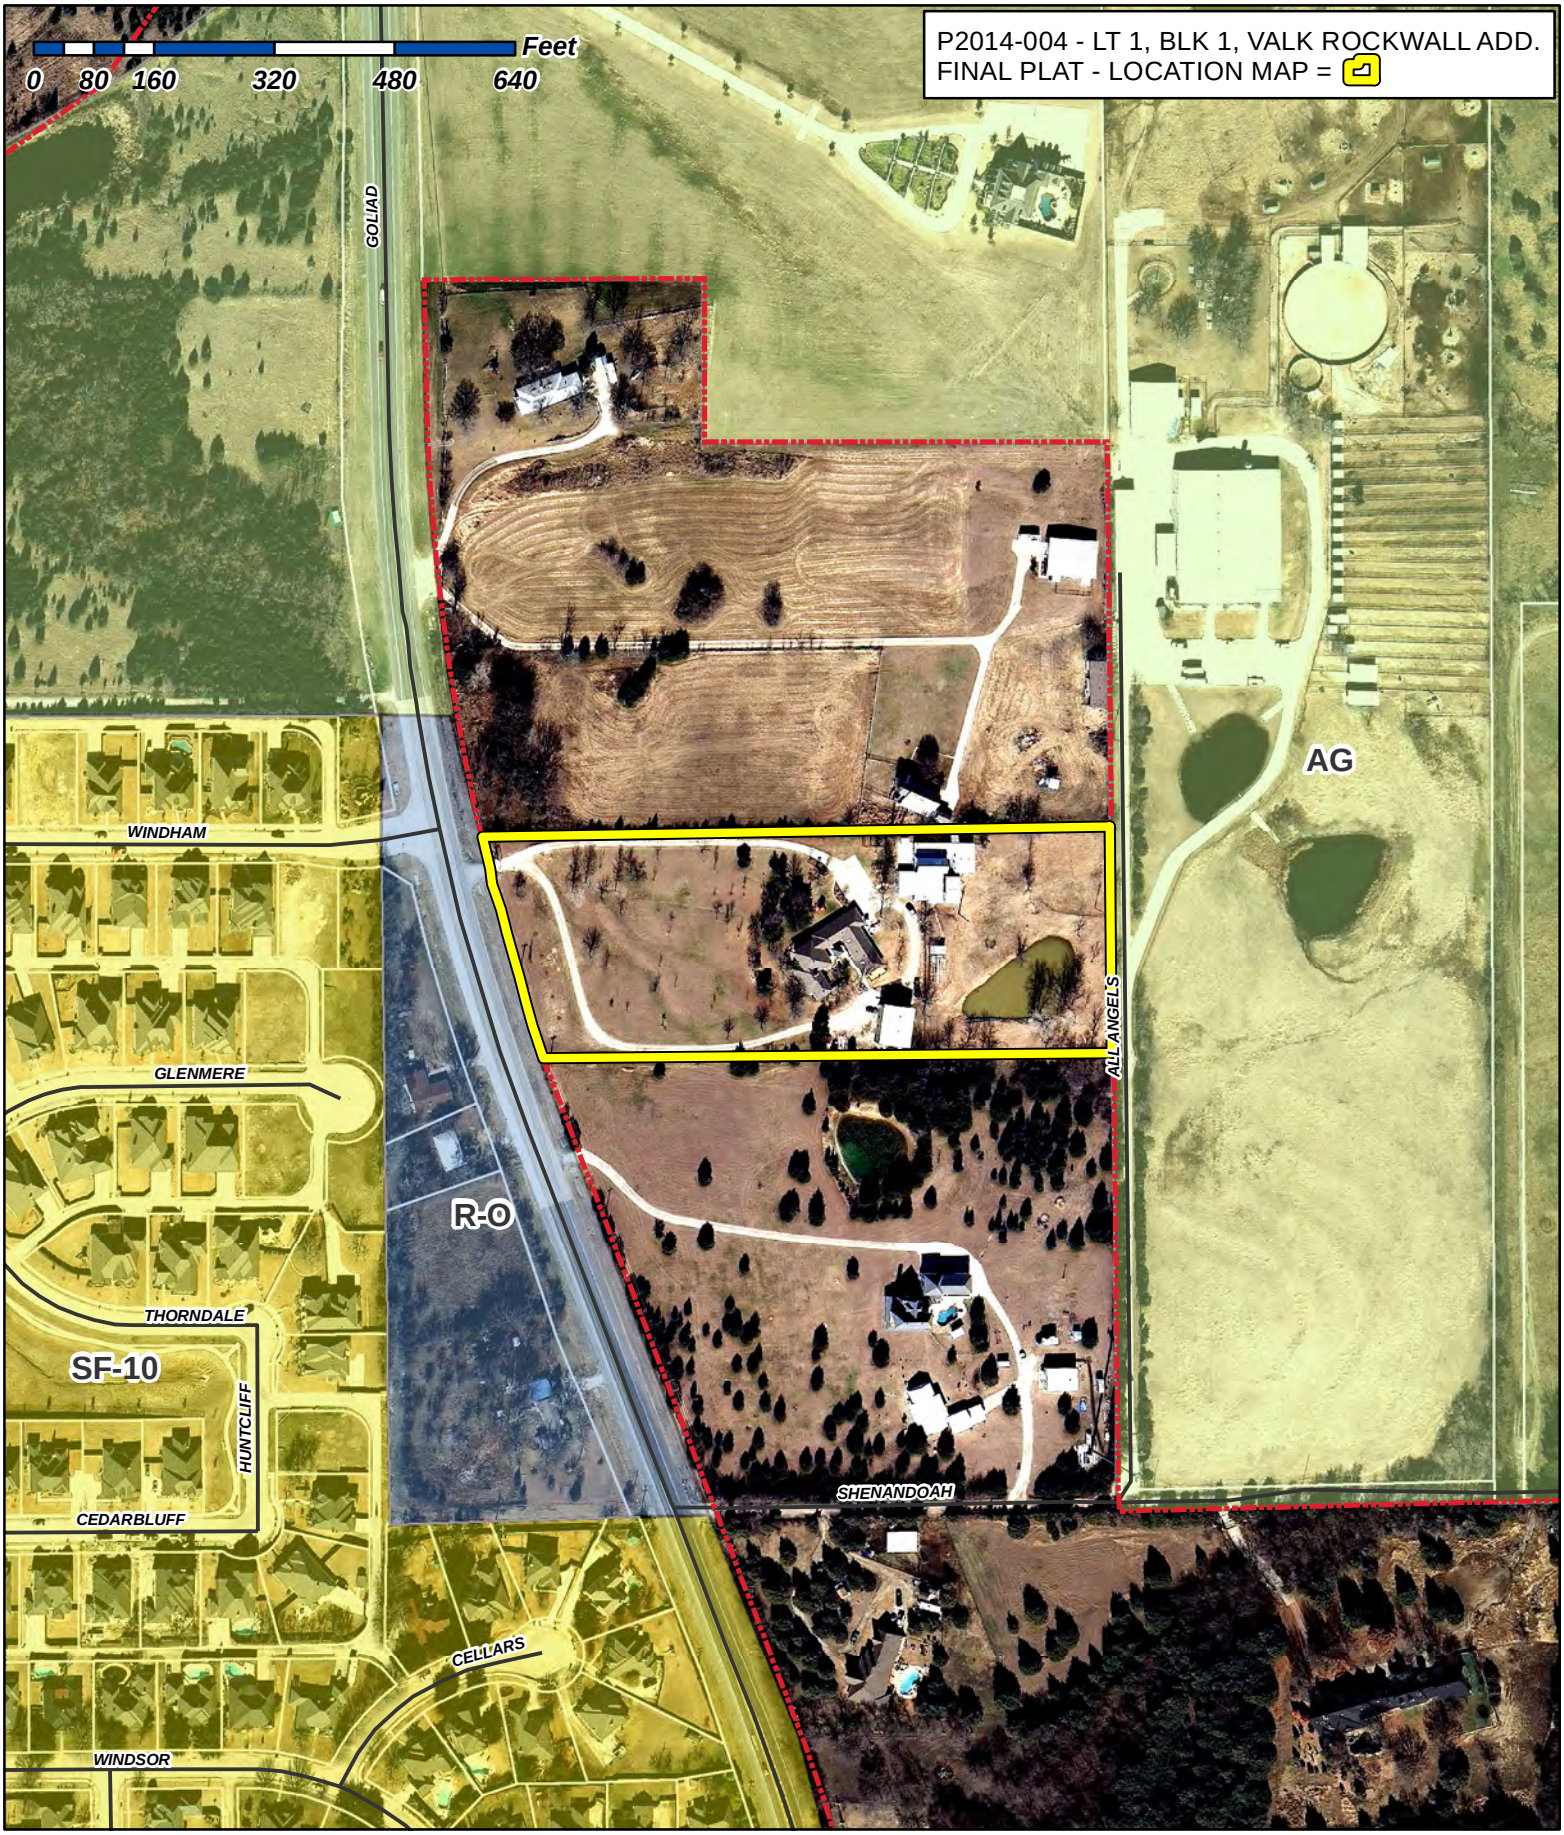
- ✓ The objective of this request is to final plat a 4.264-acre tract of land into one (1) non-residential lot in conformance with the requirements of a 212 Development Agreement that was approved by City Council. The subject property is located within t he Extra Territorial Jurisdiction (ETJ) of the City of Rockwall and is being operated as a mini-warehouse facility.

- ✓ The Surveyor has completed the majority of the technical revisions requested by staff, and this plat, conforming to the requirements for final p lats as stated in the Su bdivision Ordinance in the Municipal Code of Ordinances, is recommended for conditional a pproval pending the completion of final technical modifications and submittal requirements.

- ✓ Conditional approval of this plat by t he City Council shall constitute approval subject to the conditions stipulated in the *Recommendation* section below.

With the exception of t he items listed in the *Recommendation* section of this case memo, this plat is in substantial compliance with the requirements of the *Subdivision Ordinance* in the Municipal Code of Ordinances.

RECOMMENDATIONS:



If the Planning & Zoning Commissio n and City Council choose to approve the final plat of *Lot 1, Block 1, Valk Rockwall Addition* staff would recommend conformance with the following conditions of approval:

1) All technical comments from the Engi neering, Planning and Fire Departments shall be addressed prior to the filing of this plat;

2) Any construction resu lting from the approval of this *final plat* shall conform to the requirements set forth by the Unified Development Code, the 2009 I nternational Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regula tory requirements admi nistered and/or enforced by the state and federal government.

PLANNING & ZONING COMMISSION:

On February 11, 2014, the Planning & Zoning Commission approved the final plat per staff's recommendations by a vote of 6 to 0, with Commissioner Minth absent.

PROPERTY DESCRIPTION

BEING a tract of land situated in the Joseph Strickland Survey, Abstract No. 187, City of Rockwall, Rockwall County, Texas and being all of that certain tract of land conveyed to Ronald C. Valk by Warranty Deed recorded in Volume 6363, Page 130, Deed Records, Rockwall County, Texas and being more particularly described as follows:

BEGINNING at a 1/2 inch iron rod found for corner in the East ROW line of State Highway 205 (a variable ROW), being at the Southwest corner of said Valk Tract and the Northwest corner of a tract of land conveyed to Aaron and Hellen Byrd by Deed recorded in Volume 6416, Page 106, Deed Records, Rockwall County, Texas, said iron rod being North 21 degrees 10 minutes 20 seconds West, a distance of 150.00 feet from a 1-inch iron pipe found at the Southwest corner of said Byrd Tract and the Northwest corner of a tract of land conveyed to Daniel and Kay Strong by Deed recorded in Volume 1823, Page 224, Deed Records, Rockwall County, Texas;

THENCE: North 21 degrees 10 minutes 20 seconds West, along the East ROW line of State Highway 205 and the West line of said Valk Tract, a distance of 176.63 feet to a 1/2 inch iron rod found at the beginning of a curve to the left, having a central angle of 01 degrees 59 minutes 53 seconds, a radius of 2836.19 feet and a chord bearing North 20 degrees 09 minutes 29 seconds West, a distance of 98.90 feet;

THENCE: Northwesterly, along the East ROW line of State Highway 205 and the West line of said Valk Tract and along said curve to the left, an arc distance of 98.90 feet to a 3/8 inch iron rod found at the Northwest corner of said Valk Tract and the Southwest corner of a tract of land conveyed to Jennifer A. Peters by Deed recorded in Volume 1784, Page 236, Deed Records, Rockwall County, Texas;

THENCE: North 89 degrees 05 minutes 59 East, departing the East ROW line of State Highway 205, along the common line of said Valk Tract and said Peters Tract, a distance of 763.28 feet to a 1/2 inch iron rod found in the West ROW line of All Angels Hill Lane (a private ROW), said iron rod being at the Northeast corner of said Valk Tract and the Southeast corner of said Peters Tract;

THENCE: South 00 degrees 57 minutes 31 seconds East, along the West ROW line of All Angels Hill Lane and the East line of said Valk Tract, a distance of 259.05 feet to a 1/2 inch iron rod found at the Southeast corner of said Valk Tract and the Northeast corner of said Byrd Tract;

THENCE: South 89 degrees 05 minutes 58 seconds West, departing the West ROW line of All Angels Hill Lane, along the common line of said Valk Tract and said Byrd Tract, a distance of 669.73 feet to the PLACE OF BEGINNING and containing 4.264 acres of land.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

We the undersigned owners of the land shown on this plat, and designated herein as the **VALK ROCKWALL ADDITION**, a subdivision to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, watercourses, drains, easements and public places thereon shown on the purpose and consideration therein expressed. We further certify that all other parties who have a mortgage or lien interest in the **VALK ROCKWALL ADDITION** have been notified and signed this plat.

We understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same. We also understand the following:

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of their respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maintaining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

_____ _____
Rockwall County Judge Date

6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, storm structures, storm sewer, and alleys, all according to the specifications of the City of Rockwall; or

Until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer and/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as progress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or

Until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

We further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the Subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; We, our successors and assigns hereby waive any claim, damage, or cause of action that we may have as a result of the dedication of exactions made herein.

City of Rockwall
The New Horizon

MEMORANDUM

TO: Rick Crowley, City Manager

FROM: Timothy M. Tumulty, Director of Public Works/City Engineer

DATE: February 10, 2014

SUBJECT: SH 205 Speed Limit Reduction

The current speed limit on SH 205 from Darrin Drive to FM 552/Dalton Road is 55 miles per hour. Staff has received complaints that this speed was too fast for the developed conditions adjacent to the roadway. The roadway is under the Texas Department of Transportation (TxDOT) responsibility and maintenance. Staff requested TxDOT to perform a speed study to determine the appropriate speed for this roadway. The results of the speed study recommend decreasing the speed limit along SH 205 between Darrin Drive and FM 552/ Dalton Road from 55 mph to 50 mph.

To proceed with the changing of the speed limit, TxDOT requires an approved City ordinance matching the zones on the speed study. Upon receiving the executed ordinance, TxDOT will furnish and install the necessary signs at the proper locations.

Staff requests City Council consideration to approve the attached ordinance establishing the speed limit along SH 205 from Darrin Drive to FM 552/Dalton Road to 50 miles per hour and take any action necessary.

If you have any questions, please advise.

NO. _____

SPEED ZONE ORDINANCE

AN ORDINANCE ALTERING THE PRIMA FACIE SPEED LIMITS ESTABLISHED FOR VEHICLES UNDER THE PROVISIONS OF TRANSPORTATION CODE, SECTION 545.356 UPON STATE HIGHWAY NO. 205 OR PARTS THEREOF, WITHIN THE INCORPORATE LIMITS OF THE CITY OF ROCKWALL, TEXAS, AS SET OUT IN THIS ORDINANCE; AND PROVIDING A PENALTY OF A FINE NOT TO EXCEED $200.00 FOR THE VOILATION OF THIS ORDINANCE.

WHEREAS**,** Section 545.356 of the Texas Transportation Code, provides that whenever the governing body of the City shall determine upon the basis of an engineering and traffic investigation that any prima facie speed therein set forth is greater or less than is reasonable or safe under the conditions found to exist at any intersection or other place or upon any part of a street or highway within the City, taking into consideration that width and condition of the pavement and other circumstances such portion of said street or highway, as well as the traffic thereon, said governing body may determine and declare a reasonable and safe prima facie speed limit thereat or thereon by the passage of an ordinance, which shall be effective when appropriate signs giving notice thereof are erected at such intersection or other place or part of the street or highway; NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1.

Upon the basis of an engineering and traffic investigation heretofore made as a authorized by the provisions of Transportation Code, Section 545.356, the following prima facie speed limits hereafter indicated for vehicles on the attached Exhibit “A” (strip map) are herby determined and declared to be reasonable and safe; and such speed limits are hereby fixed at the rate of speed indicated for vehicles traveling upon the named streets and highways, or parts thereof, described as follows:

A. BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

1. That from and after the date of the passage of this speed zone ordinance, no motor vehicle shall be operated along and upon State Highway No. 205 within the corporate limits of the City of Rockwall in excess of speeds now set forth in Exhibit “A”.

SECTION 2.

The Mayor of Rockwall is hereby authorized to cause to be erected, appropriated signs indicating such speed zones.

SECTION 3.

Any person violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction thereof shall be fined in any sum not to exceed Two Hundred Dollars ($200.00).

City of Rockwall
The New Horizon

MEMORANDUM

TO: Rick Crowley, City Manager

FROM: Timothy M. Tumulty, Director of Public Works/City Engineer

DATE: February 10, 2014

SUBJECT: East Cullins Road/Alpha Drive Rehabilitation

City Council approved an asphalt rehabilitation project with Reynolds Asphalt & Construction Company on October 2013 in the amount of $400,000.00 for various roads within the City. Staff has identified two additional roadways requiring rehabilitation. East Cullins Road from FM 549 to Jeff Boyd Drive is a two lane asphalt road with bar ditches. The roadway surface has deteriorated and needs repair. The repair process will consist of full depth milling, applying an eight inch depth cement stabilization with a two inch thick asphaltic pavement overlay. This work will occur after an eight inch water line is installed this section of roadway as part of another Capital Improvements Project. The estimated constructed cost for this rehabilitation work is $151,748.00.

The second project is Alpha Drive. Alpha Drive is an existing 37 foot wide concrete roadway from T. L. Townsend Drive to 190 feet north of Sigma Drive. The roadway was constructed in 1984. The roadway is experiencing several concrete pavement failures and needs repair especially since the Emerus/Baylor Hospital facility is set to open in the near future. This facility will place more traffic on Alpha Drive thus expediting more pavement failures.

The Street Department staff has been evaluating options to repair this roadway. The selected repair option consists of minor concrete repairs, wedge mill the gutter lines, place petromat over the existing concrete surface and place a two inch thick asphalt overlay. The total cost for this roadway rehabilitation will be $107,767.00.

Staff wishes to utilize the Interlocal Purchasing Agreement with the City of Grand Prairie, Texas employing Reynolds Asphalt & Construction Company to rehabilitate E. Cullins Road and Alpha Drive. Funding will be provided from the FY2013-14 Streets Operation budget.

Staff request City Council consideration to approve the use of the Interlocal Purchasing Agreement with Reynolds Asphalt & Construction Company to rehabilitate E. Cullins Road from SH 549 to Jeff Boyd Drive and Alpha Drive from T.L. Townsend Drive to 190 feet north of Sigma Drive in an amount of $219,082.00.

AMENDMENT TO PRICE AGREEMENT CONTRACT
NON MONETARY CHANGE
CITY OF GRAND PRAIRIE

STATE OF TEXAS §
§ KNOW ALL MEN BY THESE PRESENTS:
COUNTY OF DALLAS §

THIS AMENDMENT is made and entered into this date by and between the **CITY OF GRAND PRAIRIE,** a Texas municipal corporation (hereinafter referred to as the "CITY", and **REYNOLDS ASPHALT & CONSTRUCTION CO** (hereinafter referred to as "VENDOR").

WHEREAS, the CITY and VENDOR have entered into a price agreement to provide pavement resurfacing service per bid award resulting from vendor's response to RFB #11099, submitted by Ned Tankersley on August 22, 2011; and

WHEREAS, the above referenced agreement was for an initial term of one year with the option to renew for four additional one year periods, totaling $13,901,065.00 if all extensions were exercised. This Contract was effective as of October 1, 2011, and was to terminate at midnight on September 30, 2012, unless the parties mutually agreed in writing to extend the term of the Contract through an allowable renewal option, or, unless otherwise terminated as provided in provided in paragraph XVI of the original contract; and

WHEREAS, the first of four available renewal options was executed on June 26, 2012 and extended the term of the contract through September 30, 2013; and

NOW, THEREFORE, for and in consideration of the mutual acts and covenants set out herein, the parties agree as follows:

1. The parties mutually agree to extend the term of the contract and execute the second of the four available renewal options and extend the contract expiration to midnight on September 30, 2014 at which time all of the work called for under this Contract must be completed unless the parties mutually agree in writing to extend the term of the Contract through an additional allowable renewal option, or, unless otherwise terminated as provided in paragraph XVI of the original contract; and

2. The estimated annual amount to be paid to VENDOR under such contract shall remain the sum of $2,780,213.00, to reflect the contract renewal; and

3. This shall constitute an Authorization for extension of price agreement as set out in the agreement between the parties, and an amendment to such contract. All of the terms and conditions of the original contract shall remain in full force and effect, as amended hereto, unless set out otherwise herein.

EXECUTED this the 10th day of June, 20__.

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Timothy M. Tumulty, Director of Public Works/City Engineer**

DATE: **January 29, 2014**

SUBJECT: **Construction Contract Award – Glenn Avenue Utility Rehabilitation**

Background:
The Glenn Avenue Utility Rehabilitation project consists of approximately 289 linear feet of storm sewer, 1,894 linear feet of 8-inch waterline, 1,494 linear feet of 8-inch wastewater line, and associated services and pavement replacement on Glenn Avenue. The design was completed by Verdunity, and the consultant provided an engineer's estimate of $531.492.00 for construction.

The City received and opened bids on January 23, 2014 and are as follows:

1. PC Contractors $452,009.04
2. Jim Bowman Construction $502,579.70
3. A&M Construction and Utilities $552,972.75

The experience and references provided with the low bid demonstrate PC Contractors has the resources to suitably complete a utility rehabilitation project.

Financial Implications:
Funding for this project is available in current water/sewer revenues.

Action Desired/Recommendation:
Staff recommends Council award the Glenn Avenue Utility Rehabilitation Project construction contract to PC Contractors, in the amount of $452,009.04.

VERDUNITY

A better future, by design.

February 13, 2014

Kathleen Moreno, P.E.
Engineer II
City of Rockwall
385 S. Goliad
Rockwall, Texas 75087

Reference: BID EVALUATION AND RECOMMENDATION FOR AWARD
Glenn Avenue Utility, Paving and Drainage Improvements, Rockwall TX

Dear Ms. Moreno:

Bids for the above referenced project were submitted Thursday, January 23rd. Five bids were received from the following contractors:

Bidder	Total Base Bid
PC Contractors, LLC	$452,009.04
A&M Construction & Utilities, Inc	$552,972.75
Camino Constructionm LP	$568,370.50
Jim Bowman Construction Co, LP	$502,579.70
Utilitex	$663,270.50

We have reviewed all of the bids for accuracy and completeness, and prepared a bid tabulation spreadsheet showing the unit prices and total bids for our engineer's estimate and the bidders (attached). **The low bidder is PC Contractors, LLC with a total base bid of $452,009.04.** For reference purposes, VERDUNITY's estimate was $531,492.00, which ended up in the middle of the submitted bids.

Prior to the last Council meeting, we were made aware of some potential concerns with PC Contractors. After discussing with Tim Tumulty, we decided to pull the agenda item and check some additional references, which we have now done. We met with Chase Patterson (President of PC Contractors) on February 10th to discuss our concerns, and Mr. Patterson provided candid and, in our opinion, justified explanations. We also reviewed the contractor's 2012 financial statements and current backlog, and they are in good standing financially. Mr. Patterson assured us that he is confident he can complete the project for the amount bid, and he has a crew finishing up a project in Princeton that will be available to start on this project by the time we complete award and preconstruction meetings.

After further consideration, we are confident this company has sufficient qualifications and resources to complete the work as outlined in the construction plans and specifications.

© Verdunity 2014

17000 Preston Rd, Ste 110 Dallas, TX 75248 (214) 425-6720 www.verdunity.com

Therefore, **VERDUNITY is pleased to recommend that the City proceed with awarding the construction contract for this project to PC Contractors, LLC.**

If you have any questions regarding this recommendation, please do not hesitate to call me at (214) 425-6720 or email me at kevin@verdunity.com. We look forward to beginning construction soon!

Respectfully Submitted,

MEMORANDUM

TO: **City Council**

FROM: **Joey Boyd, Director of Internal Operations**

DATE: **January 27, 2014**

SUBJECT: **Verizon Tower at Squabble Creek Treatment Plant Facility**

Verizon Wireless is requesting to build a new monopole cellular tower adjacent to the City's Squabble Creek Treatment Facility, inside the parkland dedicated to the City. Verizon has provided information in the attached bullet points and coverage maps showing what the new site will achieve for its customers in this area of Rockwall. Also included in the packet is a photo simulation of the proposed tower showing before and after shots of what the tower is anticipated to look like once it is constructed on the site.

Attached for your consideration are the ground lease agreement and Verizon's proposed site plan and equipment plan. The main points of the agreement are:

- The lease area is a 30x40 feet site.
- The tower will be a 120 foot monopole (plus 10 foot lightning rod).
- Monthly rent will be $2,200.00 per month.
- The initial term of the agreement is 5 years and will automatically extend for 4 additional 5-year terms, with an escalator of 10% increase from one term to the next.

The City Attorney has reviewed the agreement. Verizon will be required to go through plan review and inspections just like any other project submitted to the City. If this project and location is favorable to the City Council, the request is to authorize the City Manager to execute the agreement on behalf of the City and proceed with installation.

LAND LEASE AGREEMENT

This Agreement, made this _____ day of _____, 201___, between the City of Rockwall, with a mailing address of 385 South Goliad Street, Rockwall, Texas 75087, hereinafter designated LESSOR, and Dallas MTA, L.P. d/b/a Verizon Wireless, with its principal offices located at One Verizon Way, Mail Stop 4AW100, Basking Ridge, New Jersey 07920 (telephone number 866-862-4404), hereinafter designated LESSEE. The LESSOR and LESSEE are at times collectively referred to hereinafter as the "Parties" or individually as the "Party".

1. PREMISES. LESSOR hereby leases to LESSEE a portion of that certain parcel of property (the entirety of LESSOR's property is referred to hereinafter as the "Property"), located at _____, Rockwall County, Texas, and being described as a 30' by 40' parcel containing 1,200 square feet (the "Land Space"), together with the non-exclusive right (the "Rights of Way") for ingress and egress, seven (7) days a week twenty-four (24) hours a day, on foot or motor vehicle, including trucks, over or along a twenty (20') foot wide right-of-way extending from the nearest public right-of-way, North Lakeshore Drive, to the Land Space, and for the installation and maintenance of utility wires, poles, cables, conduits, and pipes over, under, or along one or more rights-of-way from the Land Space, said Land Space and Rights of Way (hereinafter collectively referred to as the "Premises") being substantially as described herein in Exhibit "A" attached hereto and made a part hereof. The Property being more particularly described in that certain _____ dated _____, recorded in Volume _____, Page _____, Real Property Records, Rockwall County, Texas.

In the event any public utility is unable to use the Rights of Way at no fault of the LESSEE, the LESSOR hereby agrees to grant an additional right-of-way either to the LESSEE or to the public utility at no cost to the LESSEE.

2. SURVEY. LESSOR also hereby grants to LESSEE the right to survey the Property and the Premises, and said survey shall then become Exhibit "B" which shall be attached hereto and made a part hereof, and shall control in the event of boundary and access discrepancies between it and Exhibit "A". Cost for such work shall be borne by the LESSEE.

3. TERM; RENTAL.

a. This Agreement shall be effective as of the date of execution by both Parties, provided, however, the initial term shall be for five (5) years ("Initial Term") and shall commence on the Commencement Date (as hereinafter defined) at which time rental payments shall commence and be due at a total annual rental of Twenty-Six Thousand Four Hundred and No/100 Dollars ($26,400.00) to be paid in equal monthly installments on the first day of the month, in advance, to LESSOR or to such other person, firm or place as LESSOR may, from time to time, designate in writing at least thirty (30) days in advance of any rental payment date by notice given in accordance with Paragraph 23 below. The Agreement shall commence on the first day of July, 2014 (the "Commencement Date"). LESSOR and LESSEE acknowledge and agree that initial rental payment(s) shall not actually be sent by LESSEE until thirty (30) days

after the Commencement Date. By way of illustration of the preceding sentence, if the Commencement Date is January 1, LESSEE shall send to the LESSOR the rental payments for January 1 and February 1 by February 1.

Upon agreement of the Parties, LESSEE may pay rent by electronic funds transfer and in such event, LESSOR agrees to provide to LESSEE bank routing information for such purpose upon request of LESSEE.

b. LESSOR hereby agrees to provide to LESSEE certain documentation (the "Rental Documentation") evidencing LESSOR's interest in, and right to receive payments under, this Agreement, including without limitation: (i) documentation, acceptable to LESSEE in LESSEE's reasonable discretion, evidencing LESSOR's good and sufficient title to and/or interest in the Property and right to receive rental payments and other benefits hereunder; (ii) a complete and fully executed Internal Revenue Service Form W-9, or equivalent, in a form acceptable to LESSEE, for any party to whom rental payments are to be made pursuant to this Agreement; and (iii) other documentation requested by LESSEE in LESSEE's reasonable discretion. From time to time during the Term of this Agreement and within thirty (30) days of a written request from LESSEE, LESSOR agrees to provide updated Rental Documentation in a form reasonably acceptable to LESSEE. The Rental Documentation shall be provided to LESSEE in accordance with the provisions of and at the address given in Paragraph 23. Delivery of Rental Documentation to LESSEE shall be a prerequisite for the payment of any rent by LESSEE and notwithstanding anything to the contrary herein, LESSEE shall have no obligation to make any rental payments until Rental Documentation has been supplied to LESSEE as provided herein.

Within fifteen (15) days of obtaining an interest in the Property or this Agreement, any assignee(s), transferee(s) or other successor(s) in interest of LESSOR shall provide to LESSEE Rental Documentation in the manner set forth in the preceding paragraph. From time to time during the Term of this Agreement and within thirty (30) days of a written request from LESSEE, any assignee(s) or transferee(s) of LESSOR agrees to provide updated Rental Documentation in a form reasonably acceptable to LESSEE. Delivery of Rental Documentation to LESSEE by any assignee(s), transferee(s) or other successor(s) in interest of LESSOR shall be a prerequisite for the payment of any rent by LESSEE to such party and notwithstanding anything to the contrary herein, LESSEE shall have no obligation to make any rental payments to any assignee(s), transferee(s) or other successor(s) in interest of LESSOR until Rental Documentation has been supplied to LESSEE as provided herein.

4. EXTENSIONS. This Agreement will automatically renew for four (4) additional five (5) year term(s) (each five (5) year term shall be defined as an "**Extension Term**"), upon the same terms and conditions unless LESSEE notifies LESSOR in writing of LESSEE's intention not to renew this Agreement at least six (6) months prior to the expiration of the Initial Term or then-existing Extension Term.

5. EXTENSION RENTALS. The Annual Rent shall be increased on the first day of each extension term by an amount equal to ten percent (10%) of the Rent in effect during the previous year.

6. ADDITIONAL EXTENSIONS. Unless (i) LESSOR or LESSEE notifies the other in writing of its intention to terminate this Agreement at least six (6) months prior to the expiration of the final Extension Term, or (ii) the Agreement is terminated prior to the end of the final Extension Term, , then upon the final Extension Term, this Agreement shall continue in force upon the same covenants, terms and conditions for a further term of one (1) year, and for annual terms thereafter ("**Annual Term**") until terminated by either party by giving to the other written notice of its intention to so terminate at least six (6) months prior to the end of any such Annual Term. Monthly rental during such Annual Terms shall be increased by two percent (2%) to the Rent paid for the last month of the most recent Extension Term or Annual Term (as applicable). If LESSEE remains in possession of the Premises after the termination of this Agreement then LESSEE will be deemed to be occupying the Premises on a month-to-month basis (the "**Holdover Term**"), subject to the terms and conditions of this Agreement. The initial term and all extensions shall be collectively referred to herein as the "Term".

7. [INTENTIONALLY DELETED].

8. USE; GOVERNMENTAL APPROVALS. LESSEE shall use the Premises for the purpose of constructing, maintaining, repairing and operating a communications facility and uses incidental thereto. A security fence consisting of chain link construction or similar but comparable construction may be placed around the perimeter of the Premises at the discretion of LESSEE (not including the access easement). All improvements, equipment, antennas and conduits shall be at LESSEE's expense and their installation shall be at the discretion and option of LESSEE. LESSEE shall have the right to replace, repair, add or otherwise modify its utilities, equipment, antennas and/or conduits or any portion thereof and the frequencies over which the equipment operates, whether the equipment, antennas, conduits or frequencies are specified or not on any exhibit attached hereto, during the Term. LESSEE will maintain the Premises in good condition, reasonable wear and tear excepted. LESSOR will maintain the Property, excluding the Premises, in good condition, reasonable wear and tear excepted. It is understood and agreed that LESSEE's ability to use the Premises is contingent upon its obtaining after the execution date of this Agreement all of the certificates, permits and other approvals (collectively the "Governmental Approvals") that may be required by any Federal, State or Local authorities as well as satisfactory soil boring tests which will permit LESSEE use of the Premises as set forth above. LESSOR shall cooperate with LESSEE in its effort to obtain such approvals and shall take no action which would adversely affect the status of the Property with respect to the proposed use thereof by LESSEE. In the event that (i) any of such applications for such Governmental Approvals should be finally rejected; (ii) any Governmental Approval issued to LESSEE is canceled, expires, lapses, or is otherwise withdrawn or terminated by governmental authority; (iii) LESSEE determines that such Governmental Approvals may not be obtained in a timely manner; (iv) LESSEE determines that any soil boring tests are unsatisfactory; or (v) LESSEE determines that the Premises is no longer technically compatible for its use, LESSEE shall have the right to terminate this Agreement. Notice of LESSEE's exercise of its right to terminate shall be given to LESSOR in writing by certified mail, return receipt requested, and shall be effective upon the mailing of such notice by LESSEE, or upon such later date as designated by LESSEE. All rentals paid to said termination date shall be retained by LESSOR. Upon such termination, this Agreement shall become null and void and all the Parties shall have no further obligations including the payment of money to each other.

9. INDEMNIFICATION.

(a) LESSEE agrees to indemnify, defend and hold LESSOR harmless from and against any and all injury, loss, damage or liability (or any claims in respect of the foregoing), costs or expenses (including reasonable attorneys' fees and court costs) arising directly from the installation, use, maintenance, repair or removal of the Communication Facility or LESSEE's breach of any provision of this Agreement, except to the extent attributable to the negligent or intentional act or omission of LESSOR, its employees, agents or independent contractors.

(b) To the extent allowed by law, LESSOR agrees to indemnify, defend and hold LESSEE harmless from and against any and all injury, loss, damage or liability (or any claims in respect of the foregoing), costs or expenses (including reasonable attorneys' fees and court costs) arising directly from the actions or failure to act of LESSOR, its employees or agents, or LESSOR's breach of any provision of this Agreement, except to the extent attributable to the negligent or intentional act or omission of LESSEE, its employees, agents or independent contractors.

(c) The indemnified party: (i) shall promptly provide the indemnifying party with written notice of any claim, demand, lawsuit, or the like for which it seeks indemnification pursuant to this Section and provide the indemnifying party with copies of any demands, notices, summonses, or legal papers received in connection with such claim, demand, lawsuit, or the like; and (ii) shall fully cooperate with the indemnifying party in the defense of the claim, demand, lawsuit, or the like. A delay in notice shall not relieve the indemnifying party of its indemnity obligation, except (1) to the extent the indemnifying party can show it was prejudiced by the delay; and (2) the indemnifying party shall not be liable for any settlement or litigation expenses incurred before the time when notice is given

10. INSURANCE.

(a) During the Term, LESSEE will carry, at its own cost and expense, the following insurance: (i) workers' compensation insurance as required by law; and (ii) commercial general liability (CGL) insurance with respect to its activities on the Property, such insurance to afford protection of up to Five Million Dollars ($5,000,000) per occurrence and Five Million Dollars ($5,000,000) general aggregate, based on Insurance Services Office (ISO) Form CG 00 01 or a substitute form providing substantially equivalent coverage. LESSEE's CGL insurance shall contain a provision including LESSOR as an additional insured. Such additional insured coverage:

(i) shall be limited to bodily injury, property damage or personal and advertising injury caused, in whole or in part, by LESSEE, its employees, agents or independent contractors;

(ii) shall not extend to claims for punitive or exemplary damages arising out of the acts or omissions of LESSOR, its employees, agents or independent contractors or where such coverage is prohibited by law or to claims arising out of the gross negligence of LESSOR, its employees, agents or independent contractors.

(b) Notwithstanding the foregoing, LESSEE shall have the right to self-insure the coverages required in subsection (a). In the event LESSEE elects to self-insure its obligation to include LESSOR as an additional insured, the following provisions shall apply (in addition to those set forth in subsection (a)):

(i) LESSOR shall promptly and no later than thirty (30) days after notice thereof provide LESSEE with written notice of any claim, demand, lawsuit, or the like for which it seeks coverage pursuant to this Section and provide LESSEE with copies of any demands, notices, summonses, or legal papers received in connection with such claim, demand, lawsuit, or the like;

(ii) LESSOR shall not settle any such claim, demand, lawsuit, or the like without the prior written consent of LESSEE; and

(iii) LESSOR shall fully cooperate with LESSEE in the defense of the claim, demand, lawsuit, or the like.

11. [INTENTIONALLY DELETED].

12. ANNUAL TERMINATION. Notwithstanding anything to the contrary contained herein, provided LESSEE is not in default hereunder and shall have paid all rents and sums due and payable to the LESSOR by LESSEE, LESSEE shall have the right to terminate this Agreement upon the annual anniversary of this Agreement provided that six (6) months prior notice is given the LESSOR.

13. INTERFERENCE. LESSEE agrees to have installed radio equipment of the type and frequency which will not cause measurable interference to the equipment of the LESSOR, or other lessees of the Property existing as of the date this Agreement is executed by the Parties. In the event LESSEE's equipment causes such interference, and after LESSOR has notified LESSEE of such interference, LESSEE will take all steps necessary to correct and eliminate the interference. LESSOR agrees that LESSOR and any other tenants of the property who currently have or in the future take possession of the Property will be permitted to install only such radio equipment that is of the type and frequency which will not cause measurable interference to the existing equipment of the LESSEE. The Parties acknowledge that there will not be an adequate remedy at law for non-compliance with the provisions of this paragraph and therefore, either Party shall have the right to specifically enforce the provisions of this paragraph in a court of competent jurisdiction.

14. REMOVAL UPON TERMINATION. LESSEE, upon termination of the Agreement, shall, within ninety (90) days, remove its equipment, generator, antennas, fixtures and all personal property and otherwise restore the Property to its original condition, reasonable wear and tear excepted. LESSEE will repair any damage to the Property resulting from

LESSEE's removal activities. LESSOR agrees and acknowledges that all of the equipment, fixtures and personal property of the LESSEE shall remain the personal property of the LESSEE and the LESSEE shall have the right to remove the same, whether or not said items are considered fixtures and attachments to real property under applicable law. If such time for removal causes LESSEE to remain on the Premises after termination of this Agreement, LESSEE shall pay rent at the then existing monthly rate or on the existing monthly pro rata basis if based upon a longer payment term, until such time as the removal of the equipment, antennas, fixtures and all personal property are completed. Any portions of the Communication Facility that LESSEE does not remove within one year after the later of the end of the Term and cessation of LESSEE's operations at the Premises shall be deemed abandoned and owned by LESSOR.

15. HOLDOVER. LESSEE has no right to retain possession of the Premises or any part thereof beyond the expiration of that removal period set forth in Paragraph 14 herein, unless the Parties are negotiating a new lease or lease extension in good faith. In the event that the Parties are not in the process of negotiating a new lease or lease extension in good faith, LESSEE holds over in violation of Paragraph 14 and this Paragraph 15, then the rent then in effect payable from and after the time of the expiration or earlier removal period set forth in Paragraph 14 shall be equal to the rent applicable during the month immediately preceding such expiration or earlier termination.

16. **MAINTENANCE/UTILITIES**

(a) LESSEE will keep and maintain the Premises in good condition, reasonable wear and tear and damage from the elements excepted. LESSOR will maintain and repair the Property and access thereto and all areas of the Premises where LESSEE does not have exclusive control, in good and LESSEE tenantable condition, subject to reasonable wear and tear and damage from the elements. LESSOR will be responsible for maintenance of landscaping on the Property, including any landscaping installed by LESSEE as a condition of this Agreement or any required permit.

(b) LESSEE will be responsible for paying on a monthly or quarterly basis all utilities charges for electricity, telephone service or any other utility used or consumed by LESSEE on the Premises. In the event LESSEE cannot secure its own metered electrical supply, LESSEE will have the right, at its own cost and expense, to submeter from LESSOR. When submetering is required under this Agreement, LESSOR will read the meter and provide LESSEE with an invoice and usage data on a monthly basis. LESSOR agrees that it will not include a markup on the utility charges. LESSOR further agrees to provide the usage data and invoice on forms provided by LESSEE and to send such forms to such address and/or agent designated by LESSEE. LESSEE will remit payment within forty-five (45) days of receipt of the usage data and required forms. As noted in Section 4(c) above, any utility fee recovery by LESSOR is limited to a twelve (12) month period. If LESSEE submeters electricity from LESSOR, LESSOR agrees to give LESSEE at least twenty-four (24) hours advance notice of any planned interruptions of said electricity. LESSOR acknowledges that LESSEE provides a communication service which requires electrical power to operate and must operate twenty-four (24) hours per day, seven (7) days per week. If the interruption is for an extended period of time, in LESSEE's

reasonable determination, LESSOR agrees to allow LESSEE the right to bring in a temporary source of power for the duration of the interruption. LESSOR will not be responsible for interference with, interruption of or failure, beyond the reasonable control of LESSOR, of such services to be furnished or supplied by LESSOR.

(c) LESSOR hereby grants to any company providing utility or similar services, including electric power, fiber, and telecommunications, to LESSEE an easement over the Property, from an open and improved public road to the Premises, and upon the Premises, for the purpose of constructing, operating and maintaining such lines, wires, circuits, and conduits, associated equipment cabinets and such appurtenances thereto, as such utility companies may from time to time require in order to provide such services to the Premises. Upon LESSEE's or service company's request, LESSOR will execute a separate recordable easement evidencing this grant, at no cost to LESSEE or the service company

17. [INTENTIONALLY DELETED].

18. QUIET ENJOYMENT. LESSOR covenants that LESSEE, on paying the rent and performing the covenants shall peaceably and quietly have, hold and enjoy the Premises.

19. TITLE. LESSOR covenants that LESSOR is seized of good and sufficient title and interest to the Property and has full authority to enter into and execute this Agreement. LESSOR further covenants that there are no other liens, judgments or impediments of title on the Property, or affecting LESSOR's title to the same. and that there are no covenants, easements or restrictions which prevent the use of the Premises by the LESSEE as set forth above.

20. INTEGRATION. It is agreed and understood that this Agreement contains all agreements, promises and understandings between the LESSOR and LESSEE and that no verbal or oral agreements, promises or understandings shall be binding upon either the LESSOR or LESSEE in any dispute, controversy or proceeding at law, and any addition, variation or modification to this Agreement shall be void and ineffective unless made in writing signed by the Parties. In the event any provision of the Agreement is found to be invalid or unenforceable, such finding shall not affect the validity and enforceability of the remaining provisions of this Agreement. The failure of either Party to insist upon strict performance of any of the terms or conditions of this Agreement or to exercise any of its rights under the Agreement shall not waive such rights and such Party shall have the right to enforce such rights at any time and take such action as may be lawful and authorized under this Agreement, either in law or in equity.

21. GOVERNING LAW. This Agreement and the performance thereof shall be governed, interpreted, construed and regulated by the laws of the State in which the Property is located.

22. ASSIGNMENT. This Agreement may be sold, assigned or transferred by the LESSEE without any approval or consent of the LESSOR to the LESSEE's principal, affiliates, subsidiaries of its principal or to any entity which acquires all or substantially all of LESSEE's assets in the market defined by the Federal Communications Commission in which the Property

is located by reason of a merger, acquisition or other business reorganization. As to other parties, this Agreement may not be sold, assigned or transferred without the written consent of the LESSOR, which such consent will not be unreasonably withheld or delayed. The term "Sublease", "Sublet", "Sublessee" and any other similar term shall apply to any situation by which LESSEE allows a third party use of the Premises for collocation, whether it be by formal sublease, license or other agreement. All rights and responsibilities of LESSEE set forth in this Agreement shall be enjoyed by and binding on any Sublessee.

a. In the event LESSEE subleases any portion of the Premises, in accordance with this Agreement, any rental paid by any Sublessee(s) shall be divided between LESSOR and LESSEE in the following manner: fifty percent (50%) to LESSOR and fifty percent (50%) to LESSEE. Any Sublessee shall be instructed to pay the foregoing percentage amounts directly to LESSOR and LESSEE. LESSEE shall not be responsible to LESSOR for the collection or payment of rents by the Sublessee to LESSOR, and LESSEE shall have no liability to LESSOR in the event of failure of payment by the Sublessee. At LESSOR's request, LESSEE will provide LESSOR with a tri-party agreement to be executed by the LESSEE, its Sublessee, and LESSOR to confirm direct payment obligation from the Sublessee to the LESSOR and to indicate LESSOR has been notified of the sublease.

b. It is understood and agreed by the Parties that the foregoing rental percentage amounts shall only apply if LESSEE is able to accommodate all of Sublessee's facilities within the Premises. If LESSEE is unable to accommodate any or part of Sublessee's facilities within the Premises, then LESSOR may enter into an agreement with the Sublessee for a portion of the Property outside the Premises that Sublessee requires to locate its facilities. In this event, LESSEE shall receive 100% of the rental for the portion of the facilities that are located within the limits of the Premises and LESSOR shall receive 100% of the rental, negotiated by the LESSOR and Sublessee, for the portion of Sublessee's facilities that are located on the Property outside the Premises.

c. Notwithstanding any other provision of this Agreement, LESSEE shall not be required to obtain approval from LESSOR for the subletting of the Premises or part thereof. LESSEE shall have the sole right to determine whether it will sublet any portion of the Premises or whether it will sublease to any specific Sublessee.

23. NOTICES. All notices hereunder must be in writing and shall be deemed validly given if sent by certified mail, return receipt requested or by commercial courier, provided the courier's regular business is delivery service and provided further that it guarantees delivery to the addressee by the end of the next business day following the courier's receipt from the sender, addressed as follows (or any other address that the Party to be notified may have designated to the sender by like notice):

LESSOR: City of Rockwall
385 South Goliad
Rockwall, Texas 75087
ATTN: Assistant City Manager

LESSEE: Dallas MTA, L.P.
d/b/a Verizon Wireless
180 Washington Valley Road
Bedminster, New Jersey 07921
Attention: Network Real Estate

Notice shall be effective upon actual receipt or refusal as shown on the receipt obtained pursuant to the foregoing.

24. SUCCESSORS. This Agreement shall extend to and bind the heirs, personal representatives, successors and assigns of the Parties hereto.

25. SUBORDINATION AND NON-DISTURBANCE. At LESSOR's option, this Agreement shall be subordinate to any mortgage or other security interest by LESSOR which from time to time may encumber all or part of the Property or right of way; provided, however, every such mortgage or other security interest shall recognize the validity of this Agreement in the event of a foreclosure of LESSOR's interest and also LESSEE's right to remain in occupancy of and have access to the Premises as long as LESSEE is not in default of this Agreement. LESSEE shall execute whatever instruments may reasonably be required to evidence this subordination clause. In the event the Property is encumbered by a mortgage or other security interest, the LESSOR immediately after this Agreement is executed, will obtain and furnish to LESSEE, a non disturbance agreement for each such mortgage or other security interest in recordable form. In the event the LESSOR defaults in the payment and/or other performance of any mortgage or other security interest encumbering the Property, LESSEE, may, at its sole option and without obligation, cure or correct LESSOR's default and upon doing so, LESSEE shall be subrogated to any and all rights, titles, liens and equities of the holders of such mortgage or security interest and the LESSEE shall be entitled to deduct and setoff against all rents that may otherwise become due under this Agreement the sums paid by LESSEE to cure or correct such defaults.

26. RECORDING. LESSOR agrees to execute a Memorandum of this Lease Agreement which LESSEE may record with the appropriate Recording Officer The date set forth in the Memorandum of Lease is for recording purposes only and bears no reference to commencement of either term or rent payments.

27. DEFAULT. In the event there is a default by the LESSEE with respect to any of the provisions of this Agreement or its obligations under it, including the payment of rent, the LESSOR shall give LESSEE written notice of such default. After receipt of such written notice, the LESSEE shall have fifteen (15) days in which to cure any monetary default and thirty (30) days in which to cure any non-monetary default, provided the LESSEE shall have such extended period as may be required beyond the thirty (30) days if the nature of the cure is such that it reasonably requires more than thirty (30) days and the LESSEE commences the cure within the thirty (30) day period and thereafter continuously and diligently pursues the cure to completion. The LESSOR may not maintain any action or effect any remedies for default against the LESSEE unless and until the LESSEE has failed to cure the same within the time periods provided in this paragraph.

28. REMEDIES. Upon a default, the non-defaulting Party may at its option (but without obligation to do so), perform the defaulting Party's duty or obligation on the defaulting Party's behalf, including but not limited to the obtaining of reasonably required insurance policies. The costs and expenses of any such performance by the non-defaulting Party shall be due and payable by the defaulting Party upon invoice therefor. In the event of a default by either Party with respect to a material provision of this Agreement, without limiting the non-defaulting Party in the exercise of any right or remedy which the non-defaulting Party may have by reason of such default, the non-defaulting Party may terminate the Agreement and/or pursue any remedy now or hereafter available to the non-defaulting Party under the Laws or judicial decisions of the state in which the Premises are located; provided, however, LESSOR shall use reasonable efforts to mitigate its damages in connection with a default by LESSEE. If LESSEE so performs any of LESSOR's obligations hereunder, the full amount of the reasonable and actual cost and expense incurred by LESSEE shall immediately be owing by LESSOR to LESSEE, and LESSOR shall pay to LESSEE upon demand the full undisputed amount thereof with interest thereon from the date of payment at the greater of (i) ten percent (10%) per annum, or (ii) the highest rate permitted by applicable Laws. Notwithstanding the foregoing, if LESSOR does not pay LESSEE the full undisputed amount within thirty (30) days of its receipt of an invoice setting forth the amount due from LESSOR, LESSEE may offset the full undisputed amount, including all accrued interest, due against all fees due and owing to LESSOR until the full undisputed amount, including all accrued interest, is fully reimbursed to LESSEE.

29. ENVIRONMENTAL.

a. LESSOR will be responsible for all obligations of compliance with any and all environmental and industrial hygiene laws, including any regulations, guidelines, standards, or policies of any governmental authorities regulating or imposing standards of liability or standards of conduct with regard to any environmental or industrial hygiene conditions or concerns as may now or at any time hereafter be in effect, that are or were in any way related to activity now conducted in, on, or in any way related to the Property, unless such conditions or concerns are caused by the activities of the LESSEE.

b. To the extent permitted by law, LESSOR shall hold LESSEE harmless and indemnify the LESSEE from and assume all duties, responsibility and liability at LESSOR's sole cost and expense, for all duties, responsibilities, and liability (for payment of penalties, sanctions, forfeitures, losses, costs, or damages) and for responding to any action, notice, claim, order, summons, citation, directive, litigation, investigation or proceeding, including without limitation any claims in strict liability, which is in any way related to: a) failure to comply with any environmental or industrial hygiene law, including without limitation any regulations, guidelines, standards, or policies of any governmental authorities regulating or imposing standards of liability or standards of conduct with regard to any environmental or industrial hygiene concerns or conditions as may now or at any time hereafter be in effect, unless such non-compliance results from conditions caused by the LESSEE; and b) any environmental or industrial hygiene conditions arising out of or in any way related to the condition of the Property or activities conducted thereon, unless such environmental conditions are caused by the LESSEE.

30. CASUALTY. In the event of damage by fire or other casualty to the Premises that cannot reasonably be expected to be repaired within forty-five (45) days following same or, if the Property is damaged by fire or other casualty so that such damage may reasonably be expected to disrupt LESSEE's operations at the Premises for more than forty-five (45) days, then LESSEE may at any time following such fire or other casualty, provided LESSOR has not completed the restoration required to permit LESSEE to resume its operation at the Premises, terminate this Lease upon fifteen (15) days written notice to LESSOR. Any such notice of termination shall cause this Lease to expire with the same force and effect as though the date set forth in such notice were the date originally set as the expiration date of this Lease and the parties shall make an appropriate adjustment, as of such termination date, with respect to payments due to the other under this Lease. Notwithstanding the foregoing, all rental shall abate during the period of such fire or other casualty.

31. CONDEMNATION. In the event of any condemnation of the Property, LESSEE may terminate this Lease upon fifteen (15) days written notice to LESSOR if such condemnation may reasonably be expected to disrupt LESSEE's operations at the Premises for more than forty-five (45) days. LESSEE may on its own behalf make a claim in any condemnation proceeding involving the Premises for losses related to the antennas, equipment, its relocation costs and its damages and losses (but not for the loss of its leasehold interest). Any such notice of termination shall cause this Lease to expire with the same force and effect as though the date set forth in such notice were the date originally set as the expiration date of this Lease and the parties shall make an appropriate adjustment as of such termination date with respect to payments due to the other under this Lease.

32. SUBMISSION OF AGREEMENT/PARTIAL INVALIDITY/AUTHORITY. The submission of this Lease for examination does not constitute an offer to lease the Premises and this Lease becomes effective only upon the full execution of this Lease by the Parties. If any provision herein is invalid, it shall be considered deleted from this Lease and shall not invalidate the remaining provisions of this Lease. Each of the Parties hereto warrants to the other that the person or persons executing this Lease on behalf of such party has the full right, power and authority to enter into and execute this Lease on such Party's behalf and that no consent from any other person or entity is necessary as a condition precedent to the legal effect of this Lease.

33. APPLICABLE LAWS. LESSEE shall use the Premises as may be required or as permitted by applicable laws, rules and regulations. LESSOR agrees to keep the Property in conformance with all applicable, laws, rules and regulations and agrees to reasonably cooperate with the LESSEE regarding any compliance required by the LESSEE in respect to its use of the Premises.

34. SURVIVAL. The provisions of the Agreement relating to indemnification from one Party to the other Party shall survive any termination or expiration of this Agreement. Additionally, any provisions of this Agreement which require performance subsequent to the termination or expiration of this Agreement shall also survive such termination or expiration.

35. CAPTIONS. The captions contained in this Agreement are inserted for convenience only and are not intended to be part of the Agreement. They shall not affect or be utilized in the construction or interpretation of the Agreement.

STATE OF TEXAS

COUNTY OF ROCKWALL

MEMORANDUM OF LAND LEASE AGREEMENT

This Memorandum of Land Lease Agreement is made this _____ day of _____, 201___, between City of Rockwall, with a mailing address of 385 South Goliad Street, Rockwall, Texas 75087, hereinafter referred to as "LESSOR", and Dallas MTA, L.P. d/b/a Verizon Wireless, with its principal offices located at One Verizon Way, Mail Stop 4AW100, Basking Ridge, New Jersey 07920, and with notices to be sent to Dallas MTA, L.P. d/b/a Verizon Wireless, 180 Washington Valley Road, Bedminster, New Jersey 07921, Attention: Network Real Estate, hereinafter referred to as "LESSEE". LESSOR and LESSEE are at times collectively referred to hereinafter as the "Parties" or individually as the "Party".

1. LESSOR and LESSEE entered into a Land Lease Agreement (the "Agreement") on _____, 201___ for an initial term of five (5) years, commencing on the Commencement Date. The Agreement shall automatically be extended for four (4) additional five (5) year terms unless the LESSEE terminates it at the end of the then current term by giving the LESSOR written notice of the intent to terminate at least six (6) months prior to the end of the then current term. If at the end of the fourth (4th) five (5) year extension term the Agreement has not been terminated by either Party by giving to the other written notice of an intention to terminate it at least three (3) months prior to the end of such term, this Agreement shall continue in force upon the same covenants, terms and conditions for a further term of five (5) years and for five (5) year terms thereafter until terminated by either Party by giving to the other written notice of its intention to so terminate at least three (3) months prior to the end of such term.

2. LESSOR hereby leases to LESSEE a portion of that certain parcel of property (the entirety of LESSOR's property is referred to hereinafter as the "Property"), located at _____, Rockwall County, Texas, and being described as a ___' by ___' parcel containing _____ square feet (the "Land Space"), together with the non-exclusive right (the "Rights of Way") for ingress and egress, seven (7) days a week twenty-four (24) hours a day, on foot or motor vehicle, including trucks, over or along a _____ (___) foot wide right-of-way extending from the nearest public right-of-way, _____, to the Land Space, and for the installation and maintenance of utility wires, poles, cables, conduits, and pipes over, under, or along one or more rights-of-way from the Land Space, said Land Space and Rights of Way (hereinafter collectively referred to as the "Premises") being described in Exhibit "A" attached hereto and made a part hereof, and as shown on the survey attached hereto and incorporated herein as Exhibit "B". The Property being more particularly described in that certain _____ dated _____, recorded in Volume _____, Page _____, Real Property Records, Rockwall County, Texas. In the event any public utility is unable to use the aforementioned Rights of Way, LESSOR has agreed to grant an additional right-of-way either to the LESSEE or to the public utility at no cost to the LESSEE.

3. The Agreement shall be effective as of the date of execution by both Parties, provided, however, the initial term shall be for five (5) years and shall commence on the Commencement Date (as hereinafter defined)

at which time rental payments shall commence. The Agreement shall commence on the first day of _____, 201___ (the "Commencement Date").

4. The terms, covenants and provisions of the Agreement, the terms of which are hereby incorporated by reference into this Memorandum, shall extend to and be binding upon the respective executors, administrators, heirs, successors and assigns of LESSOR and LESSEE.

[SIGNATURE PAGE TO FOLLOW]

IN WITNESS WHEREOF, hereunto and to a duplicate hereof, LESSOR and LESSEE have caused this Memorandum to be duly executed on the date first written hereinabove.

- This particular site is needed in the area as the surrounding sites are predicted to reach their max capacity this year
- In addition to off-loading the above mentioned sites, this site will provide much needed coverage to the residential area surrounding the site.
- The existing Crown tower can't accommodate Verizon's antennas due to the construction of the tower. AT&T is attaching antennas on the exterior of the tower and Verizon can't locate below that level and still provide the necessary coverage for their customers in the area.
- Verizon Wireless will allow other wireless providers to co-locate on this new tower

BUILDING CODES:
ROCKWALL COUNTY JURISDICTION:
IBC 2013 AND NEC 2011 TO BE FOLLOWED AS A MINIMUM STANDARD

CD REVIEWER NOTE:
NOTE TO REVIEWER:
ANY PLAN SIZE LESS THAN 11"X17" IS REDUCED IN SIZE AND SHOULD NOT BE SCALED

SCOPE OF WORK:
INSTALL (N) 120'-0" MONOPOLE WITH (N) TOWER FOUNDATION. INSTALL (N) EQUIPMENT PLATFORM WITH (N) CONCRETE FOUNDATION, WITHIN (N) 30'-0" X 40'-0" LEASE AREA. INSTALL (6) (N) ANTENNAS AT 120' AGL.

STRUCTURAL REVIEW NOTE:
W-T'S SCOPE OF WORK DOES NOT INCLUDE A STRUCTURAL EVALUATION OF THIS TOWER OR STRUCTURE. NEW ANTENNAS & EQUIPMENT SHOWN ON THIS PLAN HAVE NOT BEEN EVALUATED TO VERIFY THE TOWER OR STRUCTURE HAS THE CAPACITY TO ADEQUATELY SUPPORT THESE ANTENNAS & EQUIPMENT. PRIOR TO ANY ANTENNA OR EQUIPMENT INSTALLATION, A STRUCTURAL EVALUATION OF TOWER OR STRUCTURE, INCLUDING ALL MOUNTING SYSTEMS AND HARDWARE, SHOULD BE PERFORMED.

SURVEYOR'S CERTIFICATE

The undersigned hereby certifies unto Verizon Wireless that (a) this survey drawing is based upon an on-the-ground survey made by the undersigned on October 29, 2013, and as to matters of record relies upon Abstractor's Certificate #17859299, dated effective as of October 18, 2013, issued by Fidelity National Title, covering the Lease Property (the "Lease Property") described on this drawing; (b) this survey accurately shows to the best of my knowledge upon review of the existing recorded instruments provided (1) the location of any buildings, structures and other improvements situated on or within the Lease Property, (2) the facts found by the undersigned at the time of said survey, (3) the courses and measured distances of the perimeter boundaries of the Lease Property, and (4) all setback lines, encroachments, easements and rights-of-way across, abutting or affecting the Lease Property, as shown on the Abstractor's Certificate or otherwise known to or observed by the undersigned, along with any recording information for such setback lines, encroachments, easements and rights-of-way; (c) the area of the Lease Property shown hereon is accurate to the nearest square foot, and there are no discrepancies, conflicts or shortages in area or boundary lines; (d) the legal description attached to this survey accurately states the courses and measured distances found in performing the on-the-ground survey; (e) except as shown on the survey drawing, to the best of my knowledge upon review of the existing recorded instruments provided, there are no (1) visible easements or rights-of-way across or abutting or affecting the Lease Property, (2) easements or rights-of-way across or abutting or affecting the Lease Property of which the undersigned has been advised, (3) visible encroachments from the Lease Property onto an adjacent property, or onto easements, streets, or alleys, by any of the Lease Property building structures or other improvements, or (4) visible encroachments on the Lease Property by building structures or other improvements situated on adjoining property; (f) no portion of the Lease Property has been designated as lying within a flood zone or flood prone area as designated on the most recent Flood Insurance Rate Map promulgated by the Federal Emergency Management Agency, except as shown hereon; and (g) this professional service conforms to the current Texas Society of Professional Surveyors Standards and Specifications for a Category 1A, Condition 3 Survey.

30' x 40' LEASE AREA

BEING a tract of land situated in the J.H.B. Jones Kennedy Survey, Abstract No. 124, Rockwall County, Texas, and being out of and a portion of that certain 43.0579 acre tract, conveyed to the City of Rockwall, Rockwall County, Texas, according to the Parkland Dedication on Lakeview Summit, Phase 3, recorded in Cabinet F, Slides 267–270, Plat Records, Rockwall County, Texas, and being more particularly described by metes and bounds as follows:

COMMENCING at a 1/ 2 inch iron rod found at the southeast corner of said 43.0579 acre tract, same being the northeast corner of a tract of land owned by Pulte Homes of Texas, LP., recorded in Volume 1778, Page 72, Deed Records, Rockwall County, Texas, also being in the northwesterly right-of-way line of North Lakeshore Drive;

THENCE along the northeasterly right-of-way line of said North Lakeshore Drive, same being the southeasterly line of said 43.0579 acre tract, North 39 degrees 50 minutes 17 seconds East, a distance of 470.89 feet to a Point;

THENCE departing the northeasterly right-of-way line of said North Lakeshore Drive, through the interior of said 43.0579 acre tract, the following three (3) courses;

1. North 85 degrees 34 minutes 45 seconds West, a distance of 124.38 feet to a Point;
2. North 52 degrees 39 minutes 09 seconds West, a distance of 66.00 feet to a Point;
3. North 37 degrees 13 minutes 08 seconds East, a distance of 47.70 feet to a 5/8" iron rod set with cap marked "WEBB-4125" at the most South corner of the herein described Lease Area for the POINT OF BEGINNING hereof;

THENCE continuing through the interior of said 43.0579 acre tract, the following four (4) courses:

1. North 52 degrees 46 minutes 54 seconds West, a dstance of 40.00 feet to a 5/8" iron rod set with cap marked "WEBB-4125" for the most West corner of the herein described Lease Area;
2. North 37 degrees 13 minutes 08 seconds East, a distance of 30.00 feet to a 5/8" iron rod set with cap marked "WEBB-4125" for the most North corner of the herein described Lease Area;
3. South 37 degrees 46 minutes 54 seconds East, a distance of 40.00 feet to a 5/8" iron rod set with cap marked "WEBB-4125" for the most East corner of the herein described Lease Area;
4. South 37 degrees 13 minutes 08 seconds West, a distance of 30.00 feet to the POINT OF BEGINNING hereof and containing 0.0275 acres or 1,200 square feet of land, more or less.

20' ACCESS & UTILITY EASEMENT

BEING a tract of land situated in the J.H.B. Jones Kennedy Survey, Abstract No. 124, Rockwall County, Texas, and being out of and a portion of that certain 43.0579 acre tract, conveyed to the City of Rockwall, Rockwall County, Texas, according to the Parkland Dedication on Lakeview Summit, Phase 3, recorded in Cabinet F, Slides 267–270, Plat Records, Rockwall County, Texas, and being more particularly described by metes and bounds as follows:

COMMENCING at a 1/ 2 inch iron rod found at the southwest corner of said 43.0579 acre tract, same being the northeast corner of a tract of land owned by Pulte Homes of Texas, LP., recorded in Volume 1778, Page 72, Deed Records, Rockwall County, Texas, also being in the northwesterly right-of-way line of North Lakeshore Drive;

THENCE along the northeasterly right-of-way line of said North Lakeshore Drive, same being the southeasterly line of said 43.0579 acre tract, North 39 degrees 50 minutes 17 seconds East, a distance of 470.89 feet to the POINT OF BEGINNING hereof;

THENCE departing the northeasterly right-of-way line of said North Lakeshore Drive, through the interior of said 43.0579 acre tract, the following seven (7) courses;

1. North 85 degrees 34 minutes 45 seconds West, a distance of 124.38 feet to a Point;
2. North 52 degrees 39 minutes 09 seconds West, a distance of 66.00 feet to a Point;
3. North 37 degrees 13 minutes 08 seconds East, passing at a distance of 47.70 feet a 5/8" iron rod set with cap marked "WEBB-4125" at the most South corner of the herein described Lease Area and continuing for a total distance of 77.70 feet a 5/8" iron rod set with cap marked "WEBB-4125" at the most East corner of said Lease Area;
4. South 52 degrees 46 minutes 54 seconds East, a distance of 20.00 feet to a Point;
5. South 37 degrees 13 minutes 08 seconds West, a distance of 57.83 feet to a Point;
6. South 52 degrees 59 minutes 09 seconds East, a distance of 43.72 feet to a Point;
7. South 85 degrees 34 minutes 45 seconds East, a distance of 127.69 feet to a Point, same point being in the northeasterly right-of-way line of said North Lakeshore Drive, same being the southeasterly line of said 43.0579 acre tract;

THENCE South 39 degrees 50 minutes 17 seconds West, along the northwesterly right-of-way line of said North Lakeshore Drive, same being the southeasterly line of said 43.0579 acre tract, a distance of 20.75 feet to the POINT OF BEGINNING hereof and containing 0.1141 acres or 4,971 square feet of land, more or less.

EASEMENT NOTES:

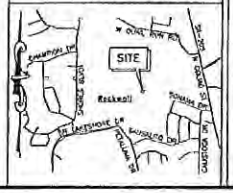
Commissioners' Report and Award in the Matter of Proceeding by the City of Rockwall for the Condemnation of Certain Property Owned by L. S. Thompson; Dated: 07/19/1956; Recorded on: 08/14/1956; Recorded in: Deed Book 6, Page 414. Shown hereon; affects the access and utility easement shown hereon.

Easement: in favor of: City of Rockwall, Texas; Recorded on: 11/13/1956; Recorded in: Deed Book 55, Page 145. Does not affect the lease area or access and utility easement shown hereon.

Easement: in favor of: City of Rockwall, Texas; Recorded on: 02/08/1957; Recorded in: Deed Book 55, Page 385. Shown hereon; affects the access and utility easement shown hereon.

Easement: in favor of: Texas Power and Light Company; Recorded on: 05/21/1957; Recorded in: Deed Book 56, Page 331. Shown hereon; affects the access and utility easement shown hereon.

Easement Agreement for Impounding Water: in favor of: The City of Rockwall, Texas; Recorded on: 12/20/1957; Recorded in: Deed Book 57, Page 170. Affects parent tract.



Final Plat Lakeview Summit, Phase 3 recorded on 08/09/2005 in Plat Book F, Page 267. Affects parent tract.

Easement: in favor of: Oncor Electric Delivery Company, LLC, a Delaware limited liability company; Recorded on: 03/07/2011; Recorded in: Deed Book 6389, Page 112. Does not affect the lease area or access and utility easement shown hereon.

GENERAL

1. THE CONSTRUCTION DOCUMENT DRAWINGS ARE INTERRELATED. WHEN PERFORMING THE WORK, EACH CONTRACTOR MUST REFER TO ALL DRAWINGS. COORDINATION IS THE RESPONSIBILITY OF THE GENERAL CONTRACTOR.

2. CONSTRUCTION DRAWINGS TO OVERRIDE SPECIFICATIONS ON THE ITEMS OF CONFLICT BETWEEN THE TWO.

SITE WORK

SECTION - EARTHWORK AND DRAINAGE

PART 1 - GENERAL

1. WORK INCLUDED: SEE SITE PLAN.

2. DESCRIPTIONS

   ACCESS DRIVE W/ TURNAROUND AREA, LEASE AREA, AND IF APPLICABLE UNDERGROUND UTILITY EASEMENTS ARE TO BE CONSTRUCTED TO PROVIDE A WELL DRAINED, EASILY MAINTAINED, EVEN SURFACE FOR MATERIAL AND EQUIPMENT DELIVERIES AND MAINTENANCE PERSONNEL ACCESS.

3. QUALITY ASSURANCE

   A. APPLY SOIL STERILIZER IN ACCORDANCE WITH MANUFACTURER'S RECOMMENDATIONS (AS NEEDED).

   B. APPLY AND MAINTAIN GRASS SEED AS RECOMMENDED BY THE SEED PRODUCER (IF REQUIRED).

   C. PLACE AND MAINTAIN VEGETATION LANDSCAPING, IF INCLUDED WITHIN THE CONTRACT, AS RECOMMENDED BY NURSERY INDUSTRY STANDARDS.

4. SEQUENCING

   A. CONFIRM SURVEY STAKES AND SET ELEVATION STAKES PRIOR TO ANY CONSTRUCTION.

   B. COMPLETELY GRUB THE ACCESS DRIVE W/TURNABOUT, UNDERGROUND UTILITY EASEMENTS, (IF APPLICABLE) AND LEASE AREA PRIOR TO FOUNDATION CONSTRUCTION, PLACEMENT OF BACKFILL AND SUB-BASE MATERIAL.

   C. CONSTRUCT TEMPORARY CONSTRUCTION AREA ALONG ACCESS DRIVE.

   D. BRING THE LEASE AREA AND ACCESS DRIVE W/TURNAROUND TO BASE COURSE ELEVATION PRIOR TO INSTALLING FOUNDATION.

   E. APPLY SOIL STERILIZER PRIOR TO PLACING BASE MATERIALS.

   F. GRADE, SEED, FERTILIZE, AND MULCH ALL AREAS DISTURBED BY CONSTRUCTION (INCLUDING UNDERGROUND UTILITY EASEMENTS) IMMEDIATELY AFTER BRINGING LEASE AREA AND ACCESS DRIVE W/TURNAROUND TO BASE COURSE ELEVATION, WATER TO ENSURE GROWTH.

   G. REMOVE GRAVEL FROM TEMPORARY CONSTRUCTION ZONE TO AN AUTHORIZED AREA OR AS DIRECTED BY PROJECT MANAGER.

   H. AFTER APPLICATIONS OF FINAL SURFACES, APPLY SOIL STERILIZER TO STONE SURFACES.

5. SUBMITTALS

   A. BEFORE CONSTRUCTION

      IF LANDSCAPING IS APPLICABLE TO THE CONTRACT, SUBMIT TWO COPIES OF THE LANDSCAPE PLAN UNDER NURSERY LETTERHEAD. IF A LANDSCAPE ALLOWANCE WAS INCLUDED IN THE CONTRACT, PROVIDE AN ITEMIZED LISTING OF PROPOSED COSTS ON NURSERY LETTERHEAD (REFER TO PLANS FOR LANDSCAPING REQUIREMENTS).

   B. AFTER CONSTRUCTION

      1. MANUFACTURER'S DESCRIPTION OF PRODUCT AND WARRANTY STATEMENT ON SOIL STERILIZER.
      2. MANUFACTURER'S DESCRIPTION OF PRODUCT ON GRASS SEED AND FERTILIZER.
      3. LANDSCAPING WARRANTY STATEMENT.

6. WARRANTY

   A. IN ADDITION TO THE WARRANTY ON ALL CONSTRUCTION COVERED IN THE CONTRACT DOCUMENTS, THE CONTRACTOR SHALL REPAIR ALL DAMAGE AND RESTORE AREA AS CLOSE TO ORIGINAL CONDITION AS POSSIBLE AT SITE AND SURROUNDINGS.

   B. SOIL STERILIZATION APPLICATION TO GUARANTEE VEGETATION FREE ROAD AND SITE AREAS FOR ONE YEAR FROM DATE OF FINAL INSPECTION.

   C. DISTURBED AREAS WILL REFLECT GROWTH OF NEW GRASS COVER PRIOR TO FINAL INSPECTION.

   D. LANDSCAPING, IF INCLUDED WITHIN THE SCOPE OF THE CONTRACT, WILL BE GUARANTEED FOR ONE YEAR FROM DATE OF FINAL INSPECTION.

PART 2 - PRODUCTS

1. MATERIALS

   A. SOIL STERILIZER SHALL BE EPA-REGISTERED, PRE-EMERGENCE LIQUID.

   B. ROAD AND SITE MATERIALS SHALL CONFORM TO TXDOT SPECIFICATIONS FILL MATERIAL (UNLESS OTHERWISE NOTED) - ACCEPTABLE SELECT FILL SHALL BE IN ACCORDANCE WITH LOCAL JURISDICTION.

   C. SOIL STABILIZER FABRIC SHALL BE MIRAFI - 500X.

PART 3 - EXECUTION

1. INSPECTIONS

   LOCAL BUILDING INSPECTORS SHALL BE NOTIFIED NO LESS THAN 48 HOURS IN ADVANCE OF CONCRETE POURS, UNLESS OTHERWISE SPECIFIED BY JURISDICTION.

2. PREPARATIONS

   A. CLEAR TREES, BRUSH AND DEBRIS FROM LEASE AREA, ACCESS DRIVE W/TURNAROUND AND UNDER GROUND UTILITY EASEMENTS AS REQUIRED FOR CONSTRUCTION.

   B. PRIOR TO OTHER EXCAVATION AND CONSTRUCTION, GRUB ORGANIC MATERIAL TO A MINIMUM OF SIX INCHES (6") BELOW GRADE.

   C. UNLESS OTHERWISE INSTRUCTED BY VERIZON WIRELESS, TRANSPORT ALL REMOVED TREES, BRUSH AND DEBRIS FROM THE PROPERTY TO AN AUTHORIZED LANDFILL.

   D. PRIOR TO PLACEMENT OF FILL OR BASE MATERIALS, ROLL THE SOIL.

   E. WHERE UNSTABLE SOIL CONDITIONS ARE ENCOUNTERED, LINE THE AREAS WITH STABILIZER MAT PRIOR TO PLACEMENT OF FILL OR BASE MATERIAL.

3. INSTALLATION

   A. GRADE ELEVATION FOR THE LEASE AREA AND ACCESS DRIVE UPON DISTRIBUTION OF SPOILS, RESULTING FROM EXCAVATIONS, SHALL CORRESPOND WITH SAID SUB-BASE COURSE. ELEVATIONS ARE TO BE CALCULATED FROM BENCHMARK, FINISHED GRADES, OR INDICATED SLOPES.

   B. CLEAR EXCESS SPOILS, IF ANY, FROM JOB SITE AND DO NOT SPREAD BEYOND THE LIMITS OF PROJECT AREA UNLESS AUTHORIZED BY PROJECT MANAGER AND AGREED TO BY LANDOWNER.

   C. BRING THE ACCESS DRIVE W/ TURNAROUND TO BASE COURSE ELEVATION TO FACILITATE CONSTRUCTION AND OBSERVATION DURING CONSTRUCTION OF THE SITE.

   D. AVOID CREATING DEPRESSIONS WHERE WATER MAY POND.

   E. THE CONTRACT SHALL INCLUDE GRADING, BANKING, AND DITCHING, UNLESS OTHERWISE INDICATED.

   F. WHEN IMPROVING AN EXISTING ACCESS DRIVE, GRADE THE EXISTING DRIVE TO REMOVE ANY ORGANIC MATTER AND SMOOTH THE SURFACE BEFORE PLACING FILL OR STONE.

   G. PLACE FILL OR STONE IN SIX INCHES (6") MAXIMUM LIFTS, AND COMPACT BEFORE PLACING NEXT LIFT.

   H. THE TOP SURFACE COURSE, SHALL EXTEND A MINIMUM OF ONE FOOT (1') BEYOND THE SITE FENCE (UNLESS OTHERWISE NOTED) AND SHALL COVER THE AREA AS INDICATED.

   I. APPLY RIPRAP TO THE SIDE SLOPES OF ALL FENCED SITE AREAS, PARKING AREAS, AND ALL OTHER SLOPES GREATER THAN 2:1.

   J. APPLY RIPRAP TO THE SIDES OF DITCHES OR DRAINAGE SWALES.

   K. RIPRAP ENTIRE DITCH FOR SIX FEET (6') IN ALL DIRECTIONS AT CULVERT OPENINGS.

   L. APPLY SEED, FERTILIZER AND STRAW COVER TO ALL OTHER DISTURBED AREAS, DITCHES, AND DRAINAGE SWALES, NOT OTHERWISE RIPRAPPED.

   M. UNDER NO CIRCUMSTANCES WILL DITCHES, SWALES, OR CULVERTS BE PLACED SO THAT THEY DIRECT WATER TOWARDS, OR PERMIT STANDING WATER IMMEDIATELY ADJACENT TO SHELTER OR EQUIPMENT. IF ELEVATIONS ARE IN CONFLICT WITH THIS, ADVISE CONSTRUCTION MANAGER IMMEDIATELY.

   N. IN DITCHES WITH SLOPES GREATER THAN 10%, MOUND DIVERSIONARY HEADWALLS IN THE DITCH AT CULVERT ENTRANCES. POSITION THE HEADWALL AT AN ANGLE NO GREATER THAT 60° OFF THE DITCH LINE. RIPRAP THE UPSTREAM SIDE OF THE HEADWALL AS WELL AS THE DITCH FOR SIX FEET (6') ABOVE THE CULVERT ENTRANCE.

   O. APPLY SEED AND FERTILIZER TO SURFACE CONDITIONS WHICH WILL ENCOURAGE ROOTING. RAKE AREAS TO BE SEEDED TO EVEN THE SURFACE AND LOOSEN THE SOIL.

   P. SOW SEED IN TWO DIRECTIONS IN TWICE THE QUANTITY RECOMMENDED BY THE SEED PRODUCER.

   Q. ENSURE GROWTH OF SEEDED AND LANDSCAPED AREAS, BY WATERING, UP TO THE POINT OF RELEASE FROM THE CONTRACT. CONTINUE TO REWORK THE BARE AREAS UNTIL COMPLETE COVERAGE IS OBTAINED.

4. FIELD QUALITY CONTROL

   COMPACT SOILS TO MAXIMUM DENSITY IN ACCORDANCE WITH ASTM D-1557. AREAS SUBJECT TO SETTLEMENT WILL BE EXCAVATED AND REFILLED AT CONTRACTOR'S EXPENSE. INDICATE PERCENTAGE OF COMPACTION ACHIEVED ON AS-BUILT DRAWINGS.

5. PROTECTION

   A. PROTECT SEEDED AREAS FROM EROSION BY SPREADING STRAW TO A UNIFORM LOOSE DEPTH OF 1-2 INCHES, STAKE AND TIE DOWN AS REQUIRED. USE OF EROSION CONTROL MESH OR MULCH NET WILL BE AN ACCEPTABLE ALTERNATE.

   B. ALL TREES PLACED IN CONJUNCTION WITH A LANDSCAPE CONTRACT WILL BE WRAPPED, TIED WITH HOSE PROTECTED WIRE, AND SECURED TO 2" X 2" X 4'-0" WOODEN STAKES EXTENDING TWO-FEET INTO THE GROUND ON FOUR SIDES OF THE TREE.

   C. PROTECT ALL EXPOSED AREAS AGAINST WASHOUTS AND SOIL EROSION. PLACE STRAW BALES AT THE INLET APPROACH TO ALL NEW OR EXISTING CULVERTS. WHERE THE SITE OR ROAD AREAS HAVE BEEN ELEVATED IMMEDIATELY ADJACENT TO THE RAIL LINE, STAKE EROSION CONTROL FABRIC FULL LENGTH IN THE SWALE TO PREVENT CONTAMINATION OF THE RAIL BALLAST. ALL EROSION CONTROL METHODS SHALL CONFORM TO APPLICABLE BUILDING CODE REQUIREMENTS.

SECTION - FENCING AND GATE(S)

PART 1 - GENERAL

1. WORK INCLUDED

   SEE PLAN FOR SITE AND LOCATION OF FENCE AND GATE(S).

2. QUALITY ASSURANCE

   ALL STEEL MATERIALS UTILIZED IN CONJUNCTION WITH THIS SPECIFICATION WILL BE GALVANIZED OR STAINLESS STEEL. WEIGHT OF ZINC COATING ON THE FABRIC SHALL NOT BE LESS THAN 12 OUNCES PER SQUARE FOOT OF MATERIAL COVERED. POSTS SHALL BE HOT-DIPPED IN GRADE "E" ZINC, 18 OUNCES PER SQUARE FOOT.

3. SEQUENCING

   IF THE SITE AREA HAS BEEN BROUGHT UP TO SURFACE COURSE ELEVATION (PRIOR TO THE FENCE CONSTRUCTION), FENCE POST EXCAVATION SPOILS MUST BE CONTROLLED TO PRECLUDE CONTAMINATION OF BASE SURFACE COURSE.

4. SUBMITTALS

   A. MANUFACTURER'S DESCRIPTIVE LITERATURE.

   B. CERTIFICATION OF STATEMENT OF COMPLIANCE WITH THE SPECIFICATIONS.

PART 2 - PRODUCTS

1. FENCE MATERIAL

   A. ALL FABRIC WIRE, RAILS, HARDWARE, AND OTHER STEEL MATERIALS SHALL BE HOT-DIPPED GALVANIZED.

   B. FABRIC SHALL BE SIX-FOOT (6') HIGH OR TO MATCH EXISTING FENCE TWO-INCH (2") VINYL COVERED MESH OF NO. 9 GAUGE (0.130") WIRE. THE FABRIC SHALL HAVE A KNUCKLED FINISH FOR THE TOP SELVAGES. FABRIC SHALL CONFORM TO THE SPECIFICATIONS OF ASTM A-392 CLASS 1.

   C. BARBED WIRE SHALL BE DOUBLE-STRAND, 12-1/2 GAUGE TWISTED WIRE, WITH 14-GAUGE, 4-POINT ROUND BARBS SPACED ON FIVE-INCH CENTERS.

SHEET NAME
GENERAL NOTES

SHEET NUMBER
SP-1

D. ALL POSTS SHALL BE SCHEDULE - 40 MECHANICAL SERVICE PIPE AND SHALL BE TYPE 1 ASTM A-120 AND OF THE FOLLOWING DIAMETER

LINE	2" SCHEDULE 40 (2 3/8" OD.)
CORNER	3" SCHEDULE 40 (3 1/2" OD.)
GATE	3" SCHEDULE 40 (3 1/2" OD.)

E. GATE POSTS SHALL BE EXTENDED 12 INCHES (12"), INCLUDING DOME CAP, TO PROVIDE FOR ATTACHMENT OF BARBED WIRE.

F. ALL TOP AND BRACE RAILS SHALL BE 1-1/2 DIAMETER SCHEDULE - 40 MECHANICAL - SERVICE PIPE.

G. GATE FRAMES AND BRACES SHALL BE 1-5/8 INCH DIAMETER SCHEDULE 40 MECHANICAL - SERVICE PIPE. FRAMES SHALL HAVE WELDED CORNERS.

H. GATE FRAMES SHALL HAVE A FULL-HEIGHT VERTICAL BRACE, AND A FULL-WIDTH HORIZONTAL BRACE, SECURED IN PLACE BY USE OF GATE BRACE CLAMPS.

I. GATE HINGES SHALL BE MERCHANTS METAL MODEL 64385 HINGE ADAPTER WITH MODEL 6409, 188-DEGREE ATTACHMENT.

J. THE GUIDE (LATCH ASSEMBLY) SHALL BE HEAVY INDUSTRIAL DOUBLE GATE LATCH. SEE DETAIL.

K. LATCHES AND STOPS SHALL BE PROVIDED FOR ALL GATES.

L. PLUNGER ROD COMPLETE WITH RECEPTOR TO BE PROVIDED AT THE INACTIVE LEAF OF ALL DOUBLE GATE INSTALLATIONS.

M. ALL STOPS SHALL HAVE KEEPERS CAPABLE OF HOLDING THE GATE LEAF IN THE OPEN POSITION.

N. A NO. 7 GAUGE ZINC COATED TENSION WIRE SHALL BE USED AT THE BOTTOM OF THE FABRIC, TERMINATED WITH BANK CLIPS AT CORNER AND GATE POSTS.

O. A SIX-INCH BY 1/2 -INCH DIAMETER EYEBOLT TO HOLD TENSION WIRE SHALL BE PLACED AT LINE POSTS.

P. STRETCHER BARS SHALL BE 3/16-INCH BY 3/4-INCH OR HAVE EQUIVALENT CROSS-SECTIONAL AREA.

Q. ALL CORNER GATE AND PANELS SHALL HAVE A 3/8-INCH TRUSS ROD WITH TURNBUCKLES.

R. ALL POSTS EXCEPT GATE POSTS SHALL HAVE A COMBINATION CAP AND BARBED WIRE SUPPORTING ARM. GATE POSTS SHALL HAVE A DOME CAP.

S. OTHER HARDWARE INCLUDES BUT MAY NOT BE LIMITED TO TIE CLIPS, BAND CLIPS AND TENSION BAND CLIPS.

T. BARBED WIRE GATE GUARDS SHALL BE FITTED WITH DOME CAPS.

U. BARBED WIRE SUPPORT ARMS SHALL BE PRESSED STEEL COMPLETE WITH SET BOLT AND LOCK WIRE IN THE ARM.

V. ALL CAPS SHALL BE MALLEABLE IRON, DOME OR ACORN SHAPED AS REQUIRED BY PIPE SIZE.

W. WHERE THE USE OF CONCERTINA HAS BEEN SPECIFIED, 24-INCH (24") DIAMETERS COIL, BARBED TAPE, STAINLESS STEEL, CYCLONE FENCE MODEL G6B TO TYPE III SHALL BE FURNISHED. IT SHALL BE SUPPORTED ABOVE THE TOP RAIL BY USE OF SIX (6) WIRE BARBED WIRE ARMS POSITIONED ATOP EACH LINE/CORNER POST.

PART 3 - EXECUTION

1. INSPECTION

TO CONFIRM PROPER DEPTH AND DIAMETER OF POST HOLE EXCAVATIONS. ALL POST HOLES WILL BE EXCAVATED AS PER CONSTRUCTION DOCUMENTS.

2. INSTALLATION

A. FOUNDATIONS SHALL HAVE A MINIMUM SIX INCH (6") CONCRETE COVER UNDER POSTS.

B. ALL FENCE POSTS SHALL BE VERTICALLY PLUMB: ONE QUARTER INCH (1/4").

C. AT CORNER POSTS, GATE POSTS, AND SIDES OF GATE FRAME, FABRIC SHALL BE ATTACHED WITH STRETCHER AND TENSION BAND-CLIPS AT FIFTEEN INCH (15") INTERVALS.

D. AT LINE POSTS, FABRIC SHALL BE ATTACHED WITH BAND-CLIPS AT FIFTEEN INCH (15") INTERVALS.

E. FABRIC SHALL BE ATTACHED TO BRACE RAILS, TENSION WIRE AND TRUSS RODS WITH TIE-CLIPS AT TWO FEET (2') INTERVALS.

F. A MAXIMUM GAP OF ONE INCH (1") WILL BE PERMITTED BETWEEN THE CHAIN LINK FABRIC AND THE FINAL GRADE.

G. GATE SHALL BE INSTALLED SO LOCKS ARE ACCESSIBLE FROM BOTH SIDES.

H. GATE HINGE BOLTS SHALL HAVE THEIR THREADS PINNED OR WELDED TO PREVENT UNAUTHORIZED REMOVAL.

I. CONCRETE TO BE A MINIMUM OF 4,000 PSI AT 7 DAYS. CEMENT SHALL EXCEED ASTM C150,TYPE IIIA.

3. PROTECTION

UPON COMPLETION OF ERECTION, INSPECT FENCE MATERIAL AND PAINT FIELD CUTS OR GALVANIZING BREAKS WITH ZINC-BASED PAINT, COLOR TO MATCH THE GALVANIZED METAL.

APPLICABLE STANDARDS

ASTM-F1083	SPECIFICATION FOR PIPE, STEEL BLACK AND HOT-DIPPED ZINC COATED (GALVANIZED) WELDED AND SEAMLESS, FOR ORDINARY USES.
ASTM-A123	ZINC (HOT-DIP GALVANIZED) COATING ON IRON AND STEEL PRODUCT.
ASTM-A153	STANDARD SPECIFICATION FOR ZINC COATING (HOT-DIP) ON IRON AND STEEL HARDWARE.
ASTM-A392	SPECIFICATION FOR ZINC-COATED STEEL VINYL FENCE FABRIC.
ASTM-A491	SPECIFICATION FOR ALUMINUM-COATED VINYL FENCE FABRIC.
ASTM-A525	STANDARD SPECIFICATION FOR STEEL SHEET ZINC COATED (GALVANIZED) BY THE HOT-DIPPED PROCESS.
ASTM-A570	SPECIFICATION FOR HOT-ROLLED CARBON STEEL SHEET AND STRIP. STRUCTURAL QUALITY.
ASTM-A585	SPECIFICATION FOR ALUMINUM COATED STEEL BARBED WIRE.

BASIC CONCRETE MATERIALS AND METHODS

PART 1 - GENERAL

1. WORK INCLUDED

FORMWORK, REINFORCEMENT, ACCESSORIES, CAST-IN-PLACE, CONCRETE, FINISHING, AND CURING.

2. INSPECTIONS

A. CONTRACTOR IS RESPONSIBLE FOR SCHEDULING BUILDING DEPARTMENT INSPECTIONS REQUIRED FOR HIS SCOPE OF WORK.

B. ALL REINFORCING STEEL SHALL BE INSPECTED AND APPROVED BY THE LESSEE CONSTRUCTION MANAGER PRIOR TO PLACEMENT OF CONCRETE.

C. LESSEE CONSTRUCTION MANAGER SHALL BE NOTIFIED NO LESS THAN 48 HOURS IN ADVANCE OF CONCRETE POURS.

3. QUALITY ASSURANCE

A. CONSTRUCT AND ERECT CONCRETE FORMWORK IN ACCORDANCE WITH ACI 301 AND ACI 318.

B. PERFORM CONCRETE REINFORCING WORK IN ACCORDANCE WITH ACI 301, ACI 318, AND ASTM A184.

C. PERFORM CAST-IN-PLACE CONCRETE WORK IN ACCORDANCE WITH ACI 301, ACI 318, AND ACI 117-90.

D. OPEN FOUNDATION TRENCHES SHALL BE INSPECTED PRIOR TO CONCRETE INSTALLATION.

4. SUBMITTALS

SUBMIT CONCRETE MIX AND REINFORCING STEEL SHOP DRAWINGS FOR APPROVAL BY VERIZON WIRELESS CONSTRUCTION MANAGER/ENGINEER. THE SHOP DRAWINGS SHALL BE SUBMITTED IN THE FORM OF TWO (2) CONCRETE MIX DESIGN INFORMATION SHEETS AND TWO (2) BLUELINE DRAWINGS FOR REINFORCING STEEL.

PART 2 - PRODUCTS

1. REINFORCEMENT MATERIALS

A. REINFORCEMENT STEEL, ASTM A615, 60 YIELD GRADE, DEFORMED BILLET STEEL BARS, PLAIN FINISH.

B. WELDED STEEL WIRE FABRIC ASTM A185 PLAIN TYPE, IN FLAT SHEETS, PLAIN FINISH.

C. CHAIRS, BOLSTERS, BAR SUPPORTS, SPACERS, SIZED AND SHAPED FOR SUPPORTS OF REINFORCING.

D. FABRICATE CONCRETE REINFORCING IN ACCORDANCE WITH ACI 315, ACI 318, ASTM A184.

2. CONCRETE MATERIALS

A. CEMENT: ASTM C150, PORTLAND TYPE.

B. FINE AND COURSE AGGREGATES ASTM C33 - MAXIMUM SIZE OF CONCRETE AGGREGATE SHALL NOT EXCEED 1 ONE INCH (1") SIZE SUITABLE FOR INSTALLATION METHOD UTILIZED OR ONE-THIRD CLEAR DISTANCE BEHIND OR BETWEEN REINFORCING.

C. WATER: POTABLE CLEAN AND NOT DETRIMENTAL TO CONCRETE.

D. AIR ENTRAINING ADMIXTURE: ASTM C260.

E. BONDING AGENT: LATEX EMULSION FOR BONDING NEW TO OLD CONCRETE AS MANUFACTURED BY DAYTON SUPERIOR.

F. NON-SHRINK GROUT: PREMIXED COMPOUND CONSISTING OF NONMETALLIC AGGREGATE, CEMENT WATER REDUCING AND PLASTICIZING AGENTS.

3. CONCRETE MIX

A. CONCRETE MATERIALS SHALL CONFORM TO THE APPROPRIATE A.C.I. REQUIREMENTS FOR EXPOSED STRUCTURAL CONCRETE.

B. MIX AND DELIVER CONCRETE IN ACCORDANCE WITH ASTM C94, ALT. 3.

C. PROPORTIONS OF CONCRETE MATERIALS SHALL BE SUITABLE FOR THE INSTALLATION METHOD UTILIZED AND SHALL RESULT IN DURABLE CONCRETE FOR LOCAL ANTICIPATED AGGRESSIVE ACTIONS. THE DURABILITY REQUIREMENTS OF ACI 318 CHAPTER 4 SHALL BE SATISFIED BASED ON THE CONDITIONS EXPECTED AT THE SITE. PROVIDE CONCRETE AS FOLLOWS:

1. COMPRESSIVE STRENGTH: 4000 PSI AT 7 DAYS.

2. SLUMP: 3 INCHES

PART 3 - EXECUTION

1. INSERTS, EMBEDDED COMPONENTS AND OPENINGS

A. THE CONTRACTOR SHALL COORDINATE AND CROSS-CHECK ARCHITECTURAL, BUILDING & ELECTRICAL DRAWINGS FOR OPENINGS, SLEEVES, ANCHORS, HANGERS, AND OTHER ITEMS RELATED TO CONCRETE WORK AND SHALL ASSUME FULL RESPONSIBILITY FOR THE PROPER LOCATION BEFORE PLACING CONCRETE.

B. PROVIDE FORMED OPENINGS WHERE REQUIRED FOR WORK TO BE EMBEDDED IN AND PASSING THROUGH CONCRETE MEMBERS.

C. COORDINATE WORK OF OTHER SECTIONS IN FORMING AND SETTING OPENING, SLOTS, RECESSES, CHASES, SLEEVES, BOLTS, ANCHORS, AND OTHER INSERTS.

D. INSTALL CONCRETE ACCESSORIES STRAIGHT, LEVEL AND PLUMB.

2. REINFORCEMENT PLACEMENT

A. PLACE REINFORCEMENT, SUPPORTED AND SECURED AGAINST DISPLACEMENT.

B. ENSURE REINFORCING IS CLEAN, FREE OF LOOSE SCALE, DIRT, OR OTHER FOREIGN COATINGS.

C. WELDING IS PROHIBITED ON REINFORCING STEEL AND EMBEDMENT.

D. MINIMUM CONCRETE COVER FOR REINFORCING SHALL BE 3 INCHES UNLESS OTHERWISE NOTED.

E. CONCRETE COVER FROM TOP OF FOUNDATION TO ENDS OF VERTICAL REINFORCEMENT SHALL NOT EXCEED 3 INCHES (3") NOR BE LESS LESS THAN 2 INCHES (2").

3. PLACING CONCRETE

A. VIBRATE ALL CONCRETE TO COMPACTION

B. ALL CONCRETE WORK SHALL ADHERE TO THE LATEST A.C.I. STANDARDS FOR WINTER POURING AND CURING PROCEDURES IF SEASONAL CONDITIONS APPLY.

4. CURING

A. AFTER PLACEMENT, PROTECT CONCRETE FROM PREMATURE DRYING, AND/OR AGAINST FREEZING.

B. MAINTAIN CONCRETE WITH MINIMAL MOISTURE LOSS AT RELATIVELY CONSTANT TEMPERATURE FOR A PERIOD NECESSARY FOR HYDRATION OF CEMENT AND HARDENING OF CONCRETE.

5. PROVIDE HAND RUBBED SMOOTH FINISH TO ALL EXPOSED VERTICAL FORMED CONCRETE SURFACES.

6. FIELD QUALITY CONTROL

A. SUBMIT THREE (3) CONCRETE TEST CYLINDERS- TAKEN FOR EVERY 15 CUBIC YARD OR LESS, SUBMIT CONCRETE TESTS TO THE PROJECT MANAGER IN ACCORDANCE WITH ASTM, C-31 AND C-39.

B. SUBMIT ONE (1) ADDITIONAL TEST CYLINDER - TAKEN DURING COLD WEATHER POURS, AND CURED ON JOB SITE UNDER SAME CONDITIONS AS CONCRETE IT REPRESENTS.

C. SUBMIT ONE (1) SLUMP TEST - TAKEN FOR EACH SET OF TEST CYLINDERS TAKEN.

7. DEFECTIVE CONCRETE

MODIFY OR REPLACE CONCRETE NOT CONFORMING TO REQUIRED LINES, DETAILS OR ELEVATIONS AT COST OF GC. AS DIRECTED BY ARCHITECT/ENGINEER.

METALS
PART 1 - GENERAL

1. SECTION INCLUDES:
STRUCTURAL STEEL FRAMING MEMBERS, BASE PLATES, BARS AND GROUTING UNDER BASE PLATES.

2. SUBMITTALS:

SHOP DRAWINGS: INDICATE SIZES, SPACING AND LOCATIONS OF STRUCTURAL MEMBERS, OPENINGS, CONNECTIONS, CAMBERS, LOADS, AND WELDED SECTIONS.

3. QUALITY ASSURANCE

A. FABRICATE STRUCTURAL STEEL MEMBERS IN ACCORDANCE WITH AISC SPECIFICATIONS FOR THE DESIGN, FABRICATION AND ERECTION OF STRUCTURAL STEEL FOR BUILDINGS.

B. PERFORM DESIGN UNDER DIRECT SUPERVISION OF A PROFESSIONAL STRUCTURAL ENGINEER LICENSED IN THE STATE.

PART 2 - PRODUCTS

1. MATERIALS

A. STRUCTURAL STEEL MEMBERS: ASTM A572, GRADE 50

B. STRUCTURAL TUBING: ASTM A500, GRADE B

C. PIPE: ASTM A53, TYPE E OR S, GRADE B

D. BOLTS, NUTS AND WASHERS: ASTM A325

E. ANCHOR BOLTS: ASTM A307

F. WELDING MATERIALS: AWS D1.1, TYPE REQUIRED FOR MATERIALS BEING WELDED

G. GROUT: NON-SHRINK TYPE, PREMIXED COMPOUND CONSISTING OF NONMETALLIC AGGREGATE, CEMENT, WATER REDUCING AND PLASTICIZING ADDITIVES, CAPABLE OF DEVELOPING A MINIMUM COMPRESSIVE STRENGTH OF 7000 PSI AT 28 DAYS.

H. SHOP AND TOUCH-UP PRIMER: SSPC 15, TYPE 1, RED OXIDE

I. TOUCH-UP PRIMER FOR GALV. SURFACES: ZINC RICH TYPE

2. FABRICATION:

CONTINUOUSLY SEAL JOINTED MEMBERS BY CONTINUOUS WELDS. GRIND EXPOSED WELDS SMOOTH.

3. FINISH:

A. PREPARE STRUCTURAL COMPONENT SURFACES IN ACCORDANCE WITH SSPC SP-1 TO SP-10 PROCEDURES.

B. STRUCTURAL STEEL MEMBERS SHALL BE HOT DIPPED GALVANIZED.

PART 3 - EXECUTION

1. EXAMINATION AND PREPARATION:
VERIFY THAT THE FIELD CONDITIONS ARE ACCEPTABLE.

2. ERECTION:

A. ALLOW FOR ERECTION LOADS. PROVIDE TEMPORARY BRACING TO MAINTAIN FRAMING IN ALIGNMENT UNTIL COMPLETION OF ERECTION AND INSTALLATION OF PERMANENT BRIDGING AND BRACING.

B. FIELD WELD COMPONENTS INDICATED ON SHOP DRAWINGS.

C. DO NOT FIELD CUT OR ALTER STRUCTURAL MEMBERS WITHOUT APPROVAL OF THE ARCHITECT/ENGINEER.

D. AFTER ERECTION, TOUCH-UP WELDS, ABRASIONS, AND SURFACES NOT SHOP PRIMED OR GALVANIZED WITH TOUCH-UP PRIMERS AS SPECIFIED UNDER SECTION 05000-METALS, PART 2 - PRODUCTS, H & I, SURFACES TO BE IN CONTACT WITH CONCRETE NOT INCLUDED.

3. FIELD QUALITY CONTROL:

FIELD INSPECTION OF MEMBERS, CONNECTIONS, WELDS AND TORQUING.

DIVISION 16 ELECTRICAL
BASIC ELECTRICAL MATERIALS AND METHODS

1. CONTRACTOR SHALL REVIEW THE CONTRACT DOCUMENTS PRIOR TO ORDERING THE ELECTRICAL EQUIPMENT AND STARTING THE ACTUAL CONSTRUCTION. CONTRACTOR SHALL ISSUE A WRITTEN NOTICE OF ALL FINDINGS TO THE ARCHITECT LISTING ANY DISCREPANCIES OR CONFLICTING INFORMATION.

2. ELECTRICAL PLANS, DETAILS AND DIAGRAMS ARE DIAGRAMMATIC ONLY. VERIFY EXACT LOCATIONS AND MOUNTING HEIGHTS OF ELECTRICAL EQUIPMENT WITH OWNER PRIOR TO INSTALLATION.

3. EACH CONDUCTOR OF EVERY SYSTEM SHALL BE PERMANENTLY TAGGED IN EACH PANEL-BOARD, PULLBOX JUNCTION BOX, SWITCH BOX, ETC. THE TYPE OF TAGGING METHODS SHALL BE IN COMPLIANCE WITH OCCUPATIONAL SAFETY AND HEALTH ADMINISTRATION (O.S.H.A.).

4. ALL MATERIALS AND EQUIPMENT SHALL BE NEW AND IN GOOD WORKING CONDITION WHEN INSTALLED AND SHALL BE OF THE BEST GRADE AND OF THE SAME MANUFACTURER THROUGHOUT FOR EACH CLASS OR GROUP OF EQUIPMENT. MATERIALS SHALL BE LISTED "U" WHERE APPLICABLE. MATERIALS SHALL MEET WITH APPROVAL OF ALL GOVERNING BODIES HAVING JURISDICTION. MATERIALS SHALL BE MANUFACTURED IN ACCORDANCE WITH APPLICABLE STANDARDS ESTABLISHED BY ANSI, NEMA, NBFU AND "UL" LISTED.

5. ALL CONDUIT SHALL HAVE A PULL CORD.

6. PROVIDE PROJECT MANAGER WITH ONE SET OF COMPLETE ELECTRICAL "AS INSTALLED" DRAWINGS AT THE COMPLETION OF THE JOB, SHOWING ACTUAL DIMENSIONS, ROUTINGS, AND CIRCUITS.

7. ALL CIRCUIT BREAKERS, FUSES AND ELECTRICAL EQUIPMENT SHALL HAVE AN INTERRUPTING SHORT CIRCUIT CURRENT TO WHICH THEY MAY BE SUBJECTED, AND A MINIMUM OF 10,000 A.I.C.

8. THE ENTIRE ELECTRICAL INSTALLATION SHALL BE GROUNDED AS REQUIRED BY IBC, NEC AND ALL APPLICABLE CODES.

9. PATCH, REPAIR AND PAINT ANY AREA THAT HAS BEEN DAMAGED IN THE COURSE OF THE ELECTRICAL WORK.

10. PLASTIC PLATES FOR ALL SWITCHES, RECEPTACLES, TELEPHONE AND BLANKED OUTLETS SHALL HAVE ENGRAVED LETTERING WHERE INDICATED ON THE DRAWINGS. WEATHERPROOF RECEPTACLES SHALL HAVE SIERRA WPD-8 LIFT COVER-PLATES.

SERVICE AND DISTRIBUTION

1. WIRE AND CABLE CONDUCTORS SHALL BE COPPER, 600V, TYPE THHN OR THWN, WITH A MIN. SIZE OF #12 AWG, COLOR CODED. ALL RECTIFIER DROPS SHALL BE STRANDED TO ACCEPT CRIMP CONNECTORS.

2. ALL CHEMICAL GROUND RODS SHALL BE "UL" APPROVED.

3. METER SOCKET AMPERES, VOLTAGE, NUMBER OF PHASES SHALL BE AS NOTED ON THE DRAWINGS. MANUFACTURED BY MILBANK OR APPROVED EQUAL AND SHALL BE UTILITY COMPANY APPROVED.

4. CONDUIT:

A. RIGID CONDUIT SHALL BE U.L. LABEL GALVANIZED ZINC COATED WITH GALVANIZED ZINC INTERIOR AND SHALL BE USED WHEN INSTALLED IN OR UNDER CONCRETE SLABS, IN CONTACT WITH THE EARTH, UNDER PUBLIC ROADWAYS, IN MASONRY WALLS OR EXPOSED ON BUILDING EXTERIOR. RIGID CONDUIT IN CONTACT WITH EARTH SHALL BE 1/2 LAPPED WRAPPED WITH HUNTS WRAP PROCESS NO. 3.

B. ELECTRICAL METALLIC TUBING SHALL HAVE U.L. LABEL.FITTING SHALL BE GLAND RING COMPRESSION TYPE.

C. FLEXIBLE METALLIC CONDUIT SHALL HAVE U.L. LISTED LABEL AND MAY BE USED WHERE PERMITTED BY CODE. FITTINGS SHALL BE "JAKE" OR "SQUEEZE" TYPE. ALL FLEXIBLE CONDUITS SHALL HAVE FULL LENGTH GROUND WIRE.

D. ALL UNDERGROUND CONDUIT SHALL BE AS NOTED ON THE DRAWINGS AT A MINIMUM DEPTH OF 30" BELOW GRADE. IT IS REQUIRED AND WILL BE THE RESPONSIBILITY OF THE ELECTRICAL CONTRACTOR TO NOTIFY 811 OR SUCH DIGGING AGENCY 48 HRS PRIOR TO DIGGING.

5. CONTRACTOR TO COORDINATE WITH UTILITY COMPANY FOR CONNECTION OF TEMPORARY AND PERMANENT POWER TO THE SITE. THE TEMPORARY POWER AND ALL HOOKUP COSTS ARE TO BE PAID BY THE CONTRACTOR.

6. ALL ELECTRICAL EQUIPMENT SHALL BE LABELED WITH PERMANENT ENGRAVED PLASTIC LABELS WITH WHITE ON BLUE BACKGROUND LETTERING (MINIMUM LETTER HEIGHT SHALL BE 1/4"). NAMEPLATES SHALL BE FASTENED WITH STAINLESS STEEL SCREWS, NOT ADHESIVE.

7. UPON COMPLETION OF WORK, CONTINUITY, SHORT CIRCUIT, AND FALL POTENTIAL GROUNDING TESTS BY AN INDEPENDENT TESTING SERVICE ENGAGED BY THE CONTRACTOR SHALL BE SUBMITTED FOR APPROVAL. SUBMIT TEST REPORTS TO PROJECT MANAGER. CLEAN PREMISES OF ALL LEAVE WORK IN A COMPLETE AND UNDAMAGED CONDITION.

8. GROUNDING ELECTRODE SYSTEM

A. PREPARATION

1. SURFACE PREPARATION:

ALL CONNECTIONS SHALL BE MADE TO BARE METAL. ALL PAINTED SURFACES SHALL BE FIELD INSPECTED AND MODIFIED TO ENSURE PROPER CONTACT. NO WASHERS ARE ALLOWED BETWEEN THE ITEMS BEING GROUNDED. ALL CONNECTIONS ARE TO HAVE A NON-OXIDIZING AGENT APPLIED PRIOR TO INSTALLATION.

2. GROUND BAR PREPARATION:

ALL COPPER GROUND BARS SHALL BE CLEANED, POLISHED AND A NON-OXIDIZING AGENT APPLIED. NO FINGERPRINTS OR DISCOLORED COPPER WILL BE PERMITTED.

3. SLEEVES:

ALL GROUNDING CONDUCTORS SHALL RUN THROUGH PVC SLEEVES WHEREVER CONDUCTORS RUN THROUGH WALLS, FLOORS OR CEILINGS. IF CONDUCTORS MUST RUN THROUGH EMT, BOTH ENDS OF CONDUIT SHALL BE GROUNDED. SEAL BOTH ENDS OF CONDUIT WITH SILICONE CAULK.

B. GROUND BARS

1. ALL GROUND BARS SHALL BE 1/4" THICK TINNED COPPER PLATE AND OF SIZE INDICATED ON DRAWINGS.

2. ALL CONNECTIONS TO THE GROUND BAR SHALL OBSERVE THE FOLLOWING SEQUENCE:

A. BOLT-HEAD
B. 2-HOLE LUG
C. TINNED BUSS BAR
D. STAR WASHER
E. NUT
F. EXTERNAL CONNECTIONS

3. ALL BURIED GROUNDING CONNECTIONS SHALL BE MADE BY THE EXOTHERMIC WELD PROCESS. CONNECTIONS SHALL INCLUDE ALL CABLE, SPLICES, TEE'S, CROSSED, ETC. ALL CABLE TO GROUND RODS, GROUND ROD SPLICES AND LIGHTING PROTECTION SYSTEMS ARE TO BE AS INDICATED. ALL MATERIALS USED (MOLDS, WELDING METAL, TOOLS, ETC.) SHALL BE BY "CADWELD" AND INSTALLED PER MANUFACTURER'S RECOMMENDED PROCEDURES.

4. ALL ABOVE GRADE GROUNDING AND BONDING CONDUCTORS SHALL BE CONNECTED BY TWO HOLE CRIMP TYPE (COMPRESSION) CONNECTORS (EXCEPT FORTH ACEG AND GROUND ROD) MECHANICAL CONNECTIONS, FITTINGS OR CABLE TO CABLE CONNECTIONS SHALL BE HIGH PRESSURE DOUBLE CRIMP TYPE CONNECTIONS. CONNECTION TO STRUCTURAL STEEL SHALL BE EXOTHERMIC WELDS.

C. GROUND RODS

ALL GROUND RODS SHALL BE 5/8-INCH DIAMETER X 10'-0" LONG "COPPERWELD" OR APPROVED EQUAL, OF THE NUMBER AND LOCATIONS INDICATED. GROUND RODS SHALL BE DRIVEN FULL LENGTH VERTICAL IN UNDISTURBED EARTH.

NO.	DATE	REVISION

WIRELESS INFRASTRUCTURE

DATE: _____
EXPIRES: 03/31/15

PROJECT NO: 1133393

SHEET NAME
GENERAL NOTES

SHEET NUMBER
SP-3

D. GROUND CONDUCTORS

ALL GROUND CONDUCTORS SHALL BE STANDARD TINNED SOLID BARE COPPER ANNEALED, AND OF SIZE INDICATED ON DRAWINGS UNLESS NOTED OTHERWISE.

E. LUGS

1. LUGS SHALL BE 2-HOLE, LONG BARREL, STRAND COPPER UNLESS OTHERWISE SPECIFIED IN THE CONTRACT DOCUMENTS. LUGS SHALL BE THOMAS AND BETTS SERIES 548 x x BE OR EQUIVALENT.

   A. 535 MCM DLO 54880BE
   B. 262 MCM DLO 54872BE
   C. 1/0 DLO 54867DE
   D. 1/0 THIN AND BARE 54866BE
   E. 2/0 THIN 54862BE
   F. #2 THHN 54207BE
   G. #6 DLO 54205BE

2. WHEN THE DIRECTION OF CONDUCTOR MUST CHANGE, IT SHALL BE DONE GRADUALLY. THE CURVATURE OF THE TURN SHALL BE DONE IN ACCORDANCE WITH THE FOLLOWING CHART:

GROUNDING CONDUCTOR SIZE	MINIMUM BENDING RADIUS TO INSIDE EDGE
NO. 6 AWG TO NO. 4 AWG	6 INCHES
NO. 2 AWG TO NO. 1/0 AWG	8 INCHES
NO. 2/0 AWG TO 4/0 MCM	12 INCHES
250 MCM TO 750 MCM	24 INCHES

F. GROUND RING

1. THE EXTERNAL GROUND RING ENCIRCLING THE TOWER (IF APPLICABLE) AND BETWEEN THE EQUIPMENT SHELTER PLATFORM ANCHORS SHALL BE MINIMUM NO. 2 AWG. SOLID TINNED BARE COPPER CONDUCTOR IN DIRECT CONTACT WITH THE EARTH AT THE DEPTH INDICATED ON THE DRAWINGS. CONDUCTOR BENDS SHALL HAVE A MINIMUM BENDING RADIUS OF EIGHT (8) INCHES.

2. ALL EXTERNAL GROUND RINGS ARE TO BE JOINED TOGETHER AND ALL CONNECTIONS MUST BE CADWELDED. NO LUGS OR CLAMPS WILL BE ACCEPTED.

G. FENCE GATE

GROUND EACH GATE POST, CORNER POST AND GATE AS INDICATED ON DRAWING GROUND CONNECTIONS TO FENCE POSTS AND ALL OTHER CONNECTIONS FOR THE GROUND GRID SYSTEM SHALL BE MADE BY EXOTHERMIC WELD PROCESS, AND INSTALLED PER MANUFACTURER'S RECOMMENDATIONS AND PROCEDURES, AND SPRAYED WITH COLD-GALVANIZED PAINT.

9. I.E.E.E. FALL POTENTIAL TESTS

A. FOR RAW LAND SITE

1. GROUND TEST SHALL BE PERFORMED AS INDICATED ON DRAWINGS. A BIDDLE GROUND OHMER OR THE METHOD OF USING TWO AUXILIARY GROUND RODS (AS DESCRIBED IN I.E.E.E. STANDARDS NO. 81-1-983, PART 1) MAY BE USED. THE I.E.E.E. METHOD REQUIRES THE USE OF AN A.C. TEST CURRENT. THE AUXILIARY TEST RODS MUST BE SUFFICIENTLY FAR AWAY FROM THE ROD UNDER TEST SO THAT THE REGIONS IN WHICH THEIR RESISTANCE IS LOCALIZED DO NOT OVERLAP. THE TEST POINT WILL BE THE GROUND ROD AND WILL CONSIST OF THE THREE POINT FALL OF POTENTIAL MEGGER TEST METHOD, USING THE BIDDLE NULL-BALANCE EARTH TESTER (MEGGER #250220-2 OR EQUIVALENT).

2. CONTRACTOR TO CONDUCT GROUND RESISTANCE TEST IN THE FORMAT AS FOLLOWS:

B. EQUIPMENT PAD

1. FIRST TEST - SHALL BE WITH FOUR GROUND RODS INSTALLED, ONE AT EACH CORNER OF THE PAD BUT NOT CONNECTED TO THE MAIN GROUNDING BUS. FURNISH WIRE TO CONNECT (TEMPORARY CLAMP) ALL FOUR GROUND RODS TOGETHER TO MAKE A SYSTEM TEST AFTER EACH ROD IS INDIVIDUALLY TESTED. IF ANY INDIVIDUAL ROD TESTS 25 OHMS OR MORE, THE ELECTRICAL CONTRACTOR AND OWNER'S REPRESENTATIVE SHOULD BE NOTIFIED SO THAT THE ROD CAN BE DRIVEN DEEPER UNTIL ALL FOUR RODS HAVE A RESISTANCE OF 10 OHMS OR LESS ON A DRY DAY.

2. SECOND TEST - SHALL BE WITH THE GROUND RODS CONNECTED, WITH DRY SOIL AND WHEN NO STANDING WATER HAS BEEN PRESENT FOR THE PAST TEN (10) DAYS. THE MAXIMUM ALLOWABLE READING IS 5 OHMS TO GROUND. IF THE RESISTANCE OF THE ENTIRE SYSTEM EXCEEDS 5 OHMS, NOTIFY THE CONTRACTOR AND OWNER'S REPRESENTATIVE SO THAT ADDITIONAL AND/OR DEEPER RODS CAN BE INSTALLED.

C. TOWER

1. FIRST TEST - SHALL BE WITH THREE GROUND RODS INSTALLED (MINIMUM), EQUALLY SPACED AROUND THE TOWER FOUNDATION, BUT NOT CONNECTED TO THE SHELTER PAD EXTERNAL GROUND RING. FURNISH WIRE TO CONNECT (TEMPORARY CLAMP) ALL THREE GROUND RODS TOGETHER TO MAKE A SYSTEM TEST AFTER EACH ROD IS INDIVIDUALLY TESTED. IF ANY INDIVIDUAL ROD TESTS 25 OHMS OR MORE, NOTIFY THE CONTRACTOR AND OWNER'S REPRESENTATIVE SO THAT THE ROD CAN BE DRIVEN DEEPER UNTIL ALL THREE (3) RODS HAVE A RESISTANCE OF 10 OHMS OR LESS ON A DRY DAY.

2. SECOND TEST - SHALL BE WITH THE GROUND RODS CONNECTED, WITH DRY SOIL AND WHEN NO STANDING WATER HAS BEEN PRESENT FOR THE PAST TEN (10) DAYS. THE MAXIMUM ALLOWABLE READING IS 5 OHMS TO GROUND. IF THE RESISTANCE OF THE ENTIRE SYSTEM EXCEEDS 5 OHMS THE ELECTRICAL CONTRACTOR AND OWNER'S REPRESENTATIVE SHOULD BE NOTIFIED SO THAT EITHER ADDITIONAL AND/OR DEEPER RODS CAN BE INSTALLED.

D. EQUIPMENT PAD AND TOWER

1. AFTER THE EQUIPMENT PAD AND TOWER GROUND RESISTANCE TEST IS COMPLETED, CONTRACTOR SHALL TIE EQUIPMENT PAD EXTERNAL GROUND RING AND TOWER EXTERNAL GROUND RING TOGETHER. AFTER FIRST AND SECOND TEST ALL CONNECTIONS MUST BE MADE USING EXOTHERMIC WELD. NO LUGS OR CLAMPS WILL BE ACCEPTED.

2. AFTER ALL THE EXTERNAL GROUND RINGS ARE TIED TOGETHER, A COMPLETE MEGGER CHECK OF THE GROUND SYSTEM SHOULD BE DONE. THE MAXIMUM ALLOWABLE LEADING IS 5 OHMS TO GROUND.

10. GROUNDING RESISTANCE TEST REPORT

UPON COMPLETION OF THE TESTING FOR EACH SITE, A TEST REPORT SHOWING RESISTANCE IN OHMS WITH AUXILIARY POTENTIAL ELECTRODES AT 5 FEET AND 10 FEET INTERVALS UNTIL THE AVERAGE RESISTANCE STARTS INCREASING AND ALSO NOTE THAT 10-15 PHOTOS MUST BE TAKEN TO PROOF ENTIRE EXTERNAL GROUND RING SYSTEM BEFORE BACKFILL. TWO (2) SETS OF TEST DOCUMENTS ARE OF THE INDEPENDENT TESTING SERVICE TO BE BOUND AND SUBMITTED WITHIN ONE (1) WEEK OF WORK COMPLETION.

POLES, POSTS, AND STANDARDS SINGLE MAST AND SELF SUPPORTING TOWERS

1. GENERAL

A. LIGHTNING ROD AND EXTENSION PIPE INCLUDING ALL APPURTENANCES, TO BE FURNISHED BY OWNER, IF REQUIRED.

B. PROVIDE TEMPORARY LIGHTING FOR TOWER AS PER FAA REGULATIONS DURING CONSTRUCTION, IF REQUIRED.

C. GROUNDING:

GROUND TOWER WITH A MINIMUM OF #2 AWG TINNED SOLID BARE COPPER CONDUCTOR CADWELDED TO TOWER BASE PLATE. TWO (2) GROUNDING LEADS PER TOWER BASE PLATE.

NO EXOTHERMIC WELDS SHALL BE ATTACHED DIRECTLY TO THE MONOPOLE TOWER SHAFT.

TELECOMMUNICATIONS WIRING COMPONENTS COAXIAL ANTENNA CABLE

1. GENERAL

A. ALL MATERIALS, PRODUCTS OR PROCEDURES INCORPORATED INTO WORK SHALL BE NEW AND OF STANDARD COMMERCIAL QUALITY.

B. CERTAIN MATERIALS AND PRODUCTS WILL BE SUPPLIED BY THE OWNER (REFER TO GENERAL CONDITIONS FOR THE LIST OF OWNER FURNISHED EQUIPMENT, MATERIALS AND SUPPLIES FOR THESE ITEMS). THE CONTRACTOR IS RESPONSIBLE FOR PICKUP AND DELIVERY OF ALL SUCH MATERIALS.

C. ALL OTHER MATERIALS AND PRODUCTS SPECIFIED IN THE CONTRACT DOCUMENTS SHALL BE SUPPLIED BY THE CONTRACTOR.

2. MATERIALS:

A. COAXIAL CABLE:

1. INSTALL COAXIAL CABLE AND TERMINATIONS BETWEEN ANTENNAS AND EQUIPMENT PER MANUFACTURER'S RECOMMENDATIONS WITH COAXIAL CABLES SUPPORTED AT NO MORE THAN 3'-0" O.C. WEATHERPROOF ALL CONNECTORS BETWEEN THE ANTENNA AND EQUIPMENT PER MANUFACTURERS' REQUIREMENTS. TERMINATE ALL COAXIAL CABLE THREE FEET (3') IN EXCESS OF EQUIPMENT LOCATION UNLESS OTHERWISE STATED.

3. ANTENNA AND COAXIAL CABLE GROUNDING

A. ALL COAXIAL CABLE GROUNDING KITS ARE TO BE INSTALLED ON STRAIGHT RUNS OF COAXIAL CABLE (NOT WITHIN BENDS)

4. COAXIAL CABLE IDENTIFICATION

A. TO PROVIDE EASY IDENTIFICATION AND UNIFORM MARKING OF ANTENNA CABLING, PLASTIC TAGS SHALL SHALL BE USED AT THE FOLLOWING LOCATIONS:

1. FIRST LOCATION IS AT THE END OF THE COAX NEAREST THE ANTENNA (WHERE THE COAXIAL CABLE AND JUMPER ARE CONNECTED).

2. SECOND LOCATION IS INSIDE THE EQUIPMENT SHELTER NEAR THE WAVEGUIDE ENTRY PORT.

B. USE ANDREW CABLE TIES (PT.# 21230) TO SECURE IDENTIFICATION TAGS.

5. TESTING

LESSEE SHALL PROVIDE AN INDEPENDENT TESTING AGENCY TO PERFORM THE COAXIAL SWEEP TEST & REPORT. THE CONTRACTOR IS TO PROVIDE ONE CLIMBER / QUALIFIED PERSONNEL TO ASSIST IN ANY REPAIRS AND WEATHERPROOFING ONCE THE TEST IS COMPLETE. THE CONTRACTOR IS TO PROVIDE LESSEE WITH A MINIMUM OF 48 HOURS NOTICE PRIOR TO THE TIME OF THE SWEEP TEST.

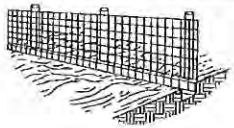
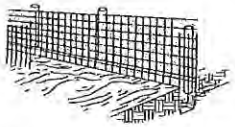
GRADING NOTES:

1. THE CONTRACTOR SHALL REWORK (DRY, SCARIFY, ETC.) ALL MATERIAL NOT SUITABLE FOR SUB GRADE IN ITS PRESENT STATE. IF THE MATERIAL, AFTER REWORKING, REMAINS UNSUITABLE THEN THE CONTRACTOR SHALL UNDERCUT THIS MATERIAL AND REPLACE WITH APPROVED MATERIAL AT HIS EXPENSE. ALL SUB GRADES SHALL BE PROOF ROLLED WITH A FULLY LOADED TANDEM AXLE DUMP TRUCK PRIOR TO PAVING. ANY SOFT MATERIAL SHALL BE REWORKED OR REPLACED.

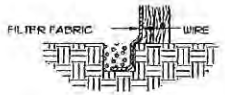


2. THE CONTRACTOR IS REQUIRED TO MAINTAIN ALL DITCHES, PIPES, AND OTHER DRAINAGE STRUCTURES FREE FROM OBSTRUCTION UNTIL WORK IS ACCEPTABLE BY THE OWNER. THE CONTRACTOR IS RESPONSIBLE FOR ANY DAMAGES CAUSED BY FAILURE TO MAINTAIN DRAINAGE STRUCTURES IN OPERABLE CONDITION.

3. ALL MATERIALS AND WORKMANSHIP SHALL BE WARRANTED FOR ONE (1) YEAR FROM DATE OF ACCEPTANCE.



4. ALL DIMENSIONS SHALL BE VERIFIED WITH THE PLANS (LATEST REVISION) PRIOR TO COMMENCING CONSTRUCTION. NOTIFY THE OWNER IMMEDIATELY IF DISCREPANCIES ARE DISCOVERED. THE CONTRACTOR SHALL HAVE A SET OF APPROVED PLANS AVAILABLE AT THE SITE AT ALL TIMES WHEN WORK IS BEING PERFORMED. A DESIGNATED RESPONSIBLE EMPLOYEE SHALL BE AVAILABLE FOR CONTACT BY GOVERNING AGENCY INSPECTORS.



1. SET POSTS AND EXCAVATE A 4"X4" TRENCH UPSLOPE ALONG POSTS.

2. STAPLE WIRE FENCING TO THE LINE OF POSTS.

3. ATTACH THE FILTER FABRIC TO THE WIRE FENCE AND EXTEND IT INTO THE TRENCH.

4. EXTENSION OF FABRIC AND WIRE INTO THE TRENCH

REFERENCE NOTES:

1. CORNER, END OR PULL POST: 3" NOMINAL SCHEDULE 40 PIPE.
2. LINE POST: 2 1/2" SCHEDULE 40 PIPE, PER ASTM F1083. LINE POSTS SHALL BE EQUALLY SPACED AT MAXIMUM 8'-0" O.C.
3. TOP RAIL & BRACE RAIL: 1 1/2" PIPE, PER ASTM F1083.
4. FABRIC: 9 GAUGE CORE WIRE SIZE 2" MESH, CONFORMING TO ASTM A392.
5. TIE WIRE: MINIMUM 11 GAUGE GALVANIZED STEEL. A SINGLE WRAP OF FABRIC TIE AT POSTS AND RAILS. BY HOG RINGS SPACED MAXIMUM 24" INTERVALS AT TENSION WIRE .
6. TENSION WIRE: 9 GAUGE GALVANIZED STEEL.
7. BARBED WIRE: DOUBLE STRAND 12 GAUGE TWISTED WIRE TO MATCH WITH FABRIC. 14 GAUGE 4 POINT BARBS SPACED APPROXIMATELY 5" ON CENTER. 45 DEGREE ARM ANGLED OUTWARD.
8. STRETCHER BAR: 3/16" X 3/4" X HEIGHT OF FENCE.
9. 3/8" DIAGONAL ROD WITH GALVANIZED STEEL TURNBUCKLE OR DIAGONAL THREADED ROD.
10. CORNER POST BRACE: 1 5/8" DIA. EACH CORNER EACH WAY.
11. FINISH GRADE SHALL BE UNIFORM, LEVEL AND EXTEND 12" BEYOND FENCE BOUNDARY.
12. GATE POST: 4" SCHEDULE 40 PIPE, FOR GATE WIDTHS UP THRU 10 FEET OR 20 FEET FOR DOUBLE SWING GATE, PER ASTM F1083.
13. GATE FRAME: 1 1/2" PIPE, PER ASTM F1083.
14. 4" X 6" HANDHOLD WITH 3/4" CHAIN AND LOCKS. WELD CHAIN TO THE GATE LEAF WITHOUT THE HANDHOLD.
15. GATE DIAGONAL: GALVANIZED STEEL 1 1/2" PIPE.
16. GATE FRAME BRACE: 1 5/8" DIAMETER.
17. NOT USED
18. LINE POST CONCRETE FOUNDATION (2000 PSI).
19. CORNER POST CONCRETE FOUNDATION (2000 PSI).
20. GATE POST CONCRETE FOUNDATION (2000 PSI).
21. SIGNAGE PROVIDED BY OWNER.

GENERAL NOTES:

1. INSTALL FENCING PER ASTM F567.
2. INSTALL SWING GATES PER ASTM F900.
3. COMPLY WITH LOCAL ORDINANCE OF BARBED WIRE PERMIT REQUIREMENT, IF REQUIRED.
4. POST & GATE PIPE SIZES ARE INDUSTRY STANDARDS. ALL PIPE TO BE 1-1/4" NOMINAL SCHEDULE 40 GALVANIZED MINIMUM (HOT DIP, ASTM F1083 GRADE "A" STEEL). ALL GATE FRAMES SHALL BE WELDED. ALL WELDING SHALL BE COATED WITH (3) COATS OF COLD GALVANIZING (OR EQUAL).
5. ALL OPEN POSTS SHALL HAVE END-CAPS.
6. USE GALVANIZED HOG-RING WIRE TO MOUNT ALL SIGNS.
7. ALL SIGNS MUST BE MOUNTED ON INSIDE OF FENCE FABRIC.

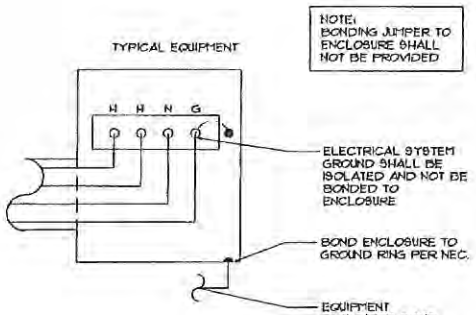
2. UNLESS OTHERWISE SPECIFIED, ALL WIRING SHALL BE COPPER (CU) TYPE THHN, SIZED IN ACCORDANCE W/ THE NATIONAL ELECTRICAL CODE.
3. RACEWAYS SHALL BE GALVANIZED STEEL, SIZED IN ACCORDANCE W/ THE NATIONAL ELECTRICAL CODE, UNLESS OTHERWISE NOTED. ALL RACEWAYS SHALL BE APPROVED FOR THE INSTALLATION.
4. PULL OR JUNCTION BOXES SHALL BE PROVIDED AS REQUIRED TO FACILITATE INSTALLATION OF RACEWAYS AND WIRING. PROVIDE JUNCTION BOX AND PULL BOXES FOR CONDUIT RUNS W/ MORE THAN (360) DEGREES OF BENDS.
5. PROVIDE A COMPLETE RACEWAY AND WIRING INSTALLATION, PERMANENTLY AND EFFECTIVELY GROUNDED IN ACCORDANCE W/ ARTICLE 250 OF THE NATIONAL ELECTRICAL CODE AND LOCAL CODES.
6. ELECTRICAL PANEL BOARD SHALL BE FURNISHED AND INSTALLED BY OTHERS. ELECTRICAL CONTRACTOR SHALL FIELD VERIFY EXACT LOCATION.
7. ALL STEEL CONDUIT SHALL BE BONDED AT BOTH ENDS WITH GROUNDING BUSHING.

GENERAL:
SEE DETAILS AND SCHEDULES ON DRAWINGS AND SPECIFICATIONS FOR MEANING OF ABBREVIATIONS AND ADDITIONAL REQUIREMENTS AND INFORMATION. CHECK ARCHITECTURAL, STRUCTURAL AND OTHER MECHANICAL AND ELECTRICAL DRAWINGS FOR SCALE, SPACE LIMITATIONS, COORDINATION, AND ADDITIONAL INFORMATION, ETC. REPORT ANY DISCREPANCIES, CONFLICTS, ETC. TO ENGINEER BEFORE SUBMITTING BID. ALL EQUIPMENT FURNISHED BY OTHERS (EBO) SHALL BE PROVIDED W/ PROPER MOTOR STARTERS, DISCONNECTS, CONTROLS, ETC. BY THE ELECTRICAL CONTRACTOR UNLESS SPECIFICALLY NOTED OTHERWISE. THE ELECTRICAL CONTRACTOR SHALL INSTALL AND COMPLETELY WIRE ALL ASSOCIATED EQUIPMENT IN ACCORDANCE W/ MANUFACTURER'S WIRE DIAGRAMS AND AS REQUIRED FOR A COMPLETE OPERATING INSTALLATION. ELECTRICAL CONTRACTOR SHALL VERIFY AND COORDINATE ELECTRICAL CHARACTERISTICS AND REQUIREMENTS OF (EBO) EQUIPMENT PRIOR TO ROUGH-IN OF CONDUIT AND WIRING TO AVOID CONFLICTS.



COORDINATION WITH UTILITY COMPANY:
THE ELECTRICAL CONTRACTOR SHALL COORDINATE COMPLETE ELECTRICAL SERVICE W/ LOCAL UTILITY COMPANY FOR A COMPLETE OPERATIONS SYSTEM, INCLUDING TRANSFORMER CONNECTIONS, CONCRETE TRANSFORMER PADS, IF REQUIRED, METER SOCKETS, PRIMARY CABLE RACEWAY REQUIREMENTS, SECONDARY SERVICE, ETC. PRIOR TO SUBMITTING BID TO INCLUDE ALL LABOR AND MATERIALS. THE ELECTRICAL CONTRACTOR SHALL INCLUDE IN THE BID ANY OPTIONAL OR EXCESS FACILITY CHARGES ASSOCIATED W/ PROVIDING ELECTRICAL SERVICE FROM LOCAL UTILITY COMPANY. VERIFY BEFORE BIDDING TO INCLUDE ALL COSTS.
THE ELECTRICAL CONTRACTOR SHALL VERIFY THE AVAILABLE FAULT CURRENT W/ THE LOCAL UTILITY COMPANY PRIOR TO SUBMITTING BID. ADJUST A.I.C. RATING OF THE OVERCORRECT PROTECTION DEVICES IN DISTRIBUTION EQUIPMENT AS REQUIRED TO COORDINATE W/ AVAILABLE FAULT CURRENT FROM LOCAL UTILITY COMPANY. ALL GROUNDING RODS PROVIDED BY THE POWER OR TELEPHONE UTILITY COMPANIES MUST BE TIED INTO THE MAIN EXTERNAL GROUND RING.

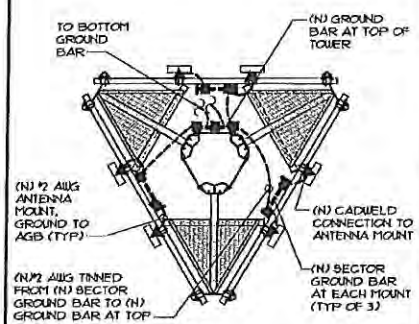
GROUNDING ELECTRODE SYSTEM

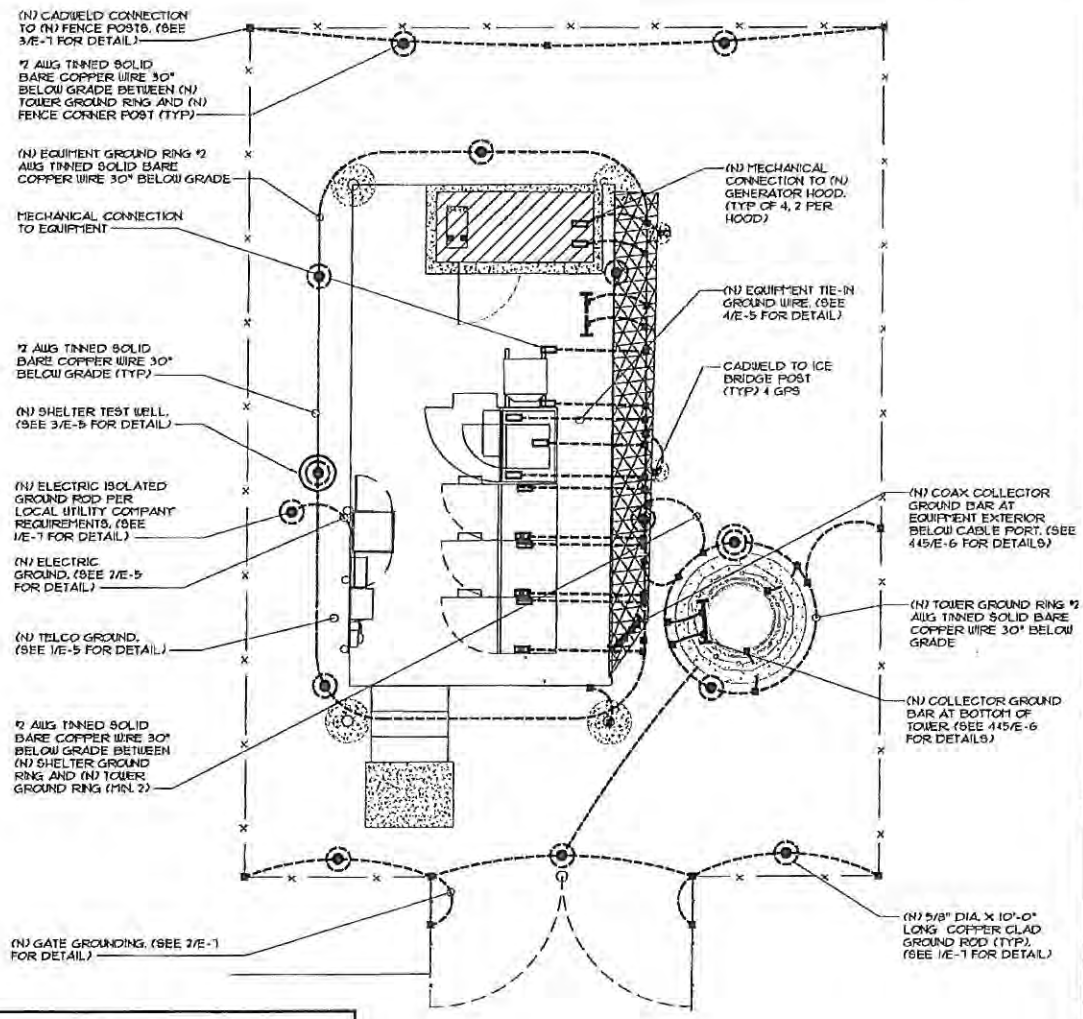
1. CONNECTIONS
ALL GROUNDING CONNECTIONS SHALL BE MADE BY THE "CADWELD" PROCESS CONNECTIONS SHALL INCLUDE ALL CABLE TO CABLE, SPLICES, ETC. ALL CABLE TO GROUND RODS, GROUND RODS SPLICES AND LIGHTNING PROTECTION SYSTEM AS INDICATED. GROUND FOUNDATION ONLY AS INDICATED BY PM. ALL MATERIALS USED (MOLDS, WELDING, METAL, TOOLS, ETC.) SHALL BE "CADWELD" PROCESS AND INSTALLED PER MANUFACTURER'S RECOMMENDATIONS AND PROCEDURES. GROUND CONDUCTOR SHALL HAVE A MINIMUM 24" BENDING RADIUS.

2. ALL CADWELD CONNECTIONS ON GALVANIZED SURFACES SHALL BE CLEANED THOROUGHLY AND COLORED TO MATCH SURFACE WITH (2) TWO COATS OF SHERWIN-WILLIAMS GALVITE (WHITE) PAINT B50W8 (OR EQUAL) OR SHERWIN-WILLIAMS SILVERBRITE (ALUMINUM) B59911 (OR EQUAL).



3. ALL ELECTRICAL & MECHANICAL GROUND CONNECTIONS SHALL HAVE ANTIOXIDANT COMPOUND APPLIED TO CONNECTION.

4. FENCE/ GATE:
GROUND FENCE POSTS WITHIN 6 FEET OF ENCLOSURE AND 25 FEET OF TOWER AS INDICATED ON DRAWINGS. GROUND ALTERNATING GATE POSTS AND ALL CORNER POSTS. GROUND CONNECTIONS TO FENCE POSTS SHALL BE MADE BY THE "CADWELD" PROCESS AND INSTALLED PER MANUFACTURER'S RECOMMENDATIONS AND PROCEDURES. ALL OTHER CONNECTIONS FOR THE GROUND GRID SYSTEM SHALL BE MADE BY THE "CADWELD" PROCESS, AND INSTALLED PER MANUFACTURER'S RECOMMENDATIONS AND PROCEDURES.



5. UTILITY COMPANY COORDINATION:
ELECTRICAL CONTRACTOR SHALL CONFIRM THAT ALL WORK IS IN ACCORDANCE WITH THE RULES OF THE LOCAL UTILITY COMPANY BEFORE SUBMITTING THE BID, THE CONTRACTOR SHALL CHECK WITH THE UTILITY COMPANIES SUPPLYING SERVICE TO THIS PROJECT AND SHALL DETERMINE FROM THEM ALL EQUIPMENT AND CHARGES WHICH THEY WILL REQUIRE AND SHALL INCLUDE THE COST IN THE BID.

6. GROUND TESTS:
GROUND TESTS SHALL BE PERFORMED AS REQUIRED BY LESSEE STANDARD PROCEDURES. GROUND GRID RESISTANCE SHALL NOT EXCEED 5-OHMS.

7. CONTRACTOR SHALL SUBMIT THE GROUND RESISTANCE TEST REPORT AS FOLLOWS:
1. ONE (1) COPY TO OWNER REPRESENTATIVE
2. ONE (1) COPY TO ENGINEER
3. ONE (1) COPY TO KEEP INSIDE EQUIPMENT ENCLOSURE

CITY OF ROCKWALL, TEXAS
ORDINANCE NO. 14-xx

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS AMENDING THE CODE OF ORDINANCES IN CHAPTER 32 *SIGNS*, ARTICLE I, *IN GENERAL* AND ARTICLE IV *PROHIBITED SIGNS; SECTIONS 32-1 AND 32-332;* INCORPORATING RECITALS; PROVIDING FOR SEVERABILITY; AND ADOPTING AN EFFECTIVE DATE.

WHEREAS, the regulation of human display provision of the City Sign Ordinance has been determined by the City Council to be overbroad and in need of revisions; and

WHEREAS, the City Council has determined that the amendment to the sign ordinance made herein is in the best interest of the citizens of the City of Rockwall.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS THAT:

SECTION 1. ***Amendments.*** Chapter 32 *Signs*, Article I, In General Section 32-1 "Definitions" and Article IV *Prohibited Signs;* Section 32-332, "Certain content or displays unlawful" is hereby amended to read as follows:

Sec. 32-1 Definitions

The following definition is hereby deleted from Section 32-1:

"~~Sign, human, means a sign held by or attached to a human being who stands or walks on the ground, at a business location. A human sign includes a person dressed in costume, for the purposes of advertising or otherwise drawing attention to an individual, business, commodity, service, activity, or product. (On-premises~~)"

Sec. 32-332. Certain content or displays unlawful

The following provision is hereby deleted from Section 32-332:

The following sign content or signs are prohibited:

~~(17) Human signs.~~

(17~~8~~) Any sign not referenced in, not governed by, not allowed or not defined by this chapter. Also, any sign that does not comply with this or other applicable municipal ordinances, or which does not comply with federal or state laws.

SECTION 2. ***Findings.*** The City Council finds all of the above recitals to be true and correct and incorporates the same in this Ordinance as findings of fact.

SECTION 3. ***Severability.*** If any section, subsection, sentence, clause, or phrase of this Ordinance is for any reason held to be unconstitutional or illegal, such decision shall not affect the validity of the remaining sections of this Ordinance. The City Council hereby declares that it would have passed this Ordinance, and each section, subsection, clause, or phrase thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses, or phrases be declared void.

SECTION4. ***Savings Clause.*** All ordinances or parts of ordinances, in conflict herewith are to the extent of such conflict hereby repealed. The balance of such ordinance is hereby saved from repeal.

SECTION 5. ***Effective Date.*** The Ordinance shall be effective immediately following its second reading and publication in accordance with the City Charter.

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Mark Moeller, Chief of Police**

DATE: **February 5, 2014**

SUBJECT: **2013 Racial Profiling Report**

To comply with Article 2.132 of the Texas Code of Criminal Procedure addressing racial profiling, each law enforcement agency must collect information relating to traffic stops in which a citation is issued or an arrest is made. The law enforcement agency must also report this information to the governing body no later than March 1st of the following year and must submit the report to the Texas Commission on Law Enforcement (TCOLE) who is the designated central depository for all reports in the state.

There were no complaints of racial profiling made against any Rockwall Police Officer this past year.

Attached is the report submitted to TCOLE of the racial breakdown for citations issued, searches conducted, and arrests made resulting from traffic stops by the Rockwall Police Department for 2013.

TIER 1 - PARTIAL EXEMPTION RACIAL PROFILING REPORT

Agency Name:	ROCKWALL POLICE DEPT.
Reporting Date:	02/03/2014
TCOLE Agency Number:	397204
Chief Administrator:	MARK MOELLER
Agency Contact Information:	Phone: 972 772-6454 Mailing Address: ROCKWALL POLICE DEPT. 205 W. Rusk Rockwall, TX 75087

This Agency claims partial racial profiling report exemption because:
Our vehicles that conduct motor vehicle stops are equipped with video and audio equipment and we maintain videos for 90 days.

Certification to This Report 2.132 (Tier 1) – Partial Exemption

Article 2.132(b) CCP Law Enforcement Policy on Racial Profiling
ROCKWALL POLICE DEPT. has adopted a detailed written policy on racial profiling. Our policy:
(1) clearly defines acts constituting racial profiling;
(2) strictly prohibits peace officers employed by the ROCKWALL POLICE DEPT. from engaging in racial profiling;
(3) implements a process by which an individual may file a complaint with the ROCKWALL POLICE DEPT. if the individual believes that a peace officer employed by the ROCKWALL POLICE DEPT. has engaged in racial profiling with respect to the individual;
(4) provides public education relating to the agency's complaint process;
(5) requires appropriate corrective action to be taken against a peace officer employed by the ROCKWALL POLICE DEPT. who, after an investigation, is shown to have engaged in racial profiling in violation of the ROCKWALL POLICE DEPT.'s policy adopted under this article;
(6) require collection of information relating to motor vehicle stops in which a citation is issued and to arrests made as a result of those stops, including information relating to:
(A) the race or ethnicity of the individual detained;
(B) whether a search was conducted and, if so, whether the individual detained consented to the search; and
(C) whether the peace officer knew the race or ethnicity of the individual detained before detaining that individual; and

(7) require the chief administrator of the agency, regardless of whether the administrator is elected, employed, or appointed, to submit an annual report of the information collected under Subdivision (6) to:

(A) The Commission on Law Enforcement; and

(B) the governing body of each county or municipality served by the agency, if the agency is an agency of a county, municipality, or other political subdivision of the state.

I certify these policies are in effect.

Executed by: ***MARK MOELLER***
Chief Administrator

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Mark Moeller, Chief of Police**

DATE: **January 28, 2014**

SUBJECT: **Crime Comparison - 2013**

Each year we analyze and compare our crime rate by utilizing the crime index. This is calculated by taking the number of crimes, in any type of category, and comparing those numbers to the estimated population for that year. To make a more accurate comparison from year to year we further break it down based on crimes reported per 1,000 residents.

Part 1 offenses are those crimes that must be reported to the FBI by every police agency in the country. They consist of the total numbers of all murders, rapes, robberies, aggravated assaults, burglaries, thefts, and motor vehicle thefts occurring within that agency's jurisdiction. The following tables compare 2013 with previous years:

Part 1 Offenses

Year	Total Part 1 Crimes	Population Estimate	Crime Index
2003	896	24,332	36.8
2004	896	25,377	35.3
2005	834	28,173	29.6
2006	880	29,458	29.9
2007	853	31,067	27.4
2008	1,051	31,800	33.0
2009	1,070	34,700	30.8
2010	1,004	36,300	27.7
2011	1,070	37,666	28.5
2012	890	38,750	22.9
2013	820	39,238	20.9

Violent Crime

Year	Violent Crimes	Population Estimate	Crime Index
2003	46	24,332	1.9
2004	51	25,377	2.0
2005	57	28,173	2.0
2006	32	29,458	1.09
2007	23	31,067	0.74
2008	33	31,800	1.03
2009	28	34,700	0.80
2010	18	36,300	0.49
2011	37	37,666	0.98
2012	27	38,750	0.69
2013	25	39,238	0.64

Total Crime

Year	Total Crimes	Population Estimate	Crime Index
2003	2,401	24,332	98.7
2004	2,556	25,377	100.9
2005	2,605	28,173	92.5
2006	2,914	29,458	98.9
2007	2,927	31,067	94.2
2008	2,849	31,800	89.6
2009	2,946	34,700	84.9
2010	2,763	36,300	76.1
2011	2,897	37,666	77.0
2012	2,596	38,750	67.0
2013	2,115	39,238	53.9

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Mark Moeller, Chief of Police**

DATE: **February 5, 2014**

SUBJECT: **Holiday Crime Initiative - 2013**

Our 2013 Holiday Crime Initiative, which added extra patrol throughout the I-30 retail/restaurant corridor, was implemented and managed in the same manner and time frame as all the previous years. STEP overtime is paid for one officer from 1:00pm till 9:00pm through the Thanksgiving weekend and then for the two weeks preceding Christmas day, but also including Christmas and the day after; a total of seventeen days.

In 2010 and 2011, 16 Part One criminal offenses were reported in each year; 2012 had 11 offenses reported. This year 17 offenses were reported.

An analysis of these thefts occurring during this time frame and along the I-30 corridor, showed six were shoplifting thefts which are virtually impossible to prevent by officers patrolling parking lots. Three other theft offenses were also outside the scope of the program since they occurred inside the stores and were thefts of purses from the shopping cart and one was an employee theft.

Only four burglary of motor vehicle offenses targeted shoppers and their parked vehicles in a commercial area that continues to grow. The 2013 Holiday Crime Initiative has again proven that this program is very effective in providing a safe environment for our residents and visitors during a very busy shopping season.

MEMORANDUM

TO: City Council

FROM: Robert LaCroix, Director of Planning

DATE: January 21, 2014

SUBJECT: Update on the Downtown Improvements Project

At the February 17, 2013 City Council Meeting, Rob Dixon with Hill & Wilkinson, General Contractors, and Michael Black with la terra studio, will discuss an update of the progress with the Downtown Improvements Project, including the engineering and construction plans status of plans for phase two and the associated scheduling of the project.

THIS PAGE INTENTIONALLY LEFT BLANK

CITY OF ROCKWALL
CITY COUNCIL MEMO

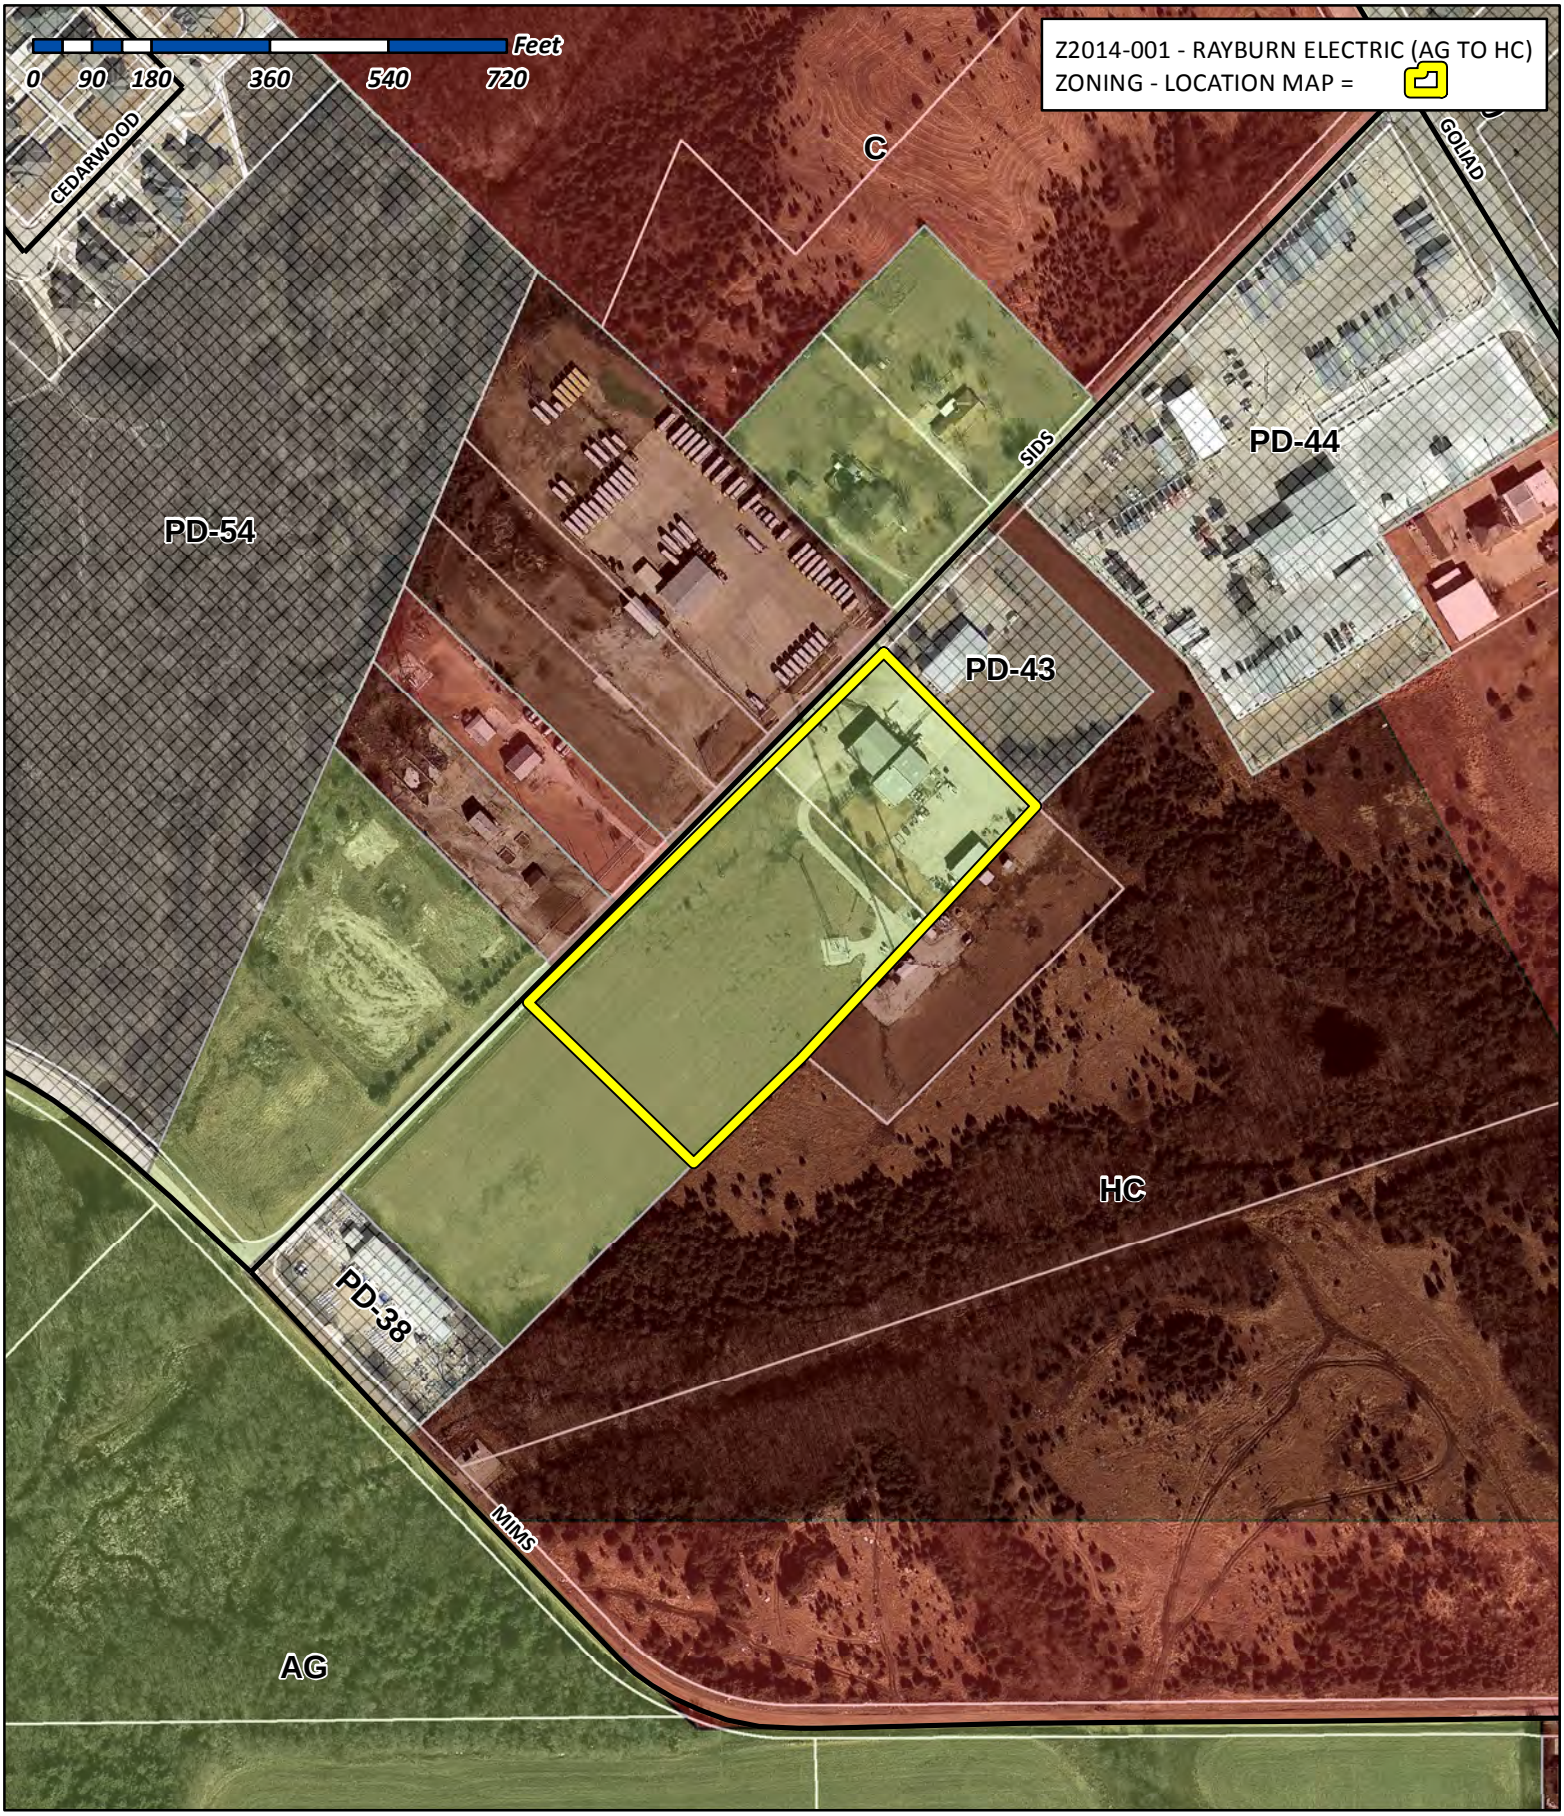
AGENDA DATE: 2/17/2014

APPLICANT: Engineering Concepts & Design

AGENDA ITEM: **Z2014-001;** Rayburn Electric Zoning (AG to HC)

SUMMARY:

Hold a public hearing to discuss and consider a request by Tommy Pulliam on behalf of Rayburn Electric Cooperation, Inc. for the approval of a zoning change from Agricultural (Ag) District to a Heavy Commercial (HC) District for a 6.057-acre tract land identified as a portion of Tract 3-06 of the W. H. Barnes Survey, Abstract No. 26, Rockwall, Rockwall County, Texas, zoned Agricultural (Ag) District, located on the south side of Sids Road west of S. Goliad Street (SH-205), and take any action necessary.



BACKGROUND INFORMATION:

The applicant has requested to rezone approximately 6.57-acres on the south side of Sids Road from Agricultural (AG) District to Heavy Commercial (HC) District. The site features an existing office/warehouse building for Rayburn Electric which is considered a legal, non-conforming use. The owner intends to construct a new office building for Rayburn Electric on the property. Rezoning will bring the property into conformance as well as create consistency in zoning with surrounding properties.

The majority of properties to the north are zoned Heavy Commercial. The properties to the south are zoned Heavy Commercial. The property to the west is zoned PD-38 with an underlying zoning of Heavy Commercial and the property to the east is zoned PD-43 with an underlying zoning of Commercial. Additionally, a portion of the Rayburn Electric Lot 1 is zoned Heavy Commercial.

NOTIFICATION:

A notice was published in the Rockwall County News on January 30, 2014. Staff mailed nine (9) notices to property owners within 200 feet of the subject property. Additionally, staff posted signage along street frontage adjacent to the subject property, as required by the UDC. At the time this case memo, staff has not received any responses.

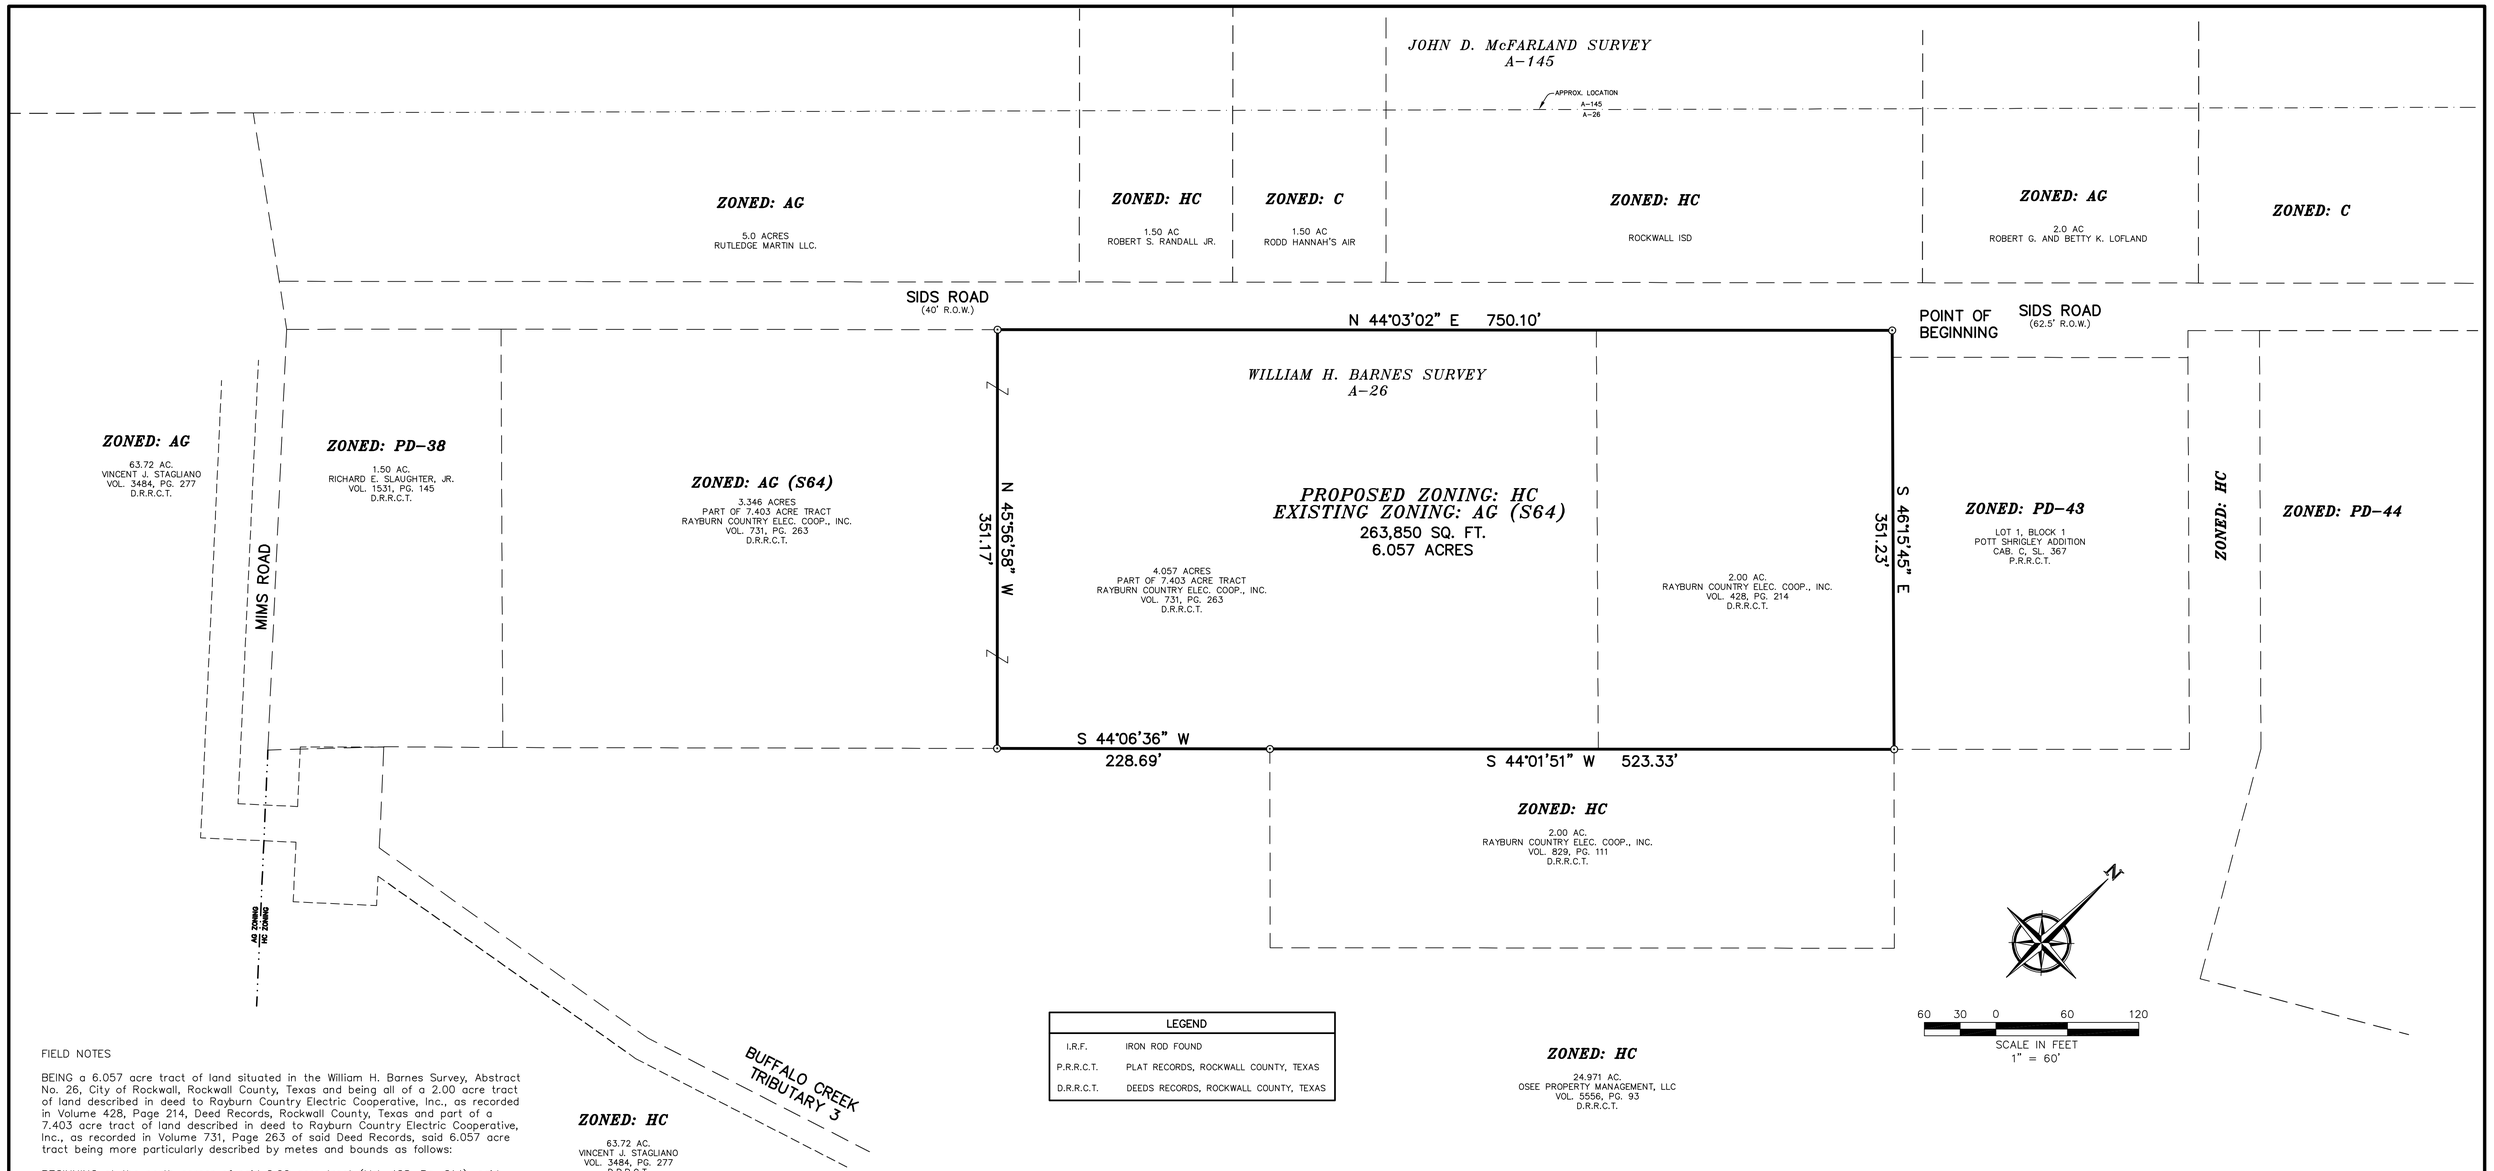
Mrs. JoDee Sanford
Planning Technician
City of Rockwall, TX

Re: Letter of Intent for Rezoning of 6.057 acres along Sids Rd.
Rayburn Country Electric, Rockwall, TX

Dear Mrs. Sanford

We are requesting to rezone the above mentioned property in order to construct a 15,000 sf office building on the property. This rezoning from AG to HC includes the existing building and structures on Lot 1. All documentation including the application, fee, exhibits and legal description have been submitted for your review.



Please do not hesitate to call if you have any questions or comments.

Sincerely,

Todd D. Wintters, P.E.

CITY OF ROCKWALL

ORDINANCE NO. 14-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [ORDINANCE NO. 04-38] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED SO AS TO FURTHER AMEND THE ZONING MAP TO ADOPT A CHANGE IN ZONING FROM AN AGRICULTURAL (AG) DISTRICT TO A HEAVY COMMERCIAL (HC) DISTRICT FOR A 6.057-ACRE TRACT OF LAND IDENTIFIED AS A PORTION OF TRACT 3-06 OF THE W.H. BARNES SURVEY, ABSTRACT NO. 26, CITY AND COUNTY OF ROCKWALL, TEXAS AND MORE SPECIFICALLY DESCRIBED IN EXHIBIT "A" OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City has received a request from Tommy Pulliam on behalf of Rayburn Electric Cooperative, for an amendment to the Unified Development Code [Ordinance No. 04-38] of the City of Rockwall to adopt a change in zoning from an Agricultural (Ag) District to a Heavy Commercial (HC) District for a 6.057-acre tract of land identified as a portion of tract 3-06 of the W.H. Barnes Survey, Abstract No. 26, City and County of Rockwall, Texas, and more specifically described in Exhibit "A" of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area, and in the vicinity thereof, and the governing body in the exercise of its legislative discretion, has concluded that the Unified Development Code should be amended as follows:

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

Section 1. That the Unified Development Code [Ordinance No. 04-38] of the City of Rockwall, Texas, as heretofore amended, be and the same are hereby amended by amending the zoning map of the City of Rockwall so as to change the zoning from an Agricultural (Ag) District to a Heavy Commercial (HC) District for the *Subject Property*; and

Section 2. That the *Subject Property* shall be used only in the manner and for the purposes provided for in *Section 4.7, "Heavy Commercial (HC) District", Article V, "District Development Standards", of the Unified Development Code* of the City of Rockwall as heretofore amended, as amended herein by granting of this zoning change, and as may be amended in the future.

Section 3. That the official zoning map of the City be corrected to reflect the changes in the

zoning described herein.

Section 4. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of two thousand dollars ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 5. If any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code of the City of Rockwall, Texas, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable.

Section 6. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be and the same are hereby repealed, and all other ordinances of the City of Rockwall not in conflict with the provisions of this ordinance shall remain in full force and effect.

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, ON THIS THE ____ DAY OF _____, 2014.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 02/17/2014

APPLICANT: Charlie Rickerson

AGENDA ITEM: **Z2014-003**; Detached Garage with Secondary Living Unit

---

SUMMARY:

Hold a public hearing to discuss and consider a request by Charlie Rickerson for the approval of a Specific Use Permit to allow a detached garage with guest quarters/secondary living unit that will exceed the maximum permissible height for an accessory structure on a 0.40-acre parcel of land identified as Lot A, Block 117, B. F. Boydstun Addition, Rockwall, Rockwall County, Texas, also identified as a *Landmarked Property*, zoned Single Family 7 (SF-7) District, located at 109 St. Mary's Street, and take any action necessary.

DISCUSSION:

The applicant, Charlie Rickerson, is requesting approval of a Specific Use Permit (SUP) for the construction of a detached garage that will include a guest quarters/secondary living unit. The property is located at 109 St. Mary's St., zoned Single Family (SF-7) District, is recognized locally as a *Landmarked Property,* and was constructed in 1888*.* The *Folk Victorian* styled home is also known as the *Jordan House.* In keeping with the historic integrity of the property, the detached garage (accessory structure) will be composed primarily of a beveled (horizontal) six (6) inch wood siding, a steep sloped gabled roof with a staggered "shake" wall surface pattern on the façade, and decorative windows with the cornice and lintel matching the primary structures appearance. The garage door for the building will have the appearance of a carriage styled door, providing a historically relevant quality to the structure.

The proposed accessory structure will be a two (2) story structure with an overall square footage of approximately 1,152 sq. ft. and an overall height of 30.8 feet. The lower level of the accessory structure will consist of a detached garage that will be approximately 576 sq. ft. in area. The Unified Development Code (UDC) allows for one (1) detached garage in a residential district as long as it does not exceed 900 sq. ft. in area or fifteen (15) feet in height, provided that it is located on the same lot as the residential use and that the exterior cladding contains the same materials, excluding glass, as found on the main structure and is generally in the same proportion. The area of the proposed accessory structure does not exceed the maximum square footage allowed; however, it does exceed the maximum height of fifteen (15) feet, therefore requires an SUP.

In addition, the proposed accessory structure will provide a "Guest Quarters/Secondary Living Unit" to be located on the second floor. The applicant has submitted proposed floor plans for the accessory structure indicating the upstairs living space to be approximately 576 sq. ft., thereby not exceeding the maximum allowable area of 30% of the main structure (2738 sq. ft. X 30% = 821.4 sq. ft.). Under the Permissible Uses Section of the Unified Development Code

(UDC), a guest quarters/secondary living unit requires approval of an SUP with the following conditions:

- Guest quarters or secondary living units may be allowed on a property in a residential zoning district provided it is ancillary to the primary use and that only one such facility is provided.
- The area of such quarters shall not exceed 30% of the area of the main structure.
- No such use may be sold or conveyed separately without meeting the requirements of the zoning district and the Subdivision Ordinance.

The Rickerson's have recently been approved for a Certificate of Appropriateness (COA) by the Historic Preservation Advisory Board (HPAB) that allows for the construction of the accessory building (with approval of an SUP) and restoration of the primary structure based on their goal of maintaining the historical integrity of the home. Although the intent of the applicant is to provide an accessory structure that is compatible in height, materials, color, design and style to the primary structure, the SUP remains a discretionary action for the Planning and Zoning Commission and City Council.

NOTIFICATION:

A public notice has been published in the Rockwall County News, on the City's web-site, and a sign has been posted on the property. Also, notices have been mailed to fifteen (15) property owners within 200-ft of the subject property as required by law. At time of this report, staff has received two (2) response "in favor of," and none "opposed to" the request.

RECOMMENDATIONS:

On January 16, 2014, the Historic Preservation Advisory Board approved the request of a COA for the garage and secondary living unit, rear driveway and reconstructed front walkway with staff recommendations and to include an additional condition that the new front driveway be a ribbon driveway that extends a minimum of seventy feet from the front property line towards the garage prior to pouring a standard drive for maneuvering and parking purposes.

Should the request be approved, staff would offer the following conditions:

1) The applicant will be required to obtain a building permit from the Building Inspections Department prior to the commencement of any work on the subject property;

2) The detached garage/accessory structure shall comply with the submitted site plan and building elevations;

3) The detached garage/accessory structure shall not exceed an overall height of 32-ft;

4) The area of the detached garage shall not exceed 900 sq. ft.;

5) The second floor guest quarters/secondary living area shall not exceed 30% of the area of the main structure (i.e. 821.4 sq. ft.);

6) The guest quarters/secondary living unit shall be ancillary to the primary use and only one such unit shall be provided;

7) The detached garage/accessory structure may not be sold or conveyed separately without meeting the requirements of the zoning district and the Subdivision Ordinance;

8) The accessory structure is subject to administrative review in the event that the subject property is sold, conveyed to another party, subdivided or re-platted;

9) The City Council reserves the right to review the SUP granted herein upon the expiration of one (1) year from the date hereof;

10) Any construction, building or demolition necessary to complete this request must conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

On February 11, 2014, the Planning and Zoning Commission recommended approval of the Specific Use Permit request with staff conditions by a vote of 5 to 1 (Lyons - against & Minth - absent).

PHONE: (972) 771-7745
EMAIL: PLANNING@ROCKWALL.COM

To Whom It May Concern:

You are hereby notified that the City of Rockwall Planning and Zoning Commission and City Council will consider the following application:

Case No. Z2014-003: 109 St. Mary's Remodel

Hold a public hearing to discuss and consider a request by Charlie Rickerson for the approval of a Specific Use Permit to allow a detached garage with guest quarters/secondary living unit that will exceed the maximum permissible height for an accessory structure on a 0.40-acre parcel of land identified as Lot A, Block 117, B. F. Boydstun Addition, Rockwall, Rockwall County, Texas, also identified as a Landmarked Property, zoned Single Family 7 (SF-7) District, located at 109 St. Mary's Street, and take any action necessary.

For the purpose of considering the effects of such a request, the Planning and Zoning Commission will hold a public hearing on **Tuesday, 2/11/2014 at 6:00 p.m.,** and the City Council will hold a public hearing on **Monday, 2/17/2014 at 6:00 p.m.** These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street.

As an interested property owner, you are invited to attend these meetings. If you prefer to express your thoughts in writing please return the form to:

David Gonzales
Rockwall Planning and Zoning Dept.
385 S. Goliad Street
Rockwall, TX 75087

You may also email your comments to the Planning Department at planning@rockwall.com. If you choose to email the Planning Department please include your name and address for identification purposes.

Your comments must be received by **2/17/2014** to ensure they are included in the information provided to the City Council.

Sincerely,

Robert LaCroix, AICP
Director of Planning & Zoning

Historic Preservation Advisory Board,

We have submitted a list of projects we would like to complete on our home located at 109 St. Marys Street. Our requests are based upon improving the aesthetics and proper functionality of the property. Our primary purpose is to add a garage and two driveways that would coordinate with the style of the property. We currently have two dirt path driveways that enter the property from Barnes Lane. They are both frequently blocked by visitors or staff of the nursing home that is across from the property. We are restoring this property for our family to enjoy and to contribute positively to our Rockwall community. We are honored to be a part of such a rich history. Thank you for considering our requests.

Sincerely,

Charlie & Ginni Rickerson

SURVEY ACCEPTED BY:

_____ DATE _____

_____ DATE _____

DESCRIPTION

All that certain lot, tract or parcel of land situated in the B.F. BOYDSTUN SURVEY, ABSTRACT NO. 14, City of Rockwall, Rockwall County, Texas, and being all of that tract of land as described in a Warranty deed from Anna Dean Coates to Richard D. Jordan and Wilma D. Jordan, dated May 5, 1967 and being recorded in Volume 79, Page 79 of the Deed Records of Rockwall County, Texas, and being more particularly described as follows:

BEGINNING at a 1/2" iron rod with yellow plastic cap stamped "R.S.C.I. RPLS 5034" set for corner at the intersection of the North right-of-way line of St. Mary's Street with the West right-of-way line of Barnes Street at the Southeast corner of said Jordan tract;

THENCE S. 88 deg. 28 min. 55 sec. W. along the North right-of-way line of St. Mary's Street, a distance of 110.31 feet to a 1/2" iron rod found for corner;

THENCE N. 00 deg. 00 min. 38 sec. W. a distance of 154.12 feet to a 1/2" iron rod found for corner;

THENCE N. 88 deg. 28 min. 20 sec. E. a distance of 110.34 feet to a 3/8" iron rod found for corner in the West right-of-way line of Barnes Street;

THENCE SOUTH (Controlling bearing line) along said right-of-way line, a distance of 154.14 feet to the POINT OF BEGINNING and containing 0.39 acres of land.

NOTES

1) According to F.E.M.A. Flood Insurance Rate Map. Community Panel No. 480547 0005 C dated June 16, 1992, this property lies in Zone X. This property does not appear to lie within a 100-year flood plain.

2) BEARING SOURCE: RECORDED PLAT.

3) ALL 1/2" IRS ARE CAPPED WITH YELLOW PLASTIC CAPS "R.S.C.I. RPLS 5034."

SURVEYOR'S CERTIFICATE

I, Harold D. Fetty, III, Registered Professional Land Surveyor No. 5034, do hereby certify that the above plat of the property surveyed for AMERICAN TITLE COMPANY, LEHMAN BROTHERS BANK, and DEANNA GRANDSTAFF at 109 ST. MARY'S STREET, ROCKWALL, ROCKWALL County, Texas, is the result of a careful collection of the best evidence available to me and my opinion is based on the facts as found at the time of survey. This survey meets the requirements of the Minimum Standards of Practice as approved and published by the Texas Board of Professional Land Surveying, effective September 1, 1992 and subsequent revisions, and the same was surveyed under my supervision on the ground this the 12th day of December, 2005.

CITY OF ROCKWALL

ORDINANCE NO. 14-__

SPECIFIC USE PERMIT NO. S-____

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT ALLOWING FOR A DETACHED GARAGE WITH GUEST QUARTERS/SECONDARY LIVING UNIT, EXCEEDING THE MAXIMUM PERMISSIBLE HEIGHT OF 15-FT. FOR AN ACCESSORY STRUCTURE, ON A 0.40-ACRE PARCEL OF LAND IDENTIFIED AS LOT A, BLOCK 117, B.F. BOYDSTUN ADDITION, LOCATED AT 109 ST. MARY'S STREET, AND FURTHER DESCRIBED IN EXHIBIT "A" ATTACHED HERETO, AND ZONED (SF-7) SINGLE-FAMILY RESIDENTIAL DISTRICT; CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a request has been made by Charlie Rickerson for a Specific Use Permit (SUP) within the (SF-7) Single-Family Residential district allowing for a "detached garage with guest quarters/secondary living unit" exceeding the maximum permissible height 15-ft. for an accessory structure, on a parcel of land located at 109 St. Mary's Street, being Lot A, Block 117, B.F. Boydstun Addition, as further described in Exhibit "A", City of Rockwall, Rockwall County, Texas, which herein after shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the Unified Development Code of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit (SUP) to allow for a "detached garage with guest quarters/secondary living unit" exceeding the maximum permissible height of 15-ft. for an accessory structure within the (SF-7) Single Family Residential District as stipulated by the Unified Development Code [Ordinance no. 04-38] on the *Subject Property*; and

Section 2. That the *Subject Property* shall be used only in the manner and for the purposes described in this Specific Use Permit (SUP) and as set forth in the Unified Development Code [Ordinance No. 04-38] as heretofore amended, and as may be amended in the future, and shall be subject to the additional conditions and compliance standards;

2.1 Operational Conditions

The following conditions pertain to the operation of a "detached garage with guest quarters/secondary living unit" on the *Subject Property*, and conformance to these operational conditions is required for continued operations;

1. The applicant will be required to obtain a building permit from the Building Inspections Department prior to the commencement of any work on the subject property;
2. The detached garage / accessory structure shall comply with the approved site plan (Exhibit "A") and building elevations contained in the Certificate of Appropriateness (COA) as approved by the Historic Preservation Advisory Board on January 16, 2014;
3. The detached garage / accessory structure shall not exceed an overall height of 32 feet;
4. The area of the detached garage shall not exceed 900 sq. ft.;
5. The second floor "guest quarters/secondary living unit" area shall not exceed 30% of the area of the main structure (i.e.821.4 sq. ft.);
6. The "guest quarters/secondary living unit" shall be ancillary to the primary use and only one such unit shall be provided;
7. The detached garage/accessory structure may not be sold or conveyed separately without meeting the requirements of the zoning district and the Subdivision Ordinance;
8. The accessory structure is subject to administrative review in the event that the subject property is sold, conveyed to another party, subdivided or re-platted;
9. The City Council reserves the right to review the SUP granted herein upon the expiration of one (1) year from the date hereof;
10. Any construction, building or demolition necessary to complete this request must conform to the requirements set forth by the Unified Development Code, International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

Section 3. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

Section 4. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of TWO THOUSAND DOLLARS ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 5. If any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of

the Unified Development Code of the City of Rockwall, Texas, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable.

Section 6. That all ordinances of the City of Rockwall in conflict with the provisions of this be and the same are hereby repealed, and all other ordinances of the City of Rockwall not in conflict with the provisions of this ordinance shall remain in full force and effect.

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 02/17/2014

APPLICANT: Skorburg Company

AGENDA ITEM: **P2014-001**; Breezy Hill, Phase III

SUMMARY:

Discuss and consider a request by Bobby Samuels of the Skorburg Company representing BH Phase III, SF, LTD. for the approval of a preliminary plat for 71 residential lots identified as Breezy Hill, Phase III, being a 48.247-acre tract of land situated within the J. Strickland Survey, Abstract No. 187, Rockwall, Rockwall County, Texas, zoned Planned Development District 74 (PD-74), generally situated north of FM-552 in between John King Boulevard and Breezy Hill Lane, and take any action necessary.

PRELIMINARY PLAT INFORMATION:

- ✓ The Breezy Hill Subdivision is a master planned community that will provide approximately 405-acres of residential and commercial development. The residential subdivision will be composed of 691 single family lots on 345.8-acres of land, and be broken down per the lot mix indicated in Planned Development District 74 (PD-74). The lot mix in this Planned Development District is as follows:

Lot Types	*A*	*B*	*C*	*D*
Typical Lot Frontage *(Feet)*	60	70	80	100
Typical Lot Depth *(Feet)*	120	120	125	200
Minimum Lot Size *(Sq. Ft.)*	7,200	8,400	10,000	20,000
Number of Proposed Units	134	133	326	98
Dwelling Unit %	19.4	19.2	47.2	14.2

- ✓ The purpose of the applicant's submittal is to preliminary plat Phase III of the Breezy Hill Subdivision and layout 71 of the 691 single family lots. Out of the 71 proposed lots 23 will be constructed to the *Type 'B'* standard and 48 will be constructed to the *Type 'C'* standard (*all standards are displayed in the above table*). In addition to the preliminary plat the applicant has also submitted a preliminary water, sanitary sewer and storm water plan establishing that the developer can provide adequate utilities to service the proposed phase.

- ✓ The proposed preliminary plat conforms to the Master Plat that was approved by the City Council on October 15, 2012 under *Case No. P2012-029*.

- ✓ On February 4, 2014 the Parks Board reviewed the proposed preliminary plat and recommended the following:

    1) The developer pay the pro-rata equipment fees required for District No. 7 in the amount of $16,269.00 [51 Lots @ $319.00 Per Lot].

- ✓ The Surveyor has completed the majority of the technical revisions requested by staff, and this plat, conforming to the requirements for preliminary plats as stated in the Subdivision Ordinance in the Municipal Code of Ordinances, is recommended for conditional approval pending the completion of final technical modifications and submittal requirements.

- ✓ Conditional approval of this plat by the City Council shall constitute approval subject to the conditions stipulated in the *Recommendation* section below.

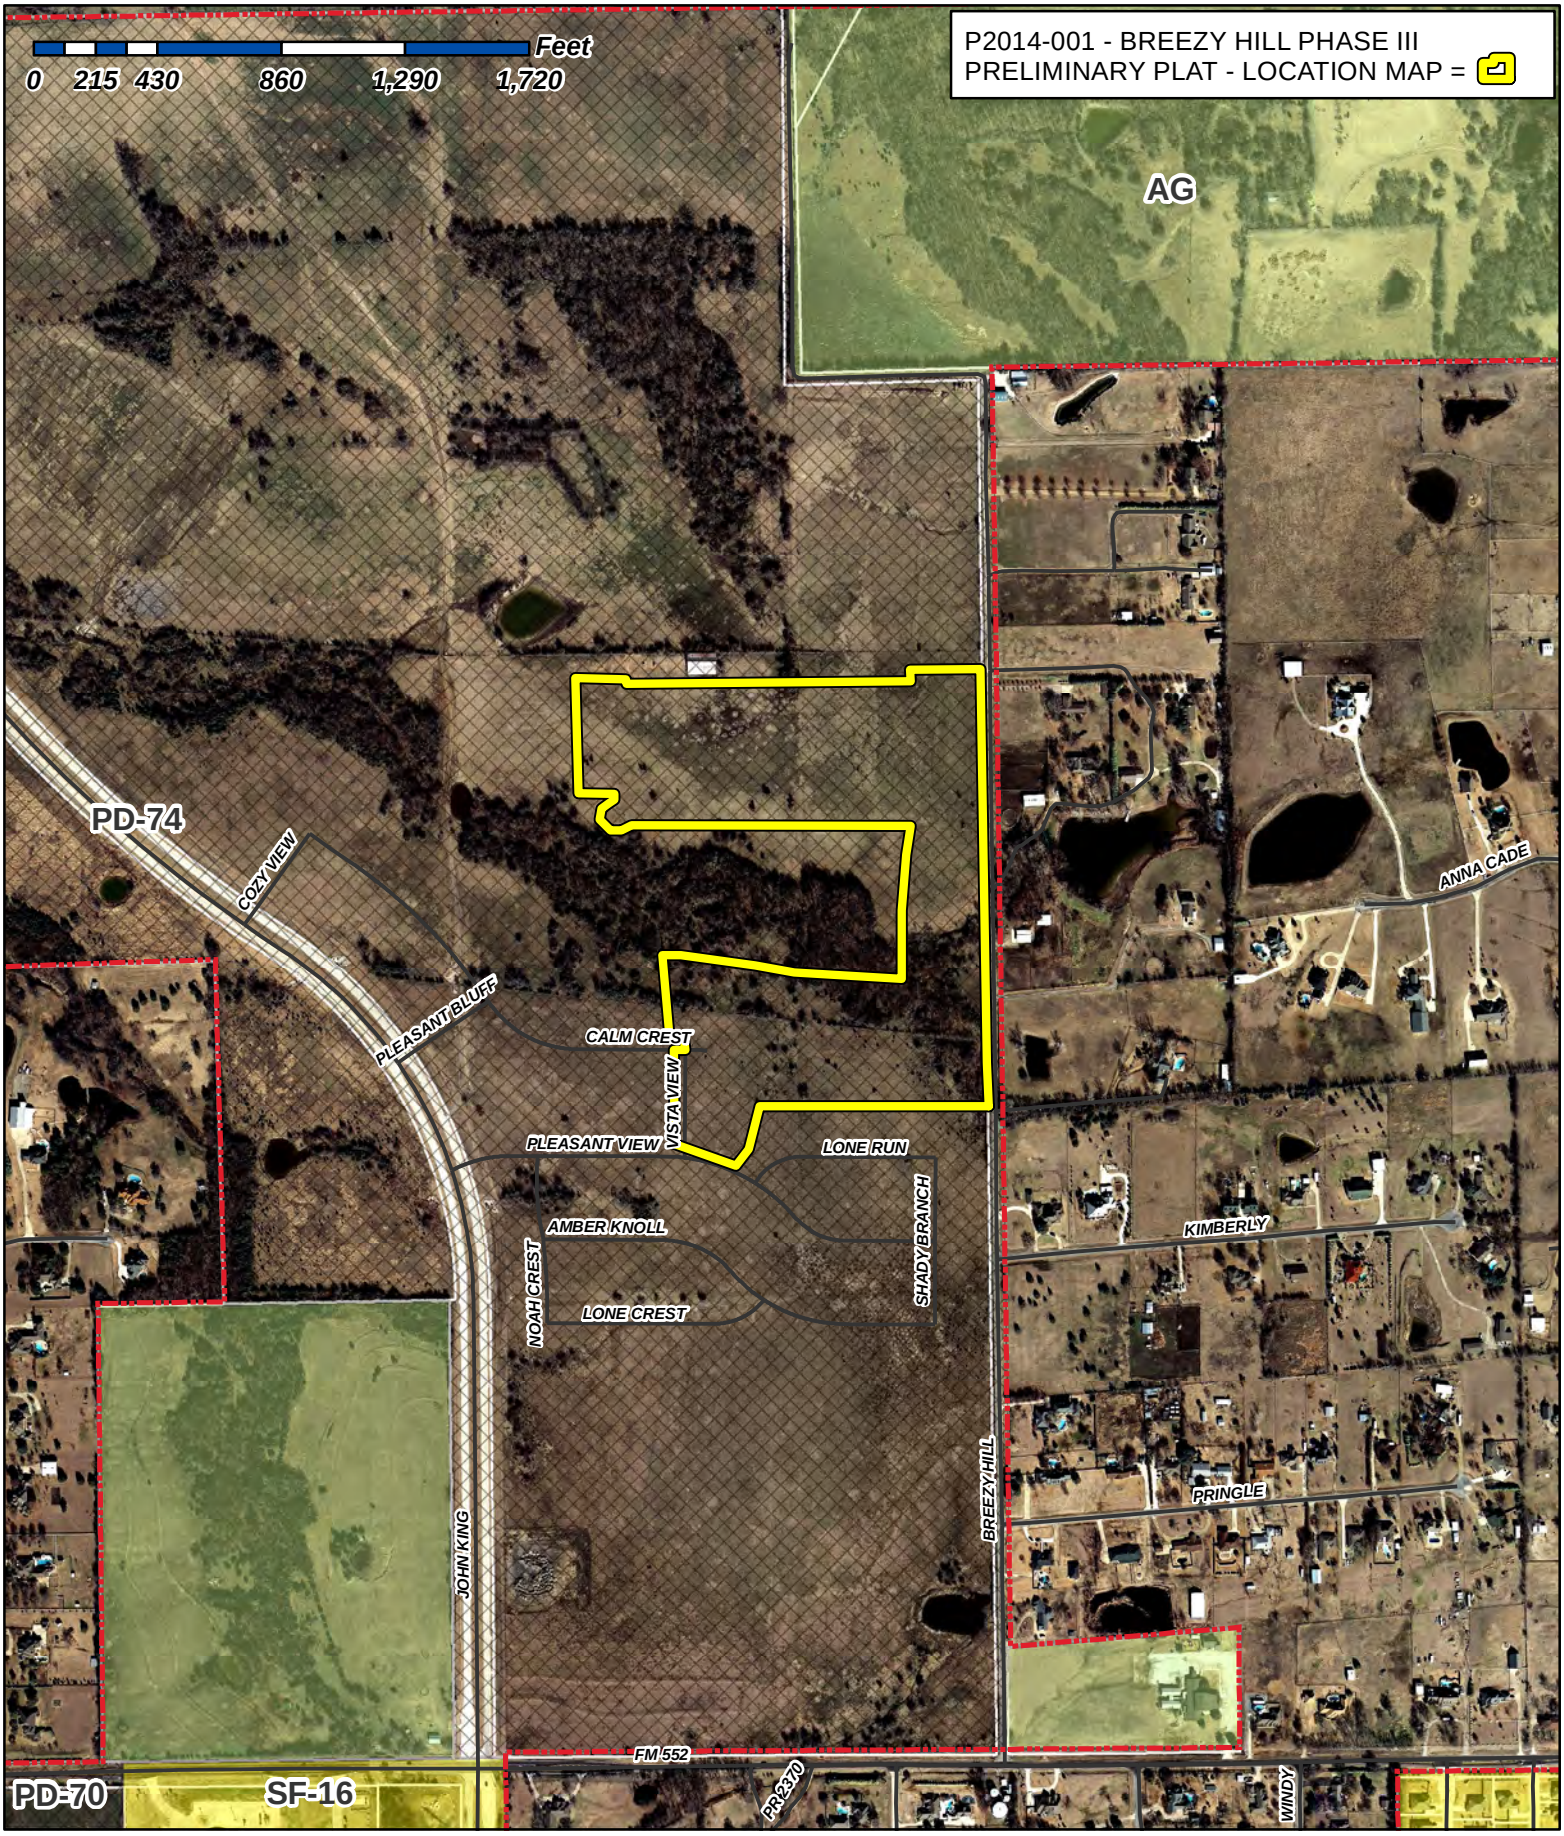
RECOMMENDATIONS:

If the Planning & Zoning Commission and City Council choose to approve the *Preliminary Plat* for *Phases III* of the *Breezy Hill Subdivision* staff would recommend the following conditions of approval:

1) The *Preliminary Plat* shall conform to all requirements stipulated by the Planning, Engineering and Fire Departments;

2) In conformance with Planned Development District 74 (PD-74) [*Ordinance No. 12-26*] a *PD Site Plan* shall be submitted and approved prior to the submittal of a final plat;

3) A Treescape Plan for the entire phase shall be required to be submitted with the Final Plat;



4) A final submittal of the Preliminary Plat shall be submitted to the Planning Department indicating all outstanding comments and labeling all street names prior to any future submittals;

5) The Preliminary Plat shall conform to the recommendations made by the Parks Board; and,

6) Any construction resulting from the approval of this *Preliminary Plat* shall conform to the requirements set forth by the Unified Development Code (UDC), the 2009 International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING & ZONING COMMISSION:

On February 11, 2014, the City Council approved the preliminary plat per staff's recommendations by a vote of 6 to 0, with Commissioner Minth absent.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 02/17/2014

APPLICANT: Skorburg Company

AGENDA ITEM: **P2014-002**; Breezy Hill, Phase IV

SUMMARY:

Discuss and consider a request by Bobby Samuels of the Skorburg Company representing BH Phase IV, SF, LTD. for the approval of a preliminary plat for 51 residential lots identified as Breezy Hill, Phase IV, being a 41.662-acre tract of land situated within the J. Strickland Survey, Abstract No. 187, Rockwall, Rockwall County, Texas, zoned Planned Development District 74 (PD-74), generally situated north of FM-552 in between John King Boulevard and Breezy Hill Lane, and take any action necessary.

PRELIMINARY PLAT INFORMATION:

- ✓ The Breezy Hill Subdivision is a master planned community that will provide approximately 405-acres of residential and commercial development. The residential subdivision will be composed of 691 single family lots on 345.8-acres of land, and be broken down per the lot mix indicated in Planned Development District 74 (PD-74). The lot mix in this Planned Development District is as follows:

Lot Types	*A*	*B*	*C*	*D*
Typical Lot Frontage *(Feet)*	60	70	80	100
Typical Lot Depth *(Feet)*	120	120	125	200
Minimum Lot Size *(Sq. Ft.)*	7,200	8,400	10,000	20,000
Number of Proposed Units	134	133	326	98
Dwelling Unit %	19.4	19.2	47.2	14.2

- ✓ The purpose of the applicant's submittal is to preliminary plat Phase IV of the Breezy Hill Subdivision and layout 51 of the 691 single family lots. The 51 proposed lots will be constructed to the *Type 'D'* standard (*all standards are displayed in the above table*). This portion of the development is intended to have a rural aesthetic and will incorporate a street section, which will utilize valley ditches in lieu of curbs that will running adjacent to a 28-foot street section (*a cross section of the proposed street section is shown of the preliminary plat*).

- ✓ In addition to the preliminary plat the applicant has also submitted a preliminary water, sanitary sewer and storm water plan establishing that the developer can provide adequate utilities to service the proposed phase.

- ✓ The proposed preliminary plat conforms to the Master Plat that was approved by the City Council on October 15, 2012 under *Case No. P2012-029*.

- ✓ On February 4, 2014 the Parks Board reviewed the proposed preliminary plat and recommended the following:

    1) The developer pay the pro-rata equipment fees required for District No. 7 in the amount of $16,269.00 [51 Lots @ $319.00 Per Lot], and

    2) The developer provides a ten (10') foot walking trail along John King Boulevard per the requirements of Planned Development District 74 (PD-74).

- ✓ The Surveyor has completed the majority of the technical revisions requested by staff, and this plat, conforming to the requirements for preliminary plats as stated in the Subdivision Ordinance in the Municipal Code of Ordinances, is recommended for conditional approval pending the completion of final technical modifications and submittal requirements.

- ✓ Conditional approval of this plat by the City Council shall constitute approval subject to the conditions stipulated in the *Recommendation* section below.

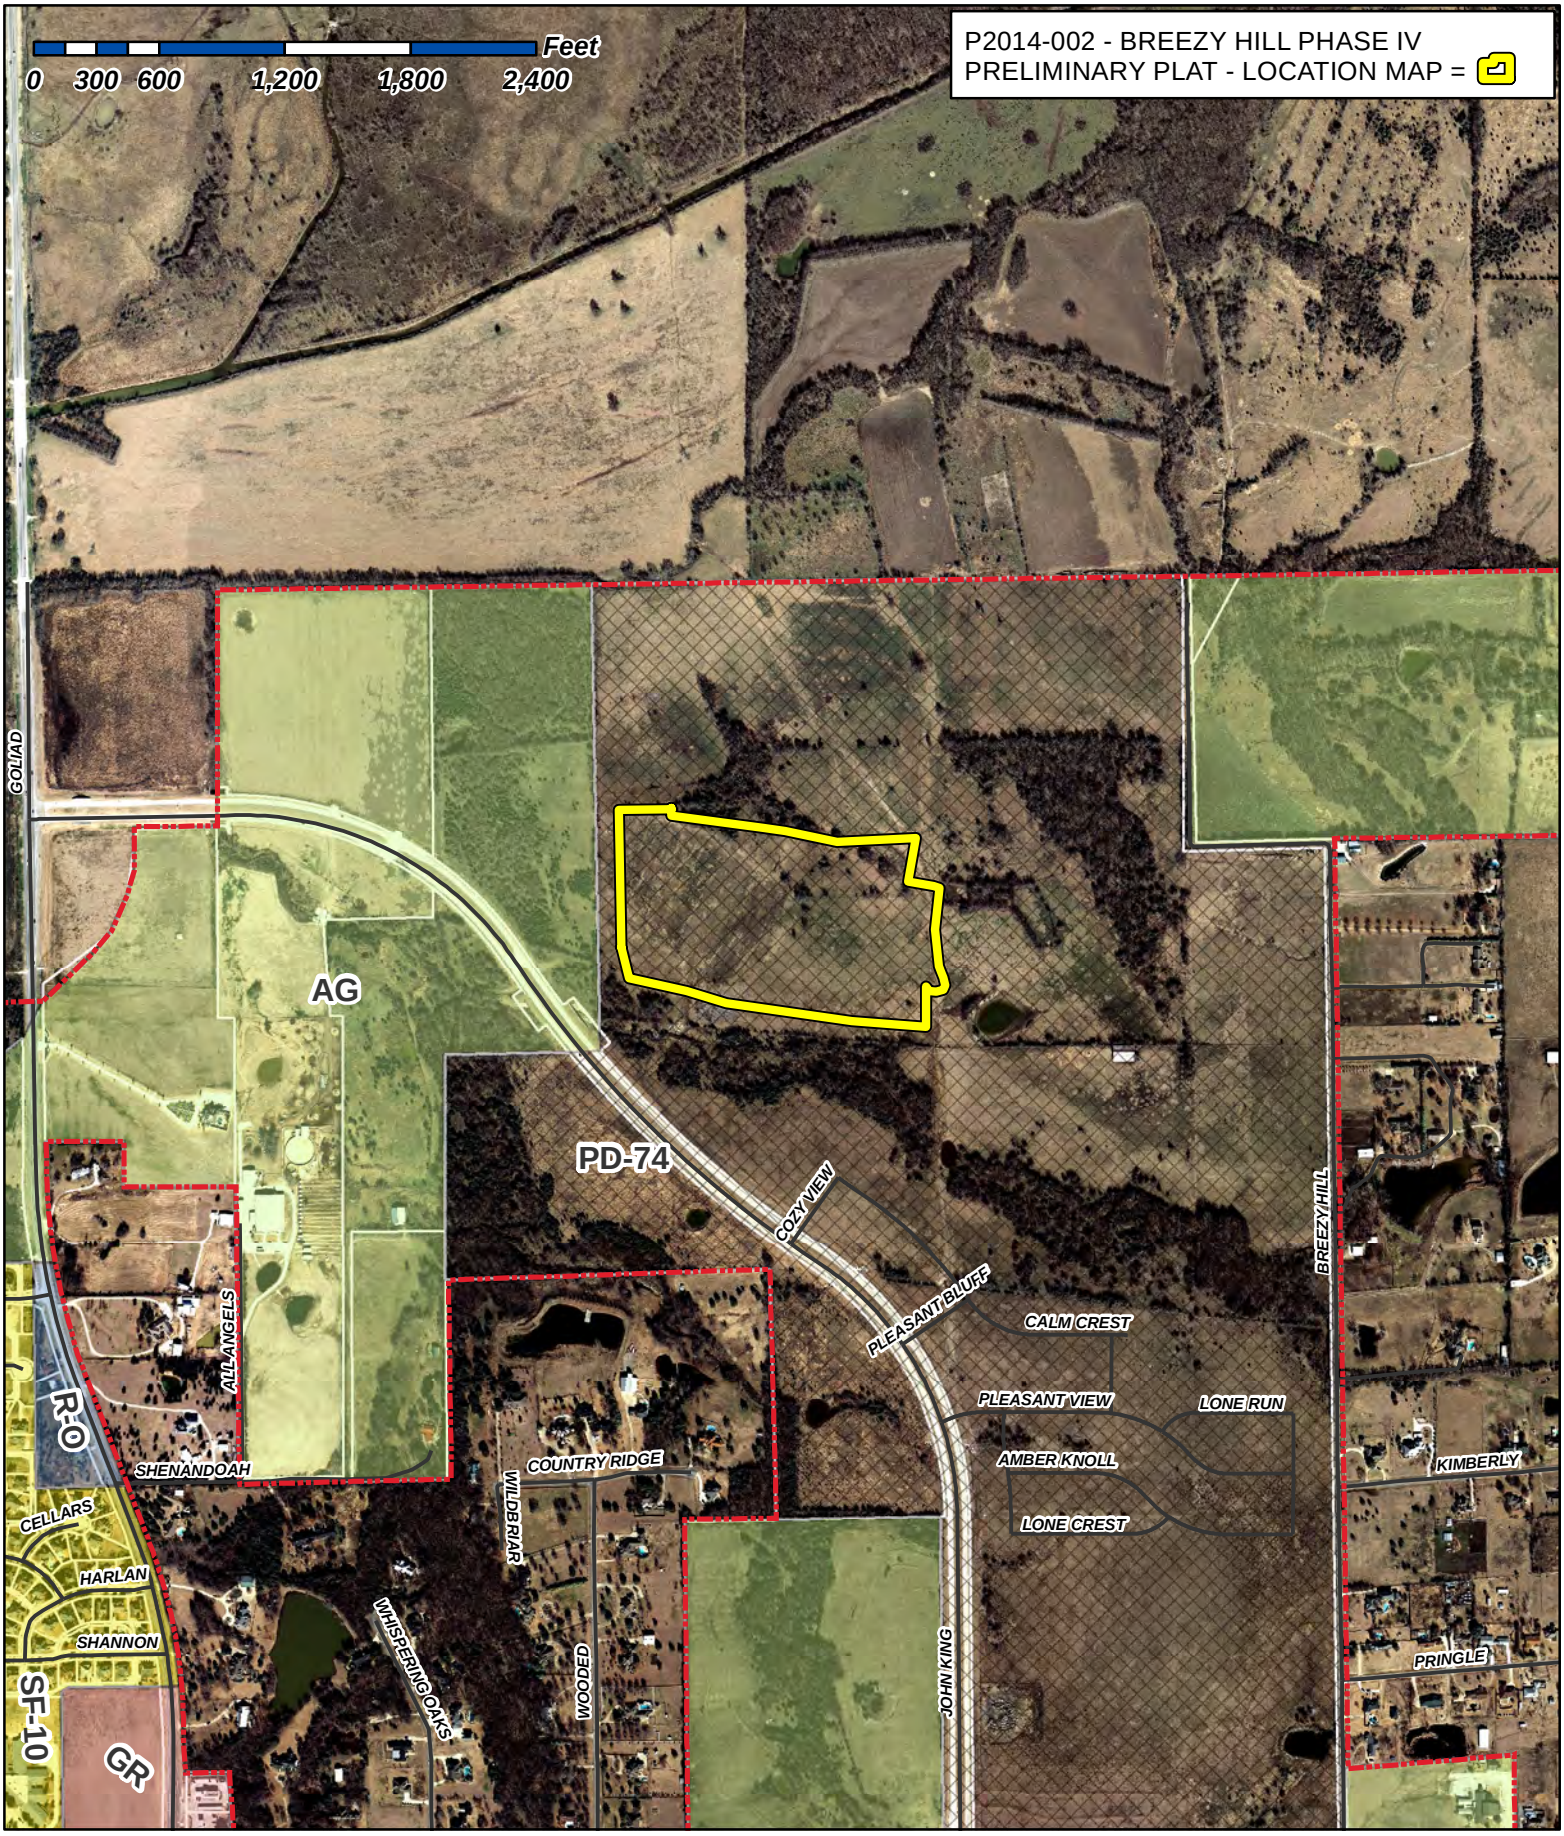
RECOMMENDATIONS:

If the Planning & Zoning Commission and City Council choose to approve the *Preliminary Plat* for *Phases IV* of the *Breezy Hill Subdivision* staff would recommend the following conditions of approval:

1) The *Preliminary Plat* shall conform to all requirements stipulated by the Planning, Engineering and Fire Departments;

2) In conformance with Planned Development District 74 (PD-74) [*Ordinance No. 12-26*] a *PD Site Plan* shall be submitted and approved prior to the submittal of a final plat;

3) A Treescape Plan for the entire phase shall be required to be submitted with the Final Plat;



4) A final submittal of the Preliminary Plat shall be submitted to the Planning Department indicating all outstanding comments and labeling all street names prior to any future submittals;

5) The Preliminary Plat shall conform to the recommendations made by the Parks Board; and,

6) Any construction resulting from the approval of this *Preliminary Plat* shall conform to the requirements set forth by the Unified Development Code (UDC), the 2009 International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING & ZONING COMMISSION:

On February 11, 2014, the City Council approved the preliminary plat per staff's recommendations by a vote of 6 to 0, with Commissioner Minth absent.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 02/17/2014

APPLICANT: Wayne Mershawn

AGENDA ITEM: **SP2014-002**; Pro Soap Distribution Center

SUMMARY:

Discuss and consider a request by Wayne Mershawn of Mershawn Architects on behalf of Billy Self of Pro Soap, Inc. for the approval of a site plan for a warehouse facility on a 2.03-acre parcel of land identified as Lot 2 of the DBK Addition, Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, situated within the IH-30 Overlay (IH-30 OV) District, located on the south side of IH-30 west of Corporate Crossing, and take any action necessary

(Note: 3/4 vote by City Council required for approval of variances to IH-30 OV District)

BACKGROUND INFORMATION:

Wayne Mershawn of Mershawn Architects has submitted an application on behalf of Billy Self, owner of Pro Soap, for site plan approval of a 19,500 sq. ft. distribution center. The proposed facility is to be located on a 2.03-acre vacant lot that is adjacent to and is southeast of the Pro Soap business, which is currently being used for boat storage. The lot is identified to be within the IH-30 Overlay District (IH-30 OV) and is subject to the standards established within this district; however, the lot is approximately 300-ft from the IH-30 service road and approximately an additional 75-ft from IH-30. Due to the distance and limited visibility from IH-30, the applicant is requesting exterior material, building articulation, and the minimum 10-ft high screening wall as variances for the proposed distribution center.

VARIANCE REQUEST(S):

Based on the IH-30 OV district requirements and the general location of the proposed 19,500 sq. ft. distribution center, the applicant is requesting variances for the exterior materials, the 10-ft. screening wall for the loading dock, and the four articulated elements associated with the building's design. The requested variances are to allow for:

1) Not meeting the minimum 90% masonry requirement including 20% natural or quarried stone for the south, east and west exterior elevations by allowing prefabricated metal finished panels on these particular elevations, and;

2) Not meeting the minimum 10-ft solid wall screening requirement for loading docks and allowing for the living screen as depicted in the landscape plan submitted, and;

3) Not meeting the articulated building design standards by allowing for a linear designed building envelope with a non-articulated gable roof.

Under Sec. 6.6, IH-30 OV district, the UDC provides as follows:

G. Variance.

The City Council may, upon request from the applicant, grant a variance to any provision of this section where unique or extraordinary conditions exist or where strict adherence to the provisions of this section would create a hardship. Approval of any variance to any provision of this section shall require city council approval by a three-quarter majority vote of those city council members present with a minimum of four affirmative votes.

Staff would point out that the majority of the existing buildings surrounding the proposed property are also metal buildings, many of which existed prior to annexation of the area. The proposed 19,500 sq. ft. building is generally screened from east bound IH-30 traffic by several of the surrounding buildings and will be screened from the IH-30 service road as well as by the existing Pro Soap landscaping. Staff would point out that given the limited visibility and the general location of the property, being approximately 300-ft from the IH-30 service road and to the rear of an existing building located north of this particular lot, the proposed variances remain a discretionary action for the Planning and Zoning Commission and City Council.

RECOMMENDATIONS:

On January 28, 2014, the ***Architectural Review Board (ARB)*** recommended the applicant incorporate an evergreen tree/shrub (e.g. Leyland cypress) in an effort to screen the building from IH-30 and to incorporate a mixture of dark stone (matching the existing Pro Soap building) and light stone on the north elevation to provide relief and a unified development scheme.

If approved, staff would offer the following conditions:

1. Adherence to all engineering and fire department standards.
2. Submittal and approval of a building permit.
3. Submittal and approval of replat.
4. Consider recommendations forwarded to the Planning and Zoning Commission from the Architectural Review Board.

Site Plan:
The plan meets the intent of the Unified Development Code as submitted.

Landscape Plan:
The plan meets the intent of the Unified Development Code as submitted.

Building Elevations:

1. With the exception of the variances requested, the proposed building meets the intent of the Unified Development Code.

Photometric Plan:

1. Review and approval by staff of a photometric plan that meets City standards for light levels at the property lines. Lighting levels along the east property line exceed 0.2-FC. Also, removal of the statement from the photometric plan "The calculated foot-candle....We make no claims of compliance with any local or state lighting codes." Photometric plans are to comply with City of Rockwall lighting standards.

Other that the item listed above, the plan meets the intent of the Unified Development Code as submitted.

It should be noted that prior to the P&Z meeting, the applicant has submitted a photometric plan in compliance with the Unified Development Code and has been included with this staff report*

Planning and Zoning Recommendation:

On February 11, 2014, the Planning and Zoning Commission approved the Site Plan request, and recommended approval of the requested variances to the IH-30 Overlay District to allow for:

1) Not meeting the minimum 90% masonry requirement including 20% natural or quarried stone for the south, east and west exterior elevations by allowing prefabricated metal finished panels on these particular elevations, and;

2) Not meeting the minimum 10-ft solid wall screening requirement for loading docks and allowing for the living screen as depicted in the landscape plan submitted, and;

3) Not meeting the articulated building design standards by allowing for a linear designed building envelope with a non-articulated gable roof.

Furthermore (and based on the applicant's written proposal), the Planning and Zoning Commission recommended the application of a stone finish to the exiting Pro Soap buildings' east facing facade incorporating a unified development scheme with the proposed north elevation of the new facility by a vote of 5 to 1 (Nielsen - against & Minth - absent).

LETTER OF VARIANCE

As the acting agents for Billy Self, owner of ProSoap; we respectfully request A variance on the I-30 overlay district ordinances as listed below.

1. Variance for the current masonry requirement. We propose to meet the requirement on the north side of the building facing I-30, however due to the distance and reduced visibility from I-30 we are proposing prefinished metal wall panels on the east, west, and south elevations. In order to enhance the overall ProSoap building sites, we propose to remodel the east elevation of the existing ProSoap building which has greater visibility from I-30. Our proposal is to remove the existing metal building façade and replace with natural stone to blend with the existing north elevation and the proposed north elevation of the new building.
2. Variance for the requirement of four architectural elements in the design of the building and for the horizontal and vertical articulation requirment
3. Variance for the masonry dock screening and provide a living screen with Live Oak evergreen trees.

MEMORANDUM

TO: Rick Crowley, City Manager

FROM: Mary Smith, Assistant City Manager

DATE: February 14, 2014

SUBJECT: Request for Funding Allocation – U.S. Open Triathlon

Pacific Sports is proposing to bring the U.S. Open Triathlon to Rockwall in October 2014. Lifetime Fitness will not be continuing the Rockwall event in their multi-race series due in large part to costs to put on the event. The owner of Pacific Sports, Jack Caress, was the race organizer for the first U.S. Open triathlon in Rockwall and owns the rights to the U.S. Open name.

Pacific Sports has requested hotel tax funding to promote the 2014 event in Rockwall and to offset Harbor rental costs. Their request is for $17,400 of hotel tax funds and they will pay $14,400 to the City for Harbor rental fees. A preliminary draft of the agreement is attached for review as well. Negotiations haven't been finalized and the draft agreement is pending the City Attorney's review.

The Hotel/Motel Occupancy Tax budget is as follows:

Fund Balance carried forward	**$ 126,619**
Revenues budgeted	**275,000**
Allocated Funding	**(296,550)**
Projected Fund Balance	**$ 105,069**

The Hotel / Motel sub-committee has considered the request for funding and will make their recommendation during the Council meeting for the grant from Hotel Tax funds for $17,400 to Pacific Sports.

In addition, staff asks Council consider authorizing the City Manager to finalize negotiations and execute the agreement with Pacific Sports.

PROMOTIONAL AGREEMENT

This Promotional Agreement ("Agreement") is dated and effective as of February __, 2014 (the "Effective Date") and is entered into by and between Pacific Sports, LLC ("Pacific Sports"), whose address is 1590 N. Batavia Street, Suite 2 Orange, California 92867, and The City of Rockwall ("the City"), a municipal corporation, whose address is 385 S. Goliad Street, Rockwall, Texas 75087. Each of the foregoing is sometimes referred to in this Agreement individually as a "Party" or collectively as the "Parties."

WITNESSETH:

A. Pacific Sports is the producer of the U.S. Open Triathlon (the "Event").

B. Pacific Sports would like to produce the Event at the Harbor District in Rockwall, Texas in October of each year, working closely with the City to ensure the Event's success and longevity in Rockwall.

C. The Parties contemplate that the Event will preserve and perpetuate an economic benefit to the City (via city sales tax collections, room nights in local hotels, participant spending at local businesses), increased resident activity options, and promotion of the City as a desirable residential community and destination location and athletic venue to an attractive target market.

NOW THEREFORE, in consideration of the mutual promises and obligations set forth herein, the Parties hereto agree as follows:

1. **BENEFITS TO CITY**: Pacific Sports shall do the following for each year of the Event:

a) Produce a first class triathlon featuring an Olympic distance event, a Sprint distance event, a Super Sprint distance event, and a Kids triathlon. Pacific Sports shall have the right to modify the Event format at its sole discretion, upon notice to the City.

b) Feature the City's name, logo and website address in all significant advertising and promotional materials created for each year of the Event, including race brochures, t-shirts, posters and all other significant materials produced for the Event, as well as the Event website, which will provide a link to the City's website.

c) Designate the City as the Official Host City and Official Sponsor with respect to (b) immediately hereinabove.

d) Provide the City with twelve (12) entries, to be distributed at the City's sole discretion.

e) Promote local hotels on the Event website.

f) Meet with appropriate City personnel prior to the Event regarding race logistics and minimizing any negative impact on local area residents and businesses.

g) Work with the City in preparing an economic impact analysis for the Event and use the information obtained to maximize marketing opportunities for future Events.

2. **BENEFITS TO PACIFIC SPORTS**: The City shall provide Pacific Sports the following benefits for each year of the Event:

a) A cash sponsorship fee ("Sponsorship Fee") out of its bed tax funds or other tourism-related dollars or otherwise, subject to annual appropriation by the City. For the October 2014 Event, the Sponsorship Fee shall be Seventeen Thousand Four Hundred Dollars ($17,400), of which $14,400 will be paid to the City as a rental fee (the "Rental Fee") for the City-owned and/or City-operated land and facilities around the Harbor District for Pacific Sports' use of the area for the Friday through Sunday of the Event. The Rental Fee shall include all of the City-owned and/or City-operated areas and venues needed for the swim segment (including the boat docks and the area surrounding the light house), the transition area (contemplated to be the land area adjacent to the Hilton Bella Harbor), the finish line area, the venue for the post-Event celebration, and the areas needed for the sponsor/vendor expo for the Saturday of the Event. The remainder of the Sponsorship Fee will be used exclusively for marketing and promotion of the Event. This will include website and/or logo development and Event advertising and promotion. The Sponsorship Fee will increase to Eighteen Thousand Five Hundred Dollars ($18,500) for the 2015 Event, subject to appropriation by the City, and will be renewed for successive one (1) year periods upon the mutual agreement of the Parties hereto as an addendum to this Agreement.

b) The City shall waive all permit fees and assist Pacific Sports in obtaining all required approvals and consents.

c) The City is unable to donate the ballroom and meeting rooms at the Hilton Bella Harbor Hotel for the 2014 Event. However, the City will endeavor to allocate one (1) of its free uses of the Hilton Bella Harbor Hotel ballroom and meeting space for the weekend of the Event for each year of the Event after 2014.

d) The City will provide a minimum of 300 cones plus road crews for setting out the cones along the course route, water department services, hydrant water, and post-race street sweeping at no charge to Pacific Sports. The City will also provide signage to advertise the Event in the months leading up to the Event. After each Event, the Parties will discuss what additional supplies, if any, can be purchased by the City to be used by Pacific Sports at future Events.

e) The City shall provide all police personnel at cost to Pacific Sports.

f) The City will actively market the Event to its residents and local businesses. At a minimum, the City will prominently feature the Event on the "Events" tab of its website, as well as include the Events in the "Fun Guide." The Parties will work together to formulate a cohesive marketing plan for the Event.

3. **INSURANCE**: Pacific Sports will obtain customary event insurance for the Event.

4. **EVENT PROTECTION:** The Parties agree that they shall use their best efforts to protect the trademarks and goodwill associated with the Event. The City shall prohibit any triathlon of a comparable size as the Event from taking place at the Harbor District within 45 days of the Event.

5. **OWNERSHIP OF EVENT NAME:** Pacific Sports shall remain the sole owner of all rights in and to the Event.

6. **TERMINATION OF AGREEMENT**: Either Party may terminate this Agreement upon 270 days' written notice to the other Party. If the City terminates the Agreement for any reason, the City shall not produce nor allow any third party to produce a triathlon event at the Harbor District for one (1) year following the date of termination of the Agreement.

7. **RIGHT OF ASSIGNMENT**: The City agrees that Pacific Sports shall have the right to assign this Agreement to a limited liability company to be set up by Jack Caress exclusively for the Event.

8. **ADDITIONAL PROVISIONS**: This instrument sets forth the entire agreement between the Parties with respect to the subject matter hereof, supersedes any and all prior agreements, whether written or oral, and no modification, amendment, waiver, termination or discharge of any provision hereof shall be binding upon the Parties unless confirmed by a written instrument executed by the Party to be charged. No waiver by either Party of any term or provision of this Agreement or of any default hereunder shall affect any Party's right thereafter to enforce such term or provision, or to exercise any right or remedy in the event of any other default, whether or not similar. The Parties hereby represent and warrant that no statement, promise, representation or inducement, except as herein set forth, has been made on any Party's behalf, or by any of such Party's employees or representatives. Should any provision of this Agreement be held void or unenforceable, such provision shall be deemed severed and this Agreement, with such provision severed, shall remain in full force and effect to the extent permitted by law. This Agreement shall be construed in accordance with the laws of the State of Texas applicable to agreements entered into and to be performed in that state; and the Parties hereto hereby submit to the exclusive jurisdiction of the courts in Rockwall County, Texas. Headings are inserted for reference and convenience only and in no way define, limit or describe the scope of this Agreement or any intent of any provision.

9. **RELATIONSHIP**: This Agreement between the Parties does not constitute a joint venture or partnership of any kind.

IN WITNESS WHEREOF, the Parties hereto have executed this Agreement as of the date first written above.

MEMORANDUM

TO: Honorable Mayor and City Council

FROM: Kristy Ashberry, City Secretary/Assistant to the City Manager

DATE: February 13, 2014

SUBJECT: Applicant for Main Street Advisory Board

Mayor Sweet is the council's designated representative for reviewing applicants and making recommendations to the full council regarding appointments to the Main Street Advisory Board. Mayor Sweet would like to recommend the council consider appointing the following resident to serve on the Main Street Advisory Board for an initial term to begin immediately and expire in January of 2016. If appointed, Mr. Matteson will take the place of Chris Cameron, whose term expired last month and who no longer wishes to serve.

Applicant Information:

Evan Matteson
202 Gretel Place
Rockwall, TX 75032
(in Chandler's Landing)

Moved to Rockwall in 1980 and lived here the entire time except while away at college. I graduated Baylor University with a double major in Entrepreneurship and Mgmt. of Info Systems. I owned a marketing company that sold in 2009. Since 2003 I've been a full time Realtor with Coldwell Banker Apex Realtors in Rockwall where we run The Matteson Group, a real estate consultant business with 5 agents. I'm an avid sailor, homebrewer and father of three daughters. I've been a member for last three years on the Chandlers Landing Environmental Committee.

MEMORANDUM

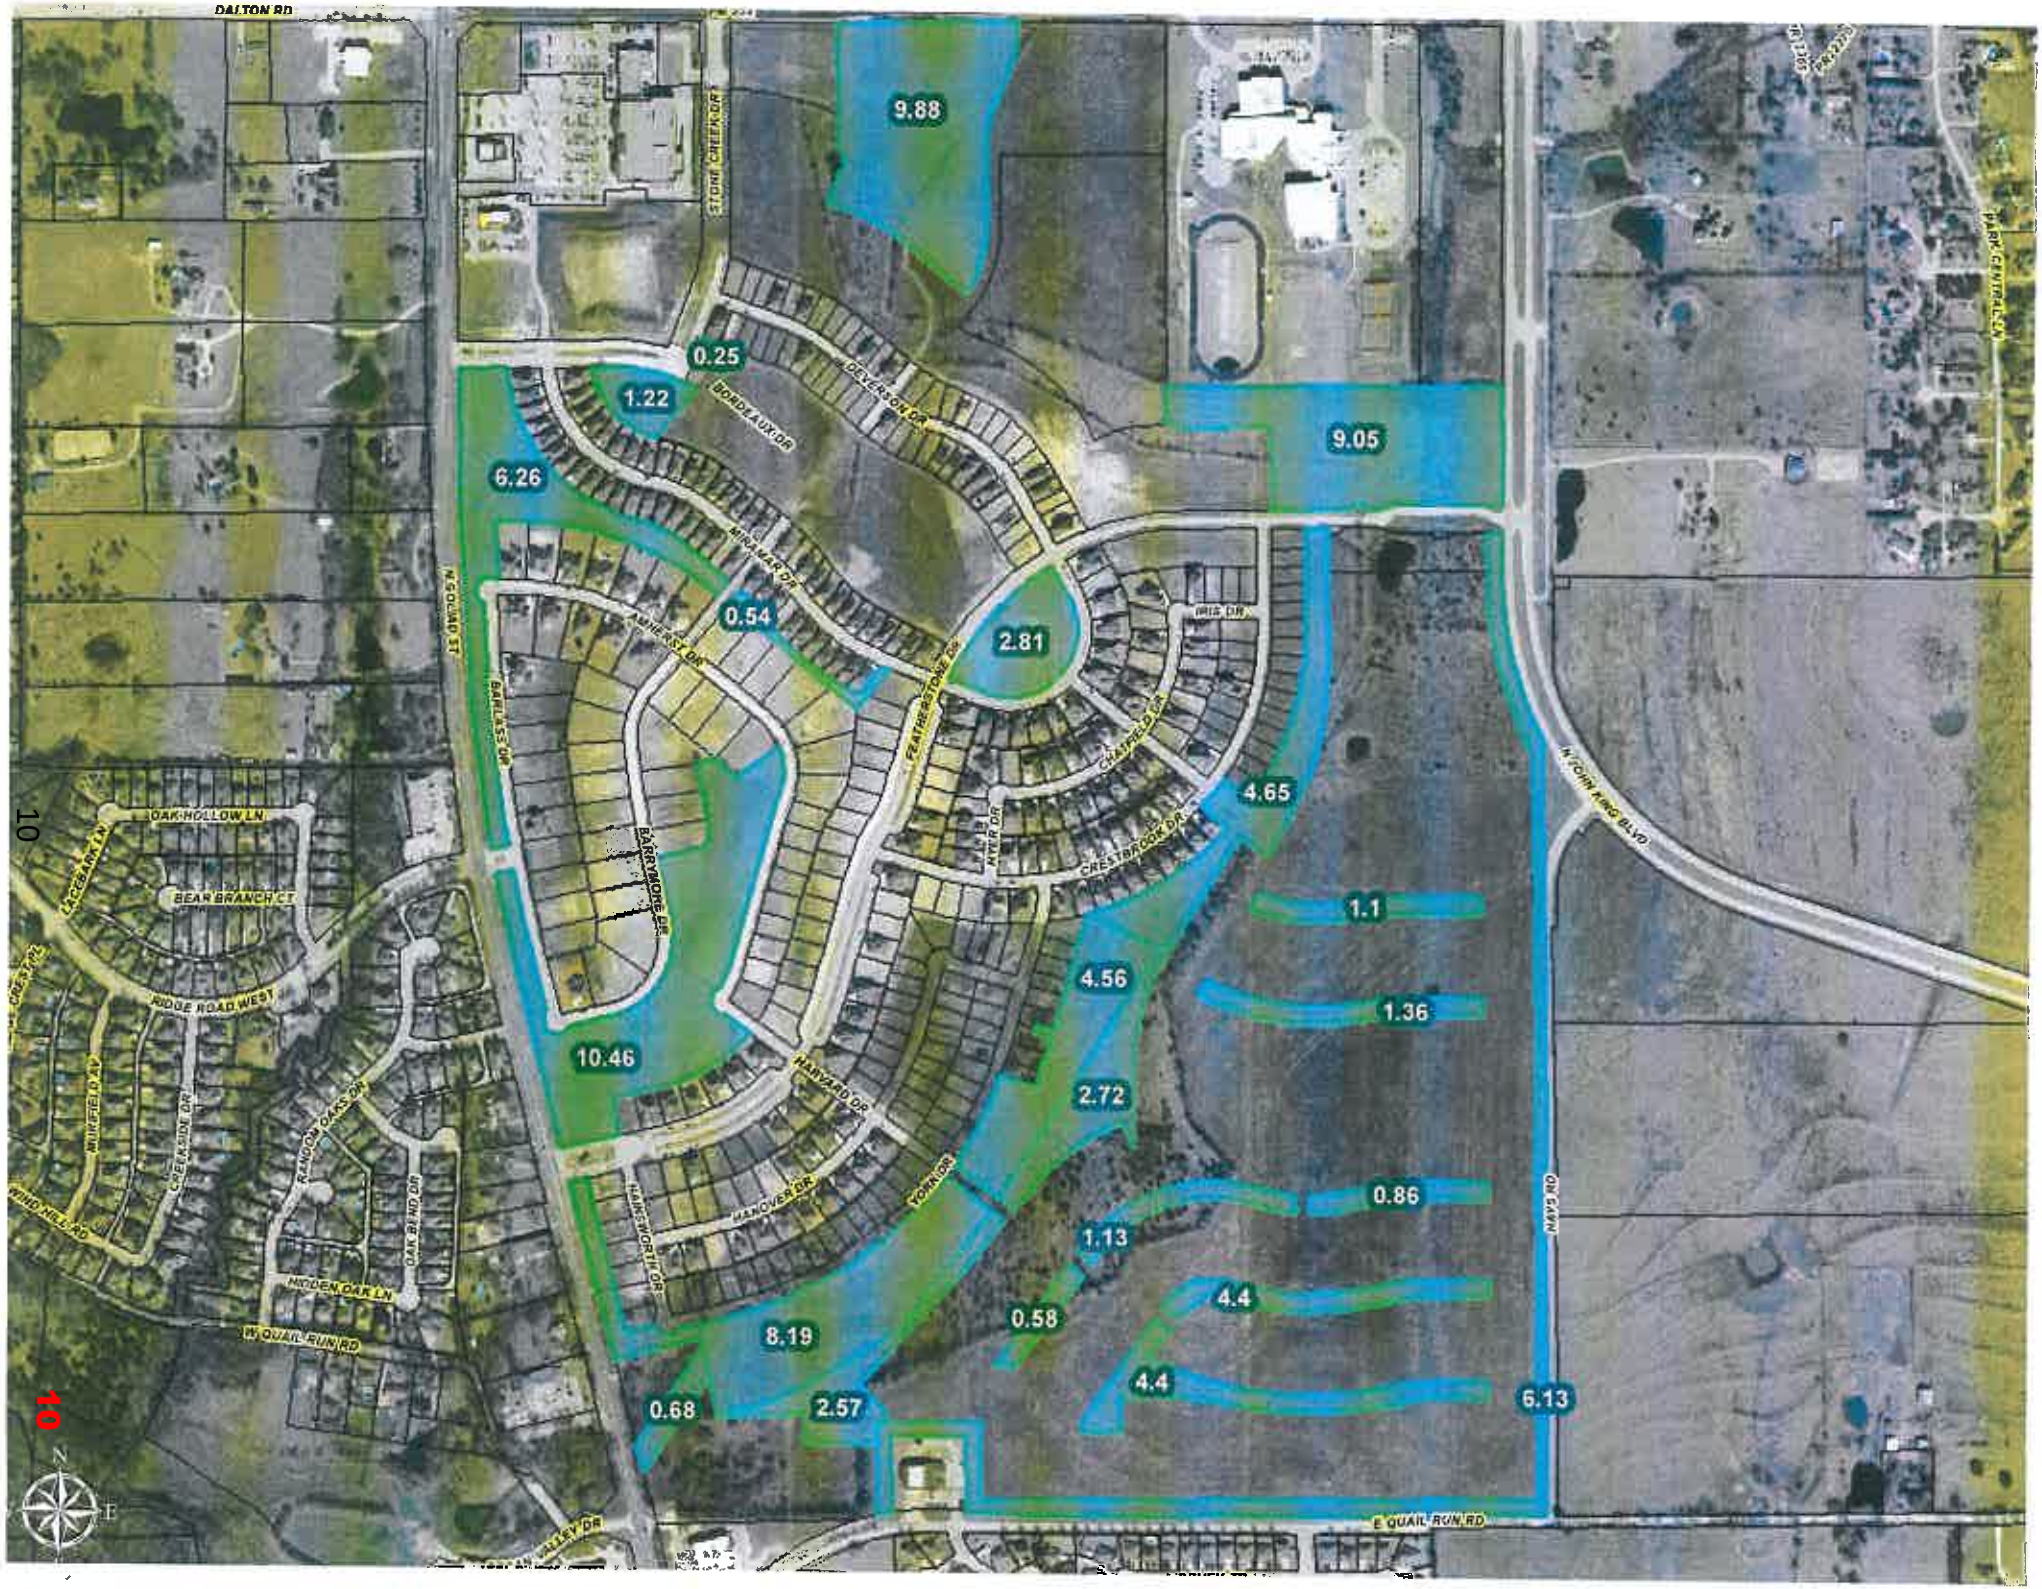
TO: City Council

FROM: Robert LaCroix

DATE: February 28, 2014

SUBJECT: Open Space Dedication

Recently an issue has surfaced with the newer residential subdivision developments within the City. This issue lies with the platting of the property and identifying open space/drainage areas as being maintained by the HOA (Home Owner's Association) but not dedicated to the City of Rockwall. At the time of platting of the property, the Chief Appraiser will make a determination that a "change of use" of the land has occurred. If a change of use is determined to have happened an additional tax is imposed on the land equal to the difference between the taxes imposed on the land for each of the five years preceding the year in which the change of use occurs that the land was appraised and the tax that would have been imposed had the land been taxed on the basis of the market value in each of those years, plus interest at an annual rate of seven percent calculated from the dates on which the differences would have become due. This is commonly known as "Rollback Taxes."



The Chief Appraiser is required to deliver a notice of the determination to the owner of the land as soon as possible after making the determination and shall include in the notice an explanation of the owner's right to protest the determination. If the owner does not file a timely protest or if the final determination of the protest is that the additional taxes are due then the taxes and interest are due to each taxing unit.

The Rockwall Appraisal District recently determined that a residential subdivision plat within the Stone Creek development, containing a large platted area of open space, was subject to the additional tax (rollback) inclusive of the open space being appraised at the higher market value. Because the "open space" was included in the plat but not directly dedicated to the City this additional tax was billed to the owner/developer. In the past the City has accepted residential plats with open/drainage space to be maintained by the HOA. However, there have been some issues with certain HOA communities with the responsibility of maintaining the space and the expectation that the City would accept some portion of the maintenance. In the past, the City has been involved in some of the cleanup and maintenance of these drainage open space areas where HOA's have been unable to fulfill the duty as prescribed by the subdivision plat. The

City has also been concerned about the sheer magnitude of the amount of drainage open space in the Rockwall jurisdiction. The City's ability to provide the minimum level of maintenance to existing open spaces could be a very large task if such maintenance was required due to flooding or other acts of nature. This would also be compounded if the expectation was that the City maintained all future dedicated drainage open space even though these areas are maintained by the HOA (homeowner's association) according to the plat. Beginning with the Stone Creek Subdivision, the City began a policy of not accepting drainage open space as a direct dedication to the City but rather as "drainage open space maintained by the HOA" basically so that the HOA and the homeowners would clearly understand that the City was not going to maintain the space.

Once the property is transferred to an HOA (Home Owner's Association) the Rockwall Appraisal District appraises the open space at the minimal value similar to agricultural use. The Chief Appraiser has stated to staff that if the open space is dedicated to the City on the plat that the additional tax (rollback) would not be assessed to the open space since the City is a taxing entity.

The staff is requesting direction from the Council on this question of whether to accept the drainage open space as a dedication to the City. Since there is no transaction of a deed the City will not actually have ownership but it would be treated in the same manner as a public easement.

Mr. Robert LaCroix, Director of Planning
Mr. Ryan Miller, Planning Manager

Re: Breezy Hill Estates property taxes & rollback taxes for future open space land

Dear Mr. LaCroix and Mr. Miller:

In follow up to our discussions and meetings with Mr. Helm of the Rockwall Central Appraisal District ("RCAD"), and as requested, this letter summarizes the unforeseen economic burden that our partnership will experience in the event the City does not accept the dedication of the planned open space areas within Stone Creek subdivision.

As of the date of this letter, there is currently a total of +/- 52.98 acres of open space land that is planned to be dedicated within Breezy Hill Estates.

When the City informed us that they would not accept the open space dedication of the +/- 12.12 acres with the Phase IV final plat of our Stone Creek Estates community, we realized we need to request the City to reconsider the position as disallowing the dedications will also have a material impact on our Breezy Hill Estates master plan.

"Exhibit A" of this letter contains the rollback tax bill for Phase I of Breezy Hill Estates, which amounted to $42,935 on 21.857 acres, or $1,964 per acre.

Estimated financial impact of rollback taxes going forward on Breezy Hill Estates

Based on 52.98 acres remaining of open space in Breezy Hill Estates and on a $1,964 per acre rollback assessment, and unless the City agrees to allow us to dedicate the open spaces to the City with our plats, we extrapolate that we will incur unforeseen rollback taxes of approximately $104,000.

Phone 214-888-8843 abuczek@skorburgcompany.com Fax 214-522-7244

Breezy Hill 405, Ltd.
By Breezy Hill 405 GP Corporation
8214 Westchester Drive, Suite 710
Dallas, Texas 75225

Estimated financial impact of loss of tax deduction as a result of not being allowed to dedicate open space land to the City of Rockwall

If we are unable to dedicate open space land to the City, our banks and partners who have lent and invested in our partnership will no longer be able to receive a tax deduction for the open space land dedications. The current estimated impact to our partnership based on the remaining +/- 52.98 acres of open space land is approximately $465,000.

Between both items, the total estimated unforeseen financial impact to Breezy Hill Estates (if the City will not accept dedications of open space) is approximately $569,000.

We understand the City is concerned about the ongoing maintenance of the open space areas; however, we will continue to include the exact language on the final plats of each phase that will make it the HOA's obligation to maintain the open space areas at its expense as directed by the City.

Please do not hesitate to contact our office should you have any questions.

Sincerely,

Re: Stone Creek Balance, Ltd. property taxes & rollback taxes for future open space land

Dear Mr. LaCroix and Mr. Miller:

In follow up to our discussions and meetings with Mr. Helm of the Rockwall Central Appraisal District ("RCAD"), and as requested, this letter summarizes the unforeseen economic burden that our partnership will experience in the event the City does not accept the dedication of the planned open space areas within Stone Creek subdivision.

As of the date of this letter, there is currently a total of +/- 36.8 acres of open space planned within the future phases of Stone Creek Estates.

When the City informed us that they would not accept the dedication of the +/- 12.12 acres of open space that was contiguous with and part of the Phase IV final plat (which we had planned to dedicate to the City of Rockwall (the "City") to be maintained by the Stone Creek HOA as we had done for open spaces in prior phases), RCAD sent us a rollback tax bill of $34,374.27, or $2,836 per acre. The supporting documentation of this charge (which we have paid) is attached with this letter as **"Exhibit A."**

When the City informed us they would no longer accept open space dedications, we learned we would be charged with rollback taxes and lose the tax deduction on such open space acreage. These items are of a material financial amount, and thus, we are hopeful that the City will reconsider this issue and allow us to continue to dedicate open space to the City and stipulate on the plats that such open space is to be maintained by the HOA.

Phone 214-888-8843 abuczek@skorburgcompany.com Fax 214-522-7244

Stone Creek Balance, Ltd.
By Stone Creek Balance GP Corporation

Estimated financial impact of rollback taxes going forward on Stone Creek

Based on 36.8 acres remaining of open space in Stone Creek Estates, unless the City agrees to allow us to dedicate open spaces to the City with our plats, we extrapolate (based on what we were charged in Phase IV) that we will incur unforeseen rollback taxes on the remaining phases of Stone Creek in the amount of approximately $104,000.

Estimated financial impact of loss of tax deduction as a result of not being allowed to dedicate open space land to the City of Rockwall

If we are unable to dedicate open space land to the City, our banks and partners who have lent and invested in our partnership will no longer be able to receive a tax deduction for the open space land dedications. The current estimated impact to our partnership based on the remaining +/- 36.8 acres of open space land is approximately $285,000.

Between both items, the total estimated unforeseen financial impact to Stone Creek Balance, Ltd if the City will not accept dedications of open space is approximately $389,000.

We understand the City is concerned about the ongoing maintenance of the open space areas; however, we will continue to include the exact language on the final plats of each phase that will make it the HOA's obligation to maintain the open space areas at its expense.

Please do not hesitate to contact our office should you have any questions.

Prop ID: 11323

The chief appraiser has determined that the 1-d-1 qualified property described above is not used for agriculture or the production of timber so the property no longer qualifies for the 1-d-1 appraisal. The property will be taxed on its market value beginning with the 2013 tax year.

You may protest this change of use determination to the Appraisal Review Board (ARB) by filing a written notice of protest not later than 30 days after the receipt of this letter. If you have questions about the determination or the procedure for filing a protest, you may wish to consult your appraisal district's staff. You may also consult the State Comptroller's Manual for the Appraisal of Agricultural Land.

If you do not protest or if the ARB determines that the use of the property has changed, the property is subject to an additional tax (rollback tax) equal to the tax savings you realized for the five years before the year of this determination, plus interest. A tax lien for the amount of the additional tax and interest attaches to the land on the date the change occurs. The assessor for each taxing unit taxing the property will assess the additional tax. If you have any questions about the amount or calculation of this additional tax, please contact me at the appraisal office or consult the State Comptroller's Manual for the Appraisal of Agricultural Land.

Sincerely,

Cody Sanderson
Deputy Chief Appraiser

Proclamation

Rockwall, Texas

Whereas, Multiple Myeloma (or Myeloma), the second most common blood cancer worldwide, is a cancer of plasma cells in the bone marrow. It is called "multiple" because the cancer can occur at multiple sites.

Whereas, Multiple Myeloma currently affects more than 100,000 people in the United States, with an estimated 20,000 new cases diagnosed each year and 10,000 losing their battle each year; and

Whereas, once a disease of the elderly, it is now being found in increasing numbers in people under 65; and

Whereas, because Myeloma is a rare disease, there can be a delayed diagnosis, leading to delayed treatment. For this reason an increased awareness of Myeloma for clinicians and the general public will lead to earlier diagnosis allowing people to live longer; and

Whereas, continued investment and innovation is critical to achieve early diagnosis and implement the most effective and safest treatments for Myeloma patients; and

Whereas, although we have seen important advances in the last decade there is still no cure for Myeloma; and

Whereas, The City of Rockwall, Texas is committed to finding a cure for Myeloma and supports the treatment of its citizens that suffer from Myeloma and encourages private efforts to enhance research funding and education programs, and

Now, Therefore, I, David Sweet, Mayor of the City of Rockwall, Texas, do hereby proclaim the month of March, 2014 as

MULTIPLE MYELOMA AWARENESS MONTH

in the City of Rockwall and encourage all citizens to support efforts to find a cure for this terrible disease.

In Witness Whereof, I hereunto set my hand and official seal this 3rd day of March, 2014.

David Sweet, Mayor

MINUTES
ROCKWALL CITY COUNCIL
Monday, February 17, 2014
5:00 p.m. Regular City Council Meeting
City Hall, 385 S. Goliad, Rockwall, Texas 75087

I. CALL PUBLIC MEETING TO ORDER

Mayor Sweet called the meeting to order. Mayor David Sweet, Mayor Pro Tem David White, and Council Members Jim Pruitt, Mike Townsend, Scott Milder and Bennie Daniels were present as well as City Manager Rick Crowley, Assistant City Manager Mary Smith and City Attorney Frank Garza. Councilmember Dennis Lewis and Assistant City Manager Brad Griggs were absent from the meeting. Mayor Sweet read the below listed discussion items into the public record before recessing the meeting into Executive Session.

II. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding the following legal claim: TF-Harbor LLC v. City of Rockwall, Texas and Rockwall Rental Properties L.P. pursuant to Section 551.071 (Consultation with Attorney)
2. Discussion regarding land acquisition in the vicinity of the downtown area for municipal purposes pursuant to Section § 551.072 (Real Property).
3. Discussion regarding Right-of-Way in the vicinity of Corporate Crossing Drive pursuant to Section § 551.072 (Real Property).

III. ADJOURN EXECUTIVE SESSION

Executive Session was adjourned at 5:30 p.m.

MINUTES
ROCKWALL CITY COUNCIL
Monday, February 17, 2014
6:00 p.m. Regular City Council Meeting
City Hall, 385 S. Goliad, Rockwall, Texas 75087

IV. RECONVENE PUBLIC MEETING

Mayor Sweet reconvened the public meeting at 6:00 p.m. with all council members except for Councilmember Lewis being present.

V. TAKE ANY ACTION AS A RESULT OF EXECUTIVE SESSION

Mayor Pro Tem White made a motion to authorize right-of-way acquisition on Corporate Crossing. Councilmember Townsend seconded the motion, which passed unanimously of those present (6 ayes with 1 absent (Lewis)).

VI. INVOCATION AND PLEDGE OF ALLEGIANCE – COUNCILMEMBER MILDER

Councilmember Milder delivered the invocation and led the Pledge of Allegiance.

VII. CONSENT AGENDA

1. Consider approval of the minutes from the January 21, 2014 regular city council meeting, and take any action necessary.
2. Consider approval of the minutes from the February 3, 2014 regular city council meeting, and take any action necessary.
3. **P2014-003** - Consider a request by R.L. Goodson Consulting Engineers on behalf of the YMCA of Dallas for the approval of a replat for Lot 2, Block A, Rockwall County Y.M.C.A. containing one (1) non-residential lot, zoned Planned Development 5 (PD-5) District, on 21.378-acres, currently identified as Lot 1, Block A, Rockwall County Branch Y.M.C.A., City of Rockwall, Rockwall County, Texas, situated within the North SH-205 Overlay (N SH-205 OV) District, located on the east side of SH-205 north of Caruth Lane, and take any action necessary.
4. **P2014-004** - Consider a request by Ronald Valk for the approval of a final plat for Lot 1, Block 1, Valk Rockwall Addition being a 4.264-acre tract of land located within the extraterritorial jurisdiction of the City of Rockwall and situated in the Joseph Strickland Survey, Abstract No. 187, Rockwall County, Texas, and located on the east side of SH-205 north of F.M. 552, and take any action necessary.
5. Consider approval of an **ordinance** establishing the speed limit along SH 205 from Darrin Drive to FM 552/Dalton Road at 50 miles per hour and take any action necessary. **(1st Reading)**
6. Consider approval of the Interlocal Purchasing Agreement with Reynolds Asphalt & Construction Company to rehabilitate E. Cullins Road from SH 549 to Jeff Boyd Drive and Alpha Drive from T.L. Townsend Drive to 190 feet north of Sigma Drive in an amount of $219,082.00, and being funded through the Streets Department Operations Budget, and take any action necessary.

7. Consider awarding the Glenn Avenue Utility Rehabilitation Project construction contract to PC Contractors, in the amount of $452,009.04, utilizing funds available from 2008 water/sewer revenue bonds and take any action necessary.

8. Consider approval of a request by Verizon Wireless for a new monopole cellular communications tower to be located on Dickson Lane (Squabble Creek Treatment Facility), authorizing the City Manager to execute an agreement and take any action necessary.

9. Consider approval of an **ordinance** amending the Code of Ordinances in Chapter 32, Signs, Article I. In General and Article IV. Prohibited Signs, Sections 32-1 and 32-332 to amend regulations related to human signs, and take any action necessary. **(1st reading)**

Mayor Pro Tem White made a motion to approve the entire Consent Agenda. Councilmember Milder seconded the motion. Councilmember Milder asked a brief, clarifying question related to the monopole being proposed in association with Consent Agenda item #8. The ordinances were then read as follows:

CITY OF ROCKWALL, TEXAS

ORDINANCE # 14-___

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS ALTERING THE PRIMA FACIE SPEED LIMITS ESTABLISHED FOR VEHICLES UNDER THE PROVISIONS OF TRANSPORTATION CODE, SECTION 545.356 UPON STATE HIGHWAY NO. 205 OR PARTS THEREOF, WITHIN THE CORPORATE CITY LIMITS OF THE CITY OF ROCKWALL, TEXAS, AS SET OUT IN THIS ORDINANCE; PROVIDING A PENALTY OF A FINE NOT TO EXCEED THE SUM OF $200.00 FOR EACH OFFENSE; PROVIDING FOR AN EFFECTIVE DATE.

CITY OF ROCKWALL, TEXAS

ORDINANCE NO. 14-__

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS AMENDING THE CODE OF ORDINANCES IN CHAPTER 32 *SIGNS*, ARTICLE I, *IN GENERAL* AND ARTICLE IV *PROHIBITED SIGNS; SECTIONS 32-1 AND 32-332;* INCORPORATING RECITALS; PROVIDING FOR SEVERABILITY; AND ADOPTING AN EFFECTIVE DATE.

The motion passed by a vote of 6 ayes with 1 absent (Lewis).

VIII. APPOINTMENTS

1. Appointment with the Planning and Zoning Chairman to discuss and answer any questions regarding cases on the agenda and related issues and take any action necessary.

Chair of the Planning & Zoning Commission, Craig Renfro, came forth and briefed the city council on recommendations of the Commission relative to planning-related items on tonight's city council meeting agenda. Following the briefing, the council took no action related to this agenda item.

2. Appointment with Rockwall Police Chief Mark Moeller to hear the Racial Profiling Report and Crime Report for 2013, and take any action necessary.

Rockwall Police Chief Mark Moeller came forth and provided a verbal presentation to the city council related to his department's 2013 Racial Profiling and Crime Reports as required

by state law. He indicated that number of stops and citations are down from past years; however, the percentage ratios are virtually the same as last year.

Chief Moeller indicated that for the last eleven years, statistics have been kept regarding Part 1 crimes (murder, rape, robbery, aggravated assault, auto theft, burglary, and theft), violent crimes and total crime numbers. He indicated that crime numbers have gone down significantly over the last ten years. He further stated that from 2003-2013, Part 1 offenses decreased by over 43%. For violent crimes, a 66.3% reduction occurred from 2003-2013, and there was a 45.4% reduction in total crime for that same period. Regarding the 2013 Holiday Crime Initiative, Chief Moeller reported that the 2013 numbers showed four offenses that occurred outside of retail stores in parking lot areas with eleven total offenses (mostly thefts) being reported for the holiday season in retail shopping areas.

The Council took no action related to this agenda item.

3. Appointment with Rob Dixon of Hill & Wilkinson, General Contractors, and Michael Black with la terra studio, to hear and discuss a progress update of the Downtown Improvements Project, including associated scheduling, and take any action necessary.

Mr. Dixon of Hill Wilkinson came forth and passed out photocopies to the council which showed the construction progress and anticipated schedule. He indicated that their goal is to not have major areas of the downtown area torn up and under construction from October 10 through January 2 of 2015 in order to minimize the impact on businesses during the holiday shopping season. He indicated he has met with the downtown merchants, and these dates reflect what has been proposed by them because the businesses along San Jacinto have indicated they do roughly fifty percent of their yearly business during the last two months of the calendar year.

Assistant City Manager Mary Smith reported that city staff recently met with the contractors, and is happy to report the project is currently well within and under budget. There is about an eleven percent contingency at this time, which is viewed as pretty healthy for this project.

The council took no action related to this agenda item.

4. Appointment with Rick Bernas, of Republic Waste, to make presentation of downtown improvement fund donation and take any action necessary.

Mr. Bernas thanked the council for the city's partnership with Republic Waste. He then presented the city with two checks, one for the Rockwall ISD Scholarship Program and a $10,000 check for the city's improvement program. He indicated that Republic has now donated over $100,000 to the City of Rockwall. The Council took no action related to this appointment item.

IX. PUBLIC HEARING ITEMS

1. **Z2014-001** - Hold a public hearing to discuss and consider approval of an **ordinance** for a request by Tommy Pulliam on behalf of Rayburn Electric Cooperation, Inc. for the approval of a zoning change from Agricultural (Ag) District to a Heavy Commercial (HC) District for a 6.057-acre tract land identified as a portion of Tract 3-06 of the W. H. Barnes Survey, Abstract No. 26, Rockwall, Rockwall County, Texas, zoned Agricultural (Ag) District, located on the south side of Sids Road west of S. Goliad Street (SH-205), and take any action necessary. **(1st Reading)**

Planning Director Robert LaCroix provided brief background information related to this agenda item, indicating that the owner/applicant would like to rezone a portion of this property. Staff mailed notices out to property owners located within two hundred feet of the proposed rezoning and signs were posted. He indicated the Planning & Zoning Commission did recommend approval of this agenda item by a vote of 6 ayes to 0 nays at its February 11 meeting.

Mayor Sweet opened the public hearing and asked if the applicant is in the audience and if anyone would like to come forth and speak regarding this item. There being no one, Mayor Pro Tem White made a motion to continue the Public Hearing item until the next regularly scheduled council meeting. Councilmember Townsend seconded the motion, which passed by a vote of 6 ayes with 1 absent (Lewis).

2. **Z2014-003** - Hold a public hearing to discuss and consider approval of an **ordinance** for a request by Charlie Rickerson for the approval of a Specific Use Permit to allow a detached garage with guest quarters/secondary living unit that will exceed the maximum permissible height for an accessory structure on a 0.40-acre parcel of land identified as Lot A, Block 117, B. F. Boydstun Addition, Rockwall, Rockwall County, Texas, also identified as a Landmarked Property, zoned Single Family 7 (SF-7) District, located at 109 St. Mary's Street, and take any action necessary. **(1st Reading)**

Mr. LaCroix provided background information related to this agenda item, indicating that the applicant would like to build what is essentially a two-story 'carriage house' on his property. The applicant is trying to match the look and feel of the existing historic home on the property, so the Historic Preservation Advisory Board did agree to recommend approval of this agenda item. Mr. Rickerson is meeting all of the required building codes; however, he is exceeding the maximum allowable height on the second story floor. Notices were sent out to property owners located within two hundred feet. Two notices were received back in favor and none were received back in opposition. The Planning & Zoning Commission did recommend approval of this item at its February 11 meeting.

Mayor Sweet opened the public hearing and called forth the applicant. Mrs. Rickerson, the applicant's wife, came forth and offered a few, brief words. There being no one else in the audience wishing to come forth and speak, Mayor Sweet then closed the public hearing.

Mayor Pro Tem White made a motion to approve Z201-003. Councilmember Pruitt seconded the motion. Councilmember Daniels clarified with staff, receiving affirmation that the height of the proposed structure will not be higher than the height of the existing home. The ordinance was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 14-__
SPECIFIC USE PERMIT NO. S-___

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT ALLOWING FOR A DETACHED GARAGE WITH GUEST QUARTERS/SECONDARY LIVING UNIT, EXCEEDING THE MAXIMUM PERMISSIBLE HEIGHT OF 15-FT. FOR AN ACCESSORY STRUCTURE, ON A 0.40-ACRE PARCEL OF LAND IDENTIFIED AS LOT A, BLOCK 117, B.F. BOYDSTUN ADDITION, LOCATED AT 109 ST. MARY'S STREET, AND FURTHER DESCRIBED IN EXHIBIT "A" ATTACHED HERETO, AND ZONED

(SF-7) SINGLE-FAMILY RESIDENTIAL DISTRICT; CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a vote of 6 ayes with 1 absent (Lewis).

X. SITE PLANS / PLATS

1. **P2014-001** - Discuss and consider a request by Bobby Samuels of the Skorburg Company representing BH Phase III, SF, LTD. for the approval of a preliminary plat for 71 residential lots identified as Breezy Hill, Phase III, being a 48.247-acre tract of land situated within the J. Strickland Survey, Abstract No. 187, Rockwall, Rockwall County, Texas, zoned Planned Development District 74 (PD-74), generally situated north of FM-552 in between John King Boulevard and Breezy Hill Lane, and take any action necessary.

Mr. LaCroix provided background information related to this agenda item. The whole of this residential subdivision has an allowance of 691 single family lots on about 345.8 acres. A matrix of the lot sizes has been provided. This particular preliminary plat focuses on 71 single family residential lots within the subdivision. He explained that twenty-three of the lots will be Type B lots, and forty-eight lots will be Type C lots. This preliminary plat meets all the requirements of the master plat previously approved by council. Pro-rata park equipment fees will be due by the developer. Staff has listed some conditions the council may wish to consider. The Planning & Zoning Commission did recommend unanimous approval of this preliminary plat at its February 11 meeting. Mr. LaCroix indicated that the typical house built will be about 2,500 square feet in size.

Mayor Pro Tem White made a motion to approve P2014-001. Councilmember Townsend seconded the motion, which passed by a vote of 6 ayes with 1 absent (Lewis).

2. **P2014-002** - Discuss and consider a request by Bobby Samuels of the Skorburg Company representing BH Phase IV, SF, LTD. for the approval of a preliminary plat for 51 residential lots identified as Breezy Hill, Phase IV, being a 41.662-acre tract of land situated within the J. Strickland Survey, Abstract No. 187, Rockwall, Rockwall County, Texas, zoned Planned Development District 74 (PD-74), generally situated north of FM-552 in between John King Boulevard and Breezy Hill Lane, and take any action necessary.

Planning Director Robert LaCroix provided background information related to this agenda item. He explained that this preliminary plat is another portion of the plat that was just addressed (above). These lots are the developer's continuation of what had begun to be built in the first phase. These larger lots will be more rural in nature and will have drainage swells, no curbs and slightly smaller roads.

Mayor Pro Tem White made a motion to approve P2014-002. Mayor Sweet seconded the motion which, after brief discussion, passed unanimously of council present (6 ayes with Lewis absent).

3. **SP2014-002** - Discuss and consider a request by Wayne Mershawn of Mershawn Architects on behalf of Billy Self of Pro Soap, Inc. for the approval of variances associated with an approved site plan for a warehouse facility on a 2.03-acre parcel of land identified as Lot 2 of the DBK Addition, Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, situated within the IH-30 Overlay (IH-30 OV) District, located on the south side of IH-30 west of Corporate Crossing, and take any action necessary. **(3/4 majority vote required)**

Mr. LaCroix provided background information related to this agenda item. He explained that Pro Soap Road, as part of this case, will be turned into a 'private road' which will provide proper public access. He indicated that the applicant would like to put a warehouse distribution type of business in a separate 19,500 square foot building located in the rear of his current building. Mr. LaCroix explained the screening that will be in place. The applicant is willing to put masonry on the front of his existing building. The Planning & Zoning Commission and the Architectural Review Board both asked the applicant to utilize two different types of stone to break up the pattern where it would not look so dense looking. The P&Z and ARB also asked the applicant to attempt to match the color of stone that is already on the existing Pro Soap building. The applicant has indicated he will attempt to accommodate these requests. He then briefed the council on the variances being requested by the applicant – not meeting the minimum ninety percent masonry requirement, including twenty percent stone, on the South, East and West elevations of the new building; allowing prefabricated metal on the rest of the building; allowing landscape screening in lieu of the ten foot solid screening wall requirement on the loading docks in the back; they do not meet the articulation standards for the building as required by the Code. He explained that approval does take a ¾ majority vote of the council this evening since it is located in the IH-30 Overlay District.

Mr. Billy Self came forth and offered a few, clarifying words related to his variance requests.

Mayor Pro Tem White made a motion to approve SP2014-002. Councilmember Pruitt seconded the motion, which passed by a vote of 6 ayes with 1 absent (Lewis).

XI. ACTION ITEMS

1. Discuss and consider Pacific Sports request for hotel tax funding for the 2014 U.S. Open Triathlon; authorize the City Manager to finalize negotiations and execute a contract for the event and take any action necessary.

Assistant City Manager Mary Smith provided brief information to the council related to this agenda item. Pacific Sports has asked for hotel / motel tax funding in the amount of $17,400 to assist with promotion of the event. The Harbor rental fees would be $14,400, so mostly what the city would give them would be coming right back to us. This event would take place the first weekend in October.

Clarifying discussion took place related to some of the language in the proposed contract, specifically the language pertaining to the potential for the city to approve additional funding for a 2015 event. Mayor Pro Tem White pointed out that the language in the contract specifies that any 2015 funding would be subject to the approval of the city council at that time. Mrs. Smith indicated that the applicant wanted some sort of assurance from the City that if the 2014 event is positive and a success, the city may consider additional

funding for a subsequent event again in 2015. However, the council at that time in the future will still need to review and approve said funding request.

Mayor Pro Tem White explained that the hotel / motel tax funding subcommittee of the council did review this matter, and this particular contract is a much better contract than that which was originally being proposed by Pacific Sports (originally they were seeking a five year commitment from the city).

After additional discussion, Mayor Pro Tem White made a motion to approve the hotel /motel tax funding request for the 2014 U.S. Open Triathlon and to authorize the city manager to finalize negotiations and execute a contract for the event. Councilmember Townsend seconded the motion, which passed by a vote of 6 ayes with 1 absent (Lewis).

2. Discuss and consider appointments to the city's Main Street Advisory Board, and take any action necessary.

Mayor Sweet made a motion appoint Evan Matteson to the Main Street Advisory Board to replace Chris Cameron (term to expire in January of 2016). Councilmember Daniels seconded the motion. Mayor Sweet encouraged members of the public to consider submitting an application to serve on city boards and commission, as it is sometimes difficult to find residents who are willing to serve.

The motion passed by a vote of 6 ayes with 1 absent (Lewis).

XII. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding the following legal claim: TF-Harbor LLC v. City of Rockwall, Texas and Rockwall Rental Properties L.P. pursuant to Section 551.071 (Consultation with Attorney)

2. Discussion regarding land acquisition in the vicinity of the downtown area for municipal purposes pursuant to Section § 551.072 (Real Property).

3. Discussion regarding Right-of-Way in the vicinity of Corporate Crossing Drive pursuant to Section § 551.072 (Real Property).

XIII. RECONVENE PUBLIC MEETING & TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

Council did not reconvene into Executive Session. Please see start of 6:00 p.m. public meeting above for action taken as a result of the first Executive Session.

XIV. ADJOURNMENT

The meeting was adjourned at 7:20 p.m.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 3rd day of March, 2014.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 3/3/2014

APPLICANT: JOHNSON, MELDRIA

AGENDA ITEM: **P2014-006;** M&M Johnson Addition

SUMMARY:

Discuss and consider a request by Harold Fetty on behalf of Meldria Johnson for the approval of a replat for Lots 1 & 2, Block A, M & M Johnson Addition being a 0.37-acre parcel of land currently identified as a portion of Lot 3, Block H, Sanger Brothers Addition, zoned Multi Family-14 (MF-14) District, situated within the Southside Residential Neighborhood Overlay (SRO) District, and located approximately 113-feet from the northeast corner of the intersection of Davy Crockett Street and Bourn Avenue, and take any action necessary.

COMMENTS:

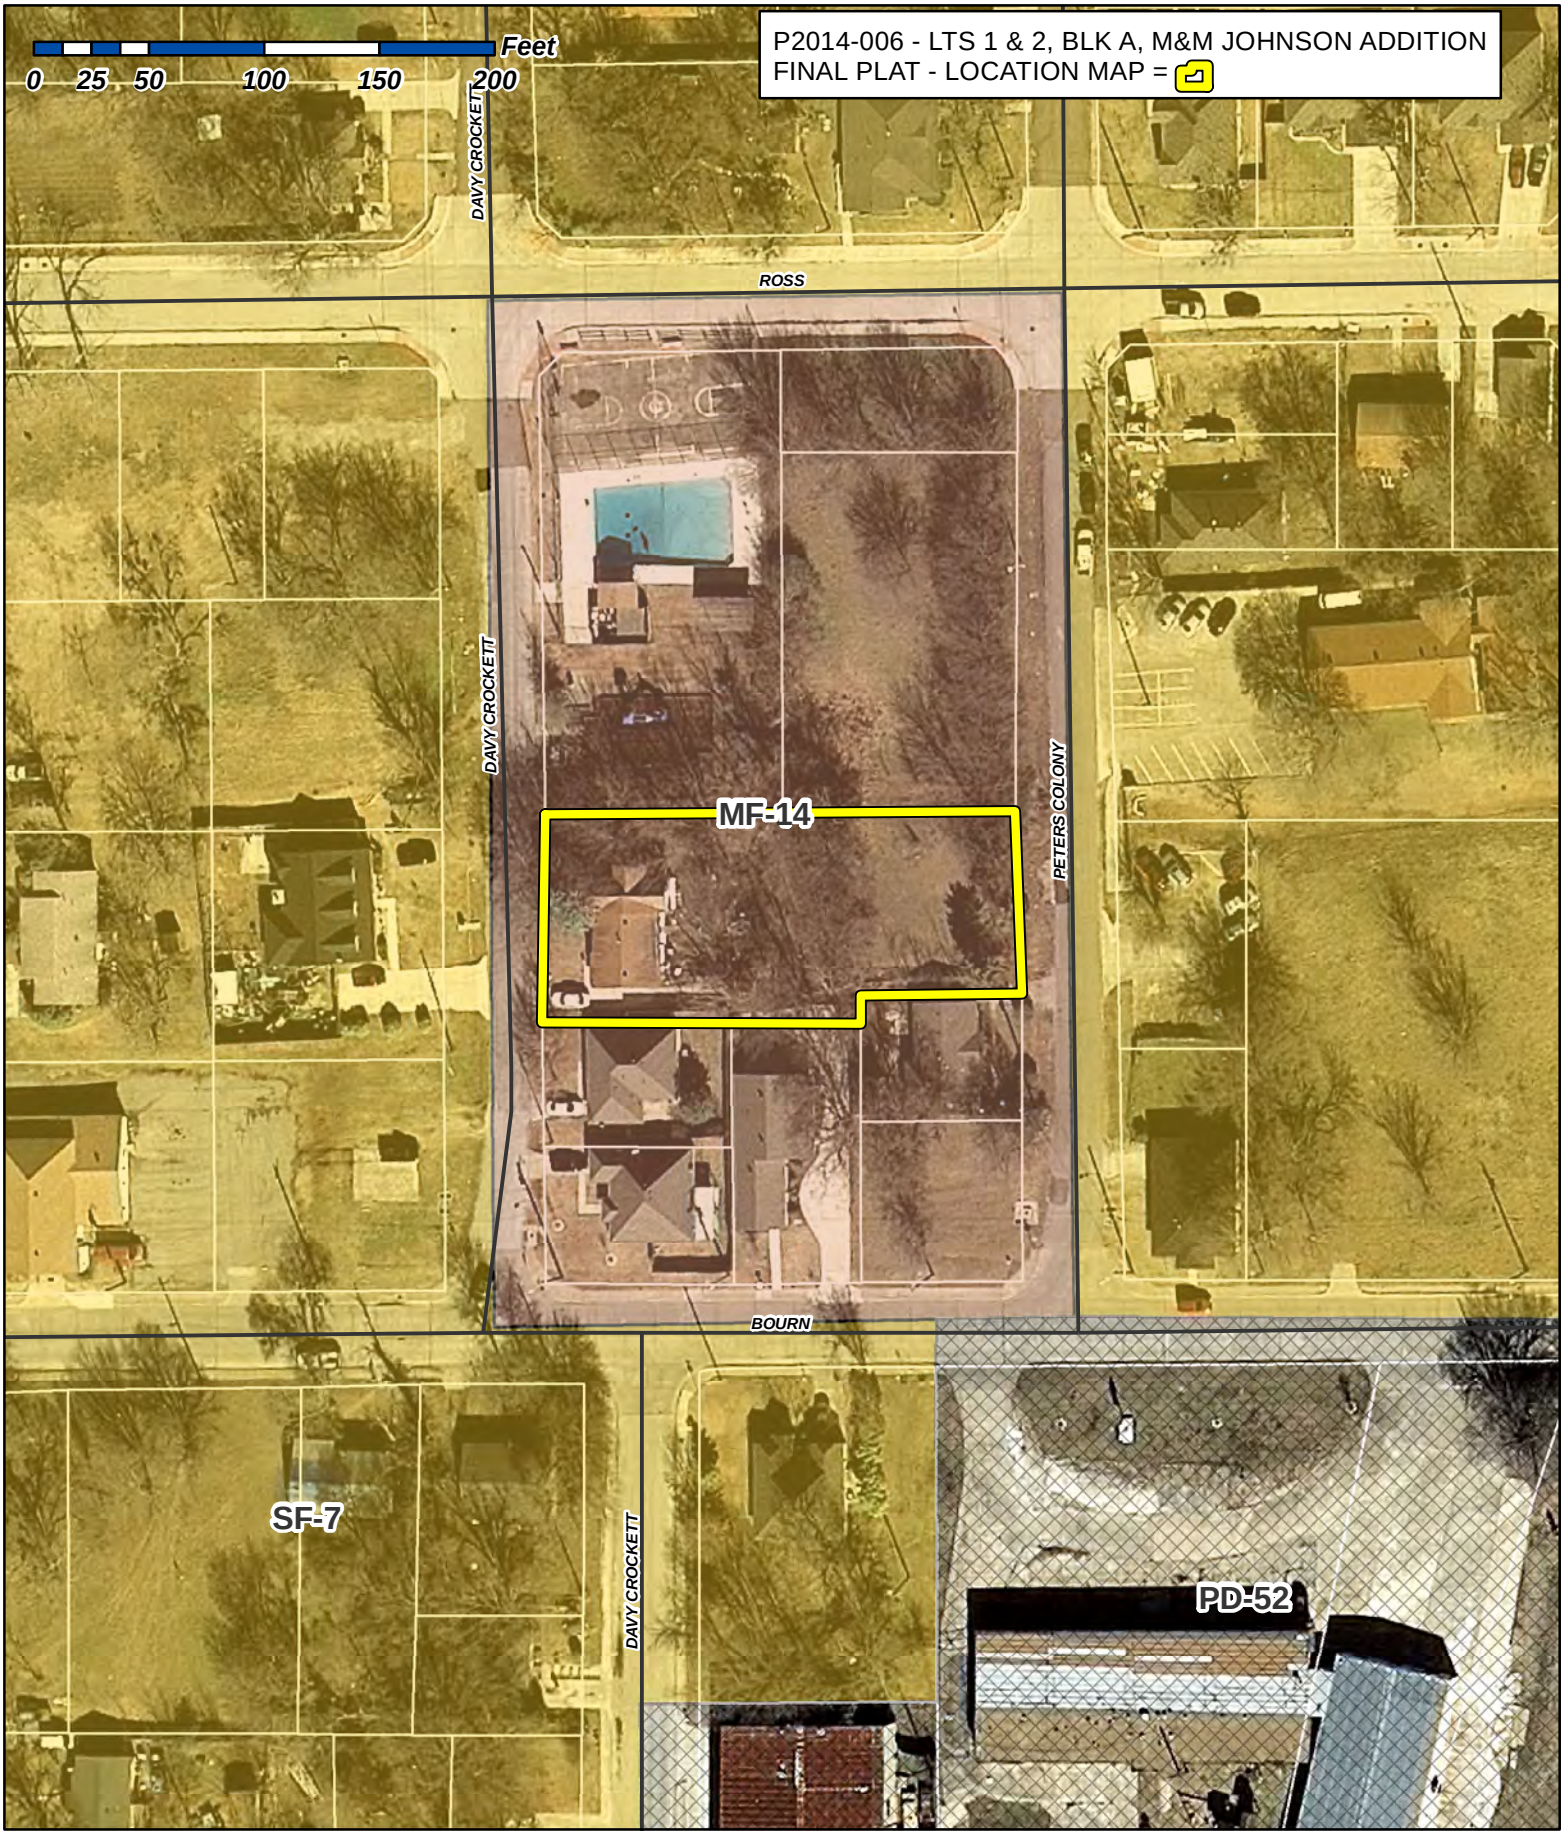
- The purpose of this plat is to subdivide one (1) lot into two (2) lots.

- The Engineer has completed the technical revisions requested by staff, and this plat is recommended for conditional approval pending the completion of final technical modifications and submittal requirements required for the recordation by the applicant or owner.

- Conditional approval of this plat by the City Council shall constitute approval subject to the conditions stipulated in the Recommendation section below.

With the exception of the items listed in the Recommendation section of this case memo, this plat is in substantial compliance with the requirements of the Subdivision Ordinance in the Municipal Code of Ordinances

RECOMMENDATIONS:



If the Planning & Zoning Commission and City Council choose to approve the replat for Lots 1 & 2, Block A, M&M Johnson Addition, the following conditions of approval are offered:

1) All the technical comments from the Engineering, Planning and Fire Departments shall be addressed prior to the filing of this plat; and

2) Any construction resulting from the approval of this replat shall conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING & ZONING COMMISSION:

On February 25, 2014, the Planning & Zoning Commission approved the replat per staff's recommendations by a vote of 6 to 0, with Chairman Renfro absent.

STATE OF TEXAS
COUNTY OF ROCKWALL

OWNER'S CERTIFICATE
(Public Dedication)

WHEREAS, MELDRIA JOHNSON and MICHAEL JOHNSON, BEING the Owners of a tract of land in the County of Rockwall, State of Texas, said tract being described as follows:

BEING a part of Lot 3, Block H, SANGER BROTHERS ADDITION, an Addition to the City of Rockwall, Rockwall County, Texas, according to the Plat thereof recorded in Volume 17, Slide 53, of the Deed Records of Rockwall County, Texas, and being more particularly described as follows:

BEGINNING at a 1/2" iron rod found for corner in the east right-of-way line of Davy Crockett Street, a 50 foot right-of-way, said point being at the northwest corner of Lot 2, Block A, RIOS BUFFINGTON ADDITION, an Addition to the City of Rockwall, Texas, according to the Plat thereof recorded in Cabinet C, Slide 369 of the Plat Records of Rockwall County, Texas;

THENCE N. 00 deg. 46 min. 05 sec. E. along the east right-of-way line of Davy Crockett Street, a distance of 85.89 feet to a 1/2" iron rod found for corner at the southwest corner of a tract of land as described in a Deed to the City of Rockwall, Texas, as recorded in Volume 121, Page 615 of the Real Property Records of Rockwall County, Texas;

THENCE S. 89 deg. 20 min. 14 sec. E. along the south line of said City of Rockwall tract, a distance of 101.73 feet to a 1/2" iron rod found for corner at the southeast corner of same;

THENCE S. 89 deg. 29 min. 00 sec. E. a distance of 99.36 feet to a 1" iron pipe found for corner in the west right-of-way line of Peters Colony Street, a 50 foot right-of-way;

THENCE S. 00 deg. 59 min. 45 sec. W. along said right-of-way line, a distance of 74.98 feet to a 1/2" iron rod found for corner;

THENCE N. 89 deg. 17 min. 30 sec. W. a distance of 107.51 feet to a 1/2" iron rod found for corner;

THENCE S. 01 deg. 20 min. 19 sec. W. a distance of 11.08 feet to a 1/2" iron rod found for corner;

THENCE S. 88 deg. 39 min. 47 sec. W. a distance of 14.02 feet to a 1/2" iron rod found for corner at the northeast corner of said Lot 2, Block A, Rios Buffington Addition;

THENCE N. 89 deg. 06 min. 47 sec. W. along the north line of Lot 2, Block A, a distance of 79.15 feet to the POINT OF BEGINNING and containing 16,076 square feet or 0.37 acres of land.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

STATE OF TEXAS
COUNTY OF ROCKWALL

We the undersigned owner of the land shown on this plat, and designated herein as M & M JOHNSON ADDITION, an Addition to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, water courses, easements and public places thereon shown on the purpose and consideration therein expressed. I further certify that all other parties who have a mortgage or lien interest in the subdivision have been notified and signed this plat.

We understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same.

We also understand the following;

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of th eir respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maint aining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, sto rm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or

Until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer an d/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as p rogress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or

Until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

I further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; I, my successors and assigns hereby waive any claim, damage, or cause of action that we may have as a result of the dedication of exaction's made herein.

MELDRIA JOHNSON

MICHAEL JOHNSON

STATE OF TEXAS
COUNTY OF ROCKWALL

Before me, the undersigned authority, on this day personally appeared MELDRIA JOHNSON known to me to be the person whose name is subscribed to the foregoing instrument, and acknowledged to me that he executed the same for the purpose and consideration therein stated.

Given upon my hand and seal of office this _____day of _____, _____.

Notary Public in and for the State of Texas

My Commission Expires:

NOTE: It shall be the policy of the City of Rockwall to withhold issuing building permits until all streets, water, sewer and storm drainage systems have been accepted by the City. The approval of a plat by the City does not constitute any representa tion, assurance or guarantee that any building within such plat shall be approved, authorized or permit therefore issued, as required under Ordinance 83-54.

CITY OF ROCKWALL, TEXAS

ORDINANCE # 14-11

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS ALTERING THE PRIMA FACIE SPEED LIMITS ESTABLISHED FOR VEHICLES UNDER THE PROVISIONS OF TRANSPORTATION CODE, SECTION 545.356 UPON STATE HIGHWAY 205 GENERALLY FROM DARRIN DRIVE TO FM 552 / DALTON ROAD OR PARTS THEREOF, WITHIN THE CORPORATE CITY LIMITS OF THE CITY OF ROCKWALL, TEXAS, AS SET OUT IN THIS ORDINANCE; PROVIDING A PENALTY OF A FINE NOT TO EXCEED THE SUM OF $200.00 FOR EACH OFFENSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, Section 545.356 of the Texas Transportation Code, provides that whenever the governing body of the City shall determine, upon the basis of an engineering and traffic investigation, that any prima facie speed therein set forth is greater or less than is reasonable or safe under the conditions found to exist at any intersection or other place or upon any part of a street or highway within the City, taking into consideration that width and condition of the pavement and other circumstances such portion of said street or highway, as well as the traffic thereon, said governing body may determine and declare a reasonable and safe prima facie speed limit thereat or thereon by the passage of an ordinance, which shall be effective when appropriate signs giving notice thereof are erected at such intersection or other place or part of the street or highway;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS THAT:

SECTION 1. Upon the basis of an engineering and traffic investigation heretofore made as a authorized by the provisions of Transportation Code, Section 545.356, the following prima facie speed limits hereafter indicated for vehicles on the attached Exhibit “A” (strip map) are herby determined and declared to be reasonable and safe; and such speed limits are hereby fixed at the rate of speed indicated for vehicles traveling upon the named streets and highways, or parts thereof, described as follows:

SECTION 2. From and after the date of the passage of this speed zone ordinance, no motor vehicle shall be operated along and upon State Highway No. 205 within the corporate limits of the City of Rockwall in excess of speeds now set forth in Exhibit “A”.

SECTION 3. The Mayor of Rockwall is hereby authorized to cause to be erected, appropriated signs indicating such speed zones.

SECTION 4. Any person violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction thereof shall be fined in any sum not to exceed Two Hundred Dollars ($200.00) for each offense.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS ON THIS THE 3RD DAY OF MARCH, 2014.

CITY OF ROCKWALL, TEXAS

ORDINANCE NO. 14-09

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS AMENDING THE CODE OF ORDINANCES IN CHAPTER 32 *SIGNS*, ARTICLE I, *IN GENERAL* AND ARTICLE IV *PROHIBITED SIGNS; SECTIONS 32-1 AND 32-332;* INCORPORATING RECITALS; PROVIDING FOR SEVERABILITY; AND ADOPTING AN EFFECTIVE DATE.

WHEREAS, the regulation of human display provision of the City Sign Ordinance has been determined by the City Council to be overbroad and in need of revisions; and

WHEREAS, the City Council has determined that the amendment to the sign ordinance made herein is in the best interest of the citizens of the City of Rockwall.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS THAT:

SECTION 1. ***Amendments.*** Chapter 32 *Signs*, Article I, In General Section 32-1 "Definitions" and Article IV *Prohibited Signs;* Section 32-332, "Certain content or displays unlawful" is hereby amended to read as follows:

Sec. 32-1 Definitions

The following definition is hereby deleted from Section 32-1:

"~~Sign, human, means a sign held by or attached to a human being who stands or walks on the ground, at a business location. A human sign includes a person dressed in costume, for the purposes of advertising or otherwise drawing attention to an individual, business, commodity, service, activity, or product. (On-premises~~)"

Sec. 32-332. Certain content or displays unlawful

The following provision is hereby deleted from Section 32-332:

The following sign content or signs are prohibited:

~~(17) Human signs.~~

(17~~8~~) Any sign not referenced in, not governed by, not allowed or not defined by this chapter. Also, any sign that does not comply with this or other applicable municipal ordinances, or which does not comply with federal or state laws.

SECTION 2. ***Findings.*** The City Council finds all of the above recitals to be true and correct and incorporates the same in this Ordinance as findings of fact.

SECTION 3. ***Severability.*** If any section, subsection, sentence, clause, or phrase of this Ordinance is for any reason held to be unconstitutional or illegal, such decision shall not affect the validity of the remaining sections of this Ordinance. The City Council hereby declares that it would have passed this Ordinance, and each section, subsection, clause, or phrase thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses, or phrases be declared void.

SECTION4. ***Savings Clause.*** All ordinances or parts of ordinances, in conflict herewith are to the extent of such conflict hereby repealed. The balance of such ordinance is hereby saved from repeal.

SECTION 5. ***Effective Date.*** The Ordinance shall be effective immediately following its second reading and publication in accordance with the City Charter.

CITY OF ROCKWALL

ORDINANCE NO. 14-10

SPECIFIC USE PERMIT NO. S-119

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT ALLOWING FOR A DETACHED GARAGE WITH GUEST QUARTERS/SECONDARY LIVING UNIT, EXCEEDING THE MAXIMUM PERMISSIBLE HEIGHT OF 15-FT. FOR AN ACCESSORY STRUCTURE, ON A 0.40-ACRE PARCEL OF LAND IDENTIFIED AS LOT A, BLOCK 117, B.F. BOYDSTUN ADDITION, LOCATED AT 109 ST. MARY'S STREET, AND FURTHER DESCRIBED IN EXHIBIT "A" ATTACHED HERETO, AND ZONED (SF-7) SINGLE-FAMILY RESIDENTIAL DISTRICT; CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a request has been made by Charlie Rickerson for a Specific Use Permit (SUP) within the (SF-7) Single-Family Residential district allowing for a "detached garage with guest quarters/secondary living unit" exceeding the maximum permissible height 15-ft. for an accessory structure, on a parcel of land located at 109 St. Mary's Street, being Lot A, Block 117, B.F. Boydstun Addition, as further described in Exhibit "A", City of Rockwall, Rockwall County, Texas, which herein after shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the Unified Development Code of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit (SUP) to allow for a "detached garage with guest quarters/secondary living unit" exceeding the maximum permissible height of 15-ft. for an accessory structure within the (SF-7) Single Family Residential District as stipulated by the Unified Development Code [Ordinance no. 04-38] on the *Subject Property*; and

Section 2. That the *Subject Property* shall be used only in the manner and for the purposes described in this Specific Use Permit (SUP) and as set forth in the Unified Development Code [Ordinance No. 04-38] as heretofore amended, and as may be amended in the future, and shall be subject to the additional conditions and compliance standards;

2.1 Operational Conditions

The following conditions pertain to the operation of a "detached garage with guest quarters/secondary living unit" on the *Subject Property*, and conformance to these operational conditions is required for continued operations;

1. The applicant will be required to obtain a building permit from the Building Inspections Department prior to the commencement of any work on the subject property;
2. The detached garage / accessory structure shall comply with the approved site plan (Exhibit "A") and building elevations contained in the Certificate of Appropriateness (COA) as approved by the Historic Preservation Advisory Board on January 16, 2014;
3. The detached garage / accessory structure shall not exceed an overall height of 32 feet;
4. The area of the detached garage shall not exceed 900 sq. ft.;
5. The second floor "guest quarters/secondary living unit" area shall not exceed 30% of the area of the main structure (i.e.821.4 sq. ft.);
6. The "guest quarters/secondary living unit" shall be ancillary to the primary use and only one such unit shall be provided;
7. The detached garage/accessory structure may not be sold or conveyed separately without meeting the requirements of the zoning district and the Subdivision Ordinance;
8. The accessory structure is subject to administrative review in the event that the subject property is sold, conveyed to another party, subdivided or re-platted;
9. The City Council reserves the right to review the SUP granted herein upon the expiration of one (1) year from the date hereof;
10. Any construction, building or demolition necessary to complete this request must conform to the requirements set forth by the Unified Development Code, International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

Section 3. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

Section 4. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of TWO THOUSAND DOLLARS ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 5. If any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of

the Unified Development Code of the City of Rockwall, Texas, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable.

Section 6. That all ordinances of the City of Rockwall in conflict with the provisions of this be and the same are hereby repealed, and all other ordinances of the City of Rockwall not in conflict with the provisions of this ordinance shall remain in full force and effect.

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 3rd day of February, 2014.

David Sweet, *Mayor*

MEMORANDUM

TO: **Rick Crowley – City Manager**

FROM: **Brad Griggs – Assistant City Manager**

DATE: **February 26, 2014**

SUBJECT: **Coach's Eligibility Policy**

During the adoption of the revised Coach's Eligibility Policy that was adopted by the Council a few meetings ago, there was a potential conflict in the date that was to be used when determining time an applicant must be without additional incident. The policy, as currently written, states that "potential coaches or officials that may have been convicted or received deferred adjudication community supervision for certain crimes may apply if certain time periods have expired. These time periods run from the date of conviction or the date that the person was discharged from deferred adjudication community supervision".

During a recent appeal, Police Chief Moeller noted that the date of conviction and the date of the discharge from deferred adjudication may be multiple years apart from each other. Upon receiving this information, staff recommends that the policy be amended to start the waiting period from the "date of conviction or when the applicant was placed on deferred adjudication, whichever is the later". Copies of the adopted policy and the amended policy for consideration are attached for your review.

The City of Rockwall	**Parks, Recreation, and Streets Policies & Administrative Directives**		
	Policy Number **1**	Page # 1 of 2	Origination Date: 2/20/2006 Revision Date: 12/31/2013 Adopted by Council: 1/6/2014
	Subject: **Eligibility Criteria for Youth Sports Programs as a Coach**		_____ Date:_____ Dept Signature

The eligibility of a coach or an official in the City of Rockwall Baseball & Softball League (RBSL) is based on the results of a criminal history background check. A firm selected by the City will conduct the search and report the data back to the City. A coach or other official that is determined by city staff to be ineligible, shall not be allowed on the field of play during practices or games. A potential applicant may appeal the staff decision to a five member panel for final determination. The appeal panel would listen to an applicant's appeal of ineligibility taking into account the type and severity of the offense reported in the background check and all mitigating factors provided by the applicant. **The make-up of this appeal panel is to be the City of Rockwall Chief of Police or his designated representative, the City of Rockwall Municipal Judge, and a three member subcommittee of the Park Board which shall be appointed by the Park Board Chairman**. The ruling by appointed panel shall be final. The Municipal Judge shall not be a voting member, but act in an advisory capacity only. In the event of a tie vote of two appeal board members in favor and two against, the appeal shall be considered denied and the coach will be deemed ineligible.

A person shall not be eligible to serve as a coach or official if they have been convicted of or received deferred adjudication community supervision for a crime involving moral turpitude. A person is considered to have been placed on deferred adjudication community supervision if, regardless of the statutory authorization:

(1) the person entered a plea of guilty or nolo contendere;

(2) the judge deferred further proceedings without entering an adjudication of guilt and placed the person under the supervision of the court or an officer under the supervision of the court; and

(3) at the end of the period of supervision the judge dismissed the proceedings and discharged the person.

Moral turpitude is a legal term and has a recognized meaning to include:

- Dishonesty, fraud, deceit, misrepresentation or deliberate violence
- Matters of personal morality
- Conduct committed knowingly and contrary to justice, honesty, principle or good morals
- Baseness, vileness or depravity
- Conduct immoral in itself, regardless of whether it is punishable by law
- Immoral conduct that is willful, flagrant or shameless and shows a moral indifference to the opinion of the good and respectable members of the community

Under Texas Law the following crimes have been recognized as crimes of moral turpitude and shall affect the eligibility to serve as a coach or official:

- **Sexual assault of a child**

- **Lying to a police officer**
- **Mail fraud**
- **Tax evasion**
- **Prostitution**
- **Purchase of a child**
- **Indecent exposure**
- **Failure to stop & render aid**
- **Theft**
- **Aggravated assault**
- **Assault by a male on a female**
- **Communicating a false alarm**
- **Murder and indecent exposure**
- **Swindling**
- **Bank fraud**
- **Theft, shoplifting**

The safety and protection of the participants in this league are paramount to the interests of coaches or officials. As such, some offenses that may not be crimes of moral turpitude are nonetheless determinative as to eligibility to participate as a coach or official in this league. Potential coaches or officials that may have been convicted or received deferred adjudication community supervision for certain crimes may apply if certain time periods have expired. These time periods run from the date of conviction or the date that the person was discharged from deferred adjudication community supervision. The following waiting periods will be used in determining applicant's eligibility.

- Driving Under the Influence/Driving While Intoxicated/misdemeanor — 3 years
- Misdemeanor Crimes of Moral Turpitude — 7 years
- Felony Offenses not involving assaults or domestic violence — 10 years

Potential coaches or officials that may have been convicted or received deferred adjudication community supervision for certain crimes may be totally excluded if the offense was of a sexual nature, a felony assault or felony domestic violence. Potential coaches or officials that may have been convicted or received deferred adjudication community supervision for these offenses can only participate if the appeal panel grants their appeal of ineligibility.

City of Rockwall
The New Horizon

MEMORANDUM

TO: Rick Crowley, City Manager

FROM: Timothy M. Tumulty, Director of Public Works/City Engineer

DATE: February 28, 2014

SUBJECT: Roadway Variance Request

The engineering design for Justin Road from Industrial Boulevard to John King Boulevard is nearing completion. As a requirement of acquiring right-of-way for John King Boulevard in the area of Justin Road, the City is required to provide a driveway and a median opening on Justin Road for the Temunovic property located at the southwest corner of the John King Boulevard/Justin Road intersection (see the attached drawing marked Exhibit A). The Rockwall Economic Development Corporation (REDC) has been working with the Channell Company to develop the property on the north side of the Justin Road extension. They have requested a driveway and median opening approximately 135 feet west of the proposed Temunovic property median opening.

The City of Rockwall Standard of Design and construction requires that a median opening be no more than 60 feet in width and spacing between median openings can not be closer than 220 feet.

The staff has received a variance request from REDC's engineer proposing a median opening width of 135 feet to allow these two developments two way access on Justin Road from their properties. Staff has analyzed this request and supports the variance request.

Staff would request consideration of the City Council to approve a variance for the REDC to allow a 135 foot median opening on Justin Road to allow access for both proposed developments.

RE: W&A#13096: JUSTIN ROAD - REQUEST FOR VARIANCE – MEDIAN OPENING WIDTH

Dear Mr. Tumulty,

Wier & Associates, Inc. is in the design phase of the Justin Road Extension from Industrial Blvd to John King Blvd. The project is facilitated by the Rockwall Economic Development Corporation. There is a location of a median break associated with an upcoming REDC prospect and a landowner, Temunovic. The location of the median break and associated drive opening for the Temunovic Tract is determined by a condemnation decision acquired during the construction of John King Boulevard.

The City of Rockwall's "Standards of Design and Construction" requires that a median break be no more than 60' nose-nose.

Our client, the REDC is requesting a variance to this width, proposing an approximate 135' width to accommodate the following:

1. The prospect drive on the North side of Justin Road requires a driveway at the proposed location, which creates an offset with the Temunovic property.
2. Both parties require access to a median break. The Temunovic landowner is promised a break at the location shown
3. The design will incorporate colored concrete to create a visual division as a "laydown median".

Please contact me at 817-467-7700 or ronr@wierassociates.com if you have any questions regarding this request.

Very truly yours,

Ron Ramirez, P.E., Vice President

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Mayor and City Council**

FROM: **Rick Crowley, City Manager**

DATE: **February 28, 2014**

SUBJECT: **Domestic Violence Investigator/Prevention Officer Grant Application Resolution**

The Rockwall Police Department is requesting City Council approval of a Resolution authorizing the submission of a grant application through the Criminal Justice Division of the Governor's office.

The Resolution authorizes the submission of the grant application and designates me as the City's authorized official for the grant program. The Department will be preparing the grant application. The Council may recall that one of the budget items which the City was unable to fund in the budget for this fiscal year was the (police officer) position of Domestic Violence Investigator/Prevention Officer. While the need for the position can be well documented, it was one of several positions that was deferred for later consideration.

District Attorney Kenda Culpepper and her office have been very helpful in both identifying the grant program as a potential source of funding for the position and will be assisting the Department by providing data supporting the need for the position as well as providing a letter of support for the application. If approved, the city's contribution would be to fund benefits and equipment, computers, vehicle, and radios which are currently available. Training would also be provided by the city. While some of the local contributions are non-cash the total cash paid by the city would be about $24,300. If approved by the state the grant would begin in September 2014. Only one month of the grant would be in this fiscal year.

The resolution is attached for your review and the staff will be available at the meeting to answer any questions that you may have. Approval of the Resolution is requested. After discussion with City Attorney, Frank Garza, in order to meet the submission deadline, I have authorized the submission of the application. Should the Council not approve the resolution, the application will be immediately withdrawn.

CITY OF ROCKWALL, TEXAS

RESOLUTION NO. 14-04

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, APPLYING FOR AND ACCEPTING GRANT FUNDING FROM THE VIOLENT CRIMES AGAINST WOMEN (VCAW) GRANT PROGRAM THROUGH THE CRIMINAL JUSTICE DIVISION OF THE GOVERNORS OFFICE FOR THE CREATION OF A DOMESTIC VIOLENCE INVESTIGATOR / PREVENTION OFFICER; ESTABLISHING THE DUTIES AND RESPONSIBILITIES OF SAID GRANT REQUIREMENTS; DESIGNATING THE CITY MANAGER AS THE AUTHORIZED OFFICIAL FOR THE GRANT APPLICATION; PROVIDING AN EFFECTIVE DATE.

WHEREAS, the City of Rockwall finds it in the best interest of the citizens of Rockwall, Texas, that funding for the creation of a Domestic Violence Investigator/Prevention Officer be requested through the VCAW Program and that activities of said Investigator begin in the year 2014; and

WHEREAS, the City of Rockwall understands that matching funds are required for the said project through the VCAW grant application; and

WHEREAS, the City of Rockwall agrees that in the event of loss or misuse of the Criminal Justice Division funds, the City of Rockwall will return the funds in full to the Criminal Justice Division (CJD).

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the City of Rockwall hereby designates Rick Crowley, City Manager, as the grantee's authorized official and empowers him to apply for, accept, reject, alter or terminate the grant on behalf of the City of Rockwall;

Section 2. That the City of Rockwall approves submission of a grant application for the creation of a Domestic Violence Investigator / Prevention Officer to the Office of the Governor, Criminal Justice Division; and

Section 3. That this Resolution shall be effective immediately after passage and approval, and it is so resolved.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 3rd day of March, 2014.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: **Brad Griggs, Assistant City Manager**

FROM: **Andy Hesser, Parks and Recreation Manager**

DATE: **February 25, 2014**

SUBJECT: **APPOINTMENT WITH MARK SPENCER TO PRESENT PROPOSED PHELPS LAKE IMPROVEMENTS**

The FY 2014 approved budget includes $75,000 for improvements to Phelps Lake. The funding source is from Pro-rata Equipment Fees paid by residential developers into the Park District #9 escrow account, in accordance with the Mandatory Park Land Dedication Ordinance.

At the December 3rd meeting, Park Board heard public input and discussed proposed improvements for the Phelps Lake area. An invitation to the Park Board meeting was also sent to the Caruth Lakes HOA for distribution to its residents due to its proximity to the park. Two residents from the Caruth Lakes Subdivision were present and spoke at the meeting, voicing their support for the proposed amenities to Phelps Lake.

Mark Spencer of MHS Planning and Design was hired to provide construction drawings for the Phelps Lake project. At the February meeting Mr. Spencer presented a plan based on feedback from Park Board and public input from the December Park Board meeting.

At the February 4th meeting, Park Board voted unanimously to recommend approval of the plan to City Council with the following improvements:

- Fishing pier
- Kayak launch
- Loop connection to the existing trail
- Park benches and trash receptacles
- Stone park entrance sign

Mr. Spencer will be prepared to present the Phelps Lake improvements. Included in your packet is a copy of the site plan.

MEMORANDUM

TO: **Brad Griggs, Assistant City Manager**

FROM: **Jeffrey Widmer, Building Official**

DATE: **2/27/14**

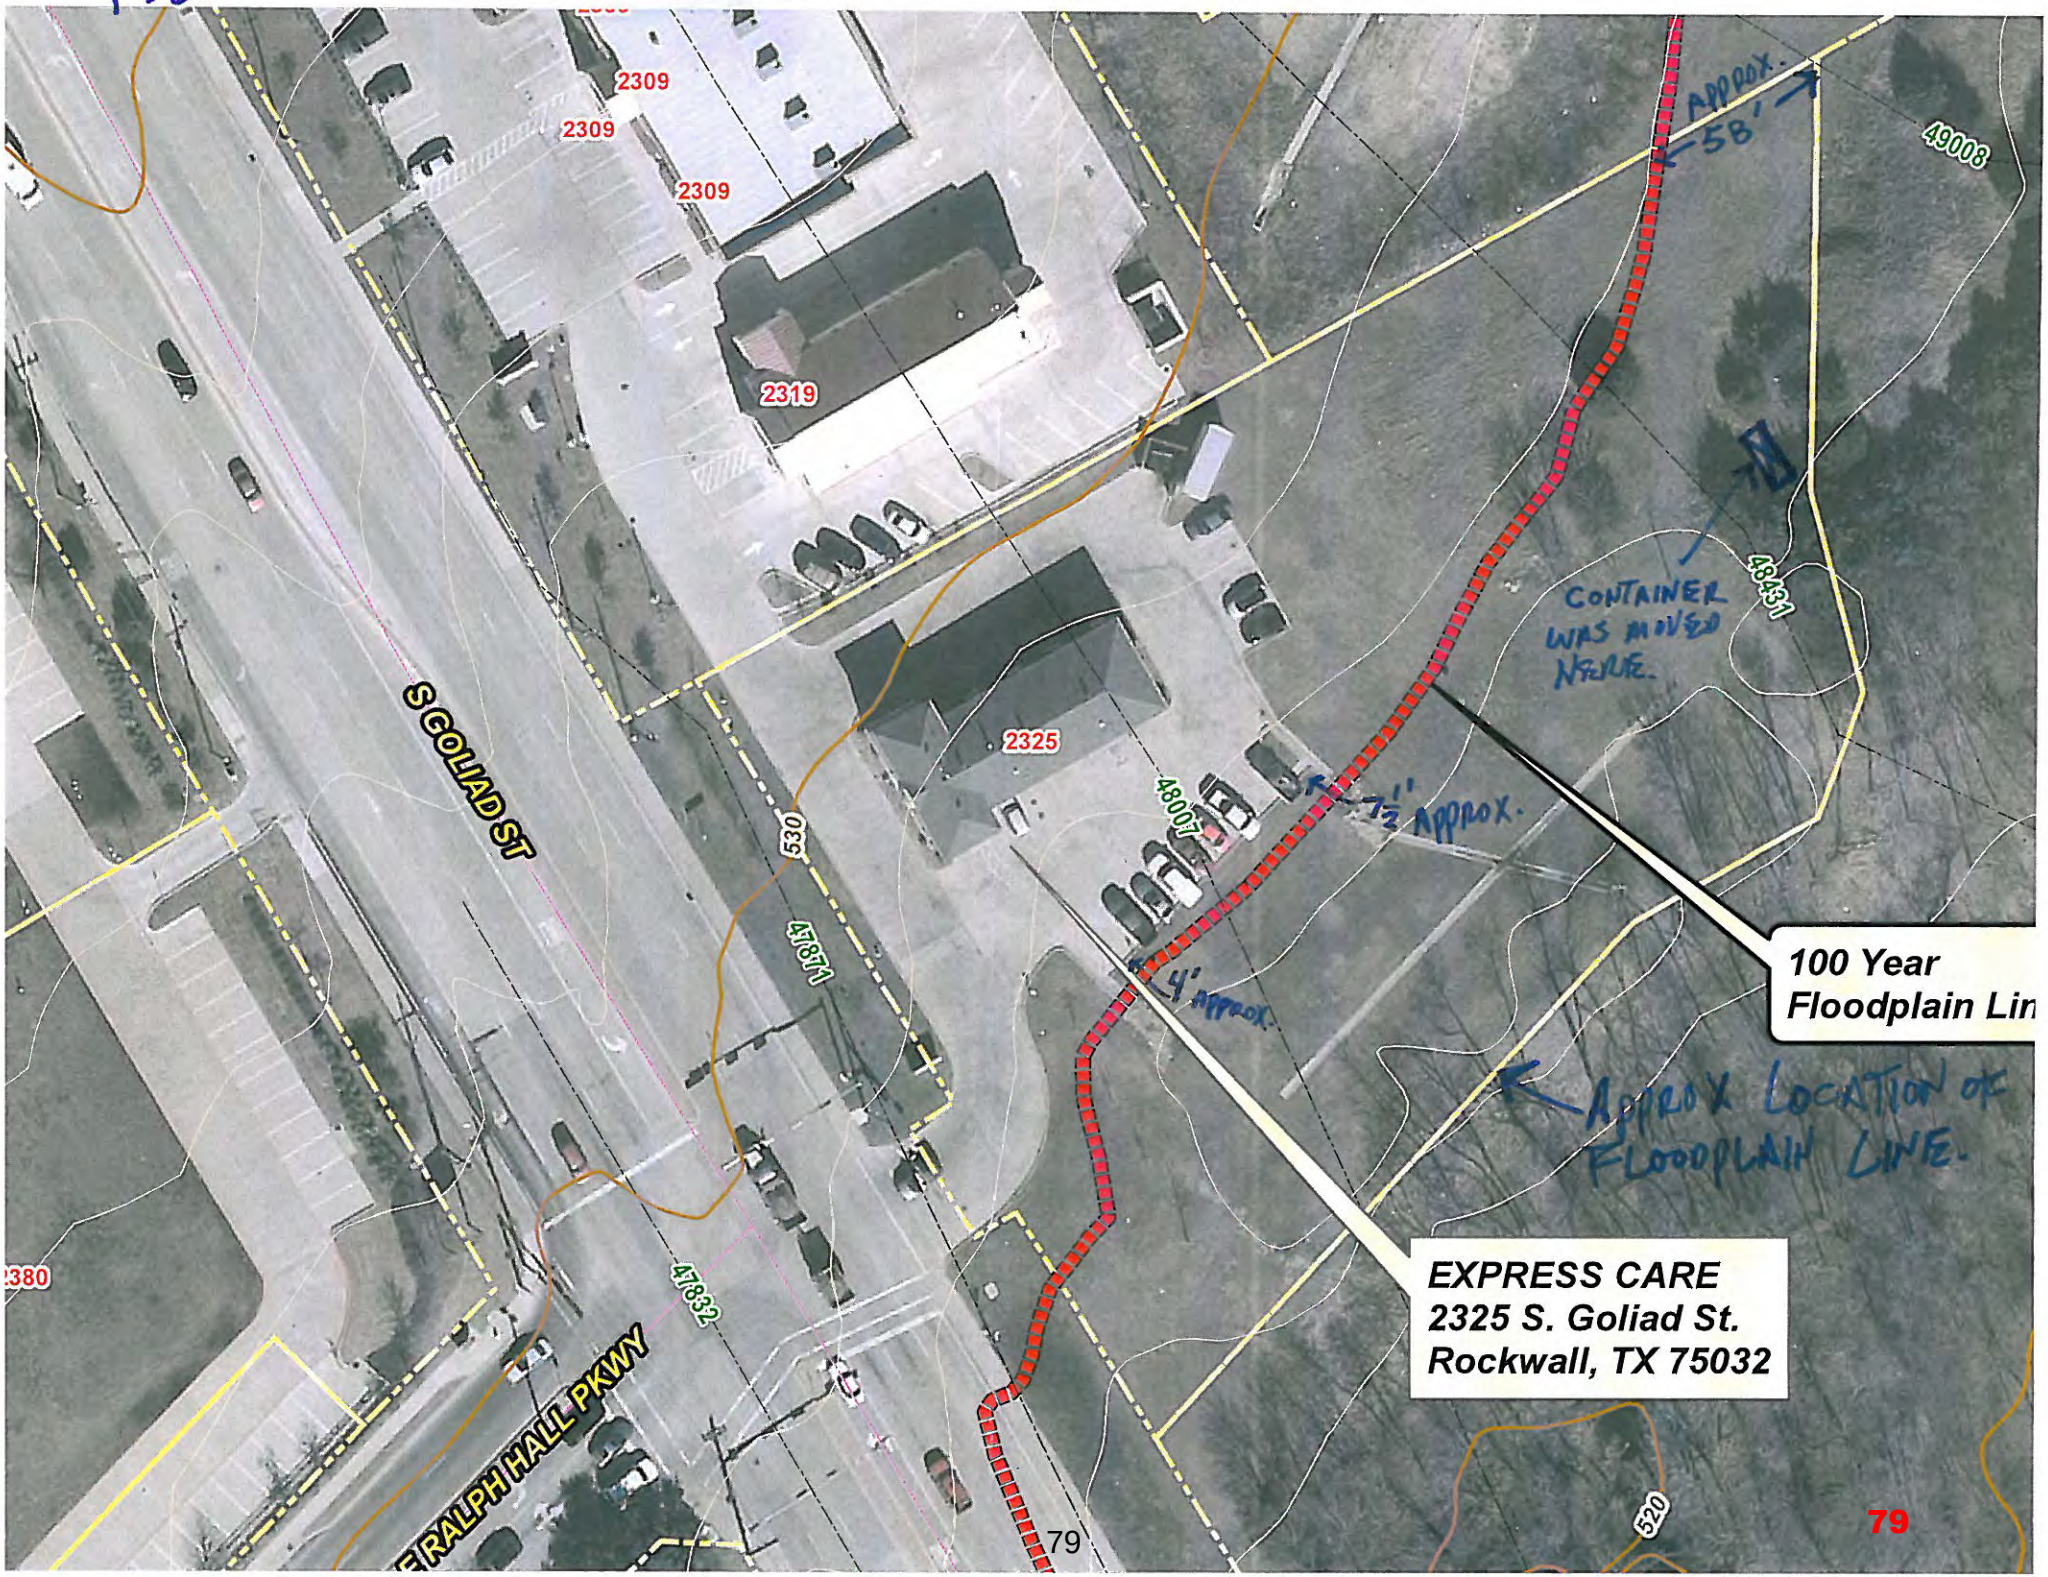
SUBJECT: **Marlyn Roberts illegal outside storage container case**

N.I.S. issued a notice to Marlyn on 2/5 giving him until 8:00am on 2/15 to abate the zoning violation he had on his property, with the existing storage container that was not approved by Council.

Marlyn called me on 2/12 late afternoon. He complained that he did not like it, but that he was going to move the container. During that conversation, I reiterated to him, that if he did not bring his property into compliance by 8:00am on the 15th, we would be coming out to issue him a citation for that zoning violation.

I asked Marlyn where he was going to move the storage container to, and he told me he planned to move it back into the trees, at the rear of his lot. I told Marlyn that there are two issues with that. The first issue is regarding the floodplain and whether he had a suitable location that was not in the floodplain, to place the container in. The second issue is the fact that in order for him to be able to keep the container on his property, he would need to go back to Council and ask for their approval. I told Marlyn that I would go to Tim Timulty and find out where the floodplain line is and if the location he was looking at for the container was in or out of the floodplain. If it was not in the floodplain, then I would go to Robert LaCroix and ask about Marlyn going back to Council with his request to possibly relocate and keep the container on his property. I told Marlyn that I did not recommend him moving the container prior to me calling him back with the info, because if he placed it in the floodplain he would have to move it again. I stated that I was pretty sure he would not want to pay the wrecker service to move it a second time.

Tim provided me with the floodplain location. The location Marlyn was interested in, is indeed within the floodplain. I called Marlyn first thing in the morning on 2/13 and left a message with one of his employees, asking him to return my call. I never heard back from him that day. I called him again in early am on 2/14 and spoke to his wife, informing her that I told Marlyn I would get some info for him and asked her to have him return my call. Having not heard from Marlyn, I called him once again on 2/14 about 2pm and spoke to his wife again. She stated that he was very busy with the business and was tied up. I did not receive a return call from Marlyn.



Approximately 9am on 2/15, Cliff Griffin arrived at Marlyn's place of business to determine if Marlyn had brought his property into compliance. Cliff noticed that Marlyn had relocated the

storage container to the rear of his property and inside a group of trees. Cliff said that Marlyn noticed his car and came directly over to it. Cliff said he started to open his car door and that Marlyn placed his hands on the door and physically shut it. Cliff said that Marlyn told him to get the hell off of his property. Cliff attempted to inform Marlyn that he was there to issue him a citation and that Marlyn stated that he had done exactly what I had told him to do. Cliff was well aware of my conversation with Marlyn and told him that I had asked him not to move the container until I could obtain the info he and I spoke about and called him back to inform him. Marlyn once again told Cliff to get off of his property. Cliff left the property and called me. After a brief discussion, the decision was made to mail the citation to Marlyn. The citation was mailed on 2/18 and delivery was rejected by Mr. Roberts. We then proceeded to work with Municipal Court and they sent an Officer to Mr. Roberts place of business on 2/24 and a summons to appear in court was served.

Following Mr. Crowley's request that I contact Frank Garza to seek his counsel about Marlyn's argument pertaining to the fact that his site plan, which was drawn and submitted to the City by his Engineer when he developed his business does not show the floodplain in the same location as our current floodplain study plan does, I contacted Mr. Garza. We discussed the fact that Marlyn may argue that his site plan was approved by the City and now we are telling him that we are using the more recent floodplain study data to determine the location of the floodplain line. The reality is his Engineer did not perform a floodplain study to determine the location of the floodplain line, and simply noted on his site plan "approximate line of 100 year floodplain". Frank stated that he is not concerned with those facts for two reasons. First, the site plan drawn by Marlyn's Engineer was showing the floodplain line in an approximate location and would require further study to determine the exact location of that line. Secondly, the notice we issued to Marlyn, informed him that we consider the container a zoning violation and the notice had nothing to do with the location of the floodplain line, but the fact that he was not successful in obtaining Councils approval to keep the container on his property. We asked him to abate that zoning violation and because he failed to comply by the notice deadline, we proceeded with issuing the citation and ultimately the court summons.

I have attached a pdf which shows the floodplain study's location of the floodplain line in red. Marlyn's Engineer called out the approximate line location in yellow, which I have marked on the plan. In addition, I have marked the current location of the container.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 2/17/2014

APPLICANT: Engineering Concepts & Design

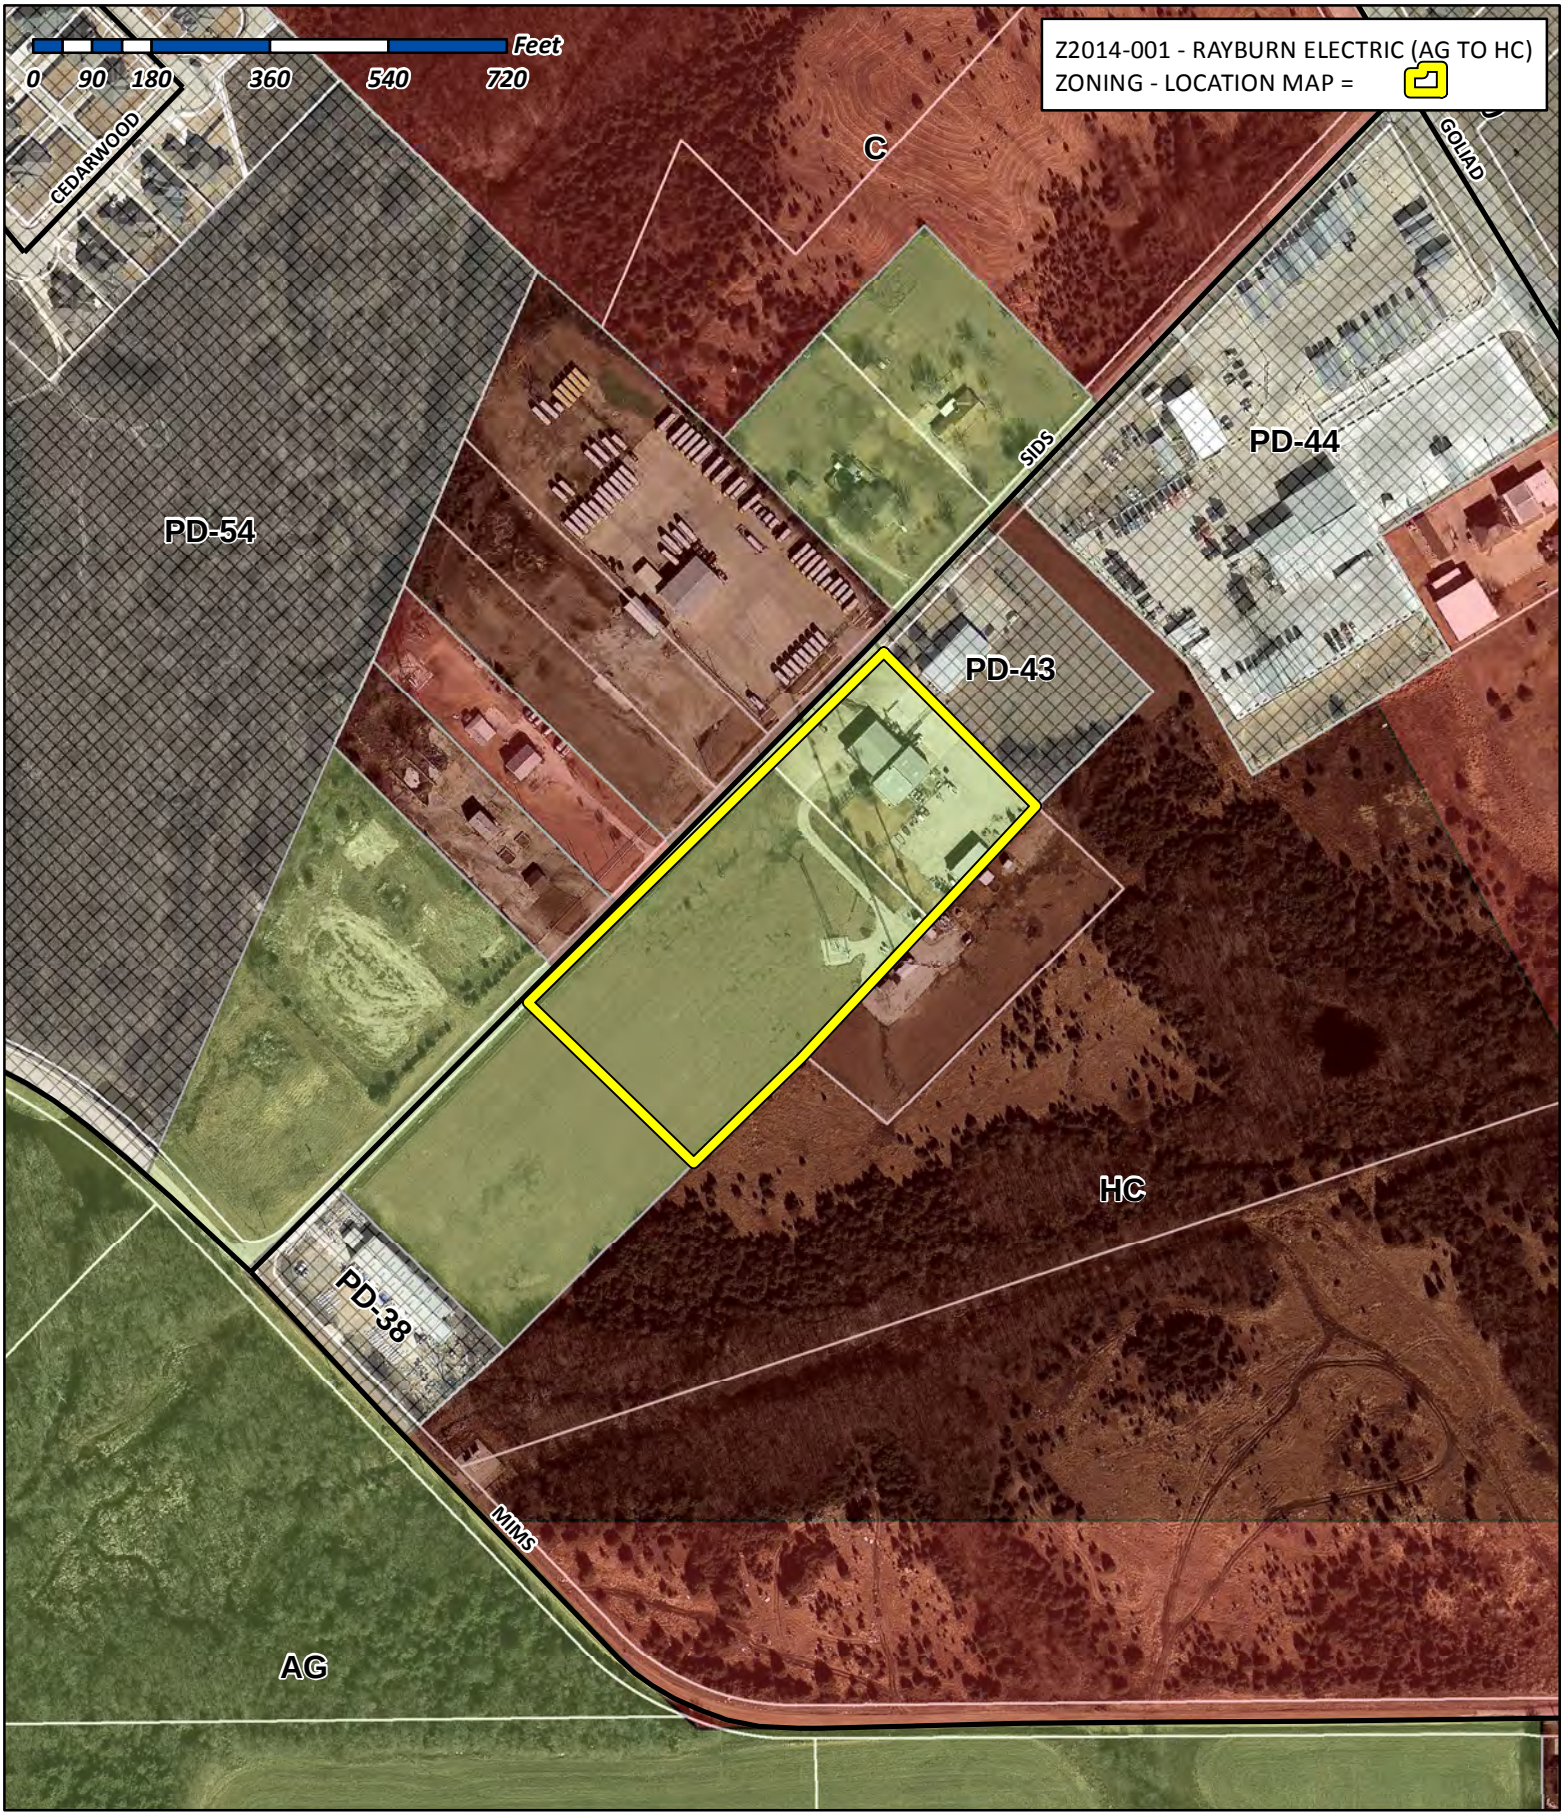
AGENDA ITEM: **Z2014-001;** Rayburn Electric Zoning (AG to HC)

SUMMARY:

Hold a public hearing to discuss and consider a request by Tommy Pulliam on behalf of Rayburn Electric Cooperation, Inc. for the approval of a zoning change from Agricultural (Ag) District to a Heavy Commercial (HC) District for a 6.057-acre tract land identified as a portion of Tract 3-06 of the W. H. Barnes Survey, Abstract No. 26, Rockwall, Rockwall County, Texas, zoned Agricultural (Ag) District, located on the south side of Sids Road west of S. Goliad Street (SH-205), and take any action necessary.

BACKGROUND INFORMATION:

The applicant has requested to rezone approximately 6.57-acres on the south side of Sids Road from Agricultural (AG) District to Heavy Commercial (HC) District. The site features an existing office/warehouse building for Rayburn Electric which is considered a legal, non-conforming use. The owner intends to construct a new office building for Rayburn Electric on the property. Rezoning will bring the property into conformance as well as create consistency in zoning with surrounding properties.



The majority of properties to the north are zoned Heavy Commercial. The properties to the south are zoned Heavy Commercial. The property to the west is zoned PD-38 with an underlying zoning of Heavy Commercial and the property to the east is zoned PD-43 with an underlying zoning of Commercial. Additionally, a portion of the Rayburn Electric Lot 1 is zoned Heavy Commercial.

NOTIFICATION:

A notice was published in the Rockwall County News on January 30, 2014. Staff mailed nine (9) notices to property owners within 200 feet of the subject property. Additionally, staff posted signage along street frontage adjacent to the subject property, as required by the UDC. At the time this case memo, staff has not received any responses.

PLANNING & ZONING COMMISSION:

On February 11, 2014, the Planning & Zoning Commission recommended approval of the applicant's request by a vote of 6-0, with Commissioner Minth absent.

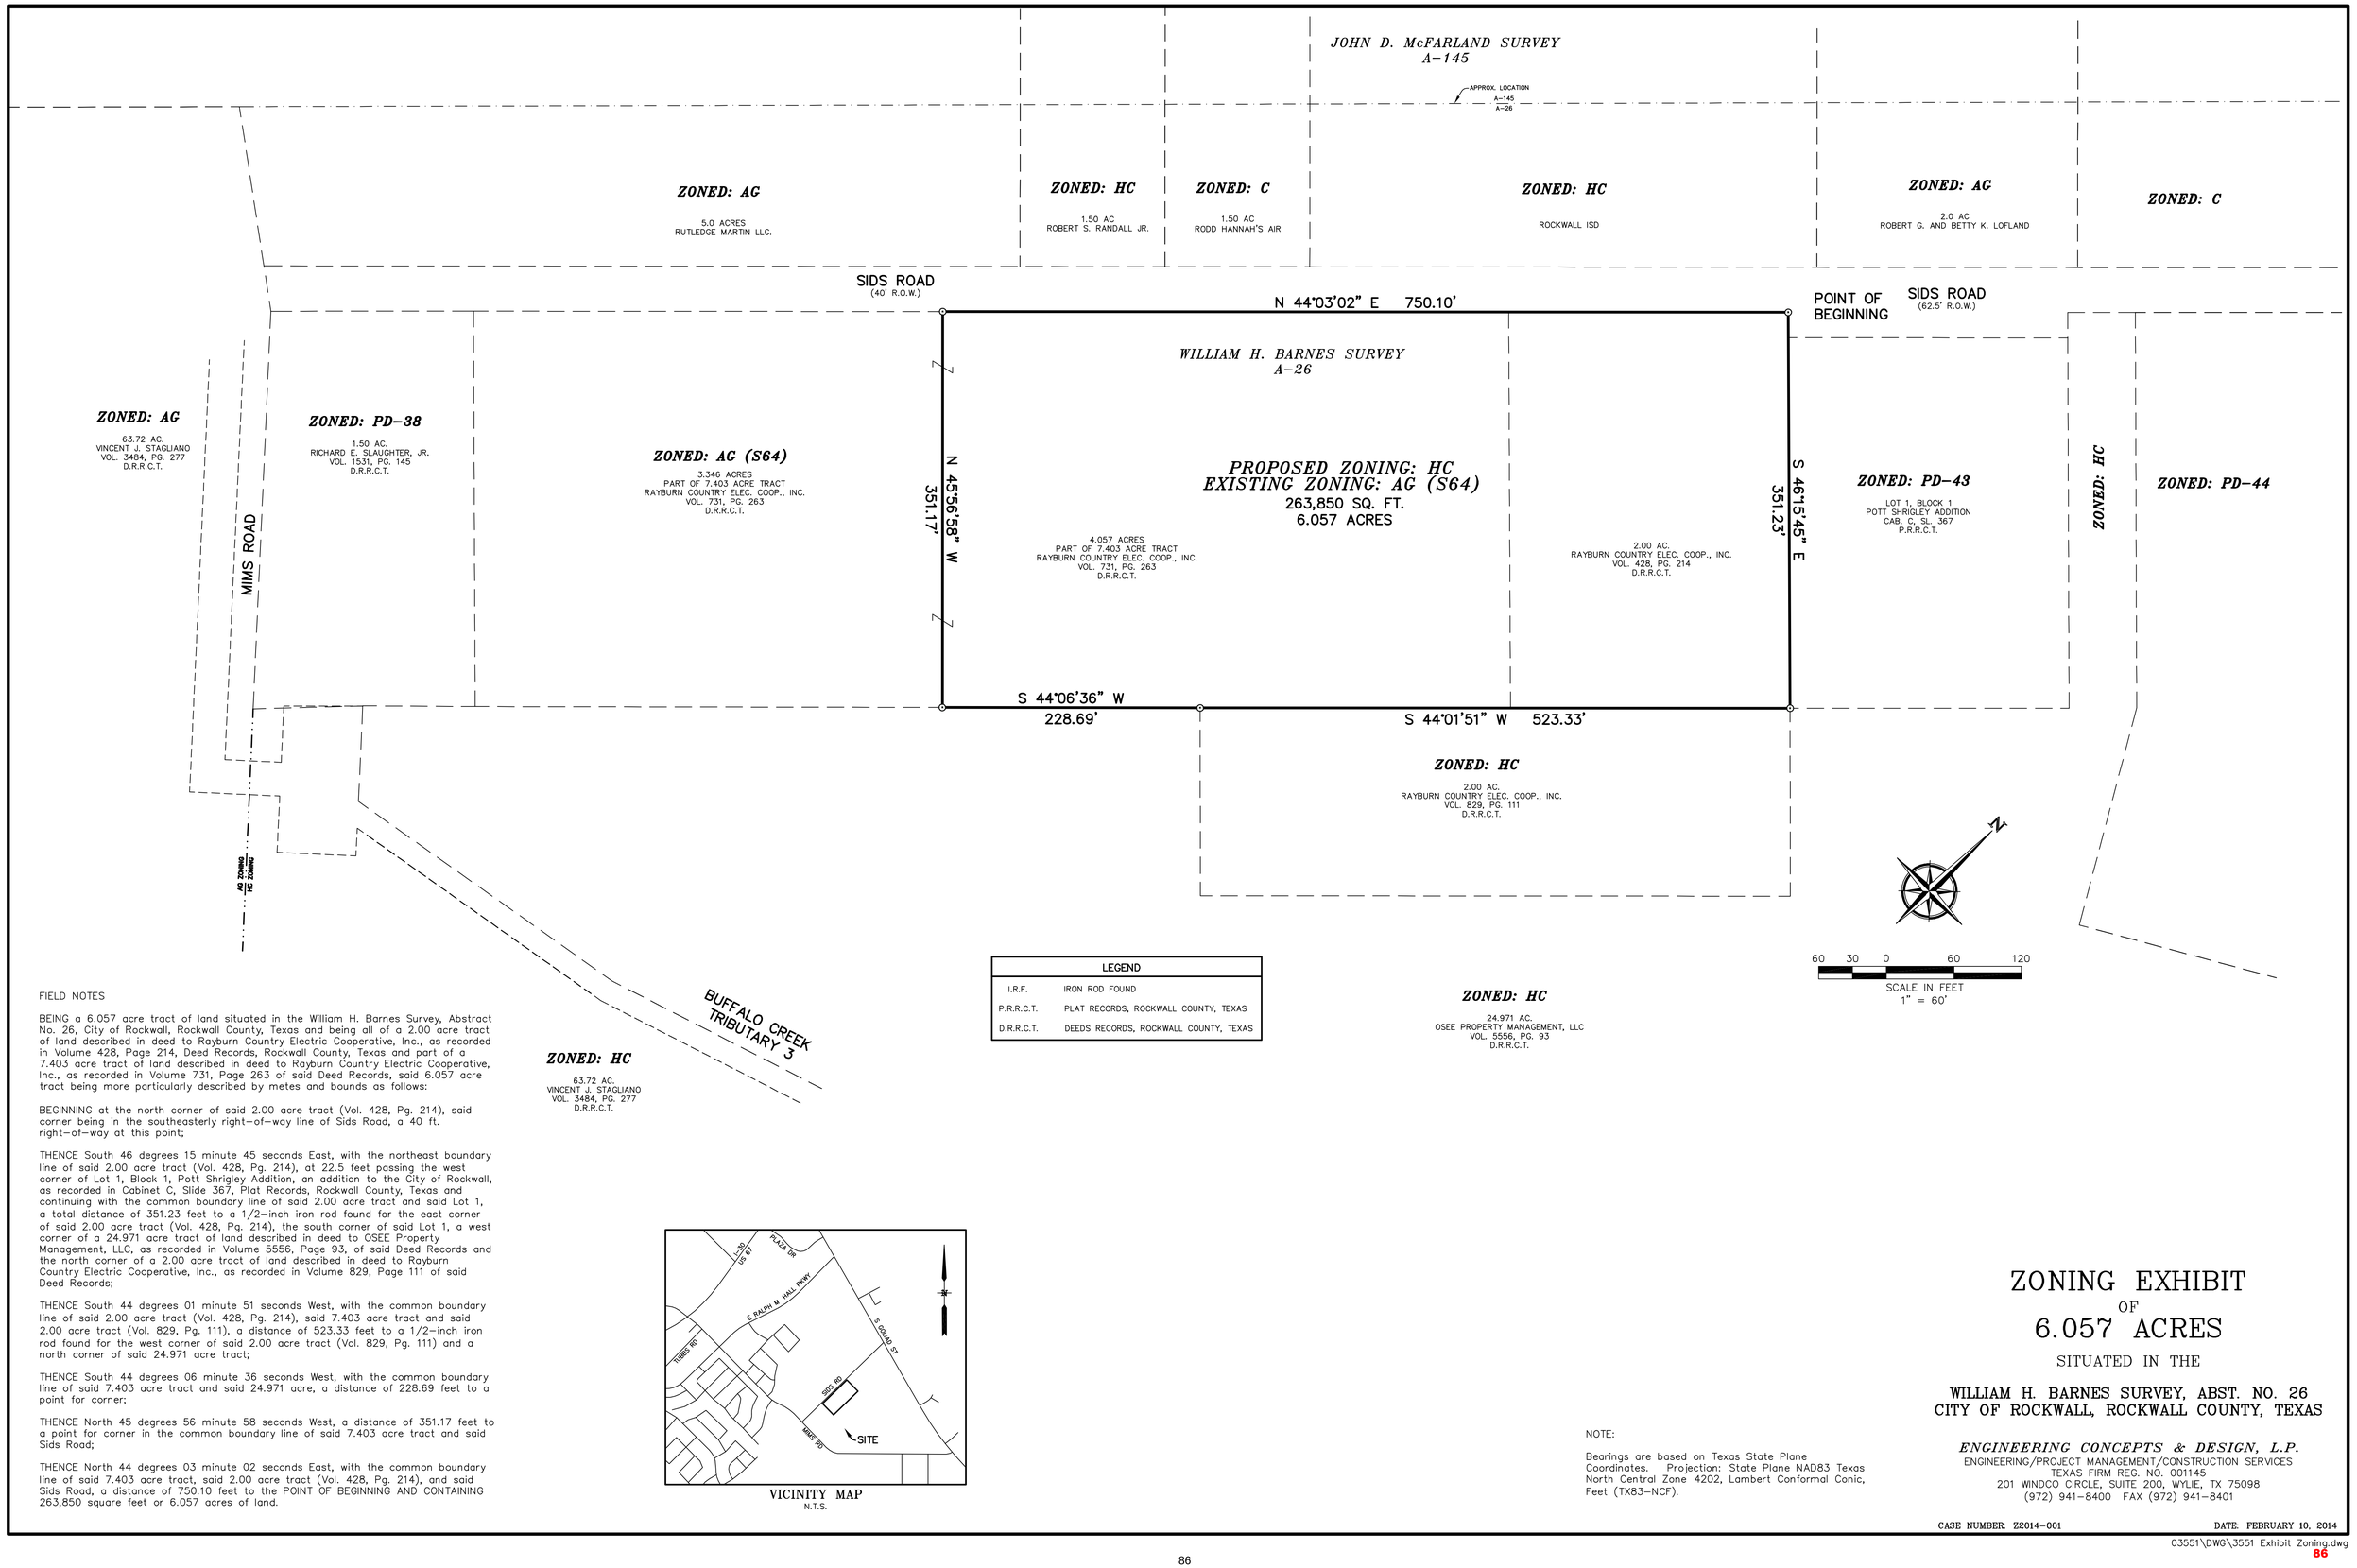
Mrs. JoDee Sanford
Planning Technician
City of Rockwall, TX

Re: Letter of Intent for Rezoning of 6.057 acres along Sids Rd.
Rayburn Country Electric, Rockwall, TX

Dear Mrs. Sanford

We are requesting to rezone the above mentioned property in order to construct a 15,000 sf office building on the property. This rezoning from AG to HC includes the existing building and structures on Lot 1. All documentation including the application, fee, exhibits and legal description have been submitted for your review.



Please do not hesitate to call if you have any questions or comments.

Sincerely,

Todd D. Wintters, P.E.

CITY OF ROCKWALL

ORDINANCE NO. 14-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [ORDINANCE NO. 04-38] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED SO AS TO FURTHER AMEND THE ZONING MAP TO ADOPT A CHANGE IN ZONING FROM AN AGRICULTURAL (AG) DISTRICT TO A HEAVY COMMERCIAL (HC) DISTRICT FOR A 6.057-ACRE TRACT OF LAND IDENTIFIED AS A PORTION OF TRACT 3-06 OF THE W.H. BARNES SURVEY, ABSTRACT NO. 26, CITY AND COUNTY OF ROCKWALL, TEXAS AND MORE SPECIFICALLY DESCRIBED IN EXHIBIT "A" OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City has received a request from Tommy Pulliam on behalf of Rayburn Electric Cooperative, for an amendment to the Unified Development Code [Ordinance No. 04-38] of the City of Rockwall to adopt a change in zoning from an Agricultural (Ag) District to a Heavy Commercial (HC) District for a 6.057-acre tract of land identified as a portion of tract 3-06 of the W.H. Barnes Survey, Abstract No. 26, City and County of Rockwall, Texas, and more specifically described in Exhibit "A" of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area, and in the vicinity thereof, and the governing body in the exercise of its legislative discretion, has concluded that the Unified Development Code should be amended as follows:

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

Section 1. That the Unified Development Code [Ordinance No. 04-38] of the City of Rockwall, Texas, as heretofore amended, be and the same are hereby amended by amending the zoning map of the City of Rockwall so as to change the zoning from an Agricultural (Ag) District to a Heavy Commercial (HC) District for the *Subject Property*; and

Section 2. That the *Subject Property* shall be used only in the manner and for the purposes provided for in *Section 4.7, "Heavy Commercial (HC) District", Article V, "District Development Standards", of the Unified Development Code* of the City of Rockwall as heretofore amended, as amended herein by granting of this zoning change, and as may be amended in the future.

Section 3. That the official zoning map of the City be corrected to reflect the changes in the

zoning described herein.

Section 4. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of two thousand dollars ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 5. If any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code of the City of Rockwall, Texas, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable.

Section 6. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be and the same are hereby repealed, and all other ordinances of the City of Rockwall not in conflict with the provisions of this ordinance shall remain in full force and effect.

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, ON THIS THE ____ DAY OF _____, 2014.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Brad Griggs – Assistant City Manager**

FROM: **Andy Hesser – Parks and Recreation Manager**

DATE: **February 26, 2014**

SUBJECT: **Harry Myers Park Pool**

During the late Summer and early Fall of last year, the staff and Council had several conversations regarding the future operations of the pool at Harry Myers Park in light of new regulations adopted by the Texas Department of State Health Services. Through conversations with Texas Waterworks, due to the age of our pool and the current turnover rate, we were led to believe that it was necessary to reduce the turnover rate to be in compliance with State law. This was further verified by two commercial pool contractors who were asked to submit a proposal to replace the filters at the pool that were approved during the budget process.

The staff believed we could replace the filtering equipment as "maintenance" which would not require the City to bring the pool into compliance with standards for public pools built after 1999. In December of 2013, we contracted with Bryan Ziegler with Aqueous Engineering to confirm the replumbing of the pool was necessary and for design services to bring the pool into compliance with State law.

During the analysis of the project scope, Mr. Ziegler did not see clear guidance from the pool code as it relates to whether or not a complete overhaul of the plumbing system was needed or not. At that point, Mr. Ziegler contacted Katie Moore, Compliance Officer for the Department of State Health Services. E-mail correspondence between the City and Mr. Ziegler references her response to our situation below:

The Texas pool regulations have 2 main divisions which are defined by pre-10/01/99 pools/spas and post-10/01/99 pools and spas. Pre-10/01/99 pools and spas, "Construction design and materials used in construction of pre-10/99 pools and spas shall comply with good public health engineering practices for construction of newly-built pools and spas prevailing at the time of original construction…."

In Section 265.188 (b) When equipment is replaced on pre-10/01/99 pools and spas, equipment falling within the scope of the NSF Standard 50 shall meet that standard.

Nowhere in the rules is there a requirement to replace anything in a pre-10/01/99 pool or spa (excluding compliance with VGBA) – only that when it is replaced it meets NSF Standard 50 where and when applicable.

There is no requirement to decrease turnover times in a pre-10/01/99 pool or spa even when equipment is replaced. This would be different if the scope of work included replacing all the plumbing, however, the current State rules do not require that plumbing is replaced in a pre-10/01/99 pool or spa simply to meet decreased turnover times as required for post-10/01/99 pools and spas.

Kathleen O. Moore, R.S., CPO
Compliance Officer
Public Sanitation and Retail Food Safety Group
Policy, Standards & Quality Assurance Unit
Environmental and Consumer Safety Section
Division for Regulatory Services
Department of State Health Services

Based on Ms. Moore's email, the replacement of the filters will not require the turnover rate to be reduced and we can move forward with the original project.

During the budget process, the funding for the staff to operate the pool was withdrawn from the budget. Contingent on Council approval, staff is requesting the budget be amended in the amount of $65,000 to include the following:

- $16,000 – Funding to replace the filters and pumps using the existing design parameters at Myers Park Pool. This project was requested during the budget process but was withdrawn when the pool alternative discussions were had.
- $3,000 – Replace and relocate the existing electrical panel that operates the pumps at the pool.
- $46,000 – Funding to pay for seasonal staff to operate the Harry Myers Park Pool for the Summer of 2014. This includes 13 weeks of operations, in-service training and end of season duties.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: **Brad Griggs, Assistant City Manager**

FROM: **Andy Hesser, Parks and Recreation Manager**

DATE: **February 25, 2014**

SUBJECT: **PROPOSED YELLOW JACKET PARK IMPROVEMENTS**

The FY 2014 approved budget includes $60,500 for improvements to Yellow Jacket Park. The funding source is from Pro-rata Equipment Fees paid by residential developers into the Park District 20 escrow account, in accordance with the Mandatory Park Land Dedication Ordinance.

A public hearing was held at the December 3rd Park Board meeting to discuss and prioritize proposed amenities to be included in the park improvements. Although Yellow Jacket Park is associated with youth baseball/softball fields, it also serves as the neighborhood park for that district. The discussion centered on serving both the needs of youth baseball/softball uses as well as updated amenities for neighboring residents that benefit from the park.

Park Board voted unanimously to recommend to City Council the following improvements:

- Irrigation system and turf improvements
- Replace old playground equipment
- Add a stone park monument sign and landscaping
- Replace old border around playground fall zones
- New safety surfacing within fall zone
- Miscellaneous signage – field numbers, rules, ordinances and City contact information.

Staff will prepare a PowerPoint presentation for Council and be available to answer any questions.

City of Rockwall
The New Horizon

MEMORANDUM

TO: Honorable Mayor and City Council Members

FROM: Kristy Ashberry, City Secretary

DATE: February 28, 2014

SUBJECT: Appointments to Main Street Board & Architectural Review Board

Mayor Sweet would like to recommend that the Council consider appointing **Claudette Hatfield** to serve on the **Main Street Advisory Board** to replace former member, Lorie Lawing, who did not wish to be reappointed. Should the Council choose to appoint Mrs. Hatfield, her term would begin immediately and run until January of 2016.

Details provided in Mrs. Hatfield's application are as follows:

Address: #1 Shadydale Lane, Rockwall, TX

I've lived in Rockwall since 1976, so I have seen many changes. My job now is my family and friends. Over the years I've been part of almost every organization and sat on many boards. I started Pumpkin Patch and Reviews Reviews (book club) and co-founded Farmers Market. I am a people person and love to volunteer in Rockwall.

Councilmember Milder would like the Council to consider appointing **Ashlei Neill** to the **Architectural Review Board** to replace member, Clark Staggs, whose term expired in August of 2013 (he has served more than 6 years). Should the council appoint Ms. Neill, her term would begin immediately and run until August of 2015 (partial term appointment).

Details provided in Ms. Neill's application are as follows:

Address: 2631 Eganridge Lane, Rockwall, TX

My husband and I moved from Mesquite to Rockwall in 2006 for the simple, yet substantial, reason of raising our two sons in a community that recognizes the value of providing exceptional quality of life. I'm the third generation of a Mesquite raised family, yet Rockwall feels like my hometown. My community involvement primarily consists of school-based, volunteer organizations...elementary and secondary PTA, Campus Improvement Committees, RISD Strategic Planning and RISD PTA Council. I've been a small business owner since 2008 when I formed my own interior design/home staging firm and maintain a thriving relationship with several local realtors as retained clients. In 2011 I was approached by the RISD Education

Foundation to become their Executive Director, as the Foundation had recently separated from the District, becoming their own entity. One of my favorite experiences related to Rockwall County is being a Class of 2013 graduate from Leadership Rockwall. I currently serve on the Leadership Rockwall board as their PR/Marketing chairperson. My formal education includes a BA specializing in Advertising/Mass Communications and Design Communication from Southwest Texas State University (known now as Texas State). My draw to becoming a member of the Architectural Review Board is based on pure desire to give back to the Rockwall community, and hopefully provide insight and potential enhancement while preserving the design integrity for the existing and future structures in our town. I appreciate your consideration and looking forward to joining the team.

6. Discussion regarding appointments to city regulatory boards, commissions, and committees including the North TX Municipal Water District Board pursuant to Section 551.074 (personnel matters)
7. Discussion regarding the appointment, evaluation and possible replacement for a member of a City Board pursuant to Section 551.071 (Consultation with Attorney) and Section 551.074 (Personnel Matters).

IV. ADJOURN EXECUTIVE SESSION

AGENDA
ROCKWALL CITY COUNCIL
Monday, March 17, 2014
6:00 p.m. Regular City Council Meeting
City Hall, 385 S. Goliad, Rockwall, Texas 75087

V. RECONVENE PUBLIC MEETING

VI. TAKE ANY ACTION AS A RESULT OF EXECUTIVE SESSION

VII. INVOCATION AND PLEDGE OF ALLEGIANCE – COUNCILMEMBER LEWIS

VIII. PROCLAMATIONS / AWARDS

p.19 **1.** Proclamation recognition - Future City Design Competition

IX. CONSENT AGENDA

p.21 **1.** Consider approval of the minutes from the March 3, 2014 regular city council meeting, and take any action necessary.

p.31 **2.** Consider ratifying the expenditure to Utilitex Construction, LLP for emergency repairs performed on the 16 inch diameter water line along IH 30 at a cost of $42,200.66, which was funded out of Utilities Operations budget, and take any action necessary.

p.33 **3.** Consider authorizing the City Manager to execute a contract extension for one year with 3-D Mowing for tractor mowing services in the amount of $40,291.60 funded in the General Fund, Parks Operations, Grounds Maintenance and take any action necessary.

p.35 **4.** Consider approval of an **ordinance** declaring unopposed candidates for city council Places 2, 4 and 6 and cancelling the 2014 General Election, and take any action necessary. **(1st reading)**

p.41 **5.** **Z2014-001** - Consider approval of an **ordinance** for a request by Tommy Pulliam on behalf of Rayburn Electric Cooperation, Inc. for the approval of a zoning change from Agricultural (Ag) District to a Heavy Commercial (HC) District for a 6.057-acre tract land identified as a portion of Tract 3-06 of the W. H. Barnes Survey, Abstract No. 26, Rockwall, Rockwall County, Texas, zoned Agricultural (Ag) District, located on the south side of Sids Road west of S. Goliad Street (SH-205), and take any action necessary. **(2nd Reading)**

p.46 **6.** **P2014-008** - Consider a request by Ron Ramirez of Wier & Associates, Inc. on behalf of Ken Keeton of the Rockwall Economic Development Corporation (REDC) for the approval of a final plat for Lot 1, Block A & Lot 1, Block B, Channel Subdivision and for the dedication of Justin Road right-of-way being a 37.828-acre tract of land located within the Archibald Hanna Survey, Abstract No. 99, the N. Butler Survey, Abstract No. 20 and the David Harr Survey, Abstract No. 102, Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) and Agriculture (AG) District, situated

within the SH-205 By-Pass Corridor Overlay (205 BY-OV) District, located in between John King Boulevard and Industrial Boulevard north of Interstate Highway 30 (IH-30), and take any action necessary.

p.53 **7.** Consider approval of the award of the Evans Road Drainage Improvements construction contract to Lone Star Utilities in the amount of $67,357.00 to be funded out of the 2005 drainage bonds, and take any action necessary.

p.56 **8.** Consider approval of the award of the Northshore Lift Station Improvements construction contract to RAMA Enterprises, in the amount of $417,962.00 to be funded out of the 2008 sewer revenue bonds, and take any action necessary.

X. APPOINTMENTS

1. Appointment with the Planning and Zoning Chairman to discuss and answer any questions regarding cases on the agenda and related issues and take any action necessary.

p.64 **2.** Appointment with Kim Bowen to discuss and consider handicap usage of city parks, and take any action necessary.

p.66 **3.** Appointment with Mark Spencer of MHS Planning and Design to discuss and consider authorizing Phelps Lake park improvements, and take any action necessary.

XI. PUBLIC HEARING ITEMS

p.71 **1.** **Z2014-005** - Hold a public hearing to discuss and consider approval of an **ordinance** for a request by Ron Ramirez of Wier & Associates, Inc. on behalf of Ken Keeton of the Rockwall Economic Development Corporation (REDC) for the approval of a zoning change from an Agriculture (AG) District to a Light Industrial (LI) District for a 2.006-acre tract of land identified as a portion of Tract 2-7 of the David Harr Survey, Abstract No. 102, Rockwall, Rockwall County, Texas, situated within the SH-205 By-Pass Corridor Overlay (205 BY-OV) District, located on the west side of John King Boulevard south of Airport Road, and take any action necessary **(1st Reading)**.

p.84 **2.** **Z2014-006** - Hold a public hearing to discuss and consider approval of an **ordinance** for a request by the Cabana's at Chandler's Landing Homeowner's Association on behalf of the residents of the Cabana's at Chandler's Landing to amend the density and dimensional requirements stipulated by Planned Development District 8 (PD-8) for a 1.131-acre portion of a parcel of land identified as the Cabanas at Chandler's Landing, zoned Planned Development District 8 (PD-8) for multi-family or condominium uses as established in Ordinance 73-48 & 84-04, generally located south of Yacht Club Drive and west of Harbor View Drive, and take any action necessary **(1st Reading)**.

XII. SITE PLANS / PLATS

p.101 **1.** **SP2014-003** - Discuss and consider a request by Kevin Patel of Triangle Engineering, LLC on behalf of Ketan Parekh of A. J. Squared, LLC for the approval of a variance in association with an approved site plan for a medical office building on a 1.463-acre parcel of land identified as Lot 2, Block A, Rockwall Assisted Living Facility Addition, zoned Planned Development District 18 (PD-18) for office and retail uses, situated within the Scenic Overlay (SOV) District, located on the west side of Ridge Road [FM-740] south of Cemetery Road, and take any action necessary.

p.109 **2.** **SP2014-004** - Discuss and consider a request by Bill Thomas of Engineering Concepts and Designs on behalf of Tommy Pulliam of the Rayburn Electric Cooperation, Inc. for the approval of a variance in association with an approved site plan for an office building on a 6.057-acre tract of land identified as a portion of Tract 3-06 of the W. H. Barnes Survey, Abstract No. 26, Rockwall, Rockwall County, Texas, zoned Heavy Commercial (HC) District, located on the south side of Sids Road west of S. Goliad Street [SH-205], and take any action necessary.

p.116 **3.** **P2014-005** - Discuss and consider a request by Kelcey Barnes for the approval of a final plat for a six (6) acre portion of a larger 36.61-acre tract of land identified as Tract 13-03 of the W. W. Ford Survey, Abstract No. 80, Rockwall County, Texas, being situated within the City of Rockwall's Extraterritorial Jurisdiction (ETJ), generally being a portion of a 20-acre tract of land identified as 636 Hanby Lane, and take any action necessary.

XIII. ACTION ITEMS

p.121 **1.** Discuss and consider recommendation of the Hotel / Motel tax subcommittee regarding funding requests from Rockwall Chamber of Commerce, Rockwall Rubber Duck Regatta and The Rockwall News for 2014 events, and take any action necessary.

p.168 **2.** Discuss and consider authorizing the City Manager to enter into a contract with Texas Air Center, LLC for Fixed Base Operator Services at the Ralph M. Hall / Rockwall Municipal Airport and take any action necessary.

XIV. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding land lease/acquisition in the vicinity of the downtown area for municipal purposes pursuant to Section 551.072 (Real Property).

2. Discussion regarding proposed term extension of a Real Property Exchange Agreement with Harbor Heights Investors, L.P. / JBR2, LLC relating to real property located within the PD-32 area pursuant to Section 551.071

(consultation with attorney) and Section 551.087 (Economic Development negotiations).

3. Discussion regarding the following legal claim: TF-Harbor LLC v. City of Rockwall, Texas and Rockwall Rental Properties L.P. pursuant to Section 551.071 (Consultation with Attorney)
4. Discussion regarding claim filed by Ryan Frost pursuant to Section 551.071 (Consultation with Attorney)
5. Discussion regarding the city's Fixed Based Operator airport agreement pursuant to Section 551.071 (Consultation with Attorney)
6. Discussion regarding appointments to city regulatory boards, commissions, and committees including the North TX Municipal Water District Board pursuant to Section 551.074 (personnel matters)
7. Discussion regarding the appointment, evaluation and possible replacement for a member of a City Board pursuant to Section 551.071 (Consultation with Attorney) and Section 551.074 (Personnel Matters).

XV. RECONVENE PUBLIC MEETING & TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

XVI. ADJOURNMENT

This facility is wheelchair accessible and accessible parking spaces are available. Request for accommodations or interpretive services must be made 48 hours prior to this meeting. Please contact the City Secretary's Office at (972) 771-7700 or FAX (972) 771-7727 for further information.

The City of Rockwall City Council reserves the right to adjourn into executive session at any time to discuss any of the matters listed on the agenda above, as authorized by Texas Government Code § 551.071 (Consultation with Attorney) § 551.072 (Deliberations about Real Property) § 551.074 (Personnel Matters) and § 551.086 (Economic Development)

I, Kristy Ashberry, City Secretary for the City of Rockwall, Texas, do hereby certify that this Agenda was posted at City Hall, in a place readily accessible to the general public at all times, on the 14th day of March, 2014 at 4:00 p.m. and remained so posted for at least 72 continuous hours preceding the scheduled time of said meeting.

MEMORANDUM

TO: Rick Crowley, City Manager

FROM: Timothy M. Tumulty, Director of Public Works/City Engineer

DATE: March 12, 2014

SUBJECT: Grading Permit

All developments within our City limits are required to provide erosion control measures to prohibit soil from washing out into the streets or a nearby storm sewer system. These erosion control features are installed prior to the beginning of site construction and should be removed after the completion of a project provided grass has been established on all dirt surfaces.

Recently Engineering staff was notified of existing erosion control devices that were left in place years after the completion of a residential subdivision. When this occurs, City forces are utilized to remove the devices.

Staff has developed a Grading and Floodplain Development Permit very similar to one used in another Metroplex community. This permit has several positive features for the city and the development. For the City, it requires the development to erect all erosion control devises prior to beginning of construction, to maintain the erosion control devices throughout construction and remove them after project completion. For the development, it allows excavation work to begin prior to approval of engineering design plans for construction with a caveat that plans must be approved and any permanent work that occurs prior to approval is done at the developments risk.

This proposed permit would charge a monetary deposit based on acreage within the development to assure the City that these devices will be erected and maintained throughout the project and removed at completion. If the development maintains and removes these erosion control devices, their entire deposit would be returned to them once the City accepts the development and final cover has been established. If the development fails to maintain or remove the devices, the City can hire a contractor to perform these services and use the deposit as payment.

Staff suggests using $500.00 for the first acre and $100.00 per acre after that. Staff will present this proposed request to City Council for their consideration for future approval of the attached ordinance to create a Grading Permit and Floodplain Development Permit for all developments charging $500.00 for the first acre and $100.00 per acre for every acre after.

GRADING & FLOODPLAIN DEVELOPMENT

City of Rockwall

Permit No. _____

This permit allows the owner to fill, grade, excavate, or otherwise disturb the surface of property described below, in accordance with Rockwall City Code, Section 38-24 to 38-31.

PROJECT NAME: _____

PLAT NAME: _____

PROPERTY OWNER: _____

DEPOSIT REQUIRED **$ 0.00 (Disturbed land area-acreage)**
TOTAL: **$ 0.00**

Requirements and conditions of this permit:

- ☐ Grading plans have been submitted and approved by the City.
- ☐ Submission of a notarized statement from the property owner giving permission to the Contractor to fill, grade, excavate, or otherwise disturb the property and acknowledgement by property owner of his responsibilities as described in section 38-31 of the Rockwall City Code.
- ☐ For projects disturbing 1 acre or more of land, submission of a Storm Water Pollution Prevention Plan (SWPPP) in accordance with City, TCEQ and EPA regulations and requirements.
- ☐ For projects disturbing 5 acres or more of land submit a copy of the Notice of Intent (NOI) from all site "Operators".
- ☐ When applicable, submit copy of Parks & Recreation Department Approval of the tree preservation plan to the City Engineer.
- ☐ When applicable (floodplain encroachment), provide a copy of a Conditional Letter of Map Revision (CLOMR) from FEMA.
- ☐ Special Conditions -

The Developer, Contractor and Engineer is hereby notified that issuance of this permit does not indicate approval of the engineering plans and that grade revisions can and will be made if determined necessary after a complete review of the final plans.

At any time the City determines that the project is in non-compliance with this permit or any other applicable permits and/or letters of permission, this permit shall be revoked and a stop order shall be issued to the Developer and/or Contractor.

If it is necessary for the City to remove soil, rock, mud or debris from its streets, alleys, utility facilities, rights of way or easements, or construct erosion devices on the permit site to prevent erosion in connection with this permit, the cost of such will be charged to the holder of this permit and subtracted from the balance of the deposit required herein. To be reimbursed for deposited funds NOT used to reimburse the City for construction or removal of soil, rock, mud and debris, a written request must be made to the City Engineer from the depositor named below within two (2) years of written project acceptance by the City Engineer, and the following conditions must be met. Failure to request funds within the prescribed time will result in forfeiture of such funds to the City's General Fund.

1. All disturbed areas on and off site are vegetated with a vigorous stand of grass or other ground cover.
2. Temporary erosion control devices are no longer required and have been removed.
3. Permanent erosion control devices are in place on the site and working properly and do further hazard of erosion is present on the site.
4. Where applicable, a copy of the TCEQ Notice of Termination (NOT) for the project has been submitted to the City.
5. The City Engineer has given written acceptance of the project.

The Depositor must notify the City of Rockwall, Attn: Engineering Department in writing of all address changes.

City of Rockwall – Engineering Department

ALLOWABLE FILL MATERIALS

(Per Section 38-27 of the City Code of Rockwall)

FILL IN AREAS ZONED FOR COMMERCIAL USE (excluding ROW or Easements):

- Clean soil, clay, shale, gravel or sands.
- Broken concrete pavement, if the maximum particle size is 4" in diameter and all reinforcing steel is removed.

Note: Consult with the Building Inspection Department for Compacting Requirements.

FILL IN AREAS ZONED FOR RESIDENTIAL DEVELOPMENT (excluding ROW Easements):

- Clean soil, clay, shale, gravel or sands.

All fill on residential lots and pads shall be compacted to a minimum **95% of standard proctor** (ASTM D-698) with optimum moisture content of 0% to +6%. Compaction shall be placed with a maximum of 12" loose lifts and shall be compacted with sheep's foot vibratory roller.

FILL IN AREAS THAT ARE OR MAY BECOME CITY RIGHT-OF-WAY OR EASEMENT:

- Clean soil, clay, shale, gravel or sands.
- **Under existing paving**, fill material shall be crushed concrete flexible base, TXDOT Item 247, Grade 1, Type D.

All fill within City right-of-way or easements shall be compacted to a minimum **95% of standard proctor** (ASTM D-698) within optimum moisture content of 0% to +6%. Compaction shall be placed with a maximum of 12" loose lifts and shall be compacted with sheep's foot vibratory roller.

MATERIALS UNSUITABLE FOR FILL:

The following materials are unsuitable for fill due to their high potential for settlement, decomposition, or other unsatisfactory engineering properties:

- Trash or debris of any kind.
- Any soil or debris that has a high organic content, such as pond silt, topsoil with roots, wood chips, brush or tree limbs, etc… Topsoil may be used in landscaping areas when there is an approved site plan that details the location of future paving and structures and landscape areas.
- Broken concrete pavement, if the particle size is greater than 4" in diameter or if there is any reinforcing steel.
- Reinforcing steel or other steel products.
- Asphaltic materials.

NOTE: Per the Texas Administrative Code, Title 30 Environmental Quality, Chapter 330 "Municipal Solid Waste" – the use of asphaltic materials and concrete containing reinforcing steel for fill is not permitted.

ARTICLE III. – GRADING, EXCAVATION, EARTHWORK, AND EROSION CONTROL

Sec. 38-24 – Applicability of article.
Sec. 38-25 – Grading permit required for filling, grading, excavation, etc.
Sec. 38-26 – Duty of property owner to prevent dirt, mud, etc., from washing onto public streets, alleys, etc.
Sec. 38-27 – Requirements for filling, grading, excavation, etc.
Sec. 38-28 – Issuance of permits; criteria.
Sec. 38-29 – Exceptions to the permit, permit fee and deposit.
Sec. 38-30 – Permit fee.
Sec. 38-31 – Owner's responsibility.

Sec. 38-24. – Applicability of article.

The provisions of this article shall apply to all property owners, persons or their agents filling, grading, excavating or otherwise disturbing the surface of real property within the city, whether they be contractors, subcontractors, supervisors, inspectors, managers, agents, employees or otherwise. Failure to comply with the requirements of this article shall constitute an offense, and each day such failure continues shall constitute a separate offense.

Sec. 38-25. – Grading permit required for filling, grading, excavation, etc.

No person shall fill, grade, excavate or otherwise disturb the surface of real property within the city without first having secured a grading permit from the City Engineer. No owner of real property shall knowingly permit another person to fill, grade, excavate or otherwise disturb the surface of real property within the city without first having secured a permit from the City Engineer. In addition, if the property to be filled, graded, excavated or otherwise disturbed is within flood hazard area, a development permit must be secured from the City Engineer as required in Chapter 38 of this Code.

Sec. 38-26. – Duty of property owner to prevent dirt, mud, etc., from washing onto public streets, alleys, etc.

It shall be unlawful and an offense and shall constitute a nuisance for any person owning or having control of real property within the city to suffer or permit soil, mud, rock, pollutants or debris to wash, slide, erode or otherwise be moved from said real property onto streets, alleys, utility facilities, drainage facilities, rights-of-way or easements. It shall be the duty of each property owner or party in control thereof to prevent soil, mud, rock, pollutants or debris from such real property being deposited or otherwise transported onto the streets, alleys, utility facilities, rights-of-way or easements of the city and to inspect such property and acquaint themselves with the conditions existing and to remedy any conditions likely or calculated to allow soil, mud, rock or debris to wash, slide, erode or otherwise be transported onto the streets, alleys, utility facilities, rights-of-way or easements and failure to do so shall be deemed criminal negligence for the purpose of the offense described herein.

Sec. 38-27. – Requirements for filling, grading, excavation, etc.

The City Engineer shall prepare a list of allowable fill materials and minimum required compaction requirements. All filling shall use only the materials listed for fill. All fill placed on a site and visible from a public thoroughfare shall be leveled and have a final cover of topsoil, six (6) inches minimum depth, that will support vigorous plant growth, immediately following completion of filling operations. Intermediate leveling and cover shall be required at intervals not to exceed thirty (30) days for filling operations that will exceed thirty (30) days in duration. In areas where fill is being placed to control erosion, the City Engineer may substitute an alternate cover that is resistant to erosion for the requirement to cover fill with topsoil.

Sec. 38-28. – Issuance of permits; criteria.

(a) The City Engineer's office shall issue permits for the grading, filling, excavating or otherwise disturbing the surface of real property upon satisfaction of the following criteria:

(1) Applicant provides adequate assurance that city will be reimbursed for any expense of cleaning or removal of dirt, rock, debris or other pollutants from city streets, alleys, utility facilities, rights-of-way and easements or the barricading thereof by the posting of a deposit of cash with the city to guarantee same.

(2) The amount of such deposit shall be established by the city council from time to time and is hereby established as follows:

Area	Amount
One (1) acre or less	$500.00 minimum
From one (1) acre up	$100.00 for each additional acre

(3) The applicant provides a notarized statement from the property owner giving permission for the applicant to fill, grade, excavate or otherwise disturb the property and acknowledgment by property owner of the responsibilities of the property owner as described in section 38-31 of this Code.

(4) Submission by the applicant of a Storm Water Pollution Prevention Plan (SWP3) for all work disturbing one (1) acre of land or more. This Storm Water Pollution Prevention Plan (SWP3) must be prepared by a licensed professional engineer in accordance with applicable Environmental Protection Agency (EPA) and Texas Commission on Environmental Quality (TCEQ) regulations and approved by the City Engineer prior to issuing the grading permit.

(5) Submission by the applicant of a copy of Notice of Intent (NOI) and or a Construction Site Notice (CSN) as required by the Texas Commission on Environmental Quality (TCEQ) regulations for all work disturbing one (1) acre of land or more.

(6) The City Engineer may exclude that portion of tracts in excess of ten (10) acres that he/she determines to be so situated as to not contribute to erosion due to location and topography.

(b) If removal by the city of soil, rock, mud and debris from its streets, alleys, utility facilities, rights-of-way or easements is required by reason of work performed on property for which a deposit has been made pursuant to subsection (a), reasonable charges shall be billed to the applicant and subtracted from balance of the applicant's deposit.

(c) Upon written request by the applicant to the City Engineer, the unused portion of the applicant's deposit shall be refunded if the following criteria is met:

(1) The site for which the deposit exists has been stabilized against erosion; and permanent ground cover has been established.

(2) No further hazard of erosion is present at the site;

(3) All temporary erosion control structures have been removed;

(4) Permanent erosion control facilities are in place and functioning properly as designed; and

(5) The City Engineer or his designee has given written acceptance of public improvements.

(d) An applicant who has submitted a written request for return of their deposit who meets the requirements of subsection (c) shall be refunded all funds not used to reimburse the city for the removal of soil, rock, mud, debris and pollutants from its streets, alleys, utility facilities, drainage facilities, rights-of-way or easements. Should an applicant fail to meet all requirements for a refund, the applicant's request will be rejected until such time as they are met. When the requirements have been met, the funds subject to refund will be sent via first class mail to the address on the applicant's grading permit application or if such address has been updated pursuant to application instructions to the applicant's updated address. If the refund mailed to the applicant is returned by the United States Postal Service as undeliverable, the funds shall be forfeited to the city and place in the general fund.

(e) If a written request for return of a deposit is not made within two (2) years of the date the project on the property for which the deposit has been made receives written acceptance from the City Engineer or his designee of the public improvements, the unused portion of the applicant's deposit shall be forfeited to the city and placed in the general fund.

(f) Grading permits shall be valid for two-years after date of issuance by the City. Grading permits may be extended for one additional year (for a total of three years) upon written request by the applicant to the City Engineer. The City Engineer will have the site inspected to verify compliance with the permit conditions and the provisions of the submitted SWPPP before making the permit extension. Failure of the applicant to maintain compliance with the permit conditions and the provisions of the submitted SWPPP shall be adequate cause to deny a request for grading permit extension.

Sec. 38-29. – Exceptions to the permit, permit fee and deposit.

Construction, grading, filling or excavation undertaken by the City of Rockwall, franchised utility companies and existing individual single-family lots with existing residences under one acre in size shall be exempt from the permit, deposit and permit fee as required by this article.

Sec. 38-30. – Permit fee.

A nonrefundable fee of one hundred dollars ($100.00) shall be charged for each permit issued to cover administrative expenses.

Sec. 38-31. – Owner's responsibility.

The property owner shall be responsible for implementation and operation of a Storm Water Pollution Prevention Plan (SWP3) in accordance with applicable Environmental Protection Agency (EAP) and Texas Commission on Environmental Quality (TCEQ) regulations and all cleanup operations incidental to the grading, filling, excavation, construction or other disturbance of the surface of real property including leveling, establishment of ground cover, erosion and sediment control and removal of all trash, debris or other materials not suitable for fill including those deposited on streets, alleys, utility facilities, rights-of way or easements.

In addition, the property owner shall be responsible for compliance with the approved grading plan.

If the property owner fails in any respect to fulfill the requirement of this article, the city may go upon the owner's property and perform such work as may be necessary to fulfill such requirements and may level, establish ground cover, construct erosion control, remove all soil, rock, debris and other

materials not suitable for fill including those deposited on streets, alleys, utility facilities, rights-of-way or easements, at the property owner's expense and charge same against the deposit of the applicant.

If a deposit has not been made with the city, or if the cost incurred by the city exceeds the amount of the deposit, the city shall bill the property owner for the unpaid expenses and if the owner fails to pay the city for such expenses within thirty (30) days of being billed for same, the city shall have the right to place a lien on the owner's property which shall be filed with the county clerk as in the case of paving assessment liens for all amounts expended by the city in excess of the deposit plus interest at the current lawful rate. If the property owner fails to fulfill the requirement of this article the city may revoke the grading permit, issue citations or take other legal remedies as may be necessary to enforce compliance with this article.

Proclamation

Rockwall, Texas

Whereas, in January more than 40,000 middle school students across the nation built physical models, wrote detailed essays, honed live presentations and programmed digital prototypes that represented how they imagine innovations will change cities we call home; and

Whereas, the Future City Competition is a national, project-based learning experience where students in 6th through 8th grades imagine, design, and build cities of the future using SimCity™ Software in collaboration with an educator and engineer mentor; and

Whereas, for the 2014 "Transportation" themed competition, students researched and wrote solutions to an engineering problem, built tabletop scale models with recycled materials and presented their ideas before judges at Regional Competitions; and

Whereas, three area seventh graders representing H.E.A.R. Rockwall Homeschool soared through competitions, winning first place by prevailing over 60 other teams in the regional competition at UTA and also winning "Best Virtual City" and "People's Choice Award"; and

Whereas, these bright students went on to place 3rd in the nation at the Future City Competition held in Washington, D.C. February 15-18; and

Whereas, these bright, young students also won the "Best Future City Project Plan" as well as the prestigious "Best Model" prize.

Now, Therefore, I, David Sweet, Mayor of the City of Rockwall, Texas, do hereby recognize and congratulate

Kyle Fletcher, Faith Mitchell and Nicole Bruner

for their hard work, dedication and ingenuity and for representing the City of Rockwall so incredibly well throughout these most worthwhile competitions.

In Witness Whereof, I hereunto set my hand and official seal this 17th day of March, 2014.

_____

David Sweet, Mayor

20

MINUTES
ROCKWALL CITY COUNCIL
Monday, March 03, 2014
4:00 p.m. Regular City Council Meeting
City Hall - 385 S. Goliad, Rockwall, Texas 75087

I. CALL PUBLIC MEETING TO ORDER

Mayor Pro Tem White called the public meeting to order at 4:00 p.m. Present were Mayor Pro Tem David White and Council Members Jim Pruitt, Mike Townsend, Scott milder, Bennie Daniels and Dennis Lewis. Also present were City Manager Rick Crowley, Assistant City Managers Mary Smith and Brad Griggs and City Attorney Frank Garza. Mayor Sweet joined the meeting at 4:04 p.m.

II. (4:00 P.M.) WORK SESSION

1. HOLD WORK SESSION TO DISCUSS OPEN SPACE DEDICATION OPTIONS AS PART OF THE DEVELOPMENT PROCESS, AND TAKE ANY ACTION NECESSARY.

Assistant City Manager Brad Griggs provided brief background information related to this work session discussion item. He explained that some time ago the city stopped accepting dedication of land and open space that was unusable by the city as a public park. These pieces of land began to be platted as part of the HOA and were to be maintained by the HOA. At times, the HOA ends up not being able to maintain these areas, so they end up calling on the city to assist. He also indicated that this practice causes some concern due to rollback taxes. Mr. Griggs indicated that the Chief Appraiser with the Rockwall Central Appraisal District, Ray Helm, is here to speak to the council regarding roll back taxes and land dedication.

City Manager Rick Crowley clarified that the discussion today will center around whether future land dedications should be granted to the city by developers, or if land should continue to be dedicated to homeowners associations. Mr. Ray Helm of the Rockwall Central Appraisal District, came forth to address the council.

Mr. Helm indicated that rollback taxes are in place to be able to get an agricultural valuation for landowners who want to apply for agricultural use. When the property is no longer being used for agricultural purposes, it triggers a rollback on the property. He explained that a five year history of an agricultural use has to be in place prior to getting an agricultural use established. He indicated that about 1,100 tracts of land in Rockwall have this type of land use in place and that there is a big difference between market value and agricultural value.

Mayor Sweet arrived and joined the meeting at this time (4:04 p.m.).

Mr. Helm explained "Agricultural use" associated with a piece of property and what roll back taxes are. He then shared facts concerning if the city accepts the dedication of land versus if the city does not accept the dedication of land from developers.

Mr. Crowley explained that if ownership of property that is to be dedicated as 'open space' continues to fall under the homeowners associations, the developer will pay rollback taxes. If it is dedicated to the city, then they would not pay rollback taxes. If the property

ownership is retained by an HOA, then it is valued at a "nominal value." If the city owns the property, it would be exempt from taxes. Assistant City Manager Brad Griggs indicated that if the city assumes ownership, the maintenance can still be assigned to the HOA. Mr. Crowley indicated that these areas / properties tend to be more of 'neighborhood amenities' rather than 'public space amenities.'

City Attorney Frank Garza indicated that public land owned by the city that is located in a gated community cannot be maintained through use of public funds because the public cannot have access to those areas, as they are not public parks.

General discussion took place regarding how the city accepting or not accepting dedications of land will affect developers' perspectives and willingness to do business and develop in Rockwall. Council generally expressed a desire to have staff do some additional research to find out what other cities do regarding land dedications and associated maintenance. After additional discussion, the council took no action related to this work session agenda item. Mayor Sweet then recessed the public meeting until 5:00 p.m.

At 5:00 p.m., Mayor Sweet called the meeting back to order with all seven council members present. He then read the below listed discussion items into the public record before recessing the meeting into Executive Session.

III. (5:00 P.M.) EXECUTIVE SESSION.

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding the following legal claim: TF-Harbor LLC v. City of Rockwall, Texas and Rockwall Rental Properties L.P. pursuant to Section 551.071 (Consultation with Attorney)
2. Discussion regarding the appointment, evaluation and possible replacement for a member of a City Board pursuant to Section 551.071 (Consultation with Attorney) and Section 551.074 (Personnel Matters).

IV. ADJOURN EXECUTIVE SESSION

Executive Session was adjourned at 5:28 p.m.

MINUTES
ROCKWALL CITY COUNCIL
Monday, March 03, 2014
6:00 p.m. Regular City Council Meeting
City Hall, 385 S. Goliad, Rockwall, Texas 75087

V. RECONVENE PUBLIC MEETING

Mayor Sweet reconvened the public meeting at 6:00 p.m. with all seven city council members being present.

VI. TAKE ANY ACTION AS A RESULT OF EXECUTIVE SESSION

Mayor Pro Tem White indicated that no action was to be taken as a result of Executive Session.

VII. INVOCATION AND PLEDGE OF ALLEGIANCE – COUNCILMEMBER DANIELS

Councilmember Daniels delivered the invocation and led the Pledge of Allegiance.

VIII. PROCLAMATIONS / AWARDS

1. Multiple Myeloma Awareness Month

Mayor Sweet read the proclamation for Multiple Myeloma Awareness Month into the record.

He then called forth Mayor Pro Tem White to say a few words and recognize Kristy Ashberry, City Secretary, for her recent planning and efforts in hosting the 14th annual TX Municipal League (TML) Youth Advisory Commission Summit in Rockwall.

Mayor Sweet then recognized guests from the Nebbie Williams School SAGE program and Student Council who were present in the audience.

IX. OPEN FORUM

Mayor Sweet explained how Open Forum is conducted and asked if anyone would like to come forth and speak during this time. There being no one wishing to come forth and speak, Mayor Sweet then closed Open Forum.

X. CONSENT AGENDA

1. Consider approval of the minutes from the February 17, 2014 regular city council meeting, and take any action necessary.

2. **P2014-006** - Consider approval of a request by Harold Fetty on behalf of Meldria Johnson for the approval of a replat for Lots 1 & 2, Block A, M & M Johnson Addition being a 0.37-acre parcel of land currently identified as a portion of Lot 3, Block H, Sanger Brothers Addition, zoned Multi Family-14 (MF-14) District, situated within the Southside Residential Neighborhood Overlay (SRO) District, and located approximately 113-feet from the northeast corner of the intersection of Davy Crockett Street and Bourn Avenue, and take any action necessary.

3. Consider approval of an **ordinance** establishing the speed limit along SH 205 from Darrin Drive to FM 552/Dalton Road at 50 miles per hour and take any action necessary. **(2nd reading)**

4. Consider approval of an **ordinance** amending the Code of Ordinances in Chapter 32, Signs, Article I. In General and Article IV. Prohibited Signs, Sections 32-1 and 32-332 to amend regulations related to human signs, and take any action necessary. **(2nd reading)**

5. **Z2014-003** - Consider approval of an **ordinance** for a request by Charlie Rickerson for the approval of a Specific Use Permit to allow a detached garage with guest quarters/secondary living unit that will exceed the maximum permissible height for an accessory structure on a 0.40-acre parcel of land identified as Lot A, Block 117, B. F. Boydstun Addition, Rockwall, Rockwall County, Texas, also identified as a Landmarked Property, zoned Single Family 7 (SF-7) District, located at 109 St. Mary's Street, and take any action necessary. **(2nd Reading)**

6. Consider approval of an amendment to the Youth Sports Coach's Eligibility Policy, and take any action necessary.

7. Consider approval of a variance request by the Rockwall Economic Development Corporation (REDC) to allow a 135 foot median opening on Justin Road west of the intersection of John King Boulevard and Justin Road, and take any action necessary.

8. Consider approval of a resolution authorizing the city manager to apply for and accept grant funding from the Violent Crimes Against Women (VCAW) Grant Program through the Criminal Justice Division of the Governor's Office for the creation of a Domestic Violence Investigator / Prevention Officer, and take any action necessary.

Councilmember Pruitt pulled item #8 for further discussion.

Mayor Pro Tem White made a motion to approve the consent agenda, minus #8 (#s 1, 2, 3, 4, 5, 6, and 7). Councilmember Lewis seconded the motion. The ordinances were read as follows:

CITY OF ROCKWALL, TEXAS

ORDINANCE # 14-11

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS ALTERING THE PRIMA FACIE SPEED LIMITS ESTABLISHED FOR VEHICLES UNDER THE PROVISIONS OF TRANSPORTATION CODE, SECTION 545.356 UPON STATE HIGHWAY 205 GENERALLY FROM DARRIN DRIVE TO FM 552 / DALTON ROAD OR PARTS THEREOF, WITHIN THE CORPORATE CITY LIMITS OF THE CITY OF ROCKWALL, TEXAS, AS SET OUT IN THIS ORDINANCE; PROVIDING A PENALTY OF A FINE NOT TO EXCEED THE SUM OF $200.00 FOR EACH OFFENSE; PROVIDING FOR AN EFFECTIVE DATE.

CITY OF ROCKWALL, TEXAS

ORDINANCE NO. 14-09

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS AMENDING THE CODE OF ORDINANCES IN CHAPTER 32 *SIGNS*, ARTICLE I, *IN GENERAL* AND ARTICLE IV *PROHIBITED SIGNS; SECTIONS 32-1 AND 32-*

332; **INCORPORATING RECITALS; PROVIDING FOR SEVERABILITY; AND ADOPTING AN EFFECTIVE DATE.**

CITY OF ROCKWALL
ORDINANCE NO. 14-10
SPECIFIC USE PERMIT NO. S-119

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT ALLOWING FOR A DETACHED GARAGE WITH GUEST QUARTERS/SECONDARY LIVING UNIT, EXCEEDING THE MAXIMUM PERMISSIBLE HEIGHT OF 15-FT. FOR AN ACCESSORY STRUCTURE, ON A 0.40-ACRE PARCEL OF LAND IDENTIFIED AS LOT A, BLOCK 117, B.F. BOYDSTUN ADDITION, LOCATED AT 109 ST. MARY'S STREET, AND FURTHER DESCRIBED IN EXHIBIT "A" ATTACHED HERETO, AND ZONED (SF-7) SINGLE-FAMILY RESIDENTIAL DISTRICT; CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed unanimously of council present (7 ayes / 0 nays).

Regarding Consent Agenda item #8, Councilmember Pruitt expressed concern regarding the city applying for grant funding to fund this personnel position. He indicated that once the grant runs out, the city will be faced with either continuing to fund this personnel position or get rid of it. He is also concerned that the grant may be difficult to manage. Assistant Chief Kirk Riggs came forth and answered some questions of Councilmember Pruitt, including how much this grant will fund and what this staff member will be working on. City Manager Rick Crowley indicated that this staff position in the Police Department was one of the proposed positions that was proposed this past budget cycle, but that he did not recommend approval of it, strictly due to financial reasons - not that he did not believe it was/is a needed, worthwhile position. He provided some annual statistics related to family violence in the City of Rockwall over the last few years, indicating that the city has seen an increase in these cases. He shared that this grant is on an annual commitment basis, and the city would have to reapply for funding through this grant program in the second and third year; however, the city will have to kick in some level of funding for the first year.

After brief discussion, Councilmember Pruitt made a motion to approve this resolution and the associated grant application. Councilmember Lewis seconded the motion. Brief discussion took place related to providing things like office space and office equipment.

The motion passed unanimously of council (7 ayes to 0 nays).

XI. APPOINTMENTS

1. Appointment with Mark Spencer of MHS Planning and Design to discuss and consider authorizing Phelps Lake park improvements and take any action necessary.

City Manager Rick Crowley indicated that Mr. Spencer is not able to be in attendance this evening, so it is asked that the city council not address this item tonight and instead place it on the March 17 city council meeting agenda instead. No discussion took place related to this agenda item, and no action was taken by council.

2. Appointment with Mr. Marlyn Roberts to discuss screening at his business located at 2325 S. Goliad, and take any action necessary.

Mr. Roberts indicated that the city council was provided with a memo by city staff and that the memo has nothing to do with what he is here to address the city council about this evening. So, he requested that the council not take that memo into account in any way as he addresses the council this evening.

Mr. Roberts then shared photographs of his property, located at 2325 S. Goliad (Valvoline), and spoke to the council about his concerns related to the location of a storage shed that he keeps on his property for extra storage. He indicated that some have told him the current location of the shed is located in the flood plain; however, he contacted FEMA, and he does not believe it is located within the flood plain area.

Discussion then took place related to a citation Mr. Roberts was issued related to this storage unit. City Attorney Frank Garza indicated that the citation Mr. Roberts was issued has not yet made its way through the Municipal Court process at this time. So, this is really not an issue that the city council can legally address with Mr. Roberts at this time until the citation has worked its way through t he legal process.

City Attorney Frank Garza indicated that the city council previously denied Mr. Roberts' variance request when he sought permission from the City Council to allow him to have this outside storage unit. The council essentially, at that time, indicated that Mr. Roberts would not be allowed to have the outside storage unit on the property at all. Mr. Garza stated that there may be a waiting period before Mr. Roberts is able to re-request a variance of this sort from the Council. He will have to look into this matter.

Mr. Roberts generally indicated that he feels he has been harassed by the City Manager and the Code Enforcement Department. He stated he did not anticipate needing this extra storage when he built his business, but he later discovered that he does need this storage building in order to house his mower and lawn equipment.

Mayor Pro Tem White encouraged Mr. Roberts to re-start / initiate a new variance request process with city staff. The variance request will then work its way through the process and be brought back before city council for consideration and action.

Mr. Roberts indicated he will provide Councilmember Pruitt with a list of addresses elsewhere in the city where violations of city codes are taking place, yet city staff has not address those violations.

Mayor Pro Tem White asked City Manager Rick Crowley to personally meet with Mr. Roberts first thing tomorrow morning to assist him in working through applying for a variance request that will subsequently be heard by the city council as expeditiously as possible.

After brief, additional comments, the council took no action related to this agenda item.

XII. PUBLIC HEARING ITEMS

1. **Z2014-001** - Continue a public hearing to discuss and consider approval of an **ordinance** for a request by Tommy Pulliam on behalf of Rayburn Electric Cooperation, Inc. for the approval of a zoning change from Agricultural (Ag) District to a Heavy Commercial (HC) District for a 6.057-acre tract land identified as a portion of Tract 3-06 of the W. H. Barnes Survey, Abstract No. 26, Rockwall, Rockwall County, Texas, zoned Agricultural (Ag) District, located on the south side of Sids Road west of S. Goliad Street (SH-205), and take any action necessary. **(1st Reading)**

Mr. LaCroix, Planning Director, indicated that this is an agenda item that was previously on the council agenda last time, but the applicant was not able to attend. So the public hearing was opened and continued to this meeting. He gave brief background information related to this piece of property. Nine notices were mailed out to adjacent property owners, and no responses were received back. Planning & Zoning Commission did recommend approval of this item at one of its February meetings.

Mayor Sweet indicated this is a public hearing, and he called the applicant forth to speak if he wished. There being no one else wishing to come forth and speak, Mayor Sweet then closed the public hearing.

Mayor Pro Tem White made a motion to approve this agenda item (Z2014-001). Councilmember Daniels seconded the motion. After brief comments, the ordinance was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 14-___

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [ORDINANCE NO. 04-38] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED SO AS TO FURTHER AMEND THE ZONING MAP TO ADOPT A CHANGE IN ZONING FROM AN AGRICULTURAL (AG) DISTRICT TO A HEAVY COMMERCIAL (HC) DISTRICT FOR A 6.057-ACRE TRACT OF LAND IDENTIFIED AS A PORTION OF TRACT 3-06 OF THE W.H. BARNES SURVEY, ABSTRACT NO. 26, CITY AND COUNTY OF ROCKWALL, TEXAS AND MORE SPECIFICALLY DESCRIBED IN EXHIBIT "A" OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a vote of 7 ayes to 0 nays.

XIII. ACTION ITEMS

1. Discuss and consider amending the FY 2013-14 Budget in the amount of $65,000 for Myers Park pool repairs and operating expenses, and take any action necessary.

Assistant City Manager Brad Griggs provided brief background information related to this agenda item. Discussion took place related to the proposed dollar amount associated with the actual pool repairs versus the portion that will be used to hire and pay for staff at the pool. Assistant City Manager Brad Griggs indicated that about $46,000 of it will be utilized to pay for staff, with the remaining amount being used for the actual repairs. Assistant City

Manager Mary Smith indicated that about $10,000 in net revenue is anticipated for the user fees at the pool.

Mayor Sweet made a motion to amend the FY2013-14 Budget in the amount of $65,000 for Myers Park pool repairs and operating expenses. Councilmember Daniels seconded the motion, which passed unanimously of council (7ayes to 0 nays).

2. Discuss and consider approval of budgeted Yellow Jacket Park improvements and take any action necessary.

Parks Manager, Andy Hesser, came forth and provided information to the city council related to this agenda item. He explained the various improvements that are proposed to be made relative to this agenda item. Mayor Pro Tem White pointed out that the word "Yellowjacket" should be one word instead of two, separate words, especially on the proposed monument sign at the park.

Mayor Pro Tem White made a motion to approve the Yellowjacket Park Improvements. Councilmember Lewis seconded the motion, which passed by a vote of 7 ayes to 0 nays.

3. Discuss and consider appointments to the city's Architectural Review Board and Main Street Advisory Board, and take any action necessary.

Councilmember Milder indicated that he has an excellent candidate that he would like the council to consider for replacement of Clark Staggs on the Architectural Review Board. Councilmember Milder then made a motion to appoint Ashlei Neill to the Architectural Review Board to replace Clark Staggs (partial term appointment expiring in August of 2015). Mayor Pro Tem White seconded the motion, which passed by a vote of 7 ayes to 0 nays.

Mayor Sweet made a recommendation to the Council that they consider appointing Claudette Hatfield to serve on the city's Main Street Advisory Board to replace former member Lori Lawing with an initial term to expire in January of 2016. Mayor Pro Tem White seconded the motion, which passed by a vote of 7 ayes to 0 nays.

XIV. CITY MANAGER'S REPORT TO DISCUSS CURRENT CITY ACTIVITIES, UPCOMING MEETINGS, FUTURE LEGISLATIVE ACTIVITIES, AND OTHER RELATED MATTERS.

1. Departmental Reports
Building Inspections Monthly Report - January 2014
Fire Dept. Monthly Reports - January 2014
Harbor PD Monthly Report - January 2014
Internal Operations Department Monthly Report - January 2014
Police Department Monthly Report - January 2014
Rockwall Animal Adoption Center - January 2014
Recreation Monthly Report - January 2014

2. City Manager's Report

City Manager Rick Crowley pointed out that TXDOT will be holding a public meeting later this week to discuss the rerouting and rebuilding of SH-276 from SH-205 to FM-549. He stated that this project has not yet received state funding, but it is a top priority project of the countywide planning consortium.

Mr. Crowley indicated that the three incumbents on city council did not draw any opponents for the city's May General Election, so staff will be bringing forth an agenda item to the city

council at the next meeting to cancel the city's previously called election. City Secretary Kristy Ashberry indicated that cancelling the election will result in a $75.00 cancellation fee that will be paid to Rockwall County, who was slated through a contract to facilitate the election on the city's behalf.

There will be a Chamber partnership breakfast this Thursday morning at 7:30 a.m., and the new Rockwall Baseball / Softball League will hold its opening ceremonies at Tuttle Field this Saturday morning between 8:00 and 10:00 a.m.

Aqua Texas will begin removal of the decommission of the wastewater treatment plant about March 10th.

He indicated that staff is evaluating council member availability for June 12-14, 2014 for a planning retreat.

The council did not reconvene in Executive Session following the close of the public meeting.

XV. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding the following legal claim: TF-Harbor LLC v. City of Rockwall, Texas and Rockwall Rental Properties L.P. pursuant to Section 551.071 (Consultation with Attorney)
2. Discussion regarding the appointment, evaluation and possible replacement for a member of a City Board pursuant to Section 551.071 (Consultation with Attorney) and Section 551.074 (Personnel Matters).

XVI. RECONVENE PUBLIC MEETING & TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

Council did not reconvene in Executive Session.

XVII. ADJOURNMENT

Mayor Sweet adjourned the public meeting at 7:38 p.m.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 17th day of March, 2014.

City of Rockwall
The New Horizon

MEMORANDUM

TO: Rick Crowley, City Manager

FROM: Timothy M. Tumulty, Director of Public Works/City Engineer

DATE: March 13, 2014

SUBJECT: Ratification of Expenses For IH 30 Water Line Repair

Back in late December and early January, the 16 inch diameter water line along the westbound service road of Interstate 30 developed a leak. The water leak maintained a steady stream of flow within the existing bar ditch. Under normal operating procedures, Utilities personnel started locating existing water valves on the 16 inch diameter water line so that a shut down could occur on the impacted area of the system thus allowing repairs. The existing 16 inch water main is a reinforced concrete steel cylinder pipe that was installed in the 1980s. When this type of pipe is damaged or develops a leak, it requires a welder to make the repair once the water has been shut-off.

For several weeks, our staff searched for a covered valve that prohibited the shut down of this system. There is a possibility that an existing valve will not completely close thus prohibiting a complete shut down needed for repairs. One option was to shut down the flow from Southside Elevated Tank. With limited cross connections from the south side of Interstate 30, the potential shut down area included all business along IH 30 from Greencrest Drive to Horizon Road to Turtle Cove/Lakeside neighborhoods and businesses along FM 740. This was not an option especially during the Christmas/New Year season. The other issue involved with this type of shut down created water hammer in the system which impacted existing water lines in nearby neighborhoods along FM 740 back towards SH 66.

The only option was to hire a company to mobilize on site and insert two plugs into the water line adjacent to the leak and shut down the section. Once the plugs were in place, another contractor was brought in to make the repairs. Instead of welding the bad section of the pipe to stop the leak, staff decided to install a 16 inch gate valve so that future isolation would limit the shut down area. The cost for the contractor to perform this repair work $42,200.66. Under State Law, this work can be performed without compliance to State biddings laws if it is deemed and emergency which it was.

Staff recommends City Council ratify the expenditure to Utilitex Construction, LLP for the emergency repairs to the 16 inch diameter water line along IH 30 at a cost of $42,200.66. This work was funded out of Utilities Operations budget.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Lea Ann Ewing, Purchasing Agent**

DATE: **March 11, 2014**

SUBJECT: **Contract Mowing Agreement Extension**

Contract mowing services include mowing of right-of-ways, street medians, 2 closed landfill locations, drainage easements and debris removal. The City received competitive sealed bids for this service in March 2013. A contract was then awarded to 3-D Mowing Services of Rockwall by the City Council for an April 1, 2013 start date. The current mowing contract amount is $40,291.

The contract terms allow for annual extension at the end of the initial contract period for up to three consecutive years should the scope of work, pricing and bid terms/conditions remain the same. The contractor has agreed to a contract extension with no amendments. Staff has determined that it would be in the best interest of the City to renew the current contract at 2013 unit prices.

Staff asks the City Council to consider this extension in the amount of $40,291. Funding for mowing services was approved in FY 2013-2014 General Fund, Parks Department operating budget and the renewal contract cost of this service is within budget.

CITY OF ROCKWALL, TEXAS

ORDINANCE NO. 14-__

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS DECLARING UNOPPOSED CANDIDATES FOR THE OFFICES OF CITY COUNCILMEMBER PLACE 2, CITY COUNCILMEMBER PLACE 4, AND CITY COUNCILMEMBER PLACE 6 AS ELECTED; PROVIDING THAT THE MAY 10, 2014, GENERAL MUNICIPAL ELECTION SHALL NOT BE HELD; REPEALING ALL ORDINANCES OR PARTS OF ORDINANCES IN CONFLICT THEREWITH; PROVIDING A SAVINGS CLAUSE; PROVIDING A SEVERABILITY CLAUSE; FINDING AND DETERMINDING THAT THE MEETING AT WHICH THIS ORDINANCE WAS PASSED WAS OPEN TO THE PUBLIC AS REQUIRED BY LAW; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City Council of the City of Rockwall, Texas, adopted Resolution No. 14-03 on February 3, 2014, attached hereto as Exhibit 'A', ordering a general election to be held on May 10, 2014, for the purpose of electing three officials of the City, to wit: City Councilmember Place 2, City Councilmember Place 4, and City Councilmember Place 6; and

WHEREAS, pursuant to Sections 143.007 and 146.054, Texas Election Code, the deadline for filing applications for a place on the ballot and declaration of write-in candidacy for the City's general election have expired; and

WHEREAS, the City Secretary, in accordance with Section 2.052, Texas Election code, has certified in writing, attached hereto as Exhibit 'B', to the city council that Jim Pruitt is unopposed for election to the office of Councilmember Place 2, Jim Pruitt is unopposed for election to the office of Councilmember Place 2, Dennis Lewis is unopposed for election to the office of Councilmember Place 4, and Mike Townsend is unopposed for election to the office of Councilmember Place 6; and

WHEREAS, the City Council herby finds and determines that the candidates whose names are to appear on the ballot in said election are unopposed, there are no declared write-in candidates, and no propositions to appear on the ballot for said election;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THAT:

Section 1. The facts and matters set forth in the preamble of this Ordinance are hereby found to be true and correct.

Section 2. In accordance with Section 2.053(a), Texas Election Code, the following unopposed candidates are hereby declared duly elected to the respective offices for a term of two years, and shall be issued a certificate of election following the date on which the general election for Mayor and Councilmembers was to have been held:

Jim Pruitt, Place 2
Dennis Lewis, Place 4
Mike Townsend, Place 6

Section 3. Pursuant to Section 2.053(b), Texas Election code, the regular municipal election for Councilmember Place 2, Councilmember Place 4, and Councilmember Place 6 called and ordered by Resolution No. 14-03, for May 10, 2014, shall not be held and is hereby canceled.

Section 4. The City Secretary is hereby directed to cause a copy of this Ordinance to be posted on Election Day, same being May 10, 2014, at all posting places that would have been used in such election.

Section 5. Term of office for the Mayor and Councilmembers shall commence on May 19, 2014 after the Oath of office has been administered and executed.

Section 6. All ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed to the extent of such conflict.

Section 7. The Code of the City of Rockwall, Texas, as amended, shall remain in full force and effect, save and except as amended by this ordinance.

Section 8. Should any section, paragraph, sentence, clause, phrase or word of this ordinance be declared unconstitutional or invalid for any purpose by a court of competent jurisdiction, the remainder of this ordinance shall not be affected thereby, and to this end the provisions of this ordinance are declared to be severable.

Section 9. It is hereby found and determined that the meeting at which this ordinance was passed was open to the public as required by Section 551.001 et seq., Texas Government Code, and that advance public notice of the time, place and purpose of said meeting was given.

Section 10. This Ordinance shall take effect immediately upon its second reading as required by the City Charter, Section 3.11.

PRESENTED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS THIS 7th DAY OF APRIL, 2014.

MEMORANDUM

TO: Honorable Mayor and City Council Members

FROM: Kristy Ashberry, City Secretary

DATE: March 12, 2014

SUBJECT: Ordinance cancelling May 10, 2014 election

As you know, each of the incumbent council members currently serving in Places 2, 4 and 6 drew no opponents for the May 10, 2014 General Election. As such, the city council must cancel the previously called election through passage of the ordinance included in your packets for consideration. The City of Rockwall had entered into a joint election contract with the Rockwall County Elections Administrator and the Rockwall ISD for conducting said election. In light of Rockwall being able to cancel its election and in accordance with provisions of the contract, a $75 check will be issued to Rockwall County in order to cancel the contract.

CITY OF ROCKWALL

ORDINANCE NO. 14-12

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [ORDINANCE NO. 04-38] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED SO AS TO FURTHER AMEND THE ZONING MAP TO ADOPT A CHANGE IN ZONING FROM AN AGRICULTURAL (AG) DISTRICT TO A HEAVY COMMERCIAL (HC) DISTRICT FOR A 6.057-ACRE TRACT OF LAND IDENTIFIED AS A PORTION OF TRACT 3-06 OF THE W.H. BARNES SURVEY, ABSTRACT NO. 26, CITY AND COUNTY OF ROCKWALL, TEXAS AND MORE SPECIFICALLY DESCRIBED IN EXHIBIT "A" OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City has received a request from Tommy Pulliam on behalf of Rayburn Electric Cooperative, for an amendment to the Unified Development Code [Ordinance No. 04-38] of the City of Rockwall to adopt a change in zoning from an Agricultural (Ag) District to a Heavy Commercial (HC) District for a 6.057-acre tract of land identified as a portion of tract 3-06 of the W.H. Barnes Survey, Abstract No. 26, City and County of Rockwall, Texas, and more specifically described in Exhibit "A" of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area, and in the vicinity thereof, and the governing body in the exercise of its legislative discretion, has concluded that the Unified Development Code should be amended as follows:

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

Section 1. That the Unified Development Code [Ordinance No. 04-38] of the City of Rockwall, Texas, as heretofore amended, be and the same are hereby amended by amending the zoning map of the City of Rockwall so as to change the zoning from an Agricultural (Ag) District to a Heavy Commercial (HC) District for the *Subject Property*; and

Section 2. That the *Subject Property* shall be used only in the manner and for the purposes provided for in *Section 4.7, "Heavy Commercial (HC) District", Article V, "District Development Standards", of the Unified Development Code* of the City of Rockwall as heretofore amended, as amended herein by granting of this zoning change, and as may be amended in the future.

Section 3. That the official zoning map of the City be corrected to reflect the changes in the

zoning described herein.

Section 4. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of two thousand dollars ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 5. If any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code of the City of Rockwall, Texas, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable.

Section 6. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be and the same are hereby repealed, and all other ordinances of the City of Rockwall not in conflict with the provisions of this ordinance shall remain in full force and effect.

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, ON THIS THE ____ DAY OF _____, 2014.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 03/17/2014

APPLICANT: Ron Ramirez, *Weir & Associates, Inc.*

AGENDA ITEM: **P2014-008**; *Lot 1, Block A & Lot 1, Block B, Channell Subdivision*

SUMMARY:

Discuss and consider a request by Ron Ramirez of Wier & Associates, Inc. on behalf of Ken Keeton of the Rockwall Economic Development Corporation (REDC) for the approval of a final plat for Lot 1, Block A & Lot 1, Block B, Channell Subdivision and for the dedication of Justin Road right-of-way being a 37.828-acre tract of land located within the Archibald Hanna Survey, Abstract No. 99, the N. Butler Survey, Abstract No. 20 and the David Harr Survey, Abstract No. 102, Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) and Agriculture (AG) District, situated within the SH-205 By-Pass Corridor Overlay (205 BY-OV) District, located in between John King Boulevard and Industrial Boulevard north of Interstate Highway 30 (IH-30), and take any action necessary.

COMMENTS:

- ✓ The objective of this request is to subdivide a 37.828-acre tract of land into two (2) non-residential lots [*Lot 1, Block A: 18.775-acres; Lot 1, Block B: 15.554-acres*] and to indicate the location of the dedication of 3.499-acres of right-of-way for the future alignment of Justin Road.

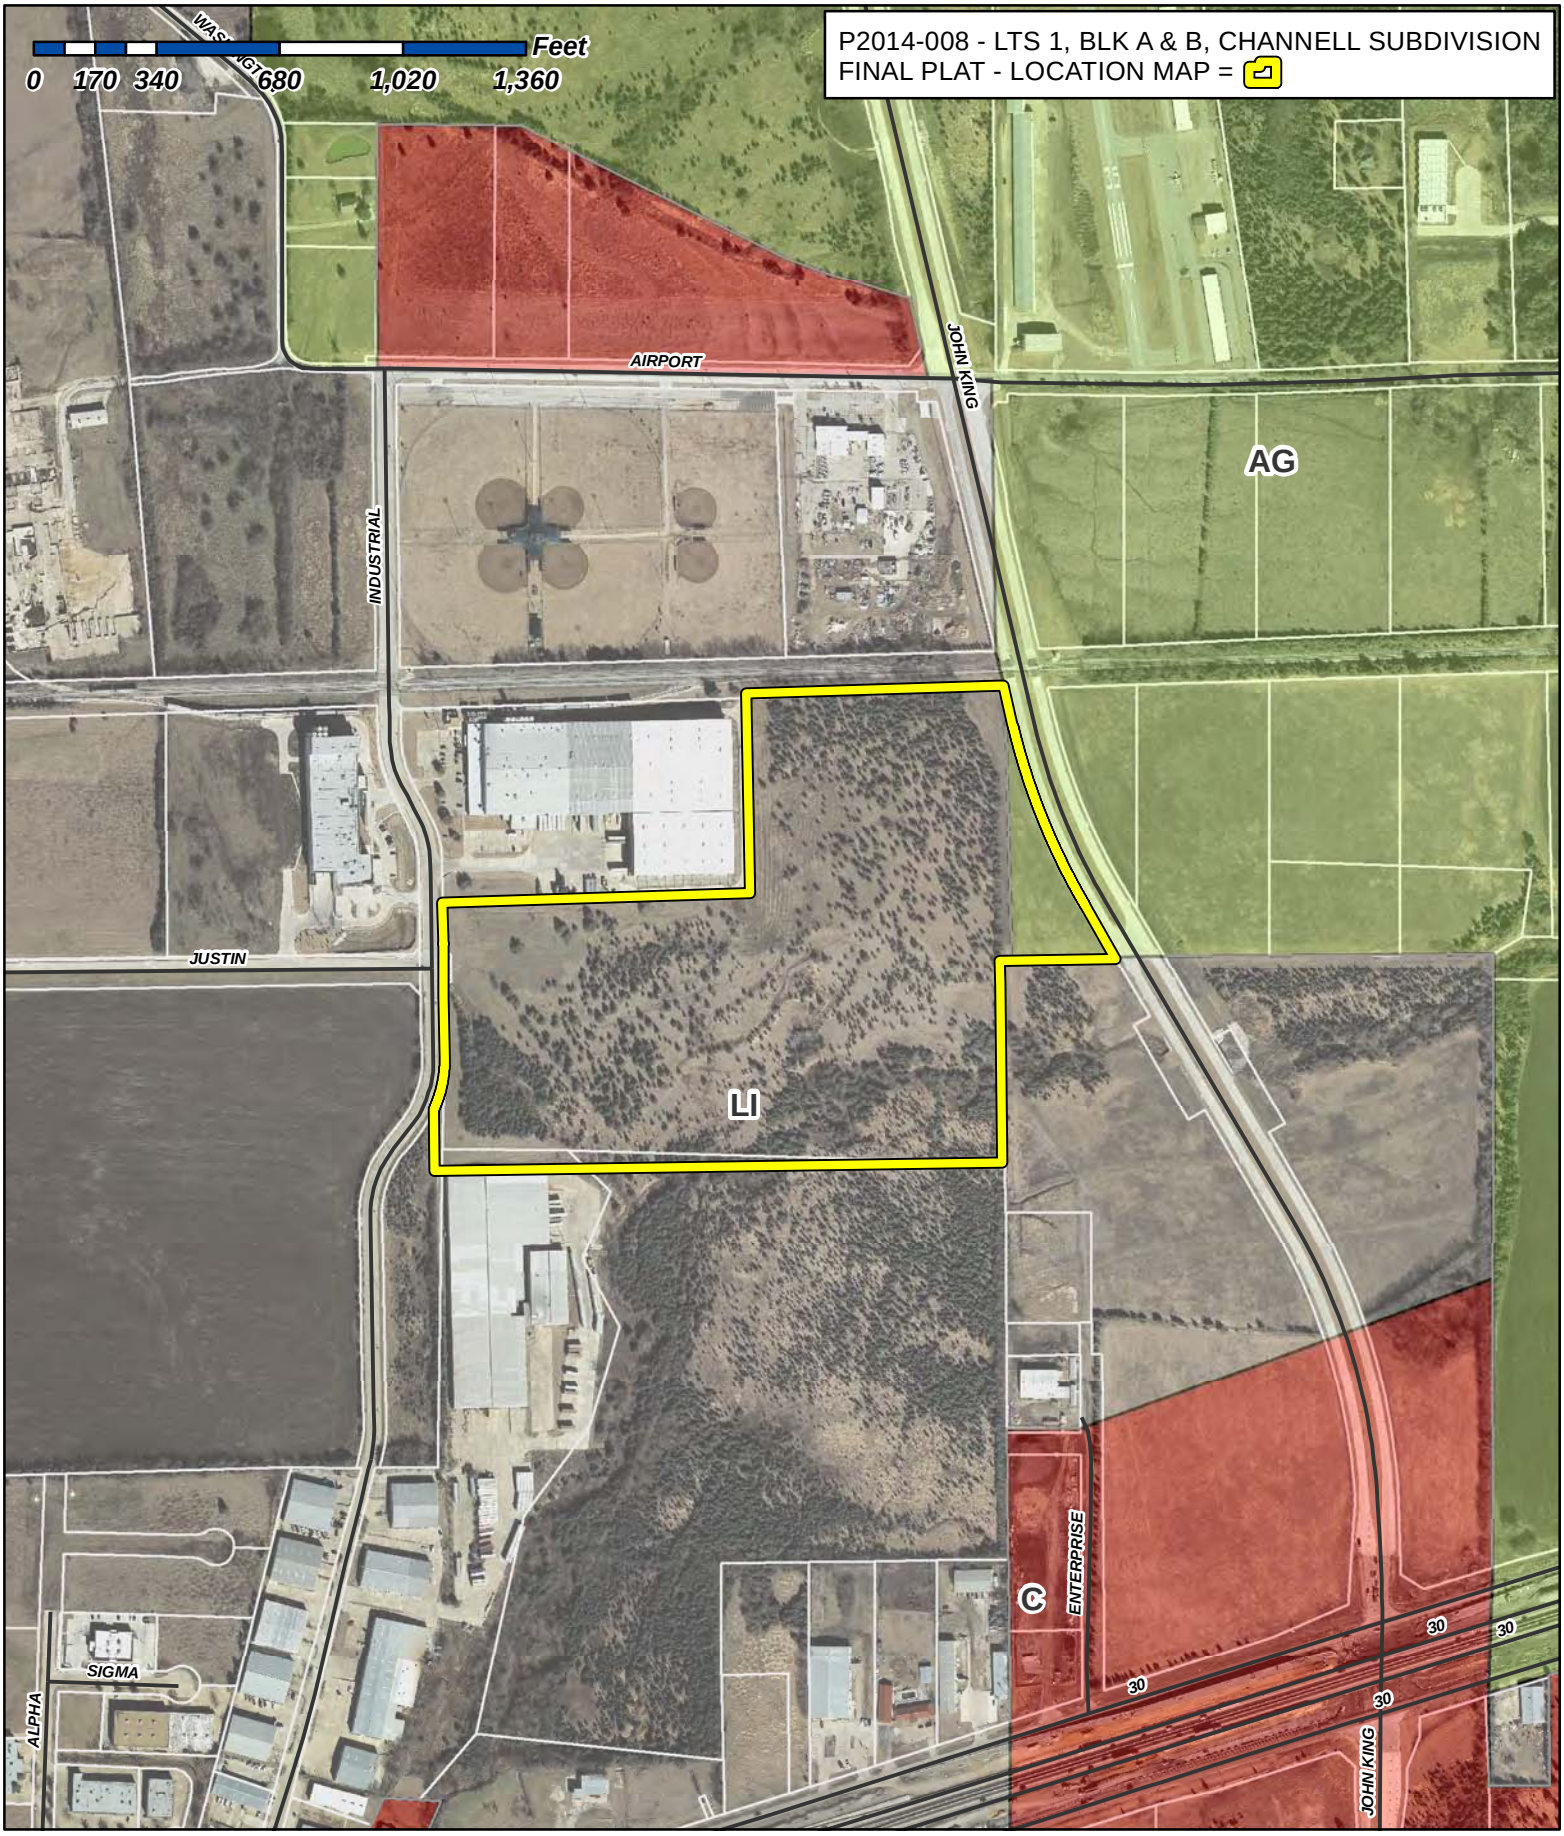
- ✓ In addition to the final plat the applicant has submitted a tree mitigation plan that shows conformance to all landscaping and tree mitigation requirements (*reference Case No. MIS2014-001*).

- ✓ The Surveyor has completed the majority of the technical revisions requested by staff, and this plat, conforming to the requirements for final plats as stated in the Subdivision Ordinance in the Municipal Code of Ordinances, is recommended for conditional approval pending the completion of final technical modifications and submittal requirements.

- ✓ Conditional approval of this plat by the City Council shall constitute approval subject to the conditions stipulated in the *Recommendation* section below.

With the exception of the items listed in the *Recommendation* section of this case memo, this plat is in substantial compliance with the requirements of the *Subdivision Ordinance* in the Municipal Code of Ordinances.

RECOMMENDATIONS:



Staff recommends approval of the final plat for *Lot 1, Block A & Lot 1, Block B, Channell Subdivision* and for the dedication of right-of-way for Justin Road in conformance with the following conditions of approval:

1) All technical comments from the Engineering, Planning and Fire Departments shall be addressed prior to the filing of this plat;

2) Any construction resulting from the approval of this *final plat* shall conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING & ZONING COMMISSION:

On March 11, 2014 the Planning & Zoning Commission recommended approval of the final plat by a vote of 4-0, with Commissioners Nielsen, Conley and Lyons absent.

THENCE N 88°07'13" E, DEPARTING THE EAST RIGHT-OF-WAY LINE OF SAID INDUSTRIAL BOULEVARD, ALONG THE NORTHERLY LINE OF SAID REDC TRACT 1 AND THE SOUTH LINE OF SAID ROCKWALL INDUSTRIAL EAST, 850.17 FEET TO A POINT, FROM WHICH A 1" IRON ROD FOUND IN CONCRETE BEARS N 50°24' W, 0.4 FEET;

THENCE N 01°03'38" W, ALONG THE NORTHERLY LINE OF SAID REDC TRACT 1 AND THE EAST LINE OF SAID ROCKWALL INDUSTRIAL EAST, 550.29 FEET TO 1/2" IRON ROD FOUND IN THE SOUTH RIGHT-OF-WAY LINE OF UNION PACIFIC RAILROAD (A CALLED 100' RIGHT-OF-WAY), SAID IRON ROD BEING THE NORTHWEST CORNER OF SAID REDC TRACT 1 AND THE NORTHEAST CORNER OF SAID ROCKWALL INDUSTRIAL EAST;

THENCE ALONG THE SOUTH RIGHT-OF-WAY LINE OF SAID UNION PACIFIC RAILROAD AS FOLLOWS:

(1) N 88°10'00" E, ALONG THE NORTH LINE OF SAID REDC TRACT 1, A DISTANCE OF 693.99 FEET TO A 1/2" IRON ROD SET WITH A CAP STAMPED "WIER & ASSOC INC" (HEREIN AFTER DENOTED TO AS 1/2" IRON ROD SET), SAID IRON ROD SET BEING THE NORTHEAST CORNER OF SAID REDC TRACT 1 AND THE NORTHWEST CORNER OF SAID REDC TRACT 2;

(2) N 88°16'13" E, ALONG THE NORTH LINE OF SAID REDC TRACT 2, A DISTANCE OF 16.20 FEET TO 1/2" IRON ROD SET IN THE WEST RIGHT-OF-WAY LINE OF JOHN KING BOULEVARD (AN UNRECORDED 120' RIGHT-OF-WAY);

THENCE ALONG THE WEST RIGHT-OF-WAY LINE OF SAID JOHN KING BOULEVARD AND THE EAST LINE OF SAID REDC TRACT 2 AS FOLLOWS:

(1) S 13°13'35" E, 112.68 FEET TO A 1/2" IRON ROD SET, BEING THE BEGINNING OF A CURVE TO THE LEFT;

(2) SOUTHEASTERLY, AN ARC LENGTH OF 540.49 FEET ALONG SAID CURVE TO THE LEFT, HAVING A RADIUS OF 1,810.00 FEET, A DELTA ANGLE OF 17°06'33", AND A CHORD BEARING OF S 21°54'26" E, 538.48 FEET TO A 1/2" IRON ROD SET;

(3) S 30°27'42" E, AT 46.15 FEET PASSING A 1/2" IRON ROD SET, SAID IRON ROD BEING A SOUTHEASTERLY CORNER OF SAID REDC TRACT 2 AND THE NORTHEAST END OF A RADIAL CORNER CLIP IN THE NORTH RIGHT-OF-WAY LINE OF PROPOSED JUSTIN ROAD (PROPOSED VARIABLE WIDTH RIGHT-OF-WAY), AND CONTINUING FOR A TOTAL DISTANCE OF 166.16 FEET TO A 1/2" IRON ROD SET IN THE NORTH LINE OF A TRACT OF LAND DESCRIBED IN A DEED TO TEMUNOVIC PARTNERSHIP, LTD., RECORDED IN VOLUME 7038, PAGE 314, D.R.R.C.T.;

THENCE S 88°58'42"W, DEPARTING THE WEST RIGHT-OF-WAY LINE OF SAID JOHN KING BOULEVARD, ALONG THE NORTH LINE OF SAID TEMUNOVIC TRACT, 318.74 FEET TO A POINT, SAID POINT BEING THE NORTHWEST CORNER OF SAID TEMUNOVIC TRACT AND IN THE EAST LINE OF SAID REDC TRACT 1, FROM WHICH A 1/2" IRON ROD FOUND WITH A CAP STAMPED "R.S.C.I. RPLS 5034" BEARS N 87°29' E, 2.9 FEET;

THENCE S 00°38'16" E, ALONG THE EAST LINE OF SAID REDC TRACT 1 AND THE WEST LINE OF SAID TEMUNOVIC TRACT, 557.25 FEET TO A 1/2" IRON ROD FOUND WITH A CAP STAMPED "R.S.C.I. RPLS 5034", SAID IRON ROD BEING THE SOUTHEAST CORNER OF SAID REDC TRACT 1 AND THE NORTHEAST CORNER OF A TRACT OF LAND DESCRIBED IN A DEED TO ROCKWALL STEEL COMPANY, INC., RECORDED IN VOLUME 752, PAGE 28, D.R.R.C.T.;

THENCE S 89°10'19" W, DEPARTING THE WEST LINE OF SAID TEMUNOVIC TRACT AND ALONG THE SOUTH LINE OF SAID REDC TRACT 1 AND THE NORTH LINE OF SAID ROCKWALL STEEL COMPANY TRACT, A DISTANCE OF 1,567.46 FEET TO A 1/2" IRON ROD FOUND WITH A CAP STAMPED "R.S.C.I. RPLS 5034" IN THE EAST LINE OF A TRACT OF LAND DESCRIBED IN A DEED TO NAN A. SMART, W.I. LOFLAND AND JULIANA BOND, RECORDED IN VOLUME 70, PAGE 183, D.R.R.C.T., SAID IRON ROD BEING THE SOUTHWEST CORNER OF SAID REDC TRACT 1 AND THE NORTHWEST CORNER OF SAID ROCKWALL STEEL COMPANY TRACT;

THENCE N 00°58'22" W, ALONG THE WEST LINE OF SAID REDC TRACT 1 AND THE EAST LINE OF SAID SMART TRACT, 168.13 FEET TO A POINT IN THE EAST RIGHT-OF-WAY LINE OF SAID INDUSTRIAL BOULEVARD, BEING THE BEGINNING OF A CURVE TO THE LEFT, FROM WHICH A 1/2" IRON ROD FOUND WITH A CAP STAMPED "R.S.C.I. RPLS 5034" BEARS S 00°58' E, 0.5 FEET;

THENCE ALONG THE WEST LINE OF SAID REDC TRACT 1 AND THE EAST RIGHT-OF-WAY LINE OF SAID INDUSTRIAL BOULEVARD AS FOLLOWS:

(1) NORTHEASTERLY, AN ARC LENGTH OF 149.10 FEET ALONG SAID CURVE TO THE LEFT, HAVING A RADIUS OF 332.50 FEET, A DELTA ANGLE OF 25°41'35", AND A CHORD BEARING OF N 11°47'58" E, 147.86 FEET TO A 1/2" IRON ROD SET;

(2) N 01°03'48" W, 424.52 FEET TO THE PLACE OF BEGINNING AND CONTAINING 37.828 ACRES (1,647,788 SQ. FT.) OF LAND, MORE OR LESS.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

STATE OF TEXAS
COUNTY OF ROCKWALL

I THE UNDERSIGNED OWNER OF THE LAND SHOWN ON THIS PLAT, AND DESIGNATED HEREIN AS LOT 1, BLOCK A AND LOT 1, BLOCK B, CHANNELL SUBDIVISION AND JUSTIN ROAD RIGHT-OF-WAY TO THE CITY OF ROCKWALL, TEXAS, AND WHOSE NAME IS SUBSCRIBED HERETO, HEREBY DEDICATE TO THE USE OF THE PUBLIC FOREVER ALL STREETS, ALLEYS, PARKS, WATER COURSES, DRAINS, EASEMENTS AND PUBLIC PLACES THEREON SHOWN ON THE PURPOSE AND CONSIDERATION THEREIN EXPRESSED. I FURTHER CERTIFY THAT ALL OTHER PARTIES WHO HAVE A MORTGAGE OR LIEN INTEREST IN THE NAME OF ADDITION AND JUSTIN ROAD RIGHT-OF-WAY HAVE BEEN NOTIFIED AND SIGNED THIS PLAT.

I UNDERSTAND AND DO HEREBY RESERVE THE EASEMENT STRIPS SHOWN ON THIS PLAT FOR THE PURPOSES STATED AND FOR THE MUTUAL USE AND ACCOMMODATION OF ALL UTILITIES DESIRING TO USE OR USING SAME. I ALSO UNDERSTAND THE FOLLOWING;

1. NO BUILDINGS SHALL BE CONSTRUCTED OR PLACED UPON, OVER, OR ACROSS THE UTILITY EASEMENTS AS DESCRIBED HEREIN.

2. ANY PUBLIC UTILITY SHALL HAVE THE RIGHT TO REMOVE AND KEEP REMOVED ALL OR PART OF ANY BUILDINGS, FENCES, TREES, SHRUBS, OR OTHER GROWTHS OR IMPROVEMENTS WHICH IN ANY WAY ENDANGER OR INTERFERE WITH CONSTRUCTION, MAINTENANCE OR EFFICIENCY OF THEIR RESPECTIVE SYSTEM ON ANY OF THESE EASEMENT STRIPS; AND ANY PUBLIC UTILITY SHALL AT ALL TIMES HAVE THE RIGHT OF INGRESS OR EGRESS TO, FROM AND UPON THE SAID EASEMENT STRIPS FOR PURPOSE OF CONSTRUCTION, RECONSTRUCTION, INSPECTING, PATROLLING, MAINTAINING, AND EITHER ADDING TO OR REMOVING ALL OR PART OF THEIR RESPECTIVE SYSTEM WITHOUT THE NECESSITY OF, AT ANY TIME, PROCURING THE PERMISSION OF ANYONE.

3. THE CITY OF ROCKWALL WILL NOT BE RESPONSIBLE FOR ANY CLAIMS OF ANY NATURE RESULTING FROM OR OCCASIONED BY THE ESTABLISHMENT OF GRADE OF STREETS IN THE SUBDIVISION.

4. THE DEVELOPER AND ENGINEER SHALL BEAR TOTAL RESPONSIBILITY FOR STORM DRAIN IMPROVEMENTS.

5. THE DEVELOPER SHALL BE RESPONSIBLE FOR THE NECESSARY FACILITIES TO PROVIDE DRAINAGE PATTERNS AND DRAINAGE CONTROLS SUCH THAT PROPERTIES WITHIN THE DRAINAGE AREA ARE NOT ADVERSELY AFFECTED BY STORM DRAINAGE FROM THE DEVELOPMENT.

6. NO HOUSE DWELLING UNIT, OR OTHER STRUCTURE SHALL BE CONSTRUCTED ON ANY LOT IN THIS ADDITION BY THE OWNER OR ANY OTHER PERSON UNTIL THE DEVELOPER AND/OR OWNER HAS COMPLIED WITH ALL REQUIREMENTS OF THE SUBDIVISION REGULATIONS OF THE CITY OF ROCKWALL REGARDING IMPROVEMENTS WITH RESPECT TO THE ENTIRE BLOCK ON THE STREET OR STREETS ON WHICH PROPERTY ABUTS, INCLUDING THE ACTUAL INSTALLATION OF STREETS WITH THE REQUIRED BASE AND PAVING, CURB AND GUTTER, WATER AND SEWER, DRAINAGE STRUCTURES, STORM STRUCTURES, STORM SEWERS, AND ALLEYS, ALL ACCORDING TO THE SPECIFICATIONS OF THE CITY OF ROCKWALL; OR

UNTIL AN ESCROW DEPOSIT, SUFFICIENT TO PAY FOR THE COST OF SUCH IMPROVEMENTS, AS DETERMINED BY THE CITY'S ENGINEER AND/OR CITY ADMINISTRATOR, COMPUTED ON A PRIVATE COMMERCIAL RATE BASIS, HAS BEEN MADE WITH THE CITY SECRETARY, ACCOMPANIED BY AN AGREEMENT SIGNED BY THE DEVELOPER AND/OR OWNER, AUTHORIZING THE CITY TO MAKE SUCH IMPROVEMENTS AT PREVAILING PRIVATE COMMERCIAL RATES, OR HAVE THE SAME MADE BY A CONTRACTOR AND PAY FOR THE SAME OUT OF THE ESCROW DEPOSIT, SHOULD THE DEVELOPER AND/OR OWNER FAIL OR REFUSE TO INSTALL THE REQUIRED IMPROVEMENTS WITHIN THE TIME STATED IN SUCH WRITTEN AGREEMENT, BUT IN NO CASE SHALL THE CITY BE OBLIGATED TO MAKE SUCH IMPROVEMENTS ITSELF. SUCH DEPOSIT MAY BE USED BY THE OWNER AND/OR DEVELOPER AS PROGRESS PAYMENTS AS THE WORK PROGRESSES IN MAKING SUCH IMPROVEMENTS BY MAKING CERTIFIED REQUISITIONS TO THE CITY SECRETARY, SUPPORTED BY EVIDENCE OF WORK DONE; OR

UNTIL THE DEVELOPER AND/OR OWNER FILES A CORPORATE SURETY BOND WITH THE CITY SECRETARY IN A SUM EQUAL TO THE COST OF SUCH IMPROVEMENTS FOR THE DESIGNATED AREA, GUARANTEEING THE INSTALLATION THEREOF WITHIN THE TIME STATED IN THE BOND, WHICH TIME SHALL BE FIXED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL.

I FURTHER ACKNOWLEDGE THAT THE DEDICATIONS AND/OR EXACTION'S MADE HEREIN ARE PROPORTIONAL TO THE IMPACT OF THE SUBDIVISION UPON THE PUBLIC SERVICES REQUIRED IN ORDER THAT THE DEVELOPMENT WILL COMPORT WITH THE PRESENT AND FUTURE GROWTH NEEDS OF THE CITY; I, MY SUCCESSORS AND ASSIGNS HEREBY WAIVE ANY CLAIM, DAMAGE, OR CAUSE OF ACTION THAT I (WE) MAY HAVE AS A RESULT OF THE DEDICATION OF EXACTIONS MADE HEREIN.

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Timothy M. Tumulty, Director of Public Works/City Engineer**

DATE: **March 7, 2014**

SUBJECT: **Construction Contract Award – Evans Road Drainage Improvements**

Background:
Evans Road has been identified as needing drainage improvements due to the collapse of the existing box culvert under the roadway. The improvements project consists of 37 linear feet of double 4'x3' box culverts, headwalls, guard rail and replacement of asphalt pavement.

The City received and opened bids on March 6, 2014 and are as follows:

1. Lone Star Utilities $67,357.00
2. War Horse Enterprises $71,700.70
3. Jim Bowman Construction $80,969.50
4. Double R Utilities $104,974.00

Lone Star Utilities has constructed private development projects within the City and demonstrates the experience and resources to suitably complete a drainage improvements project.

Financial Implications:
Funding for this project is available in the Drainage Fund.

Action Desired/Recommendation:
Staff recommends Council consideration to approve the award of the Evans Road Drainage Improvements construction contract to Lone Star Utilities, in the amount of $67,357.00.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Timothy M. Tumulty, Director of Public Works/City Engineer**

DATE: **March 6, 2014**

SUBJECT: **Construction Contract Award – Northshore Lift Station Improvements**

Background:
The Northshore Lift Station has been identified as needing rehabilitation and to meet compliance with the TCEQ Sanitary Sewer Overflow Initiative Program. The project encompasses the conversion of an existing dry pit wet well lift station to a submersible pump wet well lift station with the abandonment of the existing dry pit and pumps, the addition of new pumps, valve vault, control panel and electrical components and site improvements.

The City received and opened bids on February 20, 2014 and are as follows:

1. RAMA Enterprises, LLC $417,962.00
2. Venus Construction $441,000.00
3. Red River Construction Co. $458,020.00

The experience and references provided with the low bid demonstrate RAMA Enterprises has the resources to suitably complete a lift station rehabilitation project.

Financial Implications:
Funding for this project is available in current water/sewer revenues.

Action Desired/Recommendation:
Staff recommends Council consideration to approve the award of the Northshore Lift Station Improvements construction contract to RAMA Enterprises, in the amount of $417,962.00.

Re: Northshore Lift Station Rehabilitation
Bid Award Recommendation

Dear Mr. Tumulty:

We have checked the bids received at 2:00 p.m., Thursday, February 20, 2014, for the Northshore Lift Station Rehabilitation project. Three bids were received and we found no errors or irregularities with the bids. We are enclosing a copy of the Bid Summary and itemized Bid Tabulation for your reference.

RAMA Enterprises, LLC of Dallas, Texas, submitted the low bid in the amount of $417,962.00 for the Northshore Lift Station Rehabilitation project. We have reviewed their statement of qualifications and references provided and find that RAMA Enterprises has a record of satisfactorily completing similar projects.

Accordingly, based on the information we have available to us, we recommend the City accept the bid from RAMA Enterprises, LLC and award them a contract in the amount of $417,962.00 for construction of the Northshore Lift Station Rehabilitation project.

We are available to discuss this project and our recommendation further at your convenience.

Sincerely yours,

Matt Hickey, P.E.

MEMORANDUM

To: Ms. Kathleen Moreno, P.E.

From: Mr. Matt Hickey

Date: February 21, 2014

Subject: Northshore Lift Station – Bid Results

Our opinion of probable project cost for the Northshore Lift Station project was $260,000. The Northshore Lift Station Rehabilitation project low bid price is $417,962.00, $157,962 ($417,962-$260,000) over our opinion of probable construction cost.

The following is a breakdown of the lump sum items in Pay Item 1 bid by Rama Construction on February 20, 2014:

1. Pumps - $60,000
2. Electrical/Controls/SCADA - $95,000
3. Mechanical (Valves, Piping) - $28,500
4. Labor & Equipment - $47,000

Total Pay Item 1 $230,500

The following is a summary of the major difference between our opinion of construction cost and the bid price:

1. Our opinion of probable construction cost included $80,000 for the pumps, controls and pump accessories based on a budget quote we received over the phone from Flygt. The main issue in our opinion of cost is we did not have a separate line item for electrical. The contractor's price for these items totaled $155,000 ($60,000 + $95,000), an overage of $75,000 ($155,000-$80,000) from our opinion of cost.
2. We included $20,000 in our opinion of cost for the valve vault, valves and piping. The contractor's price was $28,500, an $8,500 overage from our opinion of cost.
3. We included 60-days of bypass pumping in our opinion of cost at $250/day, totaling $15,000. The daily rate was based on bid tabulations we had from other similar projects. The contractor's price for bypass pumping is $37,000, $22,000 higher than our opinion of cost.
4. In our discussions with Rama, the site constraints (available working space, number of existing utilities and the close proximity to a residential house) also played a role in the total bid price, approximately $50,000. The contractor based his pricing on a 5 to 6 hours work day since equipment would need to be moved in and out each day. Rama also reported most contractors in this type of work are busy again and prices on materials and labor have significantly gone up in the last 12 to 18-months.

These four items account for $155,500 of the amount over our opinion of probable construction cost.

OPTIONS

1. Deduct the site work from the scope of the project and only construct the improvements needed to rehabilitate the lift station equipment. Based on the bid prices the cost would be $348,500. This would require a 16.6% deductive change order with the low bidder.
2. Secure additional funding and move forward with the project as currently bid.
3. Secure additional funding in the future and rebid the project in the next 6 to 9 months. In the opinion of RAMA, the bids will most likely come in higher in the future due to rising material and labor costs.

Please let us know how the City would like to proceed.

CITY OF ROCKWALL, TEXAS

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: **Brad Griggs, Assistant City Manager**

FROM: **Andy Hesser, Parks and Recreation Manager**

DATE: **February 25, 2014**

SUBJECT: **APPOINTMENT WITH MARK SPENCER TO PRESENT PROPOSED PHELPS LAKE IMPROVEMENTS**

The FY 2014 approved budget includes $75,000 for improvements to Phelps Lake. The funding source is from Pro-rata Equipment Fees paid by residential developers into the Park District #9 escrow account, in accordance with the Mandatory Park Land Dedication Ordinance.

At the December 3rd meeting, Park Board heard public input and discussed proposed improvements for the Phelps Lake area. An invitation to the Park Board meeting was also sent to the Caruth Lakes HOA for distribution to its residents due to its proximity to the park. Two residents from the Caruth Lakes Subdivision were present and spoke at the meeting, voicing their support for the proposed amenities to Phelps Lake.

Mark Spencer of MHS Planning and Design was hired to provide construction drawings for the Phelps Lake project. At the February meeting Mr. Spencer presented a plan based on feedback from Park Board and public input from the December Park Board meeting.

At the February 4th meeting, Park Board voted unanimously to recommend approval of the plan to City Council with the following improvements:

- Fishing pier
- Kayak launch
- Loop connection to the existing trail
- Park benches and trash receptacles
- Stone park entrance sign

Mr. Spencer will be prepared to present the Phelps Lake improvements. Included in your packet is a copy of the site plan.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 3/17/2014

APPLICANT: Ron Ramirez (Wier & Associates, Inc.)

AGENDA ITEM: **Z2014-005**; REDC Zoning Change (AG to LI)

SUMMARY:

Hold a public hearing to discuss and consider a request by Ron Ramirez of Wier & Associates, Inc. on behalf of Ken Keeton of the Rockwall Economic Development Corporation (REDC) for the approval of a zoning change from an Agriculture (AG) District to a Light Industrial (LI) District for a 2.006-acre tract of land identified as a portion of Tract 2-7 of the David Harr Survey, Abstract No. 102, Rockwall, Rockwall County, Texas, situated within the SH-205 By-Pass Corridor Overlay (205 BY-OV) District, located on the west side of John King Boulevard south of Airport Road, and take any action necessary.

PURPOSE:

The subject property is a 2.006-acre portion of a larger 6.114-acre tract of land identified as Tract 2-7 of the David Harr Survey, Abstract No. 102. The City of Rockwall purchased the property in 2008 as part of the right-of-way acquisition for the construction of John King Boulevard, which eventually divided the 6.114-acre tract of land into three pieces (*i.e. the 2.006-acre subject property, ~2.058-acres of right-of-way and the ~2.05-acre remainder tract*). The intent of the proposed rezoning request is to change the zoning on the subject property from an Agriculture (AG) District to a Light Industrial (LI) District for the purpose of combining the 2.006-acre tract of land with the 35.78-acre tract of land situated west of the subject property and currently zoned Light Industrial (LI) District. The adjacent property is identified at Tract 5 of the N. Butler Survey, Abstract No. 20. Both the subject property and the 35.78-acre tract of land are owned by the Rockwall Economic Development Corporation.

ADJACENT LAND USES AND ACCESS:

The land uses adjacent to the subject property are as follows:

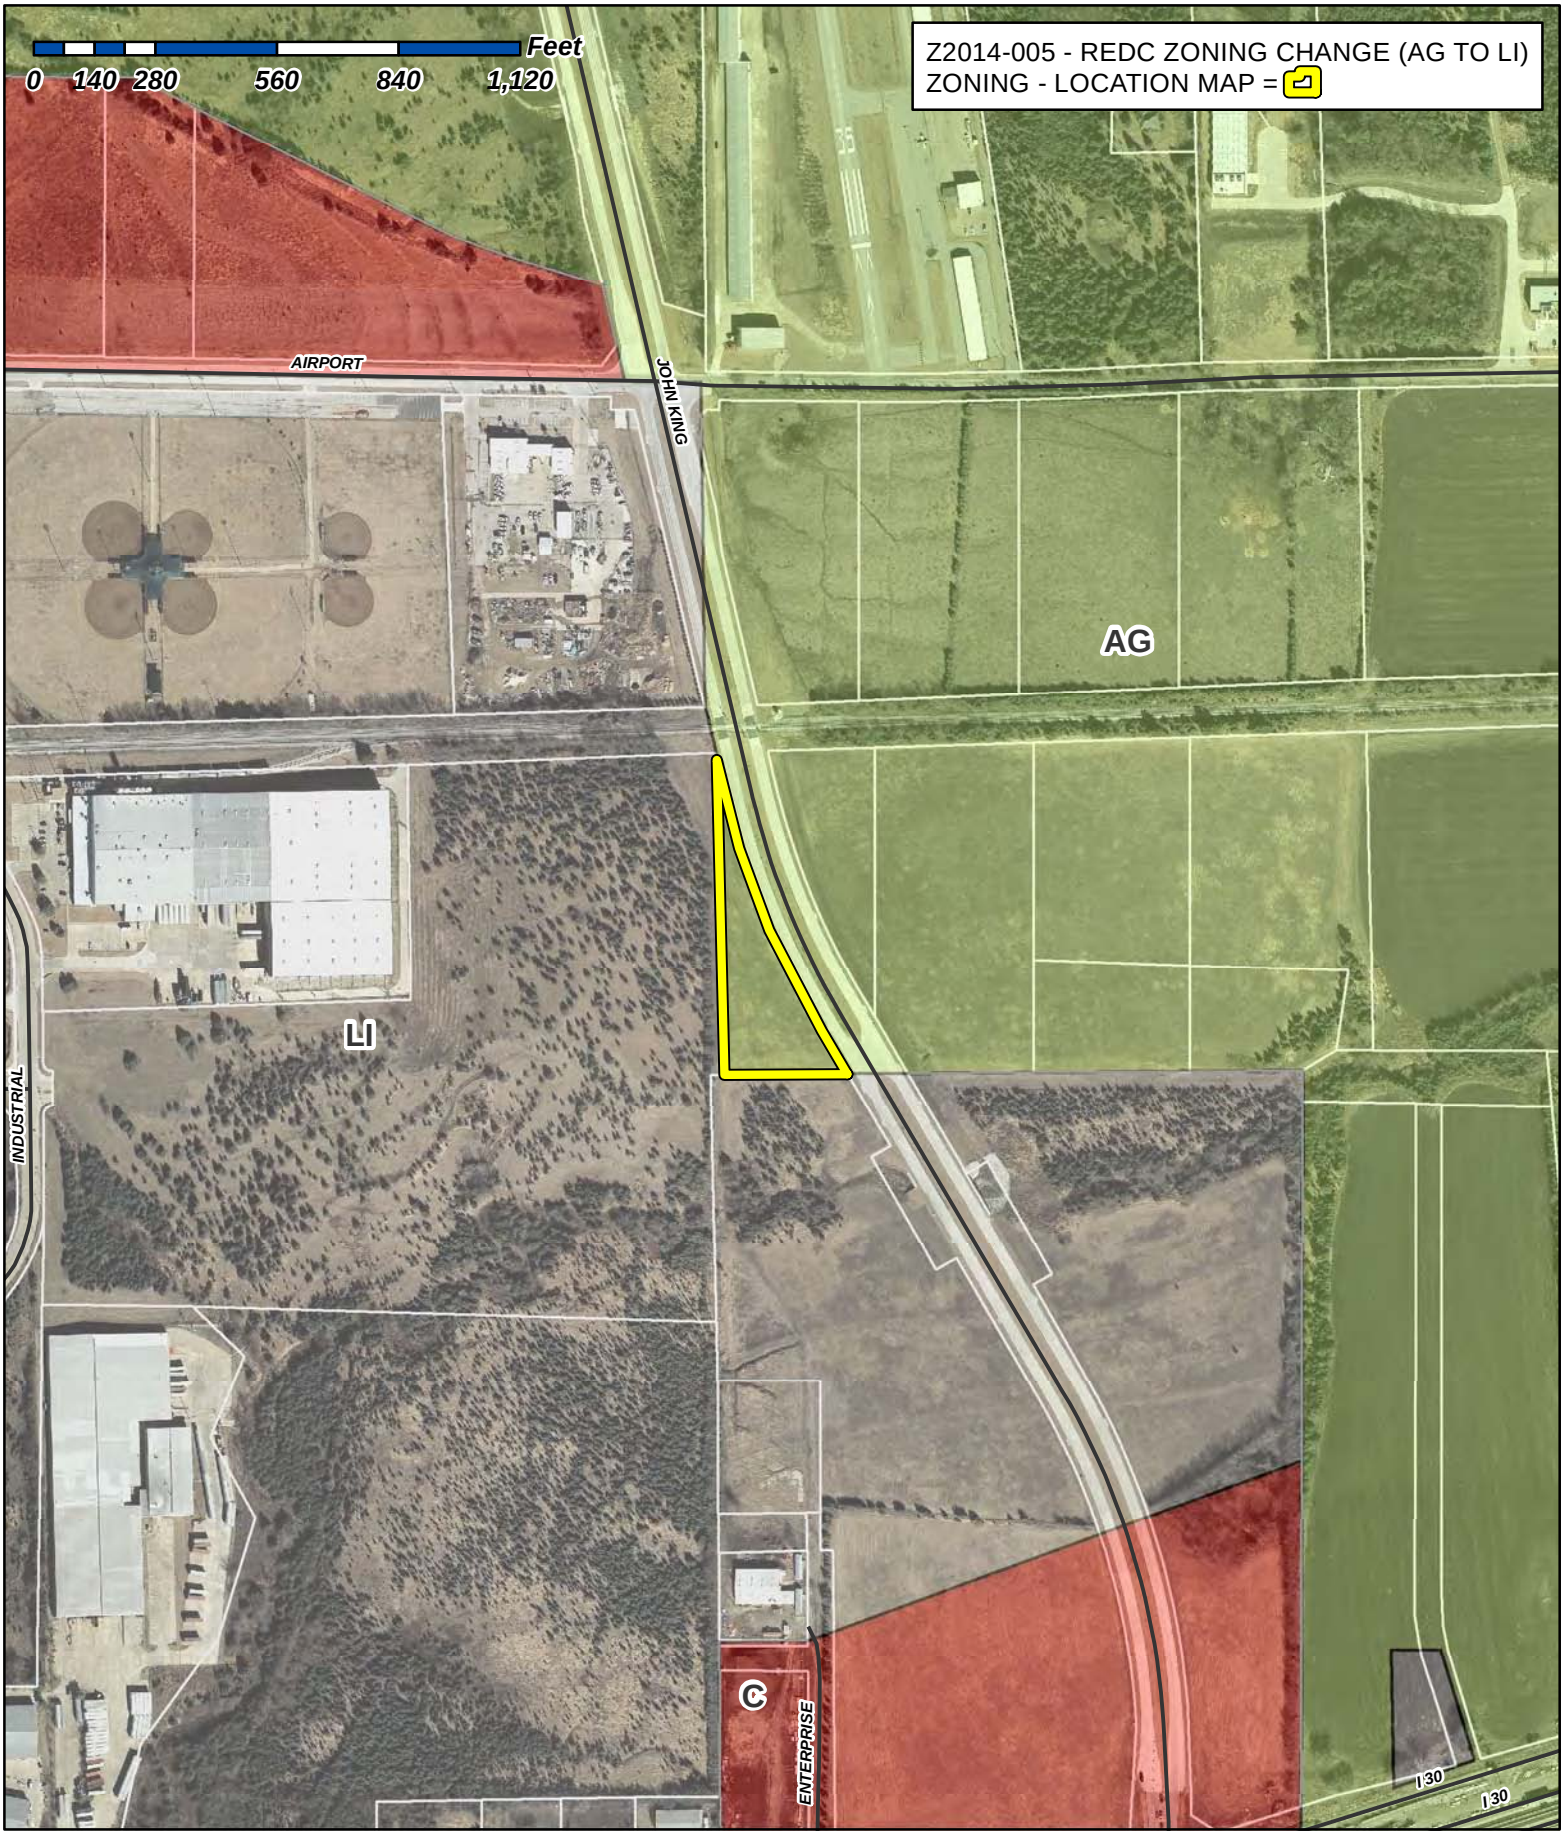
North: Directly north of the subject property is the intersection of John King Boulevard and the Union Pacific Railroad right-of-way. Beyond this rail crossing is the City of Rockwall Service Center, which is situated on a ten (10) acre parcel of land and zoned Light Industrial (LI) District.

South: Directly south of the subject property is a 26-acre tract of land that extends to Interstate Highway 30 (IH-30), and is zoned Light Industrial (LI) District on the north half of the property and Commercial (C) District on the southern half of the property.

East: Directly east of the subject property is John King Boulevard followed by the remaining acreage of the original 6.114-acre tract of land. Beyond this are several vacant tracts of land. All the properties in this area are zoned Agriculture (AG) District.

West: Directly west of the subject property is a 35.78-acre tract of vacant land, owned by the Rockwall Economic Development Corporation (REDC), and zoned Light Industrial (LI) District.

CONFORMANCE WITH THE COMPREHENSIVE PLAN:



The Future Land Use Map, adopted with the Comprehensive Plan, designates the subject property for *Technology/Light Industrial* land uses. This designation is in conformance with the applicants request to rezone the subject property to a Light Industrial (LI) District.

NOTIFICATION:

On February 28, 2014, staff mailed seven (7) notices to property owners within 200 feet of the subject property. Additionally, staff posted a sign along John King Boulevard, which is the only street frontage adjacent to the subject property as required by the Unified Development Code (UDC). At the time this case memo was drafted no responses were received by staff.

PLANNING & ZONING COMMISSION:

On March 11, 2014 the Planning & Zoning Commission recommended approval of the proposed zoning change by a vote of 4-0, with Commissioners Nielsen, Conley and Lyons absent.

ORDINANCE NO. 14-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED SO AS TO FURTHER AMEND THE ZONING MAP TO ADOPT A CHANGE IN ZONING FROM AN AGRICULTURE (AG) DISTRICT TO A LIGHT INDUSTRIAL (LI) DISTRICT FOR A 2.006-ACRE TRACT OF LAND IDENTIFIED AS A PORTION OF TRACT 2-7 OF THE DAVID HARR SURVEY, ABSTRACT NO. 102, ROCKWALL, ROCKWALL COUNTY, TEXAS AND MORE SPECIFICALLY DESCRIBED IN EXHIBIT 'A' OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City has received a request from Ron Ramirez of Wier & Associates, Inc. on behalf of Ken Keeton of the Rockwall Economic Development Corporation (REDC) for the approval of an amendment to the Unified Development Code [Ordinance No. 04-38] of the City of Rockwall to adopt a change in zoning from an Agriculture (AG) District to a Light Industrial (LI) District for a 2.006-acre tract of land situated identified as a portion of Tract 2-7 of the David Harr Survey, Abstract No. 102, Rockwall, Rockwall County, Texas, and more specifically described in *Exhibit 'A'* of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area, and in the vicinity thereof, and the governing body in the exercise of its legislative discretion, has concluded that the Unified Development Code [*Ordinance No. 04-38*] should be amended as follows:

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

Section 1. That the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, Texas, as heretofore amended, be and the same are hereby amended by amending the zoning map of the City of Rockwall so as to change the zoning of the *Subject Property* from an Agriculture (AG) District to a Light Industrial (LI) District; and

Section 2. That the *Subject Property* shall be used only in the manner and for the purposes provided for a Light Industrial (LI) District in *Section 1.1, "Use of Land and Buildings,"* of *Article IV, "Permissible Uses"* and *Section 5.3, "Light Industrial (LI) District",* of *Article V, "District Development Standards",* of the *Unified Development Code* of the City of Rockwall as heretofore amended, as amended herein by granting of this zoning change, and as maybe amended in the future;

Section 3. That the official zoning map of the City be corrected to reflect the changes in the

zoning described herein.

Section 4. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of two thousand dollars ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 5. If any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code of the City of Rockwall, Texas, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable.

Section 6. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be and the same are hereby repealed, and all other ordinances of the City of Rockwall not in conflict with the provisions of this ordinance shall remain in full force and effect.

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, ON THIS THE 7TH DAY OF APRIL, 2014.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 3/17/2014

APPLICANT: Cabanas at Chandler's Landing Homeowner's Association

AGENDA ITEM: **Z2014-006**; Cabanas at Chandler's Landing (PD-8)

SUMMARY:

Hold a public hearing to discuss and consider a request by the Cabanas at Chandler's Landing Homeowner's Association on behalf of the residents of the Cabana's at Chandler's Landing to amend the density and dimensional requirements stipulated by Planned Development District 8 (PD-8) for a 1.131-acre portion of a parcel of land identified as the Cabanas at Chandler's Landing, zoned Planned Development District 8 (PD-8) for multi-family or condominium uses as established in Ordinance 73-48 & 84-04, generally located south of Yacht Club Drive and west of Harbor View Drive, and take any action necessary.

BACKGROUND AND PURPOSE OF THE REQUEST:

The subject property is a 1.131-acre portion of the *Cabanas at Chandler's Landing*, which contains nine (9) condominiums. When originally constructed in 1987, the Cabanas consisted of 20 condominium units that were constructed to the Multi Family 15 (MF-15) development standard. It was the intent of this development to resemble townhomes; however, the extent of ownership only consisted of interior square footage as opposed to extending to a unit and/or lot, which is typical with townhome development (see *Exhibit 'A'* for the original development standards). The remaining lot area was dedicated as open space and placed under the common ownership of the Cabanas Homeowner's Association, which was setup separate from the Chandler's Landing Homeowner's Association.

In September of 1990 the then owner, *Chisholm Federal Savings & Loan*, submitted a zoning application requesting to amend the zoning to establish lot standards to allow for six (6) of the condominiums to be situated on individual lots for the purpose of marketing them as townhomes. This request was approved on November 5, 1990 [*Ordinance No. 90-38*] and a plat depicting the lot layout was filed with the county. These six (6) townhomes along with five (5) additional condominiums, then seceded from the Cabanas Homeowner's Association leaving the nine (9) remaining units situated on the subject property.

The applicants are requesting to amend the current zoning for the subject property to allow for similar lot standards that were established under Ordinance No. 90-38 for the remaining nine (9) condominium units. Additionally, it is the applicants' intent to dissolve the Cabanas at Chandler's Landing Homeowner's Association in order to join the Chandler's Landing Homeowner's Association, and to transfer ownership and maintenance responsibility for the open space lots to the Chandler's Landing Homeowner's Association. According to the applicant this will alleviate the tax burden and maintenance costs of the open space areas, which are currently the responsibility of the Cabana's Homeowner's Association. *A Legal Description, Conceptual Site Plan [i.e. Zoning Exhibit] and PD Development Standards have been provided in Exhibits 'B', 'C' & 'D' attached to this case memo.*

ADJACENT LAND USES AND ACCESS:

The land uses adjacent to the subject property are as follows:

North: Directly north of the subject property is a private drive that services the condominium units and neighborhood amenities to the east. Beyond this is Chandler's Landing, Phase 9, which consists of single family homes zoned Planned Development District 8 (PD-8) [*Ordinance No. 73-48*].

South: Directly south of the subject property are the Match Point Townhomes, which consist of six (6) townhomes that are zoned Planned Development District 8 (PD-8) [*Ordinance No. 90-38*] for townhome uses.

East: Directly east of the subject property is a private drive followed by an amenity area that contains a common area, two (2) tennis courts and a pool. All areas are zoned Planned Development District 8 (PD-8) [*Ordinance No. 86-87*].

West: Directly west of the subject property is the parking lot for the Chandler's Landing Yacht Club amenity area, which contains a tennis courts, a pool, a restaurant/private club and a marina. This are is zoned Planned Development District 8 (PD-8) [*Ordinance No. 86-87*].

CONFORMANCE WITH THE COMPREHENSIVE PLAN:

The applicant's request does not change the conforming status of the property with the Future Land Use Map approved with the Comprehensive Plan.

NOTIFICATION:

On February 28, 2014, staff mailed 38 notices to property owners within 200 feet of the subject property. Additionally, staff posted a sign adjacent to the private access drive and Yacht Club Drive in front of the condominium units as required by the Unified Development Code (UDC). At the time this case memo was drafted no responses were received by staff.

RECOMMENDATIONS:

If the Planning and Zoning Commission recommends approval of the applicant's request to amend Planned Development District 8 (PD-8) then staff would propose the following conditions of approval:

1) In conjunction with the submission of a replat application a letter from the Chandler's Landing Homeowner's Association (HOA) stating acceptance of the open space lots depicted on the *Zoning Exhibit* (*Exhibit 'C'* in the Draft Ordinance) shall be submitted to staff,

2) A replat that generally conforms to the *Zoning Exhibit* and strictly adheres to the *PD Development Standards* (*Exhibit 'D'* in the Draft Ordinance) shall be submitted and approved by the Planning and Zoning Commission and City Council,

3) All sidewalks will be required to be indicated as *Public Access Easements* on the replat,

4) Any new development or reconstruction of existing development shall conform to the *PD Development Standards*, shall not deviate from the *Zoning Exhibit*, and shall maintain the

aesthetics of the existing buildings. To maintain conformance with this requirement staff may require an administrative site plan review at the time of a building permit submittal, and

5) Any construction resulting from the approval of this *zoning amendment* shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING & ZONING COMMISSION:

On March 11, 2014 the Planning & Zoning Commission recommended approval of the proposed amendments to Planned Development District 8 (PD-8) by a vote of 4-0, with Commissioners Nielsen, Conley and Lyons absent.

Subject: letter of request for rezone

Follow Up Flag: Follow up
Flag Status: Flagged

I am the President of the Cabana's at Chandlers Landing Condominium Association and we are requesting to be rezoned to enable us to file a Waiver and Revocation of Declaration and Master Deed for said HOA. In the process we will be re surveyed and re platted as town homes with real property that will be divided up from common grounds that we are currently being taxed for by the county appraisal district.
We are following the same template as used by Match Point Townhomes Condominium Association.
Thank you,
Jeanette Gibson, President Cabana's at Chandler's Landing Homeowners Association

90

PRODUCT TYPES AND REQUIREMENTS

MULTI-FAMILY (MF15) units will provide homes that are similar to MF20 but less dense. These units will consist of flats and studios, or a combination thereof. Ownership will be based on air spaces and interior surfaces rather than ownership of a unit and a lot. These units would resemble townhomes in that they would be built in a series of 2-8 units with common walls between the units. Green-space would be commonly owned through the Community Owners' Association.

Requirements:

- Minimum floor area for flats	1200 sq. ft.
- Minimum floor area for studios	1200 sq. ft.
- Maximum building height (restricted to 30' in most areas	36 ft.
- Minimum percent of masonry on exterior	50%
- Minimum front yard	10 ft.
- Minimum rear yard (if applicable)	15 ft.
- Minimum lot area (if applicable)	2200 sq. ft.
- Maximum building coverage (if applicable)	60%
- Minimum distance between buildings	10 ft.
- Building setback from less dense use (one story construction)	25 ft.
- Building setback from less dense use (two story construction)	35 ft.
- Minimum number of parking spaces per unit	2.0 spaces
- Maximum density per gross acre	14 u/ac.
- Minimum lot frontage on public street	0 (pri.st.)

BEING a tract or parcel of land situated in the E. Teal Survey, Abstract No. 207, Rockwall County, Texas, and being a part of the Cabanas at Chandlers Landing, an addition to the city of Rockwall, recorded in Slide B, Page 3 & 4, Plat Records Rockwall County, Texas, and being more particularly described as follows:

BEGINNING at an iron rod at the North corner of said Cabanas at Chandlers Landing, said iron rod bears North 6° 20' 10" West, a distance of 950.39 feet from City of Dallas Take Line monument for Lake Ray Hubbard marked T-13-1 and T-11-6, said iron rod being on a circular curve to the left having a central angle of 24° 27' 31", a radius of 168.23 feet, and a chord that bears South 56° 35' 00" East, a distance of 71.27 feet;

THENCE: Along said curve and with the Northeast line of said Cabanas at Chandlers Landing an arc distance of 71.82 feet to an iron rod at the point of tangency of said curve;

THENCE: South 68° 48' 46" East a distance of 17.62 feet continuing along said Northeast line to an iron rod at the point of curvature of a circular curve to the right having a central angle of 15° 29' 42" and a radius of 114.09 feet;

THENCE: Along said curve and along said Northeast line an arc distance of 30.86 feet to an iron rod at the point of tangency of said curve;

THENCE: South 53° 19' 04" East, a distance of 103.07 feet continuing along said Northeast line to an iron rod at the point of curvature of a circular curve to the right having a central angle of 80° 42' 31" and a radius of 112.00 feet;

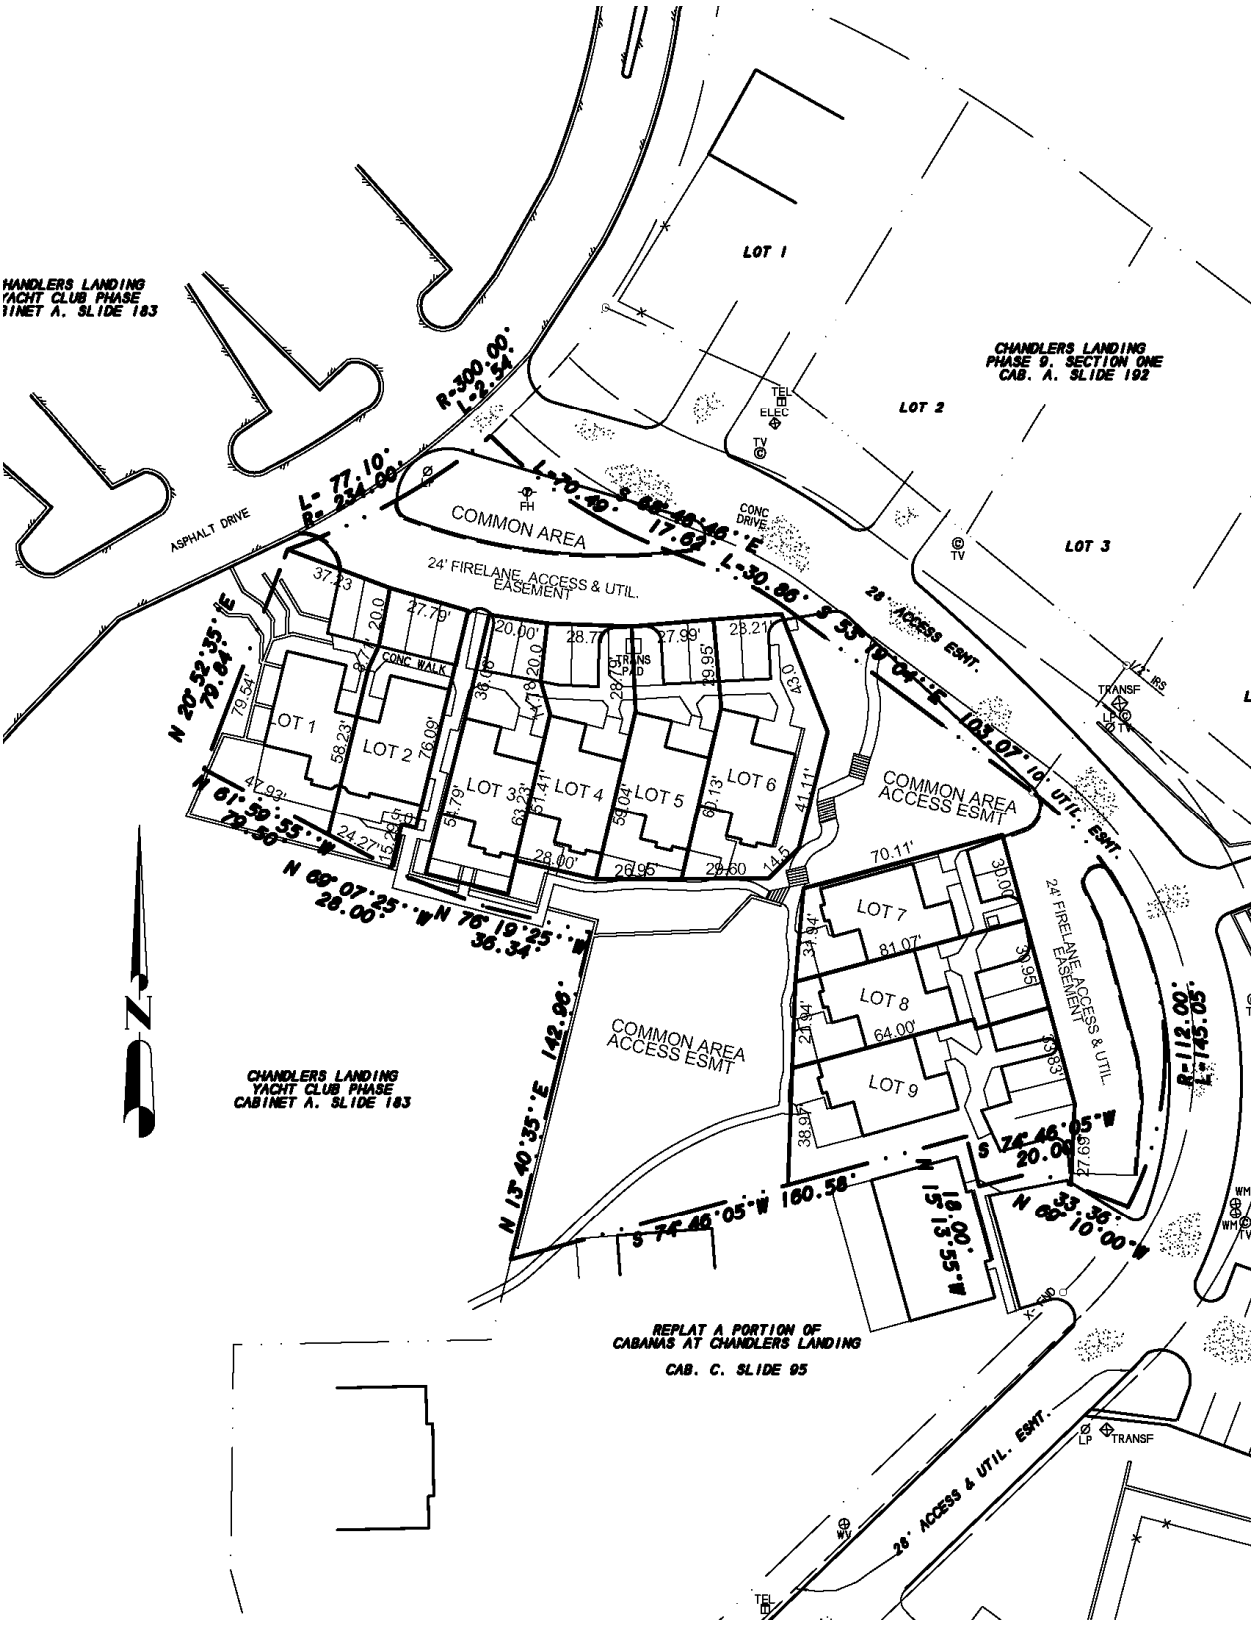
THENCE: Along said curve and continuing along said Northeast and then the East line an arc distance of 157.77 feet to an iron rod for a corner;

THENCE: Leaving said East line and traversing said Addition as follows: North 68° 48' 11" West, a distance of 33.74 feet to an iron rod for a corner, South 74° 46' 05" West a distance of 20.00 feet to an iron rod for a corner, North 15° 13' 55" West, a distance of 18.00 feet to an iron rod for a corner, South 74° 46' 05" West, a distance of 160.58 feet to an iron rod for a corner, on a Westerly line of said Addition;

THENCE: North 13° 40' 35" East, a distance of 114.76 feet with said Westerly line to an iron rod for a corner;

THENCE: Along the most Northerly South lines of said Addition as follows:
North 76° 19' 25" West, a distance of 36.34 feet to an iron rod for a corner, North 69° 07' 25" West, a distance of 28.00 feet to an iron rod for a corner, and North 61° 59' 55" west, a distance of 79.50 feet to an iron rod for a corner at the most Northerly West corner of said Addition;

THENCE: North 20° 52' 35" East, a distance of 79.84 feet along the most Northerly Northwest line of said Addition to an iron rod for a corner; said iron rod being on a circular curve to the left having a central angle of 18° 44' 09", a radius of 234.00 feet, and a chord that bears North 60° 29' 27" East, a distance of 76.18 feet;



THENCE: Along said curve an arc distance of 76.52 feet to an iron rod at the point of compound curvature of a circular curve to the left having a central angle of 0° 32' 08" and a radius of 300.00 feet;

THENCE: Along said curve an arc distance of 2.80 feet to the Point of Beginning and containing 49,268 square feet or 1.131 Acres of Land.

PD Development Standards.

1. *Purpose.* It is the intent of this zoning ordinance to maintain the current conditions of the subject property, while permitting property owners to physically subdivide their properties into lots to delineate the open space that will be dedicated to the *Chandler's Landing Homeowner's Association*.

2. *Allowed Uses*. The following are the only permitted land uses that shall be established on the *Subject Property*:

   a. *Permitted Uses.* Uses permitted *by right* or by *Specific Use Permit (SUP)* in Planned Development District 8 (PD-8) [*Ordinance No. 73-48 & 84-04*]. Uses subject to the approval of a *Specific Use Permit (SUP)* shall be required to follow the procedure for requesting an *SUP* as set forth in Article XI, *Zoning-Related Applications*, of the Unified Development Code.

   b. *Townhomes.* A single family dwelling unit constructed in a series, or group of units that share common walls, and are situated on an individual or separate lot.

   NOTE: All development of the Subject Property should conform to the Zoning Exhibit in Exhibit 'B'.

3. *Maximum Number of Units*. The *Subject Property* may contain no more than nine (9) townhomes that conform to the *Zoning Exhibit* in *Exhibit 'B'*.

4. *Area Requirements.*

   i. *Minimum Lot Area:* 2,200 Square Feet

   ii. *Minimum Lot Width:* 20 Feet

   iii. *Minimum Lot Depth:* 40 Feet

   iv. *Maximum Number of Dwelling Units per Lot:* One

   v. *Minimum Front Yard Building Setback:* 0 Feet

   vi. *Minimum Rear Yard Setback:* 0 Feet

   vii. *Minimum Side Yard Setback:*

      a. *Internal Side Yard Setback:* 0 Feet [*subject to all building code requirements*]

      b. *Side Yard Abutting a Structure:* 0 Feet [*required to be separated by a fire retardant wall*]

   viii. *Maximum Lot Coverage:* 100% [*as a percentage of lot area*]

   ix. *Maximum Height:* 30 Feet

   x. *Minimum Number of Paved Parking Spaces per Lot:* Two (2) Off-Street Spaces

5. *Additional Restrictions.* No fences or any other type of barricade shall be permitted on any property depicted in the *Zoning Exhibit* in *Exhibit 'B'*.

CITY OF ROCKWALL

ORDINANCE NO. 14-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING PLANNED DEVELOPMENT DISTRICT 8 (PD-8) [*ORDINANCE NO. 73-48 & 84-04*] AND THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED SO AS TO FURTHER AMEND THE DENSITY AND DIMENSIONAL REQUIREMENTS STIPULATED BY PLANNED DEVELOPMENT DISTRICT 8 (PD-8) FOR A 1.131-ACRE PORTION OF A PARCEL OF LAND IDENTIFIED AS THE CABANAS AT CHANDLER'S LANDING, ROCKWALL, ROCKWALL COUNTY, TEXAS AND MORE SPECIFICALLY DESCRIBED IN EXHIBIT 'A' OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City has received a request by the Cabana's at Chandler's Landing Homeowner's Association on behalf of the residents of the Cabana's at Chandler's Landing, for an amendment to the density and development standards contained within Planned Development District 8 (PD-8) [specifically contained within *Ordinance No. 73-48 & 84-04*] and the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall to allow for a lot layout similar to the lot layout depicted in *Exhibit 'B'* of this ordinance, which herein after shall be referred to as the *Zoning Exhibit* and incorporated by reference herein, for a 1.131-acre portion of a parcel of land identified as the Cabanas at Chandler's Landing, Rockwall, Rockwall County, Texas and more fully described in *Exhibit 'A'* of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area, and in the vicinity thereof, and the governing body in the exercise of its legislative discretion, has concluded that Planned Development District 8 [*Ordinance No. 73-48 & 84-04*] and the Unified Development Code [*Ordinance No. 04-38*] should be amended as follows:

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

Section 1. That the *Subject Property* shall be used only in the manner and for the purposes authorized by Planned Development District 8 (PD-8) [*Ordinance No. 73-48 & 84-04*] and the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall as heretofore amended, as amended herein by granting this zoning change, and as maybe amended in the future;

Section 2. That the subdivision of the *Subject Property* shall generally be in accordance with the *Zoning Exhibit*, described in *Exhibit 'B'* of this ordinance, which is deemed hereby to be a condition of approval of the amended zoning classification for the *Subject Property*;

Section 3. That the development or redevelopment of the *Subject Property* shall generally be in accordance with the *PD Development Standards*, described in *Exhibit 'C'* of this ordinance, attached hereto and incorporated herein by reference as *Exhibit 'C'*, which is deemed hereby to be a condition of approval of the amended zoning classification for the *Subject Property*;

Section 4. The *Official Zoning Map* of the City of Rockwall, Texas shall be amended to reflect the change in zoning for the *Subject Property* as described in this ordinance;

Section 5. That any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *Two Thousand Dollars* ($2,000.00) for each offense and each and every day such offense shall continue shall be deemed to constitute a separate offense;

Section 6. That if any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable;

Section 7. The standards in this ordinance shall control in the event of a conflict between this ordinance and any provision of the Unified Development Code or any provision of the City Code, ordinance, resolution, rule, regulation, or procedure that provides a specific standard that is different from and inconsistent with this ordinance. References to zoning district regulations or other standards in the Unified Development Code (including references to the *Unified Development Code*), and references to overlay districts, in this ordinance or any of the Exhibits hereto are those in effect on the date this ordinance was passed and approved by the City Council of the City of Rockwall, Texas;

Section 8. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides;

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 7TH DAY OF APRIL, 2014.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 3/17/2014

APPLICANT: Kevin Patel, Triangle Engineering, LLC

AGENDA ITEM: **SP2014-003**; Rockwall MOB

Discuss and consider a request by Kevin Patel of Triangle Engineering, LLC on behalf of Ketan Parekh of A. J. Squared, LLC for the approval of a variance in association with an approved site plan for a medical office building on a 1.463-acre parcel of land identified as Lot 2, Block A, Rockwall Assisted Living Facility Addition, zoned Planned Development District 18 (PD-18) for office and retail uses, situated within the Scenic Overlay (SOV) District, located on the west side of Ridge Road [FM-740] south of Cemetery Road, and take any action necessary.

BACKGROUND INFORMATION:

Kevin Patel of Triangle Engineering, LLC has submitted an application on behalf of Ketan Parekh of A.J. Squared, LLC for site plan approval of a 12,606 sq. ft. medical office. The proposed facility is to be located on a 1.463-acre lot that is north of the Rockwall Assisted Living Facility (located at the N.W. corner of Summer Lee and Ridge Road) and is situated on the west side of Ridge Road, south of Cemetery Road and is zoned Planned Development No. 18 (PD-18). The property is identified to be within the Scenic Overlay (SOV) district and is subject to the standards established within this district.

VARIANCE REQUEST:

The applicant will be seeking a variance to the SOV districts' requirements that will allow for ten (10) parking spaces to be located within the 20-ft. landscape buffer. This would allow the development to line up with the adjacent properties, to the north and south, that currently have a 10-ft buffer strip and parking spaces facing Ridge Road. It should be noted that the applicant is providing the appropriate number of canopy and accent trees within this buffer area as well as shrubbery for head light screening purposes.

Under Sec. 6.8, Scenic Overlay (SOV) District, the UDC provides as follows:

> ***J. Variance.***
>
> *The City Council may, upon request from the applicant, grant a variance to any provision of this section where unique or extraordinary conditions exist or where strict adherence to the provisions of this section would create a hardship. Approval of any variance to any provision of this section shall require city council approval by a three-quarter majority vote of those city council members present with a minimum of four affirmative votes.*

Also, the applicant is requesting a materials variance to the screening fence standards established in PD-18 which requires a minimum six (6) foot solid masonry fence. The purpose

of the fence is to provide screening of the commercial activity from the single family residential homes along the westernmost property line. The applicant is proposing an 8-ft high SimTek EcoStone fence system that is composed of a Low Density Polyethylene (LLDPE) blend and is reinforced with galvanized steel.

RECOMMENDATIONS:

Architectural Review Board Recommendation:

On February 25, 2014, after a general discussion, the Architectural Review Board expressed concern about the symmetry of the building and the lack of detail around the attic windows. To address this concern the ARB made the following recommendations:

1. The profile of the wall planes on the front façade under the gable roof should be more symmetrical (i.e. the window treatments, wall surface area, etc.).

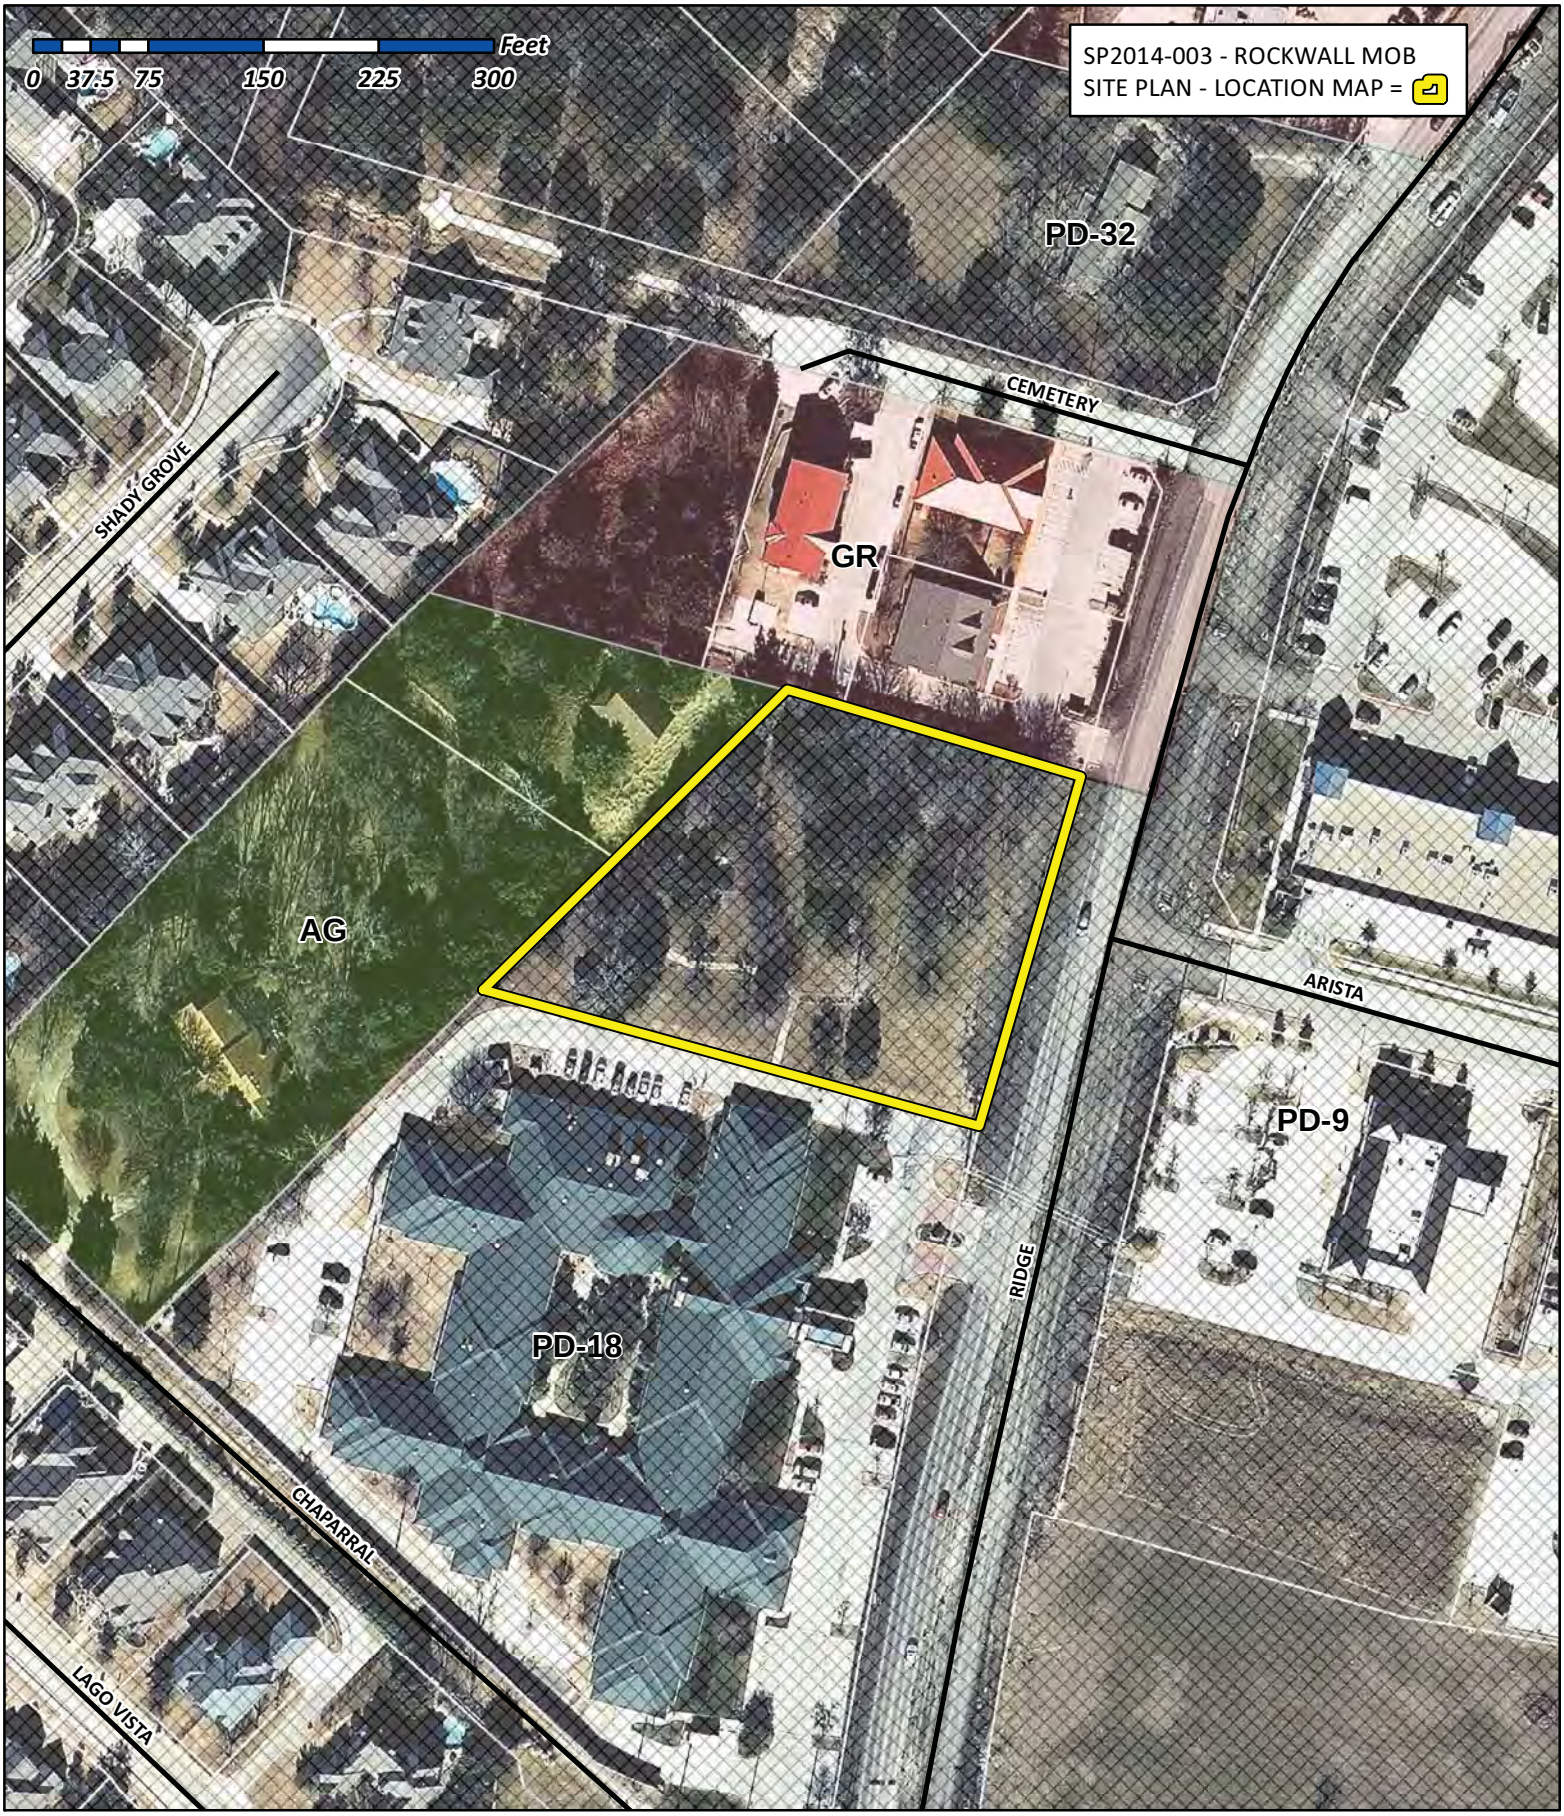
   ALTERNATE: If the wall planes are not able to be changed to create symmetry due to interior layout then the wall plane on the right side of the elevation sheet should include a minimum of a two (2) foot offset to help better articulate the wall surface and,

2. The attic windows/vents should include a brick solider course (similar to other windows on the front façade) over the header and under the sill.

Should the request be approved, staff would offer the following conditions:

1. Adherence to Engineering and Fire Department standards.

2. Submittal and approval of a replat prior to issuance of a building permit.



3. Consideration of the recommendations forwarded to the Planning and Zoning Commission by the Architectural Review Board.

4. The applicant is required to obtain a permit through TXDOT prior to installation of the drive at its proposed location. As this lot was in existence during the previously adopted Engineering Standards of Design Manual, and due to the circumstances associated with the lot's ability to provide access, the previously adopted code allows the City's Engineer to approve a reduction in the spacing requirements between driveways. The City's Engineer has approved this location for the drive with the stipulation that TXDOT permits the drive.

5. A facilities agreement must be executed by the property owner outlining the method, timing, and delivery of trees for the balance due from mitigation.

Planning and Zoning Commission Recommendation:

On March 11, 2014, the Planning and Zoning Commission approved the Site Plan request with staff conditions and to include a recommendation of approval for the variance requests to allow for ten (10) parking spaces to be located within the 20-ft landscape buffer along Ridge Road, and to allow for the SimTek EcoStone fence system as a screening fence on the western boarder of the property line by a vote of 4 to 0 (Neilsen, Conley, and Lyons - absent).

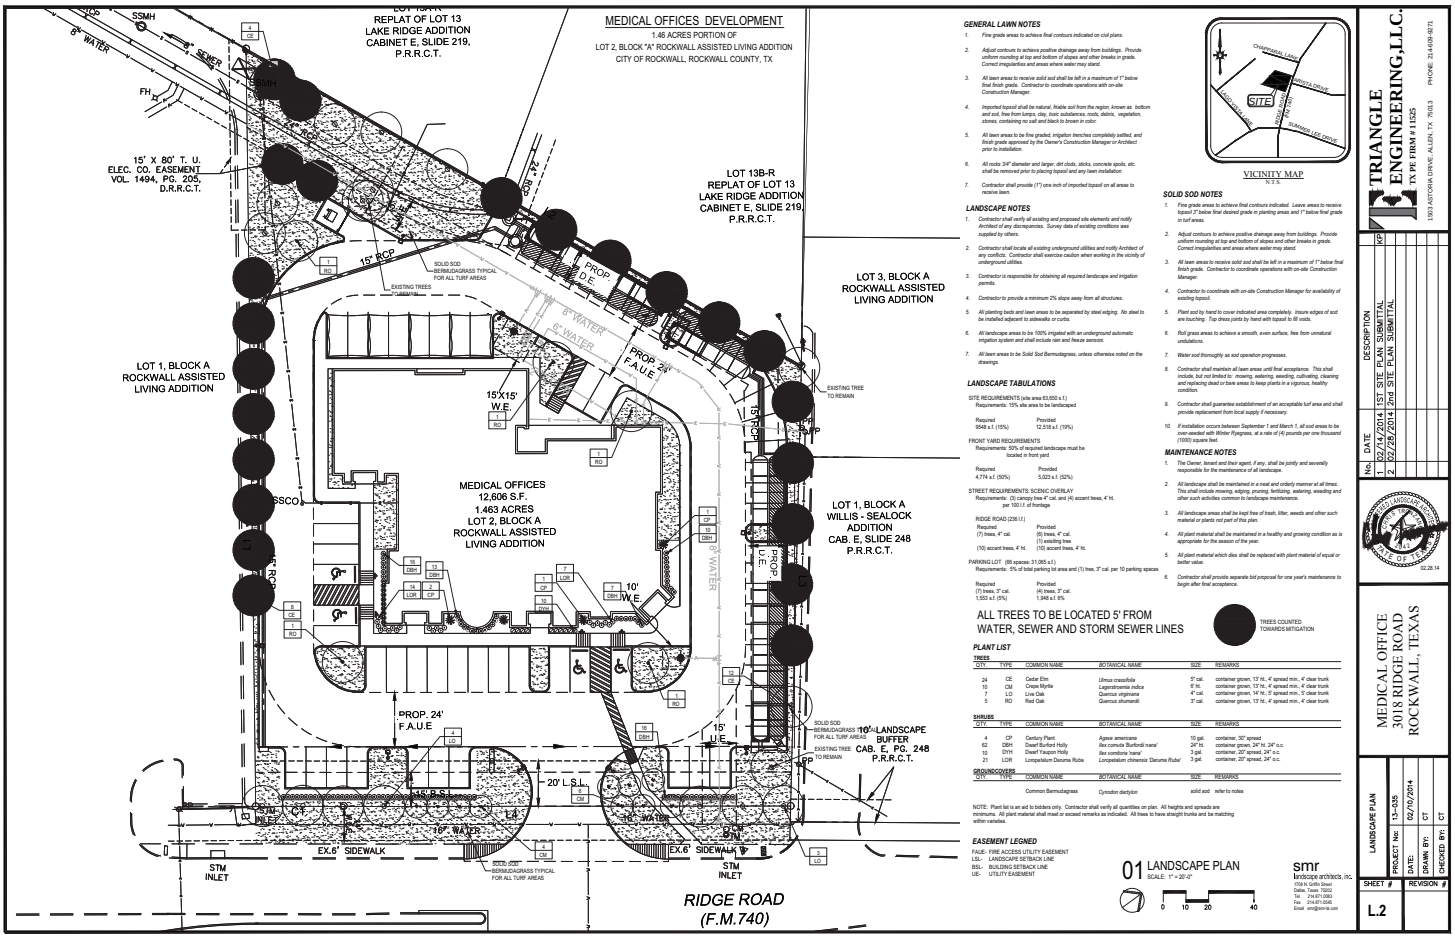
RE: Landscape Setback & Tree Mitigation variance request letter for the proposed Medical Office Development at 3018 Ridge Road, Rockwall, Texas

Dear David,

The purpose of this letter is to request variance for the require 20' Landscape Setback along Ridge Road. Per Scenic Overlay District Zoning Ordinance, 20' landscape setback/buffer require along Ridge Road. The proposed provided clear landscape setback for parking spaces along the Ridge Road is 7.81 ' and rest of the landscape area along Ridge Road exceed minimum 20' landscape setback requirement. The proposed landscape plans meets minimum landscape requirement along the Ridge Road. The purpose of this reduction in landscape setback area is to line up propose parking spaces with the parking spaces of the existing properties located north and south. Due to the additional ROW taking to widen Ridge Road, the properties north and south of the referenced property is no longer in compliance with 20 ' Landscape setback. By aligning the proposed parking spaces for the referenced property with properties north and south will depict the purpose of uniformity within the Scenic overlay district.



Therefore you are kindly requested to consider above mentioned facts and approve variance for 20' Landscape setback along Ridge Road.

Should you have any questions, please do not hesitate to contact me.

Thanks

Sincerely
(Kartavya (Kevin) Patel, P.E.)

104

GENERAL LAWN NOTES

1. Fine grade areas to achieve final contours indicated on civil plans.
2. Adjust contours to achieve positive drainage away from buildings. Provide uniform rounding at top and bottom of slopes and other breaks in grade. Correct irregularities and areas where water may stand.
3. All lawn areas to receive solid sod and shall be left in a maximum of 1" below final finish grade. Contractor to coordinate operations with on-site Construction Manager.
4. Imported topsoil shall be natural, friable soil from the region, known as bottom and soil, free from lumps, clay, toxic substances, roots, debris, vegetation, stones, containing no salt and black to brown in color.
5. All lawn areas to be fine graded, irrigation trenches completely settled, and finish grade approved by the Owner's Construction Manager or Architect prior to installation.
6. All rocks 3/4" diameter and larger, dirt clods, sticks, concrete spoils, etc. shall be removed prior to placing topsoil and any lawn installation
7. Contractor shall provide (1") one inch of imported topsoil on all areas to receive lawn.

LANDSCAPE NOTES

1. Contractor shall verify all existing and proposed site elements and notify Architect of any discrepancies. Survey data of existing conditions was supplied by others.
2. Contractor shall locate all existing underground utilities and notify Architect of any conflicts. Contractor shall exercise caution when working in the vicinity of underground utilities.
3. Contractor is responsible for obtaining all required landscape and irrigation permits.
4. Contractor to provide a minimum 2% slope away from all structures.
5. All planting beds and lawn areas to be separated by steel edging. No steel to be installed adjacent to sidewalks or curbs.
6. All landscape areas to be 100% irrigated with an underground automatic irrigation system and shall include rain and freeze sensors.
7. All lawn areas to be Solid Sod Bermudagrass, unless otherwise noted on the drawings.

LANDSCAPE TABULATIONS

SITE REQUIREMENTS (site area 63,650 s.f.)
Requirements: 15% site area to be landscaped

Required	Provided
9548 s.f. (15%)	12,318 s.f. (19%)

FRONT YARD REQUIREMENTS
Requirements: 50% of required landscape must be located in front yard

Required	Provided
4,774 s.f. (50%)	5,023 s.f. (52%)

STREET REQUIREMENTS: SCENIC OVERLAY
Requirements: (5) canopy tree 4" cal. and (4) accent trees, 4' ht. per 100 l.f. of frontage

RIDGE ROAD (238 l.f.)

Required	Provided
(7) trees, 4" cal.	(6) trees, 4" cal.
	(1) existing tree
(10) accent trees, 4' ht.	(10) accent trees, 4' ht.

PARKING LOT (66 spaces: 31,065 s.f.)
Requirements: 5% of total parking lot area and (1) tree, 3" cal. per 10 parking spaces

Required	Provided
(7) trees, 3" cal.	(4) trees, 3" cal.
1,553 s.f. (5%)	1,948 s.f. 6%

SOLID SOD NOTES

1. Fine grade areas to achieve final contours indicated. Leave areas to receive topsoil 3" below final desired grade in planting areas and 1" below final grade in turf areas.
2. Adjust contours to achieve positive drainage away from buildings. Provide uniform rounding at top and bottom of slopes and other breaks in grade. Correct irregularities and areas where water may stand.
3. All lawn areas to receive solid sod shall be left in a maximum of 1" below final finish grade. Contractor to coordinate operations with on-site Construction Manager.
4. Contractor to coordinate with on-site Construction Manager for availability of existing topsoil.
5. Plant sod by hand to cover indicated area completely. Insure edges of sod are touching. Top dress joints by hand with topsoil to fill voids.
6. Roll grass areas to achieve a smooth, even surface, free from unnatural undulations.
7. Water sod thoroughly as sod operation progresses.
8. Contractor shall maintain all lawn areas until final acceptance. This shall include, but not limited to: mowing, watering, weeding, cultivating, cleaning and replacing dead or bare areas to keep plants in a vigorous, healthy condition.
9. Contractor shall guarantee establishment of an acceptable turf area and shall provide replacement from local supply if necessary.
10. If installation occurs between September 1 and March 1, all sod areas to be over-seeded with Winter Ryegrass, at a rate of (4) pounds per one thousand (1000) square feet.

MAINTENANCE NOTES

1. The Owner, tenant and their agent, if any, shall be jointly and severally responsible for the maintenance of all landscape.
2. All landscape shall be maintained in a neat and orderly manner at all times. This shall include mowing, edging, pruning, fertilizing, watering, weeding and other such activities common to landscape maintenance.
3. All landscape areas shall be kept free of trash, litter, weeds and other such material or plants not part of this plan.
4. All plant material shall be maintained in a healthy and growing condition as is appropriate for the season of the year.
5. All plant material which dies shall be replaced with plant material of equal or better value.
6. Contractor shall provide separate bid proposal for one year's maintenance to begin after final acceptance.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 3/17/2014

APPLICANT: Engineering Concepts & Designs

AGENDA ITEM: **SP2014-004;** Rayburn Electric Site Plan

SUMMARY:

Discuss and consider a request by Bill Thomas of Engineering Concepts and Designs on behalf of Tommy Pulliam of the Rayburn Electric Cooperation, Inc. for the approval of a variance in association with an approved site plan for an office building on a 6.057-acre tract of land identified as a portion of Tract 3-06 of the W. H. Barnes Survey, Abstract No. 26, Rockwall, Rockwall County, Texas, zoned Heavy Commercial (HC) District, located on the south side of Sids Road west of S. Goliad Street [SH-205], and take any action necessary.

BACKGROUND INFORMATION:

The applicant, Bill Thomas of Engineering Concepts and Designs on behalf of Rayburn Electric Cooperation, is requesting approval of a site plan to allow for the construction of a new office building located at 980 Sids Road. The subject property is identified as a portion of Tract 3-06 of the W.H. Barnes Survey, Abstract No. 26, Rockwall, Texas, which is zoned Agricultural (AG) District; however, a zoning application was submitted in January to change the zoning for the property to Heavy Commercial (HC) District. That case is awaiting 2nd reading at City Council on March 17th, 2014. The property is located on the south side of Sids Road just west of State Highway 205.

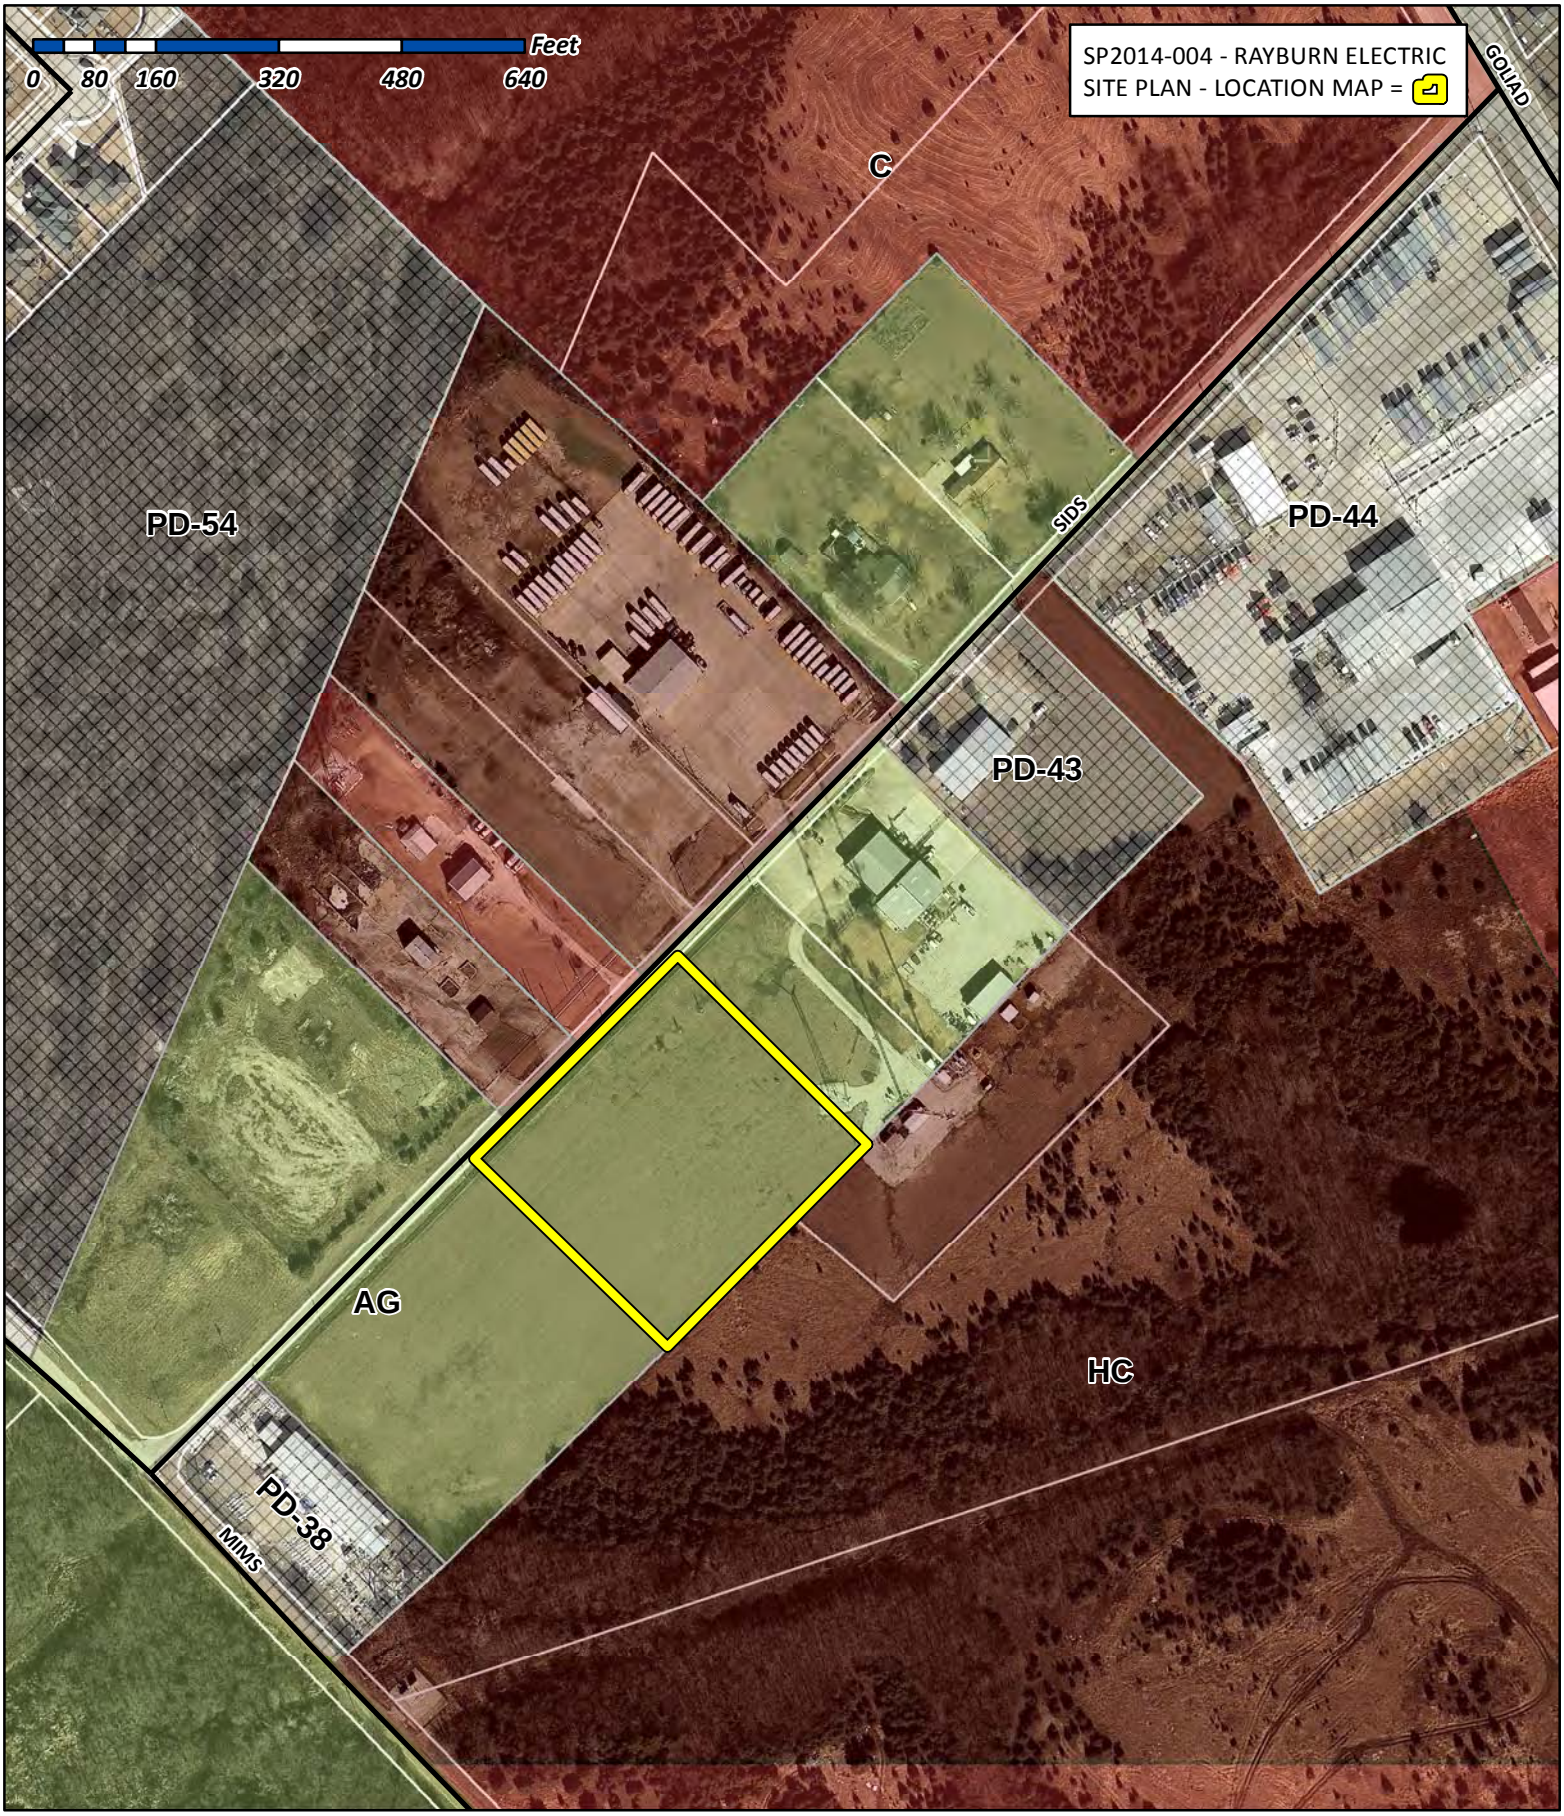
VARIANCE REQUEST:

According to Section 4.1, General Commercial District Standards, of Article V, District Development Standards, of the UDC:

"Each exterior wall shall consist of 90 percent masonry materials … excluding doors and windows, on walls which are visible from a public street or open space, including a minimum of 20% stone. All buildings shall have exterior walls constructed of stone, brick, glass block, tile, cast metals, cast or cultured stone, or a combination of those materials. The use of other cementaceous products (e.g. stucco, Hardy Plank, or other similar materials approved by the building official) shall be limited to 50 percent of the buildings exterior finishes where it is deemed important as a design feature and where it will be applied under the highest standards for quality and durability. However, stucco may not be located in the first eight [8] feet above grade on a façade visible from a street or public area."

The applicant is requesting variances to the material requirements stipulated for properties located within a Heavy Commercial (HC) District. Specifically, the applicant is requesting to utilize less than the required 90% masonry as required by the code. The elevations currently show a total stone veneer percentage of approximately 82% on the west side and 73% on the north side of the building with western red cedar accents.

RECOMMENDATION:



Should the request be approved, staff offers the following conditions:

1) Adherence to all Planning, Engineering and Fire Department standards;

2) Any construction or building necessary to complete this Site Plan request must conform to the requirements set forth by the UDC, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION RECOMMENDATION:

On March 11, 2014, the Planning and Zoning Commission approved the Site Plan request with staff conditions and recommended of approval for the variance request to allow for less than the 90% masonry requirement on the north and west elevations by a vote of 4 to 0 (Nielsen, Conley, and Lyons - absent).

Mrs. JoDee Sanford
Planning Technician
City of Rockwall, TX

Re: Variance Request Site Plan SP2014-004.
Rayburn Country Electric, Rockwall, TX

Dear Mrs. Sanford

We are requesting a variance to the exterior material requirement of the Development Code for the North and South Elevations of the Rayburn Country Electric Office Building as outlined in the comment letter from staff dated 2/24/2014. The elevations as submitted, do not meet the Masonry minimum percentage requirement as set forth in the Code of Ordinances.

As shown on the submitted elevations, cedar material is proposed to be used on a portion of the non-conforming elevations, strictly for aesthetic purposes. We feel the use of wood frame members and the cedar is integral to the overall appearance of the building and that both a visually pleasing and a durable, high-quality finish standard can be achieved from the requested change.

Thank you for your consideration of this matter.

Sincerely,

Bill Thomas
Vice President,
Director of Commercial Services

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 3/17/2014

APPLICANT: Kelcey Barnes

AGENDA ITEM: **P2014-005;** ETJ Plat

SUMMARY:

Discuss and consider a request by Kelcey Barnes for the approval of a final plat for a six (6) acre portion of a larger 36.61-acre tract of land identified as Tract 13-03 of the W. W. Ford Survey, Abstract No. 80, Rockwall County, Texas, being situated within the City of Rockwall's Extraterritorial Jurisdiction (ETJ), generally being a portion of a 20-acre tract of land identified as 636 Hanby Lane, and take any action necessary.

COMMENTS:

- The purpose of this plat is to subdivide a portion of a tract of land within the extraterritorial jurisdiction (ETJ) in order to consvey property.

- The Engineer has completed the technical revisions requested by staff, and this plat is recommended for conditional approval pending the completion of final technical modifications and submittal requirements required for the recordation by the applicant or owner.

- Conditional approval of this plat by the City Council shall constitute approval subject to the conditions stipulated in the Recommendation section below.

With the exception of the items listed in the Recommendation section of this case memo, this plat is in substantial compliance with the requirements of the Subdivision Ordinance in the Municipal Code of Ordinances

RECOMMENDATIONS:

If the Planning & Zoning Commission and City Council choose to approve the final plat for Lot 1, Block A, Barnes Estate, the following conditions of approval are offered:

1) All the technical comments from the Engineering, Planning and Fire Departments shall be addressed prior to the filing of this plat; and

2) Any construction resulting from the approval of this final plat shall conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING & ZONING COMMISSION:

On March 11, 2014, the Planning & Zoning Commission approved the final plat per staff's recommendations by a vote of 4 to 0, with Commissioners Conley, Lyons, and Nielsen absent.

STATE OF TEXAS
COUNTY OF ROCKWALL

OWNER'S CERTIFICATE
(Public Dedication)

WHEREAS, KELCEY BARNES and JAMI BARNES, BEING the Owners of a tract of land in the County of Rockwall, State of Texas, said tract being described as follows:

All that certain lot, tract or parcel of land situated in the W.W. FORD SURVEY, ABSTRACT NO. 80, Rockwall County, Texas, and being a part of a 20.00 acres tract of land as described in a Warranty deed from John W. Cullins and Edna Cullins to John R. White and Mary V. White, dated July 18, 1977 and being recorded in Volume 128, Page 565 of the Real Property Records of Rockwall County, Texas, and also being a part of a 16.61 acres tract of land as described in a Warranty deed from William A. White and Frankie White to John R. White and Mary V. White, dated November 5, 1987 and being recorded in Volume 364, Page 320 of the Real Property Records of Rockwall County, Texas, and being more particularly described as follows:

BEGINNING at a 3/8" iron rod found for corner at fence post at the east most corner of said 20.00 acres tract of land and being the west most south corner of a 169.998 acres tract as described in a Deed to K. B. & P., Inc., as recorded in Volume 174, Page 313 of the Real Property Records of Rockwall County, Texas;

THENCE S. 45 deg. 01 min. 50 sec. W. along the southeast line of said 20.00 acres tract, a distance of 451.66 feet to a 1/2" iron rod found for corner at the north corner of a 24.47 acres tract of land as described in a Deed to Deborah Jackson, as recorded in Volume 1876, Page 82 of the Real Property Records of Rockwall County, Texas;

THENCE S. 44 deg. 36 min. 17 sec. W. along the northwest line of said Jackson tract, a distance of 65.00 feet to a 1/2" iron rod with yellow plastic cap stamped "RPLS 5034" set for corner;

THENCE N. 45 deg. 29 min. 03 sec. W. a distance of 506.34 feet to a 1/2" iron rod with yellow plastic cap stamped "RPLS 5034" set for corner;

THENCE N. 45 deg. 01 min. 50 sec. E. a distance of 516.66 feet to a 1/2" iron rod with yellow plastic cap stamped "RPLS 5034" set for corner in the northeast boundary line of said 16.61 acres tract;

THENCE S. 45 deg. 29 min. 03 sec. E. along the northeast line of said 16.61 acres tract, pass a 3/8" iron rod found at the east corner of same at 277.56 feet and continuing along the northeast line of said 20.00 acres tract for a total distance of 505.86 feet to the POINT OF BEGINNING and containing 6.00 acres of land.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

STATE OF TEXAS
COUNTY OF ROCKWALL

We the undersigned owner of the land shown on this plat, and designated herein as BARNES ESTATE, an Addition in the EXTRATERRITORIAL JURISDICTION of the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, water courses, easements and public places thereon shown on the purpose and consideration therein expressed. I further certify that all other parties who have a mortgage or lien interest in the subdivision have been notified and signed this plat.

We understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same.

We also understand the following;

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of th eir respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maint aining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, sto rm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or

Until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer an d/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as p rogress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or

Until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

I further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; I, my successors and assigns hereby waive any claim, damage, or cause of action that we may have as a result of the dedication of exaction's made herein.

City of Rockwall
The New Horizon

MEMORANDUM

TO: Rick Crowley, City Manager
Hotel / Motel Sub-committee Members

FROM: Mary Smith, Assistant City Manager

DATE: March 12, 2014

SUBJECT: Request for Funding Allocation – Multiple Organizations

The City has received supplemental funding requests for hotel occupancy tax revenues. The requests are attached for Council's consideration and are summarized as follows:

Organization	Event	Amount	Subcommittee Recommendation
Rockwall Chamber of Commerce	Wooden Boat Show	$28,160	$20,000
Rockwall Chamber of Commerce	Tour Texas and CVB	$ 3,745	$3,745
Rockwall Rubber Duck Regatta	Regatta and Duck Fest	$23,600	$13,600
The Rockwall News	Rockwall News Memorial Day Concert	$ 13,160	zero

Copies of the Funding Request Questionnaires and supporting documentation are attached for the Subcommittee's review and recommendation to the full Council.

Summary of each application:

The Rockwall Chamber of Commerce was awarded $52,000 in fiscal year 2013 for the first Wooden Boat Show. The event had not yet been held when applications were due for this year. The Chamber asked for and was awarded $28,000 for the 2014 event. Following the first event, the Chamber has determined that it will take the full $52,000 to put on the 2014 event and are supplementing their original request at this time. In addition, the Chamber asks that rental fees of $4,160 at the Harbor be included in their hotel tax allocation or waived for the 2-day event.

In addition, the Chamber is seeking funds to supplement their award for the CVB function. They were awarded $39,020 for staffing and an additional $4,800 for brochures along with $13,225 for website work in the original application.

Rubber Duck Regatta did not submit a request during the application cycle. At this time, they are requesting $20,000 for promotions and $3,600 for Harbor rental or a waiver of the rental fee. They were awarded $2,000 and rental fees were waived for the 2013 event.

JJ Smith of The Rockwall News has requested $13,160 for the Memorial Day Concert he is planning at the Harbor. This includes $1,920 for the rental of the Harbor for the event. This will be a first time event and he has sought sponsorship packages in addition to the City funding requested.

At the present, the Hotel/Motel Occupancy Tax budget is as follows:

Fund Balance carried forward	**$ 126,619**
Revenues budgeted	**275,000**
Allocated Funding	**(313,950)**
Projected Fund Balance	**$ 87,669**

Total supplemental requests - $68,705

Total subcommittee recommendations - $37,345

► **COMPLETE AN APPLICATION FOR EACH EVENT/PROGRAM/EXHIBIT REQUESTING FUNDS**

► INCOMPLETE APPLICATIONS WILL NOT BE FORWARDED TO THE COUNCIL SUBCOMMITTEE

1. Mark an "X" next to the category or categories that your organization is requesting funds in the attached budget request.

X **Advertising/Tourism** **Requested funding amount $ 24,000**
Conducting solicitation or promotional programs that encourage tourists and delegates to come to the City of Rockwall.

☐ **Arts** **Requested funding amount $**
Providing encouragement, promotion, improvement and application of the arts as it relates to the presentation, performance execution or exhibition of the major art forms in the City of Rockwall.

☐ **Historical** **Requested funding amount $**
Providing historical restoration, preservation, programs and encouragement to visit preserved historic sites or museums located in the City of Rockwall.

2. Briefly state the purpose of your organization/mission statement:
The Rockwall Area Chamber of Commerce serves the business community through programming and support to assist businesses in advertising and networking; bringing new visitors to the area while encouraging existing residents to support their local community and sharing in the genuine hospitality. Additionally, the Chamber acts as a Visitors Bureau /Information Center and provides many services for visitors in the area, as well as answers telephone calls and sends information to potential visitors. Our goal is to increase awareness of Rockwall as a leisure travel destination and create a signature event to have a measurable impact on year-round visitations. We wish to promote the affordable variety of lodging, shopping, dining and activities found in Rockwall through this event. The website; www.visitrockwall.com helps to promote this event along with the requested HOT for additional advertising and promotional opportunities. .

3. Does your organization have paid staff?
Yes 4 # Full-Time 1 # Part-Time (High school intern)

4. Does your organization use volunteers?
Yes Approximately how many? 15-20

5. Is the event/program that the organization is requesting Hotel Tax funds held in/on City-owned property?
Yes Name location: The Harbor
Some of the activities will be supported by the retailers/restaurants within the complex as well as bringing in nationally recognized boating and marine exhibitors and supported by a Ski Show and Wooden Boat show.

If you are holding your event in/on city-owned property, the City may, in lieu of funds, donate the cost of the facility/property rental for that event.

6. Will your event be held in "*The Downtown*" or adjacent to *Lake Ray Hubbard*?
No Name location: Not applicable.

7. Will your organization provide special event insurance coverage for the event/program if held on City property?
Yes Name of Insurance Company: BB&T

8. List all other sources of funding your organization receives for this event. Include event budget (use the required budget form attached).
Sponsorship, Exhibitor fees and Ticket Sales

9. List the programs, activities, exhibits, or event for the upcoming fiscal year (Oct. 1, 2013-Sept. 30, 2014) that the requested Hotel funding will support partially or in full.
In 2013, The Chamber on behalf of VisitRockwall held its first Boat Show at the Harbor and will hold it again in 2014.. For a first time out, this event was moderately successful but was very well received by the exhibitors and attendees. We teamed up with WFAA.com and The Dallas Morning News (as title sponsor) and brought nationally recognized boating/marine exhibitors and Wooden Boat Association to display their vintage boats. We supported the event with performances from a metroplex-based Ski Show whom have performed world-wide and introduced a new boating trend call 'FlyBoarding' that was also well attended among a different segment of enthusiasts. The 2014 Boat Show is intending on teaming and partnering with the same or similar marketing and online communication mediums and performers. The exhibitors are expected to grow in size by 20-25% more which should have a greater appeal among boating enthusiasts.

10. Provide 3 years attendance history for the above listed programs, activities, exhibits or event in #9 above.

Event	Year	Event Duration (in Days)	Audience Size	# of Attendees in hotel rooms
Wooden Boat Show	2013	1.5	1000	36

11. How do the requested budget expenditures meet the definition of the categories marked in #1? Advertising/Tourism, Arts, Historical
This request meets all requirements of funding from HOT, for this money would only be used for:
Promotion of the City
Handling Visitor Inquiries
Working on said Event that Support the City
Liaison between hotels and potential visitors
City/tourism promotional materials surrounding event
Posting and keeping website updated on said event

We intend to use the websites to drive traffic to event site page utilizing various advertising and marketing elements as employed in 2012 and 2013 for the Fall

125

Harbor event. We will utilize this marketing arm along with the Dallas Morning News and WFAA.com and expand our exposure with online ticket services that we used in 2013 such as Groupon, Sweet Jack and Living Social to promote the event.

12. What specific market will you target with the event/program's marketing plan? Attach up to 3 examples and evidence of marketing area and readership (Label Exhibit C).

Leisure Market- Our audience will consist of weekend travelers who like to mix outdoor and fun events/activities with an entertaining approach. Our audience is not united by age or demographics but we will focus on the 25-55 age group with household income of $80,000+. Our visitors share in that they're looking for a taste of small town yet with the outdoor and lakeside adventure that our community can offer with the traveling time requirements of +/- 100 mile radius of their homes.

- Email marketing campaign
- Texas-specific Travel magazines
- DFW metroplex advertising venues
- Surrounding community newspapers
- Surrounding community radio
- Local billboard advertising (if feasible)

13. Describe in detail how your event/program will promote tourism and the hotel industry in Rockwall.

For a first time in 2013, VisitRockwall conducted an In-the-water and On-the-water boat show. This event was moderately successful, but was very well received by the exhibitors, attendees, Harbor retailers/restaurants and local hoteliers. We teamed up with WFAA.com and The Dallas Morning News (as title sponsor) and brought nationally recognized boating/marine exhibitors and Wooden Boat Association to display their vintage boats. We supported the event with performances from a metroplex-based Ski Show whom have performed world-wide and introduced a new boating trend call 'FlyBoarding' that was also well attended among a different segment of enthusiasts. The 2014 Boat Show is intending on teaming and partnering with the same or similar marketing and online communication mediums and performers which support Rockwall as a 'weekend' destination with a fun event to support the specific tourism event and future follow-up visits to our city. The exhibitors are expected to grow in size by 20-25% more which should have a greater appeal/attendance among boating and water enthusiasts alike.

14. Describe the organization's long-term plan (3-5 year) in regard to the program/ event that funds are being requested.

This type of event has all the 'essentials' for an annual tourist type of event to draw thousands to our community. There is NO OTHER 'On-the-water' type of boat show in the Dallas Metroplex making Rockwall a premier destination for this type of event. The Harbor is the exact type of location and venue that will support an event of this scope as it grows. This will be the 2nd year for the event and modifications and improvements are being planned. The actual financial/funding support for 2013 needs to be matched with HOT for us to meet and/or exceed our success metrics for 2014..

15. The City of Rockwall must require segregated accounting of its Hotel funds. Organizations must maintain and account for revenue provided from the tax authorized by section 351.101(a) within one of the two options listed below.

a) Separate checking account without combining with any other revenues or maintained in any other bank account or

b) Maintain a line item accounting, whereby the Hotel revenues may not be combined with any other revenues or expenditures. The funds may be maintained in the same bank account, provided they are reported as a separate line item in the organization's budget. Interest earned on the Hotel revenues must be used to support the event/program as well.

Will the organization be able to segregate the accounting process in either a) or b) above? Yes

16. Provide all of the following documentation with this application and label each as outlined below.

Exhibit A	Proposed budget for each event/program using attached form
Exhibit B	Letter of determination certifying federal tax exempt 501(c)(3) status
Exhibit C	Examples and evidence of marketing area and readership (limit 3)
Exhibit D	List members of the governing body including name, position, mailing address and phone number

We certify, to the best of our ability, that the information in this application, including all exhibits and supporting documentation is true and correct to the best of our knowledge. It is understood and agreed that any funds awarded as a result of this application will be used for the purpose set for herein and the program guidelines.

Welcome to United States Yacht Shows!

The United States Yacht Shows, a premier event management company, has produced several sterling in-water boat shows since 1970. Today, close to 150,000 attendees from around the world come to the Chesapeake Bay to experience these nautical extravaganzas.

Our oldest show, the **United States Sailboat Show**, is recognized as the best and biggest in the industry for new, in-water sailboats. The 2013 sailboat show will be preceded by the **United States Powerboat Show**, the oldest in-water powerboat show in the country. Both shows are held in October in historic Annapolis, Maryland.

Our newest show, **Annapolis Spring Sailboat Show**, will be held at the Annapolis City Dock & Harbor.

United States Yacht Shows presents:

The Rockwall Chamber of Commer
104 West Rusk Street
P. O. Box 92
Rockwall, Texas 75087

I. R. Code: Section 501(c)(6)
Address Inquiries with District Director of Internal Revenue: Dallas, Texas
Accounting Period Ending: June 30

Gentlemen:

On the basis of your stated purposes and the understanding that your operations will continue as evidenced to date or will conform to those proposed in your ruling application, we have concluded that you are exempt from Federal income tax under the provisions of the Internal Revenue Code section indicated above. Any changes in operations from those described, or in your character or purposes, must be reported immediately to your District Director for consideration of their effect upon your exempt status. You must also report any change in your name or address.

You are not required to file Federal income tax returns so long as you retain an exempt status, unless you are subject to the tax on unrelated business income imposed by section 511 of the Code, in which event you are required to file Form 990-T. In this letter we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

You are required to file Form 990, Return of Organizations Exempt from Income Tax, only if your gross receipts each year are normally more than $5,000. If a return is required it must be filed by the 15th day of the fifth month after the end of your annual accounting period. The law imposes a penalty of $10 a day, to a maximum of $5,000, for the failure to file the return on time.

Unless specifically excepted, you are liable for taxes under the Federal Insurance Contributions Act (Social Security taxes) on remuneration of $50 or more to each of your employees during a calendar quarter and,

unless excepted, you are also liable for tax under the Federal Unemployment Tax Act on remuneration of $50 or more to each of your employees during a calendar quarter if, during the current or preceding calendar year, you have one or more employees at any time in each of 20 calendar weeks or pay wages of $1,500 or more in any calendar quarter. If you have any questions about excise, employment, or other Federal taxes, please address them to this office.

As a chamber of commerce, charitable contributions to you are not deductible by donors. You should advise your contributors to that effect.

If we may be of further assistance, please contact Roy H. Schellenberg, 214-749-3693.

This is a determination letter.

Sincerely yours,

A. W. McCanless

- **COMPLETE AN APPLICATION FOR EACH EVENT/PROGRAM/EXHIBIT REQUESTING FUNDS**
- **INCOMPLETE APPLICATIONS WILL NOT BE FORWARDED TO THE COUNCIL SUBCOMMITTEE**

1. Mark an "X" next to the category or categories that your organization is requesting funds in the attached budget request.

X **Advertising/Tourism** **Requested funding amount $ 3745**
Conducting solicitation or promotional programs that encourage tourists and delegates to come to the City of Rockwall.

☐ **Arts** **Requested funding amount $**
Providing encouragement, promotion, improvement and application of the arts as it relates to the presentation, performance execution or exhibition of the major art forms in the City of Rockwall.

☐ **Historical** **Requested funding amount $**
Providing historical restoration, preservation, programs and encouragement to visit preserved historic sites or museums located in the City of Rockwall.

2. Briefly state the purpose of your organization/mission statement:
The Rockwall Area Chamber of Commerce serves the business community through programming and support to assist businesses in advertising and networking; bringing new visitors to the area while encouraging existing residents to support their local community. Additionally, the Chamber acts as a Visitors Bureau /Information Center and provides many services for visitors in the area, as well as answers telephone calls and sends information to potential visitors. In 2009, it was mutually agreed with The City of Rockwall that the Chamber would continue in this role and that functions would be delineated by a unique CVB website. The website is function; www.visitrockwall.com. The day-to-day operation of tourism is supported by all chamber staff in various roles and responsibilities.

3. Does your organization have paid staff?
Yes 4 # Full-Time 1 # Part-Time (High school intern)

4. Does your organization use volunteers?
No Approximately how many? Not applicable to this request

5. Is the event/program that the organization is requesting Hotel Tax funds held in/on City-owned property?
No Name location: N/A

If you are holding your event in/on city-owned property, the City may, in lieu of funds, donate the cost of the facility/property rental for that event.

6. Will your event be held in "*The Downtown*" or adjacent to *Lake Ray Hubbard*?
No Name location: Not applicable.

7. Will your organization provide special event insurance coverage for the event/program if held on City property?
No Name of Insurance Company: N/A

8. List all other sources of funding your organization receives for this event. Include event budget (use the required budget form attached).
Funding for staff is supported by the business member dues and special fund raising events. The goal is to separate the CVB functions that are performed by Chamber staff and fund by HOT award funds. More and more of the staff time from the President to the front desk administrative assistant is being used to accommodate tourism and visitors. For example, the front desk support staff spends 50% of their time assisting visitors in person and on the phone. Requests for information packets have increased by 100% due to advertising VisitRockwall in the statewide Texas Tourism website and magazine. The 2012-2013 (through December '13) resulted in 1961 separate and unique website requests from TourTexas.com advertising. The packets are time consuming to assemble and the postage has more than doubled. It is our belief that it is very important to the City to assist the Chamber in offsetting these costs that are truly attributable to a Visitors Bureau. We work very closely with The Hilton Dallas/Rockwall Lakefront and its affiliate hotel in assisting in bringing events to them. During the last several years, we have had numerous medium size groups request assistance for events that were being held at one of these hotels and we were able to comply, somewhat. This activity often requires assembling packets, customizing information kits and other miscellaneous items. Many times we are asked and support assembling "Goody Bags" for the out of town guests, which include city/regional and other information.

9. List the programs, activities, exhibits, or event for the upcoming fiscal year (Oct. 1, 2013-Sept. 30, 2014) that the requested Hotel funding will support partially or in full.
Attend the Annual Conference for the Texas Association of Convention & Visitors Bureaus as well as continue our yearly membership in this organization. This will begin to support the tourism development for the Rockwall area and help with our recognition and branding efforts. By joining and supporting this organization, we will further enhance our skills and knowledge within the CVB landscape. The trade organization has (1) Annual event each year (held in late summer 2014) and 2-3 mini-training (2-day) workshop events (spring and fall, typically). Lastly, the dedicated website is currently hosted under the Chamber and the yearly related expenses should be recouped. A separate HOT request will be submitted.

10. Provide 3 years attendance history for the above listed programs, activities, exhibits or event in #9 above.

Event	Year	Event Duration (in Days)	Audience Size	# of Attendees in hotel rooms
Not applicable to this request				

11. How do the requested budget expenditures meet the definition of the categories marked in #1? Advertising/Tourism, Arts, Historical

This request meets all requirements of funding from HOT, for this money would only be used for:

Promotion of the City
Handling Visitor Inquiries
Working on Events that Support the City
Providing CVB input and development for website
Liaison between hotels and potential visitors
City/tourism collateral and promotional materials
Posting and keeping website updated on community events
Attending and representing community in state-wide trade association

12. What specific market will you target with the event/program's marketing plan? Attach up to 3 examples and evidence of marketing area and readership (Label Exhibit C).
See 2013 Texas Association of Convention & Visitors Bureau 2013 Annual Convention for highlights and training opportunities.

13. Describe in detail how your event/program will promote tourism and the hotel industry in Rockwall.
Having administrative and advertising funds to support CVB exposure & staff functions would allow more time to promote tourism and the City of Rockwall. The Chamber is the first place that ALL visitors call or visit electronically to inquire about events in the community. The volume increases annually as more people hear about our area. The current and past Harbor activities and events, and street and parking improvements being planned for in the Downtown area has changed the landscape of the community significantly and is becoming known in other areas. There is a strong desire and curiosity for visitors to learn more about our city and visit.

14. Describe the organization's long-term plan (3-5 year) in regard to the program/ event that funds are being requested.
It is our belief that we need to migrate into a full CVB with totally separate functions from the Chamber of Commerce. How the final organization will be structured is still in the preliminary phases. A focused committee within the board of directors for the Chamber worked for the past 18 months to capture data and resources and would like to support the City Council sub-committee on the structure and formation of such an organization. However, it is the Chamber's desire to continue to support these functions, with partial funding, for the next 24-36 months. A letter of agreement was presented in 2011 to the City of Rockwall for the Rockwall Area Chamber to continue to provide CVB support and we plan to honor this arrangement. The Chamber also agreed to establish and host a separate website, which is currently being monitored, marketed, programmed and updated by Chamber staff and/or outside webhosting personnel.

15. The City of Rockwall must require segregated accounting of its Hotel funds. Organizations must maintain and account for revenue provided from the tax authorized by section 351.101(a) within one of the two options listed below.
    a) Separate checking account without combining with any other revenues or maintained in any other bank account or

b) Maintain a line item accounting, whereby the Hotel revenues may not be combined with any other revenues or expenditures. The funds may be maintained in the same bank account, provided they are reported as a separate line item in the organization's budget. Interest earned on the Hotel revenues must be used to support the event/program as well.

Will the organization be able to segregate the accounting process in either a) or b) above? Yes

16. Provide all of the following documentation with this application and label each as outlined below.

Exhibit A	Proposed budget for each event/program using attached form
Exhibit B	Letter of determination certifying federal tax exempt 501(c)(3) status
Exhibit C	Examples and evidence of marketing area and readership (limit 3)
Exhibit D	List members of the governing body including name, position, mailing address and phone number

We certify, to the best of our ability, that the information in this application, including all exhibits and supporting documentation is true and correct to the best of our knowledge. It is understood and agreed that any funds awarded as a result of this application will be used for the purpose set for herein and the program guidelines.

Rockwall, Texas

Rockwall- Originally inhabited by the Caddo Indians. Rockwall is a mysterious and fascinating city. Founded in 1854, it is the county seat of Rockwall (the smallest county in Texas). The city is twenty-two miles northeast of Dallas. The almost square county consists of 147 miles of flat and rolling prairie ranges. The town name was chosen after the discovery in 1851 of a stone wall that lay beneath the surface. While digging wells, the early settlers found numerous large underground rock walls . The city and county are named for these subterranean rock formations that have been the subject for years. Although there has been the speculation the wall was built by prehistoric man, geologists think the phenomenon is a finger of the Balcones Fault in which the "wall" was formed by geologic stress splitting the formation. Rockwall has maintained a family-friendly small-town atmosphere in the midst of being named the fastest growing county in Texas and the fifth-fastest growing in the nation.

Rockwall County's proximity to Dallas and the lure of its large, peaceful homes near the lake have made it a growing suburban county. The **historic downtown** area offers specialty retail shops and fine dining. The **Coast of Rockwall** and greatest treasure—Lake Ray Hubbard, a 22,000-acre reservoir on the East Fork of the Trinity River and recreational lake offers 111 miles of rolling shoreline and is a center for boating, water-skiing, wind surfing, parasailing and other aquatic activities. The **Harbor District** is Rockwall's home for diverse entertainment and dining experiences. With more than 40 shops, services and restaurants, The Harbor is both a community gem and a shopping and entertainment destination for North Texas. Rockwall is named the **"Live Musical Capital of North Texas"**. Rockwall is a dynamic and beautiful area with outstanding schools, exciting recreational options, access to high wages and affordable housing. It is the perfect place to raise your family and enjoy an unrivaled quality of life. Come visit us at www.visitrockwall.com

OF

ROCKWALL CHAMBER OF COMMERCE, INC.
File Number: 58671301

The undersigned, as Secretary of State of Texas, hereby certifies that the Nonprofit Periodic Report for the above named entity has been received in this office and has been found to conform to the applicable provisions of law.

ACCORDINGLY, the undersigned, as Secretary of State, and by virtue of the authority vested in the secretary by law, hereby issues this certificate evidencing filing effective on the date shown below.

Dated: 05/13/2013

Effective: 05/13/2013

John Steen
Secretary of State

District Director
Internal Revenue Service

Date: NOV 19 1974

In reply refer to:
A:1427:309:R
DAL:EO:74-92

The Rockwall Chamber of Commer
104 West Rusk Street
P. O. Box 92
Rockwall, Texas 75087

I. R. Code: Section 501(c)(6)
Address Inquiries with District Director of Internal Revenue: Dallas, Texas
Accounting Period Ending: June 30

Gentlemen:

On the basis of your stated purposes and the understanding that your operations will continue as evidenced to date or will conform to those proposed in your ruling application, we have concluded that you are exempt from Federal income tax under the provisions of the Internal Revenue Code section indicated above. Any changes in operations from those described, or in your character or purposes, must be reported immediately to your District Director for consideration of their effect upon your exempt status. You must also report any change in your name or address.

You are not required to file Federal income tax returns so long as you retain an exempt status, unless you are subject to the tax on unrelated business income imposed by section 511 of the Code, in which event you are required to file Form 990-T. In this letter we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

You are required to file Form 990, Return of Organizations Exempt from Income Tax, only if your gross receipts each year are normally more than $5,000. If a return is required it must be filed by the 15th day of the fifth month after the end of your annual accounting period. The law imposes a penalty of $10 a day, to a maximum of $5,000, for the failure to file the return on time.

Unless specifically excepted, you are liable for taxes under the Federal Insurance Contributions Act (Social Security taxes) on remuneration of $50 or more to each of your employees during a calendar quarter and,

145

The Rockwall Chamber of Commerce

unless excepted, you are also liable for tax under the Federal Unemployment Tax Act on remuneration of $50 or more to each of your employees during a calendar quarter if, during the current or preceding calendar year, you have one or more employees at any time in each of 20 calendar weeks or pay wages of $1,500 or more in any calendar quarter. If you have any questions about excise, employment, or other Federal taxes, please address them to this office.

As a chamber of commerce, charitable contributions to you are not deductible by donors. You should advise your contributors to that effect.

If we may be of further assistance, please contact Roy H. Schellenberg, 214-749-3693.

This is a determination letter.

Sincerely yours,

A. W. McCanless
District Director

- **COMPLETE AN APPLICATION FOR EACH EVENT/PROGRAM/EXHIBIT REQUESTING FUNDS**
- **INCOMPLETE APPLICATIONS WILL NOT BE FORWARDED TO THE COUNCIL SUBCOMMITTEE**

1. Mark an "X" next to the category or categories that your organization is requesting funds in the attached budget request.

☒ **Advertising/Tourism** **Requested funding amount $** 23,600
Conducting solicitation or promotional programs that encourage tourists and delegates to come to the City of Rockwall.

☐ **Arts** **Requested funding amount $**
Providing encouragement, promotion, improvement and application of the arts as it relates to the presentation, performance execution or exhibition of the major art forms in the City of Rockwall.

☐ **Historical** **Requested funding amount $**
Providing historical restoration, preservation, programs and encouragement to visit preserved historic sites or museums located in the City of Rockwall.

2. Briefly state the purpose of your organization/mission statement:
The mission of the Rockwall Rubber Duck Regatta is to raise money to improve the lives, health, and well-being of children, the disabled, and the elderly in Rockwall County through fun and profitable activities in a safe and family friendly environment.

3. Does your organization have paid staff?
No # Full-Time # Part-Time

4. Does your organization use volunteers?
Yes Approximately how many? **100**

5. Is the event/program that the organization is requesting Hotel Tax funds held in/on City-owned property?
Yes Name location: **Harbor**

If you are holding your event in/on city-owned property, the City may, in lieu of funds, donate the cost of the facility/property rental for that event.

6. Will your event be held in *"The Downtown"* or adjacent to *Lake Ray Hubbard*?
Yes Name location: **Adjacent to Lake Ray Hubbard at the Harbor**

7. Will your organization provide special event insurance coverage for the event/program if held on City property?
Yes Name of Insurance Company: Philadelphia Insurance Companies

8. List all other sources of funding your organization receives for this event. Include event budget (use the required budget form attached).

Sponsorships, vendor fees, duck sales, merchandizing, and 5k entry fees

9. List the programs, activities, exhibits, or event for the upcoming fiscal year (Oct. 1, 2013-Sept. 30, 2014) that the requested Hotel funding will support partially or in full.
Running with the Nerds 5k and Fun Run, vendor/craft show, Corporate Duck Beauty Pageant, Corporate Rubber Duck Race, Adopted Baby Duck Race, Live concert, fireworks, and a Glow-in-the-dark duck race.

10. Provide 3 years attendance history for the above listed programs, activities, exhibits or event in #9 above.

Event	Year	Event Duration (in Days)	Audience Size	# of Attendees in hotel rooms
2012 Rockwall Rubber Duck Regatta & Duck Fest	2012	1	4000	20
2013 Rockwall Rubber Duck Regatta & Duck Fest	2013	2	5000	50

11. How do the requested budget expenditures meet the definition of the categories marked in #1? Advertising/Tourism, Arts, Historical

Funding will be utilized to advertise and promote this Rockwall event and the Harbor area. The purchase of the advertising is likely to *directly* enhance tourism to the city by letting readers of these signs, magazines, newspapers, and billboards know of an event that they may wish to attend. The promotion of this fun and unique family festival will *directly enhance* and promote tourism that will result in overnight stays in the hotels and motels of the city.

12. What specific market will you target with the event/program's marketing plan? Attach up to 3 examples and evidence of marketing area and readership (Label Exhibit C).

State-wide for festival attendees and vendors through use of print media and social media.

13. Describe in detail how your event/program will promote tourism and the hotel industry in Rockwall.

Marketing of the event will include special rates at local hotels, links to area hotels on our website, and will profile the amenities in the Harbor. We will utilize social media, such as our website and facebook page, to promote the area and the events as well. We have Facebook page friends from all over the world, including 12 different counties. Locally, we have friends from 44 different cities from around the US.

This year we will continue expanding our marketing efforts to include a digital billboard in Dallas, advertisements in the Dallas Morning Newspaper, Lakeside Living Magazine, and various other print media. In addition, we will continue our advertizing on various festival and vendor websites to reach subscribers all over the region.

14. Describe the organization's long-term plan (3-5 year) in regard to the program/ event that funds are being requested.

Continue to grow into an event for the community of Rockwall, such as the Plano Balloon Festival and Addison Oktoberfest.

15. The City of Rockwall must require segregated accounting of its Hotel funds. Organizations must maintain and account for revenue provided from the tax authorized by section 351.101(a) within one of the two options listed below.

a) Separate checking account without combining with any other revenues or maintained in any other bank account or

b) Maintain a line item accounting, whereby the Hotel revenues may not be combined with any other revenues or expenditures. The funds may be maintained in the same bank account, provided they are reported as a separate line item in the organization's budget. Interest earned on the Hotel revenues must be used to support the event/program as well.

Will the organization be able to segregate the accounting process in either a) or b) above?
Yes we will utilize option B.

16. Provide all of the following documentation with this application and label each as outlined below.

Exhibit A	Proposed budget for each event/program using attached form
Exhibit B	Letter of determination certifying federal tax exempt 501(c)(3) status
Exhibit C	Examples and evidence of marketing area and readership (limit 3)
Exhibit D	List members of the governing body including name, position, mailing address and phone number

We certify, to the best of our ability, that the information in this application, including all exhibits and supporting documentation is true and correct to the best of our knowledge. It is understood and agreed that any funds awarded as a result of this application will be used for the purpose set for herein and the program guidelines.

Rockwall Rubber Duck Regatta and 5K Duck Dash

Friday and Saturday, September 20 and 21

By Nece J. Ruddock and Mari Potter

Wednesday, Sep 11, 2013 | Updated 2:50 PM CST

View Comments (0) | Email | Tweet | Recommend | Share | Print

advertisement

Come out to the Rockwall Rubber Duck Regatta and 5K Duck Dash on Friday and Saturday, September 20th and 21st, at the Harbor in Rockwall. Thousands of spectators will watch 5,000 rubber ducks splash into the fountain at the Harbor and race towards the finish line. Adopt your duck today! Proceeds benefit the Boys and Girls Club of Rockwall County and Meals on Wheels of Rockwall County.

The Duck Fest will be two days of family fun. It kicks off at 3:00 p.m. on Friday, September 20, and continues with a live concert until 10:00 p.m. Race Day, Saturday, September 21, kicks off at 8:00 a.m. at the Harbor with a 5K Duck Dash followed by entertainment for the entire family, the Corporate Duck Beauty Pageant & Race, arts, crafts, a kids zone, vendors, food, inflatables, and much more!

The Rockwall Rubber Duck Regatta is the brainchild of two dedicated Rockwall women and event co-chairs, Arianna Hargrove and Brenda Cross. Since last year's fundraiser, the Rockwall Rubber Duck Regatta has raised $80,000 for the youth and seniors of Rockwall.

- **COMPLETE AN APPLICATION FOR EACH EVENT/PROGRAM/EXHIBIT REQUESTING FUNDS**
- **INCOMPLETE APPLICATIONS WILL NOT BE FORWARDED TO THE COUNCIL SUBCOMMITTEE**

162

1. Mark an "X" next to the category or categories that your organization is requesting funds in the attached budget request.

☒ **Advertising/Tourism** **Requested funding amount $** ~~20,000~~ 13,160 NIS
Conducting solicitation or promotional programs that encourage tourists and delegates to come to the City of Rockwall.

☒ **Arts** **Requested funding amount $**
Providing encouragement, promotion, improvement and application of the arts as it relates to the presentation, performance execution or exhibition of the major art forms in the City of Rockwall.

☐ **Historical** **Requested funding amount $**
Providing historical restoration, preservation, programs and encouragement to visit preserved historic sites or museums located in the City of Rockwall.

2. Briefly state the purpose of your organization/mission statement:
To honor our veterans, active-duty military, those who have lost their lives defending our great nation, and their families

3. Does your organization have paid staff?
Yes # Full-Time 1 # Part-Time

4. Does your organization use volunteers?
Yes Approximately how many? We will have 20-30 for this event

5. Is the event/program that the organization is requesting Hotel Tax funds held in/on City-owned property?
Yes Name location: The Harbor Amphitheater

If you are holding your event in/on city-owned property, the City may, in lieu of funds, donate the cost of the facility/property rental for that event.

6. Will your event be held in "*The Downtown*" or adjacent to *Lake Ray Hubbard*?
Yes Name location: The Harbor Amphitheater

7. Will your organization provide special event insurance coverage for the event/program if held on City property? If needed
Yes Name of Insurance Company:

8. List all other sources of funding your organization receives for this event. Include event budget (use the required budget form attached).
Business sponsors - selling now

9. List the programs, activities, exhibits, or event for the upcoming fiscal year (Oct. 1, 2013-Sept. 30, 2014) that the requested Hotel funding will support partially or in full.
Rockwall News Memorial Day Concert

10. Provide 3 years attendance history for the above listed programs, activities, exhibits or event in #9 above. N/A

Event	Year	Event Duration (in Days)	Audience Size	# of Attendees in hotel rooms

11. How do the requested budget expenditures meet the definition of the categories marked in #1? Advertising/Tourism, Arts, Historical

All expenditures will help attract thousands of visitors to Rockwall and dozens to spend at least one night in local hotels

12. What specific market will you target with the event/program's marketing plan? Attach up to 3 examples and evidence of marketing area and readership (Label Exhibit C). Will target DFW veterans and military and families via ads & news publicity on Facebook, TV, radio & print/web news & social media

13. Describe in detail how your event/program will promote tourism and the hotel industry in Rockwall. The only event of its kind will attract thousands of veterans & active-duty military to spend night and eat and shop in Rockwall

14. Describe the organization's long-term plan (3-5 year) in regard to the program/event that funds are being requested. We intend to make this event bigger & better each year, eventually bringing in big name performers & dignitaries

15. The City of Rockwall must require segregated accounting of its Hotel funds. Organizations must maintain and account for revenue provided from the tax authorized by section 351.101(a) within one of the two options listed below.

a) Separate checking account without combining with any other revenues or maintained in any other bank account or

b) Maintain a line item accounting, whereby the Hotel revenues may not be combined with any other revenues or expenditures. The funds may be maintained in the same bank account, provided they are reported as a separate line item in the organization's budget. Interest earned on the Hotel revenues must be used to support the event/program as well.

Will the organization be able to segregate the accounting process in either a) or b) above? Either (Yes) Likely separate

16. Provide all of the following documentation with this application and label each as outlined below.

Exhibit A	Proposed budget for each event/program using attached form
Exhibit B	Letter of determination certifying federal tax exempt 501(c)(3) status
Exhibit C	Examples and evidence of marketing area and readership (limit 3)
Exhibit D	List members of the governing body including name, position, mailing address and phone number

We certify, to the best of our ability, that the information in this application, including all exhibits and supporting documentation is true and correct to the best of our knowledge. It is understood and agreed that any funds awarded as a result of this application will be used for the purpose set for herein and the program guidelines.

City of Rockwall
The New Horizon

MEMORANDUM

TO: City Council

FROM: Joey Boyd, Director of Internal Operations

DATE: March 11, 2014

SUBJECT: FBO Contract at Ralph M. Hall / Rockwall Municipal Airport

In October 2013, the City Council authorized staff to issue a request for proposals for fixed base operator (FBO) services at the Ralph M. Hall / Rockwall Municipal Airport. The City received two proposals on November 27, 2013. The Airport Subcommittee (Mayor Pro Tem White and Councilmembers Townsend and Pruitt) evaluated the proposals, interviewed both parties, and all references provided by both candidates were checked. The City Council then interviewed both candidates at its meeting on Tuesday, January 21, 2014 to discuss their individual proposals and vision for their respective FBO operation at the airport. The Council selected Texas Air Center, LLC as the preferred candidate and authorized the City Manager to begin contract negotiations with Todd Parks, owner of TAC.

Attached is the proposed FBO agreement between the City and Texas Air Center. The key points of the contract are:

- The initial term is 3 years – Any violation of the contract terms allows the City to terminate the contract for cause with only a 10 day notice if necessary. Mr. Parks estimates he will be investing up to $50,000 up front for equipment and tools.
- Compensation to the City from the FBO is .10 cents per gallon flowage fee and 5% franchise fee on gross revenue from all facility rentals, which includes hangars and shops. Mr. Parks will retain revenues from the aircraft maintenance and flight school operation as is the case with the previous FBO.
- City will transfer 5.5% of its revenue generated from the land lease agreement on the west side of the Airport (Bob Clements hangars) to FBO to help with personnel costs associated with the operations of the airport, seasonal fluctuation in fuel sales, and for monitoring compliance with the land lease agreement on the City's behalf. The City will receive any remaining percentage of the revenue derived for the life of the land lease

agreement. Based on receipts from 2013, the estimated transfer to TAC is $5,200.00 next year assuming full occupancy of the Clements hangars.

- Section 2 outlines the City's obligations, which is also what the City is currently providing. Many of these items are eligible for reimbursement in TXDOT Aviation's Routine Airport Maintenance Program and generally repays the city for 50% of these costs. Any major repairs or improvements will be submitted for approval during the budget process for grant funding as well. The FBO is responsible for minor maintenance due to daily use of the facilities, but any other minor repairs the City makes will be absorbed into the Internal Operations Department's building repair budget as it would with any other city facility.

The Airport Subcommittee has reviewed the contract terms and requested the item move forward to the Council for consideration. If the City Council approves the City Manager to execute the new FBO contract, city staff will facilitate a meeting with the new FBO and outgoing FBO to develop a transition plan with a target of April 1, 2014.

STATE OF TEXAS §
§ **KNOW ALL BY THESE PRESENTS:**
COUNTY OF ROCKWALL §

FIXED BASE OPERATOR MANAGEMENT AGREEMENT AND GROUND LEASE

This agreement is entered into this _____ day of _____, 2014, between the City of Rockwall, hereinafter referred to as the "City," owner of the Ralph M. Hall / Rockwall Municipal Airport, hereinafter referred to as "Airport" and Texas Air Center LLC (a Texas Limited Liability Corporation), hereinafter referred to as "FBO" who covenant and agree as follows:

WHEREAS, City and FBO are committed to the proper operation, improvement, and continued development of the Airport and in providing good, efficient, and friendly service at the Airport; and

WHEREAS, FBO represents and has provided sufficient proof that it has the qualifications, experience, and ability to perform the functions of Airport FBO; and

WHEREAS, City and FBO desire to enter into a contractual agreement allowing the FBO to oversee the daily operation of the Airport under the direction of the City;

NOW THEREFORE, in consideration of the terms and conditions listed herein, City grants to FBO the title and office of "Airport FBO" along with the appropriate duties, responsibilities, and obligations entered herein.

DEFINITIONS

Airport - means the area known as the Ralph M. Hall / Rockwall Municipal Airport being provided as the lease area in this contract, shown in **Exhibit A**, attached hereto and incorporated herein by this reference.

City - means the City of Rockwall, City Council, City Manager, or his designee

City Manager – means the City Manager of the City of Rockwall or his designee

Fixed Base Operator – is a person, firm, or corporation performing any of the functions or furnishing any of the services listed herein. No person, firm, or corporation may act in the capacity of an FBO without a valid contract with the City of Rockwall, Texas authorizing such activity at the Airport.

Operating Revenues - shall be defined as fuel sale revenues, tie-down rentals, hangar and facility rentals. All Airport operating revenues shall become the property of the FBO save and except ad valorem and sales tax revenues generated thereupon.

SECTION 1. TERMS

A. Term – This agreement shall be for three (3) years, beginning on the 1st day of April 2014, and expiring at 12:01 AM local time on the 31st day of March 2017. The FBO shall notify the City in writing a minimum of ninety (90) days prior to the expiration of any term as to whether or not the FBO desires to request approval of an extension.

B. Lease – FBO is granted the exclusive lease of the Airport grounds as shown in **Exhibit "A"** hereto which is incorporated herein by reference as if fully copied and set forth at length. Area adjacent and connected by taxiway to private property owned by David Block as described in **Exhibit "B"** is excluded from the exclusive lease in accordance with "Through-the-Fence Agreement" executed between the City of Rockwall and David Block in May 2008. FBO may also be granted rights to the area described in **Exhibit "B"** if David Block elects not to provide services contemplated under the terms of this Agreement. FBO agrees to lease the equipment described in **Exhibit "C"** hereto during the term of the lease at the rates specified therein.

C. Through-the-Fence Operations – Through-the-fence operations are agreements that permit access to the public landing area to owners of aircraft based on land adjacent to, but not a part of, the airport property. These TTFs must be approved by the City Council, TXDOT Aviation and the FAA. Since the City has an obligation to administer these contracts and ensure compliance with all federal rules and regulations, all existing and future TTFs and its revenue will belong to the City.

D. City agrees to transfer 5.5% of its revenue generated from land lease agreement on the west side of the Airport to FBO to help with personnel costs associated with the operations of the airport, seasonal fluctuation in fuel sales, and for monitoring compliance with land lease agreement on the City's behalf. The City will receive any remaining percentage of the revenue derived for the life of the land lease agreement.

E. In consideration of the rights granted herein, FBO agrees to pay a fuel flowage fee of ten cents (.10) per gallon of fuel sold and five (5%) percent franchise fee on the gross revenues derived from all facility rentals. All franchise fees shall be without deduction or offset and shall be secured by a priority lien upon FBO's Airport Operating Revenue. FBO shall at City's request execute such documents as may be required evidencing the priority lien. Franchise fees are due monthly on the fifth (5th) day of the calendar month following the month in which the "Operating Revenues" are due and or paid and shall include an automatic ten (10%) late fee if not paid by the 10th day thereafter. Timely payment of the franchise fee shall be a condition to the continued operation of the Agreement. The failure to pay all such fees when due shall constitute a basis for the termination hereof. FBO agrees to pay reasonable attorneys fees and cost associated with the collection of the Franchise Fees provided for herein.

F. City shall have access to FBO's books and records related to defined revenues upon 5 days notice during any term hereof for the sole purposes of conducting an audit by the City. FBO shall provide written financial and operational reports pertaining to operating revenues to City's Director of Finance on the form attached **as Exhibit "D"** hereto as requested.

G. FBO agrees to provide annual report detailing pertinent activities, expenditures, and revenues related to airport operations. The City may require such other and further reports from FBO as it deems reasonably necessary. FBO shall cooperate with City in providing all reports as requested.

H. FBO agrees to provide the items identified in the Request for Proposals and financial information provided as part of the selection process, attached **as Exhibit E**, hereto during any term of the agreement. If there are any discrepancies between the contract and Exhibit E, the terms of the stricter provision shall exclusively control.

SECTION 2. CITY'S OBLIGATIONS

City shall provide an airport budget which will include funds for maintenance not required of FBO. City duties and responsibilities shall include the following non-exclusive list:

i. Utilities – electric, water/wastewater service, and propane
ii. Facilities Maintenance – HVAC system and roof on the terminal building, major repairs or improvements to the maintenance facility, and repairs and improvements to hangars necessary to provide a safe and usable structure. The City will work with FBO to identify major repair items to submit for funding as part of the annual operating budget approval process.
iii. Asphalt maintenance and repair on roads, taxiways, and runway
iv. Annual herbicide and asphalt sweeping service as needed at the request of the FBO
v. Automated Weather Observation System Maintenance and Data Service
vi. Garbage Collection Services
vii. Mowing services, landscape, entry signage, and irrigation maintenance
viii. Maintaining fire hydrants
ix. Fencing – The City shall be responsible for maintaining the Airport's perimeter fencing.
x. City will bear the cost of any fuel tank and fuel line modifications required by current and future EPA or TCEQ regulations. City shall also bear the costs of annual fuel tank testing and permitting required, inventory maintenance, and pump maintenance and operation.
xi. Maintenance and repair of mobile fueling trucks, underground storage tanks, fuel dispensing equipment identified in annual inspections.
xii. The upkeep and maintenance of all City airport equipment. This shall include replacing defective runway, taxiway, beacon, hangar and hazard lights and airport signs, arranging for repairs to any visual or navigational aids and wind socks.

SECTION 3. OFFICE AND DUTY HOURS

A. The FBO shall establish an office at the Airport.

B. Hours – the FBO shall be on duty between the hours of 7 AM and 7 PM, 7 days per week, Monday through Sunday and designate an emergency contact for all matters outside of normal operating hours. Reasonable efforts shall be taken for the FBO to be physically present at the Airport during duty hours and in the event the FBO cannot be at the Airport, FBO shall provide coverage by competent trained and as necessary appropriately licensed personnel.

SECTION 4. DUTIES AND RESPONSIBILITIES OF FBO

The FBO shall be responsible for the daily operation and facilitating all maintenance. FBO shall pay all personnel related costs associated with the Airport and all operating expenses. FBO duties and responsibilities shall include the following non-exclusive list:

i. Point of Contact – The FBO shall be the point of contact for all airport business, save and except pertaining to grants and/or loans and through-the-fence operations by the FAA, the State of Texas and TXDOT unless so granted under a separate contract.

ii. Collection of Rents – The FBO shall collect all rents and fees for use of the Airport including hangar rents, tie down fees, fuel flowage fees, Fixed Base Operator (FBO) lease payments, and any other rents or fees arising from the Airport, save and except Federal, State, County, City and/or other organization's grants or loans. The FBO shall keep accurate records of such collections and provide such records to the City on a monthly basis.

iii. FBO shall provide the following services, support, and amenities:

a) Purchase and dispensing of aircraft fuel (100LL & Jet A), oil, and lubricants
b) Hangar management, subleasing of hangars and tie-down spaces, and perform minor maintenance to the terminal, maintenance facility, and hangars as may be needed due to normal daily use of the facilities.
c) Employment of the appropriate number of properly trained and/or certified personnel to provide satisfactory FBO services, such as fueling and line service, etc.
d) Minimum hours of operation: 12 hours per day, 7 days per week, or an acceptable alternative that may be considered by the City.
e) Aircraft marshalling, parking, and tie-down, including ropes, chains, and other restraining devices
f) Oxygen, nitrogen, and compressed air services
g) Courtesy transportation and/or ground transportation arrangement
h) Provide subcontractor lease space for flight training services and ground school and show proof of appropriate certifications to provide this service
i) Provide or subcontract for airframe and power plant maintenance and repair services and show proof of appropriate certifications to provide this service
j) Operate and maintain a pilot and passenger lounge with restrooms and vending machines
k) Phone, Internet, Credit Card equipment and services
l) Weather computer station
m) All equipment necessary to file flight plans
n) Miscellaneous retail products (pilot supplies, promotional items, etc.)
o) All other products and services not specifically listed herein must be submitted to the City for review, consideration, and approval.

The FBO may also provide any of the optional aeronautical services:

a) Aircraft rental
b) Aircraft sales
c) Avionics repair

d) Specialized maintenance, (such as upholstery, radio, instrument repair, etc.)

iv. Other Fuel Sales. The City and the FBO hereby agree to prohibit access to the airport by any business that sells aviation fuel outside of the airport property except fuel service truck delivering fuel to supply fuel for private use by facilities operating off of the airport property. It is mutually understood by both parties that state law provides that the City which has contractually extended its fuel sales function to an FBO may not prohibit the sale of fuel by other businesses located on the airport, if reasonable conditions set forth by the City are met.

v. FBO shall conspicuously post prices for all Airport services in the terminal building. The rates or charges for any and all products and services shall be determined by the FBO and be reasonable and be equally and fairly applied to all users of the products and services.

vi. FBO Maintenance of Airport - FBO shall keep all Airport grounds in operational condition and in keeping with all applicable Federal, State and local laws, rules, regulations, orders and guidelines including but not limited to those of the Federal Aviation Administration ("FAA") and the Texas Department of Transportation ("TXDOT"). FBO shall see to all Airport grounds and building upkeep and maintenance in accordance with industry standards for FBO(s) in the North Texas area.

FBO shall maintain the interior and exterior of all facilities in good working order, to include electrical, mechanical, plumbing, floors, interior and exterior walls, doors, windows, furniture, permanent fixtures, and exterior lighting necessary to present a positive image to customers.

FBO shall maintain all hangars, and overhead doors and door operating systems.

FBO shall supply, install, and maintain hand-held fire extinguishers in the interior of all buildings, aircraft shops, fuel storage, and fuel dispensing areas, including both mobile fueling vehicles.

FBO shall perform minor maintenance on the mobile fuel trucks, fuel storage, and dispensing equipment as may be needed due to normal daily use of the equipment.

FBO will not permit any action on the Airport that has an adverse effect, or interferes with the proper function of any drainage system, sanitary sewer system, or any facility provided for the operation or protection of the Airport.

vii. Property – The FBO shall be responsible for the upkeep of any City-owned buildings at the Airport. FBO shall be responsible for collection of trash and for such other maintenance requirements as may arise. FBO agrees to keep the premises, together with all improvements in a safe, clean, and attractive condition at all times.

viii. Taxes, Fees, Insurance, and Bond – The FBO shall be liable for all taxes and fees owed on or by his personal business or himself. Under no circumstances shall the City be liable for or be required to pay any tax or fee owed by the FBO. The City shall provide

insurance for all City owned real property located at the Airport under the City's policy which shall be for the sole benefit and protection of the City. The FBO shall be required to provide the following insurance coverage naming the City as an additional insured other than for worker's compensation:

a.	Comprehensive General Liability (CGL)	$1,000,000/ $1,000,000
b.	Product Liability	$1,000,000/ $1,000,000
c.	Workers Compensation	Statutory
d.	Hangar Keeper Liability	$1,000,000/$1,000,000
e.	Automobile Liability	$1,000,000 combined single limit

FBO shall provide certificates of insurance on an annual or semi-annual basis which shall include blanket waivers of subrogation.

ix. Notifications – The FBO shall be responsible for issuing and canceling any required notices to the FAA, State, or local authorities pertaining to airport operations or safety. However, nothing herein shall prevent the City from issuing or cancelling its own notifications as necessary.

x. The FBO shall not use the Airport property nor permit the Airport property to be used for any illegal or unauthorized purpose. FBO may not maintain nor shall it allow any tenant or other person to maintain any type of residence, apartment, temporary living quarters or the like for residential purposes. FBO agrees not to utilize areas on the premises which are located on the outside of the Terminal Building, hangar area, or maintenance shop for storage of permanently disabled aircraft, aircraft parts, automobiles, or vehicles of any type, or any other excess equipment or items which would distract from the appearance of the premises without the written approval of the City.

xi. Airport Improvements made by FBO, any tenant or other person or entity shall at all times be the property of the City subject to the leasehold rights granted herein. Unless agreed to by the City Manager or designee, All improvements made by the FBO or tenant to the airport shall become property of the City and neither FBO, nor any tenant, other person or entity shall be entitled to any payment from City for such improvement. Nor shall such improvement be removed from the Airport premises at any time including but not limited to upon the termination of the lease unless otherwise approved in writing by the City.

xii. FBO will be required to obtain and keep current any training and/or certifications required by the EPA and/or the TCEQ necessary to dispense fuel directly to consumers and as it relates to all operations of the Airport, and agrees to cooperate with the City on any current or future program which obligates the City to comply with Federal, State, or Local regulations.

xiii. City shall have the right to enter the Terminal Building, hangar areas, and all other areas of the airport open to all other airport customers during normal business hours for the purpose of making periodic inspections of all landside and airside facilities. In the event of emergency, the City shall also have the right to take such action as may be required for the protection of persons and/or property.

xiv. FBO shall require each person owning an aircraft based at the Airport to register at the

office of the FBO their name, address, telephone number, aircraft model, aircraft registration "N" number, and the name, address, and telephone number of their next of kin or person to be notified in case of an accident or emergency.

xv. FBO agrees to cooperate fully with the Rockwall Central Appraisal District and respond in a timely manner to any legal requests for information made to the FBO by the RCAD.

xvi. FBO agrees to cooperate with and attend meetings of the Airport Advisory Board if such a board is created in the future.

xvii. FBO shall not permit domestic animals at the Airport unless the animal is, and remains, restrained by a leash or is properly confined.

xviii. FBO shall not permit model aircraft not capable of carrying a person to operate, take off or be launched from, flown over or land at the Airport.

xix. FBO shall research and be knowledgeable about rules and regulations of the FAA and TXDOT Aviation Division regarding Airports that are federally obligated and agree to abide by grant assurances of the FAA and TXDOT.

xx. The City of Rockwall participates in both the Routine Airport Maintenance Program (RAMP) and the Non-Primary Entitlement (NPE) grant programs with TXDOT Aviation and the FAA. FBO agrees to cooperate with the City to accomplish capital projects to improve the Airport.

xxi. FBO agrees to adhere to the Transportation Security Administration guidelines for security at the Airport. FBO shall control the Airport so as to prevent unauthorized access to the airside. The City reserves the future right to install security devices in or on the Airport as it deems necessary at the City's cost. FBO further agrees to secure all Airport facilities in the appropriate manner after normal business hours and control access to those that are employees and /or subcontracted instructors of the Airport. FBO agrees to properly secure all financial information of its own operation and that of its customers.

xxii. Other duties and responsibilities as required and/or agreed upon by City and FBO.

xxiii. FBO shall in its operations and activities relative to this Agreement and Lease, shall at all times be subject to a continuing duty to abide by all federal, state, and local laws including all applicable amendments thereto.

SECTION 5. SUBLEASE, ASSIGNMENT, OR SALE

The FBO shall not assign, sell, or unilaterally transfer this contract agreement or any right hereunder to any person, corporation, or association without specific approval of the City of Rockwall. Any such sublease, assignment, sale, or transfer shall be grounds, at the option of the City, for the City to immediately terminate this contract agreement.

FBO may sublease office space and excess shop space without consent of the City as long as subleased space is used for aviation related businesses.

SECTION 6. TERMINATION

a. Should the FBO be declared bankrupt, incompetent, or become deceased, this contract agreement shall immediately terminate and shall not be considered as part of the FBO's estate and shall not become an asset of any appointed or assigned guardian, trustee, or receiver. In the event the FBO fails to make timely payments of all taxes or fees, fails to provide proof of required insurance, uses the Airport property or permits the Airport property to be used for any illegal or unauthorized purpose, files bankruptcy, abandons or leaves the property vacant or unoccupied for 10 consecutive days, or violates any of the terms and conditions of this contract agreement, the City has the right with ten (10) days written notice, which notice may be extended by the City Manager to thirty (30) days, to terminate this contract agreement and retake possession of any Airport property leased to or under the control of the FBO.

b. At the termination of this contract in any manner provided for herein, FBO shall peaceably vacate the premises and any furniture or other equipment entrusted to the FBO shall be returned to the City in the same condition as it was when issued, normal wear excluded. Should the FBO be in default of any monies owed to the City, the City may take possession of any personal property owned by the FBO and located at the Airport and hold same until the monetary default is settled. In such case that the FBO cannot or will not settle any claims against it and owed to the City. City may liquidate any personal property seized in any manner permitted by Chapter 93 Texas Property Code. The FBO shall be liable for any and all expenses incurred by the City in such action. And, nothing contained herein shall ever relieve FBO of its obligation to pay unpaid or delinquent Franchise Fees as otherwise provided herein.

SECTION 7. MISCELLANEOUS

a. This contract agreement embraces the entire Airport FBO's Agreement between the parties hereto and no statement, remark, agreement, or understanding, either oral or written, not contained herein shall be recognized or enforced, except that this contract agreement may be modified by written addendum hereto attached signed by all parties and subject at all times to the approval by the City's governing body.

b. For the purpose of this contract agreement, the singular number shall include the plural and the masculine shall include the feminine and vise-versa, whenever the context so admits or requires.

c. The "Section" captions and headings are inserted solely for the convenience of reference and are not part nor intended to govern, limit, or aid in the construction of any provision hereof.

d. The parties to this contract agreement hereby acknowledge and agree they are the principals to the contract agreement and have the power, right, and authority to enter into this contact agreement and are not acting as an agent for the benefit of any third party; except that the City is acting on behalf of the City of Rockwall.

e. The contract agreement shall be governed by the laws of the State of Texas and constructed thereunder and any action brought under this contract agreement shall be in the state district courts of Rockwall County, Texas wherein mandatory and exclusive venue shall lie.

f. **FBO AGREES TO DEFEND, SAVE, INDEMNIFY AND HOLD HARMLESS THE CITY AND ITS AGENTS, OFFICERS, EMPLOYEES AND ASSIGNS OF AND FROM ANY AND ALL LIABILITIES, EXPENSES, CAUSES OF ACTION, DAMAGES, AND/OR ATTORNEY'S FEES (HEREINAFTER CLAIMS) RESULTING FROM OR AS A RESULT OF ANY OF FBO'S BUSINESSES, OPERATION, OCCUPANCY, OR USE OF THE AIRPORT, OR RESULTING FROM ANY ACT OR OMISSION OF FBO'S AGENTS, SERVANTS, OR EMPLOYEES. AND THIS INDEMNITY AGREEMENT SHALL APPLY AND PROTECT CITY AND ITS AGENTS, SERVANTS, AND EMPLOYEES, EVEN THOUGH IT BE CONTENDED, OR EVEN ESTABLISHED, THAT SAID CITY OR ITS AGENTS, SERVANTS, OR EMPLOYEES WERE NEGLIGENT, OR THAT THEIR CONDUCT OR OMISSION IN ANY WAY CAUSED OR CONTRIBUTED TO SUCH LIABILITY, EXPENSE, CAUSE OF ACTION, DAMAGE, AND/OR ATTORNEY'S FEES; PROVIDED HOWEVER THAT SUCH INDEMNITY SHALL NOT APPLY IN THE EVENT CITY IS SOLELY LIABLE FOR ANY SUCH CLAIMS OR SUCH ARISE AS A RESULF OF CITY'S GROSS NEGLIGENCE OR INTENTIONAL ACTS ALL WITHOUT WAIVING ANY SOVERIGN OR GOVERNMENTAL IMMUNITY AVAILABLE TO CITY OR THE DEFENSES OF THE PARTIES PROVIDED BY TEXAS LAW.**

g. If any section, paragraph, sentence or phrase entered in this contract agreement is held to be illegal or unenforceable by a court of competent jurisdiction, such illegality or unenforceability shall not affect the remainder of this contract agreement which can be given effect without the illegal or unenforceable section, paragraph, sentence, or phrase and to this end, the provisions of this contract agreement are declared to be severable.

h. By the execution of this FBO agreement and undertaking the obligations provided for herein, City shall never be construed as waiving governmental or sovereign immunities to suit and damages available under Texas law the rights to which are specifically reserved herein to the fullest extent permitted by law and minimally to the extent then and there existing prior to the execution hereof. In reviewing the provisions of this Agreement, every intendment shall be given by a reviewing court to provide the broadest possible immunities unto City authorized by Texas law.

i. It is expressly understood and agreed by all Parties hereto that in performing their services hereunder, neither the FBO nor its subcontractors or tenants shall at any time act as agents of the City; and all consultants or contractors engaged by the FBO, its subcontractors or tenants will be independent contractors. The Parties hereto understand and agree that the City will not be liable for any claims that may be asserted by any third party occurring in connection with services performed by the FBO under this Agreement.

j. Any notice to be given herein shall be in writing and shall be given by depositing same with the United States Postal Service, postage prepaid, via first class mail and certified, with return receipt requested. Notice required to be given herein shall be addressed as follows:

k. If a dispute arises out of or relates to this Agreement or the breach thereof, the Parties shall first in good faith seek to resolve the dispute through negotiation between the upper management of each respective Party. If such dispute cannot be settled through negotiation, the Parties agree to try in good faith to settle the dispute by mediation before resorting to litigation, or some other dispute resolution procedure; provided that a Party may not invoke mediation unless it has provided the other Party with written notice of the dispute and has attempted in good faith to resolve such dispute through negotiation. All costs of negotiation, mediation, collectively known as alternate dispute resolution ("ADR") shall be assessed equally between the City and FBO with each party bearing their own costs for attorney's fees, experts, and other costs of ADR and any ensuing litigation.

Exhibit "B"
Leased Taxiway Access Area

Through The Fence Agreement

This agreement is for through-the-fence taxiway access from private property to the Rockwall Municipal Airport.

STATE OF TEXAS)
)
CITY OF ROCKWALL)

KNOW ALL PERSONS BY THESE PRESENTS:

This agreement is entered into this 6 day of May, 2008, between the City of Rockwall, hereinafter referred to as the "Lessor" and is the owner of the Rockwall Municipal Airport, hereinafter referred to as "Airport" and David Block and/or his assignee (a corporation, partnership, or sole proprietor), hereinafter referred to as "Lessee" who covenant and agree as follows:

WHEREAS, Lessor and Lessee are committed to the proper operation, improvement, and continued development of the Airport; and

WHEREAS, Lessor deems it advantageous to itself and to the operation of the Airport to lease to Lessee certain taxiway access;

NOW THEREFORE, in consideration of the terms, considerations, and privileges listed herein, Lessor and Lessee covenant and agree as follows:

Definitions.

Taxiway Access - means an aircraft taxiway, further described and defined below as the Land, located on private property owned by Lessor adjacent to the Rockwall Municipal Airport that connects or feeds into a taxiway on the Airport and that is constructed for or intended use for the principal purpose of allowing aircraft to taxi between the Airport and one or more private properties off site, and is approved as an access taxiway by the City of Rockwall.

Airport - means the area known as the Ralph Hall, Rockwall Municipal Airport.

Section 1. Leased Area

A. Land – Lessor does hereby lease to Lessee, effective on the date above stated, the land more particularly described as follows:

Rockwall Municipal Airport property adjacent and connected by taxiway to private property owned by David Block as defined by legal description on Exhibit A which is attached hereto and incorporated herein, and hereinafter referred to as the "Land" and

located on the Airport. Lessee hereby leases the said Land from the Lessor subject to the terms, considerations, and privileges stated herein.

Section 2. Term

This agreement shall be for the term of thirty (30) years, and may be extended after the initial term upon giving of written notice by Lessee to Lessor not more than one hundred eighty (180) nor less than sixty (60) days prior to the expiration of the preceding 30 (thirty) year lease term; provided that the term of the lease shall be extended for the period of time elapsed between the date of the execution of this lease and the date when Lessee receives a Certificate of Occupancy Date as defined below:

Section 3. Consideration

A. In consideration for the lease of the Land as referenced herein, Lessor acknowledges the substantial paving improvements constructed by or in connection with Lessee on or adjacent to the Airport and further Lessee hereby agrees to pay monthly the sum of $50.00. The initial payment shall be due within five (5) days of the date Lessee receives a Certificate of Occupancy on the new hanger to be constructed by Lessee on Lessee's property adjacent to the taxiway access ("Certificate of Occupancy Date"), and thereafter shall be due on the anniversary of such date during the term of this contract plus any extensions thereto.

B. Lessee agrees that the lease payment listed herein shall be subject to review and adjustment by Lessor only upon thirty (30) days advance written notice by Lessor to Lessee prior to the end of any Adjustment Period (as defined below) and according to the following terms and on the following dates ("Adjustment Period"): first on the date ten (10) years after the Effective Date of this agreement and thereafter at five (5) year intervals calculated from such date throughout the term of the lease; provided any adjustment shall not cause the aggregate lease payment amount over an entire Adjustment Period to increase by more than $175 more than the aggregate lease payment amount for the prior Adjustment Period.

C. All lease fees shall be paid as the same becomes due, without demand, in lawful currency of the United States made payable to the City of Rockwall, Texas by mail or delivery.

D. In the event Lessee fails to remit any payments when the same are due, interest at the rate of 5% shall be charged by Lessor beginning on the tenth (10) day after the date the payment is due and such interest shall continue to accrue against such delinquent payment until the payment plus interest is received by Lessor. In the event Lessee shall become delinquent for more than 60 days, this lease may be terminated by Lessor as further defined in Section 7. – Termination.

E. Lessee agrees that he will at all times refrain from littering on or wasting the premises of the taxiway access and will not place trash, litter, junked automobiles, or scrap aircraft parts on the taxiway access. Lessee shall abide by all applicable rules and recommendations of the Environmental Protection Agency, the Texas Commission on Environmental Quality, the Texas Department of Agriculture, the Texas Department of Transportation, and any other public agency concerning the use, storage, and disposal of hazardous chemicals, fuel, and/or

oil on the Land. Lessee further agrees to abide by the manufacturer's directions in regards to the use, storage, and disposal of all pesticides, herbicides, and other chemicals plus their containers used at the airport on the Land. Should Lessee fail to keep the leased area free of hazards caused or created by Lessee, Lessor may, after 30 days written notice, arrange for the cleanup of the littered or hazardous area. Such cleanup, to the extent caused or created by Lessee, shall be charged to Lessee and payable on demand. Failure to render proper payment for such cleanup and/or general disregard for the considerations and restrictions listed in this lease agreement are grounds for Lessor to terminate this lease as provided herein.

F. Taxes, Fees, Insurance, and Bond – Lessee shall be liable for all taxes and fees owed on or by his personal business or himself. Under no circumstances shall Lessor be liable for or be required to pay any tax or fee owed by Lessee, nor shall Lessee be liable for taxes or fees relating to the Land or Airport. Lessee should provide his own insurance coverage for any personal property located in or on the leased area.

G. All improvements made by the Lessee on the Airport property shall become property of the City of Rockwall at the time of expiration or termination of this agreement unless otherwise approved in writing by the City Manager. The City shall not be required to pay the Lessee for any such improvements made unless specifically stated in writing by the City Manager.

Section 4. Permitted Use

All uses otherwise permitted by existing zoning ordinances within the boundaries of the existing Airport Overlay District and as it may be amended in the future, except where there is a conflict between the Airport Overlay District and existing zoning ordinances. Where the provisions of the Airport Overlay District are more restrictive, the provisions of the Airport Overlay District shall govern.

Section 5. Restricted Use

A. Lessee agrees that he will not store or permit the storage of any fuel or hazardous, volatile, and/or dangerous chemicals on the taxiway access except as generally allowed for and/or associated with the uses of the Land and Airport authorized herein without the written consent of Lessor.

B. Lessee agrees not to make any additions or modifications to the taxiway access except agreed upon by both parties in writing. In the case of such consent and unless agreed to the contrary in writing, all improvements or modifications shall be made at the expense of Lessee and, at the expiration of this Lease and any extensions to this lease, shall become the property of the Lessor.

C. Lessee agrees that he will access any and all hangars located on his private property from SH-66 as provided by and in the form of the Access Easement Agreement attached hereto, and not through Airport property. The Access Easement Agreement shall constitute a separate and independent instrument and obligation, shall survive the expiration or termination of this agreement, and shall run with the land owned by Lessee.

Section 6. Unrestricted Uses

The following uses of the Land and Lessee's adjacent property shall be unrestricted by Lessor: personal aeronautical use; flight school training; fly for hire; fuel storage for personal use; purchase, sale and/or lease of aircraft and aeronautical equipment; maintenance on aircraft and/or aeronautical equipment owned, leased or leasing space from lessee; sale or lease of Lessee property and/or improvements; construction, improvement and/or maintenance to the property owned, leased or controlled by Lessee; and all uses not exclusively reserved by and for the benefit of the Fixed Base Operator for the Airport pursuant to the terms of that FBO/Airport Management Agreement dated April 28, 2007 so long as said agreement is in force and effect and is binding on Lessor and after the expiration and/or termination of said FBO/Airport Management Agreement said uses previously exclusively reserved shall also be unrestricted uses hereunder.

Section 7. Sublease, Assignment, or Sale

The Lessee may sublease, assign, sell or transfer Lessee's property adjacent to the taxiway access and/or Lessee's rights and obligations hereunder upon 15 days written notice to Lessor and in such case the assignor shall be relieved of liability for the obligations assumed; provided that Lessee may sublease, assign and/or transfer without notice to any entity owned or controlled by Lessee, a family member, an heir, or a trust created for the benefit of an hear or family member. Any sublease, assignment, sale, or transfer contrary to this provision shall be grounds, at the option of the City of Rockwall, for the City of Rockwall to terminate this contract agreement as provided herein.

Section 8. Termination

A. This contract agreement may be terminated prior to its term by Lessor or Lessee if either fails to abide by the material terms and conditions expressed herein and due the complainant and so decreed by a court of competent jurisdiction. Should Lessee be declared bankrupt, this contract agreement shall immediately terminate and shall not be considered as part of Lessee's estate and shall not become an asset of any appointed or assigned trustee, or receiver. In the event Lessee fails to make timely payment as required herein, uses the Airport property or permits the Airport property to be used for any illegal or unauthorized purpose, files bankruptcy, abandons or leaves the property vacant or unoccupied for 180 consecutive days, or violates any of the material terms and conditions of this contract agreement, Lessor has the right to terminate this contract agreement and retake possession of any Airport property leased to or under the control of Lessee upon ten (10) days written notice delivered to Lessee; provided that notwithstanding any other provision to the contrary, prior to notice of default and right to termination or exercise of other remedy, Lessor shall deliver written notice to Lessee stating with reasonable particularity the facts supporting the claimed default and actions necessary to cure same and Lessee shall have thirty (30) days opportunity to cure said default. In the event that said default can not reasonably be cured

within said cure period but Lessee is acting with reasonable diligence to accomplish such cure, said cure period shall be extended another thirty (30) days.

B. Lessee agrees and understands that Lessor reserves the right to further expand, develop, or improve the airport, including the termination of this lease agreement, in such instance that the continued leasing of the taxiway access would prevent any proposed development or improvements at the Airport; provided that in determining whether this lease agreement would prevent any proposed development or improvement at the Airport, all development and improvement alternatives shall be taken into consideration; and further provided that in any event this Lease Agreement may not be terminated for the cause outlined in this sentence prior to the thirtieth year after this lease agreement is signed. In the event that termination is authorized by the preceding sentence, this contract agreement may be terminated regardless of the desires, wishes, or views of Lessee and without interference or hindrance from Lessee, but only so long as such expansion, development, or improvements are shown on a Texas Department of Transportation and/or FAA approved Airport Layout Plan or Master Plan and in a manner consistent with the preceding sentence and upon reasonable written notice given the circumstances and investment of Lessee.

C. This contract may be prematurely terminated by mutual agreement and consent of both parties in writing. Such termination by mutual agreement shall cause both Lessor and Lessee to be free of any and all requirements of this contract, and neither Lessor nor Lessee shall have any derogatory remarks or entries made upon their resumés or upon any public or private records which would indicate failure to successfully fulfill the conditions of this contract.

D. At the termination of this contract agreement consistent with the provisions herein, either by normal expiration, premature termination, or mutual agreement, Lessee shall peaceably surrender this agreement.

Section 9. Hold Harmless

Lessee agrees to save, hold harmless and indemnify Lessor and its agents, servants, and employees of and from any and all liabilities, expenses, causes of action, damages, and/or attorney's fees resulting from any negligent act or omission of Lessee or Lessee's agents, servants, or employees on the Land as defined herein.

Section 10. Maintenance of Landing Area

Lessee understands and agrees that Lessor reserves the right, but not the obligation, to maintain the Airport to at least the minimum standards as recommended by the FAA and/or the Texas Department of Transportation. Such right includes the right to maintain and keep in repair all public use areas at the Airport and the right to direct and control all activities as necessary at the Airport.

Section 11. Miscellaneous

A. This contract agreement and the exhibits referenced herein embraces the entire lease agreement of the parties mentioned herein pertaining to the taxiway access and no statement, remark, agreement, or understanding, either oral or written, not contained herein or in an exhibit hereto shall be recognized or enforced as it pertains to the lease of the taxiway access, except that this contract agreement may be modified by written addendum agreed to and signed by all pertinent parties and attached hereto.

B. For the purpose of this contract agreement, the singular number shall include the plural and the masculine shall include the feminine and vise-versa, whenever the context so admits or requires.

C. The "Section" captions and headings are inserted solely for the convenience of reference and are not part of nor intended to govern, limit, or aid in the construction of any provision hereof.

D. The parties to this contract agreement hereby acknowledge and agree that they are the principals to the contract agreement and have the power, right, and authority to enter into this contract agreement and have the power, right, and authority to enter into this contract agreement and are not acting as an agent for the benefit of any third party, except that Lessor is acting on behalf of the City of Rockwall.

E. This contract agreement shall be governed by the laws of the State of Texas and construed thereunder and venue of any action brought under this contract agreement shall be in Rockwall County, Texas.

F. If any section, paragraph, sentence, or phrase entered in this contract agreement is held to be illegal or unenforceable by a court of competent jurisdiction, such illegality or unenforceability shall not affect the remainder of this contract agreement and, to this end, the provisions of this contract agreement are declared to be severable.

Section 12. Notification

Any notice given by one party to the other in connection with this agreement shall be in writing and shall be delivered (and shall be deemed delivered three days after deposit with the U.S. Mail service with proper postage if sent certified mail, return receipt requested) to:

Easement Agreement for Access

Notice of confidentiality rights: If you are a natural person, you may remove or strike any or all of the following information from this instrument before it is filed for record in the public records: your Social Security number or your driver's license number.

Date: 5-6, 2008

Grantor: City of Rockwall

Grantor's Mailing Address: 385 S. Goliad
Rockwall, Rockwall County, Texas 75087

Grantee: David Block and D.V.B. Family Limited Partnership

Grantee's Mailing Address: 2421 Kathryn
Heath, Rockwall County, Texas 75032

Dominant Estate Property: See legal description contained in Exhibit C and depiction in Exhibit B attached hereto and incorporated herein by reference.

Easement Property: See legal description contained in Exhibit A and depiction in Exhibit B attached hereto and incorporated herein by reference.

Easement Purpose: For providing free and uninterrupted pedestrian and vehicular ingress to and egress from the Dominant Estate Property to and from the existing Rockwall County, Texas road known as Highway 66 as depicted in Exhibit B.

Consideration: Ten Dollars and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by Grantor.

Exceptions to Warranty: Validly existing easements, rights-of-way, and prescriptive rights, whether of record or not; all presently recorded and validly existing restrictions, reservations, covenants and conditions, and other instruments, other than conveyances of the surface fee estate, that affect the Property; provided that no exception shall materially interfere with the Holder's rights of access as provided herein.

Grant of Easement: Grantor, for the Consideration and subject to the Reservations from Conveyance and Exceptions to Warranty, grants, sells, and conveys to Grantee and Grantee's heirs, successors, and assigns an easement over, on, and across the Easement Property for the Easement Purpose and for the benefit of the Dominant Estate Property, together with all and singular the rights and appurtenances thereto in any way belonging (collectively, the "Easement"), to have and to hold the Easement to Grantee and Grantee's heirs, successors, and assigns forever. Grantor binds Grantor and Grantor's

heirs, successors, and assigns to warrant and forever defend the title to the Easement in Grantee and Grantee's heirs, successors, and assigns against every person whomsoever lawfully claiming or to claim the Easement or any part thereof, except as to the Reservations from Conveyance and Exceptions to Warranty.

Terms and Conditions: The following terms and conditions apply to the Easement granted by this agreement:

1. *Character of Easement.* The Easement is appurtenant to and runs with any part of the Dominant Estate Property, whether or not the Easement is referenced or described in any conveyance of all or such portion of the Dominant Estate Property. The Easement is nonexclusive and irrevocable. The Easement is for the benefit of Grantee and Grantee's heirs, successors, and assigns who at any time own fee simple title to all or any portion of the Dominant Estate Property (as applicable, the "Holder").

2. *Duration of Easement.* The duration of the Easement is perpetual.

3. *Reservation of Rights.* Grantor reserves for Grantor and Grantor's heirs, successors, and assigns the right to continue to use and enjoy the surface of the Easement Property for all purposes that do not materially interfere with or interrupt the use or enjoyment of the Easement by Holder for the Easement Purposes. Grantor reserves for Grantor and Grantor's heirs, successors, and assigns the right to use all or part of the Easement in conjunction with Holder and the right to convey to others the right to use all or part of the Easement in conjunction with Holder, as long as such further conveyance and use does not materially interfere with or interrupt the use or enjoyment of the Easement by Holder for the Easement Purposes.

4. *Improvement and Maintenance of Easement Property.* Holder has the right to eliminate any encroachments into the Easement Property that prevent Holder access to the Dominant Estate Property as provided herein. Holder must not cause or allow action by Holder or Holder's guests that would cause or contribute to the Easement Property being other than in a neat and clean condition. Grantor has the right to construct, install, maintain, replace, and remove a road with all culverts, bridges, drainage ditches, sewer facilities, and similar or related utilities and facilities under or across any portion of the Easement Property (collectively, the "Road Improvements"). If Grantor fails or refuses to make or maintain Road Improvements, Holder may do so upon ten days advance written notice to Grantor and in such case shall have the rights and privileges of Grantor relating thereto. All matters concerning the configuration, construction, installation, maintenance, replacement, and removal of the Road Improvements are at Grantor's sole discretion. Grantor has the right to remove or relocate any fences within the Easement Property or along or near its boundary lines if reasonably necessary to construct, install, maintain, replace, or remove the Road Improvements or for the road to continue onto other lands or easements owned by Grantor or Grantor's assigns and adjacent to the Easement Property, subject to replacement of the fences to their original condition on the completion of the work. On written request by Grantor, the owners of the Easement Property will execute or join in the execution of easements for sewer, drainage, or utility facilities under or across the Easement Property.

5. *Equitable Rights of Enforcement.* This Easement may be enforced by restraining orders and injunctions (temporary or permanent) prohibiting interference and commanding compliance. Restraining orders and injunctions will be obtainable on proof of the existence of interference or threatened interference, without the necessity of proof of inadequacy of legal remedies or irreparable harm, and will be obtainable only by the parties to or those benefited by this agreement; provided, however, that the act of obtaining an injunction or restraining order will not be deemed to be an election of remedies or a waiver of any other rights or remedies available at law or in equity.

6. *Attorney's Fees.* If either party retains an attorney to enforce this agreement, the party prevailing in litigation is entitled to recover reasonable attorney's fees and court and other costs.

7. *Binding Effect.* This agreement binds and inures to the benefit of the parties and their respective heirs, successors, and permitted assigns.

8. *Choice of Law.* This agreement will be construed under the laws of the state of Texas, without regard to choice-of-law rules of any jurisdiction. Venue is in the county or counties in which the Easement Property is located.

9. *Counterparts.* This agreement may be executed in any number of counterparts with the same effect as if all signatory parties had signed the same document. All counterparts will be construed together and will constitute one and the same instrument.

10. *Waiver of Default.* It is not a waiver of or consent to default if the nondefaulting party fails to declare immediately a default or delays in taking any action. Pursuit of any remedies set forth in this agreement does not preclude pursuit of other remedies in this agreement or provided by law.

11. *Further Assurances.* Each signatory party agrees to execute and deliver any additional documents and instruments and to perform any additional acts necessary or appropriate to perform the terms, provisions, and conditions of this agreement and all transactions contemplated by this agreement.

12. *Indemnity.* Each party agrees to indemnify, defend, and hold harmless the other party from any loss, attorney's fees, expenses, or claims attributable to breach or default of any provision of this agreement by the indemnifying party.

13. *Integration.* This agreement contains the complete agreement of the parties and cannot be varied except by written agreement of the parties. The parties agree that there are no oral agreements, representations, or warranties that are not expressly set forth in this agreement.

14. *Legal Construction.* If any provision in this agreement is for any reason unenforceable, to the extent the unenforceability does not destroy the basis of the bargain among the parties, the unenforceability will not affect any other provision hereof, and this agreement will be construed as if the unenforceable provision had never been a part of the agreement. Whenever context requires, the singular will include the plural and neuter include the masculine

or feminine gender, and vice versa. Article and section headings in this agreement are for reference only and are not intended to restrict or define the text of any section. This agreement will not be construed more or less favorably between the parties by reason of authorship or origin of language.

15. *Notices.* Any notice required or permitted under this agreement must be in writing. Any notice required by this agreement will be deemed to be delivered (whether actually received or not) when deposited with the United States Postal Service, postage prepaid, certified mail, return receipt requested, and addressed to the intended recipient at the address shown in this agreement. Notice may also be given by regular mail, personal delivery, courier delivery, facsimile transmission, or other commercially reasonable means and will be effective when actually received. Any address for notice may be changed by written notice delivered as provided herein.

16. *Recitals.* Any recitals in this agreement are represented by the parties to be accurate, and constitute a part of the substantive agreement.

17. *Time.* Time is of the essence. Unless otherwise specified, all references to "days" mean calendar days. Business days exclude Saturdays, Sundays, and legal public holidays. If the date for performance of any obligation falls on a Saturday, Sunday, or legal public holiday, the date for performance will be the next following regular business day.

EXHIBIT C TO EASEMENT AGREEMENT FOR ACCESS

Tract One

All that certain lot, tract or parcel of land situated in the G.W. RIDLIN SURVEY, ABSTRACT NO. 183, City of Rockwall, Rockwall County, Texas, and being a part of that 1.26 acres tract of land as described in a Warranty deed from Bertha M. Hensley and Hensley Aviation, Inc. to V.F.B. Family Limited Partnership, dated July 25, 1995 and being recorded in Volume 1026, Page 119 of the Real Property Records of Rockwall County, Texas, and being all of a 270.39 square foot tract as described in a Warranty deed from Texas Specialty Underwriters to V.F.B. Family Limited Partnership, dated September 12, 1996 and being recorded in Volume 1159, Page 79 of the Real Property Records of Rockwall County, Texas, and being more particularly described as follows:

BEGINNING at a 1/2" iron rod with yellow plastic cap stamped "R.S.C.I. RPLS 5034" set for corner in the North line of said 1.26 acres tract, said point being N. 82 deg. 27 min. 30 sec. E., 107.96 feet from a 1/2" iron rod found for corner at the Northwest corner of said 1.26 acres tract of land and the Southwest corner of a tract of land as described in a Warranty deed from Charles T. Cody and Mary Ann Cody to Texas Specialty Underwriters, Inc., dated September 28, 1994 and being recorded in Volume 944, Page 190 of the Real Property Records of Rockwall County, Texas;

THENCE N. 83 deg. 54 min. 14 sec. E. along the North line of said 1.26 acres tract, a distance of 53.92 feet feet to a 1/2" iron rod with yellow plastic cap stamped "R.S.C.I. RPLS 5034" set for corner at the Northwest corner of a 318 square foot tract as described in a Deed to Texas Specialty Underwriters, as recorded in Volume 1159, Page 76 of the Real Property Records of Rockwall County, Texas;

THENCE S. 07 deg. 00 min. 03 sec. E. along the wall of a hanger building, a distance of 12.04 feet to a 1/2" iron rod with yellow plastic cap stamped "R.S.C.I. RPLS 5034" set for corner at edge of said hanger;

THENCE N. 83 deg. 01 min. 32 sec. E. along said hanger wall, a distance of 41.94 feet to corner;

THENCE S. 07 deg. 04 min. 45 sec. E. along said hanger wall, a distance of 96.00 feet to corner;

THENCE N. 82 deg. 55 min. 15 sec. E. along said hanger wall, a distance of 40.74 feet to an "X" chiseled in concrete for corner in the East line of said 1.26 acres tract and being in the West line of Lot 1, ROCKWALL MUNICIPAL AIRPORT ADDITION, an Addition to the City of Rockwall, Texas, according to the Plat thereof recorded in Cabinet B, Slide 47 of the Plat Records of Rockwall County, Texas;

THENCE S. 06 deg. 41 min. 41 sec. E., along the East line of said 1.26 acres tract, a distance of 201.33 feet to a 1/2" iron rod found for corner at the Southeast corner of same;

THENCE S. 89 deg. 07 min. 03 sec. W. a distance of 137.89 feet to a 1/2" iron rod with yellow plastic cap stamped "R.S.C.I. RPLS 5034" set for corner;

THENCE N. 06 deg. 37 min. 22 sec. W. a distance of 234.13 feet to the POINT OF BEGINNING and containing 0.70 acres of land.

Tract Two

All that certain lot, tract or parcel of land situated in the G.W. RIDLIN SURVEY, ABSTRACT NO. 183, City of Rockwall, Rockwall County, Texas, and being a part of that tract of land as described in a Warranty deed from Alumax Aluminum Corporation to Rockwall Property Corporation, as recorded in Volume 444, Page 146 of the Real Property Records of Rockwall County, Texas, and being more particularly described as follows:

BEGINNING at a 1/2" iron rod with yellow plastic cap stamped "R.S.C.I. RPLS 5034" set for corner in the Southeast corner of a 1.26 acres tract of land as described in a Warranty deed from Bertha M. Hensley and Hensley Aviation, Inc. to V.F.B. Family Limited Partnership, dated July 25, 1995 and being recorded in Volume 1026, Page 119 of the Real Property Records of Rockwall County, Texas, and in the West line of Lot 1, ROCKWALL MUNICIPAL AIRPORT ADDITION, an Addition to the City of Rockwall, Texas, according to the Plat thereof recorded in Cabinet B, Slide 47 of the Plat Records of Rockwall County, Texas;

THENCE S. 05 deg. 54 min. 37 sec. E. a distance of 178.53 feet to a 1/2" iron rod with yellow plastic cap stamped "R.S.C.I. RPLS 5034" set for corner;

THENCE S. 89 deg. 07 min. 03 sec. W. a distance of 135.66 feet to a 1/2" iron rod with yellow plastic cap stamped "R.S.C.I. RPLS 5034" set for corner at the corner;

THENCE N. 06 deg. 37 min. 22 sec. W. a distance of 178.74 feet to a 1/2" iron rod with yellow plastic cap stamped "R.S.C.I. RPLS 5034" set for corner at the corner;

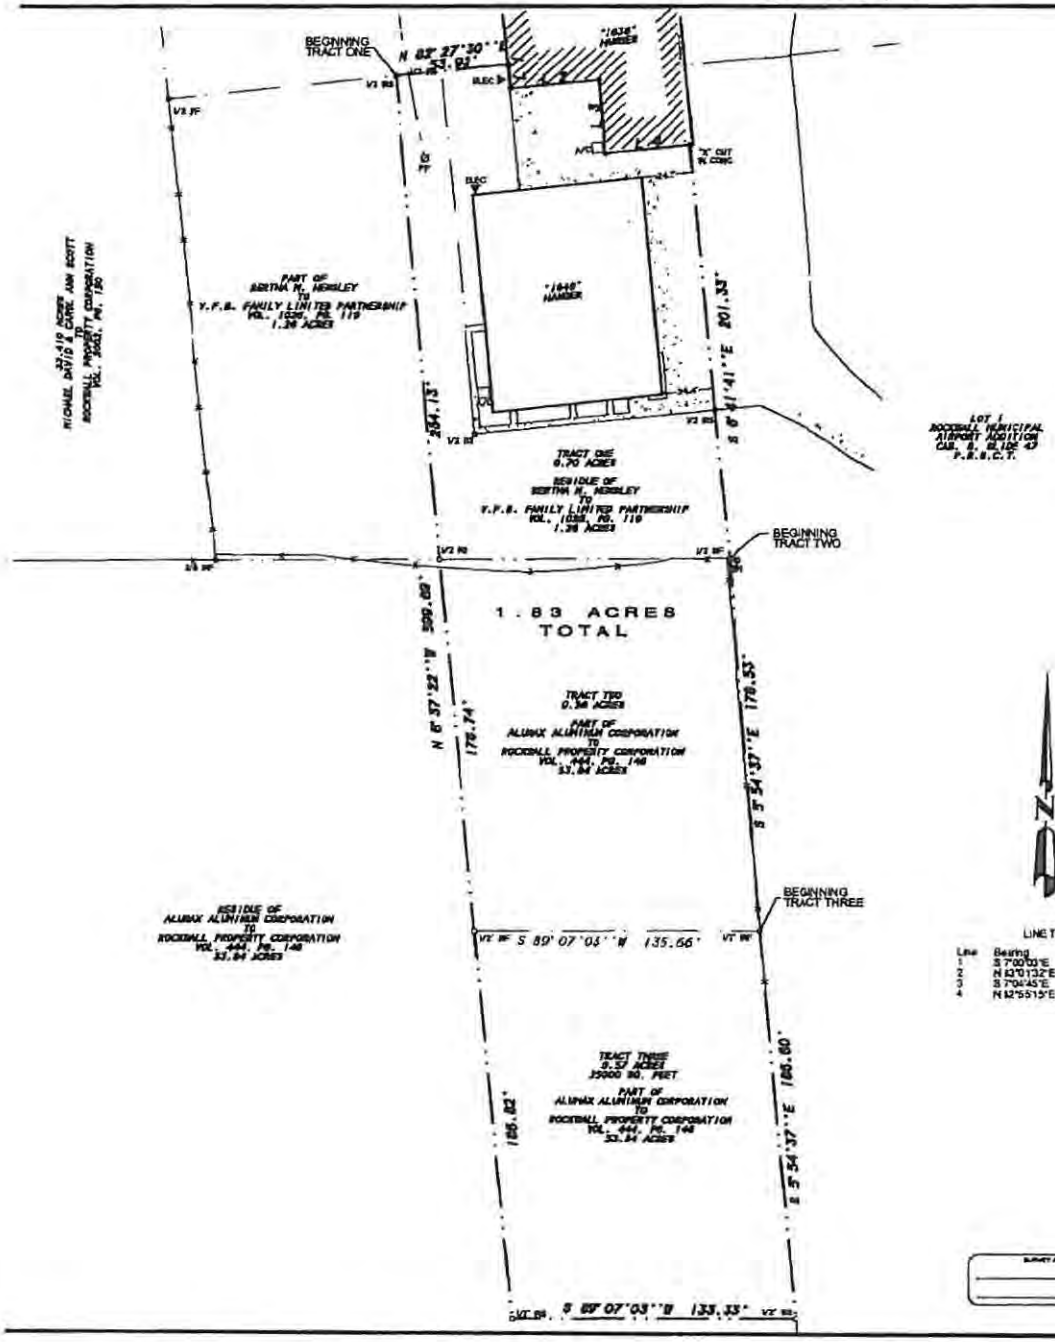
THENCE N. 89 deg. 07 min. 03 sec. E. along the South line of said 1.26 acres tract, a distance of 137.89 feet to the POINT OF BEGINNING and containing 0.56 acres of land.

Tract Three

All that certain lot, tract or parcel of land situated in the G.W. RIDLIN SURVEY, ABSTRACT NO. 183, City of Rockwall, Rockwall County, Texas, and being a part of that tract of land as described in a Warranty deed from Alumax Aluminum Corporation to Rockwall Property Corporation, as recorded in Volume 444, Page 146 of the Real Property Records of Rockwall County, Texas, and being more particularly described as follows:

BEGINNING at a 1/2" iron rod with yellow plastic cap stamped "R.S.C.I. RPLS 5034" set for corner in the East line of said Rockwall Property Corporation tract, said point being S. 05 deg. 54 min. 37 sec. E., 178.53 feet from the Southeast corner of a 1.26 acres tract of land as described in a Warranty deed from Bertha M. Hensley and Hensley Aviation, Inc. to V.F.B. Family Limited Partnership, dated July 25, 1995 and being recorded in Volume 1026, Page 119 of the Real Property Records of Rockwall County, Texas, and in the West line of Lot 1, ROCKWALL MUNICIPAL AIRPORT ADDITION, an Addition to the City of Rockwall, Texas, according to the Plat thereof recorded in Cabinet B, Slide 47 of the Plat Records of Rockwall County, Texas;

THENCE S. 05 deg. 54 min. 37 sec. E. along the West line of said Lot 1 and the East line of said tract, a distance of 186.80 feet to a 1/2" iron rod with yellow plastic cap stamped "R.S.C.I. RPLS 5034" set for corner;



THENCE S. 89 deg. 07 min. 03 sec. W. a distance of 133.33 feet to a 1/2" iron rod with yellow plastic cap stamped "R.S.C.I. RPLS 5034" set for corner at the corner;

THENCE N. 06 deg. 37 min. 22 sec. W. a distance of 186.82 feet to a 1/2" iron rod with yellow plastic cap stamped "R.S.C.I. RPLS 5034" set for corner;

THENCE N. 89 deg. 07 min. 03 sec. E. a distance of 135.66 feet to the POINT OF BEGINNING and containing 25,000 square feet or 0.57 acres of land.

FBO's RFP and Financial Information

Rockwall Municipal Airport

FIXED BASED OPERATOR PROPOSAL

Prepared for:Lea Ann Ewing Purchasing Agent

Prepared by Todd Parks, Managing Partner

November 26, 2013

EXECUTIVE SUMMARY

Candidate Information

Todd Parks has been directly involved in the aviation industry and specifically the General Aviation industry since 1976. Mr. Parks began his career in the United States Air Force where he served as a hydraulic and flight systems specialist on F-4 and F-15 fighter aircraft. Following four years of service and an honorable discharge Mr. Parks attended Texas State Technical Institute in Amarillo, Texas where he earned an applied science degree in1981. During his coursework at TSTI Mr Parks worked as a line service technician as a line service technician servicing small general aviation aircraft as well as a broad range of corporate and military jets and turbo-props. Following graduation from TSTI Mr. Parks completed FAA testing requirements and obtained his Airframe and Powerplant license. Mr Parks then worked for maintenance facilities as an aircraft technician for several years before earning a bachelors degree in Marketing from Texas Tech University. Mr parks continued work as an A & P technician for several years before joining his wife Denise in her State Farm Agency for two years followed by approximately ten years in the aircraft parts manufacturing and distribution business. Mr. Parks's recent experience includes work with one of the largest FBO chains in the country (Cutter Aviation) serving as a parts expeditor, parts department manager and finally as the new aircraft warranty administrator for the Dallas and San Antonio maintenance facilities. In 2011 Mr Parks was hired by Lake Texoma Jet Center as parts manager for the Sherman/Denison area maintenance facility and ultimately general manager of the company with responsibility for the maintenance shop, line service and administrative functions of the company. In January of 2012 the business was scaled back at Mr. Parks' recommendation to a line service facility after which Mr. Parks left the company to pursue other interests.

Goals

Mr. Parks would provide fixed base operator and maintenance services to aircraft owners currently based at the Rockwall Municipal Airport and surrounding areas. Our goal is to provide outstanding maintenance and FBO services in a manner that insures the safety of the flying public while providing outstanding customer service. We intend to operate the business in partnership with the city with the expectation of assisting with the management of the airport in the interest of the citizens of Rockwall. Mr. Parks is fully aware of industry trends regarding the operation of aircraft service facilities by municipalities and if chosen will structure the business accordingly. There are a number of issues facing city management and elected officials regarding airport growth and the airport's role in the economic growth of our community. We are proposing an agreement that recognizes these challenges and provides for some flexibility for the city as the airport grows. Our goal is to be a partner with the city in providing airport services that will enhance the appeal of the city to prospective businesses looking to relocate to the area.

General Information

1. Operating company to be formed as Texas Air Center, LLC pending selection.

2. Managing partners include Todd L. Parks and Denise Parks. Mr. and Mrs. Parks have lived in McClendon Chisholm, Texas and more recently Heath, Texas since 1995. They are currently living in Rowlett, Texas awaiting completion of a home in Rockwall (Chandler's Landing). Mrs Parks is a twenty five year State Farm agent operating in Rockwall since 1998 and is an active member of the Rockwall Noon Rotary, a current board member of Rockwall County Helping Hands and a member of the Rockwall Chamber of Commerce.

3. Vendor acknowledges receipt of Request for Proposal Addendum 1 and 2

207

FINANCIAL FITNESS

Capital Contributions

As sole managing partners, funding of the proposed FBO will be provided by Todd & Denise Parks. Given the proposed structure of the business it is estimated that the business will require an initial investment of $50,000.00. This capital contribution will be deposited in the LLC account upon Texas Secretary of State approval of the LLC. While additional capital would be available from LLC members it is anticipated that working capital requirements under the proposed business structure would be met from cash generated from FBO operations.

OPERATIONS PLAN

Aircraft Services

Texas Air Center, LLC will provide aircraft services to tenant and transient aircraft operating in and out of the Rockwall Municipal airport. Aircraft services typically include aircraft refueling, servicing of aircraft fluids and gases as well as tie down and hanger storage when available. We would also propose to provide aircraft repositioning services to tenant aircraft at a cost to be determined by and at the discretion of FBO management utilizing an aircraft towing tractor to be purchased at the FBO's expense. Texas Air Center will also agree to provide a courtesy car to transient aircraft owners or passengers. FBO management reserves the right to charge a reasonable fee for this service at managements discretion.

Fueling of aircraft will be performed only by personnel trained in the proper operation of fueling equipment and with a working knowledge of safety measures associated with refueling operations. All aircraft fueling operations will comply with applicable National Fire Prevention Association 407 Standards for Aircraft Fuel Servicing, FAA Advisory Circular 150/5230-4B, Federal, State and local environmental regulations and the City of Rockwall Fire Prevention Codes. Deviations from these standards may be approved by city management.

Current aircraft fuel storage consists of one 2200 gallon Jet-A truck owned by the current operator, one 600 gallon Av-Gas truck and one 12,000 gallon underground Av-Gas tank owned by the city. Given the city of Rockwall's retention of rights to operate any and all FBO functions as well as the relatively low volume of fuel sold at the airport we propose that the city purchase a Jet-A fuel truck for use by the FBO. The city of Rockwall will be responsible for the cost of repairs and maintenance of all aircraft fueling and fuel storage equipment. The FBO would assume responsibility for routine servicing of fueling equipment including the cost of fuel to operate the vehicles.

208

The FBO will provide a monthly report, due on the 5th of the month following the reporting period, of all aircraft fuel sales. This report will detail type of fuel sold, gallons sold and sell price.

Flight Training

While Texas Air Center, LLC has no current interest in operating a flight school we do appreciate the benefit such a venture provides the airport. Given that Rockwall FliteCenter currently operates a flight school out of the terminal we would propose that they be allowed to operate out of the existing space they occupy as a paid tenant, operating under their own FAA certificate and independent of Texas Air Center. If agreed to, Texas Air Center will provide appropriate fuel discounts necessary to insure the viability of the flight school. Rental of flight school facilities would be collected and retained by Texas Air Center.

Aircraft Maintenance Services

Texas Air Center will operate a maintenance facility in the hanger adjacent to the terminal offices. Given the limited shop space we would anticipate and have budgeted for, a small maintenance operation geared toward single and multiengine reciprocating aircraft. Our experience tells us that maintenance shop revenues will be limited by the restricted space available as well as intense competition from around the area. We anticipate offering a shop labor rate of $65.00 per hour with this figure subject to adjustments to reflect market conditions. A large percentage of the capital contributions mentioned in the financial fitness section will be used for purchases of shop equipment deemed appropriate for a shop of this size. Mr. Parks is certified as an A & P Mechanic but has not yet tested for an inspection authorization. Agreements for IA services are in place to meet the certification requirements outlined in the request for proposals. Mr. Parks anticipates obtaining an inspection authorization within one year of operation.

It should be noted that Texas Air Center views the maintenance of turbine aircraft as essential to our long term success. We are working on the hope that current airport improvements will be approved and that this will allow the operation of substantially more turbine aircraft off of the airport. Our growth is dependent on the growth of the airport and city.

Finally, we would propose that the current FBO be allowed to operate a maintenance shop out of the north maintenance hangar they have occupied for some time. We have no interest in seeing a family business displaced If they can compete fairly, pay rent, and operate under the same insurance requirements. If approved, we would like to offer the facility under a scheduled increase agreement over a six month period starting at $500.00 per month and ending at $1500.00 per month. These rents would be payable to Texas Air Center, LLC.

209

Parts Sales

Texas Air Center intends to provide over the counter aircraft parts sales to local and area aircraft owners. Inventory will consist of consumable items such as oil, filters, brake pads, and other items appropriate for the location.

CUSTOMER SERVICE

The aircraft service business has changed drastically since the late nineteen seventies. There are many reasons for the change but the end result has been a reduced number of hours flown and a decrease in the number of flying customers. As a result, great customer service has never been more important to the success of an aircraft business. With that said, it is also true that providing great customer service is just as easy as it has ever been. It is all about understanding the needs of your customers and more importantly developing great relationships with each of them. We intend to offer our tenants and visitors the best possible service because it not only insures the success of our business it is also represents what may be a first and lasting impression of our community to the flying public.

It really is as simple as doing your best to have aircraft fueled as requested, maintenance done correctly and delivered on time or maybe just having hot coffee every morning in the terminal. We have the experience to meet the needs of the Rockwall flying community. Given the opportunity we will also make sure that we have the equipment and personnel to meet our customer expectations.

MANAGEMENT

Management of the FBO will be the responsibility of Todd Parks. The aircraft is small and in our opinion could be operated with a manager and one to two line service personnel. It is our understanding that the current FBO employs a line attendant and we would anticipate interviewing him with the intention of offering employment on a full time basis. Additional line service personnel will be added at the discretion of the FBO manager.

The maintenance shop will operate at a level consistent with the financial goals of the FBO. It appears unlikely that the shop would support more than one full time mechanic in the near term. Todd Parks will perform most aircraft maintenance functions. If the work load dictates agreements are in place with other technicians to provide contract labor as needed.

MARKETING

210

Marketing of aircraft services will consist of direct contact with aircraft owners at industry gatherings and events, internet advertising such as web site development, email campaigns and publication of fuel prices on web sites such as AirNav, Foreflight and other flight planning service providers. As the aircraft grows Texas Air Center will play an active role in assisting the Rockwall Economic Development Board with marketing plans related to the airport and it capabilities and operations. We look forward to being an active partner in the city's efforts to promote the city.

FINANCIAL STATEMENTS

As requested we have attached Pro-Forma financial statements detailing estimated revenues and expenses related to FBO operations. While every effort has been made to represent projected financial amounts it should be understood that these are based on estimates by Mr. Parks. You will note that these figures do not include the purchase of fuel stocks. We would propose that the FBO and City of Rockwall negotiate a price for both the existing Av-Gas and Jet-A fuel inventory on hand and that figure be used as the purchase price of these inventories from the city.

Interview Notes for FBO Services at
Ralph M. Hall / Rockwall Municipal Airport

Interview Notes for Todd Parks

- Has lived in the Rockwall area for 18 years
- Has a website and marketing business that works with FBO's to market aviation services and airports
- Is a pilot
- Former military – Air Force
- Is a certified mechanic and is getting an IA certification
- His initial anticipated startup is $30-$50K
- Will be the primary maintenance department and run the day-to-day operations of the airport
- Will be the face of the organization and customers will deal with him directly
- He will buy the city's fuel inventory and assume purchasing both avgas and jet fuel as part of his FBO operation
- Would like the city to continue mowing, utilities, etc. everything it currently does
- He will provide ice, catering if necessary, oxygen/nitrogen to customers
- He will provide a courtesy car for local use
- Will purchase his own tug and other ground equipment
- Will open at least 12 hours / day, 7 days / week
- No tie-down fees if customers purchase fuel
- Believes customers should always be met on the ramp, marshalled in and out
- Would do normal repairs on facilities, but would need City's help with major repairs over $1,000
- Will offer opportunity to current FBO to subcontract for the flight school
- Will offer opportunity to current FBO to lease the northern box hangar to keep his repair shop / believes in fair competition / understands there are current customers loyal to Eddie

References for Todd Parks

Reference: Dave Larsen

- Known him for 12 years
- Has hired him for web services
- Very focused on serving customers and solving problems (better than most)
- Very high level of character and integrity
- Very motivated, even temperament, difficult to get under his skin
- Best attribute is dealing with people in an adverse situation

217

Reference: Steve Seitz

- Known him for 15 years
- Todd also did website work for him
- General comments are that he's a good guy, very honest and reliable
- Former military, so he's disciplined
- Mr. Seitz's daughter worked for Todd, treats employees very good
- Very organized, treats people with kindness, very fair, great with customers
- Great family, Todd's wife handles his personal and professional insurance.
- His greatest strength is building and fostering personal and professional relationships
- Soft spoken, but very sharp.

Reference: Martin Sisk

- Known him for 8 years
- Worked with Todd at Cutter Aviation, works very well with others on maintenance issues and problem resolution
- Later worked with Todd at Texoma Jet Center when he was General Manager and Mr. Sisk was Director of Maintenance
- General comments are that Todd is very knowledgeable about aviation since he is a pilot, mechanic, has been a general manager
- Was very involved in all aspects of FBO operations – maintenance, fueling, etc.
- Very good dealing with customers – gives people an option – works with them instead of giving them a hard "yes" or "no", explains things to customers
- He's never rigid or abrupt when dealing with anyone
- Greatest strength is communication with customers and personnel and he's an innovative thinker.
- Very committed to his endeavors – both financially and personally – takes a hands on approach

Reference: Tom Chesna

- Known him for 15 years
- Todd has worked on his airplane and is very knowledgeable
- Knows a lot of people in the airport business
- Exceptional integrity, very honest
- Best strengths are that he is straight forward, keeps his word
- Very organized, very computer savvy

Reference: George Schuler

- Gives Todd his endorsement
- Todd knows the business, Worked for George and for Cutter Aviation
- Good guy

Subject: Re: RFP for FBO Services - Additional Information

Joey;

I have not finished the revised budget but did want to get a list of references to you with their contact information;

George Schuler 214.244.5678

Worked for George at Lake Texoma Jet Center

Tom Chesna 972.771.8651 No E-Mail

Tom owns an aircraft and bases it at Rockwall airport. He has built two houses for us and has been a friend since 1996

Dave Larsen 214.535.9415

Dave is a good friend. Lives in Heath and owns an architecture firm in Dallas.

Steve Seitz 972.772-9006

Steve is a good friend and also lives in Heath. Has architecture firm in Rockwall

Martin Sisk 214.235.2727

Marty is a good friend. Worked with him at Cutter Aviation for several years where he ran the shop and was Director of Maintenance.

Please let me know if I can provide further information on these references.

Subject: Re: RFP for FBO Services - Additional Information

Good afternoon Joey;

I have reviewed the financial projections presented last week. These projections did not include the purchase of fuel trucks, just the purchase of estimated fuel stock at the time we begin operations. The quantities used were 2200 gallons of Jet-A and 600 gallons of Av-Gas. These will of course need to be adjusted to the actual quantities on hand and calculated based on last cost. Aside from that nothing has changed.

We discussed maintenance of buildings, maintenance of fuel equipment and rental of the other maintenance facility and office space for the flight school should Eddie decide to take advantage of that offer.

Maintenance of the terminal building and attached shop area will be the FBO's responsibility. Repairs to the facility in excess of $1000.00 would be submitted to the city for payment. FBO will be responsible for improvements to the facility supporting FBO operations.

Routine maintenance of fuel equipment and fuel trucks would be the responsibility of the FBO. Repairs to equipment and fuel trucks would be submitted to the city for payment.

We would propose rental of the north maintenance hanger currently occupied by the existing FBO to the current FBO based on the following schedule. Rental beyond the first twelve months would stabilize to the 12th month rate and governed under any existing rental agreements. The FBO would retain these rental revenues.

	Month 1	Month 2	Month 3	Month 4	Month 5	Month 6	Month 7	Month 8	Month 9	Month 10	Month 11	Month 12
North Maintenance Hangar	$500.00	$500.00	$500.00	$750.00	$750.00	$750.00	$1250.00	$1250.00	$1250.00	$1500.00	$1500.00	$1500.00
Flite School Facility	$250.00	$250.00	$250.00	$250.00	$250.00	$250.00	$250.00	$250.00	$250.00	$250.00	$250.00	$250.00
	$750.00	$750.00	$750.00	$1000.00	$1000.00	$1000.00	$1500.00	$1500.00	$1500.00	$1750.00	$1750.00	$1750.00

I am willing to work out an agreement regarding mowing of the airport and support facilities. I will need to have a closer look but if we can purchase a mower (tractor and shredder) this might be advantageous to both parties.

All buildings constructed after the execution of an FBO agreement will be managed by the FBO. A management fee of 10% of the rental rate for each building will be billed each month regardless of the building's rental status.

There are probably things to discuss but hopefully we can come to some agreement after discussing these issues further. Please let me know if you have additional questions or need further clarification on points presented.

Best Regards,

Todd Parks

p.124 **5.** Appointment with Mike Peoples to discuss approval of a temporary waiver to the requirement for sanitary sewer connection in conjunction with the future development of a 7.42-acre tract of land identified as a portion of Tract 4-01, M.B. Jones Survey, Abstract No. 122, City of Rockwall, Rockwall County, Texas, located east the of the intersection of John King Boulevard and SH-66, and take any action necessary.

p.128 **6.** Appointment with Dorothy Spradlin, representing AMBUCS to request permission to use city property for an upcoming scrap metal collection fundraiser, and take any action necessary.

XII. PUBLIC HEARING ITEMS

p.130 **1.** **Z2014-004** - Hold a public hearing and consider approval of an **ordinance** for a city-initiated request to amend the Unified Development Code (Ordinance No. 04-38), specifically Article II, Authority and Administrative Procedures, Section 6.1, Notice of Public Hearing, and take any action necessary **(1st Reading)**.

XIII. ACTION ITEMS

p.150 **1.** **MIS2014-002** - Discuss and consider a request by Fritz McKinstry for the approval of an exception to the minimum masonry requirements stipulated in Section 3.1, General Residential District Standards, of Article V, District Development Standards, of the Unified Development Code, for a 0.17-acre parcel of land identified as Lot 23, Block E, Chandler's Landing, Phase 16, zoned Planned Development District 8 (PD-8), located at 257 Victory Lane, Rockwall, Rockwall County, Texas, and take any action necessary.

p.156 **2.** Discuss and consider hotel tax subcommittee funding recommendations for supplemental funding for the Soroptomists, Dodies, and The Rockwall News events, and take any action necessary.

p.180 **3.** Discuss and consider approval of an **ordinance** amending the Code of Ordinances in Chapter 44. Utilities, Article V. Water, Division 7. Drought Contingency and Water Emergency Response Plan to keep the city in compliance with Texas Commission on Environmental Quality requirements, and take any action necessary. **(1st reading)**

p.210 **4.** Discuss and consider approval of an **ordinance** amending the city's Water Conservation Plan to keep the city in compliance with Texas Commission on Environmental Quality (TCEQ) requirements, and take any action necessary. **(1st reading)**

p.302 **5.** Discuss and consider recent action taken by North TX Municipal Water District (NTMWD) board of directors related to water conservation, and take any action necessary.

p.307 **6.** Discuss and consider possible amendment to the City's ordinance regulating solicitors, and take any action necessary.

p.312 **7.** Discuss and consider amending the 2013-2014 Recreation Development Fund Budget to reconstruct the parking lot at Lofland Park, and take any action necessary.

p.314 **8.** Discuss and consider an appointment to the city's Historic Preservation Advisory Board (HPAB), and take any action necessary.

XIV. CITY MANAGER'S REPORT TO DISCUSS CURRENT CITY ACTIVITIES, UPCOMING MEETINGS, FUTURE LEGISLATIVE ACTIVITIES, AND OTHER RELATED MATTERS.

1. Departmental Reports
Building Inspections Monthly Report - February 2014 p.316
Fire Department Monthly Report - February 2014 p.327
Harbor PD Monthly Report - February 2014 p.351
Internal Operations Department Monthly Report - February 2014 p.353
Police Department Monthly Report - February 2014 p.355
Recreation Monthly Report - February 2014 p.358
Rockwall Animal Adoption Center Monthly Report - February 2014 p.360
Rockwall County Committee on Aging Quarterly Report p.362

2. City Manager's Report

XV. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding Economic Development incentives, procedures, prospects and possible projects pursuant to Section 551.087 (Economic Development)

2. Discussion regarding possible claim related to Oncor pursuant to Section 551.071 (Consultation with Attorney)

3. Discussion regarding the following legal claims: Jennifer A. Turner v. City of Rockwall and Beverly A. Young v. City of Rockwall pursuant to Section 551.071 (Consultation with Attorney)

4. Discussion regarding the following legal claim: TF-Harbor LLC v. City of Rockwall, Texas and Rockwall Rental Properties L.P. pursuant to Section 551.071 (Consultation with Attorney)

5. Discussion regarding land lease/acquisition in the vicinity of the downtown area for municipal purposes pursuant to Section 551.072 (Real Property).

6. Discussion regarding proposed term extension of a Real Property Exchange Agreement with Harbor Heights Investors, L.P. / JBR2, LLC relating to real property located within the PD-32 area pursuant to Section 551.071 (consultation with attorney) and Section 551.087 (Economic Development negotiations).

7. Discussion regarding Economic Development prospect (Hawaiian Falls) pursuant to Section 551.087 (Economic Development)

XVI. RECONVENE PUBLIC MEETING & TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

XVII. ADJOURNMENT

This facility is wheelchair accessible and accessible parking spaces are available. Request for accommodations or interpretive services must be made 48 hours prior to this meeting. Please contact the City Secretary's Office at (972) 771-7700 or FAX (972) 771-7727 for further information.

The City of Rockwall City Council reserves the right to adjourn into executive session at any time to discuss any of the matters listed on the agenda above, as authorized by Texas Government Code § 551.071 (Consultation with Attorney) § 551.072 (Deliberations about Real Property) § 551.074 (Personnel Matters) and § 551.086 (Economic Development)

I, Kristy Ashberry, City Secretary for the City of Rockwall, Texas, do hereby certify that this Agenda was posted at City Hall, in a place readily accessible to the general public at all times, on the 4th day of April, 2014 at 4:00 p.m. and remained so posted for at least 72 continuous hours preceding the scheduled time of said meeting.

MEMORANDUM

TO: Rick Crowley, City Manager

FROM: Timothy M. Tumulty, Director of Public Works/City Engineer

DATE: April 2, 2014

SUBJECT: FM 552 (SH 205 to SH 66)

FM 552 from SH 205 to SH 66 is an existing two lane asphalt roadway. This roadway was included in the Rockwall County Bond Program and is a Partnership project between Rockwall County and the Texas Department of Transportation (TxDOT). Rockwall County has taken the lead to get the project designed prior to turning it over to TxDOT for construction. As a part of the early phase of project development, the engineering design process will require approval of an Environmental Assessment along with a Roadway Schematic Drawing. TxDOT and Rockwall County will conduct a Public Meeting on Thursday, April 10, 2014 for the proposed improvements for FM 552.

The purpose of the Public Meeting is to present the proposed roadway improvements within this 5.2 mile long section of FM 552. This project is needed to address an expected increase in traffic, to conform to local planning efforts and to provide safer geometric/operation conditions. The roadway would be expanded to three lanes in each direction to include a minimum of a 14 foot shared lane for bicycle use.

The Public Meeting will be an open house format held at the Williams Middle School from 5:00 to 7:00P.M. TxDOT staff will be present to answer questions during the meeting.

Staff has requested Mr. John Polster, IPS, Rockwall County's Project Manager, to present information regarding this project to City Council at the April 7, 2014 Work Session. If you have any questions, please advise.

TxDOT NOTICE OF PUBLIC MEETING
FM 552 - ROCKWALL COUNTY
CSJ: 1017-01-015

The Texas Department of Transportation (TxDOT) and Rockwall County will conduct a Public Meeting on **Thursday, April 10, 2014** for the proposed improvements to Farm-to-Market (FM) 552 in Rockwall County, Texas. The project limits extend from State Highway (SH) 205 to SH 66.

The purpose of the Public Meeting is to present proposed roadway improvements within this 5.2-mile long section of FM 552. The Public Meeting will be an "open house" format and will be held on Thursday, April 10, 2014 at **Williams Middle School, 625 E. FM 552, Rockwall, Texas 75087** from **5 p.m. to 7 p.m.** TxDOT staff and its consulting engineers will be available in an informal setting to answer questions during the meeting.

The proposed project is needed to address an expected increase in traffic, to conform to local planning efforts, and to provide safer geometric and operating conditions. Upon completion, FM 552 would accommodate two 11 to 12 foot wide inside lanes and one 14-foot-wide outside shared use lane in each direction, an 18-foot-wide median with 1-foot to 2-foot curb offsets, a 6-foot to 10-foot-wide sidewalk with minimum of 9-foot offset from face of curb. Dedicated left and right turn lanes are provided along FM 552 at major intersections with SH 205, John King Blvd, FM 1141, and FM 3549. At various cross streets, a 10-foot-wide left-turn bay would be provided in the median. The horizontal and vertical alignment has been improved to satisfy a 40 mile-per-hour (mph) design for an urban arterial facility along FM 552. Major cross street connection design speeds vary between 40 mph and 45 mph. Drainage improvements include replacing the existing side ditches with a curb and gutter section. Approximately 52 acres of additional right-of-way (ROW) and easements would be needed to accommodate the proposed roadway and drainage improvements. One residential property displacement would be required. No commercial property displacements or relocations would be required.

The maps and drawings reflecting the project's location and geometric design will be displayed at the Public Meeting. This and other information about the proposed project are available for public inspection and duplication at the TxDOT Dallas District Office located at 4777 E. Highway 80, Mesquite, Texas 75150, the TxDOT Rockwall/Kaufman County Area Office located at 2750 S. Washington, Kaufman, Texas 75142, and on-line at www.keepitmovingdallas.com under Upcoming Public Meeting.

All interested persons are invited to attend this meeting to obtain information about the project and to express their views. Persons requiring special communication or accommodation needs should contact the TxDOT Dallas District public information officer at (214) 320-6100 at least two (2) working days prior to the Public Meeting. Because the Public Meeting will be conducted in English, any request for language interpreters or other special communication needs should also be made at least two (2) working days prior to the Public Meeting. Every reasonable effort to accommodate these needs will be made.

Written comments from the public regarding the proposed project may be presented at the Public Meeting. Comments may be presented for a period of 10 days after the meeting. Written comments can be submitted to:

Ms. Nancy Peron, P.E.TxDOT Dallas District Project Manager
4777 E. US Highway 80 Mesquite, TX 75150-6643

Written comments submitted after the Public Meeting must be hand-delivered or postmarked on or before **Monday, April 21, 2014**, in order to be included in the public record. For additional information please contact Nancy Peron, P.E., TxDOT Dallas District, via phone (214) 320-6245, or e-mail: Nancy.Peron@TxDOT.gov.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Mayor and City Council**

FROM: **Rick Crowley, City Manager**

DATE: **April 3, 2014**

SUBJECT: **Open Space Roll Back Taxes**

At the March 3 Council meeting during the work session, we discussed the matter of open space dedication to the City of Rockwall with Home Owner Associations being responsible for maintenance of these open space areas. Staff believed that it would prefer that the open space not be accepted as a dedication so the long term maintenance could not be deferred to the City. This was a change in our practices and although this may have a positive impact due to the receipt of roll back taxes, the tax benefits to the developers may have an adverse impact on someone's ability to develop their land. The long term financial impacts would be much greater than the loss of the one time roll back tax revenue.

The City's practice prior to the most recent small phase associated with the Stone Creek Development had been to accept dedication of the open space area to the City. Because of experiences that we had years after several developments were completed, this most recent Stone Creek plat indicated that the property would be dedicated to the Home Owners Association and, therefore, would have resulted in the developer owing about $35,000 in roll back taxes to the City.

Roll back taxes are due when an established use changes from an agricultural tax exemption status to a non-agricultural use. The back taxes due to all entities assessing Ad Valorem tax are due at that point for the prior five years plus 7% annual interest. All roll back taxes are due for the entire property that changes use at that time of the change.

In the case of Stone Creek, the developer had accounted for the payment of back taxes on all of the +/- 800 acre tract as development proceeded. As a part of the development agreement and lawsuit settlement, the new developer, Skorburg (who was not a party to the lawsuit except as a potential buyer and developer of the property) proposed development plans for Stone Creek and Breezy Hill that were acceptable to the City which were a big factor in the City's approval of the final lawsuit settlement. The Stone Creek development plan included reserving 26.7% of the development as open space and Breezy Hill contained 29.6% open space which were considerably more than the

typical 20% open space dedication for Planned Developments. While Skorburg included roll back taxes on the remainder of the development in the financial planning for the property's development, assuming that the open space would be dedicated to the City, he did not factor roll back taxes into the financial planning for the required 20% open space reservation.

In fact, the first several phases of Stone Creek did involve dedication of the required open space to the City. During the platting of the most recent phase of Stone Creek/Breezy Hill, fresh from experiencing some expenses in other areas of the City, the change was made such that the open space would be dedicated to the Home Owners Association, the entity that, without question has the legal responsibility for open space maintenance in Stone Creek and Breezy Hill. If this change is applied to the entirety of the remaining development, the developer has estimated that this will result in a cost of about $958,000 to the development – a cost for which he did not account in his financial planning.

While, I would like to discuss the matter of open space dedication for NEW developments and the most appropriate policy for the City to take in the future at our upcoming June retreat, based on the unanticipated costs for Stone Creek and the City's action to accept dedication of open space in earlier phases, I think, at this point, that it is reasonable and fair that we, contrary to our earlier discussions, continue to accept open space dedications to the City in Stone Creek and Breezy Hill.

We will be prepared to discuss this matter briefly in a workshop setting on Monday night. I have attached information provided by Skorburg. Please let me know if you have any questions in the meantime.

Attention:
Mr. Robert LaCroix, Director of Planning
Mr. Ryan Miller, Planning Manager

Re: Breezy Hill and Stone Creek Estates property taxes & rollback tax implications for future open space land dedication

Dear Mr. LaCroix and Mr. Miller:

In follow up to our letter to you dated February 24, 2014, this letter is to provide more information on the hardship that would be burdened on our partnerships were the City to change its policy and not allow us to dedicate future planned open space to the City (to be maintained by our HOAs) in Breezy Hill Estates and Stone Creek Estates.

When we bought and financed the collective +/- 800 acres of land between the two master-planned communities, we did do based on financial projections and made commitments to banks and equity partners. Integral to our decision to purchase the land at the price we paid for it was the fact that the City would be accepting open space dedications.

During the zoning of the property, the City wanted to the communities to set aside an extraordinary amount of open space land – roughly 150 acres. Unless a 3rd party landowner is willing to give their land away (which is not reality), it would be unrealistic and uneconomical for a developer to purchase land at fair value and still make the numbers work.

The ONLY way to incorporate extraordinary open space into master planned communities is for the City to accept the open space as a gift to the City. Without the tax benefits (rollback tax, regular property tax, and tax deduction benefits), such open space would not be economically feasible.

You may recall when we bought the property from the previous landowner in April 2007, the City was involved in a nasty, costly and protracted lawsuit involving the other prospective buyer. The prospective buyer wanted tiny lots and a "gridded" subdivision. In addition to helping the parties come to a peaceful resolution, we agreed in our zoning to provide a mix of large lots and to provide generous open space that would be dedicated to the City and maintained by the HOAs. The history of the first

Dallas, Texas 75225

couple of phases of Stone Creek followed that commitment – we dedicated the adjacent open spaces to the City as requested and they are being maintained by the HOA and that obligation was specified on the plats.

In our letter to you dated February 24, 2014, we quantified the economic damage that would be inflicted on our partnerships if the City were to disallow our partnerships to dedicate future open space to be maintained by our HOAs. We included with those letters supporting tax statements that we recently were forced to suddenly pay due to the sudden change in policy with the most recent phases of Stone Creek Estates. Based on an extrapolation of the taxes paid per acre and lost tax deduction benefit, the impact was estimated as follows:

Stone Creek SF / Balance, Ltd	$389,000
Breezy Hill 405, Ltd	$569,000
Total estimated economic loss	**$958,000**

The HOA's of these communities have the financial wherewithal to support the cost of ongoing maintenance for their respective open spaces. For instance, the Stone Creek Estates HOA is already in a positive cash flow position despite being only half built out. Breezy Hill Estates will soon be in a similar position as there are currently five phases of lot development in various phases of construction / predevelopment stages.

We understand that the City has had some "old and cold" subdivisions try to impose the financial obligation of maintaining their open space on the City due to poor documentation of whose obligation it should be to maintain such open space. However, Stone Creek Estates and Breezy Hill Estates are not in that position. They are large scale master-plans that have clearly put the obligation of maintaining their open space on their respective HOAs in perpetuity, and such obligation has been stated on the plats. These communities were well-planned, and have plenty of residential lots to support the ongoing cost of maintenance. We should not be punished due to errors that were made long ago involving "old and cold" subdivisions in which such details were not properly documented.

Going forward, we ask that the City honor the original plan upon which we relied in good faith when we agreed to commit the open space dedications and purchased the property at the price that was required and relying upon the associated tax benefits to make our economics work.

Please do not hesitate to contact our office should you have any questions.

Attention:
Mr. Robert LaCroix, Director of Planning
Mr. Ryan Miller, Planning Manager

Re: Breezy Hill Estates property taxes & rollback taxes for future open space land

Dear Mr. LaCroix and Mr. Miller:

In follow up to our discussions and meetings with Mr. Helm of the Rockwall Central Appraisal District ("RCAD"), and as requested, this letter summarizes the unforeseen economic burden that our partnership will experience in the event the City does not accept the dedication of the planned open space areas within Stone Creek subdivision.

As of the date of this letter, there is currently a total of +/- 52.98 acres of open space land that is planned to be dedicated within Breezy Hill Estates.

When the City informed us that they would not accept the open space dedication of the +/- 12.12 acres with the Phase IV final plat of our Stone Creek Estates community, we realized we need to request the City to reconsider the position as disallowing the dedications will also have a material impact on our Breezy Hill Estates master plan.

"Exhibit A" of this letter contains the rollback tax bill for Phase I of Breezy Hill Estates, which amounted to $42,935 on 21.857 acres, or $1,964 per acre.

Estimated financial impact of rollback taxes going forward on Breezy Hill Estates

Based on 52.98 acres remaining of open space in Breezy Hill Estates and on a $1,964 per acre rollback assessment, and unless the City agrees to allow us to dedicate the open spaces to the City with our plats, we extrapolate that we will incur unforeseen rollback taxes of approximately $104,000.

Phone 214-888-8843 abuczek@skorburgcompany.com Fax 214-522-7244

Breezy Hill 405, Ltd.
By Breezy Hill 405 GP Corporation
8214 Westchester Drive, Suite 710
Dallas, Texas 75225

Estimated financial impact of loss of tax deduction as a result of not being allowed to dedicate open space land to the City of Rockwall

If we are unable to dedicate open space land to the City, our banks and partners who have lent and invested in our partnership will no longer be able to receive a tax deduction for the open space land dedications. The current estimated impact to our partnership based on the remaining +/- 52.98 acres of open space land is approximately $465,000.

Between both items, the total estimated unforeseen financial impact to Breezy Hill Estates (if the City will not accept dedications of open space) is approximately $569,000.

We understand the City is concerned about the ongoing maintenance of the open space areas; however, we will continue to include the exact language on the final plats of each phase that will make it the HOA's obligation to maintain the open space areas at its expense as directed by the City.

Please do not hesitate to contact our office should you have any questions.

Sincerely,

Breezy Hill 405, Ltd., a Texas limited partnership

The Chief Appraiser of the Rockwall Central Appraisal District has determined that your property is not being used for agricultural purposes. An additional tax is imposed on the land as provided by Sec.23.55 of the State Property Tax Code. This tax is due and becomes delinquent as of **02/01/2014**.

If you have any questions, please call (972) 771-2034.

Sincerely,

PATTI JONES

Attention:
Mr. Robert LaCroix, Director of Planning
Mr. Ryan Miller, Planning Manager

Re: Stone Creek Balance, Ltd. property taxes & rollback taxes for future open space land

Dear Mr. LaCroix and Mr. Miller:

In follow up to our discussions and meetings with Mr. Helm of the Rockwall Central Appraisal District ("RCAD"), and as requested, this letter summarizes the unforeseen economic burden that our partnership will experience in the event the City does not accept the dedication of the planned open space areas within Stone Creek subdivision.

As of the date of this letter, there is currently a total of +/- 36.8 acres of open space planned within the future phases of Stone Creek Estates.

When the City informed us that they would not accept the dedication of the +/- 12.12 acres of open space that was contiguous with and part of the Phase IV final plat (which we had planned to dedicate to the City of Rockwall (the "City") to be maintained by the Stone Creek HOA as we had done for open spaces in prior phases), RCAD sent us a rollback tax bill of $34,374.27, or $2,836 per acre. The supporting documentation of this charge (which we have paid) is attached with this letter as **"Exhibit A."**

When the City informed us they would no longer accept open space dedications, we learned we would be charged with rollback taxes and lose the tax deduction on such open space acreage. These items are of a material financial amount, and thus, we are hopeful that the City will reconsider this issue and allow us to continue to dedicate open space to the City and stipulate on the plats that such open space is to be maintained by the HOA.

Phone 214-888-8843 abuczek@skorburgcompany.com Fax 214-522-7244

Stone Creek Balance, Ltd.

8214 Westchester Drive, Suite 710
Dallas, Texas 75225

Estimated financial impact of rollback taxes going forward on Stone Creek

Based on 36.8 acres remaining of open space in Stone Creek Estates, unless the City agrees to allow us to dedicate open spaces to the City with our plats, we extrapolate (based on what we were charged in Phase IV) that we will incur unforeseen rollback taxes on the remaining phases of Stone Creek in the amount of approximately $104,000.

Estimated financial impact of loss of tax deduction as a result of not being allowed to dedicate open space land to the City of Rockwall

If we are unable to dedicate open space land to the City, our banks and partners who have lent and invested in our partnership will no longer be able to receive a tax deduction for the open space land dedications. The current estimated impact to our partnership based on the remaining +/- 36.8 acres of open space land is approximately $285,000.

Between both items, the total estimated unforeseen financial impact to Stone Creek Balance, Ltd if the City will not accept dedications of open space is approximately $389,000.

We understand the City is concerned about the ongoing maintenance of the open space areas; however, we will continue to include the exact language on the final plats of each phase that will make it the HOA's obligation to maintain the open space areas at its expense.

Please do not hesitate to contact our office should you have any questions.

Sincerely,

Stone Creek Balance, Ltd., a Texas limited partnership

STE 710
DALLAS TX 75225-6133

A0131, S KING, TRACT 3, 12.128 ACRES

Prop ID: 11323

The chief appraiser has determined that the 1-d-1 qualified property described above is not used for agriculture or the production of timber so the property no longer qualifies for the 1-d-1 appraisal. The property will be taxed on its market value beginning with the 2013 tax year.

You may protest this change of use determination to the Appraisal Review Board (ARB) by filing a written notice of protest not later than 30 days after the receipt of this letter. If you have questions about the determination or the procedure for filing a protest, you may wish to consult your appraisal district's staff. You may also consult the State Comptroller's Manual for the Appraisal of Agricultural Land.

If you do not protest or if the ARB determines that the use of the property has changed, the property is subject to an additional tax (rollback tax) equal to the tax savings you realized for the five years before the year of this determination, plus interest. A tax lien for the amount of the additional tax and interest attaches to the land on the date the change occurs. The assessor for each taxing unit taxing the property will assess the additional tax. If you have any questions about the amount or calculation of this additional tax, please contact me at the appraisal office or consult the State Comptroller's Manual for the Appraisal of Agricultural Land.

Sincerely,

Cody Sanderson
Deputy Chief Appraiser

Proclamation

Rockwall, Texas

Whereas, for the past three years Mary Claire Weible has been involved in an optional home-school program known as "Classical Conversations Memory Masters;" and

Whereas, throughout "Memory Masters," Mary Claire has memorized an astonishing amount of information, including over twelve-hundred facts; and

Whereas, among the facts she memorized were geography and history from Ancient through modern time, including historical empires, peoples, countries and the Ten Commandments; numerous facts about science such as elements of the periodic table, parts of 8 body systems, planets, classifications of living things, and laws of motion; detailed timelines from Creation to Modern America, including the list of presidents, the Preamble to the Constitution and the Bill of Rights; countless English grammar facts; Latin noun and verb endings and Bible verses in Latin; math multiplication tables up to 15x15 as well as conversions, geometric formulas, and algebraic laws; and

Whereas, for three years Mary Claire has been able to cite facts from all of the abovementioned categories, and more, with no prompting or hints; and

Whereas, through this program, Mary Claire has achieved some very impressive and noteworthy accomplishments.

Now, Therefore, I, David Sweet, Mayor, and David White, Mayor Pro Tem of the City of Rockwall do hereby proclaim **April 7, 2014** as

MARY CLAIRE WEIBLE MEMORY MASTER DAY

in the City of Rockwall Texas, and encourage all citizens to applaud this young lady for the time and effort she has invested towards achieving this high honor.

In Witness Whereof, I hereunto set my hand and official seal this 7th day of April, 2014.

David Sweet

Proclamation

Rockwall, Texas

Whereas, child abuse is an international epidemic that plagues our nation, all fifty states and thousands of cities, victimizing the most innocent among us; and

Whereas, according to a 2012 report entitled, "Child Maltreatment" published by the U.S. Department of Health and Human Services, since 2008, overall rates of children who received a CPS response increased by 4.7 percent, resulting in an estimated 3,184,000 children receiving a CPS response in 2012 compared to 3,077,000 in 2008; and

Whereas, nationally, in 2012, 78.3 percent of child victims were found to have been neglected, 18.3 percent were physically abused, 9.3 percent were sexually abused, and 8.5 percent were psychologically maltreated; and

Whereas, also in 2012, an estimated 1,640 children died of abuse and neglect in the United States.; and

Whereas, numerous child advocacy organizations exist both nationally and statewide, each focusing on a common cause – to end child abuse and protect our most helpless citizens, our children; and

Whereas, each year, April serves as a month during which child advocacy groups come together to educate the public about child abuse;

Now, Therefore, I, David Sweet, Mayor of the City of Rockwall, Texas, do hereby proclaim the month of **April, 2014** as

Child Abuse Prevention & Awareness Month

in the City of Rockwall and encourage all citizens to support efforts aimed at educating the public about child abuse, to always report child abuse when circumstances are suspect, and to applaud the organizations and individuals who tirelessly work to eradicate these senseless, horrific crimes.

In Witness Whereof, I hereunto set my hand and official seal this 7th day of April, 2014.

MINUTES
ROCKWALL CITY COUNCIL
Monday, March 17, 2014
4:00 p.m. Regular City Council Meeting
City Hall, 385 S. Goliad, Rockwall, Texas 75087

I. CALL PUBLIC MEETING TO ORDER

Mayor Sweet called the meeting to order at 4:00 p.m. Present were Mayor David Sweet, Mayor Pro Tem David White and Councilmembers Mike Townsend, Scott Milder, Bennie Daniels and Dennis Lewis. Also present were City Manager Rick Crowley, Assistant City Managers Mary Smith and Brad Griggs and City Attorney Frank Garza. Councilmember Jim Pruitt was absent from the meeting.

II. (4:00 P.M.) WORK SESSION

1. HOLD WORK SESSION TO DISCUSS AND CONSIDER GRADING AND FLOODPLAIN DEVELOPMENT PERMITS AND THE ASSOCIATED PROCESS, AND TAKE ANY ACTION NECESSARY.

City Engineer, Tim Tumulty, discussed the current erosion control process for new developments. He explained the issue of maintaining the erosion control features during the course of construction. He indicated the removal of these features at the end of the project creates issues for staff. This new permit would charge developers a deposit based on the developed acreage ($500.00 for the first acre and $100.00 for the remaining acreage). This permit would allow the developer to start grading prior to engineering plans being approved and would require the developer to maintain and remove the erosion control features at the end of the project. Mr. Tumulty explained that if the developer met these requirements throughout the job, the entire deposit would be refunded once the grass has been established.

Council directed staff to discuss this with developers and then proceed with submitting the permit back to council for consideration in the form of an ordinance.

III. (4:15 P.M.) EXECUTIVE SESSION.

Mayor Sweet read the below listed discussion items into the public record before recessing the meeting into Executive Session. All council members except Councilman Jim Pruitt were in attendance.

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding land lease/acquisition in the vicinity of the downtown area for municipal purposes pursuant to Section 551.072 (Real Property).

2. Discussion regarding proposed term extension of a Real Property Exchange Agreement with Harbor Heights Investors, L.P. / JBR2, LLC relating to real property located within the PD-32 area pursuant to Section

551.071 (consultation with attorney) and Section 551.087 (Economic Development negotiations).

3. Discussion regarding the following legal claim: TF-Harbor LLC v. City of Rockwall, Texas and Rockwall Rental Properties L.P. pursuant to Section 551.071 (Consultation with Attorney)

4. Discussion regarding claim filed by Ryan Frost pursuant to Section 551.071 (Consultation with Attorney)

5. Discussion regarding the city's Fixed Based Operator airport agreement pursuant to Section 551.071 (Consultation with Attorney)

6. Discussion regarding appointments to city regulatory boards, commissions, and committees including the North TX Municipal Water District Board pursuant to Section 551.074 (personnel matters)

7. Discussion regarding the appointment, evaluation and possible replacement for a member of a City Board pursuant to Section 551.071 (Consultation with Attorney) and Section 551.074 (Personnel Matters).

IV. ADJOURN EXECUTIVE SESSION

Council adjourned from Executive Session at 5:43 p.m.

MINUTES
ROCKWALL CITY COUNCIL
Monday, March 17, 2014
6:00 p.m. Regular City Council Meeting
City Hall, 385 S. Goliad, Rockwall, Texas 75087

V. RECONVENE PUBLIC MEETING

Mayor Sweet reconvened the public meeting at 6:00 p.m. All council members except Jim Pruitt were present.

VI. TAKE ANY ACTION AS A RESULT OF EXECUTIVE SESSION

Mayor Pro Tem White made a motion to terminate the contract with the city's current FBO provider. Councilmember Lewis seconded the motion, which passed by a vote of 6 ayes with 1 absent (Pruitt).

Mayor Pro Tem White made a motion to appoint Larry Denny to replace Denise Smith on the city's Park Board. Councilmember Townsend seconded the motion, which passed by a vote of 6 ayes with 1 absent (Pruitt).

Mayor Pro Tem White made a motion to reappoint Larry Parks to serve an additional term on the North Texas Municipal Water District Board. Councilmember Lewis seconded the motion, which passed by a vote of 6 ayes with 1 absent (Pruitt).

VII. INVOCATION AND PLEDGE OF ALLEGIANCE – COUNCILMEMBER LEWIS

Councilmember Lewis delivered the invocation and led the Pledge of Allegiance.

VIII. PROCLAMATIONS / AWARDS

1. Proclamation recognition - Future City Design Competition

Mayor Sweet called for Kyle Fletcher, Faith Mitchell and Nicole Bruner to come forth. These local home schooled students briefly described the details of the Future City Design Competition. They explained the project they created, a model of a 'future city,' for which they won several awards. Mayor Sweet then read and presented each student with a proclamation to recognize them for their impressive achievements.

IX. CONSENT AGENDA

1. Consider approval of the minutes from the March 3, 2014 regular city council meeting, and take any action necessary.

2. Consider ratifying the expenditure to Utilitex Construction, LLP for emergency repairs performed on the 16 inch diameter water line along IH 30 at a cost of $42,200.66, which was funded out of Utilities Operations budget, and take any action necessary.

3. Consider authorizing the City Manager to execute a contract extension for one year with 3-D Mowing for tractor mowing services in the amount of

$40,291.60 funded in the General Fund, Parks Operations, Grounds Maintenance and take any action necessary.

4. Consider approval of an **ordinance** declaring unopposed candidates for city council Places 2, 4 and 6 and cancelling the 2014 General Election, and take any action necessary. **(1st reading)**

5. **Z2014-001** - Consider approval of an **ordinance** for a request by Tommy Pulliam on behalf of Rayburn Electric Cooperation, Inc. for the approval of a zoning change from Agricultural (Ag) District to a Heavy Commercial (HC) District for a 6.057-acre tract land identified as a portion of Tract 3-06 of the W. H. Barnes Survey, Abstract No. 26, Rockwall, Rockwall County, Texas, zoned Agricultural (Ag) District, located on the south side of Sids Road west of S. Goliad Street (SH-205), and take any action necessary. **(2nd Reading)**

6. **P2014-008** - Consider a request by Ron Ramirez of Wier & Associates, Inc. on behalf of Ken Keeton of the Rockwall Economic Development Corporation (REDC) for the approval of a final plat for Lot 1, Block A & Lot 1, Block B, Channel Subdivision and for the dedication of Justin Road right-of-way being a 37.828-acre tract of land located within the Archibald Hanna Survey, Abstract No. 99, the N. Butler Survey, Abstract No. 20 and the David Harr Survey, Abstract No. 102, Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) and Agriculture (AG) District, situated within the SH-205 By-Pass Corridor Overlay (205 BY-OV) District, located in between John King Boulevard and Industrial Boulevard north of Interstate Highway 30 (IH-30), and take any action necessary.

7. Consider approval of the award of the Evans Road Drainage Improvements construction contract to Lone Star Utilities in the amount of $67,357.00 to be funded out of the 2005 drainage bonds, and take any action necessary.

8. Consider approval of the award of the Northshore Lift Station Improvements construction contract to RAMA Enterprises, in the amount of $417,962.00 to be funded out of the 2008 sewer revenue bonds, and take any action necessary.

Councilmember Milder pulled item #8 for further discussion. Mayor Pro Tem White made a motion to approve the remaining items. Councilmember Townsend seconded the motion. The ordinances were read as follows:

CITY OF ROCKWALL, TEXAS
ORDINANCE NO. 14-__

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS DECLARING UNOPPOSED CANDIDATES FOR THE OFFICES OF CITY COUNCILMEMBER PLACE 2, CITY COUNCILMEMBER PLACE 4, AND CITY COUNCILMEMBER PLACE 6 AS ELECTED; PROVIDING THAT THE MAY 10, 2014, GENERAL MUNICIPAL ELECTION SHALL NOT BE HELD; REPEALING ALL ORDINANCES OR PARTS OF ORDINANCES IN CONFLICT THEREWITH; PROVIDING A SAVINGS CLAUSE; PROVIDING A SEVERABILITY CLAUSE; FINDING AND DETERMINDING THAT THE MEETING AT WHICH THIS ORDINANCE WAS PASSED WAS OPEN TO

THE PUBLIC AS REQUIRED BY LAW; PROVIDING FOR AN EFFECTIVE DATE.

CITY OF ROCKWALL
ORDINANCE NO. 14-12

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [ORDINANCE NO. 04-38] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED SO AS TO FURTHER AMEND THE ZONING MAP TO ADOPT A CHANGE IN ZONING FROM AN AGRICULTURAL (AG) DISTRICT TO A HEAVY COMMERCIAL (HC) DISTRICT FOR A 6.057-ACRE TRACT OF LAND IDENTIFIED AS A PORTION OF TRACT 3-06 OF THE W.H. BARNES SURVEY, ABSTRACT NO. 26, CITY AND COUNTY OF ROCKWALL, TEXAS AND MORE SPECIFICALLY DESCRIBED IN EXHIBIT "A" OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

Regarding Consent Agenda item #8, Councilmember Milder asked if the site work portion of the work is considered essential or non-essential. Mr. Hendricks and Mr. Hickey from Birkhoff, Hendricks and Carter, came forth and briefly addressed this topic. Councilmember Milder then made a motion to approve Consent Agenda item #8. Councilmember Lewis seconded the motion, which passed by a vote of 6 ayes with 1 absent (Pruitt).

X. APPOINTMENTS

1. Appointment with the Planning and Zoning Chairman to discuss and answer any questions regarding cases on the agenda and related issues and take any action necessary.

Mr. Craig Renfro, chair of the Planning & Zoning Commission, came forth and provided a brief update to the city council regarding recommendations of the Commission relative to planning-related items on tonight's city council agenda. The council took no action related to this agenda item.

2. Appointment with Kim Bowen to discuss and consider handicap usage of city parks, and take any action necessary.

Mr. Devon Colbert, a twenty-two year resident of Rockwall, came forth and provided comments related to the need for a handicap accessible park in our community. Mr. Colbert explained he had an accident in December of 2012, and after that time, he realized that movement around in local parks was not very easy. Mr. Colbert explained that access ramps with wider play decks and smooth services (rather than wood chips) would better accommodate mobility. He then shared a brief list of other cities in the Dallas / Fort Worth area that have truly handicap accessible parks. He explained that these other parks went beyond normal ADA accessibility codes in order to make mobility feasible for handicap residents. Mr. Colbert indicated that he is considered a quadriplegic, so gravel, inclines and wood chips in park areas make it extremely difficult for him to interact with his kids while playing in the park.

The Mayor and staff then briefly discussed some of the other cities that have invested in one particular park in their community to make it very handicap accessible to the public.

Councilmember Milder asked staff if they can look into an accessibility study for our parks to see how much it would cost in order to retrofit one, if not two, of our city parks.

Mayor Sweet then made a motion to instruct staff to conduct an accessibility study for our current playgrounds and to prepare cost estimates to potentially retrofit one to two existing playgrounds to make them accessible. Councilmember Lewis seconded the motion, which passed by a vote of 6 ayes with 1 absent (Pruitt).

Mrs. Bowen stated she would appreciate staff and council also evaluating handicap accessibility in the restrooms at city parks. She pointed out that even if there are separate male and female accessibility restrooms, it is problematic if the person of that gender needs a person of the opposite gender to go with him/her into the restroom to assist. Therefore, a unisex or 'family' type bathroom stall would be most helpful.

3. Appointment with Mark Spencer of MHS Planning and Design to discuss and consider authorizing Phelps Lake park improvements, and take any action necessary.

Mr. Spencer of MHS Planning & Design came forth and briefed the council on design work and planned improvements at Phelps Lake Park.

Councilmember Milder made a motion to approve the plan as presented. Mayor Pro Tem White seconded the motion. Mr. Griggs indicated that pro rata equipment fees paid by the developer will cover the cost of the park improvements. Mr. Spencer indicated that about 30-45 days are needed to finish design, and then the construction work could begin and possibly be finished by about August. After brief comments, the motion passed by a vote of 6 ayes to 1 absent (Pruitt).

XI. PUBLIC HEARING ITEMS

1. **Z2014-005** - Hold a public hearing to discuss and consider approval of an **ordinance** for a request by Ron Ramirez of Wier & Associates, Inc. on behalf of Ken Keeton of the Rockwall Economic Development Corporation (REDC) for the approval of a zoning change from an Agriculture (AG) District to a Light Industrial (LI) District for a 2.006-acre tract of land identified as a portion of Tract 2-7 of the David Harr Survey, Abstract No. 102, Rockwall, Rockwall County, Texas, situated within the SH-205 By-Pass Corridor Overlay (205 BY-OV) District, located on the west side of John King Boulevard south of Airport Road, and take any action necessary **(1st Reading)**.

Planning Director Robert LaCroix provided brief background information related to this agenda item. He indicated that the plan for this property is future development. Seven notices were sent out in the area in accordance with the law. No notices were received back by staff.

Mayor Sweet opened the public hearing and called the applicant forth.

Mrs. Sheri Franza, President and CEO of the REDC (2610 Observation Trail), came forth and exchanged brief words with the council. She indicated that this property was deeded over to the REDC. She explained that a really nice commercial development is slated to go in at this location, and that business will bring about 200 new jobs. The company has agreed to hire about 85% of their engineers from Texas A&M, so they are really passionate about keeping things local. After Mrs. Franza spoke, and there being no one else in the audience wishing to come forth and speak, Mayor Sweet then closed the public hearing.

Councilmember Milder asked if this new building will have nice curb appeal along John King. Mrs. Franza showed some photos, indicating that the curb appeal will be very nice.

Mayor Pro Tem White made a motion to approve Z2014-005. Councilmember Lewis seconded the motion. The ordinance was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 14-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED SO AS TO FURTHER AMEND THE ZONING MAP TO ADOPT A CHANGE IN ZONING FROM AN AGRICULTURE (AG) DISTRICT TO A LIGHT INDUSTRIAL (LI) DISTRICT FOR A 2.006-ACRE TRACT OF LAND IDENTIFIED AS A PORTION OF TRACT 2-7 OF THE DAVID HARR SURVEY, ABSTRACT NO. 102, ROCKWALL, ROCKWALL COUNTY, TEXAS AND MORE SPECIFICALLY DESCRIBED IN EXHIBIT 'A' OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a vote of 6 ayes with 1 absent (Pruitt).

2. **Z2014-006** - Hold a public hearing to discuss and consider approval of an **ordinance** for a request by the Cabana's at Chandler's Landing Homeowner's Association on behalf of the residents of the Cabana's at Chandler's Landing to amend the density and dimensional requirements stipulated by Planned Development District 8 (PD-8) for a 1.131-acre portion of a parcel of land identified as the Cabanas at Chandler's Landing, zoned Planned Development District 8 (PD-8) for multi-family or condominium uses as established in Ordinance 73-48 & 84-04, generally located south of Yacht Club Drive and west of Harbor View Drive, and take any action necessary **(1st Reading)**.

Planning Director Robert LaCroix provided background information related to this agenda item. Notices were mailed out to thirty-eight adjacent property owners. Up until today, no notices had been received back; however, today, staff did receive one notice of opposition back. It seems, though, that the resident who submitted the opposition may have misunderstood, believing that the Cabana's was completely going away, which is not the case.

Mayor Sweet opened the public hearing and called the applicant forth.

Janet Gibson
President of the HOA
548 Yacht Club Drive

Mrs. Gibson introduced herself and indicated she did not have anything further to add.

Mayor Pro Tem White made a motion to approve Z2014-006. Councilmember Townsend seconded the motion. After some clarifying comments, the ordinance was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 14-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING PLANNED DEVELOPMENT DISTRICT 8 (PD-8) [*ORDINANCE NO. 73-48 & 84-04*] AND THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED SO AS TO FURTHER AMEND THE DENSITY AND DIMENSIONAL REQUIREMENTS STIPULATED BY PLANNED DEVELOPMENT DISTRICT 8 (PD-8) FOR A 1.131-ACRE PORTION OF A PARCEL OF LAND IDENTIFIED AS THE CABANAS AT CHANDLER'S LANDING, ROCKWALL, ROCKWALL COUNTY, TEXAS AND MORE SPECIFICALLY DESCRIBED IN EXHIBIT 'A' OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion then passed by a vote of 6 ayes with 1 absent (Pruitt).

XII. SITE PLANS / PLATS

1. **SP2014-003** - Discuss and consider a request by Kevin Patel of Triangle Engineering, LLC on behalf of Ketan Parekh of A. J. Squared, LLC for the approval of a variance in association with an approved site plan for a medical office building on a 1.463-acre parcel of land identified as Lot 2, Block A, Rockwall Assisted Living Facility Addition, zoned Planned Development District 18 (PD-18) for office and retail uses, situated within the Scenic Overlay (SOV) District, located on the west side of Ridge Road [FM-740] south of Cemetery Road, and take any action necessary.

Mr. LaCroix indicated that this is a medical office facility. Regarding the twenty-foot landscape buffer in front, the applicant would like to, in part, park within this area. The applicant wants to use an alternate type of material in lieu of stone, and they are willing to do an eight foot (rather than a 6 foot) fence. The Planning & Zoning Commission has recommended approval of the site plan as well the two variance requests. Councilmember Lewis asked some clarifying questions regarding the type of material that this really is and how it compares to concrete or pre-cast stone.

A representative of the applicant came forward, indicating he is filling in for Mr. Patel. He showed the council a rendering (drawing) of the proposed medical office building. He also shared some details about the proposed fencing material, explaining it basically has a lifetime guarantee, won't crumble and is graffiti proof as well.

Mayor Pro Tem White made a motion to approve SP2014-003. Councilmember Daniels seconded the motion, which passed by a vote of 6 ayes with 1 absent (Pruitt).

2. **SP2014-004** - Discuss and consider a request by Bill Thomas of Engineering Concepts and Designs on behalf of Tommy Pulliam of the Rayburn Electric Cooperation, Inc. for the approval of a variance in association with an approved site plan for an office building on a 6.057-acre tract of land identified as a portion of Tract 3-06 of the W. H. Barnes Survey, Abstract No. 26, Rockwall, Rockwall County, Texas, zoned Heavy Commercial (HC) District, located on the south side of Sids Road west of S. Goliad Street [SH-205], and take any action necessary.

Mr. LaCroix provided brief background information related to this agenda item, indicating the Planning & Zoning Commission has recommended approval of this site plan. Mayor Pro Tem White made a motion to approve SP2014-004. Councilmember Lewis seconded the motion, which passed by a vote of 6 ayes with 1 absent (Pruitt).

3. **P2014-005** - Discuss and consider a request by Kelcey Barnes for the approval of a final plat for a six (6) acre portion of a larger 36.61-acre tract of land identified as Tract 13-03 of the W. W. Ford Survey, Abstract No. 80, Rockwall County, Texas, being situated within the City of Rockwall's Extraterritorial Jurisdiction (ETJ), generally being a portion of a 20-acre tract of land identified as 636 Hanby Lane, and take any action necessary.

Mr. LaCroix provided brief background information related to this agenda item, indicating that this is located within the city's ETJ. The family wants to convey to another family member part of the land in order to build a house. The applicant will meet the technical standards as far as engineering standards are concerned, and all the fire-related requirements will be adhered to as well.

Mayor Pro Tem White made a motion to approve P2014-005. Councilmember Daniels seconded the motion, which passed by a vote of 6 ayes with 1 absent (Pruitt).

XIII. ACTION ITEMS

1. Discuss and consider recommendation of the Hotel / Motel tax subcommittee regarding funding requests from Rockwall Chamber of Commerce, Rockwall Rubber Duck Regatta and The Rockwall News for 2014 events, and take any action necessary.

Assistant City Manager Mary Smith provided background information related to this agenda item, offering details related to the organizations requesting funding and what the funds are proposed to be used for related to the organization's various events.

Mayor Pro Tem White indicated that the Rockwall News' application and associated funding request was denied for various reasons. For example, it is a brand new event that has no historical record of success. Also, it is proposed to be held on a Sunday

night for one hour from 8:00 to 9:00 p.m. Furthermore, the application listed that "dozens of people" may come into the city to attend the event, and this does not lead him to believe that it will put 'heads in beds' at local hotels, which is a requirement, by law. Hotel / motel tax fund dollars must be utilized to put individuals in overnight stays at local hotels.

Mr. JJ Smith of the Rockwall News indicated that this event, for which the funding is not being recommended for approval, is being held to show appreciation for the military and veterans. He indicated that $13,000 was requested, and he would like the council to consider, at a minimum, at least waiving the Harbor-related fees (about $2,000). He would also appreciate the council considering paying for the A/V fees, which will be about $1,000.

Councilmember Milder made a motion to at least waive the Harbor related fees ($1,920) for this event, indicating that he and his wife will stay at The Hilton that night, following the event, in order to meet the requirement of there being 'heads in beds.' Mayor Pro Tem White seconded the motion.

Mayor Pro Tem White suggested that Mr. Smith go and work out some package deals with local hotels, using a reservation code, in order to encourage 'heads in beds' for this Memorial Day concert event. Such reservation code will allow 'trackable' numbers of how many heads in beds occurred so that any funding request next year would be potentially justifiable.

The motion on the floor was withdrawn at the advice of City Attorney Frank Garza because it does not meet the Open Meetings Act, as it is not a properly posted item up for consideration on tonight's public meeting agenda (waiver of the Harbor related fees).

Mayor Sweet made a motion to approve each of the funding recommendations of the sub-committee. Mayor Pro Tem White seconded the motion, which passed by a vote of 6 ayes with 1 absent (Pruitt).

Mr. Smith was advised by council to consider re-approaching the council at a later date with a modified request. Mayor Pro Tem White encouraged Mr. Smith to do some pre-work, in consultation with local hotels, in order to make it a lot easier for the city council to say 'yes' to approving hotel / motel tax funding for this event should Mr. Smith come back to the council with a subsequent request for consideration.

2. Discuss and consider authorizing the City Manager to enter into a contract with Texas Air Center, LLC for Fixed Base Operator (FBO) Services at the Ralph M. Hall / Rockwall Municipal Airport and take any action necessary.

Mayor Pro Tem White made a motion to approve the City Manager entering into a contract with Texas Air Center, LLC for FBO services at the airport. Councilmember Daniels seconded the motion. After brief comments, the motion passed by a vote of 6 ayes with 1 absent (Pruitt).

The public meeting was adjourned at 7:47 p.m.

XIV. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding land lease/acquisition in the vicinity of the downtown area for municipal purposes pursuant to Section 551.072 (Real Property).
2. Discussion regarding proposed term extension of a Real Property Exchange Agreement with Harbor Heights Investors, L.P. / JBR2, LLC relating to real property located within the PD-32 area pursuant to Section 551.071 (consultation with attorney) and Section 551.087 (Economic Development negotiations).
3. Discussion regarding the following legal claim: TF-Harbor LLC v. City of Rockwall, Texas and Rockwall Rental Properties L.P. pursuant to Section 551.071 (Consultation with Attorney)
4. Discussion regarding claim filed by Ryan Frost pursuant to Section 551.071 (Consultation with Attorney)
5. Discussion regarding the city's Fixed Based Operator airport agreement pursuant to Section 551.071 (Consultation with Attorney)
6. Discussion regarding appointments to city regulatory boards, commissions, and committees including the North TX Municipal Water District Board pursuant to Section 551.074 (personnel matters)
7. Discussion regarding the appointment, evaluation and possible replacement for a member of a City Board pursuant to Section 551.071 (Consultation with Attorney) and Section 551.074 (Personnel Matters).

XV. RECONVENE PUBLIC MEETING & TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

The City Council did not reconvene into Executive Session following the close of the public meeting.

XVI. ADJOURNMENT

The public meeting was adjourned at 7:47 p.m.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 7th day of April, 2014.

MEMORANDUM

TO: **Mayor and City Council**

FROM: **Rick Crowley, City Manager**

DATE: **April 4, 2014**

SUBJECT: **Police Vehicle Acquisition**

During the 2014 budget discussions, the Council suggested the addition of a second Fire Department command vehicle that would be driven by the Fire Chief and available for emergency response. That vehicle was added and has been approved for acquisition through state contract or HGAC cooperative purchasing agreements. At the time we discussed the addition of that vehicle, I indicated to the Council that the addition of the command vehicle in the budget would indicate that I would need some time to evaluate the need to add a vehicle for use by the Chief of Police. I have completed the review of this matter and request approval of the acquisition of a standard Chevrolet Tahoe for use by the Chief of Police. The cost of the vehicle will be $28, 756 with an additional cooperative purchasing administrative cost of $400.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Mary Smith, Assistant City Manager**

DATE: **April 3, 2014**

SUBJECT: **Tax Resale Deed – Lot 7, Block A, Heritage Heights Addition**

Several years ago, the residence at 7106 O'Dell was set on fire and suffered significant damage. The property was uninhabitable and the family declined to rebuild. Due to family issues, they also declined to demolish the property. Ultimately, the City demolished the home and swimming pool and filed a lien against the property for $18,001.

The property taxes were unpaid for a period before the fire and after. The Rockwall Central Appraisal District followed procedures and the property was offered at Sheriff's sale in July 2012. The amount to clear the outstanding taxes and fees was $16,043. Potential buyers were made aware of the City's liens that would have to be paid to get clear title.

The property did not sell that day and was struck from the tax rolls. Generally when this happens, RISD as the entity with the most outstanding taxes is named as the trustee and signs off on a sale whenever it occurs. In this case, due to our demolition lien, the RCAD named the City as trustee.

In recent weeks, a buyer has come forward and has paid the property tax obligations as well as the demolition lien. The RCAD asks the Council to grant approval for the Mayor to execute the tax resale deed, a copy of which is attached for Council's review.

Notice of confidentiality rights: If you are a natural person, you may remove or strike any or all of the following information from any instrument that transfers an interest in real property before it is filed for record in the public records: your social security number or your driver's license number.

TAX RESALE DEED

STATE OF TEXAS X

X **KNOW ALL MEN BY THESE PRESENTS**

COUNTY OF ROCKWALL X

That **City of Rockwall, Trustee**, acting through the presiding officer of its governing body, hereunto duly authorized by resolution and order of said governing body which is duly recorded in its official Minutes, hereinafter called grantor, for and in consideration of the sum of $16,036.43 cash in hand paid by

Richard Wylie
948 Equestrian Drive
Rockwall, TX 75032

hereinafter called grantee(s), the receipt of which is acknowledged and confessed, has quitclaimed and by these presents does quitclaim unto said grantee(s) all of the right, title and interest of grantor and all other taxing units interested in the tax foreclosure judgment against the property herein described, acquired by tax foreclosure sale heretofore held under **Suit No. 3-10-151**, in the district court of said county, said property being located in Rockwall County, Texas, and described as follows:

Lot 7, Block 'A', Heritage Heights Addition, an addition to the City of Rockwall, Rockwall County, Texas, according to the map or plat thereof, recorded in Cabinet 'A', Slide 112, Plat Records of Rockwall County, Texas. (17035)

TO HAVE AND TO HOLD the said premises, together with all and singular the rights, privileges, and appurtenances thereto in any manner belonging unto the said grantee(s), their heirs and assigns forever, so that neither the grantor, nor any other taxing unit interested in said tax foreclosure judgment, nor any person claiming under it and them, shall at any time hereafter have, claim or demand any right or title to the aforesaid premises or appurtenances, or any part thereof.

Taxes for the present year are to be paid by grantee(s) herein.

This deed is given expressly subject to any existing right of redemption remaining in the former owner of the property under the provisions of law and also subject to any recorded restrictive covenants running with the land, and valid easements of record as of the date of this sale, if such covenants or easements were recorded prior to January 1 of the year the tax lien(s) arose.

BID

Property located in: City of Rockwall, Rockwall ISD and Rockwall County

I hereby submit my bid for the purchase of Suit No. **3-10-151 Rockwall ISD, Et Al vs Michelle Brake, Et Al** being more particularly described as **Lot 7, Block 'A', Heritage Heights Addition, an addition to the City of Rockwall, Rockwall County, Texas (acct 17035)** (Description) and have included a cashier's check or money order for the bid amount.

Bid Amount $ 16,036.43

General Conditions for Bids
Read Carefully

The land and/or improvements described above shall hereinafter be referred to as "the property".

The Deeds to these properties will contain an acknowledgment that the property is subject to the prior owners' right of redemption, if any, and that property is being purchased "as is" and "with all faults" and "The Taxing Entities" have no responsibility for the condition of the property and all sales are made without warranty, expressed or implied.

"The Taxing Entities" assume no responsibility as to the accuracy of any fact relating to the property for sale. The data reflected in the advertisement is for information only. All sales are "as is" to the successful Bidder on a **"Buyer Beware"** basis.

It is understood and agreed that my bid will be returned if my bid is not accepted. "The Taxing Entities" responsibility to return my bid to me shall extend only to depositing same in the U. S. mail on or before 30 days from the date my bid is rejected.

"The Taxing Entities" reserve the right to reject any and all Bids.

"The Taxing Entities" will not provide a title policy.

"The Taxing Entities" make no representations of any nature regarding the property, and this agreement represents the sole responsibility of the Entities regarding this property.

If my bid is accepted, "The Taxing Entities" accept no responsibility for any misrepresentations, failures of disclosure, errors or other negligent or wrongful acts occurring in the context of or pertaining to the closing of this transaction.

"The Taxing Entities", by advertising this property, makes no warranty concerning zoning or as to whether or not the property so advertised can be utilized for any purpose. It will, therefore, be the responsibility of the bidder to examine all applicable building codes and ordinances to determine that the property in question can be used for the purposes desired.

56

By entering into this agreement, I hereby waive any rights I may have either now or in the future, to undertake any legal action against "The Taxing Entities" for failure of the "The Taxing Entities" to properly advertise or notice the sale of the property or to properly conduct the sale of this property.

I certify that I have no outstanding tax judgments or tax delinquencies in Rockwall County.

X KNOW ALL MEN BY THESE PRESENTS

COUNTY OF ROCKWALL X

That, whereas, by virtue of an Order of Sale issued by the Clerk of the County Court at Law in and for Rockwall County, dated July 9, 2012 on a certain judgment rendered in said Court on 2nd day of May, 2012, in a certain suit **NUMBER 3-10-151, Rockwall Independent School District, Et Al vs. Michelle Brake, Et Al,** I, Sheriff Harold Eavenson, Sheriff of said County, did upon July 9, 2012, levy upon and advertise the said premises as described in said Order of Sale, by giving public notice of the time and place of said sale by an advertisement in the English language, published once a week for three (3) consecutive weeks preceding such sale, the first publication appearing not less than twenty (20) days immediately preceding the day of sale, beginning on Friday, July 13, 2012, in the ROCKWALL COUNTY NEWS, a newspaper published in the County of Rockwall, stating in said advertisement the authority by virtue of which such sale was to be made, the time of levy, the time and place of sale, a brief description of the property to be sold, the number of acres, the original survey, its locality in the County, and the name by which the land is generally known, and by delivering a similar notice to each of the named Defendants, and on the first Tuesday in August, 2012, beginning at 10:00 AM sold said hereinafter described land or lots at public venue, at the Front Steps of the Courthouse of said County, at which sale the premises hereinafter described were struck off to:

CITY OF ROCKWALL, TRUSTEE
841 JUSTIN RD
ROCKWALL, TX 75087

for the use and benefit of itself and ROCKWALL INDEPENDENT SCHOOL DISTRICT and ROCKWALL COUNTY, there being no bid, other than the bid on behalf of the trustee taxing unit, for as much as the adjudged value of the said property or the amount of the taxes, interest, penalties and costs.

NOW, THEREFORE, I, Sheriff Harold Eavenson, Sheriff aforesaid, by virtue of the authority vested in me by law have Granted, Sold, and Conveyed, and by these presents do Grant, Sell, and Convey unto the said City of Rockwall, in trust, for the use and benefit of itself and ROCKWALL INDEPENDENT SCHOOL DISTRICT and ROCKWALL COUNTY and their assigns all of the estate, right, title and interest which the Defendants in such suit had on the date said judgment was rendered or at any time afterwards, in and to the following described land and premises, as described in the Order of Sale, viz:

PROPERTY DESCRIPTION

Lot 7, Block 'A', Heritage Heights Addition, an addition to the City of Rockwall, Rockwall County, Texas, according to the map or plat thereof, recorded in Cabinet 'A', Slide 112, Plat Records of Rockwall County, Texas. (17035)

TO HAVE AND TO HOLD the above described premises unto the said City of Rockwall, as trustee, its successors and assigns forever, as fully and absolute as I, as Sheriff aforesaid, can convey by virtue of said Order of Sale;

Subject, however to the owner's right to redeem the same in the manner and within the time prescribed by Section 34.21 of the Property Tax Code of the State of Texas.

This conveyance is made expressly subject to recorded restrictive covenants running with the land, and valid easements of record as of the date of this sale, if such covenants or easements were recorded prior to January 1 of the year the tax lien(s) arose.

IN TESTIMONY WHEREOF, I have hereunto set my hand this the 7 day of August, 2012.

#507

Deputy Sheriff
Rockwall County, Texas

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Timothy M. Tumulty, Director of Public Works/City Engineer**

DATE: **April 2, 2014**

SUBJECT: **Construction Contract Award – Lake Rockwall Estates Water Connections**

Background:
The Lake Rockwall Estates Water Connections project is designed to provide additional connections between Lake Rockwall Estates and the City of Rockwall water distribution system. The project includes 560 linear feet of 8-inch waterline, 370 linear feet of 12-inch waterline and 4 fire hydrants. The design was completed by Binkley & Barfield.

The City received and opened bids on March 27, 2014 and are as follows:

1. Four Star Excavating $186,658.50
2. Saber Development $192,460.00
3. Atkins Construction $246,980.00
4. Jim Bowman Construction $258,245.00

The experience and references provided with the low bid demonstrate Four Star Excavating has the resources to suitably complete this water project.

Financial Implications:
Funding for this project is available from 2008 water and sewer revenue bonds.

Action Desired/Recommendation:
Staff requests City Council consideration to approve the award of the Lake Rockwall Estates Water Connections project construction contract to Four Star Excavating, in the amount of $186,658.50 and funded by 2008 water and sewer revenue bonds.

RE: Lake Rockwall Estates Water line Connections
CIP 2013-013

Dear Ms. Moreno:

On March 27, 2014 the City of Rockwall received four (4) bids for the above mentioned project. Based on my review of the Bidder's qualification information, the tabulated low bid of $186,658.50 and phone interviews I have conducted with other municipalities of other similar projects constructed by the contractor, it is my recommendation that the City of Rockwall award the contract to Four Star Excavating.

In checking project references, I communicated with three different references listed in their bidder qualification information, including City of Frisco, City of McKinney and City of Lewisville. Each contact provided good recommendations and stated the contractor is very cooperative, the contractor responds to issues and that they would have no hesitations using the contractor again.

It should be noted that the contractor's financial statements for review were not available from their accountant yet and were not considered as part of this recommendation.

If you have any questions or concerns, please call me at 972-644-2800.

Sincerely,

Binkley & Barfield – C&P, Inc.

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Timothy M. Tumulty, Director of Public Works/City Engineer**

DATE: **April 2, 2014**

SUBJECT: **Construction Contract Award – Central Water & Sewer Improvements**

Background:
The Central Water and Sewer Improvements project consists of approximately 5,640 linear feet of 8-inch waterline on Lake Meadows Drive and Forest Trace Road and 10 rehabilitated manholes on North Goliad Street. The project also includes 140 cubic yards of retaining wall for slope stabilization due to potential wash out of an existing sewer line in the creek behind the Rockwall Memorial Cemetery. The design was completed by Teague Nall & Perkins.

The City received and opened bids on March 20, 2014 and are as follows, including the alternate retaining wall:

1.	Barson Utilities	$786,973.00
2.	Muniz Construction	$861,675.00
3.	Camino Construction	$970,337.30
4.	Jim Bowman Construction	$971,441.00
5.	Utilitex Construction	$1,045,560.75

The experience and references provided with the low bid demonstrate Barson Utilities has a record of satisfactorily completing similar projects.

Financial Implications:
Funding for this project is available in 2008 water and sewer revenue bonds.

Action Desired/Recommendation:
Staff requests City Council consideration to approve the award of the Central Water and Sewer Improvements project construction contract to Barson Utilities, in the amount of $786,973.00.

RE: CENTRAL WATER AND SEWER IMPROVEMENTS
Contract Recommendation
TNP Job No: RWL13076

Dear Mrs. Moreno,

On Thursday, March 20th, 2014, at 3:00 p.m., bids were received at the City of Rockwall for the Central Water and Sewer Improvements project. Please note the attached Bid Tabulation Report.

The low bidder was Barson Utilities, Inc. with a base bid of $719,598.00. As you are aware, this project included alternatives for the proposed Lake Meadows Channel Improvements.

- This alterative included this use of a block or Redi-Rock retaining wall. The bid for this alternate was $67,375.00, resulting in a bid total of $786,973.00.

After our recent meeting with you, representatives from Barons Utilites, and other staff members it is our understanding that the City of Rockwall would like to proceed with the Redi Rock retaining wall for the Lake Meadows Channel Improvements.

After viewing the bid and references we recommend that the City of Rockwall award a contract in the amount of $786,973.00 to Barson Utilities, Inc.

Thank you for the opportunity to work with the City of Rockwall on this project and please do not hesitate to call if you need any additional information.

Sincerely,

TEAGUE NALL AND PERKINS INC.

Chris Schmitt, P.E.

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Timothy M. Tumulty, Director of Public Works/City Engineer**

DATE: **April 2, 2014**

SUBJECT: **Construction Contract Award – Miscellaneous Water System Improvements**

Background:
The Miscellaneous Water System Improvements project consists of approximately 4,568 linear feet of 8-inch waterline, 10 fire hydrants, and associated services in various locations – Lakeview Drive, Cullins Road, Damascus Road, and I-30 service road, east of Ridge Road. The design was completed by Kimley-Horn and Associates,Inc.

The City received and opened bids on March 27, 2014 and are as follows:

1.	Four Star Excavating	$429,936.30
2.	War Horse Enterprises	$465,625.31
3.	Utilitex Construction	$494,571.50
4.	Saber Development	$499,431.50
5.	Canary Construction	$549,037.00
6.	Jim Bowman Construction	$593,360.00

The experience and references provided with the low bid demonstrate Four Star Excavating has the resources to suitably complete this water rehabilitation project.

Financial Implications:
Funding for this project is available in 2008 water and sewer revenue bonds.

Action Desired/Recommendation:
Staff requests City Council consideration to approve the award of the Miscellaneous Water System Improvements project construction contract to Four Star Excavating, in the amount of $429,936.30.

Re: Water Distribution System Improvements
KHA No. 064420904

Dear Ms. Moreno:

On Thursday, March 27, 2014, the City of Rockwall received bids for the construction of the Water Distribution System Improvements project. The project consists of the construction of approximately 4,568 linear feet of 8-inch water line.

Four Star Excavating of Dallas, Texas submitted the low bid in the amount of $429,936.30. We have reviewed the experience and references provided with their bid and it is our opinion Four Star Excavating has the resources to properly pursue a project of this type. Accordingly, we recommend the City of Rockwall award Four Star Excavating a contract in the amount to $429,936.30 for the Water Distribution System Improvements project.

We are enclosing the bid summary, itemized bid tabulation and bid packages for your use. We are available to discuss this project further at your convenience.

Best Regards,

KIMLEY-HORN AND ASSOCIATES, INC.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 4/07/2014

APPLICANT: Cameron Slown

AGENDA ITEM: **P2014-009**; Alliance Addition Phase II

Discuss and consider a request by Cameron Slown of FC Cuny Corporation on behalf of Brian Berry of Horizon GSL 1, LLC for the approval of a replat of Lots 2-7, Block 1, Alliance Addition, Phase 2, creating three (3) non-residential lots identified as Lots 12, 13 & 14, Block 1, Alliance Addition, Phase 2, being 2.768-acres of land situated in the W. W. Ford Survey, Abstract No. 80, Rockwall, Rockwall County, Texas, zoned Planned Development District 57 (PD-57), located southeast of the intersection of H. Wallace Lane and Jeff Boyd Drive, and take any action necessary.

BACKGROUND INFORMATION:

* The purpose of the replat is to combine six (6) lots into three (3) separate lots for future development and to dedicate firelane, access, utility, drainage, and sidewalk easements for the site. The three (3) lots combine for a total of 2.768-acres and are zoned (PD-57) Planned Development No. 57 with an underlying zoning of (C) Commercial District. The newly created lots will be identified as Lots 12, 13, and 14, Block 1 of the Alliance Addition, Ph 2.

* An SUP (Ord. 13-47) to allow for an Assisted Living Facility and a Site Plan (SP2013-028) for a 7,727-sf single story structure with 16 beds was approved in December 2013 for the proposed Lot 12.

* This plat is recommended for conditional approval pending the completion of final technical modifications and submittal requirements required prior to the recordation with the County.

* Conditional approval of this plat by the City Council shall constitute approval subject to the conditions stipulated in the Recommendation section below.

With the exception of the items listed in the Recommendation section of this case memo, this plat is in substantial compliance with the requirements of the Subdivision Ordinance in the Municipal Code of Ordinances.

RECOMMENDATIONS:

Should the request be approved, Staff would offer the following conditions:

1. All the technical comments from the Engineering, Planning and Fire Departments shall be addressed prior to the filing of this plat; and

2. Any construction resulting from the approval of this replat shall conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING RECOMMENDATION:

On March 25, 2014, the Planning and Zoning Commission recommended approval of the request with staff conditions by a vote of 4 to 0 (Conley, Minth, and Neilsen - absent).

BASIS OF BEARINGS FOR THIS SURVEY IS THE FINAL PLAT OF ALLIANCE ADDITION PHASE 2, RECORDED IN CABINET C, SLIDE 301, P.R.R.C.T.

THE REASON FOR THIS REPLAT IS TO CHANGE THE CONFIGURATION OF LOTS 2, 3, 4, 5, 6, & 7 BLOCK 1 ALLIANCE ADDITION PHASE 2 AMENDED RECORDED IN CABINET C, SLIDE 301, P.R.R.C.T.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

STATE OF TEXAS}
COUNTY OF ROCKWALL}

We, Rockwall Rental Properties, the owners of the land shown on this plat, and designated herein as Lots 2, 3, 4, 5, 6, and 7 Block 1 – Alliance Addition Phase 2 subdivision to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, water courses, drains, easements and public places thereon shown on the purpose and consideration therein expressed. We further certify that all other parties who have a mortgage or lien interest in Lots 2, 3, 4, 5, 6, and 7 Block 1 – Alliance Addition Phase 2 have been notified and signed this plat.

We understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same. We also understand the following;

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.
2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of their respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maintaining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.
3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.
4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.
5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.
6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, storm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer and/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as progress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

We further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the Subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; we, our successors and assigns hereby waive any claim, damage, or cause of action that we may have as a result of the dedication of exactions made herein.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 04/07/2014

APPLICANT: Barney Barnhill

AGENDA ITEM: **P2014-010**; *Lots 1 & 2, Block A, Goliad Dental Addition*

SUMMARY:

Discuss and consider a request by Barney M. Barnhill for the approval of a replat of Lots 1 & 2, Block E, Sanger Brothers Addition, creating two (2) non-residential lots identified as Lots 1 & 2, Block A, Goliad Dental Addition, being 0.56-acres of land situated in the B. F. Boydstun Survey, Abstract No. 14, Rockwall, Rockwall County, Texas, zoned General Retail (GR) District, located at the southeast corner of the intersection of E. Boydstun Avenue and S. Goliad Street (SH-205), and take any action necessary.

COMMENTS:

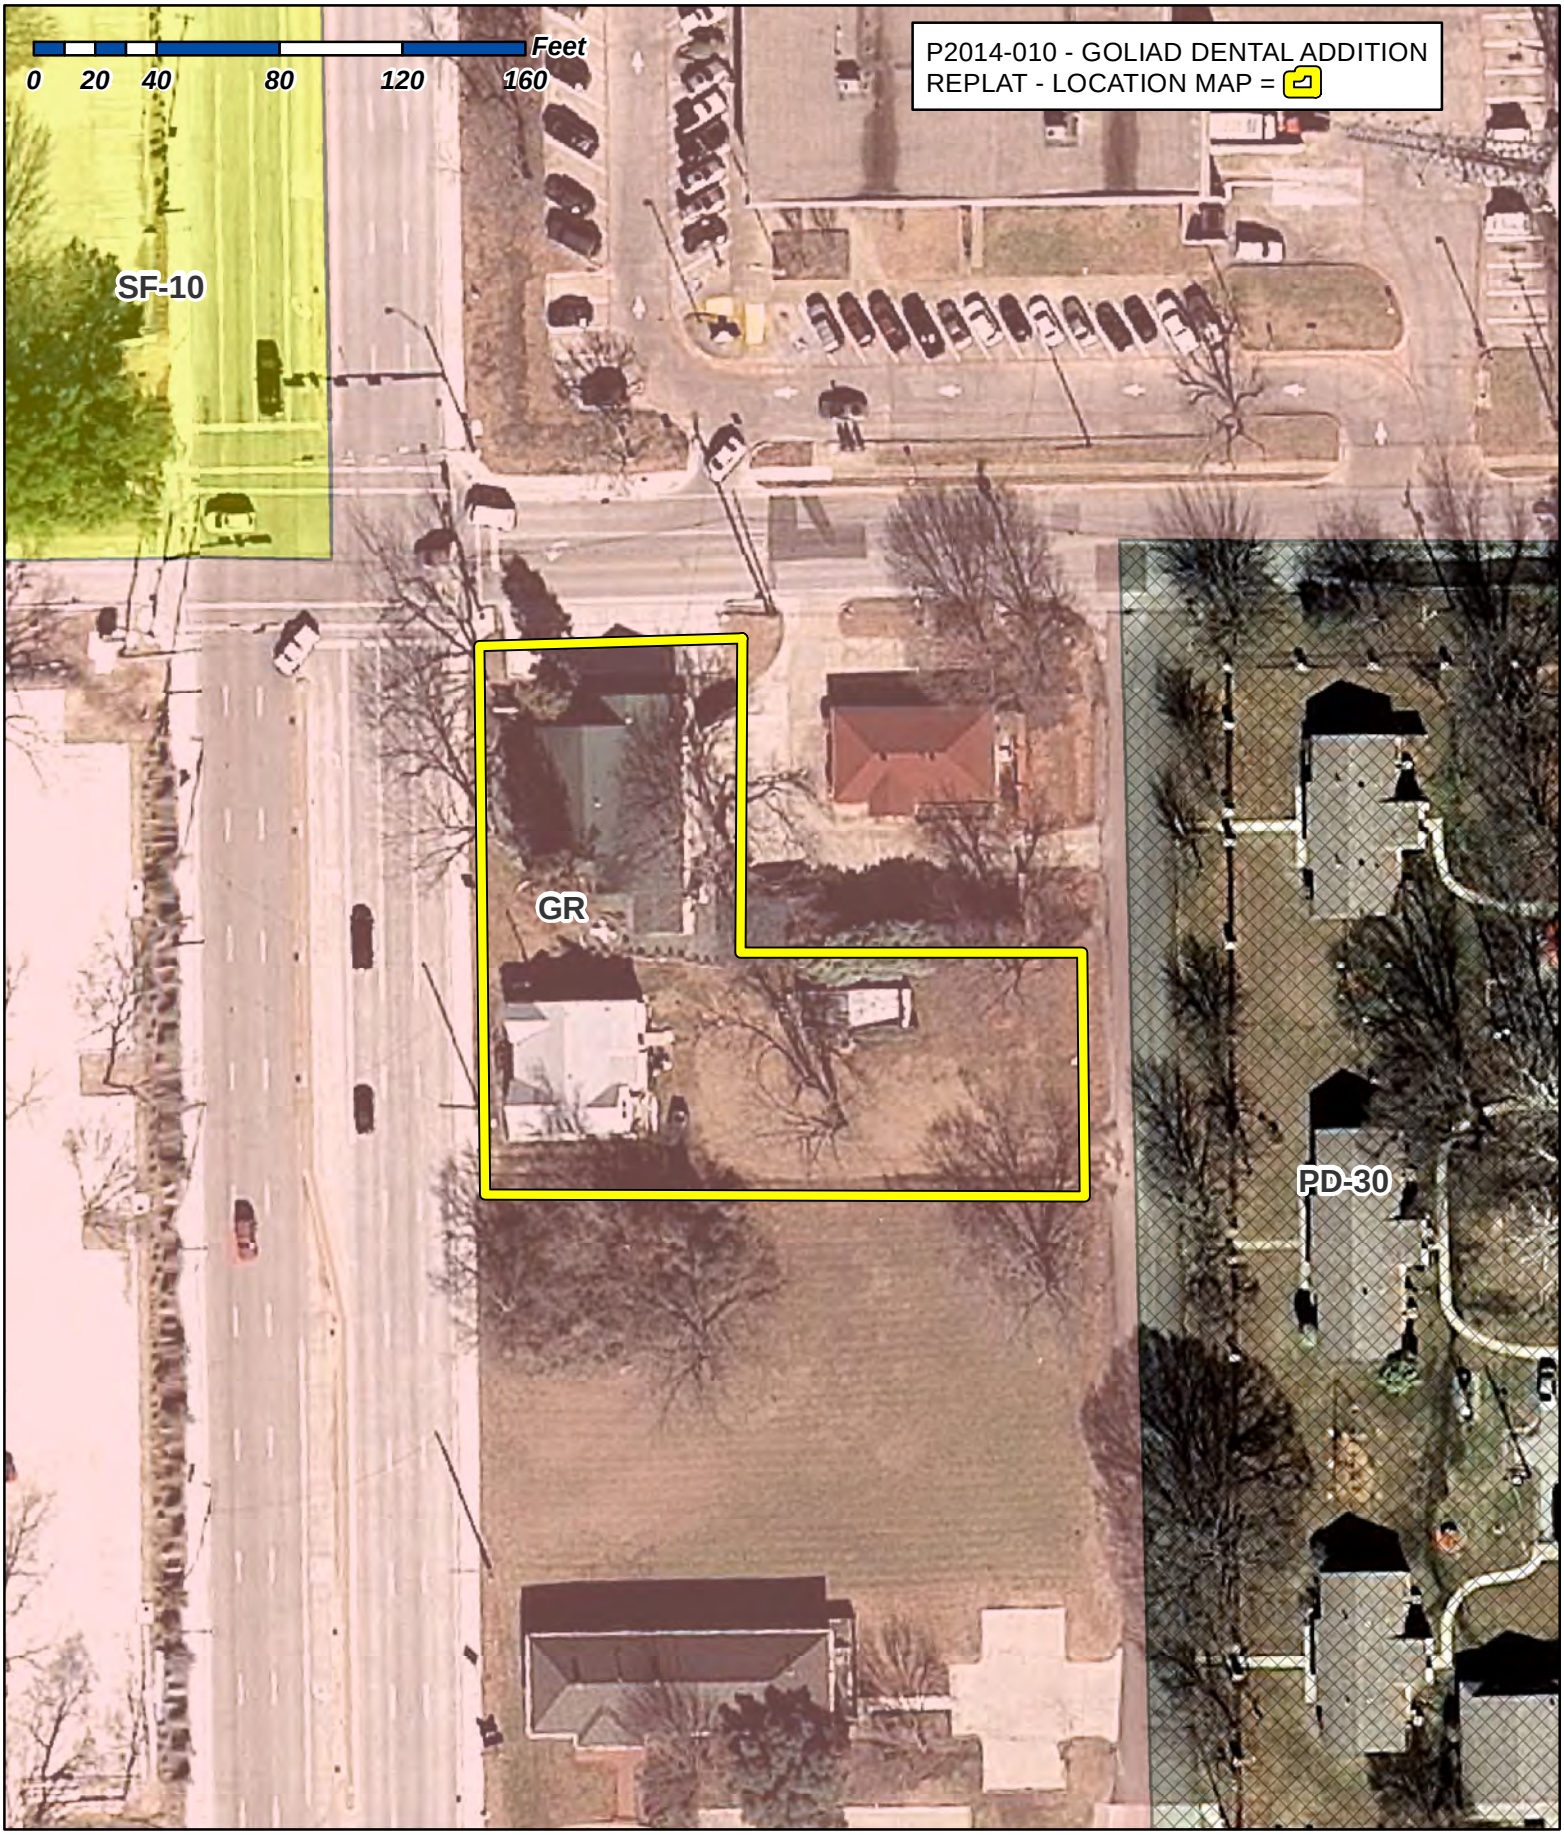
- ✓ The objective of this request is to replat a portion of two (2) existing non-residential lots on 0.56-acres into two (2) non-residential lots [*Lot 1: 10,276 SF; Lot 2: 14,142 SF*] and to provide a cross access easement on Lot 2 extending from S. Goliad Street (SH-205) to Throckmorton Street.

- ✓ The Surveyor has completed the majority of the technical revisions requested by staff, and this plat, conforming to the requirements for replats as stated in the Subdivision Ordinance in the Municipal Code of Ordinances, is recommended for conditional approval pending the completion of final technical modifications and submittal requirements.

- ✓ Conditional approval of this plat by the City Council shall constitute approval subject to the conditions stipulated in the *Recommendation* section below.

With the exception of the items listed in the *Recommendation* section of this case memo, this plat is in substantial compliance with the requirements of the *Subdivision Ordinance* in the Municipal Code of Ordinances.

RECOMMENDATIONS:



Staff recommends approval of the replat for *Lots 1 & 2, Block A, Goliad Dental Addition* in conformance with the following conditions of approval:

1) All technical comments from the Engineering, Planning and Fire Departments shall be addressed prior to the filing of this plat;

2) Any construction resulting from the approval of this *replat* shall conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION

On March 25, 2014, the Planning and Zoning Commission recommended approval of the replat by a vote of 4-0, with Commissioners Nielsen, Conley and Minth absent.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

STATE OF TEXAS
COUNTY OF ROCKWALL

I the undersigned owner of the land shown on this plat, and designated herein as GOLIAD DENTAL ADDITION, an Addition to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, water courses, easements and public places thereon shown on the purpose and consideration therein expressed. I further certify that all other parties who have a mortgage or lien interest in the subdivision have been notified and signed this plat.

I understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same.

We also understand the following;

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of th eir respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maint aining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, sto rm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or

Until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer an d/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as p rogress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or

Until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

I further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; I, my successors and assigns hereby waive any claim, damage, or cause of action that we may have as a result of the dedication of exaction's made herein.

CITY OF ROCKWALL, TEXAS

ORDINANCE NO. 14-13

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS DECLARING UNOPPOSED CANDIDATES FOR THE OFFICES OF CITY COUNCILMEMBER PLACE 2, CITY COUNCILMEMBER PLACE 4, AND CITY COUNCILMEMBER PLACE 6 AS ELECTED; PROVIDING THAT THE MAY 10, 2014, GENERAL MUNICIPAL ELECTION SHALL NOT BE HELD; REPEALING ALL ORDINANCES OR PARTS OF ORDINANCES IN CONFLICT THEREWITH; PROVIDING A SAVINGS CLAUSE; PROVIDING A SEVERABILITY CLAUSE; FINDING AND DETERMINDING THAT THE MEETING AT WHICH THIS ORDINANCE WAS PASSED WAS OPEN TO THE PUBLIC AS REQUIRED BY LAW; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City Council of the City of Rockwall, Texas, adopted Resolution No. 14-03 on February 3, 2014, attached hereto as Exhibit 'A', ordering a general election to be held on May 10, 2014, for the purpose of electing three officials of the City, to wit: City Councilmember Place 2, City Councilmember Place 4, and City Councilmember Place 6; and

WHEREAS, pursuant to Sections 143.007 and 146.054, Texas Election Code, the deadline for filing applications for a place on the ballot and declaration of write-in candidacy for the City's general election have expired; and

WHEREAS, the City Secretary, in accordance with Section 2.052, Texas Election code, has certified in writing, attached hereto as Exhibit 'B', to the city council that Jim Pruitt is unopposed for election to the office of Councilmember Place 2, Jim Pruitt is unopposed for election to the office of Councilmember Place 2, Dennis Lewis is unopposed for election to the office of Councilmember Place 4, and Mike Townsend is unopposed for election to the office of Councilmember Place 6; and

WHEREAS, the City Council herby finds and determines that the candidates whose names are to appear on the ballot in said election are unopposed, there are no declared write-in candidates, and no propositions to appear on the ballot for said election;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THAT:

Section 1. The facts and matters set forth in the preamble of this Ordinance are hereby found to be true and correct.

Section 2. In accordance with Section 2.053(a), Texas Election Code, the following unopposed candidates are hereby declared duly elected to the respective offices for a term of two years, and shall be issued a certificate of election following the date on which the general election for Councilmembers was to have been held:

Jim Pruitt, Place 2
Dennis Lewis, Place 4
Mike Townsend, Place 6

Section 3. Pursuant to Section 2.053(b), Texas Election code, the regular municipal election for Councilmember Place 2, Councilmember Place 4, and Councilmember Place 6 called and ordered by Resolution No. 14-03, for May 10, 2014, shall not be held and is hereby canceled.

Section 4. The City Secretary is hereby directed to cause a copy of this Ordinance to be posted on Election Day, same being May 10, 2014, at all posting places that would have been used in such election.

Section 5. Term of office for the unopposed Councilmembers shall commence on May 19, 2014 after the Oath of office has been administered and executed.

Section 6. All ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed to the extent of such conflict.

Section 7. The Code of the City of Rockwall, Texas, as amended, shall remain in full force and effect, save and except as amended by this ordinance.

Section 8. Should any section, paragraph, sentence, clause, phrase or word of this ordinance be declared unconstitutional or invalid for any purpose by a court of competent jurisdiction, the remainder of this ordinance shall not be affected thereby, and to this end the provisions of this ordinance are declared to be severable.

Section 9. It is hereby found and determined that the meeting at which this ordinance was passed was open to the public as required by Section 551.001 et seq., Texas Government Code, and that advance public notice of the time, place and purpose of said meeting was given.

Section 10. This Ordinance shall take effect immediately upon its second reading as required by the City Charter, Section 3.11.

PRESENTED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS THIS 7th DAY OF APRIL, 2014.

"Exhibit A"

CITY OF ROCKWALL, TEXAS

RESOLUTION NO. 14-03

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, CALLING A GENERAL ELECTION TO BE HELD JOINTLY WITH THE ROCKWALL INDEPENDENT SCHOOL DISTRICT AND ADMINISTERED BY THE ROCKWALL COUNTY ELECTIONS ADMINISTRATOR ON SATURDAY, MAY 10, 2014 FOR THE PURPOSE OF ELECTING THREE (3) COUNCIL MEMBERS, ONE (1) FOR PLACE 2, ONE (1) FOR PLACE 4, AND ONE (1) FOR PLACE 6, EACH FOR TWO (2) YEAR TERMS; DESIGNATING THE ENTIRE CITY AS ONE ELECTION PRECINCT; DESIGNATING THE POLLING PLACE; DESIGNATING FILING DEADLINES: ORDERING NOTICES OF ELECTION TO BE POSTED AND PUBLISHED AS PRESCRIBED BY LAW IN CONNECTION WITH SAID ELECTION; PROVIDNG A SEVERABILITY CLAUSE; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, Section 41.001 of the Texas Election Code, as amended (the "Code") specifies that the second Saturday in May shall be a "uniform election date" and that a general election of a city may be held on such day; and

WHEREAS, the City Council of the City of Rockwall, Texas (hereinafter referred to as the "City"), in accordance with its City Charter, Section 5.01, has determined that the City shall conduct general municipal elections on the second Saturday in May 2014; and

WHEREAS, by this Resolution, it is the intention of the City Council to: (i) call for said election to be held on said date, (ii) designate the entire City as one election precinct, (iii) designate Utley Middle School as the polling place for the election and (iv) establish and set forth procedures for conducting said election.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. Incorporation of Premises. That all of the above premises are found to be true and correct and are incorporated into the body of this Resolution as if copied in their entirety.

Section 2. Election Date, Purpose of Election, Officers and Terms of Office. That a general election is hereby ordered to be held jointly with the Rockwall Independent School District in and throughout the City on Saturday, May 10, 2014, for the purpose of electing three (3) Council Members, one (1) for Place 2, one (1) for Place 4, and one (1) for Place 6, each for two (2) year terms.

Section 3. Eligibility for Candidacy. That in accordance with Section 22.032 of the Texas Local Government Code and Section 5.02 of the City Charter of the City of Rockwall, no person shall be eligible for the office of Council Member, unless he/she is a registered voter who

shall have resided within the corporate limits of the City, or recently annexed territory, for at least twelve (12) months prior to the filing deadline, shall be twenty-one years old and not be in arrears in payment of taxes or other liabilities due the City. In accordance with Section 5.04 of the City Charter, a plurality vote is required to be elected and declared the winner.

Section 4. Application for a Place on the Ballot. That in accordance with Section 143.007 of the Code, any eligible and qualified person may have his/her name printed upon the official ballot as a candidate for the offices herein before set forth by filing his/her sworn application with the City Secretary not earlier than 8:00 a.m., January 29, 2014 and not later than 5:00 p.m., February 28, 2014. Each such application shall be on a form as prescribed by Section 141.031 of the Code. The order in which the names of the candidates are to be printed on the ballot shall be determined by a drawing by the City Secretary as provided by Section 52.094 of the Code. Notice of the time and place for such drawing shall be given in accordance with the Code.

Section 5. Election Precinct, Polling Place, and Election Hours. That the entire City of Rockwall, Texas shall constitute one (1) election precinct for the election, and the polling place is hereby designated to be located at Utley Middle School, 1201 T.L. Townsend, Rockwall, Texas 75087. In accordance with and pursuant to the requirements of the Code, said polling place shall be open from 7:00 a.m. until 7:00 p.m. on the date of the election.

Section 6. Early Voting. That early voting by personal appearance shall be conducted at the Rockwall County Elections Office, 107 E. Kaufman, Rockwall, Texas 75087 on the following dates at the specified times with the exception of Saturday, Sunday and State holidays:

Monday, April 28 through Saturday, May 3, 2014 - 8:00 a.m. until 5:00 p.m.
Monday, May 5 and Tuesday, May 6, 2014 - 7:00 a.m. until 7:00 p.m.

Applications for ballot by mail shall be requested from and mailed to the Rockwall County Election Administrator, Attn: Glenda Denton, 107 E. Kaufman, Rockwall, TX 75087. Applications for ballots by mail must be received no later than the close of business on Thursday, May 1, 2014.

Section 7. Method of Voting. That Direct Record Electronic (DRE) voting machines and Optical Scan ballots shall be used for early voting by personal appearance and for Election Day voting. Optical scan ballots shall be used for early voting by mail. The City Secretary, acting as chief elections officer, shall provide at least one (1) E. S. & S. Ivotronic "ADA" approved voting machine at the polling place as required by Section 61.012, of the Texas Election Code.

Section 8. Governing Law and Qualified Voters. That the election shall be held in accordance with the constitution of the State of Texas and the Code, and all resident, qualified electors of the city, shall be eligible to vote at the election.

Section 9. Publication and Posting of the Notice. That notice of the election in English and Spanish shall be given by posting a notice of election on the City Hall bulletin board used for posting notices of the meetings of the City Council not less than twenty-one (21) days prior to the date upon which the election is to be held, and by publication of said notice at least once in a newspaper of general circulation within the city, the date of said publication to be not less than ten (10) days and not more than thirty (30) days prior to the date set for the election.

Section 10. That the Rockwall Elections Administrator shall serve as the Administrator of the election. The Elections Administrator shall appoint a sufficient number of judges and clerks in accordance with Chapter 32 Texas Elections Code to assist in the proper conduct of the election.

Section 11. Delivery of Returns: Preservation of Election Records. That in accordance with the Code and the City's contract with the Rockwall County Elections Administrator, immediately after the closing of the poll on the day of the election, the election officers shall make and deliver the returns of the election in triplicate as follows: one copy shall be retained by the Presiding Election Judge and by the Presiding Election Judge of the Early Ballot Board, one copy shall be delivered to the Mayor of the City, and one copy of the returns, together with the ballot boxes and all election supplies, shall be delivered to the Rockwall County Elections Administrator. All election records and supplies shall be preserved in accordance with the Code.

Section 12. Representatives. That the following slate of officials and other designated persons are hereby authorized to be present to observe the election counting process:

a. The Mayor and members of the City Council of the City of Rockwall;
b. Candidates for Mayor and City Council of the City of Rockwall;
c. The Rockwall City Secretary or her designated representative.

Section 13. Canvassing of Returns. That the City Council of the City shall convene between May 13, 2014 to May 21, 2014 to canvass the returns of the election in accordance with the Texas Election Code.

Section 14. Necessary Action. That the Mayor and the City Secretary of the City, in consultation with the City Attorney, are hereby authorized and directed to take any and all actions necessary to comply with the provisions of the Code in carrying out and conducting the election, whether or not expressly authorized herein.

Section 15. Severability. That should any part, section, subsection, paragraph, sentence, clause or phrase contained in this resolution be held to be unconstitutional or of no force and effect, such holding shall not affect the validity of the remaining portion of this resolution, but in all respects said remaining portion shall be and remain in full force and effect.

Section 16. Effective Date. That this Resolution shall be in force and effect from and after its passage and it is accordingly so resolved.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 3rd day of February, 2014.

Certification
of
City Secretary

I, Kristy Ashberry, hereby certify that I am the City Secretary of the City of Rockwall, Texas and the authority responsible for having the official ballot prepared for the general election of May 10, 2014. I further herby certify, pursuant to Section 2.052, Texas Election Code, that the candidates are unopposed for election to the offices to be on the ballot in the May 10, 2014, regular general municipal election, as follows:

Jim Pruitt is *unopposed* for election to the office of Councilmember, Place 2.

Dennis Lewis is *unopposed* for election to the office of Councilmember, Place 4.

Mike Townsend is *unopposed* for election to the office of Councilmember, Place 6.

I further certify that no candidate names are to be placed on lists of write-in candidates for the positions of City Councilmember Place 2, City Councilmember Place 4, or City Councilmember Place 6 to appear on the ballot in the May 10, 2014, general election, and that there are no propositions to appear on the ballot in said election.

TO CERTIFY WHICH, I WITNESS MY HAND AND SEAL OF THE CITY OF ROCKWALL, TEXAS, THIS 7th DAY OF March, 2014.

CITY OF ROCKWALL

ORDINANCE NO. 14-14

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED SO AS TO FURTHER AMEND THE ZONING MAP TO ADOPT A CHANGE IN ZONING FROM AN AGRICULTURE (AG) DISTRICT TO A LIGHT INDUSTRIAL (LI) DISTRICT FOR A 2.006-ACRE TRACT OF LAND IDENTIFIED AS A PORTION OF TRACT 2-7 OF THE DAVID HARR SURVEY, ABSTRACT NO. 102, ROCKWALL, ROCKWALL COUNTY, TEXAS AND MORE SPECIFICALLY DESCRIBED IN EXHIBIT 'A' OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City has received a request from Ron Ramirez of Wier & Associates, Inc. on behalf of Ken Keeton of the Rockwall Economic Development Corporation (REDC) for the approval of an amendment to the Unified Development Code [Ordinance No. 04-38] of the City of Rockwall to adopt a change in zoning from an Agriculture (AG) District to a Light Industrial (LI) District for a 2.006-acre tract of land situated identified as a portion of Tract 2-7 of the David Harr Survey, Abstract No. 102, Rockwall, Rockwall County, Texas, and more specifically described in *Exhibit 'A'* of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area, and in the vicinity thereof, and the governing body in the exercise of its legislative discretion, has concluded that the Unified Development Code [*Ordinance No. 04-38*] should be amended as follows:

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

Section 1. That the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, Texas, as heretofore amended, be and the same are hereby amended by amending the zoning map of the City of Rockwall so as to change the zoning of the *Subject Property* from an Agriculture (AG) District to a Light Industrial (LI) District; and

Section 2. That the *Subject Property* shall be used only in the manner and for the purposes provided for a Light Industrial (LI) District in *Section 1.1, "Use of Land and Buildings,"* of *Article IV, "Permissible Uses"* and *Section 5.3, "Light Industrial (LI) District",* of *Article V, "District Development Standards",* of the *Unified Development Code* of the City of Rockwall as heretofore amended, as amended herein by granting of this zoning change, and as maybe amended in the future;

Section 3. That the official zoning map of the City be corrected to reflect the changes in the

zoning described herein.

Section 4. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of two thousand dollars ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 5. If any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code of the City of Rockwall, Texas, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable.

Section 6. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be and the same are hereby repealed, and all other ordinances of the City of Rockwall not in conflict with the provisions of this ordinance shall remain in full force and effect.

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, ON THIS THE 7TH DAY OF APRIL, 2014.

ORDINANCE NO. 14-15

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING PLANNED DEVELOPMENT DISTRICT 8 (PD-8) [*ORDINANCE NO. 73-48 & 84-04*] AND THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED SO AS TO FURTHER AMEND THE DENSITY AND DIMENSIONAL REQUIREMENTS STIPULATED BY PLANNED DEVELOPMENT DISTRICT 8 (PD-8) FOR A 1.131-ACRE PORTION OF A PARCEL OF LAND IDENTIFIED AS THE CABANAS AT CHANDLER'S LANDING, ROCKWALL, ROCKWALL COUNTY, TEXAS AND MORE SPECIFICALLY DESCRIBED IN EXHIBIT 'A' OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City has received a request by the Cabana's at Chandler's Landing Homeowner's Association on behalf of the residents of the Cabana's at Chandler's Landing, for an amendment to the density and development standards contained within Planned Development District 8 (PD-8) [specifically contained within *Ordinance No. 73-48 & 84-04*] and the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall to allow for a lot layout similar to the lot layout depicted in *Exhibit 'B'* of this ordinance, which herein after shall be referred to as the *Zoning Exhibit* and incorporated by reference herein, for a 1.131-acre portion of a parcel of land identified as the Cabanas at Chandler's Landing, Rockwall, Rockwall County, Texas and more fully described in *Exhibit 'A'* of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area, and in the vicinity thereof, and the governing body in the exercise of its legislative discretion, has concluded that Planned Development District 8 [*Ordinance No. 73-48 & 84-04*] and the Unified Development Code [*Ordinance No. 04-38*] should be amended as follows:

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

Section 1. That the *Subject Property* shall be used only in the manner and for the purposes authorized by Planned Development District 8 (PD-8) [*Ordinance No. 73-48 & 84-04*] and the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall as heretofore amended, as amended herein by granting this zoning change, and as maybe amended in the future;

Section 2. That the subdivision of the *Subject Property* shall generally be in accordance with the *Zoning Exhibit*, described in *Exhibit 'B'* of this ordinance, which is deemed hereby to be a condition of approval of the amended zoning classification for the *Subject Property*;

Section 3. That the development or redevelopment of the *Subject Property* shall generally be in accordance with the *PD Development Standards*, described in *Exhibit 'C'* of this ordinance, attached hereto and incorporated herein by reference as *Exhibit 'C'*, which is deemed hereby to be a condition of approval of the amended zoning classification for the *Subject Property*;

Section 4. The *Official Zoning Map* of the City of Rockwall, Texas shall be amended to reflect the change in zoning for the *Subject Property* as described in this ordinance;

Section 5. That any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *Two Thousand Dollars* ($2,000.00) for each offense and each and every day such offense shall continue shall be deemed to constitute a separate offense;

Section 6. That if any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable;

Section 7. The standards in this ordinance shall control in the event of a conflict between this ordinance and any provision of the Unified Development Code or any provision of the City Code, ordinance, resolution, rule, regulation, or procedure that provides a specific standard that is different from and inconsistent with this ordinance. References to zoning district regulations or other standards in the Unified Development Code (including references to the *Unified Development Code*), and references to overlay districts, in this ordinance or any of the Exhibits hereto are those in effect on the date this ordinance was passed and approved by the City Council of the City of Rockwall, Texas;

Section 8. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides;

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 7TH DAY OF APRIL, 2014.

BEING a tract or parcel of land situated in the E. Teal Survey, Abstract No. 207, Rockwall County, Texas, and being a part of the Cabanas at Chandlers Landing, an addition to the city of Rockwall, recorded in Slide B, Page 3 & 4, Plat Records Rockwall County, Texas, and being more particularly described as follows:

BEGINNING at an iron rod at the North corner of said Cabanas at Chandlers Landing, said iron rod bears North 6° 20' 10" West, a distance of 950.39 feet from City of Dallas Take Line monument for Lake Ray Hubbard marked T-13-1 and T-11-6, said iron rod being on a circular curve to the left having a central angle of 24° 27' 31", a radius of 168.23 feet, and a chord that bears South 56° 35' 00" East, a distance of 71.27 feet;

THENCE: Along said curve and with the Northeast line of said Cabanas at Chandlers Landing an arc distance of 71.82 feet to an iron rod at the point of tangency of said curve;

THENCE: South 68° 48' 46" East a distance of 17.62 feet continuing along said Northeast line to an iron rod at the point of curvature of a circular curve to the right having a central angle of 15° 29' 42" and a radius of 114.09 feet;

THENCE: Along said curve and along said Northeast line an arc distance of 30.86 feet to an iron rod at the point of tangency of said curve;

THENCE: South 53° 19' 04" East, a distance of 103.07 feet continuing along said Northeast line to an iron rod at the point of curvature of a circular curve to the right having a central angle of 80° 42' 31" and a radius of 112.00 feet;

THENCE: Along said curve and continuing along said Northeast and then the East line an arc distance of 157.77 feet to an iron rod for a corner;

THENCE: Leaving said East line and traversing said Addition as follows: North 68° 48' 11" West, a distance of 33.74 feet to an iron rod for a corner, South 74° 46' 05" West a distance of 20.00 feet to an iron rod for a corner, North 15° 13' 55" West, a distance of 18.00 feet to an iron rod for a corner, South 74° 46' 05" West, a distance of 160.58 feet to an iron rod for a corner, on a Westerly line of said Addition;

THENCE: North 13° 40' 35" East, a distance of 114.76 feet with said Westerly line to an iron rod for a corner;

THENCE: Along the most Northerly South lines of said Addition as follows:
North 76° 19' 25" West, a distance of 36.34 feet to an iron rod for a corner, North 69° 07' 25" West, a distance of 28.00 feet to an iron rod for a corner, and North 61° 59' 55" west, a distance of 79.50 feet to an iron rod for a corner at the most Northerly West corner of said Addition;

THENCE: North 20° 52' 35" East, a distance of 79.84 feet along the most Northerly Northwest line of said Addition to an iron rod for a corner; said iron rod being on a circular curve to the left having a central angle of 18° 44' 09", a radius of 234.00 feet, and a chord that bears North 60° 29' 27" East, a distance of 76.18 feet;

THENCE: Along said curve an arc distance of 76.52 feet to an iron rod at the point of compound curvature of a circular curve to the left having a central angle of 0° 32' 08" and a radius of 300.00 feet;

THENCE: Along said curve an arc distance of 2.80 feet to the Point of Beginning and containing 49,268 square feet or 1.131 Acres of Land.

Exhibit 'B':
Zoning Exhibit

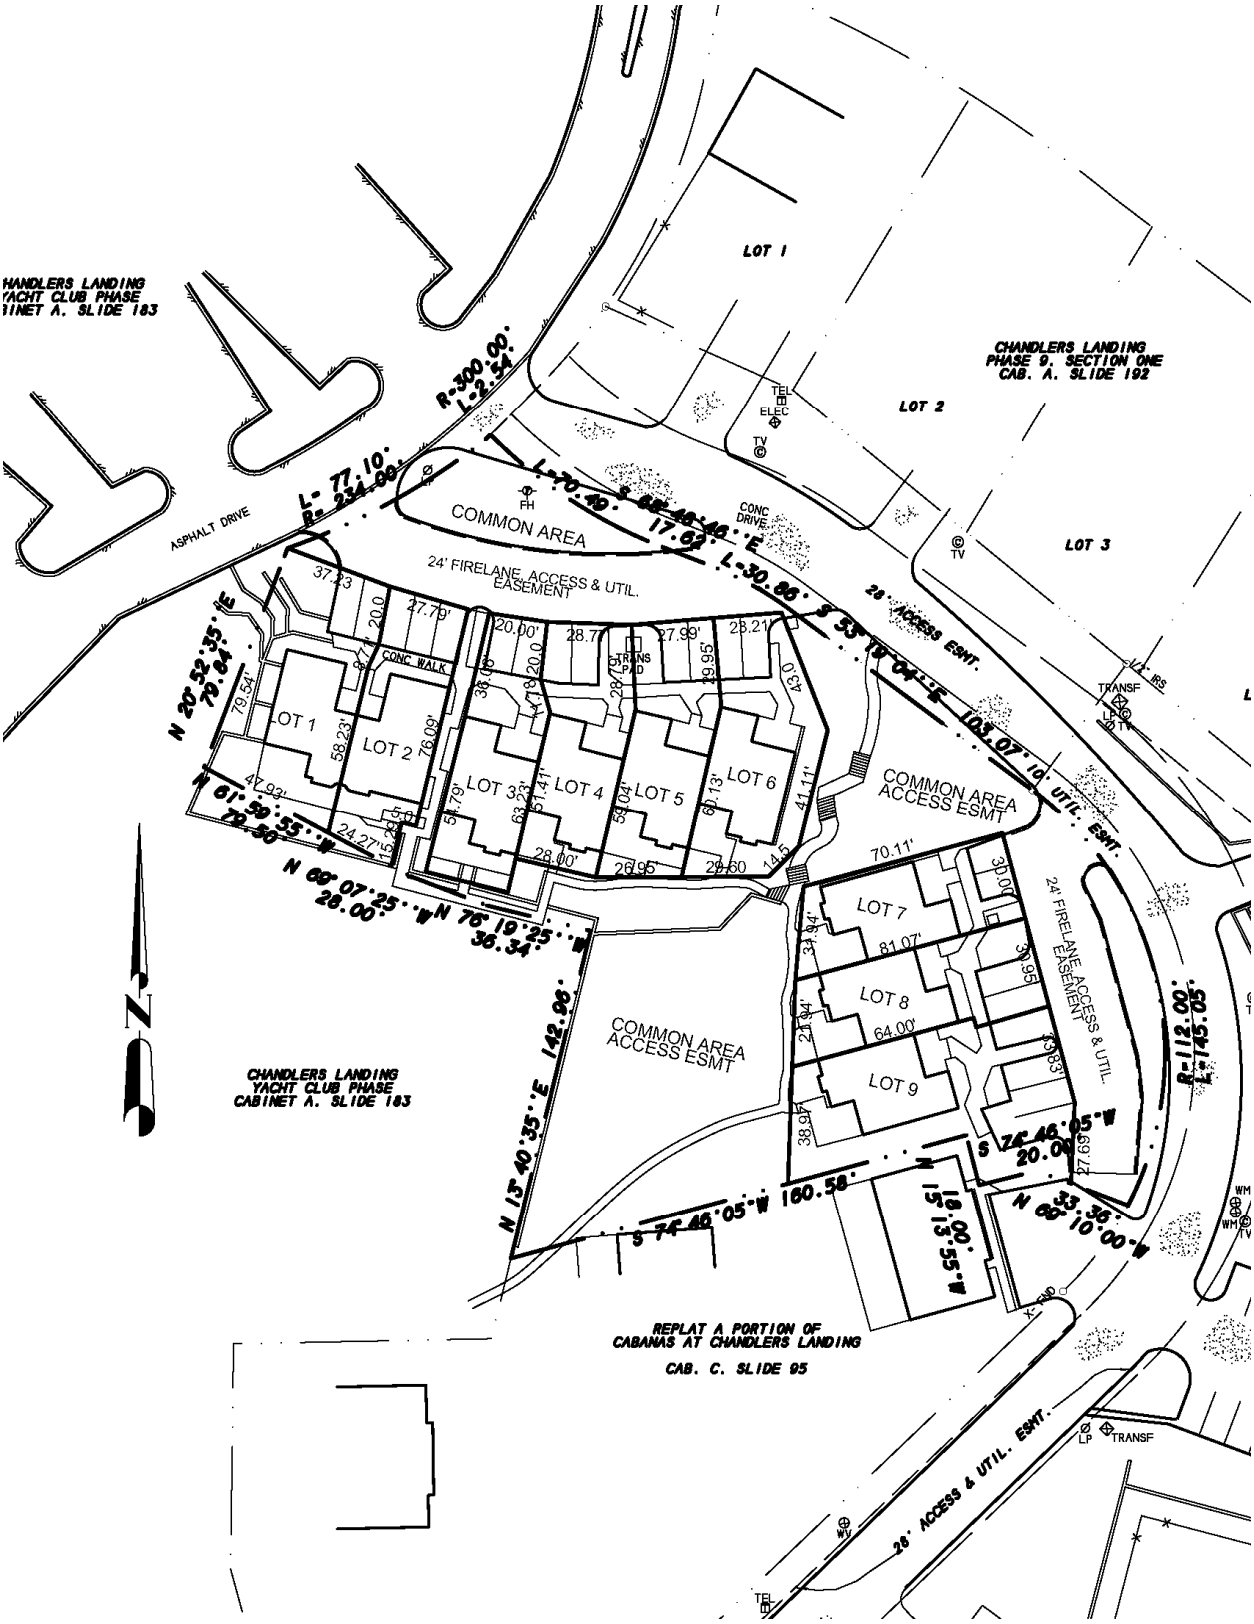

Exhibit 'C':
PD Development Standards

PD Development Standards.

1. *Purpose.* It is the intent of this zoning ordinance to maintain the current conditions of the subject property, while permitting property owners to physically subdivide their properties into lots to delineate the open space that will be dedicated to the *Chandler's Landing Homeowner's Association*.

2. *Allowed Uses*. The following are the only permitted land uses that shall be established on the *Subject Property*:

    a. *Permitted Uses.* Uses permitted *by right* or by *Specific Use Permit (SUP)* in Planned Development District 8 (PD-8) [*Ordinance No. 73-48 & 84-04*]. Uses subject to the approval of a *Specific Use Permit (SUP)* shall be required to follow the procedure for requesting an *SUP* as set forth in Article XI, *Zoning-Related Applications*, of the Unified Development Code.

    b. *Townhomes.* A single family dwelling unit constructed in a series, or group of units that share common walls, and are situated on an individual or separate lot.

    NOTE: All development of the Subject Property should conform to the Zoning Exhibit in Exhibit 'B'.

3. *Maximum Number of Units*. The *Subject Property* may contain no more than nine (9) townhomes that conform to the *Zoning Exhibit* in *Exhibit 'B'*.

4. *Area Requirements.*

    i. *Minimum Lot Area:* 2,200 Square Feet

    ii. *Minimum Lot Width:* 20 Feet

    iii. *Minimum Lot Depth:* 40 Feet

    iv. *Maximum Number of Dwelling Units per Lot:* One

    v. *Minimum Front Yard Building Setback:* 0 Feet

    vi. *Minimum Rear Yard Setback:* 0 Feet

    vii. *Minimum Side Yard Setback:*

        a. *Internal Side Yard Setback:* 0 Feet [*subject to all building code requirements*]

        b. *Side Yard Abutting a Structure:* 0 Feet [*required to be separated by a fire retardant wall*]

    viii. *Maximum Lot Coverage:* 100% [*as a percentage of lot area*]

    ix. *Maximum Height:* 30 Feet

    x. *Minimum Number of Paved Parking Spaces per Lot:* Two (2) Off-Street Spaces

5. *Additional Restrictions.* No fences or any other type of barricade shall be permitted on any property depicted in the *Zoning Exhibit* in *Exhibit 'B'*.

JERRY H. HOGAN
ROCKWALL COUNTY JUDGE

March 26th, 2014

Dear Mayor Sweet:

As you are aware, Rockwall County has been working on a proposal to provide total interoperability for the radio systems in the County as well as providing a consolidated Dispatch Center. The Dispatch Center was recommended by a citizen Strategic Planning Group back in the 2011 time frame and the interoperability capability proposal came from observations and personal experiences.

The proposal being presented by the County is briefly included in the attached Letter of Intent. In essence the County will fund the replacement of all existing radios in the various organizations in the County as well as building and equipping the Consolidated Dispatch Center. This will be done at no expense to the cities.

A respected telecommunications consultant organization, RCC Consultants, has been hired to work with the cities and the County in the analysis of the proposed radio solution as well to assist in the implementation of both the radio network and the Consolidated Dispatch Center. Meetings have been held with your technical people so that the consultant can fully understand your requirements.

On March 25, 2014, the Rockwall County Commissioners Court voted to send the attached letter to each City in the County. We ask that you provide copies of the letter to your council members so they will be totally familiar with the proposal. Commissioner Dennis Bailey or I will address your council on the proposal and the letter at your convenience. Please let me know when we could do this.

The Letter is needed so we can judge the interest by the cities in this proposal and so we can start the analysis to develop some definitive costs. While the Letter does not bind you as an Inter local agreement would, it does express your desire, at this point in time, to be included. Without full acceptance of all the cities in the County, we will not proceed with the implementation.

We would like to brief your council within the next thirty days and then have your signed Letter of Intent within the next thirty days.

Thank you for your consideration and I look forward to a date when Dennis or I can brief your council.

Jerry H. Hogan

[City Letterhead]

March 19, 2014

The Honorable Jerry Hogan
County Judge, Rockwall County
101 E. Rusk St.
Rockwall, Texas 75087

RE: Letter of Intent

Dear Judge Hogan:

On behalf of the City of _____, Texas, acting by and through its City Council (the "City"), this Letter of Intent (the "Letter of Intent") sets forth the agreement of the City and Rockwall County, Texas, acting by and through its Commissioners Court (the "County"), to negotiate and enter into an Interlocal Agreement (as described herein) for the participation in the Rockwall County Interoperability Radio Network (the "IRN") for the purposes of creating a county-wide consolidated radio and dispatch service (the "Project") as more specifically provided herein. The City and the County are collectively referred to herein as the "Parties," and individually as a "Party."

I. Purpose

The purpose of the development of the Project is to consolidate the communication and dispatch services throughout all of Rockwall County. In doing so, not only will radio communication ameliorate, but the result will also be an enhancement of public and first responder safety and provide a more efficient and complete level of interoperability for all public safety agencies in Rockwall County. The Project will serve a legitimate public purpose of Rockwall County and will be governed by adequate controls, contractual or otherwise, to ensure that the public purpose is accomplished.

II. The Project

At this time, the County and the City contemplate that the Project would generally consist of the following:

a) The County through its independent consultant will perform a needs assessment for the operation of a county-wide consolidated radio and dispatch service and aid the County in executing a formal agreement with an appropriate vendor for the planning, development, procurement, implementation, construction, testing and acceptance of a new P25 radio system and the various systems needed to receive and dispatch calls for service including, but not limited to radio dispatch consoles, a Next Generation 9-1-1 calling system, a computer aided dispatch (CAD) system, a records management system (RMS), a logging and instant-recall recording system, mobile data system connectivity, and video display walls.

b) The County will provide to the City the new radio equipment to be utilized with the IRN on a one to one replacement basis as determined by the City's current operable radio equipment inventory. Additional radio equipment and ongoing maintenance and replacement costs will be the responsibility of the City. The City will receive operational training for the equipment received through the Project. The City can choose how to dispose of their current radio inventory.

c) The County will be responsible for the funding, construction and operation of the Consolidated Dispatch Center to be located on county property adjacent to the Rockwall County Jail Facility. Dispatch operators and other relevant staff to the Project will be considered county employees and will serve at the will of the Rockwall County Sheriff.

d) An Advisory Board consisting of the Police Chief, Fire Chief and one additional municipal representative of each participating municipality, County Sheriff, and County Judge will be created to direct the operations of the IRN through discussions and recommendations to the County.

e) The County will fund and operate the Consolidated Dispatch Center in full for the first two (2) years of operation. Following this period, the City will be responsible for funding a proportionate share of its service to be based on the City's number of dispatch calls for service from the previous year. This percentage will be re-evaluated on an annual basis and provided to the City during its budgeting process.

f) The City will respond to and be financially responsible for all calls for fire service in its respective fire service area as designated by the City and its fire administration in cooperation with the other municipalities in the county.

III. Consideration

The County will, as set forth above, provide funding for the development, purchase, construction, and operation of the Project including the P25 radio system, other various systems, and the Consolidated Dispatch Center. The City will be responsible for a proportionate share of operational costs of the Consolidated Dispatch Center following the first two years of its operation. The City will also accept the financial responsibility for responding to all fire service calls within its respective fire service area.

IV. IRN Interlocal Agreement

The Parties will cooperate in good faith and use reasonable efforts to negotiate, prepare, execute, and deliver an agreement (the "IRN Interlocal Agreement") prior to the commencement of the Project, setting forth in detail the terms, provisions, and conditions for the purchase, development, and operation of the Project, including such terms, representations, warranties, covenants, and conditions as may be agreed to by the Parties.

The Parties anticipate that the IRN Interlocal Agreement would (a) contain conditions to performance in favor of all parties to that agreement as may be agreed to by those parties; (b) be subject to approval by the governing bodies of all parties to that agreement; and (c) be binding and will continue in effect for so long as may be agreed to by the parties to that agreement.

The Parties acknowledge and agree that neither Party shall be under any obligation to enter into the IRN Interlocal Agreement or any other agreement. If an IRN Interlocal Agreement is not executed pursuant to this Letter of Intent prior to the commencement of the Project, then this Letter of Intent and the understandings expressed herein shall automatically terminate.

The development of the Project is contingent upon the participation of each law enforcement agency in the County, excluding the Cities of Rowlett, Wylie, Dallas and Mobile City. Should any of the remaining cities choose not to execute the IRN Interlocal Agreement, this Letter of Intent and the understandings expressed herein shall automatically terminate for all participating cities.

V. Other Written Agreements

The County and the City may at any time during the course of their discussions and evaluations enter into one or more written agreements defining specific obligations of each in relation to their continued evaluations and/or the development of the Project.

VI. Confidentiality Agreement

No document or other information provided by either Party to the other shall be considered confidential unless the County and the City first enter into a written confidentiality agreement that specifically applies to such document or other information. This section shall not be construed as a waiver of either Party's right to oppose disclosure of documents or other information related to this Letter of Intent, or the Party's right to request a ruling from the Office of the Attorney General regarding Public Information Requests related to this Letter of Intent.

The County and the City desire to cooperate with each other in the preparation of public information and material with respect to this Letter of Intent and their discussions and evaluations of the Project. Each will designate a contact person to be kept informed about matters related to any such public information and public requests for such information.

VII. Written Communications/Contact Person

Any written communication between the County and the City will, to the extent practicable, be delivered by hand, sent by fax, or mailed by U.S. Mail, postage prepaid, to each of the following:

To the County:
Rockwall County
Attn: County Judge
101 E. Rusk St.
Rockwall, Texas 75087
Tel: (972) 204-6000
Fax: (972) 204-6009

If this Letter of Intent accurately reflects your understanding of our agreement, please confirm your acceptance of the same, including the reference to the consideration extended, by signing below.

Sincerely,

City of _____

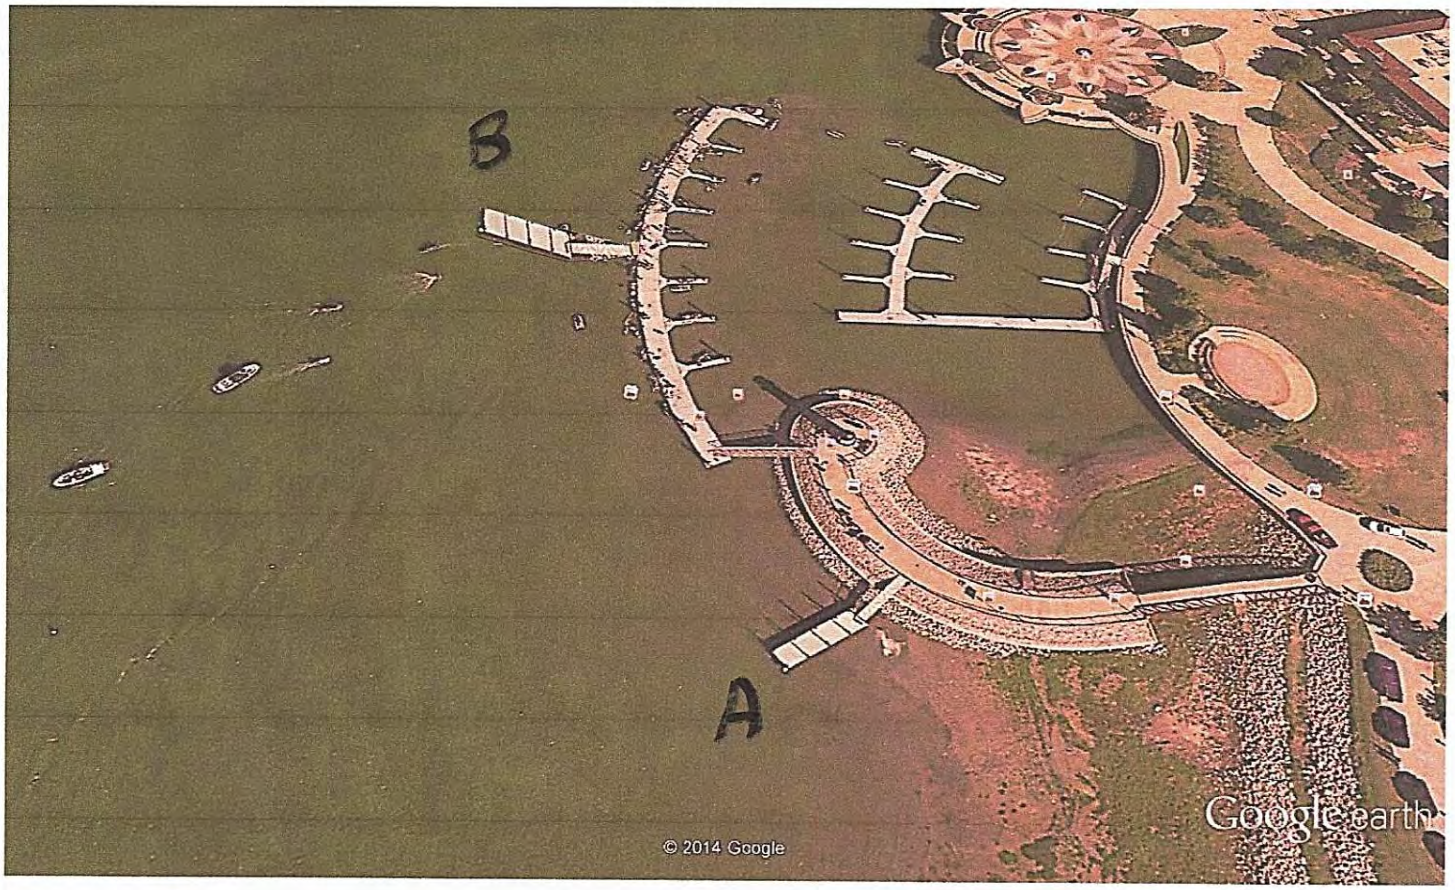
CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: **Brad Griggs, Assistant City Manager**



FROM: **Andy Hesser, Parks and Recreation Manager**

DATE: **April 2, 2014**

SUBJECT: **APPOINTMENT WITH SCOTT SELF TO REQUEST DOCK RELOCATION**

Sail With Scott LLC was previously approved by Council to install a floating dock and ramp located on the south side of the jetty at The Harbor to accommodate both the Sea Wolf and Harbor Lights loading and unloading of passengers. Due to the low lake levels, Scott Self would like to request permission to temporarily relocate the dock from the south side of the jetty to the west side of the break-wall. Mr. Self has provided a diagram that is attached showing the existing and proposed location.

Mr. Self also understands that relocation of the dock must be approved by the City of Dallas as well. Moving the dock will be at his expense and will be returned to its original location once the lake levels are back to an elevation that he can safely operate his boats. Mr. Self will be available at the Council meeting to present his request and answer any questions.

City of Rockwall
The New Horizon

MEMORANDUM

TO: CITY COUNCIL

FROM: Robert LaCroix, Director of Planning

DATE: April 1, 2014

SUBJECT: Z2008-014 SUP Extension (Big Tex Trailers, 2260 E. I-30)

In August of 2008 the City Council approved a Specific Use Permit to allow for "Recreational Vehicle (RV) Sales and Service" within the Light Industrial zoning district at 2260 E. I-30. The SUP was approved to be valid for a maximum of three (3) years from the time of Certificate of Occupancy issuance with a condition that allowed the owner to petition the City Council for an extension to the three (3) year time limit. The SUP also required that the petition for extension to the time limit be submitted at least 90-days prior to the expiration of the SUP.

A Certificate of Occupancy (CO) was issued on September 17, 2008, to Walkabout RV for a Recreation Vehicle Sales and Service establishment to be located at 2260 E. I-30. The business operation changed to the Big Tex Trailers sales facility during the first period of the SUP and has been in business for the last several years having received a renewal in September of 2011. The current SUP is set to expire on September 17, 2014.

In an effort to extend the time limit of the SUP the property owner, Raymond Jowers, has submitted a requested dated March 10, 2014, for consideration by the City Council. The request for extension was received by the City of Rockwall before the 90-day required date (June 19, 2014). Mr. Jowers is making the request in an effort to allow his current tenant, Big Texas Trailers, to continue their operation of the sales and service of Recreational Vehicles and trailers at their current location (2260 E. I-30).

The SUP ordinance states that City Council may determine than an extension of the SUP is warranted based on the status of the FM 3549 and I-30 overpass construction and/or development activity in the area.

Staff has included in your packet a copy of the SUP ordinance (08-38) and the request by Mr. Jowers.

Rockwall, TX 75087-3737

RE: Request for 3-Year Extension to Existing Occupancy Permit
Z2008-014, RV Dealership Extension (Big Tex Trailers)
Project Type: ZONING (SUP)

To City Council:

Please be advised that the above referenced Specific Use Permit (SUP) extension for the existing Occupancy Permit located at 2260 E. I-30, Rockwall, Texas (Z2008-014) is set to expire on September 17, 2014. As the owner of the property, I am requesting an extension of the SUP and seeking an appointment with the City Council for Big Tex Trailers. I am requesting that an acknowledgment of the scheduled appointment be sent to Big Tex Trailers and a copy be sent to me.

Matthew Hall is the representative for Big Tex Trailers and he may be reached at 214-336-8375.

Respectfully,

VP

CITY OF ROCKWALL

ORDINANCE NO. 08-38

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) TO ALLOW FOR "RECREATIONAL VEHICLE (RV) SALES AND SERVICE" WITHIN THE (LI) LIGHT INDUSTRIAL DISTRICT, ON A 4.5-ACRE TRACT KNOWN AS TRACT 22-1, ABSTRACT 120, R. IRVINE SURVEY AND LOCATED AT 2260 E IH-30; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a Specific Use Permit (SUP) to allow for "Recreational Vehicle (RV) Sales and Service" within the (LI) Light Industrial District, has been requested by Raymond Jowers, to be located on a 4.5-acre tract known as Tract 22-1, Abstract 120, R. Irvine Survey and located at 2260 E IH-30, City and County of Rockwall, Texas; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED by the City Council of the City of Rockwall, Texas:

Section 1. That the Unified Development Code of the City of Rockwall, as heretofore amended, be and the same is hereby amended by the approval of a Specific Use Permit to allow for "Recreational Vehicle (RV) Sales and Service" within the (LI) Light Industrial District on a 4.5-acre tract known as Tract 22-1, Abstract 120, R. Irvine Survey and located at 2260 E IH-30, City and County of Rockwall, Texas; and

Section 2. That the Specific Use Permit shall be subject to the conditions set forth in ***Article V, Section 5.3, (LI) Light Industrial District*** of the City of

Rockwall Unified Development Code (Ord. No. 04-38) as heretofore amended and as may be amended in the future, and shall be subject to the additional following additions:

1. The Specific Use Permit (SUP) shall be valid for a maximum of three (3) years from the time of Certificate of Occupancy issuance. If an extension to the 3-year time limit is desired by the owner, he/she shall petition the City Council for such extension at least 90 days prior to the expiration of the SUP, at which time the City Council shall review the SUP and may determine that an extension of time is warranted based on the status of the FM 549 and IH-30 overpass construction and/or development activity in the area.

2. The outside display of new recreational vehicles and boats shall strictly adhere to the approved site plan attached hereto as Exhibit "A."

3. No outside storage of privately owned RVs shall be allowed, except as indicated for the "service" area indicated on the attached site plan.

4. Any additional exterior lighting shall be reviewed by City staff prior to issuance of a building permit or Certificate of Occupancy.

5. City Council approval of this SUP includes the temporary waiver to certain engineering and fire department standards, including but not limited to, concrete paving requirements and the extension of a 12-inch water line from FM 549. However, future development upon the expiration of this SUP and/or other redevelopment of the property will be subject to the engineering and fire department standards in effect at that time.

6. Hold Harmless Agreement to be signed for insufficient fire hydrant coverage, water supply requirements, and/or other fire department requirements.

Section 3. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

Section 4. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

Section 5. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of TWO THOUSAND DOLLARS ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 6. If any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code No. 04-38 of the City of Rockwall, Texas, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable.

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 4th day of August, 2008.

City of Rockwall
The New Horizon

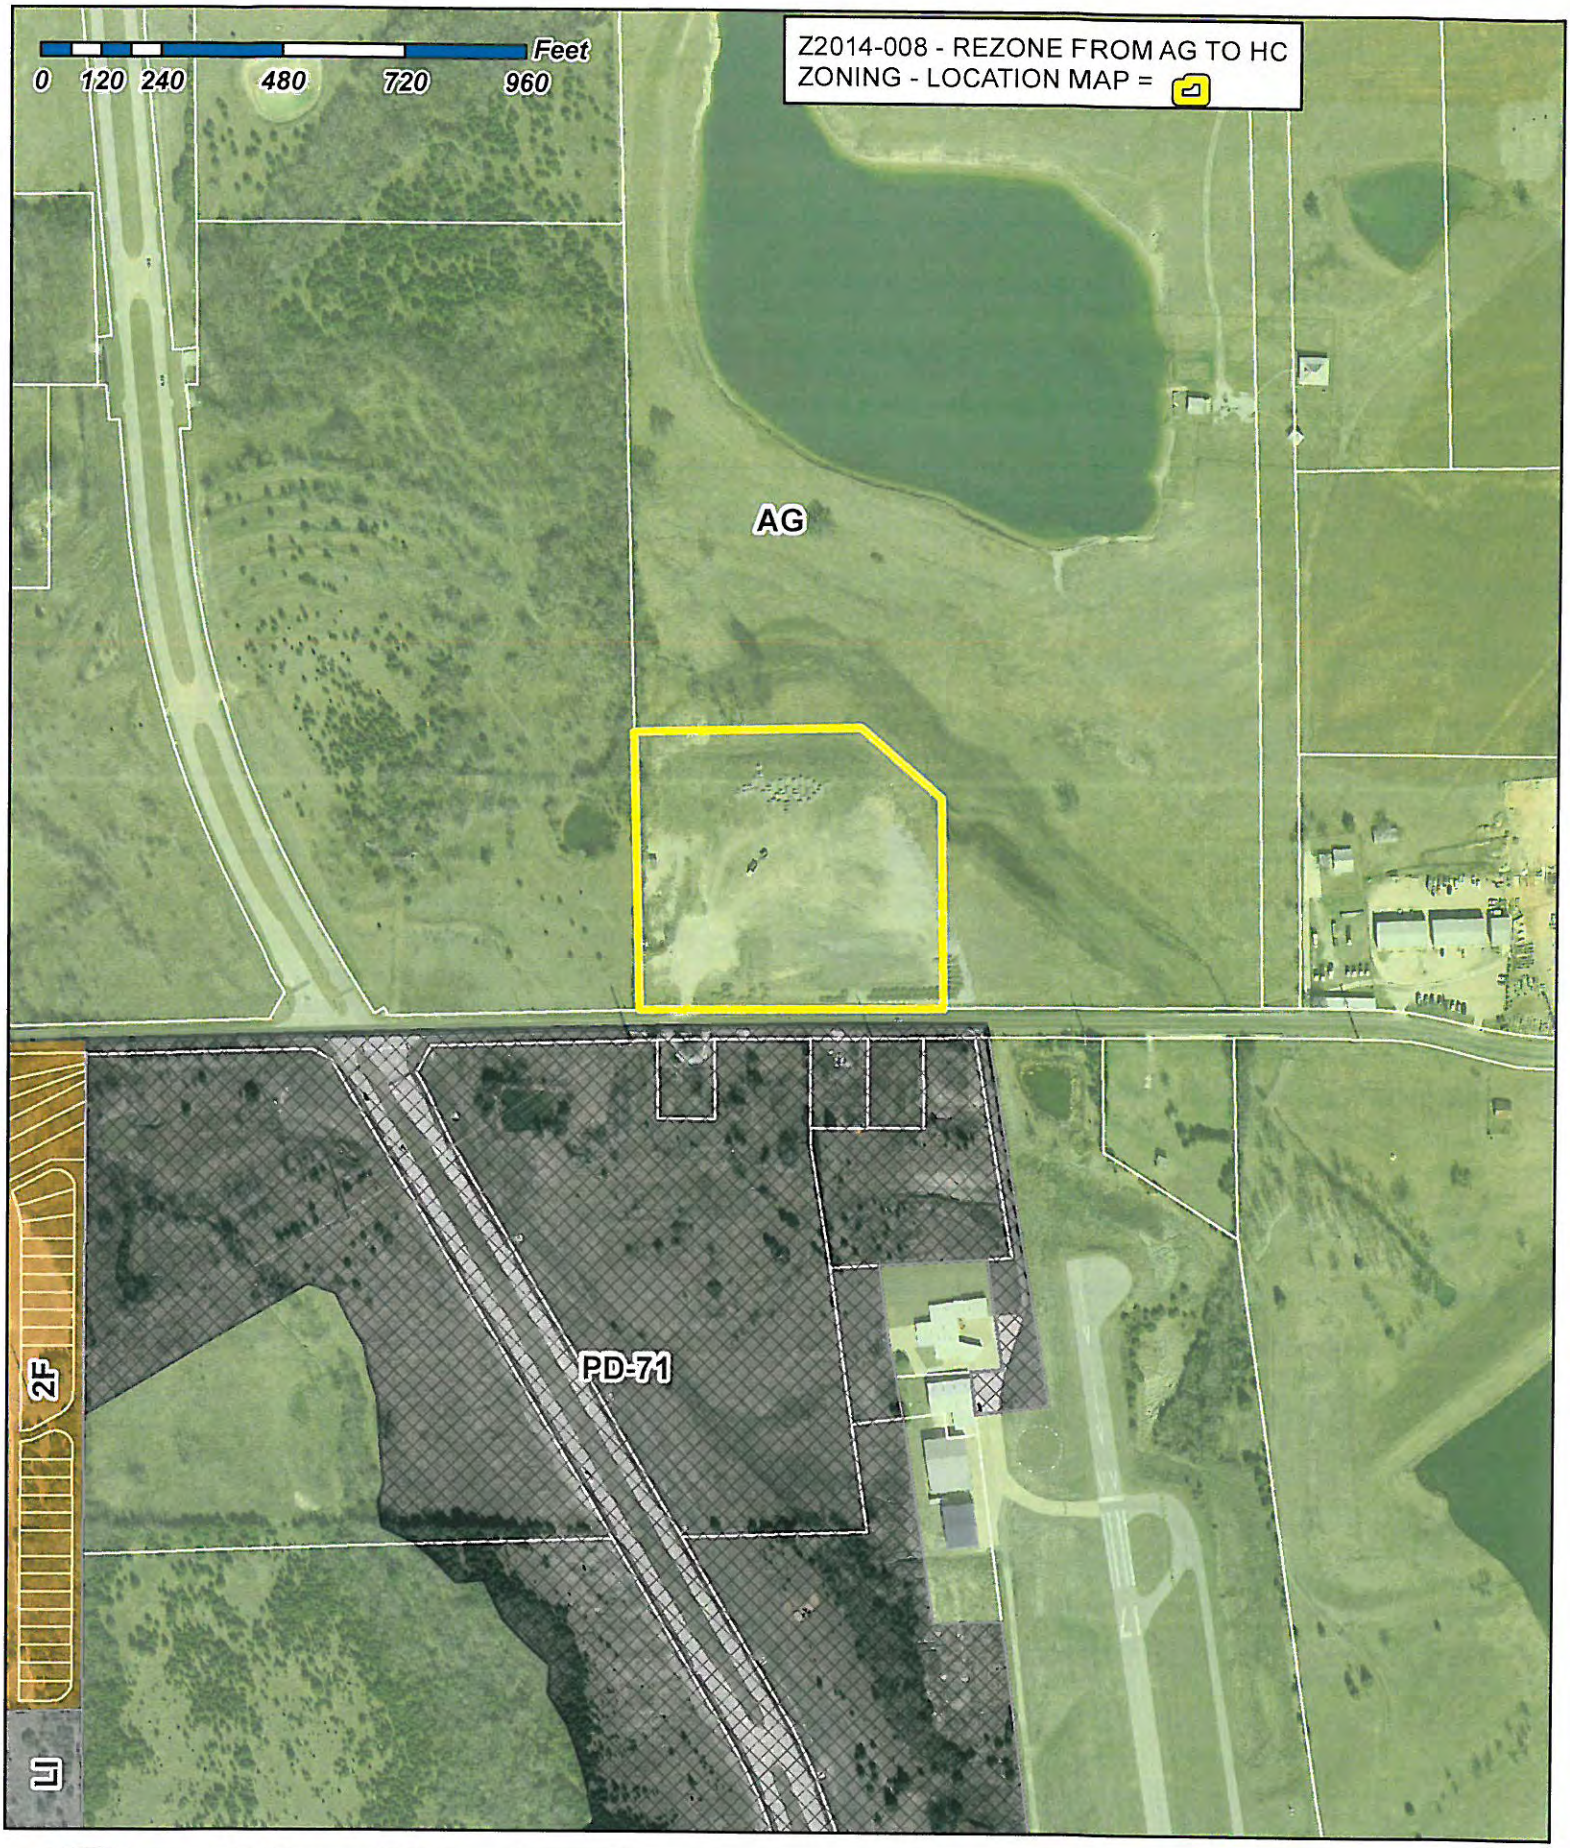
MEMORANDUM

TO: Rick Crowley, City Manager

FROM: Timothy M. Tumulty, Director of Public Works/City Engineer

DATE: April 4, 2014

SUBJECT: Appointment for a Sanitary Sewer Variance Request



Mr. Mike Peoples is the property owner and developer of the 7.42 acre tract of land identified as a portion of the Tract 4-01, M.B. Jones Survey, Abstract No. 122 located east of the intersection of John King Boulevard and SH 66. The existing sewer main system that would eventually serve this area currently terminates at the intersection of FM 1141 and Waters Edge Drive (approximately 2800 feet from the proposed site). Mr. Peoples is proposing to build a commercial building on his site and needs sanitary sewer service for the building. Since the existing sanitary sewer service is one-half of a mile downstream from the site, he is requesting a variance to allow temporary on-site sanitary sewer septic system.

Mr. People is requesting an appointment with City Council to hear his request. If you have any questions, please advise.

To: Smith, Mary
Subject: RE: scrap metal day

I would be happy to discuss this in a short presentation for the council. Mike Carl who owns and operates New Phoenix Metals in Greenville is heading up the fundraiser and he and I are working together on this to make it successful and efficient.

The City would not need to worry about manpower or staffing. I really appreciate you and your help with this project. ☺

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: City Council

FROM: Ryan Miller, *Planning Manager*

CC: Robert LaCroix, *Director of Planning*
Rick Crowley, *City Manager*

DATE: April 7, 2014

SUBJECT: Z2014-004: Public Hearing Notice Amendment

On January 21st the City Council made a motion to direct staff to amend Section 6.1, *Notice of Public Hearings*, of Article II, *Authority and Administrative Procedures*, of the Unified Development Code (UDC). In accordance with the UDC staff has taken the City Council's motion to the Planning and Zoning Commission for its recommendation, and at their March 25th meeting the Commission approved a motion to recommend the following changes to the proposed amendment:

1) The property owner notification buffer area should be increased from 200 feet to 300 feet,
2) All notices of public hearing should be sent via first class mail with the outside of the envelope being stamped in red with the wording "Zoning Change Requested,"
3) Staff should mail a notification to all known HOA representatives within 1,500' of the zoning change request,
4) Staff should mail notifications to all property owners listed on the most current and approved city tax rolls and to the actual notification property address if the property owner does not reside at the physical address
5) For Multi-Family properties, staff should mail notifications to the property owner and the leasing office of the apartment or housing complex.
6) A four (4) foot by four (4) foot, doubled sided sign with a distinctive color indicating what type of zoning change is being requested, should be posted on the subject property.

The motion was approved by the Planning and Zoning Commission by a vote of 4-0, with Commissioners Nielson, Conely and Minth absent. Pending the City Council's final action on this case, staff shall prepare an ordinance containing all approved text amendments for the City Council's review and ultimate approval. The first reading of this ordinance is projected for the April 21st City Council meeting. It is important for staff to note that the Texas Local Government Code requires a two-thirds (2/3) majority vote by the approving body to pass any action that prescribes or changes the notification requirements [*TLGC §211.006(c)*].

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Robert LaCroix – Director of Planning and Zoning**

FROM: **Brad Griggs – Assistant City Manager**

DATE: **March 13, 2014**

SUBJECT: **Zoning Notification Procedures**

After listening to the last two P & Z meetings, I want to pass along to you and the Commission the reasons behind the City Council's recommendation to amend the notification procedures regarding pending zoning changes. It is imperative that the staff provide reasoning behind the recommendation. The City Council was very strong in their belief that the City of Rockwall, with a keen interest in maintaining an open and transparent government, intentionally reach beyond the State minimum requirements to solicit input for zoning changes.

As you know, the City Council recommended that we expand the radius from 200' to 500', notify each property owner and resident by registered mail and increase the size and configuration of the sign placed on the property. Consideration should be given to the following.

- Registered Mail: The City staff and Council have been, on more than one occasion, have been accused of not sending a notification notice on a zoning change. By sending each notification via registered mail, we have a notice of delivery for each property owner. This is protection for the process, the protection of the staff and Council and protection for the property owners within the notification area.
- Notification Area: Expanding the notification area from the State required minimum 200' to 500' is, plain and simply put, in the interest of allowing the public to participate in the processes that involve their property values and may be of interest to them. Governments are being called upon to become more transparent and open. This ensures we are going beyond the minimum and this is in the best interest of our City.
- Cost: From my last conversation with you regarding cost, it is estimated that the annual cost for replacing regular mail with registered mail and expanding the notification area was $7,500 annually. If the Council ultimately adopts these proposed notification requirements, they will also make any necessary adjustments in the budget to account for this expense going forward. The Mayor's motion stated that all increases in costs should be passed along to the applicant and if that is the final recommendation, the City would have no additional expenses.

- Signage: The sign design appears to be satisfactory and not an issue.

The Commission will evaluate the recommendation for themselves but it is necessary that they understand what the City Council is trying to accomplish with these changes as they consider their recommendation to the Council. Previous Councils have raised these issues but were not successful in getting the necessary votes to move it forward for consideration through the process. The City Council voted 7-0 to make this recommendation and have a strong desire to see this amendment approved.

As indicated above, the Planning and Zoning Commission will and should evaluate the proposed amendments based on their knowledge and experience with the zoning process. It is, however, of great importance that the staff transmit to the Commission the Council's stated reasons for initiating the consideration of the proposed changes.

Please include a copy of this memorandum in the next P & Z packet related to this issue and your full and unwavering support of these amendments is appreciated.

CC: Rick Crowley – City Manager

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Planning and Zoning Commission

FROM: Ryan Miller, *Planning Manager*

DATE: March 25, 2014

SUBJECT: Public Hearing Notice Amendments

On January 21, 2014 the City Council made a motion to direct staff to amend Section 6.1, *Notice of Public Hearings*, of Article II, *Authority and Administrative Procedures*, of the Unified Development Code (UDC). The approved motion included the following recommendations:

1) The property owner notification area shall be changed from 200-feet to 500-feet,
2) The notice of public hearing shall be sent to both the property owner listed on the tax rolls and to the physical property address,
3) All notice of public hearing shall be sent via certified mail,
4) Any additional cost incurred by the certified notices shall be passed along to the applicant of the public hearing case, and
5) A sign measuring four (4) feet by four (4) feet that is double sided (*i.e. contains the same information on the front and back*), that clearly indicates the proposed zoning change in a "*TO*" to "*FROM*" format, shall be posted on the subject property.

In response to this motion staff has amended Section 6.1 of Article II to include the requested revisions (see *Exhibit 'A'*). Staff has also prepared an example of signage that meets the criteria requested by the City Council (see *Exhibit 'B'*). According to the UDC, the Planning and Zoning Commission "shall approve, deny or modify the amendment and forward its report and recommendation to the City Council." Additionally, Section 211.006(c) of the Texas Local Government Code states that a two-thirds (2/3) majority vote by the City Council is required to pass any action that prescribes or changes the notification requirements.

As requested by the Planning and Zoning Commission at the Work Session Meeting (*February 25, 2014*) staff has surveyed comparable city's notification requirements (see *Exhibit 'C'*) and gathered historical information concerning the number of zoning cases submitted in the last five (5) years (see *Exhibit 'D'*). For clarification purposes staff has provided three (3) examples of cases from previous years that show the proposed changes to the buffer requirements (*i.e. 200-foot to 500-foot*) and have summarized the projected cost differences using current postage rates (see *Exhibit 'E'*). Finally, for general reference staff has also included a summary of the current notification procedures along with all current state and local requirements and departmental procedures (see *Exhibits 'F' – 'I'*).

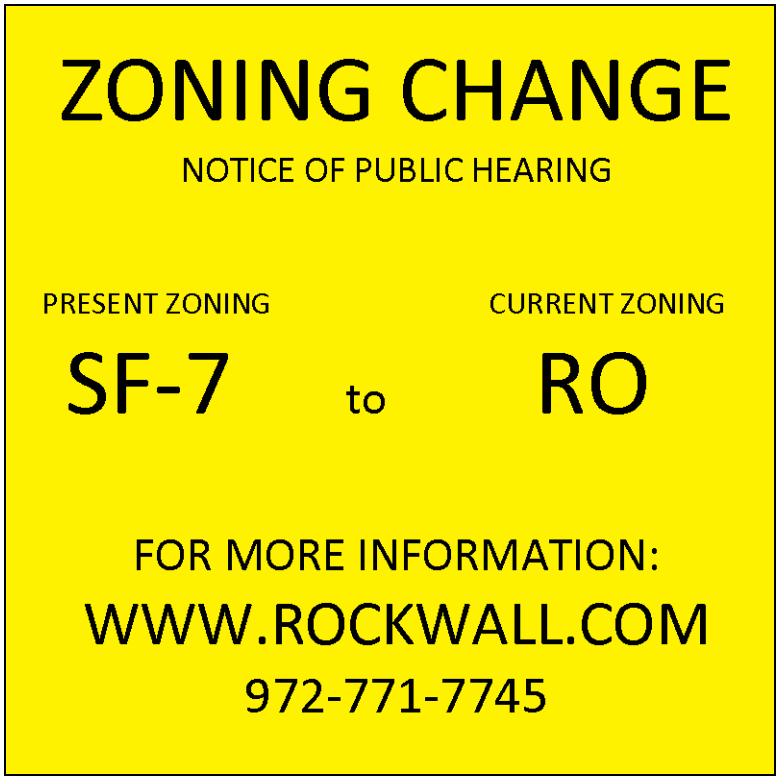
Update (03/25/2014): Also included in the packet is a memorandum provided by the Assistant City Manager expressing the intent of the City Council's motion.

Exhibit 'A'
Proposed Amendment

Key:
Italicized, Bold & Highlighted *= Proposed Additions*
~~Italicized, Bold, Highlighted & Strikeout~~ *= Proposed Deletions*

Article II, Authority and Administrative Procedures, of the Unified Development Code

Section 6.1. Notice of Public Hearing.



Written notice of all public hearings on proposed changes in district boundaries shall be sent to all owners of property within a distance of at least ***~~200~~ 500*** feet from the boundaries of the subject property at least ten days prior to the hearing date. Such notice shall be ***certified mail without a return receipt*** served by using the last known address as listed on the last approved city tax roll and depositing the notice postage paid in the United States mail. ***Additionally, a written notice shall be sent by certified mail without a return receipt to the property address within the notification area if the current owner does not reside at the property address.***

In addition, notice of such hearing shall be published one time in a newspaper of general circulation in the city, not less than ten days prior to the date of such hearing, and signs giving notice of a proposed zone change shall be placed on the subject property at least ten days prior to the public hearing.

Notice of hearings on proposed changes in the text of this Unified Development Code shall be accomplished by one publication not less than 15 days prior to the hearing, in the official newspaper of the city.

(Ordinance No. 10-14, § 1, July 6, 2010)

Exhibit 'B'
Example Signage

The above are example illustrations of notification signs that meet the criteria described in the motion on January 21, 2014. The signs would be a minimum of four (4) feet by four (4) feet (or 16 square feet), utilize a florescent yellow that is typical of street signage, and be double sided for better visibility. Additionally, they would include a description of the zoning change. Per previous request by the City Council separate signage for Specific Use Permits (SUP) and zoning changes would be used (as depicted above).

Survey of Comparable City's Notification Requirements

Survey Date: February 26, 2014

- ✓ *South Lake, TX*
  Contact: Holly Blake
  Phone: (817) 748-8621
  PON Buffer: 200 Feet
  PON: Property Owner
  Note: Standard state requirements for notifications only.

- ✓ *McKinney, TX*
  Contact: Kathy Wright
  Phone: (972) 547-7409
  PON Buffer: 200 Feet
  PON: Property Owner
  Note: The applicant is required to post a zoning sign that is verified by staff.

- ✓ *Rowlett, TX*
  Contact: Garrett Langford
  Phone: (972) 412-6166
  PON Buffer: 200 Feet
  PON: Property Owner
  Note: The applicant is responsible for placing a sign on the property (the ordinance contains specific signage requirements).

- ✓ *Richardson, TX*
  Contact: Chris Shacklett
  Phone: (972) 744-4240
  PON Buffer: 200 Feet
  PON: Property Owner
  Note: Standard state requirements plus a department policy (not in ordinance) to post a sign on the property.

- ✓ *Frisco, TX*
  Contact: John Webb, AICP
  Phone: (972) 292-5350
  PON Buffer: 200 Feet
  PON: Property Owner
  Note: Standard state requirements with additional departmental policy. As a policy the city will email notification of the zoning case to all HOA presidents within 1,500-feet of the subject property as part of their HOA notification program. Additionally, they require the applicant to obtain and post a sign on the site prior to the public hearing. If the sign is not posted within the required time period the case is postpone/tabled/continued until compliance.

- ✓ *Allen, TX*
  Contact: Patrick Blaydes
  Phone: (214) 509-4100
  PON Buffer: 200 Feet
  PON: Property Owner
  Note: Standard state requirements plus a city policy of posting a 6' x 6' sign on the applicant's property (Parks Department is responsible for posting the sign).

- ✓ *Wylie, TX*
  Contact: Mary Bradley
  Phone: (972) 516-6320
  PON Buffer: 200 Feet
  PON: Property Owner
  Note: The city provides a sign to the applicant to post of the property and takes a refundable administrative fee to cover the cost of the sign. The fee is returned when the sign is returned.

- ✓ *Garland, TX*
  Contact: Kelly Frazier
  Phone: (972) 205-2445
  PON Buffer: 400 Feet
  PON: Property Owner
  Note: The city provides and post signs on the property.

- ✓ *Plano, TX*
  Contact: Dee Sarver
  Phone: (972) 941-7151
  PON Buffer: 200 Feet
  PON: Property Owner
  Note: The will notify all HOA's within 1,500-Feet of the subject property. If the case is an SUP the city supplies the applicant with a sign to be posted on the subject property. If the case is a zoning case the city recommends that the applicant posts a sign on the property but does not require one.

Exhibit 'F'
Current Notification of Public Hearing Procedures

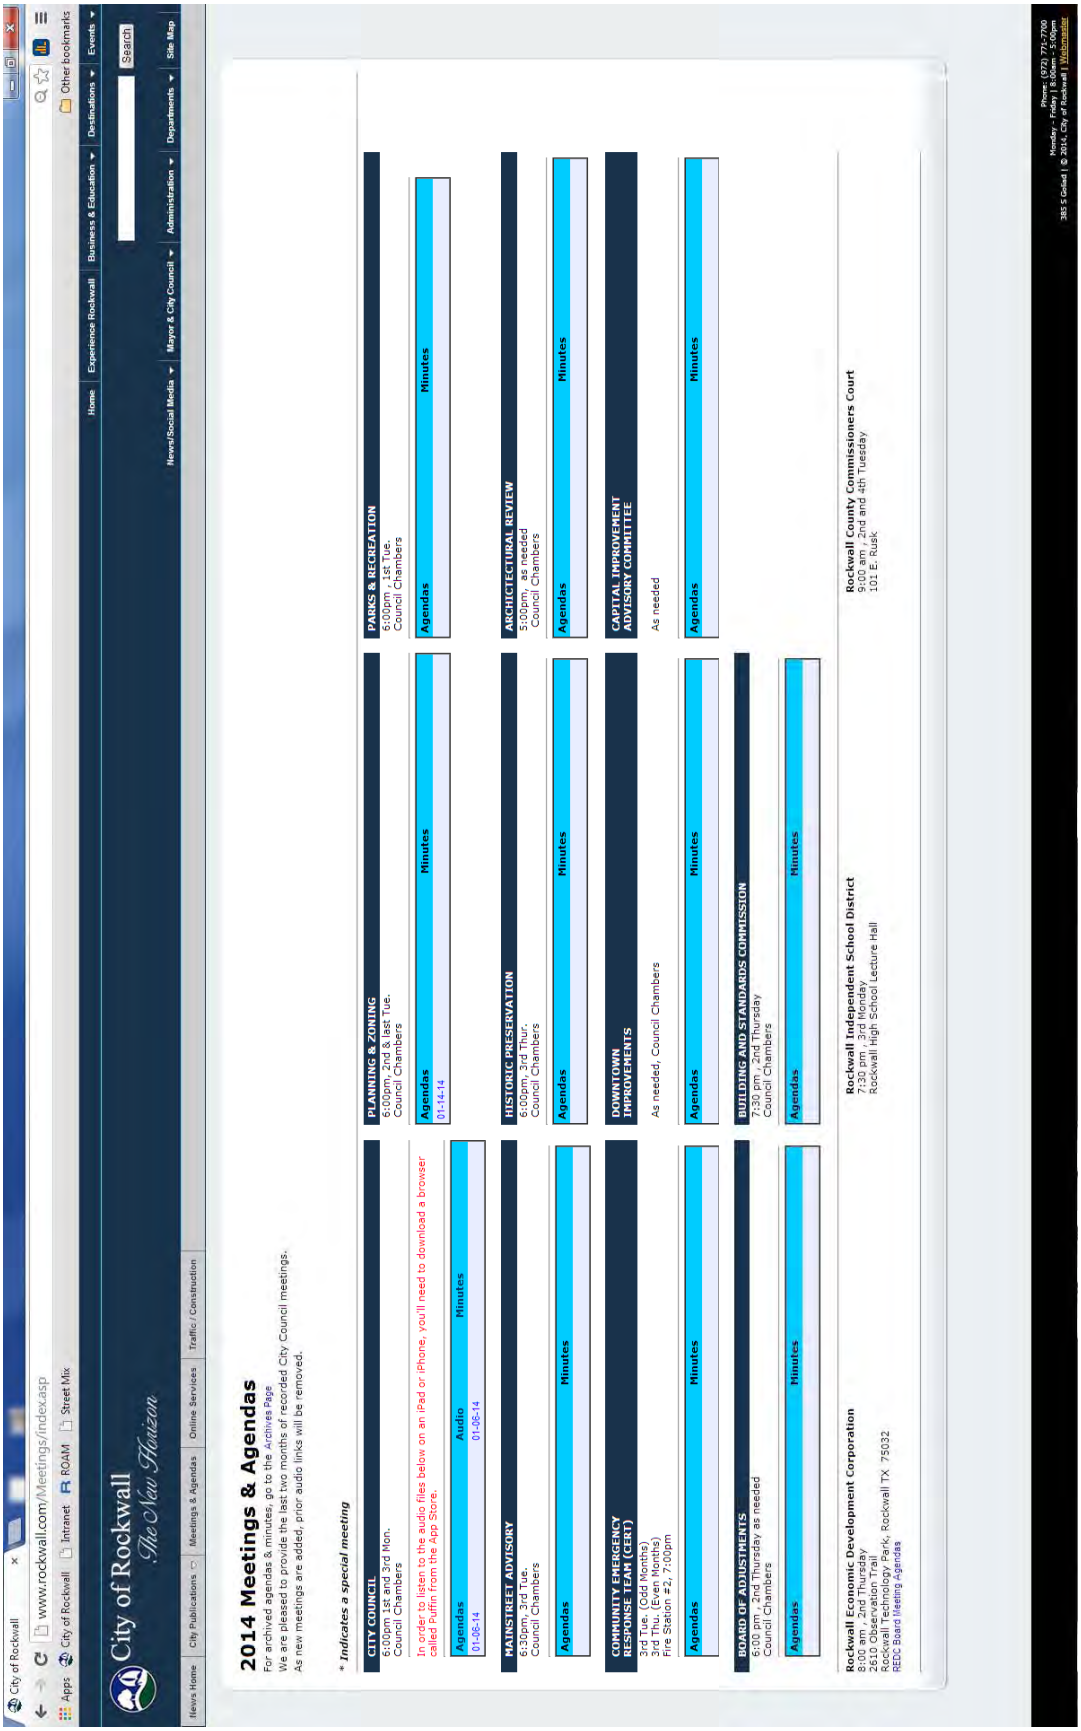
The following is a summary of all practices performed by staff concerning the notification of property owners concerning a public hearing as required by state and local law and departmental policy.

State Requirements

According to Section 211, *Municipal Zoning Authority*, of the Texas Local Government Code in order for a municipality to exercise zoning authority through a public hearing proper notification must be provided. Proper notification in this case consists of:

1) a newspaper notice which is published in a newspaper of general circulation within the municipality ten (10) days prior to the public hearing,
2) a notification indicating the proposed change in zoning and the date of the public hearing sent to all real property owners, as indicated by the most recent municipal tax roll, within 200-feet of the subject property,
3) a copy of the meeting agenda is posted on a bulletin board at the entrance to City Hall, and
4) a copy of the meeting agenda is posted on the City's website (see *Exhibit 'G'*).

§211.007 & §551.050 of the Texas Local Government Code.



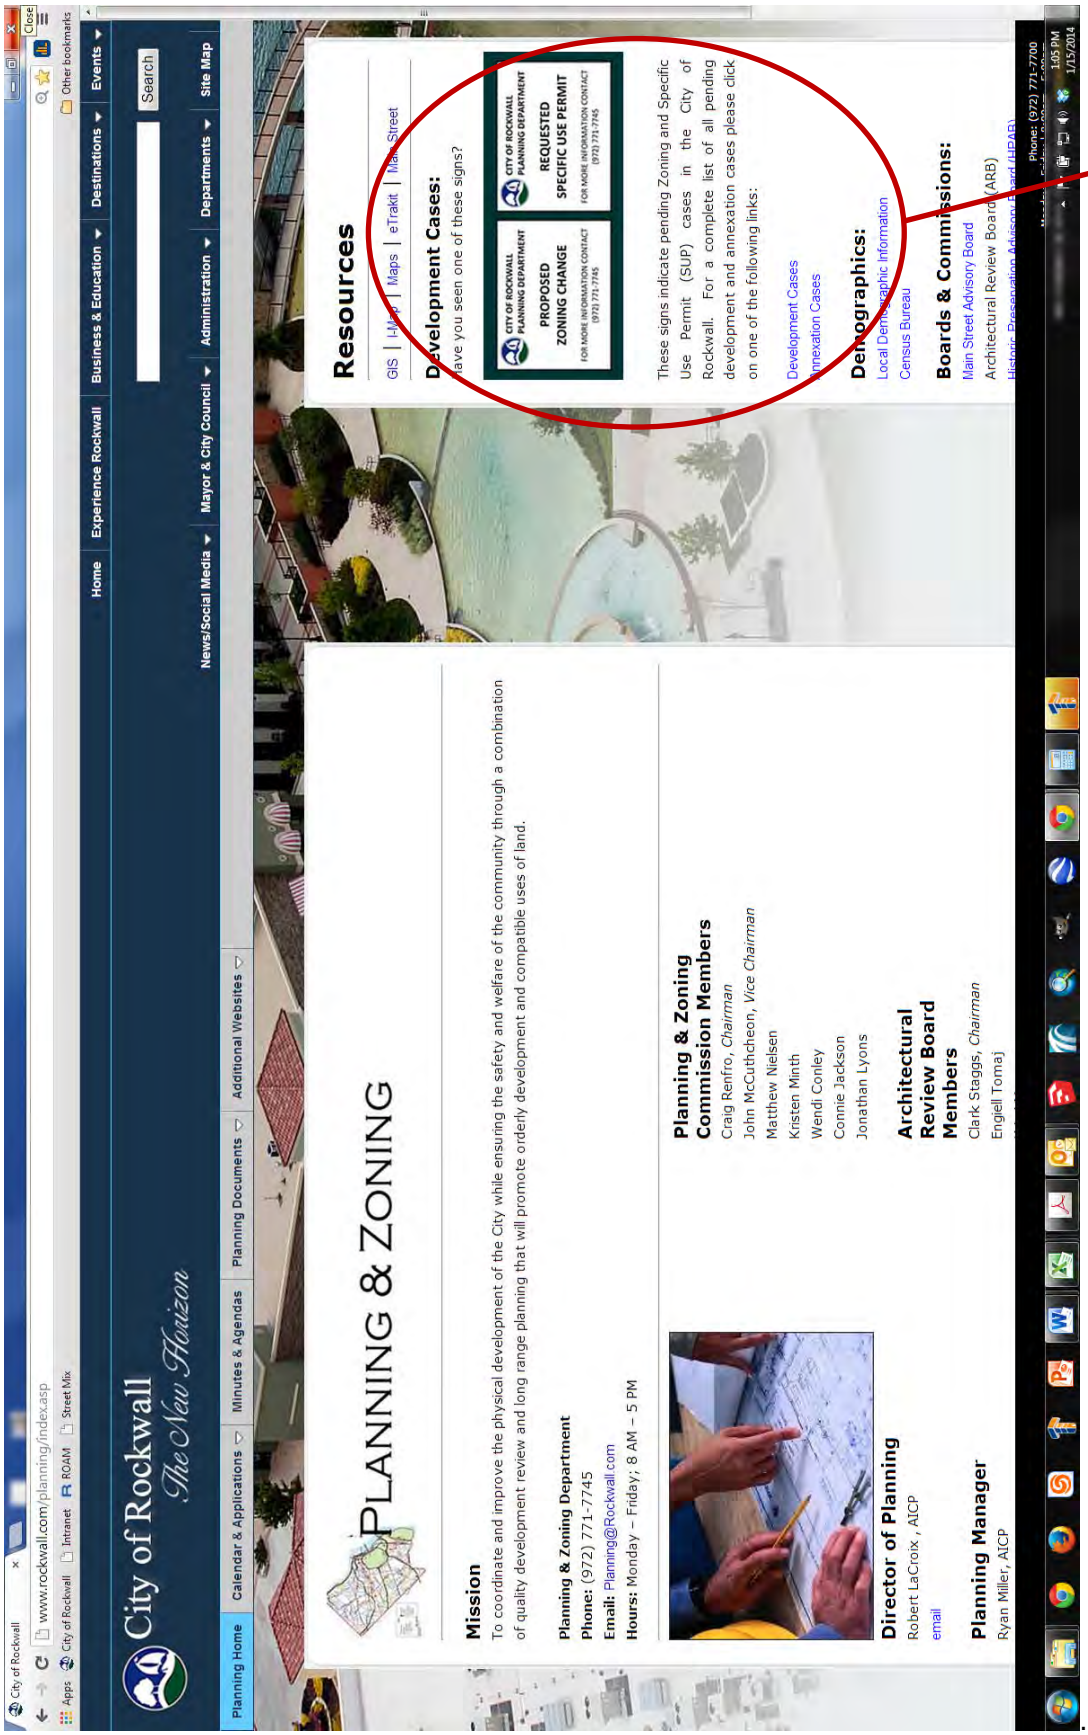
City Requirements

Section 6.1 of Article II, *Authority and Administrative Procedures*, of the Unified Development Code (UDC) stipulates that staff shall post a sign advertising the zoning change on the subject property ten (10) days prior to the public hearing date (see *Exhibit 'H*).

Planning and Zoning Department Policy

In addition to maintaining compliance with all current state and local laws, staff also posts all current development cases (*i.e. Plats, Site Plans, Specific Use Permits, Zoning Changes, etc.*) on the Planning & Zoning Department's webpage located on the city's website and adds the locations of the subject properties to the interactive map (which is also available on the City's website) (see *Exhibit 'I*). These courtesy notifications on the website generally include links to the location map and/or the development documents (*i.e. the Plat, Site Plan, Zoning Exhibit, etc.*). Additionally, the locations of the development cases are generally input into the online map within a week of receiving the applications (*i.e. 18-19 days prior to the Planning & Zoning Commission Meeting*), and are generally advertised on the Planning & Zoning Department's webpage 15 days prior to the Planning & Zoning Meeting.

Exhibit 'G'
Meetings and Agendas Webpage on the City's Website



The following are illustrations of the signs used to advertise development cases to meet the requirements of Article II, *Authority and Administrative Procedures*, of the Unified Development Code. The signs used by staff are either 1½-feet by two (2) feet (or 3 SF) or four (4) feet by five (5) feet (or 20 SF), and are double sided.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 4/7/2014

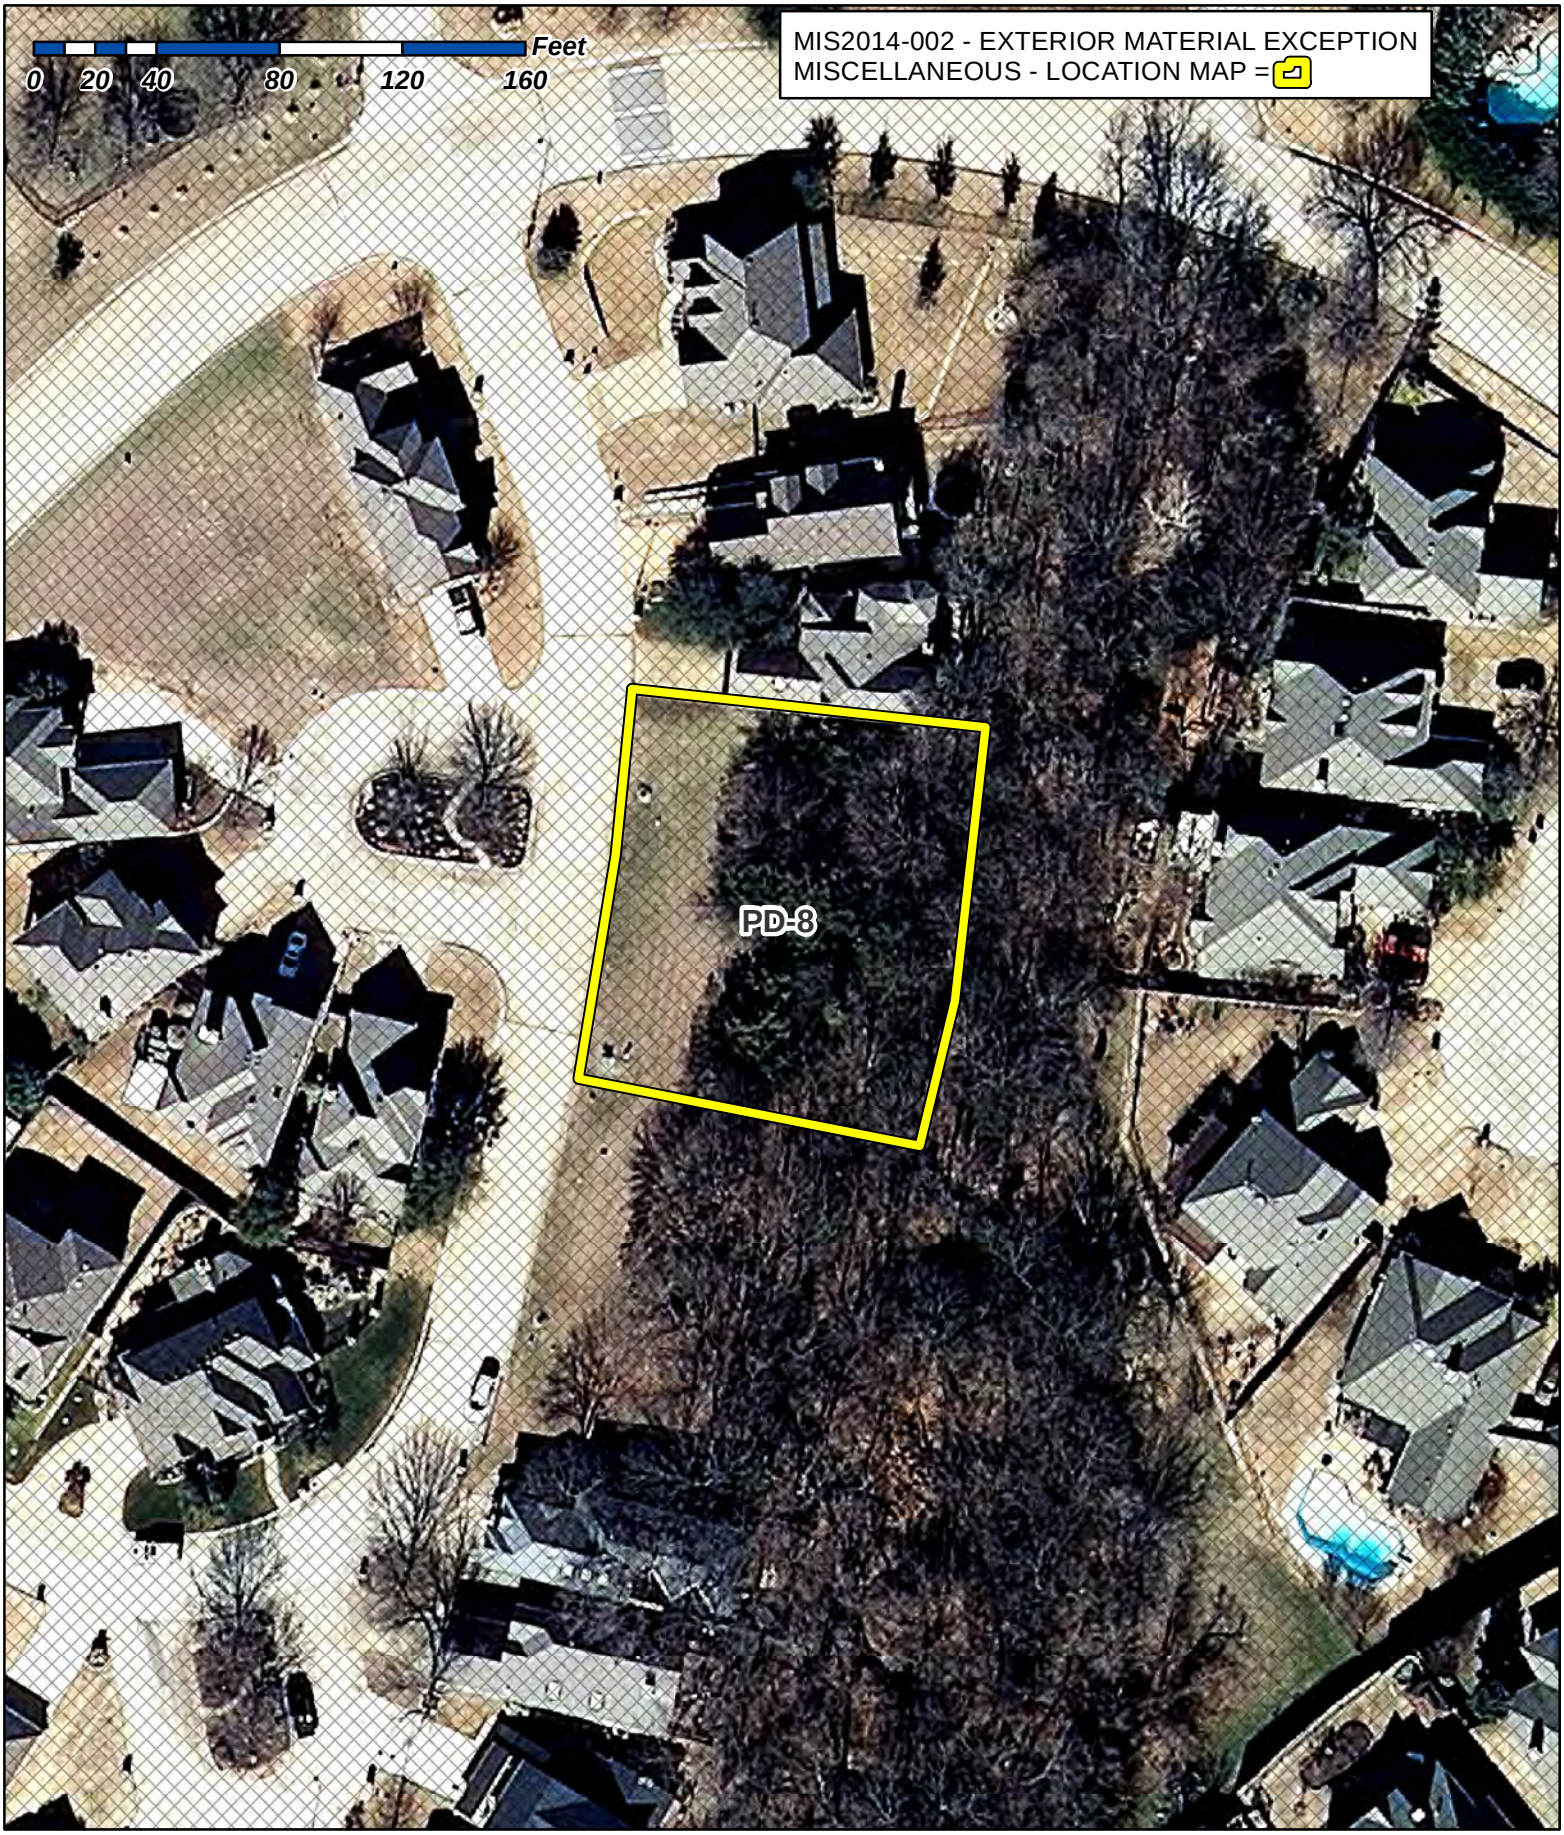
APPLICANT: Tallison Construction Company

AGENDA ITEM: **MIS2014-002;** Chandlers Landing Phase 16, Lt 23, Blk E

SUMMARY:

Discuss and consider a request by Fritz McKinstry for the approval of an exception to the minimum masonry requirements stipulated in Section 3.1, General Residential District Standards, of Article V, District Development Standards, of the Unified Development Code, for a 0.17-acre parcel of land identified as Lot 23, Block E, Chandler's Landing, Phase 16, zoned Planned Development District 8 (PD-8), located at 257 Victory Lane, Rockwall, Rockwall County, Texas, and take any action necessary.

BACKGROUND INFORMATION:



The applicant, Fritz McKinstry, is requesting a waiver to Section 3.1(A)(1) of the Unified Development Code. The above referenced section states "Hardy Plank or similar cementaceous material may be used for up to 50% of the masonry requirement" of a residential home. The section does allow the Planning and Zoning Commission to approve a waiver for proposals not meeting the requirements of said section.

The applicant is proposing a 4,125 square foot home with exterior cladding being comprised of 100% stucco with precast concrete accents. The subject site is a 14,757 square foot tract being Lot 23, Chandlers Landing Phase 16, located at 257 Victory Lane.

The applicant has provided a letter from the Chandlers Landing Community Association indicating their approval of the house plans as submitted.

PLANNING & ZONING COMMISSION:

On March 25, 2014, the Planning & Zoning Commission approved the exception by a vote of 4 to 0, with Commissioners Conley, Minth, and Nielsen absent.

City of Rockwall

March 12, 2014

City of Rockwall

To whom it may concern,

I am requesting a variance to install masonry stucco and cast stone on the exterior of our new home at 257 Victory Lane. The house is designed in a southwestern style similar to homes in the Santa Fe, New Mexico area. The house has been approved by the Chandlers Landing Community Association, per attached letter.

Thank you,

Fritz McKinstry

Re: House Plans for 257 Victory, Chandlers Landing

Dear Mr. McKinstry:

This is written confirmation of the Environmental Committee's approval of your house plans for Lot 23, Block E, Phase 16, in Chandlers Landing. Plans are approved as submitted per remark and subject to the following:

SETBACKS:
A minimum front setback of 20 feet shall be maintained.
A minimum rear setback of 20 feet shall be maintained.
Minimum side setbacks as determined by the City of Rockwall shall be maintained.

EXTERIOR:
Automatic garage door openers are required.
A mailbox utilizing the same brick as the exterior is encouraged.
All City of Rockwall ordinances and requirements shall be observed.
All external mechanical units shall be screened and service entrance is not permitted on the front elevation.
Exterior surface samples shall be submitted prior to installation.
Silt fencing is required in areas with a down hill slope that allows drainage to other lots or to the street.
A landscaping plan must be submitted for approval.
Construction, including landscaping must be completed within twelve months of approval.
The maximum roof elevation shall not exceed 535' measured in U.S.G.S. datum.
A clean worksite free of trash and building debris shall be maintained at all times.
A trash receptacle is required on the construction site and must be emptied as needed.
Construction hours are 7:00 AM – 6:00 PM Monday – Friday and 9:00AM - 5:00PM on Saturday. No construction is allowed on Sundays or Holidays.

1. Any exterior material or structural changes from the approved plans must be approved in advance by CLCA.
2. A forms board survey including top of form elevations is required before the foundation is poured.
3. In the event that you fail to maintain the worksite free of trash and building debris, you consent and give your authorization to CLCA to enter the property and perform your duties and you further agree to pay all costs incurred by CLCA to maintain the worksite.
4. If you agree to the terms and conditions stated herein, please date and sign this letter and return with the fees indicated below.

New construction fees have been paid.

Sincerely,

Kama Roux

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Mary Smith, Assistant City Manager**

DATE: **April 4, 2014**

SUBJECT: **Hotel Tax Funding Requests**

The Hotel / Motel sub-committee of City Council will consider the attached funding requests included in the Council meeting packet Monday afternoon prior to the Council worksession. A report with the sub-committee's recommendations will be presented at the Council meeting.

City of Rockwall
The New Horizon

MEMORANDUM

TO: Hotel / Motel Sub-committee Members

FROM: Mary Smith, Assistant City Manager

DATE: April 2, 2014

SUBJECT: Request for Funding Allocation – Soroptomist and Rockwall News

The City has received supplemental funding requests for hotel occupancy tax revenues. The requests are attached for Council's consideration and are summarized as follows:

Organization	Event	Amount	Subcommittee Recommendation
Soroptomist Intl of Rockwall	County Fair	$10,000	
The Rockwall News	Rockwall News Memorial Day Concert	$ 13,160	
Dodie's at the Harbor	Crawfish Fest	$3,000	

Copies of the Funding Request Questionnaires and supporting documentation are attached for the Subcommittee's review and recommendation to the full Council.

Summary of each application:

The local Soroptomist Chapter is planning a new event – a County Fair on Saturday June 14. The event is being held in the Rockwall Technology Park on vacant land near the A&M Commerce building and will run from 4pm to 11pm. The organization is requesting $10,000 for the event, $2,000 of which is slated for promotion.

JJ Smith of The Rockwall News has provided updated information for the subcommittee. He has approached all of the area hotels and worked out packages on a number of rooms to be held in a block for this event. He has also extended the concert from 1 to 1.5 hours on Sunday evening of the Memorial Day weekend. A marketing plan is attached for review. He requests the subcommittee reconsider his application. His application includes $1,920 for the rental of the Harbor for the event.

Dodie's at the Harbor is requesting funding for promotion of their annual Crawfish fest day on April 27. The event runs from noon to 5pm and will feature all you can eat crawfish and a band. This is the second year for the event with an estimated 300 guests last year. Discount packages have been worked out with the Hilton to promote hotel stays. All proceeds from ticket sales will be donated to the Rockwall YMCA. They are asking for $3,000 with a promotion budget of $5,000.

At the present, the Hotel/Motel Occupancy Tax budget is as follows:

Fund Balance carried forward	**$ 126,619**
Revenues budgeted	**275,000**
Allocated Funding	**(351,295)**
Projected Fund Balance	**$ 50,324**

Total supplemental requests - $26,160

Total subcommittee recommendations – to be determined

- ► COMPLETE AN APPLICATION FOR EACH EVENT/PROGRAM/EXHIBIT REQUESTING FUNDS
- ► INCOMPLETE APPLICATIONS WILL NOT BE FORWARDED TO THE COUNCIL SUBCOMMITTEE

1. Mark an "X" next to the category or categories that your organization is requesting funds in the attached budget request.

   X **Advertising/Tourism** **Requested funding amount $ 10,000**
   Conducting solicitation or promotional programs that encourage tourists and delegates to come to the City of Rockwall.

   ☐ **Arts** **Requested funding amount $**
   Providing encouragement, promotion, improvement and application of the arts as it relates to the presentation, performance execution or exhibition of the major art forms in the City of Rockwall.

   ☐ **Historical** **Requested funding amount $**
   Providing historical restoration, preservation, programs and encouragement to visit preserved historic sites or museums located in the City of Rockwall.

2. Briefly state the purpose of your organization/mission statement:
   Soroptimist improves the lives of women and girls through programs leading to social and economic empowerment.

3. Does your organization have paid staff?
   No

4. Does your organization use volunteers?
   Yes Approximately how many? **50**

5. Is the event/program that the organization is requesting Hotel Tax funds held in/on City-owned property?
   No Name location: **Rockwall Technology Park**

   If you are holding your event in/on city-owned property, the City may, in lieu of funds, donate the cost of the facility/property rental for that event.

6. Will your event be held in *"The Downtown"* or adjacent to *Lake Ray Hubbard*?
   No

7. Will your organization provide special event insurance coverage for the event/program if held on City property?
   N/A

8. List all other sources of funding your organization receives for this event. Include event budget (use the required budget form attached).
   Seed money from Soroptimist Operating Account $2,000

9. List the programs, activities, exhibits, or event for the upcoming fiscal year (Oct. 1, 2013-Sept. 30, 2014) that the requested Hotel funding will support partially or in full.
   Rockwall Country Fair

160

10. Provide 3 years attendance history for the above listed programs, activities, exhibits or event in #9 above.

****First Year for event/No prior years available****

Event	Year	Event Duration (in Days)	Audience Size	# of Attendees in hotel rooms

11. How do the requested budget expenditures meet the definition of the categories marked in #1? Advertising/Tourism

We hope to bring people to Rockwall from all over the Metroplex and the state. They would stay at Rockwall hotels and eat at Rockwall restaurants, and bring their families back to other events.

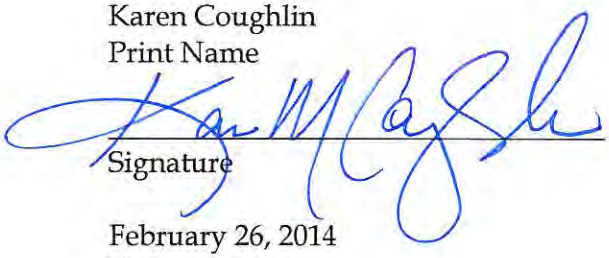
12. What specific market will you target with the event/program's marketing plan? Attach up to 3 examples and evidence of marketing area and readership (Label Exhibit C).
Our targeted audience is the family.

13. Describe in detail how your event/program will promote tourism and the hotel industry in Rockwall.
As mentioned in #11, the fair would bring people to Rockwall for the weekend. They would take advantage of our motels, restaurants, Harbor and Downtown areas.

14. Describe the organization's long-term plan (3-5 year) in regard to the program/ event that funds are being requested.
We hope to grow this event by 100 - 200 people every years. Our projected attendance for this year is 400 - 600.

15. The City of Rockwall must require segregated accounting of its Hotel funds. Organizations must maintain and account for revenue provided from the tax authorized by section 351.101(a) within one of the two options listed below.
    a) Separate checking account without combining with any other revenues or maintained in any other bank account or
    b) Maintain a line item accounting, whereby the Hotel revenues may not be combined with any other revenues or expenditures. The funds may be maintained in the same bank account, provided they are reported as a separate line item in the organization's budget. Interest earned on the Hotel revenues must be used to support the event/program as well.

Will the organization be able to segregate the accounting process in either a) or b) above? **Yes**



16. Provide all of the following documentation with this application and label each as outlined below.

Exhibit A	Proposed budget for each event/program using attached form
Exhibit B	Letter of determination certifying federal tax exempt 501(c)(3) status
Exhibit C	Examples and evidence of marketing area and readership (limit 3)
Exhibit D	List members of the governing body including name, position, mailing address and phone number

We certify, to the best of our ability, that the information in this application, including all exhibits and supporting documentation is true and correct to the best of our knowledge. It is understood and agreed that any funds awarded as a result of this application will be used for the purpose set for herein and the program guidelines.

Subject: Fwd: HOT REQUEST

I told Richard we'd briefly discuss this this afternoon. He also said he would contact city about applying.

Told him he'd have to find some way to justify the heads in beds and so he's thinking of someway to create a weekend package.

Told him without that it's very unlikely he'd qualify for funding.

Begin forwarded message:

> David,
>
> Dodie's All-You-Can-Eat Crawfish Fest at The Harbor is an annual event used to raise money for a local charity. Last year, the Rockwall Rotary Club was the beneficiary. This year , all proceeds from ticket sales will go to the JER Chilton YMCA's Angel Camp program for kids with special needs. This family-friendly event is scheduled for Sunday, April 27 from noon to 5pm, and will feature live music from The Big Daddy Band. In 2013, this popular event served up more than 1,200 pounds of crawfish and brought in more than 300 people - and of those 300, 210 were from zip codes beyond Rockwall, Heath and Royce City. We are requesting $3,000 to supplement the cost of advertising in expectation of drawing an even bigger crowd this year. I am sure the city will enjoy great exposure. We will have a special hotel packages offered on the website and in our advertising, marketing and social media efforts promoting this event.
> Thank you for your consideration and help with this.
>
> Thanks for the help.

The Rockwall News Memorial Day Concert

Advertising plan/budget

Ads to run April 21 – May 23, in addition to news stories, radio interviews, social media, emails

I. Targeting:

1) Conservative Adults 35+ - including veterans and adults most likely to want to thank the military

2) Adults 25+ - to attract active-duty military & families

3) Teens, Adults 18-34 - to attract Jason Castro fans

II. Media most likely to reach these targets for best value:

1) DFW news media websites – dallasnews.com, wfaa.com & myfoxdfw.com to reach all 3 demographics

2) Facebook.com ads to reach all 3 demographics

3) AM stations with conservative talk programs, such as Rush Limbaugh, Sean Hannity & Mark Davis

4) Country music stations to reach veterans, active-duty military & families - 96.3 FM and/or 99.5 FM

5) Pop music radio stations to reach teens & young adults - 106.1 FM and/or 93.3 FM

III. Best media to buy for $10,000+ budget

1) Dallas Morning News website – dallasnews.com	$3,000
2) WFAA TV 8 news website – wfaa.com	$3,000
3) Facebook.com	$4,000

Rockwall News Memorial Day Concert

175

10. Provide 3 years attendance history for the above listed programs, activities, exhibits or event in #9 above. N/A

Event	Year	Event Duration (in Days)	Audience Size	# of Attendees in hotel rooms

11. How do the requested budget expenditures meet the definition of the categories marked in #1? Advertising/Tourism, Arts, Historical

All expenditures will help attract thousands of visitors to Rockwall and dozens to spend at least one night in local hotels

12. What specific market will you target with the event/program's marketing plan? Attach up to 3 examples and evidence of marketing area and readership (Label Exhibit C). Will target DFW veterans and military and families via ads & news publicity on Facebook, TV, radio & print/web news & social media

13. Describe in detail how your event/program will promote tourism and the hotel industry in Rockwall. The only event of its kind will attract thousands of veterans & active-duty military to spend night and eat and shop in Rockwall

14. Describe the organization's long-term plan (3-5 year) in regard to the program/event that funds are being requested. We intend to make this event bigger & better each year, eventually bringing in big name performers & dignitaries

15. The City of Rockwall must require segregated accounting of its Hotel funds. Organizations must maintain and account for revenue provided from the tax authorized by section 351.101(a) within one of the two options listed below.

a) Separate checking account without combining with any other revenues or maintained in any other bank account or

b) Maintain a line item accounting, whereby the Hotel revenues may not be combined with any other revenues or expenditures. The funds may be maintained in the same bank account, provided they are reported as a separate line item in the organization's budget. Interest earned on the Hotel revenues must be used to support the event/program as well.

Will the organization be able to segregate the accounting process in either a) or b) above? Either (Yes) Likely separate

16. Provide all of the following documentation with this application and label each as outlined below.

Exhibit A	Proposed budget for each event/program using attached form
Exhibit B	Letter of determination certifying federal tax exempt 501(c)(3) status
Exhibit C	Examples and evidence of marketing area and readership (limit 3)
Exhibit D	List members of the governing body including name, position, mailing address and phone number

We certify, to the best of our ability, that the information in this application, including all exhibits and supporting documentation is true and correct to the best of our knowledge. It is understood and agreed that any funds awarded as a result of this application will be used for the purpose set for herein and the program guidelines.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Timothy M. Tumulty, Director of Public Works/City Engineer**

DATE: **April 4, 2014**

SUBJECT: **Water Conservation/Drought Contingency Plan**

The Texas Commission on Environmental Quality requires every water provider to revise and submit their water conservation and drought contingency plan every five years. Our existing Drought Contingency/Water Emergency Response Plan and the Water Conservation Plan was adopted by City Council on August 3, 2009 and July 6, 2009 respectively. The staff has made minor revisions to our current plans and will submit these documents to the TCEQ by May 1, 2014 after City Council approves the ordinance.

Staff recommends City Council consideration to approve the revised Drought Contingency/Water Emergency Response Plan and Water Conservation Plan to keep the City in compliance with Texas Commission on Environmental Quality requirements.

CITY OF ROCKWALL

ORDINANCE NO. 14-___

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE CODE OF ORDINANCES IN CHAPTER 44. UTILITIES; ARTICLE V. WATER; DIVISION 7. DROUGHT CONTINGENCY AND WATER EMERGENCY RESPONSE PLAN, TO PROVIDE FOR CERTAIN DELETIONS AND CHANGES TO ITS PROVISIONS; PROVIDING FOR A PENALTY OF A FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE AND A SEPARATE OFFENSE SHALL BE DEEMED COMMITTED ON EACH DAY DURING OR ON WHICH A VIOLATION OCCURS; PROVIDING FOR SEVERABILITY AND REPEALER CLAUSES; PROVIDING FOR AN EFFECTVE DATE.

WHEREAS, the City Council previously adopted Ordinance # 09-29 which established a Drought Contingency and Water Emergency Response Plan; and

WHEREAS, the City Council has determined the need to implement certain modifications to the Drought Contingency and Water Emergency Response Plan in accordance with Section 288.20 of the Texas Administrative Code.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1. That portions of Sec. 44-436 of Chapter 44. Utilities, Article V. Water, Division 7. Drought Contingency and Emergency Response Plan are hereby amended to henceforth read as follows:

Sec. 44-436 Stages and measures

(b) (7) Requires notification to Texas Commission on Environmental Quality (TCEQ):

a. Limit landscape watering with sprinklers or irrigation systems to no more than two days per week. An exception is allowed for landscape associated with new construction that may be watered as necessary for 30 days from the date of the certificate of occupancy. ~~An exemption is also allowed for registered and properly functioning ET/Smart irrigation systems and drip irrigation systems, which do not have restrictions to the number of days per week of operation.~~

(c) (8) Requires notification to Texas Commission on Environmental Quality (TCEQ). Limit landscape watering with sprinklers or irrigation systems at each service address to ~~twice~~ **once** every seven days ~~or as described in the table contained in subsection (8)a of this section depending on the city manager's assessment of the extent of the need for emergency conservation~~. in accordance with the current schedule based on customer service address as developed and implemented by the city manager.

a. ~~If the city manager determines the need for limiting watering with sprinkler or irrigation systems to twice every seven days, the following schedule based on customer service addresses shall apply:~~

~~Address Ends In~~	~~Designated Watering Days~~
~~1~~	~~Monday and Friday~~
~~2~~	~~Monday and Friday~~
~~3~~	~~Monday and Friday~~
~~4~~	~~Tuesday and Saturday~~
~~5~~	~~Tuesday and Saturday~~
~~6~~	~~Wednesday and Sunday~~
~~7~~	~~Wednesday and Sunday~~
~~8~~	~~Wednesday and Sunday~~
~~9~~	~~Monday and Thursday~~
~~0~~	~~Monday and Thursday~~

b. If the city manager determines the need for limiting watering with sprinklers or irrigation systems to ~~once~~ one day every seven days, or any other emergency schedules mandated by the circumstance, an alternative schedule based on customer service address may be developed and implemented by the city manager.

c. ~~(5) Registered and properly functioning ET/Smart irrigation systems and drip irrigation systems may irrigate without restrictions.~~

SECTION 2. That the remainder of Chapter 44, Utilities, Article V, Water Division 7 of the City Code of Ordinances remains unchanged.

SECTION 3. That the City Manager or his designee is hereby directed to file a copy of the Plan and this Ordinance with the Texas Commission on Environmental Quality in accordance with Title 30, Chapter 288 of the Texas Administrative Code;

SECTION 4. That if any section, subsection, sentence, clause, or phrase of this Ordinance is for any reason held to be unconstitutional or illegal, such decision shall not affect the validity of the remaining sections of this Ordinance. The City Council hereby declares that it would have passed this Ordinance, and each section, subsection, clause, or phrase thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses, or phrases be declared void;

SECTION 5. That all ordinances or parts of ordinances, in conflict herewith are to the extent of such conflict hereby repealed, and the balance of such ordinance is hereby saved from repeal;

SECTION 6. That the City Council does hereby find and declare that sufficient written notice of the date, hour, place and subject of the meeting adopting this Ordinance was posted at a designated place convenient to the public for the time required by law preceding the meeting, that such place of posting was readily accessible at all times to the general public, and that all of the foregoing was done as required by law at all times during which this Ordinance and the

subject matter thereof has been discussed, considered and formally acted upon. The City Council further ratifies, approves and confirms such written notice and the posting thereof.

SECTION 7. That any person, firm or corporation violating any of the provisions of this ordinance shall be punished by a penalty of a fine not to exceed the sum of Two Thousand Dollars ($2,000.00) for each offense and each day such offense shall continue shall be deemed to constitute a separate offense.

SECTION 8. That the ordinance shall be effective immediately following its second reading and publication in accordance with the City Charter.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 21st day of April, 2014.

David Sweet, Mayor

DROUGHT CONTINGENCY AND WATER EMERGENCY RESPONSE PLAN

MAY 2014

184

KNOWLEDGEMENTS

This Model Drought Contingency and Water Emergency Response Plan was prepared by Freese and Nichols for the North Texas Municipal Water District (NTMWD). It is intended to be used by NTMWD Member Cities and Customers as a guide as they develop their own drought contingency and water emergency response plans. This plan was prepared pursuant to Texas Commission on Environmental Quality rules. Some material is based on the existing drought contingency plans listed in Appendix A. To develop a regional approach, the emergency water management (drought contingency) plans for the City of Fort Worth and the City of Dallas were consulted.

Questions regarding this drought contingency and water emergency response plan should be addressed to the following:

Tom Gooch, P.E.
Freese and Nichols, Inc.

Model Drought Contingency and Water Emergency Response Plan for

North Texas Municipal Water District Member Cities and Customers

MAY 2014

1. INTRODUCTION AND OBJECTIVES

This document has been prepared as a model drought contingency and water emergency response plan, intended to be available for use by North Texas Municipal Water District (NTMWD) Member Cities and Customer Cities as they develop their own plans. This model plan addresses all of the current TCEQ requirements for a drought contingency plan. [1] This plan will replace the plans dated August 2004, April 2006 and March 2008.
