Subject: Case # Z2014-015: Accessory Building SUP

Robert LaCroix,
David Gonzalez,

We are the neighbors of Dennis and his wife who live at 921 N. Alamo, we live at 923 N. Alamo Rd. In regards to the new building that Dennis is wanting to put on his property, we ***do not*** have an issue with it.

If having the new building on his property helps him to accomplish the things he wants to or needs to as a home owner then nobody should stop him from achieving his goals. If the building helps to increase his property value, which we all know it will, then let him improve the value of it. If we, as his immediate neighbors, who will see the building everyday do not have a problem with the building, let him build it.

As far as the other people in the area that can not see his property, house, let alone a building behind his house that have a say, who cares. His new building and property have no effect on them. In working for a local Law Enforcement Agency I understand the reason why rules, regulations, and documentation is so important. However, I feel that sometimes common sense goes out the window. But as we hope nobody interferes with the wants/needs in this case, we also hope that if somebody does have an issue with new building that you take into account the opinion of the people the building will have a direct impact on (property that immediately adjoins 921 N. Alamo Rd.) and that it carries more weight, than those who are down the street or can not see his property.

Having grown up in Rockwall and even working for the city in Parks and Rec. while in high school, I know why this city is in such high demand. That is why I recently moved back with my wife and look forward to starting my family here. All we ask is that you include this letter to City Council and take into account the opinions of the neighbors who will be in direct contact with the property at 921 N. Alamo Rd. Unfortunately, as neither of us can make the public hearings due to our work schedules, we ask that this letter be our voice in the matter of case Z2014-015. Thank you for your time and have a blessed day.

Sincerely,

Nick & Alyssa Titlow

p.s. We were just married and we do not know if the records have been updated in your files to verify that we are the home owners. If you have any questions feel free to contact Nick on his cell phone (972) 768-9401.

CITY OF ROCKWALL

ORDINANCE NO. 14-___

SUP NO. _____

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT WITHIN THE SINGLE-FAMILY RESIDENTIAL (SF-10) DISTRICT ALLOWING FOR AN ACCESSORY BUILDING EXCEEDING THE SIZE REQUIREMENTS, ON THE PROPERTY LOCATED AT 921 ALAMO ROAD, BEING A 0.74-ACRE PARCEL OF LAND IDENTIFED AS A PORTION OF BLOCK 4, GARNER ADDITION, AND MORE SPECIFICALLY DESCRIBED IN EXHIBIT 'A'; CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a request has been made by Dennis D. Alsup for a Specific Use Permit allowing for an accessory building exceeding the size requirements within the Single-Family Residential (SF-10) District, on the property located at 921 Alamo Road, being a 0.74-acre parcel of land identified as a portion of Block 4, Garner Addition, City of Rockwall, Rockwall County, Texas, and more specifically described in Exhibit 'A' of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the Unified Development Code of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit allowing for an accessory building exceeding the size requirements within the Single-Family Residential (SF-10) District for the *Subject Property*; and

Section 2. That the Specific Use Permit shall be subject to the conditions set forth in ***Article IV, Section 2.1.2, Residential and Lodging Use Conditions,*** of the City of Rockwall Unified Development Code (Ord. No. 04-38) as heretofore amended and as may be amended in the future, and shall be subject to the additional following additions:

1) The accessory building must conform to all Engineering and Fire Department standards; and

2) Submittal and approval of a building permit is required prior to the construction of the

accessory building; and

3) The accessory building must conform to the approved site plan (survey) and building elevations (photo) depicted in Exhibits 'A' & 'B' of this ordinance; and

4) The accessory building shall not exceed 240 square feet in area; and

5) The accessory building shall not exceed a maximum height of 15 feet; and

6) The accessory building is subject to administrative review in the event that the subject property is sold or conveyed in any manner to another party, subdivided, or re-platted; and

7) The City Council reserves the right to review the Specific Use Permit granted herein upon the expiration of one (1) year from the date hereof; and

8) Any construction or building allowed by this request must conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

Section 3. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

Section 4. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

Section 5. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of TWO THOUSAND DOLLARS ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 6. If any section or provision of this ordinance or the application of that section or provision to any person, firm, corporation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE ____ DAY OF _____, 2014.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Timothy M. Tumulty, Director of Public Works/City Engineer**

DATE: **July 3, 2014**

SUBJECT: **Public Hearing for Land Use Assumptions and Capital Improvement Plan for Water/Wastewater Impact Fees**

In accordance with Chapter 395 of the Texas Local Government Code, the City Council is scheduled to hold a public hearing on July 7, 2014 to consider the approval of the Land Use Assumptions and Capital Improvement Program for the Water & Wastewater Impact Fees. Staff completed the Land Use Assumption for the Impact Fees, submitted the document to the Capital Improvement Advisory Committee (CIAC) and received their approval. The final report includes population and employment projections for the City's corporate boundaries and its Extraterritorial Jurisdiction (ETJ) and a forecast of the ultimate (build out) population and employment projections. These projections were included in the development of a Capital Improvement Plan for Water and Wastewater infrastructure to meet the ten year planning timeframe (2013-2023) as well as the build out scenario. Attached is a memorandum from the CIAC Chairman supporting the Land Use Assumptions and the Water and Wastewater Capital Improvement Plan.

Staff requests City Council hold a public hearing to allow comments regarding the Land Use Assumptions and the Water and Wastewater Capital Improvement Plan followed by adoption of these two documents.

FORWARD

IMPACT FEES are charges imposed against new development to generate revenue for or recoup the cost of capital facilities (or infrastructure) necessitated by and attributed to new development. These fees are generally implemented to reduce the economic burden of a municipality when addressing the need for adequate capital improvements to accommodate growth.

PURPOSE

Chapter 395, *Financing Capital Improvements Required by New Development in Municipalities, Counties, and Certain Other Local Governments*, of the Texas Local Government Code outlines the process for adopting and updating impact fees for political subdivisions. On April 21, 2008 the City of Rockwall adopted roadway and water/wastewater impact fees per Ordinance No. 08-21. According to the statutory requirements stipulated by the Texas Local Government Code impact fees are required to be updated a minimum of every five (5) years [*§395.052*].

In approaching an update to existing impact fees it is important for a city to assess its growth and employment potential and establish land use assumptions that will guide development for a ten (10) year planning period (i.e. 2013-2023) [*§395.001(5)*]. These land use assumptions form the basis for the preparation of the *Impact Fee Capital Improvement Plan* for water, wastewater and roadway facilities.

In order to determine the need and timing of capital improvements to serve future development, a rational estimate of future growth is required. The purpose of this report is to formulate growth and employment projections based upon assumptions pertaining to the type, location, quantity and timing of future development within the city, and to establish and document the methodology used for preparing these land use assumptions.

ELEMENTS OF THE LAND USE ASSUMPTIONS REPORT

This report contains the following components:

- ☑ *Methodology*: This component of the report contains the systematic and theoretical analysis of the methods and principals used to prepare the projections and land use assumptions contain within this report.
- ☑ *Service Areas and Data Collection Zones*: This component provides an explanation of the data collection zones (i.e. Traffic Survey Zones [TSZ]) and the Roadway, Water and Wastewater Impact Fee Service Areas for capital facilities.
- ☑ *Base Year Data*: This component provides information on population, housing and employment in the City of Rockwall as of 2013 for each capital facility service area.
- ☑ *Ten-Year Growth Assumptions*: This component provides assumptions with respect to the population, housing and employment for the City of Rockwall in ten (10) years (i.e. 2023). This information is broken out by capital facility service area.
- ☑ *Build Out Assumptions:* This component provides projections for population, housing and employment under the assumption that the City and its Extraterritorial Jurisdiction (ETJ) are completely developed, or *Built Out*.
- ☑ *Summary*: This component provides a synopsis of the land use assumptions contained within this report.
- ☑ *Appendix:* This component contains information that was important in deriving the population, housing and employment projections for 2013-2023.

METHODOLOGY

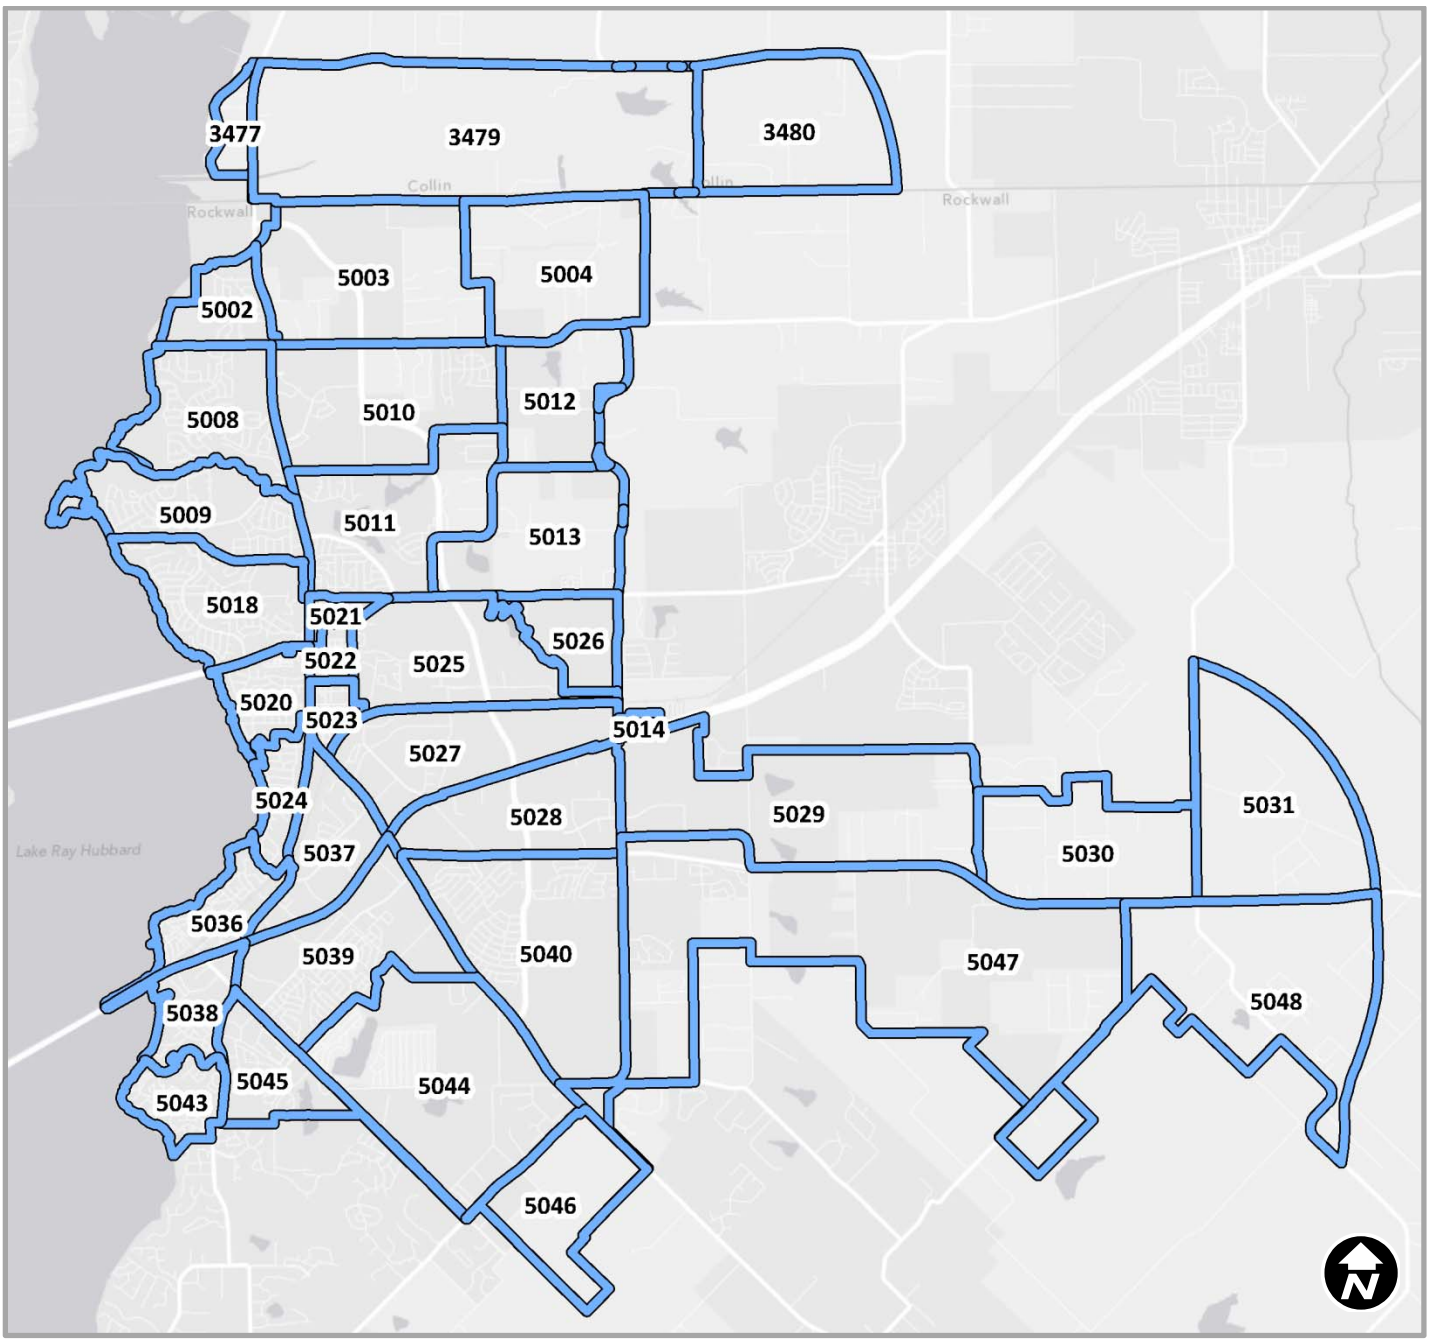
Based upon the growth assumptions and the capital improvements needed to support growth, it is possible to develop an impact fee structure which fairly allocates improvement costs to growth areas in relationship to their impact upon the entire infrastructure system. The data in this report has been formulated using reasonable and generally accepted planning principles.

These land use assumptions and future growth projections take into consideration several factors influencing development patterns. These factors include:

- ☑ The character, type, density and quantity of existing development.
- ☑ The current zoning patterns and anticipated future land uses as established in the Comprehensive Plan (i.e. the City's *Future Land Use Plan Map*).
- ☑ The availability of land to support future expansion of development.
- ☑ The current and historical growth trends of both population and employment within the City.
- ☑ The location and configuration of vacant parcels of land and their ability to support development.
- ☑ The growth of employment utilizing previously established and generally accepted data (i.e. North Central Texas Council of Governments [*NCTCOG*] 2010 & 2015 Employment Projections).
- ☑ Local knowledge concerning future development projects or anticipated development within the city.

LAND USE ASSUMPTIONS REPORT ELEMENTS

The following is the general methodology that was used for the preparation of this report:



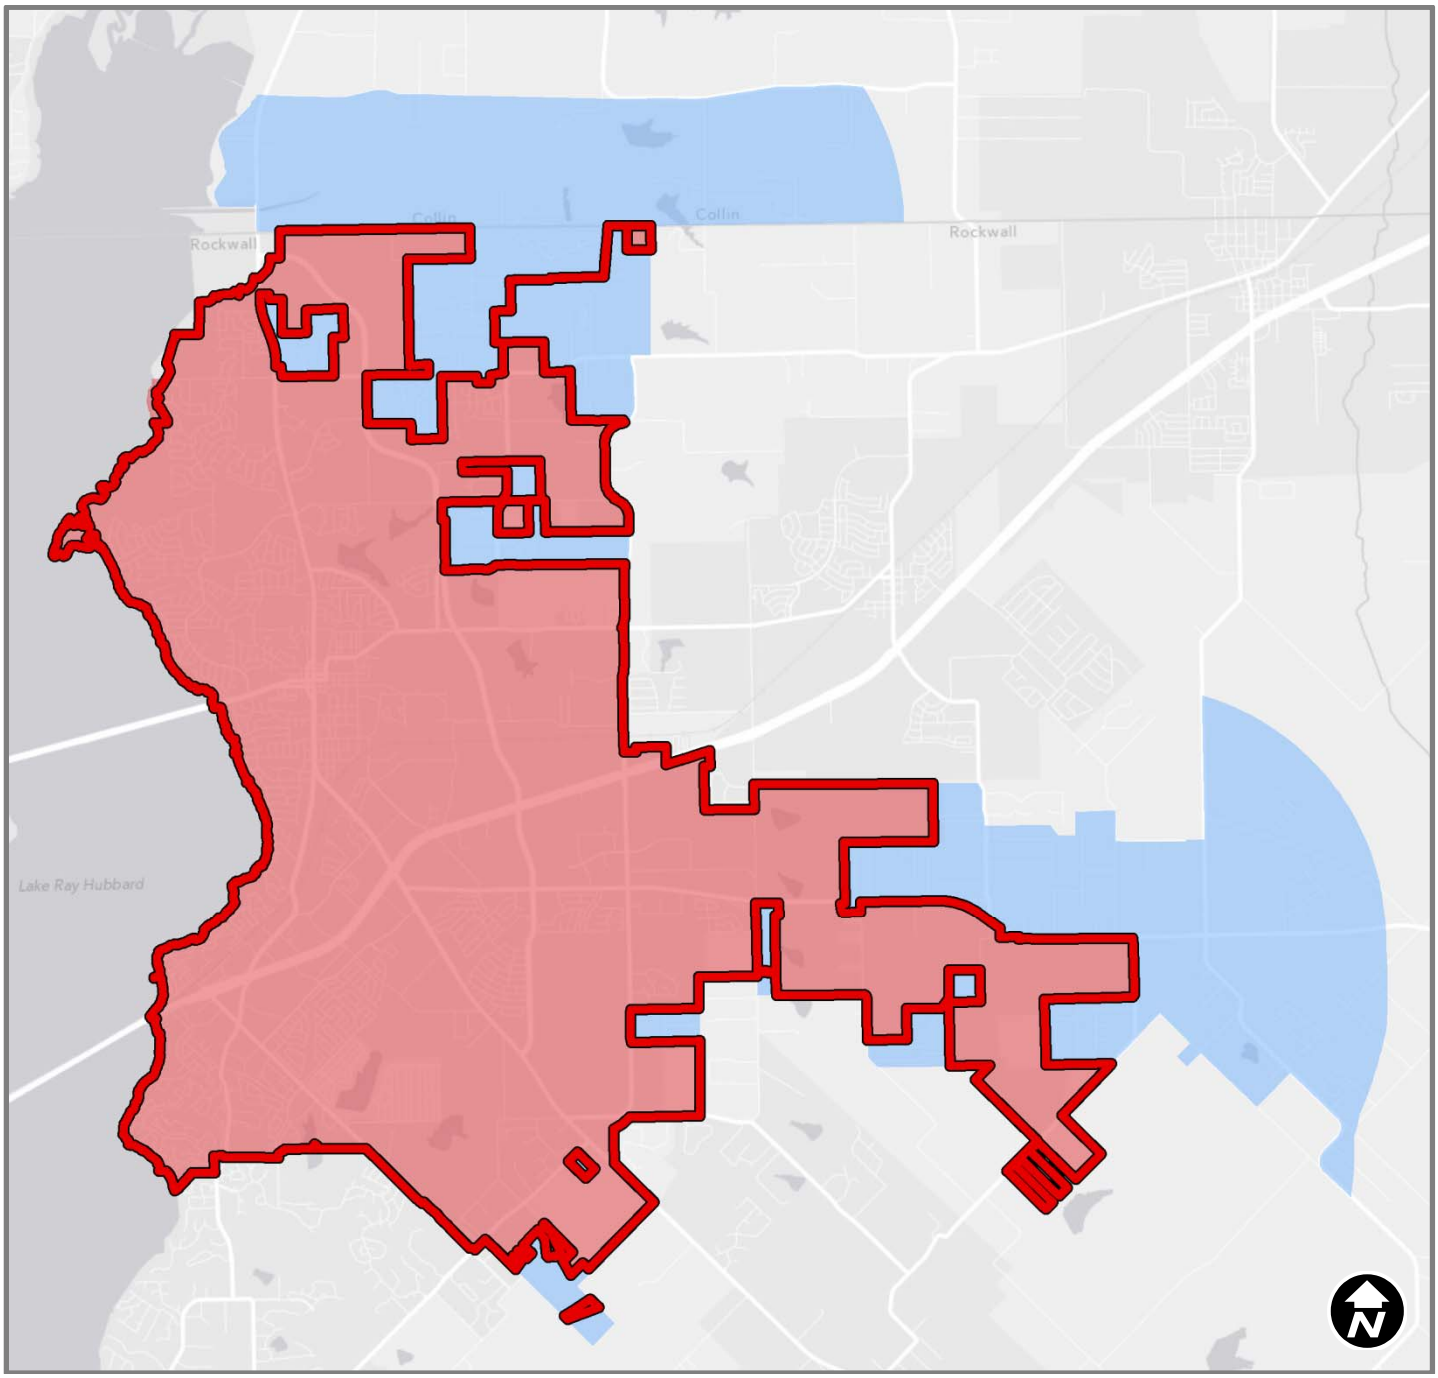
1. Population, housing and employment data was collected from the United States Census Bureau, North Central Texas Council of Governments (*NCTCOG*), the City of Rockwall Geographical Information Systems (GIS) Department, the City of Rockwall Building Inspection Department and other acceptable sources. This information was then analyzed and used to provide base information for all service areas from which projections could be extrapolated [see *Service Areas and Data Collection Zones*].
2. The base year (i.e. 2013) estimates for housing, population and employment were calculated based on the information collected [see *Base Year Data*].
3. From the base year and the information gathered from various sources a growth rate was established by examining recent building permit information, past growth trends and anticipated development over the next ten (10) years. This growth rate was then applied to each of the impact fee service areas to project the base year data over the ten (10) year planning period (i.e. 2013-2023) [see *Ten Year Growth Assumptions*].
4. After the projections for housing, population and employment were prepared for the ten (10) year planning period city staff made adjustments to account for known or anticipated development activity within the planning periods. In making these adjustments city staff took into consideration the recommendations made within the 2012 Rockwall Comprehensive Plan Update, existing public works data, economic information provided by the Rockwall Economic Development Corporation (REDC) and demographic information provided by the GIS and Building Inspections Departments.
5. Finally, the City's *Build Out* projections for housing, population and employment were calculated by establishing the City's carrying capacity in terms of developable acres and projecting population forward using the previously established Compound Annual Growth Rate (CAGR) to establish a *Build Out Year*. The housing and employment information were then projected to the *Build Out Year* [see *Build Out Projections*].

DATA COLLECTION ZONES AND SERVICE AREAS

DATA COLLECTION ZONES

The *Data Collection Zones* used for this study were the North Central Texas Council of Government's (NCTOG's) Traffic Survey Zones (TSZs). A TSZ is a small geographic area developed by the NCTOG to serve as the basis for the regional TransCAD travel demand model and for the purpose of performing various other regional planning activities. TSZ's were originally formulated on the basis of homogeneity and traffic generation potential using major arterials, creeks, railroad lines and other physical boundaries for delineation. It should be noted that several TSZ's were adjusted in the calculations because portions include areas outside of the City limits.

FIGURE 1: TRAFFIC SURVEY ZONES (TSZs)
Note: The TSZs below have been clipped to the Extraterritorial Jurisdiction (ETJ)



SERVICE AREAS

The Texas Local Government Code (TLGC) requires that services areas be established within the corporate boundaries of a political subdivision for the purpose of ensuring that the capital improvements service the areas generating need. The boundaries for impact fees are defined as follows:

Roadway Impact Fees refers to a service area that is limited to the corporate boundaries of a political subdivision or city, and cannot extend into the Extraterritorial Jurisdiction (ETJ) or for a distance exceeding more than six (6) miles. The City of Rockwall is divided into four (4) service areas that are depicted in *Figure 3* on *Page 5*.

Water and Wastewater Impact Fees refers to a service area that includes a city's corporate boundaries and Extraterritorial Jurisdiction (ETJ). This service area is depicted in *Figure 4* on *Page 6*.

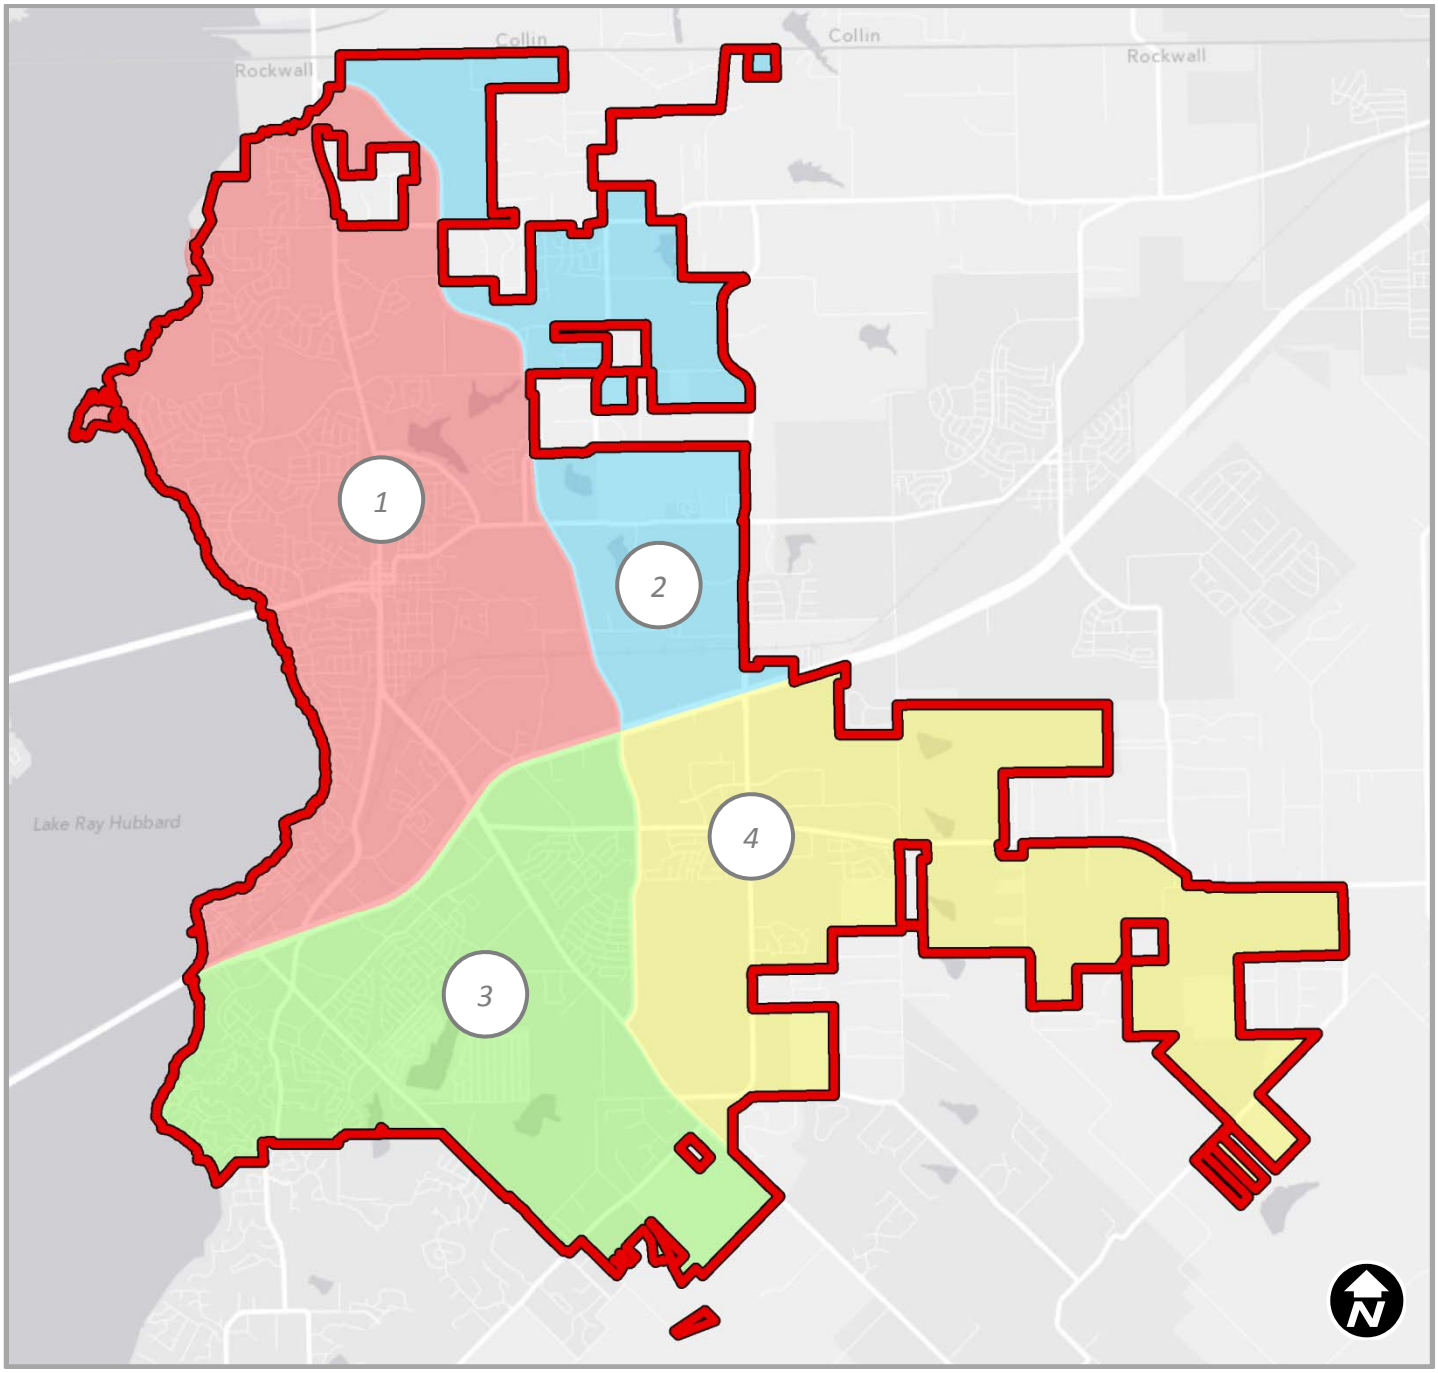


FIGURE 2: CITY OF ROCKWALL CITY LIMITS AND EXTRATERRITORIAL JURISDICTION (ETJ)
Note: The City Limits of Rockwall are depicted in RED. The Extraterritorial Jurisdiction (ETJ) is depicted in BLUE.

ROADWAY SERVICE AREAS

BLUE: Service Area

SUMMARY OF DATA

The current database and the database prepared in 2007, along with all future projections, were drafted utilizing the following geographic areas:

- ☑ *Service Area.* The Service Area correlates to the Water, Wastewater and Roadway Service Areas identified in *Figures 3 & 4*. As previously state the corporate boundaries of the City of Rockwall serve as the limits for the Roadway Service Areas and the Water and Waste Water Service Areas include the corporate boundaries and the Extraterritorial Jurisdiction (ETJ).
- ☑ *Traffic Survey Zone (TSZ).* A Traffic Survey Zone or *TSZ* are geographic areas established by the North Central Texas Council of Governments (NCTCOG), which are used for data collection purposes.

Additionally, all databases and projections utilized the following variables:

- ☑ *Households (2013).* Household data includes living units (i.e. *single-family, duplex, multi-family, group home/quarters, etc.*) existing at the end of the calendar year 2012 (*January 1, 2013 to December 31, 2012*). This number was derived using 2010 United States Census data relating to households, residential building permits obtained from the Rockwall Building Inspections Department, and address point data obtained from the Rockwall Geographic Information Systems Department (GIS).
- ☑ *Households (2023).* This is the projected household data by service area for the year 2023, which represents a ten (10) year growth projection. This information was derived by staff using proper projection techniques.
- ☑ *Population (2013)*. This is the existing population for the base year (i.e. *2013*). This information was calculated utilizing the number of households existing at the end of the calendar year 2012, the occupancy rate and average household size as established by the United State Census Bureau, and the population of all group quarters (i.e. *[# of Households – Vacancy Rate] x Household Size + Group Quarters Population = Population*).
- ☑ *Population (2023)*. The projected population by service area for the year 2023, which represents a ten (10) year growth projection. This information was derived by staff using proper projection techniques.
- ☑ *Employment (2013).* Employment data was aggregated to three (3) employment sectors, which include *Basic*, *Retail* and *Service* as provided by the North Central Texas Council of Governments (NCTCOG). These service sectors serve as the basis for non-residential trip generation. The following is a summary of these employment sectors followed by corresponding North American Industry Classification System (NAICS) code:

  - ➢ *Basic.* Land use activities that produce goods and services such as those that are exported outside the local economy. These include manufacturing, construction, transportation, wholesale trade, warehousing and other industrial uses (NAICS Code: *#210000 - #422999*).
  - ➢ *Retail.* Land use activities which provide for the retail sale of goods that primarily serve households and whose location choice is oriented toward the household sector. These include uses such as grocery stores, restaurants, etc. (NAICS Code: *#440000 - #454390*).
  - ➢ *Service.* Land use activities which provide personal and professional services. These include such uses as financial, insurance, government, and other professional and administrative offices (NAICS Code *#520000 - #928199*).

- ☑ *Employment (2023).* The projected employment data was aggregated to three (3) employment sectors, which include *Basic*, *Retail* and *Service* as provided by the North Central Texas Council of Governments (NCTCOG). These service sectors were then projected by service area to the year 2023, which represents a ten (10) year growth projection. This information was derived by staff using proper projection techniques.

BASE YEAR DATA

This section documents the methods used to derive the base year data for the City of Rockwall as of January 1, 2013. This *benchmark* information provides a starting point in which to extrapolate the ten (10) year growth assumptions that are presented in the following section (see *Ten-Year Growth Assumptions*).

POPULATION GROWTH

One method of predicting future growth is to examine past growth trends. The City of Rockwall and Rockwall County have experienced robust growth over the past decade (see *Figure 5*). Past growth trends from the United States Census Bureau and the North Central Texas Council of Governments (NCTCOG) were examined in conjunction with building permit data provided from the City of Rockwall Building Inspections Department (this information is summarized in *Figure 6*). The following formula lays out the methodology used to calculate the 2013 population estimate:

POP = (NH x OR) x AHS + GQP
[POP = (14,831 x 0.947) x 2.81 + 325, or POP = 39,817]

WHERE,
POP = 2013 Population
NH = Number of Households [14,831 per City of Rockwall]
OR = Occupancy Rate [94.7 % per US Census Bureau]
AHS = Average Household Size [2.81185 per US Census Bureau]
GQP = Group Quarter Population [325 per City of Rockwall]

This population (i.e. *39,817*) will serve as the base population for this report.

FIGURE 5: CITY OF ROCKWALL VS. COUNTY OF ROCKWALL [POPULATION]

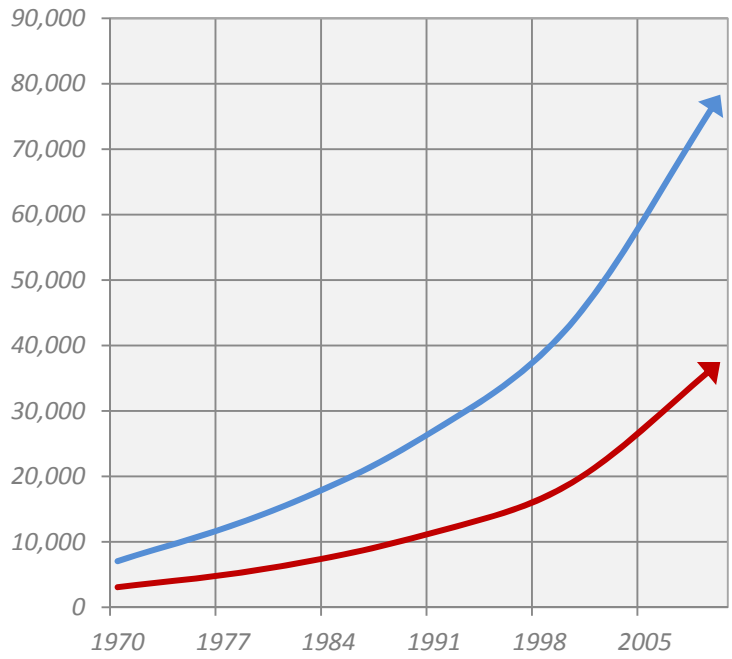

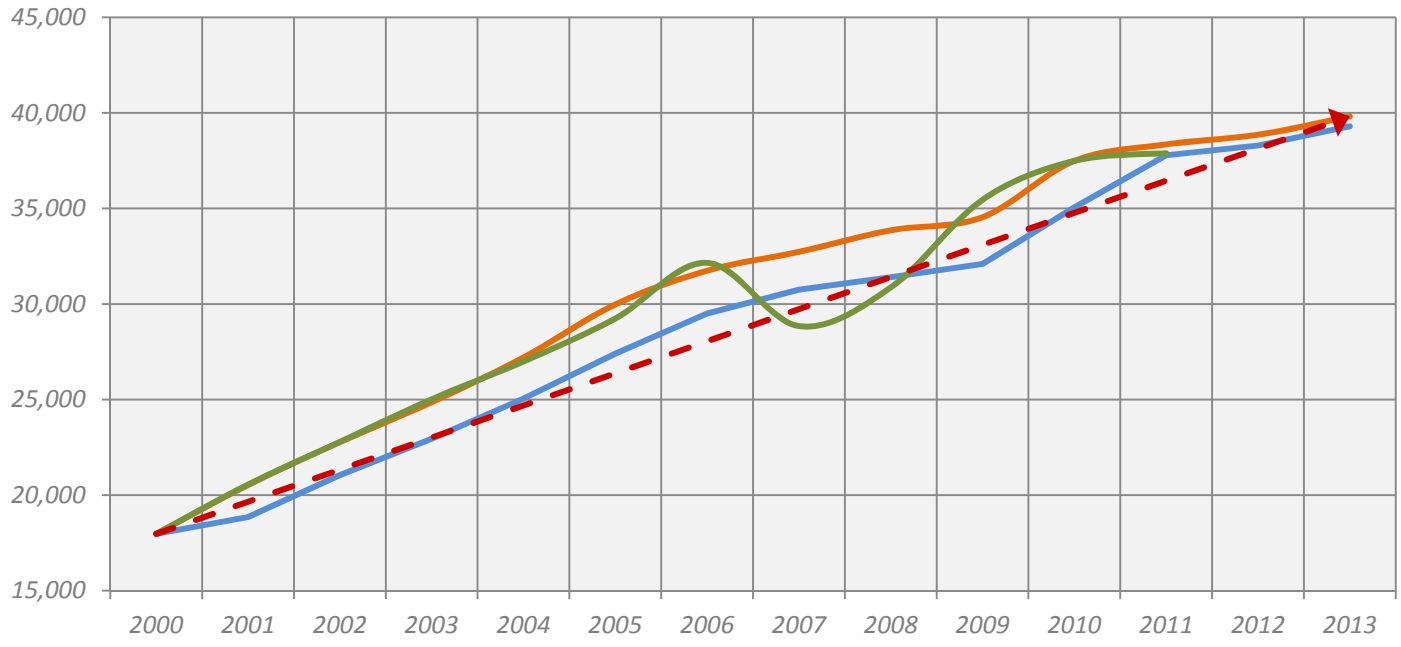

FIGURE 6: POPULATION BY AGENCY 2000 - 2013
MAP KEY: ORANGE = CITY OF ROCKWALL; BLUE = NORTH CENTRAL TEXAS COUNCIL OF GOVERNMENTS (NCTCOG); GREEN = US CENSUS BUREAU; RED = TREND LINE

POPULATION GROWTH RATE

A *Compound Annual Growth Rate (CAGR)* allows for a general assessment of growth when considering periodic increases and decreases in residential population growths that coincide with changing economic conditions. Various sources were used in establishing the past growth rates. These sources indicate rates of growth change between *3.25%* and *4.75%* (see *Table 1*). Based upon this data, an analysis of the ten (10) year forecast, and City staff's judgment, a four (4) percent CAGR was determined to be a sufficient assumption for the ten (10) year projection period. The calculated population numbers for all service areas for the years 2013 & 2023 are depicted in *Appendix 'A' & 'B'* of this document.

TABLE 1: CITY OF ROCKWALL GROWTH RATES

Data Source	Growth Rate (%)
2010 – 2012 US Census [1]	1.81
2007 – 2012 US Census [1]	3.49
2002 – 2012 US Census [1]	5.49
2010 – 2012 Single Family Permits [2]	11.2
2007 – 2012 Single Family Permits [2]	8.0
2002 – 2012 Single Family Permits [2]	-7.5
Texas Water Board 10-Year Growth [3]	4.75
Texas Water Board 20-Year Growth [3]	3.25
FUTURE GROWTH PROJECTION	4.0

NOTES:
[1]: Based on 2002 – 2012 US Census Data
[2]: Information Provided by the City of Rockwall
[3]: Texas Water Board 2011 Region 'C' Water Plan

ADDITIONAL GROWTH INDICATORS

The annual population growth rate has slowed in the city from *10.8%* (2000-2005) to *4.6%* (2005-2010), and finally decreasing to *2.0%* in 2010 (see *Table 1*). The increase/decrease of residential building permits coincides with the fluctuations in growth rates (see *Figure 7*). Recent permit data shows an increase in single-family activity. In fact, in 2013 single family permits (issued from January 1, 2013 to February 28, 2013) were up 70% from the same period in 2012. This recent increase in single family building permits combined with the Texas Water Board's ten (10) year and twenty (20) year County population projections, coupled with an overall sense of market recovery has led the City's staff to comfortably assume that the overall growth for the next ten (10) year period will average four (4) percent. However, it is likely that annual growth will gradually increase from its current two (2) percent rate to a five (5) percent rate near the end of the forecasted period.

FIGURE 7: HISTORIC SINGLE-FAMILY BUILDING PERMITS DATA
** 2013: January 1, 2013 – March 21, 2013*

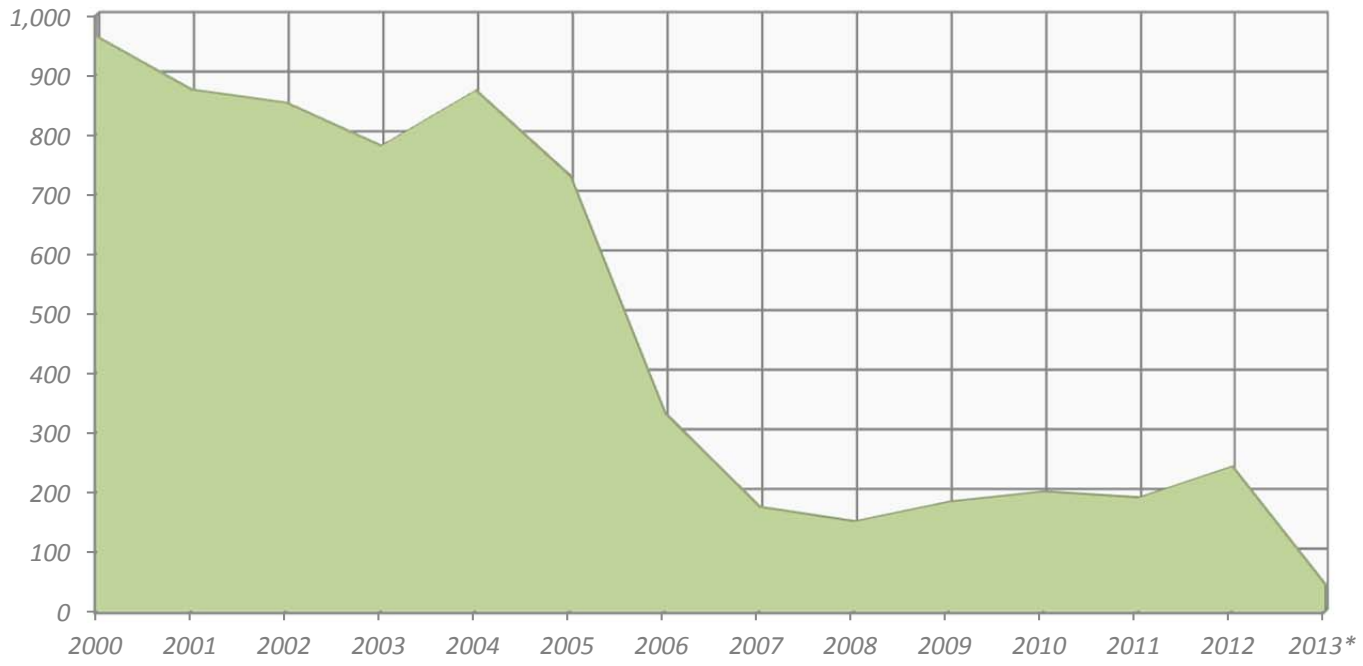

TABLE 2: EXISTING LAND USE ACREAGE

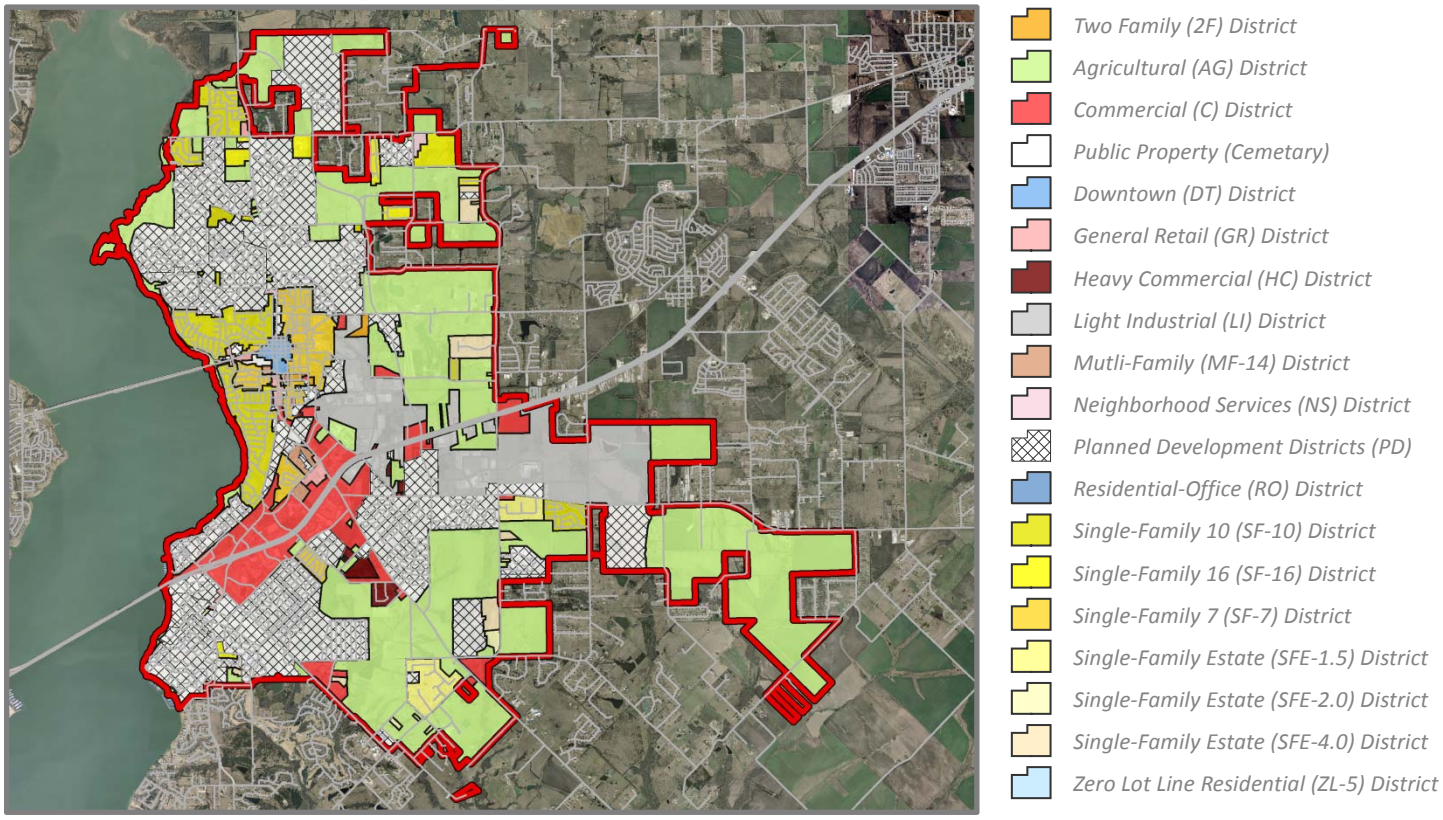


Land Use Category	Acres	% of Total Land	Acres per 100 People
Single Family	6,167	32.4	15.5
Multi-Family	280	1.5	0.7
Manufactured Home	218	1.1	0.5
Parks and Open Space	780	4.1	2.0
Public & Semi-Public	167	0.9	0.4
Office & Retail	617	3.2	1.6
Commercial	1,852	,9.7	4.6
Industrial	1,847	9.7	4.6
Agricultural	7,117	37.4	17.9
TOTAL:	19,045	100%	

NOTES: Based on 2013 estimated population of 39,817.

EXISTING LAND USE

In any evaluation and projection of future land use patterns, a documentation of existing conditions is necessary. An analysis of existing land use patterns was prepared based on a zoning classification inventory of the City (see *Table 2*). This also serves to document the present physical condition of the City with regard to any infrastructure deficiencies that may exist. The City's Comprehensive Plan will serve as an additional basis for future growth projections. Nearly twenty-five (25%) percent of the City's land area is devoted to Planned Development Districts, which are difficult to define in terms of land use since most of them contain allowances for a mixture of land uses. In addition to current zoning classifications *Table 2* also contains estimates of the land use categories permitted within the City's Planned Development Districts.

FIGURE 8: EXISTING LAND USE MAP (ZONING MAP)

EXISTING EMPLOYMENT

The base employment data (*i.e. 2013*) was calculated by Traffic Survey Zone (TSZ) from employment estimates provided by the North Central Texas Council of Governments (NCTCOG). As TSZ's do not conform to the corporate boundaries of a city, staff made allocations based on the locations of existing land uses and the percentage of the TSZ located within the City Limits/Extraterritorial Jurisdiction (ETJ). Additionally, staff reviewed the 2010 and 2015 NCTCOG employment estimates and applied manual adjustments based on local knowledge of the city and proposed/current development. From this employment data staff determined the Compound Annual Growth Rate (CAGR) and applied it using the linear extrapolation method to the 2010 employment data. This resulted in the 2013 employment data depicted in *Appendix 'C' & 'D'* of this report.

TEN-YEAR GROWTH ASSUMPTIONS

In this study growth is characterized by two (2) forms: 1) Population (*i.e. residential land use*), and 2) Employment (*i.e. non-residential land use*). To calculate a reasonable growth rate for population and employment it was necessary for staff to make a series of assumptions on which to base the ten (10) year growth projections. These assumptions are summarized as follows:

- ☑ Future growth identified within this study will conform to the Future Land Use Plan depicted in the Comprehensive Plan.
- ☑ The City will be able to finance the necessary improvements to accommodate future growth.
- ☑ School facilities will sufficiently accommodate any identified increases in the population.
- ☑ Densities will conform to the land classifications identified within the Comprehensive Plan and as depicted on the Future Land Use Plan.

The ten (10) year projections are based on the growth rate which was previously discussed and staff's consideration of past development trends. Tables 3 & 4 detail the ten (10) year projections for households, population and employment for the service areas associated with roadway and water/wastewater impact fees.

TABLE 3: SUMMARY OF TEN-YEAR GROWTH (ALL ROADWAY SERVICE AREAS)

	2013	2023	Increase
Households	14,170	20,989	32.49%
Population	39,817	58,940	32.44%
Total Employment	16,023	23,182	30.88%
Basic	1,521	2,519	39.60%
Service	5,902	8,179	27.84%
Retail	8,600	12,484	31.11%

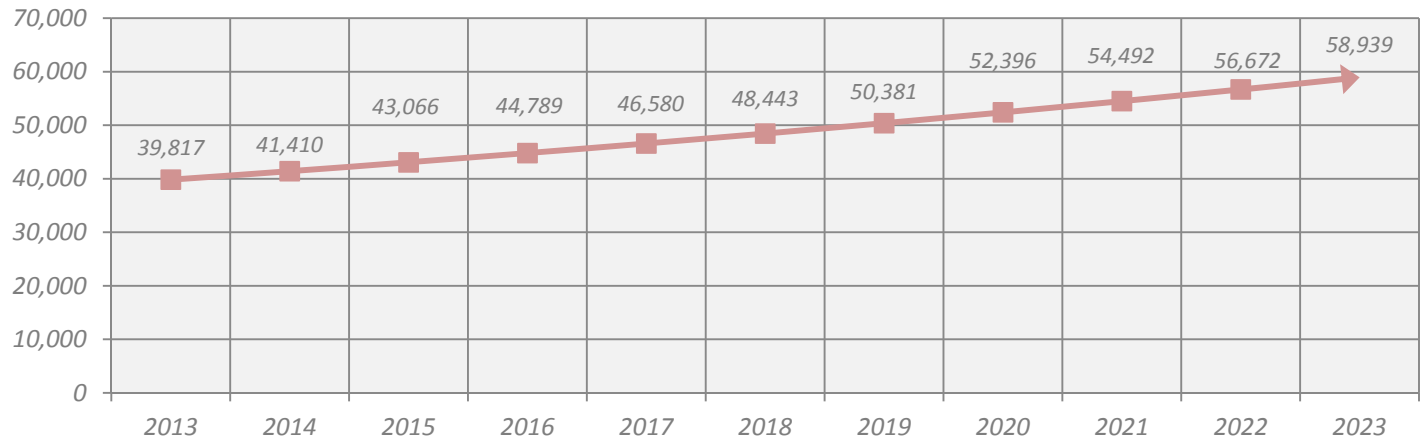
TABLE 4: SUMMARY OF TEN-YEAR GROWTH (WATER/WASTE WATER SERVICE AREA)

	2013	2023	Increase
Households	15,682	23,171	32.32%
Population	44,066	65,073	32.28%
Total Employment	18,014	25,559	29.52%
Basic	3,148	4,342	27.51%
Service	5,902	8,179	27.84%
Retail	8,964	13,038	31.25%

POPULATION 2023

The City of Rockwall has experienced significant growth since 2000 when the estimated population was 18,000 residents. Today the population is over double the 2000 population at an estimated 39,817. This growth trend is not just evident in the City of Rockwall as the greater Dallas-Fort Worth metropolitan area has become one of the fastest growing regions in the United States both in terms of population and employment. Although local growth has slowed since 2006 all data appears to indicate that this is only a temporary condition as the area's economy continues to recover from the national housing slump that began in 2008. Using the Compound Annual Growth Rate (CAGR) method staff projects that the population for the City will be 58,939 residents by 2023 (see *Figure 9*).

FIGURE 9: TEN-YEAR POPULATION GROWTH @ A 4% COMPOUND ANNUAL GROWTH RATE



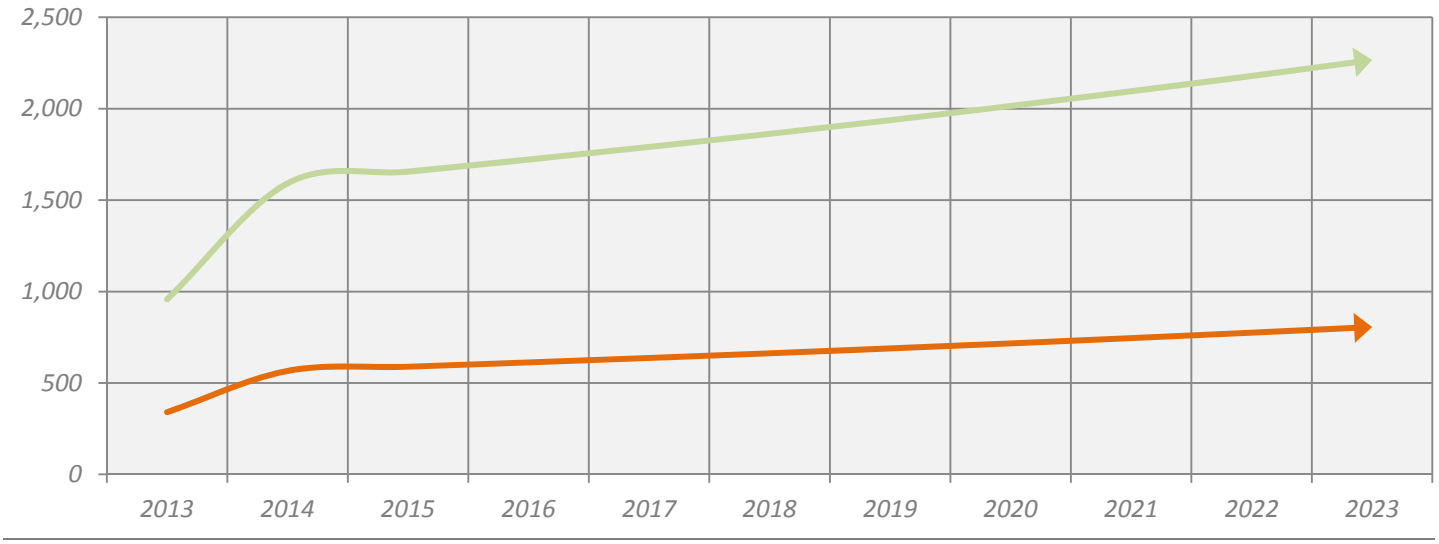


TABLE 5: PROJECTED HOUSEHOLD ESTIMATIONS

Year	Population	New Residents	New Building Permits
2013	39,817	958	360
2014	41,410	1,593	567
2015	43,066	1,656	590
2016	44,789	1,723	613
2017	46,580	1,791	637
2018	48,443	1,863	663
2019	50,381	1,938	690
2020	52,396	2,015	717
2021	54,492	2,096	746
2022	56,672	2,180	776
2023	58,939	2,267	807
Average Number of Annual Permits:			651

In determining this population projection staff utilized residential building permit counts coupled with an assumption that the average people per household was 2.81 (*2010 US Census*). This figure was used to account for a mixture of multi-family and single family households. Additionally, between 2000 and 2012 the City issued an average of 623 building permits per year; with the highest number of permits topping out at 1,033 in 2005, and the lowest number of building permits issued in 2008 at 150 (see *Table 5*). From this information staff estimated that the City will issue an average of 651 residential building permits per year over the next ten (10) year period (see *Table 5* and *Figure 10*). This estimate takes into consideration the type of development likely (i.e. single family or multifamily) to occur in a given area.

FIGURE 10: PROJECTED HOUSEHOLD AND BUILDING PERMIT ESTIMATIONS
MAP KEY: ORANGE = NEW BUILDING PERMITS; GREEN = NEW RESIDENTS

EMPLOYMENT 2023

Employment data for the year 2023 was based upon data provided by the North Central Texas Council of Governments (NCTCOG). NCTCOG has provided employment data by Traffic Survey Zone (TSZ) for 2015 and 2035. After staff's adjustments for TSZ coverage area and anticipated future development were accounted for, a Compound Annual Growth Rate (CAGR) was derived between the 2015 and 2035 staff-adjusted NCTCOG employment numbers. Linear extrapolation of the CAGR produced the 2023 employment estimates by TSZ as listed in the appendices of this document (see *Appendix 'C' & 'D'*).

Staff's assumptions of future growth are confirmed by 2030 data derived from the *North Texas 2050* study published by Vision North Texas. The majority of the city is forecasted to have an employment density of greater than *1.7* units per acre, and upwards of *3.5+* units per acre in areas adjacent Interstate Highway 30 (IH-30) and within Rockwall's Industrial Park (located adjacent to State Highway 276 [SH-276]).

BUILD OUT PROJECTIONS

A *Build Out Projection* for a city (also referred to as the city's *Carrying Capacity*) is an estimate of the location and density of all potential development, employment and population that a city can support within its future corporate boundaries.

TABLE 6: TOTAL ACREAGE

City Limits	*19,046.00*
Built Acres	*8,322.31*

2038	*106,146*	
2039	*110,391*	
2040	*114,807*	
2041	*119,399*	
2042	*124,175*	
2043	*129,142*	
2044	*134,308*	
2045	*139,680*	*Build Out 139,919*
2046	*145,268*	

ESTABLISHING THE CITY'S POPULATION AT BUILD OUT

In establishing the city's population at build out staff made the following assumptions:

- ☑ All vacant land w/in the City's corporate boundaries will develop with the maximum density permitted for the current zoning per the Unified Development Code.
- ☑ All Agricultural (Ag) District property is assumed to be vacant and will develop at 2.0 units per acre.
- ☑ All property within the Extraterritorial Jurisdiction (ETJ) is assumed to be vacant and will be developed in conformance with the Future Land Use Map at the maximum density permitted by the Comprehensive Plan.
- ☑ The city's ETJ is fixed and will not increase in the future.

Taking these assumptions into consideration, staff utilized Geographical Information Systems (GIS) software to calculate all the undeveloped land within the city's corporate boundaries, including the ETJ (see *Table 6*). Once calculated the acreages were broken down by land use and multiplied by the maximum density permitted for each of the land uses as established within the Unified Development Code and the Comprehensive Plan. These totals were then multiplied by the average people per household [*i.e. 2.81*] (*2010 US Census*) to establish the population at build out (i.e. 139,919). From this point staff projected the population forward using the previously established four (4%) percent Compound Annual Growth Rate (CAGR) [see the *Ten-Year Growth Assumptions* section] until the build out population was reached (see *Table 7*). This established a build out year of 2046. The following formula lays out the methodology used to calculate the numbers:

BO = POP + VPOP + EPOP
[BO = 39,817 + 48,663 + 51,439, or BO = 136,657]

VPOP = Σ [(LU$_1$ x D$_1$) … (LU$_x$ x D$_x$)] x AHS or VPOP = 48,663
EPOP = (LDR x 2.0) + (MDR x 3.0) + (HDR x 5), (i.e. EPOP = 50,123 + 1,316 + 0) or EPOP = 51,439

WHERE,
BO = Build Out Population
POP = 2013 Population (i.e. Current Population)
VPOP = Population of Vacant Land w/in the City Limits
EPOP = Population of Vacant Land w/in ETJ
LU = Vacant Available Land (inside the City Limits) for a Given Land Use
D = Maximum Density Permitted for a Given Land Use [Unified Development Code]
AHS = Average Household Size [2.81185 per US Census Bureau]
LDR = Low Density Residential Acreage Available in the ETJ
MDR = Medium Density Residential Acreage Available in the ETJ
HDR = High Density Residential Acreage Available in the ETJ

SUMMARY

The following is a summary of staff's findings when preparing the Land Use Assumption Report in preparation for updating the Roadway, Water and Wastewater Impact Fees for 2013:

- ☑ The average annual growth rate as calculated by staff is four (4) percent. This growth rate was established based on data from the US Census, Texas Water Commission, North Texas Council of Governments (NCTCOG), the City and County of Rockwall. Using this growth rate staff projected the following population numbers:
  - ➢ The population of the City of Rockwall as of 2013 is 39,817. This is expected to increase by ~32% in the next ten (10) years to an estimated 58,940 by 2023.
  - ➢ The population for the City of Rockwall and its Extraterritorial Jurisdiction (ETJ) as of 2013 is 44,066. This is expected to increase by ~32% in the next ten (10) years to an estimated 65,073 by 2023.
- ☑ The estimated employment for the City of Rockwall as of 2013 is 16,023 jobs, with another 1,991 jobs existing within its ETJ. Staff estimates this number to climb to 23,182 jobs within the city limits, and another 2,377 jobs within the ETJ by 2023.
- ☑ Staff has established that there are currently 8,610.53 undeveloped acres of land within the city limits. This represents ~45% of the current land in the City (see *Table 8*). Additionally, the City of Rockwall has access to another 10,521.60 acres of land within its current ETJ (see *Table 9*). At the bottom of this page is a summary of all vacant land by current land use existing within the city's corporate boundaries and its ETJ (*see Tables 8 & 9*).
- ☑ According to staff estimates the City of Rockwall is expected to be built out in the year 2046, with a total population of 139,919.

To: Rockwall City Council, City Manager and Staff

From: Capital Improvement Advisory Committee Chairperson (CIAC), Craig Renfro

Subject Updated Water and Wastewater Impact Fee Recommendation

The Capital Improvement Advisory Committee Chairperson (CIAC) in accordance with Section 395.058 of the Texas Local Government Code has been conducting meetings with staff and the City's consultant, *Birkhoff, Hendricks & Carter, LLP*, for the purpose of reviewing the City's Water and Wastewater Impact Fee program. The periodic review of impact fees are required by the Texas Local Government Code at least every five (5) years.

The CIAC has reviewed the updated Water and Wastewater Impact Fee Land Use Assumptions prepared by city staff and the updated Water and Wastewater Improvement Plan prepared by *Birkhoff, Hendircks & Carter, LLP*.

On behalf of the Advisory Committee, we find the update Impact Fee Land Use Plan to be consistent with the City's Comprehensive Plan, and updated Water and Wastewater Capital Improvement Plan to be consistent with the land use plan. Both are in general conformance with the requirements of Chapter 395 of the Texas Local Government Code.

The CIAC would recommend that the City Council approve the updated Land Use Assumptions and updated Water and Wastewater Capital Improvement Plan as submitted.

Sincerely,

Craig Renfro
Chairman, Capital Improvement Advisory Committee (CIAC)

CITY OF ROCKWALL

ORDINANCE NO. 14-26

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING PLANNED DEVELOPMENT DISTRICT 74 (PD-74) [*ORDINANCE NO. 12-26*] AND THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, BY AMENDING THE PLANNED DEVELOPMENT CONCEPT PLAN AND THE DEVELOPMENT STANDARDS APPROVED WITH ORDINANCE NO. 12-26, BEING A 405.184-ACRE TRACT OF LAND SITUATED IN THE J. STRICKLAND SURVEY, ABSTRACT NO. 187, T. R. BAILEY SURVEY, ABSTRACT NO. 30 AND THE J. SIMMONS SURVEY, ABSTRACT NO. 190, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS AND MORE FULLY DESCRIBED HEREIN BY EXHIBIT 'A'; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City has received a request by the Darren Cain of the Skorburg Company on behalf of Breezy Hill 405, LTD for an amendment to the Planned Development Concept Plan and Development Standards contained within Planned Development District 74 (PD-74) [specifically contained within *Ordinance No. 12-26*] and the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, for a 405.184-acre tract of land situated in the J. Strickland Survey, Abstract No. 187, T. R. Bailey Survey, Abstract No. 30 and the J. Simmons Survey, Abstract No. 190, Rockwall, Rockwall County, Texas and more fully described in *Exhibit 'A'* of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area, and in the vicinity thereof, and the governing body in the exercise of its legislative discretion, has concluded that Planned Development District 74 [*Ordinance No. 12-26*] and the Unified Development Code [*Ordinance No. 04-38*] should be amended as follows:

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

Section 1. That the *Subject Property* shall be used only in the manner and for the purposes authorized by Planned Development District 74 (PD-74) [*Ordinance No. 12-26*] and the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall as heretofore amended, as amended herein by granting this zoning change, and as maybe amended in the future;

Section 2. That development of the *Subject Property* shall generally be in accordance with the *Planned Development Concept Plan*, described in *Exhibit 'B'* of this ordinance, attached hereto and incorporated herein by reference as *Exhibit 'B'*, which is deemed hereby to be a condition of approval of the amended zoning classification for the *Subject Property*;

Section 3. That development of the *Subject Property* shall generally be in accordance with the *Development Standards*, described in *Exhibit 'C'* of this ordinance, attached hereto and incorporated herein by reference as *Exhibit 'C'*, which is deemed hereby to be a condition of approval of the amended zoning classification for the *Subject Property*;

Section 4. That a master parks and open space plan for the Property, prepared in accordance with this ordinance and consistent with the *Planned Development Concept Plan*, (*Open Space Master Plan*) shall be considered for approval by the City Council following recommendation of the Parks and Recreation Board.

Section 5.

(a) The procedures set forth in the City's subdivision regulations on the date this ordinance is approved by the City, as amended by this ordinance (*including Subsections 5(b) through 5(f) below*), shall be the exclusive procedures applicable to the subdivision and platting of the Property.

(b) The following plans and plats shall be required in the order listed below (*except as set forth below with regard to simultaneous processing and approvals*). The City Council shall act on an application for an *Open Space Master Plan* in accordance with the time period specified in Section 212.009 of the Texas Local Government Code.

1. Open Space Master Plan
2. Master plat
3. PD development plans (*required for retail areas only*)
4. PD site plans
5. Preliminary plats
6. Final plats

(c) A master plat application covering all of the Property, other than the area designated on the *Planned Development Concept Plan* as *Retail*, shall be submitted and shall identify each phase of development. No master plat application shall be approved until the *Open Space Master Plan* for all of the Property has been approved; however, the *Open Space Master Plan* may be processed by the City concurrently with the master plat application.

(d) A *PD Development Plan* must be approved for the area designated on the Concept Plan as *Retail* prior to submittal of a *PD Site Plan* application and/or a preliminary plat application. No master plat is required for the area designated on the Concept Plan as *Retail*. A traffic impact analysis for the retail tract shall be submitted with the *PD Development Plan* to determine the extent and timing of any recommended facilities and/or improvements to the surrounding roadway network. The traffic impact analysis may be updated with each *PD Site Plan* for the retail tract.

(e) A preliminary plat application shall be submitted for each phase of residential development. A *PD Site* Plan application, including a site plan application for improvements for parkland or trails, may be processed by the City concurrently with a preliminary plat application for that phase of the development.

(f) A *Capital Facilities Agreement* in the form of *Exhibit 'D',* attached hereto and incorporated herein by reference as *Exhibit 'D',* shall be executed by Developer providing for delivery of adequate public facilities and services within the District.

Section 6. That any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *Two Thousand Dollars* ($2,000.00) for each offense and each and every day such offense shall continue shall be deemed to constitute a separate offense;

Section 7. That if any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable;

Section 8. The standards in this ordinance shall control in the event of a conflict between this ordinance and any provision of the Unified Development Code or any provision of the City Code, ordinance, resolution, rule, regulation, or procedure that provides a specific standard that is different from and inconsistent with this ordinance. References to zoning district regulations or other standards in the Unified Development Code (including references to the *Unified Development Code*), and references to overlay districts, in this ordinance or any of the Exhibits hereto are those in effect on the date this ordinance was passed and approved by the City Council of the City of Rockwall, Texas;

Section 9. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides;

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 7TH DAY OF JULY, 2014.

Exhibit 'B':
Concept Plan

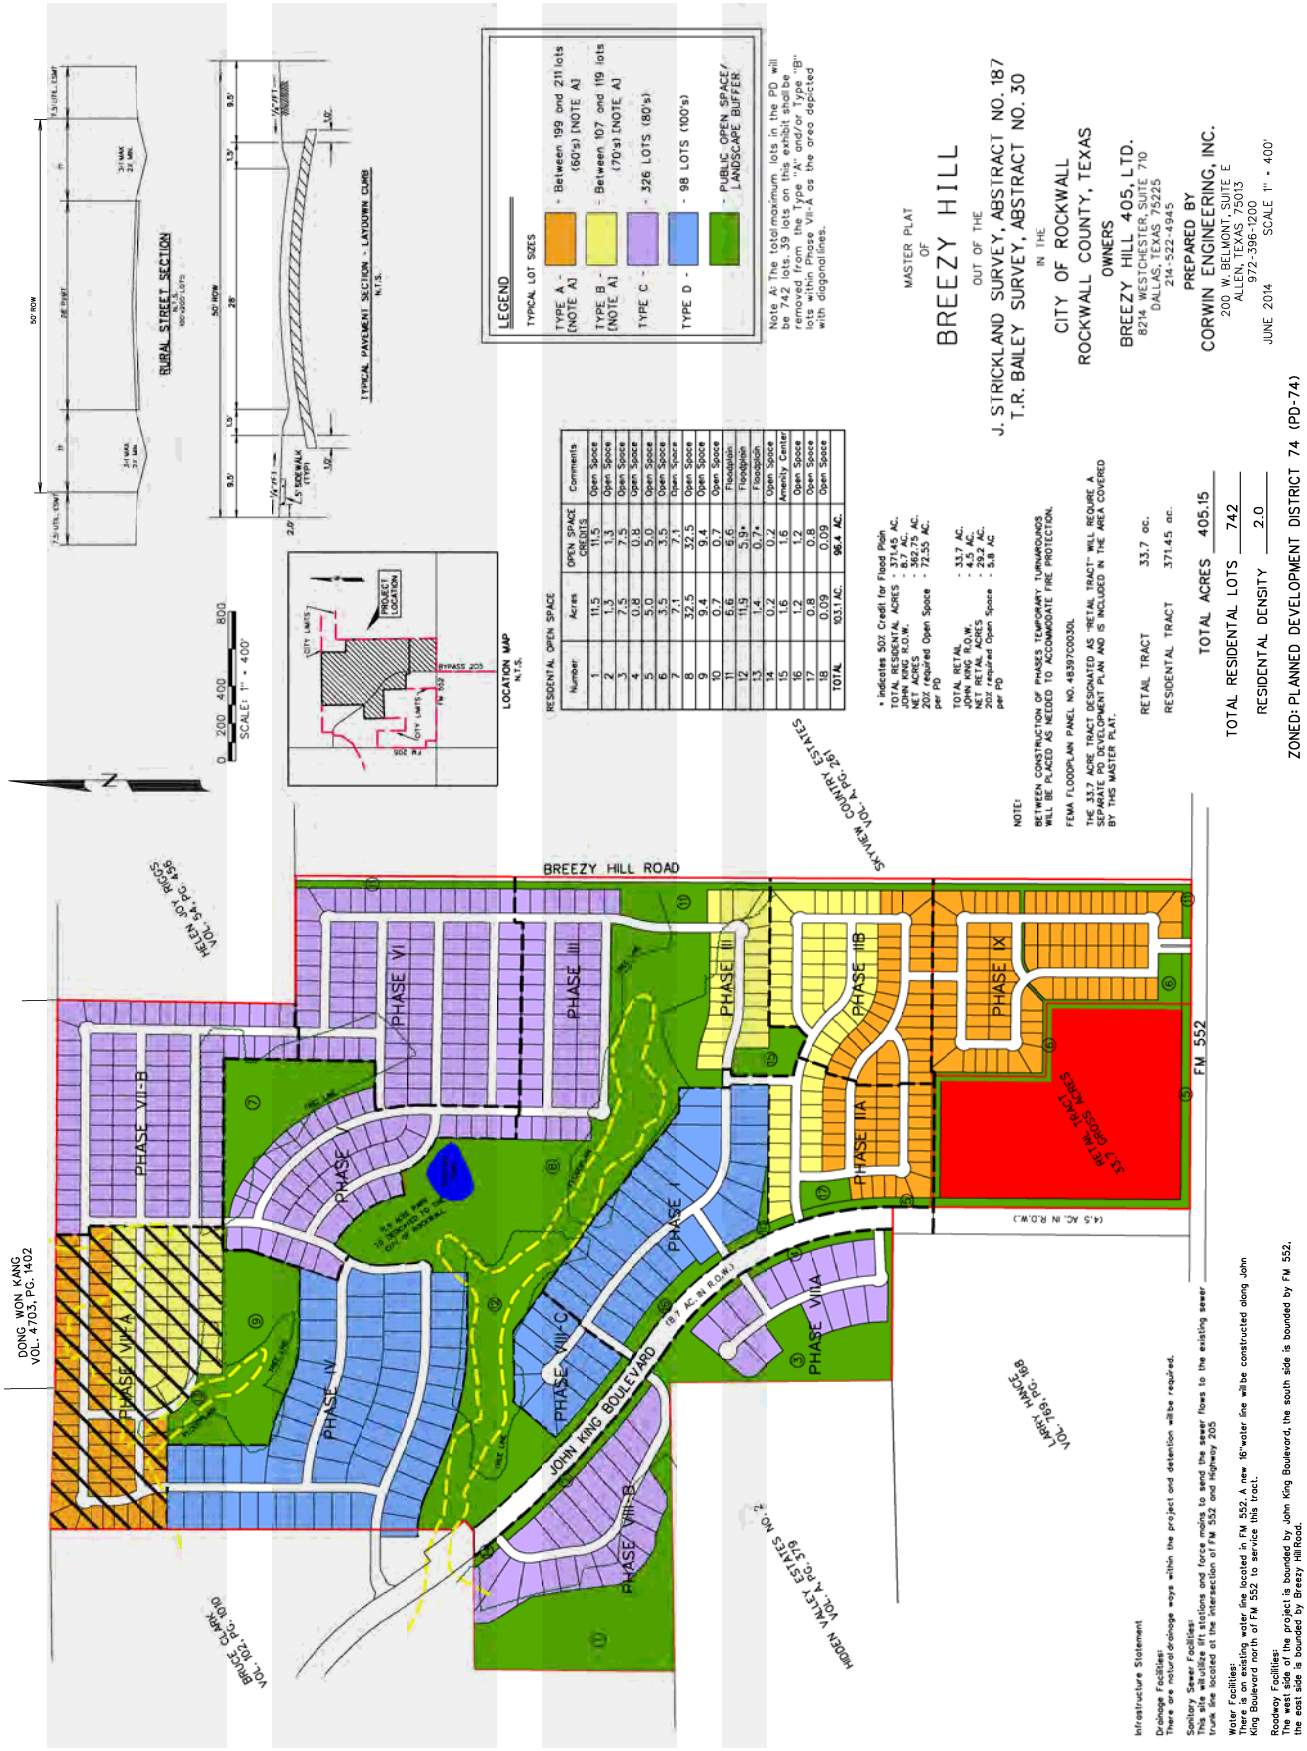

Exhibit 'C':
PD Development Standards

A. GENERAL REQUIREMENTS

1. *Uses Allowed.* The following uses are permitted for the Property.

   a. *Residential uses*. Uses permitted of right or by special use permit for the (SF-10) Single Family Residential District, as set forth in Article IV, Permissible Uses, of the City of Rockwall Unified Development Code, shall be allowed for areas designated as Single-Family on the Concept Plan, subject to approval of a Special Use Permit if required by the SF-10 District Regulations.

   b. *Non-residential uses*. Non-residential uses shall be allowed only within the area designated as Retail on the approved Concept Plan for the District, and are limited to those uses permitted of right or by special use permit for the (GR) General Retail District subject to approval of a PD Development Plan and PD Site Plan in accordance with the Planned Development District regulations, Article X, Section 2 of the Unified Development Code, and subject to approval of a Special Use Permit if required by the GR District Regulations; provided, however, that the following uses are expressly prohibited:

   - ✓ Animal Hospital, Clinic
   - ✓ Convent or Monastery
   - ✓ Hotel or Motel
   - ✓ Hotel, Residence
   - ✓ Cemetery/Mausoleum
   - ✓ Mortuary of Funeral Chapel
   - ✓ Social Service Provider
   - ✓ Billiard Parlor or Pool Hall
   - ✓ Carnival, Circus, or Amusement Ride
   - ✓ Commercial Amusement/Recreation (Outside)
   - ✓ Gun Club, Skeet or Target Range (indoor)
   - ✓ Astrologer, Hypnotist, or Psychic Art and Science
   - ✓ Garden Supply/Plant Nursery
   - ✓ Night Club, Discotheque, or Dance Hall
   - ✓ Secondhand Dealer
   - ✓ Car Wash, Self Service*
   - ✓ Service Station*
   - ✓ Mining and Extraction (Sand, Gravel, Oil & other)
   - ✓ Helipad
   - ✓ Railroad Yard or Shop
   - ✓ Transit Passenger Facility

   * *Not including a convenience store with an accessory car wash use or more than four (4) gas pumps, which accessory uses are permitted by SUP.*

   The following additional use shall be permitted of right in the PD District:

   - ✓ Grocery Store with a maximum building area of one hundred and thirty thousand (130,000) square feet.

   c. *Design of non-residential uses.* The retail area shall be designed to be pedestrian-oriented and easily accessible to adjacent residential neighborhoods. Additionally, the

retail area shall be designed and constructed to be integrated with adjacent uses, not separated from them by screening walls or other physical barriers. This will be accomplished by creating paths from adjacent development into the retail area and through the use of landscaping buffers, building design and other urban design elements to create compatibility with the surrounding residential neighborhood.

d. *Density and lot composition*. If the retail develops in accordance with the attached Concept Plan, no more than 742 single-family residential dwelling units may be constructed within the Property. Except as provided in subsection (e), single-family residential units shall be allocated by product type in accordance with the following table:

Table 1: Lot Composition

LOT TYPE	**LOT SIZE** (MINIMUM)	**LOT SQ. FT.** (MINIMUM) (TOTAL)	**Driveway Access**	**Units** (TOTAL)	**Total Dwelling Units %**
A	60' x 120'	7,200	Front	206	27.80%
B	70' x 120'	8,400	Front	112	15.10%
C	80' x 125'	10,000	Front	326	43.90%
D	100' x 200'	20,000	Front	98	13.20%
Average Lot Size		10,000			
MAXIMUM ALLOWED TOTAL UNITS				742	100%

e. *Variation in lot composition.* The allocation of single-family dwellings among lot types may deviate from that in subsection (d), provided that the maximum allowed total dwelling units does not exceed 742 units, the average lot size for the development is not less than 10,000 sq. ft., and the following rules are met:

(1) Lot types "A & B" may increase not more than 5% in aggregate number.
(2) Lot type "C" shall not be decreased below 42% of the total 742 lots.
(3) Lot Type "D" shall not be decreased below 98 of the total lots.

2. Development Standards Applicable. Except as may be modified by these Development Standards, residential uses shall be subject to the development standards for a (SF-10) Single Family Residential District, as set forth in Article V, District Development Standards for Section 3.4 of the City of Rockwall Unified Development Code; to the development standards in the 205 Bypass Overlay District; and to all supplemental standards contained in the Unified Development Code, including but not limited to the tree preservation regulations in the Unified Development Code.

B. SPECIAL DEVELOPMENT STANDARDS

1. Dimensional Standards for Residential Uses

Table 2: Lot Type Matrix

Lot Types	A	B	C	D
Maximum Building Height	36'	36'	36'	36'
Air Conditioned Square Footage (Minimum)	2,200	2,400	2,600***	3,000
Minimum Building Setback: Front Yard *Front porch may encroach to within 10' of front property line.*	20'	20'	20'	40' [3]
	X			
Rear Yard	10'	10'	15'	15'
Interior Side Yard	5'	5'	6'	7'
Corner (Side) Yard	15'	15'	15'	15'
Minimum Distance of driveway from prop. line. (applicable to front entry only)	20'	20'	20'	40'
Minimum Lot Area (Square Feet)	7,200	8,400	10,000	20,000
Minimum Lot Frontage [1]	60'	70'	80'	100'

Notes:

[1]: Lots fronting onto curvilinear streets, cul-de-sacs and eyebrows may be reduced by twenty percent (20%) in lot width measured at the front property line provided that the lot width will be met at the front building line. Additionally, the lot depth on lots fronting onto curvilinear streets, cul-de-sacs and eyebrows may be reduced by up to 10 percent (10%) but shall meet the minimum lot size for each lot type as referenced within Table 1.

[2]: A maximum of 20% of the lots may have homes not less than 2,500 sq. ft.

[3]: The Director of Planning or his designee may grant a reduction in the required 40-foot front yard building setback of up to five (5) feet for lots situated along cul-de-sacs or curvilinear streets, or where a 40-foot front yard building setback would create an undue hardship on the property.

2. Development Standards for Residential Uses by Lot (Product) Type

a. Detached Single Family Lot Type A

Minimum Lot Size:	7,200 SF
Minimum Lot Width: @ Front Bldg. Line	60'
Minimum Lot Depth:	110'
Minimum Corner Lot Width:	65'
Side Yard Setback:	5'
Front / Rear Bldg. Line:	20'/10'
Minimum House Size:	2,200 air conditioned sq. ft.
Minimum Roof Pitch:	8:12 except for 4:12 on porch roofs
Masonry Requirement:	80% (brick, stone, cultured stone, 3-part stucco)
Garage Orientation:	Garages will be allowed to have the garage accessed from the street using traditional "swing" or "J" drive. Second single garage door facing street is permitted behind (width) of double garage door in "swing" or "J" configuration only. A minimum of 33% of Type 'A' lots shall have 3-car garages.
Maximum Lot Coverage:	65%

b. Detached Single Family Lot Type B

Minimum Lot Size:	8,400 SF
Minimum Lot Width: @ Front Bldg. Line	70'
Minimum Lot Depth:	120'
Minimum Corner Lot Width:	75'
Side Yard Setback:	5'
Front / Rear Bldg. Line:	20'/10'
Minimum House Size:	2,400 air conditioned sq. ft.
Minimum Roof Pitch:	8:12 except for 4:12 on porch roofs
Masonry Requirement:	80% (brick, stone, cultured stone, 3-part stucco)
Garage Orientation:	Garages will be allowed to have the garage accessed from the street using traditional "swing" or "J" drives. Second single garage door facing street is permitted behind (width) of double garage door in "swing" or "J" configuration only. A minimum of 33% of Type 'B' lots shall have 3 car garages.
Maximum Lot Coverage:	65%

c. Detached Single Family Lot Type C

Minimum Lot Size:	10,000 SF
Minimum Lot Width: @ Front Bldg. Line	80'
Minimum Lot Depth:	125'
Minimum Corner Lot Width:	85'
Side Yard Setback:	6'
Front / Rear Bldg. Line:	20'/15'
Minimum House Size:	2600 air conditioned sq. ft.[1]
Minimum Roof Pitch:	8:12 except for 4:12 on porch roofs
Masonry Requirement:	80% (brick, stone, cultured stone, 3-part stucco)
Garage Orientation:	Traditional "swing" or "J" drive required. Second single garage door facing street is permitted behind (width) of double garage door in "swing" or "J" configuration only. A minimum of 80% of Type 'C' lots shall have 3 car garages.
Maximum Lot Coverage:	65%

Notes:
[1]: A maximum of 20% of the lots may have homes not less than 2,500 sq. ft.

d. Detached Single Family Lot Type D

Minimum Lot Size:	20,000 SF
Minimum Lot Width: @ Front Bldg. Line	100'
Minimum Lot Depth:	175'
Minimum Corner Lot Width:	100'
Side Yard Setback:	7'
Front / Rear Bldg. Line:	40' [1]/15'
Minimum House Size:	3,000 air conditioned sq. ft.
Minimum Roof Pitch:	8:12 except for 4:12 on porch roofs
Masonry Requirement:	80% (brick, stone, cultured stone, 3-part stucco)
Garage Orientation:	Traditional "swing" or "J" drive required. Single garage door facing street is permitted behind (width) of double garage door in "swing" or "J" configuration only. 80% of Type D lots shall have a minimum of 3 car garages.
Maximum Lot Coverage:	70%

Notes:
[1]: The Director of Planning or his designee may grant a reduction in the required 40-foot front yard building setback of up to five (5) feet for lots situated along cul-de-sacs or curvilinear streets, or where a 40-foot front yard building setback would create an undue hardship on the property.

3. *Fencing.* All individual residential fencing for lots less than 20,000 square feet shall be cedar standard fencing material (minimum ½" thickness) or better (spruce fencing will not be allowed). All cedar pickets shall be placed on the "public side" facing the street, alley or neighboring property. Lots containing 20,000 sq. ft., lots located along perimeter roadways, and lots abutting open spaces, greenbelts and parks shall be required to install tubular steel fencing. Corner lot fencing (adjacent to the street) shall provide masonry columns at forty-five feet (45') off center spacing that begins at the rear property line corner and terminates ten feet (10') behind the front yard building setback line. A maximum six (6') foot solid board on board "panel" cedar fencing shall be allowed between the masonry columns along the side and/or rear yard lot adjacent to a street. In addition, the fencing shall be setback from the side property line adjacent to a street a minimum of five feet (5'). The property owner shall maintain that portion of the property outside the fence.
4. *Anti-Monotony Features.* Lot types shall incorporate the following elevation features.

Table 3 : Anti-Monotony Matrix

Lot Type	Lot Size (Approx.)	Elevation Features
A	60' x 120'	i., ii, iii,
B	70' x 120'	i., ii, iii,
C	80' x 125'	i., ii, iii,
D	100' x 200'	i., ii, iii,

i. Exterior facade must be composed of eighty percent (80%) masonry (brick, stone, cultured stone, or three-part stucco). Identical brick blends may not occur to adjacent (side-by-side) properties. Elevations shall not repeat along the fronting or siding streetscape without at least four (4) intervening homes of sufficient dissimilarity (to be determined by the ARC) on the same side of the street and (2) intervening homes on the opposite side of the street). The rear elevation of homes backing to open spaces or thoroughfares shall not repeat without at least two (2) intervening homes of sufficient dissimilarity (to be determined by the ARC). Masonry (brick, stone, cultured stone, or three-part stucco) chimneys shall be required on all homes.
ii. Minimum of 8:12 roof pitch, except for 4:12 roof pitches on porches. For each phase, a maximum of four compatible roof colors may be used. Dimensional shingles shall be used. Crown molding will be installed in all living and family rooms, unless vaulted or pop-up ceilings are utilized. No Formica counters in kitchens and bathrooms, no blown acoustic ceilings. No vinyl flooring will be used in kitchens.
iii. For front entry driveway access a traditional "swing" or "J" drive will be used. Second single garage door facing street is permitted behind (width) of double garage door in "swing" or "J" configuration only.

5. *Streetscape Landscape.* Prior to issuance of a Certificate of Occupancy, yards for all single-family lots in the District shall be landscaped with large canopy trees.

(1) Two minimum three (3) inch trees measured six (6) inches above the root ball shall be planted in the front yard of an interior lot.
(2) Two minimum three (3) inch trees measured six (6) inches above the root ball shall be planted in the front yard of a corner lot and two additional trees of same caliper shall be planted in the side yard facing the street.
(3) For purposes of this section only, the term "front yard" includes the area within the dedicated right-of-way for a parkway immediately adjoining the front yard of the lot.

6. *Master Design Guidelines.* Additional design guidelines specific to each phase of development that shall apply to all single-family dwellings units within that phase of development, shall be submitted to the City prior to issuance of any building permits for that portion of the development.

C. STANDARDS FOR DISTRICT DESIGN AND CONNECTIVITY

1. *Streetscape Standards for Collectors & Non-Fronting Thoroughfares.* All streets, excluding drives, fire lanes and private parking areas, shall be built according to City of Rockwall street standards. Sidewalks and Hike / Bike trails are to be placed according to city requirements and as set forth in the Open Space Master Plan for the District.

    a. *Buffer-Strip* and Sidewalks (John King Boulevard Overlay District). The landscape buffer strip along John King Blvd shall be as described in the City of Rockwall Unified Development Code, Article V (District Development Standards), Section 6.10 E (Landscape Standards) and be a minimum width of fifty (50) feet as shown on the Planned Development Concept Plan in Exhibit 'B'. Additionally, the developer shall construct a minimum of a ten (10) foot sidewalk, on both sides of John King Boulevard, within the fifty (50) foot landscape buffer strip as recommended by the John King Boulevard Design Concept Plan located in the Comprehensive Plan of the City of Rockwall.

    b. *Buffer-Strip (FM 552).* A landscape buffer strip with a minimum width of fifteen (15) feet shall be provided along the frontage of FM 552, and shall be landscaped with at least one canopy tree per 30-ft and a combination of berms and shrubbery to be reviewed with the PD Site Plan(s) for the retail tract.

    ~~c.~~ *Buffer-Strip (Breezy Hill) Retail.* The minimum buffer width between the proposed retail area and Breezy Hill Rd shall be fifty (50) feet, and shall include a berm with a minimum height of five (5) feet with at least three (3) canopy trees and four (4) accent trees per 100-ft of frontage. A detail of this landscape buffer shall be approved by the Planning and Zoning Commission and City Council at the time of PD Development Plan for the retail tract.

    d. *Buffer-Strip (Breezy Hill) Residential.* A landscape buffer strip with a minimum width of ten (10) feet shall be provided between any residential area and Breezy Hill Rd.

    e. *Irrigation.* Any irrigation installed in landscape areas and public parks must be designed by a Texas licensed irrigator or landscape architect.

    f. *Fencing.* The Association will maintain all common area and perimeter fencing surrounding the Property. Such perimeter fencing shall be composed of six foot (6') tall tubular steel fencing with masonry entry features or such other fencing as may be approved by the City at the time of platting. Perimeter screening may also be accomplished by earthen berms landscaped with living screening. Property owners will maintain all fences constructed on private property.

    g. *Curvilinear Walks.* Walks are to be a minimum of five feet (5') wide to six feet (6') maximum width (hike and bike trail) consistent with the approved Open Space Master Plan. "Collector streets" with or without center medians may incorporate sidewalks six feet (6') in width adjacent to or within "front yard" landscape easements. Walks may meander within parkway and common area; however, edge of walk shall be no closer than four feet (4') from back-of-curb.

    h. *Medians.* Any proposed median openings shall meet the City standards at the time of PD site plan approval.

2. *Lighting.* Light poles shall not exceed twenty feet (20') in height. All light fixtures shall direct light downward and be contained to the site.
3. *Sidewalks.* At a minimum, sidewalks located on lay down curb section streets shall begin four feet (4') behind the back of curb and be five feet (5') in overall width. Sidewalks will not be required on rural street sections.
4. Curbing. Within certain lot types "A, B, & C" "roll up, lay down curbing" may be incorporated in an effort to minimize frequent curb cuts and maximize streetscape continuity, as approved by the City of Rockwall (Engineering Department) with approval of the final plat application.
5. *Buried Utilities.* New distribution power-lines required to serve the Property shall be placed underground, whether such lines are located internally or along the perimeter of the Property, unless otherwise authorized by the City Council. New transmission power-lines, or distribution lines of a size not typically or cost effectively placed underground (3 phase lines), or additional lines that are added to existing poles, may be above ground, if located along the perimeter of the Property, except along the 205 Bypass. Additionally, if such above ground lines are installed along the perimeter of the property and adjacent to non-residential use, then the lines shall be installed behind the non-residential buildings where the installation is possible. The Developer shall not be required to re-locate existing overhead power-lines along the perimeter of the Property. Temporary power-lines constructed across undeveloped portions of the Property to facilitate development phasing and looping may be allowed above ground, but shall not be considered "existing lines" at the time the area is developed, and if they are to become permanent facilities, such lines shall be placed underground pursuant to this paragraph.
6. *Parks and Open Space.*
    a. Residential and retail acreages (net of right-of-way dedication) shall contain no less than 20% open space and.
    b. Allowable open space may include but is not limited to 50% of floodplain, amenity center, public or private parks, trails, natural areas, buffers, traffic circle medians, entry features, common areas (including any Association recreation center or similar facilities) and other features depicted on the Development Plan, as set forth in the Open Space Master Plan prepared in accordance with subparagraph (c) below. Street right of way will not be included as open space. At least 80% of the single-family dwellings within the development shall be located within eight hundred feet (800') of public or private open space. In order to qualify, such open space must be at least one (1) continuous acre in area, not including roadway buffers less than fifty (50') feet in width.
    c. The Developer shall prepare the Open Space Master Plan to be consistent with the approved Development Plan. The purpose of an Open Space Master Plan is to supplement the Development Plan by providing an additional level of detail for public and private open space areas. The Open Space Master Plan shall identify the locations of and improvements to public parks, and other public and private open space or common areas and shall illustrate an integral system of trail improvements that, together with intervening land held by other property owners or the City, is designed to connect residential areas, schools and retail areas within the District to parks and open space within the District and that provides for continuation and connection of the trail system to off-site parks and open space, in accordance with the City's Master Park and Recreation Plan. The Open Space Master Plan shall clearly differentiate public parks from private facilities and common lands to be maintained by the Association. The locations of public parks, school sites and other public and private open space or common areas shown on the Open Space Master Plan shall be in conformance with the Development Plan. The Open Space Master Plan shall include a phasing plan for construction of all trails, parks, common open space and facilities. The Open Space

Master Plan shall be considered for approval if it complies with this section, the applicable City regulations, the Development Plan, and generally accepted park-planning practices.

d. The District shall contain not less than eleven (11) acres of land to be used as public or private parkland. A minimum of eleven (11) contiguous acres shall be dedicated to the City in accordance with the City's Neighborhood Parkland Dedication Ordinance on approval of the final plats for those phases adjacent to or abutting the proposed parkland dedication and will provide access to said parkland area. The remaining parkland area will be retained as a private park within the District. Park improvements shall be constructed in accordance with the approved Open Space Master Plan. The site plan incorporating the design of park improvements and hike/bike trail improvements shall be considered for approval with the final plat for the phase of the development containing such improvements. Performance of the obligations in this subparagraph shall be deemed to fully satisfy the City's Neighborhood Parkland Dedication Ordinance regarding land dedication. At the time of recordation of final plats for each phase, the Developer shall pay park improvement fees to the City. These fees shall be held in an escrow account until the parkland is dedicated to the City, at which time the Developer shall inform the City if the Developer wishes to use the escrowed fees as well as future fees to construct park improvements. Prior to construction, said improvements shall be approved by Parks Director, approval not to be unreasonably withheld, and invoices for improvements shall be submitted to Parks Director for approval. Performance of the obligations in this subparagraph shall be deemed to fully satisfy the City's Neighborhood Parkland Dedication Ordinance regarding park development fees, provided that park improvements are installed at a value equal or exceeding the value of park improvement fees for the entire District applicable at that time, or improvement fees are paid. Thereafter, the Developer shall not be responsible for additional parkland dedication or park development fees associated with the Property, except as otherwise may be provided in a capital facilities agreement approved by the City.

7. Developer shall provide a minimum of one (1) retention pond in the District with hard edges and fountain features. The exact configuration and location of the ponds will be determined at development. All retention pond hardedges shall be similar to the hardedge shown on Figure 1 (below).

Figure 1: *Retention Pond with Hardedge.*

8. *Signage.* Permanent subdivision identification signage shall be permitted at all major entry points, in general conformance to the signage shown in Figure 2 & 3 (below). Final design of entry features to be determined with the Planned Development Site Plan.

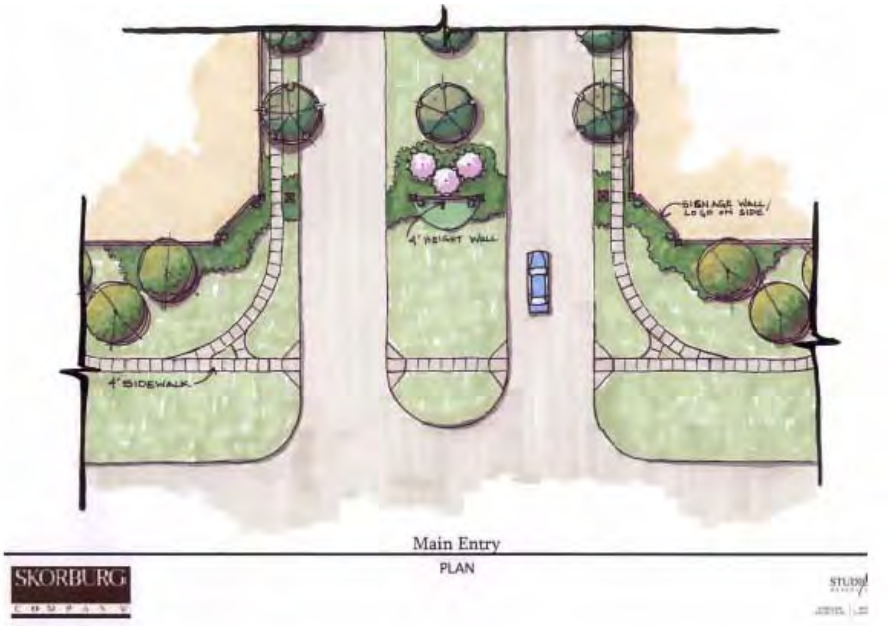

Figure 2: *Example of Subdivision Signage Locations*

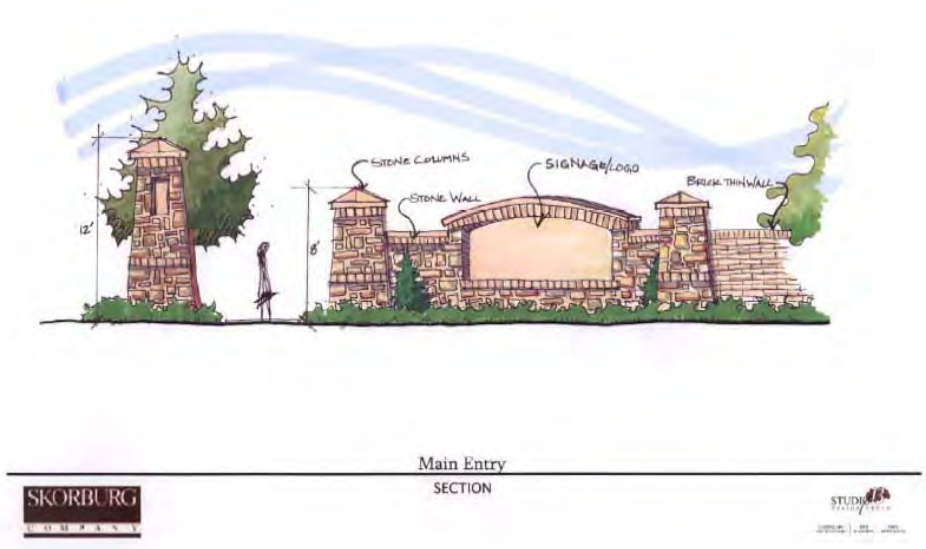

Figure 3: *Example of Subdivision Signage Design Standard*

9. *Variances.* The variance procedures and standards for approval set forth in the Unified Development Code shall apply to any application for variances to this ordinance.

10. *Amenity Center.* Site plan, landscape plan and building elevations for the Amenity Center shall be approved by the Planning and Zoning Commission prior to construction.
11. *Trees.* All trees planted within the District shall be a minimum three (3) inch caliper measured six (6) inches above the root ball.

EXHIBIT 'D': CAPITAL FACILITIES AGREEMENT FOR BREEZY HILL

THIS CAPITAL FACILITIES AGREEMENT (the "Agreement") is by and among the Breezy Hill 405, Ltd, ("Breezy" or "Developer") and the City of Rockwall, Texas ("City" or "Rockwall "),

I. RECITALS

1. Breezy seeks to rezone and subdivide the Property for single-family residential use and certain commercial uses. Breezy shall submit an application to rezone the 405 acres north of FM-552 (the "Property") as a planned development (PD) district for a development currently known as Breezy Hill (the "PD District"),

   NOW, THEREFORE, in consideration of the foregoing recitals and mutual covenants contained herein, the Parties hereto agree as follows:

II. ADEQUATE PUBLIC FACILITIES

1. *General Provisions.*

   a. *Adequacy Required.* Development of the Property shall be supported with adequate levels of public facilities and services, Adequate facilities and services are those that (i) comply with the applicable City regulations, including this Agreement, and (ii) are consistent with generally accepted engineering and planning practices for similar developments, The Parties agree that the dedication and construction of public improvements, or the contribution of proportionate development fees, required to support development of the Property shall precede or be concurrent with the construction of private improvements to the land, in accordance with the phasing provisions incorporated within this section, or as otherwise may be provided through approval of a master plat.

   b. *Proportionality.* The Parties agree that the dedication or construction of public improvements, or the contributions of development fees, provided for in this Agreement are roughly proportional to the nature and extent of the proposed development of the Property on the City's public facilities systems. Breezy hereby covenants not to sue the City for any claim, or otherwise consent to participate in any action against the City arising from any claim by such party or by its affiliates, alleging that application of the adequate facilities requirements set forth in this Part II of the Agreement to the development of the Property, or the imposition of conditions to a plat application for a portion of the Property that are consistent with the requirements of this section, are not roughly proportional to the impacts of the development depicted in the Concept Plan, including but not limited to any action premised upon Tex. Loc. Gov't Code sec. 212.904 or successor statute. Such covenant not to sue touches and concerns the Property, and is a covenant running with the land such that it binds successors-in-interest and assigns of Breezy. Should any successor-in-interest or assign of Breezy other than an affiliate of Breezy assert any of the foregoing claims in a court of competent jurisdiction, in violation of this Subsection 1 (b), with respect to the development of any portion of the Property, the Parties agree that, with respect to such portion of the Property or all of the Property, at the City's option, this Agreement thereupon shall become null and void and any rights that may otherwise have

BLS

vested under then existing state law shall be waived upon such event. Breezy further agrees that the City may expressly rely upon the provisions of this paragraph in any certification under section 212.904 and that a court in determining rough proportionality may consider all of the Property. Should Breezy or an affiliate of Breezy violate the covenant not to sue contained in this paragraph, the City may either enforce the covenant or pursue the remedies provided for herein that are applicable to successors or assigns, other than affiliates. As used in this Agreement, the term "affiliate" means any person, corporation, partnership, or other entity controlled by, controlling, or under common control with Breezy.

c. *No Waiver.* The requirements in this Part II shall be considered additional standards and conditions applicable to development within the PD District. Except in the event of a conflict between the standards in this Agreement and other standards applicable within the District, nothing in this Agreement shall be construed as superseding any requirement or standard in the City's subdivision or utility regulations relating to provision of adequate public facilities and services.

2. *Wastewater Services.*

a. *City as Provider.* The City shall be the supplier of wastewater services to the Property.

b. *Line Extensions.* The Developer shall extend wastewater mains sufficient to serve each phase of development within the PD District, sized in accordance with the City's master plan for wastewater facilities and constructed in accordance with the phasing schedule approved in conjunction with the Developer's master plat application. The Developer shall design and construct a lift station in order to serve the development within the PD District. The Developer shall be entitled to pro-rata fees for the costs of over-sizing the lift station from other future developments using the lift station, calculated on a per acreage basis. Developer also shall be eligible for credits against, wastewater impact fees otherwise due for construction of improvements identified and included in the City's wastewater improvements plan for impact fees, in accordance with the City's then existing impact fee regulations. Provisions for City participation in oversize costs, rebate of pro-rata fees or provision of impact fee credits shall be set forth in a facilities and reimbursement agreement between the Developer and the City.

c. *Payment of Impact Fees.* Wastewater impact fees shall be paid at rates and at the times provided for in the City's then existing impact fee regulations.

3. *Water Services*

a. *City as provider.* The City shall be the supplier of water services to the Property. The City represents that it has sufficient capacity to serve the Property.

b. *Line Extensions.* The Developer shall extend water mains sufficient to serve each phase of development within the PD District, sized in accordance with

BD

EXHIBIT 'D': CAPITAL FACILITIES AGREEMENT FOR BREEZY HILL

the City's master plan for water facilities and constructed in accordance with the phasing schedule approved in conjunction with the Developer's master plat application. The Developer shall be eligible for City participation in the costs of over-sizing water distribution mains or appurtenances that serve other land in addition to the Property, in accordance with the City's standard policies, or for collection of pro-rata fees for such facilities. Developer also shall be eligible for credits against, water impact fees otherwise due for construction of improvements identified and included in the City's water improvements plan for impact fees, in accordance with the City's then existing impact fee regulations. Provisions for City participation in oversize costs, rebate of pro rata fees or provision of impact fee credits shall be set forth in a facilities and reimbursement agreement between the' Developer and the City.

c. *Payment of Impact Fees.* Water impact fees shall be paid at rates and at the times provided for in the City's then existing impact fee regulations.

4. *Road Improvements.* The Developer shall make the following road improvements.

a. *John King Boulevard (Highway 205 Bypass).* The Developer shall have no obligation with respect to construction of John King Blvd. other than as outlined herein regarding payment of road impact fees.

b. *FM-552 Improvements.* The Developer shall dedicate rights-of-way for and construct turn lanes and acceleration/deceleration lanes concurrent with construction of any road on the Property that intersects FM 552, in accordance with City and TXDOT standards and specifications at the time of development of adjoining property.

c. *Breezy Hill Road Improvements.* The Developer shall dedicate a minimum of twenty-five feet (25') of right-of-way or such right-of-way as is needed to construct a twenty-four foot (24') concrete rural section of Breezy Hill Road and appurtenances adjacent to the Property, together with a two-foot (2') asphalt or concrete shoulder on either side of the concrete section, the total not to exceed twenty-eight feet (28') in width, from the northern point of Breezy Hill Road adjacent to the Property, to FM-552, as shown on the Development Plan. The Developer also shall dedicate and improve a minimum landscape buffer of ten feet (10') for the residential tract and fifty feet (50') for the retail tract, adjacent to the right-of-way for Breezy Hill Road, designed in accordance with the requirements of a PD District then in effect for a rural collector. The bar ditch that abuts the buffer strip, designed to a maximum slope of 3: 1, shall not encroach into the required ten-foot or fifty-foot buffer area, except to the extent that the buffers exceed ten feet (10') in width. The Developer shall dedicate right-of-way for Breezy Hill Road and the landscape buffer at the time of final plat approval for any lot abutting Breezy Hill Road. Developer shall construct Breezy Hill Road in conjunction with the retail tract that is final platted adjacent to Breezy Hill Road. Breezy Hill Road will be constructed from the northernmost intersection created by any portion of the retail tract being platted, south to FM-552. Developer shall install any

BL)

EXHIBIT 'D': CAPITAL FACILITIES AGREEMENT FOR BREEZY HILL

needed expansion of existing culverts created by such construction or the development, of such retail tract.

d. *Payment of Roadway Impact Fees.* Roadway impact fees shall be paid at rates and at the times provided for in the City's then existing impact fee regulations. Construction costs incurred by Developer for roadway improvements in this Agreement that are included in the City's roadway improvements plan for impact fees shall be credited against roadway impact fees otherwise due, in accordance with the City's impact fee regulations.

5. *Drainage Improvements.* Dedication of rights-of-way for and construction of drainage improvements shall be provided as specified in conditions imposed with approval of the master plat for development within the PD District and in accordance with City standards and specifications.

6. *Parks and Open Space.*

a. The Developer or a property owners association shall maintain public parklands and improvements within the development for a period of three (3) months from the completion and acceptance of the improvements. Thereafter, the City shall assume responsibilities for maintenance. All open space and improvements which are not dedicated as parkland to the City shall be maintained as common areas in perpetuity by the property owners association for the PD District. Additionally, the property owners association shall maintain Developer-installed landscaping areas in public rights-of-way and public drainage ways internal to and adjacent to the Property.

III. GENERAL PROVISIONS

1. Notice on Sale. The Developer shall provide the City with notice of the sale of any tract or parcel within the District that has not been platted at the following address:

Rockwall City Manager
Rockwall City Hall
385 S. Goliad Street
Rockwall, TX 75087

2. *Recording.* This Agreement is intended to run with the land, and shall be recorded in the Real Property Records, Rockwall County, Texas.

3. *Term of Agreement.* This Agreement shall terminate two (2) years following the City's acceptance of the dedication and construction of the public improvements described herein serving the last phase of development within the PD District, after which the City agrees, upon the request of the Developer to execute a termination of this Agreement in recordable form. Any reimbursements for payment of impact fees shall not expire.

4. *Effective Date.* This Agreement shall take effect upon the date of its execution by the last of the Parties to the Agreement; provided, however, that Breezy shall execute this Agreement no later than five (5) business days following the

BJS

effective date of the PD zoning ordinance for the Property. If Breezy fails to execute this Agreement within such period, this Agreement shall become null and void, and unless a subsequent agreement, acceptable to the City and the Developer, is agreed to, the City may thereafter deny any PD site plan, master plat or other plat application on grounds that the application is not supported by adequate public facilities and services.

5. *Severability.* Invalidation of any provision of this Agreement by judgment or court order shall not invalidate any of the remaining provisions which shall remain in full force and effect, unless such remaining provisions are an integral part of the invalid provisions or the invalid provision is necessary to give effect to the remaining provisions.

6. *Enforcement.* This Agreement may be enforced by the Parties by any proceeding at law or in equity. Failure to do so shall not be deemed a waiver to enforce the provisions of this Agreement thereafter.

7. *Venue.* Venue for this Agreement shall be in Rockwall County, Texas.

8. *Execution.* This Agreement may be separately executed in individual counterparts, and upon execution, shall constitute one and the same instrument.

9. *Amendment.* This Agreement may only be amended in writing upon mutual consent of the City and the Developer.

10. *Joint preparation.* This Agreement shall be deemed to have been jointly prepared by all Parties hereto, and no ambiguity of this Agreement shall be construed against any party based upon the identity of the author of this Agreement or any portion thereof.

11. *Recitals Incorporated.* Statements and representations contained herein are to be considered contractual in nature and not merely recitations of fact. The Recitals contained in Part I of this Agreement hereby are expressly incorporated into this Agreement by reference.

12. *Construction.* All references herein in the singular shall be construed to include the plural where applicable, the masculine to include the feminine and neuter genders.

13. *Authority.* Each of the signatories to this Agreement represents and warrants that he is authorized to execute this Agreement and bind his principals to the terms and provisions hereof. Each Party warrants that any action required to be taken in order for this Agreement to be binding on it has been duly and properly taken prior to the execution of this Agreement.

14. *Conflicts.* In the event of a conflict between this Agreement and any provision of the Unified Development Code, the City Code, or any City ordinance, rule, regulation, or procedure that provides a specific standard that is different from and inconsistent with this Agreement, the standards in this Agreement shall control.

BJ

EXHIBIT 'D': CAPITAL FACILITIES AGREEMENT FOR BREEZY HILL

15. *No Waiver*. Developer retains the right to challenge the application of any City impact fee regulations to the Property solely on the basis that such regulations fail to comply with Chapter 395 of the Texas Local Government Code, as amended. If Developer prevails in such a claim, impact fees shall be applied to the development of the Property and paid by the Developer, as applicable, in accordance with the court order.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 07/07/2014

APPLICANT: Scott W. Blackwood

AGENDA ITEM: **Z2014-016**; Zoning Change (AG to PD)

SUMMARY:

Hold a public hearing to discuss and consider a request by Scott W. Blackwood for the approval of a zoning change from Agricultural (AG) District to a Planned Development District for limited commercial/retail land uses on a 12.493-acre tract of land identified as Tract 17-14 of the W. W. Ford Survey, Abstract No. 80, City of Rockwall, Rockwall County, Texas, located west of the intersection of SH-205 [S. Goliad Street] and S. FM-549, and take any action necessary.

BACKGROUND INFORMATION AND PURPOSE:

On January 21, 2014, the subject property was annexed under *Case No. A2013-001* (*Ordinance No. 14-04*) and issued an Agricultural (AG) District zoning designation. The intent of the applicant's request is to change the zoning designation of the subject property from an Agricultural (AG) District to a Planned Development District for limited commercial/retail land uses to facilitate the sale of the property. According to a letter provided by the owner of the property the reason the Planned Development District is being requested is to limit the potential uses and provide transition between the commercial property to the north and the residential property to the south. Currently, the 12.493-acre tract of land is being utilized for residential land uses and has an existing single family home situated on it.

ADJACENT LAND USES AND ACCESS:

The land uses adjacent to the subject property are as follows:

North: Directly north of the subject property is a 7.32-acre tract of land zoned Commercial (C) District that has a residential structure being utilized as an office building. To the northeast of the subject property is a residential home situated on a 6.0-acre tract of land. Beyond these uses are S. Goliad Street [*SH-205*] and S. FM-549.

South: Directly south of the subject property is a residential home situated on a 12.5-acre tract of land. Beyond this is a 134.33-acre tract of vacant land that is a portion of a larger 254.082-acre tract of land. Both properties are zoned Agricultural (AG) District.

East: Directly east of the subject property is remainder of the 134.33-acre tract of vacant land that is a portion of a larger 254.082-acre tract of land zoned Agricultural (AG) District. Beyond this property is S. Goliad Street [*SH-205*].

West: Directly west of the subject property is S. FM-549 followed by the Oaks of Buffalo Way, which is a 109.57-acre development containing 58 single-family homes that are zoned Single Family Estate 1.5 (SFE-1.5) District.

ANALYSIS:

The UDC indicates that Commercial (C) Districts are general in nature and contain development standards that are less stringent than the development standards required for the Residential-Office (RO), Neighborhood Services (NS) and General Retail (GR) Districts (*§4.5.4; Art. V; UDC*). Additionally, it states that Commercial (C) Districts are generally developed with intensive commercial uses that carry large volumes of traffic and should be adjacent to arterials or major collectors that can absorb the added capacity (*§4.5.2; Art. V; UDC*). The subject property is approximately 650-feet from the intersection of SH-205 and FM-549, which is currently a 'T' intersection. On the north side of the intersection is a 43.812-acre tract of land that was rezoned to a Commercial (C) District designation on March 4, 2013 [*Case No. Z2013-002; Ordinance No. 13-03*]. The City's current Thoroughfare Plan, contained within the Comprehensive Plan, indicates that this 43.812-acre tract of land will eventually be divided by the realignment of FM-549, which will connect into the existing 'T' intersection. In addition, the 7.32-acre tract of land located at the southern corner of the intersection was rezoned to a Commercial (C) District designation on April 4, 2010 [*Case No. Z2010-021; Ordinance No. 11-12*]. The approval of this zoning case would increase the commercial acreage offered at this intersection from 51.132-acres to 63.625-acres. It is also important to note that the 7.130-acre property on the west side of the intersection is currently zoned Agricultural (AG) District; however, due to the adjacent land uses and the size and location of the property it would best be served by a Commercial (C) District (*or comparable*) zoning designation. Additionally, it is designated for *Commercial* land uses on the Future Land Use Map.

Directly northwest of the subject is the Oaks of Buffalo Way subdivision (zoned SFE-1.5), which contains 58 single-family lots on 109.57-acres of land. Addressing adjacency issues the Comprehensive Plan states that commercial "(z)oning should only be allowed where the [a] commercial use is eminent and where it would be planned and integrated with the adjacent residential neighborhoods." The applicant has stated that the purpose of the zoning request is to facilitate the sale of the property and that no end user has been identified. Through the Planned Development District the applicant has attempted to mitigate potential uses, which could be viewed as undesirable to the adjacent residential neighborhood. Additionally, staff has included a condition that the heights of buildings be further regulated to require a Specific Use Permit (SUP) if they exceed 36-feet in height with a maximum permissible height of 60-feet (the maximum permissible height in a SFE-1.5 zoning district is 36-feet) [*see the #2 in the Recommendations section below*]. Currently the Commercial (C) District allows for a maximum permissible height of 240-feet, requiring an SUP after exceeding 60-feet.

In approving a Planned Development District the City Council is asked to consider the plans conformance to the comprehensive plan, the proposed land uses and there potential impact on adjacent land uses, and if the proposed plan furthers the public health, safety and general welfare of the community (*§2.1.I; Art. X; UDC*). In this case the applicant intends to rezone the property to facilitate the sale of said property, and is requesting the Planned Development District zoning designation for the purpose of limiting the uses permitted in a Commercial (C) District to lessen the potential impact on the adjacent residential properties. Should the request be approved a PD Development Plan and PD Site Plan would be required prior to the development of the property.

CONFORMANCE WITH THE COMPREHENSIVE PLAN:

The Future Land Use Map, adopted with the Comprehensive Plan, designates the subject property for *Low Density Residential* land uses. Should the City Council approve the applicant's request, the Future Land Use Map will be required to be amended with the next Comprehensive

Plan update to reflect the proposed change in land use from *Low Density Residential* to a *Commercial* designation.

NOTIFICATION:

On May 30, 2014, staff mailed 17 notices to property owners and residents within 500 feet of the subject property. Staff also sent a notice to the Oaks of Buffalo Way Homeowner's Associations (HOA), which is the only HOA located within 1,500 feet of the subject property. Additionally, staff posted a sign along FM-549, which is the only street frontage adjacent to the subject property as required by the Unified Development Code (UDC). At the time this case memo was drafted staff had received one (1) in favor of the request and two (2) notices in opposition to the request.

According to Section 8.4, *Protest of Proposed Change in Zoning*, of Article II, *Authority and Administrative Procedures*, of the Unified Development Code in the event that written and signed protest is received by owners representing 20% or more of the area of the lots or land within 200-feet of the subject property in such zoning change the request shall require a favorable vote of three-fourths (¾) of all eligible member of the City Council. In this case, the two (2) notices received in opposition represent ~30.04% of the land area within 200-feet of the subject property. This case will require a three-fourths (¾) majority vote to be approved by the City Council.

RECOMMENDATIONS:

If the City Council approves the applicant's request to change the zoning of the subject property from an Agricultural (AG) District to a Planned Development District for limited commercial/retail uses then staff would propose the following conditions of approval:

1) The *Subject Property* shall comply with all the requirements specified by Section 4.1, *General Commercial District Standards*, and Section 4.5, *Commercial (C) District*, of Article V, *District Development Standards*, of the Unified Development Code [*Ordinance No. 04-38*] unless specifically stated within the draft ordinance,

2) Any structure exceeding 36-feet in height shall require a Specific Use Permit (SUP) with the maximum permissible building height on the *Subject Property* being limited to 60-feet,

3) The *Subject Property* shall be used only in accordance with the uses stipulated by the attached list of *Permissible Uses*,

4) Prior to the acceptance of a preliminary plat and/or site plan for the *Subject Property* a PD Development Plan shall be required to be submitted and reviewed by the Planning and Zoning Commission, and upon recommendation by the Planning and Zoning Commission, acted on by the City Council,

5) Prior to the acceptance of a preliminary plat for the *Subject Property* a PD Site Plan shall be required to be considered by the Planning and Zoning Commission, and if applicable acted on by the City Council, and

6) Any construction resulting from the approval of this *zoning change* shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire

codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION:

On June 10, 2014, the Planning and Zoning Commission recommended denial of the applicants request by a vote of 5-1, with Commissioner Lyons dissenting and Commissioner Minth absent.

On June 24, 2014, the Planning and Zoning Commission recommended denial of the applicant's request by a vote of 4-1; with Commissioner Lyons dissenting, and Commissioners Conley and Jackson absent.

ADDENDUM (06/11/2014):

Based on the concerns raised by the Planning and Zoning Commission at their meeting on June 10, 2014 the applicant has requested to remove the following uses from the draft ordinance:

- ☑ Pawn Shop
- ☑ Private Club
- ☑ Restaurant, Less than 2,000 Sq. Ft., with Drive-Through or Drive-in
- ☑ Restaurant, 2,000 Sq. Ft., with Drive-Through or Drive-in
- ☑ Restaurant with Accessory Private Club or Brew Pub

If the City Council chooses to approve the applicant's request with these changes a motion will need to be made specifically addressing the exclusion of these uses.

ADDENDUM (06/24/2014):

Prior to the Planning and Zoning Commission meeting on June 24, 2014 the applicant contacted staff to request a change in the request to a Planned Development District for limited Residential-Office (RO) District uses specifically limited to the following:

Permitted Uses:

- ☑ General Office
- ☑ Office Buildings (Less Than 5,000 Sq. Ft.)
- ☑ Home Occupation
- ☑ Single Family Detached
- ☑ Bed & Breakfast
- ☑ Studio-Art, Photography or Music

Specific Use Permits (SUPs):

- ☑ Assisted Living Facility
- ☑ Residential Care Facility
- ☑ Group/Community Home
- ☑ Office Building (More Than 5,000 Sq. Ft.)
- ☑ General Retail Building (Less Than 5,000 Sq. Ft.)
- ☑ Public or Private School
- ☑ Day Care

Additionally, the new proposal includes limitations concerning parking, cross access, variances, and site plan review. This Planned Development District is similar to other PD's drafted for

Residential-Office (RO) District uses (e.g. PD-69 & PD-50). *Staff has prepared a draft ordinance attached to this case memo for City Council's review.*

Since this request was more restrictive than the original request (*i.e. a Planned Development District for limited Commercial/Retail uses*) the case was permitted to be voted on by the Planning and Zoning Commission. The Planning and Zoning Commission voted 4-1 (with Commissioner Lyons dissenting and Commissioner Conley and Jackson absent) to deny the request based on concerns surrounding how the proposed zoning change could affect adjacent properties and to what the use on the property would be in the future. *Should the City Council choose to approve the applicant's request a ¾ majority vote of the City Council will be required.*

CITY COUNCIL:

On June 16, 2014, the City Council made a motion to remand the applicant's request back to the Planning and Zoning Commission. The motion carried by a vote of 7-0.

Subject: Re: Zoning Option

Ryan,

We have discussed your proposed option and would like you to please include, for next week's P&Z meeting, an addendum which would provide for uses in our plan similar to those outlined in your PD69.

I do want to make certain that, if approved, the new zoning will not affect our current and continued use of the property, until sold. My concern lies with the parking restriction and related fines for violation. Does that restriction apply to us as long as we are living here or does it only apply to future owners/users? Please contact me by phone about this concern as I will not have access to email throughout the day today.

The other concern which needs to be addressed is whether or not we continue to keep our current Ag Exemption until the property is sold. Again, our use of the property will remain unchanged as long as we own and occupy it.

Thank you again and we'll see you on Tuesday.

iv. Office Building (More Than 5,000 Sq. Ft.)
v. General Retail Building (Less Than 5,000 Sq. Ft.)
vi. Public or Private School
vii. Day Care

3. That joint or shared access be required on all adjoining lots if any property used for any of the uses listed above other than Single Family Detached.
4. That parking in the front yard area of any property within this Planned Development District be prohibited and all parking for those uses listed above, other than Single Family Detached, be located behind the rear façade of the main building structure.
5. That all properties within the Planned Development District shall be subject to site plan review if changing to other than residential use.
6. In the event that unique or extraordinary conditions exist on the property such that the applicant feels he/she cannot comply with the strict interpretation of this ordinance, a variance can be requested from the City Council.

Rockwall, TX 75087

Robert,

I am writing in reference to Planning and Zoning case Z2014-016. It is my understanding that the Planning and Zoning Committee voted unanimously to oppose the initial zoning change request at the meeting on June 10th. I am also aware that substantially more than 20% of the residents in the affected area have voiced their opposition and the plan would now have to be approved by a super majority vote of the City Council. Based on this information, I initially thought it would be very unlikely that City Council would approve the request. I have now learned that the applicant has asked for the zoning change to stipulate use restrictions that would preclude the land from being developed for a Pawn Shop, private club or certain types of eateries.

If the Planning and Zoning Committee will be further reviewing this proposal, I would like to voice my continued opposition. The fact that the land is restricted from being used for a Pawn Shop; in no way protects all the families surrounding this property from having some other disruptive business planted in their neighborhood. We all chose to build or purchase homes in this rural environment because of the surroundings. It is unjust for the applicants desire to make a quick profit to outweigh the concerns of an entire neighborhood.

I understand that the Planning and Zoning Committee will meet again June 24th in a non-public meeting and ultimately may send the request to the City Council in favor of the proposed change – Please do not let that happen. I ask you again to oppose this zoning change request as it does not protect the high quality of life for the citizens in our neighborhood that is mentioned in the Rockwall Mission Statement.

Sincerely,

Greg Faris

CITY OF ROCKWALL

ORDINANCE NO. 14-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, SO AS TO APPROVE A CHANGE IN ZONING FROM AN AGRICULTURAL (AG) DISTRICT TO A PLANNED DEVELOPMENT DISTRICT FOR LIMITED RESIDENTIAL-OFFICE (RO) DISTRICT LAND USES ON A 12.493-ACRE TRACT OF LAND IDENTIFIED AS TRACT 17-14 OF THE W. W. FORD SURVEY, ABSTRACT NO. 80, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS, AND BEING MORE SPECIFICALLY DESCRIBED IN EXHIBITS 'A' & 'B' OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City has received a request by Scott W. Blackwood for a change in zoning from an Agricultural (AG) District to a Planned Development District for limited Residential-Office (RO) District land uses on a 12.493-acre tract of land identified as Tract 17-14 of the W. W. Ford Survey, Abstract No. 80, City of Rockwall, Rockwall County, Texas and more fully described in *Exhibit 'A' & 'B'* of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area, and in the vicinity thereof, and the governing body in the exercise of its legislative discretion, has concluded that the Unified Development Code [*Ordinance No. 04-38*] should be amended as follows:

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

Section 1. That the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, Texas, as heretofore amended, be and the same are hereby amended by amending the zoning map of the City of Rockwall so as to change the zoning of the *Subject Property* from an Agricultural (AG) District to a Planned Development District.

Section 2. In accordance with *Section 1.3(B), "PD Development Plan*," of *Article X, "Planned Development Regulations,"* of the *Unified Development Code* of the City of Rockwall, prior to the acceptance of an application for preliminary plat and/or site plan for the *Subject Property* a PD Development Plan shall be required to be submitted and reviewed by the Planning and Zoning Commission, and upon recommendation by the Planning and Zoning Commission, acted on by City Council.

Section 3. In accordance with *Section 1.3(C), "PD Site Plan*," of *Article X, "Planned Development Regulations,"* of the *Unified Development Code* of the City of Rockwall, prior to or concurrently with the acceptance of an application for preliminary plat for the *Subject Property* a PD

DRAFT ORDINANCE

Site Plan shall be required to be considered by the Planning and Zoning Commission, and if applicable acted on by the City Council.

Section 4. That the *Subject Property* shall be developed only in the manner and for the purposes provided for a Residential-Office (RO) District as stipulated in *Section 4.1, "General Commercial District Standards,"* and *Section 4.2, "Residential-Office (RO) District",* of *Article V, "District Development Standards",* of the *Unified Development Code* of the City of Rockwall as heretofore amended, as amended herein by granting of this zoning change, and as maybe amended in the future, with the exception of the following requirements:

1. Joint or shared access shall be required to be provided to all adjoining lots if the subject property is used for any of the uses listed below other than Single Family Detached,

2. Parking in the front yard of the subject property shall be prohibited for all uses listed below other than Single Family Detached, and

3. In the event that a unique or extraordinary condition exists on the subject property in which the owner of the feels he/she cannot comply with the strict interpretation of this ordinance the City Council can grant variances upon a finding of a hardship.

Section 5. That the *Subject Property* shall be used only in accordance with the following permitted uses and that all other applicable requirements that control land use shall conform to the Residential-Office (RO) District requirements as stipulated in *Section 1.1, "Use of Land and Buildings,"* of *Article IV, "Permissible Uses,"* of the *Unified Development Code* of the City of Rockwall as heretofore amended, as amended herein by granting of this zoning change, and as maybe amended in the future.

Permitted Land Uses

P: Permitted by Right; S: Permitted by Specific Use Permit; [1]: Additional Requirements per the UDC;

Assisted Living Facility [1]	S
Bed and Breakfast [1]	P
Day Care [1]	S
General Office	P
General Retail Building (Less Than 5,000 Sq. Ft.)	S
Group or Community Home [1]	P
Home Occupation [1]	P
Office Building (Less Than 5,000 Sq. Ft.)	P
Office Building (More Than 5,000 Sq. Ft.)	S
Public or Private School [1]	S
Residential Care Facility	S
Single Family Detached	P
Studio: Art, Photography or Music	P

Section 6. The *Official Zoning Map* of the City of Rockwall, Texas shall be amended to reflect the change in zoning for the *Subject Property* as described in this ordinance.

Section 7. That any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *Two Thousand Dollars* ($2,000.00) for each offense and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 8. That if any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm,

DRAFT ORDINANCE

corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable.

Section 9. The standards in this ordinance shall control in the event of a conflict between this ordinance and any provision of the Unified Development Code or any provision of the City Code, ordinance, resolution, rule, regulation, or procedure that provides a specific standard that is different from and inconsistent with this ordinance. References to zoning district regulations or other standards in the Unified Development Code (including references to the *Unified Development Code*), and references to overlay districts, in this ordinance or any of the Exhibits hereto are those in effect on the date this ordinance was passed and approved by the City Council of the City of Rockwall, Texas.

Section 8. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 21ST DAY OF JULY, 2014.

Subject: Fwd: Scott & Glenita Blackwood Zoning Application Changes

Mr. Miller,

First of all, as I pointed out to Scott, I was thoroughly impressed with your presentation and how you represented an unbiased view for all involved. I admire and appreciate your professionalism and applaud you!

Here is a list of planned zoning changes we wish to address and remove for all to be comfortable and our desire is to find a fair platform for all parties involved with our proposed planning zone change.

Please remove the following uses made below:

Pawn Shop
Private Club
Restaurant, Less than 2000 Sq. Ft., w/Drive-Thru or Drive-in
Restaurant, 2000 Sq. Ft. or more, w/ Drive-Thru or Drive-in
Restaurant with accessory Private Club or Brew Pub

Thank you for including us in next week's City Council Agenda.

Subject: Zoning Case # Z2014-16. In Favor of Change.

Mr. Lacroix,

RE: Zoning Case # Z2014-016

We own the 264 acres adjacent to the subject property. Rockwall HighGate LP. The physical address is 5565 FM 549.

We support the zoning change for this parcel to commercial and other parcels around the future 4 way intersection at 205 & 549. There is no doubt that commercial is the highest and best use for this corner, and we believe that this intersection will someday be a significant commercial intersection and will help support future residential and commercial development in the area. This development area will add a significant amount to the Rockwall tax base. Additionally, we believe that Rockwall must continue to promote growth in order to attract world class companies and people to the area.

Sincerely,

Scott Asbury
Managing Member, Rockwall HighGate LP

Ryan,

I am writing to voice my concerns regarding case Z2014-016 for a proposed zoning change. Rezoning the property in question to commercial would drastically affect the homeowners at Oaks of Buffalo Way, my family (the adjoining property) and the homeowner abutting this property on 205. We have all invested a lot of time and money in our homes and certainly don't want to be faced with having an Exxon or worse literally in our neighborhood. This is not what Rockwall was built on and not what Rockwall is known for.

The current zoning is the correct zoning and this should not be taken lightly. A few years ago Rockwall was ranked as the number one place to raise a family and everyone was proud of that. Changing the zoning of this property will affect the quality of life for so many families that built here with the intentions of living a quiet, peaceful life away from the trappings of the city.

The Mission Statement for the City Rockwall states:

The purpose of the government of the City of Rockwall is to provide responsible leadership and the services and infrastructure necessary for a safe environment and a high quality of life for our citizens.

Please do not approve this zoning change request as it does not protect the high quality of life for the citizens in our neighborhood that is mentioned in the mission statement.

Sincerely,

Greg Faris

PLEASE RETURN THE BELOW FORM

Case No. Z2014-016: Zoning Change (AG to PD)

Please place a check mark on the appropriate line below:

☐ I am in favor of the request for the reasons listed below.

☑ I am opposed to the request for the reasons listed below.

It affects property value and could potentially affect the security of our home. It also increases traffic in the area which is already very bad.

Name: PHILIP LIVING TRUST, MOHAN PHILIP

Address: 5160 BEAR CLAW LN, ROCKWALL, TX- 75032

Tex. Loc. Gov. Code, Sec. 211.006 (d) **If a proposed change to a regulation or boundary is protested in accordance with this subsection, the proposed change must receive, in order to take effect, the affirmative vote of at least three-fourths of all members of the governing body. The protest must be written and signed by the owners of at least 20 percent of either: (1) the area of the lots or land covered by the proposed change; or (2) the area of the lots or land immediately adjoining the area covered by the proposed change and extending 200 feet from that area.**

June 13, 2014

Z2014-016

Case Manager: Ryan Miller

Hold a public hearing to discuss and consider a request by Scott W. Blackwood for the approval of a zoning change from Agricultural (AG) District to a Planned Development District for limited commercial/retail land uses on a 12.493-acre tract of land identified as Tract 17-14 of the W. W. Ford Survey, Abstract No. 80, City of Rockwall, Rockwall County, Texas, located west of the intersection of SH-205 [S. Goliad Street] and S. FM-549, and take any action necessary.

I feel that the proposed zoning change will have an adverse effect on the residential area of the neighborhood. The negative factors to this zoning change would be noise, loss of privacy in the area, negative impact on the character of the neighborhood, unacceptable density in the area and adverse effects on the traffic and much more.

I am opposed to the request.

Thank you,

Robin E. Baley

ROCKWALL, TX 75032

Rockwall City Council
Goliad Street
Rockwall, Texas 75087

Dear Sirs:

On the advice of our real estate agent, Stephen Straughan, we are making a formal request for a zoning change to Planned Development. With the adjacent property to the east with commercial zoning being offered for sale and the undeveloped land to the south, we believe that the best zoning for our land is a Planned Development.

My wife and I are selling our residence and are requesting the Planned Development to limit potential uses.

Within this request are the uses that we would like to have included within the Planned Development, either as a permitted use or a use with a Special Use Permit.

CITY OF ROCKWALL

ORDINANCE NO. 14-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, SO AS TO APPROVE A CHANGE IN ZONING FROM AN AGRICULTURAL (AG) DISTRICT TO A PLANNED DEVELOPMENT DISTRICT FOR LIMITED COMMERCIAL (C) DISTRICT LAND USES ON A 12.493-ACRE TRACT OF LAND IDENTIFIED AS TRACT 17-14 OF THE W. W. FORD SURVEY, ABSTRACT NO. 80, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS, AND BEING MORE SPECIFICALLY DESCRIBED IN EXHIBITS 'A' & 'B' OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City has received a request by Scott W. Blackwood for a change in zoning from an Agricultural (AG) District to a Planned Development District for limited Commercial (C) District land uses on a 12.493-acre tract of land identified as Tract 17-14 of the W. W. Ford Survey, Abstract No. 80, City of Rockwall, Rockwall County, Texas and more fully described in *Exhibit 'A' & 'B'* of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area, and in the vicinity thereof, and the governing body in the exercise of its legislative discretion, has concluded that the Unified Development Code [*Ordinance No. 04-38*] should be amended as follows:

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

Section 1. That the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, Texas, as heretofore amended, be and the same are hereby amended by amending the zoning map of the City of Rockwall so as to change the zoning of the *Subject Property* from an Agricultural (AG) District to a Planned Development District.

Section 2. In accordance with *Section 1.3(B), "PD Development Plan*," of *Article X, "Planned Development Regulations,"* of the *Unified Development Code* of the City of Rockwall, prior to the acceptance of an application for preliminary plat and/or site plan for the *Subject Property* a PD Development Plan shall be required to be submitted and reviewed by the Planning and Zoning Commission, and upon recommendation by the Planning and Zoning Commission, acted on by City Council.

Section 3. In accordance with *Section 1.3(C), "PD Site Plan*," of *Article X, "Planned Development Regulations,"* of the *Unified Development Code* of the City of Rockwall, prior to or concurrently with the acceptance of an application for preliminary plat for the *Subject Property* a PD Site Plan shall be required to be considered by the Planning and Zoning Commission, and if

SUPERSEDED

applicable acted on by the City Council.

Section 4. That the *Subject Property* shall be developed only in the manner and for the purposes provided for a Commercial (C) District as stipulated in *Section 4.1, "General Commercial District Standards,"* and *Section 4.5, "Commercial (C) District",* of *Article V, "District Development Standards",* of the *Unified Development Code* of the City of Rockwall as heretofore amended, as amended herein by granting of this zoning change, and as maybe amended in the future, with the exception of the following requirements:

☑ *Maximum Building Height.* Any structure exceeding 36-feet in height shall require a Specific Use Permit (SUP) with the maximum permissible building height being limited to 60-feet.

Section 5. That the *Subject Property* shall be used only in accordance with the following permitted uses and that all other applicable requirements that control land use shall conform to the Commercial (C) District requirements as stipulated in *Section 1.1, "Use of Land and Buildings,"* of *Article IV, "Permissible Uses,"* of the *Unified Development Code* of the City of Rockwall as heretofore amended, as amended herein by granting of this zoning change, and as maybe amended in the future.

Section 6. The *Official Zoning Map* of the City of Rockwall, Texas shall be amended to reflect the change in zoning for the *Subject Property* as described in this ordinance.

Section 7. That any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *Two Thousand Dollars* ($2,000.00) for each offense and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 8. That if any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable.

Section 9. The standards in this ordinance shall control in the event of a conflict between this ordinance and any provision of the Unified Development Code or any provision of the City Code, ordinance, resolution, rule, regulation, or procedure that provides a specific standard that is different from and inconsistent with this ordinance. References to zoning district regulations or other standards in the Unified Development Code (including references to the *Unified Development Code*), and references to overlay districts, in this ordinance or any of the Exhibits hereto are those in effect on the date this ordinance was passed and approved by the City Council of the City of Rockwall, Texas.

Section 8. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 7TH DAY OF JULY, 2014.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Mayor and City Council**

FROM: **Rick Crowley, City Manager**

DATE: **July 2, 2014**

SUBJECT: **Comprehensive Plan**

At the retreat, various planning documents were discussed to determine if there was interest in bringing back significant overall changes in these plans for consideration by the Council. While broad overall changes to the Comp Plan do not appear to be warranted at this time, there are several matters that the Mayor, several Council members, and the Planning Department have suggested might be considered. These include:

- Consideration of a request from the Old Town Neighborhood Association that the Comp Plan designation of several specific lots on Williams Street be changed (See attached).

- Consideration of recognizing the effective plan changes which have resulted by approval of certain zoning cases since the plan adoption (See attached).

The Comprehensive Plan was adopted in 2012. Given that no planning document perfectly anticipates the circumstances that may come before the Council in the form of zoning change requests, there have been a total of six (6) zoning cases that have come before the Council since 2012 that have been approved – with that approval effectively constituting an amendment to the plan.

In the past, the practice has been to formally make these changes to the Comp Plan when the next update of the Comp Plan occurred. This has typically been at a time when a comprehensive review of the document was determined to be warranted, included in the budget, and significant evaluation for potential change were to be considered through that process.

Since, based on our discussions and other budget considerations, there likely be no comprehensive update proposed in the upcoming budget, and since we have received the request noted above from the Old Town Neighborhood Association, the Council may want to consider requesting that the Planning and Zoning Commission consider initiating the Comp Plan update process to consider addressing both the six (6) specific cases and/or the Old Town Neighborhood request.

If the Council chooses to take an action related to review and update of the Comp Plan, among the Council's options for action on Monday night would be:

- Request that the Planning and Zoning Commission initiate the process for review of the Comp Plan as relates to the request made by the Old Town Neighborhood Association.

- Request that the Planning and Zoning Commission initiate the process of review of the Comp Plan as relates to both the request by the Old Town Neighborhood Association and as relates to the specific six (6) approved zoning changes which, by virtue of their approval, have effectively amended the existing Comp Plan.

- Or any combination of the two options.

Should the Council take action to move forward with the request by the Old Town Neighborhood Association, the process does require a public hearing and with public notice; however, it does not appear to require notification to the property owners of the lots that are the subject of the request. The Council should consider including any related motion that these property owners be specifically notified that the process has been initiated.

City of Rockwall
The New Horizon

MEMORANDUM

TO: Brad Griggs, Assistant City Manager

FROM: Robert LaCroix, Director of Planning

DATE: June 20, 2014

SUBJECT: Future Land Use Plan Update

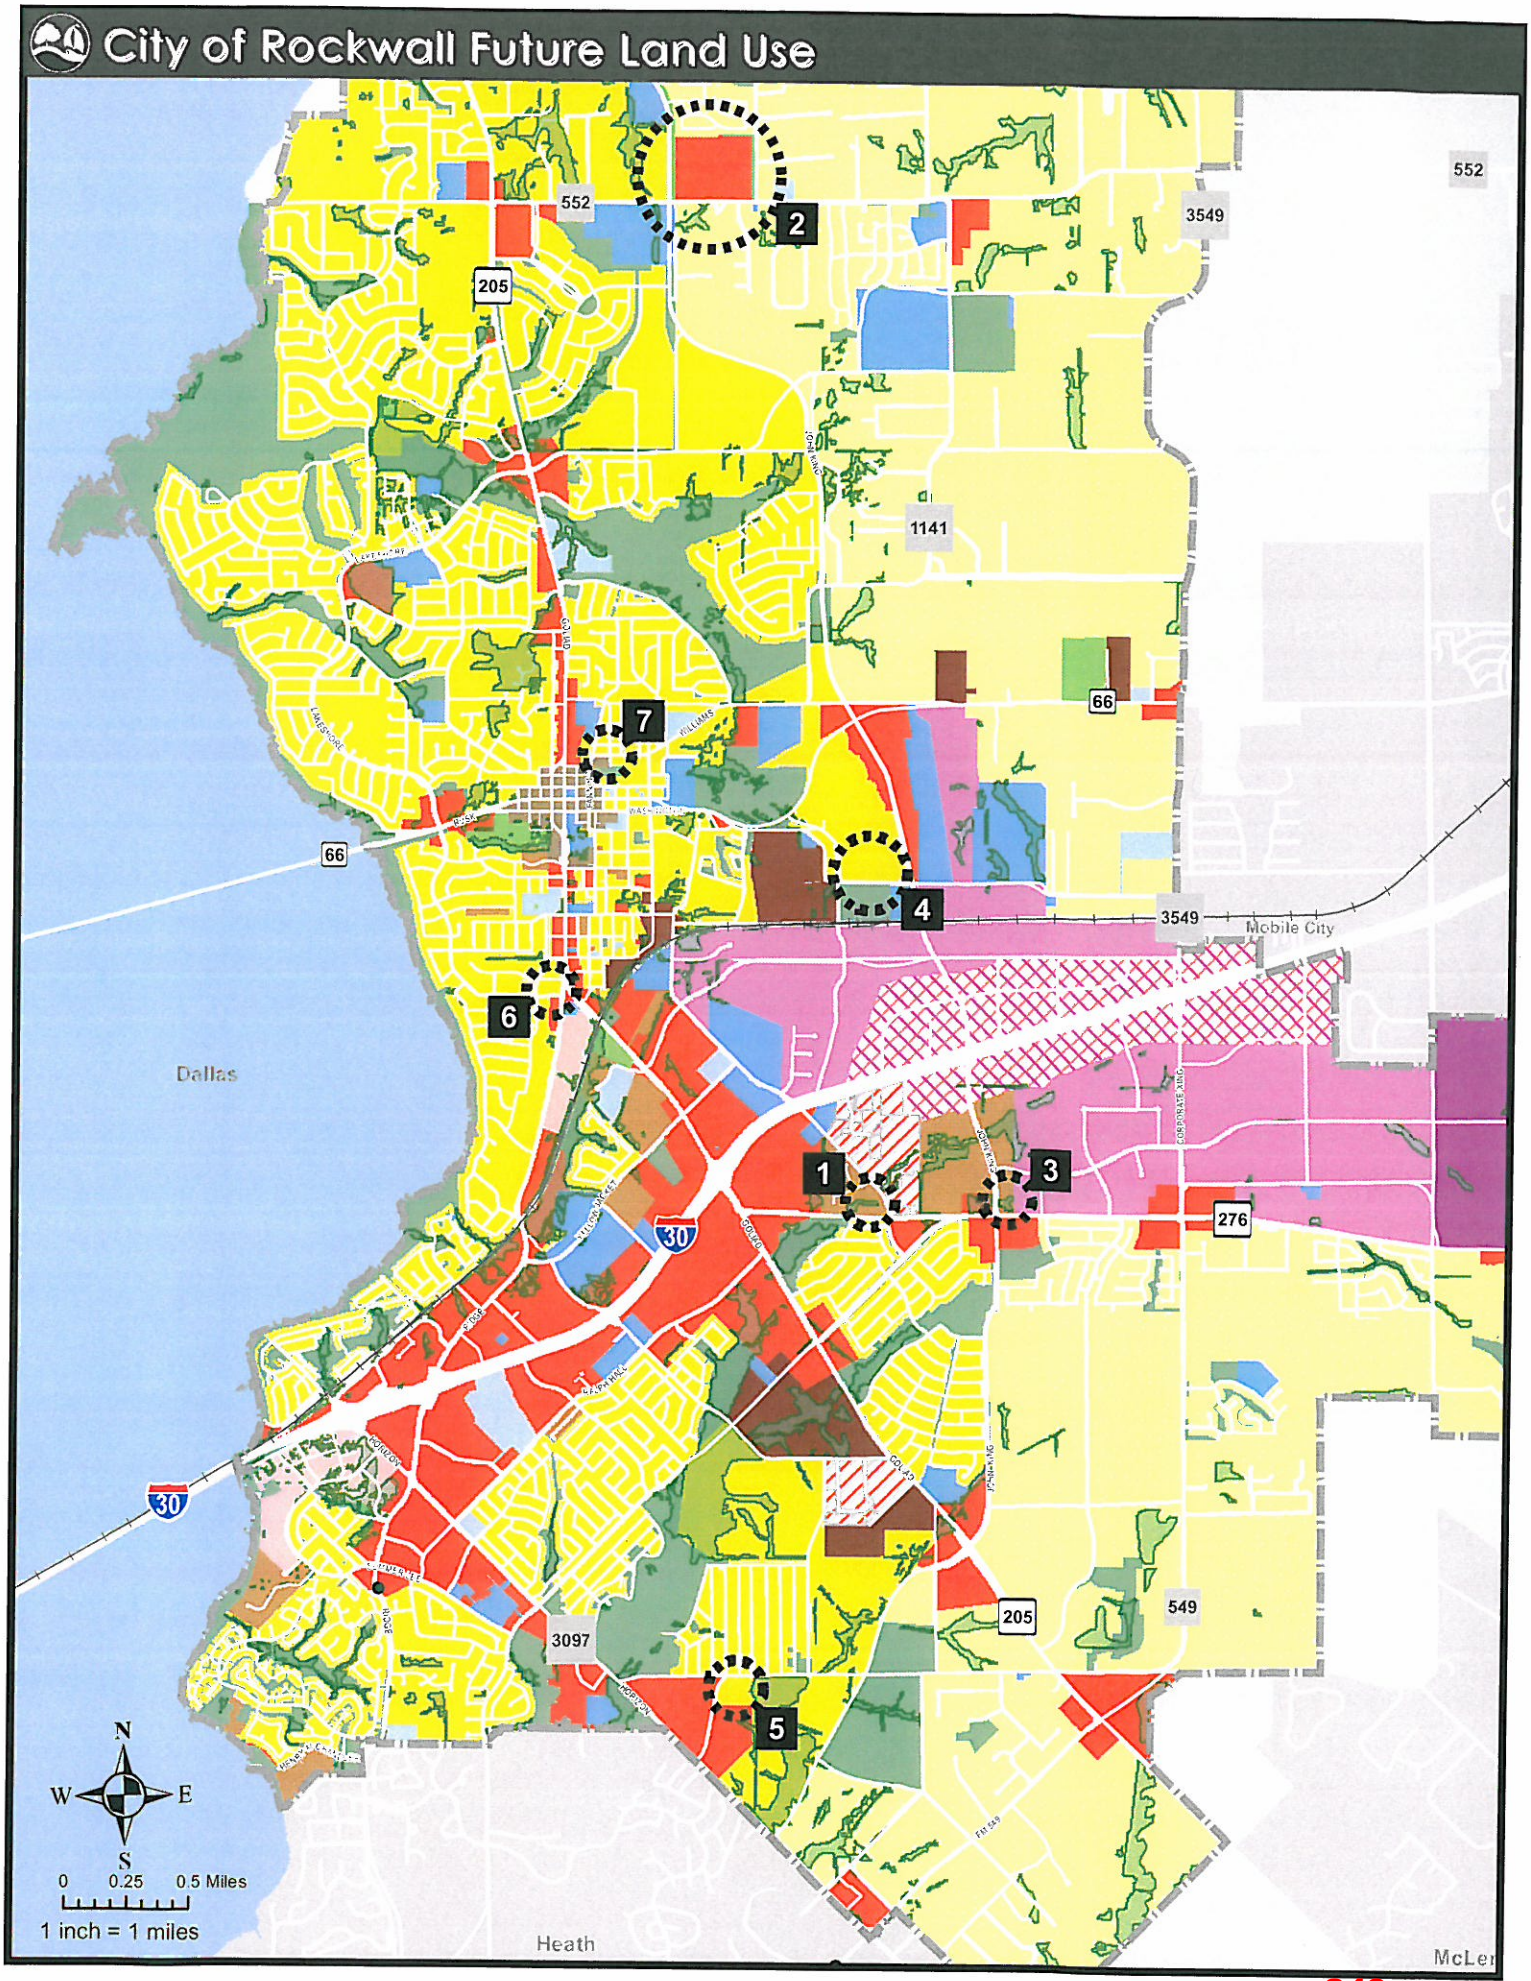
The City has received a request from the Old Town Rockwall Neighborhood Association to change the Future Land Use Map to remove four lots along the south side of Williams Street west of Kernodle Street from being designated as downtown district to medium density residential. These properties include 304, 306, 308 and 310 Williams Street. (see attached request)

Since the 2012 update of the Comprehensive Plan, the City has also approved several zoning changes that essentially have amended the Future Land Use Plan. Those changes include the following: (see attached map)

1. Townsend Village (high density residential to commercial) Townsend @ SH 276
2. Breezy Hills (commercial to medium density residential) John King @ FM 552
3. 7-11 Addition (high density residential to commercial) John King @ SH 276
4. Bricker property (medium density residential to commercial) Airport Road
5. Ranch Trail (medium density residential to commercial) Ranch Trail @ Co. Line Rd
6. Ridge Road (medium density residential to commercial) Cain property

7. Old Town Rockwall Neighborhood request on Williams Street

Historically the City has delayed making amendments to the Future Land Use Plan until the Council feels it needs to update or completely revise the existing Comprehensive Plan. However, the Texas Local Government Code Chapter 213 allows a municipality to adopt or amend its comprehensive plan, and by charter, the municipality may establish procedures for adopting and amending a comprehensive plan. This would include amending the Future Land Use Plan. The following procedures from the City's charter will allow for amending the Future Land Use Plan:



Sec. 9.03. Master Plan.
The existing Master Plan for the physical development of the City contains recommendations for the growth, development and beautification of the City and its extraterritorial jurisdiction. Recommended changes to the Master Plan must be

submitted to the City Manager after the Planning and Zoning Commission holds at least one public hearing on the proposed change.

Sec. 9.04. Procedure for amending Master Plan.
(1) City Manager will submit the proposed changes to the Council, together with any recommendations. The Council, after a public hearing, will adopt or reject such proposed revision or any part thereof as submitted within sixty days following its submission by the City Manager. If the proposed revisions or part thereof should be rejected by the Council, the Planning and Zoning Commission may make modifications and again forward it to the City Manager for submission to the Council.

(2) All rules and regulations adopted by the Planning and Zoning Commission regarding implementation of the Master Plan will be forwarded to the City Manager who will submit them to the Council with his recommendations. The Council may adopt or reject any such rules or regulations. If any rules or regulations should be rejected, the Planning and Zoning Commission may modify them and submit such modified rules and regulations to the City Manager for submission with his recommendations to the Council. (Amended, 1996)

If the Council should choose to move forward to make revisions to the Future Land Use Plan, as directed in part (1) of amending the Master Plan, they would direct the Planning and Zoning Commission to begin the process. The Planning Commission would take up the matter at the work session which occurs the last Tuesday of the month. From that point a public hearing would be scheduled for the regular Planning Commission meeting on the second Tuesday of the month to consider approval of the recommended changes to the Future Land Use Plan. A public hearing would then be scheduled for the next Council meeting being the third Monday of month. An ordinance would be prepared and would require two (2) readings with the second reading occurring 14 days later at the next Council meeting being the first Monday of the month.

Mr. David Sweet
385 South Goliad
Rockwall, TX 75087

April 23, 2014

Honorable Mayor,

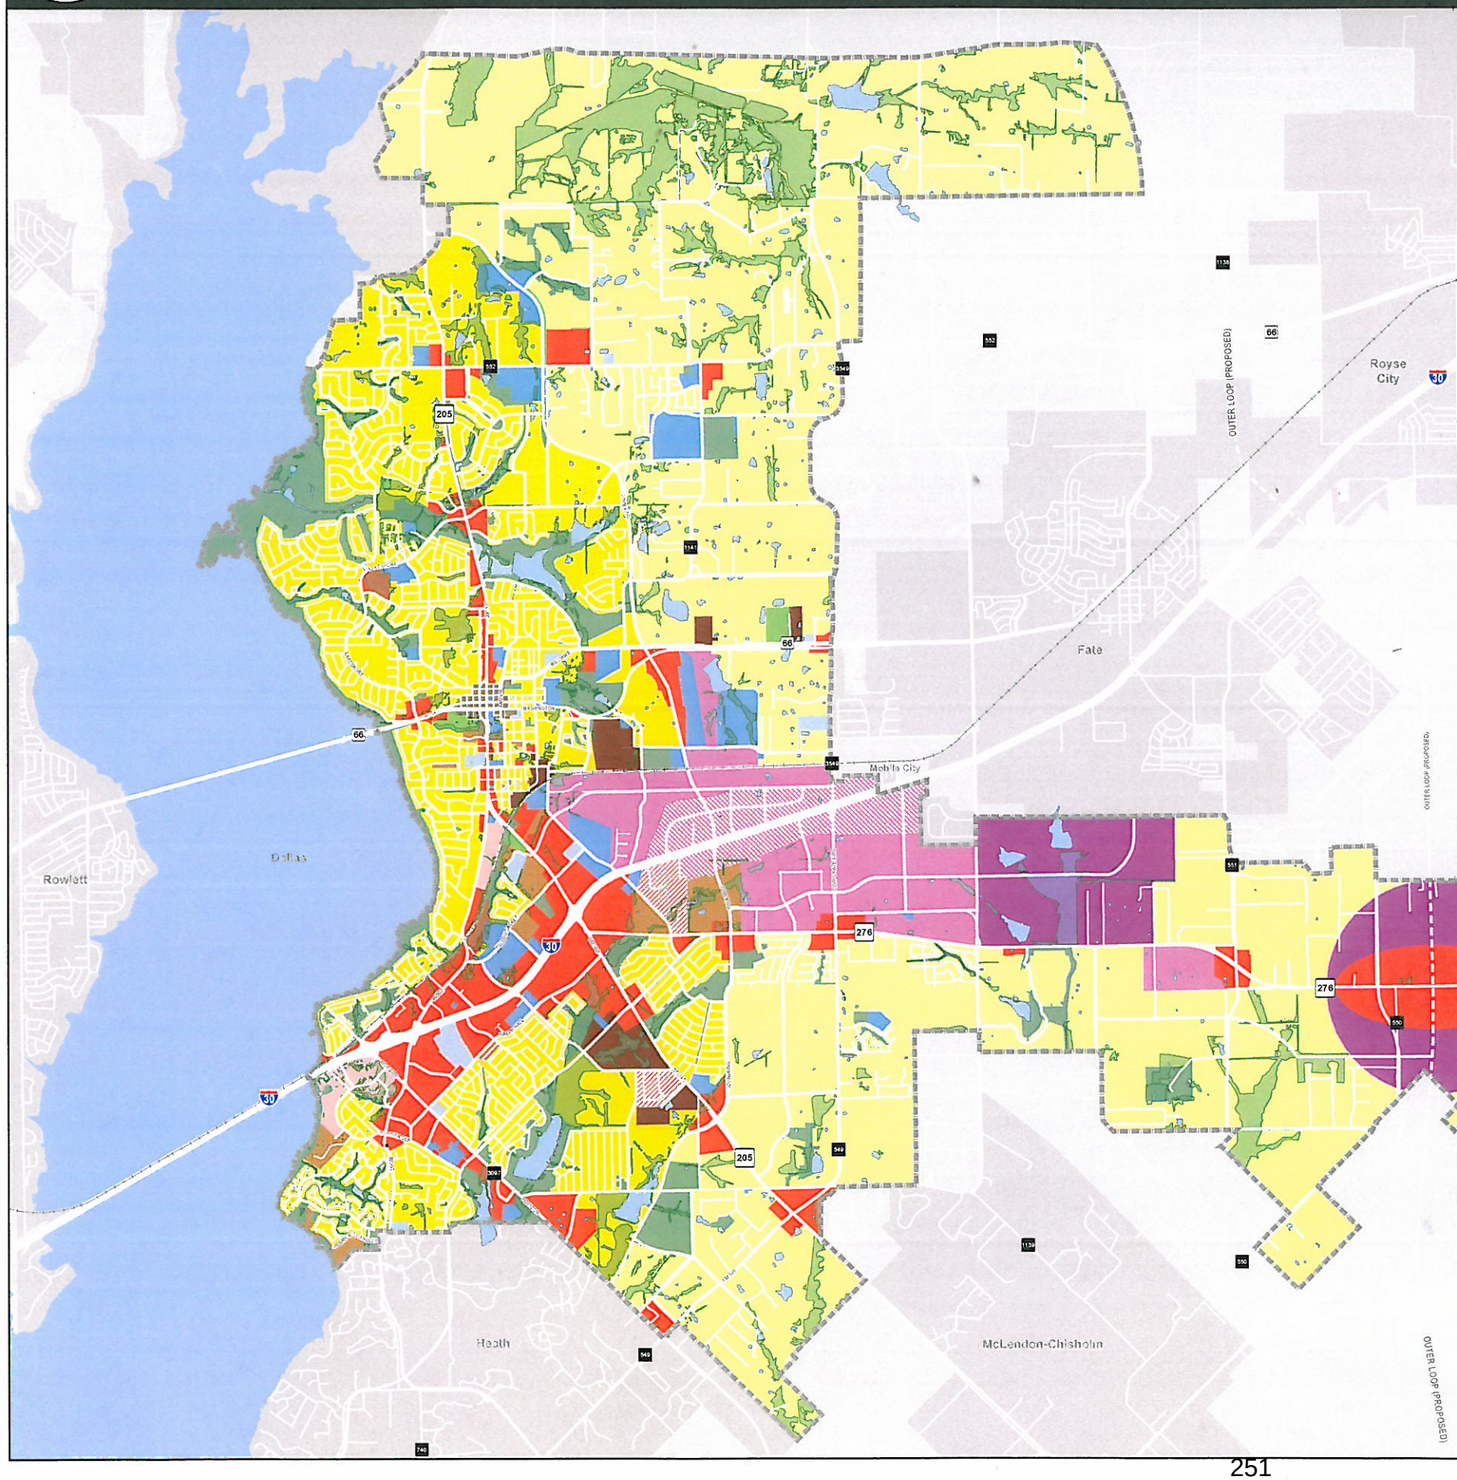
You may remember the Old Town Rockwall Neighborhood Association. We have revitalized the organization and our purpose is to speak as one voice to protect the identity and the integrity of the historic neighborhood of Old Town Rockwall. Membership in the organization includes residents within the area bounded by Heath/Live Oak on the north, Boydston on the south, Alamo on the west, and Renfro on the east. Also included are the following individual properties: 204, 206, 208 W. Heath Street; 908, 910 West Street; 801, 803, 805, 805-A, 805-B, 902, 904, 906 Aluminum Plant Road; 724 E. Washington; and 703 and 707 Townsend.

A few weeks ago, you received a letter from Jeanne Davis as quoted below.

> *"I respectfully request that the Mayor and Council remove residential properties 304, 306, 308, and 310 Williams Street from the designation of Downtown District as shown on the City of Rockwall Future Land Use Map Comprehensive Plan 2011. These addresses are residential properties and the designation should be Medium Density Single Family Residential as the surrounding neighborhood is designated.*
>
> *304 and 306 Williams Street were the subject of a proposed rezoning to permit business/residential use. In September 2013, the Mayor and Council voted against the proposed rezoning. At a Public Hearing concerning the rezoning request, City Staff member, David Gonzalez, stated in response to a question from resident Carol Crow, that the City had 'inadvertently' included these two houses in the Downtown District designation. Perhaps this same error applies to 308 and 310 Williams Street. There is no justification or neighborhood support for these four residential properties to be designated Downtown District.*
>
> *A mapping error is easily corrected. I ask the Mayor and Council to reverse this error and designate 304, 306, 308, and 310 Williams Street as Medium Density Single Family Residential on the City of Rockwall Future Land Use Map Comprehensive Plan 2011."*

As an organization, we ask that you honor Jeanne's request to correct the error and designate 304, 306, 308, and 310 as Medium Density Single Family Residential on the *City of Rockwall Future Land Use Map Comprehensive Plan 2011* and send us documentation that it has indeed been corrected on the map, as well as in any other relevant documents on file at City Hall.

Thank you for supporting all of Rockwall and for recognizing and valuing the unique place our neighborhood has in the identity of our city.



Respectfully,

Sandi Whitley

RESIDENTIAL LAND USE CATEGORIES

Low Density Resedential Areas
Low density residential is generally defined as less than two (2) units per acre, however, a density up to two and one-half (2.5) units per gross acre may be allowed within a residential Planned Development district that includes the dedication and/or development of additional amenities exceeding the minimum standards for residential Planned Developments including but not limited to: Parks and open space, Golf course, Neighborhood amenity/recreation center, Integration of schools into the community fabric, Development of trails and parks in flood plains, or Development of municipal parks and recreation facilities.

Medium Density Single Family Areas
These areas consist of the single family developments that have typically been built in Rockwall. They may be 2-3 units per acre, but generally about 3 units per acre.

High Density Residential Areas
These areas may consist of single family, duplex, town home, apartments, lofts, condominiums or other forms of housing that exceed 3 units per acre.

COMMERCIAL / INDUSTRIAL LAND USE CATEGORIES

Commercial Areas
In areas where commercial is indicated at the intersection of major roadways, particularly in areas of the city where zoning and development have not occurred, commercial zoning should not necessarily be allowed on all four (4) corners. Zoning should only be allowed where the commercial use is eminent and where it would be planned and integrated with the adjacent residential neighborhoods.

The amount of retail and the size of the area to be designated for commercial or mixed use development may be large or small depending on the service area it will serve and the style and quality of development.

Commercial / Industrial
This area is where more industrial activities may occur. It is largely buffered from residential by roads and open space. Technology / Light Industrial. This is located on both sides of I-30 and may include technology, research and development, office, and light industrial uses which may include light manufacturing and/or light assembly.

Employment Centers
This area is intended to provide a variety of workplaces, including limited light manufacturing uses, research and development activities, corporate facilities, offices, and institutions. Employment centers are also intended to accommodate secondary uses that complement or support the primary workplace uses, such as hotels, restaurants, convenience shopping, and child-care.

SPECIAL LAND USE CATEGORIES

Mixed Use Areas
Vertical mixed use areas include the Downtown, the area of Ridge Road and SH 205, and the Harbor District south of I-30. Development in this category should include a mixture of retail, high density residential, personal service and some limited office uses in a pedestrian oriented area. The development should connect to adjacent development with streets and pedestrian access.

The residential component could include townhouses, living units above the retail, live-work units, and "urban housing". Urban housing is characterized by multiple family or loft style units, but with units facing and having direct access from street fronts, having structured parking in the center of the block, and having recreational amenities. They must also incorporate retail and personal service uses at street level, or be located within a short walking distance to such services.

Downtown District
The Downtown should include a mixture of uses in accordance with the approved Downtown Plan attached hereto as Appendix "B" and the (DT) Downtown district standards and associated regulating plan. The Downtown District includes the "Historic Core" area and several surrounding blocks of vacant and established properties that could be further developed to support the vitality of the overall downtown area.

Special Commercial Corridor
This area is intended to provide for regional commercial activity centers, including shopping, services, recreation, employment, and institutional facilities supported by and serving an entire region. A regional activity center could include a regional shopping area, a number of major employers, restaurant and entertainment facilities, and a large high school or community college. A regional activity center is more diverse in its land use.

Special Districts
Special Districts may need to be created due to an area's uniqueness or specific issues that require additional consideration. In these cases, Small Area Plans or Planned Development Districts will be used to develop the specific plans to address these needs.

PUBLIC / OTHER LAND USE CATEGORIES

Parks and Open Space
Flood plains and major parks comprise the Parks and Public Open Space category in the Land Use Plan. These areas should be preserved as public and neighborhood-oriented open space, and they should incorporate trails and drainage corridors that are left in a naturalistic state.

Public Uses
Public use means a use operated exclusively by a public body having the purpose of serving the public health, safety or general welfare. This includes uses such as public schools, parks, playgrounds, and administrative and service facilities.

Quasi-Public Uses
Quasi-public use means a use operated by a private non-profit educational, religious, recreational, charitable, or medical

MEMORANDUM

TO: Rick Crowley, City Manager

FROM: Robert LaCroix, Planning Director

DATE: June 18, 2014

SUBJECT: Designation of the Planning & Zoning Commission as the Airport Zoning Commission

The Rockwall Municipal Airport lies entirely within the corporate city limits of the City of Rockwall. The Texas Local Government Code, Chapter 241, Municipal and County Zoning Authority around Airports, allows for the adoption and enforcement of airport compatible land use zoning regulations. The Code also allows that a political subdivision, i.e. the City, may incorporate an airport zoning regulation in a comprehensive zoning ordinance and administer and enforce it. Before an airport zoning regulation may be adopted, a political subdivision (the City) must appoint an airport zoning commission. If the political subdivision (the City) has a planning commission, or comprehensive zoning commission, that commission may be designated as the airport zoning commission. This commission shall recommend the boundaries of the zones to be established and the regulations for these zones. The commission shall make a preliminary report and hold public hearings on the report before submitting a final report to the governing body of a political subdivision (the City Council) which may then take action on adopting airport zoning regulations. In determining which airport zoning regulations to adopt, the governing body (the City Council) shall consider, among other things: (1) the character of the flying operations expected to be conducted at the airport; (2) the nature of the terrain within the airport hazard area; (3) the character of the neighborhoods; and (4) the current and possible uses of the property to be zoned. The Planning and Zoning Commission would not be involved or make recommendations with regard to the general operations of the airport facility itself. The City Manager or designee would administer and enforce the airport zoning regulations. The City Council would continue to have the authority to appoint an advisory board for consideration of matters involving airport operations, strategic planning and economic development of the airport property, and expansion and/or enhancements to the airport.

CITY OF ROCKWALL

ORDINANCE NO. 14-

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, DESIGNATING THE CITY OF ROCKWALL PLANNING AND ZONING COMMISSION AS THE AIRPORT ZONING COMMISSION; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City Council of the City of Rockwall did establish a Joint Airport Zoning Board on December 2, 1963, and investing it with the powers such Boards are authorized to exercise under the provisions of Chapter 391 of the Acts of the Regular Session of the 50th Legislature, 1947, and

WHEREAS, the Rockwall Municipal Airport lies entirely within the corporate city limits of the City of Rockwall and may, as authorized under Texas Local Government Code, Chapter 241, Municipal and County Zoning Authority around Airports, Section 241.012 Airport Compatible Land Use Zoning Regulations, adopt, administer, and enforce, under its police power, airport compatible land use zoning regulations for the part of a controlled compatible land use area located within the political subdivision if the airport is used in the interest of the public to the benefit of the political subdivision, and

WHEREAS, the City Council of the City of Rockwall, as authorized under Texas Local Government Code, Chapter 241, Municipal and County Zoning Authority around Airports and more specifically Subchapter B. Adoption of Airport Zoning Regulations, Section 241.016 Airport Zoning Commission, seeks to designate the Planning and Zoning Commission as the airport zoning commission, and

WHEREAS, the City Council of the City of Rockwall hereby designates the Rockwall Planning and Zoning Commission as the Airport Zoning Commission, and

WHEREAS, the designation of the Rockwall Planning and Zoning Commission as the Airport Zoning Commission, supersedes and repeals the act creating the Joint Airport Zoning Board established on December 2, 1963.

NOW, THEREFORE, BE IT ORDAINED by the City Council of the City of Rockwall, Texas:

Section 1. That the Rockwall Planning and Zoning Commission shall be designated as the Airport Zoning Commission.

Section 2. That in interpreting and applying the provisions of this Ordinance, they shall be held to be minimum requirements for the promotion of the public safety, health, convenience, comfort, morals, prosperity and general welfare. It is not intended by this ordinance to interfere with or abrogate or annul any easements, covenants or

other agreements between parties, or any statute, local ordinance or regulations, except that if this ordinance imposes a greater restriction, or higher standard, this ordinance shall control.

Section 3. That all other ordinances of the City of Rockwall in conflict with the provisions of this be and the same are hereby repealed.

Section 4. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this ____ day of _____, 2014.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Mayor and City Council
Rick Crowley, *City Manager*

FROM: Robert LaCroix, *Director of Planning and Zoning*

DATE: June 16, 2014

SUBJECT: Airport Overlay (AP OV) District

On June 2, 2014, the Airport Subcommittee reviewed a draft copy of the design requirements and land use criteria for a proposed Airport Overlay (AP OV) District. As part of this meeting, the subcommittee made a recommendation to forward this document to the Planning and Zoning Commission for their consideration. Approval of this action item will enable the Planning and Zoning Commission to consider the creation of an Airport Overlay (AP OV) District.

258

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: **Brad Griggs, Assistant City Manager**

FROM: **Andy Hesser, Parks and Recreation Manager**

DATE: **July 3, 2014**

SUBJECT: **PROPOSED ORDINANCE AMENDMENT TO PROHIBIT SWIMMING IN PONDS AND LAKES LOCATED WITHIN CITY PARKS**

In light of the unfortunate drowning in a pond located within a City of Balch Springs park, the question was raised of whether or not the City of Rockwall has signs or an ordinance that prohibit swimming or wading in City ponds and lakes. At this time, no ordinance or corresponding signage is in place.

The question was presented to the Park Board at the July 1st meeting. Staff informed the Park Board that according to news reports a lawsuit had been filed against the City of Balch Springs as a result of a drowning in a park.

The lawsuit alleges that a family was walking along a trail reading signs that said "follow me," right to the edge of the pond, which is not visible from the common play areas of the park or the splash pad.

According to a report by NBCDFW news, the family alleges that they didn't know a pond existed. "There were no signs that indicated its existence and no warning signs about not swimming in the pond. The lawsuit alleged gross negligence on the part of Balch Springs, which had ordered warning signs prior to the park opening but hadn't put them up yet."

The Park Board discussed a variety of issues related to prohibiting swimming in park ponds and lakes such as: does the ordinance prohibit wading, kayaking/canoeing or wade-fishing from beyond the pond or lake bank. At this time, these activities are not prohibited in any of the park's 10 lakes or ponds.

The Parks and Recreation Department operates supervised canoeing during special events and programs where lifeguards are on site. Additionally, an approved capital improvement project at Phelps Lake includes a kayak launch amenity.

Park Board expressed concerns about proposed ordinance language inadvertently eliminating valuable recreational activities on lakes or ponds such as kayaking/canoeing and fishing. The Park Board voted unanimously to recommend to City Council that the Code of Ordinances be amended to “prohibit recreational swimming” only.

In consultation with the City Attorney, he advised that it would be prudent to also consider prohibiting wading as well as swimming. The question remains, how the ordinance would address other recreational activities such as wade-fishing or canoeing/kayaking. Staff is seeking Council direction on how to proceed with this issue. If Council recommends moving forward with an ordinance amendment, staff can be prepared to present a draft at the next Council meeting.

Re: May 2014 Structure Fire Report.
Date: June 13, 2014

16 Indian Trail

We responded to a report of a Structure fire on May 01. 2014. The first unit on scene arrived and reported heavy fire showing from the garage of the structure. There was one vehicle in the garage totally engulfed and the fire was spreading through the attic of the home. The home and contents were heavily damaged by the fire and water. No firefighter injuries were reported on this incident.

Dispatch time: 02:32
Enroute time: 02:33
On scene time: 02:39
Clear time: 05:06

4 men on scene 02:46
8 men on scene 02:47
12 men on scene 03:19

We had a total of 4 on duty Firefighters on scene, 7 Volunteers, 1 Chief, 2 Investigators and 3 apparatus.

Kristy Ashberry, City Secretary — Date Removed

Jacky Casey, Assistant Secretary

MINUTES
ROCKWALL CITY COUNCIL
Monday, July 07, 2014
4:00 p.m. Regular City Council Meeting
City Hall - 385 S. Goliad, Rockwall, Texas 75087

I. CALL PUBLIC MEETING TO ORDER

Mayor Sweet called the meeting to order at 4:00 p.m. Present were Mayor David Sweet, Mayor Pro Tem Jim Pruitt, and Council Members David White, Mike Townsend, Scott Milder, Bennie Daniels and Dennis Lewis. Also present were City Manager Rick Crowley, Assistant City Managers Mary Smith and Brad Griggs and City Attorney Frank Garza.

II. (4:00 P.M.) WORK SESSION

1. HOLD WORK SESSION TO DISCUSS PROPOSED RESIDENTIAL DEVELOPMENT BY ARCADIA REALTY (BILL GIETEMA).

Mr. Gietema came before Council to present various design options for The Lakes of Summerset located at intersection of 205 and FM 549. General discussion took place and no action was taken at this time.

2. HOLD WORK SESSION TO HEAR UPDATE REGARDING PLAYGROUND SURFACING

Assistant City Manager Brad Griggs gave general update regarding the surface temperatures of playground equipment at the various parks within the city. Mr. Griggs stated that he would bring this item and more information back before Council on a future agenda. No further action was taken.

At 5:01 p.m., Mayor Sweet read the below listed discussion items into the public record before recessing the public meeting into Executive Session.

III. (4:30 P.M.) EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding proposed lease/sale of city land for possible private project pursuant to Sections 551.072 (Real Property) and Section 551.087 (Economic Development negotiations).
2. Discussion regarding proposed term extension of a Real Property Exchange Agreement with Harbor Heights Investors, L.P. / JBR2, LLC relating to real property located within the PD-32 area pursuant to Section 551.071 (consultation with attorney) and Section 551.087 (Economic Development negotiations).

3. Discussion regarding the following legal claim: TF-Harbor LLC v. City of Rockwall, Texas and Rockwall Rental Properties L.P. pursuant to Section 551.071 (Consultation with Attorney)

4. Discussion regarding appointments to city regulatory boards, commissions, and committees including the Building and Standards Commission, Board of Adjustments, Planning & Zoning Commission and Rockwall Economic Development Corporation pursuant to Section 551.074 (personnel matters)

IV. ADJOURN EXECUTIVE SESSION

Mayor Sweet recessed the Executive Session at 5:28 p.m. to allow Developers JBR2 to explain their proposed alternative plan. Executive Session was then adjourned at 5:54 p.m.

MINUTES
ROCKWALL CITY COUNCIL
Monday, July 07, 2014
6:00 p.m. Regular City Council Meeting
City Hall, 385 S. Goliad, Rockwall, Texas 75087

V. RECONVENE PUBLIC MEETING

Mayor Sweet reconvened the public meeting at 6:00 p.m. with all seven council members present.

VI. TAKE ANY ACTION AS A RESULT OF EXECUTIVE SESSION

No action as a result of Executive Session.

VII. INVOCATION AND PLEDGE OF ALLEGIANCE – COUNCILMEMBER LEWIS

Councilmember Lewis delivered the invocation and led the Pledge of Allegiance.

VIII. PROCLAMATIONS / AWARDS

1. "Texas Sport" Champions Day under 8 years coach pitch baseball team. Mayor Sweet read the proclamation.

Mayor Sweet called forth members of the baseball team. He then read and presented them with a proclamation, recognizing them for their accomplishments during the year.

2. Soroptimist Recognition Day

Mayor Sweet read a proclamation into the record to recognize Soroptimist and their community outreach efforts.

IX. OPEN FORUM

Mayor Sweet explained how Open Forum is conducted and asked if anyone in the audience would like to come forth and speak during this time.

Ruth Peck – 108 Lakedale Drive, Rockwall, Texas
Ms. Peck came forth to discuss Rockwall Music Fest for Labor Day and introduce Michael Manley as the new conductor and further thanked the Council for their continued support.

X. CONSENT AGENDA

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO APPROVE A SPECIFIC USE PERMIT (SUP) TO ALLOW A MINI-WAREHOUSE FACILITY WITHIN A COMMERCIAL (C) DISTRICT AS SPECIFIED WITHIN ARTICLE IV, *PERMISSIBLE USES*, OF THE UNIFIED DEVELOPMENT CODE, FOR A 2.857-ACRE TRACT OF LAND, BEING A PORTION OF A LARGER 5.549-ACRE TRACT OF LAND IDENTIFIED AS PART OF TRACT 2 OF THE J. CADLE SURVEY, ABSTRACT NO. 65, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY

OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

CITY OF ROCKWALL, TEXAS

ORDINANCE NO. 14-__

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS ESTABLISHING A PROHIBITION REGARDING TEMPORARY HABITATION IN PUBLIC PLACES IN CHAPTER 22. MISCELLANEOUS OFFENSES. ARTICLE I. IN GENERAL, SECTION 22-4; PROVIDING FOR SEVERABILITY AND SAVINGS CLAUSES; AND PROVIDING FOR AN EFFECTIVE DATE.

After the ordinances were read, the motion passed by a vote of 7 ayes to 0 nays.

Mayor Pro Tem Pruitt made a motion to approve Consent Agenda Item #4 contingent upon the proposed ordinance not having an effect on homeowners as it pertains to their yards. Councilmember White seconded the motion, which passed unanimously of council (7 ayes to 0 nays).

Mayor Pro Tem Pruitt pulled item #5 to ask further questions regarding the width of the extension and the delay in repairs. City Engineer Tim Tumulty gave brief history and explanation of the project. Mayor Pro Tem Pruitt made a motion to approve Consent Agenda Item #5. Councilmember Daniels seconded the motion, which passed unanimously of council (7 ayes to 0 nays).

Mayor Pro Tem Pruitt made a motion to approve Consent Agenda Item #13 contingent upon the language of previsions only as it relates to people in private parking lots. Councilmember Daniels seconded the motion. The ordinance for #13 was read as follows:

CITY OF ROCKWALL

ORDINANCE NO. 14-___

AN ORDINANCE OF THE CITY OF ROCKWALL, TEXAS, AMENDING CHAPTER 12, ARTICLE III, SECTION 12 BY ADDING SECTION 12-66 TO 12-68 OF THE CODE OF ORDINANCES, REGULATING PEDDLER ACTIVITIES IN THE CITY AND SOLICITATION IN A PUBLIC AREA; PROVIDING A SEVERABILITY CLAUSE; PROVIDING AN EFFECTIVE DATE AND PROVIDING FOR RELATED MATTERS.

After the ordinance was read, the motion passed by a vote of 6 ayes to 1 nays. (White)

XI. APPOINTMENTS

+

1. Appointment with the Planning and Zoning Chairman to discuss and answer any questions regarding cases on the agenda and related issues and take any action necessary.

Ms. Kristen Minth of the Planning & Zoning Commission came forth and briefed the council on Z2014-016, indicating that the P&Z Commission denied approval of this item. All other P&Z items passed. No action was taken.

XII. PUBLIC HEARING ITEMS

1. **Z2014-015** - Hold a public hearing to discuss and consider approval of an **ordinance** for a request by Dennis D. Alsup for the approval of a Specific Use Permit (SUP) for an accessory building that does not conform to the size requirements as specified by Section 2.1.2, Residential and Lodging Use Conditions, of Article IV, Permissible Uses, of the Unified Development Code for a property in a Single-Family 10 (SF-10) District on a 0.74-acre parcel of land identified as a portion of Block 4, Garner Addition, zoned Single-Family 10 (SF-10) District, situated within the North Goliad Overlay (NGC OV) District, located at 921 Alamo Road, City of Rockwall, Rockwall County, Texas, and take any action necessary. **(1st Reading)**

Planning Director Robert LaCroix provided background information related to this item, indicating notices were mailed out to sixty-five adjacent property owners located within five hundred feet of the property with two notices being returned in favor. He explained the Planning & Zoning commission did recommend approval of this item.

Mayor Sweet asked if anyone else would like to come forth and speak at this time. There being no one else in the audience wishing to come forth and speak, Mayor Sweet then closed the public hearing.

Councilmember White made a motion to approve Z2014-015. Councilmember Milder seconded the motion. The ordinance for this item was read as follows:

CITY OF ROCKWALL, TEXAS
ORDINANCE NO. 14-27
SUP NO. 122

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT WITHIN THE SINGLE-FAMILY RESIDENTIAL (SF-10) DISTRICT ALLOWING FOR AN ACCESSORY BUILDING EXCEEDING THE SIZE REQUIREMENTS, ON THE PROPERTY LOCATED AT 921 ALAMO ROAD, BEING A 0.74-ACRE PARCEL OF LAND IDENTIFED AS A PORTION OF BLOCK 4, GARNER ADDITION, AND MORE SPECIFICALLY DESCRIBED IN EXHIBIT 'A'; CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

After the ordinance was read, the motion passed by a vote of 7 ayes to 0 nays.

2. Hold a public hearing to discuss and consider approval of the Land Use Assumptions and Water and Wastewater Capital Improvement Plan related to updating Water and Wastewater Impact Fees, and take any action necessary.

City Engineer Tim Tumulty gave brief background information related to this item, indicating that Matt Hickey with Birkhoff, Hendricks and Carter is present to answer any questions and present their findings regarding the Capital Improvement Plan.

Matt Hickey of Birkhoff, Hendricks and Carter gave a brief presentation regarding the cities Land Use Assumptions and Wastewater Capital Improvement Plan.

Mayor Sweet asked if anyone else would like to come forth and speak at this time. There being no one else in the audience wishing to come forth and speak, Mayor Sweet then closed the public hearing.

Mayor Pro Tem Pruitt made a motion to approve the Land Use Assumption and Wastewater Capital Improvement Plan. Mayor David Sweet seconded the motion. The motion passed unanimously of council, by a vote of 7 ayes to 0 nays.

XIII. ACTION ITEMS

1. **Z2014-017** - Discuss and consider approval of an **ordinance** for a request by Dick Skorburg of the Skorburg Company on behalf of Breezy Hill 405, LTD for the approval of a zoning amendment to Planned Development District 74 (PD-74) to amend the concept plan to allow for additional single-family residential lots and allow for changes to the development standards contained in Exhibit 'C' of Ordinance 12-26 for 405.184-acres of land identified as Tract 7 & 7-1 of the J. Strickland Survey, Abstract No. 187, Rockwall, Rockwall County, Texas, generally located north of FM-552 and west of Breezy Hill Road, and take any action necessary. **(2nd Reading) pass 4 for and 3 against.**

Councilmember White made a motion to approve Z2014-017. Councilmember Lewis seconded the motion. Mayor Pro Tem Pruitt and Councilmember Daniels explained that after further consideration he would not be in favor of lessening the lot size down to sixty feet. The ordinance for this item was read as followed:

CITY OF ROCKWALL
ORDINANCE NO. 14-26

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING PLANNED DEVELOPMENT DISTRICT 74 (PD-74) [*ORDINANCE NO. 12-26*] AND THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, BY AMENDING THE PLANNED DEVELOPMENT CONCEPT PLAN AND THE DEVELOPMENT STANDARDS APPROVED WITH ORDINANCE NO. 12-26, BEING A 405.184-ACRE TRACT OF LAND SITUATED IN THE J. STRICKLAND SURVEY, ABSTRACT NO. 187, T. R. BAILEY SURVEY, ABSTRACT NO. 30 AND THE J. SIMMONS SURVEY, ABSTRACT NO. 190, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS AND MORE FULLY DESCRIBED HEREIN BY EXHIBIT 'A'; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

After the ordinance was read, the motion passed by a vote of 4 ayes to 3 nays. (Sweet, Pruitt and Daniels)

2. **Z2014-016** - Discuss and consider approval of an **ordinance** for a request by Scott W. Blackwood for the approval of a zoning change from Agricultural (AG) District to a Planned Development District for limited commercial/retail land uses on a 12.493-acre tract of land identified as Tract 17-14 of the W. W. Ford Survey, Abstract No. 80, City of Rockwall, Rockwall County, Texas, located west of the intersection of SH-205 [S. Goliad Street] and S. FM-549, and take any action necessary**. (1st Reading)** ***(3/4 majority vote required)***

Planning Director Robert LaCroix explained that a Public Hearing for this item has already taken place and was sent back to the Planning and Zoning Commission for further consideration. The applicant revised the zoning, taking out the commercial underlined district and added planned development district with RO zoning.

The applicant(s) came forth, introduced themselves and respectfully asked the council to approve this item without prejudice.

Mayor Pro Tem Pruitt made a motion to deny this request without prejudice. Mayor Sweet seconded the motion. The motion passed by a vote of 6 ayes to 1 nay. (White)

3. Discuss and consider requesting the Planning and Zoning Commission initiate a review of specific aspects of the City's Comprehensive Land Use Plan and take any action necessary.

City Manager Rick Crowley explained that Old Town Neighborhood Association and residents at 304, 306, 308 and 310 Williams Street have requested that their designation in the cities Comprehensive Land Use Plan be changed. Planning Director Robert LaCroix explained the process for approval of this request to go back to the Planning & Zoning Commission for consideration.

Mayor Sweet called forth Sandy Whittley, whom resides at 704 Williams Street and is a representative of the OT Neighborhood Association. Ms. Whittley explained that she was here in support of the council's willingness to work with their association.

After further discussion, Mayor Pro Tem Pruitt made a motion to send this request along with the six other items that were addressed in the memo to council to the Planning and Zoning Commission for consideration. Mayor Sweet seconded the motion. The motion passed by a vote of 7 ayes to 0 nays.

4. Discuss and consider approval of an **ordinance** at the recommendation of the Airport Subcommittee to designate the Planning and Zoning Commission as the Airport Zoning Commission for the Ralph M. Hall/Rockwall Municipal Airport, and take any action necessary. **(1st reading)**

City Manager Rick Crowley explained that this new change would allow for the Planning and Zoning Commission to hear zoning as it relates to the airport, but would have no impact on the operation of the airport. He further explained that this item does require two readings and does not need to go before the Planning and Zoning Commission.

Councilmember White made a motion to approve the ordinance. Councilmember Townsend seconded the motion. The ordinance was read as follows:

CITY OF ROCKWALL, TEXAS
ORDINANCE NO. 14-28

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, DESIGNATING THE CITY OF ROCKWALL PLANNING AND ZONING COMMISSION AS THE AIRPORT ZONING COMMISSION; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; AND PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a vote of 7 ayes to 0 nays.

5. Discuss and consider a recommendation by the Airport Subcommittee to direct staff to forward the consideration of design guidelines and land use criteria for an Airport Overlay District (AP OV) District to the Planning and Zoning Commission, and take any action necessary.

City Manager Rick Crowley explained that the Airport Subcommittee recommended this item ask P&Z to review and develop land use regulations for an airport zoning overlay district which is more specific toward properties that surrounding the airport for land uses.

Councilmember White made a motion to approve this recommendation. Councilmember Townsend seconded the motion, which passed by a vote of 7 ayes to 0 nays.

6. Discuss and consider a Park Board recommendation regarding a possible amendment to the Code of Ordinances which would prohibit swimming in ponds and lakes in city parks, and take any action necessary.

Assistant City Manager Brad Griggs gave background related to this item explaining that due to a pending drowning lawsuit in another city, the Parks and Recreation Board was asked to consider the proposed ordinance and possible wording as it relates to swimming in ponds. He asked Parks and Recreation Superintendent Andy Hesser to give further details from the PARB meeting. Mr. Hesser explained that the PARB made a unanimous recommendation at the meeting to prohibit recreational swimming only. Much of the discussion and concern was to not reduce the recreational value that the city has at its parks.

City Attorney Frank Garza explained that there are many different ordinances that prohibit such activities such as swimming and wading in lakes and ponds, however, it would be at the council's recommendation as to what the correct wording should be.

After further discussion of council, Mayor Sweet made a motion to move forward with ordering appropriate signage for all the city lakes and ponds that there is no lifeguard on duty. Councilmember White seconded the motion. After comments from Councilmember Lewis that he feels swimming and wading city bodies of water should be prohibited, which passed by a vote of 6 ayes and 1 nay. (Lewis)

7. Discuss and consider establishing procedures for communications with TF-Harbor and other related matters, and take any action necessary.

Mayor David Sweet explained that he would like to encourage leasing at the Harbor in every way possible. However, he would like for representatives of TF Harbor, LLC to come before City Council regarding future special event needs and support provided by the city.

City Manager Rick Crowley further explained the extent of the city's knowledge for the leasing situation at the Harbor and the he has made extensive efforts to gather further information through Senator Ted Cruz's office to better understand the steps that have been made by TF Harbor to get the vacancy issue turned around. Mr. Crowley also mentioned that the city has made investments in the nearby areas surrounding the Harbor.

Council also generally stated they have heard several concerns from citizens regarding the vacant spaces at the Harbor in which they have had to explain that the cities authority is very limited as the Harbor is owned and operated by a private entity.

Mayor Sweet and Mayor Pro Tem Pruitt also explained that the council and staff have made numerous attempts to reach out to TF Harbor regarding these issues and have had no responses on these efforts. Mayor Sweet went on to note that any motion made would not be to stand in the way of the Harbor being leased and also noted that it would not apply to public utilization of said facilities.

Mayor Sweet made a motion that any request relating to TF Harbor hosting any events at the Harbor that are going to require approval of the City of Rockwall, will now come from approval of the City Council. The motion was seconded by Councilmember Milder. The motion passed by a vote of 7 ayes and 0 nays.

XIV. CITY MANAGER'S REPORT TO DISCUSS CURRENT CITY ACTIVITIES, UPCOMING MEETINGS, FUTURE LEGISLATIVE ACTIVITIES, AND OTHER RELATED MATTERS.

1. Departmental Reports
Building Inspections Monthly Report - May 2014
Fire Department Monthly Reports - May, 2014
Harbor PD Monthly Report - May 2014
Internal Operations Department Monthly Report - May 2014
NTMWD Conservation Monthly Report - May 2014
Police Department Monthly Report - May 2014
Recreation Monthly Report - May 2014
Rockwall Animal Adoption Center Monthly Report - May 2014
Rockwall County Committee on Aging Quarterly Report

2. City Manager's Report

City Manager Rick Crowley gave updates related to water conservation, explaining that the city will continue to be in a once every two week watering schedule and stage 3 water restriction and all conservation goals are within line at this time.

Mr. Crowley also explained that council had previously authorized staff to extend a lease agreement offer on the Cain parking lot property and that these offers have been made as directed by council.

Mr. Crowley explained that the North Texas Council of Governments (NTCOG) has asked if the city would appoint a staff member to the Air Transportation Technical Advisory Committee and recommends that Internal Operations Director Joey Boyd fill that position.

Mayor Sweet asked if council would like to discuss further items under the department or manager's reports. Councilmember Bennie Daniels stated that council asked that an updated NTMWD Conservation Monthly Report be included in the packet, which was

done for this meeting and is appreciated. Councilmember Daniels stated that twenty of the thirty four customer cities are exceeding their target amount and asked if there was anything being done to caution those cities. City Manager Rick Crowley explained that this is an effort and focus by the new executive directior of the NTMWD and that there would be a report sent out in the near future to address those efforts.

XV. EXECUTIVE SESSION

At 8:17 p.m., Mayor Sweet read the below listed discussion items into the public record before recessing the public meeting into Executive Session.

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding proposed lease/sale of city land for possible private project pursuant to Sections 551.072 (Real Property) and Section 551.087 (Economic Development negotiations).pulled for discussion.

2. Discussion regarding proposed term extension of a Real Property Exchange Agreement with Harbor Heights Investors, L.P. / JBR2, LLC relating to real property located within the PD-32 area pursuant to Section 551.071 (consultation with attorney) and Section 551.087 (Economic Development negotiations). Pulled for discussion.

3. Discussion regarding the following legal claim: TF-Harbor LLC v. City of Rockwall, Texas and Rockwall Rental Properties L.P. pursuant to Section 551.071 (Consultation with Attorney)

4. Discussion regarding appointments to city regulatory boards, commissions, and committees including the Building and Standards Commission, Board of Adjustments, Planning & Zoning Commission and Rockwall Economic Development Corporation pursuant to Section 551.074 (personnel matters) pulled for discussion.

XVI. RECONVENE PUBLIC MEETING & TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

Mayor Sweet reconvened the Public Meeting at 8:45 p.m.

Mayor Pro Tem Pruitt made a motion to not extend the agreement with JBR2 with regards to the city owned land in exchange for a parking garage. Councilmember White seconded the motion. The motion passed by a vote of 7 ayes and 0 nays.

XVII. ADJOURNMENT

The meeting was adjourned at 8:49 p.m.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 21st day of July, 2014.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Mary Smith, Assistant City Manager**

DATE: **July 17, 2014**

SUBJECT: **TxDOT Multiple Use Agreement**

The City has used TxDOT right of way located near the SH 66 boat ramp for parking for many years. At the time, SH 66 was widened and the walking lane was added to the bridge, the City chose to provide an adjacent area for parking. The small gravel lot has served this purpose for several years. In recent months, there have been a number of vehicles broken into while parked in this area. The area is not well lit and staff began the process of getting lights installed. We discovered early in that process that the state had not issued a Multiple Use Agreement (MUA) for this area and we could not install lighting without one in place.

We requested the MUA from TxDOT in December 2013 and have finally received it back. We will not incur any costs related to the agreement but will be required to provide any improvement plans to the state for approval. The state is asking for the split rail fencing in place now to be extended so that vehicles do not pull any closer to the roadway than they already do. This will be at minimal cost for materials and will be installed by city employees. The proposed lighting is estimated to cost $7600 and sufficient funds are available in the General fund street lighting budget to cover this expense.

If the Council approves the execution of this agreement, we will submit plans to the state for the lighting but do not know how long it will take for their approval.

CITY OF ROCKWALL, TEXAS

RESOLUTION NO. _____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, APPROVING THE EXECUTION OF THE MULTIPLE USE AGEEMENT FOR THE USE OF STATE HIGHWAY 66 RIGHT-OF-WAY FOR PARKING WITH THE TEXAS DEPARTMENT OF TRANSPORTATION; PROVIDING AN EFFECTIVE DATE.

WHEREAS, the City Council of the City of Rockwall, Texas, wishes to authorize the City Manager to execute the multiple use agreement between the City of Rockwall and the Texas Department of Transportation (TXDOT);

NOW, THEREFORE BE IT RESOLVED by the City Council of the City of Rockwall, Texas:

Section 1. That the City manager is authorized to execute the attached multiple use agreement with TXDOT.

Section 2. That this Resolution shall become effective immediately upon approval and it is so resolved.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, THIS __ day of _____2014_.

APPROVED:

_____
David Sweet, Mayor

ATTEST:

Kristy Ashberry, City Secretary

MULTIPLE USE AGREEMENT

STATE OF TEXAS §

COUNTY OF TRAVIS §

THIS AGREEMENT made by the State of Texas by and between the Texas Department of Transportation, hereinafter referred to as "State", party of the first part, and City of Rockwall hereinafter called "City", party of the second part, is to become effective when fully executed by both parties.

WITNESSETH

WHEREAS, on the _____ day of _____, 2014, the governing body for the City, entered into Resolution/Ordinance No. _____, hereinafter identified by reference, authorizing the City's participation in this agreement with the State; and

WHEREAS, the City has requested the State to permit the construction, maintenance and operation of a parking facility on the highway right of way, (ROADWAY SH 66, 0009-04).

(General description of area including either the control number or GPS coordinates.)

The parking facility on SH 66 east of Lake Ray Hubbard in the City of Rockwall, 0009-04, shown graphically by the preliminary conceptual site plan in Exhibit "A" and being more specifically described by metes and bounds of Exhibit "B", which are attached and made a part hereof; and

WHEREAS, the State has indicated its willingness to approve the establishment of such facilities and other uses conditioned that the City will enter into agreements with the state for the purpose of determining the respective responsibilities of the City and the State with reference thereto, and conditioned that such uses are in the public interest and will not damage the highway facilities, impair safety, impede maintenance or in any way restrict the operation of the highway facility, all as determined from engineering and traffic investigations conducted by the state.

AGREEMENT

NOW, THEREFORE, in consideration of the premises and of the mutual covenants and agreements of the parties hereto to be by them respectively kept and performed as hereinafter set forth, it is agreed as follows:

1. DESIGN AND CONSTRUCTION

City will prepare or provide for the construction plans for the facility, and will provide for the construction work as required by said plans at no cost to the State. Said plans shall include the design of the access control, necessary horizontal and vertical clearances for highway structures, adequate landscape treatment, adequate detail to ensure compliance with applicable structural design standards, sufficient traffic control provisions, and general layout. They shall also delineate and define the construction responsibilities of both parties hereto. Completed plans will be submitted to State for review and approval and when approved shall be attached to the agreement and made a part thereof in all respects. Construction shall not commence until plans have been approved by the State. Any future revisions or additions shall be made after prior written approval of the State. Any sidewalks, curb ramps, and other pedestrian elements to be constructed, either on or off site, by the City shall be in accordance with the requirements of Title II of the Americans With Disabilities Act (ADA) and with the Texas Accessibility Standards (TAS). Elements constructed by the City and found not to comply with ADA or TAS shall be corrected at the entire expense of the City.

2. INSPECTION

Ingress and egress shall be allowed at all times to such facility for Federal Highway Administration personnel and State Forces and equipment when highway maintenance operations are necessary, and for inspection purposes; and upon request, all parking or other activities for periods required for such operations will be prohibited.

3. PARKING REGULATIONS

Parking regulations shall be established limiting parking to single unit motor vehicles of size and capacity no greater than prescribed for $1^{1}/_{2}$ ton trucks, such vehicles to conform in size and use to governing laws. Parking shall be permitted only in marked spaces

Parking shall be prohibited when a security threat, as determined by TxDOT, exists.

4. PROHIBITION/SIGNS

Regulations shall be established prohibiting the parking of vehicles transporting flammable or explosive loads and prohibiting use of the area in any manner for peddling, advertising or other purposes not in keeping with the objective of a public facility. The erection of signs other than those required for proper use of the area will be prohibited. All signs shall be approved by the State prior to the actual erection.

5. RESPONSIBILITIES

Timely maintenance, repair and operation of the facility shall be entirely the responsibility of the City. Such responsibility shall not be transferred, assigned or conveyed to a third party without the advanced written approval of the State. These responsibilities expressly include the timely maintenance and repair of any portion of the facility necessary to comply with the Americans with Disabilities Act. Further, such responsibility shall include picking up trash, mowing and otherwise keeping the facility in a clean and sanitary condition, and surveillance by police patrol to eliminate the possible creation of a nuisance or hazard to the public. Hazardous or unreasonably objectionable smoke, fumes, vapor or odors shall not be permitted to rise above the grade line of the highway, nor shall the facility subject the highway to hazardous or unreasonably objectionable dripping, droppings or discharge of any kind, including rain or snow.

If the State determines that City has failed to comply with these responsibilities, it will perform the necessary work and charge City the actual cost of the work.

6. FEES

Any fees levied for use of the facilities in the area shall be nominal and no more than are sufficient to defray the cost of construction, maintenance and operations thereof, and shall be subject to State approval.

A. Retention Period. The City shall maintain all books, documents, papers, accounting records and other evidence pertaining to fees collected and costs (hereinafter called the Records). The City shall make the records available during the term of the Agreement and for four years from the date the Agreement is terminated, until completion of all audits, or until pending litigation has been completely and fully resolved, whichever occurs last.

B. Audit Report. If fees are collected by the City for the use of the facility under this Agreement, the City will provide the State an annual audit report detailing the fees collected for the use of the facility and the costs associated with constructing, maintaining, and operating the facility within the same period. If the report shows more fees collected than expenses for the construction, operation, or maintenance of the facility the City must provide a multiple year plan detailing how the additional revenue will be used for construction, operation, or maintenance of the facility.

C. Availability. The State or any of its duly authorized representatives, the Federal Highway Administration, the United States Department of Transportation, Office of Inspector General, and the Comptroller General shall have access to the City's records that are directly pertinent to this Agreement for the purpose of making audits and examinations.

7. TERMINATION UPON NOTICE

This provision is expressly made subject to the rights herein granted to both parties to terminate this agreement upon written notice, and upon the exercise of any such right by either party, all obligations herein to make improvements to said facility shall immediately cease and terminate and City shall be responsible for the facility's timely removal at no cost to the State. If the State determines that City has failed to timely remove the facility, it will perform the necessary work and charge City the actual cost of the work.

8. MODIFICATION/TERMINATION OF AGREEMENT

If in the sole judgment of the State it is found at any future time that traffic conditions have so changed that the existence or use of the facility is impeding maintenance, damaging the highway facility, impairing safety or that the facility is not being properly operated, that it constitutes a nuisance, is abandoned, or if for any other reason it is the State's judgment that such facility is not in the public interest, this agreement under which the facility was constructed may be: (1) modified if corrective measures acceptable to both parties can be applied to eliminate the objectionable features of the facility; or (2) terminated and the use of the area as proposed herein discontinued.

9. PROHIBITION OF STORAGE OF FLAMMABLE MATERIALS

All structures located or constructed within the area covered by the agreement shall be fire resistant. The storage of flammable, explosive or hazardous materials is prohibited. Operations deemed to be a potential fire hazard shall be subject to regulation by the State.

10. RESTORATION OF AREA

The City shall provide written notification to the State that such facility will be discontinued for the purpose defined herein. The City shall, within thirty (30) days from the date of said notification, clear the area of all facilities that were its construction responsibility under this agreement and restore the area to a condition satisfactory to the State.

11. PREVIOUS AGREEMENTS

It is understood that this agreement in no way modifies or supersedes the terms and provisions of any existing agreements between the parties hereto.

12. NO WAIVER OF GOVERNMENTAL IMMUNITY; NO THIRD-PARTY LIABILITY

No party to this agreement intends to waive, relinquish, limit or condition its general governmental immunity from liability in any way.

Each party agrees and acknowledges that it is not an agent, servant, or employee of the other party and that under this provision each party is responsible only for its own acts and for those of its agents, servants, independent contractors or employees. Such responsibility includes, but is not limited to any claims or amounts arising or recovered under the "Workers Compensation Law," the Texas Tort Claims Act, Chapter 101, Texas Civil Practice and Remedies Code; or any other applicable laws or regulations, all as time to time may be amended.

Nothing in this agreement shall be construed as creating any liability in favor of any third party against the State and the City. Additionally, this agreement shall not ever be construed as relieving any third party from any liability against the State. Furthermore, the City shall become fully subrogated to the State's rights of recovery and shall be entitled to maintain any action over and against any third party who may be liable for damages. The State agrees to execute and deliver instruments and papers and to otherwise do that which is necessary to secure such rights.

13. INSURANCE

The City, shall provide necessary safeguards to protect the public on State maintained highways including adequate insurance for payment of any damages which might result during the construction, maintenance, repair and operation of the facility. City shall include TxDOT as an additional insured by endorsement in City's commercial general liability insurance policy. Prior to beginning work on the State's right of way, the City's construction contractor shall submit to the State a completed insurance form (TxDOT Form No. 1560) or appropriate certificate of self-insurance and shall maintain the required coverage during the construction of the facility.

14. USE OF RIGHT OF WAY

It is understood that the State by execution of this agreement does not impair or relinquish the State's right to use such land for highway purposes when it is required for the construction or re-construction of the traffic facility for which it was acquired, nor shall use of the land under such agreement ever be construed as abandonment by the State of such land acquired for highway purposes, and the State does not purport to grant any interest in the land described herein but merely consents to such use to the extent its authority and title permits.

15. ADDITIONAL CONSENT REQUIRED

The State asserts only that it has sufficient title for highway purposes. The City shall be responsible for obtaining such additional consent, permits or agreement as may be necessary due to this agreement. This includes, but is not limited to, appropriate permits and clearances for environmental, ADA and public utilities.

16. FHWA ADDITIONAL REQUIREMENTS

If the Facility is located on the Federal-Aid Highway System, "ATTACHMENT A", which states additional requirements as set forth in the Federal Highway Administration's Title 23, Code of Federal Regulations, § 710, shall be attached to and become a part of this agreement.

17. CIVIL RIGHTS ASSURANCES

The City, for itself, its personal representatives, successors and interests and assigns, as part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that: (1) no persons, on the grounds of race, color, sex, age, national origin, religion or disabling condition, shall be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination in the use of said facility; (2) that in the construction of any improvements on, over or under such land and the furnishing of services thereon, no person on the ground of race, color, sex, age, national origin, religion or disabling condition, shall be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination; (3) that the City shall use the premises in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Non-discrimination in Federally-Assisted programs of the Department of Transportation - Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended.

That if in the event of any breach of the above non-discrimination covenants, the State shall have the right to terminate the agreement and reenter and repossess said land and the facilities thereon, and hold the same as if said agreement had never been made or issued.

18. AMENDMENTS

Any changes in the time frame, character or responsibilities of the parties hereto shall be enacted by a written amendment executed by both parties hereto.

19. LEGAL CONSTRUCTION

In case one or more of the provisions contained in this agreement shall for any reason be held invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any provision hereof and this agreement shall be construed as if such invalid, illegal, or unenforceable provision had never been contained in this agreement.

20. AUDIT

The State may conduct an audit or investigation of any aspect of this agreement. The City must provide the State with access to any information the State considers relevant to the investigation or audit. The audit can include, but is not limited to, any contract for construction or maintenance of any facility or structure authorized by this agreement or any contract to provide a service to the City if that service is authorized by this agreement.

21. AUTHORITY OF STATE AUDITOR

The state auditor may conduct an audit or investigation of any entity receiving funds from the state directly under the contract or indirectly through a subcontract under the contract. Acceptance of funds directly under the contract or indirectly through a subcontract under this contract acts as acceptance of the authority of the state auditor, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. An entity that is the subject of an audit or investigation must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit.

22. NOTICES

All notices required under this agreement shall be mailed or hand delivered to the following respective addresses:

Rockwall, Texas 75087

23. TIMELY PAYMENT

When any provision of this agreement requires a payment to be made to the State, the other party hereto shall within thirty (30) days from receipt of the State's written notification pay the State for the full cost of repairing any damages to the highway facility which may result from the other party's construction, maintenance, repair or operation of the facility.

24. WARRANTS

The signatories to this agreement warrant that each has the authority to enter into this agreement on behalf of the party represented.

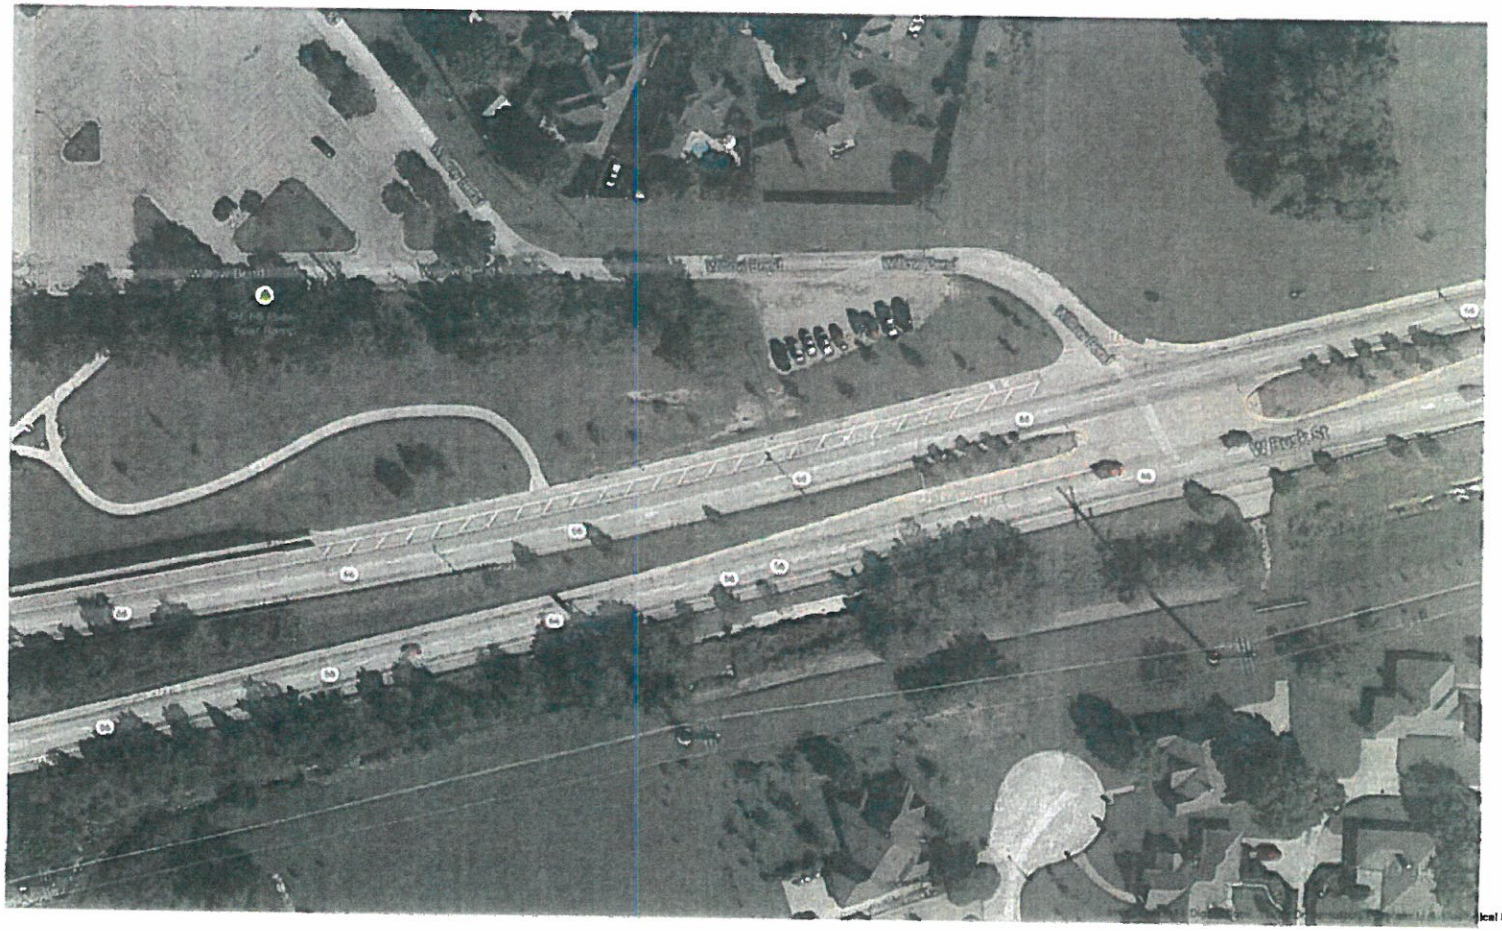
ATTACHMENT A

Inasmuch as this project is on the Federal-Aid highway system, the following additional requirements as applicable with the Federal Highway Administration's Title 23, Code of Federal Regulations, § 710.

1. Any significant revision in the design or construction of the facility shall receive prior approval by the Texas Department of Transportation subject to concurrency by the FHWA.

2. Any change in the authorized use of airspace shall receive prior approval by the Texas Department of Transportation subject to concurrence by the FHWA.

3. The airspace shall not be transferred, assigned or conveyed to another party without prior Texas Department of Transportation approval subject to concurrence by the FHWA.



4. This agreement will be revocable in the event that the airspace facility ceases to be used or is abandoned.

CITY OF ROCKWALL, TEXAS
BID RECOMMENDATION

To:	**Richard Crowley, City Manager**
CC:	**Brad Griggs, Assistant City Manager**
From:	**Lea Ann Ewing, Purchasing Agent**
Date:	**July 18, 2014**
Bid Date:	**July 17, 2014**
Department:	**Parks**
Project:	**Phelps Lake Park Improvements**
Budget:	**$ 75,000**
Vendor:	**Wall Enterprises**

Approved in the current budget is $75,000 for park improvements at Phelps Lake to include a fishing pier, kayak launch and concrete trail loop. Sealed competitive bids were solicited for these improvements and two qualified bids were received. One bid from Seatech Inc. in the amount of $125,000. The second bid was from Wall Enterprises in the amount of $93,784. Staff negotiated with the apparent low bidder, Wall Enterprises to reach the budgeted amount by reducing the scope of the project. The reduction in scope should not impact the use or recreational value of the project.

The concrete stairs, park bench stations and grass establishment were removed from the project scope. Removing the stairs does not impact the accessibility of the trail, as there is another trail connection already in place. Park maintenance staff can utilize the park benches that will be removed from the square as a result of the downtown improvements, as well as complete the grass establishment of the disturbed areas.

Staff asks City Council to consider authorizing the City Manager to execute a contract with Wall Enterprises for an amount $75,624 for improvements to Phelps Lake Park. Contingent upon approval, construction can begin immediately. The contractor has submitted a completion time frame of 45 days.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Timothy M. Tumulty, Director of Public Works/City Engineer**

DATE: **July 14, 2014**

SUBJECT: **Various General Engineering Service Contract**

The City of Rockwall has hired engineering consultant services for various water and wastewater tasks for the past several years. The City originally hired Shimek, Jacobs & Finklea, L.L.P. to provide these services on an as-needed basis to assist City Staff. The firm changed their name in May 2001 to Birkhoff, Hendricks and Conway, L.L.P. and then to Birkhoff, Hendricks and Carter, L.L.P. in February 2010.

Staff has requested Birkhoff, Hendricks and Carter, L.L.P. to upgrade the existing engineering consultant contract to bring it up to today's standards.

Staff request the City Council consider approval of the Engineering Services Agreement with Birkhoff, Hendricks and Carter, L.L.P. to provide various general engineering services for water and wastewater improvements to the City of Rockwall.

ENGINEERING SERVICES AGREEMENT

THIS AGREEMENT is made and entered into by and between the **City of Rockwall, Texas**, hereinafter referred to as "City", and **Birkhoff, Hendricks & Carter, L.L.P.**, hereinafter referred to as "Engineer", to be effective from and after the date as provided herein.

W I T N E S S E T H:

WHEREAS, the City desires to engage the services of the Engineer to complete **Various General Engineering Services for the City of Rockwall**, as to be determined from time-to-time by the City, and

WHEREAS, the Engineer desires to render such engineering services for the City under the terms and conditions provided herein.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

That for and in consideration of the covenants contained herein, and for the mutual benefits to be obtained hereby, the parties hereto agree as follows:

I. Services of the Engineer

At the City's request, in the City's sole discretion, the City may engage from time to time the Engineer to perform professional engineering services; Engineer agrees to perform such services in accordance with the terms and conditions of this Agreement and with any Separate Individual Project Agreement. City reserves the right, in its sole discretion, to hire other engineers for any reason and for any project. In performing its professional engineering services hereunder, the Engineer shall follow the degree of professional engineering standards of care and skill exercised by reputable members of the engineering profession practicing in the Rockwall County, Texas area.

The City's relationship with the Engineer shall at all times be that of an owner/independent contractor, and nothing in this Agreement is intended nor shall be construed to create an employer-employee relationship, a joint venture or joint enterprise relationship, or to allow the City to exercise discretion or control over the professional manner in which the Engineer performs the services which are the subject matter of the Agreement; provided always however that the services to be provided by Engineer shall be performed in a manner consistent with applicable standards and regulations governing such services. The method and manner in which Engineer's services hereunder and under any Individual Project Agreement, shall be performed will be determined by the Engineer in his sole

discretion. The employees and agents of, and the methods, equipment and facilities used by the Engineer shall at all times be under the Engineer's exclusive direction and control.

II. Scope of Services

The parties agree that Engineer shall perform general engineering services and other professional services as will be described in individual Project agreements (each such agreement being an "Individual Project Agreement") executed by both parties, which Individual Project Agreements shall be consistent with the terms of this Agreement and set forth the details of each Project. The parties understand and agree that deviations or modifications from the terms of this Agreement may be set forth in an Individual Project Agreement as authorized from time to time by the City. As requested by the City and as agreed to by the Engineer, the Engineer shall provide professional engineering services to the City at various phases of a Project. Each phase of a Project for which such services will be provided shall be set forth in an Individual Project Agreement, which Individual Project Agreement shall describe the services to be performed by the Engineer. Such phases may include, but are not limited to, the study report phase, preliminary design phase, final design phase, bidding phase and the construction phase.

III. Schedule of Work

Upon the execution of an Individual Project Agreement, the Engineer agrees to commence services in accordance with this Agreement and with the Individual Project Agreement, and to proceed diligently with said service.

IV. Compensation and Method of Payment

The parties agree that Engineer shall be compensated for all services provided pursuant to this Agreement in the amount and manner described and set forth in Exhibit "A" or in each Individual Project Agreement. Engineer further agrees that it will prepare and present monthly progress reports and itemized statements. City agrees to pay invoices for work properly performed upon receipt.

V. Information to be Provided by the City

The City agrees to furnish, if available, prior to commencement of services in connection with each Individual Project Agreement, all that information set forth and described in the respective Individual Project Agreement.

VI. Insurance

In connection with this Agreement and with any Individual Project Agreement, Engineer shall provide and maintain in full force and effect during the term of this Agreement and any Individual Project Agreement:

Workers' compensation and employer's liability, insurance for the protection of Engineer's employees, to the extent required by law;

Commercial general liability insurance with limits not less than One Million and No/100 Dollars ($1,000,000.00) each occurrence combined single limit bodily injury and property damage, including contractual liability (covering, but not limited to, the liability assumed under the indemnification provisions of this Agreement), personal injury, broadform property damage, products and completed operations coverage (and if such commercial general liability insurance contains a general aggregate limit, it shall apply separately to the Services under this Agreement and each Individual Project Agreement);

Comprehensive automobile liability insurance with limits not less than One Million and No/100 Dollars ($1,000,000.00) each occurrence combined single limit bodily injury and property damage, including owned, non-owned and hired auto coverage, as applicable; and

Professional Liability Insurance to protect from liability arising out of the performance of professional services under this Agreement and any Individual Project Agreement. Such coverage shall be in the sum of not less than One Million and No/100 Dollars ($1,000,000.00).

VII. Assignment and Subletting

The Engineer shall not, and shall have no power or authority to, assign, transfer, sublet or otherwise convey any or all of its rights, duties, or obligations under this Agreement without the prior written consent of the City. The Engineer further agrees that any such assignment, transfer, subletting or conveyance of any portion or feature of the work or materials required in the performance of this Agreement or any Individual Project Agreement shall not relieve the Engineer from its full obligations to the City as provided by this Agreement and each respective Individual Project Agreement.

VIII. Audits and Records

The Engineer agrees that at any time during normal business hours and as often as City may deem necessary, Engineer shall make available to representatives of the City for examination all of its records with respect to any and all matters covered by this Agreement and each Individual Project Agreement, and will permit such representatives of the City to audit, examine, and make excerpts or transcripts from such records, and to make audits of all contracts, invoices, materials, payrolls, records of personnel, conditions of employment and other data relating to all matters covered by this Agreement and any Individual Project Agreement, for a period of time to equal to:

One year from the date of final settlement of each Individual Project Agreement; or

That period of time:

(1) as may be required by applicable statute or other lawful requirement; or

(2) any dispute, claim, or lawsuit arising out of or in connection with this Agreement or any Individual Project Agreement is pending, whichever period of time is longer.

IX. Contract Termination

The parties agree that City or the Engineer shall have the right to terminate this Agreement without cause upon thirty (30) days written notice to the other. In the event of such termination without cause, Engineer shall deliver to City all finished or unfinished documents, data, studies, surveys, drawings, maps, models, reports, photographs or other items prepared by Engineer in connection with this Agreement and with any Individual Project Agreement. Engineer shall be entitled to compensation for any and all services completed to the satisfaction of City in accordance with the provisions of this Agreement prior to termination.

X. Engineer's Opinion of Cost

The parties recognize and agree that any and all opinions of cost prepared by Engineer in connection with the Project represent the best judgment of Engineer as a design professional familiar with the construction industry, but that the Engineer does not guarantee that any bids solicited or received in connection with the Project will not vary from the opinion by the Engineer.

XI. Ownership of Documents

All documents, including but not limited to drawings, specifications and data or programs stored electronically, prepared by the Engineer are related exclusively to the services described herein.

They are not intended or represented to be suitable for partial use or reuse by the City or others on extensions of this Project or on any other project. Any modifications made by the City to any of the Engineer's documents, including the partial use of the Engineer's documents, or any reuse without written authorization or adaptation by the Engineer will be at the City's sole risk and without liability or legal exposure to the Engineer. The City shall indemnify, defend and hold the Engineer harmless from all claims, damages, losses and expenses, including but not limited to attorneys' fees, arising out of or resulting there from. Any such authorization or adaptation will entitle the Engineer to further compensation at rates to be agreed upon by the City and the Engineer.

XII. Dispute Resolution

All claims by the City arising out of this Agreement or its breach shall be submitted first to mediation in accordance with the Construction Industry Mediation Rules of the American Arbitration Association as a condition precedent to litigation. Any mediation or civil action must be commenced within one year of the accrual of the cause of action asserted but in no event later than allowed by applicable statutes.

XIII. Mailing of Notices

Unless instructed otherwise in writing, Engineer agrees that all notices or communications to City permitted or required under this Agreement shall be in writing and addressed to City at the following address:

Director of Public Works / City Engineer
City of Rockwall
385 S. Goliad
Rockwall, Texas 75087

City agrees that all notices or communications to Engineer permitted or required under this Agreement shall be addressed to Engineer at the following address:

Birkhoff, Hendricks & Carter, L.L.P.
11910 Greenville Avenue, Suite 600
Dallas, Texas 75243
Phone: (214) 361-7900

All notices or communications required to be given in writing by one party or the other shall be considered as having been given to the addressee (1) if by hand delivery, and the time of delivery, or (2) if mailed, seventy-two (72) hours after the deposit of same in any United States mail post office box. The addresses and addressees for the purpose hereof may be changed by giving notice of such change in the manner herein provided for giving notice. Unless and until such written notice is

received, the last addresses and addressee stated by written notice, or provided herein if no written notice of change has been sent or received, shall be deemed to continue in effect for all purposes hereunder.

XIV. Contract Amendments

This Agreement may be amended only by the mutual agreement of the parties expressed in writing.

XV. Duration of Agreement

Unless terminated in accordance with the terms hereof, this Agreement shall be effective from the date of execution by both parties until three (3) years after such date. Unless terminated in accordance with this Agreement or with the terms of an Individual Project Agreement, Individual Project Agreements agreed to by both parties within such 3-year period shall be valid and binding until the agreements and promises there under are completed, and the terms of conditions of the Agreement shall remain in effect until all obligations under said Individual Project Agreements are completed. This Agreement may be extended or renewed, with or without changes, by written amendment.

XVI. Miscellaneous Provisions

This Agreement is to be governed by the laws of the State of Texas. This Agreement shall bind, and the benefits thereof shall inure to the respective parties hereto, their legal representatives, executors, administrators, successors and assigns. This Agreement and the attached Exhibits "A" contain the entire and fully integrated agreement between the parties, and supersede all prior and contemporaneous negotiations, representations, agreements or understandings, whether written or oral. Any provision in this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof or affecting the validity or enforceability of such provision in any other jurisdiction. Also, the non-enforcement of any provision by either party shall not constitute a waiver of that provision nor shall it affect the enforceability of that provision or of the remainder of this Agreement.

XVII. Effective Date

This Agreement shall be effective from and after execution by both parties hereto.

WITNESS OUR HANDS AND SEALS on the date indicated below.

EXHIBIT "A"

COMPENSATION

Compensation for engineering services shall be based on salary cost times a multiplier of 2.4 with expenses times a multiplier of 1.15. Survey Crew shall be at $165 per hour. Milege rate shall be based on current I.R.S. rates at time of billing. Billing shall be posted monthly based on labor and materials expended, with payment due upon receipt of the invoice.

Based on current (June 2014) salaries, overhead and benfits, the following represents approximate billing rates for various categories of staff.

Description	Approximate Billing Rate
Partner in Charge (Project Manager)	$202.26
Senior Project Engineer	$153.54
Engineer In Training (EIT)	$91.59
Senior Technical / CADD Designer	$144.19
Technical / CADD Operator	$84.67
Clerical	$63.58 - $111.84
2-Man Survey Crew	$165.00

The approximate billing rates may very over time due to changes in salary, overhead and benefits.

CITY OF ROCKWALL, TEXAS
ORDINANCE # 14-__

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS AMENDING THE CODE OF ORDINANCES IN CHAPTER 38. SUBDIVISIONS TO ADD ARTICLE V. REGARDING GRADING, EXCAVATION, EARTHWORK AND EROSION CONTROL; PROVIDING FOR SEVERABILITY AND SAVINGS CLAUSES; PROVIDING FOR AN EFFECTIVE DATE.

Whereas, the City Council of the City of Rockwall values development and recognizes the need for erosion control provisions, including appropriate devices, to be in place in order to minimize the impacts of new development; and

Whereas, the development of land causes large quantities of soil to be displaced and transported to downstream locations which can create significant soil erosion and sedimentation problems and may result in potentially destructive consequences; and

Whereas, a build-up of sediment degrades water quality, destroys valuable environmental resources and obstructs watercourses and storm drains which can cause flooding, thereby damaging public and private lands and property; and

Whereas, the City Council believes it to be in the best interest of the public and the environment to adopt the regulations set forth below to govern erosion control to provide and maintain a safe, efficient and effective drainage system within the City and to require a permit for grading and floodplain development in order to ensure soil does not wash out into streets or nearby storm sewers.

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

SECTION 1. The findings set forth in the preamble above are adopted in their entirety.

SECTION 2. **Purpose**: During the construction process, soil is highly vulnerable to erosion by wind and water. Eroded soil endangers water resources by reducing water quality and causing the siltation of aquatic habitat for fish and other desirable species. Eroded soil also necessitates repair of sewers and ditches and the dredging of lakes. In addition, clearing and grading during construction cause the loss of native vegetation necessary for terrestrial and aquatic habitat. The purpose of this ordinance is to safeguard persons, protect property, and prevent damage to the environment. This ordinance also promotes the public welfare by guiding, regulating, and controlling the design, construction, use, and maintenance of any development or other activity that disturbs or breaks the topsoil or results in the movement of earth on land

SECTION 3. Article V is hereby added to Chapter 38. Subdivisions and shall henceforth read in its entirety as follows:

ARTICLE V. – GRADING, EXCAVATION, EARTHWORK, AND EROSION CONTROL

Sec. 38-430 – Definitions
Sec. 38-431-432 - Reserved
Sec. 38-433 – Applicability of article.
Sec. 38-434 – Grading permit required for filling, grading, excavation, etc.
Sec. 38-435 – Duty of property owner to prevent dirt, mud, etc., from washing onto public streets, alleys, etc.
Sec. 38-436 – Requirements for filling, grading, excavation, etc.
Sec. 38-437 – Issuance of permits; criteria.
Sec. 38-438 – Exceptions to the permit, permit fee and deposit.
Sec. 38-439 – Owner's responsibility.
Sec. 38-440 – Exemptions.

Sec. 38-430. – Definitions.

CITY ENGINEER. The City Engineer of the City of Rockwall or the Engineer's authorized representative.

EROSION CONTROL. A measure that prevents erosion.

GRADING. Any stripping, cutting, filling, stockpiling or combination thereof which modifies the existing land surface contour.

SEDIMENT CONTROL. Measures that prevent eroded sediment from leaving the site.

Sec. 38-431 - 432. – Reserved.

Sec. 38-433. – Applicability of article.

The provisions of this article shall apply to property owners, persons or their agents filling, grading, excavating or otherwise disturbing the surface of real property within the city, whether they be contractors, subcontractors, supervisors, inspectors, managers, agents, employees or otherwise. Failure to comply with the requirements of this article shall constitute an offense, and each day such failure continues shall constitute a separate offense.

Sec. 38-434. – Grading permit required for filling, grading, excavation, etc.

No person shall fill, grade, excavate or otherwise disturb the surface of real property within the City without first having secured a grading permit from the City Engineer. No owner of real property shall knowingly permit another person to fill, grade, excavate or otherwise disturb the surface of real property within the city without first having secured a permit from the City Engineer. In addition, if the property to be filled, graded, excavated or otherwise disturbed is within flood hazard area, a development permit must be secured from the City Engineer as required in Chapter 38 of this Code.

Sec. 38-435. – Duty of property owner to prevent dirt, mud, etc., from washing onto public streets, alleys, etc.

It shall be unlawful and an offense and shall constitute a nuisance for any person owning or having control of real property within the city to suffer or permit soil, mud, rock, pollutants or debris to wash, slide, erode or otherwise be moved from said real property onto streets, alleys, utility facilities, drainage facilities, rights-of-way or easements. It shall be the duty of each property owner or party in control thereof to prevent soil, mud, rock, pollutants or debris from such real property being deposited or otherwise transported onto the streets, alleys, utility facilities, rights-of-way or easements of the City and to inspect such property and acquaint themselves with the conditions existing and to remedy any conditions likely or calculated to allow soil, mud, rock or debris to wash, slide, erode or otherwise be transported onto the streets, alleys, utility facilities, rights-of-way or easements and failure to do so shall be deemed criminal negligence for the purpose of the offense described herein.

Sec. 38-436. – Requirements for filling, grading, excavation, etc.

The City Engineer shall prepare a list of allowable fill materials and minimum required compaction requirements. All filling shall use only the materials listed for fill. All fill placed on a site and visible from a public thoroughfare shall be leveled and have a final cover of topsoil, six (6) inches minimum depth, that will support vigorous plant growth, immediately following completion of filling operations. Intermediate leveling and cover shall be required at intervals not to exceed thirty (30) days for filling operations that will exceed thirty (30) days in duration. In areas where fill is being placed to control erosion, the City Engineer may substitute an alternate cover that is resistant to erosion for the requirement to cover fill with topsoil.

Sec. 38-437. – Issuance of permits; criteria.

(a) The City Engineer's office shall issue permits for the grading, filling, excavating or otherwise disturbing the surface of real property upon satisfaction of the following criteria:

(1) Applicant provides adequate assurance that the City will be reimbursed for any expense of cleaning or removal of dirt, rock, debris or other pollutants from city streets, alleys, utility facilities, rights-of-way and easements or the barricading thereof by the posting of a deposit of cash with the city to guarantee same.

(2) The amount of such deposit shall be established by the City Council from time to time and is hereby established as follows:

Area	Amount
One (1) acre or less	$500.00 minimum
From one (1) acre up	$100.00 for each additional acre

(3) The applicant provides a notarized statement from the property owner giving permission for the applicant to fill, grade, excavate or otherwise disturb the property and acknowledgment by property owner of the responsibilities of the property owner as described in section 38-30 of this Code.

(4) Submission by the applicant of a Storm Water Pollution Prevention Plan (SWP3) for all work disturbing one (1) acre of land or more. This Storm Water Pollution Prevention Plan (SWP3) must be prepared by a licensed professional engineer in accordance with applicable Environmental Protection Agency (EPA) and Texas Commission on Environmental Quality (TCEQ) regulations and approved by the City Engineer prior to issuing the grading permit.

(5) Submission by the applicant of a copy of Notice of Intent (NOI) and or a Construction Site Notice (CSN) as required by the Texas Commission on Environmental Quality (TCEQ) regulations for all work disturbing one (1) acre of land or more.

(6) The City Engineer may exclude that portion of tracts in excess of ten (10) acres that he/she determines to be so situated as to not contribute to erosion due to location and topography.

(b) If removal by the City of soil, rock, mud and debris from its streets, alleys, utility facilities, rights-of-way or easements is required by reason of work performed on property for which a deposit has been made pursuant to subsection (a), reasonable charges shall be billed to the applicant and subtracted from balance of the applicant's deposit. The City will attempt to notify applicant to clean the affected area unless deemed an emergency requiring immediate attention.

(c) Upon written request by the applicant to the City Engineer, the unused portion of the applicant's deposit shall be refunded if the following criteria is met:

(1) The site for which the deposit exists has been stabilized against erosion; and permanent ground cover has been established.

(2) No further hazard of erosion is present at the site;

(3) All temporary erosion control structures have been removed;

(4) Permanent erosion control facilities are in place and functioning properly as designed; and

(5) The City Engineer or his designee has given written acceptance of public improvements.

(d) An applicant who has submitted a written request for return of their deposit who meets the requirements of subsection (c) shall be refunded all funds not used to reimburse the City for the removal of soil, rock, mud, debris and pollutants from its streets, alleys, utility facilities, drainage facilities, rights-of-way or easements. Should an applicant fail to meet all requirements for a refund, the applicant's request will be rejected until such time as they are met. When the requirements have been met, the funds subject to refund will be sent via first class mail to the address on the applicant's grading permit application or if such address has been updated pursuant to application instructions to the applicant's updated address. If the refund mailed to the applicant is returned by the United States Postal Service as undeliverable, the funds shall be forfeited to the City and placed in the general fund if City Council is unable to determine the legal address.

(e) If a written request for return of a deposit is not made within two (2) years of the date the project on the property for which the deposit has been made receives written acceptance from the City Engineer or his designee of the public improvements, the unused portion of the applicant's deposit shall be forfeited to the City and placed in the general fund after the City notifies the applicant.

(f) Grading permits shall be valid for two-years after date of issuance by the City. Grading permits may be extended for one additional year (for a total of three years) upon written request by the applicant to the City Engineer. The City Engineer will have the site inspected to verify compliance with the permit conditions and the provisions of the submitted SWP3 before making the permit extension. Failure of the applicant to maintain compliance with the permit conditions and the provisions of the submitted SWP3 shall be adequate cause to deny a request for grading permit extension.

Sec. 38-438. – Exceptions to the permit, permit fee and deposit.

Construction, grading, filling or excavation undertaken by the City of Rockwall, franchised utility companies and existing individual single-family lots with existing residences under one acre in size shall be exempt from the permit, deposit and permit fee as required by this article.

Sec. 38-439. – Owner's responsibility.

The property owner shall be responsible for implementation and operation of a Storm Water Pollution Prevention Plan (SWP3) in accordance with applicable Environmental Protection Agency (EPA) and Texas Commission on Environmental Quality (TCEQ) regulations and all cleanup operations incidental to the grading, filling, excavation, construction or other disturbance of the surface of real property including leveling, establishment of ground cover, erosion and sediment control and removal of all trash, debris or other materials not suitable for fill including those deposited on streets, alleys, utility facilities, rights-of way or easements.

In addition, the property owner shall be responsible for compliance with the approved grading plan.

If the property owner fails in any respect to fulfill the requirement of this article, the City may go upon the owner's property and perform such work as may be necessary to fulfill such requirements and may level, establish ground cover, construct erosion control, remove all soil, rock, debris and other materials not suitable for fill including those deposited on streets, alleys, utility facilities, rights-of-way or easements, at the property owner's expense and charge same against the deposit of the applicant unless deemed and emergency requiring immediate attention, the City will first contact applicant to address the matter.

If a deposit has not been made with the City, or if the cost incurred by the City exceeds the amount of the deposit, the City shall bill the property owner for the unpaid expenses and if the owner fails to pay the City for such expenses within thirty (30) days of being billed for same, the City shall have the right to place a lien on the owner's property which shall be filed with the county clerk as in the case of paving assessment liens for all amounts expended by the City in excess of the deposit plus interest at the current lawful rate. If the property owner fails to fulfill the requirement of this article the City may revoke the grading permit, issue citations or take other legal remedies as may be necessary to enforce compliance with this article.

Sec. 38-440. – Exemptions

A grading permit is not required for the following:

1. Customary and incidental routine grounds maintenance, landscaping, and gardening in any district which does not require platting, replatting, variance request, or building permit and which does not affect stormwater drainage on or through the site;

2. Emergency repairs of a temporary nature made on public or private property which are necessary for the preservation of life, health or property, and which are made under circumstances where it would be impossible or impracticable to obtain a grading permit

SECTION 4. SEVERABILITY. That if any section, subsection, sentence, clause or phrase of this ordinance is for any reason held to be unconstitutional or illegal, such decision shall not affect the validity of the remaining sections of this ordinance. The City Council hereby declares that it would have passed this ordinance, and each section, subsection, clause, or phrase thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses or phrases be declared void.

SECTION 5. SAVINGS CLAUSE. That all ordinances or parts of ordinances, in conflict herewith are to the extent of such conflict hereby repealed. The balance of such ordinance is hereby saved from repeal.

SECTION 6. EFFECTIVE DATE. That the Ordinance shall be effective immediately following its second reading and publication in accordance with the City Charter.

CITY OF ROCKWALL, TEXAS

ORDINANCE NO. 14-29

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS ESTABLISHING A PROHIBITION REGARDING TEMPORARY HABITATION IN PUBLIC PLACES IN CHAPTER 22. MISCELLANEOUS OFFENSES. ARTICLE I. IN GENERAL, SECTION 22-4; PROVIDING FOR SEVERABILITY AND SAVINGS CLAUSES; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City Council of the City of Rockwall, Texas recently amended Chapter 12, Article III, Section 12-51 through 12-66 of the City of Rockwall Code of Ordinances regulating peddler activities in the City; and

WHEREAS, in the revision of Chapter 12, Article III, Section 12-51 through 12-66, the City deleted a provision prohibiting temporary habitation in a public place because the provision was not compatible with the regulations regarding peddlers; and

WHEREAS, the City Council of the City of Rockwall, Texas believes that the regulation prohibiting temporary habitation in a public place is more appropriate in Chapter 22, Miscellaneous Offenses; and

WHEREAS, the City Council of the City of Rockwall, Texas believes it to be in the best interest of the public to promote public safety and welfare through prohibiting temporary habitation in public places;

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

SECTION 1. That Chapter 22. Miscellaneous Offenses; Article I. In General; Section 22-4. Temporary Habitation in a Public Place Prohibited is hereby established and shall henceforth read in its entirety as follows:

Sec. 22-4. Temporary habitation in a public place prohibited.

(a) It shall be unlawful for any person to lodge, to live in for a time, or to take temporary habitation in any portion of a public park, culvert, or drainage way, or underneath a viaduct or bridge over any public roadway within the city. Evidence of lodging or temporary habitation shall include, but not be limited to, bedrolls, mattresses, blankets, cooking utensils, clothing, or any other personal belongings.

(b) It is an exception to an offense under section (a) that the person is seeking temporary shelter during a verified tornado.

(c) It is an exception to an offense under section (a) if the temporary habitation in a public park is part of a city sponsored or approved event. (i.e. Family Campout in the Park).

SECTION 2. SEVERABILITY. That if any section, subsection, sentence, clause or phrase of this ordinance is for any reason held to be unconstitutional or illegal, such decision shall not affect the validity of the remaining sections of this ordinance. The City Council hereby declares that it would have passed this ordinance, and each section, subsection, clause, or phrase thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses or phrases be declared void.

SECTION 3. SAVINGS CLAUSE. All ordinances or parts of ordinances, in conflict herewith are to the extent of such conflict hereby repealed. The balance of such ordinance is hereby saved from repeal.

SECTION 4. EFFECTIVE DATE. That the Ordinance shall be effective immediately following its second reading and publication in accordance with the City Charter.

59

CITY OF ROCKWALL, TEXAS

ORDINANCE NO. 14-27

SUP NO. 122

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT WITHIN THE SINGLE-FAMILY RESIDENTIAL (SF-10) DISTRICT ALLOWING FOR AN ACCESSORY BUILDING EXCEEDING THE SIZE REQUIREMENTS, ON THE PROPERTY LOCATED AT 921 ALAMO ROAD, BEING A 0.74-ACRE PARCEL OF LAND IDENTIFED AS A PORTION OF BLOCK 4, GARNER ADDITION, AND MORE SPECIFICALLY DESCRIBED IN EXHIBIT 'A'; CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a request has been made by Dennis D. Alsup for a Specific Use Permit allowing for an accessory building exceeding the size requirements within the Single-Family Residential (SF-10) District, on the property located at 921 Alamo Road, being a 0.74-acre parcel of land identified as a portion of Block 4, Garner Addition, City of Rockwall, Rockwall County, Texas, and more specifically described in Exhibit 'A' of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the Unified Development Code of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit allowing for an accessory building exceeding the size requirements within the Single-Family Residential (SF-10) District for the *Subject Property*; and

Section 2. That the Specific Use Permit shall be subject to the conditions set forth in ***Article IV, Section 2.1.2, Residential and Lodging Use Conditions,*** of the City of Rockwall Unified Development Code (Ord. No. 04-38) as heretofore amended and as may be amended in the future, and shall be subject to the additional following additions:

1) The accessory building must conform to all Engineering and Fire Department standards; and

2) Submittal and approval of a building permit is required prior to the construction of the accessory building; and

3) The accessory building must conform to the approved site plan (survey) and building elevations (photo) depicted in Exhibits 'A' & 'B' of this ordinance; and

4) The accessory building shall not exceed 240 square feet in area; and

5) The accessory building shall not exceed a maximum height of 15 feet; and

6) The accessory building is subject to administrative review in the event that the subject property is sold or conveyed in any manner to another party, subdivided, or re-platted; and

7) The City Council reserves the right to review the Specific Use Permit granted herein upon the expiration of one (1) year from the date hereof; and

8) Any construction or building allowed by this request must conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

Section 3. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

Section 4. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

Section 5. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of TWO THOUSAND DOLLARS ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 6. If any section or provision of this ordinance or the application of that section or provision to any person, firm, corporation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 21st DAY OF July, 2014.

CITY OF ROCKWALL, TEXAS

ORDINANCE NO. 14-28

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, DESIGNATING THE CITY OF ROCKWALL PLANNING AND ZONING COMMISSION AS THE AIRPORT ZONING COMMISSION; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City Council of the City of Rockwall did establish a Joint Airport Zoning Board on December 2, 1963, and investing it with the powers such Boards are authorized to exercise under the provisions of Chapter 391 of the Acts of the Regular Session of the 50th Legislature, 1947, and

WHEREAS, the Rockwall Municipal Airport lies entirely within the corporate city limits of the City of Rockwall and may, as authorized under Texas Local Government Code, Chapter 241, Municipal and County Zoning Authority around Airports, Section 241.012 Airport Compatible Land Use Zoning Regulations, adopt, administer, and enforce, under its police power, airport compatible land use zoning regulations for the part of a controlled compatible land use area located within the political subdivision if the airport is used in the interest of the public to the benefit of the political subdivision, and

WHEREAS, the City Council of the City of Rockwall, as authorized under Texas Local Government Code, Chapter 241, Municipal and County Zoning Authority around Airports and more specifically Subchapter B. Adoption of Airport Zoning Regulations, Section 241.016 Airport Zoning Commission, seeks to designate the Planning and Zoning Commission as the airport zoning commission, and

WHEREAS, the City Council of the City of Rockwall hereby designates the Rockwall Planning and Zoning Commission as the Airport Zoning Commission, and

WHEREAS, the designation of the Rockwall Planning and Zoning Commission as the Airport Zoning Commission, supersedes and repeals the act creating the Joint Airport Zoning Board established on December 2, 1963.

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

Section 1. That the Rockwall Planning and Zoning Commission shall be designated as the Airport Zoning Commission.

Section 2. That in interpreting and applying the provisions of this Ordinance, they shall be held to be minimum requirements for the promotion of the public safety, health, convenience, comfort, morals, prosperity and general welfare. It is not intended by this ordinance to interfere with or abrogate or annul any easements, covenants or other agreements between parties, or any statute, local ordinance or regulations, except that if this ordinance imposes a greater restriction, or higher standard, this ordinance shall control.

Section 3. That all other ordinances of the City of Rockwall in conflict with the provisions of this be and the same are hereby repealed.

Section 4. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 21st day of July, 2014.

CITY OF ROCKWALL, TEXAS

ORDINANCE NO. 14-__

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS AMENDING THE CODE OF ORDINANCES IN CHAPTER 22. MISCELLANEOUS OFFENSES, ARTICLE II. OFFENSES REGARDING MINORS, DIVISION 5. SEX OFFENDER RESIDENCY, SECTIONS 22-136 AND 22-137 TO MODIFY PROVISIONS SPECIFYING VICTIMS AGE; ADDING A SECTION REGARDING NOTICE TO RESIDENTS OF REGISTERED SEX OFFENDERS; PROVIDING FOR SEVERABILITY AND SAVINGS CLAUSES; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, upon original passage of these ordinance provisions, the age for juvenile victims for certain provisions was incorrect and created confusion; and

WHEREAS, amendments to sections of the Code specified herein are necessary in order to ensure said victims are covered under the provisions of these regulations; and

WHEREAS, notice to the citizens of Rockwall should be provided regarding any person who moves into the City of Rockwall who is required to register as a Sex Offender under Article 62.02 of the Texas Code of Criminal Procedure.

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

SECTION 1. That the Code of Ordinances in Chapter 22. Miscellaneous Offenses; Article II. Offenses Regarding Minors; Division 5. Sex Offender Residency; Sections 22-136 and 22-137 is hereby amended to reflect the following changes regarding victims' age and Section 22-138 is hereby added to read as follows:.

Sec. 22-136. Limitations

For each person required to register on the Texas Department of Public Safety's Sex Offender Database (the "database") because of a violation involving a victim who was less than 17 years of age, it is unlawful for that person to establish a permanent residence or temporary residence within 1,000 feet of any premises where children commonly gather, which, for purposes of this division, shall be a private or public park, private or public playground, private or public school or day care center, public or private youth center, public swimming pool or video arcade facility, as such terms are defined in the city's Unified Development Code, as it exists or may be amended, homeowners association swimming pools or commercial pools located in residential subdivisions. For the purposes of defining a premises, any portion of a property, on which a residence is established, that

adjoins or is located within 1,000 feet shall be included in these regulations. If any term used in this division is not defined in the city's Unified Development Code, the terms shall have the meaning ascribed by V.T.C.A., Health and Safety Code § 581.134, as it exists or may be amended. For the purposes of this division, the premises stated in this section are depicted on a map of the city which is attached to the ordinance from which this section is derived and labeled "Exhibit A." In addition, planted street medians shall not be considered as public parks.

Sec. 22-137. Evidentiary Matters, Measurements

(a) It shall be prima facie evidence that this division applies to such a person if that person's record appears on the database and the database indicates that the victim was less than 17 years of age.

Sec. 22-138. Notice

(a) The Police Department will notify the residents of the City the information of all persons required to register as a Sex Offender under Article 62.02 of the Texas Code of Criminal Procedure anytime an offender moves into or within the City of Rockwall.
(b) Within fifteen (15) business days of receiving notice of moving from a registered sex offender, the Police Department will send written notice providing the same information to all City of Rockwall residential addresses within one thousand five hundred (1,500) feet of the registrant's new home address.

SECTION 2. The remainder of Chapter 22, Miscellaneous Offenses; Article II. Offenses Regarding Minors; Division 5. Sex Offender Residency of the City Code of Ordinances remains unchanged.

SECTION 3. SEVERABILITY. That if any section, subsection, sentence, clause or phrase of this ordinance is for any reason held to be unconstitutional or illegal, such decision shall not affect the validity of the remaining sections of this ordinance. The City Council hereby declares that it would have passed this ordinance, and each section, subsection, clause, or phrase thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses or phrases be declared void.

SECTION 4. SAVINGS CLAUSE. All ordinances or parts of ordinances, resolutions or parts of resolutions in conflict herewith are to the extent of such conflict hereby repealed. The balance of such ordinance is hereby saved from repeal.

SECTION 5. EFFECTIVE DATE. That the Ordinance shall be effective immediately following its second reading and publication in accordance with the City Charter.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: **Brad Griggs, Assistant City Manager**

FROM: **Andy Hesser, Parks and Recreation Manager**

DATE: **July 16, 2014**

SUBJECT: **APPOINTMENT WITH SCOTT SELF TO REQUEST DOCK RELOCATION**

Sail With Scott LLC was previously approved by Council to install a floating dock and ramp located on the south side of the jetty at The Harbor to accommodate both the Sea Wolf and Harbor Lights loading and unloading of passengers. Due to the low lake levels, Council approved the relocation of the dock to the west side of the break-wall.

As lake levels receded further, Scott Self requested permission at the April 2nd City Council meeting to extend his dock to reach deeper water in order to operate his boats.

At this time, Mr. Self is requesting to extend the docks another 30'. Current depth at the end of his dock is approximately 14" – 16" inches. According to Mr. Self, if he is permitted to extend it an additional 30', the water depth would be between 4' -6'.

The dock would still be within the "No Wake Zone" buoys set by the City of Dallas. He has also placed solar powered blinking lights at the end of the dock for increased visibility for boaters at night.

Based on the April through June receipts, Sail With Scott revenue is down approximately 35-40% from last year. If current trends continue, the revenue could be nearly 50% less than last year. This revenue is deposited into the Recreational Development Fund.

Mr. Self also understands that relocation of the dock must be approved by the City of Dallas as well. Moving the dock will be at his expense and will be returned to its original location once the lake levels are back to an elevation that he can safely operate his boats.

Mr. Self would also like to request permission to temporarily dock his boats over night at The Harbor in the event that he is unable to access his allocated dock space at Chandler's Landing Marina. Between his docking area and the marina break-wall exit is a sand bar that is not visible from the surface. If a boat becomes beached on that sand bar, he would not be able to enter or exit the dock until the boat is removed from the sand bar. Mr. Self indicated that this has happened recently.

The ability to temporarily dock over night at The Harbor would allow him to continue to operate in the event he is blocked out from Chandler's Marina. In the past, we have permitted visitors or special events to temporarily dock their boats over night subject to them providing us their contact information, insurance, boat registration number and drivers license. We also make them aware that the City is not responsible for the security of their water craft. Mr. Self will be available at the Council meeting to present his request and answer any questions.

CITY OF ROCKWALL

ORDINANCE NO. 14-30

AN ORDINANCE OF THE CITY OF ROCKWALL, TEXAS, AMENDING CHAPTER 12, ARTICLE III, SECTION 12 BY ADDING SECTION 12-66 TO 12-67 OF THE CODE OF ORDINANCES, REGULATING PEDDLER ACTIVITIES IN THE CITY AND SOLICITATION IN A PUBLIC AREA; PROVIDING A SEVERABILITY CLAUSE; PROVIDING AN EFFECTIVE DATE AND PROVIDING FOR RELATED MATTERS.

WHEREAS, the City of Rockwall (the "City"), a Home Rule City and by State law and City Charter is permitted to establish ordinances to protect the health, safety and general welfare of its residents; and

WHEREAS, on May 22, 2014 the City Council adopted a new Ordinance regulating peddler activities and after careful review, additional amendments are necessary because of the health and safety concerns in soliciting in public areas, the Council is amending the ordinance regulating such activity; and

WHEREAS, the amended ordinance will not interfere with free speech, open dialogue and exchange of opinion;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THAT;

SECTION 1 FINDINGS. The foregoing recitals are hereby found to be true and correct and are hereby adopted by the City Council and made a part hereof for all purposes as findings of fact.

SECTION 2. **AMENDMENT.** Chapter 12, Article III, Sections 12-66 to 12-68 are hereby added to Chapter 12 and should read as follows:

ARTICLE III. PEDDLERS, SOLICITORS AND ITINERANT VENDORS

Sec. 12-66. Solicitation by coercion and solicitation on public area prohibited.

(A) The following words, terms and phrases, when used in this section, shall have the meanings ascribed to them in this subsection, except where the context clearly indicates a different meaning:

Coercion means:

(1) To approach or speak to a person in such a manner as would cause a reasonable person to believe that the person is being threatened with:

a. Imminent bodily injury; or
b. The commission of a criminal act upon the person or another person, or upon property in the person's immediate possession;

(2) To persist in a solicitation after the person solicited has given a negative response;
(3) To block, either individually or as part of a group of persons, the passage of a solicited person; or
(4) To engage in conduct that would reasonably be construed as intended to compel or force a solicited person to accede to demands.

(B) A person commits an offense if he conducts a solicitation by coercion or conducts a solicitation in any public area in the city at any time on any day of the week.

(C) It is a defense to prosecution under subsection (b) of this section if the solicitation:

(1) Consisted exclusively of passive, nonverbal acts; or
(2) Was being conducted on private property with the advance written permission of the owner, manager, or other person in control of the property.

(D) The provisions of section 12-57 regarding exemptions shall apply to this section.

Sec. 12-67 Violation/penalty

Any person violating the provisions of this article is guilty of a class C misdemeanor and upon conviction shall be subject to a penalty not to exceed five hundred dollars ($500.00) Each and every act constituting a violation hereof and each failure or refusal to comply with any provision shall be a separate offense and shall be punished as such.

SECTION 3 REPEALING ORDINANCES IN CONFLICT. All ordinances or parts of ordinances in conflict herewith are hereby repealed to the extent of such conflict.

SECTION 4 SEVERABILITY.

If any section, subsection, sentence, clause or phrase of this ordinance is for any reason held to be unconstitutional or illegal, such decision shall not affect the validity of the remaining sections of this ordinance. The City Council hereby declares that it would have passed this ordinance, and each section, subsection, clause, or phrase thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses or phrases be declared void.

SECTION 5 SAVINGS CLAUSE.
All ordinances or parts of ordinances, in conflict herewith are to the extent of such conflict hereby repealed. The balance of such ordinance is hereby saved from repeal.

SECTION 6. EFFECTIVE DATE. The Ordinance shall be effective immediately following its publication in the local newspaper as required by the Texas Local Government Code.

PASSED AND APPROVED BY THE CITY COUNCIL OF ROCKWALL TEXAS, this 21st day of July, 2014.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley – City Manager**

FROM: **Brad Griggs – Assistant City Manager**

DATE: **July 17, 2014**

SUBJECT: **Stone Creek Park Resolution and Grant Application Contract**

The Stone Creek development agreement requires the developer to dedicate a minimum of eleven acres of land for a neighborhood park and pay equipment fees related to the park. The dedication of the park land will occur with the next phase of development which has been submitted. When the final plat is accepted we will have collected roughly $218,000 in equipment fees to begin the development of the park.

The first phase of the park development would begin with one or more public hearings with residents to receive input on the amenities that should be included in the design. Once the input is received, a Master Plan of the park would be developed based on the input received through the public hearing process. The Park Board would recommend that adoption of the Master Plan to the City Council for adoption. Once the Master Plan has been adopted, a phasing plan for the park would be developed.

We have an opportunity to submit an application for assistance to the Texas Parks and Wildlife Department (TPWD) to develop the park. Based on our current park land dedication ordinance, we expect the cost to develop an 11 acre neighborhood park at $1,100,000. Although the grant program is very competitive, a maximum of $400,000 could be awarded from the State to develop the park site if our application is approved. The source of the grant funds is the sales tax collected from the sale of sporting goods.

Contingent on Council approval, the staff proposes to have MHS Planning and Design prepare an application for assistance to the TPWD for matching funds to develop the neighborhood park located within the Stone Creek development. Our match funding would be the value of the land that is being dedicated for the park and the equipment fees that have been collected to develop the site. The application deadline is August 31 and TPWD will score and award funds in March of 2015.

MHS has proposed a cost of $9,000 plus expenses to prepare the grant application, a letter of retroactivity to allow the use of the land dedication for the City's match and a Site Master Plan for the park. The source of the funding would be the Recreation Development Fund.

If the Council is in agreement with contract with MHS and the application for assistance, the TPWD requires a resolution from the governing body of the applicant. The resolution certifies that funds are available for the matching portion of the project and the dedication of the site for a permanent park and recreation uses. The source of the City's match is what we have received from the developer of Stone Creek, either in land or fees. A resolution is attached for the Council's consideration.

MHS

PLANNING & DESIGN, LLC

July 17, 2014

Mr. Andy Hesser, Parks & Recreation Manager
City of Rockwall
108 East Washington
Rockwall, Texas 75087

RE: Preparation of a grant application to Texas Parks & Wildlife for acquisition & development of the Park at Stone Creek with Waiver of Retroactivity.

Dear Andy:

It is with great pleasure that I present this proposal to provide assistance with the development of a Texas Recreation and Parks Account grant application for park land acquisition and improvements at the Park at Stone Creek and a Waiver of Retroactivity for the land being acquired.

In addition to preparing the necessary grant forms, I will walk and photograph the site, prepare the grant specific site plan, grant budget, brief environmental assessment, program narrative, environmental checklist, and any other standard items necessary to submit a complete and competitive application.

Although I will be responsible for preparing and coordinating the application, I will need your assistance on several items such as providing me with a plat of the proposed park, including the area to be acquired, letters of commitment from property owners of the land to be acquired and other entities which may be involved, holding a public hearing, and passing a resolution to file the application.

Once the application has been approved by the City and submitted to Texas Parks and Wildlife, I will assist you with any revisions and/or additional information requested by Texas Parks and Wildlife. The grant program is currently highly competitive with about 20% of all submitted projects receiving funding. With this in mind, we will need to prepare an application that addresses every conceivable aspect of the state scoring system in order to be successful.

In addition to the grant, I propose to prepare a Waiver of Retroactivity for the project. Since you may acquire the land prior to the award of the grant you will need to retain the "acquisition status" and apply for a waiver of retroactivity on the land. The waiver will allow the City to acquire the land now and still be eligible for land acquisition/preservation credits under the scoring system.

A waiver of retroactivity requires that four items be submitted to Texas Parks & Wildlife in order to be reviewed. The items required are:

1) Cover letter addressing the scope and urgency of the waiver and an assurance that it is understood that the granting of the waiver in no way commits TP&W to the future funding of a grant project.
2) Location and boundary maps.
3) Proposed conceptual development plan
4) Environmental assessment

For the waiver we will prepare the cover letter, maps, conceptual plan and environmental assessment. I will complete the Texas Recreation and Parks Account grant application and waiver for a lump sum fee of nine thousand dollars ($9,000.00) plus actual travel and reproduction expense incurred in developing the application.

This agreement may be terminated by the City of Rockwall by giving seven days written notice. If this agreement is terminated, the City of Rockwall will pay MHS Planning and Design, LLC, for any and all work completed prior to the time of termination, based on the hourly rate sheet attached. All work prepared and completed prior to termination shall be the property of the City of Rockwall and shall be provided to the City for project completion as the City deems appropriate.

I look forward to working with you on this project and should you have any questions or need additional information, please let me know.

If the agreement meets with your approval, please have signed and return a copy to my office as soon as possible. The completed application must be submitted prior to August 31. 2014.

Sincerely,

Mark H. Spencer

CITY OF ROCKWALL, TEXAS

RESOLUTION NO. 14-10

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, HEREINAFTER REFERRED TO AS "APPLICANT," AUTHORIZING APPLICATION TO THE TEXAS RECREATION & PARKS ACCOUNT PROGRAM (TRPA); DESIGNATING CERTAIN OFFICIALS AS BEING RESPONSIBLE FOR, ACTING FOR, AND ON BEHALF OF THE "APPLICANT" IN DEALING WITH THE TEXAS PARKS & WILDLIFE DEPARTMENT, HEREINAFTER REFERRED TO AS "DEPARTMENT," FOR THE PURPOSE OF PARTICIPATING IN THE LOCAL PARK GRANT PROGRAM, HEREINAFTER REFERRED TO AS THE "PROGRAM," CERTIFYING THAT THE "APPLICANT" IS ELIGIBLE TO RECEIVE PROGRAM ASSISTANCE; CERTIFYING THAT THE "APPLICANT'S" MATCHING SHARE IS READILY AVAILABLE; DEDICATING THE PROPOSED SITE FOR PERMANENT PUBLIC PARK AND RECREATION USES; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the Rockwall City Council supports application to the Texas Recreation and Parks Account Program (TRPA); and

WHEREAS, the "Applicant" is fully eligible to receive assistance under the "Program, and

WHEREAS, the "Applicant" is desirous of authorizing an official to represent and act for the "Applicant" in dealing with the "Department" concerning the "Program."

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1. That the "Applicant" hereby certifies that they are eligible to receive assistance under the "Program;"

SECTION 2: That the "Applicant" hereby certifies that the matching share for this application is readily available at this time;

SECTION 3: That the "Applicant" hereby authorizes and directs its City Manager, Rick Crowley, to act for the "Applicant" in dealing with the "Department" for the purpose of the "Program," and Rick Crowley is hereby officially designated as the representative in this regard.

SECTION 4: That the "Applicant" hereby specifically authorizes the official to make application to the "Department" concerning the site to be known as the Park at Stone Creek in the City of Rockwall for use as a park site and the Park at Stone Creek is hereby dedicated (or will be dedicated upon completion of the proposed acquisition) for public park and recreation purposes in perpetuity.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THE "APPLICANT," this 21st day of July , 2014 .

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 07/21/2014

APPLICANT: Marco A. Esparza

AGENDA ITEM: **MIS2014-008**; Manufactured Home Replacement (*312 Rene Drive*)

SUMMARY:

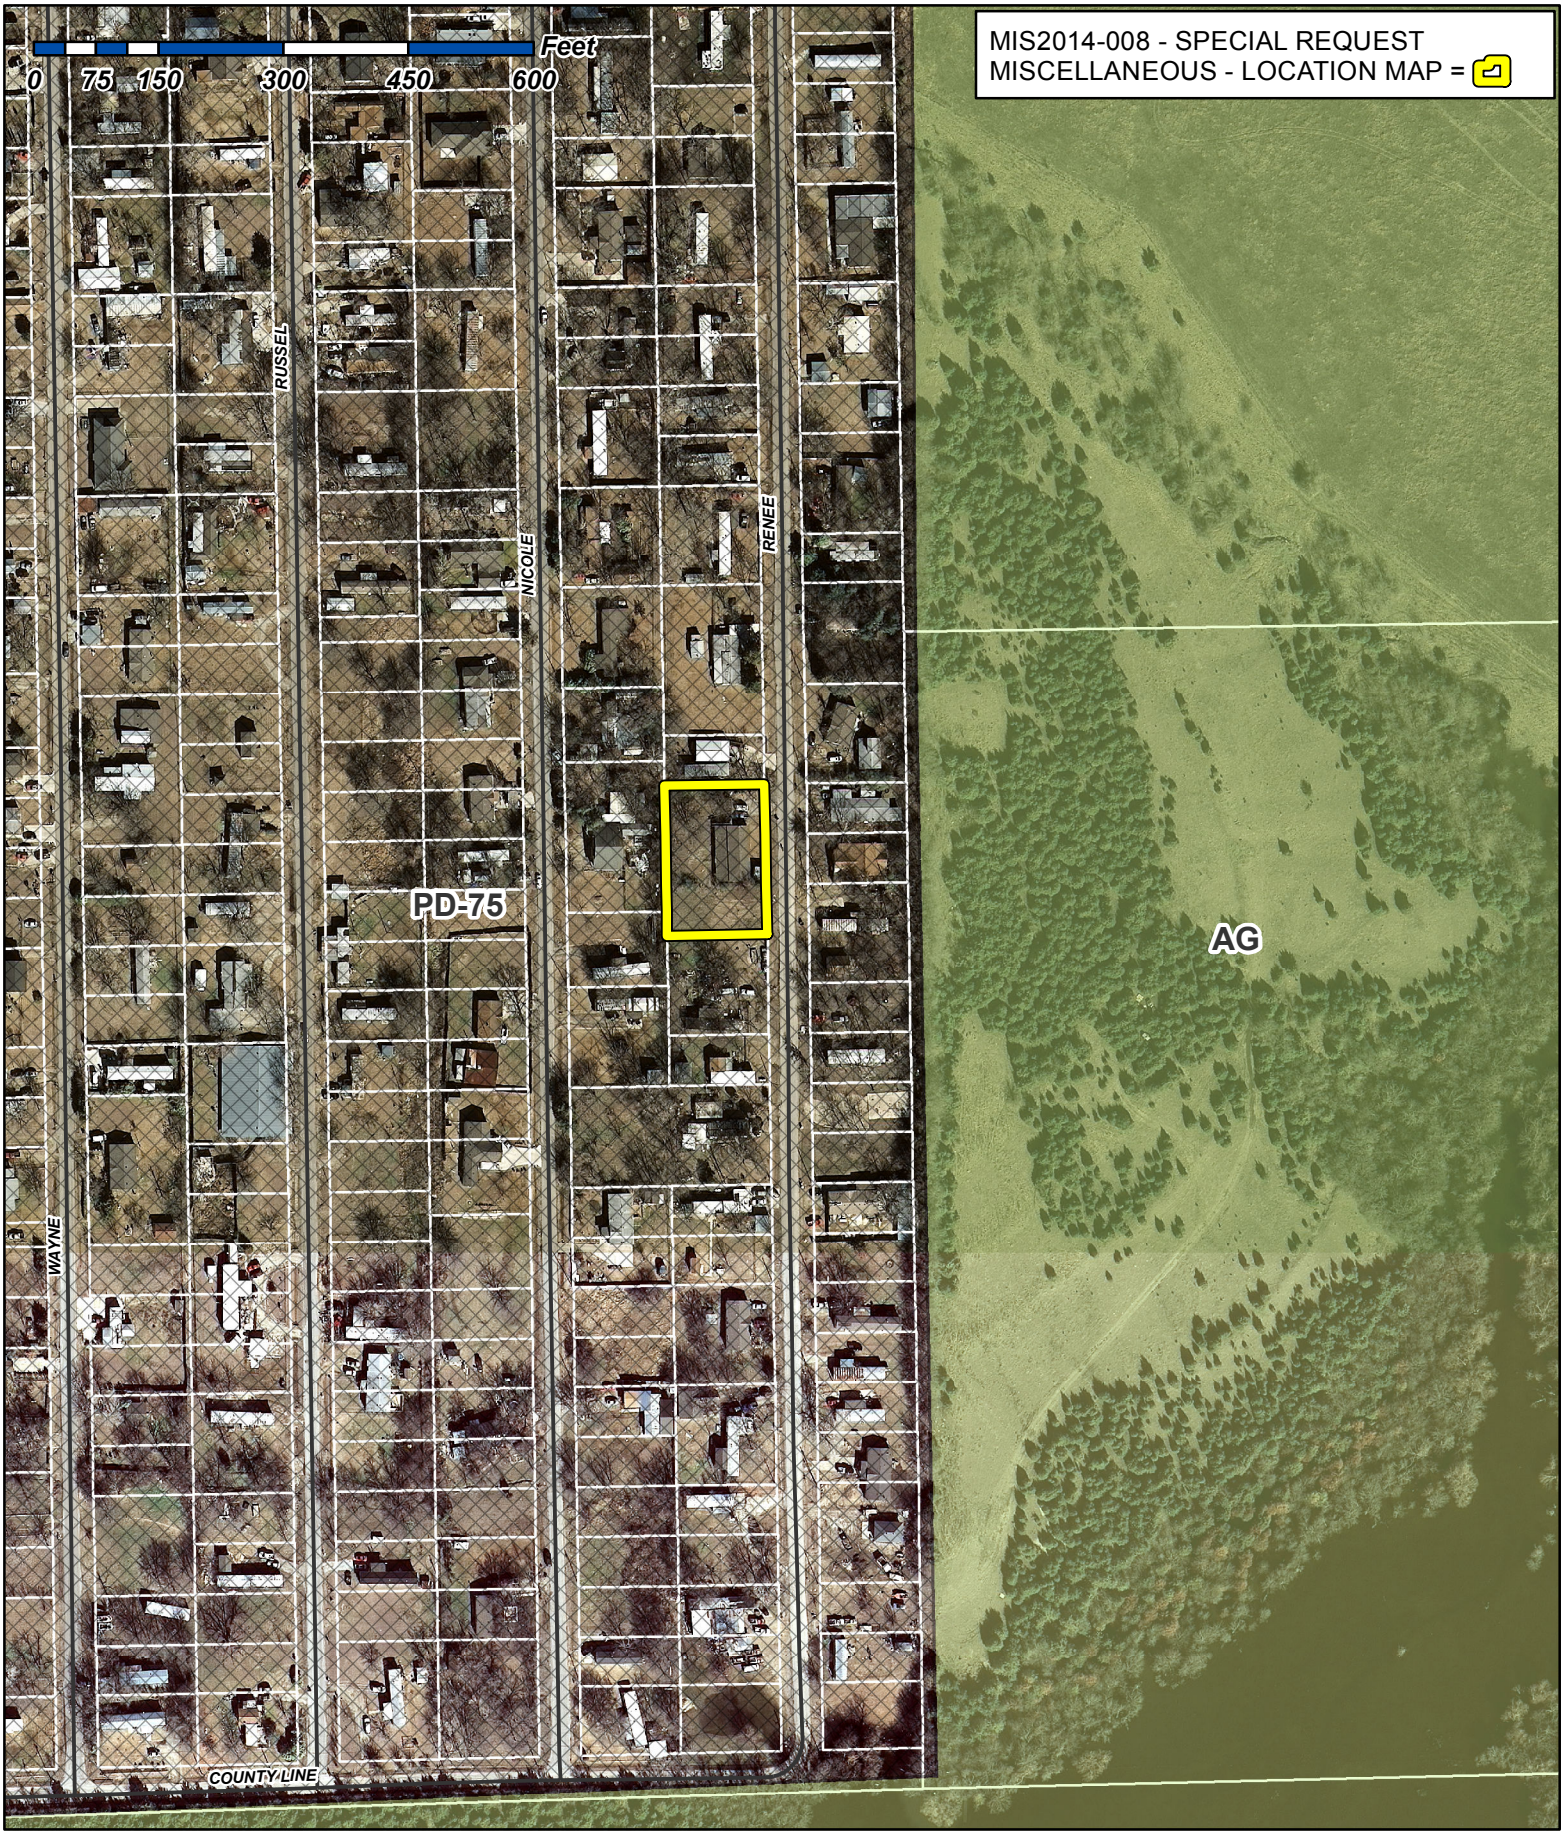
Discuss and consider a request by Marco A. Esparza for a waiver to the *Manufactured Home Replacement Minimum Standards* as set forth in *Exhibit 'C'* of Planned Development District 75 (PD-75) [*Ordinance No. 09-37*] to allow Hardiboard panels in lieu of Hardiboard lap siding for a new manufactured home on a 0.17-acre property identified as Lots 1390, 1391 & 1392, Rockwall Lake Estates #2, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 75 (PD-75) for Single Family-7 (SF-7) District uses, located at 312 Rene Drive, and take any action necessary.

CHARACTERISTICS OF REQUEST:

The applicant, Marco A. Esparza, has submitted a special request to the requirements stipulated for *Manufactured Home Replacement Minimum Standards* outline in *Exhibit 'C'* of Planned Development District 75 (PD-75) [*Ordinance No. 09-37*]. According to this section, if an existing property has a manufactured home situated on it then the property owner is eligible for a one (1) time replacement of said manufactured home pending the replacement home meets the following criteria:

1) The replacement manufactured home shall be permanently affixed to a concrete foundation.
2) The replacement manufactured home shall have a minimum of a 3:12 roof pitch.
3) The replacement manufactured home shall be constructed of a minimum of 90% masonry materials on the exterior of the structure (excluding windows and doors; including the skirting material). This includes Hardiboard lap siding, "Cemplank" lap siding, or a similar cementaceous durable lap siding material that has a minimum width of 6¼-inches.
4) The replacement manufactured home shall be a newer manufactured home and contain at least the same living space/square footage as the previous manufactured home.

In this case, the applicant has replaced an existing manufactured home on the subject property at 312 Rene Drive. The new manufactured home meets all the above mentioned criteria for the one (1) time replacement with the exception of the material requirements. The new manufactured home uses Hardiboard panels as opposed to a lap siding material. According to Section C, *Consideration of Special Request*, of *Exhibit 'C'* of PD-75, the City Council may consider special requests on a case-by-case basis for properties located within the Lake Rockwall Estates subdivision pending a recommendation from the Planning and Zoning Commission. The approval of any special request shall preempt any other underlying zoning restrictions stipulated by the zoning ordinance. Staff would like to acknowledge that the proposed Hardiboard panels are consistent with existing materials within the district, and that the applicant's request represents an improvement on the property. Additionally the approval of this request would not alter the essential character of the planned development district.



RECOMMENDATIONS:

If the Planning & Zoning Commission and City Council choose to approve the applicant's request for a waiver to the manufactured home replacement standards staff would recommend the following conditions:

1) Any construction or building allowed by this request must conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION:

On July 8, 2014, the Planning and Zoning Commission approved a motion to recommend approval of the applicant's request by a vote of 4-0, with Commissioners Renfro, McCuthcheon and Lyons absent.

DATE 10-23-13 BY:

CONSTRUCTION CODES - 2009 International Residential Code & 2008 Electrical Code and local amendments

DESCRIPTION

Lots 1390, 1391 and 1392, of ROCKWALL LAKE PROPERTIES DEVELOPMENT NO. 2, a Land Subdivision in the County of Rockwall, Texas, according to the Plat thereof recorded in Cabinet A, Slide 79-80, Plat Records, Rockwall County, Texas.

NOTES

1) According to F.E.M.A. Flood Insurance Rate Map, Community Panel No. 48397C0040 L dated September 26, 2008, this property lies in Zone X. This property does not appear to lie within a 100-year flood plain.

2) BEARING SOURCE: RECORDED PLAT.

3) ALL 1/2" IRS ARE CAPPED WITH YELLOW PLASTIC CAPS "RPLS 5034."

SURVEYOR'S CERTIFICATE

I, Harold D. Fetty, III, Registered Professional Land Surveyor No. 5034, do hereby certify that the above plat of the property surveyed for MARCO ESPARZA at 312 RENEE DRIVE, ROCKWALL, ROCKWALL County, Texas, is the result of a careful collection of the best evidence available to me and my opinion is based on the facts as found at the time of survey. This survey meets the requirements of the Minimum Standards of Practice as approved and published by the Texas Board of Professional Land Surveying, effective September 1, 1992 and subsequent revisions, and the same was surveyed under my supervision on the ground this the 10th day of October, 2013.

DRAWING NUMBER
S1.10

STD 76' x 27' Base
Model: Redman HUD PFS 513143/44
Year: 1998
Area: 2,052 sq.ft.

This foundation design complies with Permanent Foundations Guide for Manufactured Housing (HUD-4930.3G) September, 1996

GENERAL NOTES

1. ALL BAR SHALL BE 50 KSI.
2. WELDED WIRE MESH SHALL BE AS SPECIFIED BY THE ENGINEER.
3. CONCRETE SHALL BE NORMAL WEIGHT, TRANSIT MIXED AND HAVE A MINIMUM COMPRESSIVE STRENGTH OF 3000 PSI AT 28 DAYS.
4. CONCRETE SHALL BE IN ACCORDANCE WITH ACI-318 ACI-301 AND ASTM C94. SLAB SHOULD BE STRESSED WITHIN 7 TO 10 DAYS AFTER CONCRETE PLACEMENT.
6. WATER CONTENT SHALL BE CONTROLLED AND MINIMIZED IN ACCORDANCE WITH ACI'S BUILDING CODE REQUIREMENTS AS REFERENCED ABOVE.
7. ALL CONVENTIONAL REINFORCING BARS SHALL BE GRADE 50 IN ACCORDANCE WITH ASTM A615.

SITE PREPARATION NOTES

1. IT IS THE CONTRACTORS RESPONSIBILITY TO LOCATE EXISTING UTILITIES PRIOR TO EXCAVATING. THE CONTRACTOR SHALL EXERCISE CAUTION WHILE EXCAVATING TO AVOID CUTTING OR DAMAGING UNDERGROUND UTILITY LINES. THE CONTRACTOR SHALL INFORM UTILITY OWNERS IN ADVANCE TO ENABLE THEM TO IDENTIFY AND LOCATE, REROUTE OR TO MAKE OTHER ADJUSTMENTS IN ORDER FOR WORK TO PROCEED WITH MINIMUM DELAYS.
2. ALL FOUNDATION EXCAVATIONS SHOULD BE PROPERLY MONITORED TO ASSURE THAT UNDESIRABLE (LOOSE) MATERIALS ARE REMOVED.
3. EXPOSED SOILS SHOULD BE PROTECTED AGAINST RAIN AND EXCESSIVE DRYING.
4. SELECT FILL MATERIAL SHALL BE COMPACTED ACCORDING TO THE PROJECTS GEOTECHNICAL INVESTIGATION.

CONSTRUCTION NOTES

1. SITE GRADING AND DRAINAGE AROUND THE FOUNDATION SHALL BE MAINTAINED AT ALL TIMES IN SUCH A MANNER THAT SURFACE OR GROUND WATER WILL NOT COLLECT AROUND THE SLAB. ADEQUATE POSITIVE DRAINAGE SHALL BE PROVIDED SLOPING AWAY FROM THE FOUNDATION WITH A SLOPE OF 2.5% (1/4-5/8 IN-FT) FOR A MINIMUM DISTANCE OF 5'-0" FROM EDGE OF FOUNDATION.
2. FOR FINAL GRADES THERE SHALL BE POSITIVE DRAINAGE SLOPING AWAY FROM THE SLAB. GRADE BEGINS AS BOTTOM OF BRICK LEDGE.
3. PIERS SHALL BE CLEAN PER PLAN. PIER BOTTOMS MUST BE FOUNDED IN AT LEAST 12" OF UNDISTURBED SOIL OR PROPERLY COMPACTED FILL.
8. CONCRETE SHALL BE VIBRATED TO INSURE CONSOLIDATION AROUND BARS AND STIRRUPS.
10. WHERE DISCREPANCIES BETWEEN PIER LOCATIONS AND ARCHITECTURAL PLANS ARE NOTICED THE ARCHITECTURAL PLANS SHALL CONTROL.
11. COORDINATE STRUCTURAL DRAWINGS WITH ARCHITECTURAL DRAWINGS FOR ALL OPENINGS, DROPS INSERTS, SLOPES, AND RELATED ITEMS.
12. IF SOLID ROCK IS ENCOUNTERED DURING PIER DRILLING, PIER DEPTH MUST MAINTAIN A MINIMUM 24" DEPTH.
13. SIDEWALKS AND DRIVES SHALL BE GRADED TO SLOPE AWAY FROM THE FOUNDATION TO ELIMINATE AND PREVENT PONDING OF WATER.
14. TREES AND SHRUBS SHOULD NOT BE LOCATED CLOSER TO THE FOUNDATION THAN A HORIZONTAL DISTANCE EQUAL TO ROUGHLY ONE-HALF OF THE TREE OR SHRUBS MATURE HEIGHT.

LIMITATIONS

1. THE ENGINEER ADVISES THAT A PRE-POUR INSPECTION IS REQUIRED.
2. IN THE EVENT A SOILS REPORT FOR THE SPECIFIC TRACT OF LAND UPON WHICH THE PROPOSED STRUCTURE IS TO BE CONSTRUCTED IS PROVIDED BY THE CLIENT TO THE ENGINEER, THE ENGINEER WILL RELY ON THE INFORMATION CONTAINED IN SUCH SOILS REPORT IN DESIGNING PLANS HOWEVER, THE ENGINEER DOES NOT ASSUME OR TAKE ANY RESPONSIBILITY WHATSOEVER FOR THE ACCURACY OF SAID SOILS REPORT, OR ANY INFORMATION CONTAINED THEREIN WHICH THE ENGINEER MAY HAVE RELIED UPON TO DESIGN THE FOUNDATION FOR THE PROPOSED STRUCTURE.
3. FOR THE FOUNDATION TO PERFORM AS DESIGNED OWNER MUST INSURE THAT THE MOISTURE CONTENT OF THE SOIL IS MAINTAINED AT A CONSTANT LEVEL SURROUNDING THE FOUNDATION. DO NOT ALLOW THE SOIL TO DRY OUT TO A POINT WHERE THE SOIL CRACKS OR PULLS AWAY FROM THE PIERS.
4. TO REDUCE MOVEMENT IN THE FOUNDATION, ADEQUATE POSITIVE DRAINAGE SHALL BE PROVIDED SLOPING AWAY FROM THE FOUNDATION WITH A MINIMUM SLOPE OF 2%.

CONTRACTOR SHALL ENSURE ADEQUATE SOIL MOISTURE IS AVAILABLE TO UNDERLYING SOILS.

PLAN LEGEND
1. ▲ DENOTES CONCRETE CHAIR.
2. ⋰⋱ DENOTES DIMENSION TO BE VERIFIED.
3. DENOTES DIFFERENCE IN FINISH FLOOR ELEVATIONS.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 07/21/2014

APPLICANT: Pross Design Group, Inc.

AGENDA ITEM: **SP2014-011**; Channell Commercial Corporation

SUMMARY:

Discuss and consider a request by Frank Richardson of Pross Design Group, Inc. on behalf of Channell Commercial Corporation and the Rockwall Economic Development Corporation for the approval of an exception to allow tilt wall as a primary building material and variances to the parking, articulation, building materials, and lighting standards as stipulated by the Unified Development Code for an office and industrial facility on an 18.95-acre tract of land being identified as a 2.006-acre portion of Tract 2-7 of the David Harr Survey, Abstract No. 102 and a 16.944-acre portion of Tract 5 of the N. Butler Survey, Abstract No. 20, City of Rockwall, Rockwall County, Texas, being zoned Light Industrial (LI) District, situated within the SH 205 By-Pass Corridor Overlay (205 BY-OV) District, located on the west side of John King Boulevard south of Airport Road, and take any action necessary.

BACKGROUND INFORMATION:

Channell Commercial Corporation is a manufacturing company that provides communication/fibre products to the telecommunications industry. With the help of the Rockwall Economic Development Corporation (REDC) they are moving their corporate headquarters from Temecula, California to the City of Rockwall. The submitted site plan shows the proposed 295,910 SF headquarters being situated on a 18.95-acre parcel of land, zoned Light Industrial (LI) District, and located on the west side of John King Boulevard south of the railroad tracts. The property is currently vacant. Earlier this year the REDC rezoned a 2.006-acre tract of land to a Light Industrial (LI) District with the intention of combining it with the remaining 16.944-acre tract of land in preparation for the Channell development (*Case No. Z2014-005*). Additionally, Justin Road will be extended adjacent to the southern property line of the subject property, connecting it to John King Boulevard.

VARIANCES

Based on the applicant's submittal staff has identified the following variances:

1) *Parking*. According to the site plan the proposed development will be composed of 38,394 SF of office area, 93,758 SF of manufacturing area and 93,758 SF warehouse area, and have a total parking requirement of 410 parking spaces (*i.e. 1/300 SF of office area, 1/500 SF of manufacturing area and 1/1,000 SF of warehouse area*). Currently, the site plan shows 278 parking spaces; however, the applicant has stated that the facility will require less parking than is required based on the maximum proposed employees per shift information provided on the site plan (*i.e. 150 for first shift, 100 for second shift, and 50 for third shift*). Additionally, the site plan indicates future parking, which could be used if the facility was to expand in the future. *A variance to the parking requirements will require a simple majority vote by the City Council for approval.*

2) *Tilt Wall*. According to Section 5.1, *General Industrial District Requirements*, of Article V, *District Development Requirements*, of the UDC all buildings located within an industrial district are required to have an exterior that is a minimum of 90% masonry (*i.e. brick, stone or a cementaceous material [x≤50%]*); however, exceptions to this requirement for the purpose of allowing concrete tilt wall may be permitted on a case-by-case basis by the City Council. The applicant is requesting a variance for the purpose of utilizing 100% concrete tile wall. *A variance to allow tilt wall will require a simple majority vote by the City Council for approval.*

3) *Articulation*. According to Section 5.1, *General Industrial District Requirements*, of Article V, *District Development Requirements*, of the UDC all buildings located within an industrial district are required to incorporate horizontal and vertical offsets in wall planes on façades adjacent to public streets for the purpose of breaking up flat wall planes and creating visual interest in a building's façade. The articulation requirements are based on formulas contained within the UDC. The applicant is requesting variances to both the horizontal and vertical articulation requirements. *A variance to the articulation requirements will require a simple majority vote by the City Council for approval.*

4) *Building Materials.* According to Section 6.10, *By-Pass Corridor Overlay (205 By-OV) District*, of Article V, *District Development Requirements*, of the UDC buildings located within the John King Boulevard corridor are required to be constructed of 90% masonry materials (*i.e. brick, stone or a cementaceous material [x≤50%]*) of which a minimum of 20% shall include natural or quarried stone. In this case, the proposed building will be 100% tilt wall construction, which currently is not an approved masonry building material within the overlay district. *A variance to the masonry/stone requirements of the 205 By-OV District will require a ¾-majority vote by the City Council for approval.*

5) *Light Poles.* According to Section 6.10, *By-Pass Corridor Overlay (205 By-OV) District*, of Article V, *District Development Requirements*, of the UDC all light poles, pole bases or combination thereof shall not exceed 20-feet in total height. In this case, the applicant has indicated that all light poles meet this requirement with the exception of one (1) light pole, which will be 27-feet in height. According to the applicant this light pole is required to sufficiently light the distribution and loading areas, and will be situated behind the building (*i.e. not visible from John King Boulevard*). *A variance to the lighting standards of the 205 By-OV District will require a ¾-majority vote by the City Council for approval.*

With the exception of the variances to the parking and lighting requirements, the majority of the variances pertain to the materials and design of the building. It is also important to note that the building being proposed is nearly identical to the company's building in Temecula, California, and according to the applicant is a part of the company's identity. According to Section 6.10, *By-Pass Corridor Overlay (205 By-Pass OV) District*, of Article V, *District Development Standards*, of the UDC, "corporate identities that conflict with the building design criteria shall be reviewed as a variance as defined in this section [*Section 6.10.J. of Article V, UDC*] and reviewed on a case-by-case basis by the Planning and Zoning Commission and approved by the City Council."

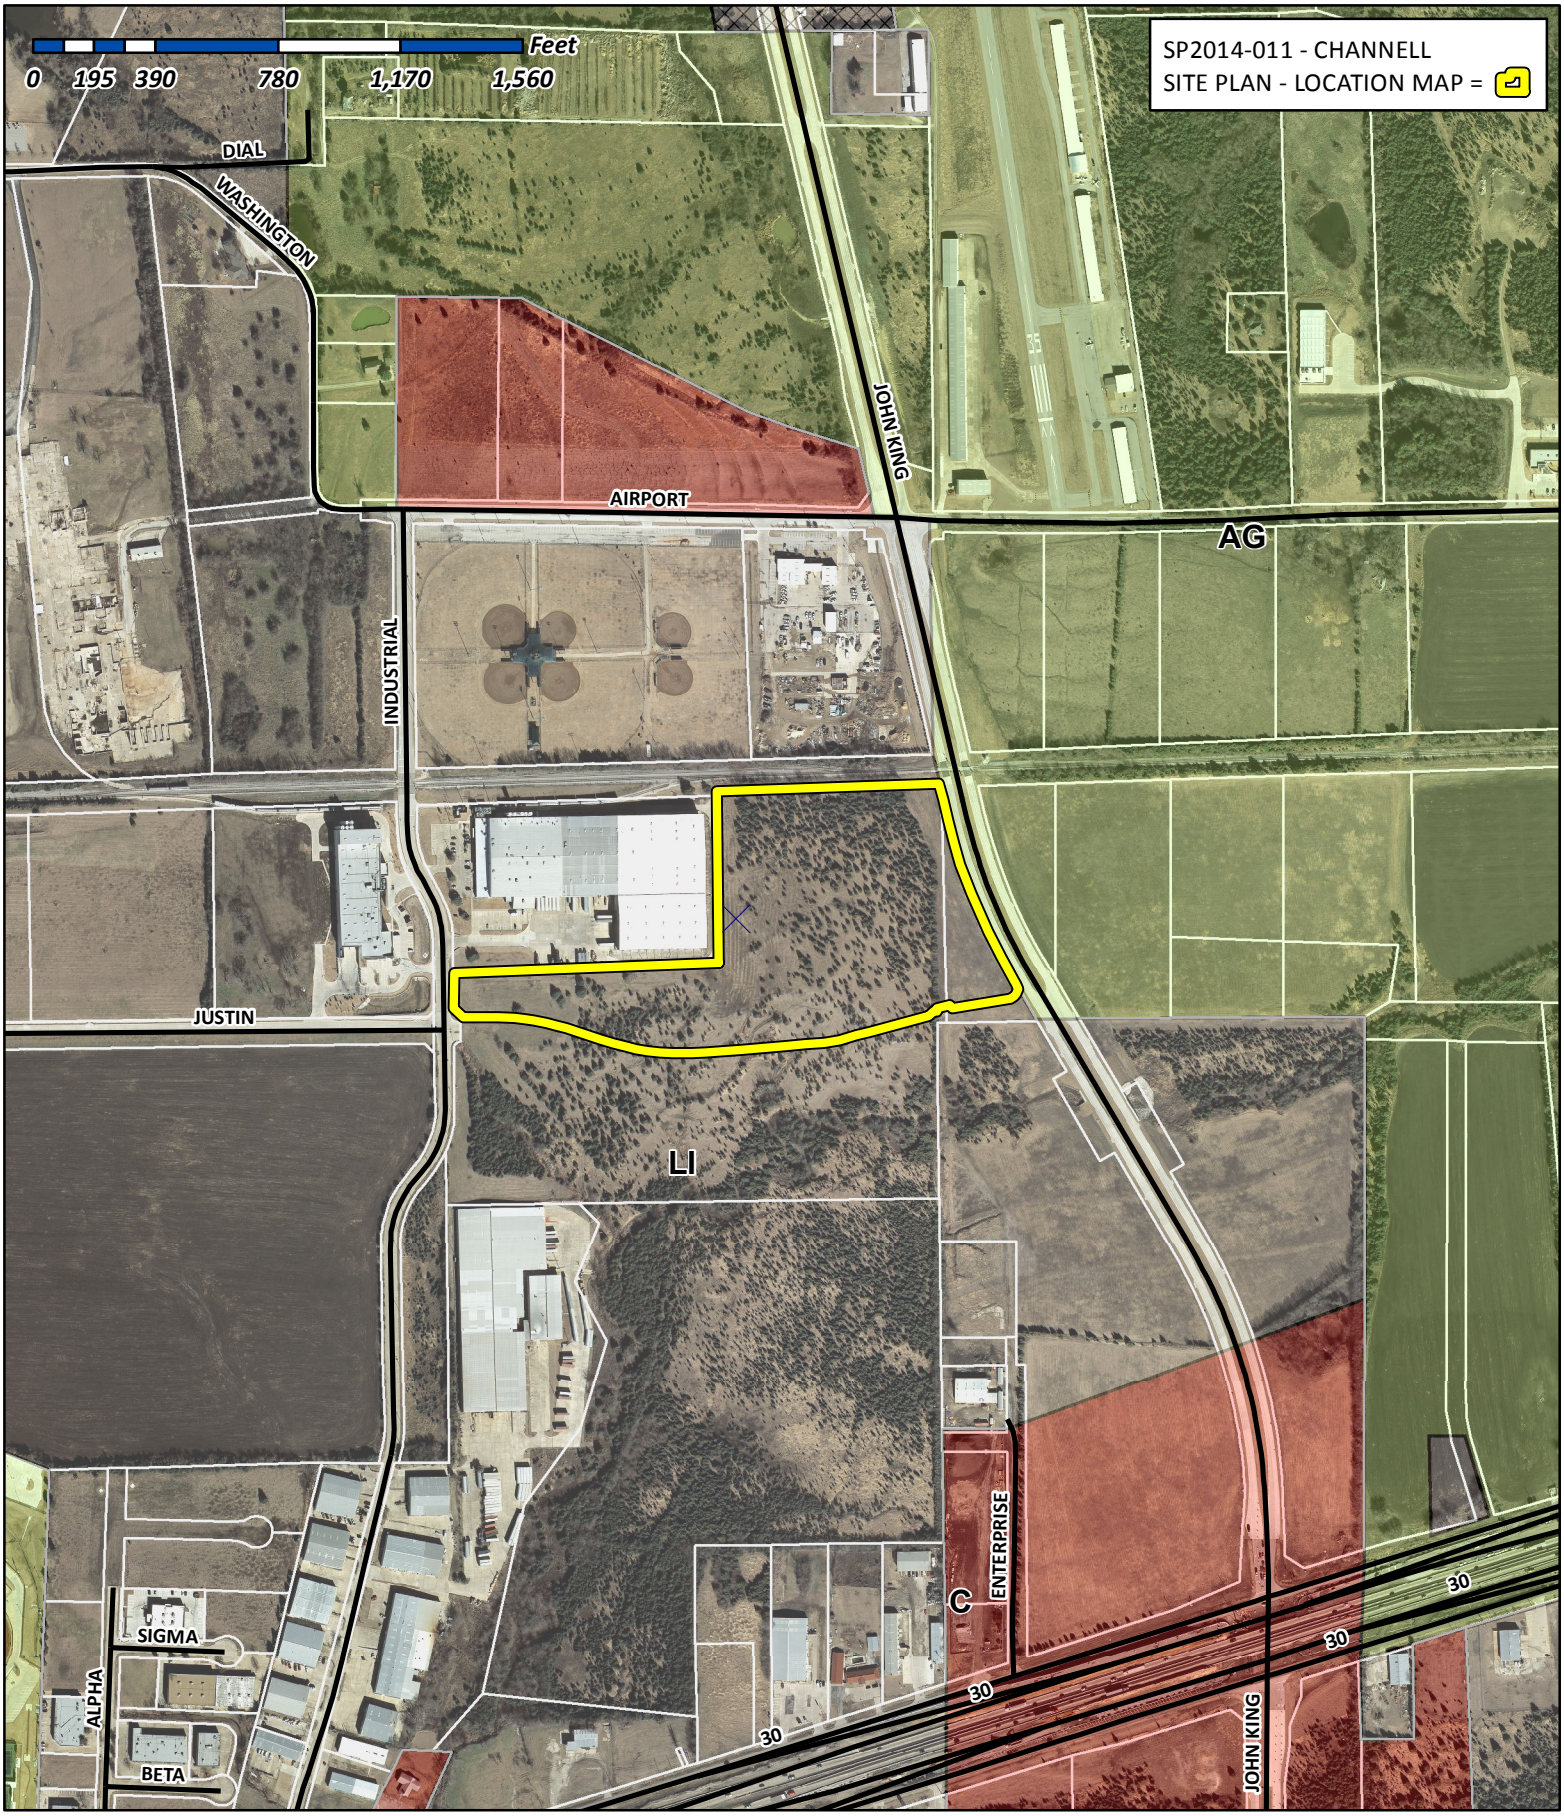
ARCHITECTURAL REVIEW BOARD (ARB):

On June 24, 2014, the Architectural Review Board (ARB) reviewed the proposed site plan and building elevations, and made the following recommendations:

1) The façades adjacent to John King Boulevard and Justin Road should incorporate a form liner that creates a stone pattern underneath the lower set of horizontal reveal lines to create the appearance of conformance with the material requirements of the SH 205 By-Pass Overlay (205 By-Pass OV) District, and

2) At various intervals along the façade adjacent to Justin Road, Italian Cypress trees should be incorporated in the landscape plan and be situated close the building to provide relief in the monochromatic wall surface.

RECOMMENDATIONS:



If the City Council chooses to approve the applicant's request then staff would recommend the following conditions of approval:

1) All comments provided by the Planning, Engineering and Fire Department must be addressed prior to the submittal of a building permit;

2) Any construction or building necessary to complete this *Site Plan* request must conform to the requirements set forth by the UDC, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION:

On July 8, 2014, the Planning and Zoning Commission approved the proposed site plan and made a motion to recommend approval of the applicant's variance/exception requests by a vote of 4-0, with Commissioners Renfro, McCuthcheon and Lyons absent.

TREE PRESERVATION NOTES

1. EXISTING TREES TO REMAIN SHALL BE PROTECTED DURING CONSTRUCTION FROM TREE STRUCTURE DAMAGE AND COMPACTION OF SOIL UNDER AND AROUND DRIP LINE (CANOPY) OF TREE.
2. IF ANY ROOT STRUCTURE IS DAMAGED DURING ADJACENT EXCAVATION / CONSTRUCTION, NOTIFY OWNER'S AUTHORIZED REPRESENTATIVE IMMEDIATELY. IT IS RECOMMENDED THAT A LICENSED ARBORIST BE SECURED FOR THE TREATMENT OF ANY POSSIBLE TREE WOUNDS.
3. NO DISTURBANCE OF THE SOIL GREATER THAN 4" SHALL BE LOCATED CLOSER TO THE TREE TRUNK THAN 1/2 THE DISTANCE OF THE DRIP LINE TO THE TREE TRUNK. A MINIMUM OF 75% OF THE DRIP LINE AND ROOT ZONE SHALL BE PRESERVED AT NATURAL GRADE.
4. ANY FINE GRADING DONE WITHIN THE CRITICAL ROOT ZONES OF THE PROTECTED TREES MUST BE DONE WITH LIGHT MACHINERY SUCH AS A BOBCAT OR LIGHT TRACTOR. NO EARTH MOVING EQUIPMENT WITH TRACKS IS ALLOWED WITHIN THE CRITICAL ROOT ZONE OF THE TREES.
5. NO MATERIALS INTENDED FOR USE IN CONSTRUCTION OR WASTE MATERIALS ACCUMULATED DUE TO EXCAVATION OR DEMOLITION SHALL BE PLACED WITHIN THE LIMITS OF THE DRIP LINE OF ANY TREE.
6. NO EQUIPMENT MAY BE CLEANED OR TOXIC SOLUTIONS, OR OTHER LIQUID CHEMICALS, SHALL BE DEPOSITED WITHIN THE LIMITS OF THE DRIP LINE OF A TREE, INCLUDING BUT NOT LIMITED TO: PAINT, OIL, SOLVENTS, ASPHALT, CONCRETE, MORTAR, PRIMERS, ETC.
7. NO SIGNS, WIRES OR OTHER ATTACHMENTS, OTHER THAN THOSE OF A PROTECTIVE NATURE, SHALL BE ATTACHED TO ANY TREE.
8. NO VEHICULAR / CONSTRUCTION EQUIPMENT TRAFFIC OR PARKING IS ALLOWED WITHIN THE LIMITS OF THE DRIP LINE OF TREES.
9. BORING OF UTILITIES MAY BE PERMITTED UNDER PROTECTED TREES IN CERTAIN CIRCUMSTANCES. THE MINIMUM LENGTH OF THE BORE SHALL BE THE WIDTH OF THE TREE'S CANOPY AND SHALL BE A MINIMUM DEPTH OF FORTY-EIGHT (48") INCHES.
10. IRRIGATION TRENCHING WHICH MUST BE DONE WITHIN THE CRITICAL ROOT ZONE OF A TREE SHALL BE DUG BY HAND AND ENTER THE AREA IN A RADIAL MANNER.
11. ALL TREES TO BE REMOVED FROM THE SITE SHALL BE FLAGGED BY THE CONTRACTOR WITH BRIGHT RED VINYL TAPE (3" WIDTH) WRAPPED AROUND THE MAIN TRUNK AT A HEIGHT OF FOUR (4') FEET ABOVE GRADE. FLAGGING SHALL BE APPROVED BY OWNER'S AUTHORIZED REPRESENTATIVE PRIOR TO ANY TREE REMOVAL. CONTRACTOR SHALL CONTACT OWNER'S AUTHORIZED REPRESENTATIVE WITH 72 HOURS NOTICE TO SCHEDULE ON-SITE MEETING.
12. ALL TREES TO REMAIN, AS NOTED ON DRAWINGS, SHALL HAVE PROTECTIVE FENCING LOCATED AT THE TREE'S DRIP LINE. THE PROTECTIVE FENCING MAY BE COMPRISED OF SNOW FENCING, ORANGE VINYL CONSTRUCTION FENCING, CHAIN LINK FENCE OR OTHER SIMILAR FENCING WITH A FOUR (4') FOOT APPROXIMATE HEIGHT. THE PROTECTIVE FENCING SHALL BE LOCATED AS INDICATED ON THE TREE PROTECTION DETAIL.
13. WHEN A LOW HANGING LIMB IS BROKEN DURING THE COURSE OF CONSTRUCTION, THE CONTRACTOR SHALL NOTIFY THE OWNER'S AUTHORIZED REPRESENTATIVE IMMEDIATELY. UNDER NO CIRCUMSTANCE SHALL THE CONTRACTOR PRUNE ANY PORTION OF THE DAMAGED TREE WITHOUT THE PRIOR APPROVAL BY THE OWNER'S AUTHORIZED REPRESENTATIVE.

	Cynodon dactylon	Common Bermudagrass			refer to notes

NOTE: ALL TREES SHALL HAVE STRAIGHT TRUNKS AND BE MATCHING WITHIN VARIETIES.
PLANT LIST IS AN AID TO BIDDERS ONLY. CONTRACTOR SHALL VERIFY ALL QUANTITIES ON PLAN.
ALL HEIGHTS AND SPREADS ARE MINIMUMS. ALL PLANT MATERIAL SHALL MEET OR EXCEED REMARKS AS INDICATED.

LANDSCAPE NOTES

1. CONTRACTOR SHALL VERIFY ALL EXISTING AND PROPOSED SITE ELEMENTS AND NOTIFY LANDSCAPE ARCHITECT OF ANY DISCREPANCIES. SURVEY DATA OF EXISTING CONDITIONS WAS SUPPLIED BY OTHERS.
2. CONTRACTOR SHALL LOCATE ALL EXISTING UNDERGROUND UTILITIES AND NOTIFY LANDSCAPE ARCHITECT OF ANY CONFLICTS. CONTRACTOR SHALL EXERCISE CAUTION WHEN WORKING IN THE VICINITY OF UNDERGROUND UTILITIES.
3. CONTRACTOR SHALL PROVIDE A MINIMUM 2% SLOPE AWAY FROM ALL STRUCTURES.
4. CONTRACTOR SHALL FINE GRADE AREAS TO ACHIEVE FINAL CONTOURS AS INDICATED. LEAVE AREAS TO RECEIVE TOPSOIL 3" BELOW FINAL FINISHED GRADE IN PLANTING AREAS AND 1" BELOW FINAL FINISHED GRADE IN LAWN AREAS.
5. ALL PLANTING BEDS AND LAWN AREAS SHALL BE SEPARATED BY STEEL EDGING. NO STEEL EDGING SHALL BE INSTALLED ADJACENT TO BUILDINGS, WALKS, OR CURBS. CUT STEEL EDGING AT 45 DEGREE ANGLE WHERE IT INTERSECTS WALKS AND CURBS.
6. TOP OF MULCH SHALL BE 1/2" MINIMUM BELOW THE TOP OF WALKS AND CURBS.
7. ALL LAWN AREAS SHALL BE HYDROMULCH BERMUDAGRASS, UNLESS OTHERWISE NOTED ON THE DRAWINGS.
8. ALL REQUIRED LANDSCAPE AREAS SHALL BE PROVIDED WITH AN AUTOMATIC UNDERGROUND IRRIGATION SYSTEM WITH RAIN AND FREEZE SENSORS AND EVAPOTRANSPIRATION (ET) WEATHER-BASED CONTROLLERS AND SAID IRRIGATION SYSTEM SHALL BE DESIGNED BY A QUALIFIED PROFESSIONAL AND INSTALLED BY A LICENSED IRRIGATOR.
9. CONTRACTOR SHALL PROVIDE BID PROPOSAL LISTING UNIT PRICES FOR ALL MATERIAL PROVIDED.
10. CONTRACTOR SHALL BE RESPONSIBLE FOR OBTAINING ALL REQUIRED LANDSCAPE AND IRRIGATION PERMITS.

MAINTENANCE NOTES

1. THE OWNER, TENANT AND THEIR AGENT, IF ANY, SHALL BE JOINTLY AND SEVERALLY RESPONSIBLE FOR THE MAINTENANCE OF ALL LANDSCAPE.
2. ALL LANDSCAPE SHALL BE MAINTAINED IN A NEAT AND ORDERLY MANNER AT ALL TIMES. THIS SHALL INCLUDE MOWING, EDGING, PRUNING, FERTILIZING, WATERING, WEEDING AND OTHER SUCH ACTIVITIES COMMON TO LANDSCAPE MAINTENANCE.
3. ALL LANDSCAPE AREAS SHALL BE KEPT FREE OF TRASH, LITTER, WEEDS AND OTHER SUCH MATERIAL OR PLANTS NOT PART OF THIS PLAN.
4. ALL PLANT MATERIAL SHALL BE MAINTAINED IN A HEALTHY AND GROWING CONDITION AS IS APPROPRIATE FOR THE SEASON OF THE YEAR.
5. ALL PLANT MATERIAL WHICH DIES SHALL BE REPLACED WITH PLANT MATERIAL OF EQUAL OR BETTER VALUE.
6. CONTRACTOR SHALL PROVIDE SEPARATE BID PROPOSAL FOR ONE YEAR'S MAINTENANCE TO BEGIN AFTER FINAL ACCEPTANCE.

GENERAL LAWN NOTES

1. CONTRACTOR SHALL COORDINATE OPERATIONS AND AVAILABILITY OF EXISTING TOPSOIL WITH ON-SITE CONSTRUCTION MANAGER.
2. CONTRACTOR SHALL LEAVE LAWN AREAS 1" BELOW FINAL FINISHED GRADE PRIOR TO TOPSOIL INSTALLATION.
3. CONTRACTOR SHALL FINE GRADE AREAS TO ACHIEVE FINAL CONTOURS AS INDICATED ON CIVIL PLANS. ADJUST CONTOURS TO ACHIEVE POSITIVE DRAINAGE AWAY FROM BUILDINGS. PROVIDE UNIFORM ROUNDING AT TOP AND BOTTOM OF SLOPES AND OTHER BREAKS IN GRADE. CORRECT IRREGULARITIES AND AREAS WHERE WATER MAY STAND.
4. ALL LAWN AREAS SHALL BE FINE GRADED, IRRIGATION TRENCHES COMPLETELY SETTLED AND FINISH GRADE APPROVED BY THE OWNER'S CONSTRUCTION MANAGER OR LANDSCAPE ARCHITECT PRIOR TO LAWN INSTALLATION.
5. CONTRACTOR SHALL REMOVE ALL ROCKS 3/4" DIAMETER AND LARGER, DIRT CLODS, STICKS, CONCRETE SPOILS, ETC. PRIOR TO PLACING TOPSOIL AND LAWN INSTALLATION.
6. CONTRACTOR SHALL MAINTAIN ALL LAWN AREAS UNTIL FINAL ACCEPTANCE. THIS SHALL INCLUDE, BUT NOT BE LIMITED TO: MOWING, WATERING, WEEDING, CULTIVATING, CLEANING AND REPLACING DEAD OR BARE AREAS TO KEEP PLANTS IN A VIGOROUS, HEALTHY CONDITION.
7. CONTRACTOR SHALL GUARANTEE ESTABLISHMENT OF ACCEPTABLE TURF AREA AND SHALL PROVIDE REPLACEMENT FROM LOCAL SUPPLY IF NECESSARY.

HYDROMULCH NOTES

1. CONTRACTOR SHALL SCARIFY, RIP AND LOOSEN ALL AREAS TO BE HYDROMULCHED TO A MINIMUM DEPTH OF 4" PRIOR TO TOPSOIL AND HYDROMULCH INSTALLATION.
2. BERMUDAGRASS SEED SHALL BE EXTRA HULLED AND TREATED LAWN TYPE, SHALL BE DELIVERED TO THE SITE IN ITS ORIGINAL UNOPENED CONTAINER AND SHALL MEET STATE LAW REQUIREMENTS.
3. FIBER SHALL BE ONE HUNDRED PERCENT (100%) WOOD CELLULOSE FIBER, DELIVERED TO THE SITE IN ITS ORIGINAL UNOPENED CONTAINER AS MANUFACTURED BY 'CONWEB' OR EQUAL.
4. FIBER TACK SHALL BE DELIVERED TO THE SITE IN ITS ORIGINAL UNOPENED CONTAINER AND SHALL BE 'TERRO-TACK ONE', AS MANUFACTURED BY GROWERS, INC. OR EQUAL.
5. HYDROMULCH WITH BERMUDAGRASS SEED AT A RATE OF TWO (2) POUNDS PER ONE THOUSAND (1000) SQUARE FEET.
6. USE A 4'X8' BATTER BOARD AGAINST ALL BED AREAS.
7. IF INSTALLATION OCCURS BETWEEN SEPTEMBER 1 AND MAY 1, ALL HYDROMULCH AREAS TO BE WINTER RYEGRASS, AT A RATE OF FOUR (4) POUNDS PER ONE THOUSAND (1000) SQUARE FEET. CONTRACTOR SHALL BE REQUIRED TO RE-HYDROMULCH WITH BERMUDAGRASS THE FOLLOWING GROWING SEASON AS PART OF THIS CONTRACT.
8. ALL LAWN AREAS TO BE HYDROMULCHED SHALL HAVE ONE HUNDRED PERCENT (100%) COVERAGE PRIOR TO FINAL ACCEPTANCE.

LANDSCAPE TABULATIONS

THE CITY OF ROCKWALL, TEXAS

SITE SUMMARY
Site Area = 18.95 AC; 825,439 s.f.
Impervious Area = 9.64 AC; 419,872 s.f.
Landscape Area = 9.31 AC; 405,567 s.f.
Building Area = 206,024 s.f.

STREET LANDSCAPING
1. 10' wide landscape buffer with one tree per 50 l.f. along Justin Rd.
2. 50' wide landscape buffer with a built-up berm (30"-40" ht.), shrubs or combination along John Kind Boulevard.
3. 3 canopy trees and 4 accent trees per every 100 l.f. along John King Boulevard.

SECTION 32 9300 - LANDSCAPE

PART 1 - GENERAL

1.1 REFERENCED DOCUMENTS

A. Refer to Landscape Plans, notes, details, bidding requirements, special provisions, and schedules for additional requirements.

1.2 DESCRIPTION OF WORK

A. Work included: Furnish all supervision, labor, materials, services, equipment and appliances required to complete the work covered in conjunction with the landscaping covered in these specifications and landscaping plans, including:

1. Planting (trees, shrubs and grasses)
2. Bed preparation and fertilization
3. Notification of sources
4. Water and maintenance until final acceptance
5. Guarantee

1.3 REFERENCE STANDARDS

A. American Standard for Nursery Stock published by American Association of Nurserymen: 27 October 1980, Edition; by American National Standards Institute, Inc. (Z60.1) – plant material

B. American Joint Committee on Horticultural Nomenclature: 1942 Edition of Standardized Plant Names.

C. Texas Association of Nurserymen, Grades and Standards

D. Hortis Third, 1976 - Cornell University

1.4 NOTIFICATION OF SOURCES AND SUBMITTALS

A. Samples: Provide representative quantities of sandy loam soil, mulch, bed mix material, gravel and crushed stone. Samples shall be approved by Owner's Authorized Representative before use on the project.

1.5 JOB CONDITIONS

A. General Contractor to complete the following punch list: Prior to Landscape Contractor initiating any portion of landscape installation, General Contractor shall leave planting bed areas three (3") inches below final finish grade of sidewalks, drives and curbs as shown on the drawings. All lawn areas to receive solid sod shall be left one (1") inch below the final finish grade of sidewalks, drives and curbs. All construction debris shall be removed prior to Landscape Contractor beginning any work.

B. Storage of materials and equipment at the job site will be at the risk of the Landscape Contractor. The Owner cannot be held responsible for theft or damage.

1.6 MAINTENANCE AND GUARANTEE

A. Maintenance:

1. The Landscape Contractor shall be held responsible for the maintenance of all work from the time of planting until final acceptance by the Owner. No trees, shrubs, groundcover or grass will be accepted unless they show healthy growth and satisfactory foliage conditions.
2. Maintenance shall include watering of trees and plants, cultivation, weeding spraying, edging, pruning of trees, mowing of grass, cleaning up and all other work necessary of maintenance.
3. A written notice requesting final inspection and acceptance should be submitted to the Owner at least seven (7) days prior to completion. An on-site inspection by the Owner's Authorized Representative will be completed prior to written acceptance.

B. Guarantee:

1. Trees, shrubs and groundcover shall be guaranteed for a twelve (12) month period after final acceptance. The Contractor shall replace all dead materials as soon as weather permits and upon notification of the Owner. Plants, including trees, which have partially died so that shape, size, or symmetry have been damaged, shall be considered subject to replacement. In such cases, the opinion of the Owner shall be final.
   a. Plants used for replacement shall be of the same size and kind as those originally planted and shall be planted as originally specified. All work, including materials, labor and equipment used in replacements, shall carry a twelve (12) month guarantee. Any damage, including ruts in lawn or bed areas, incurred as a result of making replacements shall be immediately repaired.
   b. At the direction of the Owner, plants may be replaced at the start of the next year's planting season. In such cases, dead plants shall be removed from the premises immediately.
   c. When plant replacements are made, plants, soil mix, fertilizer and mulch are to be utilized as originally specified and re-inspected for full compliance with the contract requirements. All replacements are to be included under "Work" of this section.
2. The Owner agrees that for the guarantee to be effective, he will water plants at least twice a week during dry periods and cultivate beds once a month after final acceptance.
3. The above guarantee shall not apply where plants die after acceptance because of injury from storms, hail, freeze, insects, diseases, injury by humans, machines or theft.
4. Acceptance for all landscape work shall be given after final inspection by the Owner provided the job is in a complete, undamaged condition and there is a stand of grass in all lawn areas. At that time, the Owner will assume maintenance on the accepted work.

C. Repairs: Any necessary repairs under the Guarantee must be made within ten (10) days after receiving notice, weather permitting. In the event the Landscape Contractor does not make repairs accordingly, the Owner, without further notice to Contractor, may provide materials and men to make such repairs at the expense to the Landscape Contractor.

1.7 QUALITY ASSURANCE

A. General: Comply with applicable federal, state, county and local regulations governing landscape materials and work.

B. Personnel: Employ only experienced personnel who are familiar with the required work. Provide full time supervision by a qualified foreman acceptable to Landscape Architect.

C. Selection of Plant Material:
1. Make contact with suppliers immediately upon obtaining notice of contract acceptance to select and book materials. Develop a program of maintenance (pruning and fertilization) which will ensure the purchased materials will meet and / or exceed project specifications.
2. Substitutions: Do not make plant material substitutions. If the specified landscape material is not obtainable, submit proof of non-availability to Landscape Architect, together with proposal for use of equivalent material. At the time bids are submitted, the Contractor is assumed to have located the materials necessary to complete the job as specified.
3. Landscape Architect will provide a key identifying each tree location on site. Written verification will be required to document material selection, source and delivery schedules to site.
4. Measurements: Measure trees with branches and trunks or canes in their normal position. Do not prune to obtain required sizes. Take caliper measurements six inches above ground for trees up to and including 4" caliper size, and twelve inches above ground for larger sizes. Measure main body of all plant material of height and spread dimensions, do not measure from branch or root tip-to-tip.
5. Owner's Authorized Representative shall inspect all plant material with requirements for genus, species, cultivar / variety size and quality.
6. Owner's Authorized Representative retains the right to further inspect all plant material upon arrival to the site and during installation for size and condition of root balls and root systems, limbs, branching habit, insects, injuries and latent defects.
7. Owner's Authorized Representative may reject unsatisfactory or defective material at any time during the process work. Remove rejected materials immediately from the site and replace with acceptable material at no additional cost to the Owner. Plants damaged in transit or at job site shall be rejected.

1.8 PRODUCT DELIVERY, STORAGE AND HANDLING

A. Preparation:
1. Balled and Burlapped (B&B) Plants: Dig and prepare shipment in a manner that will not damage roots, branches, shape and future development.
2. Container Grown Plants: Deliver plants in rigid container to hold ball shape and protect root mass.

B. Delivery:
1. Deliver packaged materials in sealed containers showing weight, analysis and name of manufacturer. Protect materials from deterioration during delivery and while stored on site.
2. Deliver only plant materials that can be planted in one day unless adequate storage and watering facilities are available on job site.
3. Protect root balls by heeling in with sawdust or other approved moisture retaining material if not planted within 24 hours of delivery.
4. Protect plants during delivery to prevent damage to root balls or desiccation of leaves. Keep plants moist at all times. Cover all materials during transport.
5. Notify Owner's Authorized Representative of delivery schedule 72 hours in advance job site.
6. Remove rejected plant material immediately from job site.
7. To avoid damage or stress, do not lift, move, adjust to plumb, or otherwise manipulate plants by trunk or stems.

PART 2 - PRODUCTS

2.1 PLANTS

A. General: Well-formed No. 1 grade or better nursery grown stock. Listed plant heights are from tops of root balls to nominal tops of plants. Plant spread refers to nominal outer width of the plant, not to the outer leaf tips. Plants will be individually approved by the Owner's Authorized Representative and his decision as to their acceptability shall be final.

B. Quantities: The drawings and specifications are complimentary. Anything called for on one and not the other is as binding as if shown and called for on both. The plant schedule is an aid to bidders only. Confirm all quantities on plan.

C. Quality and size: Plant materials shall conform to the size given on the plan, and shall be healthy, symmetrical, well-shaped, full branched and well rooted. The plants shall be free from injurious insects, diseases, injuries to the bark or roots, broken ranches, objectionable disfigurements, insect eggs and larvae, and are to be of specimen quality.

D. Approval: All plants which are found unsuitable in growth, or are in any unhealthy, badly shaped or undersized condition will be rejected by the Owner's Authorized Representative either before or after planting and shall be removed at the expense of the Landscape Contractor and replaced with acceptable plant as specified at no additional cost to the Owner.

E. Trees shall be healthy, full-branched, well-shaped, and shall meet the minimum trunk and diameter requirements of the plant schedule. Balls shall be firm, neat, slightly tapered and well wrapped in burlap. Any tree loose in the ball or with a broken root ball at time of planting will be rejected. Balls shall be ten (10") inched in diameter for each one (1") inch of trunk diameter, measured six (6") inched above ball. (Nomenclature confirms to the customary nursery usage. For clarification, the term "multi-trunk" defines a plant having three (3) or more trunks of nearly equal diameter.)

F. Pruning: All pruning of trees and shrubs, as directed by the Landscape Architect prior to final acceptance, shall be executed by the Landscape Contractor at no additional cost to the Owner.

2.2 SOIL PREPARATION MATERIALS

A. Sandy Loam:
1. Friable, fertile, dark, loamy soil, free of clay lumps, subsoil, stones and other extraneous material and reasonably free of weeds and foreign grasses. Loam containing Dallasgrass or Nutgrass shall be rejected.
2. Physical properties as follows:
   a. Clay – between 7-27 percent
   b. Silt – between 15-25 percent
   c. Sand – less than 52 percent
3. Organic matter shall be 3%-10% of total dry weight.
4. If requested, Landscape Contractor shall provide a certified soil analysis conducted by an approved soil testing laboratory verifying that sandy loam meets the above requirements.

B. Organic Material: Compost with a mixture of 80% vegetative matter and 20% animal waste. Ingredients should be a mix of course and fine textured material.

C. Premixed Bedding Soil as supplied by Vital Earth Resources, Gladewater, Texas; Professional Bedding Soil as supplied by Living Earth Technology, Dallas, Texas or Acid Gro Municipal Mix as supplied by Soil Building Systems, Dallas, Texas or approved equal.

D. Sharp Sand: Sharp sand must be free of seeds, soil particles and weeds.

E. Mulch: Double Shredded Hardwood Mulch, partially decomposed, dark brown. Living Earth Technologies or approved equal.

F. Organic Fertilizer: Fertilaid, Sustane, or Green Sense or equal as recommended for required applications. Fertilizer shall be delivered to the site in original unopened containers, each bearing the manufacturer's guaranteed statement of analysis.

G. Commercial Fertilizer: 10-20-10 or similar analysis. Nitrogen source to be a minimum 50% slow release organic Nitrogen (SCU or UF) with a minimum 8% sulfur and 4% iron, plus iconutrients.

H. Peat: Commercial sphagnum peat moss or partially decomposed shredded pine bark or other approved organic material.

2.3 MISCELLANEOUS MATERIALS

A. Steel Edging: 3/16" x 4" x 16' - dark green, DURAEDGE® steel landscape edging manufactured by The J.D. Russell Company under its trade name DURAEDGE Heavy Duty Steel.

B. Staking Material for Shade Trees: refer to details.

C. Gravel: Washed native pea gravel, graded 1 inch to 1-1/2 inch.

D. Filter Fabric: 'Mirafi Mirascape' by Mirafi Construction Products available at Lone Star Products, Inc., (469) 523-0444 or approved equal.

E. River Rock: 'Colorado' or native river rock, 2" - 4" dia.

F. Decomposed Granite: Base material shall consist of a natural material mix of granite aggregate not to exceed 1/8" diameter in size and shall be composed of various stages of decomposed earth base.

PART 3 - EXECUTION

3.1 BED PREPARATION & FERTILIZATION

A. Landscape Contractor to inspect all existing conditions and report any deficiencies to the Owner.

B. All planting areas shall be conditioned as follows:
1. Prepare new planting beds by scraping away existing grass and weeds as necessary. Till existing soil to a depth of six (6") inches prior to placing compost and fertilizer. Apply fertilizer as per Manufacturer's recommendations. Add six (6") inches of compost and till into a depth of six (6") inches of the topsoil. Apply organic fertilizer such as Sustane or Green Sense at the rate of twenty (20) pounds per one thousand (1,000) square feet.
2. All planting areas shall receive a two (2") inch layer of specified mulch.
3. Backfill for tree pits shall be as follows: Use existing top soil on site (use imported topsoil as needed) free from large clumps, rocks, debris, caliche, subsoils, etc., placed in nine (9") inch layers and watered in thoroughly.

C. Grass Areas:
1. Blocks of sod should be laid joint to joint (staggered joints) after fertilizing the ground first. Roll grass areas to achieve a smooth, even surface. The joints between the blocks of sod should be filled with topsoil where they are evidently gaped open, then watered thoroughly.

3.2 INSTALLATION

A. Maintenance of plant materials shall begin immediately after each plant is delivered to the site and shall continue until all construction has been satisfactorily accomplished.

B. Plant materials shall be delivered to the site only after the beds are prepared and areas are ready for planting. All shipments of nursery materials shall be thoroughly protected from the drying winds during transit. All plants which cannot be planted at once, after delivery to the site, shall be well protected against the possibility of drying by wind and Balls of earth of B & B plants shall be kept covered with soil or other acceptable material. All plants remain the property of the Contractor until final acceptance.

C. Position the trees and shrubs in their intended location as per plan.

D. Notify the Owner's Authorized Representative for inspection and approval of all positioning of plant materials.

E. Excavate pits with vertical sides and horizontal bottom. Tree pits shall be large enough to permit handling and planting without injury to balls of earth or roots and shall be of such depth that,when planted and settled, the crown of the plant shall bear the same relationship to the finish grade as it did to soil surface in original place of growth.

F. Shrub and tree pits shall be no less than twenty-four (24") inches wider than the lateral dimension of the earth ball and six (6") inches deeper than it's vertical dimension. Remove and haul from site all rocks and stones over three-quarter (¾") inch in diameter. Plants should be thoroughly moist before removing containers.

G. Dig a wide, rough sided hole exactly the same depth as the height of the ball, especially at the surface of the ground. The sides of the hole should be rough and jagged, never slick or glazed.

H. Percolation Test: Fill the hole with water. If the water level does not percolate within 24 hours, the tree needs to move to another location or have drainage added. Install a PVC stand pipe per tree planting detail as approved by the Landscape Architect if the percolation test fails.

I. Backfill only with 5 parts existing soil or sandy loam and 1 part bed preparation. When the hole is dug in solid rock, topsoil from the same area should not be used. Carefully settle by watering to prevent air pockets. Remove the burlap from the top ⅓ of the ball, as well as all nylon, plastic string and wire. Container trees will usually be root bound, if so follow standard nursery practice of 'root scoring'.

J. Do not wrap trees.

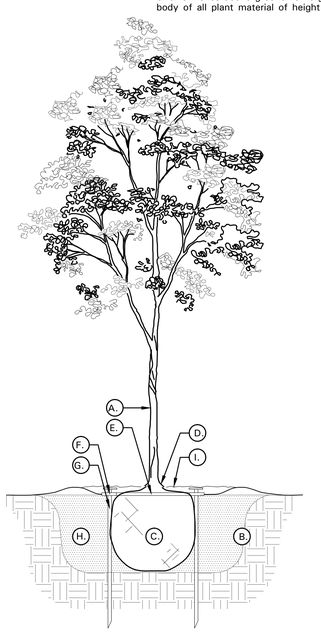
K. Do not over prune.

L. Mulch the top of the ball. Do not plant grass all the way to the trunk of the tree. Leave the area above the top of the ball and mulch with at least two (2") inches of specified mulch.

M. All plant beds and trees to be mulched with a minimum settled thickness of two (2") inches over the entire bed or pit.

N. Obstruction below ground: In the event that rock, or underground construction work or obstructions are encountered in any plant pit excavation work to be done under this section, alternate locations may be selected by the Owner. Where locations cannot be changed, the obstructions shall be removed to a depth of not less than three (3') feet below grade and no less than six (6") inches below the bottom of ball when plant is properly set at the required grade. The work of this section shall include the removal from the site of such rock or underground obstructions encountered at the cost of the Landscape Contractor.

O. Trees and large shrubs shall be staked as site conditions require. Position stakes to secure trees against seasonal prevailing winds.



P. Pruning and Mulching: Pruning shall be directed by the Landscape Architect and shall be pruned in accordance with standard horticultural practice following Fine Pruning, Class I pruning standards provided by the National Arborist Association.
1. Dead wood, suckers, broken and badly bruised branches shall be removed. General tipping of the branches is not permitted. Do not cut terminal branches.
2. Pruning shall be done with clean, sharp tools.
3. Immediately after planting operations are completed, all tree pits shall be covered with a layer of organic material two (2") inches in depth. This limit of the organic material for trees shall be the diameter of the plant pit.

Q. Steel Curbing Installation:
1. Curbing shall be aligned as indicated on plans. Stake out limits of steel curbing and obtain Owners approval prior to installation.
2. All steel curbing shall be free of kinks and abrupt bends.
3. Top of curbing shall be ½" maximum height above final finished grade.
4. Stakes are to be installed on the planting bed side of the curbing, as opposed to the grass side.
5. Do not install steel edging along sidewalks or curbs.
6. Cut steel edging at 45 degree angle where edging meets sidewalks or curbs.

3.3 CLEANUP AND ACCEPTANCE

A. Cleanup: During the work, the premises shall be kept neat and orderly at all times. Storage areas for all materials shall be so organized so that they, too, are neat and orderly. All trash and debris shall be removed from the site as work progresses. Keep paved areas clean by sweeping or hosing them at end of each work day.

END OF SECTION

01 TREE PLANTING DETAIL
NOT TO SCALE

TREE PLANTING DETAIL LEGEND AND NOTES

A. TREE: TREES SHALL CONFORM WITH LATEST AMERICAN STANDARD FOR NURSERY STOCK. www.anla.org

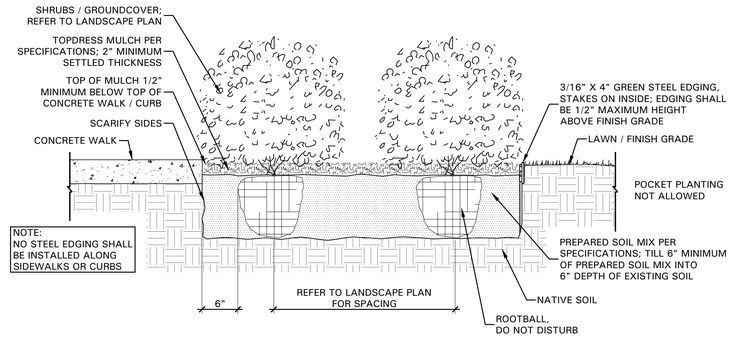
B. TREE PIT: WIDTH TO BE AT LEAST TWO (2) TIMES THE DIAMETER OF THE ROOT BALL CENTER TREE IN HOLE & REST ROOT BALL ON UNDISTURBED NATIVE SOIL.

C. ROOT BALL: REMOVE TOP ⅓ BURLAP AND ANY OTHER FOREIGN OBJECT; CONTAINER GROWN STOCK TO BE INSPECTED FOR GIRDLING ROOTS.

D. ROOT FLARE: ENSURE THAT ROOT FLARE IS EXPOSED, FREE FROM MULCH, AND AT LEAST TWO INCHES ABOVE GRADE. TREES SHALL BE REJECTED WHEN GIRDLING ROOTS ARE PRESENT & ROOT FLARE IS NOT APPARENT.

E. ROOTBALL ANCHOR RING: REFER TO MANUFACTURER'S GUIDELINES FOR SIZING. PLACE ROOTBALL ANCHOR RING ON BASE OF ROOTBALL, TRUNK SHOULD BE IN THE CENTER OF THE RING.

F. 'U' BRACKET.



G. NAIL STAKE: REFER TO MANUFACTURER'S GUIDELINES FOR SIZING. INSTALL NAIL STAKES WITH HAMMER OR MALLET FIRMLY INTO UNDISTURBED GROUND. DRIVE NAIL STAKES FLUSH WITH "U" BRACKET ADJACENT TO ROOTBALL (DO NOT DISTURB ROOTBALL).

H. BACKFILL: USE EXISTING NATIVE SOIL (no amendments) WATER THOROUGHLY TO ELIMINATE AIR POCKETS.

I. MULCH: DOUBLE SHREDDED HARDWOOD MULCH 2 INCH SETTLED THICKNESS, WITH 2" HT. WATERING RING; ENSURE THAT ROOT FLARE IS EXPOSED. BELOW GROUND STAKE SHOULD NOT BE VISIBLE.

J. TREE STAKES:

DESCRIPTION

The McGraw-Edison BSL / BRL Bollard Series, available in heights from 24" to 42", has crisp, clean lines which blend with any architectural setting. Constructed of seamless, heavy-duty aluminum and finished with a tough polyester powder coat finish, the McGraw-Edison Louvered Bollard Series is gasketed to seal out external contaminants. U.L. 1598 listed and CSA certified for wet locations.

Bollards are designed for walkways, entranceways, drives and other small-area lighting applications where low mounting heights are desirable.

		Type
Catalog #		
Project	CHANNELL

Prepared by		06/12/2014

SPECIFICATION FEATURES

Construction
TOP: Rugged, minimum 5/32" thick cast aluminum top cap secured via a concealed stainless steel allen screw with twist removal mechanism for lamp access. Flow through ventilation assure cool to the touch top. LOUVERS: Cast Aluminum Louver blades provide sharp cutoff delivering no direct light above 90°. Louvers are secured to the shaft via tamper stainless steel rods and fasteners. LOWER HOUSING: Nominal 1/8" thick aluminum extruded housing. Bollard housing is secured to the base with flathead, counter-sunk screws for smooth, uncluttered appearance. BASE: Rugged cast aluminum. Completely concealed.

Electrical
HID High Power Factor ballast for -20°F starting. CFL Electronic ballast for 0°F starting. Product is factory mounted to the base. Quick disconnects provided between lamp and electrical assembly. Metal Halide and High Pressure Sodium lamp sources up to 100W and up to 42W Compact Fluorescent sources.

Optical
LAMP ENCLOSURE: One piece tempered glass with internal flutes for even disbursement of illumination. Decorative colored glass optional. Globe is fully gasketed via EPDM material. Socket is porcelain, medium-base for HID lamp sources and polycarbonate/PBT GX24q-3/q-4 base for compact fluorescent lamps.

Mounting
Base mounts onto foundation with three (3) 1/2" x 12 1/2" anchor bolts on a 5" Dia. bolt circle (a centrally located 2 7/8" x 3 1/2" wire entrance opening provided).

Finish
Premium fade and abrasion resistant, TGIC Polyester Powder Coat Finish. Standard colors are Black, Grey, Bronze, White, Dark Platinum and Graphite Metallic. Other finish colors available including all RAL matches.

1. HID lamps are medium base. 175W MH is available for non-U.S. markets only.
2. 35W HPS available in 120V only.
3. Products also available in non-US voltages and 50Hz for international markets. Consult factory for availability and ordering information.
4. Multi-Tap ballast is 120/208/240/277V wired 277V. Triple-Tap ballast is 120/277/347V wired 347V.
5. Compact Fluorescent only Electronic ballast universal voltage 120-277V.
6. Other finish colors available, including a full line of RAL color matches. Consult your Cooper Lighting Representative.
7. Add as suffix in the order shown.
8. Coated lamp standard. Must specify clear lamp if desired.
9. Location of R1 and R2 option on housing subject to height of luminaire.
10. CF lamps only, rated minimum operating temperature 32° F (0° C).

COOPER LIGHTING - LUMARK®

energy solutions

DESCRIPTION

The Lumark Tribute is the most versatile, functionally designed, universally adaptable outdoor luminaire available. The Tribute brings outstanding performance to walkways, parking lots, roadways, loading docks, building areas, and any security lighting application. U.L. listed and CSA certified for wet locations.

		Type

SPECIFICATION FEATURES

Construction
Rugged one-piece die-cast aluminum housing and door frame. One-piece silicone gasket protects the optical chamber from performance degrading contaminants. One (1) stainless spring latch and two (2) stainless hinges allow toolless opening and removal of door frame.

Reflector
Choice of nine (9) high efficiency optical distributions, including five (5) segmented optical systems constructed of premium 95% reflective odized aluminum sheet. Optical segments are rigidly mounted inside a thick gauge aluminum housing for superior protection. All segment faces are clean of rivet heads, tabs or other means of attachment which may cause streaking in the light distribution. Optical modules are field rotatable in 90° increments and offered standard with mogul base lampholders for High Pressure Sodium and 200-400W Metal Halide assemblies or medium-base lampholders for Metal Halide 150W and below.

Electrical
Ballast and related electrical componentry are hard mounted to die-cast housing for optimal heat transfer and operating efficiency. Optional swing-down galvanized steel power tray with integral handle and quick disconnects allows tray to be completely removed from housing providing ample room for fixture installation and maintenance.

Mounting
Extruded 8" aluminum arm features internal bolt guides for easy positioning of fixture during installation to pole or wall surface.

Standard single carton packaging of housing, square pole arm and round pole adapter allow for consolidated product arrival to site. Optional internal mast arm mount accepts a 1 1/4" to 2 3/8" O.D. horizontal tenon, while a 4-bolt clamping mechanism secures fixture. Cast-in leveling guides provide +/-5° vertical leveling adjustment.

Finish
Housing and arm finished in a 5 stage premium TGIC bronze polyester powder coat paint. Optional colors include black, grey, white, dark platinum and graphite metallic. RAL and custom color matches available.

DESCRIPTION

Galleria's beauty and versatility make it an excellent choice for roadway and general area lighting applications. An aesthetic reveal in the formed aluminum housing gives the Galleria a distinctive look while a variety of mounting options and lamp wattages provide maximum flexibility.

Galleria's superior light distributions makes it the optimum choice for almost any small, medium or large area lighting application.

SPECIFICATION FEATURES

Construction
HOUSING: Formed aluminum housing with stamped reveal has interior-welded seams for structural integrity and is finished in premium TGIC polyester powder coat. U.L. listed and CSA certified for wet locations. DOOR: Formed aluminum door has heavy-duty hinges, captive retaining screws and is finished in premium TGIC polyester powder coat. (Spider mount unit has steel door.)

Electrical
BALLAST TRAY: Ballast tray is hard-mounted to housing interior for cooler operation.

Optical
REFLECTOR: Choice of 14 high efficiency optical systems utilizing horizontal and vertical lamp orientations. Optional high efficiency segmented optical systems constructed of premium 95% reflective anodized aluminum sheet. Optical segments are rigidly mounted inside a thick gauge aluminum housing for superior protection. All segment faces are clean of rivet heads, tabs or other means of attachment which may cause streaking in the light distribution. Standard with mogul-base socket. All optical modules feature quick disconnect wiring plugs and are field rotatable in 90° increments. LENS: Convex tempered glass lens or flat glass.

Mounting
Extruded aluminum arm includes internal bolt guides allowing for easy positioning of fixture during assembly. Specify arm-included mounting for contractor-friendly single carton packaging of housing and arm.

- **OA/RA1016**=NEMA Twistlock Photocontrol - Multi-Tap
- **OA/RA1027**=NEMA Twistlock Photocontrol - 480V
- **OA/RA1201**=NEMA Twistlock Photocontrol - 347V

Notes:
1. Arm not included. See Accessories.
2. Arm length varies based on housing size: 9" for GSS, 11-1/2" for GSM and 14" for GSL.
3. Available on GSS housing only.
4. Available on GSL housing only.
5. Standard with medium-base sockets in GSS housing. Mogul-base sockets in GSM and GSL housings. Wattage availability varies by housing size - see Wattage Table.
6. Requires reduced envelope ED-28 lamp when used with GSM housing and flat glass vertically lamped optics.
7. Requires reduced envelope BT-37 lamp when used with GSM housing.
8. 175, 250 and 400W MH available for non-US markets only.
9. Products also available in non-US voltages and 50Hz for international markets. Consult factory for availability and ordering information.
10. Multi-Tap ballast is 120/208/240/277V wired 277V. Triple-Tap ballast is 277/347/480V wired 347V.
11. 5-Tap ballast is 120/2008/240/277/480V wired 480V. Only available in 400-1000W.
12. Medium housing fixture only.
13. Maximum wattage on segmented optical distributions is 400W. 400W Metal Halide lamp must use reduced envelope ED-28 lamp. Not available in GSL housing.
14. Must use reduced envelope lamp, not available in GSL housing.
15. Available on GSM and GSL housings only.
16. RW optic not available with flat glass.
17. 1000W GSL with flat glass requires BT-37 lamp and is not available in AS, RW, SL or 3V distributions.
18. Other finish colors available, including a full line of RAL color matches. Consult your Cooper Lighting Representative.
19. Add as suffix in the order shown.
20. Quartz options not available with SL optics.
21. House side shield not available with 5S, RW, AS, AR, SL and CA optics.
22. Not available in 1000W.
23. Arm mount only, 400W Maximum.
24. Order separately, replace XX with color suffix.
25. Use for mounting fixtures at 90 degree increments.
26. Compatible with sag lens vertical optics only.

COOPER LIGHTING - LUMARK®

energy solutions

DESCRIPTION

The Lumark Tribute is the most versatile, functionally designed, universally adaptable outdoor luminaire available. The Tribute brings outstanding performance to walkways, parking lots, roadways, loading docks, building areas, and any security lighting application. U.L. listed and CSA certified for wet locations.

		Type

SPECIFICATION FEATURES

Construction
Rugged one-piece die-cast aluminum housing and door frame. One-piece silicone gasket protects the optical chamber from performance degrading contaminants. One (1) stainless spring latch and two (2) stainless hinges allow toolless opening and removal of door frame.

Reflector
Choice of nine (9) high efficiency optical distributions, including five (5) segmented optical systems constructed of premium 95% reflective odized aluminum sheet. Optical segments are rigidly mounted inside a thick gauge aluminum housing for superior protection. All segment faces are clean of rivet heads, tabs or other means of attachment which may cause streaking in the light distribution. Optical modules are field rotatable in 90° increments and offered standard with mogul base lampholders for High Pressure Sodium and 200-400W Metal Halide assemblies or medium-base lampholders for Metal Halide 150W and below.

Electrical
Ballast and related electrical componentry are hard mounted to die-cast housing for optimal heat transfer and operating efficiency. Optional swing-down galvanized steel power tray with integral handle and quick disconnects allows tray to be completely removed from housing providing ample room for fixture installation and maintenance.

Mounting
Extruded 8" aluminum arm features internal bolt guides for easy positioning of fixture during installation to pole or wall surface.

Standard single carton packaging of housing, square pole arm and round pole adapter allow for consolidated product arrival to site. Optional internal mast arm mount accepts a 1 1/4" to 2 3/8" O.D. horizontal tenon, while a 4-bolt clamping mechanism secures fixture. Cast-in leveling guides provide +/-5° vertical leveling adjustment.

Finish
Housing and arm finished in a 5 stage premium TGIC bronze polyester powder coat paint. Optional colors include black, grey, white, dark platinum and graphite metallic. RAL and custom color matches available.

DESCRIPTION

The Lumark Canopy Light combines lasting durability and excellent photometrics. CSA certified for wet locations. The Canopy Light mounts quickly to a variety of surfaces, making it ideal for covered walkways, convenience store/service station canopies and enclosed parking areas.

Catalog #		Type
Project	CHANNELL	
Comments		Date
Prepared by		06/12/2014

SPECIFICATION FEATURES

Construction
HOUSING: CL housing is constructed of heavy-gauge aluminum. CS housing is constructed of durable steel welded construction. GASKET: Fully gasketed door frame seals out contaminants. DOOR: Hinged door provides easy access for maintenance and relamping and door can be removed to simplify installation.

Electrical
BALLAST: High power factor ballast with class H insulation. CL construction is listed for 40°C ambient environments. CS construction is listed for 25°C ambient environments.

Optics
Optical system features an injection-molded prismatic lens with internal prisms and white highly reflective internal surface.

Finish
Weather- and abrasion-resistant white polyester powder coat finish.

- **240V**=240V
- **277V**=277V
- **347V**=347V[7]
- **480V**=480V
- **MT**: Multi-Tap
- **TT**: Triple-Tap, wired 347V[7]

Options
- **F1**=Single Fuse (120, 277 or 347V only)
- **F2**=Double Fuse (208, 240 or 480V only)
- **Q**=Quartz Restrike (Hot Strike Only)
- **EM**: Quartz Restrike with "Delay Relay" (Quartz lamp strikes at both hot and cold starts)
- **C73**: Flat Prismatic Tempered Glass Lens
- **LL**: Lamp Included[8]
- **CEC**: California Title 20 Compliant Ballast (Applies to 200-320W and 400W MP only)
- **POM**: Position Oriented Socket

Notes:
1. 150, 200, 250, 320, 350, 400 and 450W only.
2. 175W, 250W, and 400W MH available in non-U.S. markets only.
3. 40°C Ambient environment, except 400W HPS is 25°C ambient.
4. 25°C Ambient environment.
5. All lamps are mogul-base except 150W Metal Halide and below are medium-base. Lamp not included.
6. Products also available in non-US voltages and 50HZ for international markets.
7. 88% efficient EISA Compliant fixtures not available in 347V or TT Voltages.
8. Lamp is shipped separate from luminaire. Lamp is Cooper designated product based on luminaire requirements. Specified lamps must be ordered as a separate line item.

AGENDA ITEM: **SP2014-012**; Col-Met Spray Booths

SUMMARY:

Discuss and consider a request by Philip Graham, P.E. of Wier & Associates on behalf of the Rockwall Economic Development Corporation and Col-Met Spray Booths for the approval of certain variances to the Unified Development Code for an industrial facility on a 12.0-acre parcel of land identified as a portion of Lot 1, Block B, Rockwall Technology Park, Phase III, City of Rockwall, Rockwall County, Texas, being zoned Light Industrial (LI) District, located east of the intersection of Corporate Crossing (FM-3097) and Discovery Boulevard, and take any action necessary.

BACKGROUND INFORMATION:

Philip Graham, P.E. of Wier & Associates has submitted a request for site plan approval of a 173,000 sq. ft. industrial facility for Col-Met Spray Booths that will be located within the Rockwall Technology Park, Phase III Addition. Col-Met Spray Booths, a leading manufacturer of paint finishing equipment, is relocating their business operations from Innovation Dr., within the Rockwall Technology Park, to a 12.0-acre site that sets between Discovery Blvd. and Springer Road for the purpose of expanding their operations. The facility will be west of and adjacent to Bimbo Bakery and is east of FM 549. The property is zoned Light Industrial (LI) District and is subject to the standards established in the Unified Development Code (UDC) for this district.

EXCEPTION AND VARIANCE REQUESTS:

The applicant is requesting certain exceptions and variances to the City's requirements which include the following:

1. A variance to allow for a reduction in the amount of required parking from 341 spaces to 194 spaces.

2. A variance to the vertical and horizontal articulation requirements for the south elevation facing Springer Road.

3. Exceptions to allow for the construction of a concrete tilt-up wall building, and to the 20% stone requirement by substituting a form-liner pattern for the south, east, and west elevations.

Variance Request 1 (Parking)
The Unified Development Code, Article VI, Parking and Loading, Section 1, Purpose, states that: *"…to protect the environment by promoting trip reduction and efficient land use through an*

analytic process in which the amount of parking may be limited to what is realistically needed for the uses on the site, thus reducing concrete/asphalt areas, heat islands and air pollution."

The provision above allows the Commission and Council to consider a reduction in parking if the use would warrant such a reduction. The required parking for the proposed development is 341 spaces (50 for office, 266 for the production area, and 25 for warehouse). The applicants request is to provide 194 spaces for the site; however, there is sufficient room for additional spaces in the future should they be necessary for the owner (or future owner).

Variance Request 2 (Vertical & Horizontal Articulation)
The Unified Development Code, Article V, Section 5, Industrial Districts, 5.1 General Industrial District Standards under Section C. Building Articulation states the following:

> ***Building articulation****.*
> 1. *Requirements.* Facades which face streets shall meet the following minimum standards for articulation:
>
> > a. *Horizontal articulation.* No building wall shall extend for a distance equal to four times the wall's height without having an offset of 25 percent of the wall's height, and that new plane shall extend for a distance equal to at least 20 percent of the maximum length of the first plane.
> >
> > b. *Vertical articulation.* No horizontal wall shall extend for a distance greater than four times the height of the wall without changing height by a minimum of 25 percent of the wall's height.

The proposed building is meeting the articulation requirements for the north elevation that faces Discovery Blvd., which serves as the primary entrance to the site. However, the applicant is seeking relief for the south elevation that faces Springer Road. It should be noted that the applicant has indicated the south elevation to be involved with the future expansion of the site and may be consider for articulation requirements at that time.

Exception Request 3 (Concrete Tilt-Wall construction, and 20% stone requirement)
The Unified Development Code, Article V, Section 5, Industrial Districts, 5.1 General Industrial District Standards under Section A. Construction Materials states the following:

> ***A. Construction Materials***
>
> Exterior Walls - Each exterior wall shall consist of 90% masonry materials as defined in *Article XIII Definitions - Masonry*, excluding doors and windows, on walls which are visible from a public street or open space, ***including a minimum of 20% stone.***
>
> All buildings shall have exterior walls constructed of stone, brick, glass block, tile, cast metal, cast or cultured stone, or a combination of those materials. The use of other cementaceous products (e.g. stucco, Hardy Plank, or other similar materials approved by the Building Official) shall be limited to 50% of the buildings exterior finishes where it is deemed important as a design feature and where it will be applied under the highest standards for quality

and durability. However, stucco may not be located in the first 8 feet above grade on a façade visible from a street or public area.

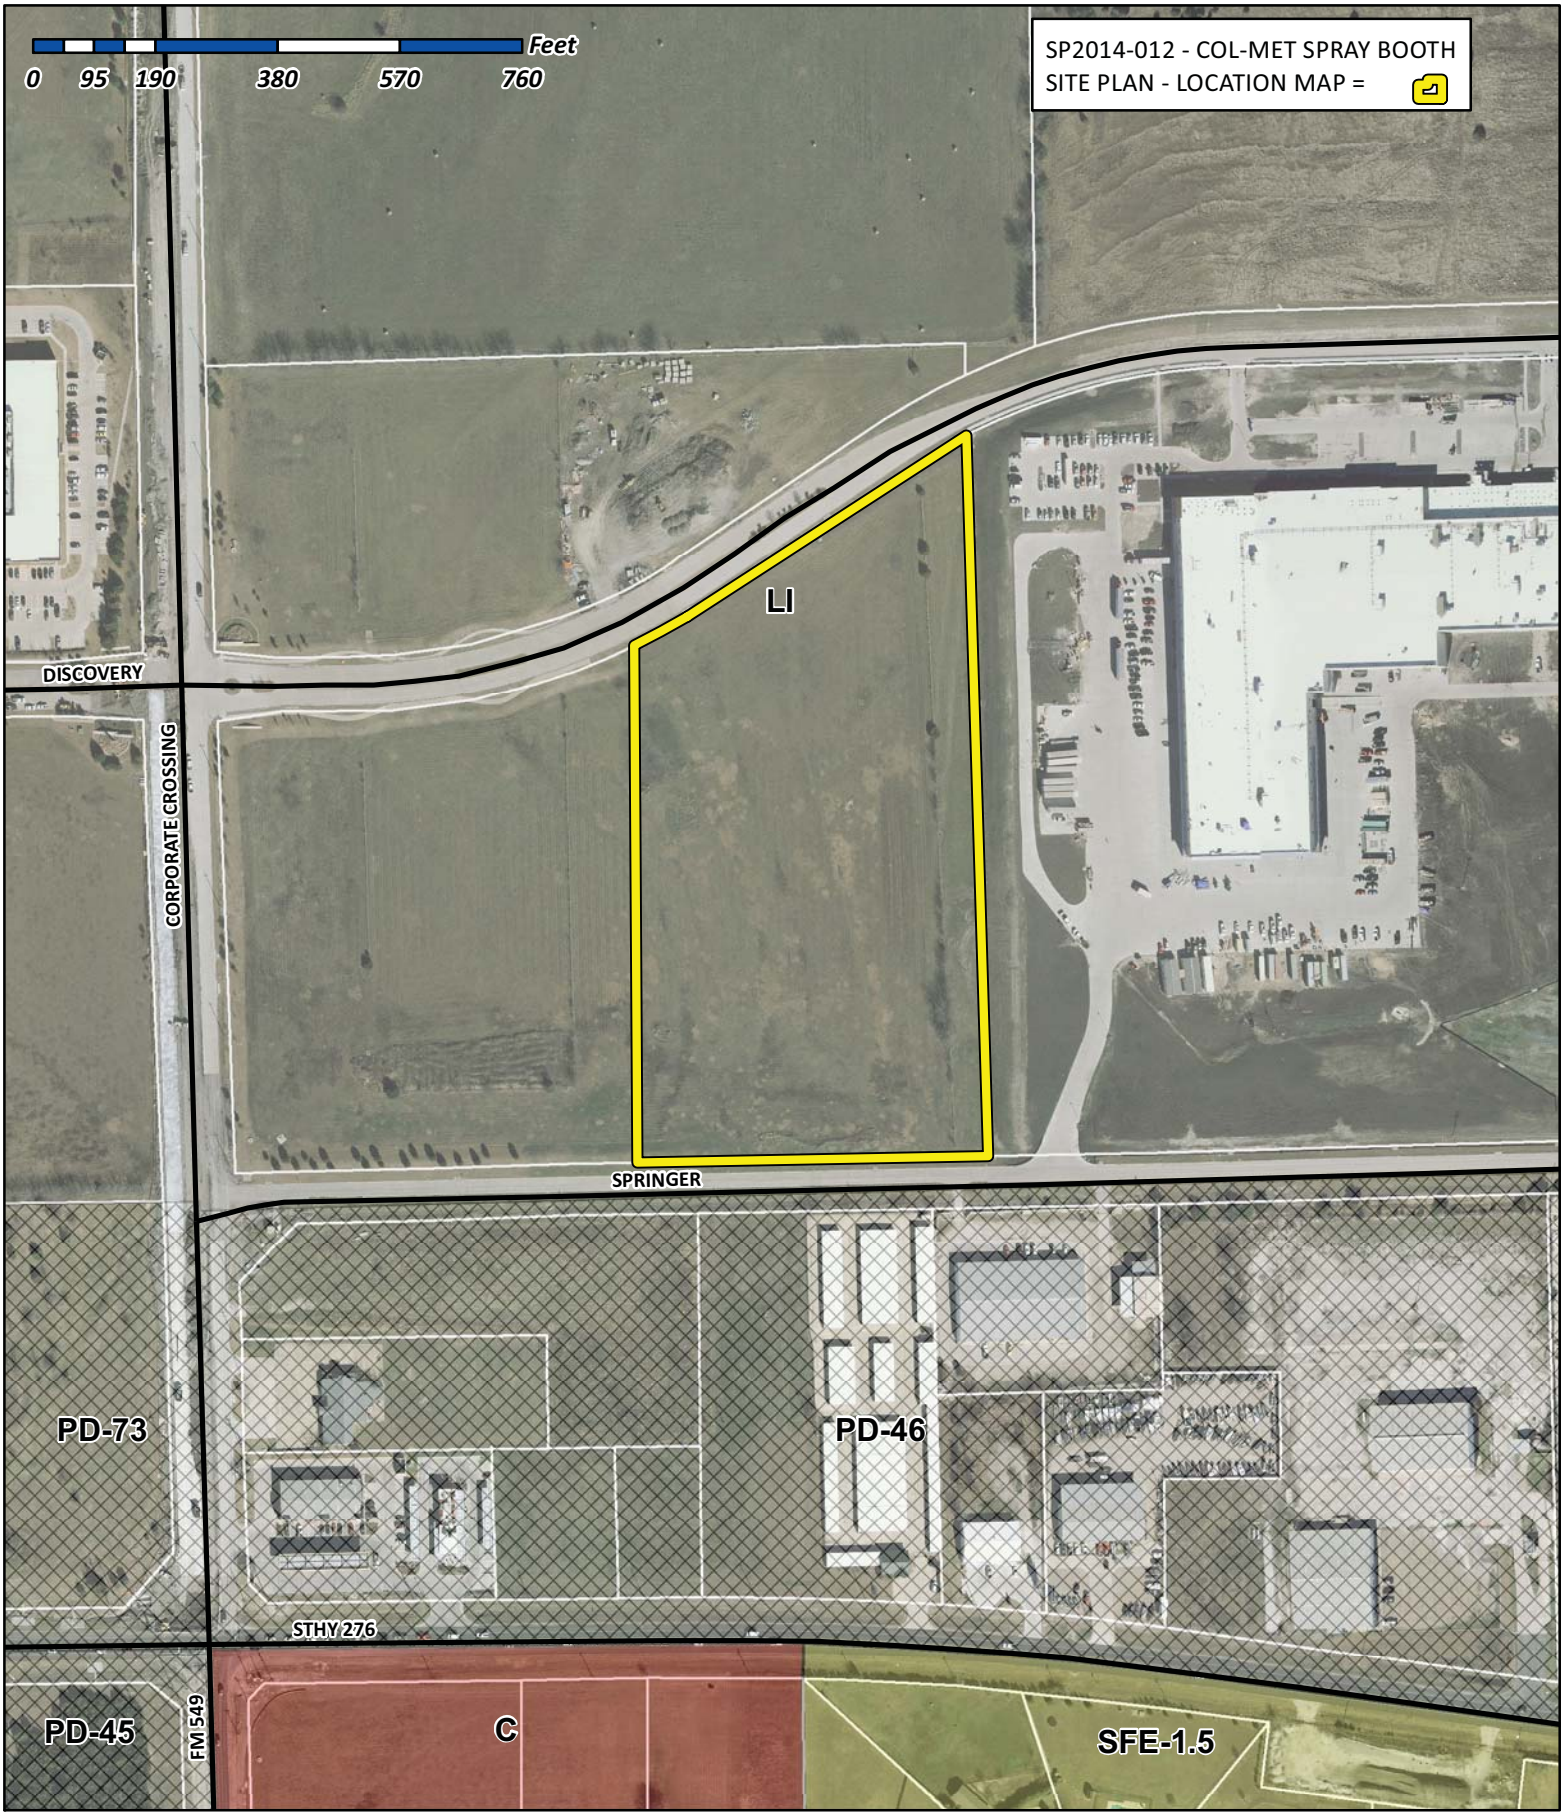
Exceptions to this requirement, including allowing concrete tilt-up walls, may be permitted on a case by case basis by the Council upon submission and approval of elevation drawings of the subject structure, and material samples."

Exceptions to the Unified Development Code require a recommendation from the Planning and Zoning Commission and approval of a simple majority vote of Council; however, a approval of a variance requires a super-majority vote of Council members present.

RECOMMENDATIONS:

Should the request be approved, staff would offer the following conditions:

1. Adherence to Engineering and Fire Department standards.



2. Submittal and approval of a replat prior to issuance of a building permit.

3. All signage requires submittal and approval of a separate permit through the Building Inspections Department.

4. Approval by Council of the variances and exceptions requested for a reduction of parking spaces, the use of concrete tilt-up wall construction, not meeting the 20% stone requirement, and the articulation requirements as outlined in staff's report.

Planning and Zoning Recommendation:

On July 8, 2014, the Planning and Zoning Commission approved the Site Plan with staff conditions and recommended approval of the associated variances and exceptions as outlined in staff's report by a vote of 4 to 0 (Renfro, McCutcheon, and Lyons - absent).

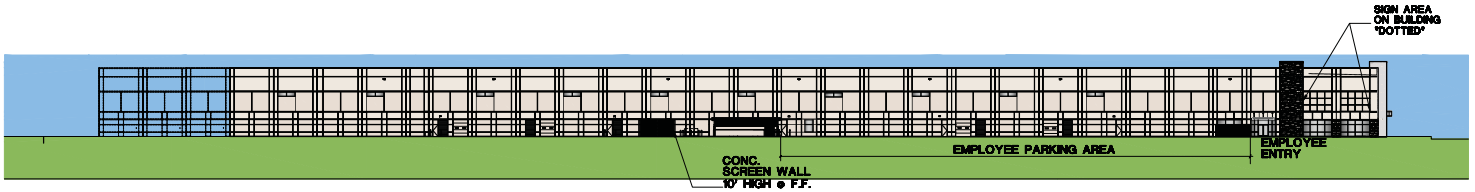
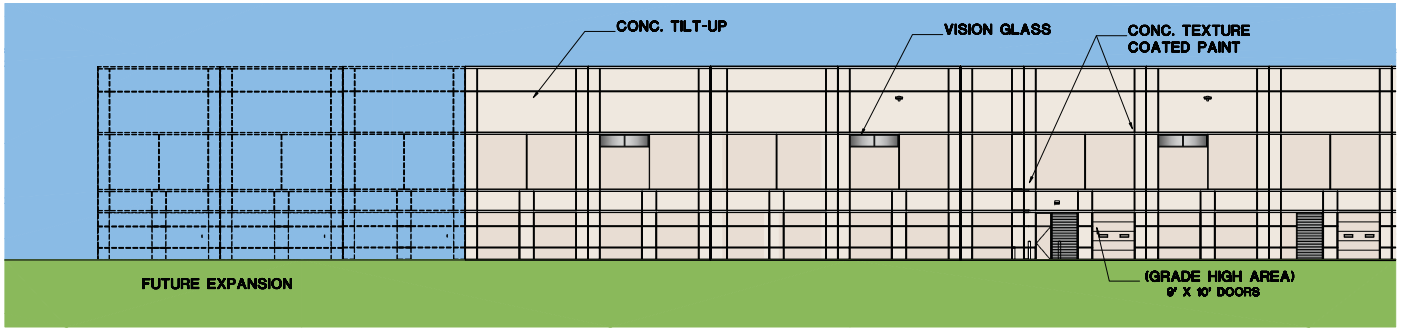
To Whom it May Concern:

Col-Met currently employs approximately one hundred ten (110) employees operating over two shifts with the maximum number of employees present at any one time being approximately ninety (90). This occurs during the normal business hours Monday through Friday.



It is anticipated that growth of the company over the next ten to fifteen years would not precipitate single-shift headcounts in excess of one hundred fifty (150) employees as additional staffing of the second and third shifts would accommodate the growth in production volume. Therefore, should the building be expanded during that timeframe as provided for in the current design, the increase in employee headcount would not result in more than one hundred fifty (150) employees on a single shift.

Sincerely,



Charles W. Brown
Director of Finance
Col-Met Spray Booths

AGENDA
ROCKWALL CITY COUNCIL
Monday, August 04, 2014
4:30 p.m. Regular City Council Meeting
City Hall - 385 S. Goliad, Rockwall, Texas 75087

I. CALL PUBLIC MEETING TO ORDER

II. EXECUTIVE SESSION. (4:30 P.M.)

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding possible claim related to Oncor pursuant to Section 551.071 (Consultation with Attorney)
2. Discussion regarding proposed lease/sale of city land for possible private project pursuant to Sections 551.072 (Real Property) and Section 551.087 (Economic Development negotiations).
3. Discussion regarding Economic Development incentives, procedures and possible projects pursuant to Section 551.087 (Economic Development)
4. Discussion regarding Economic Development prospect pursuant to Section 551.087 (Economic Development)
5. Discussion regarding update on proposed land lease/acquisition located near the Justin Road right-of-way pursuant to Section 551.072 (Real Property).
6. Discussion regarding the following legal claim: TF-Harbor LLC v. City of Rockwall, Texas and Rockwall Rental Properties L.P. pursuant to Section 551.071 (Consultation with Attorney)
7. Discussion regarding appointments to city regulatory boards, commissions, and committees including the Building and Standards Commission, Board of Adjustments, Planning & Zoning Commission and Rockwall Economic Development Corporation pursuant to Section 551.074 (Personnel Matters)
8. Discussion regarding appointment to fill city council member vacancy in accordance with City Charter provisions pursuant to Section 551.074 (Personnel Matters)

III. ADJOURN EXECUTIVE SESSION

AGENDA
ROCKWALL CITY COUNCIL
Monday, August 04, 2014
6:00 p.m. Regular City Council Meeting
City Hall, 385 S. Goliad, Rockwall, Texas 75087

IV. RECONVENE PUBLIC MEETING

V. TAKE ANY ACTION AS A RESULT OF EXECUTIVE SESSION

VI. INVOCATION AND PLEDGE OF ALLEGIANCE – MAYOR PRO TEM PRUITT

VII. PROCLAMATIONS / AWARDS

p.10 **1.** The Better Vision for Children Foundation
p.12 **2.** Russell Lawrence - 40 Years of Service to the City of Rockwall

VIII. OPEN FORUM

IX. CONSENT AGENDA

p.14 **1.** Consider approval of the minutes from the July 21, 2014 regular city council meeting, and take any action necessary.

p.24 **2.** Consider approval of an **ordinance** amending the Code of Ordinances in Chapter 38. Subdivisions to create a new Article, Article V. related to grading, excavation, earthwork and erosion control for developments, and taking any action necessary. **(2nd reading)**

p.31 **3.** Consider approval of a resolution allowing a temporary, partial closure of FM 552 (John King Boulevard to the Rockwall East City Limits), FM 549 (FM 3097 to SH 205) and SH 205 (FM 549 to South John King Boulevard) for the Hot Rocks Bike Ride on Saturday, August 9, 2014 from 6:30 AM to 3:00 PM, and take any action necessary.

p.47 **4.** **P2014-015** - Consider a request by Tracy Fetty on behalf of the owner, Holly Britt, for the approval of a replat for Lot 1, Block A, Eye Care & Laser Management of Rockwall Addition, being a 1.55-acre parcel of land currently identified as Lot 1, Block A, Horizon Ridge Center, Phase 1 Addition, zoned Planned Development District 9 (PD-9) for general retail land uses, located at the southeast corner of Rockwall Parkway and FM-3097 [Horizon Ridge Road], and take any action necessary.

X. APPOINTMENTS

1. Appointment with the Planning and Zoning Chairman to discuss and answer any questions regarding cases on the agenda and related issues and take any action necessary.

XI. PUBLIC HEARING ITEMS

p.52 **1.** **Z2014-018** - Hold a public hearing to discuss and consider approval of an **ordinance** for a request by Karri Shojaei-Scott of the Marigold Learning Academy on behalf of the owner, Modern Pyramids, Inc., for the approval of a Specific Use Permit (SUP) to allow for a Day Care Facility on a 0.45-acre parcel of land identified as Lot 3-R, Block A, Washington Place Addition, zoned Downtown (DT) District, situated within the SH 66 Overlay (SH 66 OV) District, and located at 401 W. Washington Street, City of Rockwall, Rockwall County, Texas, and take any action necessary. **(1st Reading)**

p.67 **2.** **Z2014-019** - Hold a public hearing to discuss and consider approval of an **ordinance** for a request by Shanessa Coburn of American Trooper on behalf of the owner, Scott Milder, for the approval of a Specific Use Permit (SUP) to allow an antiques/collectables and general retail store in Planned Development District 50 (PD-50) for a 0.66-acre lot of land containing two (2) parcels of land identified as a Block 23A (0.43-acres) and Block 24C (0.23-acres) of the Amick Addition, zoned Planned Development District 50 (PD-50) for Residential-Office (RO) District uses, located within the North Goliad Corridor Overlay (NGC OV) District, addressed as 803 & 805 N. Goliad Street, City of Rockwall, Rockwall County, Texas, and take any action necessary. **(1st Reading)**

XII. ACTION ITEMS

p.90 **1.** Discuss and consider a resolution related to the city's position on the Blackland Corridor Feasibility Study associated with planning for a freeway/tollway, and take any action necessary.

p.98 **2.** **MIS2014-010** - Discuss and consider a request by Randy and Dianne Almon for the approval of an exception to the minimum masonry requirements stipulated in Section 3.1, General Residential District Standards, of Article V, District Development Standards, of the Unified Development Code [Ordinance No. 04-38], for a 0.14-acre parcel of land identified as Block 48B, B. F. Boydston Addition, zoned Single Family 7 (SF-7) District, addressed as 213 Clark Street, City of Rockwall, Rockwall County, Texas, and take any action necessary.

p.113 **3.** **SP2014-010** - Discuss and consider a request by Matt Callan of Corgan Associates, Inc. on behalf of the owner, Rockwall Regional Hospital, LLP, for the approval of an exception to the exterior materials requirements in association with a site plan for a medical office building on a 1.8907-acre parcel of land identified as Lot 3, Block A, Presbyterian Hospital of Rockwall Addition, City of Rockwall, Rockwall County, Texas, being zoned Planned Development District 9 (PD-9), located along Horizon Road [FM-3097] southeast of the intersection of Horizon Road [FM-3097] and Rockwall Parkway, and take any action necessary.

p.123 **4.** Discuss and consider a recommendation from the City Council Naming Subcommittee related to naming of Dickson Lane, and take any action necessary.

p.127 **5.** Discuss and consider correspondence with U.S. Senator John Cornyn related to The Harbor, and take any action necessary.

p.131 **6.** Discuss and consider approval of a resolution of the City of Rockwall, Texas, declaring a public necessity for the acquisition of fee simple title to and a temporary construction easement on all or portions of properties for the Justin Road Project located in Rockwall County, Texas owned by Temunovic Partnership, LTD and listed as follows: a tract of land containing 0.281 acres (12,247 square feet) and a tract of land containing 1,756 square feet, located off Justin Road between Industrial Boulevard and John King Boulevard in the City of Rockwall, Rockwall County, Texas for the public purpose of construction, operation, reconstruction, improvement, repair and maintenance, of the Justin Road Street Project; authorizing all appropriate action of the City in the institution and prosecution of condemnation proceedings to acquire such properties that cannot be acquired through negotiation; authorizing all other lawful action necessary or incidental to such acquisitions.

p.142 **7.** Discuss and consider prohibiting use of electronic cigarettes and vaping in city buildings, and take any action necessary.

p.144 **8.** Discuss and consider the city's current retaining wall standards and possible amendments to the city's Engineering Standards of Design, and take any action necessary.

p.166 **9.** Discuss and consider appointments to city advisory boards and commissions, and take any action necessary.

XIII. CITY MANAGER'S REPORT TO DISCUSS CURRENT CITY ACTIVITIES, UPCOMING MEETINGS, FUTURE LEGISLATIVE ACTIVITIES, AND OTHER RELATED MATTERS.

1. Departmental Reports

Recreation Department Monthly Report - June 2014 p.216
p.218 Rockwall Animal Adoption Center Montly Report - June 2014

2. City Manager's Report

XIV. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding possible claim related to Oncor pursuant to Section 551.071 (Consultation with Attorney)

2. Discussion regarding proposed lease/sale of city land for possible private project pursuant to Sections 551.072 (Real Property) and Section 551.087 (Economic Development negotiations).
3. Discussion regarding Economic Development incentives, procedures and possible projects pursuant to Section 551.087 (Economic Development)
4. Discussion regarding Economic Development prospect pursuant to Section 551.087 (Economic Development)
5. Discussion regarding update on proposed land lease/acquisition located near the Justin Road right-of-way pursuant to Section 551.072 (Real Property).
6. Discussion regarding the following legal claim: TF-Harbor LLC v. City of Rockwall, Texas and Rockwall Rental Properties L.P. pursuant to Section 551.071 (Consultation with Attorney)
7. Discussion regarding appointments to city regulatory boards, commissions, and committees including the Building and Standards Commission, Board of Adjustments, Planning & Zoning Commission and Rockwall Economic Development Corporation pursuant to Section 551.074 (Personnel Matters)
8. Discussion regarding appointment to fill city council member vacancy in accordance with City Charter provisions pursuant to Section 551.074 (Personnel Matters)

XV. RECONVENE PUBLIC MEETING & TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

XVI. ADJOURNMENT

This facility is wheelchair accessible and accessible parking spaces are available. Request for accommodations or interpretive services must be made 48 hours prior to this meeting. Please contact the City Secretary's Office at (972) 771-7700 or FAX (972) 771-7727 for further information.

The City of Rockwall City Council reserves the right to adjourn into executive session at any time to discuss any of the matters listed on the agenda above, as authorized by Texas Government Code § 551.071 (Consultation with Attorney) § 551.072 (Deliberations about Real Property) § 551.074 (Personnel Matters) and § 551.086 (Economic Development)

I, Kristy Ashberry, City Secretary for the City of Rockwall, Texas, do hereby certify that this Agenda was posted at City Hall, in a place readily accessible to the general public at all times, on the 1st day of August, 2014 at 4:00 p.m. and remained so posted for at least 72 continuous hours preceding the scheduled time of said meeting.

_____ _____

Kristy Ashberry, City Secretary — Date Removed

Jacky Casey, Assistant Secretary

Rockwall, Texas

Proclamation

Whereas, the Better Vision For Children Foundation is a non-profit charity organization that for the past twenty-six years has provided free eye screenings for children to prevent and cure partial and total blindness and death resulting from amblyopia (lazy eye) autism, diabetes and eye cancer: and

Whereas, the U.S. Government and other studies have found that 25 – 35 % of American school children start school with undetected vision problems that will negatively affect their learning even though most vision related diseases are curable if detected and treated during the preschool years; and

Whereas, over 80% of the learning process is visual; and

Whereas, Optometric publications refer to this dilemma as "The Children's Vision Crisis"; and

Whereas, a San Diego State University study found that only 3.3% of preschoolers get a professional vision screening; and

Whereas, the most sought after jobs in professions and sports require good vision and hand-eye coordination; and

Whereas, parents, business, academia and sports entities want our children to succeed in their field of dreams; and

Now, Therefore, I, David Sweet, Mayor of the City of Rockwall, Texas, do hereby recognize and applaud

THE BETTER VISION FOR CHILDREN FOUNDATION

for its efforts towards preventing and curing eye diseases in our children and encourage all citizens to support early vision screenings for children in our community.

In Witness Whereof, I hereunto set my hand and official seal this 4th day of August, 2014.

David Sweet, Mayor

Rockwall, Texas

Proclamation

Whereas, Russell Lawrence started his career with the City of Rockwall on August 13, 1974 when he was hired to work in the Streets Department; and

Whereas, four years later, Russell's career progressed when he assumed the role of Parks Superintendent, a position he has held for the past thirty six years; and

Whereas, when Russell began work for the City in 1974, Rockwall's population was less 4,400 compared to just over 40,000 today, and Lofland Park was the only park in town; and

Whereas, during these four decades, Rockwall has grown from a small community with scattered neighborhoods, farmland, and locally-owned stores to a thriving mid-size suburb with over 14,700 residential homes, major retailers, multiple shopping destinations, and business and industry that allow residents to live, work, and play in Rockwall; and

Whereas, Russell's long-tenured service to the City of Rockwall is a testament to his heart for public service and his commitment to the residents of our great city.

Now, Therefore, I, David Sweet, Mayor of the City of Rockwall, Texas, do hereby declare Monday, August 4, 2014 as

RUSSELL LAWRENCE

HAPPY 40TH ANNIVERSARY DAY

in the City of Rockwall and encourage all citizens to recognize and applaud Mr. Lawrence for his dedicated service to the City of Rockwall throughout these last forty years.

In Witness Whereof, I hereunto set my hand and official seal this 4th day of August, 2014.

MINUTES
ROCKWALL CITY COUNCIL
Monday, July 21, 2014
4:00 p.m. Regular City Council Meeting
City Hall, 385 S. Goliad, Rockwall, Texas 75087

I. CALL PUBLIC MEETING TO ORDER

Mayor Sweet called the meeting to order at 4:00 p.m. Present were Mayor David Sweet, Mayor Pro Tem Jim Pruitt, and Council Members David White, Mike Townsend, Scott Milder, Bennie Daniels and Dennis Lewis. Also present were City Manager Rick Crowley, Assistant City Managers Mary Smith and Brad Griggs and City Attorney Frank Garza.

II. EXECUTIVE SESSION.

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding proposed lease/sale of city land for possible private project pursuant to Sections 551.072 (Real Property) and Section 551.087 (Economic Development negotiations).
2. Discussion regarding the following legal claim: TF-Harbor LLC v. City of Rockwall, Texas and Rockwall Rental Properties L.P. pursuant to Section 551.071 (Consultation with Attorney)
3. Discussion regarding appointments to city regulatory boards, commissions, and committees including the Building and Standards Commission, Board of Adjustments, Planning & Zoning Commission and Rockwall Economic Development Corporation pursuant to Section 551.074 (personnel matters)
4. Discussion regarding update on proposed land lease/acquisition located near the Justin Road right-of-way pursuant to Section 551.072 (Real Property).

III. ADJOURN EXECUTIVE SESSION

Executive Session was adjourned at 5:22 p.m.

IV. RECONVENE PUBLIC MEETING

Mayor Sweet reconvened the meeting at 6:02 p.m.

V. TAKE ANY ACTION AS A RESULT OF EXECUTIVE SESSION

No action was taken as a result of Executive Session.

VI. INVOCATION AND PLEDGE OF ALLEGIANCE – COUNCILMEMBER WHITE

Councilmember White delivered the invocation and led the Pledge of Allegiance.

VII. CONSENT AGENDA

1. Consider approval of the minutes from the July 7, 2014 regular city council meeting, and take any action necessary.

2. Consider approval of a resolution authorizing the city manager to execute a Multiple Use Agreement with Texas Department of Transportation for the parking area adjacent to the SH-66 pedestrian lane, and take any action necessary.

3. Consider authorizing the city manager to execute a contract with Wall Enterprises for the Phelps Lake Park Improvements Project in the amount of $75,624 to be funded out of the Recreation Development Fund, and take any action necessary.

4. Consider approval of the Engineering Services Agreement with Birkhoff, Hendricks and Carter, L.L.P. to provide various general engineering services for water and wastewater improvements in the City of Rockwall to be paid for from the Water and Sewer Operating Fund, and take any action necessary.

5. Consider approval of an **ordinance** amending the Code of Ordinances in Chapter 38. Subdivisions to create a new Article, Article V. related to grading, excavation, earthwork and erosion control for developments, and taking any action necessary. **(1st reading)**

6. Consider approval of an **ordinance** (re)establishing prohibition regarding temporary habitation in a public place in Chapter 22. Miscellaneous Offenses, Article I. In General, Section 22-4, and take any action necessary. **(2nd reading)**

7. **Z2014-015** - Consider approval of an **ordinance** for a request by Dennis D. Alsup for the approval of a Specific Use Permit (SUP) for an accessory building that does not conform to the size requirements as specified by Section 2.1.2, Residential and Lodging Use Conditions, of Article IV, Permissible Uses, of the Unified Development Code for a property in a Single-Family 10 (SF-10) District on a 0.74-acre parcel of land identified as a portion of Block 4, Garner Addition, zoned Single-Family 10 (SF-10) District, situated within the North Goliad Overlay (NGC OV) District, located at 921 Alamo Road, City of Rockwall, Rockwall County, Texas, and take any action necessary. **(2nd Reading**)

8. Consider approval of an **ordinance** at the recommendation of the Airport Subcommittee to designate the Planning and Zoning Commission as the Airport Zoning Commission for the Ralph M. Hall/Rockwall Municipal Airport, and take any action necessary. **(2nd reading)**

9. Consider approval of an **ordinance** amending the Code of Ordinances in Chapter 22. Miscellaneous Offenses, Article II. Offenses Regarding Minors, Division 5. Sex Offender Residency to modify provisions specifying victims' age, to add a section regarding notice to residents of registered sex offenders, and take any action necessary. **(2nd reading)**

Councilmember Townsend pulled item #1 for discussion. Councilmember White made a motion to approve the remaining Consent Agenda items (#2, 3, 4, 5, 6, 7, 8, and 9). Councilmember Townsend seconded the motion.

The ordinances were read as follows:

CITY OF ROCKWALL, TEXAS
ORDINANCE # 14-32

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS AMENDING THE CODE OF ORDINANCES IN CHAPTER 38. SUBDIVISIONS TO ADD ARTICLE V. REGARDING GRADING, EXCAVATION, EARTHWORK AND EROSION CONTROL; PROVIDING FOR SEVERABILITY AND SAVINGS CLAUSES; PROVIDING FOR AN EFFECTIVE DATE.

CITY OF ROCKWALL, TEXAS
ORDINANCE NO. 14-29

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS ESTABLISHING A PROHIBITION REGARDING TEMPORARY HABITATION IN PUBLIC PLACES IN CHAPTER 22. MISCELLANEOUS OFFENSES. ARTICLE I. IN GENERAL, SECTION 22-4; PROVIDING FOR SEVERABILITY AND SAVINGS CLAUSES; AND PROVIDING FOR AN EFFECTIVE DATE.

CITY OF ROCKWALL, TEXAS
ORDINANCE NO. 14-27
SUP NO. 122

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT WITHIN THE SINGLE-FAMILY RESIDENTIAL (SF-10) DISTRICT ALLOWING FOR AN ACCESSORY BUILDING EXCEEDING THE SIZE REQUIREMENTS, ON THE PROPERTY LOCATED AT 921 ALAMO ROAD, BEING A 0.74-ACRE PARCEL OF LAND IDENTIFED AS A PORTION OF BLOCK 4, GARNER ADDITION, AND MORE SPECIFICALLY DESCRIBED IN EXHIBIT 'A'; CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

CITY OF ROCKWALL, TEXAS
ORDINANCE NO. 14-28

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, DESIGNATING THE CITY OF ROCKWALL PLANNING AND ZONING COMMISSION AS THE AIRPORT ZONING COMMISSION; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; AND PROVIDING FOR AN EFFECTIVE DATE.

CITY OF ROCKWALL, TEXAS

ORDINANCE NO. 14-31

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS AMENDING THE CODE OF ORDINANCES IN CHAPTER 22. MISCELLANEOUS OFFENSES, ARTICLE II. OFFENSES REGARDING MINORS, DIVISION 5. SEX OFFENDER RESIDENCY, SECTIONS 22-136 AND 22-137 TO MODIFY PROVISIONS SPECIFYING VICTIMS AGE; ADDING A SECTION REGARDING NOTICE TO RESIDENTS OF REGISTERED SEX OFFENDERS; PROVIDING FOR SEVERABILITY AND SAVINGS CLAUSES; AND PROVIDING FOR AN EFFECTIVE DATE.

The motion passed unanimously of council (7 ayes to 0 nays).

Regarding Consent Agenda item #1, specifically the discussion reflected in the July 7 meeting minutes related to swimming in ponds/lakes in city parks, Councilmember Townsend made a motion to amend the minutes to reflect that signage will indicate there is water present at any city park that has lakes or ponds. Councilmember White seconded the motion, which passed by a vote of 7 ayes to 0 nays.

The Council addressed Appointment Item #3 (with Mr. Phelps) next.

VIII. APPOINTMENTS

1. Appointment with the Planning and Zoning Chairman to discuss and answer any questions regarding cases on the agenda and related issues and take any action necessary.

Planning & Zoning Commissioner Connie Jackson came forth and briefed the council on recommendations of the Commission relative to items on tonight's city council meeting agenda.

Councilmember Lewis thanked Mrs. Jackson for her service on the Planning and Zoning Commission over the years. Mrs. Jackson indicated she has really enjoyed serving the last thirteen years and may hope to sit off one year and potentially serve again thereafter.

After a few, clarifying comments related to items on the agenda, the Council took no action related to this agenda item.

2. Appointment with Scott Self of Sail with Scott, LLC to discuss and consider approval of a request to extend his commercial boat dock at The Harbor / Lake Ray Hubbard, and take any action necessary.

Mr. Self came forth and thanked the city council for its support and for previously allowing him to extend his boat dock out an additional thirty feet (30'). He explained that this current expansion will be well under the 100' "no wake zone." Mr. Self indicated there is a possibility of him not being able to get his boat out of the Chandler's Landing Marina soon due to the drought. He requested that the council consider allowing him to leave his boats parked at the docks at The Harbor overnight on occasion. Mr. Griggs generally indicated that this can be handled administratively through a permit issued by staff.

Councilmember White made a motion to approve the request to extend the commercial boat dock for Mr. Self at The Harbor. Councilmember Lewis seconded the motion.

Councilmember Daniels sought clarification regarding the motion, specifically related to Mr. Self potentially working with city staff if the dock needs to be extended again before the rainy season comes. Councilmember White amended his motion to reflect this. Councilmember Lewis seconded the amended motion. The motion passed by a vote of 7 ayes to 0 nays.

Mr. Self indicated that he has noticed weeds that have been growing in the lake area that is now dry around the shoreline due to the drought. He explained that these weeds will be problematic when lake levels come back up, as the weeds will lead to mosquitoes and other bugs as well as snakes and rodents. He urged the City of Rockwall to try and encourage the City of Dallas to address these weeds now rather than later or never. Mr. Griggs indicated that staff can certainly prepare a resolution to send to the City of Dallas City Council for their consideration.

3. Appointment with Russell Phelps to discuss retaining wall standards and take any action necessary.

Mr. Russell Phelps
214 Alta Vista
Rockwall, TX

Mr. Phelps provided photographs and expressed concerns regarding a specific retaining wall at the Walmart Neighborhood Market property located off of SH-66. He has concerns related to cracks and wear in the wall. He is concerned it is higher than four feet in certain places, it is leaning, and it is in disrepair.

Assistant City Manager Brad Griggs indicated that the Building Inspections Department looked at this particular wall back in 2007 and took photos at that time. The wall was leaning some then, and it looks as though it may be leaning a little more now.

Mayor Pro Tem Pruitt made a motion to instruct staff to evaluate the city's standards on retaining walls in the city that are constructed at less than four feet (4') tall. Councilmember Daniels seconded the motion.

Councilmember Milder is concerned that there should be maintenance and aesthetic standards, in addition to construction standards, on retaining walls in the city. He suggested the city should consider no longer allowing cinder block retaining walls.

Mr. Crowley indicated that staff will look into this matter and will return to the city council at a later date with a proposed policy or standards the council may wish to consider with regards to retaining walls of varying heights in the city.

The motion passed by a vote of 7 ayes to 0 nays.

Council next addressed Appointment Item #1 on the agenda.

IX. ACTION ITEMS

1. Discuss and consider approval of an **ordinance** amending the Code of Ordinances in Chapter 12, Article III, Section 12 to add Sections 12-66 to 12-68, regulating peddler activities to occupants of vehicles on public roadways in the city and solicitation in public areas, and take any action necessary. **(2nd reading)**

Councilmember Milder made a motion to approve the ordinance as presented at this time. Mayor Pro Tem Pruitt seconded the motion.

City Attorney Frank Garza briefed the council on the modifications (deletions) that were made to this ordinance at the council's request following first reading approval of the ordinance at the July 7 city council meeting.

The ordinance was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 14-30

AN ORDINANCE OF THE CITY OF ROCKWALL, TEXAS, AMENDING CHAPTER 12, ARTICLE III, SECTION 12 BY ADDING SECTION 12-66 TO 12-67 OF THE CODE OF ORDINANCES, REGULATING PEDDLER ACTIVITIES IN THE CITY AND SOLICITATION IN A PUBLIC AREA; PROVIDING A SEVERABILITY CLAUSE; PROVIDING AN EFFECTIVE DATE AND PROVIDING FOR RELATED MATTERS.

The motion passed by a vote of 5 in favor and 2 against (Pruitt and White).

2. Discuss and consider approval of a resolution supporting an application for assistance from the Texas Recreation Parks Account Program through the Texas Parks and Wildlife Department, authorizing the City Manager to enter into a contract with MHS Planning and Design for a grant application submittal, and take any action necessary.

Assistant City Manager Brad Griggs provided the council with background information related to this agenda item.

Mayor Pro Tem Pruitt clarified that staff is requesting the council consider approving paying MHS Planning and Design $9,000.00 to write and submit a grant application on the city's behalf. He is curious why staff cannot prepare and submit the grant application themselves. Mr. Griggs indicated that staff likely could do the grant application; however, staff is not as familiar with specific scoring that is utilized to grade the applications submitted for consideration. He stated that about twenty percent of grants that are submitted end up being funded. Mr. Griggs indicated that a site master plan would be produced as well during this process, and, even if the grant is disapproved, the city would still walk away with a site master plan that would be useful. Mr. Griggs indicated that the city will need to provide matching funds if approved for the grant and will need to agree that the park will remain a public park in perpetuity.

Mr. Crowley indicated that the city has never been unsuccessful in the past when submitting a grant application under this program; however, it really all depends on the applicant pool. He also indicated that the city has been very particular regarding which projects it has submitted for in the past.

Councilmember Milder expressed general support for hiring a consultant who is much more familiar with grant submittals and the scoring process when applying for grants.

Councilmember Townsend made a motion to approve the resolution and to authorize the city manager to enter into the contract. Councilmember Lewis seconded the motion, which passed unanimously of council (7 ayes to 0 nays).

3. **MIS2014-008** - Discuss and consider a request by Marco A. Esparza for a waiver to the Manufactured Home Replacement Minimum Standards as set forth in Exhibit 'C' of Planned Development District 75 (PD-75) [Ordinance No. 09-37] to allow Hardiboard panels in lieu of Hardiboard lap siding for a new manufactured home on a 0.17-acre property identified as Lots 1390, 1391 & 1392, Rockwall Lake Estates #2, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 75 (PD-75) for Single Family-7 (SF-7) District uses, located at 312 Rene Drive, and take any action necessary.

Mr. LaCroix provided background information related to this agenda item. He stated that the Planning & Zoning Commission did recommend approval of this item by a 4 to 0 vote.

Mayor Sweet invited Mr. Esparza to come forth and speak if he would like to; however, he declined

Councilmember White made a motion to approve MIS2014-008. Councilmember Lewis seconded the motion.

Mayor Pro Tem Pruitt asked if the cinder block skirting is permissible under the city's current ordinance. Mr. LaCroix indicated that, yes, they are allowed; however, skirting that is made of the lap siding would typically be required to cover the façade if the cinder blocks are used. Mr. LaCroix explained that if council approves this variance, they would also be allowing the cinder blocks to remain without requiring the lap siding to be extended down to cover the cinder blocks as a façade.

The motion passed by a vote of 6 ayes with 1 nay (Pruitt).

4. **SP2014-011** - Discuss and consider a request by Frank Richardson of Pross Design Group, Inc. on behalf of Channell Commercial Corporation and the Rockwall Economic Development Corporation for the approval of an exception to allow tilt wall as a primary building material and variances to the parking, articulation, building materials, and lighting standards as stipulated by the Unified Development Code for an office and industrial facility on an 18.95-acre tract of land being identified as a 2.006-acre portion of Tract 2-7 of the David Harr Survey, Abstract No. 102 and a 16.944-acre portion of Tract 5 of the N. Butler Survey, Abstract No. 20, City of Rockwall, Rockwall County, Texas, being zoned Light Industrial (LI) District, situated within the SH 205 By-Pass Corridor Overlay (205 BY-OV) District, located on the west side of John King Boulevard south of Airport Road, and take any action necessary.

Mr. LaCroix indicated that the site plan was approved by the Planning and Zoning Commission; however, several stipulations and variances were also recommended by

the P&Z Commission. He indicated that this is at the corner of John King Boulevard and Justin Road. He explained the variances, including those related to parking, tilt wall construction, articulation, building materials, installation of cypress trees, and light standards.

The applicant, Frank Richardson with Pross Design Group (the architects), came forth and addressed the council, explaining in detail, the nature of each of his variance requests. Mr. Richardson generally indicated that the applicant would like these variances in order to maintain what is considered to be a "corporate identity" and is based on a building they currently have in California.

Councilmember Lewis made a motion to approve SP2014-011. Councilmember White seconded the motion.

Councilmember Milder asked the applicant why they are not able to work with the city to meet our masonry façade standards at least on the side of the building that faces John King Boulevard. Mr. Richardson indicated that Mr. Channell feels as though he would like to model this building after the building that was built in California in 1989 in order to keep in line with what he feels is his company's "corporate identity."

The motion passed by a vote of 6 in favor with 1 against (Milder).

5. **SP2014-012** - Discuss and consider a request by Philip Graham, P.E. of Wier & Associates on behalf of the Rockwall Economic Development Corporation and Col-Met Spray Booths for the approval of certain variances to the Unified Development Code for an industrial facility on a 12.0-acre parcel of land identified as a portion of Lot 1, Block B, Rockwall Technology Park, Phase III, City of Rockwall, Rockwall County, Texas, being zoned Light Industrial (LI) District, located east of the intersection of Corporate Crossing (FM-3097) and Discovery Boulevard, and take any action necessary.

Mr. LaCroix provided background information related to this agenda item, explaining that the applicant already occupies a location within the Rockwall Technology Park; however, they are looking to expand. He then explained the nature of the variances being requested this evening by the applicant.

Hardy MLM Architects
12221 Merit Drive
Dallas, TX

Mr. McCullah indicated they were the original architects on this project back in 2003. He asked the council to consider approving the building variances this evening.

Councilmember Townsend asked if anything has been included as far as landscaping is concerned on the Springer side of the building. Mr. LaCroix explained that landscaping is required as part of the city's development standards.

Councilmember White made a motion to approve SP2014-012. The motion was seconded by Councilmember Lewis. The motion passed by a vote of 7 ayes to 0 nays.

6. Discuss and consider (re)appointments to the city's Historic Preservation Advisory Board, and take any action necessary.

Councilmember Daniels made a motion to reschedule this to the August 4, 2014 council meeting.

Mayor Sweet adjourned the public meeting at 7:10 p.m.

X. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding proposed lease/sale of city land for possible private project pursuant to Sections 551.072 (Real Property) and Section 551.087 (Economic Development negotiations).
2. Discussion regarding the following legal claim: TF-Harbor LLC v. City of Rockwall, Texas and Rockwall Rental Properties L.P. pursuant to Section 551.071 (Consultation with Attorney)
3. Discussion regarding appointments to city regulatory boards, commissions, and committees including the Building and Standards Commission, Board of Adjustments, Planning & Zoning Commission and Rockwall Economic Development Corporation pursuant to Section 551.074 (personnel matters)
4. Discussion regarding update on proposed land lease/acquisition located near the Justin Road right-of-way pursuant to Section 551.072 (Real Property).

XI. RECONVENE PUBLIC MEETING & TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

The Council did not convene in Executive Session following close of the 6:00 p.m. public meeting.

XII. ADJOURNMENT

Mayor Sweet adjourned the meeting at 7:10 p.m.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 4th day of August, 2014.

CITY OF ROCKWALL, TEXAS
ORDINANCE # 14-32

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS AMENDING THE CODE OF ORDINANCES IN CHAPTER 38. SUBDIVISIONS TO ADD ARTICLE V. REGARDING GRADING, EXCAVATION, EARTHWORK AND EROSION CONTROL; PROVIDING FOR SEVERABILITY AND SAVINGS CLAUSES; PROVIDING FOR AN EFFECTIVE DATE.

Whereas, the City Council of the City of Rockwall values development and recognizes the need for erosion control provisions, including appropriate devices, to be in place in order to minimize the impacts of new development; and

Whereas, the development of land causes large quantities of soil to be displaced and transported to downstream locations which can create significant soil erosion and sedimentation problems and may result in potentially destructive consequences; and

Whereas, a build-up of sediment degrades water quality, destroys valuable environmental resources and obstructs watercourses and storm drains which can cause flooding, thereby damaging public and private lands and property; and

Whereas, the City Council believes it to be in the best interest of the public and the environment to adopt the regulations set forth below to govern erosion control to provide and maintain a safe, efficient and effective drainage system within the City and to require a permit for grading and floodplain development in order to ensure soil does not wash out into streets or nearby storm sewers.

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

SECTION 1. The findings set forth in the preamble above are adopted in their entirety.

SECTION 2. Purpose: During the construction process, soil is highly vulnerable to erosion by wind and water. Eroded soil endangers water resources by reducing water quality and causing the siltation of aquatic habitat for fish and other desirable species. Eroded soil also necessitates repair of sewers and ditches and the dredging of lakes. In addition, clearing and grading during construction cause the loss of native vegetation necessary for terrestrial and aquatic habitat. The purpose of this ordinance is to safeguard persons, protect property, and prevent damage to the environment. This ordinance also promotes the public welfare by guiding, regulating, and controlling the design, construction, use, and maintenance of any development or other activity that disturbs or breaks the topsoil or results in the movement of earth on land

SECTION 3. Article V is hereby added to Chapter 38. Subdivisions and shall henceforth read in its entirety as follows:

ARTICLE V. – GRADING, EXCAVATION, EARTHWORK, AND EROSION CONTROL

Sec. 38-430 – Definitions
Sec. 38-431-432 - Reserved
Sec. 38-433 – Applicability of article.
Sec. 38-434 – Grading permit required for filling, grading, excavation, etc.
Sec. 38-435 – Duty of property owner to prevent dirt, mud, etc., from washing onto public streets, alleys, etc.
Sec. 38-436 – Requirements for filling, grading, excavation, etc.
Sec. 38-437 – Issuance of permits; criteria.
Sec. 38-438 – Exceptions to the permit, permit fee and deposit.
Sec. 38-439 – Owner's responsibility.
Sec. 38-440 – Exemptions.

Sec. 38-430. – Definitions.

CITY ENGINEER. The City Engineer of the City of Rockwall or the Engineer's authorized representative.

EROSION CONTROL. A measure that prevents erosion.

GRADING. Any stripping, cutting, filling, stockpiling or combination thereof which modifies the existing land surface contour.

SEDIMENT CONTROL. Measures that prevent eroded sediment from leaving the site.

Sec. 38-431 - 432. – Reserved.

Sec. 38-433. – Applicability of article.

The provisions of this article shall apply to property owners, persons or their agents filling, grading, excavating or otherwise disturbing the surface of real property within the city, whether they be contractors, subcontractors, supervisors, inspectors, managers, agents, employees or otherwise. Failure to comply with the requirements of this article shall constitute an offense, and each day such failure continues shall constitute a separate offense.

Sec. 38-434. – Grading permit required for filling, grading, excavation, etc.

No person shall fill, grade, excavate or otherwise disturb the surface of real property within the City without first having secured a grading permit from the City Engineer. No owner of real property shall knowingly permit another person to fill, grade, excavate or otherwise disturb the surface of real property within the city without first having secured a permit from the City Engineer. In addition, if the property to be filled, graded, excavated or otherwise disturbed is within flood hazard area, a development permit must be secured from the City Engineer as required in Chapter 38 of this Code.

Sec. 38-435. – Duty of property owner to prevent dirt, mud, etc., from washing onto public streets, alleys, etc.

It shall be unlawful and an offense and shall constitute a nuisance for any person owning or having control of real property within the city to suffer or permit soil, mud, rock, pollutants or debris to wash, slide, erode or otherwise be moved from said real property onto streets, alleys, utility facilities, drainage facilities, rights-of-way or easements. It shall be the duty of each property owner or party in control thereof to prevent soil, mud, rock, pollutants or debris from such real property being deposited or otherwise transported onto the streets, alleys, utility facilities, rights-of-way or easements of the City and to inspect such property and acquaint themselves with the conditions existing and to remedy any conditions likely or calculated to allow soil, mud, rock or debris to wash, slide, erode or otherwise be transported onto the streets, alleys, utility facilities, rights-of-way or easements and failure to do so shall be deemed criminal negligence for the purpose of the offense described herein.

Sec. 38-436. – Requirements for filling, grading, excavation, etc.

The City Engineer shall prepare a list of allowable fill materials and minimum required compaction requirements. All filling shall use only the materials listed for fill. All fill placed on a site and visible from a public thoroughfare shall be leveled and have a final cover of topsoil, six (6) inches minimum depth, that will support vigorous plant growth, immediately following completion of filling operations. Intermediate leveling and cover shall be required at intervals not to exceed thirty (30) days for filling operations that will exceed thirty (30) days in duration. In areas where fill is being placed to control erosion, the City Engineer may substitute an alternate cover that is resistant to erosion for the requirement to cover fill with topsoil.

Sec. 38-437. – Issuance of permits; criteria.

(a) The City Engineer's office shall issue permits for the grading, filling, excavating or otherwise disturbing the surface of real property upon satisfaction of the following criteria:

(1) Applicant provides adequate assurance that the City will be reimbursed for any expense of cleaning or removal of dirt, rock, debris or other pollutants from city streets, alleys, utility facilities, rights-of-way and easements or the barricading thereof by the posting of a deposit of cash with the city to guarantee same.

(2) The amount of such deposit shall be established by the City Council from time to time and is hereby established as follows:

Area	Amount
One (1) acre or less	$500.00 minimum
From one (1) acre up	$100.00 for each additional acre

(3) The applicant provides a notarized statement from the property owner giving permission for the applicant to fill, grade, excavate or otherwise disturb the property and acknowledgment by property owner of the responsibilities of the property owner as described in section 38-30 of this Code.

(4) Submission by the applicant of a Storm Water Pollution Prevention Plan (SWP3) for all work disturbing one (1) acre of land or more. This Storm Water Pollution Prevention Plan (SWP3) must be prepared by a licensed professional engineer in accordance with applicable Environmental Protection Agency (EPA) and Texas Commission on Environmental Quality (TCEQ) regulations and approved by the City Engineer prior to issuing the grading permit.

(5) Submission by the applicant of a copy of Notice of Intent (NOI) and or a Construction Site Notice (CSN) as required by the Texas Commission on Environmental Quality (TCEQ) regulations for all work disturbing one (1) acre of land or more.

(6) The City Engineer may exclude that portion of tracts in excess of ten (10) acres that he/she determines to be so situated as to not contribute to erosion due to location and topography.

(b) If removal by the City of soil, rock, mud and debris from its streets, alleys, utility facilities, rights-of-way or easements is required by reason of work performed on property for which a deposit has been made pursuant to subsection (a), reasonable charges shall be billed to the applicant and subtracted from balance of the applicant's deposit. The City will attempt to notify applicant to clean the affected area unless deemed an emergency requiring immediate attention.

(c) Upon written request by the applicant to the City Engineer, the unused portion of the applicant's deposit shall be refunded if the following criteria is met:

(1) The site for which the deposit exists has been stabilized against erosion; and permanent ground cover has been established.

(2) No further hazard of erosion is present at the site;

(3) All temporary erosion control structures have been removed;

(4) Permanent erosion control facilities are in place and functioning properly as designed; and

(5) The City Engineer or his designee has given written acceptance of public improvements.

(d) An applicant who has submitted a written request for return of their deposit who meets the requirements of subsection (c) shall be refunded all funds not used to reimburse the City for the removal of soil, rock, mud, debris and pollutants from its streets, alleys, utility facilities, drainage facilities, rights-of-way or easements. Should an applicant fail to meet all requirements for a refund, the applicant's request will be rejected until such time as they are met. When the requirements have been met, the funds subject to refund will be sent via first class mail to the address on the applicant's grading permit application or if such address has been updated pursuant to application instructions to the applicant's updated address. If the refund mailed to the applicant is returned by the United States Postal Service as undeliverable, the funds shall be forfeited to the City and placed in the general fund if City Council is unable to determine the legal address.

(e) If a written request for return of a deposit is not made within two (2) years of the date the project on the property for which the deposit has been made receives written acceptance from the City Engineer or his designee of the public improvements, the unused portion of the applicant's deposit shall be forfeited to the City and placed in the general fund after the City notifies the applicant.

(f) Grading permits shall be valid for two-years after date of issuance by the City. Grading permits may be extended for one additional year (for a total of three years) upon written request by the applicant to the City Engineer. The City Engineer will have the site inspected to verify compliance with the permit conditions and the provisions of the submitted SWP3 before making the permit extension. Failure of the applicant to maintain compliance with the permit conditions and the provisions of the submitted SWP3 shall be adequate cause to deny a request for grading permit extension.

Sec. 38-438. – Exceptions to the permit, permit fee and deposit.

Construction, grading, filling or excavation undertaken by the City of Rockwall, franchised utility companies and existing individual single-family lots with existing residences under one acre in size shall be exempt from the permit, deposit and permit fee as required by this article.

Sec. 38-439. – Owner's responsibility.

The property owner shall be responsible for implementation and operation of a Storm Water Pollution Prevention Plan (SWP3) in accordance with applicable Environmental Protection Agency (EPA) and Texas Commission on Environmental Quality (TCEQ) regulations and all cleanup operations incidental to the grading, filling, excavation, construction or other disturbance of the surface of real property including leveling, establishment of ground cover, erosion and sediment control and removal of all trash, debris or other materials not suitable for fill including those deposited on streets, alleys, utility facilities, rights-of way or easements.

In addition, the property owner shall be responsible for compliance with the approved grading plan.

If the property owner fails in any respect to fulfill the requirement of this article, the City may go upon the owner's property and perform such work as may be necessary to fulfill such requirements and may level, establish ground cover, construct erosion control, remove all soil, rock, debris and other materials not suitable for fill including those deposited on streets, alleys, utility facilities, rights-of-way or easements, at the property owner's expense and charge same against the deposit of the applicant unless deemed and emergency requiring immediate attention, the City will first contact applicant to address the matter.

If a deposit has not been made with the City, or if the cost incurred by the City exceeds the amount of the deposit, the City shall bill the property owner for the unpaid expenses and if the owner fails to pay the City for such expenses within thirty (30) days of being billed for same, the City shall have the right to place a lien on the owner's property which shall be filed with the county clerk as in the case of paving assessment liens for all amounts expended by the City in excess of the deposit plus interest at the current lawful rate. If the property owner fails to fulfill the requirement of this article the City may revoke the grading permit, issue citations or take other legal remedies as may be necessary to enforce compliance with this article.

Sec. 38-440. – Exemptions

A grading permit is not required for the following:

1. Customary and incidental routine grounds maintenance, landscaping, and gardening in any district which does not require platting, replatting, variance request, or building permit and which does not affect stormwater drainage on or through the site;

2. Emergency repairs of a temporary nature made on public or private property which are necessary for the preservation of life, health or property, and which are made under circumstances where it would be impossible or impracticable to obtain a grading permit

SECTION 4. SEVERABILITY. That if any section, subsection, sentence, clause or phrase of this ordinance is for any reason held to be unconstitutional or illegal, such decision shall not affect the validity of the remaining sections of this ordinance. The City Council hereby declares that it would have passed this ordinance, and each section, subsection, clause, or phrase thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses or phrases be declared void.

SECTION 5. SAVINGS CLAUSE. That all ordinances or parts of ordinances, in conflict herewith are to the extent of such conflict hereby repealed. The balance of such ordinance is hereby saved from repeal.

SECTION 6. EFFECTIVE DATE. That the Ordinance shall be effective immediately following its second reading and publication in accordance with the City Charter.

City of Rockwall
The New Horizon

MEMORANDUM

TO: Rick Crowley, City Manager

FROM: Timothy M. Tumulty, Director of Public Works/City Engineer

DATE: July 17, 2014

SUBJECT: Hot Rocks Bike Ride – City Council Resolution

The Hot Rocks Bike Ride is sponsored by the Rockwall Rotary Club on an annual basis. This year's event is scheduled for Saturday, August 9, 2014 from 6:30 AM to 3:00 PM. A portion of the bike ride course will utilize a few State roadways on the north and south parts of the City. The race will begin and move north on John King Boulevard and turn right on FM 552. They will remain on FM 552 until the reach FM 1138. The bike riders will enter our southern border of the City at FM 549 from FM 3097 to SH 205. At SH 205, they will turn left to the north and travel to John King Boulevard and take it back to the starting point. The Rockwall Police Department will assist in the partial closure of various lanes of these State roadways as well as furnish traffic control at other intersections along the race route within our City. The Texas Department of Transportation (TxDOT) will require a City Council resolution supporting a request to allow the partial closure of these various State roadways.

Staff request City Council consideration to approve the attached resolution allowing a temporary partial closure of FM 552 (John King Boulevard to the Rockwall East City Limits), FM 549 (FM 3097 to SH 205) and SH 205 (FM 549 to South John King Boulevard) for the Hot Rocks Bike Ride on Saturday, August 9, 2014 from 6:30 AM to 3:00 PM.

Agreement No._____

STATE OF TEXAS §

COUNTY OF TRAVIS §

AGREEMENT FOR THE TEMPORARY CLOSURE OF STATE RIGHT OF WAY

THIS AGREEMENT is made by and between the State of Texas, acting by and through the Texas Department of Transportation, hereinafter called the "State," and the City of Rockwall, a municipal corporation, acting by and through its duly authorized officers, hereinafter called the "local government."

W I T N E S S E T H

WHEREAS, the State owns and operates a system of highways for public use and benefit, including FM 552, FM 549 and SH 205 in THE City of Rockwall, Rockwall County; and

WHEREAS, the local government has requested the temporary closure of FM 552 from John King Boulevard to the east City limits, FM 549 from FM 3097 to SH 205 and SH 205 from FM 549 to South John King Boulevard for the purpose of Hot Rocks Bike Ride on August 9, 2014, from 6:30 A.M. to 3:00 P.M. as described in the attached "Exhibit A," hereinafter identified as the "Event;" and

WHEREAS, the Event will be located within the local government's incorporated area; and

WHEREAS, the State, in recognition of the public purpose of the Event, wishes to cooperate with the City so long as the safety and convenience of the traveling public is ensured and that the closure of the State's right of way will be performed within the State's requirements; and

WHEREAS, on the 21st day of July, 2014, the Rockwall City Council passed Resolution No. 14-__, attached hereto and identified as "Exhibit B," establishing that the Event serves a public purpose and authorizing the local government to enter into this agreement with the State; and

WHEREAS, 43 TAC, Section 22.12 establishes the rules and procedures for the temporary closure of a segment of the State highway system; and

WHEREAS, this agreement has been developed in accordance with the rules and procedures of 43 TAC, Section 22.12;

NOW, THEREFORE, in consideration of the premises and of the mutual covenants and agreements of the parties hereto, to be by them respectively kept and performed as hereinafter set forth, it is agreed as follows:

A G R E E M E N T

Article 1. CONTRACT PERIOD

This agreement becomes effective upon final execution by the State and shall terminate upon completion of the Event or unless terminated or modified as hereinafter provided.

Article 2. EVENT DESCRIPTION

The physical description of the limits of the Event, including county names and highway numbers, the number of lanes the highway has and the number of lanes to be used, the proposed schedule of start and stop times and dates at each location, a brief description of the proposed activities involved, approximate number of people attending the Event, the number and types of animals and equipment, planned physical modifications of any man-made or natural features in or adjacent to the right of way involved shall be attached hereto along with a location map and identified as “Exhibit C.”

Article 3. OPERATIONS OF THE EVENT

A. The local government shall assume all costs for the operations associated with the Event, to include but not limited to, plan development, materials, labor, public notification, providing protective barriers and barricades, protection of highway traffic and highway facilities, and all traffic control and temporary signing.

B. The local government shall submit to the State for review and approval the construction plans, if construction or modifications to the State’s right of way is required, the traffic control and signing plans, traffic enforcement plans, and all other plans deemed necessary by the State. The State may require that any traffic control plans of sufficient complexity be signed, sealed and dated by a registered professional engineer. The traffic control plan shall be in accordance with the latest edition of the Texas Manual on Uniform Traffic Control Devices. All temporary traffic control devices used on state highway right of way must be included in the State’s Compliant Work Zone Traffic Control Devices List. The State reserves the right to inspect the implementation of the traffic control plan and if it is found to be inadequate, the local government will bring the traffic control into compliance with the originally submitted plan, upon written notice from the State noting the required changes, prior to the event. The State may request changes to the traffic control plan in order to ensure public safety due to changing or unforeseen circumstances regarding the closure.

C. The local government will ensure that the appropriate law enforcement agency has reviewed the traffic control for the closures and that the agency has deemed them to be adequate. If the law enforcement agency is unsure as to the adequacy of the traffic control, it will contact the State for consultation no less than 10 workdays prior to the closure.

D. The local government will complete all revisions to the traffic control plan as requested by the State within the required timeframe or that the agreement will be terminated upon written notice from the State to the local government. The local government hereby agrees that any failure to cooperate with the State may constitute reckless endangerment of the public and that the Texas Department of Public Safety may be notified of the situation as soon as possible for the appropriate action, and failing to follow the traffic control plan or State instructions may result in a denial of future use of the right of way for three years.

E. The local government will not initiate closure prior to 24 hours before the scheduled Event and all barriers and barricades will be removed and the highway reopened to traffic within 24 hours after the completion of the Event.

F. The local government will provide adequate enforcement personnel to prevent vehicles from stopping and parking along the main lanes of highway right of way and otherwise prevent interference with the main lane traffic by both vehicles and pedestrians. The local government will prepare a traffic enforcement plan, to be approved by the State in writing at least 48 hours prior to the scheduled Event. Additionally, the local government shall provide to the State a letter of certification from the law enforcement agency that will be providing traffic control for the Event, certifying that they agree with the enforcement plan and will be able to meet its requirements.

G. The local government hereby assures the State that there will be appropriate passage

allowance for emergency vehicle travel and adequate access for abutting property owners during construction and closure of the highway facility. These allowances and accesses will be included in the local government's traffic control plan.

H. The local government will avoid or minimize damage, and will, at its own expense, restore or repair damage occurring outside the State's right of way and restore or repair the State's right of way, including, but not limited to, roadway and drainage structures, signs, overhead signs, pavement markings, traffic signals, power poles and pavement, etc. to a condition equal to that existing before the closure, and, to the extent practicable, restore the natural and cultural environment in accordance with federal and state law, including landscape and historical features.

Article 4. OWNERSHIP OF DOCUMENTS

Upon completion or termination of this agreement, all documents prepared by the local government will remain the property of the local government. All data prepared under this agreement shall be made available to the State without restriction or limitation on their further use. At the request of the State, the Local Government shall submit any information required by the State in the format directed by the State.

Article 5. TERMINATION

A. This agreement may be terminated by any of the following conditions:

(1) By mutual written agreement and consent of both parties.

(2) By the State upon determination that use of the State's right of way is not feasible or is not in the best interest of the State and the traveling public.

(3) By either party, upon the failure of the other party to fulfill the obligations as set forth herein.

(4) By satisfactory completion of all services and obligations as set forth herein.

B. The termination of this agreement shall extinguish all rights, duties, obligations, and liabilities of the State and local government under this agreement. If the potential termination of this agreement is due to the failure of the local government to fulfill its contractual obligations as set forth herein, the State will notify the local government that possible breach of contract has occurred. The local government must remedy the breach as outlined by the State within ten (10) days from receipt of the State's notification. In the event the local government does not remedy the breach to the satisfaction of the State, the local government shall be liable to the State for the costs of remedying the breach and any additional costs occasioned by the State.

Article 6. DISPUTES

Should disputes arise as to the parties' responsibilities or additional work under this agreement, the State's decision shall be final and binding.

Article 7. RESPONSIBILITIES OF THE PARTIES

The State and the Local Government agree that neither party is an agent, servant, or employee of the other party and each party agrees it is responsible for its individual acts and deeds as well as the acts and deeds of its contractors, employees, representatives, and agents.

Article 8. INSURANCE

A. Prior to beginning any work upon the State's right of way, the local government and/or its contractors shall furnish to the State a completed "Certificate of Insurance" (TxDOT Form 1560, latest edition) and shall maintain the insurance in full force and effect during the period

that the local government and/or its contractors are encroaching upon the State right of way.
B. In the event the local government is a self-insured entity, the local government shall provide the State proof of its self-insurance. The local government agrees to pay any and all claims and damages that may occur during the period of this closing of the highway in accordance with the terms of this agreement.

Article 9. AMENDMENTS
Any changes in the time frame, character, agreement provisions or obligations of the parties hereto shall be enacted by written amendment executed by both the local government and the State.

Article 10. COMPLIANCE WITH LAWS
The local government shall comply with all applicable federal, state and local environmental laws, regulations, ordinances and any conditions or restrictions required by the State to protect the natural environment and cultural resources of the State's right of way.

Article 11. LEGAL CONSTRUCTION
In case one or more of the provisions contained in this agreement shall for any reason be held invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provisions hereof and this agreement shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein.

Article 12. NOTICES
All notices to either party by the other required under this agreement shall be delivered personally or sent by certified U.S. mail, postage prepaid, addressed to such party at the following respective addresses:

Local Government:	**State:**
City of Rockwall 385 S. Goliad Rockwall, Texas 75087 Attn: City Manager	Texas Department of Transportation 4777 U.S. Highway 80 East Mesquite, TX 75150-6643 Attn: William L. Hale, P.E.

All notices shall be deemed given on the date so delivered or so deposited in the mail, unless otherwise provided herein. Either party hereto may change the above address by sending written notice of such change to the other in the manner provided herein.

Article 13. SOLE AGREEMENT
This agreement constitutes the sole and only agreement between the parties hereto and supersedes any prior understandings or written or oral agreements respecting the within subject matter.

IN TESTIMONY WHEREOF, the parties hereto have caused these presents to be executed in duplicate counterparts.

When: Saturday August 9th, 2014; 6:30 AM to 3:00 PM

Number of participants: approximately 1,500

Location: Event starts and ends at Rockwall ISD Football Stadium at 1201 TL Townsend Drive with a 60 mile and a 40 mile bike ride.

CITY OF ROCKWALL, TEXAS
RESOLUTION NO. 14-12

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROCKWALL,TEXAS, FINDING THAT A NECESSITY EXISTS TO TEMPORARILY CLOSE A PORTION OF A CERTAIN STATE ROADWAYS TO FACILITATE THE HOT ROCKs BIKE RIDE; HEREBY REQUESTING THAT THE TEXAS DEPARTMENT OF TRANSPORTATION (TXDOT) GRANT PERMISSION TO THE CITY OF ROCKWALL FOR SAID EVENT AND AUTHORIZE THE CITY OF ROCKWALL TO PARTIALLY CLOSE FM 552 (JOHN KING BOULEVARD TO THE EAST CITY LIMITS), FM 549 (FM 3097 TO SH 205) AND SH 205 (FM 549 TO SOUTH JOHN KING BOULEVARD) BETWEEN THE HOURS OF 6:30 A.M. AND 3:00 P.M. ON SATURDAY, AUGUST 9, 2014; PROVIDING AN EFFECTIVE DATE.

WHEREAS, the Rockwall City Council recognizes the value of physical fitness and the benefits of a healthy community; and

WHEREAS, the Rockwall City Council wants to promote healthy lifestyles in our community by providing fitness opportunities and encouraging cyclist to participate in either the 40 mile or 60 mile ride in the Hot Rocks Bike Ride in Rockwall, Texas; and

WHEREAS, the Rockwall City Council hereby finds that necessity exists to temporarily partially close FM 552 (John King Boulevard to the East City Limits), FM 549 (FM 3097 to SH 205) and SH 205 (FM 549 to South John King Boulevard) for the Hot Rocks Bike Ride sponsored by the Rockwall Rotary Club; and

WHEREAS, the Rockwall City Council supports submission of a temporary partial closure request for State maintained roadways, for FM 552 (John King Boulevard to the East City Limits), FM 549 (FM 3097 to SH 205) and SH 205 (FM 549 to South John King Boulevard) to the Texas Department of Transportation to facilitate the Hot Rocks Bike Ride on Saturday, August 9, 2014 between the hours of 6:30 a.m. and 3:00 p.m.; and

WHEREAS, the Rockwall City Council hereby agrees to support said request by providing traffic control for the event; and

WHEREAS, the temporary partial closing of these sections of FM 552, FM 549 and SH205 will create a safer environment for event participants and spectators;

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That a formal request is hereby made to TXDOT to approve the request of the Rockwall City Council to temporarily partial close the aforementioned sections of FM 552, FM 549 and SH205 at the above stated date and time; and

Section 2. That this resolution shall be in full force and effect from and after its passage and it is accordingly so resolved.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 4th day of August, 2014.

TOWNSEND/JUSTIN/INDUSTRIAL/AIRPORT TO KING NORTH

*Recommend not using any cones on John King Northbound between Airport and 552. The cones contributed to at least one very serious accident last year.

JOHN KING NORTH TO 552 EAST (552 surface is much better than before and much better than 66)

552 EAST TO 1138 NORTH

1138 NORTH TO 6 EAST

6 EAST TO FM 1138 NORTH AND TURN LEFT TO GO TO HUBBARD RD (VALERO station)

RIGHT AT VALERO STATION TO GO EAST ON HUBBARD RD TO JOSEPHINE AND RE-JOIN 6 EAST.

*Intersection of Hubbard and Sebastian in Josephine needs to be swept (gravel)

6 EAST TO 1777 SOUTH

1777 SOUTH TO 66 EAST

66 EAST TO FM 2642 SOUTH

2642 SOUTH PAST ROYSE CITY HS

RIGHT ON OLD GREENVILLE ROAD AND MAKE WAY TO 548 SOUTH

*The short connector street between Old Greenville and the 30 service road could use patching.

548 SOUTH TO 276 WEST

*Several large cracks on 548 between 30 and 276.

276 WEST TO 550 SOUTH

*276 shoulder has cracks, drop-offs, and debris.

550 SOUTH/WEST TO 205

CROSS 205 AND CONTINUE 550 TO SOUTH SMITH

LEFT ON SOUTH SMITH AND GO TO CONNIE

*Sweep gravel at intersection of South Smith and 550

RIGHT ON CONNIE

*Sweep gravel at intersection of Connie and South Smith

CONNIE TO CORNSTALK

*Sweep gravel at Connie/Cornstalk intersection

RIGHT ON CORNSTALK TO STEVENS

*Several large cracks on Cornstalk.

RIGHT ON STEVENS TO MCDONALD

LEFT ON MCDONALD AND CONTINUE ON TO RABBIT RIDGE AT 550

*Several large cracks on McDonald.

STAY ON RABBIT RIDGE TO 549

*Several cracks on Rabbit Ridge.

RIGHT ON 549 TO 205 NORTH

205 NORTH TO JOHN KING NORTH

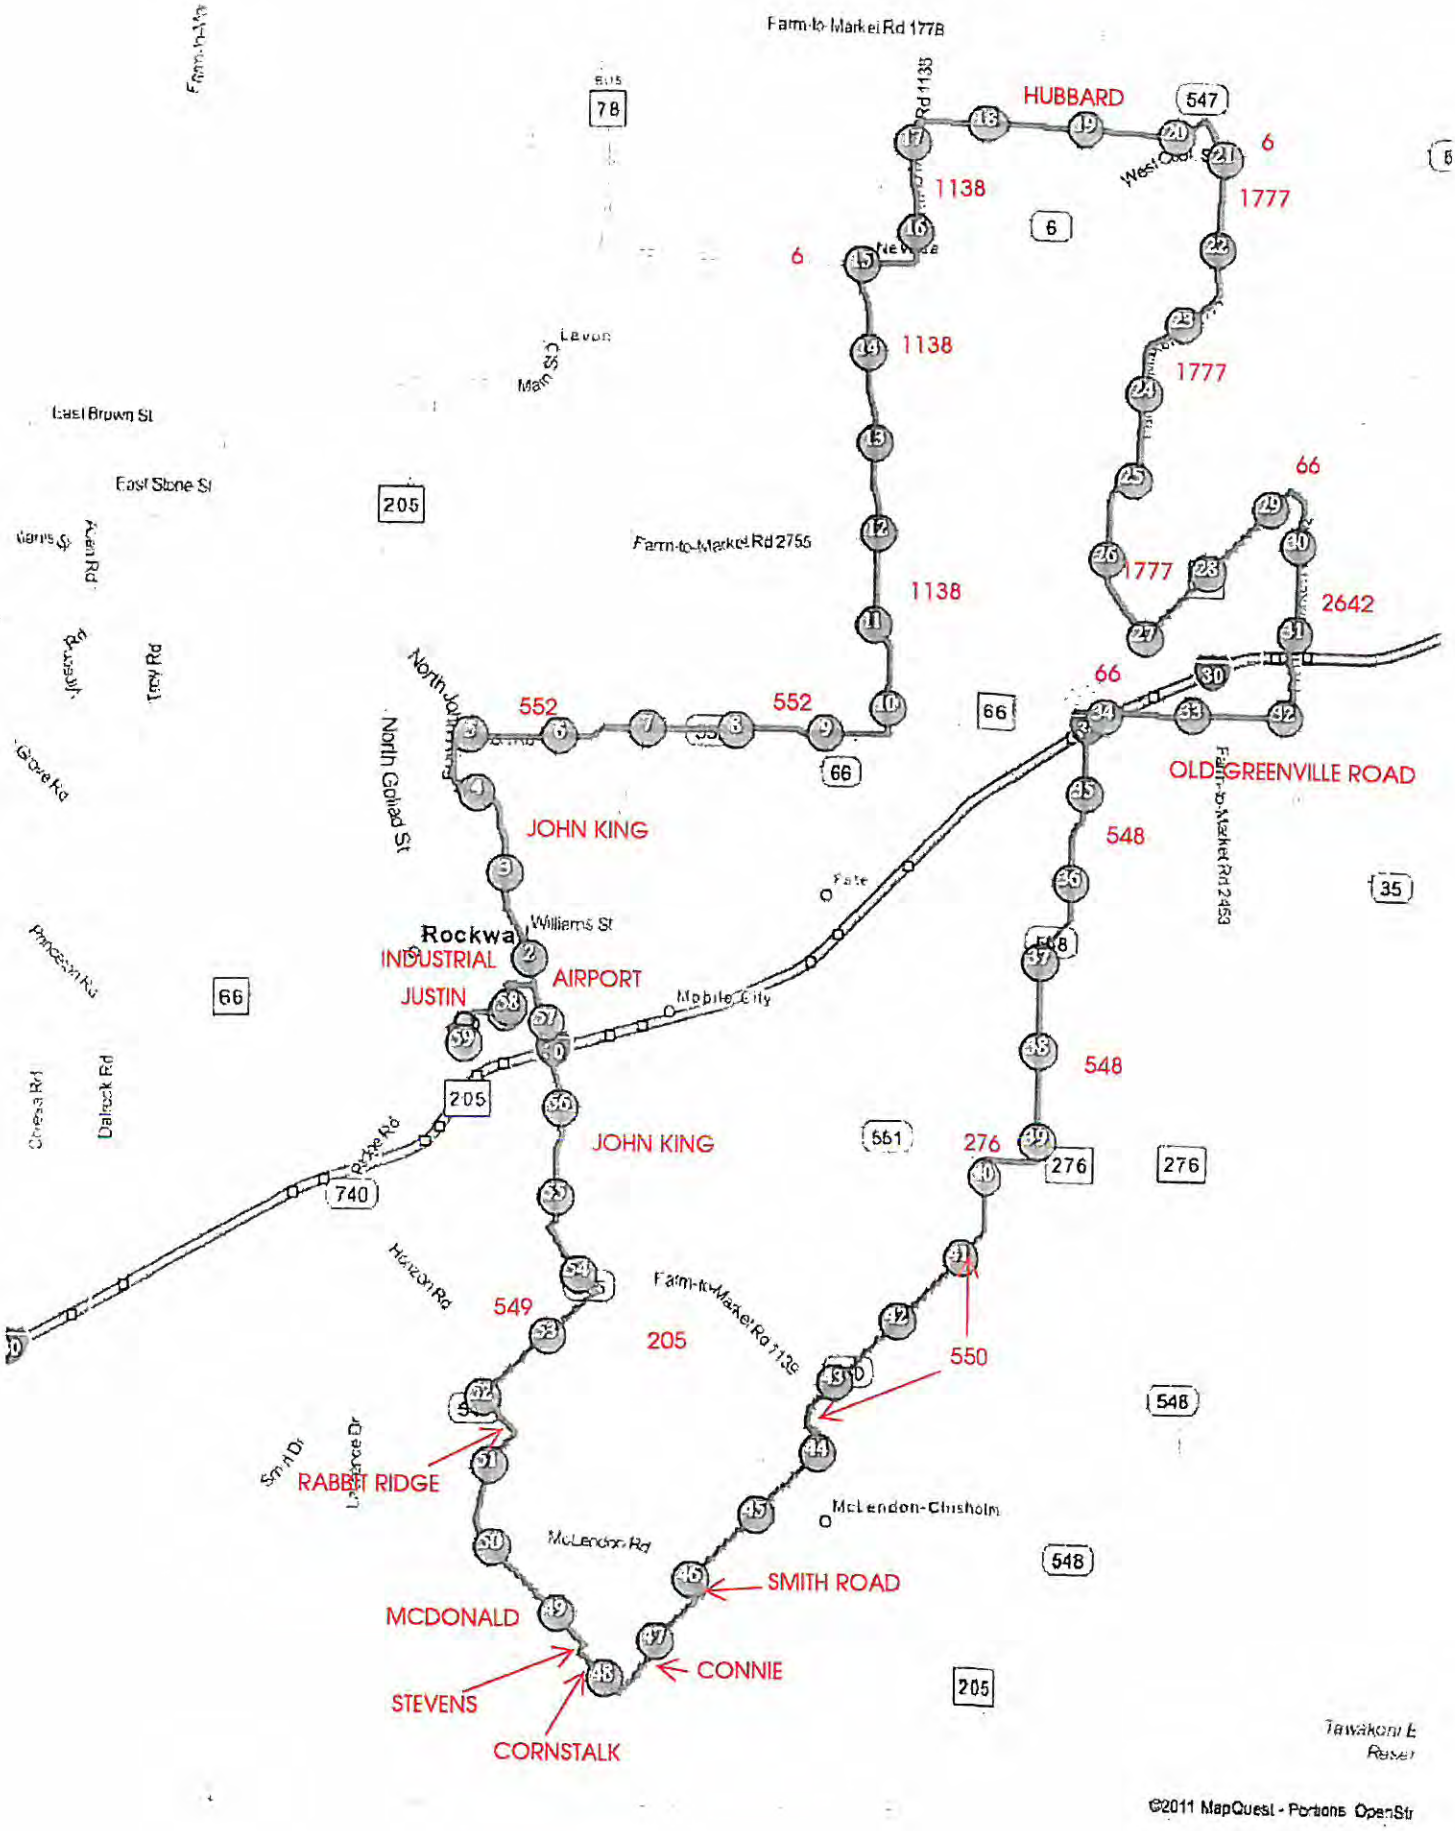
*205 Shoulder needs to be swept of debris

RETURN TO STADIUM VIA AIRPORT/INDUSTRIAL/JUSTIN/TOWNSEND, WITH ADDITIONAL LOOP ON JOHN KING IF NEED MILEAGE.

40 Mile Route. http://www.trainingpeaks.com/sr/JPQJFBKLMBR4DG2VAM0XTIUOQM

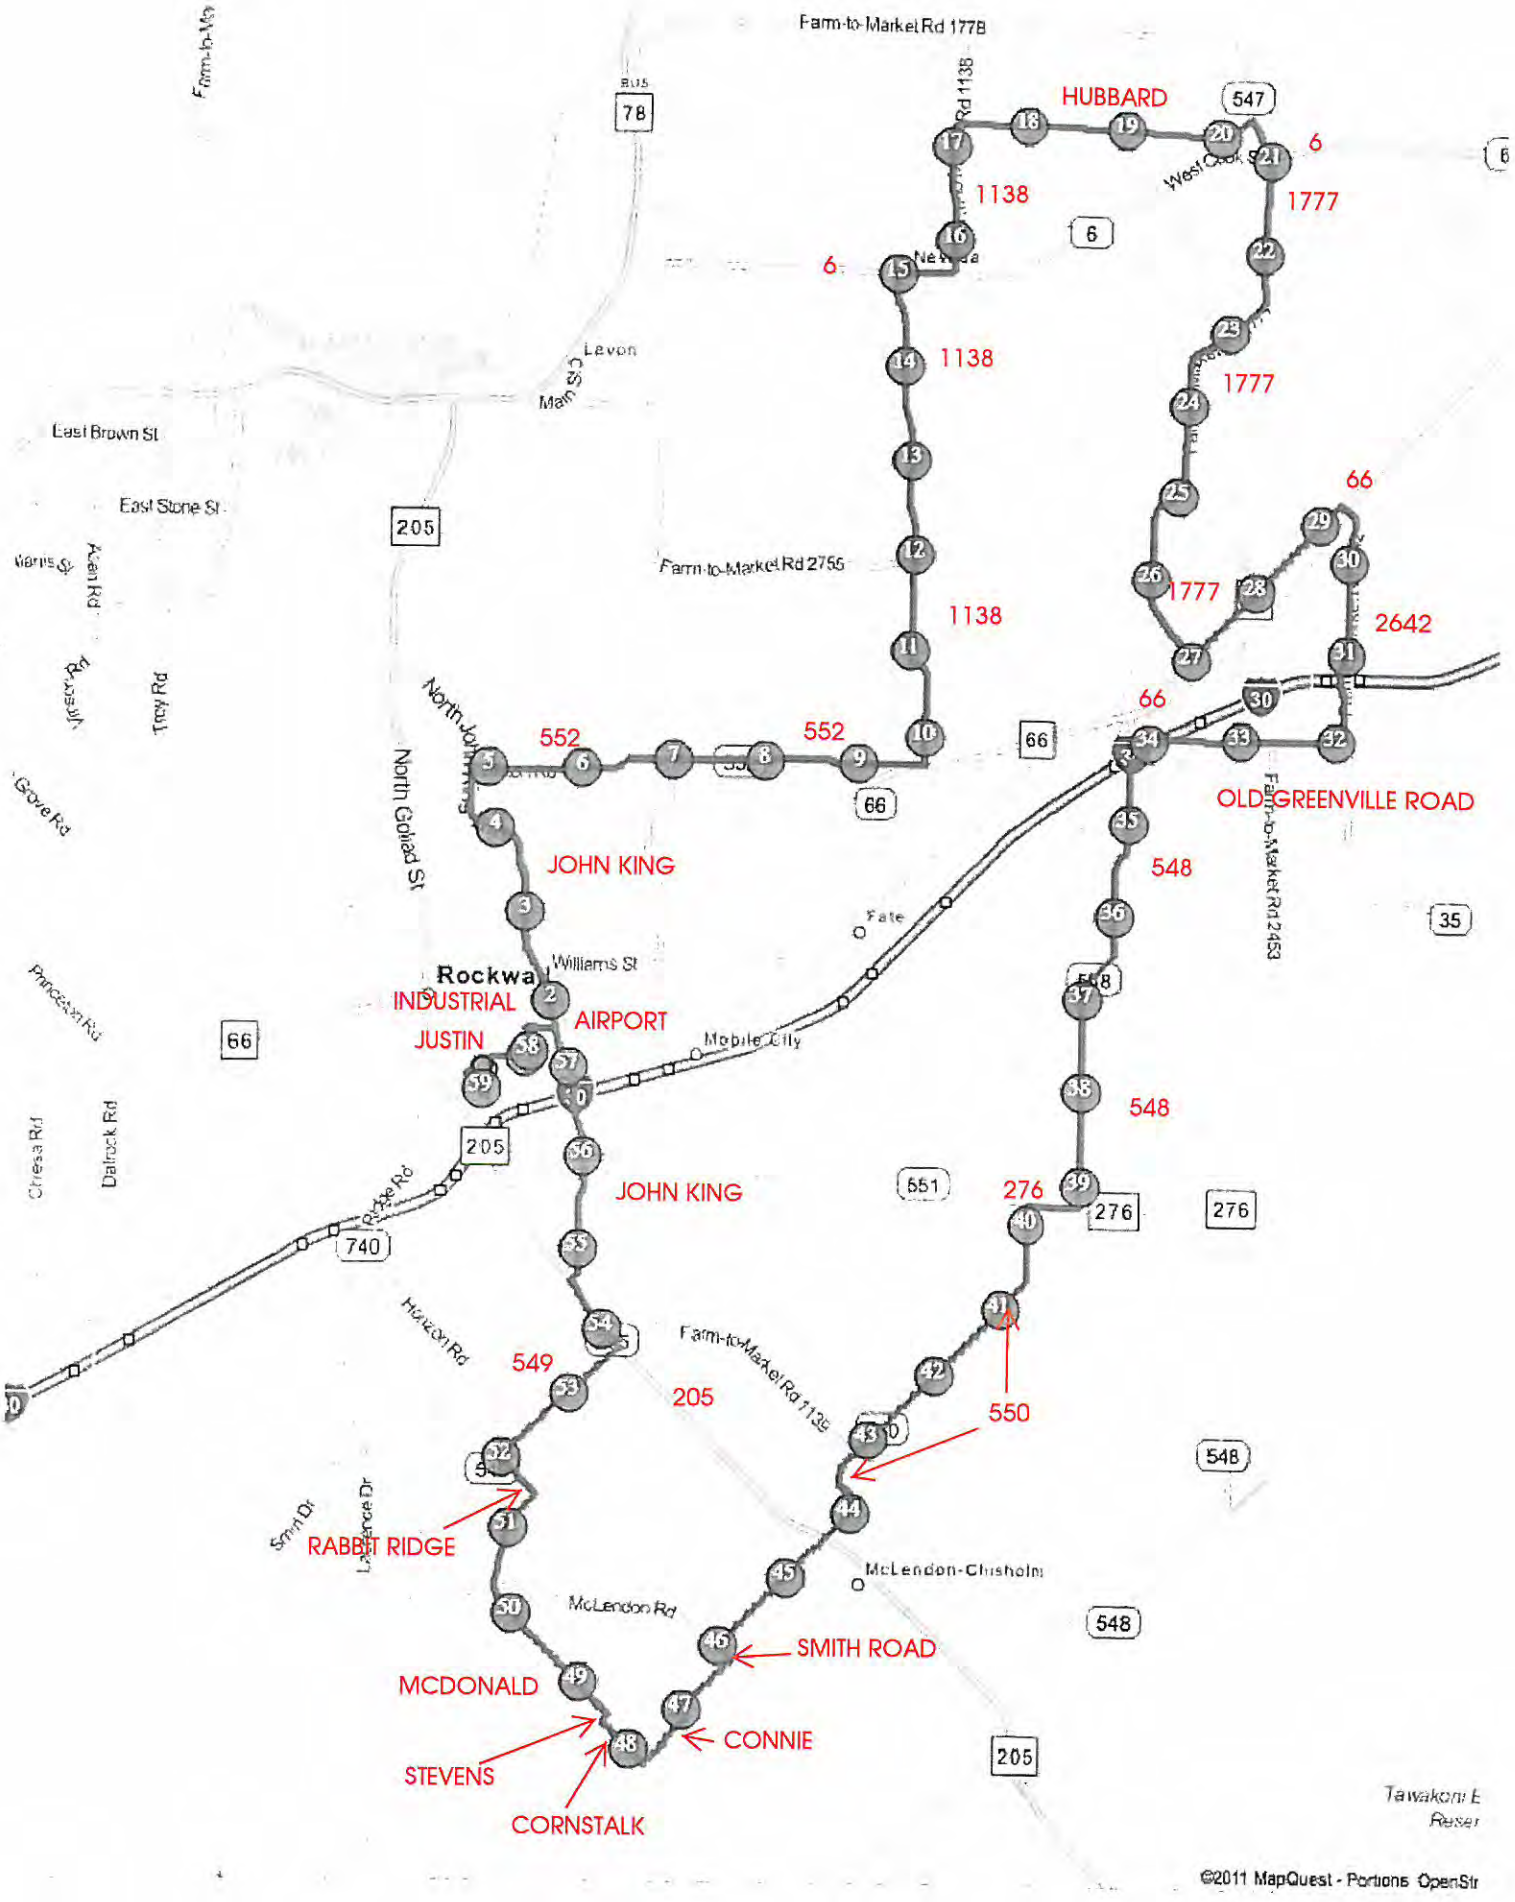
SAME ROUTE AS 60 MILE ROUTE UNTIL INTERSECTION OF 1777 AND 66 WHERE 40 MILERS WILL TURN RIGHT ON 66 INSTEAD OF LEFT.

66 WEST TO 552 WEST



CONTINUE WEST ON 552 AND HEAD TO JOHN KING

LEFT ON JOHN KING SOUTHBOUND AND CONTINUE TO AIRPORT.



*Probably okay to use cones on the southbound stretch of John King for the 10mile and 40mile routes.

RETURN TO STADIUM VIA AIRPORT/INDUSTRIAL/JUSTIN/TOWNSEND.

***Major advantage of this route is that it cuts way down on the number of riders going through Royse City on 548 and completely takes 276 off the route, which is a dangerous road and frustrates cars.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 08/04/2014

APPLICANT: Holly Britt

AGENDA ITEM: **P2014-015**; Lot 1, Block A, Eye Care & Laser Management of Rockwall

---

SUMMARY:

Discuss and consider a request by Tracy Fetty on behalf of the owner, Holly Britt, for the approval of a replat for Lot 1, Block A, Eye Care & Laser Management of Rockwall Addition, being a 1.55-acre parcel of land currently identified as Lot 1, Block A, Horizon Ridge Center, Phase 1 Addition, zoned Planned Development District 9 (PD-9) for general retail land uses, located at the southeast corner of Rockwall Parkway and FM-3097 [*Horizon Ridge Road*], and take any action necessary.

FINAL PLAT COMMENTS:

☑ The purpose of the applicant's request is to replat one (1) non-residential lot being 1.55-acres for the purpose of constructing a medical office building. A site plan for the proposed medical office building was previously approved on January 14, 2014 under *Case No. SP2013-031*.

☑ The Engineer has completed the majority of the technical revisions requested by staff, and this plat, conforming with the previously approved site plan, is recommended for conditional approval pending the completion of final technical modifications and submittal requirements required for the recordation by the applicant or owner.

☑ Conditional approval of this plat by the City Council shall constitute approval subject to the conditions stipulated in the Recommendation section below.

With the exception of the items listed in the *Recommendation* section of this case memo, this plat is in substantial compliance with the requirements of the *Subdivision Ordinance* in the Municipal Code of Ordinances.

RECOMMENDATIONS:

If the Planning & Zoning Commission and City Council choose to approve the replat for *Lot 1, Block A, Eye Care & Laser Management of Rockwall Addition* then staff would recommend the following conditions of approval:

1) All the technical comments from the Engineering, Planning and Fire Departments shall be addressed prior to the filing of this plat; and,

2) Any construction resulting from the approval of this *replat* shall conform to the requirements set forth by the Unified Development Code, the International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION:

On July 29, 2014, the Planning and Zoning Commission recommended approval of the replat by a vote of 5-0, with Commissioners Conley and Minth absent.

OWNER'S CERTIFICATE
(Public Dedication)

STATE OF TEXAS
COUNTY OF ROCKWALL

WHEREAS DR. HOLLY FISHER BRITT, BEING THE OWNER OF A TRACT OF land in the County of Rockwall, State of Texas, said tract being described as follows:

All that certain lot, tract or parcel of land situated in the EDWARD TEAL SURVEY, ABSTRACT NO. 207, City of Rockwall, Rockwall County, Texas, and being all of Lot 1, Block A, HORIZON RIDGE CENTER, PHASE 1, an Addition to the City of Rockwall, Texas, according to the Plat thereof recorded in Cabinet G, Slide 41 of the Plat Records of Rockwall County, Texas, and being more particularly described as follows:

BEGINNING at a 1/2" iron rod with yellow plastic cap stamped " R.S.C.I. RPLS 5034" found for corner at the intersection of the southwest right-of-way line of Horizon Road F.M. Highway 3097 (Cab. G, SLide 41) with the southeast right-of-way line of Rockwall Parkway (60' R.O.W. per plat recorded in Cabinet E, Slide 149) and being at the north most northwest corner of said Lot 1, Block A;

THENCE N. 89 deg. 15 min. 33 sec. E. a distance of 35.36 feet to a 1/2" iron rod found for corner;

THENCE S. 45 deg. 45 min. 10 sec. E. along the southwest right-of-way line of Horizon Road F.M. Highway 3097, a distance of 245.50 feet to a 1/2" iron rod with yellow plastic cap stamped " R.S.C.I. RPLS 5034" found for corner;

THENCE S. 44 deg. 14 min. 50 sec. W. a distance of 260.00 feet to a 1/2" iron rod with yellow plastic cap stamped " R.S.C.I. RPLS 5034" found for corner;

THENCE N. 45 deg. 45 min. 10 sec. W. a distance of 236.01 feet to a 1/2" iron rod with yellow plastic cap stamped " R.S.C.I. RPLS 5034" set for corner in the Southeast right-of-way line of Rockwall Parkway;

THENCE in a Northeasterly direction along a curve to the right having a central angle of 16 deg. 57 min. 54 sec., a radius of 795.00 feet, a tangent of 118.57 feet, a chord of N. 35 deg. 47 min. 19 sec. E., 234.54 feet, along said right-of-way line, an arc distance of 235.40 feet to a 1/2" iron rod with yellow plastic cap stamped " R.S.C.I. RPLS 5034" set for corner;

THENCE N. 44 deg. 16 min. 16 sec. E. along said right-of-way line, a distance of 3.02 feet to the POINT OF BEGINNING and containing 67,380 square feet or 1.55 acres of land.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

STATE OF TEXAS
COUNTY OF ROCKWALL

I the undersigned owner of the land shown on this plat, and designated herein as EYE CARE & LASER MANAGEMENT OF ROCKWALL, an Addition to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, water courses, drains, easements and public places thereon shown on the purpose and consideration therein expressed. I further certify that all other parties who have a mortgage or lien interest in the subdivision have been notified and signed this plat.

I understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same.

I also understand the following;

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of th eir respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maint aining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner of any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Roc kwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, sto rm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or

Until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer an d/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as p rogress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or

Until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

I further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; I , my successors and assigns hereby waive any claim, damage, or cause of action that I may have as a result of the dedication of exaction's made herein.

DR. HOLLY FISHER BRITT - OWNER

STATE OF TEXAS
COUNTY OF ROCKWALL

Before me, the undersigned authority, on this day personally appeared DR. HOLLY FISHER BRITT known to me to be the person whose name is subscribed to the foregoing instrument, and acknowledged to me that he executed the same for the purpose and consideration therein stated.

Given upon my hand and seal of office this _____day of _____, _____.

Notary Public in and for the State of Texas My Commission Expires:

NOTE: It shall be the policy of the City of Rockwall to withhold issuing building permits until all streets, water, sewer and storm drainage systems have been accepted by the City. The approval of a plat by the City does not constitute any representa tion, assurance or guarantee that any building within such plat shall be approved, authorized or permit therefore issued, nor shall such approval constitute any representation, assurance or guarantee by the City of the adequacy and availability for w ater for personal use and fire protection within such plat, as required under Ordinance 83-54.

SURVEYOR'S CERTIFICATE

NOW, THEREFORE KNOW ALL MEN BY THESE PRESENTS:

THAT I, Harold D. Fetty, III, R.P.L.S. No. 5034, do hereby certify that I prepared this plat from an actual and accurate survey of the land, and that the corner monuments shown thereon were properly placed under my personal supervision.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 8/4/2014

APPLICANT: Marigold Learning Academy

AGENDA ITEM: **Z2014-018;** Marigold Learning Center

SUMMARY:

Hold a public hearing to discuss and consider a request by Karri Shojaei-Scott of the Marigold Learning Academy on behalf of the owner, Modern Pyramids, Inc., for the approval of a Specific Use Permit (SUP) to allow for a Day Care Facility on a 0.45-acre parcel of land identified as Lot 3-R, Block A, Washington Place Addition, zoned Downtown (DT) District, situated within the SH 66 Overlay (SH 66 OV) District, and located at 401 W. Washington Street, City of Rockwall, Rockwall County, Texas, and take any action necessary.

BACKGROUND INFORMATION:

The applicant, Karri Shojaei-Scott, is requesting the approval of a Specific Use Permit (SUP) for the purpose of establishing a day care facility on the site. The property is zoned Downtown (DT) District. The Permissible Use Chart located in Article IV of the Unified Development Code (UDC) allows for the establishment of a day care facility in the DT District through the approval of an SUP by the Planning & Zoning Commission and City Council.

In July 2012, the applicants were granted a SUP to allow for a daycare facility at a property located within PD-50. The applicants are requesting the new SUP in order to move the facility to a larger space that will allow them to build an indoor play area to use throughout the year.

The operational plan that was provided for the previous SUP is still applicable. Marigold Learning Academy is a private, for-profit day care facility that specializes in providing a stimulating learning environment for children ages 2½ through seven (7) that have been diagnosed with an autism spectrum disorder (i.e. Aspergers Syndrome, Autism, Pervasive Development Disorders [PDD] or Autism Spectrum Disorders [ASD]). The facility employs five (5) teachers/support staff and has a maximum capacity of 29 students. This allows a student to teacher ratio no greater than seven (7) students to one (1) teacher. The facility is state licensed and subject to all federal, state and local laws pertaining to child care facilities.

The subject property is adjacent to SH-66/Washington Street and is accessible by a one-way drive off of First Street as well as a two-way drive from Washington Street. According to Table 3, Parking Requirements Schedule, of Article VI of the UDC, a day care facility w/ more than seven (7) students is required to provide one (1) parking space per every 300 square feet of building area, and a drive with a minimum ability to cue four (4) cars to meet the loading requirements. The building is a 4,275 square feet structure which means fifteen (15) parking spaces are required. The site contains 25 parking spaces and provides sufficient space to cue four (4) vehicles for loading and unloading purposes.

NOTIFICATION:

A notice was published on July 17, 2014 in the Rockwall County News. Twenty-seven (27) notices were mailed to property owners of record as well as non-owner occupants within 500 ft. of the subject property. Staff is unaware of any HOA's within 1,500 ft. of the subject property; therefore, no HOA's were notified. At the time of this report, one response has been received in favor of the request.

RECOMMENDATIONS:

If the request for a Specific Use Permit is approved, the following conditions are offered:

1) The City Council reserves the right to review this Specific Use Permit request [Case No. Z2014-018] one year after the approval and adoption of the attached draft ordinance, and
2) Any construction or building necessary to complete this request must conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION:

On July 29, 2014, the Planning and Zoning Commission recommended approval of the applicant's request for a Specific Use Permit (SUP) by a vote of 5-0, with Commissioners Conley and Minth absent.

NOTICE OF PUBLIC HEARING
CITY OF ROCKWALL, PLANNING & ZONING DEPARTMENT

PHONE: (972) 771-7745
EMAIL: PLANNING@ROCKWALL.COM

To Whom It May Concern:

You are hereby notified that the City of Rockwall Planning and Zoning Commission and City Council will consider the following application:

Case No. Z2014-018: Marigold Learning Center

Hold a public hearing to discuss and consider a request by Karri Shojaei-Scott of the Marigold Learning Academy on behalf of the owner, Modern Pyramids, Inc., for the approval of a Specific Use Permit (SUP) to allow for a Day Care Facility on a 0.45-acre parcel of land identified as Lot 3-R, Block A, Washington Place Addition, zoned Downtown (DT) District, situated within the SH 66 Overlay (SH 66 OV) District, and located at 401 W. Washington Street, City of Rockwall, Rockwall County, Texas, and take any action necessary.

For the purpose of considering the effects of such a request, the Planning and Zoning Commission will hold a public hearing on **Tuesday, 7/29/2014 at 6:00 p.m.,** and the City Council will hold a public hearing on **Monday, 8/4/2014 at 6:00 p.m.** These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street.

As an interested property owner, you are invited to attend these meetings. If you prefer to express your thoughts in writing please return the form to:

JoDee Sanford
Rockwall Planning and Zoning Dept.
385 S. Goliad Street
Rockwall, TX 75087

You may also email your comments to the Planning Department at planning@rockwall.com. If you choose to email the Planning Department please include your name and address for identification purposes.

Your comments must be received by **8/4/2014** to ensure they are included in the information provided to the City Council.

Sincerely,

Robert LaCroix, AICP
Director of Planning & Zoning

MORE INFORMATION ON THIS CASE CAN BE FOUND ON THE CITY'S WEBSITE: HTTP://WWW.ROCKWALL.COM/PLANNING/PLANNINGDEVCASES.ASP

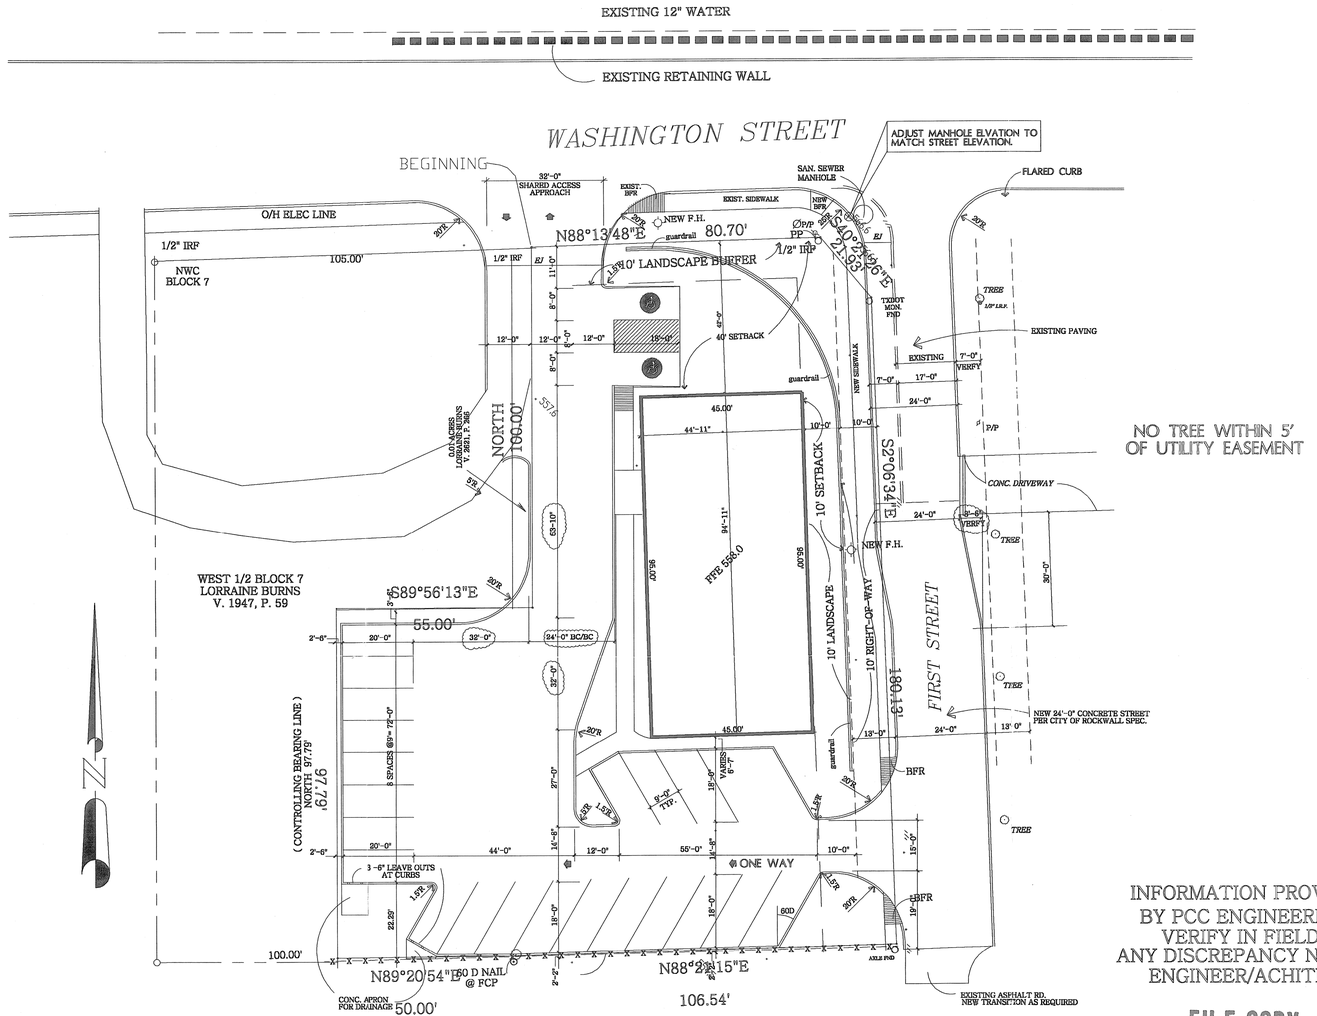
PLEASE RETURN THE BELOW FORM

Case No. Z2014-018: Marigold Learning Center

Please place a check mark on the appropriate line below:

☑ I am in favor of the request for the reasons listed below.

☐ I am opposed to the request for the reasons listed below.



Any One would believe everything down West Washington would already be Zoned for Day Type business.

Name: Billy W Peoples

Address: 1508 Ridge Road

BUSINESS PLAN

MARIGOLD LEARNING ACADEMY

Childcare

502 N. Goliad Str.

Rockwall TX.

75087

Email: marigoldlearningacademy@gmail.com

May, 26 2012

Marigold Learning Academy is a private, for-profit school for children with Autism Spectrum Disorders. The school was founded to provide a structured, nurturing, and stimulating learning environment for children with learning differences which prevent them from being successful in regular programs. The student body will be comprised of children ages 30 months through 1st grade, who have been diagnosed with Aspergers Syndrome, Autism, and Pervasive Development Disorders (PDD) or related Autism Spectrum Disorders (ASD).

Products and Services

Marigold Learning Academy is the only school in Rockwall County area with a program designed specifically for children with Autism. The program is unique in its ability to meet the needs of children with ASD, not only offering an academic program but also addressing the social and language challenges which make mainstreaming into regular classes so difficult. Enhancing self-confidence and building appropriate behaviors are an integral part of the program. We are dedicated to transforming the lives of children, their families and their community by providing the highest quality of services.

Marigold offers a challenging curriculum at all program levels addressing each of the major skill areas of Academic Development, Communication/Speech Therapy, Independence Skills Training, Structured Therapeutic Skills Development, Behavior Training, Occupational Therapy, Music Therapy, Art Therapy, Individualized Parent Training, Dietary/Nutritional Training, Animal- Assisted Therapy, School Transition Training, and most importantly, the social delays typical of children with autism. Structured and small student: teacher ratio is an important part of the program at all levels. No single method is used, but individual student needs are addressed.

Student teacher ratio is 7 students to 1 teacher; the maximum capacity is 29 students to 4 to 5 teachers/support staff.

Instructional times are from 8:00am to 3:00pm. Students will have the opportunity to attend before and after school program from 7:00-8:00, and 3:00pm- 4:30pm. The before and after school program will allow for flexibility in arrival and departure times. We anticipate that 30 to 40 percent of our students will participate in our before and after school program.

The academy will provide support to the local home school community; parents will have the opportunity to enroll students three days a week. We anticipate 20 percent of the total enrollment to comprise of home school students.

The academy will provide door to door services for student arrival and departure. Parents will drop off students using the designated drive-way, staff members will help students exit the cars and escort them into the school. When parents arrive in the afternoon, the teachers will escort their student's to their individual car. These procedures will allow for a constant flow of traffic during the peak times which will be at the start and end of a regular school day.

61

Marigold Learning Academy will maintain a web-based presence. Our site will provide general information on the company, a contact link for questions and other customer feedback, family access to Internet viewing of the facilities common instructional areas, information on our service(s)/curriculum, driving directions, business/academic hours, product/instructional material purchasing capability, etc. The web-based service will be open twenty-four hours a day and three hundred and sixty-five days per year.

Food Service

We will follow the nutrition and food service requirements as noted in the Texas Department of Family and Protective Services Minimum Standards for Child-Care Centers: (a) You must serve all children ready for table food regular meals and morning and afternoon snacks. (b) You must ensure a supply of drinking water is always available to each child and is served at every snack, mealtime, and after active play in a safe and sanitary manner. (c) You must not serve beverages with added sugars, such as carbonated beverages, fruit punch, or sweetened milk except for special occasion such as a holiday or birthday celebration. (d) You must not use food as a reward or punishment. In addition to state and local standards, we will also have a fruit and vegetable garden, gluten-free and casein-free diet will be offered and no artificial ingredients only wholesome foods.

Regulatory Requirements

Regulatory oversight is significant in the business industry. We will make application for all necessary local, state and federal licenses, registrations and permits.

Our primary regulatory obligations include the following: business reporting/compliance requirements, Texas Department of Family and Protective Service – Child Care Licensing, staff criminal/drug/documented worker background checks, student transportation, and food service regulations, State Department of Public Instruction (DPI) instructional staff certifications/licenses, professional malpractice/professional liability insurance, student confidentiality, student contracting/payment regulations.

All zoning, permits, certifications, and licensing will be fulfilled.

62

CITY OF ROCKWALL

ORDINANCE NO. 14-___

SPECIFIC USE PERMIT NO. S-

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) WITHIN THE DOWNTOWN (DT) DISTRICT ALLOWING FOR A DAYCARE FACILITY, FOR A PROPERTY LOCATED AT 401 W. WASHINGTON STREET, BEING A 0.45 ACRE PARCEL OF LAND DESCRIBED AS LOT 3-R, BLOCK A OF WASHINGTON PLACE ADDITION; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a request has been made by Karri Shojaei-Scott for a Specific Use Permit within the Downtown (DT) District allowing for a Day Care Facility on the property located at 401 W. Washington Street, being a 0.45 acre parcel of land described as Lot 3-R, Block A of Washington Place Addition, City and County of Rockwall, Texas; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the Unified Development Code of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit allowing for a Day Care Facility within the Downtown (DT) District, on the subject property at 401 W. Washington Street, being a 0.45 acre parcel of land described as Lot 3-R, Block A of Washington Place Addition, City and County of Rockwall, Texas; and

Section 2. That the Specific Use Permit shall be subject to the conditions set forth in **Section 4.8, *"DT" Downtown (DT) District*, of Article V, *District Development Standards*, of the City of Rockwall Unified Development Code (Ordinance No. 04-38)** as heretofore amended, as amended herein by granting of this zoning change, and as may be amended in the future, and shall be subject to the additional following conditions and definitions.

2.1 Operational Conditions

The following conditions pertain to the operation of a Day Care Facility on the subject property at 401 W. Washington Street and conformance to these stipulations is required for continued operations:

1) The facility must be licensed by the state.

2) The City Council reserves the right to review this Specific Use Permit one year after the approval and adoption of this ordinance.

Section 3. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

Section 4. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

Section 5. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of TWO THOUSAND DOLLARS ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 6. If any section or provision of this ordinance or the application of that section or provision to any person, firm, corporation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 08/04/2014

APPLICANT: Shanessa Coburn; *American Trooper*

AGENDA ITEM: **Z2014-019**; American Trooper (SUP)

SUMMARY:

Hold a public hearing to discuss and consider a request by Shanessa Coburn of American Trooper on behalf of the owner, Scott Milder, for the approval of a Specific Use Permit (SUP) to allow an antiques/collectables and general retail store in Planned Development District 50 (PD-50) for a 0.66-acre lot of land containing two (2) parcels of land identified as Block 23A (0.43-acres) and Block 24C (0.23-acres) of the Amick Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 50 (PD-50) for Residential-Office (RO) District uses, located within the North Goliad Corridor Overlay (NGC OV) District, addressed as 803 & 805 N. Goliad Street, and take any action necessary.

PURPOSE AND CHARACTERISTICS OF REQUEST:

American Trooper is a 501c3 tax exempt organization (*i.e. Non-Profit*) that accepts tax deductible donations for the purpose of reselling these items in a retail store in order to raise funds to support the military and their families. They currently have retail and drop off locations in Bonham and Richardson, Texas. The letter provided by the applicant, Shenessa Coburn, states that it is the organization's intent to open up a general retail store that sells antiques and collectables on the subject property at 803 & 805 N. Goliad Street. The property is currently zoned Planned Development District 50 (PD-50) [*Ordinance No. 07-29*], which stipulates that all properties located within this district are subject to the land uses designated for the Residential Office (RO) District as specified by *Permissible Use Charts* located in Article 4, *Permissible Uses*, of the Unified Development Code (UDC). This section establishes that a *General Retail Store* land use requires a Specific Use Permit (SUP) within the Residential Office (RO) District. Additionally, *Ordinance No. 07-29* specifically states that the *Antique/Collectable Sales* land use requires an SUP subject to certain conditions contained within Planned Development District 50 (PD-50).

Planned Development District 50 (PD-50) [*Ordinance No. 01-53*] was established in 2001 for the purpose of allowing property owners flexibility in regard to the use of their property, while also creating development standards that would maintain the historic nature of the district. The subject property was absorbed into the planned development in 2005 [*Ordinance No. 05-35*] with a City initiated zoning change intended to allow owner's, adjacent to the district, the same flexibilities with regards to use. The subject property is a 0.66-acre lot containing two (2) parcels of land addressed as 803 & 805 N. Goliad Street. Situated on 803 N. Goliad Street is a 1,738 SF single family home constructed ~1899.

The applicant has indicated that the proposed general retail store will be open Monday through Saturday from 10:00 A.M. to 6:00 P.M. The business will consist of the sale *Antiques/Collectable* that will include furniture, glassware, home décor, and accessories. The applicant's letter specifically states that they will not be accepting donations at this facility, and staff has placed a provision within the draft ordinance prohibiting this operation on the subject property. In addition, *Ordinance No. 07-29* states that the sale of *Antiques/Collectables* shall be

limited to a maximum of 2,000 SF, and cannot include the sale of used clothing or appliances. The applicant has requested to sell new clothing as an accessory use to the sale of *Antiques/Collectables*. As part of the operational constraints contained within the SUP ordinance staff has included restrictions that limit the sale/display area for new clothing to an area not greater than 200 SF, and the sale of *Antiques/Collectables* to the area inside the current structure. Additionally, the SUP ordinance restricts outside storage and display to only the area on the front porch. *A complete list of the operational constraints stipulated within the draft ordinance is located in the Recommendation section below.*

If the City Council chooses to approve the applicant's request a site plan showing conformance to all the development constraints contained within Planned Development District 50 (PD-50) shall be required to be approved by the Planning and Zoning Commission, and City Council if necessary. This submittal will include the parking layout and landscaping plan being proposed for the subject property.

ADJACENT LAND USES AND ACCESS:

The land uses adjacent to the subject property are as follows:

North: Directly north of the subject property are six (6) single family homes zoned Planned Development District 50 (PD-50) and Single Family 7 (SF-7) District. Beyond these residential properties is Heath Street followed by a vacant lot zoned Planned Development District 50 (PD-50).

South: Directly south of the subject property are two (2) residential structures that have been converted to office uses, and are zoned Planned Development District 50 (PD-70). Additionally, there are two (2) single family homes zoned Single Family 7 (SF-7) District.

East: Directly east of the subject property is N. Goliad Street (SH 205) followed by a single family home, a vacant lot, and a residential structure that has been converted to an office building. All the properties are zoned Planned Development District 50 (PD-50).

West: Directly west of the subject property are several single family homes zoned Single Family 10 (SF-10) District.

NOTIFICATION:

On July 18, 2014, staff mailed 97 notices to property owners within 500-feet of the subject property. Additionally, staff posted a sign adjacent to N. Goliad Street as required by the Unified Development Code (UDC). At the time this case memo was drafted staff had received one (1) notice in favor of the applicant's request and two (2) notices stating concerns about the use, traffic and the parking areas, but not indicating support or opposition to the applicant's request.

City staff has no knowledge of any Homeowner's Associations or Neighborhood Organizations located within 1,500-feet of the subject property.

RECOMMENDATIONS:

If the City Council choose to approve the applicant's request for a Specific Use Permit (SUP) for *Antique/Collectable Sales* in conjunction with a general retail store on the subject property then staff would recommend the following conditions of approval:

1) The applicant shall be responsible for maintaining compliance with the operational conditions contained in the approved SUP ordinance and summarized as follows:

   (a) Prior to the issuance of a Certificate of Occupancy (CO) a site plan shall be submitted and approved by the Planning and Zoning Commission, and if necessary City Council.

   (b) The *Antique/Collectable Sales* use shall be limited to the boundaries of the existing structure as depicted in the survey and floor plan [*Exhibit 'A' & 'B' of the SUP ordinance*], and will require the approval of City Council, upon a recommendation by the Planning and Zoning Commission, to be expanded.

   (c) The sale of used clothing and new/used appliances shall be prohibited.

   (d) The sale of new clothing shall be limited to the area indicated in *Exhibit 'B'* of this ordinance and shall not exceed 200 SF in total area.

   (e) Individual lease space or consignment sales shall be prohibited.

   (f) The "*drop off*" of donations and/or sales items by the general public shall be prohibited.

   (g) No outside storage shall be permitted on the subject property.

   (h) Outdoor sales and display shall only be permitted in areas designated on a site plan and shall be subject to the following conditions:

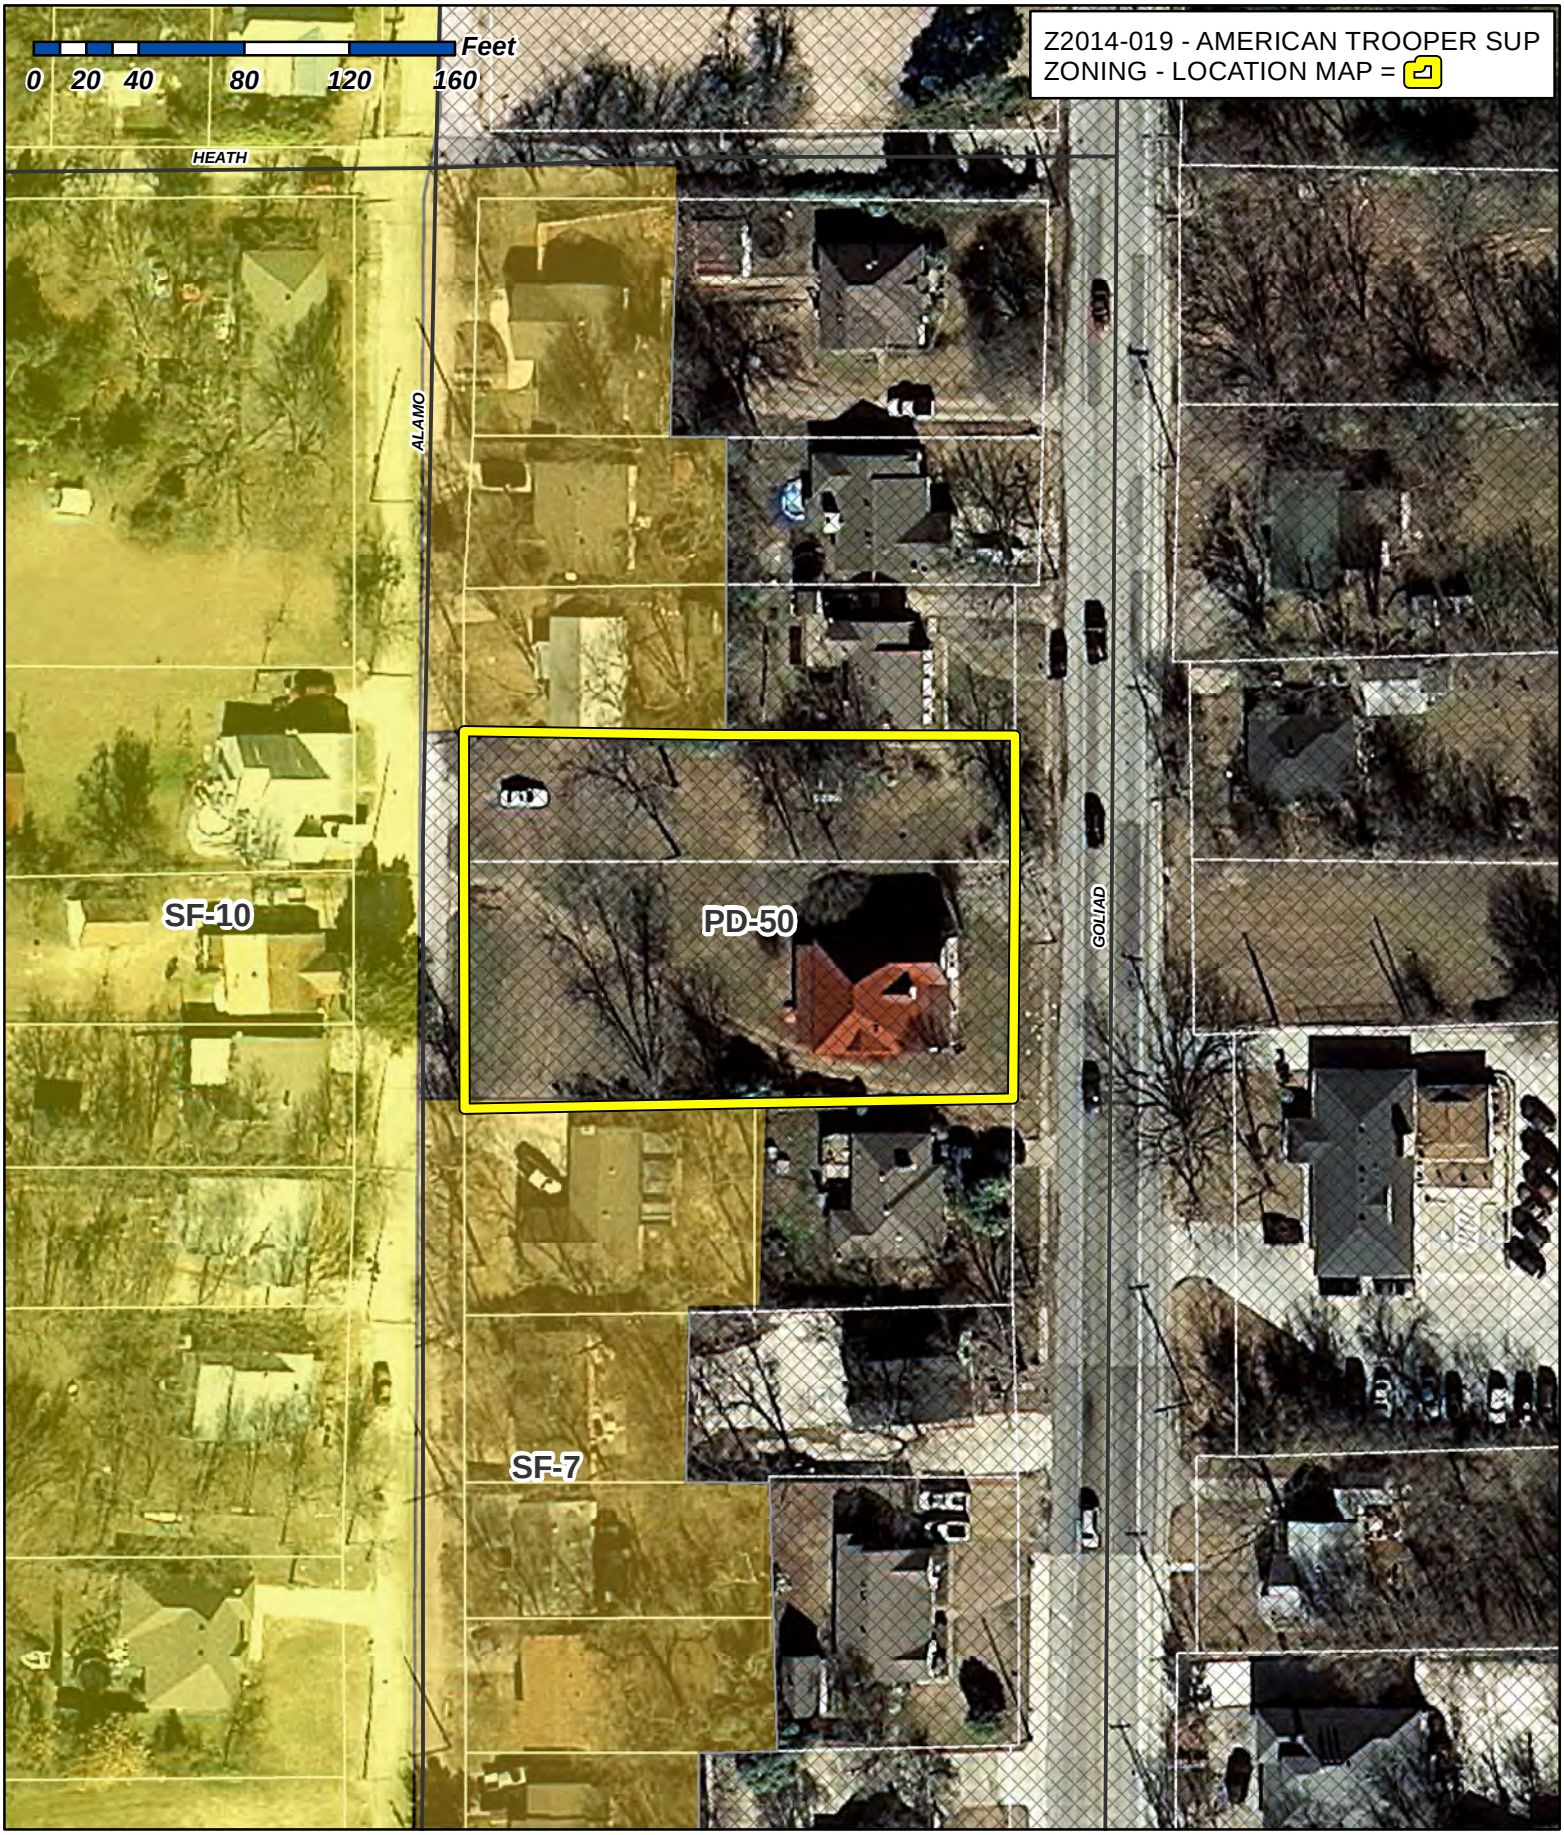
      i. Outdoor sales and display shall not exceed five (5) percent of the total enclosed floor area of the primary structure and/or shall be limited to the area identified as the *porch* on *Exhibit 'B'* of this ordinance, unless the Planning and Zoning Commission approves alternate areas that shall be indicated on the site plan.

      ii. Outdoor sales and display shall not be permitted to be located within any portion of the parking lot.

      iii. Outdoor sales and display shall be located underneath a covered area or be immediately adjacent to or connected to the primary structure.

2) In conformance with the requirements of Planned Development District 50 (PD-50) [*Ordinance No. 07-29*] the applicant shall be required to submit a site plan prior to the issuance of a building permit;

3) Unless specifically addressed within this case memo or operational ordinance, the site plan shall comply with all the requirements of Planned Development District 50 (PD-50) [*Ordinance No. 07-29*];



4) The applicant shall comply with all Planning, Engineering and Fire comments prior to the approval of the Specific Use Permit (SUP);

5) The City Council reserves the right to review this SUP request [*Case No. Z2014-019*] one (1) year after the approval and adoption of the SUP ordinance; and

6) Any construction or building necessary to complete this request must conform to the requirements set forth by the UDC, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION:

On July 29, 2014, the Planning and Zoning Commission recommended approval of the applicant's request for a Specific Use Permit (SUP) by a vote of 5-0, with Commissioners Conley and Minth absent.

NOTICE OF PUBLIC HEARING
CITY OF ROCKWALL, PLANNING & ZONING DEPARTMENT

PHONE: (972) 771-7745
EMAIL: PLANNING@ROCKWALL.COM

To Whom It May Concern:

You are hereby notified that the City of Rockwall Planning and Zoning Commission and City Council will consider the following application:

Case No. Z2014-019: American Trooper SUP

Hold a public hearing to discuss and consider a request by Shanessa Coburn of American Trooper on behalf of the owner, Scott Milder, for the approval of a Specific Use Permit (SUP) to allow an antiques/collectables and general retail store in Planned Development District 50 (PD-50) for a 0.66-acre lot of land containing two (2) parcels of land identified as Block 23A (0.43-acres) and Block 24C (0.23-acres) of the Amick Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 50 (PD-50) for Residential-Office (RO) District uses, located within the North Goliad Corridor Overlay (NGC OV) District, addressed as 803 & 805 N. Goliad Street, and take any action necessary.

For the purpose of considering the effects of such a request, the Planning and Zoning Commission will hold a public hearing on **Tuesday, 7/29/2014 at 6:00 p.m.,** and the City Council will hold a public hearing on **Monday, 8/4/2014 at 6:00 p.m.** These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street.

As an interested property owner, you are invited to attend these meetings. If you prefer to express your thoughts in writing please return the form to:

Ryan Miller
Rockwall Planning and Zoning Dept.
385 S. Goliad Street
Rockwall, TX 75087

You may also email your comments to the Planning Department at planning@rockwall.com. If you choose to email the Planning Department please include your name and address for identification purposes.

Your comments must be received by **8/4/2014** to ensure they are included in the information provided to the City Council.

Sincerely,

Robert LaCroix, AICP
Director of Planning & Zoning

You are hereby notified that the City of Rockwall Planning and Zoning Commission and City Council will consider the following application:

Case No. Z2014-019: American Trooper SUP

Hold a public hearing to discuss and consider a request by Shanessa Coburn of American Trooper on behalf of the owner, Scott Milder, for the approval of a Specific Use Permit (SUP) to allow an antiques/collectables and general retail store in Planned Development District 50 (PD-50) for a 0.66-acre lot of land containing two (2) parcels of land identified as Block 23A (0.43-acres) and Block 24C (0.23-acres) of the Amick Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 50 (PD-50) for Residential-Office (RO) District uses, located within the North Goliad Corridor Overlay (NGC OV) District, addressed as 803 & 805 N. Goliad Street, and take any action necessary.

For the purpose of considering the effects of such a request, the Planning and Zoning Commission will hold a public hearing on **Tuesday, 7/29/2014 at 6:00 p.m.,** and the City Council will hold a public hearing on **Monday, 8/4/2014 at 6:00 p.m.** These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street.

As an interested property owner, you are invited to attend these meetings. If you prefer to express your thoughts in writing please return the form to:

Ryan Miller
Rockwall Planning and Zoning Dept.
385 S. Goliad Street
Rockwall, TX 75087

rmiller @ rockwall.com

You may also email your comments to the Planning Department at planning@rockwall.com. If you choose to email the Planning Department please include your name and address for identification purposes.

Your comments must be received by **8/4/2014** to ensure they are included in the information provided to the City Council.

Sincerely,

Robert LaCroix, AICP
Director of Planning & Zoning

MORE INFORMATION ON THIS CASE CAN BE FOUND ON THE CITY'S WEBSITE: HTTP://WWW.ROCKWALL.COM/PLANNING/PLANNINGDEVCASES.ASP

PLEASE RETURN THE BELOW FORM

Case No. Z2014-019: American Trooper SUP

Please place a check mark on the appropriate line below:

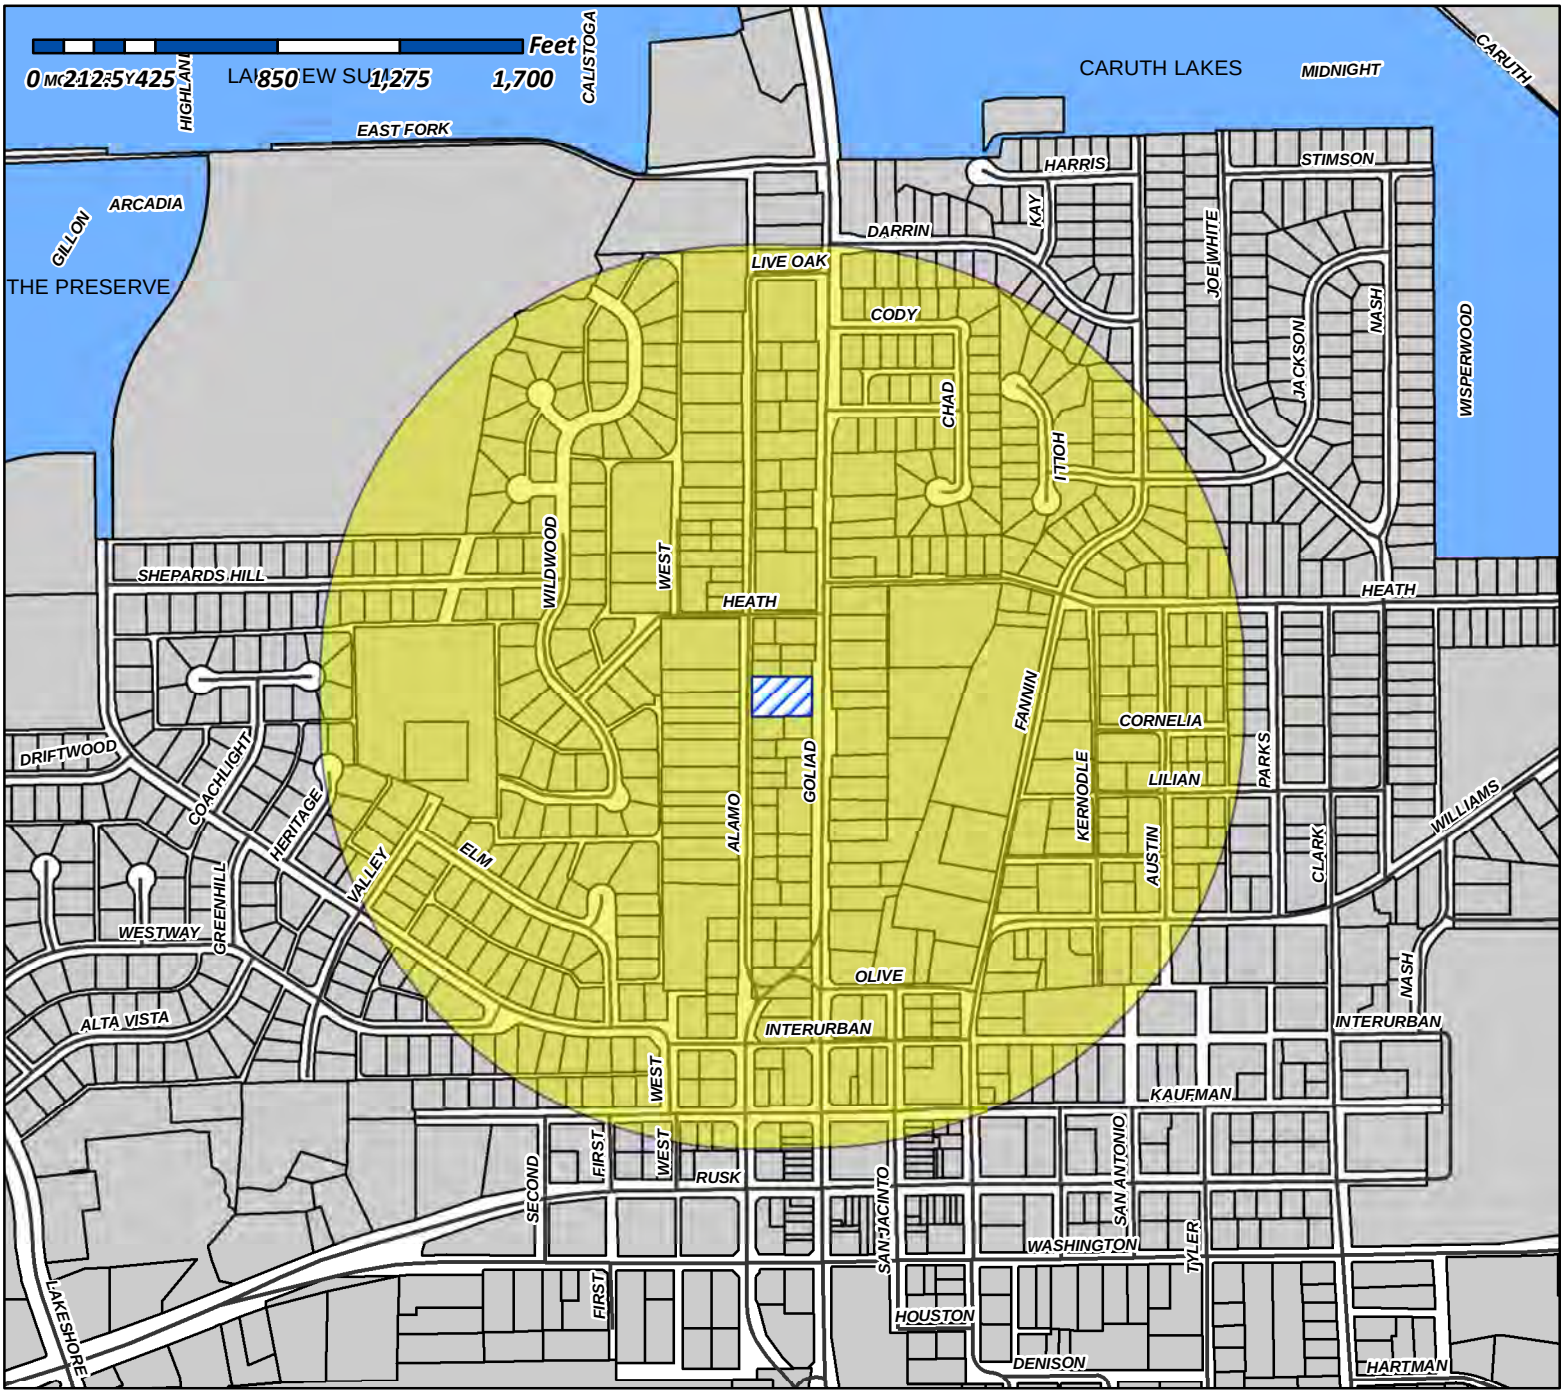
☐ I am in favor of the request for the reasons listed below.

☐ I am opposed to the request for the reasons listed below.

I am neither in favor nor opposed. However I am concerned about potential traffic issues if access is allowed off of Alamo Street AND the appearance of a parking lot. I would not oppose the business if the only entrance was off Goliad and some type of tree line or hedge row (tall) hid the parking lot.

Name: Caroline D. Cook

Address: 404 Wildwood Ln



Tex. Loc. Gov. Code, Sec. 211.006 (d) **If a proposed change to a regulation or boundary is protested in accordance with this subsection, the proposed change must receive, in order to take effect, the affirmative vote of at least three-fourths of all members of the governing body. The protest must be written and signed by the owners of at least 20 percent of either: (1) the area of the lots or land covered by the proposed change; or (2) the area of the lots or land immediately adjoining the area covered by the proposed change and extending 200 feet from that area.**

American Trooper Letter of Intent
7/8/14

City of Rockwall,

American Trooper is a 501c3 nonprofit organization benefitting US Troops, Veterans, and Military families. We intend to open a Vintage/Collectible retail store at 803 N. Goliad St.
The intentions of this location will be to sell Vintage/Antique/Collectible items that will enable us in our cause. The types of items will include furniture, glassware, home décor, and accessories. We understand this location cannot be used as a donation "drop off" and items must be stored indoors.
American Trooper looks forward to a successful working relationship with the City of Rockwall as we strive to give back to Military Heroes and their families.

Sincerely,
Shanessa Coburn
President of American Trooper

Subject: RE: Update Letter for American Trooper Vintage Boutique- 803 N. Goliad

Shanessa, we'll also need a floor plan indicating the location and the square footage of the area for the clothing sales. I believe Chris was going to get with Scott on that.

Robert

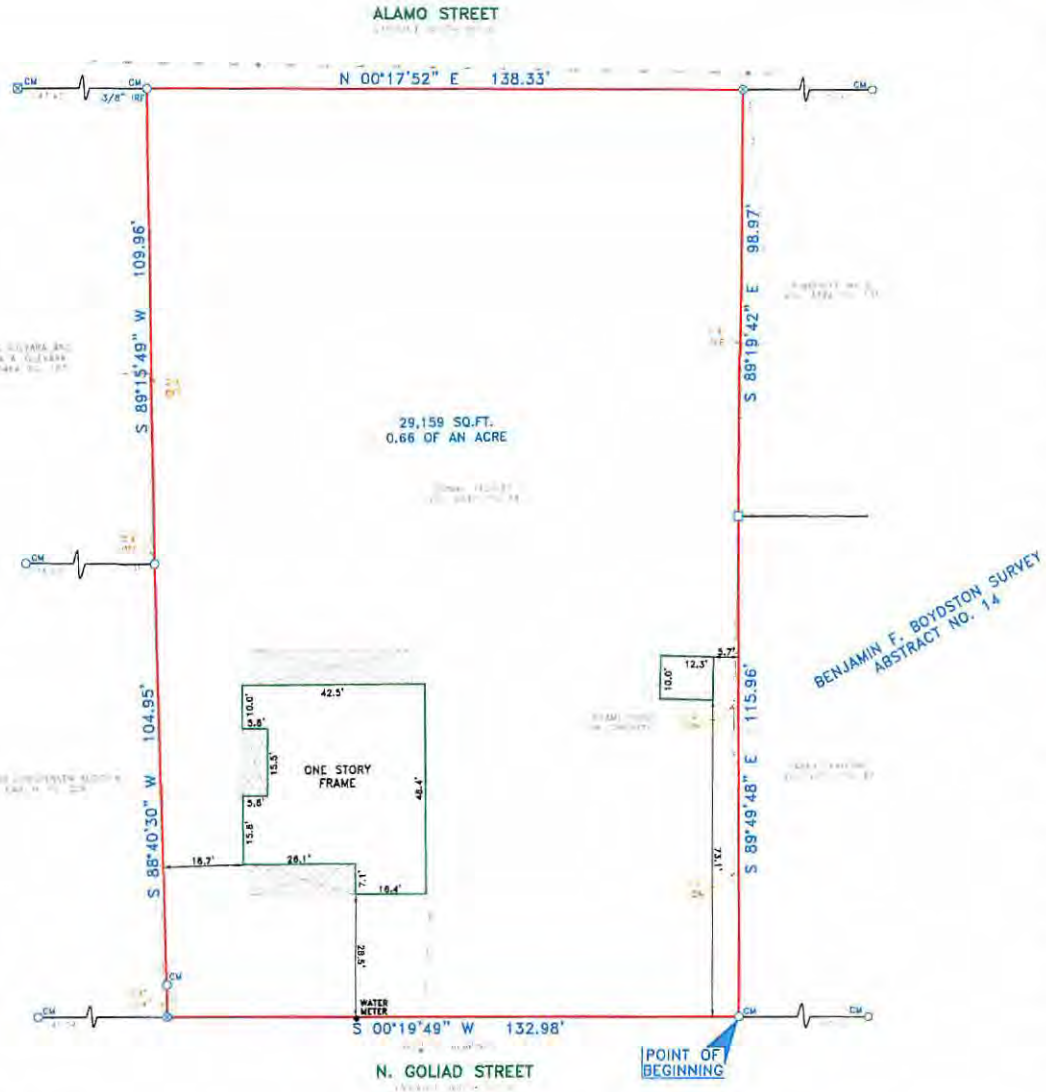
Subject: Update Letter for American Trooper Vintage Boutique- 803 N. Goliad

Hi Robert,



I spoke with Chris Johnson today. He informed me you need a letter stating further use of the property.

American Trooper Vintage Boutique in Rockwall will be located at 803 N. Goliad. We will be a Vintage Boutique Retail Store selling vintage items, furniture and collectibles, antiques, and new accessory clothing.

Please let me know if this letter is sufficient. Thank you for your time!

CITY OF ROCKWALL

ORDINANCE NO. 14-XX

SPECIFIC USE PERMIT NO. S-XXX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO APPROVE A SPECIFIC USE PERMIT (SUP) TO ALLOW ANTIQUE/COLLECTABLE SALES IN CONJUNCTION WITH A GENERAL RETAIL STORE IN PLANNED DEVELOPMENT DISTRICT 50 (PD-50), FOR A 0.66-ACRE LOT, ADDRESSED AS 803 & 805 N. GOLIAD STREET AND CONTAINING TWO (2) PARCELS OF LAND IDENTIFIED AS BLOCK 23A (0.43-ACRES) AND BLOCK 24C (0.23-ACRES) OF THE AMICK ADDITION, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a request has been made by Shanessa Coburn of American Trooper, on behalf of the owner, Scott Milder, for the approval of a Specific Use Permit (SUP) to allow *Antiques/Collectable Sales* in conjunction with a general retail store on a 0.66-acre lot containing two (2) parcels of land identified as Block 23A (0.43-acres) and Block 24C (0.23-acres) of the Amick Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 50 (PD-50) for Residential-Office (RO) District uses, located within the North Goliad Corridor Overlay (NGC OV) District, addressed as 803 & 805 N. Goliad Street, and more specifically described in *Exhibit 'A'* of this ordinance, which herein after shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1. That the Unified Development Code [*Ordinance No. 04-*38] of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit (SUP) allowing for *Antique/Collectable Sales* in conjunction with a general retail store within a Planned Development District 50 (PD-50) as stipulated by *Ordinance No. 05-18* and Article IV, *Permissible Uses*, of the Unified Development Code on the *Subject Property*; and

DRAFT ORDINANCE

SECTION 2. That the *Subject Property* shall be developed and/or used only in the manner and for the purposes described in this Specific Use Permit (SUP) ordinance and as set forth in Planned Development District 50 (PD-50) and Section 4.2, *Residential Office (RO) District*, of Article V, *District Development Standards*, of the Unified Development Code [*Ordinance No. 04-38*] as heretofore amended, as amended herein by granting of this zoning change, and as may be amended in the future, and shall be subject to the additional following conditions and compliance standards:

2.1 Operational Conditions

The following conditions pertain to the operation of a general retail store with *Antique/Collectable Sales* on the *Subject Property*, and conformance to these operational conditions are required for continued operations:

1) Prior to the issuance of a Certificate of Occupancy (CO) a site plan shall be submitted and approved by the Planning and Zoning Commission, and if necessary City Council.

2) The *Antique/Collectable Sales* use shall be limited to the boundaries of the existing structure as depicted in *Exhibit 'A' & 'B'* of this ordinance, and will require the approval of City Council, upon a recommendation by the Planning and Zoning Commission, to be expanded.

3) The sale of used clothing and/or new/used appliances shall be prohibited.

4) The sale of new clothing shall be limited to the area indicated in *Exhibit 'B'* of this ordinance and shall not exceed 200 SF in total area.

5) Individual lease space or consignment sales shall be prohibited.

6) The "*drop off*" of donations and/or sales items by the general public shall be prohibited.

7) No outside storage shall be permitted on the subject property.

8) Outdoor sales and display shall only be permitted in areas designated on a site plan and shall be subject to the following conditions:

   a) Outdoor sales and display shall not exceed five (5) percent of the total enclosed floor area of the primary structure and/or shall be limited to the area identified as the *porch* on *Exhibit 'B'* of this ordinance, unless the Planning and Zoning Commission approves alternate areas that shall be indicated on the site plan.

   b) Outdoor sales and display shall not be permitted to be located within any portion of the parking lot.

   c) Outdoor sales and display shall be located underneath a covered area or be immediately adjacent to or connected to the primary structure.

Section 3. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

Section 4. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

DRAFT ORDINANCE

Section 5. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of TWO THOUSAND DOLLARS ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 6. If any section or provision of this ordinance or the application of that section or provision to any person, firm, corporation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 18TH DAY OF AUGUST, 2014.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Mayor and City Council**

FROM: **Rick Crowley, City Manager**

DATE: **August 1, 2014**

SUBJECT: **Blacklands Corridor Feasibility Study**

Please find attached the latest Blacklands Corridor Feasibility Study newsletter and a resolution opposing the freeway/tollway route in Rockwall that we have been told is under consideration as a part of the study. A public meeting on the study is scheduled in Lavon on September 4. Representatives of the various entities that are involved in the feasibility study continue to meet with and discuss various aspects of the study with area cities.

Given that there continues to be discussion that one of the routes under consideration by those performing the study would cross the lake and go through the very north portion of the City of Rockwall City Limit (North of John King Boulevard) and that the City of Rockwall has not received any official information as to the final routes that are under consideration, I think that it is advisable the Council discuss whether the City may want to be prepared to address the City's position on the matter at the September 4 meeting in Lavon.

Given that the City has not been provided official information as to the route being considered in our City but have been told such a route is being considered as a part of the planning project, I have taken the liberty of drafting a resolution opposing the route if this is the position that the Council wants to take at this time. Of course, the resolution can be modified to reflect any position that the Council may choose to take on the matter. Another option would be to take no position on the matter until after the public meeting.

Certainly, if the Council adopts the attached resolution and if additional information is provided to the City such that the City favors a particular route, a future resolution could be considered at that time to express that position.

Summer 2014

Blacklands Corridor CONNECTION

Save the Date:

Public Meeting Sept. 4 in Lavon

Thursday, Sept. 4, 2014
NeSmith Elementary School
801 Presidents Blvd.

6:00 pm
Presentation & Public Comments
(A video recording will be posted at **www.nctcog.org/blacklands** after the meeting.)

Residents, elected officials, business leaders, and all interested individuals are invited to a public meeting to learn about work completed to date as well as what to expect in the coming months.

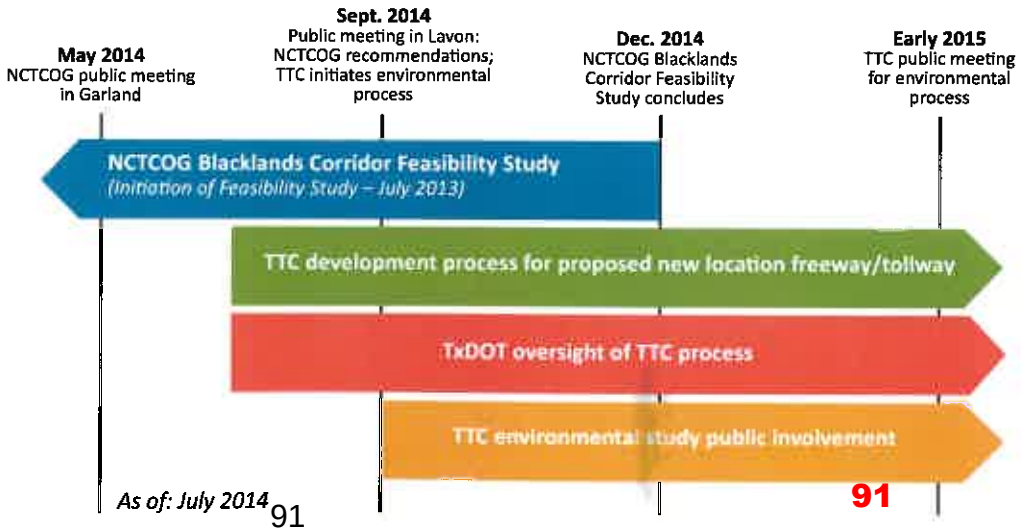
See full notice on back page.

For special accommodations due to a disability or language translation, call 817-608-2335 or email jstout@nctcog.org at least 72 hours prior to the meeting. Reasonable accommodations will be made.

Para ajustes especiales por discapacidad o para interpretación de idiomas, llame al 817-608-2335 o por email: jstout@nctcog.org con 72 horas (mínimo) previas a la junta. Se harán las adaptaciones razonables.

Transportation Study Concluding; Public Encouraged to Stay Involved, Attend Meetings

North Central Texas Council of Governments (NCTCOG) staff will present draft recommendations for the Blacklands Corridor Feasibility Study at a public meeting in Lavon on Sept. 4. A new location limited-access freeway/tollway facility will be included in these recommendations, and the Texas Turnpike Corporation (TTC) has expressed interest in carrying these plans forward for near-term development. TTC, a private development firm, will conduct a state-mandated environmental process which must be completed to determine the project location. Their representatives will also be in attendance to answer questions and further describe what residents can expect from the environmental process.



The draft recommendations presented at the Sept. 4 meeting will form the foundation for final recommendations to be published in a report by NCTCOG. A summary of paths forward for implementing each alternative can be found inside this newsletter and will be presented at the meeting.

Although the Sept. 4 meeting will be the last one organized by NCTCOG, TTC will continue to hold public meetings and hearings to solicit feedback from corridor residents regarding the proposed alignment for the new roadway facility.

The environmental assessment conducted by TTC will conform to a state process modeled after the federal process outlined in the National Environmental Policy Act. Concerns about any impact to the natural environment, historic sites, and quality of life will be examined. The Texas Department of Transportation will provide formal supervision throughout the assessment to ensure compliance with state law.

NCTCOG will publish its final report summarizing the study, including the alternatives analysis and public involvement process, later this year. The report will contain responses to issues and concerns raised by residents and other stakeholders during the study. Upon publication, the report will be posted to the study website at www.nctcog.org/blacklands. Paper copies will be made available upon request.

Blacklands Corridor Freeway/Tollway Development Timeline

As of: July 2014

91

Inside the Feasibility Study

Amendment to Long-Range Plan Scheduled

NCTCOG staff will present revisions to the region's long-range transportation plan at a series of public meetings Sept. 8-10. Federal regulations require urban areas to maintain a long-range transportation plan covering a period of at least 20 years. Adopted in March 2013, Mobility 2035 - 2013 Update defines a vision for the multimodal system and guides transportation investments. Since then, planners have continued to develop and refine projects contained in the plan. As a result, the plan will be strategically amended to more accurately reflect the latest project-level assumptions for a small number of projects, including the Blacklands Corridor Feasibility Study, which will allow them to meet critical deadlines and progress toward implementation. The Mobility 2035 - 2014 Amendment is anticipated to be adopted in October. Members of NCTCOG's email and mailing lists will receive additional information about the time and location of the public meetings. Information will also be available online at www.nctcog.org/meetings.

Paths Forward for Recommendations Depend on Multiple Agencies, Private Sector

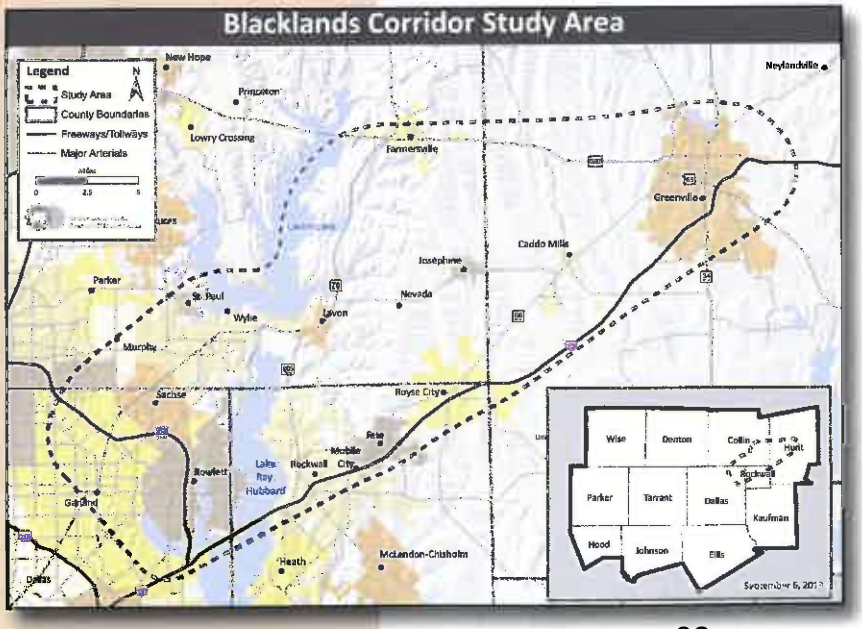
As planners finish their analysis of the strategies being evaluated in the Blacklands Corridor Feasibility Study, they are outlining a path forward for implementing each alternative. The study is recommending a combination of strategies to help meet local and regional transportation needs. Because a number of different entities complete transportation improvements, multiple partners would need to be involved in implementing these recommendations. All of these contributions will help enhance travel conditions in the study area.

Baseline Condition

The baseline condition includes the implementation of improvements that had been previously identified in Mobility 2035 - 2013 Update, the region's long-range transportation plan. Therefore, NCTCOG will continue to work with its regional transportation partners to implement important study area projects.

Transportation Systems Management

The study evaluated multiple smaller-scale improvements that would help improve the efficiency of the existing transportation system. Because a number of items have been considered under this strategy, multiple agencies would be involved in fulfilling the proposals. Recommendations in this category could be done on a continual basis, as stand-alone projects, or as part of larger-scale improvements.



Bicycle/Pedestrian Facilities

Bicycle and pedestrian facilities typically serve a local community need and are usually planned and implemented by cities and counties. NCTCOG works with local governments to aid in this process and to help identify funding for construction, particularly for projects with regional connectivity. As part of this study, planners assessed how all of the local plans work together as a system and identified an additional corridor to provide important system connectivity. NCTCOG will continue to partner with local governments to plan and implement priority bicycle and pedestrian improvements in the study area.

Freight Rail

Planners assessed the feasibility of using rail facilities instead of trucks to aid in the movement of freight throughout the study area. It was determined that this would not be a viable option. However, planned expansion of freight rail facilities in the study area could increase traffic on local roadways. Freight rail facilities are owned and operated by private companies, and expansion and improvement of these facilities are completed at their discretion. While freight rail strategies have been eliminated for further evaluation in the study, local governments and NCTCOG will continue to monitor the impacts that expansion of these facilities would have on travel conditions in the study area.

Continued on next page

92

May Public Meeting: Alternatives Discussed, Input Requested

At a public meeting in Garland on May 13, NCTCOG and its consultants presented an analysis of the feasibility for each of the transportation alternatives under consideration. Planners said they would recommend a combination of alternatives, including a new location freeway/tollway. They also announced that a private-sector firm would join the study process to facilitate coordination on plans for the freeway/tollway. Nearly 60 people attended the meeting. Staff advised the public to provide comments by May 31 to ensure their full consideration. A summary of the meeting and comments, presentation materials, and a video recording are available at www.nctcog.org/blacklands.

Public Invited to Help Improve Outreach Plan

Residents are invited to weigh in on an update to NCTCOG's Public Participation Plan, which outlines communications strategies and requirements for seeking public involvement in the transportation and air quality planning process. Staff will present recommendations for comment at public meetings Sept. 8-10. Residents on NCTCOG's email and mailing lists will receive notification of exact times and locations once they are determined.

Proposed updates are based on feedback from a recent survey as well as the need to enhance and focus efforts to inform the public and gather input. The survey results can be viewed at www.nctcog.org/trans/presentations in the presentation from June entitled "Enhancing Communications and Outreach." Email comments and questions to transinfo@nctcog.org or call 817-608-2335.

Continued from previous page

Transit

The feasibility study evaluated two major transit improvements: passenger rail service and express bus service. Analysis of the rail option showed that it failed to meet the ridership levels necessary for implementing service by 2035, so it will not be carried forward as a study recommendation. However, the express bus option did demonstrate ridership levels that would warrant service. Local governments interested in express bus service can partner with public transportation service providers to develop and implement this option.

Arterial Roadways

The study considered a variety of improvements to area arterials, including the optimization of SH 78, a full build-out of local thoroughfare plans, and new arterial facilities in the area near the lakes. As travel demand grows, enhancements to the arterial system will be key to improving mobility and accessibility. Once funding becomes available, improvements to arterials may be completed by cities, counties, or TxDOT, depending on the specific roadway and nature of the improvement.

IH 30 Bottleneck Projects

Several strategies for eliminating bottlenecks and improving the flow of travel in the IH 30 corridor were evaluated. These strategies are not intended to be long-term solutions but could provide temporary relief for this vital corridor while more substantive improvements are being studied and developed. Improvements to the Interstate Highway System are under TxDOT's jurisdiction and would involve extensive coordination with NCTCOG and local governments.

IH 30 Reconstruction

IH 30 is an important connection between the Dallas-Fort Worth region and points east. Recently, there has been growing interest statewide in expanding this facility to accommodate rising travel demand. The feasibility study assessed the impacts of adding general purpose and tolled managed lanes from the President George Bush Turnpike to the city of Greenville. It is expected that additional improvements beyond these limits are needed. TxDOT would be responsible for studying strategies to improve this facility throughout the state in partnership with agencies such as NCTCOG.

New Location Freeway/Tollway

The feasibility study has demonstrated that a transportation need exists in the study area, particularly in the vicinity of Lake Ray Hubbard and Lavon Lake. A private developer continues to show interest in building a new roadway in the study corridor, which could enhance transportation in the study area, particularly between the lakes. This private developer is now working with TxDOT to complete the environmental reviews necessary for project implementation.

Who Can Implement Recommendations from the Study?

Strategy	Implementing Agent
Baseline Condition	Regional transportation partners*
Transportation Systems Management	Regional transportation partners*
Bicycle/Pedestrian Facilities	Cities, counties
Freight Rail	Private-sector owners/operators
Transit	Cities, counties, transit service providers
Arterial Roadways	Cities, counties, TxDOT
IH 30 Bottleneck Projects	TxDOT
IH 30 Reconstruction	TxDOT
New Location Freeway/Tollway	TxDOT, toll authority, private developer

**Regional transportation partners may include cities, counties, TxDOT, toll authorities, transit authorities, and NCTCOG.*

Arlington, TX 76005-5888

Notice of Public Meeting
Blacklands Corridor Feasibility Study

Implementation Options to Be Discussed, Including Proposed Construction of New Limited-Access Freeway/Tollway

Public Meeting

Thursday, Sept. 4 at 6 pm
NeSmith Elementary School
801 Presidents Blvd.
Lavon, Texas 75166

NCTCOG will present final draft recommendations for transportation improvements in the Blacklands corridor. This presentation will include information on how recommendations, such as bicycle/pedestrian improvements or bus service, could be implemented.

Representatives from the Texas Turnpike Corporation will provide information on the environmental assessment that will begin this fall for a new location freeway/tollway project.

Meeting attendees will have the opportunity to provide comments and ask questions following the presentations.

Blacklands Corridor Feasibility Study

Since initiating a feasibility study last year, NCTCOG has determined that transportation needs exist in an area stretching from Greenville to Garland that includes portions of Collin, Dallas, Hunt, and Rockwall counties. Planners have conducted a multimodal analysis of transportation alternatives to guide development of solutions and conceptual projects. A final report in December will present recommended strategies for the entire corridor. A map of the study area is inside.

New Location Freeway/Tollway Project

The feasibility study showed that a new location highway could improve mobility in the area. The Texas Turnpike Corporation, a private firm, has begun work to develop this project as a potential toll road. To determine the location, TTC will complete an environmental and public involvement process under the supervision of the Texas Department of Transportation. Residents of the study area are encouraged to participate in this process.

Special Accommodations

For special accommodations due to a disability or language translation, call 817-608-2335 or email jstout@nctcog.org at least 72 hours prior to the meeting. Reasonable accommodations will be made.

Para ajustes especiales por discapacidad o para interpretación de idiomas, llame al 817-608-2335 o por email: jstout@nctcog.org con 72 horas (mínimo) previas a la junta. Se harán las adaptaciones razonables.

How to Provide Comments

Visit www.nctcog.org/blacklands to submit comments and questions to project staff. Staff can also be reached at jstout@nctcog.org or 817-608-2335.

Online Resources

Visit www.nctcog.org/blacklands to sign up for email updates, review project materials and maps, and watch videos of previous public meetings.

CITY OF ROCKWALL, TEXAS

RESOLUTION NO. 14-15

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROCKWALL,TEXAS, OPPOSING THE CONSTRUCTION OF THE BLACKLANDS CORRIDOR FREEWAY / TOLLWAY IN THE CITY OF ROCKWALL TEXAS; PROVIDING AN EFFECTIVE DATE.

WHEREAS, The North Central Texas Council of Governments, the Texas Turnpike Corporation, the Texas Department of Transportation, and a private developer have been conducting a study known as the Backlands Corridor Feasibility Study to assess and recommend a combination of strategies related to local and regional transportation needs; and

WHEREAS, the Blacklands Corridor Study Area includes parts of Collin, Dallas, Hunt, and Rockwall Counties and includes consideration of a new tollway connecting the City of Greenville with the President George Bush Turnpike; and

WHEREAS, the City of Rockwall has attended numerous meetings where the discussion of tollway routing has included numerous routes located in Collin County; and

WHEREAS, subsequent meeting of City of Rockwall representatives with representatives of the private developer have indicated that a new tollway route has been added for consideration which would be located in Rockwall County and partially within the City of Rockwall and its Extra-Territorial Jurisdiction.; and

WHEREAS, no documents indicating the new tollway route were provided to the City of Rockwall at said meeting by the private developer's representatives; and

WHEREAS, indications are that the new route being considered is contrary to the current planning of the City of Rockwall including adopted plans for parks, open space, thoroughfares, land use, and utilities; and

WHEREAS, the City of Rockwall has been requested to offer input related to the environmental inpact of the proposed route without having been provided specific information as to the location of the route, thus denying the City of Rockwall the opportunities to adequately assess and respond to potential environmental impact and other possible consequences that such a route may have; and

WHEREAS, the limited information provided about the new route causes great concern;

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the City of Rockwall strongly opposes the new route being considered for the Blacklands Corridor / Freeway which is partially located in Rockwall County and the City of Rockwall and its Extra-Territorial Jurisdiction,

Section 2. That the City of Rockwall urges that detailed, accurate information as to all routes currently under consideration by transportation planners be provided to the City of Rockwall and to all of the cities and counties affected by said routes being considered.

Section 3. That work continue on the study of all alternative solutions that may contribute to meeting the transportation needs with transit options being left to the discretion of local

governments, and that the City of Rockwall (and other cities and counties located along all routes being considered) be specifically provided a designated official single point of contact for the purpose of facilitating their involvement in the study as it progresses, and that clarification be provided to those same cities and counties as to the relative roles of the NCTCOG, the Texas Turnpike Corporation, the Texas Department of Transportation, the North Texas Turnpike Authority, the private developer (and its consultants), and any other applicable entities.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 4th day of August, 2014.

David Sweet, Mayor

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 8/04/2014

APPLICANT: Randy and Dianne Almon

AGENDA ITEM: **MIS2014-010;** Exterior Materials Exception

SUMMARY:

Discuss and consider a request by Randy and Dianne Almon for the approval of an exception to the minimum masonry requirements stipulated in Section 3.1, *General Residential District Standards*, of Article V, *District Development Standards*, of the Unified Development Code [*Ordinance No. 04-38*], for a 0.14-acre parcel of land identified as Block 48B, B. F. Boydston Addition, zoned Single Family 7 (SF-7) District, addressed as 213 Clark Street, City of Rockwall, Rockwall County, Texas, and take any action necessary.

BACKGROUND INFORMATION:

The applicants, Randy and Dianne Almon, are requesting a waiver to the 80% masonry requirement for a residential home to allow for the exterior cladding to contain up to a 100% cementaceous lap siding product (e.g. HardiPlank lap siding, etc.) on a newly constructed and approximately 1300 sq. ft. home. The property is located at 213 S. Clark St and is zoned SF-7. The purpose of the request is to maintain a visible aspect of lap siding that is consistent with the surrounding properties.

The Unified Development Code, under Section 3.1(A), General Residential District Standards reads as follows:

1. *…"Hardy Plank or similar cementaceous material may be used for up to 50% of the masonry requirement. Buildings with less than 80 percent shall require approval of the planning and zoning commission."*

The code further states:

3. *Exceptions to these requirements…may be permitted on a case by case basis by the City Council upon submission and approval of elevation drawings of the subject structure, and material samples.*

The applicant has recently purchased the property and is providing a letter requesting the exception and has a conceptual elevation of the home to be built for your review.

RECOMMENDATION:

Should the request be approved, staff would offer the following conditions of approval:

1. Submittal and approval of a building permit.

Planning and Zoning Recommendation:

On July 29, 2014, the Planning and Zoning Commission recommended approval of an exception to the exterior materials requirements of the UDC to allow for the use of up to a 100%

cementaceous lap siding product with staff conditions by a vote of 5 to 0 (Conley & Minth - absent).

July 22, 2014

To Whom It May Concern!

We have purchased the lot at 213 Clark Street in downtown Rockwall. We are having plans drawn up and are planning to build about a 1300' new home with a 2 car garage. In keeping with the look of the neighborhood we are asking for the opportunity to use up to 100% Hardy sided elevation. The houses that are currently built all have siding and we want to maintain that.

Thanks for your consideration concerning this request.

Sincerely,
Dianne Almon

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 7/29/2014

APPLICANT: Corgan Associates, Inc.

AGENDA ITEM: **SP2014-010**; Rockwall MOB (Presbyterian Hospital Addition)

Discuss and consider a request by Matt Callan of Corgan Associates, Inc. on behalf of the owner, Rockwall Regional Hospital, LLP, for the approval of an exception to the exterior materials requirements in association with a site plan for a medical office building on a 1.8907-acre parcel of land identified as Lot 3, Block A, Presbyterian Hospital of Rockwall Addition, City of Rockwall, Rockwall County, Texas, being zoned Planned Development District 9 (PD-9), located along Horizon Road [FM-3097] southeast of the intersection of Horizon Road [FM-3097] and Rockwall Parkway, and take any action necessary.

BACKGROUND INFORMATION:

The applicant has submitted a request for site plan approval of a 20,000 sq. ft. medical office building. The proposed facility is to be located on a 1.8907-acre lot that is within the Presbyterian Hospital of Rockwall Addition and is located north of Presbyterian Hospital. More specifically, the site is located at the N.W. corner of the hospitals main entrance and Horizon Road [FM 3097]. The property is zoned Planned Development No. 9 (PD-9) and has an underlying zoning of (GR) General Retail and is subject to the standards established within this district and PD-9.

EXCEPTION REQUEST:

The applicant will be seeking an exception to the exterior material requirements to allow for stucco located within the first eight (8) feet above grade on facades visible from a street or public area. Based on the applicants' elevations, stucco is present on the tower elements and incorporated in other areas of the buildings' design providing a balance to the remaining materials and overall appearance of the facility.

Under Sec. 4.1, General Commercial District Standards, the UDC provides as follows:

A. Construction materials.

***1. Exterior walls**. Each exterior wall shall consist of 90 percent masonry materials as defined in article XIII, Definitions, excluding doors and windows, on walls which are visible from a public street or open space, including a minimum of 20 percent stone.*
All buildings shall have exterior walls constructed of stone, brick, glass block, tile, cast metal, cast or cultured stone, or a combination of those materials. The use of other cementaceous products (e.g., stucco, Hardy Plank, or other similar materials approved by the building official) shall be limited to 50 percent of the building's exterior finishes where it is deemed important as a design feature and where it will be applied under the

113

highest standards for quality and durability. However, stucco may not be located in the first eight feet above grade on a facade visible from a street or public area.

Exceptions to this requirement may be permitted on a case by case basis by the council upon submission and approval of elevation drawings of the subject structure and material samples.

RECOMMENDATIONS:

Architectural Review Board Recommendation:

On June 24, 2014, general discussion concerning the agenda item took place between the ARB and staff. The ARB expressed concern about the lack of vertically articulated architectural elements presented on the building and recommended that the architect incorporate some form of verticality at the center of the building. Specifically, the board indicated that pitched roof elements similar to adjacent properties or vertical wing walls would be acceptable.

On July 29, 2014, ARB recommended approval of the applicant's request with no additional recommendations.

Should the request be approved, staff would offer the following conditions:

1. Adherence to Engineering and Fire Department standards.

2. Submittal and approval of a replat prior to issuance of a building permit.

3. Consideration of the recommendations forwarded to the Planning and Zoning Commission by the Architectural Review Board.

4. All signage requires submittal and approval of a separate permit through the Building Inspections Department; including meeting distance requirements from other signs and the total number of signs allowed for this site.

Planning and Zoning Recommendation:

On July 29, 2014, the Planning and Zoning Commission approved the Site Plan request and recommended approval of an exception to the exterior material requirements of the UDC to allow for stucco to be located within the first eight feet from grade as depicted in the revised elevation drawings submitted by a vote of 5 to 0 (Conley & Minth – absent).

Re :

Dear David,

We would like to request an exception for the use of Stucco within the first eight feet above grade from the material requirements of the Unified Development Code.

Our design concept utilizes material changes to emphasize the building articulation. We propose stucco to extend to the ground in areas that will not be exposed to damage by landscape equipment. Lath and plaster stucco is not easily damaged in areas of minimal foot traffic.

The Total Square Footage & Percentage of Stucco used on the building has been indicated with the Site Plan Submittal on Sheet A-4.0.

Sincerely,

Tina Larsen

City of Rockwall
The New Horizon

MEMORANDUM

TO: City Council

FROM: Joey Boyd, Director of Internal Operations

DATE: July 29, 2014

SUBJECT: Naming of Dickson Lane

The Council Naming Subcommittee (Mayor Pro Tem Pruitt, and Councilmen Daniels and Milder) recently met and discussed the formal naming of the roadway off of North Lakeshore Drive that serves as the entrance to the Squabble Creek Mountain Bike Trail.

Ken Dickson served as a member of the Rockwall City Council from 1981-1985. The Naming Subcommittee is submitting "Dickson Lane" to the full City Council for consideration in honor of Mr. Dickson.

A Resolution formally naming this roadway is attached and a map showing the section is included as an exhibit.

CITY OF ROCKWALL, TEXAS

RESOLUTION NO. 14-13

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, NAMING A CERTAIN ROADWAY WITHIN THE CITY OF ROCKWALL, TEXAS; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City of Rockwall received park land dedicated by developers as part of the Lakeview Summit Residential Development; and

WHEREAS, the city has previously made improvements to the park land used by its residents for leisure activity, including hiking, mountain biking, and nature watching; and

WHEREAS, Ken Dickson served the citizens of Rockwall as a City Council member from 1981 to 1985; and

WHEREAS, the Rockwall City Council wishes to honor Ken Dickson by adding his name to this roadway; and

WHEREAS, the Rockwall City Council believes said naming to be in the best interest of the public;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the roadway from North Lakeshore Drive heading north to the Squabble Creek Treatment Plant and Squabble Creek Mountain Bike Trail shall hereafter be designated as Dickson Lane, a map of which is attached hereto as "Exhibit A";

Section 2. That this resolution shall take effect immediately from and after its adoption and it is so resolved.

PASSED AND APPROVED BY THE CITY COUNCIL OF ROCKWALL, TEXAS, THIS 4th day of August, 2014.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Mayor and City Council**

FROM: **Rick Crowley**

DATE: **August 1, 2014**

SUBJECT: **Harbor Letter to Senator Cornyn**

Jim Pruitt, Mary Smith, and I met with Senator Cornyn's Deputy Director in the Senator's Dallas office last week. We were asked to develop a listing of related questions that the City would like to have answered. Once these questions are received by the Senator's office, their work to assist with the NCUA can begin.

The attached letter has been drafted for the purpose of adding it to the packet of information that we provided to them last week. If any Council member has any changes to the questions, there will be an opportunity to add for that during discussion at the meeting on Monday evening.

Once the Council has modified, added, or deleted questions that should be in the letter, a motion to authorize forwarding the letter to Senator Cornyn would be in order.

City of Rockwall

Re: "The Harbor", Rockwall, Texas

Dear Senator Cornyn:

The City of Rockwall greatly appreciates the time spent by Mr. Collin McLochlin of your Dallas office in meeting with City Manager Rick Crowley, Assistant City Manager Mary Smith and me last week to discuss the concerns that the City of Rockwall has regarding the property known in Rockwall as "The Harbor". At that meeting, we agreed to provide a listing of questions that City of Rockwall has about the property and its management including its relationship, if any, to the National Credit Union Administration (NCUA).

As indicated in the meeting with Mr. McLochlin, the City has a number of concerns and questions about management of the property as relates both the interests of the City of Rockwall and sound public policy management decisions by those who appear to be making those management decisions – TF Harbor LLC and Credit Union Liquidity Services (CULS). The City of Rockwall has a substantial investment in public property improvements between the Harbor property and Lake Ray Hubbard.

The questions that we have include the following:

- We would like to request that that the relationship between the NCUA – its Region IV staff, Credit Union Liquidity Services, and TF Harbor LLC be defined and explained.
- Is the property in Rockwall Texas, locally known as The Harbor, owned by TF Harbor LLC? If not, who is the owner of the property?
- Does the NCUA (or any other agency or employee of the Federal government) have any oversight or input as to:
    - The management of the property?
    - The decision as to whether to expend funds to maintain and operate the property?
    - The decision to expend funds associated with capital improvements at The Harbor?

128

- The decision as to circumstances that must exist at The Harbor such that the property would be for sale?
- The drafting of contract terms if it is to be sold?
- The control of lease terms offered to existing or prospective tenants?

- How does the current ownership's plan for The Harbor make sense as relates to any interest that the Federal government may have in The Harbor?
- Does the property currently report positive cash position and cash flow?
- If the property operates at a deficit, from where is the money for its continued operation derived?
- Based on acquisition cost and annual net income since the property has been under the ownership and control of TF-Harbor LLC, what is The Harbor's current basis? What is the annual net income? If the property operates at a net loss, what is the ownership's plan to recover that loss or sell the asset to end the loss?
- Does the profit/loss noted above, include any recognition of loan payments that would have been due on the "loan?" If not, what is the value of these payments?
- Does the property's ownership have interest in receiving contact information for the several private ventures and entities that have expressed interest to the City in buying the property if those private ventures and entities are agreeable to the City forwarding that information to the ownership?
- What plans have been developed as to whether the property will be sold or if the property will continue to be operated by TF-Harbor LLC?
- What is the relationship, if any, between TF-Harbor LLC and UCR?
- What is the relationship between TF-Harbor and Judge Fites Realtors?
- Does the Harbor ownership understand that the management of the property has an impact on the property's value?
- If the owners have plans to sell the property, what conditions must exist prior to a decision to sell the property?
- If the Harbor is sold, will the sale be a public offering or a privately negotiated sale?

The City of Rockwall would greatly appreciate any assistance that you can provide to facilitate our better understanding of the plans for The Harbor. A copy of the additional information provided to Mr. McLochlin at the meeting last week is also attached for your reference and convenience.

Sincerely,

Jim Pruitt
Mayor Pro Tem

City of Rockwall
The New Horizon

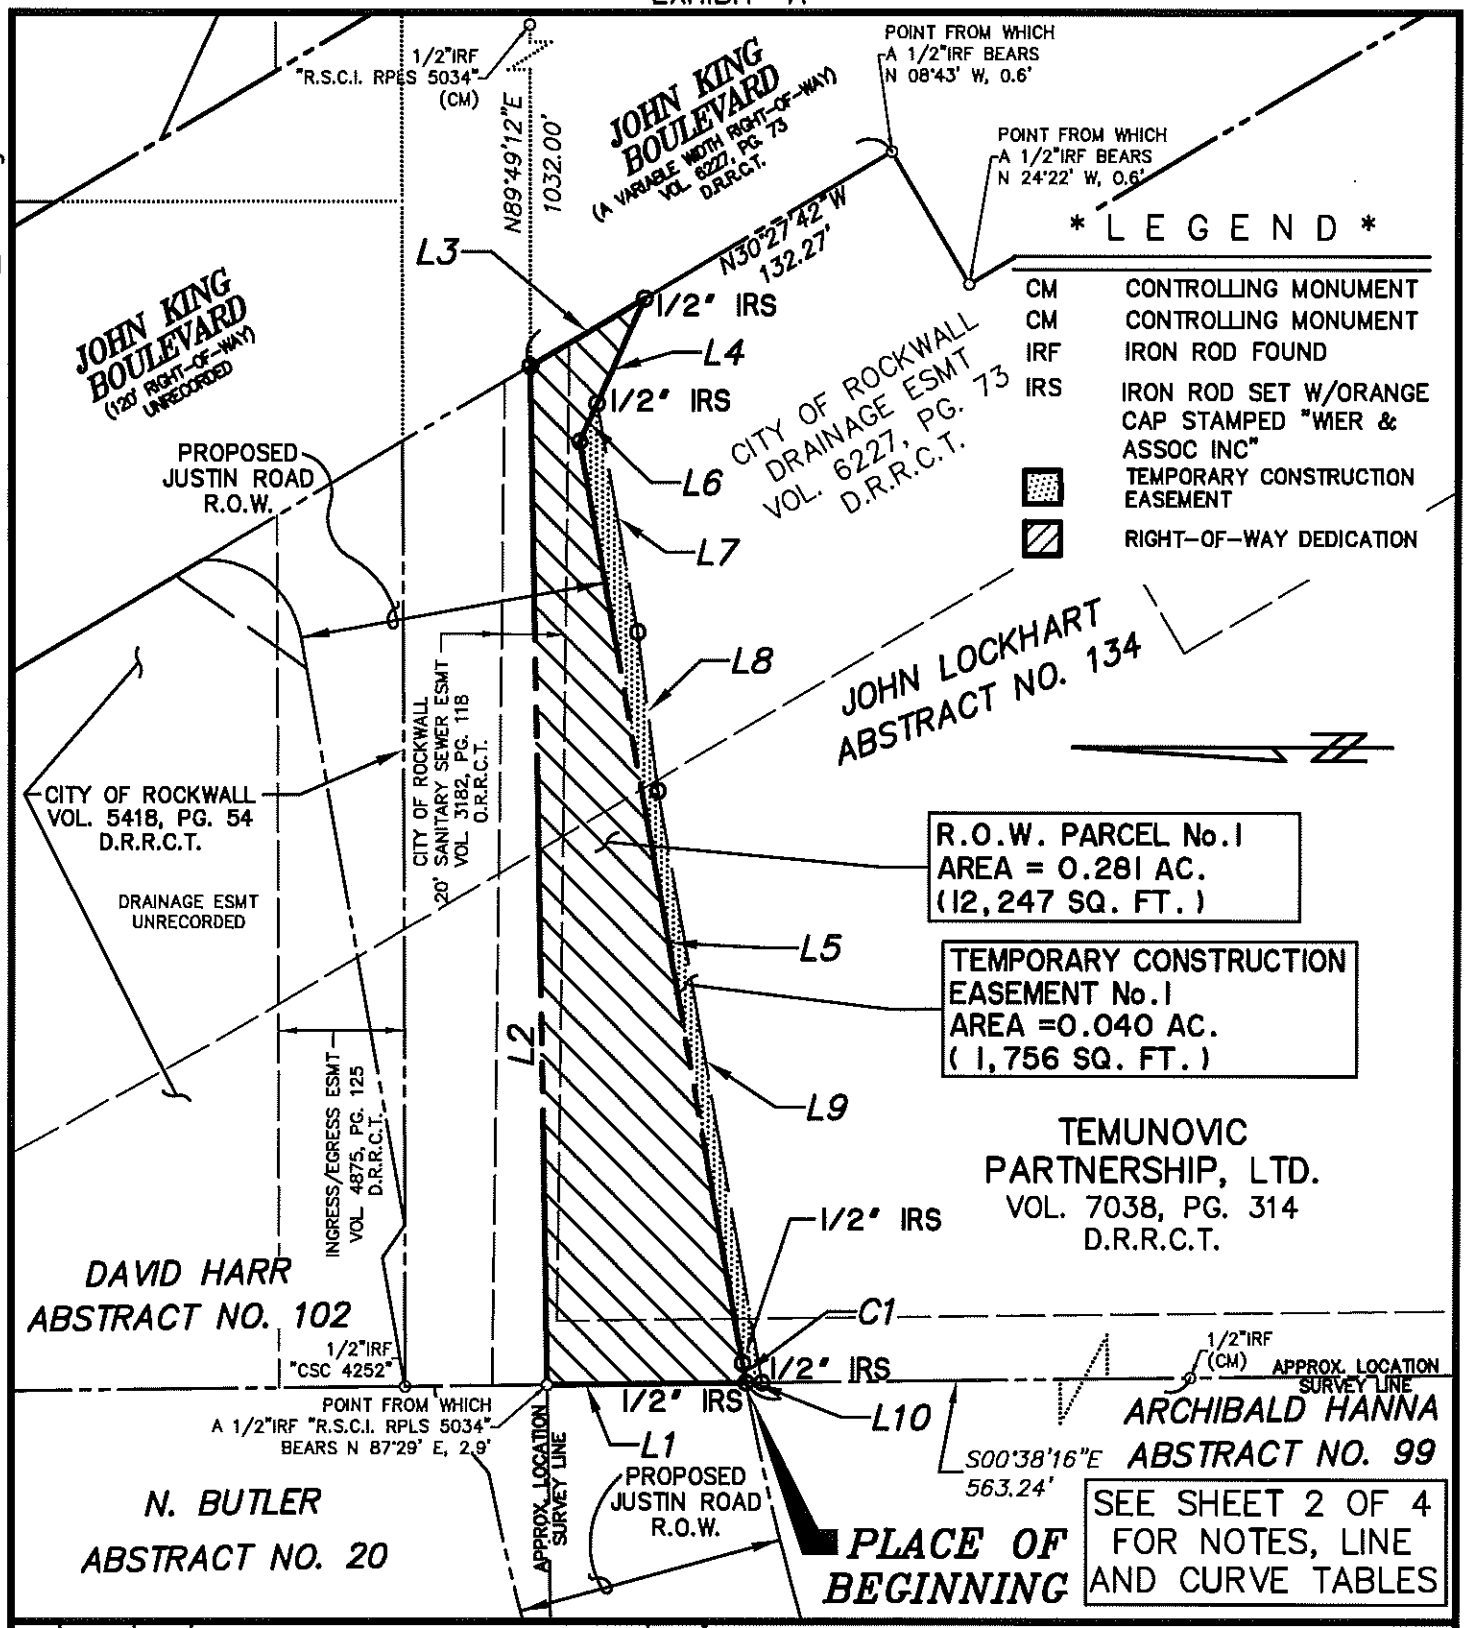
MEMORANDUM

TO: **Rick Crowley – City Manager**

FROM: **Brad Griggs – Assistant City Manager**

DATE: **August 1, 2014**

SUBJECT: **Resolution regarding Justin Road Extension property Acquisition**



On June 26, 2013, the City made a written offer to acquire fee simple title to for right of way and a Temporary Construction Easement for the land necessary to build the extension of Justin Road from Industrial Blvd to John King Blvd. The property is owned by Temunovic Partnership, LTD. The offer requested for a response within thirty days of receipt and we have not received any communication since our offer was mailed.

To move forward with the acquisition process, State law requires a governmental agency with the power of eminent domain to make a "final offer" at or above the appraised value. If negotiations are unsuccessful, the City may acquire the necessary property through the eminent domain process contingent pursuant to State law.

The City Attorney has prepared a resolution authorizing the issuance of a final offer to Temunovic Partnership, LTD. The final offer will request a response within a minimum of 14 days and if negotiations are unsuccessful, the City Attorney is authorized to acquire the necessary property and easements through eminent domain. Contingent on Council approval, State law requires the following language be used to direct the City Attorney to acquire the property.

"I move that the City of Rockwall authorize the City Attorney to make a last and final offer to Temunovic Partnership, LTD to acquire a .281 acre parcel and a 1,756 square foot Temporary Construction Easement generally located on the west side of John King Blvd for the extension of Justin Road between Industrial Blvd and John King Blvd pursuant to state law. If the final written offer is not accepted within fourteen days of the City making such final offer, I move to authorize the City of Rockwall to authorize the use of the power of eminent domain to acquire the above mentioned land interests for the Justin Road extension."

CITY OF ROCKWALL, TEXAS

RESOLUTION NO. 14-14

A RESOLUTION OF THE CITY OF ROCKWALL, TEXAS, DECLARING A PUBLIC NECESSITY FOR THE ACQUISITION OF FEE SIMPLE TITLE TO AND A TEMPORARY CONSTRUCTION EASEMENT ON ALL OR PORTIONS OF CERTAIN PRIVATELY OWNED REAL PROPERTIES FOR THE JUSTIN ROAD PROJECT LOCATED IN ROCKWALL COUNTY, TEXAS OWNED BY TEMUNOVIC PARTNERSHIP, LTD AND RESPECTIVELY LISTED AS FOLLOWS: A TRACT OF LAND CONTAINING 0.281 ACRES (12,247 SQUARE FEET) AND A TRACT OF LAND CONTAINING 1,756 SQUARE FEET, LOCATED OFF JUSTIN ROAD BETWEEN INDUSTRIAL BOULEVARD AND JOHN KING BOULEVARD IN THE CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; SAVE AND EXCEPT ANY OIL, GAS, OR OTHER MINERALS IN, ON OR UNDER OR PRODUCED FROM SAID PROPERTIES, WHICH MAY BE REMOVED FROM BENEATH SAID PROPERTIES WITHOUT ANY RIGHT WHATSOEVER REMAINING TO THE OWNER(S) OF SAID OIL, GAS OR OTHER MINERALS OF INGRESS OR EGRESS TO OR FROM THE SURFACE OF SAID PROPERTIES FOR THE PURPOSE OF EXPLORING, DEVELOPING, DRILLING, OR MINING OF SAME, AND SAVE FOR THE PUBLIC PURPOSE OF CONSTRUCTION, OPERATION, RECONSTRUCTION, IMPROVEMENT, REPAIR AND MAINTENANCE, OF THE JUSTIN ROAD STREET PROJECT; AUTHORIZING ALL APPROPRIATE ACTION OF THE CITY IN THE INSTITUTION AND PROSECUTION OF CONDEMNATION PROCEEDINGS TO ACQUIRE SUCH PROPERITES THAT CANNOT BE ACQUIRED THROUGH NEGOTIATION; RATIFYING AND AFFIRMING ALL PRIOR ACTS AND PROCEEDINGS DONE OR INITIATED BY ATTORNEYS, AGENTS AND EMPLOYEES OF THE CITY TO ACQUIRE SUCH PROPERTIES; AUTHORIZING ALL OTHER LAWFUL ACTION NECESSARY OR INCIDENTAL TO SUCH ACQUISITIONS OR EMINENT DOMAIN PROCEEDINGS TO INVESTIGATE, SURVEY, SPECIFY, DEFINE, APPRAISE, AND SECURE THE NECESSARY FEE SIMPLE TITLES AND TEMPORARY CONSTRUCTION EASEMENT TO SAID PRIVATELY OWNED REAL PROPERTIES; AND DECLARING THE SECTIONS OF THE RESOLUTION TO BE SEVERABLE ONE FROM THE OTHER IN THE EVENT ANY SECTION OF THIS RESOLUTION IS DETERMINED TO BE INVALID.

WHEREAS, the City of Rockwall has determined that the acquisition of fee simple title to and a temporary construction easement on all or portions of certain privately owned real properties located in Rockwall County, Texas, SAVE AND EXCEPT ANY OIL, GAS OR OTHER MINERALS IN, ON OR UNDER OR PRODUCED FROM SAID PROPERTIES, WHICH MAY BE REMOVED FROM BENEATH SAID PROPERTIES WITHOUT ANY RIGHT WHATSOEVER REMAINING TO THE OWNER(S) OF SAID OIL, GAS OR MINERALS OF INGRESS OR EGRESS TO OR FROM THE SURFACE OF SAID PROPERTIES FOR THE PURPOSE OF EXPLORING, DEVELOPING, DRILLING, OR PRODUCTION OF SAME, AND SAVE, is necessary and desirable for the construction, operation, reconstruction, improvement, repair and maintenance, of the Justin Road Street Project, a tract of land containing 0.281 acres (12,247 square feet) more or less, as described and depicted in the attached Exhibit "A" and

referenced as “Right of Way Parcel No. 1”, and a tract of land containing 1,756 square feet of land, more or less, as described and depicted in the attached Exhibit “A” and referenced as “Temporary Construction Easement No. 1”; said Exhibit “A” is fully incorporated herein by reference. The City of Rockwall has previously budgeted funds to be expended for these purposes, an adequate part of which remains on hand for such purposes; and

WHEREAS, employees, agents and attorneys acting for the City of Rockwall, are in the process of investigating, surveying, defining and negotiating for the acquisition of such privately owned real properties as may be needed on behalf of the City; and

WHEREAS, in connection with the acquisition of such privately owned real properties, it may be necessary for the City to enter upon properties to investigate, survey and appraise the needed property interests so that they may be defined and described with specificity for inclusion in any sales agreement or, if necessary, as part of any filings to institute proceedings in eminent domain to acquire the necessary property rights.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS THAT:

SECTION 1. Public necessity requires that the City of Rockwall acquire fee simple title to all or portions of certain privately owned real property either through purchase or by the process of eminent domain, for the public purpose of the construction, operation, reconstruction, improvement, repair and maintenance, of the Justin Road Street Project, more specifically,

> BEING A TRACT OF LAND LOCATED IN THE JOHN LOCKHART SURVEY, ABSTRACT No. 134, BEING A PORTION OF A TRACT OF LAND DESCRIBED IN A DEED TO TEMUNOVIC PARTNERSHIP, LTD., RECORDED IN VOLUME 7038, PAGE 314, DEED RECORDS, ROCKWALL COUNTY, TEXAS (D.R.R.C.T.), AND BEING MORE PARTICULARLY DESRIBED BY METES AND BOUNDS AS FOLLOWS:

THENCE N 79º47'13" E, 293.02 FEET TO A 1/2" IRON ROD SET WITH CAP STAMPED "WIER & ASSOC INC";

THENCE S 65º20'14" E, 13.12 FEET TO A POINT;

THENCE S 79º47'13" W, 72.75 FEET TO A POINT;

THENCE S 82º38'58" W, 50.06 FEET TO A POINT;

THENCE S 79º47'13" W, 188.02 FEET TO A POINT IN THE WEST LINE OF SAID TEMUNOVIC TRACT AND THE EAST LINE OF SAID ROCKWALL ECONOMIC DEVELOPMENT TRACT;

THENCE N 00º38'16" W, ALONG THE WEST LINE OF SAID TEMUNOVIC TRACT AND THE EAST LINE OF SAID ROCKWALL ECONOMIC DEVELOPMENT TRACT, 5.05 FEET TO THE PLACE OF BEGINNING AND CONTAINING 1,756 SQUARE FEET OF LAND, MORE OR LESS.

Public necessity also requires the City of Rockwall to take all other lawful action necessary or incidental to such acquisitions or eminent domain proceedings to investigate, survey, specify, define, appraise and secure the temporary construction easement to the privately owned real properties described in Section 2.

SECTION 3. The properties which are the subject of Sections 1 and 2 for which fee simple title and a temporary construction easement are required for the construction, operation, reconstruction, improvement, repair and maintenance, of the Justin Road Street Project, are described in "Exhibit A", which is attached to and is made a part of this Resolution for all purposes, SAVE AND EXCEPT ANY OIL, GAS OR OTHER MINERALS IN, ON OR UNDER OR PRODUCED FROM SAID PROPERTIES, WHICH MAY BE REMOVED FROM BENEATH SAID PROPERTIES WITHOUT ANY RIGHT WHATSOEVER REMAINING TO THE OWNER(S) OF SAID OIL, GAS OR MINERALS OF INGRESS OR EGRESS TO OR FROM THE SURFACE OF SAID PROPERTIES FOR THE PURPOSE OF EXPLORING, DEVELOPING, DRILLING, OR PRODUCTION OF SAME.

SECTION 4. The City of Rockwall, acting by and through its attorneys, is hereby directed and authorized to institute and prosecute to conclusion all necessary proceedings to condemn the property interests described in Section 1 and Section 2 of this Resolution and to acquire such interests in land as the City is unable to acquire through negotiation by reason of its inability to agree with the owners of the land as to the value of such interest in land, and to take any other legal action necessary or incidental to such acquisitions or eminent domain proceedings to investigate, survey, specify, define, appraise and secure the necessary property rights.

SECTION 5. All acts and proceedings done or initiated by the employees, agents and attorneys of the City for the acquisition of such property interests rights are hereby authorized, ratified, approved, confirmed and validated and declared to be valid in all respects as of the respective dates of such acts and proceedings, with and in regard to the parties from whom such rights are being purchased or acquired.

SECTION 6. Severability: If any provision, section, subsection, sentence, clause or phrase of this Resolution, or the application of same to any person or set of circumstances is for any reason held to be unconstitutional, void, or invalid, the validity of the remaining portions of this Resolution shall not be affected thereby, it being the intent of the City Council in adopting this Resolution that no portion hereof, or provisions or regulation contained herein, shall become inoperative or fail by reason of any unconstitutionality or invalidity of any other portion hereof and all provisions of this Resolution are declared to be severable for that purpose.

SECTION 7. That this resolution shall take effect immediately from and after its adoption and it is so resolved.

PASSED AND APPROVED BY THE CITY COUNCIL OF ROCKWALL, TEXAS, THIS 4th day of August, 2014.

David Sweet, Mayor

ATTEST:

Kristy Ashberry, City Secretary

APPROVED AS TO FORM:

Frank Garza, City Attorney

MEMORANDUM

TO: **Honorable Mayor and Council**

FROM: **Jeffrey Widmer, Building Official**

DATE: **July 30, 2014**

SUBJECT: **Review and discuss the City's current retaining wall standards**

At the July 21st City Council meeting, the City Manager was asked to put information together regarding the City's current standards for retaining walls. Staff has prepared a brief presentation for the August 4th meeting (enclosed in your packets for review). Following the presentation, staff will be prepared to discuss the current standards as well as any potential changes the Council may desire to make to them.

Retaining Wall Standards

145

Current Retaining Wall Regulations

- All retaining walls require a permit (we review for proposed materials, proposed location - if in an easement letter is required from Utility, and lot to lot drainage. Most of the Cities surveyed do not require a permit for walls <4' in height)
- Retaining walls shall be installed where lot slope is greater than 3:1
- All walls shall be masonry, stone, or reinforced concrete with stone face/form liner
- Walls 4' and higher require a professional Engineer's sealed design plan and his inspection (27 other Cities surveyed, with 1 requiring the same, 21 for walls >4', 2 at >3', 1 at >30" and 1 at >2')
- Railroad tie walls are prohibited
- Smooth concrete walls are prohibited

Requirements within our Engineering Standards of Design. Council may amend the standards if desired, by instructing Staff to amend the document, which does not require an ordinance change.

146

Wall Types Not Allowed Currently

Railroad Ties

148

Wood Products

149

Smooth concrete

150

Wall Types Currently Allowed

151

Smooth face CMU Blocks

152

Split Face CMU Blocks

153

Pavestones

154

Solid Stone Blocks

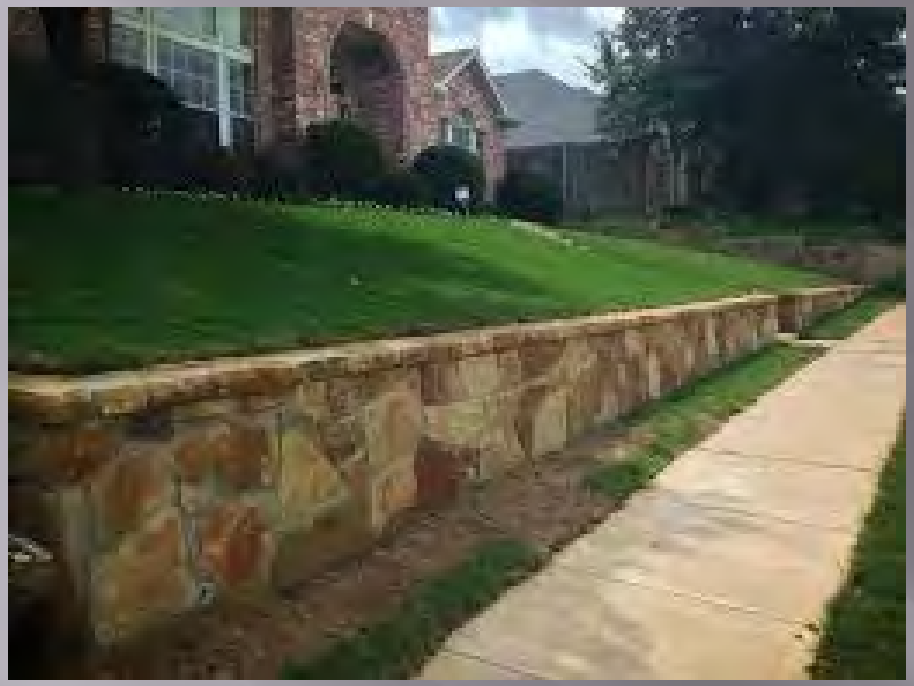
155

Keystone Blocks

156

Concrete with Stone Face/Form Liner

157



Concrete with Masonry Veneer

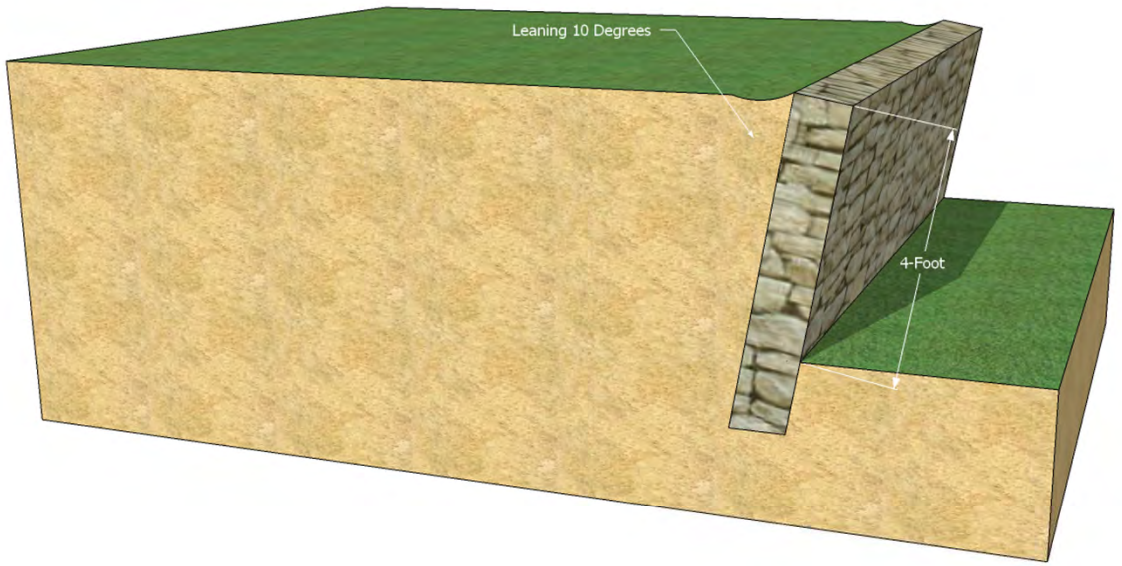
158

Millsap Wall

159

Stone Wall

160



Maintenance Standards

The following regulations exist in two surrounding City ordinances:

- It shall be unlawful for any portion of a retaining wall to lean more than 15 degrees out of vertical alignment
- Any wall that is 10 degrees or more out of plumb shall be repaired, replaced or removed

161

Representation of a 4’ wall leaning 10º

162

216 Alto Vista

Block wall is leaning 3.72^{o} and the concrete wall is leaning 5.31^{o}

August 2014 (Re) Appointments
2 year appointments to August 2016 unless otherwise noted

ARCHITECTURAL REVIEW BOARD (ARB) - Milder

(1) May be reappointed
Kristi Mase (attendance – missed 1 of 9 mtgs.)
Julien Meyrat (attendance – missed 1 of 9 mtgs.)

(2) Need to be replaced
Michael Johnston
Mike Mershawn (attendance - missed 4 of 9 mtgs.) (new member would serve partial term until Aug. 2015)

BOARD OF ADJUSTMENTS (BOA) - Full Council

(1) May be reappointed
Todd White (attendance – missed 1 of 3 mtgs.)

(1) Needs to be replaced
Jennifer Willis (termed out - 6 year policy)

BUILDING & STANDARDS COMMISSION - Full Council

(1) May be reappointed
Eric Chodun (attendance – attended the 1 mtg. that's been held in last year)

(3) Need to be replaced
David Marlett (termed out - 6 year policy)
Bridgett Hoofnagle (termed out - 6 year policy)
Mike Jusko (termed out - 6 year policy)

HISTORIC PRESERVATION ADVISORY BOARD (HPAB) - Daniels

(2) May be reappointed
Dick Clark (attendance – missed 1 of 8 mtgs.)
Tina Rowe (attendance – missed 1 of 8 mtgs.)

(2) Need to be replaced
Patti Canup (Historic Foundation Member) - (attendance - missed 5 of 8 mtgs.) (replacement would serve until Aug. 2015)
Enid Reyes (interested citizen) - (has missed 3 out of 6 mtgs. since being appointed)

166

PARK BOARD - Townsend

(3) May be reappointed
Brad Bassett (attendance – missed 4 of 11 mtgs.)
Kevin Moffatt (attendance - missed 2 of 11 mtgs.)
Charles Johnson (attendance - no missed meetings)

(1) Need to be replaced
Marcus Yarbrough (termed out - 6 year policy)

PLANNING & ZONING COMMISSION - Full Council

(2) May be reappointed
Craig Renfro (attendance – missed 2 of 23 mtgs. in last year) (new term through Aug. 2017)
Matthew Nielsen (attendance – missed 6 of 23 mtgs. in last year) (new term through Aug. 2017)

(2) Need to be replaced
Kristen Minth (termed out - 6 year policy (new board member's term through Aug. 2017)
Connie Jackson (termed out - 6 year policy) (new board member's term through Aug. 2017)

MAIN STREET ADVISORY BOARD - Sweet

(1) Needs to be replaced
SuLaine Callaway (resigned) (new board member's term would be through Jan. 2016)

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding Economic Development prospect pursuant to Section 551.087 (Economic Development)
2. Discussion regarding the following legal claim: TF-Harbor LLC v. City of Rockwall, Texas and Rockwall Rental Properties L.P. pursuant to Section 551.071 (Consultation with Attorney)
3. Discussion regarding appointment to fill city council member vacancy in accordance with City Charter provisions pursuant to Section 551.074 (Personnel Matters)
4. Discussion regarding appointments to city regulatory boards, commissions, and committees including the Building and Standards Commission, Board of Adjustments, Planning & Zoning Commission and Rockwall Economic Development Corporation pursuant to Section 551.074 (Personnel Matters)

XIV. RECONVENE PUBLIC MEETING & TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

XV. ADJOURNMENT

This facility is wheelchair accessible and accessible parking spaces are available. Request for accommodations or interpretive services must be made 48 hours prior to this meeting. Please contact the City Secretary's Office at (972) 771-7700 or FAX (972) 771-7727 for further information.

The City of Rockwall City Council reserves the right to adjourn into executive session at any time to discuss any of the matters listed on the agenda above, as authorized by Texas Government Code § 551.071 (Consultation with Attorney) § 551.072 (Deliberations about Real Property) § 551.074 (Personnel Matters) and § 551.086 (Economic Development)

I, Kristy Ashberry, City Secretary for the City of Rockwall, Texas, do hereby certify that this Agenda was posted at City Hall, in a place readily accessible to the general public at all times, on the 15th day of August, 2014 at 4:00 p.m. and remained so posted for at least 72 continuous hours preceding the scheduled time of said meeting.

_____ _____

Kristy Ashberry, City Secretary — Date Removed

Jacky Casey, Assistant Secretary

City of Rockwall
The New Horizon

TO: Honorable Mayor and City Council Members

FROM: Brad Griggs, Assistant City Manager

DATE: August 15, 2014

SUBJECT: Work Session re: retaining wall design and maintenance standards

---

Following the last council meeting, Councilmember Daniels contacted me to express concerns related to the council's August 4th approval of modifications to the city's design and maintenance standards regarding retaining walls. As such, a brief work session item has been placed on the August 18 council meeting agenda to discuss these standards further.

MEMORANDUM

TO: **Mayor and Council**

FROM: **Rick Crowley, City Manager**

DATE: **August 14, 2014**

SUBJECT: **Budget Overview Workshop Item**

Staff is finishing the final calculations and printing of the budget sheets in preparation for the Council Work Session on August 28th. We expect to be ready to deliver the workbooks Monday evening. In advance of the Work Session, we would like to take a few moments prior to Monday's meeting to go over the broader points of the budget. This should assist Council in their review of the proposed budget.

MINUTES
ROCKWALL CITY COUNCIL
Monday, August 04, 2014
4:30 p.m. Regular City Council Meeting
City Hall - 385 S. Goliad, Rockwall, Texas 75087

I. CALL PUBLIC MEETING TO ORDER

Mayor Sweet called the meeting to order at 5:00 p.m. Present were Mayor David Sweet, Mayor Pro Tem Jim Pruitt and city council members David White, Scott Milder, Dennis Lewis and Bennie Daniels. Also present were City Manager Rick Crowley, Assistant City Managers Mary Smith and Brad Griggs, and (fill-in) City Attorney Patrick Lindner. Councilmember Mike Townsend was absent from the meeting.

Mayor Sweet read the below-listed items into the record before recessing the public meeting into Executive Session.

II. EXECUTIVE SESSION. (4:30 P.M.)

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding possible claim related to Oncor pursuant to Section 551.071 (Consultation with Attorney)
2. Discussion regarding proposed lease/sale of city land for possible private project pursuant to Sections 551.072 (Real Property) and Section 551.087 (Economic Development negotiations).
3. Discussion regarding Economic Development incentives, procedures and possible projects pursuant to Section 551.087 (Economic Development)
4. Discussion regarding Economic Development prospect pursuant to Section 551.087 (Economic Development)
5. Discussion regarding update on proposed land lease/acquisition located near the Justin Road right-of-way pursuant to Section 551.072 (Real Property).
6. Discussion regarding the following legal claim: TF-Harbor LLC v. City of Rockwall, Texas and Rockwall Rental Properties L.P. pursuant to Section 551.071 (Consultation with Attorney)
7. Discussion regarding appointments to city regulatory boards, commissions, and committees including the Building and Standards Commission, Board of Adjustments, Planning & Zoning Commission and Rockwall Economic Development Corporation pursuant to Section 551.074 (Personnel Matters)
8. Discussion regarding appointment to fill city council member vacancy in accordance with City Charter provisions pursuant to Section 551.074 (Personnel Matters)

III. ADJOURN EXECUTIVE SESSION

Executive Session was adjourned at 5:52 p.m.

IV. RECONVENE PUBLIC MEETING (6:00 P.M.)

Mayor Sweet reconvened the public meeting at 6:00 p.m. with all council members, except Councilmember Townsend, being present.

V. TAKE ANY ACTION AS A RESULT OF EXECUTIVE SESSION

There was no action taken as a result of Executive Session at this time.

VI. INVOCATION AND PLEDGE OF ALLEGIANCE – MAYOR PRO TEM PRUITT

Mayor Pro Tem Pruitt delivered the invocation and led the Pledge of Allegiance.

VII. PROCLAMATIONS / AWARDS

1. The Better Vision for Children Foundation

Mayor Sweet called representatives of this organization forward. He then read and presented them with the proclamation.

2. Russell Lawrence - 40 Years of Service to the City of Rockwall

Mayor Sweet called Mr. Lawrence forward. Both he and City Manager Rick Crowley offered brief comments related to Mr. Lawrence's service over the last forty years working for the city, thirty-six of which have been in the role of Parks Superintendent. Mayor Sweet then read and presented a proclamation to Mr. Lawrence.

VIII. OPEN FORUM

Mayor Sweet explained how Open Forum is conducted. He then asked if anyone in the audience would like to come forth and speak during this time.

Ben Weible
215 Trout
Rockwall, TX 75032

Mr. Weible came forth and expressed that he would like the council to have some discussion and provide additional information related to the item on tonight's agenda relative to banning e-cigarettes or vapor cigarettes in city buildings. He is curious as to what the justification is for government intervention in this regard, especially since these devices are utilized to help people stop smoking. He suggested that nicotine gum and 'the patch' might also need to be added to such prohibition if there is in fact some reasonable justification for banning these particular devices.

Al Crump
2295 Falls View Drive
Rockwall, TX

Mr. Crump expressed that he recently sent an email to the city council members and the city manager pointing out some concerns about our city. He is particularly concerned

about several streets in the city that are very dirty and still have sand left over from ice storms that occurred many, many months ago. He is also concerned about crumbled bricks in certain medians. Thirdly, he encouraged the city to seek out a good tenant to occupy the space previously occupied by Brookshire's. He and other residents he has spoken with would like to see a Whole Foods, Trader Joe's or Central Market. Council members and the City Manager expressed that they do not recall having previously received an email from Mr. Crump. Mr. Crowley asked Mr. Crump to ensure the city secretary is provided with his contact information so that city staff can get with him to follow up on these concerns.

Ruth Peck
Mrs. Ruth Peck of Rockwall Music Fest and the Philharmonic Orchestra came to invite the councilmembers to The Harbor on August 30 for a concert honoring Ralph Hall. She also thanked the council for their continued support.

Misti Potter
(no address given)

Mrs. Potter came forward and indicated that, on behalf of the Legislative Youth Forum that Representative Scott Turner recently created, she would like to make the city council aware of several young, local students who are in the audience tonight observing the city council meeting as part of learning about local government.

IX. CONSENT AGENDA

1. Consider approval of the minutes from the July 21, 2014 regular city council meeting, and take any action necessary.

2. Consider approval of an **ordinance** amending the Code of Ordinances in Chapter 38. Subdivisions to create a new Article, Article V. related to grading, excavation, earthwork and erosion control for developments, and taking any action necessary. **(2nd reading)**

3. Consider approval of a resolution allowing a temporary, partial closure of FM 552 (John King Boulevard to the Rockwall East City Limits), FM 549 (FM 3097 to SH 205) and SH 205 (FM 549 to South John King Boulevard) for the Hot Rocks Bike Ride on Saturday, August 9, 2014 from 6:30 AM to 3:00 PM, and take any action necessary.

4. **P2014-015** - Consider a request by Tracy Fetty on behalf of the owner, Holly Britt, for the approval of a replat for Lot 1, Block A, Eye Care & Laser Management of Rockwall Addition, being a 1.55-acre parcel of land currently identified as Lot 1, Block A, Horizon Ridge Center, Phase 1 Addition, zoned Planned Development District 9 (PD-9) for general retail land uses, located at the southeast corner of Rockwall Parkway and FM-3097 [Horizon Ridge Road], and take any action necessary.

Mayor Pro Tem Pruitt moved to approve the entire Consent Agenda (#1, 2, 3 and 4). Councilmember Lewis seconded the motion. The ordinance was read as follows:

CITY OF ROCKWALL, TEXAS
ORDINANCE # 14-32

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS AMENDING THE CODE OF ORDINANCES IN CHAPTER 38. SUBDIVISIONS TO ADD ARTICLE V. REGARDING GRADING, EXCAVATION, EARTHWORK AND EROSION CONTROL; PROVIDING FOR SEVERABILITY AND SAVINGS CLAUSES; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a vote of 6 ayes with one absent (Townsend).

X. APPOINTMENTS

1. Appointment with the Planning and Zoning Chairman to discuss and answer any questions regarding cases on the agenda and related issues and take any action necessary.

Craig Renfro, Chairman of the city's Planning & Zoning Commission, came forth and provided the council with recommendations of the Commission relative to items on tonight's meeting agenda. Regarding Z2014-018, Mayor Pro Tem Pruitt wanted to know if the Commission discussed traffic flow through the parking lot area of the proposed daycare. Mr. Renfro indicated that, yes, traffic flow was evaluated, and the Commission was able to become comfortable with the plan in that regard. He pointed out that the number of students at this facility will be very minimal.

The council took no action related to this agenda item.

XI. PUBLIC HEARING ITEMS

1. **Z2014-018** - Hold a public hearing to discuss and consider approval of an **ordinance** for a request by Karri Shojaei-Scott of the Marigold Learning Academy on behalf of the owner, Modern Pyramids, Inc., for the approval of a Specific Use Permit (SUP) to allow for a Day Care Facility on a 0.45-acre parcel of land identified as Lot 3-R, Block A, Washington Place Addition, zoned Downtown (DT) District, situated within the SH 66 Overlay (SH 66 OV) District, and located at 401 W. Washington Street, City of Rockwall, Rockwall County, Texas, and take any action necessary. **(1st Reading)**

Planning Director Robert LaCroix provided background information related to this agenda item. He stated this site was originally built and occupied by a hair salon. He explained how traffic will flow in and out of this facility if the SUP for this proposed daycare is approved. The applicant already has an SUP and runs a daycare over in PD-50; however, the daycare now needs more space, so that is why they desire to relocate. She is currently licensed by the state to have a maximum of twenty-nine (29) students. Mr. LaCroix stated that owners and occupants of properties located within 500 feet were sent notices in the mail regarding this proposed SUP. One notice has been received back in favor of this request.

Mayor Sweet opened the public hearing and called the applicant forth.

Karri Shojaei-Scott, the applicant, came forth and shared that she currently runs a daycare on SH-205; however, they would like to move to create more space for an indoor gym area. She stated that the school is for autistic children.

Mayor Sweet asked if anyone else in the audience would like to come forth and speak. There being no one else wishing to come forth, Mayor Sweet then closed the public hearing.

Councilmember White made a motion to approve Z2014-018. Councilmember Milder seconded the motion.

The ordinance was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 14-___
SPECIFIC USE PERMIT NO. S-

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) WITHIN THE DOWNTOWN (DT) DISTRICT ALLOWING FOR A DAYCARE FACILITY, FOR A PROPERTY LOCATED AT 401 W. WASHINGTON STREET, BEING A 0.45 ACRE PARCEL OF LAND DESCRIBED AS LOT 3-R, BLOCK A OF WASHINGTON PLACE ADDITION; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a vote of 6 ayes with 1 absent (Townsend).

2. **Z2014-019** - Hold a public hearing to discuss and consider approval of an **ordinance** for a request by Shanessa Coburn of American Trooper on behalf of the owner, Scott Milder, for the approval of a Specific Use Permit (SUP) to allow an antiques/collectables and general retail store in Planned Development District 50 (PD-50) for a 0.66-acre lot of land containing two (2) parcels of land identified as a Block 23A (0.43-acres) and Block 24C (0.23-acres) of the Amick Addition, zoned Planned Development District 50 (PD-50) for Residential-Office (RO) District uses, located within the North Goliad Corridor Overlay (NGC OV) District, addressed as 803 & 805 N. Goliad Street, City of Rockwall, Rockwall County, Texas, and take any action necessary. **(1st Reading)**

Councilmember Milder indicated that he will be recusing himself from this item. He then left the room. An affidavit of recusal was signed and placed on file with the City Secretary.

Mr. LaCroix, Planning Director, provided background information related to this agenda item, indicating that the applicant would like to open an antiques/collectibles store as part of a 501c3 organization.

Mayor Sweet opened the public hearing and called forth the applicant.

Shanessa Coburn
Founder and President of American Trooper

Mrs. Coburn explained that this is a non-profit, 501c3 that benefits American Troops, veterans and their families. She provided a brief presentation to the council, indicating that this proposed shop would not only benefit troops, but also first responders.

Mr. Ben Weible
215 Trout
Rockwall, TX 75032

Mr. Weible generally encouraged the council to be favorable to this applicant and to a small business of this nature (second hand goods and selling of antiques / collectibles). He discouraged the council from any potential hostility or "anti-business" type of notion towards this applicant or other applications for businesses like this one. He expressed dissatisfaction for this applicant even having to seek approval from the city council in order to operate her business.

There being no one else wishing to come forth and speak before council, Mayor Sweet then closed the public hearing.

Councilmember Lewis made a motion to approve Z2014-019. Councilmember White seconded the motion.

Councilmember Daniels asked for clarification related to exit and entry into/out of this business. Mr. LaCroix indicated that a site planning process will take place after this evening, but that the applicant does intend to try to have cars exit on Alamo. Mr. LaCroix explained that the council could stipulate conditions on ingress/egress as part of approving the SUP if they so desire.

Councilmember Daniels commended this organization for its track record and work, expressing support for approval of this item.

The ordinance was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 14-XX
SPECIFIC USE PERMIT NO. S-XXX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO APPROVE A SPECIFIC USE PERMIT (SUP) TO ALLOW ANTIQUE/COLLECTABLE SALES IN CONJUNCTION WITH A GENERAL RETAIL STORE IN PLANNED DEVELOPMENT DISTRICT 50 (PD-50), FOR A 0.66-ACRE LOT, ADDRESSED AS 803 & 805 N. GOLIAD STREET AND CONTAINING TWO (2) PARCELS OF LAND IDENTIFIED AS BLOCK 23A (0.43-ACRES) AND BLOCK 24C (0.23-ACRES) OF THE AMICK ADDITION, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a vote of 5 in favor, 1 absent (Townsend), and 1 abstention (Milder).

Mayor Sweet then reordered the agenda to address Action Item #4 next.

XII. ACTION ITEMS

1. Discuss and consider a resolution related to the city's position on the Blackland Corridor Feasibility Study associated with planning for a freeway/tollway, and take any action necessary.

City Manager Rick Crowley began discussion of this agenda item. He explained that the study area is generally between the City of Greenville and the George Bush Turnpike / Tollway. It also goes up to the McKinney / 380 area. He indicated the route would possibly intersect John King Boulevard and then swing back up north. He stated that this roadway may be proposed to be a tollway. A September 4th meeting is set to take place in Nevada, and it is thought that the North Central Texas Council of Governments (NCTCOG) will be attending that meeting to present their recommendations relative to this roadway proposal. Mr. Crowley stated that the City of Rockwall desires to have additional information on this proposed roadway; however, for now, the council may wish to adopt a resolution expressing its position for non-support of this roadway. Mr. Crowley indicated that the council may, on the other hand, desire to hold off on acting upon this resolution until one of the next two city council meetings, as there are two city council meetings scheduled between now and that September 4th meeting in Nevada. Mr. Crowley indicated that the City of Rockwall has yet to receive formal information with regards to any proposed route in our city. Mayor Pro Tem Pruitt encouraged citizens of Rockwall to take a look at this topic and provide feedback to the City regarding this possible toll road so that the council and staff are able to take those sentiments with them to the September 4th meeting.

Mr. Crowley indicated that there is a meeting scheduled for this Thursday, at which time the City of Rockwall may gain some additional information about the proposed roadway.

Councilmember White indicated that he recalls public hearings that were held years ago for the then proposed President George Bush Turnpike / tollway. He recalls that the city had plenty of opportunity to provide public input regarding that roadway. He is concerned there have not been public hearings or ample time / opportunity for the City of Rockwall and its citizens to have more details and provide input on this proposed roadway.

Mr. Crowley indicated that the City of Rockwall would at least like to have a proposed route on a map showing how, if at all, this proposed roadway will affect the City of Rockwall. He again mentioned that a meeting is to take place at 9AM this Thursday at the NCTCOG offices in Arlington. The hope is to obtain said map at that meeting.

Councilmember White indicated that he is not in favor of this roadway. Mayor Pro Tem Pruitt stated he will not be present at the next city council meeting in two weeks; however, he would like it noted on the record that he is definitely not in favor of this proposed roadway.

Mayor Pro Tem Pruitt moved to approve the resolution as to the city's position (of non-support) regarding this Blacklands Corridor Study. Mayor Sweet seconded the motion. Councilmember Milder expressed that he is against this proposed roadway due, in part,

to the complete lack of any attempt to provide the City of Rockwall or its residents with any sort of concrete information related to this roadway proposal. Councilmember Lewis clarified that the company behind the study of this proposed roadway and the roadway itself, Public Works, is a private company. Mr. Crowley recommended forwarding this resolution to Public Works, Rockwall County Commissioners and the NCTCOG immediately following its passage. Mr. Crowley indicated that staff will attend the meeting on Thursday and provide information gleaned to the council at that time.

The motion to approve the resolution passed by a vote of 6 ayes with 1 absent (Townsend).

2. **MIS2014-010** - Discuss and consider a request by Randy and Dianne Almon for the approval of an exception to the minimum masonry requirements stipulated in Section 3.1, General Residential District Standards, of Article V, District Development Standards, of the Unified Development Code [Ordinance No. 04-38], for a 0.14-acre parcel of land identified as Block 48B, B. F. Boydston Addition, zoned Single Family 7 (SF-7) District, addressed as 213 Clark Street, City of Rockwall, Rockwall County, Texas, and take any action necessary.

Mr. LaCroix provided brief background information related to this agenda item. Councilmember White made a motion to approve MIS2014-010. Councilmember Milder seconded the motion, which passed by a vote of 6 ayes with 1 absent (Townsend).

3. **SP2014-010** - Discuss and consider a request by Matt Callan of Corgan Associates, Inc. on behalf of the owner, Rockwall Regional Hospital, LLP, for the approval of an exception to the exterior materials requirements in association with a site plan for a medical office building on a 1.8907-acre parcel of land identified as Lot 3, Block A, Presbyterian Hospital of Rockwall Addition, City of Rockwall, Rockwall County, Texas, being zoned Planned Development District 9 (PD-9), located along Horizon Road [FM-3097] southeast of the intersection of Horizon Road [FM-3097] and Rockwall Parkway, and take any action necessary.

Planning Director, Robert LaCroix, provided brief background information regarding this agenda item. Councilmember White made a motion to approve SP2014-010. Councilmember Lewis seconded the motion, which passed by a vote of 6 ayes with 1 absent (Townsend).

Mayor Sweet then called for a brief break (7:22 p.m.).

Mayor Sweet called the meeting back to order at 7:34 p.m. Action Item #8 was addressed next on the agenda.

4. Discuss and consider a recommendation from the City Council Naming Subcommittee related to naming of Dickson Lane, and take any action necessary.

Mayor Pro Tem Pruitt provided a brief history of this agenda item, indicating that Mr. Harry Myers, previous mayor of Rockwall, had some disagreements Mr. Ken Dickson years ago. So, he decided to 'name' a certain roadway after Mr. Dickson because it went nowhere else at the time other than the sewer plant. He clarified that the roadway now also leads to our city's Squabble Creek hike/bike/walk trail. He then made a motion to approve a resolution naming Dickson Lane. Councilmember Daniels seconded the motion. Councilmember White expressed that he admittedly supports approval of this

item, even though he himself has had some disagreements with Mr. Dickson in the past. Mayor Pro Tem Pruitt thanked Mr. Dickson for his past service on the Rockwall City Council and through the Republican Men's organization. After brief comments, the motion passed by a vote of 6 ayes with 1 absent (Townsend).

Action Item #1 was addressed next.

5. Discuss and consider correspondence with U.S. Senator John Cornyn related to The Harbor, and take any action necessary.

Mr. Crowley indicated that city staff and Mayor Pro Tem Pruitt met with representatives of Senator Cornyn's office last week to discuss the management and ownership of The Harbor. The Senator's office suggested the city put together a list of questions that the city would like to have answered by the owners/managers. City staff has developed a list of questions, which has been placed in today's meeting packet for council review and consideration. Councilmember White asked if it will take Senator Cornyn's office a long time to take action on this letter once the city submits it to his office. Mr. Crowley indicated that he anticipates the agency will likely be responsive to the Senator fairly quickly. He also feels Senator Cornyn will act upon the city's letter (to send it to the agency) fairly quickly as well.

Mr. Crowley indicated that city staff will get the letter signed and sent over to Senator Cornyn's office this week.

6. Discuss and consider approval of a resolution of the City of Rockwall, Texas, declaring a public necessity for the acquisition of fee simple title to and a temporary construction easement on all or portions of properties for the Justin Road Project located in Rockwall County, Texas owned by Temunovic Partnership, LTD and listed as follows: a tract of land containing 0.281 acres (12,247 square feet) and a tract of land containing 1,756 square feet, located off Justin Road between Industrial Boulevard and John King Boulevard in the City of Rockwall, Rockwall County, Texas for the public purpose of construction, operation, reconstruction, improvement, repair and maintenance, of the Justin Road Street Project; authorizing all appropriate action of the City in the institution and prosecution of condemnation proceedings to acquire such properties that cannot be acquired through negotiation; authorizing all other lawful action necessary or incidental to such acquisitions.

Assistant City Manager Brad Griggs provided brief background information related to this agenda item. Mayor Pro Tem Pruitt made a motion as follows: I move that the City of Rockwall authorize the City Attorney to make a last and final offer to Temunovic Partnership, LTD to acquire a .281 acre parcel and a 1,756 square foot Temporary Construction Easement generally located on the west side of John King Blvd for the extension of Justin Road between Industrial Blvd and John King Blvd pursuant to state law. If the final written offer is not accepted within fourteen days of the City making such final offer, I move to authorize the City of Rockwall to authorize the use of the power of eminent domain to acquire the above mentioned land interests for the Justin Road extension. Councilmember White seconded the motion, which passed by a vote of 6 ayes with 1 absent (Townsend).

7. Discuss and consider prohibiting use of electronic cigarettes and vaping in city buildings, and take any action necessary.

Mayor Sweet indicated this item was placed on the agenda by Councilmember Milder. He explained that this item is being brought forth by him in the context of our city's smoking prohibition in city buildings. Mr. Crowley indicated that a prohibition of this nature would include customers coming into city buildings as well, similar to how our 'no smoking ordinance' prohibits smoking within city buildings. Councilmember Lewis asked if any complaints have been received about these devices being utilized in city buildings. Mr. Crowley indicated that no public complaints have been received; however, he has received some concerns from employees about other employees utilizing these devices at their desks / in their work areas.

Councilmember Lewis offered that he is a cancer survivor, and he basically contracted cancer, most likely, from second hand smoke.

Councilmember Milder made a motion to include vaping and e-cigarettes within the smoking prohibition that covers our city buildings. Councilmember Lewis seconded the motion.

Councilmember White indicated that a study just came out on Friday, indicating that carcinogens are not present at all in vaping residue. He indicated that, even if this is passed as a prohibition, he will still continue to vape in city buildings. He suggested that this agenda item is aimed to target him, and he generally has a problem with the city council regulating the behavior of grown adults. He suggested the city council consider banning consumption of cigarettes in our city if the goal is in fact to protect citizens.

Councilmember Milder indicated that, for the record, this item is not being directed at Councilmember White. Councilmember White expressed disagreement with Councilman Milder's reply, insisting the item is aimed at him.

Mayor Pro Tem Pruitt suggested that Councilmember White did not begin vaping until Councilmeber Milder brought up this subject matter some time back and a prohibition on the sale of these products to minors was put in place by this council.

Councilmember Lewis expressed he believes nothing good comes from ingesting nicotine.

Councilmember Daniels generally believes that vaping does affect others who are in the vicinity when someone is vaping. He suggested vaping would likely adversely affect his wife, for example, who suffers from diminished lung capacity. He is in favor of protecting the majority of individuals from these types of products.

Mayor Sweet indicated he believes it should be left up to the City Manager to decide what policies should be put in place to regulate what his employees are and are not allowed to do while at work or in city vehicles or facilities.

Councilmember White suggested a government body should focus on banning cigarettes, guns, alcohol, driving in cars, etc. if they really do wish to protect the public from things which may harm them.

The motion failed by a vote of 3 in favor with 3 against (White, Pruitt, and Sweet) and 1 absent (Townsend).

Action Item #9 was addressed next by council.

8. Discuss and consider the city's current retaining wall standards and possible amendments to the city's Engineering Standards of Design, and take any action necessary.

City Building Official, Jeffrey Widmer, came forth and provided a brief PowerPoint presentation to city council to show various types of retaining walls. He indicated that two of the cities staff surveyed have maintenance standards in place to require that 4' walls leaning 10-15 degrees must be repaired. Councilmember Milder clarified that the city does not currently have maintenance standards in place for leaning retaining walls. Mr. Widmer confirmed that the city does not currently have such standard; however, if a leaning wall posed a public health or safety concern and was not structurally sound, the city could take action to see that such wall(s) is repaired.

Councilmember White generally expressed that he sees a lot of smooth face concrete retaining walls, for example, on South Lakeshore, and he does not believe this type of retaining wall has affected the desirability of the neighborhood or kept anyone from moving there. He pointed out that nothing being discussed tonight that might be put into place would in any way address a resident's concerns regarding 216 Alta Vista. Councilmember White went on to make comments regarding various retaining wall construction materials and their estimated durability.

Councilmember Milder expressed that this subject matter is more related to property values rather than retaining walls or aesthetics. He indicated that he would like to see stone retaining walls rather than concrete or cinder block retaining walls.

Councilmember White generally voiced that retaining wall materials and their aesthetic appeal is subjective, and he has no problem with a haydite, smooth face retaining wall. Furthermore, he does not believe that retaining wall materials have kept anyone from moving into or out of Rockwall.

Councilmember Lewis indicated he believes anything above a 3' retaining wall should be professionally engineered. Also, he believes some sort of standards for aesthetics and maintenance should be in place.

Councilmember Daniels asked how city staff would determine if a wall is structurally sound or not. Mr. Widmer indicated that staff would make a judgment call and would possibly call upon a structural engineer to evaluate the leaning wall in order to determine if it is unsafe or structurally unsound.

Mayor Pro Tem Pruitt made a motion to keep the city's current safety regulations in place – that if a wall is unsafe, it needs to be replaced; if it's leaning more than ten degrees, the owner will replace the wall; engineer approval will be required for any wall constructed over three feet tall and that walls will not be constructed out of haydite block or smooth faced concrete. Councilmember Milder seconded the motion. Councilmember Milder expressed that he is in favor of even more stringent and specific masonry standards (i.e. specifying particular types of materials that would be allowed) similar to the city's masonry standards for new developments. After brief comments, the motion passed by a vote of 5 in favor, 1 against (White) and 1 absent (Townsend).

Action Item #5 was addressed next by Council.

9. Discuss and consider appointments to city advisory boards and commissions, and take any action necessary.

Councilmember Daniels made a motion to reappoint Dick Clark, Tina Rowe and Enid Reyes to the city's Historic Preservation Advisory Board for an additional two year term ending in August 31, 2016. Councilmember White seconded the motion, which passed by a vote of 6 ayes with 1 absent (Townsend).

Councilmember Daniels made a motion to appoint Carolyn Francisco to replace Patty Canup on the HPAB for a partial term to expire in August 31, 2015. Councilmember White seconded the motion. The motion passed by a vote of 6 ayes with 1 absent (Townsend).

XIII. CITY MANAGER'S REPORT TO DISCUSS CURRENT CITY ACTIVITIES, UPCOMING MEETINGS, FUTURE LEGISLATIVE ACTIVITIES, AND OTHER RELATED MATTERS.

1. Departmental Reports
Building Inspections Monthly Report - June 2014
Fire Dept. Monthly Reports - June 2014
Harbor PD Monthly Report - June 2014
Internal Operations Department Monthly Report - June 2014.
Police Department Monthly Report - June 2014
Recreation Department Monthly Report - June 2014
Rockwall Animal Adoption Center Monthly Report - June 2014

2. City Manager's Report

Councilmember Pruitt wished City Manager Rick Crowley happy birthday.

Mr. Crowley shared that TXDOT has notified the city that they will soon be installing LED safety lighting (street lights) on IH-30 from Horizon to SH-205. They are set to 'let' the contract around November of this year.

Regarding the North Goliad reconstruction project (from north of downtown up to the city limits) (resurfacing, intersection improvements and addition of traffic lights at Ridge Road West and Goliad), this project will be underway shortly by TXDOT.

The Rockwall County Roadway Consortium has asked consultants to evaluate the county's current thoroughfare plan to see if there are any changes needed since it was adopted a number of years ago. As part of this, FM-552 will be discussed to determine if it needs to be reconstructed in the future as a four lane or a six lane roadway.

Mr. Crowley and Mrs. Smith indicated that one organization (The Rockwall News) has not yet reported back to the city council regarding Hotel Occupancy Tax funding previously granted. Staff has emailed this organization, reminding them they owe a report to the council; however, thus far, staff has not heard back from this organization. Staff will be following up again.

Mayor Sweet adjourned the meeting at 8:35 p.m.

XIV. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding possible claim related to Oncor pursuant to Section 551.071 (Consultation with Attorney)
2. Discussion regarding proposed lease/sale of city land for possible private project pursuant to Sections 551.072 (Real Property) and Section 551.087 (Economic Development negotiations).
3. Discussion regarding Economic Development incentives, procedures and possible projects pursuant to Section 551.087 (Economic Development)
4. Discussion regarding Economic Development prospect pursuant to Section 551.087 (Economic Development)
5. Discussion regarding update on proposed land lease/acquisition located near the Justin Road right-of-way pursuant to Section 551.072 (Real Property).
6. Discussion regarding the following legal claim: TF-Harbor LLC v. City of Rockwall, Texas and Rockwall Rental Properties L.P. pursuant to Section 551.071 (Consultation with Attorney)
7. Discussion regarding appointments to city regulatory boards, commissions, and committees including the Building and Standards Commission, Board of Adjustments, Planning & Zoning Commission and Rockwall Economic Development Corporation pursuant to Section 551.074 (Personnel Matters)
8. Discussion regarding appointment to fill city council member vacancy in accordance with City Charter provisions pursuant to Section 551.074 (Personnel Matters)

XV. RECONVENE PUBLIC MEETING & TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

The council did not reconvene in Executive Session following the close of the public meeting, and no action was taken.

XVI. ADJOURNMENT

The public meeting was adjourned at 8:35 p.m.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 18th day of August, 2014.

30

CITY OF ROCKWALL
ORDINANCE NO. 14-33
SPECIFIC USE PERMIT NO. S-123

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) WITHIN THE DOWNTOWN (DT) DISTRICT ALLOWING FOR A DAYCARE FACILITY, FOR A PROPERTY LOCATED AT 401 W. WASHINGTON STREET, BEING A 0.45 ACRE PARCEL OF LAND DESCRIBED AS LOT 3-R, BLOCK A OF WASHINGTON PLACE ADDITION; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a request has been made by Karri Shojaei-Scott for a Specific Use Permit within the Downtown (DT) District allowing for a Day Care Facility on the property located at 401 W. Washington Street, being a 0.45 acre parcel of land described as Lot 3-R, Block A of Washington Place Addition, City and County of Rockwall, Texas; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the Unified Development Code of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit allowing for a Day Care Facility within the Downtown (DT) District, on the subject property at 401 W. Washington Street, being a 0.45 acre parcel of land described as Lot 3-R, Block A of Washington Place Addition, City and County of Rockwall, Texas; and

Section 2. That the Specific Use Permit shall be subject to the conditions set forth in **Section 4.8, *"DT" Downtown (DT) District*, of Article V, *District Development Standards*, of the City of Rockwall Unified Development Code (Ordinance No. 04-38)** as heretofore amended, as amended herein by granting of this zoning change, and as may be amended in the future, and shall be subject to the additional following conditions and definitions.

2.1 Operational Conditions

The following conditions pertain to the operation of a Day Care Facility on the subject property at 401 W. Washington Street and conformance to these stipulations is required for continued operations:

1) The facility must be licensed by the state.

2) The City Council reserves the right to review this Specific Use Permit one year after the approval and adoption of this ordinance.

Section 3. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

Section 4. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

Section 5. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of TWO THOUSAND DOLLARS ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 6. If any section or provision of this ordinance or the application of that section or provision to any person, firm, corporation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 18th DAY OF AUGUST, 2014.

David Sweet, Mayor

CITY OF ROCKWALL

ORDINANCE NO. 14-34

SPECIFIC USE PERMIT NO. S-124

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO APPROVE A SPECIFIC USE PERMIT (SUP) TO ALLOW ANTIQUE/COLLECTABLE SALES IN CONJUNCTION WITH A GENERAL RETAIL STORE IN PLANNED DEVELOPMENT DISTRICT 50 (PD-50), FOR A 0.66-ACRE LOT, ADDRESSED AS 803 & 805 N. GOLIAD STREET AND CONTAINING TWO (2) PARCELS OF LAND IDENTIFIED AS BLOCK 23A (0.43-ACRES) AND BLOCK 24C (0.23-ACRES) OF THE AMICK ADDITION, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a request has been made by Shanessa Coburn of American Trooper, on behalf of the owner, Scott Milder, for the approval of a Specific Use Permit (SUP) to allow *Antiques/Collectable Sales* in conjunction with a general retail store on a 0.66-acre lot containing two (2) parcels of land identified as Block 23A (0.43-acres) and Block 24C (0.23-acres) of the Amick Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 50 (PD-50) for Residential-Office (RO) District uses, located within the North Goliad Corridor Overlay (NGC OV) District, addressed as 803 & 805 N. Goliad Street, and more specifically described in *Exhibit 'A'* of this ordinance, which herein after shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1. That the Unified Development Code [*Ordinance No. 04*-38] of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit (SUP) allowing for *Antique/Collectable Sales* in conjunction with a general retail store within a Planned Development District 50 (PD-50) as stipulated by *Ordinance No. 05-18* and Article IV, *Permissible Uses*, of the Unified Development Code on the *Subject Property*; and

SECTION 2. That the *Subject Property* shall be developed and/or used only in the manner and for the purposes described in this Specific Use Permit (SUP) ordinance and as set forth in Planned Development District 50 (PD-50) and Section 4.2, *Residential Office (RO) District*, of Article V, *District Development Standards*, of the Unified Development Code [*Ordinance No. 04-38*] as heretofore amended, as amended herein by granting of this zoning change, and as may be amended in the future, and shall be subject to the additional following conditions and compliance standards:

2.1 Operational Conditions

The following conditions pertain to the operation of a general retail store with *Antique/Collectable Sales* on the *Subject Property*, and conformance to these operational conditions are required for continued operations:

1) Prior to the issuance of a Certificate of Occupancy (CO) a site plan shall be submitted and approved by the Planning and Zoning Commission, and if necessary City Council.

2) The *Antique/Collectable Sales* use shall be limited to the boundaries of the existing structure as depicted in *Exhibit 'A' & 'B'* of this ordinance, and will require the approval of City Council, upon a recommendation by the Planning and Zoning Commission, to be expanded.

3) The sale of used clothing and/or new/used appliances shall be prohibited.

4) The sale of new clothing shall be limited to the area indicated in *Exhibit 'B'* of this ordinance and shall not exceed 200 SF in total area.

5) Individual lease space or consignment sales shall be prohibited.

6) The "*drop off*" of donations and/or sales items by the general public shall be prohibited.

7) No outside storage shall be permitted on the subject property.

8) Outdoor sales and display shall only be permitted in areas designated on a site plan and shall be subject to the following conditions:

    a) Outdoor sales and display shall not exceed five (5) percent of the total enclosed floor area of the primary structure and/or shall be limited to the area identified as the *porch* on *Exhibit 'B'* of this ordinance, unless the Planning and Zoning Commission approves alternate areas that shall be indicated on the site plan.

    b) Outdoor sales and display shall not be permitted to be located within any portion of the parking lot.

    c) Outdoor sales and display shall be located underneath a covered area or be immediately adjacent to or connected to the primary structure.

Section 3. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

Section 4. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

Section 5. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of TWO THOUSAND DOLLARS ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 6. If any section or provision of this ordinance or the application of that section or provision to any person, firm, corporation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 18TH DAY OF AUGUST, 2014.

TO: Rick Crowley, City Manager

THROUGH: Timothy M. Tumulty, Director of Public Works/City Engineer

FROM: Rick Sherer, Water/Wastewater Manager

DATE: August 11, 2014

SUBJECT: Revision to the Drought Contingency and Water Emergency Response Plan

---

The Texas Commission on Environmental Quality (TCEQ) requires every water provider to revise and submit a drought contingency plan every five years for review. Council recently approved the revisions to the Drought Contingency and Water Emergency Response Plan on the 21st day of April, 2014.

Staff submitted the approved plan for review to the TCEQ on the 30th day of April, 2014. After review, the TCEQ noted that the City's plan must provide demand management measures for wholesale customers in the event of a severe water shortage. These measures include pro rata curtailment of water deliveries to or diversions by wholesale water customers as provided in Texas Water Code, §11.039.

The City Council may wish to consider the approval of the revision to the currently adopted Drought Contingency and Water Emergency Response Plan to keep the City in compliance with TCEQ requirements.

CITY OF ROCKWALL

ORDINANCE NO. 14-___

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE CODE OF ORDINANCES IN CHAPTER 44. UTILITIES; ARTICLE V. WATER; DIVISION 7; Sec. 44-436 "STAGES AND MEASURES" OF THE DROUGHT CONTINGENCY AND WATER EMERGENCY RESPONSE PLAN, TO PROVIDE FOR CERTAIN DELETIONS AND CHANGES TO THESE PROVISIONS; PROVIDING FOR A PENALTY OF A FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE AND A SEPARATE OFFENSE SHALL BE DEEMED COMMITTED ON EACH DAY DURING OR ON WHICH A VIOLATION OCCURS; PROVIDING FOR SEVERABILITY AND REPEALER CLAUSES; PROVIDING FOR AN EFFECTVE DATE.

WHEREAS, the City Council has previously adopted ordinances creating and amending a Drought Contingency and Water Emergency Response Plan (herein referred to as "the Plan"); and

WHEREAS, the City Council has determined the need to implement certain modifications to the Plan.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1. That portions of Sec. 44-436. of Chapter 44. Utilities; Article V. Water; Division 7. Drought Contingency and Emergency Response Plan are hereby amended to henceforth read as follows:

Sec. 44-436. Stages and measures

(b) (7) Requires notification to Texas Commission on Environmental Quality (TCEQ):

a. Limit landscape watering with sprinklers or irrigation systems to no more than two days per week. An exception is allowed for new landscape ~~associated with new construction~~ that may be watered as necessary for 30 days from the date of ~~the~~ installation. ~~certificate of occupancy. An exemption is also allowed for registered and properly functioning ET/Smart irrigation systems and drip irrigation systems, which do not have restrictions to the number of days per week of operation.~~

(d) (6) a. Supplier's individual plan may be implemented if other criteria dictate

In the event that the triggering criteria specified in the Plan for Stage 4 and Severe Water Shortage Conditions have been met, the City Manager is hereby authorized to initiate allocation of water supplies on a pro rata basis in accordance with Texas Water Code Section 11.039 and according to the following water allocation policies and procedures:

- A wholesale customer's monthly allocation shall be a percentage of the customer's water usage baseline. The percentage will be set by the City Manager or his/her designee based on the assessment of the severity of the water shortage condition and the need to curtail water diversions and/or deliveries and may be adjusted periodically by the City Manager or his/her designee as conditions warrant. Once pro rata allocations are in effect, water diversions by or deliveries to each wholesale customer shall be limited to the allocation established for each month.

- A monthly water usage allocation shall be established by the City Manager or his/her designee for each wholesale customer. The wholesale customer's water usage baseline will be computed on the average water usage by month for the past five years. If the wholesale customer's billing history is less than five (5) years, the monthly average for the period for which there is a record shall be used for any monthly period for which no billing history exists.

- The City Manager or his/her designee shall provide notice, by certified mail, to each wholesale customer informing them of their monthly water usage allocations and shall notify the news media, the Texas Natural Resource Conservation Commission, and the Texas Water Development Board upon initiation of pro rata water allocations.

- Upon request of the customer, a request for a temporary variance to the pro rata water allocation may be requested.

- At the initiative of the City Manager or his/her designee, the allocation may be reduced if, (a) the customer agrees to transfer part of its allocation to another wholesale customer, or (2) other objective evidence demonstrates that the designated allocation is inaccurate under present conditions.

- City wholesale water users will be advised to continue all relevant actions from the previous stages including appropriate public water use restrictions and to implement the next stage of their own individual Retail Water Supplier Drought Contingency Plan.

Stage 4 may terminate when NTMWD terminates its Stage 4 condition or when the circumstances that caused the initiation of Stage 4 no longer exist.

SECTION 2. That the City Manager or his designee is hereby directed to file a copy of the updated Plan and this Ordinance with the Texas Commission on Environmental Quality in accordance with Title 30, Chapter 288 of the Texas Administrative Code;

SECTION 3. That if any section, subsection, sentence, clause, or phrase of this Ordinance is for any reason held to be unconstitutional or illegal, such decision shall not affect

the validity of the remaining sections of this Ordinance. The City Council hereby declares that it would have passed this Ordinance, and each section, subsection, clause, or phrase thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses, or phrases be declared void;

SECTION 4. That all ordinances or parts of ordinances, in conflict herewith are to the extent of such conflict hereby repealed, and the balance of such ordinance is hereby saved from repeal;

SECTION 5. That the City Council does hereby find and declare that sufficient written notice of the date, hour, place and subject of the meeting adopting this Ordinance was posted at a designated place convenient to the public for the time required by law preceding the meeting, that such place of posting was readily accessible at all times to the general public, and that all of the foregoing was done as required by law at all times during which this Ordinance and the subject matter thereof has been discussed, considered and formally acted upon. The City Council further ratifies, approves and confirms such written notice and the posting thereof.

SECTION 6. That any person, firm or corporation violating any of the provisions of this ordinance shall be punished by a penalty of a fine not to exceed the sum of Two Thousand Dollars ($2,000.00) for each offense and each day such offense shall continue shall be deemed to constitute a separate offense.

SECTION 7. That the ordinance shall be effective immediately following its second reading and publication in accordance with the City Charter.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 1st day of September, 2014.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 8/5/2014

APPLICANT: Caruth Lake Development Corp

AGENDA ITEM: **P2014-016;** Caruth Lake Phase 1B, Lots 1 & 2

SUMMARY:

Discuss and consider a request by Rob Whittle on behalf of the Caruth Lake Development Corporation for the approval of a final plat for Lots 1 & 2, Block A, Caruth Lake Phase 1B Addition, currently identified as a 0.798-acre tract on land situated within the S. S. McCurry Survey, Abstract No. 146, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 5 (PD-5) for residential land uses, located on the south side of Midnight Pass, west of the intersection of Midnight Pass and N. Fannin Street, and take any action necessary.

COMMENTS:

- The purpose of this request is to final plat an 0.798-acre tract of land for the purpose of developing two residential lots.

- The Engineer has completed the technical revisions requested by staff, and this plat is recommended for conditional approval pending the completion of final technical modifications and submittal requirements required for the recordation by the applicant or owner.

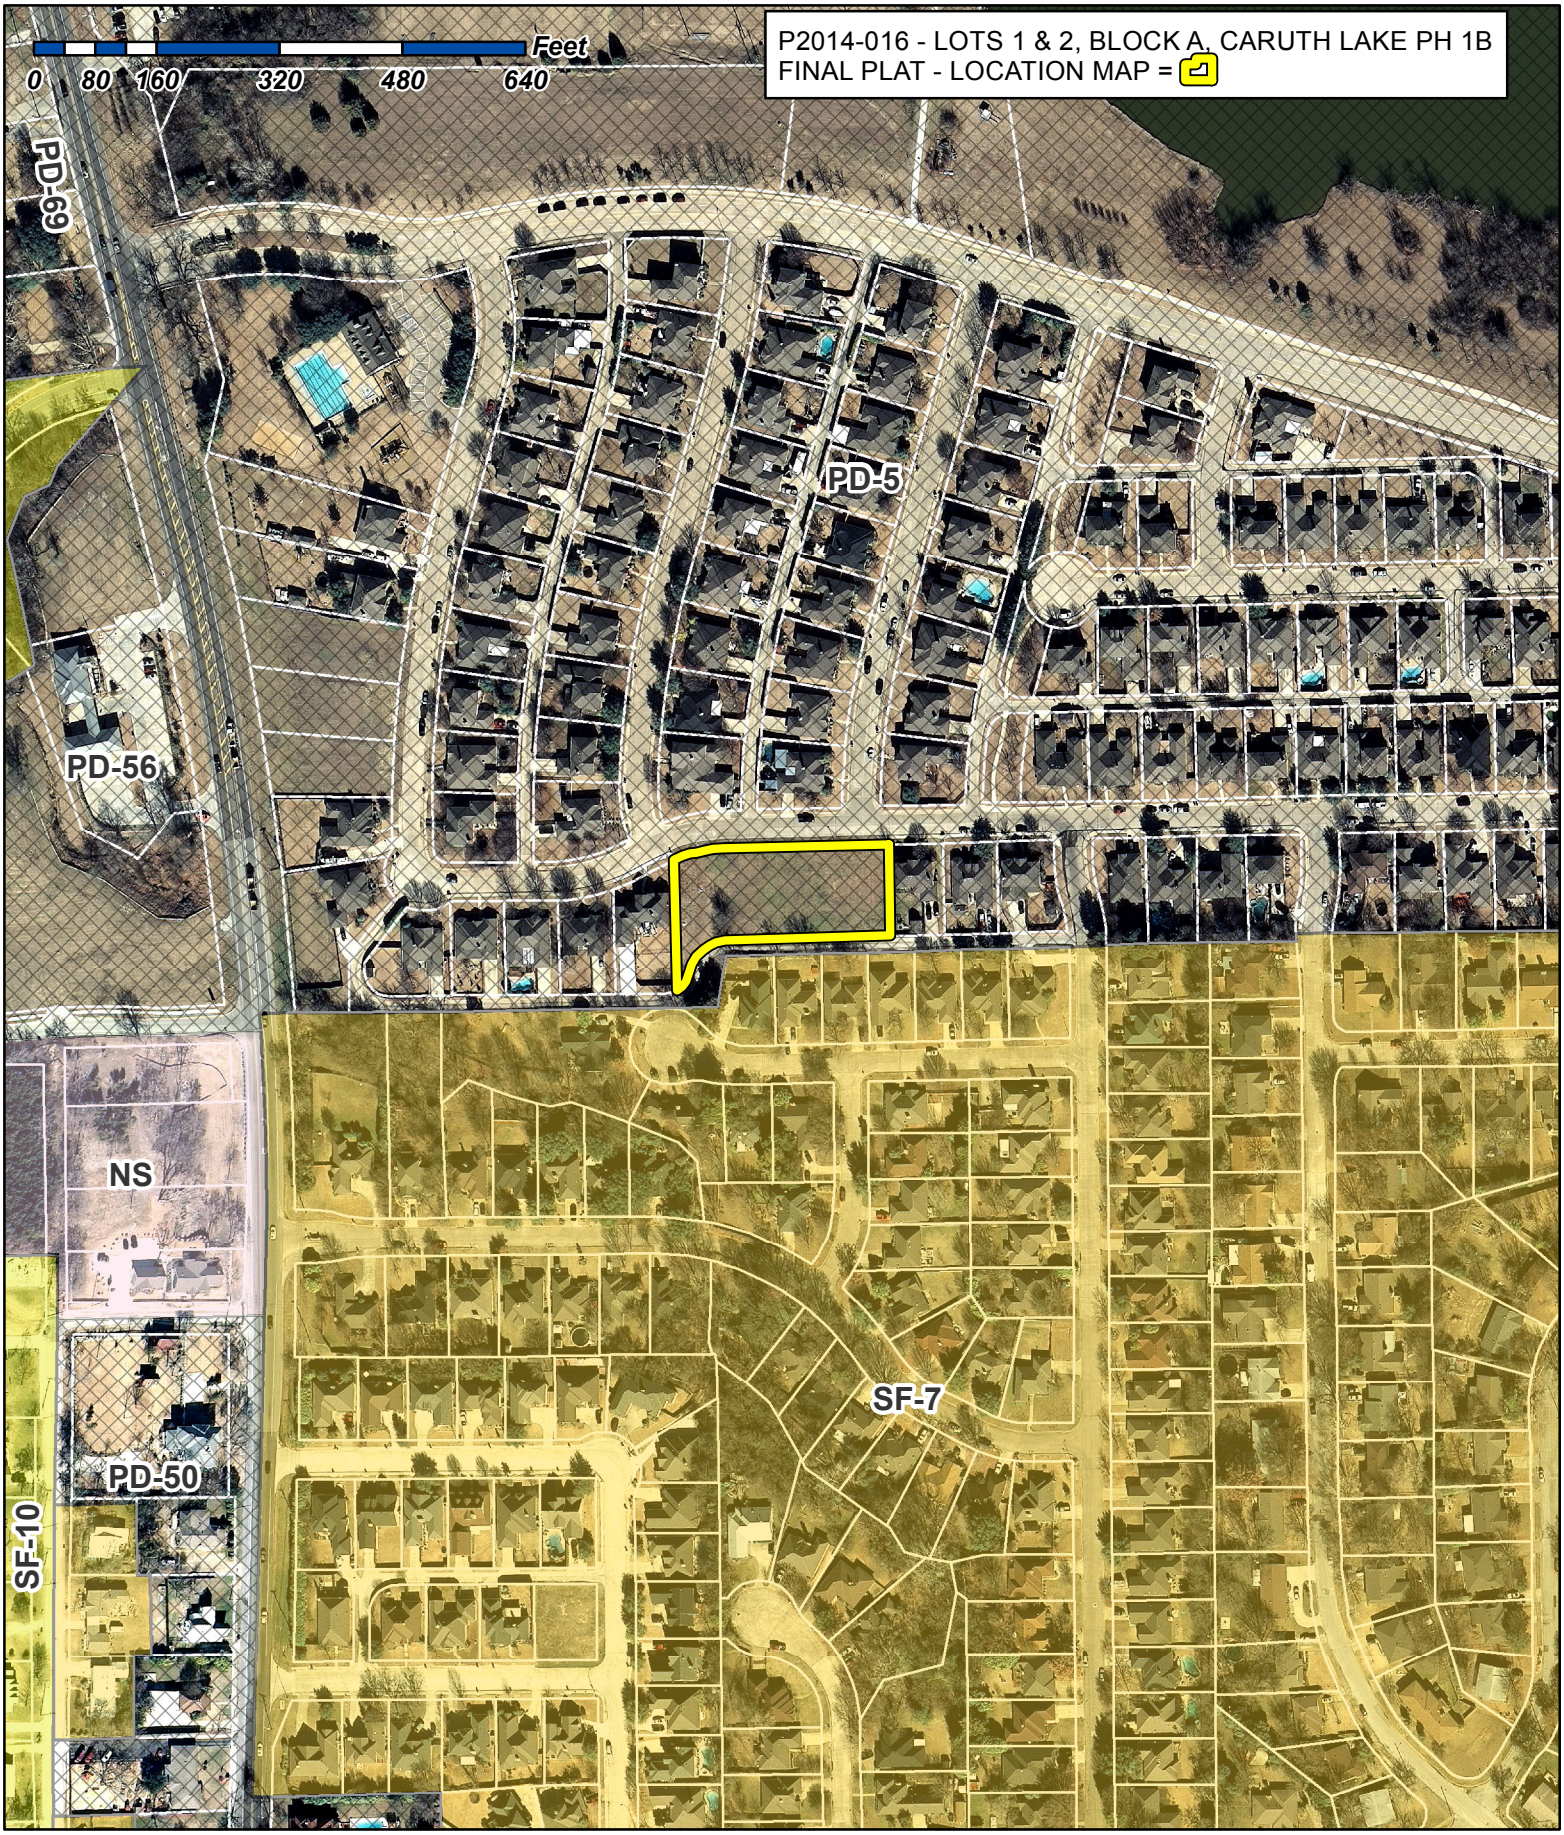
- Conditional approval of this plat by the City Council shall constitute approval subject to the conditions stipulated in the Recommendation section below.

With the exception of the items listed in the Recommendation section of this case memo, this plat is in substantial compliance with the requirements of the Subdivision Ordinance in the Municipal Code of Ordinances.

RECOMMENDATIONS:

If the Planning & Zoning Commission and City Council choose to approve the final plat for Lots 1 & 2, Block A, Caruth Lake Phase 1B, then staff would recommend the following conditions of approval:

1) All the technical comments from the Engineering, Planning and Fire Departments shall be addressed prior to the filing of this plat;



2) The applicant shall adhere to the recommendations made by the Parks Board and approved as conditions of approval (Pro-rata equipment fee is $344 per lot for a total of $688. Cash in lieu of land fee is $202 per lot for a total of $404.);

3) The siren fee is $17.18 per acre. Park and siren fees are due at final plat. Impact fees will be due at building permit; and

4) Any construction resulting from the approval of this final plat shall conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING & ZONING COMMISSION:

On August 12, 2014, the Planning & Zoning Commission recommended approval of the final plat by a vote of 5-0 with Commissioners Nielsen and Minth absent.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

STATE OF TEXAS}
COUNTY OF ROCKWALL}

We, Caruth Lake Development Corporation, the owners of the land shown on this plat, and designated herein as Lots 1 and 2 Block A – Caruth Lake Phase 1B, a subdivision to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, water courses, drains, easements and public places thereon shown on the purpose and consideration therein expressed. We further certify that all other parties who have a mortgage or lien interest in Lots 2, 3, 4, 5, 6, and 7 Block 1 – Alliance Addition Phase 2 have been notified and signed this plat.

We understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same. I (we) also understand the following;

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of their respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maintaining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, storm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer and/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as progress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

We further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the Subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; I (we), my (our) successors and assigns hereby waive any claim, damage, or cause of action that I (we) may have as a result of the dedication of exactions made herein.

Chairman, Planning & Zoning Commission *Date*

I hereby certify that the above and foregoing plat of Groom Addition to the City of Rockwall, Texas was approved by the Mayor of the City of Rockwall on the _____ day of _____, 2014.

This approval shall be invalid unless the approved Plat for such Addition is recorded in the office of the County Clerk of Rockwall County, Texas, within one year from said date of final approval. An extension may be granted by the City Council.

Said Addition shall be subject to all the requirements of the Platting Ordinance of the City of Rockwall.

Witness my hand this the _____ day of _____, 2014.

City of Rockwall
The New Horizon

MEMORANDUM

TO: Rick Crowley, City Manager

FROM: Timothy M. Tumulty, Director of Public Works/City Engineer

DATE: August 11, 2014

SUBJECT: Lake Forest Erosion Engineering Design Contract

Engineering Staff received a copy of a letter dated June 3, 2013 sent to Mayor David Sweet expressing a concern about an erosion problem occurring behind 2065 Lake Forest Drive. Upon receipt of the letter, staff met with the homeowner, Mr. Bob Carroll to make a general site investigation. After our initial site visit, staff invited Freese and Nichols, Inc. Consulting Engineers to view the erosion behind Mr. Carroll's home. This visit resulted in a contract with Freese and Nichols, Inc. to conduct a study to determine the cause of erosion behind Lake Forest Drive. The study also included a stream geomorphological assessment, a stream reconnaissance site visit for the entire stream and the evaluation/ results.

Staff began negotiations with Freese and Nichols, Inc. to perform the engineering design contract for this repair. Due to their cost to perform this design, negotiations were terminated. Staff met with Walter P. Moore Consulting Engineers to discuss their company providing these engineering design services to the City for this erosion control project. Their services consist of the design of erosion protection behind 2065 Lake Forest Drive. The proposed structure is likely to be a large, modular concrete block retaining wall stabilized with rock anchors. The cost for the design service is $54,500. Funding will be provided by General Fund Reserves.

The City Council may wish to consider contracting with Walter P. Moore Consulting Engineers to perform the engineering design services for the erosion control project at 2065 Lake Forest Drive in the amount of $54,500.

If you have any questions, please advise.

File

PROJECT DESCRIPTION

This project consists of the design of erosion protection behind 2065 Lake Forest Drive. The proposed structure is likely to be a large, modular concrete block retaining wall stabilized with rock anchors. The total distance of the reach to be designed is approximately 75 linear feet and the anticipated maximum height of the retaining wall is approximately 15 feet tall.

PART I - PRELIMINARY ENGINEERING DESIGN

A. Mobilization/Data Collection/Schematic Design

Deliverable: Submit four sets of 30% plans showing survey data, utilities, project limits, property lines, addresses, schematic plan review of proposed improvements, etc. and three copies of Geotechnical Reports.

1. Review Reports, utility plans and Data Collection including reviewing any available City of Rockwall reports on the erosion problems and obtaining pertinent utility plans, street plans, plats, existing easement information, and other features within the project area.

2. Field Surveying for Design Phase- Engineer will contract with BW2 Engineers, for these services:
   a. Establish a local control network and tie into the existing City of Rockwall control network on the site.
   b. Provide construction control points to be used for construction (a minimum of two). Set horizontal and vertical control monuments, with coordinates tied to the Horizontal Control Plan.
   c. Verify horizontal and vertical locations of existing city facilities on the sites.
   d. When underground utilities are exposed at the City's request, tie to the local control network.
   e. Obtain topographic information including cross-sections of the existing ground features as needed for design.
   f. Locate all pertinent creek features for design including top of bank, existing walls and slabs, existing buildings, existing pavements, fences, trees 4" diameter and larger, and utility appurtenances such as water valves, fire hydrants, manholes, etc., (within construction area) on the sites.
   g. Contact utility companies to locate and uncover utilities which conflict with the proposed project. Tie uncovered utilities to the local control network.
   h. Provide a drawing of the project sites with 1' contours and all located features.

3. Geotechnical Engineering– Engineer will contract with Reed Engineering Group for these services:
   a. The bore hole locations will be approved by the City prior to commencing drilling.
   b. Perform truck-mounted borings and hand borings to collect necessary soil samples. The engineer will only be responsible for damages at the site caused by their negligent acts.
   c. Do the laboratory testing required for the design of the erosion control structure.
   d. Provide a technical report to characterize the observations, report testing data, interpret the data, and supply design parameters and loads for the project.

4. Environmental Services – Perform a field investigation of the proposed project to delineate the Waters of the US. Flags will be placed so that the topographic survey can include the delineation.

5. Hydraulic Modeling Services – Utilize available hydrology from original development plans or the FEMA to create a hydraulic model for confirming that the designed layout does not adversely affect the hydraulic characteristics (velocity and water surface elevations) of the surrounding reach. This model will not be prepared for the purpose of accurately depicting the water surface elevations for any jurisdictional purposes. The sole purpose of the model is the comparison of existing to proposed conditions.

6. Schematic Design - Provide a schematic plan view of the proposed stabilization measures.
   a. Establish a layout of the improvements with the primary objective being to confirm that common objectives of the various project stakeholders are being addressed.
   b. Include very general dimensions of the heights and lengths of the improvements.

7. Provide an initial cost estimate of the improvements for budgetary purposes.

B. Preliminary Design

Deliverable: Submit three sets of 60% plans and an opinion of probable construction cost. Attend one meeting to review plan comments with staff.

1. Prepare preliminary plans:
   a. Establish the Engineer's recommendations for remediation. Incorporate comments from the Schematic Design review.
   b. Establish preliminary horizontal and vertical wall alignment at sites of new or repair structures.
   c. Prepare cross-sections or details of proposed erosion protection indicating the general orientation of the improvements with respect to the channel.
   d. Establish design concepts for repair and/or anchorage of existing gabion retaining wall elements.
   e. Locate utility crossings, adjacent utilities, and other improvements within a limit of twenty feet beyond the proposed improvement at each site.
      i. Work with affected utility companies such as water, gas, telephone, cable TV, and electricity to obtain information for horizontal and vertical data for their facilities. Identify which utilities must be protected or relocated.
      ii. Tie locations of exposed utilities to the local control network. When underground utilities are uncovered, tie locations to the local control network.
   f. Establish preliminary easement needs including permanent and temporary construction easements. Show existing and proposed easements on the plans.

2. Prepare a preliminary opinion of probable cost for the proposed solution. The purpose of the opinion is to confirm that the project is in general accordance with the construction budget. It is not a guarantee of the construction cost.

3. Attend one meeting at the City to review and discuss the preliminary plan drawings and review comments.

4. Distribute one set of preliminary drawings to local utility companies to obtain information regarding impacts to their facilities.

PART II - FINAL ENGINEERING DESIGN

Deliverable: Submit three sets of 95% and 100% plans and specifications, an opinion of probable construction cost, and required easement metes and bounds descriptions.

A. Final Design Plans for Construction

1. Finalize plan and cross-sections for proposed improvements.
2. Revise preliminary plans and incorporate comments from the City of Rockwall review of the 60% design.
3. Incorporate preliminary plan review comments from the utility companies. If necessary, coordinate with utility companies to locate and uncover utilities which conflict with the proposed erosion control structure. Tie the location of uncovered utilities to the local control network.
4. Provide standard details into the plans and prepare additional details or profiles as required.
5. Provide necessary Storm Water Pollution Prevention Concept Plans in accordance with the City of Rockwall requirements.

B. Prepare final technical specifications for the proposed solutions.

C. Revise the 95% documents to incorporate review comments provided by the City and submit 4 sets of plans and specifications to the City for final review and approval prior to printing bid sets for distribution.

D. Attend one meeting with the City to review and discuss the 95% plan drawings and the City's review comments.

E. Submit 100% sets.

PART III – BIDDING AND CONSTRUCTION ADMINISTRATION (Task 4)

Deliverable: Submit 5 sets of bid documents. Site visit memos and or summaries from any inspections made at the City's request.

A. Attend the Pre-Construction Conference held at the City offices to answer questions and provide clarifications.

B. Prepare and issue Addenda or Change Orders if required due to an error or omission in the contract documents.

C. Prepare a tabulation of bidders, review and verify Contractor references, provide a letter of recommendations, and prepare the City's standard construction contract documents for execution by the Contractor.

D. Furnish additional sets of plans and contract documents if required by the City.

E. Attend bi-weekly construction site visits for up to three months.

PART IV – REIMBURSABLE EXPENSES

For project-related travel expenses, fees and out-of-pocket material expenses such as printing, postage, courier costs, etc., the charges will be billed and paid at cost. Mileage will be charged at the prevailing federal rate of reimbursement.

PART V - ADDITIONAL SERVICES

Additional Services to be performed by Engineer, if authorized by the City of Rockwall, which are not included in the above-described basic or special services, are described as follows:

A. Boundary survey, including survey for permanent and temporary easements;

B. Performing title searches and examination of deed records;

C. Design or analyses of existing structures, utilities, or proposed structures not directly related to the proposed solution;

D. Investigations involving detailed consideration of operation, maintenance and overhead expenses, and the preparation of rate schedules, earnings and expense statements, feasibility studies, appraisals, evaluations, assessment schedules, traffic engineering reports and studies, flood plain reclamation plans, and material audits or inventories required for construction performed by the City;

E. Preparation of a preliminary report.

F. Performing designs for trench safety and retaining walls, etc. which are not included in the above Scope of Services;

G. Preparation of plans and/or specifications related to the relocation of utilities;

H. Revisions to plans as a result of revisions after completion of the original final design (unless to correct error on final plans or bid documents);

I. Providing environmental support services including the design and implementation of ecological baseline studies, environmental monitoring, impact assessment and analyses, permitting assistance other than listed in the above Scope of Services, and other assistance required to address environmental issues;

J. Determination of a floodway;

K. Preparation of a Request for Letter of Map Revision or Conditional Letter of Map Revision, or any work pertaining to it.

L. Preparing applications and supporting documents for government grants, loans, or planning advances and providing data for detailed applications;

M. Fees for permits and advertising;

N. Providing full time site inspection or routine site visits during construction of the project unless to correct errors or omissions in the engineering design that are revealed during construction;

O. Quality control and testing services during construction;

P. Preparation and processing monthly or final construction pay estimates;

Q. Assisting the City with public meetings or hearings to inform residents beyond that contained in the above scope of services;

R. Attending homeowners and/or Council meetings including preparation of all displays, reports, or other data for use at such meetings. Assisting the City of Rockwall with any aspect regarding homeowner meetings;

S. Appearing before regulatory agencies or courts as an expert witness in any litigation with third parties or condemnation proceedings arising from the development or construction of the Project, including preparation of engineering data and reports for assistance to the City of Rockwall;

T. Assisting the City of Rockwall in claims disputes with the Contractor(s);

U. Consulting services by others not included in proposal.

Exhibit B – Schedule

1. The topographic survey will be complete within three weeks of receiving the notice to proceed from the City.
2. We will have our initial submittal (30%) to the City within two weeks of completion of the topographic survey.
3. Subsequent submittals will be prepared within two weeks of receiving comments from the City.

Exhibit C – Fee Schedule

4.	Topographic Survey	$ 7,000
5.	Geotechnical Study	$ 6,000
6.	Environmental Services – Delineation of Ordinary High Water	$ 4,000
7.	Hydraulic Modeling	$ 10,000
8.	Basic Services	$ 27,500
	Total Fee	$ 54,500

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Mayor and Council**

FROM: **Rick Crowley, City Manager**

DATE: **August 14, 2014**

SUBJECT: **Resident's Concerns re: FM549 Planning**

The City's thoroughfare plan shows increasing FM549 to 6 lanes as opposed to the existing 2 lane roadway condition. As Consortium roadway planning has continued, TxDOT and the County have proceeded in accordance with the adopted 6 lane plans.

TxDOT held its first public meeting a few months ago on plans for the 6 lane roadway. This is a prerequisite to getting it on the funding "agenda" for TxDOT to fund the state portion of the roadway. A significant public input was received in that meeting questioning the need for and opposing the 6 lane aspect of the roadway planning.

In response to this input, and to update the Thoroughfare Plan throughout the County, the County has commissioned COG to perform the study necessary to update the County Plan. Specifically included in the scope of the study update is the question of whether a 6 lane roadway is warranted to handle projected traffic volumes. COG has, or soon will, begin that work.

Rockwall and the other entities along the state road have agreed to work with COG as this study is done to provide development data used to project traffic volumes. When that study is complete, and if it indicates that the projected traffic volumes warrant less than 6 lanes, Rockwall City Council can then consider whether this change to its city Thoroughfare plan (reducing the number of ultimately constructed lanes) should be made.

The study not having been completed of course, we don't know for certain, but based on several comments that were heard, it sounds like there is some significant thought that the study will produce a recommendation that the number of lanes be reduced. If the study does show that, there would not be support to plan for and build 6 lanes if projected volumes don't indicate the need.

A concerned resident, Ms. Kathryn Thurmond has requested to address the Council regarding the roadway's ultimate design.

MEMO

To: Leigh Ann Ewing, City of Rockwall
From: J.J. Smith, The Rockwall News
Aug. 7, 2014
RE: Rockwall Memorial Day Concert hotel rooms booked

To the best of our knowledge, only three hotel rooms were booked using the code "Memorial Day Concert." Two rooms were booked at the Hilton Dallas/Rockwall Lakefront Hotel and one at the Hampton Inn.

Based upon conversations afterward with concert goers, we know that a few others stayed at Rockwall hotels that night because they told several of our volunteers they were going to check into the, rather than drive home. Unfortunately we don't know how many did, nor do the hotels without a code being given.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 8/18/2014

APPLICANT: Bobby & Kimberly A. Fritts

AGENDA ITEM: **Z2014-020;** Carport SUP

SUMMARY:

Hold a public hearing to discuss and consider a request by Bobby and Kimberly Fritts for the approval of a Specific Use Permit (SUP) to allow for a carport that does not meet the minimum setback requirements stipulated by Section 2.1.2, Residential and Lodging Use Conditions, of Article IV, Permissible Uses, of the Unified Development Code [Ordinance No. 04-38] for a 0.31-acre property identified as Lot 27, Block C of the Lynden Park Estates, Phase 4 Addition, zoned Planned Development District 17 (PD-17), addressed as 109 Weston Court, City of Rockwall, Rockwall County, Texas, and take any action necessary.

BACKGROUND INFORMATION:

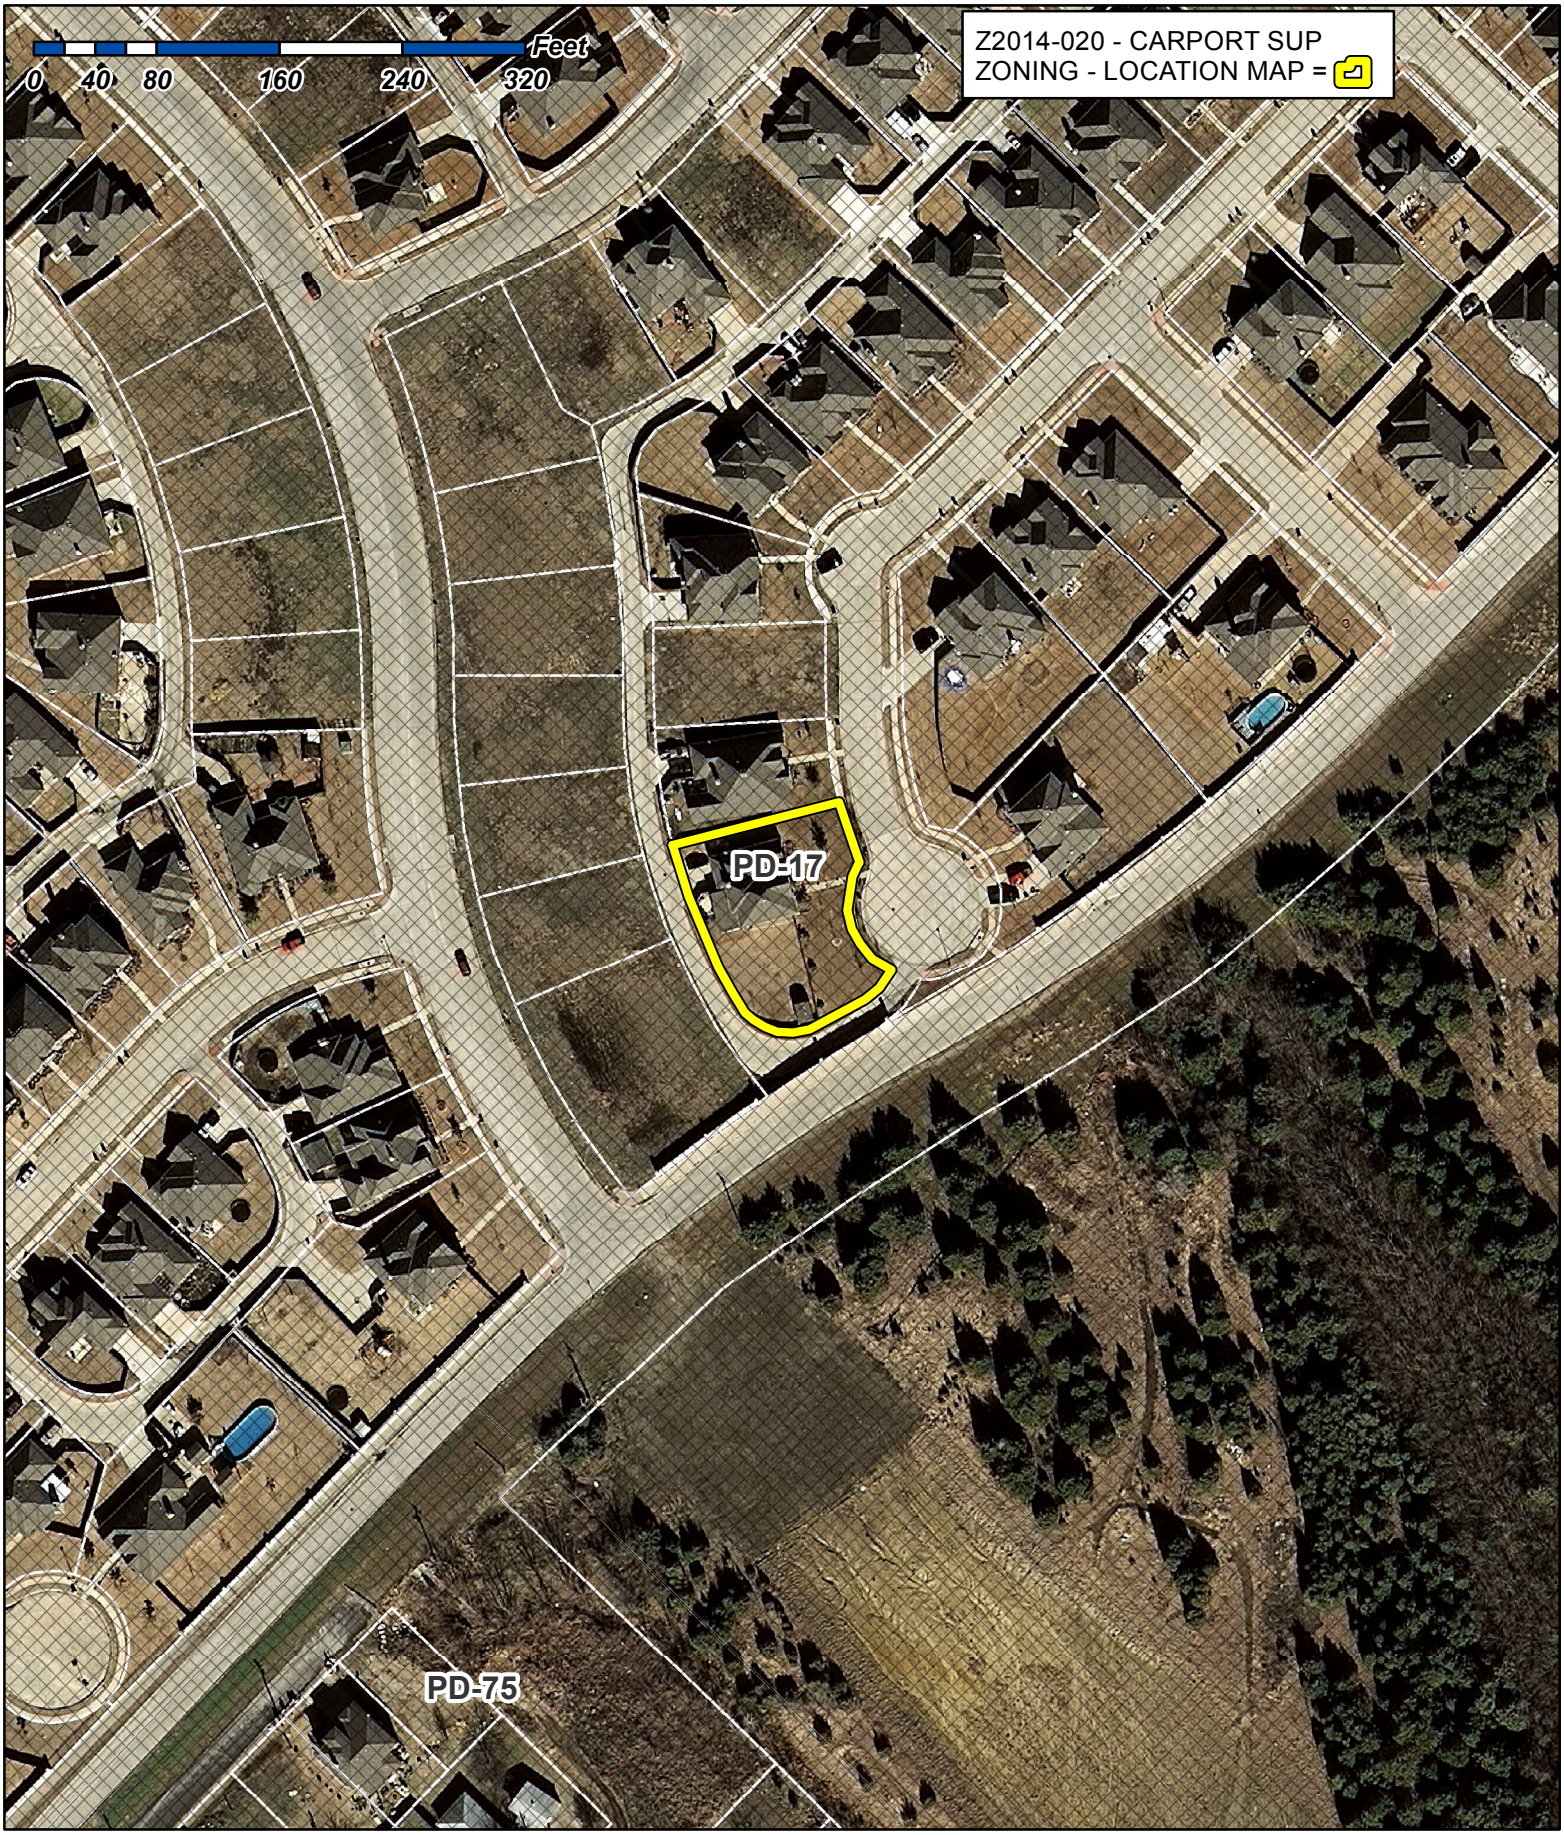
The applicants, Bobby and Kimberly Fritts, are requesting a Specific Use Permit (SUP) to allow for a carport that does meet the garage setback requirements stipulated by Section 2.1.2(1) [Carports] of Article IV, Permissible Uses, of the Unified Development Code (UDC) which states that a carport must "meet the garage setback adjacent to an alley." The subject property is zoned Planned Development District 17 (PD-17) with an underlying zoning of Single-Family Residential (SF-7) District. According to Section 3.6(C)10 [Single-Family Residential (SF-7) District] of Article V, District Development Standards, of the UDC, the required "minimum length of driveway pavement from the public right-of-way for rear and side yard[s]" is 20 feet. The proposed carport will stand approximately ten (10') feet in total height, and have a building footprint of 22 feet by 18 feet, or 396 square feet. The structure will be situated directly adjacent to the western building façade of the primary structure at the existing garage. The proposed carport will be setback ten (10') feet from the side yard (northern) property line and seven (7') feet from the rear yard property line. Section 2.1.2(2) [Carports] of Article IV states that carports that are visible from a public street should be constructed of materials that match the primary residence; however, in this case, the carport is located behind the existing residence and not visible from the street. The applicants are proposing to use powder-coated steel beams and an aluminum roof for the structure.

According to Article IV of the UDC, carports are allowed by right in a Single Family-7 (SF-7) District pending they meet the requirements stipulated in the Section 2.1.2 of Article IV. Section 2.1.2(1) [Carports] of Article IV states that carports are required to meet the garage setback adjacent to an alley. As mentioned above the proposed carport will be directly adjacent to the garage and will be setback seven (7') feet from thealley rather than the required twenty (20') feet for a residence within a SF-7 District. Section 2.1.2(3) [Carports] of Article IV allows for carports not meeting this standard to be approved through a Specific Use Permit.

NOTIFICATION:

A notice was published on July 31, 2014 in the Rockwall County News. Seventy three (73) notices were mailed to property owners of record as well as non-owner occupants within 500 ft. of the subject property. Additionally, the Lynden Park HOA was notified. Staff is unaware of

any other HOA's within 1,500 ft. of the subject property. At the time of this report, four responses have been received with three (3) in favor and one (1) opposed to the request.



RECOMMENDATIONS:

If the Planning & Zoning Commission and City Council choose to approve the applicant's request for a SUP to allow for a carport that does not meet the garage setback requirements, staff recommends the following conditions:

1) Prior to the construction of the carport the applicant will need to apply for a Building Permit from the Building Inspections Division.
2) Any construction or building allowed by this request must conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION:

On August 12, 2014, the Planning and Zoning Commission recommended approval of the applicant's request for a Specific Use Permit (SUP) by a vote of 5-0, with Commissioners Nielsen and Minth absent.

To Whom It May Concern,

The renovation of our home at 109 Weston Court and conversion of the garage and patio into a master bedroom suite and living area is being done to provide a comfortable living space for my Mother-In-Law. She was diagnosed with Parkinson disease last January.

Since we no longer have the garage, we would like to add a carport that will provide protected access in inclement weather from her living quarters to the van used for transportation. We appreciate your thoughtful consideration of this request for a variance permit for this much needed carport addition.

Respectfully,

Bob Fritts

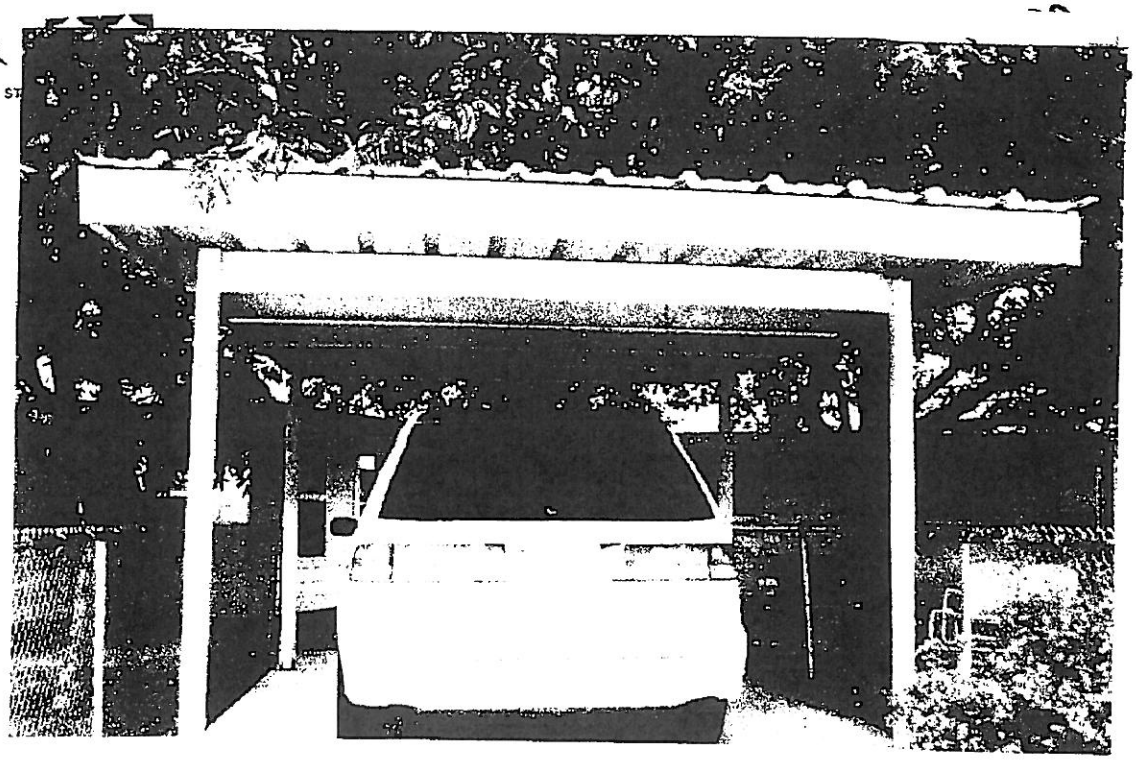
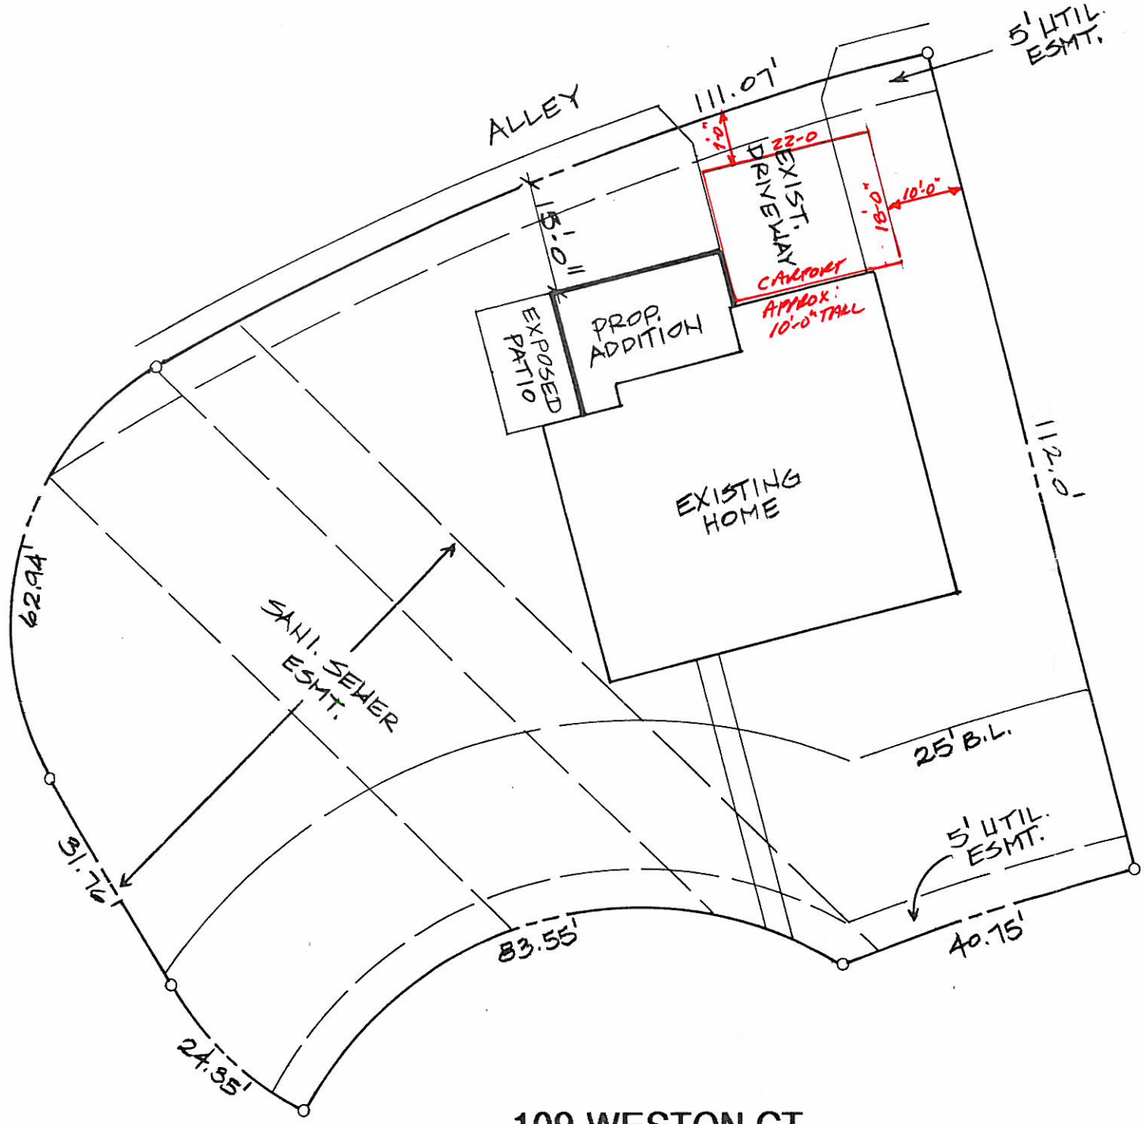
Jodee,



This is a sketch of typical materials we plan to use for the carport and a photo of a simicar design.

Please let us knoiw if there are any questions or problems with the information.



Regards,
Bob & Kim Fritts

From: Lorie Makelke
Sent: Sunday, August 03, 2014 9:30 PM
To: Planning
Subject: Z2014-020: Carport SUP

We are in favor of the request of Mr. and Mrs. Fritts for a carport. It makes sense to allow them to build the carport. We appreciate the flexibility of the City Council and the Planning & Zoning Department.

John and Lorie Makelke
208 Dartmouth Drive
Rockwall, Texas 75032

NOTICE OF PUBLIC HEARING

CITY OF ROCKWALL, PLANNING & ZONING DEPARTMENT

PHONE: (972) 771-7745
EMAIL: PLANNING@ROCKWALL.COM

RECEIVED
AUG 0 4 2014

To Whom It May Concern:

You are hereby notified that the City of Rockwall Planning and Zoning Commission and City Council will consider the following application:

Case No. Z2014-020: Carport SUP

Hold a public hearing to discuss and consider a request by Bobby and Kimberly Fritts for the approval of a Specific Use Permit (SUP) to allow for a carport that does not meet the minimum setback requirements stipulated by Section 2.1.2, Residential and Lodging Use Conditions, of Article IV, Permissible Uses, of the Unified Development Code [Ordinance No. 04-38] for a 0.31-acre property identified as Lot 27, Block C of the Lynden Park Estates, Phase 4 Addition, zoned Planned Development District 17 (PD-17), addressed as 109 Weston Court, City of Rockwall, Rockwall County, Texas, and take any action necessary.

For the purpose of considering the effects of such a request, the Planning and Zoning Commission will hold a public hearing on **Tuesday, 8/12/2014 at 6:00 p.m.**, and the City Council will hold a public hearing on **Monday, 8/18/2014 at 6:00 p.m.** These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street.

As an interested property owner, you are invited to attend these meetings. If you prefer to express your thoughts in writing please return the form to:

JoDee Sanford
Rockwall Planning and Zoning Dept.
385 S. Goliad Street
Rockwall, TX 75087

You may also email your comments to the Planning Department at planning@rockwall.com. If you choose to email the Planning Department please include your name and address for identification purposes.

Your comments must be received by **8/18/2014** to ensure they are included in the information provided to the City Council.

Sincerely,

Robert LaCroix, AICP
Director of Planning & Zoning

Re: Case No. Z2014-020: Carport SUP

I am opposed to the request for the reasons listed below:

1. This may establish a precedent that would be detrimental to the appearance of the neighborhood.
2. The proposed carport is not consistent with the general appearance of the residences in the area.
3. While I sympathize with this particular case and the reasons for the carport, I feel uncomfortable with the change in the appearance of the neighborhood this represents as well as the precedents established.

CITY OF ROCKWALL

ORDINANCE NO. 14-XX

SPECIFIC USE PERMIT NO. S-XXX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO APPROVE A SPECIFIC USE PERMIT (SUP) WITHIN THE SINGLE-FAMILY RESIDENTIAL (SF-7) DISTRICT TO ALLOW FOR A CARPORT THAT DOES NOT MEET THE MINIMUM SETBACK REQUIREMENTS, FOR A 0.31-ACRE PROPERTY IDENTIFIED AS LOT 27, BLOCK C OF THE LYNDEN PARK ESTATES, PHASE 4 ADDITION, ZONED PLANNED DEVELOPMENT DISTRICT 17 (PD-17), ADDRESSED AS 109 WESTON COURT, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a request has been made by Bobby and Kimberly Fritts for the approval of a Specific Use Permit (SUP) to allow for a carport that does not meet the minimum setback requirements, for a 0.31-acre property identified as Lot 27, Block C of the Lynden Park Estates Phase 4 Addition, zoned Planned Development District 17 (PD-17), addressed as 109 Weston Court, City of Rockwall, Rockwall County, Texas, and more specifically described in *Exhibit 'A'* of this ordinance, which herein after shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1. That the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit (SUP) allowing for a carport that does not meet the minimum setback requirements within the Single-Family Residential (SF-7) District for the *Subject Property*; and

SECTION 2. That the Specific Use Permit shall be subject to the conditions set forth in ***Article IV, Section 2.1.2, Residential and Lodging Use Conditions,*** of the Unified Development Code [*Ordinance No. 04-38*] as heretofore amended, as amended herein by granting of this Specific Use Permit, and as may be amended in the future, and shall be subject to the additional following

conditions:

1) The carport must conform to all Engineering and Fire Department standards;

2) Submittal and approval of a building permit is required prior to the construction of the carport;

3) The carport must conform to the approved site plan and building elevation depicted in Exhibits 'A' and 'B' of this ordinance;

4) The carport shall not exceed 400 square feet in area;

5) The carport shall not exceed a maximum height 10 feet;

6) The carport is subject to administrative review in the event that the *Subject Property* is sold or conveyed in any manner to another party, subdivided, or re-platted; and

7) The City Council reserves the right to review the Specific Use Permit granted herein upon the expiration of one (1) year from the date hereof.

Section 3. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

Section 4. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

Section 5. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of TWO THOUSAND DOLLARS ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 6. If any section or provision of this ordinance or the application of that section or provision to any person, firm, corporation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE ___ DAY OF _____, 2014.

City of Rockwall
The New Horizon

MEMORANDUM

TO: City Council

FROM: Robert LaCroix, Director of Planning

DATE: August 18, 2014

SUBJECT: Future Land Use Plan Update

The City received a request from the Old Town Rockwall Neighborhood Association to change the Future Land Use Map to remove four lots along the south side of Williams Street west of Kernodle Street from being designated as downtown district to medium density residential. These properties include 304, 306, 308 and 310 Williams Street. (see attached request)

Since the 2012 update of the Comprehensive Plan, the City has also approved several zoning changes that essentially have amended the Future Land Use Plan. Those changes include the following: (see attached map)

1. Townsend Village (high density residential to commercial) Townsend @ SH 276
2. Breezy Hills (commercial to medium density residential) John King @ FM 552
3. 7-11 Addition (high density residential to commercial) John King @ SH 276
4. Bricker property (medium density residential to commercial) Airport Road
5. Ranch Trail (medium density residential to commercial) Ranch Trail @ Co. Line Rd
6. Ridge Road (medium density residential to commercial) Cain property

7. Old Town Rockwall Neighborhood request on Williams Street

Historically the City has delayed making amendments to the Future Land Use Plan until the Council feels it needs to update or completely revise the existing Comprehensive Plan. However, the Texas Local Government Code Chapter 213 allows a municipality to adopt or amend its comprehensive plan, and by charter, the municipality may establish procedures for adopting and amending a comprehensive plan. This would include amending the Future Land Use Plan. The following procedures from the City's charter will allow for amending the Future Land Use Plan:

Sec. 9.03. Master Plan.
The existing Master Plan for the physical development of the City contains recommendations for the growth, development and beautification of the City and its extraterritorial jurisdiction. Recommended changes to the Master Plan must be

submitted to the City Manager after the Planning and Zoning Commission holds at least one public hearing on the proposed change.

On August 12, 2014, the Planning and Zoning Commission recommended approval of the changes to the Future Land Use Plan by a vote of 5-0, with Commissioners Nielson and Minth absent.

Mr. David Sweet
385 South Goliad
Rockwall, TX 75087

April 23, 2014

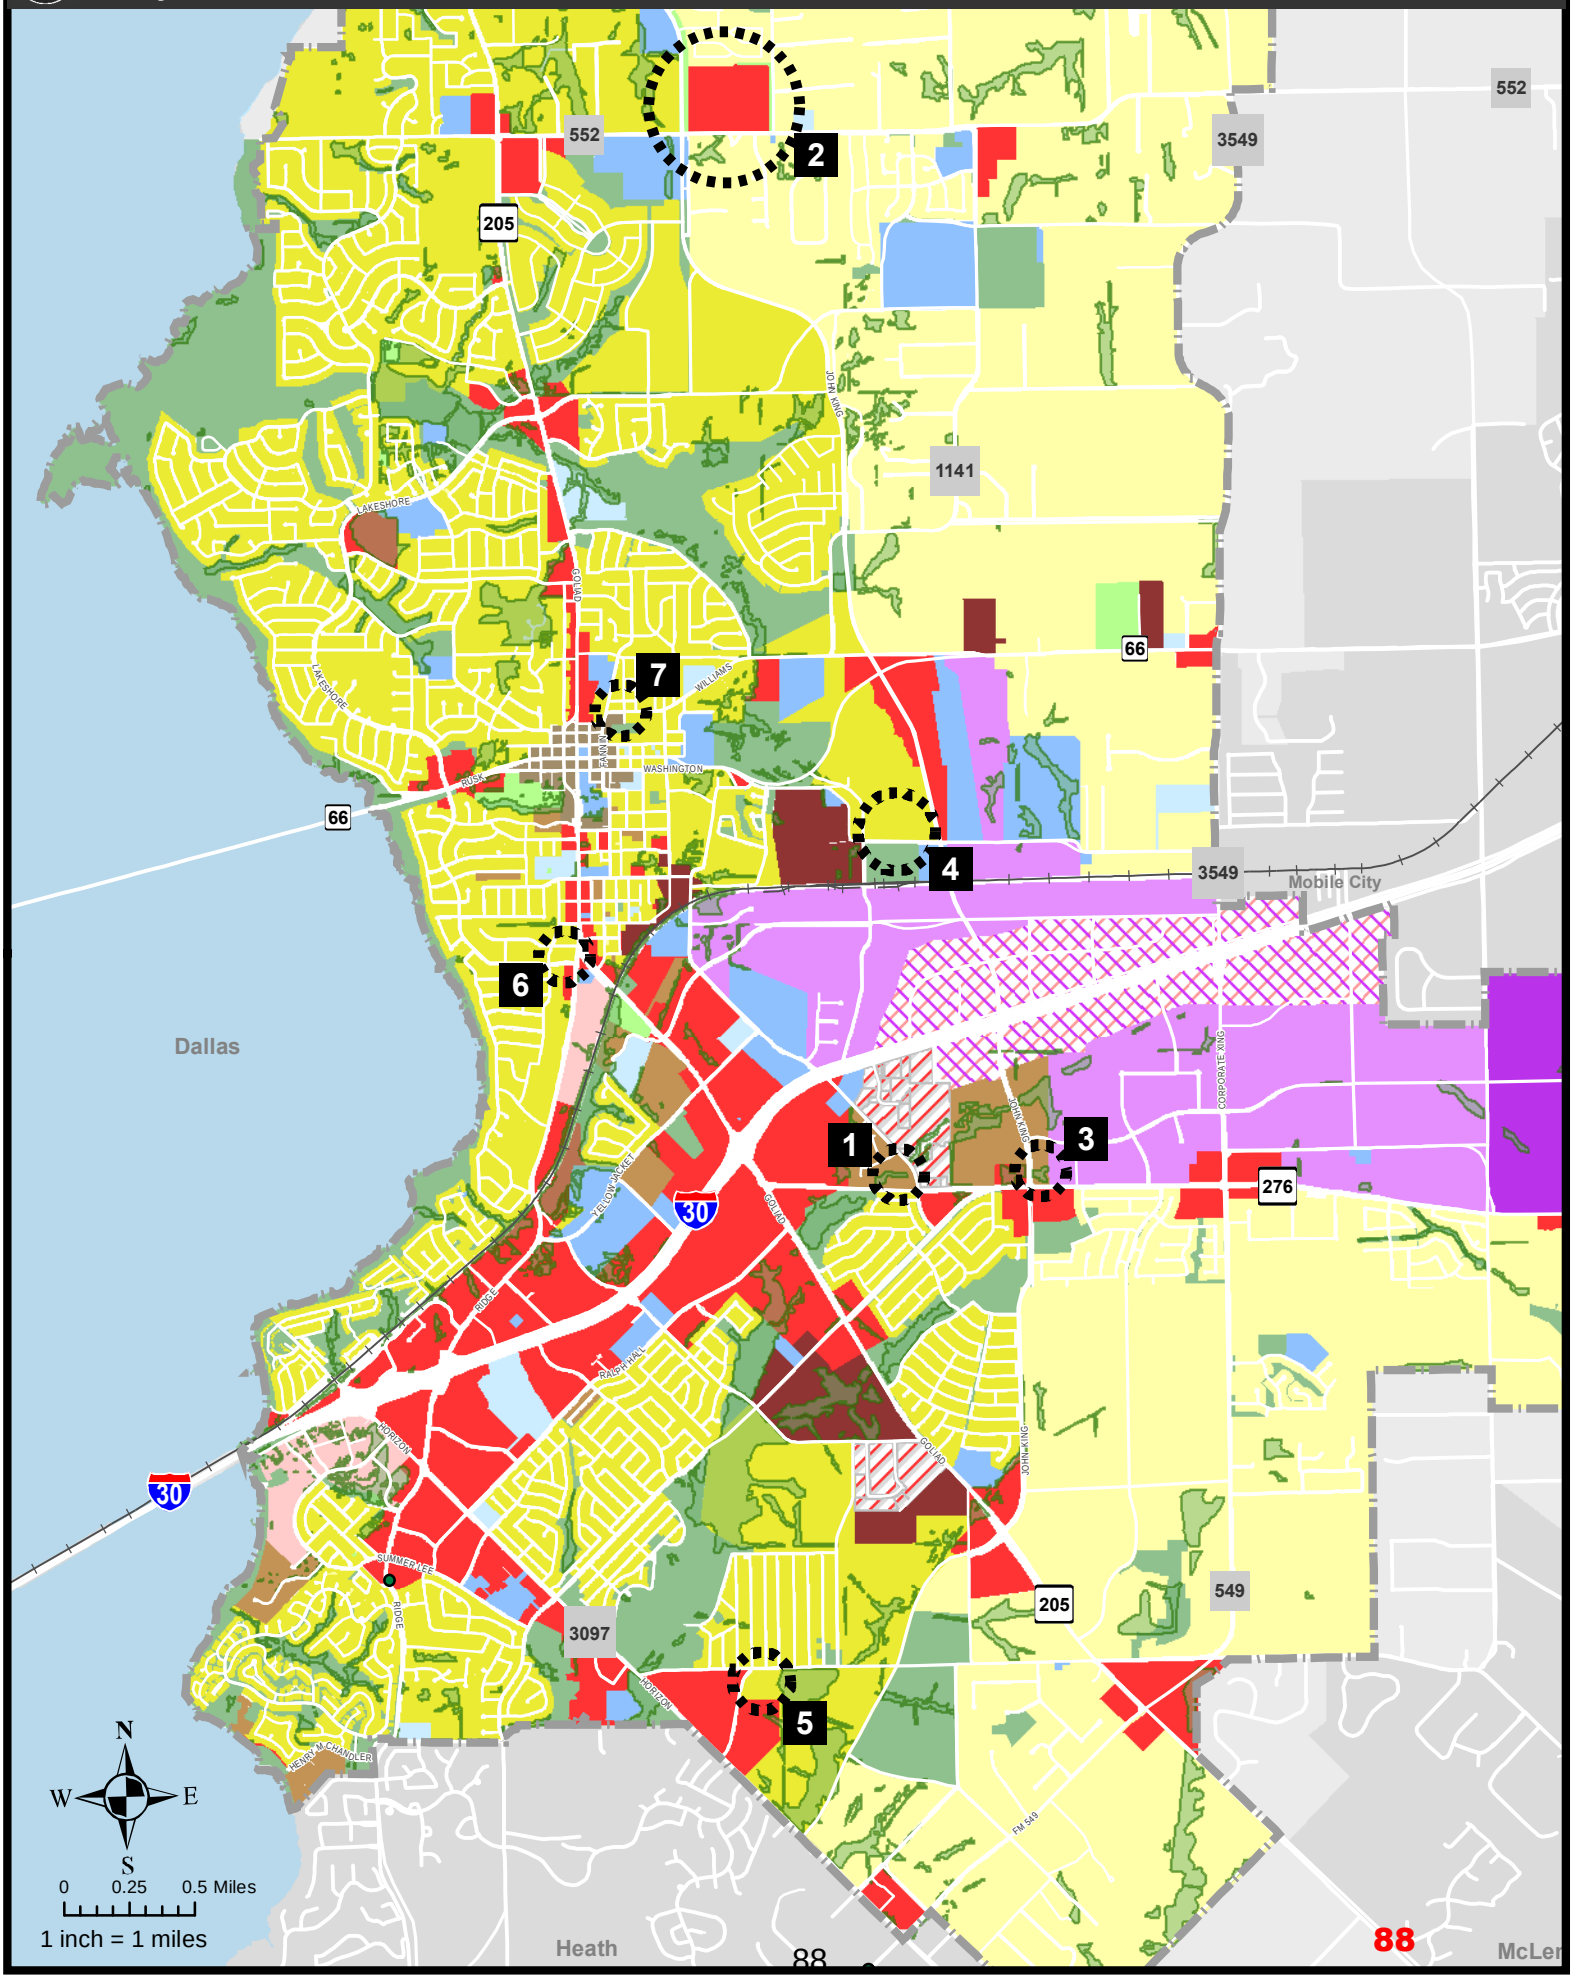
Honorable Mayor,

You may remember the Old Town Rockwall Neighborhood Association. We have revitalized the organization and our purpose is to speak as one voice to protect the identity and the integrity of the historic neighborhood of Old Town Rockwall. Membership in the organization includes residents within the area bounded by Heath/Live Oak on the north, Boydston on the south, Alamo on the west, and Renfro on the east. Also included are the following individual properties: 204, 206, 208 W. Heath Street; 908, 910 West Street; 801, 803, 805, 805-A, 805-B, 902, 904, 906 Aluminum Plant Road; 724 E. Washington; and 703 and 707 Townsend.

A few weeks ago, you received a letter from Jeanne Davis as quoted below.

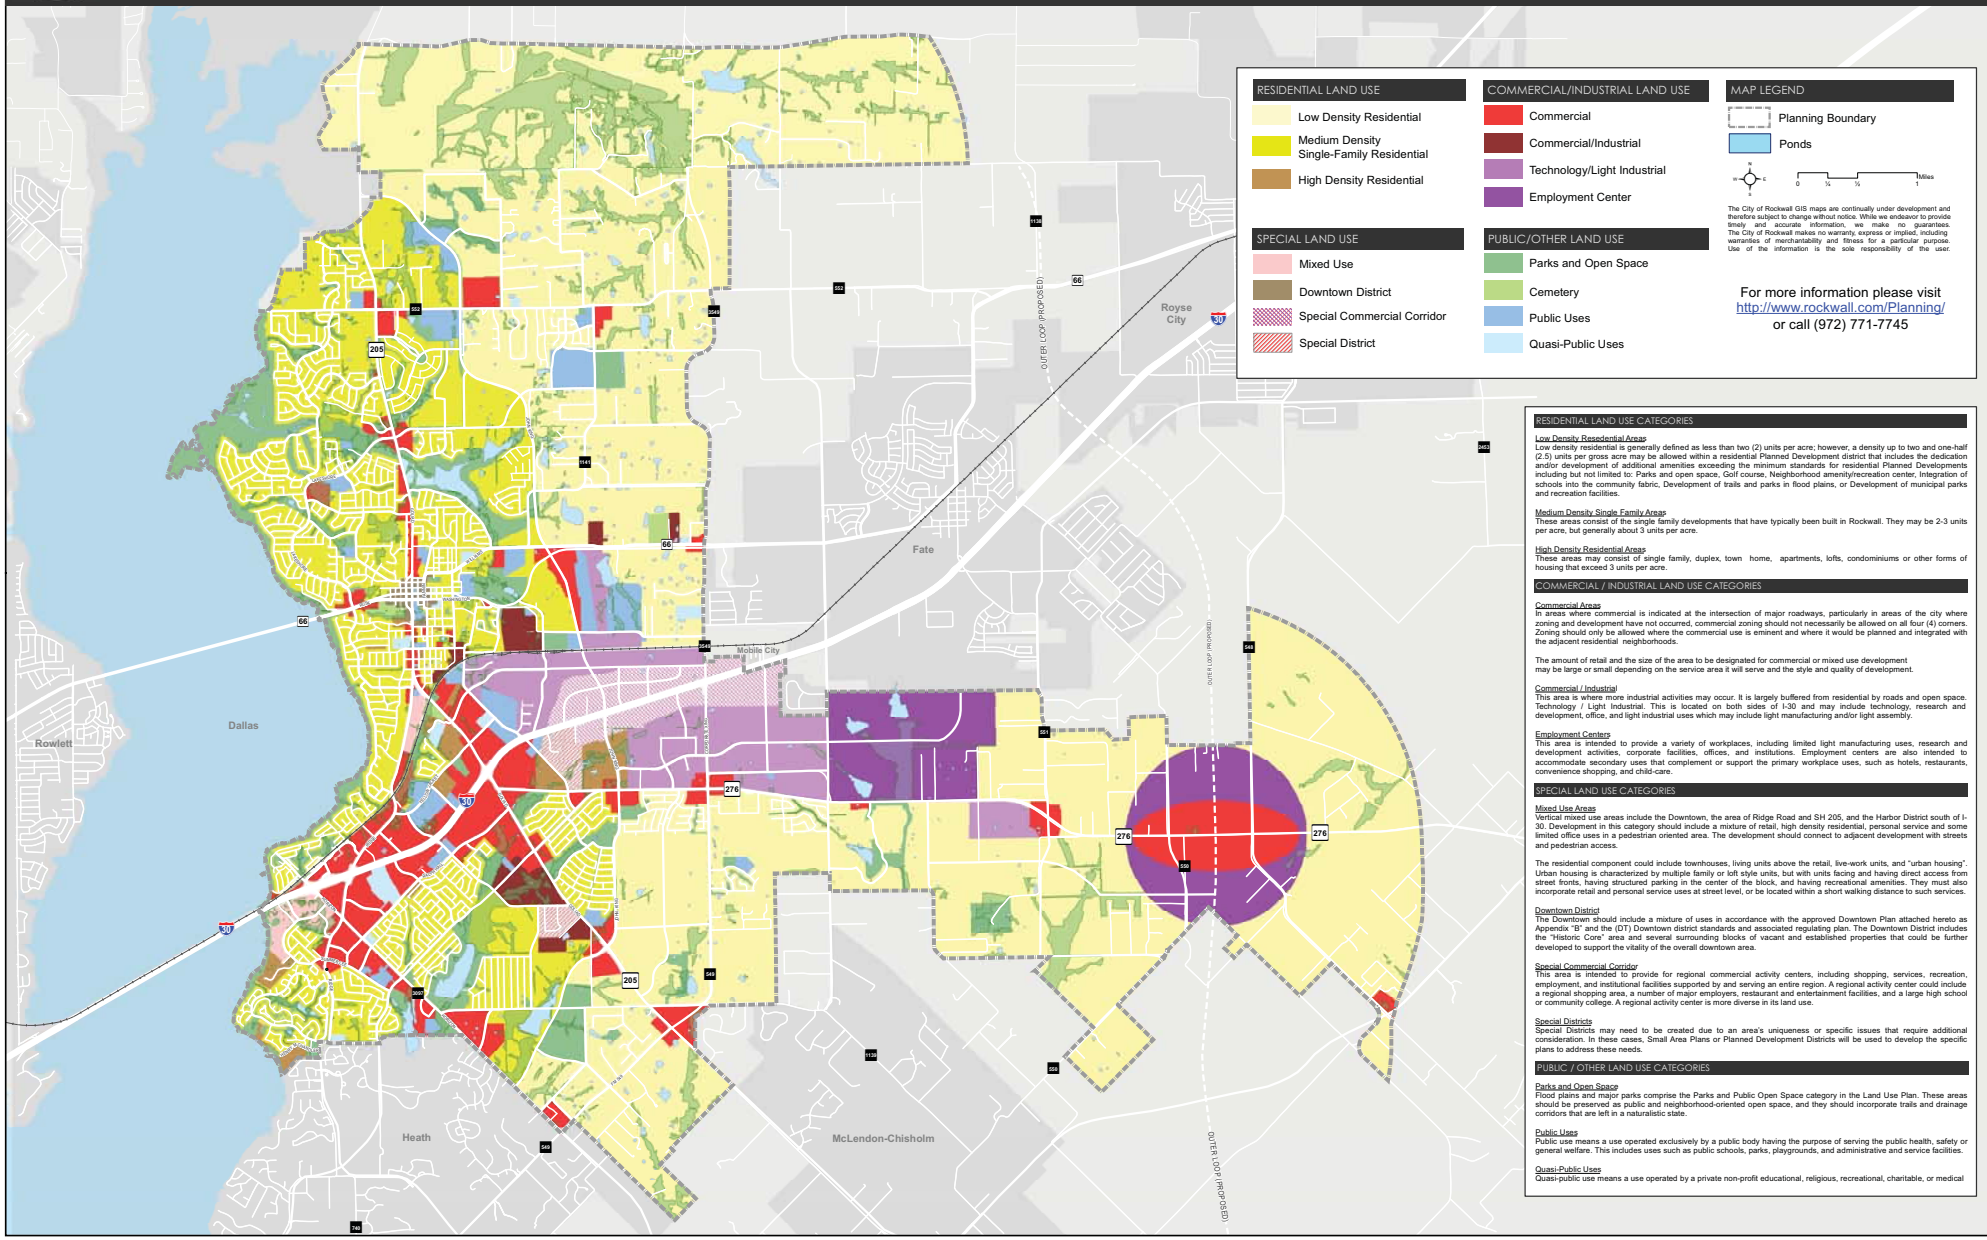
> *"I respectfully request that the Mayor and Council remove residential properties 304, 306, 308, and 310 Williams Street from the designation of Downtown District as shown on the City of Rockwall Future Land Use Map Comprehensive Plan 2011. These addresses are residential properties and the designation should be Medium Density Single Family Residential as the surrounding neighborhood is designated.*
>
> *304 and 306 Williams Street were the subject of a proposed rezoning to permit business/residential use. In September 2013, the Mayor and Council voted against the proposed rezoning. At a Public Hearing concerning the rezoning request, City Staff member, David Gonzalez, stated in response to a question from resident Carol Crow, that the City had 'inadvertently' included these two houses in the Downtown District designation. Perhaps this same error applies to 308 and 310 Williams Street. There is no justification or neighborhood support for these four residential properties to be designated Downtown District.*
>
> *A mapping error is easily corrected. I ask the Mayor and Council to reverse this error and designate 304, 306, 308, and 310 Williams Street as Medium Density Single Family Residential on the City of Rockwall Future Land Use Map Comprehensive Plan 2011."*

As an organization, we ask that you honor Jeanne's request to correct the error and designate 304, 306, 308, and 310 as Medium Density Single Family Residential on the *City of Rockwall Future Land Use Map Comprehensive Plan 2011* and send us documentation that it has indeed been corrected on the map, as well as in any other relevant documents on file at City Hall.



Thank you for supporting all of Rockwall and for recognizing and valuing the unique place our neighborhood has in the identity of our city.

Respectfully,



Sandi Whitley

City of Rockwall Future Land Use

City of Rockwall Future Land Use

RESIDENTIAL LAND USE CATEGORIES

Low Density Resedential Areas
Low density residential is generally defined as less than two (2) units per acre; however, a density up to two and one-half (2.5) units per gross acre may be allowed within a residential Planned Development district that includes the dedication and/or development of additional amenities exceeding the minimum standards for residential Planned Developments including but not limited to: Parks and open space, Golf course, Neighborhood amenity/recreation center, Integration of schools into the community fabric, Development of trails and parks in flood plains, or Development of municipal parks and recreation facilities.

Medium Density Single Family Areas
These areas consist of the single family developments that have typically been built in Rockwall. They may be 2-3 units per acre, but generally about 3 units per acre.

High Density Residential Areas
These areas may consist of single family, duplex, town home, apartments, lofts, condominiums or other forms of housing that exceed 3 units per acre.

COMMERCIAL / INDUSTRIAL LAND USE CATEGORIES

Commercial Areas
In areas where commercial is indicated at the intersection of major roadways, particularly in areas of the city where zoning and development have not occurred, commercial zoning should not necessarily be allowed on all four (4) corners. Zoning should only be allowed where the commercial use is eminent and where it would be planned and integrated with the adjacent residential neighborhoods.

The amount of retail and the size of the area to be designated for commercial or mixed use development may be large or small depending on the service area it will serve and the style and quality of development.

Commercial / Industrial
This area is where more industrial activities may occur. It is largely buffered from residential by roads and open space. Technology / Light Industrial. This is located on both sides of I-30 and may include technology, research and development, office, and light industrial uses which may include light manufacturing and/or light assembly.

Employment Centers
This area is intended to provide a variety of workplaces, including limited light manufacturing uses, research and development activities, corporate facilities, offices, and institutions. Employment centers are also intended to accommodate secondary uses that complement or support the primary workplace uses, such as hotels, restaurants, convenience shopping, and child-care.

SPECIAL LAND USE CATEGORIES

Mixed Use Areas
Vertical mixed use areas include the Downtown, the area of Ridge Road and SH 205, and the Harbor District south of I-30. Development in this category should include a mixture of retail, high density residential, personal service and some limited office uses in a pedestrian oriented area. The development should connect to adjacent development with streets and pedestrian access.

The residential component could include townhouses, living units above the retail, live-work units, and "urban housing". Urban housing is characterized by multiple family or loft style units, but with units facing and having direct access from street fronts, having structured parking in the center of the block, and having recreational amenities. They must also incorporate retail and personal service uses at street level, or be located within a short walking distance to such services.

Downtown District
The Downtown should include a mixture of uses in accordance with the approved Downtown Plan attached hereto as Appendix "B" and the (DT) Downtown district standards and associated regulating plan. The Downtown District includes the "Historic Core" area and several surrounding blocks of vacant and established properties that could be further developed to support the vitality of the overall downtown area.

Special Commercial Corridor
This area is intended to provide for regional commercial activity centers, including shopping, services, recreation, employment, and institutional facilities supported by and serving an entire region. A regional activity center could include a regional shopping area, a number of major employers, restaurant and entertainment facilities, and a large high school or community college. A regional activity center is more diverse in its land use.

Special Districts
Special Districts may need to be created due to an area's uniqueness or specific issues that require additional consideration. In these cases, Small Area Plans or Planned Development Districts will be used to develop the specific plans to address these needs.

PUBLIC / OTHER LAND USE CATEGORIES

Parks and Open Space
Flood plains and major parks comprise the Parks and Public Open Space category in the Land Use Plan. These areas should be preserved as public and neighborhood-oriented open space, and they should incorporate trails and drainage corridors that are left in a naturalistic state.

Public Uses
Public use means a use operated exclusively by a public body having the purpose of serving the public health, safety or general welfare. This includes uses such as public schools, parks, playgrounds, and administrative and service facilities.

Quasi-Public Uses
Quasi-public use means a use operated by a private non-profit educational, religious, recreational, charitable, or medical

RE: Proposed Amendment to the Future Land Use Map [MIS2014-009]

Property Address: 304 Williams Street
Rockwall, TX 75087

Dear Applicant:

This letter is to notify you that the Planning & Zoning Commission and City Council will be considering a request to change the Future Land Use designation of your property from a *Downtown* designation to a *Medium Density Residential* designation [*see attached map*]. In response to a request by the Old Town Homeowner's Association, the City Council has directed staff to prepare map amendments to the Future Land Use Map contained within the City's Comprehensive Plan. This request will only affect the Comprehensive Plan and does not represent a change to the current zoning designation of your property (*i.e. Single Family 7 [SF-7] District*); however, it could affect any future zoning requests conformance with the Comprehensive Plan.

There will be two (2) public hearings associated with this request in which public testimony will be taken. A list of all meeting dates is as follows:

Planning & Zoning Work Session:	July 29, 2014
Planning & Zoning Meeting (Public Hearing):	August 12, 2014
City Council [1st Reading] (Public Hearing):	August 18, 2014
City Council [2nd Reading]:	September 2, 2014

For your reference staff has attached a copy of the memorandum being sent to the Planning & Zoning Commission, a copy of the Future Land Use Map, a map of the proposed amendments, and a copy of the letter requesting the changes from the Old Town HOA. If you have any questions please feel free to contact the Planning & Zoning Department at (972) 771-7745 or email planning@rockwall.com.

Sincerely,

Robert LaCroix, AICP
Director of Planning & Zoning Department
City of Rockwall, TX

CITY OF ROCKWALL

ORDINANCE NO. _____

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, ADOPTING REVISIONS TO THE COMPREHENSIVE PLAN IN ACCORDANCE WITH THE CITY CHARTER.

WHEREAS, the City Charter of the City of Rockwall, Texas, states that the Master Plan will contain recommendations for the growth, development and beautification of the City and its extraterritorial jurisdiction, and

WHEREAS, the City Council of the City of Rockwall has previously authorized a study to update the City's Master Plan, also referred to as the Comprehensive Plan, and

WHEREAS, the citizens of the City of Rockwall were involved in the development of the Comprehensive Plan through participation in committee and public meetings, and

WHEREAS, Chapter 213 of the Texas Local Government Code states that the adoption of or amendment to a comprehensive plan requires a hearing at which the public is given the opportunity to give testimony and present written evidence and as required by the City Charter a public hearing has been held on the proposed revisions to the Comprehensive Plan, and

WHEREAS, the Comprehensive Plan shall serve as a guide to all future Council action concerning land use and development regulations and expenditures for capital improvements,

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the Future Land Use Plan as updated by the City Staff and recommended for approval by the Planning and Zoning Commission is hereby approved and amended into the Comprehensive Plan for the City.

Section 2. That the Comprehensive Plan shall be used by the City in the planning and as a guide for the future development of the City of Rockwall.

94

Section 3. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 08/18/2014

APPLICANT: Greg Wallis of Mershawn Architects

AGENDA ITEM: **SP2014-017**; Sharp Warehouse

SUMMARY:

Discuss and consider a request by Greg Wallis of Mershawn Architects on behalf of the owner Rick Sharp for the approval of variances, specifically to the pitched roof requirement and required amount of articulation, in association with a site plan for a warehouse facility on a 1.10-acre portion of a larger 6.22-acre parcel of land identified as Lot 2, Block A, Sharp Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 46 (PD-46), situated within the SH-276 Overlay (SH-276 OV) District, located on the south side of Springer Road, east of the intersection of Springer Road and Corporate Crossing [FM-3549], and take any action necessary.

BACKGROUND INFORMATION:

Greg Wallis of Mershawn Architects has submitted an application on behalf of the property owner, Rick Sharp, for site plan approval of a 5,000 sq. ft. warehouse facility. The proposed building is to be located on a 1.10-acre portion of a larger 6.22-acre parcel of land that will front Springer Road. The lot is zoned PD-46 and identified to be within the SH-276 Overlay (SH-276 OV) District and is subject to the standards established within this district.

Due to the limited visibility from Springer Road, the applicant is requesting variances from the building articulation and roof design standards for the warehouse facility.

VARIANCE REQUEST(S):

The applicant is requesting the following variances:

1) The SH-276 OV district requires that all buildings less than 6,000 sq. ft. incorporate a pitched roof. The proposed warehouse building is designed utilizing a flat roof. *In accordance with Sec. 6.14, SH-276 OV District, of the UDC approval of this variance will require a three-quarter majority vote of those city council members present with a minimum of four affirmative votes.*

2) The General Commercial district standards require a minimum horizontal and vertical articulation that the current building design is not meeting along the east and west building elevations. *Per the requirements of the UDC a simple majority vote will be required to approve this variance.*

Staff would point out that the majority of the existing buildings surrounding the proposed property are also metal buildings, many of which existed prior to annexation of the area. The proposed 5,000 sq. ft. building is generally screened from SH-276 traffic by several of the surrounding buildings and is only visible along Springer Road. However, given the limited visibility and the general location of the property, the proposed variances remain a discretionary action for the Planning and Zoning Commission and City Council.

ARCHITECTURAL REVIEW BOARD:

On July 29, 2014, the Architectural Review Board (ARB) reviewed the applicant's request and made the following recommendations:

1. The applicant should incorporate a simpler, less heavy porch design that is more horizontal and/or that incorporates less pitch in the proposed roof.
2. The mass of the porch supports should be increased to better blend with the mass of the building.
3. The brick band at the top of the building should be repeated in the location of the second (stone) band, adjacent to the current porch location.

The applicant has addressed all of the ARB's recommendations and incorporated them into the revised building elevations.

RECOMMENDATIONS:

If approved, staff would offer the following conditions:

1. Adherence to all engineering and fire department standards.
2. The applicant will need to resubmit a site plan that indicates the location of the detention area.
3. Submittal and approval of a final plat prior to issuance of a Certificate of Occupancy.
4. Approval of the variances requested by City Council.

On August 12, 2014, the Planning and Zoning Commission approved the site plan request with staff recommendations. The Commission also recommended approval of the variances to allow for a flat roof design and not meeting the articulation standards for horizontal and vertical articulation of the east and west building elevations by a vote of 5 to 0 (Minth & Neilsen absent).

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 8/18/2014

APPLICANT: Glaus, Pyle, Schomer, Burns &

AGENDA ITEM: **SP2014-019;** TA Amended Elevations

SUMMARY:

Discuss and consider a request by Lynsey Ondecker of Glaus, Pyle, Schomer, Burns & DeHaven, GPD on behalf of the owner, Travel Centers of America, for the approval of a variance, specifically to allow for secondary materials in excess of 10%, in association with an amended site plan for the purpose of remodeling the exterior façade of the existing truck stop, which is located on a 13.167-acre parcel of land identified as Lot 3, Block A, Travel Centers of America Addition, zoned Commercial (C) District, situated within the IH-30 Overlay (IH-30 OV) District and the SH-205 Overlay (SH-205 OV) District, addressed as 2105 S. Goliad Street, City of Rockwall, Rockwall County, Texas, and take any action necessary. (3/4 majority vote required)

BACKGROUND INFORMATION:

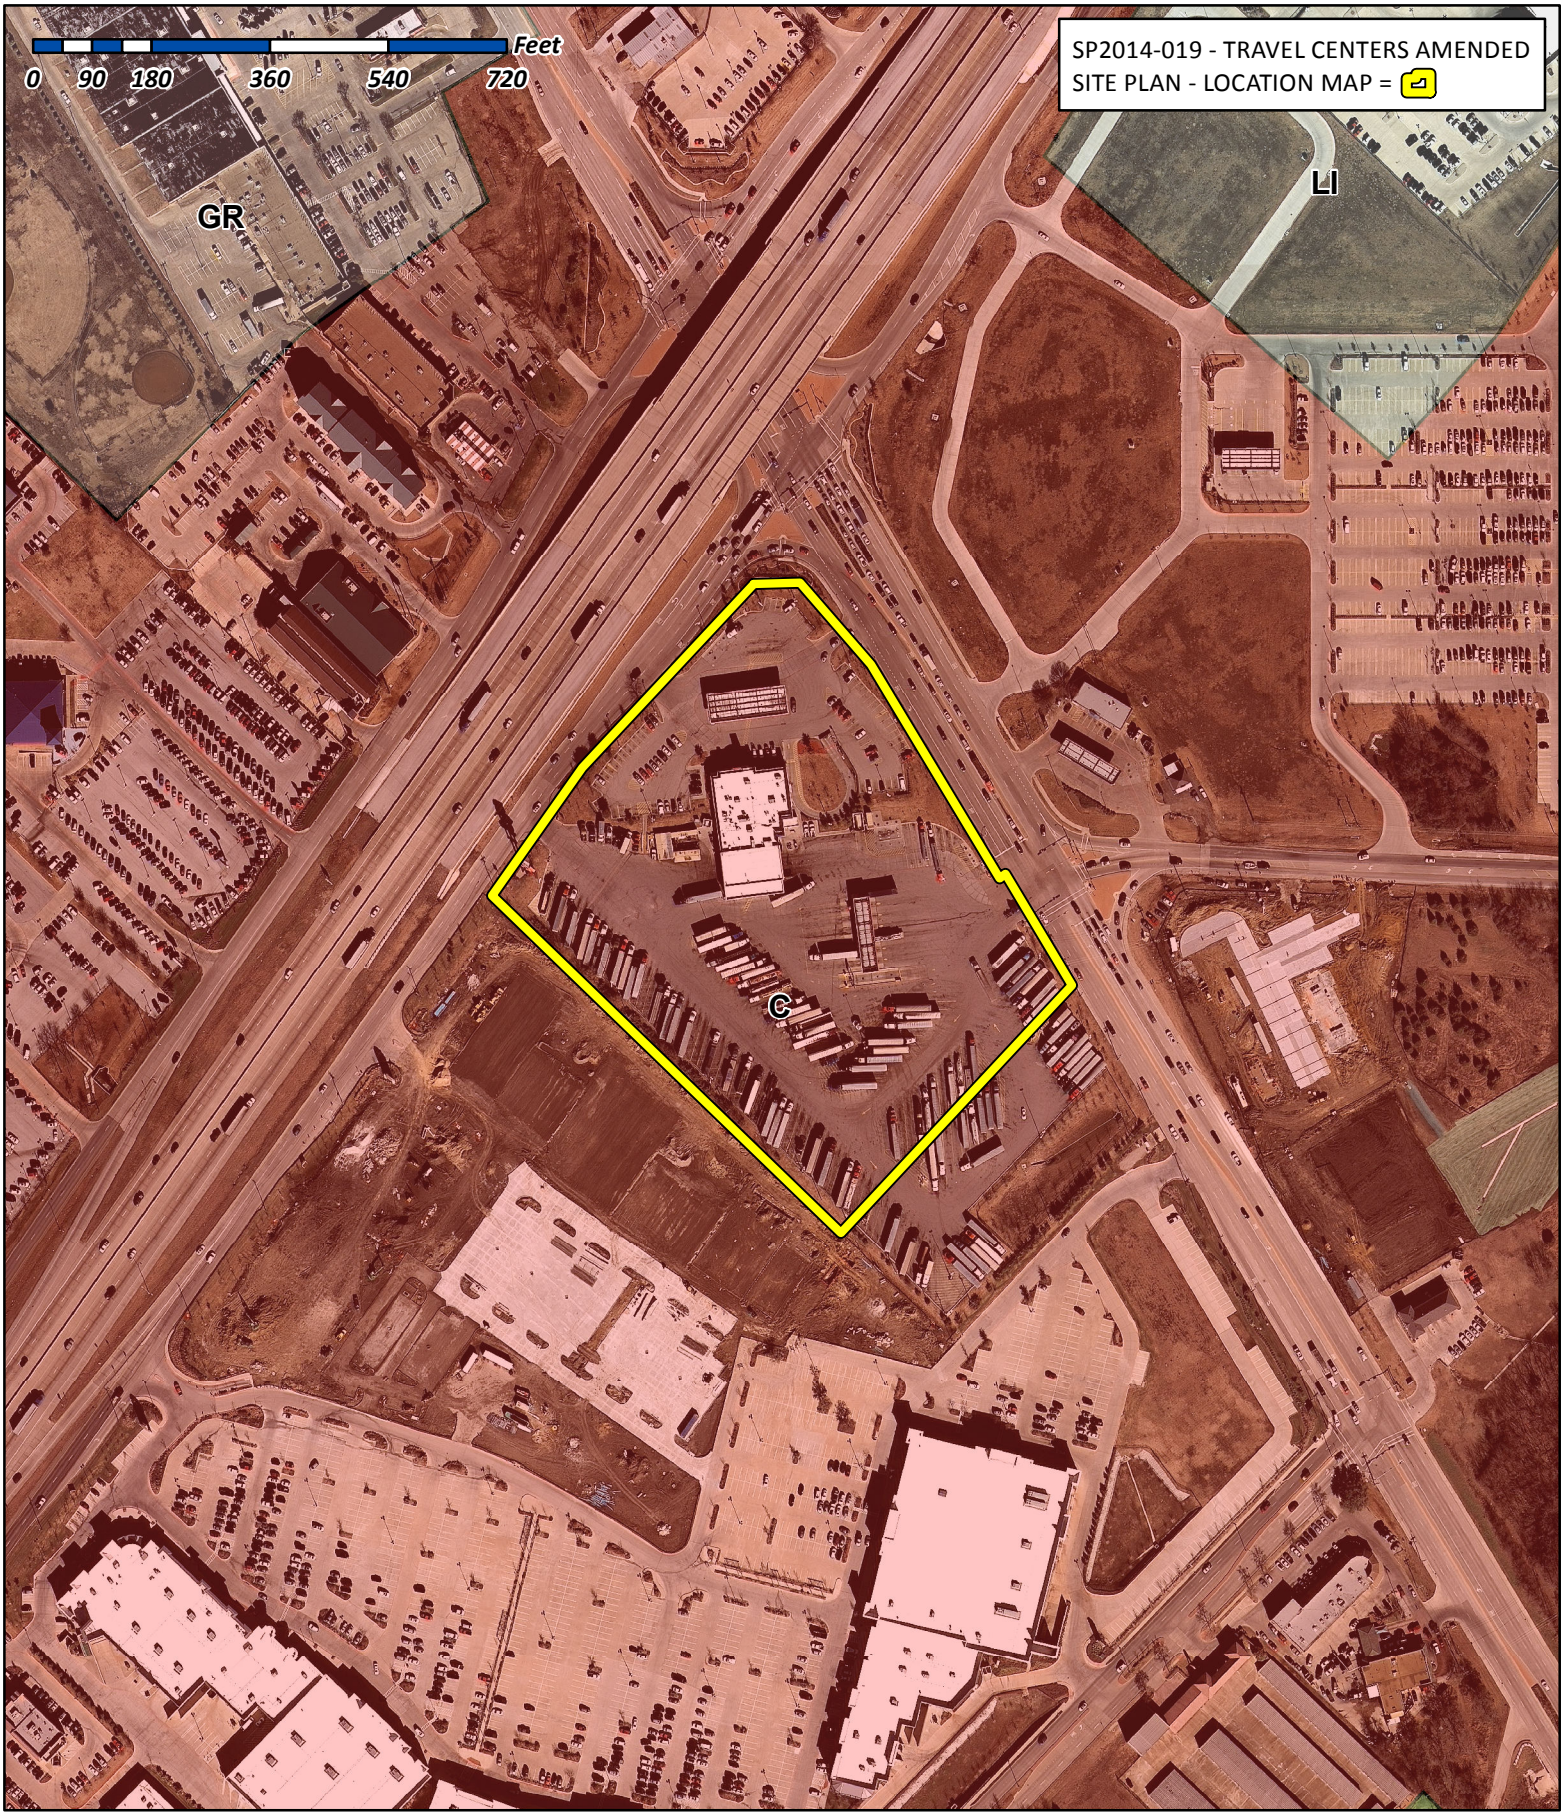
The applicant has submitted a request for an amended site plan for the Burger King portion of the Travel Centers of America building located at 2105 S. Goliad Street on the southwest corner of Goliad Street and IH-30. The property is zoned Commercial District and falls within the IH-30 Overlay (IH-30 OV) District as well as the SH 205 Overlay (SH 205 OV) District. The proposal is for the renovation of the building elevations on two sides of the building in order to update the exterior by incorporating corrugated metal and tile and painting the existing brick masonry.

VARIANCE REQUEST:

Corrugated metal is considered a secondary material. According to both the IH-30 OV and the SH-205 OV Districts, secondary materials are limited to 10% of each facade. The proposed front elevation shows metal panels on 35.6% of the facade with 21.6% existing and an additional 14% being added. The side elevation indicates a total of 11.2% secondary materials. Any variance to the IH-30 OV and SH-205 OV Districts requires a recommendation from the Planning and Zoning Commission and a super-majority (3/4) vote by City Council for approval.

RECOMMENDATION:

1. All signage requires submittal and approval of a separate permit through the Building Inspections Department.

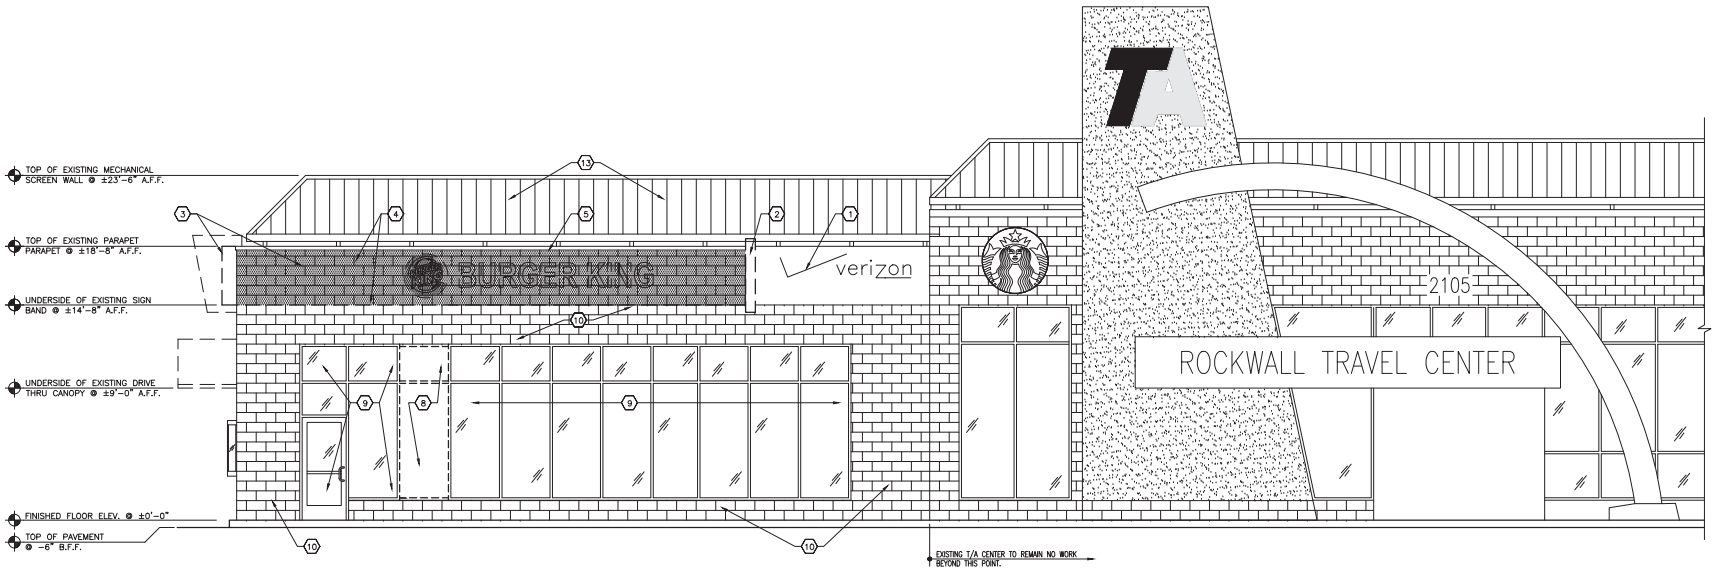


2. Any construction or building necessary to complete this Site Plan request must conform to the requirements set forth by the UDC, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

ARCHITECTURAL REVIEW BOARD:

This request was reviewed by the Architectural Review Board on July 29, 2014; however, the ARB did not recommend changes to the applicant's proposal.

PLANNING AND ZONING COMMISSION:



On August 12, 2014, the Planning & Zoning Commission approved the amended site plan by a vote of 5-0 with staff recommendations and the additional condition that the metal panels have a factory finish with at least a five (5) year durability standard (Commissioners Minth and Nielsen absent).

City of Rockwall
The New Horizon

MEMORANDUM

TO: City Council

FROM: Joey Boyd, Director of Internal Operations

DATE: August 14, 2014

SUBJECT: **Proposed Railroad Commission Rules Affecting City Participation in Rate Cases**

On July 8, 2014, the Railroad Commission of Texas ("RRC" or "Commission") issued proposed rules that will greatly restrict municipal participation in gas utility rate cases. The RRC proposed these rules in spite of a clear message from the Legislature last session that the current rate-setting process is working. The Atmos Cities Steering Committee ("ACSC"), which Rockwall is a member of, will participate in the RRC's rulemaking projects and oppose adoption of the new rules. Comments are due on August 25, 2014. Members of ACSC are urged to send letter comments to the Commission before August 25th and copy those comments to local legislators.

Background

For nearly 100 years, cities have had original jurisdiction over gas utility rates within their city limits. In order to reduce costs, cities have historically formed coalitions, such as ACSC, to represent the collective interests of cities and their citizens in utility rate cases. These coalitions save ratepayers money by permitting the cost-effective and complete examination of a utility's rate request. Typically, municipal participation has resulted in a net savings for ratepayers, because the utility's rate increase was reduced by an amount far in excess of the expenses incurred by the cities.

Proposed Rules

The RRC has proposed two new rules that would: (1) consolidate city intervenors and limit discovery on utilities' rate requests, and (2) address city rate case expenses. These are one-sided proposed rules that do nothing to restrict the utilities' ability to seek rate increases or litigate those cases as they see fit, yet would make effective city participation in RRC rate cases

impossible. Below is a summary of the major components of the newly-proposed rules and a brief explanation of the problems with each.

The key provisions of the proposed rules are:

Rate Case Expenses – Proposed Amendments to 7.5530

A requirement that utilities only reimburse cities for expenses actually paid, or expenses that the city has unconditionally committed to paying.

This proposed section serves no purpose at all, other than to deter city participation in rate cases by placing a burden on city treasuries. To date, the RRC has not identified a problem that this intrusive rule would solve. Notably, the new rule would allow utilities to quantify and recover an estimate of their expenses to participate in appeals of their RRC case – in other words, the rule would allow utilities to obtain approval for expenses that they themselves have not actually paid.

Collection of cities' expenses only from customers within participating cities' boundaries.

This provision would deter participation in rate cases by creating a free-rider dynamic. If a city knew that joining a coalition might expose its citizens to a rate case expense surcharge, while at the same time those citizens would reap the benefits of the coalition's work in the case in any event, that city might not join the coalition.

The expenses the utility incurs that are related to the filing of the statement of intent and the provision of notice will be allocated to all customers affected by the rate change.

That is to say, the cost of a utility seeking to *raise* its rates is recovered from all customers, but the cost of a city group's *opposition* to the rate increase is borne only by customers in participating cities. This one-sided proposal is clearly designed to reduce city participation in the process by a punitive allocation of the utilities' own expenses.

Discovery Limitation – Proposed New Rules 1.86 and 1.87

Mandatory, presumptive alignment of cities.

The proposed rule would make alignment of all cities (and all city coalitions) that have intervened in a case mandatory. Cities would need to prove to the presiding officer that their interests are sufficiently different to overcome the presumption of alignment. As you may be aware, not all cities have the same view of the same issues. Historically, for example, there have been instances where one city coalition agreed to settle a case with a utility, while another continued to litigate it.

A limitation of 600 Requests for Information ("RFIs") for each party in total, with no more than 75 RFIs permitted to be issued by a party in a single week.

RRC Staff will be exempted from this limitation. City-level RFIs will count against the total stated above. Most rate cases at the RRC are already processed on an extremely expedited schedule that cuts short the amount of discovery that can be conducted. Furthermore, including

city-level RFIs in this total constrains the exercise of city original jurisdiction and could violate the statute granting that jurisdiction.

Requested Action

If the City Council has no other questions, comments, and/ or changes to the letters, the request is to consider authorizing the Mayor to execute a letter indicating the City of Rockwall's opposition to the proposed Railroad Commission rules affecting City Participation in Rate Cases and to forward them to the Railroad Commission and to Rockwall's State Senator and State Representative.

Draft Copy

August 14, 2014

Rules Coordinator
Railroad Commission of Texas
Office of General Counsel
P.O. Drawer 12967
Austin, TX 78711-2967

Rules Coordinator:

On July 8, 2014, the Railroad Commission of Texas ("RRC" or "Commission") issued proposed rules that will greatly restrict municipal participation in gas utility rate cases. The RRC proposed these rules in spite of a clear message from the Legislature last session that the current rate-setting process is working. The City of Rockwall is a member of the Atmos Cities Steering Committee ("ACSC"). The ACSC will participate in the RRC's rulemaking projects and oppose adoption of the new rules.

The City of Rockwall opposes the rule changes based on the following:

- There is no public counsel at the RRC to protect the public interest;
- The proposed rulemaking mirrors legislation proposed in 2013 which was rejected by the Legislature; and
- ACSC efforts have been successful at the RRC and beneficial to all customers. Since 2008, the ability of the ACSC to participate in ratemaking cases has saved ratepayers almost $90 million from what Atmos originally requested compared to the actual negotiated amount of rate increase that was implemented to Texas residents.

If adopted by the RRC, the rules proposed would effectively eliminate the opportunity for citizens (through their locally elected officials) to have any input as to the legitimacy of a company-proposed rate increase under consideration by the RCC.

The City of Rockwall appreciates the opportunity to comment on this matter.

Respectfully,

David Sweet
Mayor

The Honorable Scott Turner
Texas State Representative
2305 Ridge Road, Suite 202B
Rockwall, TX 75087

Dear Representative Turner:

On July 8, 2014, the Railroad Commission of Texas ("RRC" or "Commission") issued proposed rules that will greatly restrict municipal participation in gas utility rate cases. The RRC proposed these rules in spite of a clear message from the Legislature last session that the current rate-setting process is working. The City of Rockwall is a member of the Atmos Cities Steering Committee ("ACSC"). The ACSC will participate in the RRC's rulemaking projects and oppose adoption of the new rules.

The City of Rockwall intends to notify the Railroad Commission of its displeasure and encourages you as Rockwall's local legislator to communicate the same opposition based on the following:

- There is no public counsel at the RRC to protect the public interest;
- The proposed rulemaking mirrors legislation proposed in 2013 which was rejected by the Legislature; and
- ACSC efforts have been successful at the RRC and beneficial to all customers. Since 2008, the ability of the ACSC to participate in ratemaking cases has saved ratepayers almost $90 million from what Atmos originally requested compared to the actual negotiated amount of rate increase that was implemented to Texas residents.

If adopted by the RRC, the rules proposed would effectively eliminate the opportunity for citizens (through their locally elected officials) to have any input as to the legitimacy of a company-proposed rate increase under consideration by the RCC.

The City of Rockwall appreciates your attention to this matter and for your representation at the Railroad Commission.

Respectfully,

David Sweet
Mayor

MEMORANDUM

TO: **Honorable Mayor and Council**

FROM: **Jeffrey Widmer, Building Official**

DATE: **August 18, 2014**

SUBJECT: **Front yard fence variance request for 1586 Edmondson Trail**

Mr. Baker Wells with First Texas Homes has requested to appear before the Council to seek approval for a front yard fence variance for his property located at 1586 Edmondson Trail, being, lot 8 Block K, The preserve Phase II, zoned PD-41 Single Family Residential district.

Mr. Wells is seeking approval to allow a 48" wrought iron fence within the required front yard of his property to create a bigger back yard for his customer.

Any front yard fence requires City Council approval. I am including a site plan of the surrounding area, as well as a site plan and photos of the subject property for your review.

120

FIRST TEXAS® HOMES

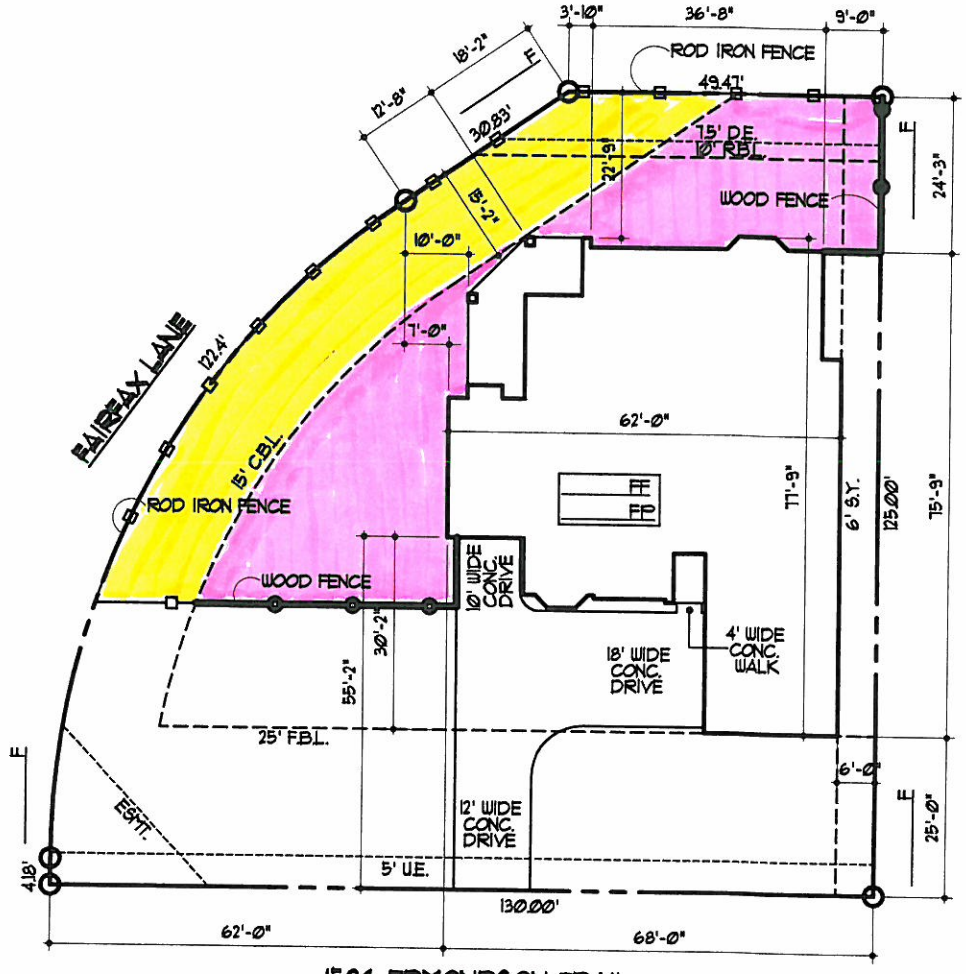
July 30, 2014

City of Rockwall
Attn: Brenda Crane
385 S. Goliad Street
Rockwall, Texas 75087

Re: Fence Permit - 1586 Edmondson Trail (8/K)

Dear Brenda,

The original approved plot plan, which shows fence to be only located on the CBL. When/if fence was to be on the CBL, it would touch the back of the home as well as take up a large majority of the buyer's side and back yard. We "First Texas Homes" would like to modify the original plot plan to move the fence back as shown on the newly designed plot plan. This would move the fence to the property line and now incorporate 4' wrought iron over the bounderaries past the CBL.



Thank you in advance for your cooperation. If upon your receipt and review of the attached you should have any questions and/or require additional information, I can be reached at 214-296-4399 or via email to agutierrez@firsttexashomes.com

Sincerely,

Ana Gutierrez

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: City Council

FROM: Ryan Miller, *Planning Manager*

CC: Rick Crowley, City Manager
Robert LaCroix, Director of Planning

DATE: August 18, 2014

SUBJECT: Expiring 212 Agreement (*A2014-001*)

In January of 2005, the City Council approved actions executing *212 Development Agreements* [*Case No. A2005-001*] with various property owners located within the Extraterritorial Jurisdiction (ETJ) of the City (*see Exhibits 'A' & 'B'*). As part of the *212 Development Agreement* the property owners were approved for an initial term of ten (10) years from the date the agreements were executed. With these contracts due to expire in January 2015 and in accordance with *Section 16* of the approved *212 Development Agreements* staff has sent out a written notification to all qualifying property owners notifying them of the expiration date. This notification was sent out on June 27, 2014. Currently, staff has received extension requests from all property owners (*see Exhibit 'C'*). The majority of the extension letters specifically request that the City Council extend the agreement for a period of ten (10) years. According to *Section 16* of the previous agreement (*see Exhibit 'D' for complete document*):

> ***Section 16.*** *The initial term of this Agreement shall be 10 years from January 10, 2005, (the "Initial Term"). If Owners desire to extend the operation of this Agreement beyond its Initial Term, or beyond any Subsequent Term, then Owners, at least 180 days prior to the end of the Initial or Subsequent Term, shall submit a written request to the City for such extension (an "Extension Request"). The City, at least 90 days prior to the end of the Initial or Subsequent Term, shall notify Owners in writing, delivered by certified mail, with respect to its decision whether to extend this Agreement for an additional five (5) year term (referred to as "Subsequent Term"). In the event such written notice from the City of its decision is not received by the Owners at least 90 days prior to the end of that Initial Term or a Subsequent Term, such Extension Request is deemed granted and this Agreement continues for another Subsequent Term; provided, however, that Subsequent Terms may be requested by the Owners as stated herein, but in no event to extend beyond a total of forty-five (45) years or as otherwise permitted under Law.*

The City Council may consider to continue the *212 Development Agreements* for a period of five (5) years [*the "Subsequent Term"*] or grant the property owners request for ten (10) years, but in no case shall the new agreements extend beyond a period of forty-five (45) years in total for the expired term and all subsequent terms. Alternatively, the City Council could elect to annex these areas at the termination of this agreement. Regardless of if the City Council chooses to annex the properties or extend the *212 Development Agreements*, staff will be required to send a letter via certified mail notifying the affected properties of the City's choice by October 5, 2014.

Re Extension of Chapter 212 Local Government Code Development Agreement by and between the City of Rockwall and Jack H. Hittson and Elizabeth W. Hittson, dated January 18, 2005

Dear Mr. Crowley:

As authorized by Chapter 212 of the Texas Local Government Code, Jack H. Hittson and Elizabeth W. Hittson entered into a Development Agreement with the City of Rockwall dated January 18, 2005, regarding certain property owned by Landowners in Rockwall County, Texas, which agreement is recorded as document #2005-00328925 in the Official Public Records of Rockwall County, Texas and at Vol. 4026, Page 0131 of the Rockwall County Deed Records (the "Agreement").

Jack Hittson died on February 9, 2009. In accordance with his will and various estate planning instruments, the property is now owned by the Jack H. Hittson Disclaimer Trust and the Hittson Family Partnership as successors in interest to Jack and Elizabeth Hittson, save and except for 20 acres deeded to the Hittsons' daughter Suzanne L. Hittson in January 2006, as recorded in Vol. 4395, Page 219 of the Rockwall County Deed Records (collectively, the "Landowners").

By delivery of this document and pursuant to Section 16 of the Agreement, we the Landowners request an extension of the Agreement for at least an additional five (5) years. We understand that neighboring landowners subject to the same Development Agreement as us have asked for 10 year extensions. If the City grants those requests, we would appreciate a similar 10-year extension as well.

Should you have any questions or care to discuss any aspect of this request, do not hesitate to contact us through the following:

Re Chapter 212 of the Texas Local Government Code Annexation Agreement

Dear Sir:

Carl E and Dixon A Glaze ("Landowners") entered into a Development Agreement with the City of Rockwall regarding certain property in Rockwall County, Texas, which agreement is recorded as document # 20050000323184 in the Official Public Records of Rockwall County, Texas (the "Glaze Agreement"). Carl E. and Dixon A. Glaze ("Landowners") still own the property described in the Glaze Agreement.

Pursuant to Section 16 of the Glaze Agreement, Landowners by delivery of this document do request and propose that the Glaze Agreement be extended. Landowners propose that the Glaze Agreement be extended for a period of ten (10) years from its effective date.

Sincerely,

Dixon A. Glaze

STATE OF TEXAS KNOW ALL MEN BY

COUNTY OF ROCKWALL THESE PRESENTS

CHAPTER 212 TEXAS LOCAL GOVERNMENT CODE
DEVELOPMENT AGREEMENT

This Agreement is entered into pursuant to Section 212.172 Tex. Local Govt. Code by and between the City of Rockwall, Texas (City) and Henry Rohrbaker and Jana Rohrbaker ("Owners") the property owners of the hereinafter described property ("Owners' Property") in Rockwall County, Texas:

The term Owners includes their heirs, successors, and assigns;

WHEREAS, the City has begun the process required by Chapter 43, Tex. Local Govt. Code to institute annexation proceedings on portions of Owners' Property and has held public hearings on September 20, 2004, and September 23, 2004; and

WHEREAS, the Owners have requested that Owners' Property be deleted from annexation, for which this Agreement has been proposed in accordance with Section 212.172 Tex. Local Govt. Code;

WHEREAS, the Owners and the City acknowledge that this Agreement between them is binding upon the City and the Owner and their respective successors and assigns for the term of the Agreement, per Texas Local Government Code Section 212.172(f), which provides that the agreement between the governing body of the municipality and the landowner is binding on the municipality and the landowner and on their respective successors and assigns for the term of the agreement and;

WHEREAS, this Development Agreement is to be recorded in the Real Property Records of Rockwall County; and

WHEREAS, both the City and the Owners agree that entering into this Agreement addresses the goals and objectives of both parties;

NOW, THEREFORE, in consideration of the mutual covenants contained herein, the parties hereto agree as follows:

Section 1. The above mentioned Owners agree to petition the City for annexation, upon execution of this Agreement, of a certain parcel of land being a portion of Owners' Property, which is more particularly described by said petition (the "Annexation Petition") which is attached hereto as Exhibit A. The City agrees that the land so

annexed will carry the AG – Agricultural District designation under the City's Comprehensive Zoning Ordinance.

Section 2. For purposes of this Agreement the term the "Subject Property" shall apply to that portion of Owner's Property that is not described in the Annexation Petition.

Section 3. The City guarantees the continuation of the extraterritorial status of the Subject Property and its immunity from annexation by the City for the term of this Agreement and any subsequent renewals of said term as permitted under law.

Section 4. The Owners covenant and agree that, except as otherwise provided herein, they will not file for plat approval with Rockwall County or the City for any portion of the Subject Property until such property has been annexed into the City and zoned pursuant to applicable state law, said zoning to be at the sole discretion of the City Council. Owners further covenant and agree that any such plat to be filed shall conform to the City's Comprehensive Land Use Plan; provided, however, that the City waives any requirement for plat approval for subdivision(s) of the Subject Property where such subdivision(s) are in parts being greater than or equal to five (5) acres having adequate public street access and facilities where no new street or public facilities are required to be provided by the City. Owners may file a subdivision plat for approval if such plat contains residential lot sizes of not less than five acres each.

The parties understand that a subdivision plat may not be required under State law for the division of land into tracts greater than or equal to five acres, where each tract has access and no public improvements are being dedicated. Any conveyance pursuant to a subdivision plat for residential lots of not less than five acres each, as permitted above, shall contain a deed restriction prohibiting the placement of a manufactured home (as defined in Texas Occupations Code Section 1201.003) on the property conveyed effective at least until the expiration of ten years following the end of the term of this Development Agreement. No conveyance pursuant to condemnation or deed in lieu of condemnation shall constitute a violation of this Section.

The Owners covenant and agree that the foregoing limitations on the use of the Subject Property for the Term of this Agreement and any Subsequent Term agreed to by the Parties constitute the Development Plan for the Subject Property.

Section 5. If either Owner commences development of the Subject Property by filing a subdivision plat or any other development application showing the location and boundaries of individual parcels of land subdivided into lots for residential lot sizes of less than five (5) acres each or for any non-residential use or executes any conveyance to establish such use, such act shall be deemed inconsistent with the Development Plan and shall constitute a petition request for voluntary annexation by the Owners and the Subject Property shall, at the discretion of the City Council, be subject to annexation. The parties agree that such annexation shall be voluntary and the Owners hereby consent to such annexation as if though a petition for such annexation had been tendered. In that regard, should annexation proceedings begin pursuant to this Section; the Owners acknowledge

that such a petition serves as an exception to Local Government Code Section 43.052, requiring a municipality to use certain statutory procedures under an annexation plan, and hereby waive any and all vested rights and claims that they may have under Section 43.002(a)(2) and Chapter 245 Tex Local Govt. Code that would otherwise exist by virtue of any actions Owners have taken inconsistent with the Development Plan for the Subject Property and in violation of Section 4, above. Any annexation proceeding pursuant to this section shall be initiated within 180 days after the city knows of the action by Owner that results in the City's right to annex.

Section 6. During the term of this Agreement the City's Park Master Plan, or subsequent modifications, revisions or versions thereof, shall not be applicable to Owner's Property so that the City will not seek to acquire any of the Owners' Property, by agreement or otherwise, as may be shown on said Plan, unless annexation proceedings are initiated pursuant to Section 5 herein.

Section 7. In reliance on the petition of the owners to annex the property as described therein, the City agrees not to annex the Subject Property, agrees not to involuntarily institute proceedings to annex the Subject Property, and further agrees not to include the Subject Property in a statutory annexation plan for the Initial and any Subsequent Term of this Agreement. The City's agreement herein is declared to be severable.

Section 8. The Service Plan for the property to be annexed by petition (which shall be in the form attached as Exhibit B to the Annexation Petition which is attached as Exhibit A to this Agreement) shall contain a provision that the area to be annexed is so narrow or comprises such a small area that cannot be used independently under any of the City's development control ordinances, or other regulatory ordinances, so that such ordinances shall not be enforced in said area.

Section 9. Any person who sells or conveys any portion of the Subject Property shall, prior to such sale or conveyance, give 30 days written notice of this Agreement to the prospective purchaser or grantee. A copy of said notice shall be forwarded to the City at the following address:

City of Rockwall
385 S. Goliad
Rockwall, Texas 75087
Attn: City Manager

Section 10. This Agreement is to run with the Subject Property and be recorded in the real property records, Rockwall County, Texas.

Section 11. Invalidation of any provision of this Agreement by judgment or court order shall not invalidate any of the remaining provisions which shall remain in full force and effect.

Section 12. This Agreement may be enforced by either Owner or the City by any proceeding at law or in equity. Failure to do so, shall not be deemed a waiver to enforce

the provisions of this Agreement thereafter. Entry into this Agreement by Owner waives no rights as to matters not addressed in this Agreement.

Section 13. No subsequent change in the law regarding annexation shall affect the enforceability of this Agreement or the City's ability to annex the properties covered herein pursuant to Section 5.

Section 14. Venue for this Agreement shall be in Rockwall County, Texas.

Section 15. This Agreement may be separately executed in individual counterparts and, upon execution, shall constitute one and same instrument.

Section 16. The initial term of this Agreement shall be 10 years from January 10, 2005, (the "Initial Term"). If Owners desire to extend the operation of this Agreement beyond its Initial Term, or beyond any Subsequent Term, then Owners, at least 180 days prior to the end of the Initial or Subsequent Term, shall submit a written request to the City for such an extension (an "Extension Request"). The City, at least 90 days prior to the end of the Initial or Subsequent Term, shall notify Owners in writing, delivered by certified mail, with respect to its decision whether to extend this Agreement for an additional five (5) year term (referred to as a "Subsequent Term"). In the event such written notice from the City of its decision is not received by the Owners at least 90 days prior to the end of that Initial Term or a Subsequent Term, such Extension Request is deemed granted and this Agreement continues for another Subsequent Term; provided, however, that Subsequent Terms may be requested by the Owners as stated herein, but in no event to extend beyond a total of forty-five (45) years or as otherwise permitted under Law.

Section 17. If the Owners do not provide an Extension Request pursuant to Section 16, or upon a written decision by the City not to extend the term of this Agreement for a Subsequent Term following the Initial Term or for an additional Subsequent Term, then Owners shall be deemed to have filed a petition for voluntary annexation as of the end of the Initial or Subsequent Term of this Agreement. If Owners submitted an Extension Request then a notice pursuant to Section 16, above, by the City that it has decided not to extend the Term of this Agreement shall also include a notification whether it intends, subject to the procedures required by law, to accept the petition for voluntary annexation. If Owners did not submit a Extension request then the City, at least ninety days prior to the end of the Initial or Subsequent Term, shall provide a written notification to Owners, by certified mail, whether it intends, subject to the procedures required by law, to accept the petition for voluntary annexation. Any annexation proceedings pursuant to this section shall be commenced within 180 days after the end of the Initial or Subsequent Term in question.

Section 18. Upon termination of this Agreement and the decision by the City to accept the petition for voluntary annexation by the Owners, as provided in Section 5 or Section 17, then Owners and the City will then enter into good faith negotiations regarding the terms of the annexation and of the service plan to be implemented, provided that, unless the parties agree otherwise, the service plan for such land shall conform to, and be

implemented in accordance with, no less than the City's then existing adopted comprehensive and utility master plans. The zoning shall be Agricultural District. In connection with annexation pursuant to this section, the Owners hereby waive any and all vested rights and claims that they may have under Section 43.002(a)(2) and Chapter 245 Texas Local Government Code that would otherwise exist by virtue of any actions Owners may take between the termination of this Agreement and the institution of annexation proceedings, if any, by the City.

Section 19. This Agreement shall survive its termination to the extent necessary for the implementation of the provisions of Section 17 and 18.

Section 20. The City has presented a Service Plan to Owners in connection with the Annexation Petition. The City agrees to extend that Service Plan for a term so long as this Agreement is in effect. In the event land is to be annexed because of development, under Section 4 herein, the service plan for such land will be the same as that for the remainder of the property being annexed.

The parties hereto have executed this agreement as of January 10, 2005.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Mayor and City Council
Rick Crowley, *City Manager*

FROM: Ryan Miller, *Planning Manager*

CC: Robert LaCroix, *Director of Planning and Zoning*
Tim Tumulty, *Director of Public Works/City Engineer*

DATE: August 18, 2014

SUBJECT: Water/Wastewater Impact Fees

In accordance with the requirements of Chapter 395 of the Texas Local Government Code, attached is a resolution setting the public hearing date for the discussion and consideration of the adoption of impact fees for water and wastewater facilities to October 6, 2014.

CITY OF ROCKWALL

RESOLUTION NO. 14-XX

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, ESTABLISHING A PUBLIC HEARING DATE TO CONSIDER APPROVAL OF IMPACT FEES FOR THE 2013 WATER/WASTEWATER FEE UPDATE.

WHEREAS, the City Council of Rockwall has authorized an impact fee study to determine whether to adopt updated impact fees for water and wastewater facilities in accordance with Texas Local Government Code Chapter 395; and

WHEREAS, Chapter 395 requires the City Council to set a public hearing to consider whether to adopt updated impact fees for water and wastewater facilities;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, that:

Section 1. That the above recitals are found to be true and correct and they are incorporated herein as findings of the City Council for all purposes.

Section 2. That a public hearing of the City Council shall be held on October 6th, 2014 at 6:00 p.m. at City Hall 385 S. Goliad Street, Rockwall, Texas for the purpose of considering amendments to the impact fees for water and wastewater facilities.

Section 3. That notice of the hearing shall be published in one or newspapers of general circulation in Rockwall County before the 30th day before the date set for the hearing.

Section 4. This resolution takes effect immediately from and after its adoption, and it is so resolved.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 18TH DAY OF AUGUST 2014.

IV. ADJOURN EXECUTIVE SESSION

AGENDA
ROCKWALL CITY COUNCIL
Tuesday, September 02, 2014
6:00 p.m. Regular City Council Meeting
City Hall, 385 S. Goliad, Rockwall, Texas 75087

V. RECONVENE PUBLIC MEETING

VI. TAKE ANY ACTION AS A RESULT OF EXECUTIVE SESSION

VII. INVOCATION AND PLEDGE OF ALLEGIANCE – COUNCILMEMBER MILDER

VIII. PROCLAMATIONS / AWARDS

p12 **1.** Constitution Week

IX. OPEN FORUM

X. CONSENT AGENDA

p14 **1.** Consider approval of the minutes from the August 18, 2014 regular city council meeting, and take any action necessary.

p28 **2.** Consider approval of an **ordinance** amending the Code of Ordinances in Chapter 44. Utilities; Article V. Water; Division 7; Sec. 44-436 "Stages and Measures" of the Drought Contingency and Water Emergency Response Plan, to provide for certain deletions and changes to these provision in order to comply with requirements of the TX Commission on Environmental Quality (TCEQ), and take any action necessary. **(2nd reading)**

p32 **3.** **Z2014-020** - Consider approval of an **ordinance** for a request by Bobby and Kimberly Fritts for the approval of a Specific Use Permit (SUP) to allow for a carport that does not meet the minimum setback requirements stipulated by Section 2.1.2, Residential and Lodging Use Conditions, of Article IV, Permissible Uses, of the Unified Development Code [Ordinance No. 04-38] for a 0.31-acre property identified as Lot 27, Block C of the Lynden Park Estates, Phase 4 Addition, zoned Planned Development District 17 (PD-17), addressed as 109 Weston Court, City of Rockwall, Rockwall County, Texas, and take any action necessary. **(2nd Reading)**

p38 **4.** **MIS2014-009** - Consider approval of an **ordinance** for a City initiated request to amend the Future Land Use Map contained within the Comprehensive Plan, and take any action necessary. **(2nd Reading)**

p41 **5.** Consider authorizing the City Manager to execute a contract renewal with Weldon's Tree and Lawn Service for grounds maintenance in the amount of $186,000 funded in the General Fund, Parks operating budget, and take any action necessary.

p43 **6.** Consider approval of an agreement with Rockwall Independent School District for provision of School Resource Officers for the 2014-15 school year, and take any action necessary.

p54 **7.** Consider approval of an interlocal agreement with the Rockwall Central Appraisal District for property tax collection services, and take any action necessary.

p60 **8.** **P2014-019** - Consider a request by Brandon O'Donald of Bannister Engineering, LLC on behalf of Mark Hood of Spine Team Texas, PA for the approval of a replat for Lot 21, Block A, Presbyterian Hospital of Rockwall Addition, being a 1.888-acre parcel of land, currently identified as Lot 3, Block A, Presbyterian Hospital of Rockwall Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 9 (PD-9) for general retail land uses, located on the south side of Horizon Road (FM-3097) southeast of the intersection of Horizon Road and Rockwall Parkway, and take any action necessary.

p66 **9.** **P2014-020** - Consider a request by Matthew Mulliken on behalf of Jennifer Hill of Albright-Hill Properties, LLC for the approval of a replat for Lot 1, Block 1, Albright-Hill Addition, currently identified as Lots D & E, Block 117, B. F. Boydston Addition, City of Rockwall, Rockwall County, Texas, being a 0.75-acre tract on land, zoned General Retail (GR) District, located at the northeast corner of the intersection of S. Goliad Street (SH-205) and St. Mary's Street, and take any action necessary.

p71 **10.** **P2014-023** - Consider a request by Jay Bedford of A. J. Bedford Group, Inc. on behalf of the owner, Rick Sharp, for the approval of a replat for Lots 4, 5 & 6, Block A, Sharp Addition, being a 6.222-acre parcel of land currently identified as Lot 2, Block A, Sharp Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 46 (PD-46) for commercial land uses, situated within the SH-276 Corridor Overlay (SH-276 OV) District, generally located on the north side of SH-276 east of the intersection of SH-276 and Corporate Crossing (FM-549), and take any action necessary.

XI. APPOINTMENTS

1. Appointment with the Planning and Zoning Chairman to discuss and answer any questions regarding cases on the agenda and related issues and take any action necessary.

p76 **2.** Appointment with Bill Bricker to request a new zoning classification, and take any action necessary.

p80 **3.** Appointment with Kim Lovett with Eventive Marketing Solutions, representing UCR Asset Services, to request permission to hold a special event (Harbor Auto Show 2014) on the Harbor property on September 20, 2014, and take any action necessary.

XII. ACTION ITEMS

p82 **1.** Discuss and consider Christmas planning and decorations for downtown, and take any action necessary.

p85 **2.** Discuss and consider City of Rockwall Fiscal Year 2015 Budget and proposed tax rate, including calling of a Public Hearing and associated dates, and take any action necessary.

p88 **3.** Discuss and consider modifications to Article V, District Development Standards, of the Unified Development Code for the purpose of addressing the permissible location of stucco on commercial and industrial buildings not located within an overlay district, and take any action necessary.

p90 **4.** Discuss and consider modifications to the composition of the city's Architectural Review Board (ARB), and take any action necessary.

p93 **5.** Discuss and consider modifications to the city's Animal Adoption Center / Shelter Advisory Committee, and take any action necessary.

p95 **6.** Discuss and consider the city's nomination submittal for the Board of Trustees for the TX Municipal League Intergovernmental Risk Pool, and take any action necessary.

p97 **7.** Discuss and consider appointments to city advisory boards and commissions, and take any action necessary.

XIII. CITY MANAGER'S REPORT TO DISCUSS CURRENT CITY ACTIVITIES, UPCOMING MEETINGS, FUTURE LEGISLATIVE ACTIVITIES, AND OTHER RELATED MATTERS.

1. Departmental Reports

p100 Recreation Monthly Report - July 2014

Building Inspections Monthly Report - July 2014 p101

Proclamation

Rockwall, Texas

Whereas, the Constitution of the United States of America, the guardian of our liberties, embodies the principles of limited government in a Republic dedicated to rule by law; and

Whereas, September 17, 2014, marks the two hundred twenty-seventh anniversary of the framing of the Constitution of the United States of America by the Constitutional Convention; and

Whereas, it is fitting and proper to accord official recognition to this magnificent document and its memorable anniversary, and to the patriotic celebrations which will commemorate it; and

Whereas, Public Law 915 guarantees the issuing of a proclamation each year by the President of the United States of America designating and recognizing Constitution Week,

Now, Therefore, I, David Sweet, Mayor of the City of Rockwall, Texas, do hereby proclaim September 17 through 24, 2014, as

Constitution Week

in the City of Rockwall and ask our citizens to reaffirm the ideals the Framers of the Constitution had in 1787 by vigilantly protecting the freedoms guaranteed to us through this guardian of our liberties.

In Witness Whereof, I hereunto set my hand and official seal of the City of Rockwall, Texas this the 2nd day of September, 2014.

_____

David Sweet, Mayor

THIS PAGE INTENTIONALLY LEFT BLANK

13

MINUTES
ROCKWALL CITY COUNCIL
Monday, August 18, 2014
4:00 p.m. Regular City Council Meeting
City Hall, 385 S. Goliad, Rockwall, Texas 75087

I. CALL PUBLIC MEETING TO ORDER

Mayor Sweet called the meeting to order at 4:00 p.m. Present were Mayor David Sweet and Council Members David White, Mike Townsend, Scott Milder, Bennie Daniels and Dennis Lewis. Also present were City Manager Rick Crowley, Assistant City Manager Mary Smith and City Attorney Frank Garza. Mayor Pro Tem Pruitt and Assistant City Manager Brad Griggs were absent from the meeting.

II. WORK SESSION

1. HOLD A WORK SESSION TO DISCUSS AND CONSIDER RETAINING WALL STANDARDS, AND TAKE ANY ACTION NECESSARY

Councilmember Daniels expressed that he has some concerns regarding modifications the city council made at the last meeting related to retaining wall standards. For example, regarding the "degree of lean" that was agreed upon (over 10 percent) by council, he believes that the degree of lean associated with a wall does not necessarily make that wall safe or unsafe. He is concerned about having a specified "degree of lean" associated with a wall without having some other qualifying factors taken into consideration. He would like staff to research this topic further and bring back more information to the city council for additional discussion.

City Engineer Tim Tumulty expressed that he has concerns about stipulating a 10 percent lean when, for example, a wall with an 8 percent lean could actually be unsafe depending on a number of other factors. He is concerned about the city's liability if a number is specified for the "degree of lean" but then a retaining wall outside of those specifications fails. Brief comments were exchanged related to potential staff liability regarding enforcement of a specific "degree of lean" standard.

City Attorney Frank Garza encouraged council to maintain the ability for staff to use discretion when evaluating retaining walls and associated safety regardless of standards that may be adopted.

Building Official Jeffrey Widmer indicated that standards have been outlined in the city's property maintenance code for years and have been utilized by staff, including allowing staff to utilize discretion. He suggested the city may consider adopting maintenance provisions that stipulate that if city staff members suspect a wall is unsafe, they will then ask the property owner to obtain an engineer's opinion to verify. That way the onus is on the property owner to obtain a third party determination regarding if the wall is structurally sound or not.

Regarding general design standards, Mr. Tumulty explained that the City Engineer currently has the ability to change the standards; however, he would like for that

provision to be modified such that the city council stipulates and approves any changes to the standards.

Councilmember Townsend expressed concern about specifying a number at all with regards to an allowable percent of "lean" on retaining walls. He would like the engineers to be able to utilize their own discretion when deciding if a wall is safe or not.

Mayor Sweet indicated he is still in favor of specifying a percentage number, but he is open to modifying the specified number if it is found to be too lenient or too stringent.

Mr. Crowley indicated that staff will bring standards back in writing, perhaps in the form of an ordinance, for the council to consider formally adopting. The standards will include allowable building materials.

No action was taken regarding this work session item.

2. HOLD A WORK SESSION TO HEAR OVERVIEW OF PROPOSED FY 2015 CITY BUDGET, AND TAKE ANY ACTION NECESSARY.

Mr. Crowley indicated he will be recommending a proposed budget based on adoption of the effective rate ($.4955 cents per $100 valuation), and the current rate is $.5025. He indicated that about a twelve percent increase in appraised property tax values has been experienced in our city. Furthermore, only one job category needs to be adjusted based on a recent market study, and it is that of "dispatcher" in Police Communications.

Mr. Crowley indicated that the city's budget will be greatly impacted in the coming fiscal year by to the city's Water Fund. Our customer's ability to successfully conserve water has resulted in revenue shortfalls for this fund. In the city's current fiscal year budget, about $602,000 was set aside to be transferred to the General Fund to repay the General Fund for services provided to the Water Fund; however, it is not possible for this transfer to take place as previously planned, and it will not be proposed for transfer in the upcoming fiscal year either. The cost of treated water, as indicated by our water supplier, the North Texas Municipal Water District, is expected to increase, and several debt obligations associated with the city's water system will be coming due. The city will need to pay for these obligations (about $700,000 in debt service payments) out of current tax revenues, rather than current water revenues, in the coming fiscal year. Currently, four positions are frozen in the water/sewer maintenance department, and we will be proposing that two of these four positions remain frozen throughout the coming fiscal year. Mr. Crowley indicated that staff hopes by the end of fiscal year 2015, the Water Fund will be at a breakeven point. A number of equipment purchases have been deferred in the upcoming recommended budget; however, the city will continue to operate its Water/Wastewater Department at the same level of service. He again pointed out that $602,000 is not being transferred into the General Fund from the Water Fund, and that represents revenue lost this fiscal year and revenue lost next fiscal year in the General Fund. He explained that we are expected to end this fiscal year with about $260,000 in revenues over expenditures in the General Fund; however, about a $200,000 transfer to the Insurance Fund needs to be made. All things considered, the city continues to have a very healthy General Fund Reserve. He briefly spoke about upgrades in a few Police Department related positions. One Criminal Family Violence Investigator position is proposed to be added, but only if the grant funding that helps pay for said position comes to fruition. Only about two or three vehicles overall are

proposed to be purchased in the upcoming budget. He expressed that paying debt service payments out of the current tax fund and being very conservative in terms of what we spend out of reserves in the coming year are two tenants of the upcoming budget proposal. It is important to be cautious since we do not know what the continued effects the drought may have on funds. Mr. Crowley also mentioned that a two percent growth in sales tax is being forecasted for the upcoming year. Health permits and engineering inspection related service fees are proposed to increase in the coming year, which will put Rockwall in line with other, similar, comparable cities. Mr. Crowley indicated that downtown Christmas decorations will be proposed to be funded by the city's garbage collection provider. These will be tailored to coordinate with the look of the new downtown improvements and will be anticipated to last for several years. Also, funds for citywide branding / logo refreshing will be included in the proposed budget. Staff will be evaluating costs associated with refreshing the city's entry sign at the FM-740 / IH-30 service road intersection as well as costs associated with possibly refurbishing a historic fire truck to bring it up to par for parades and other types of functions.

Mayor Sweet asked Mr. Crowley to be prepared to talk about the current tax rate and the effective tax rate at the upcoming budget work session.

Councilmember Daniels and Councilmember White generally expressed that they do not wish to hear from organizations such as STAR Transit and The Grace Clinic concerning funding requests at the upcoming budget work session. Also, Councilmember Daniels would like to see the private sector get involved in helping spruce up the Rockwall entry sign at the FM-740 / IH-30 service road. Councilmember Milder suggested the city consider not spending money at all on the entry sign at the FM-740 / IH-30 service road. Instead, he suggested that it be power washed and then repainted by staff "as is," especially since the city may undergo a rebranding effort in the near future. He also expressed a desire to consider discussing having some sort of "Welcome to Rockwall" signage to alert drivers that they are entering our city. Mayor Sweet indicated he would like to begin discussing branding / rebranding of the City of Rockwall soon.

Council took no action at this time concerning this work session item.

At 4:57 p.m., Mayor Sweet read the below listed discussion items into the public record before recessing the public meeting into Executive Session.

III. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding Economic Development prospect pursuant to Section 551.087 (Economic Development)
2. Discussion regarding the following legal claim: TF-Harbor LLC v. City of Rockwall, Texas and Rockwall Rental Properties L.P. pursuant to Section 551.071 (Consultation with Attorney)
3. Discussion regarding appointment to fill city council member vacancy in accordance with City Charter provisions pursuant to Section 551.074 (Personnel Matters)

4. Discussion regarding appointments to city regulatory boards, commissions, and committees including the Building and Standards Commission, Board of Adjustments, Planning & Zoning Commission and Rockwall Economic Development Corporation pursuant to Section 551.074 (Personnel Matters)

IV. ADJOURN EXECUTIVE SESSION

Executive Session was adjourned at 5:49 p.m.

V. RECONVENE PUBLIC MEETING (6:00 P.M.)

Mayor Sweet reconvened the public meeting at 6:00 p.m. All city council members except for Mayor Pro Tem Pruitt were present.

VI. TAKE ANY ACTION AS A RESULT OF EXECUTIVE SESSION

Mayor Sweet announced that no action is needed as a result of Executive Session.

VII. INVOCATION AND PLEDGE OF ALLEGIANCE – MAYOR SWEET

Mayor Sweet delivered the invocation and led the Pledge of Allegiance.

VIII. CONSENT AGENDA

1. Consider approval of the minutes from the August 4, 2014 Special Joint Meeting between the Rockwall City Council and the Rockwall Economic Development Corporation (REDC) Board of Directors, and take any action necessary.

2. Consider approval of the minutes from the August 4, 2014 regular City Council meeting, and take any action necessary.

3. Z2014-018 - Consider approval of an ordinance for a request by Karri Shojaei-Scott of the Marigold Learning Academy on behalf of the owner, Modern Pyramids, Inc., for the approval of a Specific Use Permit (SUP) to allow for a Day Care Facility on a 0.45-acre parcel of land identified as Lot 3-R, Block A, Washington Place Addition, zoned Downtown (DT) District, situated within the SH 66 Overlay (SH 66 OV) District, and located at 401 W. Washington Street, City of Rockwall, Rockwall County, Texas, and take any action necessary. **(2nd Reading)**

4. Z2014-019 - Consider approval of an ordinance for a request by Shanessa Coburn of American Trooper on behalf of the owner, Scott Milder, for the approval of a Specific Use Permit (SUP) to allow an antiques/collectables and general retail store in Planned Development District 50 (PD-50) for a 0.66-acre lot of land containing two (2) parcels of land identified as a Block 23A (0.43-acres) and Block 24C (0.23-acres) of the Amick Addition, zoned Planned Development District 50 (PD-50) for Residential-Office (RO) District uses, located within the North Goliad Corridor Overlay (NGC OV) District, addressed as 803 & 805 N. Goliad Street, City of Rockwall, Rockwall County, Texas, and take any action necessary. **(2nd Reading)**

5. Consider approval of an ordinance amending the Code of Ordinances in Chapter 44. Utilities; Article V. Water; Division 7; Sec. 44-436 "Stages and Measures" of the Drought Contingency and Water Emergency Response Plan, to provide for certain deletions and changes to these provision in order to comply with requirements of the TX Commission on Environmental Quality (TCEQ), and take any action necessary. **(1st reading)**

6. P2014-016 - Consider a request by Rob Whittle on behalf of the Caruth Lake Development Corporation for the approval of a final plat for Lots 1 & 2, Block A, Caruth Lake Phase 1B Addition, currently identified as a 0.798-acre tract on land situated within the S. S. McCurry Survey, Abstract No. 146, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 5 (PD-5) for residential land uses, located on the south side of Midnight Pass, west of the intersection of Midnight Pass and N. Fannin Street, and take any action necessary.

7. Consider approval of a contract with Walter P. Moore Consulting Engineers to perform the engineering design services for the erosion control project at 2065 Lake Forest Drive in the amount of $54,500 to be funded out of General Fund Reserves, and take the any action necessary.

Councilmember Milder pulled item #4 in order to abstain from voting on the item, and he filed a "conflict affidavit" with the City Secretary.

Councilmember White made a motion to approve Consent Agenda item #4. Councilmember Townsend seconded the motion. The ordinance was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 14-34
SPECIFIC USE PERMIT NO. S-124

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO APPROVE A SPECIFIC USE PERMIT (SUP) TO ALLOW ANTIQUE/COLLECTABLE SALES IN CONJUNCTION WITH A GENERAL RETAIL STORE IN PLANNED DEVELOPMENT DISTRICT 50 (PD-50), FOR A 0.66-ACRE LOT, ADDRESSED AS 803 & 805 N. GOLIAD STREET AND CONTAINING TWO (2) PARCELS OF LAND IDENTIFIED AS BLOCK 23A (0.43-ACRES) AND BLOCK 24C (0.23-ACRES) OF THE AMICK ADDITION, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a vote of 5 in favor with 1 abstention (Milder) and 1 absence (Pruitt).

Councilmember White made a motion to approve the remainder of Consent Agenda items (#1, 2, 3, 5, 6 and 7). Councilmember Lewis seconded the motion. An ordinance was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 14-33
SPECIFIC USE PERMIT NO. S-123

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) WITHIN THE DOWNTOWN (DT) DISTRICT ALLOWING FOR A DAYCARE FACILITY, FOR A PROPERTY LOCATED AT 401 W. WASHINGTON STREET, BEING A 0.45 ACRE PARCEL OF LAND DESCRIBED AS LOT 3-R, BLOCK A OF WASHINGTON PLACE ADDITION; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

Mayor Sweet then reordered the agenda, indicating that Appointment Item #3 would be addressed next by council.

IX. APPOINTMENTS

1. Appointment with the Planning and Zoning Chairman to discuss and answer any questions regarding cases on the agenda and related issues and take any action necessary.

Craig Renfro, Chairman of the Planning and Zoning Commission, came forth and briefed the city council on recommendations of the Commission relative to items on tonight's city council agenda. The council took no action related to this item.

2. Appointment with Kathryn Thurmond to hear concerns regarding the proposed improvements to FM 549 South, and take any action necessary.

Mrs. Thurmond indicated she lives at 5170 Bear Claw Lane in Rockwall, and she moved here from Houston a year or so ago to be near her daughter. She mentioned Houston has no zoning laws in place. She expressed concern about FM-549 being proposed to become a six-lane roadway in the future. While she also has concerns related to SH-205 being proposed as a six-lane roadway in the future, she more easily understands that particular proposal.

Mrs. Thurmond indicated she would appreciate the city council considering a proposal she would like to make concerning FM-549. She proposed that the roadway remain two-lanes rather than the six lanes that are being proposed. She showed the city council maps of the existing and proposed roadway.

Mrs. Thurmond spoke briefly about the estimated timelines associated with these future road projects according to the Rockwall County Traffic Consortium meetings.

Councilmember White asked if TXDOT has held public meetings related to these thoroughfares yet. City Engineer Tim Tumulty indicated that no, they have not yet been held.

Mr. Crowley indicated that these are state roadways, and he assured Mrs. Thurmond that no one wants to construct a six lane roadway when a four lane road will suffice. He expressed that he will ensure Mrs. Thurmond's concerns are passed along to those who are overseeing the proposed future thoroughfare plans.

Regarding future, proposed new state highways/roadways, Mrs. Thurmond asked with whom she may speak to influence those decisions. Councilmember White indicated, and Mr. Crowley concurred, that our state representatives in Austin are the best ones to contact regarding those matters.

No action was taken as a result of this appointment item.

3. Appointment with JJ Smith of The Rockwall News to hear report on hotel/motel occupancy tax funding previously granted for a 2014 Memorial Day concert/event held at The Harbor, and take any action necessary.

Councilmember White indicated that some veterans have inquired as to where some of the profits from the event have gone. Mr. Smith expressed that about $1,000 of the proceeds went to him, indicating that this particular event was set up as a business venture. He further expressed that he never provided indication that proceeds would be donated to a non-profit organization. He explained he took a risk, counting it as a business venture, and he could have potentially lost money on the event – he did not know what to expect or how it would turn out.

Councilmember Lewis indicated that he was unaware when the city council granted hotel / motel tax funding for this event that about $1,563 of the funding would go to pay Mr. Smith himself and that an additional $800 (or so) would go to Mr. Smith's business, The Rockwall News. Mr. Smith indicated that he is working towards establishing a 501c3 non-profit organization so that, in the future, any proceeds could be donated to a non-profit agency. He stated that it costs about $500 to set up a 501c3 with the State, so some of the proceeds he took from the Memorial Day event are going towards getting that set up.

Councilmember Daniels expressed that he would have never approved the city council granting funding for this Memorial Day event had he known that Mr. Smith was going to personally take any cut of the profits whatsoever. He also expressed dissatisfaction that Mr. Smith was delayed in getting his required event report delivered to the city council in a timely fashion.

Councilmember White asked how many times staff contacted him to remind him that his report was due to the city. Mrs. Smith, Assistant City Manager, indicated that staff sent several emails to Mr. Smith letting him know a report to the city was due.

Councilmember Milder expressed that he attended the event and thought it was a very nice event; however, he too was unaware that proceeds were not going to be donated to a non-profit beneficiary.

After commentary, the council took no action related to this appointment item.

X. PUBLIC HEARING ITEMS

1. Z2014-020 - Hold a public hearing to discuss and consider approval of an ordinance for a request by Bobby and Kimberly Fritts for the approval of a Specific Use Permit (SUP) to allow for a carport that does not meet the minimum setback requirements stipulated by Section 2.1.2, Residential and Lodging Use Conditions, of Article IV, Permissible Uses, of the Unified Development Code [Ordinance No. 04-38] for a 0.31-acre property identified as Lot 27, Block C of the Lynden Park Estates, Phase 4 Addition, zoned Planned Development District 17 (PD-17), addressed as 109 Weston Court, City of Rockwall, Rockwall County, Texas, and take any action necessary. **(1st Reading)**

Mr. LaCroix provided background information related to this agenda item. He shared details of this proposed carport, explaining that this carport will be located in the rear of the home and will not be visible from the street in front. The setback will be 7' from the property line. Notices were mailed out to adjacent over seventy property owners located within 500 feet of the property, and HOA's located within 1,500 feet were sent out as well. Four notices were received back. Three were in favor, and one was opposed. The Planning and Zoning Commission did recommend approval of this item by a vote of 5 to 0.

Mayor Sweet opened the public hearing and called forth the applicant.

Mr. and Mrs. Fritts, the applicants, came forth to speak. Mrs. Fritts indicated that her mother has been diagnosed with Parkinsons, so they took in the patio and converted it into living space to have a space to care for her mother. This has resulted in needing a carport space.

Mayor Sweet asked if there is anyone else wishing to speak. There being no one else wishing to speak, Mayor Sweet then closed the public hearing.

Councilmember White made a motion to approve Z2014-020. Councilmember Townsend seconded the motion.

The ordinance was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 14-XX
SPECIFIC USE PERMIT NO. S-XXX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO APPROVE A SPECIFIC USE PERMIT (SUP) WITHIN THE SINGLE-FAMILY RESIDENTIAL (SF-7) DISTRICT TO ALLOW FOR A CARPORT THAT DOES NOT MEET THE MINIMUM SETBACK REQUIREMENTS, FOR A 0.31-ACRE PROPERTY IDENTIFIED AS LOT 27, BLOCK C OF THE LYNDEN PARK ESTATES, PHASE 4 ADDITION, ZONED PLANNED DEVELOPMENT DISTRICT 17 (PD-17), ADDRESSED AS 109

WESTON COURT, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a vote of 6 ayes with 1 absent (Pruitt).

2. MIS2014-009 - Hold a public hearing to discuss and consider approval of an ordinance for a City initiated request to amend the Future Land Use Map contained within the Comprehensive Plan, and take any action necessary. **(1st Reading)**

Planning Director Robert LaCroix provided background information related to this agenda item. He explained that the city has received a request from the Old Towne Neighborhood Association asking that four lots be removed from the downtown historic designation area.

After Mrs. LaCroix's background information, Mayor Sweet opened the public hearing and asked if anyone would like to come forward and speak at this time.

Sandi Whitley
704 Williams Street
President of the Rockwall Old Town Neighborhood Association

Mrs. Whitley indicated that she and others who reside in Old Town have become increasingly concerned about the "commercial" establishments that have been creeping into their neighborhood. She and others would like to maintain the historic feel and integrity of their residential neighborhood.

There being no one else wishing to come forward and speak, Mayor Sweet then closed the public hearing.

After brief comments, Councilmember White made a motion to approve the ordinance. Councilmember Milder seconded the motion. The ordinance was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. _____

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, ADOPTING REVISIONS TO THE COMPREHENSIVE PLAN IN ACCORDANCE WITH THE CITY CHARTER.

The motion passed by a vote of 6 ayes with 1 absent (Pruitt).

XI. SITE PLANS / PLATS

1. SP2014-017 - Discuss and consider a request by Greg Wallis of Mershawn Architects on behalf of the owner Rick Sharp for the approval of variances, specifically to the pitched roof requirement and the required

amount of articulation, in association with a site plan for a warehouse facility on a 1.10-acre portion of a larger 6.22-acre parcel of land identified as Lot 2, Block A, Sharp Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 46 (PD-46), situated within the SH-276 Overlay (SH-276 OV) District, located on the south side of Springer Road, east of the intersection of Springer Road and Corporate Crossing [FM-3549], and take any action necessary. **(3/4 majority vote required)**

Planning Director Robert LaCroix provided background information for this agenda item.

Councilmember White made a motion to approve SP2014-017. Councilmember Lewis seconded the motion, which passed by a vote of 6 ayes with 1 absent (Pruitt).

2. SP2014-019 - Discuss and consider a request by Lynsey Ondecker of Glaus, Pyle, Schomer, Burns & DeHaven, GPD on behalf of the owner, Travel Centers of America, for the approval of a variance, specifically to allow for secondary materials in excess of 10%, in association with an amended site plan for the purpose of remodeling the exterior façade of the existing truck stop, which is located on a 13.167-acre parcel of land identified as Lot 3, Block A, Travel Centers of America Addition, zoned Commercial (C) District, situated within the IH-30 Overlay (IH-30 OV) District and the SH-205 Overlay (SH-205 OV) District, addressed as 2105 S. Goliad Street, City of Rockwall, Rockwall County, Texas, and take any action necessary. **(3/4 majority vote required)**

Planning Director Robert LaCroix provided background information for this agenda item.

Councilmember Lewis made a motion to approve SP2014-019. Councilmember White seconded the motion.

Councilmember Milder asked what the city's relationship has been in the past with TA. Mr. Crowley indicated that TA sued the City of Rockwall several years ago, and the city did end up paying out money to TA in order to resolve that lawsuit.

After brief comments, the motion passed by a vote of 6 in favor with 1 absent (Pruitt).

At 7:11 p.m. Mayor Sweet recessed the public meeting and called for a short break.

Mayor Sweet called the meeting back to order at 7:23 p.m. It was noted that Councilmember Milder left the meeting during the break and was not present for the remainder of the meeting.

Since the reading of the ordinance associated with Consent Agenda item #5 was inadvertently not read before the vote was taken and recorded, Mayor Sweet called on City Secretary, Kristy Ashberry, at this point to read the ordinance caption into the record so as to comply with the City Charter. Ms. Ashberry then read the ordinance caption into the record as follows:

CITY OF ROCKWALL
ORDINANCE NO. 14-___

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE CODE OF ORDINANCES IN CHAPTER 44. UTILITIES; ARTICLE V. WATER; DIVISION 7; Sec. 44-436 "STAGES AND MEASURES" OF THE DROUGHT CONTINGENCY AND WATER EMERGENCY RESPONSE PLAN, TO PROVIDE FOR

CERTAIN DELETIONS AND CHANGES TO THESE PROVISIONS; PROVIDING FOR A PENALTY OF A FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE AND A SEPARATE OFFENSE SHALL BE DEEMED COMMITTED ON EACH DAY DURING OR ON WHICH A VIOLATION OCCURS; PROVIDING FOR SEVERABILITY AND REPEALER CLAUSES; PROVIDING FOR AN EFFECTVE DATE.

Mayor Sweet then moved on to address Action Items.

XII. ACTION ITEMS

1. Discuss and consider the City's position on proposed Railroad Commission rules affecting City participation in rate cases, authorizing the Mayor to execute letters on the City's behalf, and take any action necessary.

City Manager Rick Crowley provided background information related to this agenda item. Councilmember White expressed that it seems the Railroad Commission took this action in the interest of the businesses rather than the citizens it represents because it seems the action is beneficial to the businesses not citizens.

Councilmember Lewis made a motion to authorize the mayor to execute letters on the city's behalf stating the city's position and that they be sent to the following:

- **Rules Coordinator at the Railroad Commission;**
- **all members of the Railroad Commission;**
- **two elected officials; and**
- **two candidates for our State Senate District 2 general election.**

Councilmember White seconded the motion.

The motion then passed by a vote of 6 in favor with 2 absent (Pruitt and Milder).

2. Discuss and consider approval of a request from Baker Wells with First Texas Homes for a front yard fence, 48" wrought iron, to be located at 1586 Edmondson Trail and take any action necessary.

Building Official Jeffrey Widmer came forth and briefed the council on details of this fence-related request. Councilmember White asked if a portion of the proposed fence will be wood. Mr. Widmer indicated that some will be wood, and some of it will be wrought iron.

Councilmember White made a motion to approve the request. Councilmember Townsend seconded the motion, which passed by a vote of 5 in favor with 2 absent (Pruitt and Milder).

3. A2014-001 - Discuss and consider the expiration of an existing 212 Development Agreement for one (1) area contiguous with the City of Rockwall's city limits and being identified as approximately 482.39-acres of land situated within the City's Extraterritorial Jurisdiction (ETJ),

generally located north of FM-552, west of FM-549 and east of Anna Cade Road, and take any action necessary.

Mr. LaCroix, Planning Director, provided background information related to this agenda item, indicating that 212 extension notifications were sent out by city staff to each affected property owner at the end of June. At this point, the city has received extension requests from all of the property owners, with all requesting a ten year extension on the 212 development agreements. Mr. LaCroix indicated that the city can extend the agreements by up to forty-years.

Councilmember White made a motion to extend the 212 development agreements on these properties for a period of ten (10) years. Councilmember Lewis seconded the motion, which passed by a vote of 5 ayes with 2 absent (Milder and Pruitt).

4. MIS2013-006 - Discuss and consider the adoption of a resolution that will set the public hearing date to consider the approval of water/wastewater impact fees to October 6, 2014, and take any action necessary.

City Engineer Tim Tumulty provided brief background information related to this agenda item. Councilmember White made a motion to approve the resolution associated with MIS2013-006. Councilmember Townsend seconded the motion, which passed by a vote of 5 ayes with 2 absent (Milder and Pruitt).

Mayor Sweet expressed that City Council has no need to reconvene in Executive Session at this time.

XIII. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding Economic Development prospect pursuant to Section 551.087 (Economic Development)

2. Discussion regarding the following legal claim: TF-Harbor LLC v. City of Rockwall, Texas and Rockwall Rental Properties L.P. pursuant to Section 551.071 (Consultation with Attorney)

3. Discussion regarding appointment to fill city council member vacancy in accordance with City Charter provisions pursuant to Section 551.074 (Personnel Matters)

4. Discussion regarding appointments to city regulatory boards, commissions, and committees including the Building and Standards Commission, Board of Adjustments, Planning & Zoning Commission and Rockwall Economic Development Corporation pursuant to Section 551.074 (Personnel Matters)

XIV. RECONVENE PUBLIC MEETING & TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

The council did not reconvene into Executive Session following the close of the public meeting.

XV. ADJOURNMENT

The public meeting was adjourned at 7:37 p.m.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 2nd day of September, 2014.

CITY OF ROCKWALL

ORDINANCE NO. 14-35

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE CODE OF ORDINANCES IN CHAPTER 44. UTILITIES; ARTICLE V. WATER; DIVISION 7; Sec. 44-436 "STAGES AND MEASURES" OF THE DROUGHT CONTINGENCY AND WATER EMERGENCY RESPONSE PLAN, TO PROVIDE FOR CERTAIN DELETIONS AND CHANGES TO THESE PROVISIONS; PROVIDING FOR A PENALTY OF A FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE AND A SEPARATE OFFENSE SHALL BE DEEMED COMMITTED ON EACH DAY DURING OR ON WHICH A VIOLATION OCCURS; PROVIDING FOR SEVERABILITY AND REPEALER CLAUSES; PROVIDING FOR AN EFFECTVE DATE.

WHEREAS, the City Council has previously adopted ordinances creating and amending a Drought Contingency and Water Emergency Response Plan (herein referred to as "the Plan"); and

WHEREAS, the City Council has determined the need to implement certain modifications to the Plan.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1. That portions of Sec. 44-436. of Chapter 44. Utilities; Article V. Water; Division 7. Drought Contingency and Emergency Response Plan are hereby amended to henceforth read as follows:

Sec. 44-436. Stages and measures

(b) (7) Requires notification to Texas Commission on Environmental Quality (TCEQ):

a. Limit landscape watering with sprinklers or irrigation systems to no more than two days per week. An exception is allowed for new landscape ~~associated with new construction~~ that may be watered as necessary for 30 days from the date of ~~the~~ installation. ~~certificate of occupancy. An exemption is also allowed for registered and properly functioning ET/Smart irrigation systems and drip irrigation systems, which do not have restrictions to the number of days per week of operation.~~

(d) (6) a. Supplier's individual plan may be implemented if other criteria dictate

In the event that the triggering criteria specified in the Plan for Stage 4 and Severe Water Shortage Conditions have been met, the City Manager is hereby authorized to initiate allocation of water supplies on a pro rata basis in accordance with Texas Water Code Section 11.039 and according to the following water allocation policies and procedures:

- A wholesale customer's monthly allocation shall be a percentage of the customer's water usage baseline. The percentage will be set by the City Manager or his/her designee based on the assessment of the severity of the water shortage condition and the need to curtail water diversions and/or deliveries and may be adjusted periodically by the City Manager or his/her designee as conditions warrant. Once pro rata allocations are in effect, water diversions by or deliveries to each wholesale customer shall be limited to the allocation established for each month.

- A monthly water usage allocation shall be established by the City Manager or his/her designee for each wholesale customer. The wholesale customer's water usage baseline will be computed on the average water usage by month for the past five years. If the wholesale customer's billing history is less than five (5) years, the monthly average for the period for which there is a record shall be used for any monthly period for which no billing history exists.

- The City Manager or his/her designee shall provide notice, by certified mail, to each wholesale customer informing them of their monthly water usage allocations and shall notify the news media, the Texas Natural Resource Conservation Commission, and the Texas Water Development Board upon initiation of pro rata water allocations.

- Upon request of the customer, a request for a temporary variance to the pro rata water allocation may be requested.

- At the initiative of the City Manager or his/her designee, the allocation may be reduced if, (a) the customer agrees to transfer part of its allocation to another wholesale customer, or (2) other objective evidence demonstrates that the designated allocation is inaccurate under present conditions.

- City wholesale water users will be advised to continue all relevant actions from the previous stages including appropriate public water use restrictions and to implement the next stage of their own individual Retail Water Supplier Drought Contingency Plan.

Stage 4 may terminate when NTMWD terminates its Stage 4 condition or when the circumstances that caused the initiation of Stage 4 no longer exist.

SECTION 2. That the City Manager or his designee is hereby directed to file a copy of the updated Plan and this Ordinance with the Texas Commission on Environmental Quality in accordance with Title 30, Chapter 288 of the Texas Administrative Code;

SECTION 3. That if any section, subsection, sentence, clause, or phrase of this Ordinance is for any reason held to be unconstitutional or illegal, such decision shall not affect

the validity of the remaining sections of this Ordinance. The City Council hereby declares that it would have passed this Ordinance, and each section, subsection, clause, or phrase thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses, or phrases be declared void;

SECTION 4. That all ordinances or parts of ordinances, in conflict herewith are to the extent of such conflict hereby repealed, and the balance of such ordinance is hereby saved from repeal;

SECTION 5. That the City Council does hereby find and declare that sufficient written notice of the date, hour, place and subject of the meeting adopting this Ordinance was posted at a designated place convenient to the public for the time required by law preceding the meeting, that such place of posting was readily accessible at all times to the general public, and that all of the foregoing was done as required by law at all times during which this Ordinance and the subject matter thereof has been discussed, considered and formally acted upon. The City Council further ratifies, approves and confirms such written notice and the posting thereof.

SECTION 6. That any person, firm or corporation violating any of the provisions of this ordinance shall be punished by a penalty of a fine not to exceed the sum of Two Thousand Dollars ($2,000.00) for each offense and each day such offense shall continue shall be deemed to constitute a separate offense.

SECTION 7. That the ordinance shall be effective immediately following its second reading and publication in accordance with the City Charter.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 2nd day of September, 2014.

CITY OF ROCKWALL

ORDINANCE NO. 14-36

SPECIFIC USE PERMIT NO. S-125

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO APPROVE A SPECIFIC USE PERMIT (SUP) WITHIN THE SINGLE-FAMILY RESIDENTIAL (SF-7) DISTRICT TO ALLOW FOR A CARPORT THAT DOES NOT MEET THE MINIMUM SETBACK REQUIREMENTS, FOR A 0.31-ACRE PROPERTY IDENTIFIED AS LOT 27, BLOCK C OF THE LYNDEN PARK ESTATES, PHASE 4 ADDITION, ZONED PLANNED DEVELOPMENT DISTRICT 17 (PD-17), ADDRESSED AS 109 WESTON COURT, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a request has been made by Bobby and Kimberly Fritts for the approval of a Specific Use Permit (SUP) to allow for a carport that does not meet the minimum setback requirements, for a 0.31-acre property identified as Lot 27, Block C of the Lynden Park Estates Phase 4 Addition, zoned Planned Development District 17 (PD-17), addressed as 109 Weston Court, City of Rockwall, Rockwall County, Texas, and more specifically described in *Exhibit 'A'* of this ordinance, which herein after shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1. That the Unified Development Code [*Ordinance No. 04*-38] of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit (SUP) allowing for a carport that does not meet the minimum setback requirements within the Single-Family Residential (SF-7) District for the *Subject Property*;

and

SECTION 2. That the Specific Use Permit shall be subject to the conditions set forth in ***Article IV, Section 2.1.2, Residential and Lodging Use Conditions,*** of the Unified Development Code [*Ordinance No. 04-38*] as heretofore amended, as amended herein by granting of this Specific Use Permit, and as may be amended in the future, and shall be subject to the additional following conditions:

1) The carport must conform to all Engineering and Fire Department standards;

2) Submittal and approval of a building permit is required prior to the construction of the carport;

3) The carport must conform to the approved site plan and building elevation depicted in Exhibits 'A' and 'B' of this ordinance;

4) The carport shall not exceed 400 square feet in area;

5) The carport shall not exceed a maximum height 10 feet;

6) The carport is subject to administrative review in the event that the *Subject Property* is sold or conveyed in any manner to another party, subdivided, or re-platted; and

7) The City Council reserves the right to review the Specific Use Permit granted herein upon the expiration of one (1) year from the date hereof.

Section 3. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

Section 4. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

Section 5. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of TWO THOUSAND DOLLARS ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 6. If any section or provision of this ordinance or the application of that section or provision to any person, firm, corporation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

CITY OF ROCKWALL, TEXAS

ORDINANCE NO. 14-37

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, ADOPTING REVISIONS TO THE COMPREHENSIVE PLAN IN ACCORDANCE WITH THE CITY CHARTER; PROVIDING FOR AN EFFECT DATE.

WHEREAS, the City Charter of the City of Rockwall, Texas, states that the Master Plan will contain recommendations for the growth, development and beautification of the City and its extraterritorial jurisdiction, and

WHEREAS, the City Council of the City of Rockwall has previously authorized a study to update the City's Master Plan, also referred to as the Comprehensive Plan, and

WHEREAS, the citizens of the City of Rockwall were involved in the development of the Comprehensive Plan through participation in committee and public meetings, and

WHEREAS, Chapter 213 of the Texas Local Government Code states that the adoption of or amendment to a comprehensive plan requires a hearing at which the public is given the opportunity to give testimony and present written evidence and as required by the City Charter a public hearing has been held on the proposed revisions to the Comprehensive Plan, and

WHEREAS, the Comprehensive Plan shall serve as a guide to all future Council action concerning land use and development regulations and expenditures for capital improvements,

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the Future Land Use Plan as updated by the City Staff and recommended for approval by the Planning and Zoning Commission is hereby approved and amended into the Comprehensive Plan for the City.

Section 2. That the Comprehensive Plan shall be used by the City in the planning and as a guide for the future development of the City of Rockwall.

Section 3. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: **Richard Crowley, City Manager**

FROM: **Lea Ann Ewing, Purchasing Agent**

DATE: **August 20, 2014**

SUBJECT: **Grounds Maintenance Contract Extension**

The contract for landscape maintenance services provides for mowing, weed eating, trimming and debris removal at City facilities, street medians and thoroughfares. Maintenance includes but is not limited to all trees, shrubs, ground cover, beds, and turf. This service was competitively bid in 2011 and awarded to Weldon's Tree and Lawn Service in September 2011 by City Council.

The contract allows for annual extension at the end of the initial contract period for three consecutive years should the scope of work and bid conditions remain the same; and both parties agree to the extension. Staff has determined that it is in the best interest of the City to renew this annual contract as the Contractor has performed satisfactory work. The contract terms, conditions and bid price will remain in effect for the Sept. 1, 2014 – 2015 contract year.

Staff asks City Council to consider authorizing the City Manager to execute the contract extension in the amount of $186,000 for a period of one year. Funding for grounds maintenance services is budgeted in the General Fund, Parks Department operating budget and the cost of this service is within budget.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Mary Smith, Assistant City Manager**

DATE: **August 27, 2014**

SUBJECT: **RISD Interlocal Agreement for School Resource Officers (SRO)**

Rockwall Independent School District's Board of Trustees has adopted the accompanying Interlocal Agreement for SRO services for the 2014-15 school year. The district reimburses the City for 75% of the salary and benefits for the officers assigned to the school campuses.

Chief Moeller can answer any questions the Council may have regarding the SRO duties and the school's reimbursement methodology. Council is asked to consider authorizing the City Manager to execute the agreement with RISD.

INTERLOCAL COOPERATION AGREEMENT FOR GOVERNMENTAL SERVICES RELATING TO A SCHOOL RESOURCE OFFICER PROGRAM BETWEEN THE CITY OF ROCKWALL AND THE ROCKWALL INDEPENDENT SCHOOL DISTRICT

THE STATE OF TEXAS §
§ **KNOW ALL MEN BY THESE PRESENTS:**
COUNTY OF ROCKWALL §

THIS AGREEMENT (the "**Agreement**"), entered into this 18th day of August, 2014, by and between the **CITY OF ROCKWALL** (hereinafter called **"CITY"**) and the **ROCKWALL INDEPENDENT SCHOOL DISTRICT** (hereinafter called **"RISD"**).

WITNESSETH:

WHEREAS, the CITY desires to enter into an agreement relating to providing certain professional police services to RISD in accordance with the program description and details as provided herein; and

WHEREAS, this Agreement is made pursuant to the authority granted to the parties pursuant to the Interlocal Cooperation Act, V.T.C.A. Government Code, Chapter 791 (the "Act").

WHEREAS, the primary purpose of the School Resource Officer (SRO) Program is the reduction and prevention of crime committed by juveniles and young adults and to promote the safety of children. This is accomplished by assigning six (6) fully outfitted and equipped police officers to school facilities on a semi-permanent basis while school is in session. The SRO Program accomplishes this purpose by achieving the established goals and objectives. Goals and objectives are designed to develop and enhance rapport between youth, police officers and school administrators. Officers who are chosen for this program are responsible for establishing the communication links and creating a free flow of information between all parties involved.

WHEREAS, the goals of the SRO Program are as follows:

1. Reduction of criminal offenses committed by juveniles and young adults.
2. Establish rapport with the students.
3. Establish rapport with the parents, faculty, staff, administrators and other adults.

4. Create and expand programs with vision and creativity to increase student participation, which will benefit the students, the school district, the police department, and the community.

5. Present a positive role image for students and adults.

6. Provide safety for students, faculty, staff and all persons involved with the school district.

NOW, THEREFORE, the parties hereby do mutually agree as follows:

I.

Scope of Agreement; Duties and Responsibilities: CITY shall provide six (6) licensed police officers for the RISD School Resource Officer Program ("SRO") for the 2014-2015 school year. The effective date of this Agreement shall be the first day of instruction for the current school year, beginning with the first day of instruction for the 2014-2015 school year ("Effective Date"). The duties of the SROs and each party are described herein.

II.

Term of Agreement: The term of this Agreement shall be for a period beginning upon the Effective Date and ending on the last day of instruction for the current school year. This Agreement may be renewed for one (1) year periods beginning on the Effective Date, upon written consent of the parties, for five (5) years.

III.

Payment for Services: The RISD agrees to reimburse the CITY for certain costs associated with the City's placement of Police Officers on the School Grounds from the Effective Date of this Agreement. The parties have heretofore agreed that RISD shall remit payment to the CITY in the amount of Thirty Six Thousand Two Hundred Thirty Six and 77/100s ($36,236.77) per month for the months of September 2014 through May 2015 ("Payment"). This amount reflects the SROs salary, benefits and any equipment or materials and supplies required by the SROs in the performance of their duties. These Payments shall satisfy the RISD's obligation for payment of SRO services for the entire school year to the CITY. The first monthly Payment shall be made by RISD to CITY on the15th day of the first month Payment is due.

RISD shall not be relieved of its obligation to pay the entire amount described in this Agreement in the event that CITY exercises its right to temporarily reassign the resource officer for a period not to exceed fifteen (15) business days when, in the sole judgment of CITY, their service is required in response to a CITY wide or major emergency, or in the event that the resource officer is absent due to sickness, injury,

training or court appearances. However, CITY is required to furnish replacement officers on days when regular SROs are absent for any period exceeding thirty (30) business days. Replacement Officers must meet the selection requirements of SRO Applicants as stated herein. RISD shall be relieved of its obligation to pay if an absence exceeds fifteen (15) business days.

From time to time the RISD has need of police officers to perform security services at extracurricular activities. It is understood and agreed that the District will engage Police Officers to perform such security services on a contract labor basis and this agreement does not address the District's arrangements for these independent security services in any manner whatsoever.

IV.

Organizational Structure:

1. Six (6) uniformed police officers designated as School Resource Officers will be assigned to RISD campuses, and will directly report to the Chief of Police, or his designee. All requests from RISD personnel regarding new SRO assignments or temporary reassignments with exception of requests pertaining to emergencies shall be made through the RISD Superintendent or his designee. The SROs shall have properly equipped police vehicles and other necessary equipment available for their use in performing their duties and responsibilities.
2. The SRO Program shall utilize the SRO Triad concept as set forth by NASRO (National Association of School Resource Officers). The SRO concept reflects the philosophy of the School Resource Officer Program and adheres to the roles of Law Enforcement Officer, Counselor, and Teacher. The SROs are first and foremost Law Enforcement Officers for the CITY Police Department and shall be responsible for carrying out all duties and responsibilities of a police officer and shall remain at all times under the control, through the chain of command, of the CITY Police Department. All acts of commission or omission shall conform to the guidelines of the CITY Police Department Policies and Procedures Manual
3. The SROs report directly to the Chief of Police, or his designee, regarding all matters pertinent to their position and function. The SROs are enforcement officers in regards to criminal matters only. Presence of an SRO is expected on his/her assigned campus on most school days before classes start in the morning, between most class changes, during most lunch periods, on most school days immediately after school and during most any other time during the school day when students assemble in large groups. The purpose of that presence is to deter criminal behavior and not perform school duty.
4. RISD campus principals shall have operational oversight to coordinate efforts for the needs of their respective campuses.
5. In the case of any unresolved conflict, the Chief of Police and the RISD Director of Safety and Security shall consult on the best course of action. The

Chief of Police shall have final authority and final responsibility for operational control of the SRO Program.

6. Local, State and Federal law will prevail over RISD policies and procedures.
7. Conflicts involving violence or other dangerous situations should be reported immediately to the Chief of Police and RISD Director of Safety and Security.

V.

Independent Contractor Relationship: CITY is and at all times shall be deemed to be an independent contractor and shall be wholly responsible for the manner in which the SROs are assigned to the SRO Program and the way CITY performs the services required by the terms of this Agreement. Nothing herein shall be construed as creating the relationship of employer and employee, or principal and agent, between RISD and CITY or any of CITY's agents or employees. CITY assumes responsibility for the acts of its employees as they relate to the services provided during the course and scope of their employment. CITY, its agents and employees, shall not be entitled to any rights or privileges of RISD employees and shall not be considered in any manner to be RISD employees. RISD may or may not desire to evaluate the services provided to RISD by the SRO Program. Any such evaluation should be presented to the CITY on a prescribed form.

VI.

Selection of SRO: CITY affirms that it has complied or will comply prior to the performance of any work for RISD, with the requirements regarding criminal background checks as provided under Texas Education Code, Chapter 22. This law requires the independent contractor to obtain all criminal history record information on all persons to whom the law applies through the Texas Department of Public Safety (DPS) clearinghouse. This process includes fingerprinting in order to submit the individuals to a national check. CITY must certify to RISD that the CITY has received all criminal history record information on all SROs, and that there were no positive hits. The cost of this requirement is to be paid by the CITY.

VII.

SRO Duties and Responsibilities: Basic responsibilities of the SROs will include but will not be limited to:

- General duties and responsibilities set forth by the Chief of Police through standard operating procedures ("S.O.P.").
- Planning and presentation of programs requested by the RISD or CITY Police personnel.

Any additional duties agreed upon the Chief of Police and the Superintendent of the Schools.

VIII.

Student Consultation:

The SROs are not formal counselors, and will not conduct or offer any formal or clinical psychological counseling, however they are to be used as a resource to assist students, faculty, staff and all persons involved with the RISD.

The SROs will advise students on responsibilities and procedures concerning criminal matters.

The SROs will give advice to help resolve issues between students that involve matters that may result in criminal violations, disturbances or disruptions.

Student confidentiality must be maintained in compliance with the Family Education Rights and Privacy Act ("FERPA").

IX.

Transporting Students:

The SROs shall not transport students in their vehicles except:

1. When the students are victims of a crime, under arrest, or some other emergency circumstance exists;
2. When the students are participants in a CITY Police Department program with parental consent;
3. When the students are suspended from school pursuant to school disciplinary action and the student's parents or guardian has refused or is unable to pick-up the student within a reasonable time period and the student is disruptive/disorderly and his/her continued presence on campus is a threat to the safety and welfare of other students and school personnel, as determined by the SRO or the SRO supervisor

   If the student to be transported off campus is not under arrest, a victim of a crime or violent/disruptive, the RISD shall provide transportation for the student and an SRO may accompany the school official in transporting the student.

   SROs shall not transport students, excluding students who are participants in a CITY Police Department program including but not limited to the Police Explorer Program and the Campus Crime Stoppers Program, to any location other than the CITY Police Building, County Juvenile Detention Center, and or hospital unless it is determined that the student's parent, guardian or other responsible adult is at the location to which the student is being transported.

SROs shall not transport students, excluding students who are participants in a CITY Police Department program including but not limited to the Police Explorer Program and the Campus Crime Stoppers Program, in their personal vehicles.

SROs shall notify the school principal before removing a student from campus.

X.

Enforcement:

Although the SROs have has been placed in a formal education environment, they are not relieved of their official duties as enforcement officers. Decisions to intervene normally will be made when it is necessary to prevent violence, a breach of the peace, personal injury or loss of property. Citations should be issued and arrests made when appropriate and in accordance with CITY Police Department policies and procedures. When immediate action is needed and an SRO is not available, another officer may be dispatched to the school.

The SROs, when on duty, should investigate and prepare reports on all criminal offenses committed at the schools. Other CITY Police Department personnel may be summoned by the SROs as they deem necessary and or by RISD during the SROs absence.

XI.

Scheduling:

Hours - The SROs will work a forty (40) hour work week, and will coordinate their hours with school hours Monday through Friday. However, there may be occasions when this schedule is altered because of court appearances, sickness, injury, training and special assignments. The SROs are still considered non-exempt employees under the Fair Labor Standards Act and are subject to its provisions as well as CITY Police Department and CITY policy relating to overtime. All overtime requests from the District will be reviewed and approved by the Chief of Police or his designee.

Holidays and vacation – The SROs will accrue holidays and vacation at the rate allowed by CITY policy. However, holidays and vacations may be scheduled to coincide with school holidays or when schools are closed. The SROS should accomplish as much of the required training as possible during these periods or during the summer when school is not in session, if reasonably practical. The Chief of Police in his sole discretion, shall have the power and authority to schedule all leave and training for the SROs as he deems necessary.

Substitution - Substitution for the SROs by other officers will only be considered through a request to the Chief of Police and only on the joint written approval of the Chief of Police and RISD. Typically, this will only be considered for an extended leave as discussed in Section III.

XII.

Availability of Funds: Each party shall make payments required hereunder from current revenues, as required by the Agreement.

XIII.

Insurance: CITY is insured, and upon request by RISD, shall provide RISD documentation of its coverage, said coverage to meet the reasonable approval of RISD. CITY shall also provide, during the term of this Agreement, worker's compensation insurance, including liability coverage, in the amounts required by Texas state law, for any employee engaged in work under this Agreement. As to all insurance provided by CITY, it shall provide RISD with documentation, upon request, indicating such coverage prior to the beginning of any activities under this Agreement.

XIV.

Termination: This Agreement may be terminated by either party at its sole option and without prejudice by giving thirty (30) days written notice of termination to the other party. Upon termination of this Agreement, the CITY will assume any and all fiscal responsibilities for the officer from and after the effective date of termination.

Replacement: RISD may, for cause, request a replacement of the SRO. Such a request shall be made through the CITY Chief of Police, shall be in writing and shall set forth the basis for the request. A replacement SRO shall be provided as soon as possible giving due consideration for the CITY's staffing level and time required to complete the outside hiring process as necessary.

XV.

Assignment of Agreement: Neither party shall assign, transfer, or sub-contract any of its rights, burdens, duties or obligations under this Agreement without the prior written permission of the other party to this Agreement.

XVI.

Waiver: No waiver of a breach or any provision of this Agreement by either party shall constitute a waiver of any subsequent breach of such provision. Failure of either

party to enforce at any time, or from time to time, any provisions of this Agreement shall not be construed as a waiver thereof.

XVII

Place of Performance; Venue: Venue shall be in Rockwall County, Texas. The laws of the State of Texas shall govern the interpretation, validity, performance, and enforcement of this Agreement and the exclusive venue for any legal proceedings involving this Agreement shall be Rockwall County, Texas.

XVIII.

Notices: Notices to RISD shall be deemed given when delivered in person to the Superintendent of Schools of RISD, or on the next business day after the mailing of said notice addressed to said RISD by United States mail certified or registered mail, return receipt requested, and postage paid at 1050 Williams Street, Rockwall, Texas 75087.

Notices to CITY shall be deemed given when delivered in person to the CITY Manager or on the next business day after the mailing of said notice addressed to said CITY by United States mail, certified or registered mail, return receipt requested, and postage paid a 385 South Goliad, Rockwall, Texas 75087.

XIX.

Severability Provisions: If any provisions of this Agreement are held to be illegal, invalid or unenforceable under present or future laws, (1) such provision shall be fully severable; (2) this Agreement shall be construed and enforced as if such illegal, invalid or unenforceable provisions had never been a part of this Agreement; and (3) the remaining provisions of this Agreement shall remain in full force and effect and shall not be affected by the illegal, invalid or unenforceable provision or by its severance from this Agreement.

XX.

Entire Agreement of Parties: This Agreement and all exhibits shall be binding upon the parties hereto, their successors and assigns, and constitutes the entire agreement between the parties. No other agreements, oral or written, pertaining to the performance of the Agreement exists between the parties. This Agreement can be modified only by an agreement in writing, signed by both parties.

XXI.

Immunity: CITY and RISD agree that neither party has waived its respective sovereign immunity by entering into and performing the obligations under this Agreement.

XXII.

Liability:

Any claims by third parties arising as a result of the enforcement of Local, State or Federal law, including employment claims, shall be handled by, and be the responsibility of, the CITY. Any claims by third parties arising as a result of the enforcement of RISD policy or procedure shall be handled by, and be the responsibility of RISD.

IN WITNESS WHEREOF, the parties have executed this Agreement in the year and day first above written.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Mary Smith, Assistant City Manager**

DATE: **August 27, 2014**

SUBJECT: **Rockwall Central Appraisal District Collections Agreement**

The City contracts with the Rockwall Central Appraisal District for collection of property taxes. The district's collections budget is divided among the taxing entities based on a pro-rata formula of assessed values.

The Council is asked to consider authorizing the City Manager to execute the agreement with the Rockwall Central Appraisal District.

STATE OF TEXAS KNOW ALL MEN BY THESE PRESENTS:

COUNTY OF ROCKWALL

CONTRACT FOR ASSESSMENT AND COLLECTION

On this the 1st day of October, 2014, the Central Appraisal District of Rockwall County (hereinafter called "District") and the City of Rockwall (hereinafter called "Taxing Unit") enter into the following agreement:

PURPOSE

The parties of this agreement wish to consolidate the assessment and collection of property taxes in one agency, the Central Appraisal District of Rockwall County. The City of Rockwall enters this agreement to eliminate the duplication of the existing system and to promote governmental efficiency.

The parties enter this contract pursuant to the authority granted by Section 6.24, Property Tax Codes, and the Interlocal Cooperation Act (Texas Government Code 791.001, et.seq.).

TERMS

This contract shall be effective from October 1, 2014 to September 30, 2015.

SERVICE TO BE PERFORMED

The District shall collect the ad valorem property taxes owing to the City of Rockwall. The District further agrees to perform for the Taxing Unit all the duties provided by the laws of the State of Texas for the collection of said taxes.

TAXING UNITS

This contract is one of thirteen (13) separate contracts being entered into between the Appraisal District and thirteen (13) Taxing Units. The thirteen (13) Taxing Units are as follows"

1. Rockwall ISD
2. Royse City ISD
3. City of Rockwall
4. City of Royse City
5. City of Heath
6. City of Fate
7. City of McLendon Chisholm
8. Rockwall County Municipal Utility District No. 1
9. Rockwall County Municipal Utility District No. 8
10. Rockwall County Municipal Utility District No. 6
11. Rockwall County
12. Rockwall County Municipal Utility District No. 9
13. Williamsburg PID

PAYMENT

Amount of payment:

The Taxing Unit agrees to pay the District the cost of performing the services specified above. The cost shall be allocated for assessment and collection services in the following manner: The Taxing Unit shall pay based on an estimated cost to provide said services. The estimated budget is attached to and becomes a part of this contract. The Taxing Units share of the budget is contingent on all units listed

thereon executing contract with the District. In the event that any of the Taxing Units should fail to enter into a contract with the District then and in such event the Taxing Units who do enter into a contract agree that their respective percentages of the budget will be adjusted proportionately between the participating Taxing Units. However, should this contingency occur, then and in such event any other party hereto shall have the right to immediately cancel their respective contract by giving notice within ten (10) days of being notified in writing that one or more of the Taxing Units failed to enter into a contract. This right shall likewise extend to the District.

In the event the amount estimated for assessment and collection services proves insufficient, the District and Taxing Unit shall amend the estimated budget in order for the District to recover all actual costs incurred by the District. However, it is expressly understood that both governing bodies must agree on any change to the estimated budget.

In the event payment received by the District for said services exceeds the actual cost of performing those services the District shall reimburse the Taxing Unit the excess funds. Excess funds shall be reimbursed per calculation provide in year-end audit.

Method of payment:

The cost of assessing and collecting taxes for the Taxing Unit shall be paid to the Appraisal District in four (4) quarterly installments. Payment shall be due on or before the first working day of each quarter. (Beginning on October 1, 2014)

REMITTANCE OF COLLECTION

The taxes collected for the Taxing Unit shall be remitted to the Unit monthly, or when taxes collected has accumulated to $10,000 or more, which ever occurs first. Payment to Taxing Unit will not exceed once per day.

BANKING PROCEDURES

The District shall deposit all tax collections to a central collecting account established and maintained by the District. The selection of depository shall be the responsibility of the District.

The District will record all fees received for issuing tax certificates; said fees will be paid to Taxing Units on a monthly basis.

The District will take the necessary steps in awarding a depository contract to protect deposits over $100,000.

AUDIT PROCEDURES

The District, at the expense of the District, shall have an audit of said collection account, as of September 30, 2015.

Note: The Appraisal District collection budget (operating account) which is a part of this agreement provides for the audit of the operating account only.

ADMINISTRATIVE PROVISIONS

All the expense incurred by the District for the assessment and collection of taxes shall be clearly kept on the records of the District. The Taxing Unit or their designated representatives are authorized to examine the records to be kept by the District at such reasonable times and intervals as the Taxing Unit deems fit. Such records will be kept in the office of the District.

The District agrees to obtain a surety bond for the Chief Appraiser acting in his capacity as Assessor-Collector, in the amount of $100,000. A blanket bond will cover other employees of the District, directly involved with the collection of taxes for the Taxing Unit.

MISCELLANEOUS PROVISIONS

The Taxing Unit agrees to transfer to the possession and control of the District, without charge, all records necessary for the performance of the duties and responsibilities of the District pursuant to this contract. The records shall include all tax records, including delinquent tax rolls.

In the event that any Taxing Unit should choose NOT to contract with District in any future year the District agrees to transfer to possession and control of Taxing Unit all necessary records, controlled by District, for the performance of collections by the Taxing Units.

The District shall not be liable to the Taxing Unit on account of any failure to collect taxes nor shall the Chief Appraiser be liable unless the failure to collect taxes results from some failure on his part to perform the duties imposed upon him by law and by this agreement.

Payments by the Taxing Unit for the service under this contract shall be made from current revenues available to the Taxing Unit.

All attorney fees, cost, filing charges, and all related expenses incurred by the District resulting form this agreement that cannot be charged to the taxpayer, will be paid by the Taxing Unit.

In the event that a tax rate is not established for the individual taxing unit by September 15th, possible extra cost could be charged to the Taxing Unit.

DELINQUENT TAX SUITS

The Taxing Unit authorizes the District to institute such suits for the collection of delinquent taxes, as the District deems necessary and to contract with an attorney, as provided by Section 6.30 of the Property Tax Code, for the collection of delinquent taxes.

57

DEFINITIONS

For the purposes of this agreement, the term "assessment" and "collection" shall include the following: Collection of current liabilities, collection of delinquent taxes, proration of taxes, issuance of refunds, correction of clerical errors in tax rolls. The term assessment shall NOT include those functions defined as "Appraisal" by the Property Tax Code.

Executed at Rockwall, Texas on the date and year first written above.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 09/02/2014

APPLICANT: Brandon O'Donald

AGENDA ITEM: **P2014-019** (Presbyterian Hospital Addition)

SUMMARY:

Discuss and consider a request by Brandon O'Donald of Bannister Engineering, LLC on behalf of Mark Hood of Spine Team Texas, PA for the approval of a replat for Lot 21, Block A, Presbyterian Hospital of Rockwall Addition, being a 1.888-acre parcel of land, currently identified as Lot 3, Block A, Presbyterian Hospital of Rockwall Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 9 (PD-9) for general retail land uses, located on the south side of Horizon Road (*FM-3097*) southeast of the intersection of Horizon Road and Rockwall Parkway, and take any action necessary.

COMMENTS:

- The objective of this request is to replat a 1.888-acre parcel of land for the purpose of constructing a 20,000 sq. ft. medical office facility.

- Conditional approval of this plat by the City Council shall constitute approval subject to the conditions below.

- With the exception of the items listed in the Recommendation section of this case memo, this plat is in substantial compliance with the requirements of the Subdivision Ordinance in the Municipal Code of Ordinances.

RECOMMENDATIONS:

If the Planning & Zoning Commission and City Council choose to approve the request for final plat, staff would recommend the following conditions of approval:

1) All the technical comments from the Engineering, Planning and Fire Departments shall be addressed prior to the filing of this plat including the following Planning comments;

   a. Correct Title Block and plat to read "Lot 21, Block A." The City does not use "R" with lots numbers to indicate a replat.
   b. Re-label 24-ft Firelane,..., Easement to read "24-ft Firelane, Public Access, & Utility Easement" where appropriate and remove the label "by this plat."
   c. Provide case number (P2014-019) at the lower right corner of the plat (both pages).

2) Any construction resulting from the approval of this final plat shall conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING RECOMMENDATION:

On August 26, 2014, the Planning and Zoning Commission recommended approval of the replat with staff conditions by a vote of 5 to 0 (Neilsen and McCutcheon absent).

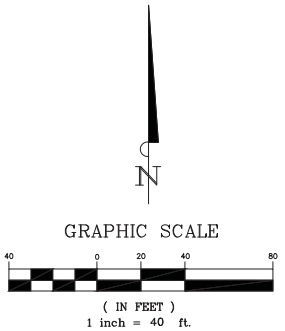
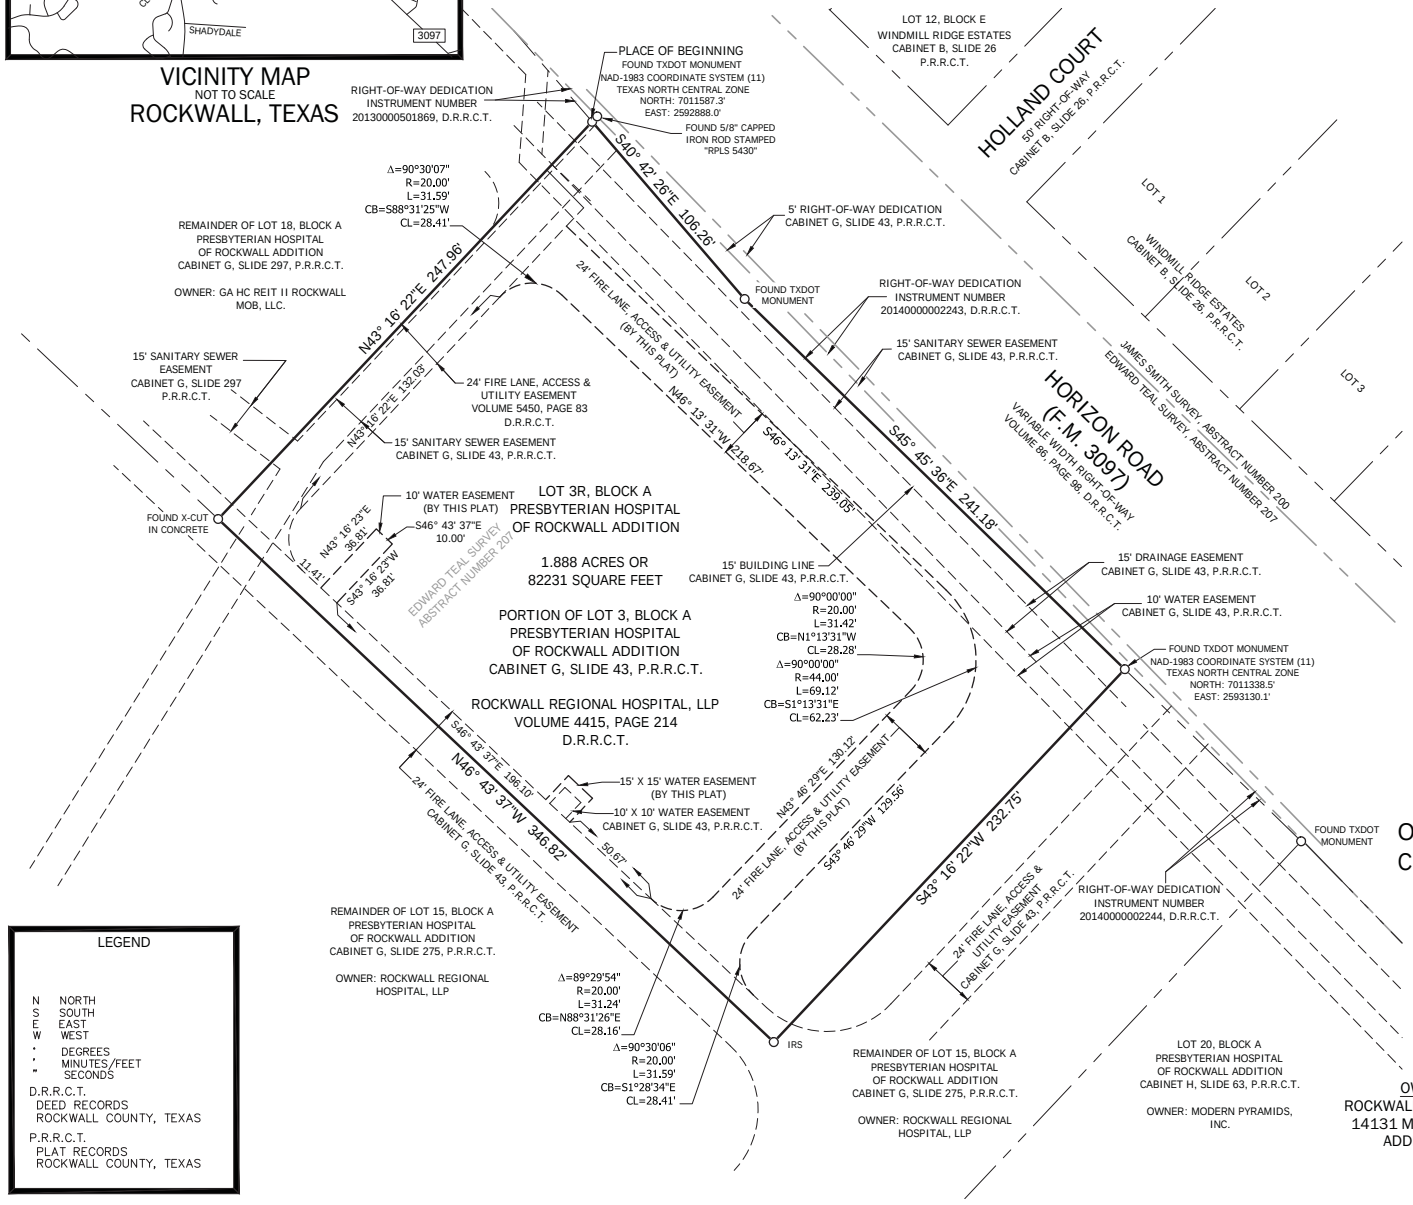
GENERAL NOTES:

1. It shall be the policy of the City of Rockwall to withhold issuing building permits until all streets, water, sewer and storm drainage systems have been accepted by the City. The approval of a plat by the City does not constitute any representation, assurance or guarantee that any building within such plat shall be approved, authorized or permit therefore issued, nor shall such approval constitute any representation, assurance or guarantee by the City of the adequacy and availability for water for personal use and fire protection within such plat, as required under Ordinance 83 -54.

2. According to surveyor's interpretation of information shown on the National Flood Insurance Program (NFIP) "Flood Insurance Rate Map" (FIRM), Community Panel No. 48397C0040 L, dated September 26, 2008. The property appears to lie within Zone "X" and the entire property lies within a "Areas determined to be outside the 0.2% annual chance floodplain" zone as defined by the U.S. Department of Housing and Urban Development, Federal Insurance Administration, or the Federal Emergency Management Agency.



3. The above referenced "FIRM" map is for use in administering the "NFIP"; it does not necessarily show all areas subject to flooding, particularly from local sources of small size, which could be flooded by severe, concentrated rainfall coupled with inadequate local drainage systems. There may be other streams, creeks, low areas, drainage systems or other surface or subsurface conditions existing on or near the subject property which are not studied or addressed as a part of the "NFIP".



4. All iron rods set (IRS) are 5/8-inch with a plastic cap stamped "RPLS 4838".

5. All coordinates and bearings shown herein are Texas State Plane Coordinate System, NAD83 (CORS), Texas North Central Zone (4202). All distances shown herein are surface distances.

THENCE South 45 degrees 45 minutes 36 seconds East continue with the common line between the remainder of said Lot 3 and the existing Southwesterly right-of-way line of said Horizon Road, a distance of 241.18 feet to a TXDOT monument found for the Easterly corner of said Lot 3, same being an Northeasterly corne rof that certain tract of land described as Lot 15, Block A, PRESBYTERIAN HOSPITAL OF ROCKWALL ADDITION (hereinafter referred to as Lot 15), an addition to the City of Rockwall, Rockwall County, Texas, according to the plat thereof recorded in Cabinet G, Slide 297, P.R.R.C.T.;

THENCE South 43 degrees 16 minutes 22 seconds West, departing the existing Southwesterly right-of-way line of said Horizon Road and with the common line between said Lot 3 and said Lot 15, a distance of 232.75 feet to a five-eighths inch iron rod with plastic cap stamped "RPLS 4838" set for the Southerly corner of said Lot 3, same being an inner-ell corner of said Lot 15;

THENCE North 46 degrees 43 minutes 37 seconds West continue with the common line between said Lot 3 and said Lot 15, a distance of 346.82 feet to an X-cut in concrete found to the Westerly corner of said Lot 3, same being the Southerly corner of the aforesaid Lot 18;

THENCE North 43 degrees 16 minutes 22 seconds East, departing a Northeasterly line of said Lot 15 and with the common line between said Lot 3 and said Lot 18, a distance of 247.96 feet to the PLACE OF BEGINNING, and containing a calculated area of 1.888 acres (82,231 square feet) of land.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

STATE OF TEXAS
COUNTY OF ROCKWALL

I (we) the undersigned owner(s) of the land shown on this plat, and designated herein as the PRESBYTERIAN HOSPITAL OF ROCKWALL ADDITION subdivision to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, water courses, drains, easements and public places thereon shown on the purpose and consideration therein expressed. I (we) further certify that all other parties who have a mortgage or lien interest in the PRESBYTERIAN HOSPITAL OF ROCKWALL ADDITION subdivision have been notified and signed this plat. I (we) understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same. I (we) also understand the following;

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of their respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maintaining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, storm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or Until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer and/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as progress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or

Until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

I (we) further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the Subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; I (we), my (our) successors and assigns hereby waive any claim, damage, or cause of action that I (we) may have as a result of the dedication of exactions made herein.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 9/2/2014

APPLICANT: Matthew Mulliken

AGENDA ITEM: **P2014-020;** Albright Hill Addition

SUMMARY:

Discuss and consider a request by Matthew Mulliken on behalf of Jennifer Hill of Albright-Hill Properties, LLC for the approval of a replat for Lot 1, Block 1, Albright-Hill Addition, currently identified as Lots D & E, Block 117, B. F. Boydston Addition, City of Rockwall, Rockwall County, Texas, being a 0.75-acre tract on land, zoned General Retail (GR) District, located at the northeast corner of the intersection of S. Goliad Street (SH-205) and St. Mary's Street, and take any action necessary.

COMMENTS:

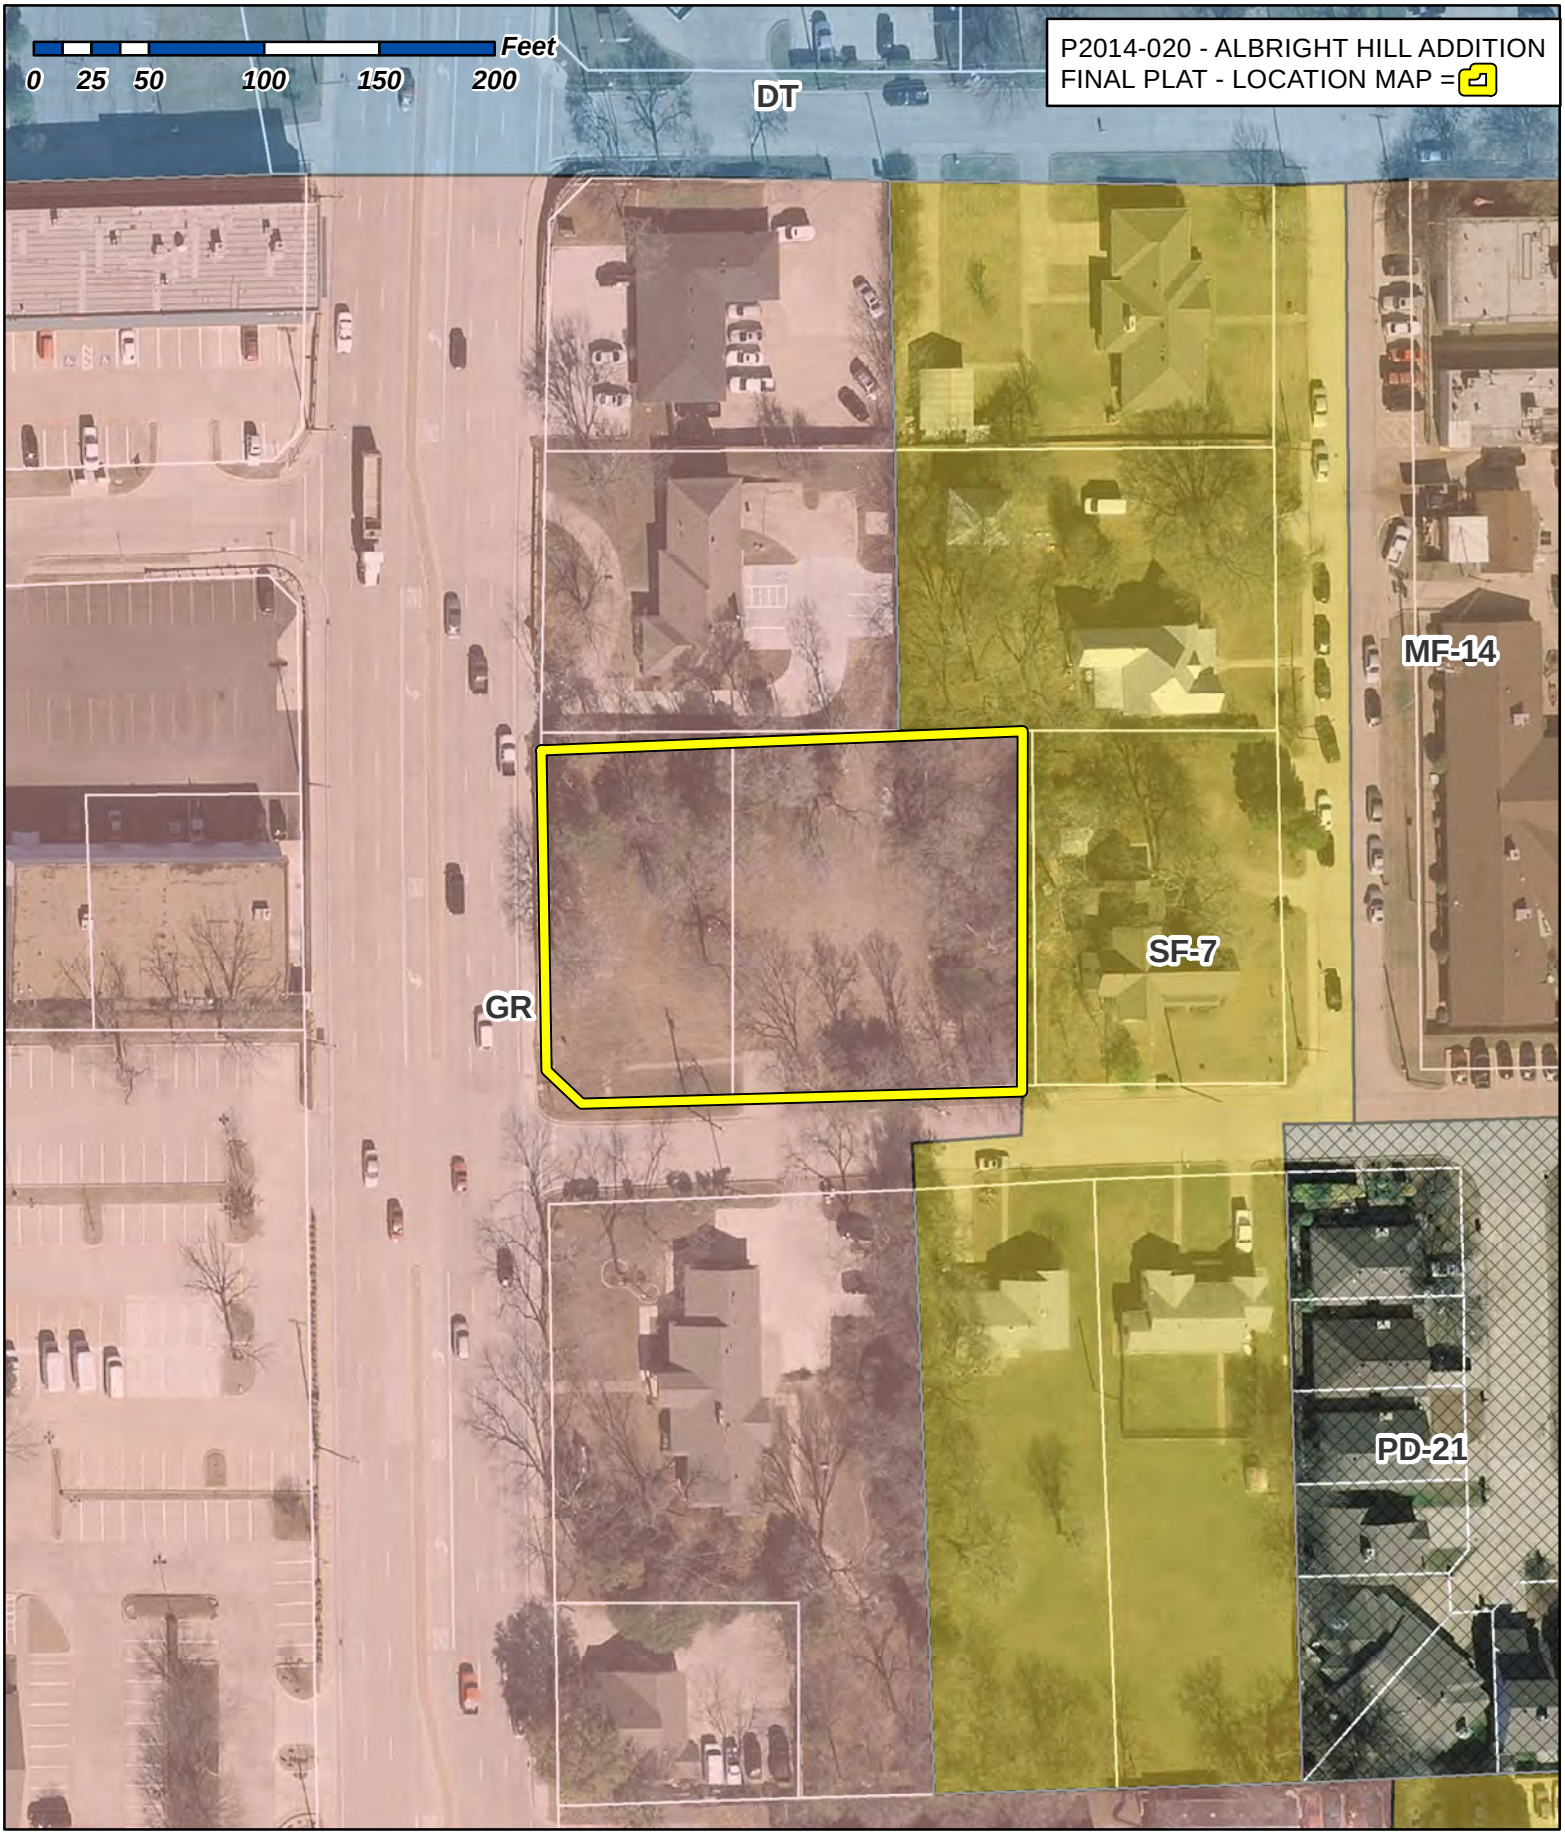
- The purpose of this request is to final plat a 0.75-acre tract of land for the purpose of constructing a professional office building.

- The Engineer has completed the technical revisions requested by staff, and this plat is recommended for conditional approval pending the completion of final technical modifications and submittal requirements required for the recordation by the applicant or owner.

- Conditional approval of this plat by the City Council shall constitute approval subject to the conditions stipulated in the Recommendation section below.

With the exception of the items listed in the Recommendation section of this case memo, this plat is in substantial compliance with the requirements of the Subdivision Ordinance in the Municipal Code of Ordinances.

RECOMMENDATIONS:



If the Planning & Zoning Commission and City Council choose to approve the final plat for Lot 1, Block 1, Albright-Hill Addition, the following conditions of approval are offered:

1) All the technical comments from the Engineering, Planning and Fire Departments shall be addressed prior to the filing of this plat; and

2) Any construction resulting from the approval of this plat shall conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING & ZONING COMMISSION:

On August 26, 2014, the Planning & Zoning Commission recommended approval of the final plat by a vote of 5-0 (Commissioners McCutcheon and Nielsen absent).

All that certain lot, tract or parcel of land situtated in the B.F. Boystun Survey, Abstract No. 14, City of Rockwall, Rockwall County, Texas and being a part of a tract of land described as Tract II in a Warranty Deed from Nan L. Smith, Executor of the Estate of Joe B. Smartt to Nan L. Smartt and Juliana L. Bond dated February 8, 1994 and being recorded in Volume 879, Page 14 of the Real Property Records of Rockwall County, Texas and being more particularly described as follows:

BEGINNING at a 1/2" iron rod found for a corner on the East Right-of-Way line of State Highway No. 205 (S. Goliad Street), said point being the Northwest corner of said Tract II;

THENCE North 87°43'05" East along the North line of said Tract II, a distance of 213.03' to a 1/2" iron rod found for a corner at the Northwest corner of a tract of land as described in a Warranty Deed from Wilma Jordan to Deana Grandstaff, as recorded in Volume 4351, Page 74 of the Official Public Records of Rockwall County, Texas;

THENCE South 00°35'00" East, along the West line of said Grandstaff tract, a distance of 153.97' to a 1/2" iron rod found for a corner in the North Right-of-Way line of St. Mary's;

THENCE South 87°40'40" West, along said North Right-of-Way line, a distance of 197.16' to a 1/2" iron rod found for a corner at a cutback in the Right-of-Way line for State Highway No. 205 or South Goliad Street;

THENCE North 46°36'56" West along said cutback line, a distance of 20.95' to an aluminum TXDOT monument found for a corner on the East Right-of-Way line of said Highway No. 205;

THENCE North 00°54'19" West (Controlling Bearing Line), along said East Right-of-Way line, a distance of 139.10' to the POINT OF BEGINNING and containing 32,621 square feet or 0.75 acres of land.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

STATE OF TEXAS:

COUNTY OF ROCKWALL:

We the undersigned owners of the land shown on this plat, and designated herein as ALBRIGHT-HILL ADDITION, an Addition to the City of Rockwall, Texas and whose name is subscribed hereto, dedicate to the use of the public forever and all streets, alleys, parks, water courses, easements and public places thereon hereon shown on the on the purpose and consideration therein expressed. I further certify that all other parties who have a mortgage or lien interest in the subdivision have been notified and signed this plat.

We understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring the use or using same.

We also understand the following:

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utilitiy shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way interfere with the construction, maintenance or efficency of their respective system on any of the easement strips, and any public utility shall at all times have the right of ingress to or egress from and upon the said easement strips for the purposes of construction, reconstruction, inspection, patrolling, maintaining, and either adding to or removing all or part of their respective systems without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsiblity for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversly affected by storm drainage from the developer.

6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other peron until the developer and/or owner has compied with all requirements of the Subdivision Regulations of the City of Rockwall requarding improvements with respect to the entire block on the street on which the property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, storm sewer, and alleys, all according to the specifications of the City of Rockwall; or

Until and escrow deposit, sufficent to pay for the cost of such improvement, as determined by the city's engineer and/or city adiminstrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer and/or owner fail to refuse to install the required improvements within the time stated in such written agreement, but in no case shall the city be obilgated to make such improvements itself. Such deposit may be used by the owner and/or developer as progress payments as the work progresses in making such improvements by making certified requistions to the city secretary, supported by the evidence of work done; or

Until the developer and/or owner files a corporate surety bond with the city secretary in the sum equal to the cost of such improvements for the designated area guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 09/02/2014

APPLICANT: Jay Bedford

AGENDA ITEM: **P2014-023** (Sharp Addition - Replat)

SUMMARY:

Discuss and consider a request by Jay Bedford of A. J. Bedford Group, Inc. on behalf of the owner, Rick Sharp, for the approval of a replat for Lots 4, 5 & 6, Block A, Sharp Addition, being a 6.222-acre parcel of land currently identified as Lot 2, Block A, Sharp Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 46 (PD-46) for commercial land uses, situated within the SH-276 Corridor Overlay (SH-276 OV) District, generally located on the north side of SH-276 east of the intersection of SH-276 and Corporate Crossing (*FM-549*), and take any action necessary.

COMMENTS:

- The objective of this request is to replat a 6.222-acre parcel of land for the purpose of creating three lots (Lots 4, 5, & 6) for the sale of private property and development.
- Conditional approval of this plat by the City Council shall constitute approval subject to the conditions below.
- With the exception of the items listed in the Recommendation section of this case memo, this plat is in substantial compliance with the requirements of the Subdivision Ordinance in the Municipal Code of Ordinances.
- An application is currently being considered for an amendment to PD-46 that is associated with Lot 6 of this plat.

RECOMMENDATIONS:

If the Planning & Zoning Commission and City Council choose to approve the request for final plat, staff would recommend the following conditions of approval:

1) All the technical comments from the Engineering and Fire Departments shall be addressed prior to the filing of this plat, including the following Planning Comments;

    a. Correct Title Block to indicate "Lots 4,5, & 6, Block A"...
    b. Re-label Lot 2R on plat to indicate "Lot 6." The City does not use "R" with exiting lot to indicated replat.
    c. Re-label 30' access easement to "30-ft Firelane, Public Access, Drainage & Utility Easement"
    d. Proposed 24-ft Firelane & Public Access Easement on Lot 4 (as per Site Plan) must meet distance requirements with proposed 30-ft Firelane, Public Access,...Easement. Get with Engineering Department for spacing requirements.

e. Notary not necessary when plat is sealed by surveyor.
f. Provide case number (P2017-023) on both pages.

2) Any construction resulting from the approval of this final plat shall conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING RECOMMENDATION:

On August 26, 2014, the Planning and Zoning Commission recommended approval of the replat with staff conditions by a vote of 5 to 0 (Neilsen and McCutcheon absent).

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: City Council

FROM: Ryan Miller, *Planning Manager*

CC: Robert LaCroix, *Director of Planning*

DATE: September 2, 2014

SUBJECT: Appointment with Bill Bricker

Bill Bricker has scheduled an appointment before the City Council for the purpose of requesting a new land use be added to the City's *Permissible Use Charts* located in Article IV, *Permissible Uses*, of the Unified Development Code. Specifically, Mr. Bricker is requesting to establish a use that allows for the sale of a limited number of automobiles that will be stored and displayed indoors at all times. Sales will only be by appointment and no walk up or drive by traffic will be generated by the use. As part of this request Mr. Bricker has proposed the following restrictions for the new use:

1) All vehicles shall be stored indoors at all times and no outdoor display shall be permitted.
2) Vehicle counts shall be limited to an absolute number and location relating to storage space. (*i.e. 2,000 SF might allow 6 - 7 cars*).
3) While a sign is required by the state, it would not be over the minimum required size as allowed by the City and be placed as unobtrusively as possible.
4) Only the business name shall be displayed on the sign, and no phone numbers (unless required by the State law) shall be displayed.
5) The use could be referred to as *Appointment Only Used Car Sales*.
6) This use could be allowed by a Specific Use Permit (SUP) in a Commercial (C) and Light Industrial (LI) District only.

Attached to this memorandum is a copy of the applicant's request. Staff will be available to answer any questions the City Council may have about the proposed use.

Miller, Ryan

To: LaCroix, Robert
Subject: RE: New use of property

From: Bill Bricker <bill@colventures.com>
Date:
To: "Ashberry, Kristy" <KAshberry@rockwall.com>,"LaCroix, Robert" <RLaCroix@rockwall.com>
Subject: New use of property

Kristy,

I would like to request being placed on the Council, or maybe P&Z first? to request a new use be added to the City land use chart.

I am interested in an internet based, no walk in business used car dealership. I want to be able to use my facility at 1200 E Washington for selling limit numbers of cars and need to have a license from the State to do so. And for that I need approval for a CO from the City I think.

For myself, I only want to keep a few cars, indoors at all times and have customers come only by appointment. No walking or drive by traffic at all. My son CJ wants to be able to buy a used car or two at a time, detail and repair as needed and resell with this limited market approach. It is done all over, including some being done in Rockwall possibly under the radar.

I find this requires a new use. I would be proposes the following with of course some input and adjustment from the staff.

1) All vehicles stored indoors at all times, no outdoor display
2) Vehicle count limited to some absolute number, and by location to the allowed space. In other words, 2000 sq ft might be 6-7 cars to allow for room to get around.
3) While a sign is required by the state, it would not be over the minimum required size and placed as unobtrusively as possible.
4) Only the business name on the sign, no phone numbers unless required by the State. (I don't think so and will check before publishing the case)
5) As this would preclude walk up or drive by shopping, the use could be called Appointment Only, Used Car Sales.
6) This use could be by an SUP in Commercial and LI zoned property only.

There may be other criteria but this is a start. I am copying Robert so he can be thinking about this. Please tell me how to proceed.

Thanks!!

Bill

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Honorable Mayor and Council**

FROM: **Jeffrey Widmer, Building Official**

DATE: **September 2, 2014**

SUBJECT: **Special Event Permit request for Harbor Auto Show 2014**

Kim Lovett with Eventive Marketing Solutions representing UCR Asset Services is requesting permission to hold a special event on the Harbor property. The event is the Harbor Auto Show 2014 and is scheduled to be held on September 20th.

This will be the 4th year that this event has been conducted. The event consists of a couple of the local automotive dealerships staging some of their new products on the grounds for public view, as well as several classic car owners bringing their vehicles for display. All vehicle displays and vendor booths will be on private property. The event is fairly low key and does not draw a large crowd, but does pull additional visitors into the Harbor for the day.

The Police Department and the Parks & Rec. Departments have performed their normal review of the application and do not have any special requests or needs for the Applicant to comply with. No Police presence is required and no additional rest rooms or trash detail will be needed.

MEMORANDUM

TO: **Rick Crowley – City Manager**

FROM: **Brad Griggs – Assistant City Manager**

DATE: **August 29, 2014**

SUBJECT: **Christmas Decorations**

Mayor Sweet requested that an item be added to the agenda to discuss and consider the purchase of Christmas decorations for downtown. Funding for the purchase will be from the downtown Fund. The current fund balance is approximately $55,000. Current commitments are approximately $4,000 for entertainment for the monthly night Owls event for the remainder of the year.

MEMORANDUM

TO: **Mayor and Council members**

FROM: **Rick Crowley, City Manager**

DATE: **August 29, 2014**

SUBJECT: **Fiscal Year 2015 Proposed Budget**

Please find the attached memorandum from Mary Smith, which outlines our proposal to fund $265,000 of the proposed expenditures from street materials from General Fund reserves, which will facilitate the ability to hire three (3) Fire Department positions in the operating budget.

Several other of the budget related discussions from the workshop are also under consideration as to how to best facilitate the mutual goals of the staff and Council for the coming year. These may also be discussed on Tuesday.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Mary Smith, Assistant City Manager**

DATE: **August 29, 2014**

SUBJECT: **Fiscal Year 2015 Ad Valorem Taxes and Proposed Budget**

At the conclusion of the budget work session with the City Council, staff was instructed to review the budget to determine if there were any Manager approved items that could be allocated from reserves. By adopted policy, any project, which extends the life of an asset, is an acceptable use of reserves. It would be appropriate to designate an additional $265,000 from reserves rather than current revenues for street repairs.

Assuming adoption of the effective rate, which is 49.55 cents per hundred dollars of assessed value, this would allow an additional $265,000 to be appropriated by the Council for programs or projects, which were not approved in the proposed budget.

Budget Adoption Process

The City's Charter requires a public hearing to provide the opportunity to receive comments on the proposed budget. Keeping publication deadlines in mind the public hearing could be scheduled for September 15. If the budget continues with tax revenues based on the effective rate then the Council may be able to adopt the budget at the same meeting. If not then we can schedule budget adoption for one of the two tentatively scheduled special meetings that follow. The Charter is silent as to time between public hearing and adoption. The question has been posed to Frank Garza to answer for the meeting.

The Truth in Taxation statues, requires two public hearings be held before any tax rate is adopted that increases revenues over the revenues generated by the effective rate. This will not be necessary if we move toward adoption of the effective rate. We will still be required to publish notice of the proposed tax rate but it will not include dates for tax rate public hearings.

Staff will need direction as to the Council's preference for further consideration of the tax rate at this Council meeting in order to meet publication deadlines.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Mayor and City Council

CC: Rick Crowley, *City Manager*
Robert LaCroix, *Director of Planning and Zoning*

FROM: Ryan Miller, *Planning Manager*

DATE: September 2, 2014

SUBJECT: Amendment to the Material Requirements for Commercial/Industrial Buildings

The Unified Development Code currently restricts all commercial and industrial buildings, not within an Overlay District, from locating stucco within the first eight (8) feet above grade on any building façade that is visible from a street or public area [*Sec. 4.1.A.1 & 5.1.A.1; Art. V, UDC*]. This is in contrast to the Overlay District requirements, which are less restrictive and prohibit stucco from being located within the first four (4) feet above grade on any building façade that is visible from a street or public area (*e.g. Sec. 6.7.C.1.a; Art. V, UDC*). The purpose of this restriction is generally to allow for a greater variation of materials, and for the incorporation of a brick or stone wainscot. This has become an issue on past projects that proposed smaller buildings (typically located outside of the overlay districts) built to a residential scale that usually utilize pitched roofs. In these cases the eight (8) feet is difficult to incorporate into the design of the building, and usually required the applicant to request a variance.

Staff is requesting direction from the City Council concerning this issue. Staff would propose lowering the eight (8) foot requirement to match the current overlay district requirement of four (4) feet.

City of Rockwall
The New Horizon

MEMORANDUM

TO: City Council

FROM: Robert LaCroix, Director of Planning

DATE: August 26, 2014

SUBJECT: Architectural Review Board Qualifications

The Unified Development Code specifically defines the qualifications for board members on Architectural Review Board. These requirements have made it difficult to find individuals living within the City of Rockwall to meet those qualifications. In turn, that has caused an issue with keeping a full seven members for the board on a continuous basis. The following qualifications are listed in Article II. Authority & Administrative Procedures under Section 13 Architectural Review:

Sec. 13.2. Term of office; qualifications.
A. *Term.* The members shall be appointed for a term of two years with staggered terms and shall be removable for cause by the city council. Their terms of office shall expire on the last day of July or when their successor has been appointed. In the event that a vacancy occurs prior to the expiration of a full term the city council shall appoint a new member to complete the unexpired term. Any member may be reappointed by the city council upon completion of a term to which he has been appointed.
B. *Composition.* The membership shall include one registered architect, one residential property owner in the district and one commercial property owner in the district. The remaining membership shall include no more than one representative from any of the following categories:
(1)Landscape architects;
(2)Civil engineers;
(3)Structural engineers;
(4)Experienced commercial builders in the district;
(5)Professional land planners; and/or
(6)Building designers who are members in good standing with a recognized professional association.
All members must be residents of Rockwall County.

Due to the size of the community, finding qualified individuals has always been somewhat difficult. Staff would suggest amending Section B to contain more flexible qualifications that would allow more opportunities in the selection process for these board members. The following is an example of the wording change the Council might consider:

"B. **Qualifications**. *At least one member shall be a registered architect in the State of Texas. Other members are chosen for qualifications and training in related fields such as landscape architecture, interior or exterior design, municipal planning, municipal government and other professions with related disciplines or civic interest*."

Should the Council want to move forward with this proposition then the staff would proceed with a zoning case to consider a text amendment to the Unified Development Code.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley – City Manager**

FROM: **Brad Griggs – Assistant City Manager**

DATE: **August 27, 2014**

SUBJECT: **Animal Adoption Center Advisory Committee**

Pursuant to State law, the City of Rockwall formed an Animal Adoption Center Advisory Committee. The committee is charged with the responsibility to report annually to the city council regarding compliance with the requirements of V.T.C.A., Health and Safety Code ch. 823, Standards for Animal Shelters. The committee will also perform other tasks as directed by the city council.

According to our ordinance, our committee shall consist of a licensed local veterinarian, one municipal official, one representative from an animal welfare organization, and three city citizens to be appointed by the city council, and one person whose duties include the operation of the city's animal adoption center to be appointed by the city manager, and who shall serve as an ex officio member.

State law states that “the governing body of a county or municipality in which an animal shelter is located shall appoint an advisory committee to assist in complying with the requirements of this chapter.

(b) The advisory committee must be composed of at least one licensed veterinarian, one county or municipal official, one person whose duties include the daily operation of an animal shelter, and one representative from an animal welfare organization.

The Rockwall Animal Adoption Center Advisory Committee current members are Ken Dickson, Sandra Solomon representing the animal welfare group PAWS and licensed veterinarian Dr. Kurt Avery. Molly Peterson with CCHS is an ex officio member of the Committee. Dr. David Loftis is listed as a member but has been inactive. Mayor Pro Tem Pruitt serves in the “Municipal Official” role.

If the Council desires, staff will prepare an ordinance amendment to change the composition of the Rockwall Animal Adoption Center Advisory Committee to reflect our current membership while continuing to comply with the State statute.

1. Hold public hearing to hear comments regarding the proposed City of Rockwall Fiscal Year 2015 Budget, and take any action necessary.

p87 **2.** P2014-017 - Hold a public hearing to discuss and consider a request by Joe Allman of Inner Urban Homes, Inc. for the approval of a replat for Lots 24 & 25, Block A, Chandler's Landing Phase 7 Installment Two Addition, being a 0.49-acre parcel of land currently identified as Lot 23, Block A, Chandler's Landing Phase 7 Installment Two Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 8 (PD-8) for residential land uses, located at 104 Thistle Place, and take any action necessary

p97 **3.** Z2014-022 - Hold a public hearing to discuss and consider approval of an ordinance for a City initiated zoning request for the approval of a text amendment to Article V, District Development Standards, of the Unified Development Code [Ordinance No. 04-38] for the purpose of creating and implementing an Airport Overlay (AP OV) District, which will be applicable for the Ralph M. Hall/Rockwall Municipal Airport property, and for all properties located within 500-feet of the airport property and/or located within the Airport's Runway Protection Zones as defined by AC150/5300-13A, Airport Design, of the FAA standards, and take any action necessary. (1st Reading) [Requires a 3/4-Majority Vote for Approval]

p129 **4.** Z2014-023 - Hold a public hearing to discuss and consider approval of an ordinance for a request by Beth Godfrey of TKC CLXXXVI, LLC on behalf of the owner, Rick Sharp, for the approval of a zoning amendment to Planned Development District 46 (PD-46) [Ordinance No. 99-05] to allow for a Rental Store with Outside Storage (i.e. Sunbelt Rentals Company) to be established on a ~3.35-acre portion of a larger 6.222-acre parcel of land identified as Lot 2, Block A, Sharp Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 46 (PD-46) for commercial land uses, situated within the SH-276 Corridor Overlay (SH-276 OV) District, located east of Corporate Crossing (FM-549) in between SH-276 and Springer Lane, and take any action necessary. (1st Reading)

p154 **5.** Z2014-024 - Hold a public hearing to discuss and consider approval of an ordinance for a request by Juan J. Vasquez, PE of Vasquez Engineering, LLC on behalf of James R. Thompson of Cavender Investment Properties E, LTD for the approval of a Specific Use Permit (SUP) for a general retail store within a Light Industrial (LI) District for the purpose of constructing a Cavender's Boot City on a 3.27-acre parcel of land identified as Tract 9-4 of the J. Lockhart Survey, Abstract No. 134, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, situated within the IH-30 Overlay (IH-30 OV) District, located on the south side of the E. IH-30 frontage Road west of Corporate Crossing (FM-549), and take any action necessary. (1st Reading)

p168 **6.** Z2014-025 - [Request to Postpone to the October 20, 2014 Meeting] Hold a public hearing to discuss and consider approval of an ordinance for a request by Christopher Orr of Arcadia Lakes of Somerset Holdings, LLC for the approval of a zoning amendment to Planned Development District 63 (PD-63) to allow for changes to the concept plan and development standards stipulated by Ordinance No. 05-51 for a 139.354-acre tract of land identified as Tracts 1 & 7 of the A. Johnson Survey, Abstract No. 123, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 63 (PD-63) for Single Family 10 (SF-10) District use, situated within the SH-205 Overlay (SH-205 OV) District, located at the northeast corner of the Intersection of FM-549 and S. Goliad Street (SH-205), and take any action necessary. (1st Reading)

p171 **7.** Z2014-026 - Hold a public hearing to discuss and consider approval of an ordinance for a request by Caprice Michelle of Rockwall's Rustic Ranch, LLC for the approval of a Specific Use Permit (SUP) for a restaurant within Planned Development District 50 (PD-50) on a 0.53-acre parcel of land identified as Lot B, Block 123, B. F. Boydston Addition, zoned Planned Development District 50 (PD-50) for Residential Office (RO) District uses, situated within the North Goliad Corridor Overlay (NGC OV) District, addressed as 406 N. Goliad Street, City of Rockwall, Rockwall County, Texas, and take any action necessary. (1st Reading)

XII. SITE PLANS / PLATS

p195 **1.** SP2014-014 - Discuss and consider a request by Matthew Alexander on behalf of the Rockwall Downes Development, LLC for the approval of a variance to the dead end street requirements as stipulated by the Engineering Standards of Design and Construction manual for Phase 3 of the Rockwall Downes Subdivision, containing 26 single-family lots and being one phase of the proposed 35.651-acre subdivision, which is situated within the J. M. Allen Survey, Abstract No. 2, Rockwall, Rockwall County, Texas, zoned Planned Development District 10 (PD-10), situated within the SH-205 By-Pass Overlay (SH-205 BY OV) District, located adjacent to John King Boulevard north of SH-276 and south of IH-30, and take any action necessary.

XIII. ACTION ITEMS

p200 **1.** Discuss and consider appointments to city advisory boards and commissions, and take any action necessary.

p202 **2.** Discuss and consider approval of an ordinance amending the budget for fiscal year 2014, and take any action necessary.

p205 **3.** Discuss and consider approval of an ordinance adopting the budget for fiscal year 2015, and take any action necessary

p213 **4.** Discuss and consider approval of an ordinance levying ad valorem taxes for the tax year 2014 and take any action necessary.

p217 **5.** Discuss and consider the Hotel tax subcommittee recommendations for funding allocations in fiscal year 2015, including authorizing the City Manager to execute associated funding agreements, and take any action necessary.

p221 **6.** Discuss and consider approval of the Rockwall Economic Development Corporation (REDC) budget for fiscal year 2015 and amended budget for fiscal year 2014, and take any action necessary.

p231 **7.** Discuss and consider approval of the Rockwall Technology Park Association budget for fiscal year 2015 and amended budget for fiscal year 2014, and take any action necessary.

p238 **8.** MIS2014-011 - Discuss and consider a request for the approval of a special request for the purpose of permitting the construction of a covered porch that does not conform to the setback requirements as stipulated by Planned Development District 75 (PD-75) [Ordinance No. 09-37] for a 0.12-acre property that is identified as Lot 685 of Rockwall Lake Estates #1 Addition, City of Rockwall, Rockwall County, Texas, is zoned Planned Development District 75 (PD-75), is addressed as 208 Texas Avenue, and take any action necessary.

p244 **9.** Discuss and consider appointments to the city's Youth Advisory Council (YAC), and take any action necessary.

p246 **10.** Discuss and consider Christmas planning and decorations for downtown, including associated cost estimates, and take any action necessary.

p248 **11.** Discuss and consider the City Charter including possible establishment of a Charter Review Commission, and take any action necessary.

XIV. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding the following legal claim: TF-Harbor LLC v. City of Rockwall, Texas and Rockwall Rental Properties L.P. pursuant to Section 551.071 (Consultation with Attorney)
2. Discussion regarding appointments to city regulatory boards, commissions, and committees including the Building and Standards Commission, Board of Adjustments, Planning & Zoning Commission and Rockwall Economic Development Corporation pursuant to Section 551.074 (Personnel Matters)

XV. RECONVENE PUBLIC MEETING & TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

XVI. ADJOURNMENT

This facility is wheelchair accessible and accessible parking spaces are available. Request for accommodations or interpretive services must be made 48 hours prior to this meeting. Please contact the City Secretary's Office at (972) 771-7700 or FAX (972) 771-7727 for further information.

The City of Rockwall City Council reserves the right to adjourn into executive session at any time to discuss any of the matters listed on the agenda above, as authorized by Texas Government Code § 551.071 (Consultation with Attorney) § 551.072 (Deliberations about Real Property) § 551.074 (Personnel Matters) and § 551.086 (Economic Development)

I, Kristy Ashberry, City Secretary for the City of Rockwall, Texas, do hereby certify that this Agenda was posted at City Hall, in a place readily accessible to the general public at all times, on the 12th day of September, 2014 at 4:00 p.m. and remained so posted for at least 72 continuous hours preceding the scheduled time of said meeting.

MEMORANDUM

TO: **Mayor and Council**

FROM: **Rick Crowley, City Manager**

DATE: **September 12, 2014**

SUBJECT: **Brick Pattern Modifications Downtown**

Over the course of this week, Mayor Sweet and Mayor Pro Tem Pruitt have indicated that the Council continues to receive complaints of varying detail related to the brick selection of the downtown project. Several meetings with Hill Wilkinson and La Terra have been held. Hill Wilkinson has suggested that they have determined that it is possible to make certain limited changes in the brick with considerably less expense and less timeline change than that had previously indicated provided that they changes were somewhat limited and that they brick associated with the change is readily available. Discussions with several members of the selection committee have been held.

Hill Wilkinson has provided a cost estimate for the change under consideration as well as the timeline differential, and discussion will be held in workshop format at Monday's meeting. The downtown advisory committee who has been involved in the selection process have been invited to convene a meeting at 4pm as well and will join the Council in looking at the mockup of the brick wall behind Napoli's restaurant.

The cost and timeline information assumes the following:

> The newly completed brick wall on San Jacinto in the block adjacent to the Center will remain **as is** (with the pattern that contains the black brick).
>
> The area on the square where brick has just been installed would be modified by chiseling out the black bricks and replacing each with a rose-colored brick which may be selected as a more desirable color and is apparently readily available.
>
> Adjusting the not yet installed mingled brick pallets to replace the black brick with the proposed rose-colored brick (The black brick is 10% of the current blend

Hill Wilkinson has confirmed with Acme Brick that they have 8,000 of the Rose brick on the ground ready to ship. They have indicated they will hold them for a few days pending Council's decision.

Hill Wilkinson's cost estimate to purchase the rose-colored brick; chisel out the installed black bricks and replace with the rose colored brick; remove black bricks from the mingled pallets and insert rose-colored brick; along with other ancillary costs totals $30,534. They have conservatively estimated a two-week project timeline impact. They would anticipate installing the CMU walls and leaving them bare during the waiting period while the brick is delivered and re-mingled – they would not stop work during this period. This change is expected to be minimally disruptive to the schedule.

Staff has requested the price and timeline implications if Council were to choose to demo the newly installed wall and rebuild it with the re-mingled color pallet. Hill Wilkinson will have that information available for the Council on Monday and will be present at the meeting to answer any questions.

Proclamation

Rockwall, Texas

Whereas, the presence of Hispanics on this continents predates the founding of our Nation, and, as among the 1st to settle in the New World, Hispanics have had a profound influence on American history, values, families, religion, music, dance and culture; and

Whereas, since the arrival of early Spanish settlers more than 400 yrs. ago, millions of Hispanics have come to the U.S. from places like Mexico, Costa Rica, El Salvador, Guatemala, Honduras, Nicaragua, and other Hispanic or Latino regions of the world in search of peace, freedom, and a prosperous future, bringing with them a rich heritage, a deep commitment to family and community, a strong work ethic, and an unwavering belief in the American Dream; and

Whereas, many residents of Rockwall have Hispanic roots in these and other countries, exhibiting the courageous spirit of their ancestors who fought from 1810 to 1821 against seemingly insurmountable odds to win independence from Spain; and

Whereas, this month, we acknowledge with gratitude the many gifts Hispanic Americans bring to so many aspects of our daily lives and reaffirm our mutual respect and support for Hispanic American families; and

Whereas, working together, we can meet the needs of the 21st century in a way that will celebrate our differences and unite us around our common values.

Now, Therefore, I, David Sweet, Mayor of the City of Rockwall, Texas, do hereby proclaim the month of September 15th – October 15th, 2014 as

HISPANIC HERITAGE MONTH

in the City of Rockwall and encourage all citizens to celebrate the history and heritage of the Hispanic people and recognize their lasting contributions to the growth and development of this community, state and country.

In Witness Whereof, I hereunto set my hand and official seal this 15th day of September, 2014.

Proclamation

Rockwall, Texas

Whereas, the Constitution of the United States of America, the guardian of our liberties, embodies the principles of limited government in a Republic dedicated to rule by law; and

Whereas, September 17, 2014, marks the two hundred twenty-seventh anniversary of the framing of the Constitution of the United States of America by the Constitutional Convention; and

Whereas, it is fitting and proper to accord official recognition to this magnificent document and its memorable anniversary, and to the patriotic celebrations which will commemorate it; and

Whereas, Public Law 915 guarantees the issuing of a proclamation each year by the President of the United States of America designating and recognizing Constitution Week,

Now, Therefore, I, David Sweet, Mayor of the City of Rockwall, Texas, do hereby proclaim September 17 through 24, 2014, as

Constitution Week

in the City of Rockwall and ask our citizens to reaffirm the ideals the Framers of the Constitution had in 1787 by vigilantly protecting the freedoms guaranteed to us through this guardian of our liberties.

In Witness Whereof, I hereunto set my hand and official seal of the City of Rockwall, Texas this the 15th day of September, 2014.

MINUTES
ROCKWALL CITY COUNCIL
Thursday, August 28, 2014
8:00 a.m. Budget Work Session
City Courts Building, 2860 SH-66 Rockwall, TX 75087

1. CALL TO ORDER

Mayor Sweet called the meeting to order at 8:05 a.m. Present were Mayor David Sweet, Mayor Pro Tem Jim Pruitt and Councilmembers David White, Scott Milder, Bennie Daniels and Dennis Lewis. Also present were City Manager Rick Crowley, Assistant City Managers Mary Smith and Brad Griggs and city department directors. Councilmember Mike Townsend was absent from the meeting.

2. HOLD BUDGET WORK SESSION TO DISCUSS AND CONSIDER THE CITY OF ROCKWALL'S FISCAL YEAR 2015 BUDGET, AND TAKE ANY ACTION NECESSARY.

City Manager Rick Crowley provided an overview of the proposed budget. He explained that the drought and associated loss of water sales has resulted in a large, negative impact on projected city revenues. Mr. Crowley explained that the previously budgeted transfer of over $602,000 from the Water and Sewer Fund to the General Fund will not occur as planned, which is a direct result of lack of water sales due to the ongoing, prolonged drought.

Assistant City Manager Mary Smith facilitated discussions related to the city's water and wastewater rates, including how the rate relates to revenues and expenditures. Council members indicated they would like staff to perform a water/wastewater rate study in order to glean a more accurate idea of how potential, future rate increases may affect revenues in the future.

City Manager Rick Crowley and Assistant City Manager Mary Smith proceeded to facilitate discussions related to the budget proposal, including the city's current tax rate of $.5025/$100 valuation and the calculated effective tax rate of $.4955/$100 valuation.

Mayor Sweet called for a brief break and recessed the meeting at 10:01 a.m. Mayor Sweet called the meeting back to order at 10:13 a.m.

After additional discussion regarding budget proposal items, at 10:45 a.m., Mayor Sweet recessed the meeting and called for a break. The meeting was reconvened and called back to order at 11:26 a.m.

City Management proceeded to walk the city council through various aspects of the General Government Fund budget proposal. Discussion took place related to personnel costs and positions as well as various other expenditures covered in this fund.

At 12:12 p.m., Mayor Sweet called for a lunch break. The meeting was reconvened at 12:25 p.m. It was noted that Mayor Pro Tem Jim Pruitt excused himself from the meeting at this point.

Staff and council proceeded to discuss the Finance and Fire Department budgets next. Council indicated they would like staff to evaluate possibly adding the requested three (3) full-time driver positions back into the Fire Department budget.

The Police Department budget was discussed next. Chief Mark Moeller came forth and briefed the council on anticipated increases in the department's overtime budget and the reasons why. It was noted that Mayor Pro Tem Pruitt returned to the meeting at 1:30 p.m. City Council asked the city manager to speak with the school district regarding the possibility of RISD paying for costs associated with outfitting a new vehicle with equipment for a School Resource Officer (SRO).

Mayor Sweet called for a short break at 2:10 p.m. The meeting was reconvened by Mayor Pro Tem Pruitt at 2:28 p.m. Mayor Sweet was not present during this time but rejoined the meeting at 2:35 p.m. Following the break, the Community Development Budget was discussed, which includes the Planning, Neighborhood Improvement Services, and Building Inspections Departments. The Public Works Departmental Budget was discussed next. One of the highlights of this budget is the proposed installation of a traffic signal at the intersection of Mims Road and Ralph Hall Parkway. City council asked staff to try and get the study and installation of this traffic signal completed by December to help alleviate congestion associated with holiday shopping traffic. Discussion also took place related to the city's Main Street Program and downtown.

The city council took no formal action related to the budget discussions at this time.

3. ADJOURNMENT

Mayor Sweet adjourned the meeting at 4:45 p.m.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 15th day of September, 2014.

MINUTES
ROCKWALL CITY COUNCIL
Tuesday, September 02, 2014
4:00 p.m. Regular City Council Meeting
City Hall - 385 S. Goliad, Rockwall, Texas 75087

I. CALL PUBLIC MEETING TO ORDER

II. WORK SESSION

1. HOLD WORK SESSION TO HEAR PRESENTATION FROM JOHN N. CREW, PRESIDENT OF PUBLIC WERKS, INC./TEXAS TURNPIKE CORPORATION, REGARDING THE PROPOSED BLACKLANDS CORRIDOR/NORTH EAST GATEWAY TOLLWAY/ROADWAY AND ASSOCIATED STUDY, AND TAKE ANY ACTION NECESSARY.

Neil Barker with Texas Turnpike Corporation / Public Werks came forward and introduced the following speakers:

- **Steve McCullough, former city manager with City of Irving and recent interim city manager of Irving (now current employee of Public Werks);**
- **Steve Woodruff with Huitt-Zollars, Inc., design engineer, on the project; and**
- **Andy Whitler with Austin Industries, construction advisor on the project.**

Mr. Barker explained that about three years ago, he was looking at an abandoned railroad right-of-way between Greenville and Lavon, and, through the course of several months of conversations, he decided there may be a need for a roadway long this corridor. So, the idea of the "Blacklands Turnpike" was born.

Mayor Sweet asked who Public Werks is, requesting that Mr. Barker further explain this company and the Texas Turnpike Corporation. Regarding the Texas Turnpike Corporation, Mr. Barker explained that for over 100 years in Texas, corporations had the authority to build, own, and operate private toll roads in the state. However, after May of 1991, the State Legislature deemed that doing so would henceforth be a government function but that any corporation formed prior to this time would still be allowed to exist and have authorities that were previously granted. He explained that the Texas Turnpike Corporation was formed just prior to the legislative change that occurred in May of '91. He explained that the Texas Turnpike Corporation is a private entity, not governmental and not quasi-governmental, and it is not financially dependent on taxes or government revenues – in fact the Corporation itself pays taxes. He explained that Public Werks is basically an "operating company" that does infrastructure-related development / P-3 related developments, working with governments to implement solutions for things like water, power, wastewater, transportation and transit type of consulting projects. He indicated that Texas Turnpike Corporation and Public Werks have no formal relationship other than those who work at Public Werks (6 employees), for the most part, are those who own the majority of Texas Turnpike Corporation.

He went on to explain his belief that this abandoned rail line right-of-way may provide a transportation solution to congestion and limited access associated with SH-66, IH-30,

and its bridge. He explained that the North Central Texas Council of Governments (NCTCOG) in Arlington has been doing a feasibility study on the entire corridor to determine what may be needed, transportation wise, in this area. The study is set to wrap up in the next couple of weeks. A public meeting will be held on September 4 for the NCTCOG to present its findings from this feasibility study, which should reflect findings that include bike, pedestrian, arterial improvements and interstate improvements. He believes that the study will show that, if a highway is needed, the best option would be a toll road if the roadway is to be built soon (within / before the next twenty years). He believes it will also show that the NETEX rail line will not be a viable route option for the possible roadway. As a result, potential, alternative routes have been evaluated. He explained that the initial name - "Blacklands Turnpike," which would have been associated with a route along the NETEX rail line, has undergone rebranding. It is now being referred to the "Northeast Gateway."

He indicated that, although they are a private entity, the Texas legislature has placed some controls and rules on them, including those reflected in the TXDOT Administrative Code, which is reflected in the Texas Transportation Code, Chapter 362, which further references a more descriptive list of controls in the Texas Administrative Code, Title 43. He explained that, as part of the rules, a private entity is required to show financial, environmental and technical feasibility to the highway department and the Texas Transportation Commission before being able to seek approval from the Commission to move forward with a project. So, beginning September 4, he explained that his company will begin getting the public involved as the project moves forward.

He explained that when the project was initially looking at the NETEX rail line as a possible route, it was not really affecting the City of Rockwall very much; however, within the last eight weeks or so, since the possible route has shifted a little further south, he has begun meeting with potentially affected cities, such as Rockwall, to start communicating with those city managers and council members about the project. He generally explained that he had 'backed down' from meeting with cities over the last several weeks because he has been allowing time for the NCTCOG to complete its feasibility study and present its findings.

He explained that the Northeast Gateway is a proposed, limited access toll facility from Northeastern Dallas County over into Western/Central Hunt County near the intersection of 1570 and IH-30 in Hunt County all the way over to President George Bush in Dallas. He explained that they are currently working with TXDOT on those feasibility studies to fulfill their administrative duties prior to seeking approval to move forward with this project. He explained that the roadway would be approximately twenty-seven miles, and a couple of different possible routes, within a couple miles of each other, will be shown this afternoon. The need and purpose is being defined by the NCTCOG study. The expected population growth for the area will result in an increase of approximately 219,000 crossing four paths (SH-380, SH-78, SH-66, IH-30) to 386,000 crossing these paths in the year 2035. He generally explained that he feels the projected growth in population and transportation traffic between now and the year 2035 points to the need for a proposed, new roadway in this area. He explained they plan to study the potential environmental impacts on various route options and then choose the option that will have the very least, or no, environmental impact. Some preliminary options for the roadway route have been evaluated, however nothing is set in stone at this point. He indicated that once their study is complete, it will be put forth before the public for their input next year.

Steve Woodruff then came forth and briefed the council on maps he showed concerning the possible routes currently being studied. He explained that engineering and environmental studies will occur simultaneously. Once the two end points (east end of the roadway and west end of the roadway) are established, they will then study various route options to connect the two end points together. The area in between the two end points will be divided up into four segments – Segment A will be from IH-30 over to SH-66; Segment B will be from SH-66 over to the proposed Collin County Outer Loop; Segment C will be from the proposed Collin County Outer Loop over to SH-205; and Segment D will be from SH-205 over to the President George Bush Turnpike. They will use TXDOT design criteria. Residential displacements, cemeteries, schools, airports, and other items will be taken into account when evaluating environmental constraints. They will narrow down the two, preferred alignments, and then those two will be evaluated in more detail from an engineering perspective, resulting in the final, preferred alignment. He then briefly showed maps of four possible alignments that are currently being evaluated. He explained that on September 4 in Lavon, a first public meeting will be held. A second public meeting will be held in November of 2014. In early spring of 2015, a public hearing will be held. Then, in the summer of 2015, they will take their proposal before the Texas Transportation Commission to seek approval of their environmental assessment and route selection. Mr. Barker interjected, explaining that for the November 2014 meetings, two meetings will be held on the eastern part of the corridor, and two meetings will be held on the western side of the corridor to ensure they involve as many people as possible from the public involved in the process. Then, they will do the same for the public hearing in 2015.

Regarding the possibility that the NCTCOG's study results will show that this roadway is in fact needed, Mayor Sweet asked Mr. Barker who would award his company the opportunity to be the one to end up building said roadway. Mr. Barker indicated that no one has picked his company. Instead, his company has chosen this project. Mayor Sweet asked for clarification regarding who will exercise eminent domain on the project. Mr. Barker indicated that the Texas Turnpike Corporation has that authority and would be the one to exercise eminent domain.

Mayor Pro Tem Pruitt asked the presenters to provide maps specifically showing the various proposed route options so that citizens can begin studying them and providing feedback on them. Mr. Barker indicated that the public input portion of the project is only in the beginning stages right now, and nothing, as far as routes are concerned, has been set in stone at this point.

Mayor Sweet warned Mr. Barker that if he does not produce more detail of the potential routes tonight when asked, and then he does so at the meeting in Lavon on Thursday night, all of Rockwall County will be fired up at him. He asked if there is other information concerning routes that he is not telling the city council today. Mr. Barker indicated that, no, there is no additional information concerning routes at this point. He explained that he does not have better map lines right now to show. As the process moves forward, they will be looking at a four hundred foot corridor and will be talking with any and all elected and appointed officials, as well as their constituents, to help produce more detailed map lines in the November timeframe.

Mayor Sweet and Mayor Pro Tem White expressed strong dissatisfaction with the City of Rockwall not having been provided with more details concerning this possible roadway up until this date.

City Manager Rick Crowley indicated that he knows Public Werks has recently met with some other cities to discuss the project. He asked if either one of the two routes in question has been mentioned to the other cities as a "front runner" or one of preference with regards to this roadway. Mr. Barker, after providing brief comments which did not answer Mr. Crowley's question, indicated that, while someone may have given his personal opinion concerning the route options, his company has not officially named any preferred route over the other at this time. Mr. Crowley indicated that Mr. Barker previously stated in his presentation that his company worked for a period of two years to get the NCTCOG and TXDOT "on board." He then asked - to what level are these two entities on 'board' with the routes and the work on the project, and what does 'on board' mean? Mr. Barker stated he cannot speak on behalf of those entities and is not sure if they are "on board" or in agreement with the map that his company's engineers have drawn up. He can say that NCTCOG has said in the last few weeks that, in their analysis of this corridor, a new location is needed, and they actually have some maps on their presentation showing where their engineers think the new roadway would make sense. Mr. Crowley asked if there is a role for an entity such as NTTA if this project moves forward. Mr. Barker indicated that, yes, his company has been meeting with NTTA already to discuss possible collaboration on this project, such as use of toll tags. He stated that his company is working very closely with them.

Councilmember White indicated that he has heard nothing that will change his position on the resolution of opposition recently passed by the Rockwall City Council. He also guessed that a majority of members of the public are not in support of the project or any potential toll road coming through Rockwall.

Councilmember Lewis pointed out that the city does not typically have this many people present at an afternoon work session, so it is evident there is a lot of public interest in this proposed roadway. He stated that he saw in a news report where the first, original route was met with a lot of opposition, so he understands that is why an alternate route is likely now being proposed. He inquired about the company's ability to utilize eminent domain. City Attorney Frank Garza indicated that a private toll company such as this has actually been granted eminent domain authority by the Texas State Legislature and that it has been in existence for many years, at least since the 1990's.

Councilmember Milder asked how much this project is estimated to cost should it come to fruition. Mr. Barker indicated that a ballpark estimate would be 500 million dollars (total construction cost); however, as the plan develops, this estimate may change. Councilmember Milder asked what toll ways in Texas his company has been involved with that have been one hundred percent successful. Mr. Barker stated that the principles of his corporation have been involved as financial advisors in several past projects, including the Addison Toll Tunnel. Councilmember Milder further asked what toll ways in Texas have been entirely privately funded and have been successful. Mr. Barker indicated that there have not been any so far. Councilmember Milder asked what happens if Mr. Barker's private company builds this roadway entirely with private money, but then it is unsuccessful and "goes 'belly up.'" Mr. Steve McCullough of Public Werks Inc. and Texas Turnpike Corporation came forth to answer the question, indicating that an investment grade traffic and revenue study is currently being conducted today by a nationally recognized firm. This will help identify potential, interested, private investors. Any debt or equity that may result (the asset) would first be referred to the investors who may try to recoup their funds by either trying to run it themselves or by trying to sell it to

an entity such as the State of Texas, NTTA or TXDOT or other interested buyer. Regardless, the asset, which will be the built roadway itself, will exist and will remain in place.

Councilmember Daniels indicated that in 2013 the Dallas Morning News reported that in 1991 the Texas Legislature disallowed private toll road companies. He asked city attorney, Frank Garza, to check into this to see if it is factual information or not. He is curious as to the reason(s) why the legislature may have done so.

Councilmember Lewis asked if this roadway could potentially involve foreign investors. Mr. Barker indicated that his company's preference would be Dallas and Texas based companies as far as investors are concerned.

Mayor Pro Tem Pruitt again inquired about more map detail concerning the possible routes being considered.

Mr. Barker indicated that his company does in fact have all of the maps showing satellite imagery overlaid on maps. Mayor Pro Tem Pruitt expressed strongly that he would like to see those maps. Mr. Barker indicated that he wants to open a dialogue with the City of Rockwall and begin working with it and other cities regarding the project as it moves forward. Mayor Pro Tem Pruitt indicated that, until two months ago, this project was not even on the City of Rockwall's radar because it was not believed to be a project that would affect our city – Rockwall thought it would only be affecting Wylie.

Mayor Sweet indicated that, although this meeting is not advertised as a public hearing, he is going to allow and invite two people to come forth and speak – former Rockwall city council member Nell Wellborn and Bob Hall, who may end up being Rockwall's State Senator for District 2, as he is currently the unopposed Republican nominee.

Nell Wellborn
Speaker (former city council member)

Mrs. Wellborn asked for clarification regarding when the feasibility study for the entire corridor will be completed by the North Central TX Council of Governments (NCTCOG). Mr. Barker indicated that it will be completed within a couple of weeks. She indicated she would like to know what options one through eight that may be reflected on this NCTCOG study. Also, she wanted to know what other projects from start to finish has Mr. Barker's actual company (not necessarily its employees or its representatives) been involved with in the past.

Mr. McCullough indicated that the NCTCOG feasibility study will soon be released, and it will reflect recommendations related to bike trails, walking trails, freight, transit, IH-30 improvements, arterial bottleneck improvements (there are a total of nine (9)). He indicated that one of the nine elements of the total study will be a new location, limited access roadway, which is number nine. Mr. McCullough explained that the principal person who founded and legally formed the Texas Turnpike Corporation prior to 1991 when the legislature repealed the ability for new, private toll way corporations to be formed, is named John Crew. Mr. McCullough explained that Mr. Crew is traveling and regrets his inability to be here this evening, but , he did call Mayor Sweet prior to today's meeting. During his career, Mr. Crew has worked for First Southwest Company, has been a financial advisor for many cities in the State of Texas, and was a partner at Dillon

Read for a large part of his career. He has been an investment banker and financial advisor for various cities, counties and states throughout the country had has previously been involved in the financing of the Dallas North Toll way, the Houston Ship Channel Bridge as well as other roadways in the country. Mr. McCullough explained that he was city manager of Irving for thirty years and was heavily involved, from the city perspective, in the President George Bush Toll Road (PGBT) as it was being studied and constructed through that city. He explained it started out as the 161 freeway, but TXDOT ran out of money and was not going to be able to finish that limited access roadway in Mr. McCullough's lifetime. He further explained that at the time, the City of Irving created its own toll way authority, and he recommended to the city council at the time that the City of Irving finish building it as a toll way and own it. He explained that while he and Mr. Crew have been involved in several past projects such as the PGBT, this current company has not yet personally built any privately funded toll roads in the State of Texas to date. This is the first toll way this company is proposing to build. He briefly spoke about eminent domain, acknowledging that he knows this subject matter is controversial; however, almost always, there will be some estate that is contested. Eminent domain is the mechanism that exists to fairly compensate, through a process set by the legislature, affected landowners when public infrastructure is built.

Mayor Pro Tem Pruitt asked the engineering firm if they have already begun trying to gain landowner access to go ahead and start doing surveys of these routes. So, surely, the company must know where the routes may be since homeowners are already being asked for access. Mayor Pro Tem Pruitt indicated that a pretty large subdivision, Breezy Hill, is already going in right now, and the City of Rockwall Council has already approved the zoning for it. Mr. Woodruff indicated that they are working off of photos that were taken in March of 2013; however, they are aware of the Breezy Hill subdivision. Mr. Woodruff indicated that the preliminary routes being shown today are those routes. Mayor Pro Tem Pruitt expressed concern about the city having not been provided with more detailed, proposed or possible route information.

Mr. Crowley indicated that he has been privy to at a couple of past meetings, for example at the NCTCOG, at which representatives from Public Werks / TTC showed much more detailed maps depicting possible routes. Those maps are what the Rockwall City Council is now asking to be provided with at this time. Mr. Woodruff indicated that some maps which may have existed or been shown in the past may now not be applicable due to environmental concerns that have since shown to pose problems with those possible routes. Mr. Crowley indicated that the City of Rockwall has been asked to provide some input regarding possible environmental impacts associated with these routes; however, the city is not able to provide such input without first being provided with more detail concerning the possible routes being proposed.

Mr. Barker indicated that it is quite costly to have the area flown and have accurate maps produced depicting the possible routes. He indicated the company does plan to do so; however, this has not been done yet. At this point, any property owners that have been approached to ask for access to their properties have been asked so that a company representative can go onto those properties in person to gain a better understanding of the physical attributes of the land itself (i.e. topography, contours, creeks, etc.). He assured that no property owners have been asked for access to their property so that a survey can be performed to build a road.

Mr. Crowley asked for Mr. Neil to provide to the City of Rockwall any sort of packets of information or documents that may have already been provided to any Rockwall landowner or resident pertaining to this potential toll road / roadway so that the city is not the last to receive this type of information.

Bob Hall, Republican nominee for State Senate District 2, came forth and posed a series of questions to Mr. Barker. Mr. Hall indicated that the bill, SB18, was passed in 2011 and was a carefully crafted bill that exempted about a dozen or so companies from the constitutional change that was made regarding eminent domain. The way he understands it is that companies under these rules operate under "the old way," which basically means there is no negotiating. Instead, a company likes a piece of property, they pick a price, and they take the property. It is not like the current eminent domain rules that we operate under now. It gives a private company eminent domain authority for a private purpose. He asked Mr. Barker if this project is going to be a private road or a public-private partnership (P3). Mr. Barker indicated that it will be a private partnership only. Mr. Barker agreed with Mr. Hall's inquiry that no state or federal guarantees, no bonds, and no other type of funding that taxpayers could potentially be 'on the hook' for would be utilized – only private funding. Regarding "non-compete clauses," Mr. Hall asked if the company will move forward with the project if a 'non complete clause' is omitted from the project. Mr. Barker indicated that the Texas Turnpike Corporation has not talked about or explored any sort of "non-compete" for this or any other project.

Mr. Hall indicated that every single toll road that has been built in Texas has been advertised as private investment; however, Texas taxpayers have put in about seventy-five percent of the cost of building those roads. He clarified if Mr. Barker's project will be 100% funded without taxpayer money and that there will be no cost to the state. Mr. Barker indicated that Mr. Hall's statement is correct. Mr. Hall indicated that the builders of the 130 were just paid a hundred million dollars in order to bail them out, build traffic up along the road and others around the state. Mr. Hall asked if it is true that this sort of situation will not occur with this particular project. Mr. Barker indicated that his company is not seeking any sort of partnership with the state or any public entity – it will be solely a private venture.

Mr. Barker indicated that he believes Public Werks is fully impacted by SB18, and that his company will have to abide by all of its provisions. He further stated he believes this type of eminent domain authority is the 'newer type.'

Mr. Barker thanked the City Council for its time, apologized for any miscommunication in the past. He asked for a specific point of contact for Rockwall. Mayor Sweet indicated that Mr. Barker should direct any and all communication to Mr. Crowley, the City Manager of Rockwall.

Mayor Sweet then requested that the city secretary read into the public record the contents of a resolution recently (unanimously) passed by the Rockwall City Council. The resolution was read, in its entirety, as follows:

CITY OF ROCKWALL, TEXAS
RESOLUTION NO. 14-15

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROCKWALL,TEXAS, OPPOSING THE

CONSTRUCTION OF THE BLACKLANDS CORRIDOR FREEWAY / TOLLWAY IN THE CITY OF ROCKWALL TEXAS; PROVIDING AN EFFECTIVE DATE.

WHEREAS, The North Central Texas Council of Governments, the Texas Turnpike Corporation, the Texas Department of Transportation, and a private developer have been conducting a study known as the Blacklands Corridor Feasibility Study to assess and recommend a combination of strategies related to local and regional transportation needs; and

WHEREAS, the Blacklands Corridor Study Area includes parts of Collin, Dallas, Hunt, and Rockwall Counties and includes consideration of a new tollway connecting the City of Greenville with the President George Bush Turnpike; and

WHEREAS, the City of Rockwall has attended numerous meetings where the discussion of tollway routing has included numerous routes located in Collin County; and

WHEREAS, subsequent meeting of City of Rockwall representatives with representatives of the private developer have indicated that a new tollway route has been added for consideration which would be located in Rockwall County and partially within the City of Rockwall and its Extra-Territorial Jurisdiction.; and

WHEREAS, no documents indicating the new tollway route were provided to the City of Rockwall at said meeting by the private developer's representatives; and

WHEREAS, indications are that the new route being considered is contrary to the current planning of the City of Rockwall including adopted plans for parks, open space, thoroughfares, land use, and utilities; and

WHEREAS, the City of Rockwall has been requested to offer input related to the environmental impact of the proposed route without having been provided specific information as to the location of the route, thus denying the City of Rockwall the opportunities to adequately assess and respond to potential environmental impact and other possible consequences that such a route may have; and

WHEREAS, the limited information provided about the new route causes great concern;

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the City of Rockwall strongly opposes the new route being considered for the Blacklands Corridor / Freeway which is partially located in Rockwall County and the City of Rockwall and its Extra-Territorial Jurisdiction,

Section 2. That the City of Rockwall urges that detailed, accurate information as to all routes currently under consideration by transportation planners be provided to the City of Rockwall and to all of the cities and counties affected by said routes being considered.

Section 3. That work continue on the study of all alternative solutions that may contribute to meeting the transportation needs with transit options being left to the discretion of local governments, and that the City of Rockwall (and other cities and counties located along all routes being considered) be specifically provided a designated official single point of contact for the purpose of facilitating their involvement in the study as it progresses, and that clarification be provided to those same cities and counties as to the relative roles of the NCTCOG, the Texas Turnpike Corporation, the Texas Department of Transportation, the North Texas Turnpike Authority, the private developer (and its consultants), and any other applicable entities.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 4th day of August, 2014.

At 5:30 p.m., Mayor Sweet read the below listed discussion items into the public record before recessing the meeting into Executive Session:

III. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding City Manager performance evaluation pursuant to Section 551.074 (Personnel Matters).
2. Discussion regarding sale, lease, exchange of real property in the vicinity of Fannin/Heath Street pursuant to Section 551.072 (Real Property).
3. Discussion regarding Economic Development incentives, procedures and possible projects pursuant to Section 551.087 (Economic Development)
4. Discussion regarding the following legal claim: TF-Harbor LLC v. City of Rockwall, Texas and Rockwall Rental Properties L.P. pursuant to Section 551.071 (Consultation with Attorney)
5. Discussion regarding appointment to fill city council member vacancy in accordance with City Charter provisions pursuant to Section 551.074 (Personnel Matters)
6. Discussion regarding appointments to city regulatory boards, commissions, and committees including the Building and Standards Commission, Board of Adjustments, Planning & Zoning Commission and Rockwall Economic Development Corporation pursuant to Section 551.074 (Personnel Matters)
7. Discussion regarding Economic Development prospect pursuant to Section 551.087 (Economic Development)
8. **Addendum item:** Discussion regarding notice of legal claim filed by J. Cooley pursuant to Section 551.071 (Consultation with Attorney)

IV. ADJOURN EXECUTIVE SESSION

Executive Session was adjourned at 5:55 p.m.

V. RECONVENE PUBLIC MEETING (6:00 P.M.)

Mayor Sweet reconvened the public meeting at 6:00 p.m. with all seven city council members present.

VI. TAKE ANY ACTION AS A RESULT OF EXECUTIVE SESSION

Mayor Pro Tem Pruitt indicated that no action as a result of Executive Session was needed.

VII. INVOCATION AND PLEDGE OF ALLEGIANCE – COUNCILMEMBER MILDER

Councilmember Milder delivered the invocation and led the Pledge of Allegiance.

VIII. PROCLAMATIONS / AWARDS

1. Constitution Week

This item was not addressed by city council, as the requestor for this item asked that it be delayed until the September 15 regular council meeting instead.

IX. OPEN FORUM

Mayor Sweet explained how Open Forum is conducted and asked if anyone in the audience would like to come forth and speak at this time. There being no on wishing to come forth, Mayor Sweet then closed the Open Forum portion of the meeting.

X. CONSENT AGENDA

1. Consider approval of the minutes from the August 18, 2014 regular city council meeting, and take any action necessary.

2. Consider approval of an **ordinance** amending the Code of Ordinances in Chapter 44. Utilities; Article V. Water; Division 7; Sec. 44-436 "Stages and Measures" of the Drought Contingency and Water Emergency Response Plan, to provide for certain deletions and changes to these provision in order to comply with requirements of the TX Commission on Environmental Quality (TCEQ), and take any action necessary. **(2nd reading)**

3. **Z2014-020** - Consider approval of an **ordinance** for a request by Bobby and Kimberly Fritts for the approval of a Specific Use Permit (SUP) to allow for a carport that does not meet the minimum setback requirements stipulated by Section 2.1.2, Residential and Lodging Use Conditions, of Article IV, Permissible Uses, of the Unified Development Code [Ordinance No. 04-38] for a 0.31-acre property identified as Lot 27, Block C of the Lynden Park Estates, Phase 4 Addition, zoned Planned Development District 17 (PD-17), addressed as 109 Weston Court, City of Rockwall, Rockwall County, Texas, and take any action necessary. **(2nd Reading)**

4. **MIS2014-009** - Consider approval of an **ordinance** for a City initiated request to amend the Future Land Use Map contained within the Comprehensive Plan, and take any action necessary. **(2nd Reading)**

5. Consider authorizing the City Manager to execute a contract renewal with Weldon's Tree and Lawn Service for grounds maintenance in the amount of $186,000 funded in the General Fund, Parks operating budget, and take any action necessary.

6. Consider approval of an agreement with Rockwall Independent School District for provision of School Resource Officers for the 2014-15 school year, and take any action necessary.

7. Consider approval of an interlocal agreement with the Rockwall Central Appraisal District for property tax collection services, and take any action necessary.

8. **P2014-019** - Consider a request by Brandon O'Donald of Bannister Engineering, LLC on behalf of Mark Hood of Spine Team Texas, PA for the approval of a replat for Lot 21, Block A, Presbyterian Hospital of Rockwall Addition, being a 1.888-acre parcel of land, currently identified as Lot 3, Block A, Presbyterian Hospital of Rockwall Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 9 (PD-9) for general retail land uses, located on the south side of Horizon Road (FM-3097) southeast of the intersection of Horizon Road and Rockwall Parkway, and take any action necessary.

9. **P2014-020** - Consider a request by Matthew Mulliken on behalf of Jennifer Hill of Albright-Hill Properties, LLC for the approval of a replat for Lot 1, Block 1, Albright-Hill Addition, currently identified as Lots D & E, Block 117, B. F. Boydston Addition, City of Rockwall, Rockwall County, Texas, being a 0.75-acre tract on land, zoned General Retail (GR) District, located at the northeast corner of the intersection of S. Goliad Street (SH-205) and St. Mary's Street, and take any action necessary.

10. **P2014-023** - Consider a request by Jay Bedford of A. J. Bedford Group, Inc. on behalf of the owner, Rick Sharp, for the approval of a replat for Lots 4, 5 & 6, Block A, Sharp Addition, being a 6.222-acre parcel of land currently identified as Lot 2, Block A, Sharp Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 46 (PD-46) for commercial land uses, situated within the SH-276 Corridor Overlay (SH-276 OV) District, generally located on the north side of SH-276 east of the intersection of SH-276 and Corporate Crossing (FM-549), and take any action necessary.

Mayor Pro Tem Pruitt pulled item #7 for further discussion. Councilmember White made a motion to approve all other remaining Consent Agenda items (#1, 2, 3, 4, 5 6, 8, 9 and 10). Councilmember Milder seconded the motion. The ordinances were read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 14-35

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE CODE OF ORDINANCES IN CHAPTER 44. UTILITIES; ARTICLE V. WATER; DIVISION 7; Sec. 44-436 "STAGES AND MEASURES" OF THE DROUGHT CONTINGENCY AND WATER EMERGENCY RESPONSE PLAN, TO PROVIDE FOR CERTAIN DELETIONS AND CHANGES TO THESE PROVISIONS; PROVIDING FOR A PENALTY OF A FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE AND A SEPARATE OFFENSE SHALL BE DEEMED COMMITTED ON EACH DAY DURING OR ON WHICH A VIOLATION OCCURS; PROVIDING FOR SEVERABILITY AND REPEALER CLAUSES; PROVIDING FOR AN EFFECTVE DATE.

CITY OF ROCKWALL
ORDINANCE NO. 14-36
SPECIFIC USE PERMIT NO. S-125

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO APPROVE A SPECIFIC USE PERMIT (SUP) WITHIN THE SINGLE-FAMILY RESIDENTIAL (SF-7) DISTRICT TO ALLOW FOR A CARPORT THAT DOES NOT MEET THE MINIMUM SETBACK REQUIREMENTS, FOR A 0.31-ACRE PROPERTY IDENTIFIED AS LOT 27, BLOCK C OF THE LYNDEN PARK ESTATES, PHASE 4 ADDITION, ZONED PLANNED DEVELOPMENT DISTRICT 17 (PD-17), ADDRESSED AS 109 WESTON COURT, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

CITY OF ROCKWALL, TEXAS
ORDINANCE NO. 14-37

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, ADOPTING REVISIONS TO THE COMPREHENSIVE PLAN IN ACCORDANCE WITH THE CITY CHARTER; PROVIDING FOR AN EFFECTIVE DATE.

After the ordinance captions were read, the motion passed by a vote of 7 ayes to 0 nays.

Regarding Consent Agenda item #7, Mayor Pro Tem Pruitt asked staff to evaluate, between now and next year's contract, how much money the City of Rockwall is saving by hiring the Central Appraisal District to collect taxes on behalf of the city. He is concerned about provisions in the contract that allow the CAD to pass on to the city all their fees, including their attorney fees. He also has concerns about the CAD's ability to initiate tax suits without even having to first contact or notify the city. He further expressed concern specifically regarding the attorney fees because the wife of the chief appraiser was previously running the law office that was collecting all of the money for the cities, and he believes that was a conflict of interest. Also, the CAD can set whatever attorney fee rates they wish, with only the chief appraiser approving said fees. He is concerned that the CAD has an unelected person and an unelected board and is essentially a private entity that has no real accountability to anyone. Mayor Pro Tem Pruitt mentioned that a lot of cities in and around Dallas do not contract with the appraisal district for collection of taxes. Pruitt then moved to approve the agreement associated with Consent Agenda item #7. Councilmember White seconded the motion, which passed unanimously of council present (7 ayes to 0 nays).

XI. APPOINTMENTS

1. Appointment with the Planning and Zoning Chairman to discuss and answer any questions regarding cases on the agenda and related issues and take any action necessary.

It was indicated that the chairman was not present because there is nothing on tonight's agenda on which he needs to report. Therefore, no discussion or action took place concerning this agenda item.

2. Appointment with Bill Bricker to request a new zoning classification, and take any action necessary.

Mr. Bricker came forth and expressed that he would like to open and operate a used car lot (indoors, not outdoors at all); however, no appropriate 'use' currently exists under the city's existing zoning categories. He suggested that this new 'use' be allowed in either commercial or industrial zoned areas of the city. He mentioned he has done some preliminary research and believes the state will require him to have a facility that holds five cars, a $25,000 bond, and a small sign (not necessarily out on the street).

Mr. LaCroix, Planning Director, indicated that staff also recently received an inquiry from another, separate businessman in town who would like to sell one used car at a time out of his business via internet-based advertising. He generally indicated that these types of used vehicle businesses are becoming more and more common either through selling out of warehouses or out of residential homes. He suggested the council consider exploring a new 'use' for these types of businesses and consider allowing them through a "Specific Use Permit" (SUP) process. The process would be (1) council direct staff to explore this 'use' and take it before the Planning & Zoning Commission for consideration, and (2) then the recommendations of the P&Z would come back before council at some point for consideration and possible approval.

Councilmember White made a motion to send this concept to the Planning & Zoning Commission to ask them to develop the requirements for a 'land use' and to create the specifications for an SUP process. Councilmember Daniels seconded the motion, which, after brief comments, passed by a vote of 7 ayes to 0 nays.

3. Appointment with Kim Lovett with Eventive Marketing Solutions, representing UCR Asset Services, to request permission to hold a special event (Harbor Auto Show 2014) on the Harbor property on September 20, 2014, and take any action necessary.

Sylvana Garcia Senior Property Manager with USR / representing The Harbor and Kim and Kirk Lovett with Eventive Marketing Solutions introduced themselves to the city council. Ms. Garcia the explained that they would like to hold a small, low-key car show at The Harbor on September 20th. She explained that this would be the fourth year for this car show event and that a part of the proceeds would go to the Rubber Duck Regatta from the classic car registrations. She stated that only about 15-20 vendors would participate, and local dealerships would provide the vehicles for display.

Mayor Pro Tem Pruitt clarified that Mrs. Garcia is actually representing TF Harbor. Pruitt then asked Mrs. Garcia why the City of Rockwall would give TF Harbor something that is discretionary on the city's part when it is currently involved in a lawsuit. He explained that the city has been sued by TF Harbor, a lawsuit which is currently costing city citizens thousands and thousands of dollars every month. Mrs. Garcia indicated that she is not involved in any of that and is simply here to make a request she believes is in the best interest of her tenants. Pruitt indicated he is not in favor of approving this request and would like the property management company to focus on leasing out space at The Harbor so that it doesn't continue looking like a ghost town instead of suing cities. He encouraged her company to start working with the city to try and get something done instead of suing it.

Mayor Sweet indicated that he also would like the property management firm to focus on leasing out space rather than holding some cool events. He encouraged them to take care of leasing out space and let the city continue to focus on special events.

Mayor Pro Tem Pruitt made a motion to deny this request. Councilmember Daniels seconded the motion, which passed by a vote of 7 ayes to 0 nays.

XII. ACTION ITEMS

1. Discuss and consider Christmas planning and decorations for downtown, and take any action necessary.

Mayor Sweet inquired from staff regarding what parts of downtown will be able to be decorated for this upcoming Christmas holiday season. Mr. Crowley indicated that San Jacinto Plaza, for sure, should be complete in time to decorate it for the 2014 Christmas season.

Assistant City Manager Mary Smith indicated that Rib Rub proceeds and proceeds donated through the city's solid waste collection contractor, go into a fund for purchase of such holiday décor.

Councilmember Milder indicated that there are businesses out there that do design work for Christmas lighting. He asked if the city might wish to consider hiring such a company. Assistant City Manager Brad Griggs indicated that this possibility has been explored; however, there is a fairly hefty price tag associated with this possibility.

Councilmember Daniels expressed that he would like whatever décor is utilized on San Jacinto Plaza this year to be something that can be carried over and used in subsequent years. He suggested that staff work on bringing back suggestions to the City Council for consideration at the next city council meeting. Mr. Griggs indicated that staff will evaluate this and bring back recommendations to the September 15th council meeting.

Mr. Griggs gave indication that commercial Christmas decorations are quite costly, as they are expected to last 10-15 years.

The council took no formal action related to this agenda item at this time.

2. Discuss and consider City of Rockwall Fiscal Year 2015 Budget and proposed tax rate, including calling of a Public Hearing and associated dates, and take any action necessary.

City Manager Rick Crowley began discussion of this item, thanking the city council for participating in a budget related work session this past Thursday. He summarized that the drought and lack of water fund revenue is a driving force in the proposed FY15 budget. Based on council input at the budget work session, staff will be evaluating water rate structure options for the council to consider, most likely in the November timeframe.

Mr. Crowley mentioned that Council asked staff to add into the proposed budget three (3) Fire Department Driver positions (full time) and that staff has done so.

He further indicated that an effective tax rate of $ .4955/$100 valuation is being proposed, so the city will not need to advertise and hold a public hearing on the tax rate itself;

however, a public hearing will need to be advertised and held for the budget itself. This public hearing will take place on September 15, 2014. City Attorney Frank Garza has advised that the public hearing may take place at the regular council meeting on September 15, 2014, and that the council will also be able to adopt the budget at that same meeting following the public hearing.

Councilmember Lewis made a motion to call the public hearing concerning the budget and schedule it to be held on September 15, 2014. Councilmember Daniels seconded the motion, which passed by a vote of 7 ayes to 0 nays.

3. Discuss and consider modifications to Article V, District Development Standards, of the Unified Development Code for the purpose of addressing the permissible location of stucco on commercial and industrial buildings not located within an overlay district, and take any action necessary.

Planning Director Robert LaCroix provided background information related to this agenda item. He further explained that the Planning and Zoning Commission has asked for some time now if this correction, of sorts, can be made. Staff is looking for direction from Council concerning this possible amendment to the UDC, which would need to go to through the P&Z for review and recommendation back to the city council.

Councilmember Lewis made a motion to approve moving forward with the modifications to Article V, District Development Standards, of the Unified Development Code for the purpose of addressing the permissible location of stucco on commercial and industrial buildings not located within an overlay district. Councilmember White seconded the motion, which passed by a vote of 7 ayes to 0 nays.

4. Discuss and consider modifications to the composition of the city's Architectural Review Board (ARB), and take any action necessary.

Mr. LaCroix provided background information related to this agenda item, indicating that the city's current requirements regarding the technical expertise and qualifications of those who may be considered for appointment to this board have made it difficult to find qualified applicants to serve. He suggested the council may wish to consider making some modifications to these requirements in order to make it a little easier to appoint good candidates to serve on this board in the future.

Councilmember Milder made a motion to move forward with modifying the composition of the city's Architectural Review Board as suggested by staff (that at least one member shall be a registered architect in the State of Texas. Other members are chosen for qualifications and training in related fields such as landscape architecture, interior or exterior design, municipal planning, municipal government and other professions with related disciplines or civic interest). Councilmember White seconded the motion, which passed by a vote of 7 ayes to 0 nays.

5. Discuss and consider modifications to the city's Animal Adoption Center / Shelter Advisory Committee, and take any action necessary.

Assistant City Manager Brad Griggs provided brief, background information related to this agenda item, explaining that the council may wish to consider modifying the composition of the city's advisory board to mirror the state law requirements.

Mayor Pro Tem Pruitt made a motion to instruct staff to draw up an ordinance making changes to the city's Animal Advisory Board to mirror what State law requires (that the board be composed of at least one licensed veterinarian, one county or municipal official, one person whose duties include the daily operation of an animal shelter, and one representative from an animal welfare organization). Councilmember White seconded the motion. After brief comments, the motion passed by a vote of 7 ayes to 0 nays.

6. Discuss and consider the city's nomination submittal for the Board of Trustees for the TX Municipal League Intergovernmental Risk Pool, and take any action necessary.

Mr. Crowley provided brief background information related to this agenda item, suggesting the council consider the incumbent for Place 4, which is the only contested place on the ballot. Mr. Crowley explained that the incumbent is currently the city manager of Allen, and he believes he has been doing a good job in this role.

Councilmember White made a motion to nominate Mr. Peter Vargas, current City Manager of Allen, TX, for the TML Intergovernmental Risk Pool Board of Trustees. Councilmember Lewis seconded the motion, which passed by a vote of 7 ayes to 0 nays.

7. Discuss and consider appointments to city advisory boards and commissions, and take any action necessary.

Councilmember Milder made a motion to reappoint Kristi Mase and Julien Meyrat to the city's Architectural Review Board (ARB) (for a two-year term to expire in August of 2016). Councilmember White seconded the motion, which passed by a vote of 7 ayes to 0 nays.

Councilmember Townsend made a motion to reappoint Brad Bassett, Kevin Moffatt and Charles Johnson to the city's Park Board (for a two-year term to expire in August of 2016). Councilmember Lewis seconded the motion, which passed by a vote of 7 ayes to 0 nays.

Councilmember Lewis made a motion to reappoint Craig Renfro and Matthew Nielsen to the city's Planning & Zoning Commission (for a three-year term to expire in August of 2017). Councilmember White seconded the motion, which passed by a vote of 7 ayes to 0 nays.

Mayor Sweet made a motion to reappoint Todd White to the Board of Adjustments (for a two-year term to expire in August of 2016). Councilmember White seconded the motion, which passed by a vote of 7 ayes to 0 nays.

Mayor Sweet made a motion to reappoint Eric Chodun to the Building and Standards Commission (for a two-year term to expire in August of 2016). Councilmember White seconded the motion, which passed by a vote of 7 ayes to 0 nays.

XIII. CITY MANAGER'S REPORT TO DISCUSS CURRENT CITY ACTIVITIES, UPCOMING MEETINGS, FUTURE LEGISLATIVE ACTIVITIES, AND OTHER RELATED MATTERS.

1. Departmental Reports
Recreation Monthly Report - July 2014
Building Inspections Monthly Report - July 2014
Fire Dept. Monthly Reports - July 2014

Harbor PD Monthly Report - July 2014
Internal Operations Department Monthly Report - July 2014
Police Department Monthly Report - July 2014
Rockwall Animal Adoption Center Monthly Report - July 2014

2. City Manager's Report

Mr. Crowley indicated that departmental reports have been provided to the city council and that staff is prepared to answer any questions of Council at this time. There being no questions, Mayor Sweet then announced that the City Council will recess the public meeting and convene in Executive Session (at 7:00 p.m.). He then read into the public record the below listed discussion items.

XIV. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding City Manager performance evaluation pursuant to Section 551.074 (Personnel Matters).

2. Discussion regarding sale, lease, exchange of real property in the vicinity of Fannin/Heath Street pursuant to Section 551.072 (Real Property).

5. Discussion regarding appointment to fill city council member vacancy in accordance with City Charter provisions pursuant to Section 551.074 (Personnel Matters)

6. Discussion regarding appointments to city regulatory boards, commissions, and committees including the Building and Standards Commission, Board of Adjustments, Planning & Zoning Commission and Rockwall Economic Development Corporation pursuant to Section 551.074 (Personnel Matters)

7. Discussion regarding Economic Development prospect pursuant to Section 551.087 (Economic Development)

XV. RECONVENE PUBLIC MEETING & TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

Mayor Sweet reconvened the public meeting at 7:43 p.m. with all seven council members present.

Mayor Pro Tem Pruitt made a motion to approve the timetable associated with filling the upcoming city council vacancy and adopt the associated memo from staff concerning those timeframes. Councilmember White seconded the motion, which passed by a vote of 7 ayes to 0 nays.

Councilmember Lewis made a motion to appoint Mike Jusko to the Planning and Zoning Commission to replace Kristen Minth who is termed out (Jusko's term will run through August of 2017). Councilmember White seconded the motion, which passed by a vote of 7 ayes to 0 nays.

XVI. ADJOURNMENT

Mayor Sweet adjourned the meeting at 7:44 p.m.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 15th day of September, 2014.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 9/15/2014

APPLICANT: Chase Finch of Corwin Engineering

AGENDA ITEM: **P2014-018**; Stone Creek Phase VI

Discuss and consider a request by Chase Finch of Corwin Engineering, Inc. on behalf of John Arnold of the Skorburg Company for the approval of a final plat for Stone Creek, Phase VI, containing 76 residential lots on a 26.532-acre tract of land situated within the S. King Survey, Abstract No. 131, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 70 (PD-70) for residential land uses, generally situated south of FM-552 and east of N. Goliad Street (*SH*-205), and take any action necessary.

BACKGROUND INFORMATION:

* The purpose of the final plat is to establish 76 single family lots on a 26.532-acre tract of land for the Stone Creek Phase VI addition. Based on the general lot configuration, the final plat conforms to the approved Preliminary Plat and the dimensional standards established for the Type A lots within PD-70.

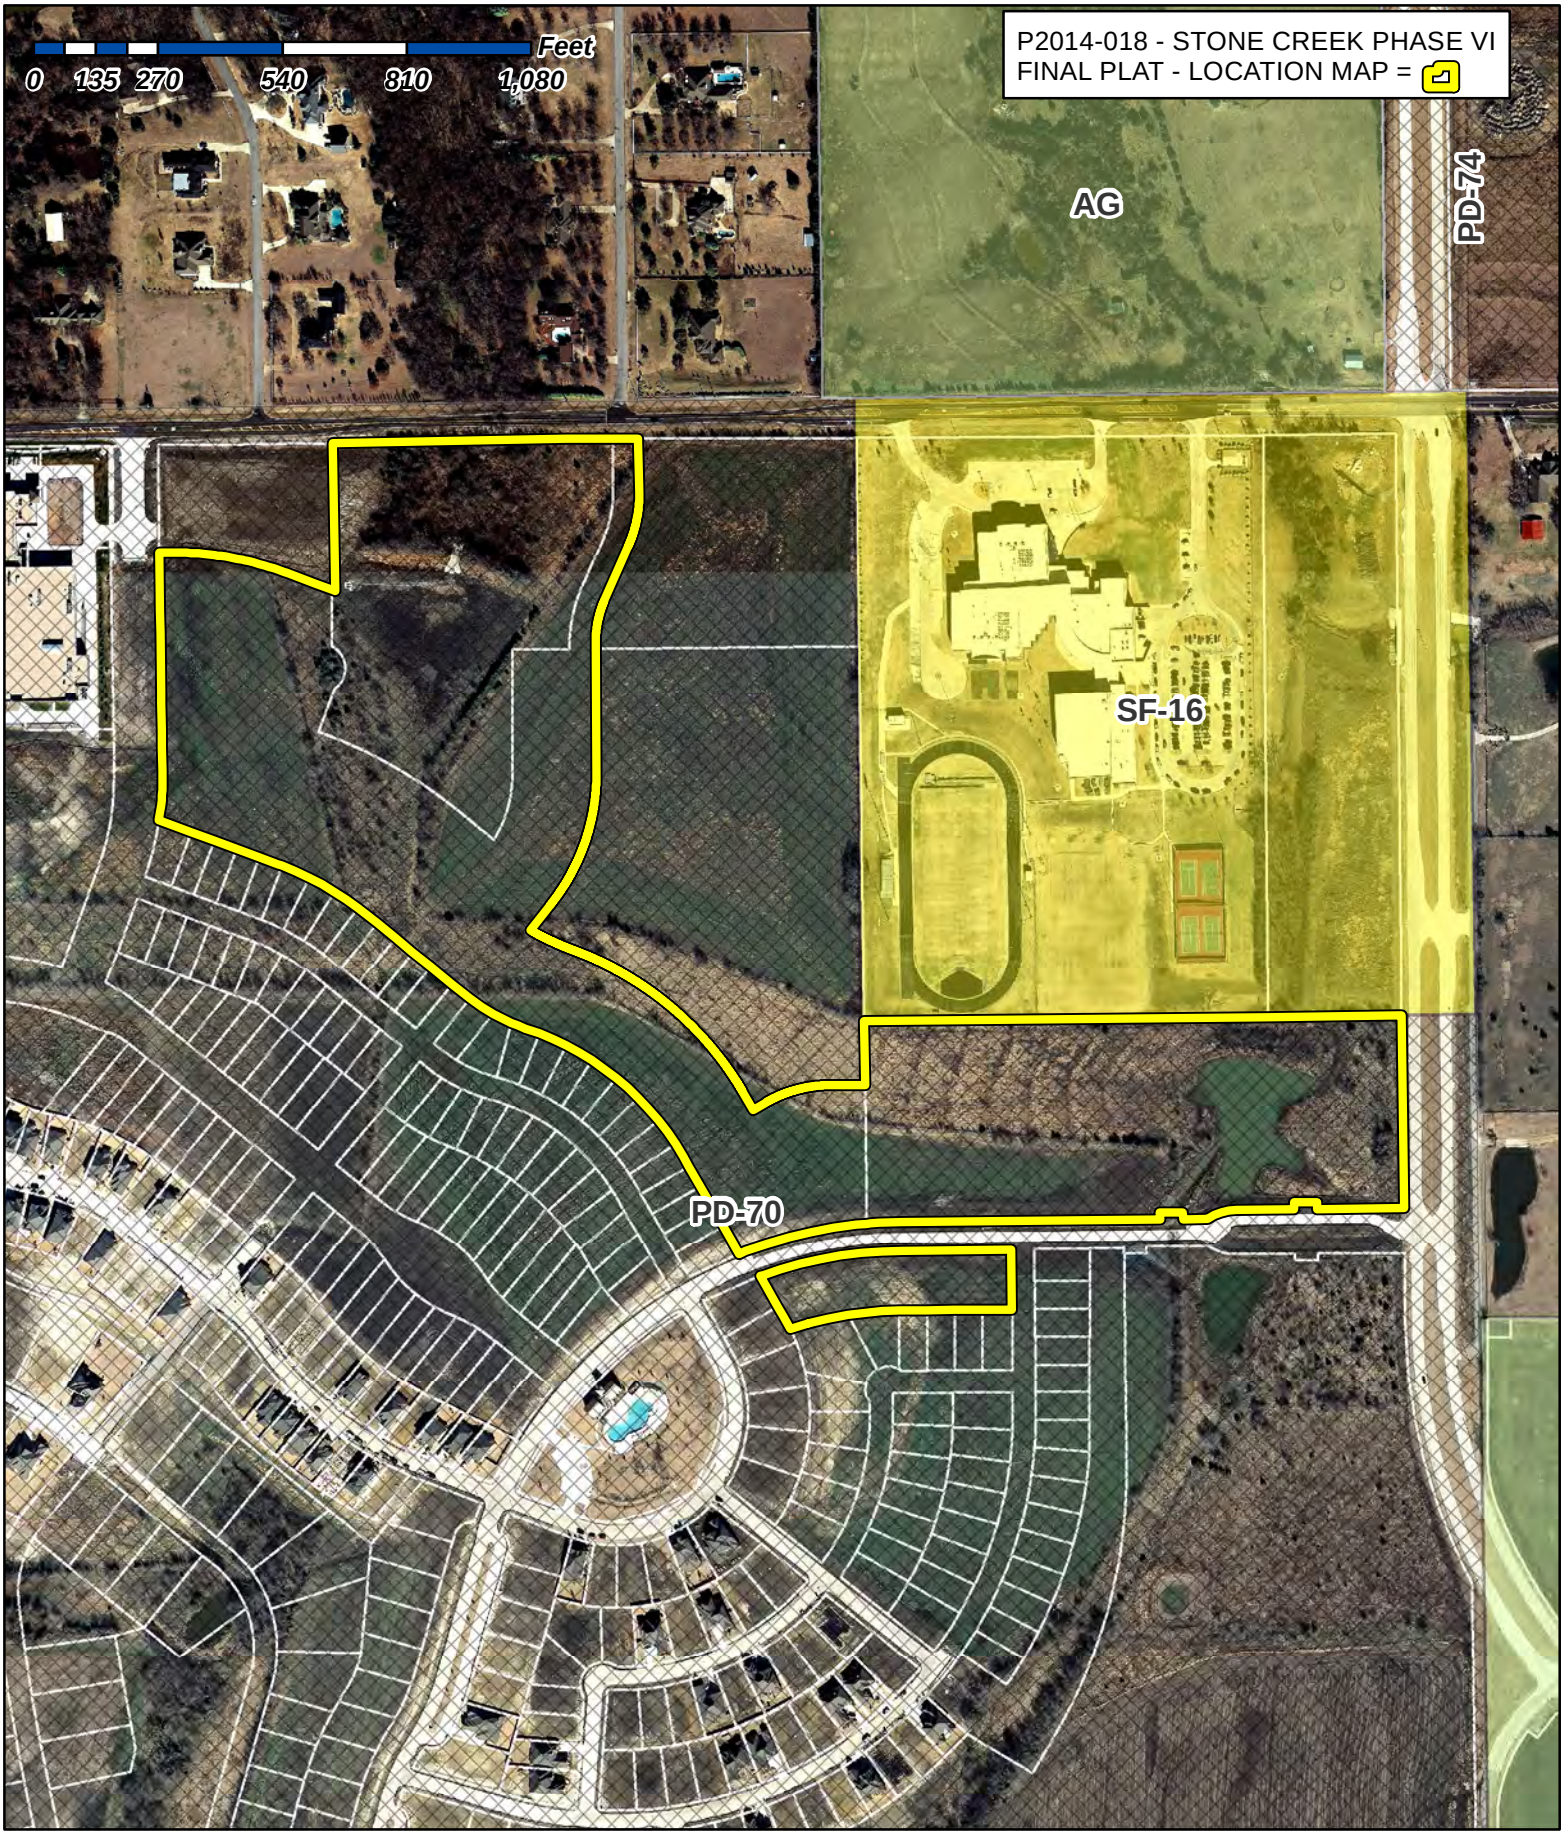
* The Parks Board met on September 3, 2014 and recommended approval of the final plat and will accept a fee simple dedication of approximately 11.35-acres of parkland, with the developer honoring a commitment to install an approximately 9,600 sq. ft. trail at a future date. The developer is to provide a water and electric utility easement on the north side of Featherstone Dr. near the park.

The Stone Creek Phase VI Addition is within Park District No. 5. Parkland dedication for this addition has been met; however, the pro-rata equipment fees of $441 per lot must be collected at the time of final plat approval.

* The Engineer has completed the majority of the technical revisions requested by staff, and this plat is recommended for conditional approval pending the completion of final submittal requirements required for the recordation of the plat with the County.

* Conditional approval of this plat by the City Council shall constitute approval subject to the conditions stipulated in the Recommendation section below.

With the exception of the items listed in the Recommendation section of this case memo, this plat is in substantial compliance with the requirements of the Subdivision Ordinance in the Municipal Code of Ordinances. Also, the final plat meets the minimum requirements of the Planned Development No. 70 (PD-70) district that governs the development.



RECOMMENDATIONS:

Should the plat be approved, staff recommends the following conditions:

1. Adherence to Engineering and Fire Department standards.
2. Provide a letter of agreement from Rockwall Independent School District (RISD) for the approval to remove trees from the RISD site, as indicated on the Tree Survey.
3. Remove the label “City Park” from Lot 6, Block T.
4. Adherence to Parks Board and Parks Department requirements as follows:
    a. Payment of pro-rata equipment fees in the amount of $33,516 is due at the time of final plat approval.
    b. Provide documentation for a simple fee dedication of approximately 11.35-acres of parkland to include the installation of approximately 9,600 sq. ft. of trail. Installation of the trail to commence at a future date (to be determined).
    c. Provide a water and utility easement on the north side of Featherstone Dr.

PLANNING AND ZONING RECOMMENDATION:

On September 09, 2014, the Planning and Zoning Commission recommended approval of the final plat with staff conditions by a vote of 7 to 0.

LEGAL DESCRIPTION

WHEREAS, STONE CREEK SF, LTD. & STONE CREEK BALANCE, LTD., are the owners of a tract of land situated in the W.T. DeWeese Survey, Abstract No. 71 in the City of Rockwall, Rockwall County, Texas, being part of a tract of land as described in Stone Creek Balance LTD., Clerks File No. 2007-00375394 and Stone Creek SF, LTD., Clerks File No. 2007-00375398 in said Deed Records, and being more particularly described as follows:

COMMENCING, at a ¾ inch iron rod found at the northwest corner of Rockwall Middle School No. 4 Addition, an addition to the City of Rockwall, as described in Cabinet F, Page 67, in the Plat Records of Rockwall County, Texas, being in the south line of F.M. 552 (Variable R.O.W.):

THENCE, South 89° 09'25" West, along the south line of said F.M. 552 and being in the north line of said Stone Creek Balance tract, for a distance of 478.00 feet, to the POINT OF BEGINNING:

THENCE, South 00° 49'47" East, departing said north and south lines, for a distance of 106.39 feet, to a ½ inch iron rod set with a yellow cap stamped "Corwin Eng. Inc.", being at the point of curvature of a curve to the right, having a radius of 280.00 feet, a central angle of 24° 26'55", and a tangent of 60.66 feet:

THENCE, along said curve to the right for an arc distance of 119.48 feet (Chord Bearing South 11° 23'40" West - 118.57 feet), to a ½ inch iron rod set with a yellow cap stamped "Corwin Eng. Inc.", being at the point of tangency of said curve:

THENCE, South 23° 37'08" West, for a distance of 130.36 feet, to a ½ inch iron rod set with a yellow cap stamped "Corwin Eng. Inc.", being at the point of curvature of a curve to the left, having a radius of 220.00 feet, a central angle of 24° 00'43", and a tangent of 46.79 feet:

THENCE, along said curve to the left for an arc distance of 92.20 feet (Chord Bearing South 11° 36'46" West - 91.53 feet), to a ½ inch iron rod set with a yellow cap stamped "Corwin Eng. Inc.", at the point of tangency of said curve:

THENCE, South 00° 23'36" East, at 15.60 feet, passing a ½ inch iron rod found at the northwest corner of RISD Elementary School Addition-Lot 1, an addition to the City of Rockwall, as described in Vol. H, Pg. 341-342, in said Plat Records, for a total distance of 282.56 feet, to a ½ inch iron rod set with a yellow cap stamped "Corwin Eng. Inc.", being the point of curvature of a curve to the right, having a radius of 455.00 feet, a central angle of 39° 23'57", and a tangent of 162.91 feet:

THENCE, along the west line of said RISD Elementary School Addition-Lot 1 and with said curve to the right for an arc distance of 312.88 feet (Chord Bearing South 19° 18'22" West - 306.75 feet), to a ½ inch iron rod found with a yellow cap stamped "Corwin Eng. Inc.", being at the point of tangency of said curve:

THENCE, South 39° 00'21" West, continuing along said west line, for a distance of 67.60 feet, to a ½ inch iron rod found with a yellow cap stamped "Corwin Eng. Inc.", at the most westerly southwest corner of said RISD Elementary School Addition-Lot 1, being on a curve to the left, having a radius of 790.00 feet, a central angle of 08° 02'52", and a tangent of 55.57 feet:

THENCE, along the south line of said RISD Elementary School Addition-Lot 1 and with said curve to the left for an arc distance of 110.96 feet (Chord Bearing South 65° 10'13" East - 110.87 feet), to a ½ inch iron rod found with a yellow cap stamped "Corwin Eng. Inc.", at the point of reverse curvature of a curve to the right, having a radius of 710.00 feet, a central angle of 39° 08'51", and a tangent of 252.45 feet:

THENCE, along the south line of said RISD Elementary School Addition-Lot 1 and with said curve to the right for an arc distance of 485.11 feet (Chord Bearing South 49° 37'14" East - 475.73 feet), to a ½ inch iron rod found with a yellow cap stamped "Corwin Eng. Inc.", at the point of tangency of said curve:

THENCE, South 30° 02'48" East, continuing along said south line, for a distance of 41.62 feet, to a ½ inch iron rod found with a yellow cap stamped "Corwin Eng. Inc.", at the most southerly southwest corner of said RISD Elementary School Addition-Lot 1:

THENCE, North 59° 57'12" East, continuing along said south line, for a distance of 30.14 feet, to a ½ inch iron rod found with a yellow cap stamped "Corwin Eng. Inc.", at the point of curvature of a curve to the right, having a radius of 285.00 feet, a central angle of 29° 28'01", and a tangent of 74.95 feet:

THENCE, continuing along said south line and with said curve to the right for an arc distance of 146.57 feet (Chord Bearing North 74° 41'12" East - 144.96 feet), to a ½ inch iron rod found with a yellow cap stamped "Corwin Eng. Inc." at the point of tangency:

THENCE, North 89° 25'13" East, continuing along said south line, for a distance of 77.24 feet, to a ½ inch iron rod found with a yellow cap stamped "Corwin Eng. Inc.", at the southeast corner of said RISD Elementary School Addition-Lot 1:

THENCE, North 00° 35'35" West, along the east line of said RISD Elementary School Addition-Lot 1, for a distance of 130.00 feet, to a ½ inch iron rod found, at the southwest corner of said Rockwall Middle School Tract No. 4 Addition:

THENCE, South 89° 25'13" West, departing said east line and along the south line of said Rockwall Middle School Tract No. Addition, for a distance of 1171.10 feet, to a ½ inch iron rod set at the in the west line of John King Boulevard (120' R.O.W.):

THENCE, South 00° 34'47" East, departing said south line and along the west line of said John King Boulevard, for a distance of 411.00 feet, to a ½ inch rod set at the northeast corner of Featherstone Drive, an addition to the City of Rockwall, as described in Vol. H, Pg. 33, in said Plat Records:

THENCE, South 89° 25'13" West, along the north line of said Featherstone Drive, for a distance of 190.00 feet, to a ½ inch iron rod set with a yellow cap stamped "Corwin Eng. Inc.":

THENCE, North 00° 35'35" West, continuing along said north line, for a distance of 15.00 feet, to a ½ inch iron rod set with a yellow cap stamped "Corwin Eng. Inc.":

THENCE, South 89° 25'13" West, continuing along said north line, for a distance of 50.00 feet, to a ½ inch iron rod set with a yellow cap stamped "Corwin Eng. Inc.":

THENCE, South 00° 35'35" East, continuing along said north line, for a distance of 15.00 feet, to a ½ inch iron rod set with a yellow cap stamped "Corwin Eng. Inc.":

THENCE, South 89° 25'13" West, continuing along said north line, for a distance of 124.99 feet, to a ½ inch iron rod set with a yellow cap stamped "Corwin Eng. Inc.", at the point of curvature of a curve to the left, having a radius of 110.00 feet, a central angle of 34° 10'49" , and a tangent of 33.82 feet:

THENCE, continuing along said north line and with said curve to the left for an arc distance of 65.62 feet (Chord Bearing South 72° 19'48" West - 64.65 feet), to a ½ inch iron rod set with a yellow cap stamped "Corwin Eng. Inc.":

THENCE, South 89° 25'13" West, continuing along said north line, for a distance of 53.21 feet, to a ½ inch iron rod set with a yellow cap stamped "Corwin Eng. Inc.":

OWNER'S CERTIFICATE

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:
STATE OF TEXAS
COUNTY OF ROCKWALL
We the undersigned owner(s) of the land shown on this plat, and designated herein as the STONE CREEK PHASE VI, subdivision to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, water courses, drains, easements and public places thereon shown on the purpose and consideration therein expressed. We further certify that all other parties who have a mortgage or lien interest in the STONE CREEK PHASE VI, subdivision have been notified and signed this plat.

We understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same. We also understand the following:

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of their respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maintaining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, storm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or

Until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer and/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as progress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or

Until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

We further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the Subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; we, our successors and assigns hereby waive any claim, damage, or cause of action that we may have as a result of the dedication of exactions made herein.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 09/15/2014

APPLICANT: Chase Finch; *Corwin Engineering*

AGENDA ITEM: **P2014-021**; *Breezy Hill, Phase III*

SUMMARY:

Discuss and consider a request by Chase Finch of Corwin Engineering, Inc. on behalf of John Arnold of the Skorburg Company for the approval of a final plat for Breezy Hill, Phase III, containing 71 residential lots on a 48.250-acre tract of land situated within the J. Strickland Survey, Abstract No. 187, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 74 (PD-74) for residential land uses, generally situated north of FM-552 in between John King Boulevard and Breezy Hill Lane, and take any action necessary.

PLAT INFORMATION:

- ✓ The Breezy Hill Subdivision is a master planned community that will provide approximately 405-acres of residential and commercial development. The residential subdivision will be composed of 742 single family lots on 371.3-acres of land, and be broken down per the lot mix indicated in Planned Development District 74 (PD-74). The lot mix in this Planned Development District is as follows:

Lot Types	*A*	*B*	*C*	*D*
Typical Lot Frontage *(Feet)*	60	70	80	100
Typical Lot Depth *(Feet)*	120	120	125	200
Minimum Lot Size *(Sq. Ft.)*	7,200	8,400	10,000	20,000
Number of Proposed Units	206	112	326	98
Dwelling Unit %	27.80	15.10	43.90	13.20

- ✓ The purpose of the applicant's submittal is to final plat Phase III of the Breezy Hill Subdivision and layout 71 of the 742 single family lots. Out of the 71 proposed lots 23 will be constructed to the *Type 'B'* standard and 48 will be constructed to the *Type 'C'* standard (*all standards are displayed in the above table*).

- ✓ The proposed final plat conforms to the master plat that was approved by the City Council on October 15, 2012 under *Case No. P2012-029.* It also conforms to the preliminary plat that was approved by the City Council on February 17, 2014 under *Case No. P2014-001*.

- ✓ On September 3, 2014 the Parks Board reviewed the proposed final plat and recommended the following:

    1) The developer pay the pro-rata equipment fees required for *District No. 7* in the amount of $22,649.00 [*71 Lots @ $319.00 Per Lot*].

- ✓ The Treescape Plan provided by the applicant shows an outstanding mitigation requirement of 78-inches. This outstanding balance will be satisfied by the surplus of 173 caliper inches identified in Phase IV of the Breezy Hills Subdivision.

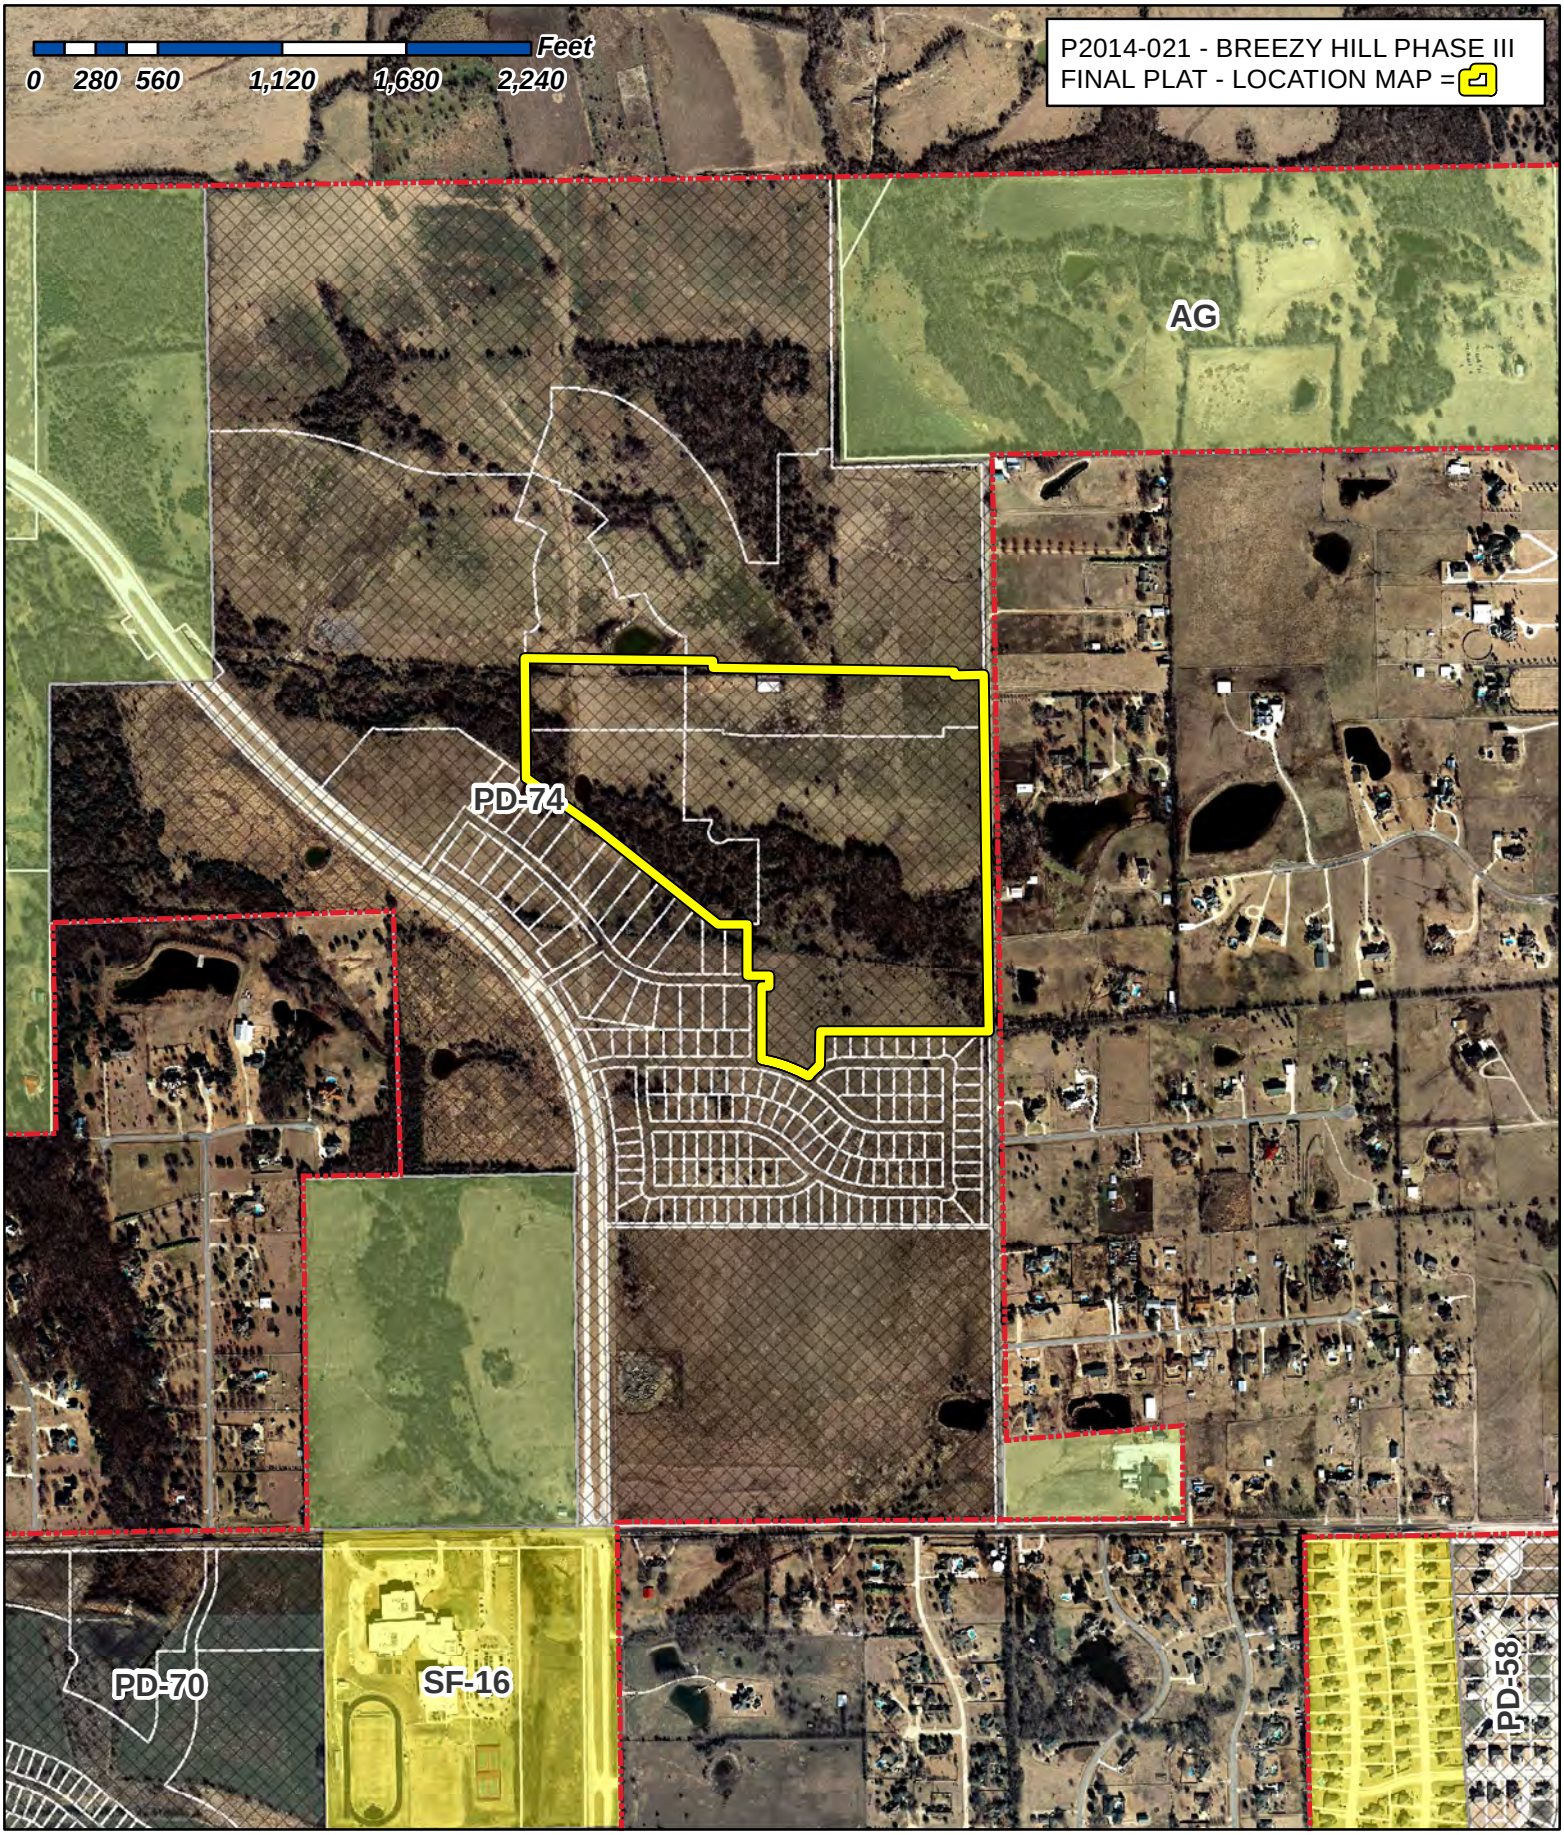
- ✓ The Surveyor has completed the majority of the technical revisions requested by staff, and this plat, conforming to the requirements for final plats as stated in the *Subdivision Ordinance* contained in the Municipal Code of Ordinances, is recommended for conditional approval pending the completion of final technical modifications and submittal requirements.

- ✓ Conditional approval of this plat by the City Council shall constitute approval subject to the conditions stipulated in the *Recommendation* section below.

RECOMMENDATIONS:

If the City Council chooses to approve the *final plat* for *Phases III* of the *Breezy Hill Subdivision* staff would recommend the following conditions of approval:

1) The *final plat* shall conform to all requirements stipulated by the Planning, Engineering and Fire Departments;



2) In conformance with Planned Development District 74 (PD-74) [*Ordinance No. 12-26*] amendments to the *PD Site Plan* approved under *Case No. SP2013-013* shall be submitted and approved administratively prior to the filing of this final plat;

3) The final plat shall conform to the recommendations made by the Parks Board; and,

4) Any construction resulting from the approval of this *final plat* shall conform to the requirements set forth by the Unified Development Code (UDC), the 2009 International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING & ZONING COMMISSION:

On September 9, 2014, the Planning & Zoning Commission recommended approval of the final plat by a vote of 7-0.

LEGAL DESCRIPTION

BEING, a tract of land situated in the J. Strickland Survey, Abstract No. 187 in the City of Rockwall, Rockwall County, Texas, being out of a 405.184 acre tract, as described in Clerks File No. 2007-00375392 in the Deed Records of Rockwall County, Texas and being more particularly described as follows:

BEGINNING, at a ½ inch iron rod set at the northeast corner of a 20.663 acre tract, as described in Document No. 2013-487226, in said Deed Records;

THENCE, North 89° 33'00" West, along the north line of said 20.663 acre tract, for a distance of 794.78 feet, to a ½ inch iron rod set;

THENCE, South 00° 27'00" West, continuing along said north line, for a distance of 152.93 feet, to a ½ inch iron rod set on a non-tangent curve to the left, having a radius of 200.00 feet, a central angle of 20° 54'47", and a tangent of 36.91 feet;

THENCE, continuing along said north line and with said curve to the left for an arc distance of 73.00 feet (Chord Bearing South 46° 38'45" West - 72.60 feet), to a ½ inch iron rod set on a non-tangent curve to the left, having a radius of 640.00 feet, a central angle of 20° 10'05", and a tangent of 113.82 feet;

THENCE, continuing along said north line and with said curve to the left at 120.87 feet, passing the northwest corner of said 20.663 acre tract also being the most easterly northeast corner of a 15.239 acre tract, as described in Clerks File No. 2013-482251 in said Deed Records and continuing with said curve to the left for a total arc distance of 225.28 feet (Chord Bearing North 70° 05'46" West - 224.12 feet), to a ½ inch iron rod set;

THENCE, North 00° 27'00" East, along the east line of said 15.239 acre tract, for a distance of 328.54 feet, to a ½ inch iron rod set on a non-tangent curve to the right, having a radius of 600.00 feet, a central angle of 03° 06'26", and a tangent of 16.27 feet;

THENCE, continuing along said east line and with said curve to the right for an arc distance of 32.54 feet (Chord Bearing South 87° 59'47" East - 32.54 feet), to a ½ inch iron rod set;

THENCE, North 00° 27'00" East, continuing along said east line, for a distance of 50.07 feet, to a ½ inch iron rod set, being the most northerly northeast corner of said 15.239 acre tract, being a point on a curve to the left, having a radius of 650.00 feet, a central angle of 02° 52'05", and a tangent of 16.27 feet;

THENCE, along the north line of said 15.239 acre tract and with said curve to the left for an arc distance of 32.54 feet (Chord Bearing North 88° 06'57" West - 32.53 feet), to a ½ inch iron rod set at the point of tangency;

THENCE, North 89° 33'00" West, continuing along said north line, for a distance of 65.00 feet, to a ½ inch iron rod set at the most northerly northwest corner of said 15.239 acre tract, being in the east line of a 21.857 acre tract, as described in Document No. 2012-467951, in said Deed Records;

THENCE, North 00° 27'00" East, along the east line of said 21.857 acre tract, for a distance of 230.00 feet, to a ½ inch iron rod set at the northeast corner of said 21.857 acre tract;

THENCE, North 89° 33'00" West, along the north line of said 21.857 acre tract, for a distance of 132.35 feet, to a ½ inch iron rod set;

THENCE, North 51° 21'45" West, continuing along said north line, for a distance of 709.84 feet, to a ½ inch iron rod set;

THENCE, North 54° 20'06" West, continuing along said north line, for a distance of 378.48 feet, to a ½ inch iron rod set;

THENCE, North 00° 14'51" East, departing said north line, for a distance of 218.83 feet, to a ½ inch iron rod set

THENCE, South 89° 02'54" East, for a distance of 889.33 feet, to a ½ inch iron rod set;

THENCE, South 00° 57'06" West, for a distance of 15.00 feet, to a ½ inch iron rod set;

THENCE, South 89° 02'54" East, for a distance of 986.35 feet, to a ½ inch iron rod set;

THENCE, North 00° 16'06" East, for a distance of 41.21 feet, to a ½ inch iron rod set;

THENCE, South 89° 43'54" East, for a distance of 244.58 feet, to a ½ inch iron rod set in the east line of said 405.184 acre tract being in Breezy Hill Road;

THENCE, South 00° 17'23" West, along the east line of said 405.184 acre tract and along said Breezy Hill Road, for a distance of 1366.49 feet, to the POINT OF BEGINNING and containing 48.250 acres of land.

OWNER'S CERTIFICATE

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:
STATE OF TEXAS
COUNTY OF ROCKWALL
We the undersigned owner"s" of the land shown on this plat, and designated herein as the BREEZY HILL PHASE 3, subdivision to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, water courses, drains, easements and public places thereon shown on the purpose and consideration therein expressed. We further certify that all other parties who have a mortgage or lien interest in the BREEZY HILL PHASE 3, subdivision have been notified and signed this plat.

We understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same. We also understand the following:

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of their respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maintaining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, storm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or

Until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer and/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as progress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or

Until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

We further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the Subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; we, our successors and assigns hereby waive any claim, damage, or cause of action that we may have as a result of the dedication of exactions made herein.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 09/15/2014

APPLICANT: Chase Finch; *Corwin Engineering*

AGENDA ITEM: **P2014-022**; *Breezy Hill, Phase IV*

SUMMARY:

Discuss and consider a request by Chase Finch of Corwin Engineering, Inc. on behalf of John Arnold of the Skorburg Company for the approval of a final plat for Breezy Hill, Phase IV, containing 51 residential lots on a 29.646-acre tract of land situated within the J. Strickland Survey, Abstract No. 187, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 74 (PD-74) for residential land uses, generally situated north of FM-552 in between John King Boulevard and Breezy Hill Lane, and take any action necessary.

PLAT INFORMATION:

- ✓ The Breezy Hill Subdivision is a master planned community that will provide approximately 405-acres of residential and commercial development. The residential subdivision will be composed of 742 single family lots on 371.3-acres of land, and be broken down per the lot mix indicated in Planned Development District 74 (PD-74). The lot mix in this Planned Development District is as follows:

Lot Types	*A*	*B*	*C*	*D*
Typical Lot Frontage *(Feet)*	60	70	80	100
Typical Lot Depth *(Feet)*	120	120	125	200
Minimum Lot Size *(Sq. Ft.)*	7,200	8,400	10,000	20,000
Number of Proposed Units	206	112	326	98
Dwelling Unit %	27.80	15.10	43.90	13.20

- ✓ The purpose of the applicant's submittal is to final plat Phase IV of the Breezy Hill Subdivision and layout 51 of the 742 single family lots. The 51 proposed lots will be constructed to the *Type 'D'* standard (*all standards are displayed in the above table*). This portion of the development is intended to have a rural aesthetic and will incorporate a street section, which will utilize valley ditches in lieu of curbs that will running adjacent to a 28-foot street section.

- ✓ The proposed final plat conforms to the master plat that was approved by the City Council on October 15, 2012 under *Case No. P2012-029.* It also conforms to the preliminary plat that was approved by the City Council on February 17, 2014 under *Case No. P2014-002*.

- ✓ On September 3, 2014 the Parks Board reviewed the proposed final plat and recommended the following:

  1) The developer pay the pro-rata equipment fees required for District No. 7 in the amount of $16,269.00 [51 Lots @ $319.00 Per Lot], and

2) The developer provides a ten (10') foot walking trail along John King Boulevard per the requirements of Planned Development District 74 (PD-74). *The trail should be buffered by a berm, gap or other method from traffic on John King Boulevard.*

- ✓ The Treescape Plan provided by the applicant shows a total surplus of 173 caliper inches. 78 inches of this surplus will be applied to the mitigation requirements for Phase III of the Breezy Hill Subdivision.

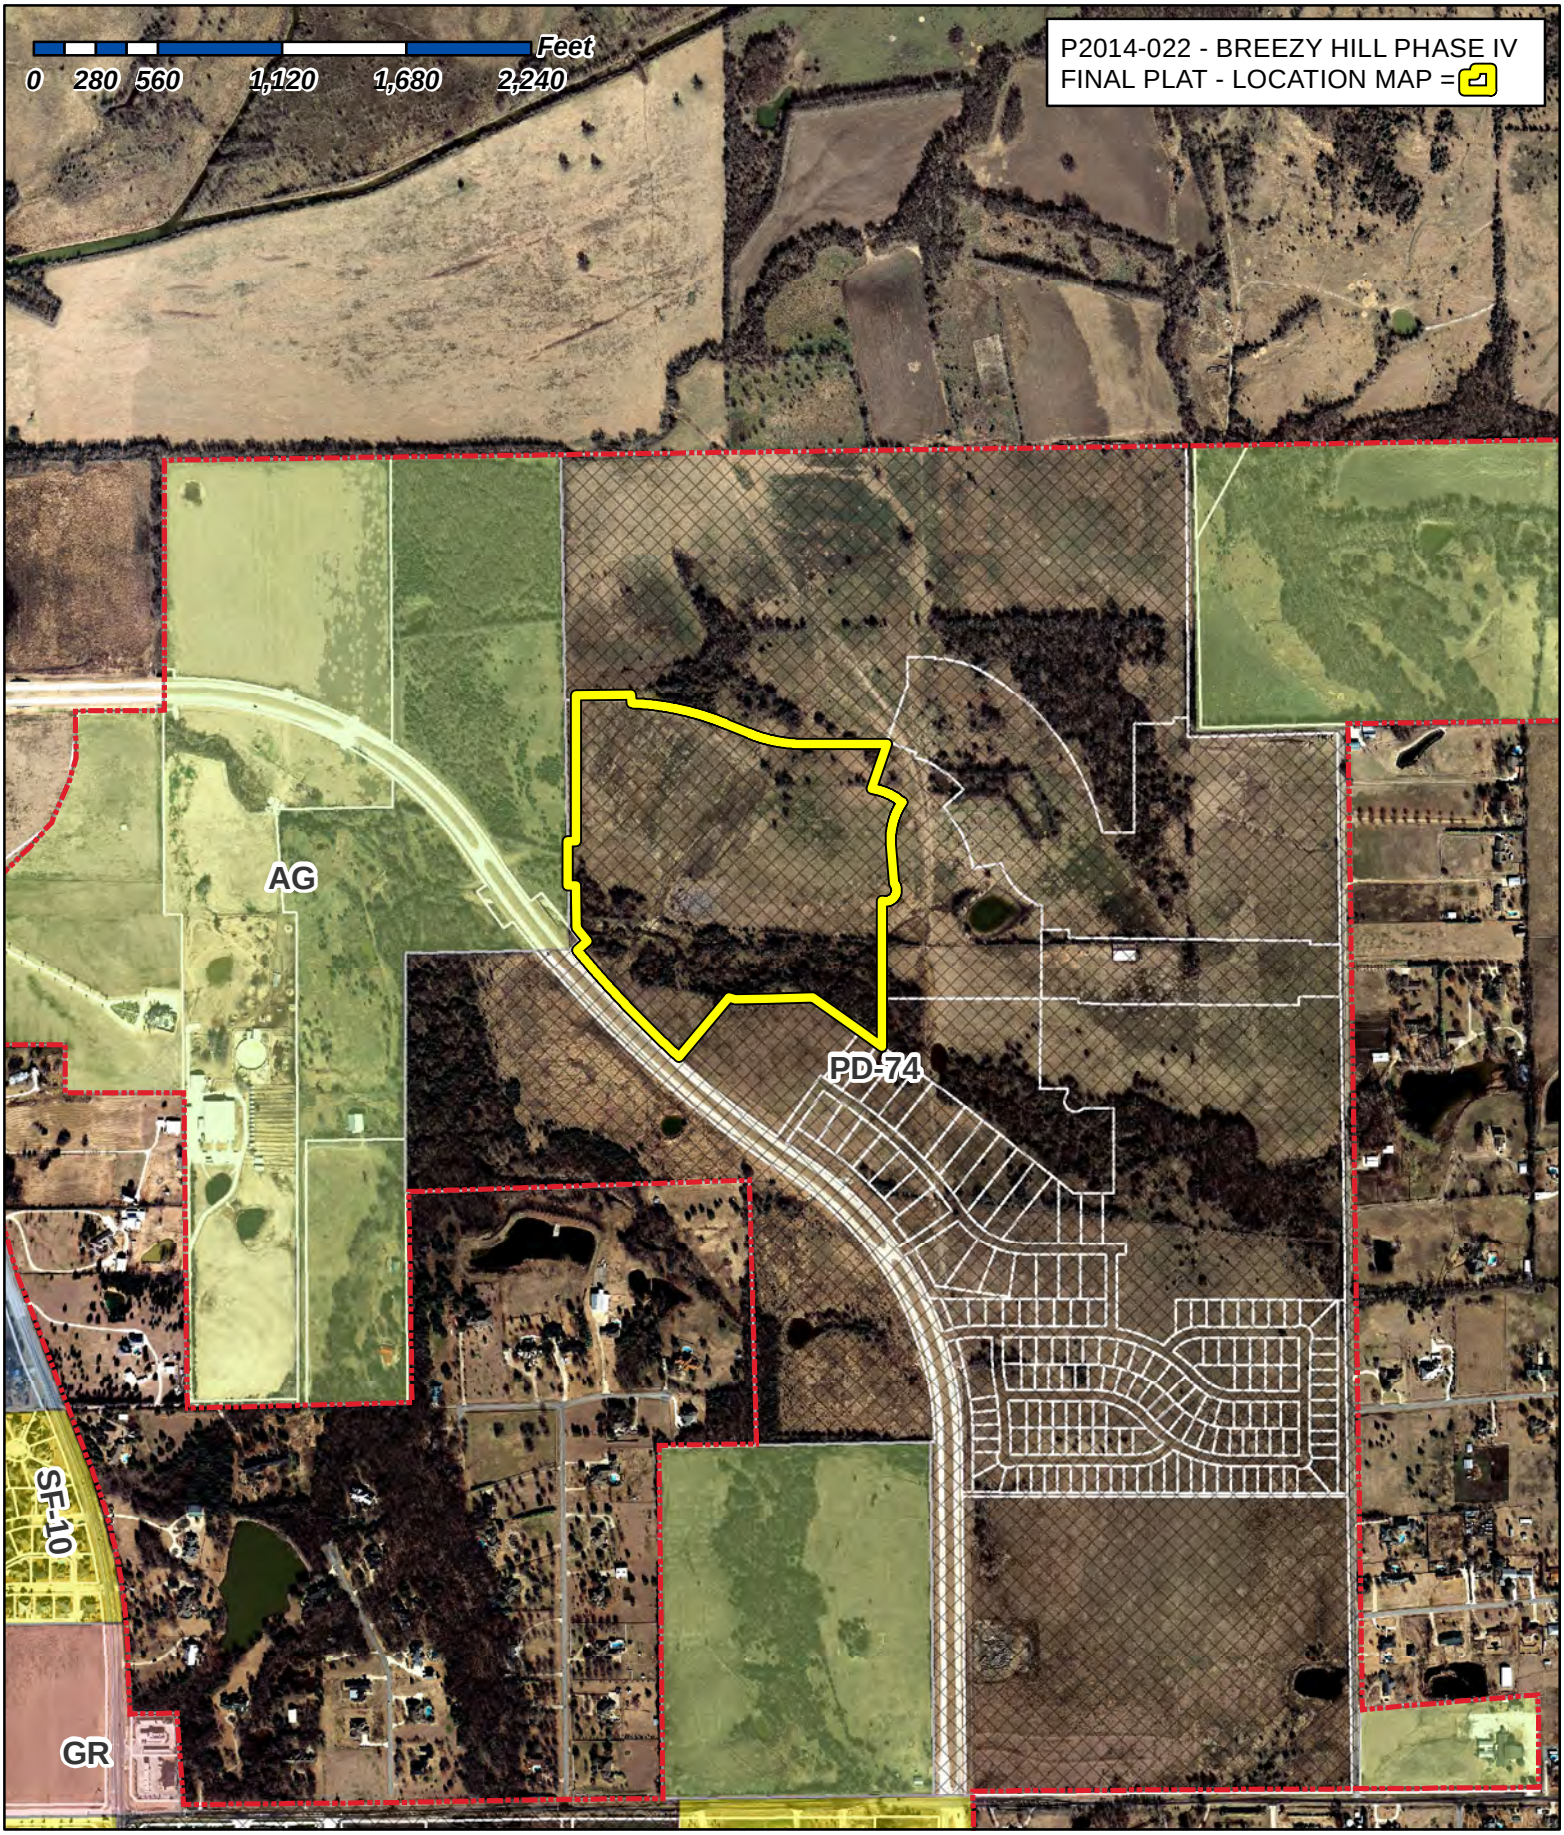
- ✓ The Surveyor has completed the majority of the technical revisions requested by staff, and this plat, conforming to the requirements for final plats as stated in the *Subdivision Ordinance* contained in the Municipal Code of Ordinances, is recommended for conditional approval pending the completion of final technical modifications and submittal requirements.

- ✓ Conditional approval of this plat by the City Council shall constitute approval subject to the conditions stipulated in the *Recommendation* section below.

RECOMMENDATIONS:

If the City Council chooses to approve the *final plat* for *Phases IV* of the *Breezy Hill Subdivision* staff would recommend the following conditions of approval:

1) The *final plat* shall conform to all requirements stipulated by the Planning, Engineering and Fire Departments;



2) In conformance with Planned Development District 74 (PD-74) [*Ordinance No. 12-26*] amendments to the *PD Site Plan* approved under *Case No. SP2013-013* shall be submitted and approved administratively prior to the filing of this final plat;

3) The final plat shall conform to the recommendations made by the Parks Board; and,

4) Any construction resulting from the approval of this *final plat* shall conform to the requirements set forth by the Unified Development Code (UDC), the 2009 International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING & ZONING COMMISSION:

On September 9, 2014, the Planning & Zoning Commission recommended approval of the final plat by a vote of 7-0.

SHEET 1 OF 2

LEGAL DESCRIPTION

BEING, a tract of land situated in the J. Strickland Survey, Abstract No. 187 in the City of Rockwall, Rockwall County, Texas, being out of a 405.184 acre tract, as described in Clerks File No. 2007-00375392 in the Deed Records of Rockwall County, Texas and being more particularly described as follows:

BEGINNING, at a ½ inch iron rod set at the most northerly northwest corner of a 21.857 acre tract, as described in Clerks File No. 2012-467951, in said Deed Records;

THENCE, North 54° 20'06" West, for a distance of 264.77 feet, to a ½ inch iron rod set;

THENCE, South 88° 32'31" West, for a distance of 191.34 feet, to a ½ inch iron rod set;

THENCE, South 89° 29'27" West, for a distance of 156.65 feet, to a ½ inch iron rod set;

THENCE, North 75° 18'52" West, for a distance of 29.78 feet, to a ½ inch iron rod set;

THENCE, South 40° 25'33" West, for a distance of 348.46 feet, to a ½ inch iron rod set in the north line of John King Boulevard (120' R.O.W.), being on a non-tangent curve to the right, having a radius of 4940.00 feet, a central angle of 07° 43'05", and a tangent of 333.23 feet;

THENCE, continuing along said north line and with said curve to the right for an arc distance of 665.45 feet (Chord Bearing North 43° 24'06" West - 664.94 feet), to a ½ inch iron rod set;

THENCE, North 50° 27'27" East, continuing along said north line, for a distance of 60.00 feet, to a ½ inch iron rod set on a non-tangent curve to the right, having a radius of 4880.00 feet, a central angle of 00° 55'23", and a tangent of 39.31 feet;

THENCE, continuing along said north line and with said curve to the right for an arc distance of 78.62 feet (Chord Bearing North 39° 04'52" West - 78.62 feet), to a ½ inch iron rod set in the west line of said 405.184 acre tract;

THENCE, North 00° 06'14" East, departing said north line and with said west line, for a distance of 189.98 feet, to a ½ inch iron rod set on a curve to the left for an arc distance of 600.00 feet, a central angle of 03° 46'15", and a tangent of 19.75 feet;

THENCE, departing said west line and with said curve to the left for an arc distance of 39.49 feet (Chord Bearing North 87° 53'20" West - 39.48 feet), to a ½ inch iron rod set;

THENCE, North 00° 13'32" East, for a distance of 200.00 feet, to a½inch iron rod set in the south line of Life Springs Drive (Variable R.O.W.), an addition to the City of Rockwall, as described in Cab. I, Slide 25, in said Plat Records, being on a curve to the right, having a radius of 800.00 feet, a central angle of 02° 47'48", and a tangent of 19.53 feet;

THENCE, along said south line and with said curve to the left for an arc distance of 39.05 feet (Chord Bearing South 88° 22'34" East - 39.05 feet), to a ½ inch iron rod found being the southeast corner of said Life Springs Drive and being in the west line of said 405.184 acre tract;

THENCE, North 00° 06'14" East, along the west line of said 405.184 acre tract, for a distance of 658.09 feet, to a ½ inch iron rod set;

THENCE, North 89° 53'46" West, departing said west line, for a distance of 250.00 feet, to a ½ inch iron rod set;

THENCE, South 00° 06'14" West, for a distance of 36.78 feet, to a ½ inch iron rod set on a curve to the right, having a radius of 1252.00 feet, a central angle of 20° 11'34", and a tangent of 222.93 feet;

THENCE, along said curve to the right for an arc distance of 441.25 feet (Chord Bearing South 77° 24'55" East - 438.97 feet), to a ½ inch iron rod set at the point of tangency;

THENCE, South 67° 19'07" East, for a distance of 107.05 feet, to a ½ inch iron rod set at the point of curvature of a curve to the left, having a radius of 648.00 feet, a central angle of 26° 26'02", and a tangent of 128.51 feet;

THENCE, along said curve to the left for an arc distance of 253.72 feet (Chord Bearing South 78° 32'08" East - 252.10 feet), to a ½ inch iron rod set at the point of tangency;

THENCE, South 89° 45'09" East, for a distance of 375.92 feet, to a ½ inch iron rod set;

THENCE, South 19° 01'05" West, for a distance of 214.02 feet, to a ½ inch iron rod set on a curve to the right, having a radius of 275.00 feet, a central angle of 26° 00'29", and a tangent of 63.51 feet;

THENCE, along said curve to the right for an arc distance of 124.83 feet (Chord Bearing South 68° 48'15" East - 123.76 feet), to a ½ inch iron rod set at the point of tangency;

THENCE, South 55° 48'00" East, for a distance of 27.09 feet, to a ½ inch iron rod set on a curve to the left, having a radius of 300.00 feet, a central angle of 38° 09'20", and a tangent of 103.75 feet;

THENCE, along said curve to the left for an arc distance of 199.78 feet (Chord Bearing South 15° 07'20" West - 196.11 feet), to a ½ inch iron rod set at the point of tangency;

THENCE, South 03° 57'20" East, for a distance of 176.06 feet, to a ½ inch iron rod set on a non-tangent curve to the right, having a radius of 50.00 feet, a central angle of 149° 07'33";

THENCE, along said curve to the right for an arc distance of 130.14 feet (Chord Bearing South 34° 44'15" West - 96.39 feet), to a ½ inch iron rod set;

THENCE, South 00° 14'51" West, for a distance of 657.23 feet, to a ½ inch iron rod set in the north line of said 21.857 acre tract;

THENCE, North 54° 20'06" West, along the north line of said 21.857 acre tract, for a distance of 119.03 feet, to the POINT OF BEGINNING and containing 41.321 acres of land.

SURVEYOR CERTIFICATE

I, WARREN L. CORWIN, do hereby certify that the plat shown hereon accurately represents the results of an on-the-ground survey made under my direction and supervision and all corners are as shown thereon and there are no encroachments, conflicts, protrusions or visible utilities on the ground except as shown and said plat has been prepared in accordance with the platting rules and regulations of the City Plan Commission of the City of Rockwall, Texas.

DATED the this_____day of _____, 2014.

_____
WARREN L. CORWIN

THE STATE OF TEXAS
COUNTY OF COLLIN

BEFORE ME, the undersigned, a Notary Public in and for the State of Texas, on this day personally appeared WARREN L. CORWIN, known to me to be the person whose name is subscribed to the foregoing instrument and acknowledged to me that he executed the same in the capacity therein stated and for the purposes and considerations therein expressed.

WITNESS MY HAND AND SEAL OF OFFICE, this the_____day of _____, 2014.

_____
Notary Public in and for the State of Texas

OWNER'S CERTIFICATE

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:
STATE OF TEXAS
COUNTY OF ROCKWALL
We the undersigned owners of the land shown on this plat, and designated herein as the BREEZY HILL PHASE 4, subdivision to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, water courses, drains, easements and public places thereon shown on the purpose and consideration therein expressed. We further certify that all other parties who have a mortgage or lien interest in the BREEZY HILL PHASE 4, subdivision have been notified and signed this plat.

We understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same. We also understand the following:

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of their respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maintaining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, storm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or

Until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer and/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as progress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or

Until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

We further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the Subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City: we, our successors and assigns hereby waive any claim, damage, or cause of action that we may have as a result of the dedication of exactions made herein.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley – City Manager**

FROM: **Brad Griggs – Assistant City Manager**

DATE: **September 12, 2014**

SUBJECT: **Animal Adoption Center Advisory Committee Amendment**

As directed by council, the ordinance establishing the Animal Adoption Center Advisory Committee has been revised to reflect compliance with the requirements of V.T.C.A., Health and Safety Code Ch. 823, Standards for Animal Shelters. The revisions related to composition of members are outlined as follows:

(b) The advisory committee must be composed of at least one licensed veterinarian, one county or municipal official, one person whose duties include the daily operation of an animal shelter, and one representative from an animal welfare organization.

CITY OF ROCKWALL

ORDINANCE NO. 14-xx

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE CODE OF ORDINANCES IN CHAPTER 6. ANIMALS; ARTICLE II. ADMINISTRATION; DIVISION 2. ANIMAL ADOPTION CENTER/ADVISORY COMMITTEE; SECTION 6-51. ESTABLISHED; COMPOSITION TO AMEND COMMITTEE MEMBER COMPOSITION IN ACCORDANCE WITH STATE LAW REQUIREMENTS. PROVIDING FOR REPEALING, SAVINGS AND SEVERABILITY CLAUSES; AND PROVIDING FOR AN EFFECTIVE DATE OF THIS ORDINANCE.

WHEREAS, the required composition of committee members; or Section 6-51, has been updated by State Law and the City Council has determined that the current provisions be revised; and

WHEREAS, the City Council has determined that the amendment to the Animal Adoption Center / Shelter Advisory Committee ordinance made herein is in the best interest of the citizens of the City of Rockwall.

WHEREAS, the Department of State Health Services requires a governing body of a county or municipality in which an animal shelter is located to appoint an advisory committee, and

WHEREAS, the goal of the Animal Adoption Center / Shelter Advisory Committee is to assist in complying with the requirements of Chapter 823 of the Health and Safety Code (Standards for Animal Shelters), and

WHEREAS, an Animal Adoption Center / Shelter Advisory Committee shall be established by the City Council to address issues concerning the standards for animal shelters, and

WHEREAS, the advisory committee must be composed of at least one licensed veterinarian, one county or municipal official, one person whose duties include the daily operations of an animal shelter, and one representative from an animal welfare organization.

WHEREAS, state law requires that the Animal Adoption Center / Shelter Advisory Committee will meet a minimum of three times annually to address issues necessary to ensure compliance with the Act;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That an Animal Adoption Center / Shelter Advisory Committee shall hereby be established and comprised of at least one licensed veterinarian, one county or

municipal official, one person whose duties include the daily operations of an animal shelter, and one representative from an animal welfare organization.

Section 2. The rules of order shall be established by the Committee. The Chair of the Committee shall be selected by the Committee members.

Section 3. The Committee will be charged with the responsibility to report annually to the City Council regarding compliance with the requirements of Chapter 823 of the Health and Safety Code (Standards for Animal Shelters). The Committee will also perform other tasks as directed by the City Council.

Section 4. The term of office for those positions appointed by the City Council shall be two years. The initial term of office for the Committee members shall be as follows:

Committee Member	**Initial Term End**
Licensed Local Veterinarian	7-31-07
Municipal Official	7-31-08
Animal Welfare Organization Representative	7-31-07
Rockwall Citizen	7-31-08
Rockwall Citizen	7-31-07
Rockwall Citizen	7-31-08

Section 5. That this Ordinance shall become effective immediately upon passage and approval and it is so resolved.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 6th day of October, 2014.

David Sweet, Mayor

TO: **Honorable Mayor and Council**

FROM: **Jeffrey Widmer, Building Official**

DATE: **September 15, 2014**

SUBJECT: **Resolution amending fee schedule to adjust health relate fees.**

During the current budget preparation process, a determination was made to add a $30 late permit fee for food service establishments that fail to obtain their annual permit prior to their permit expiration date and to raise the existing $100 fee amount for health plan reviews to $150 and the existing $100 child care facility permit fee to $150.

A resolution and exhibit for the schedule of fees have been prepared for Council consideration of adoption.

CITY OF ROCKWALL, TEXAS

RESOLUTION NO. 14-18

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE FEE SCHEDULE FOR PERMITS, REGISTRATIONS, CERTIFICATES, AND CERTAIN RELATED FEES FOR THE CITY OF ROCKWALL, AS DESCRIBED IN EXHIBIT "A" ATTACHED HERETO; PROVIDING FOR AN APPLICATION FEE; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS the City Council has directed the City Manager and staff to conduct cost studies and reviews, from time to time, of various fees and charges of the City of Rockwall, Texas, and submit recommendations to the City Council for review and creation of said fees and charges, as needed; and

WHEREAS, the City Council of the City of Rockwall, Texas, has reviewed the recommendations and has determined that certain fees need to be raised in order to adequately reimburse the City for its costs of administration.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the fees described in the Schedule of Permit, Health and Misc. Fees, attached hereto as Exhibit "A", be required with the submission of all related applications.

Section 2. That this resolution shall take effect immediately upon passage and approval, and it is so resolved.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 15th day of September, 2014

City of Rockwall
The New Horizon

MEMORANDUM

TO: Rick Crowley, City Manager

FROM: Timothy M. Tumulty, Director of Public Works/City Engineer

DATE: August 29, 2014

SUBJECT: IH30 Ramp Reversal Project

The citizens of Rockwall approved the IH30 Ramp Reversal project which was included in the 2012 Bond Program. This project consists of removing and replacing the existing westbound SH 205 exit ramp from IH30 with an entrance ramp and the existing eastbound entrance ramp east at SH 205 with an exit ramp. The project phasing includes the engineering design, right-of-way acquisition, construction and other project related items. The cost to design and construction this project is estimated at $1,310,216.37.

Rockwall County has agreed to participate in the cost of this project. Rockwall County will fund the engineering design phase of the project in an amount of $360,216.37 leaving the remaining amount of $950,000.00 to be funded by the City of Rockwall for the construction. The design will comply with the Texas Department of Transportation (TxDOT) regulations and the project will be bid and constructed through TxDOT administration. Any participation between the County and the City requires the approval of an Interlocal Cooperation Agreement (ICA). A copy of the ICA between our two entities is attached to this memorandum.

Consider approval of the attached Interlocal Cooperative Agreement with Rockwall County to fund the engineering design and construction of the IH30 Ramp Reversal project east of SH 205 including the city's contribution of 950,000.00 toward the total estimated project amount of $1,310,216.37.

THE STATE OF TEXAS §
§
COUNTY OF ROCKWALL §

INTERLOCAL COOPERATION AGREEMENT BETWEEN THE CITY OF ROCKWALL, TEXAS AND ROCKWALL COUNTY, TEXAS

THIS Interlocal Cooperation Agreement ("AGREEMENT") is made and entered into by and between Rockwall County, Texas, a political subdivision of the State of Texas, hereinafter referred to as the "COUNTY," and the City of Rockwall, a political subdivision located within Rockwall County, Texas, duly organized and authorized under the laws of the State of Texas, hereinafter referred to as the "CITY."

WHEREAS, the COUNTY is a duly organized and political subdivision of the State of Texas engaged in the administration of county government and related services for the benefit of the citizens of Rockwall County, Texas; and

WHEREAS, the CITY is a duly organized political subdivision in Rockwall County, Texas engaged in the administration of CITY government and related services for the benefit of the citizens of the area serviced by the CITY; and

WHEREAS, the COUNTY and the CITY intend to enter into this AGREEMENT pursuant to the provisions of Texas Government Code, Chapter 791, "*Interlocal Cooperation Act*" which provides authorization for any local government to contract with one or more local governments for the purpose of performing governmental functions and services under the terms of the Act; and

WHEREAS, the COUNTY proposes to enter into a Local Project Advanced Funding Agreement with the Texas Department of Transportation to develop and replace existing westbound SH 205 exit ramp from IH 30 with an entrance ramp and replace existing eastbound entrance ramp east of SH 205 with an exit ramp, including related design, engineering, right-of-way acquisition, and costs associated therewith at a total estimated construction cost of ONE

MILLION, THREE HUNDRED TEN THOUSAND, TWO HUNDRED SIXTEEN AND 37/100 DOLLARS ($1,310,216.37), which is hereinafter referred to as the "PROJECT," and

WHEREAS, based upon approval of final design and construction plans for the PROJECT and acceptance thereof, the COUNTY intends to contribute funds to TxDOT for the building and construction of the project.

NOW, THEREFORE, the COUNTY and the CITY, for the mutual consideration hereinafter stated, agree and understand as follows:

I.

This AGREEMENT becomes effective when signed by the last party whose signing makes the respective agreements fully executed.

II.

The CITY and the COUNTY hereby agree that the scope of the PROJECT is to develop and replace existing westbound SH 205 exit ramp from IH 30 with an entrance ramp and replace existing eastbound entrance ramp east of SH 205 with an exit ramp, including related design, engineering, right-of-way acquisition, and costs associated therewith. The PROJECT costs are currently estimated to be ONE MILLION, THREE HUNDRED TEN THOUSAND, TWO HUNDRED SIXTEEN AND 37/100 DOLLARS ($1,310,216.37) which includes, but is not limited to, design and construction of the PROJECT.

III.

The COUNTY agrees to contribute and fund THREE HUNDRED SIXTY THOUSAND, TWO HUNDRED SIXTEEN AND 37/100 DOLLARS ($360,216.37) for the completion of the PROJECT.

IV.

The CITY agrees to contribute and fund NINE HUNDRED FIFTY THOUSAND AND NO/100 DOLLARS ($950,000.00) for the completion of the project.

V.

The COUNTY agrees to accept the CITY's contribution toward the PROJECT and forward it to TxDOT for completion of the PROJECT.

VI.

The Texas Department of Transportation (TxDOT) will oversee the construction and acceptance of the PROJECT.

VII.

The CITY understands and agrees that the CITY, its employees, servants, agents, and representatives shall at no time represent themselves to be employees, servants, agents, and/or representatives of the COUNTY.

VIII.

The COUNTY understands and agrees that the COUNTY, its employees, servants, agents, and representatives shall at no time represent themselves to be employees, servants, agents, and/or representatives of the CITY.

IX.

This AGREEMENT represents the entire agreement between the COUNTY and the CITY and supersedes all prior negotiations, representations, and/or agreements, either written or oral for the PROJECT defined herein. This AGREEMENT may be amended only by written instrument signed by the governing bodies of both the COUNTY and the CITY, or those authorized to sign on behalf of those governing bodies.

X.

The validity of this AGREEMENT and of any of its terms or provisions, as well as the rights and duties of the parties hereto, shall be governed by the laws of the State of Texas. Further, this AGREEMENT shall be performable in Rockwall County, Texas.

XI.

In the event that any portion of this AGREEMENT shall be found to be contrary to law, it is the intent of the parties hereto that the remaining portions shall remain valid and in full force and effect to the fullest extent possible.

XII.

The undersigned officer and/or agents of the parties hereto are the properly authorized officials and have the necessary authority to execute this AGREEMENT on behalf of the parties hereto, and each party hereby certifies to the other that any necessary resolutions extending said authority have been duly passed and are now in full force and effect.

XIII.

Pursuant to Texas Government Code §791.011, the Parties hereto agree that the purpose of this AGREEMENT is to ensure that certain governmental function and services in the area of streets, roads, utilities, and drainage are performed. The parties hereto further agree that each of them is authorized to perform the functions and services individually.

XIV.

This AGREEMENT is not intended to extend the liability of the parties beyond that provided for by law. Neither the COUNTY nor the CITY waives, nor shall be deemed hereby to waive, any immunity or defense that would otherwise be available to it against claims arising by third parties.

APPROVAL OF INTERLOCAL COOPERATION AGREEMENT BETWEEN ROCKWALL COUNTY, TEXAS, AND THE CITY OF ROCKWALL, TEXAS

Rockwall County, Texas, acting by and through the Rockwall County Commissioners Court, having been advised of the Project, with a total cost of completion in an amount which shall not exceed ONE MILLION, THREE HUNDRED TEN THOUSAND, TWO HUNDRED SIXTEEN AND 37/100 DOLLARS ($1,310,216.37) herein gives its specific written approval to the Project prior to beginning the Project in satisfaction of Texas Government Code §791.014.

The description of the type of Project to be undertaken is the development and replacement of existing westbound SH 205 exit ramp from IH 30 with an entrance ramp and replacement of existing eastbound entrance ramp east of SH 205 with an exit ramp, including related design, engineering, right-of-way acquisition, and costs associated therewith.

The local government with which the County of Rockwall has contracted is the City of Rockwall.

By vote on this date, the Rockwall County Commissioners Court has approved the Project identified above and authorized execution of this document by the presiding officer on behalf of Rockwall County, Texas.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 9/15/2014

APPLICANT: Inner Urban Homes, Inc.

AGENDA ITEM: **P2014-017;** Chandlers Landing Phase 7

SUMMARY:

Hold a public hearing to discuss and consider a request by Joe Allman of Inner Urban Homes, Inc. for the approval of a replat for Lots 24 & 25, Block A, Chandler's Landing Phase 7 Installment Two Addition, being a 0.49-acre parcel of land currently identified as Lot 23, Block A, Chandler's Landing Phase 7 Installment Two Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 8 (PD-8) for residential land uses, located at 104 Thistle Place, and take any action necessary.

COMMENTS:

- The purpose of this plat is to divide one (1) single-family residential lot into two (2) residential lots and abandon a 10' utility easement located along the side of the lot to the south. The property was originally platted as Lots 4 & 5, Block A, Chandlers Landing Phase 7 Installment Two. It was replatted in 2013 as Lot 23, Block A, Chandlers Landing Phase 7 Installment Two.

- The Engineer has completed the technical revisions requested by staff, and this plat is recommended for conditional approval pending the completion of final technical modifications and submittal requirements required for the recordation by the applicant or owner.

- Conditional approval of this plat by the City Council shall constitute approval subject to the conditions stipulated in the Recommendation section below.

With the exception of the items listed in the Recommendation section of this case memo, this plat is in substantial compliance with the requirements of the Subdivision Ordinance in the Municipal Code of Ordinances.

NOTIFICATION:

Notices were mailed to twenty (20) property owners within 200-ft of the subject property. At this time, one (1) response was returned opposed to the request and one (1) response from Chandler's Landing HOA was returned in favor of the request.

RECOMMENDATIONS:

If the Planning & Zoning Commission and City Council choose to approve the replat for Lot 23, Block A, Chandlers Landing Phase 7 Installment Two, staff offers the following condition of approval:

1) All comments from the Engineering, Planning and Fire Departments shall be addressed prior to the filing of this plat;

2) Any construction resulting from the approval of this replat shall conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING & ZONING COMMISSION:

On September 9, 2014, the Planning & Zoning Commission recommended approval of the replat by a vote of 7-0.

94

STATE OF TEXAS
COUNTY OF ROCKWALL

OWNER'S CERTIFICATE
(Public Dedication)

WHEREAS, INTER URBAN HOMES, INC, BEING the Owners of a tract of land in the County of Rockwall, State of Texas, said tract being described as follows:

BEING all of Lots 4 and 5, Block A, CHANDLERS LANDING, PHASE 7, INSTALLMENT TWO, an Addition to the City of Rockwall, Rockwall County, Texas, according to the Plat thereof recorded in Cabinet A, Slide 234, of the Plat Records of Rockwall County, Texas, and being more particularly described as follows:

BEGINNING at a 1/2" iron rod found for corner in the curving right-of-way line of Thistle Place, a 40 foot radius right-of-way, said point being at the northwest corner of said Lot 4, Block A;

THENCE S. 62 deg. 21 min. 07 sec. E. along the north boundary line of Lot 4, a distance of 138.09 feet to a 1/2" iron rod found for corner;

THENCE S. 12 deg. 04 min. 11 sec. W. along southeast line of Lot 4 and Lot 5, a distance of 158.42 feet to a 1/2" iron rod found for corner at the southeast corner of Lot 5;

THENCE S. 62 deg. 21 min. 07 sec. W. along the south line of Lot 5, a distance of 181.63 feet to a 1/2" iron rod found for corner at the southwest corner of Lot 5;

THENCE N. 27 deg. 38 min. 53 sec. E. a distance of 37.60 feet to a 1/2" iron rod found for corner in the curving south right-of-way line of Thistle Place;

THENCE in a northeasterly direction along a curve to the left having a central angle of 105 deg. 38 min. 37 sec., a radius of 40.00 feet, a tangent of 52.74 feet, a chord of N. 64 deg. 49 min. 24 sec. E., 63.74 feet, along said right-of-way line, an arc distance of 73.75 feet to a 1/2" iron rod found for corner;

THENCE in a northeasterly direction along a curve to the right having a central angle of 29 deg. 18 min. 22 sec., a radius of 147.00 feet, a tangent of 38.44 feet, a chord of N. 02 deg. 38 min. 53 sec. W., 74.37 feet, along said right-of-way line, an arc distance of 75.19 feet to the POINT OF BEGINNING and containing 21,281 square feet or 0.49 acres of land.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

STATE OF TEXAS
COUNTY OF ROCKWALL

We the undersigned owner of the land shown on this plat, and designated herein as FINAL PLAT LOTS 24 & 25, BLOCK A, CHANDLERS LANDING PHASE 7, INSTALLMENT TWO an Addition to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, water courses, easements and public places thereon shown on the purpose and consideration therein expressed. I further certify that all other parties who have a mortgage or lien interest in the subdivision have been notified and signed this plat.

We understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same.

We also understand the following;

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of th eir respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maint aining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, sto rm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or

Until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer an d/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as p rogress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or

Until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

We further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; I, my successors and assigns hereby waive any claim, damage, or cause of action that we may have as a result of the dedication of exaction's made herein.

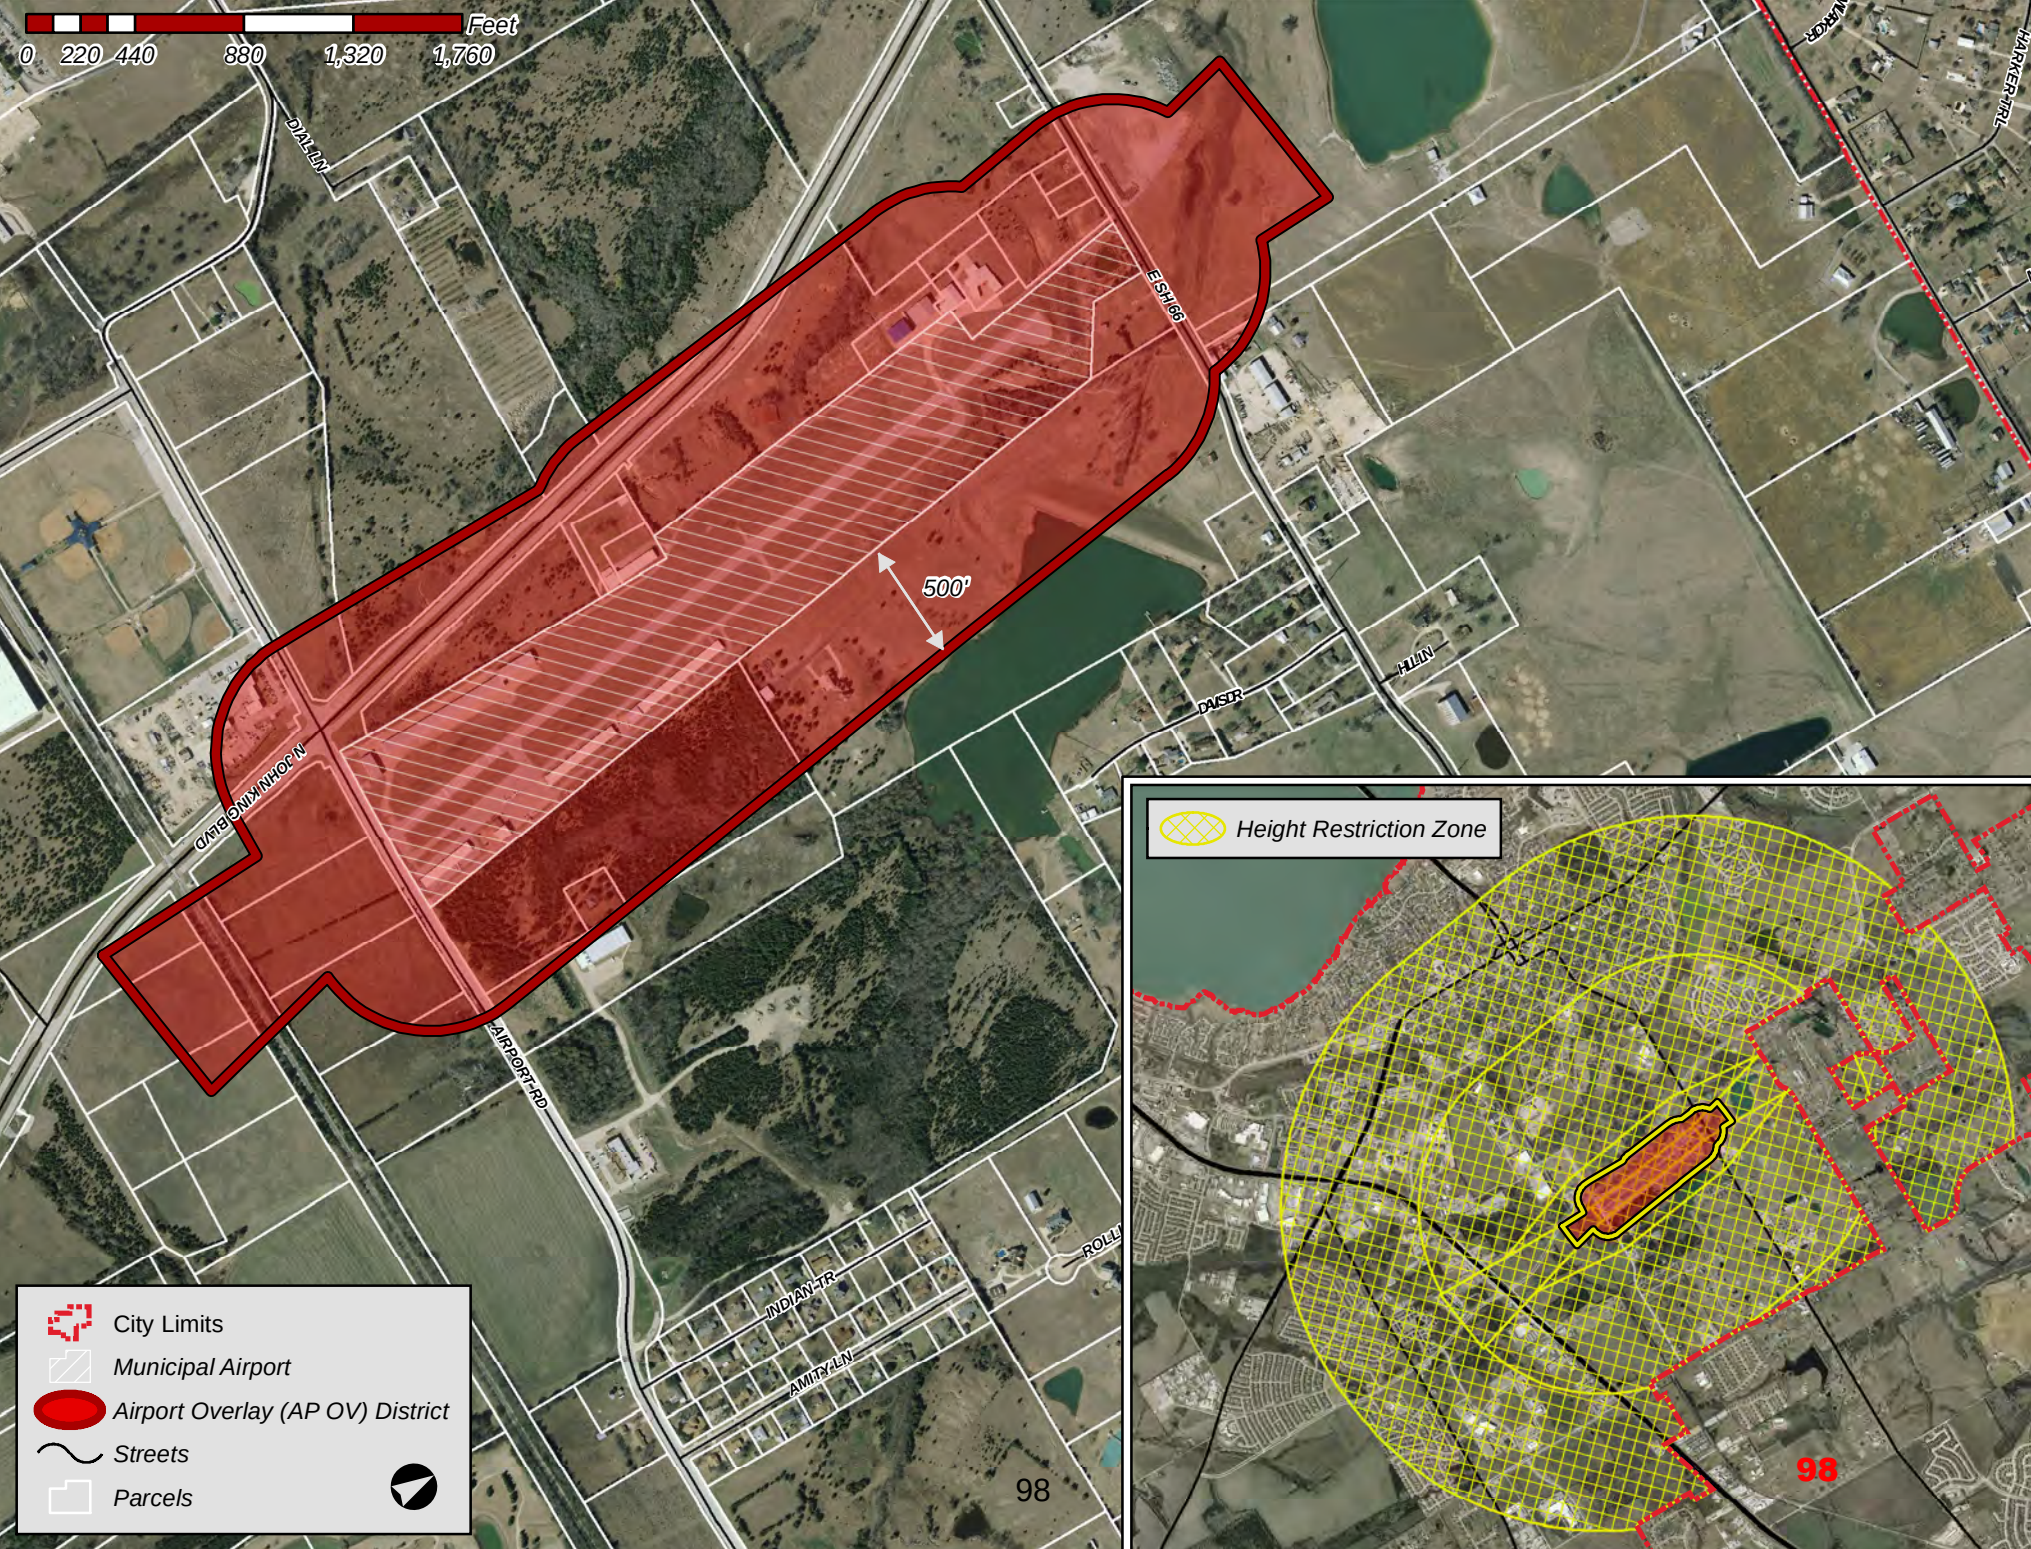
CITY OF ROCKWALL, TEXAS
MEMORANDUM

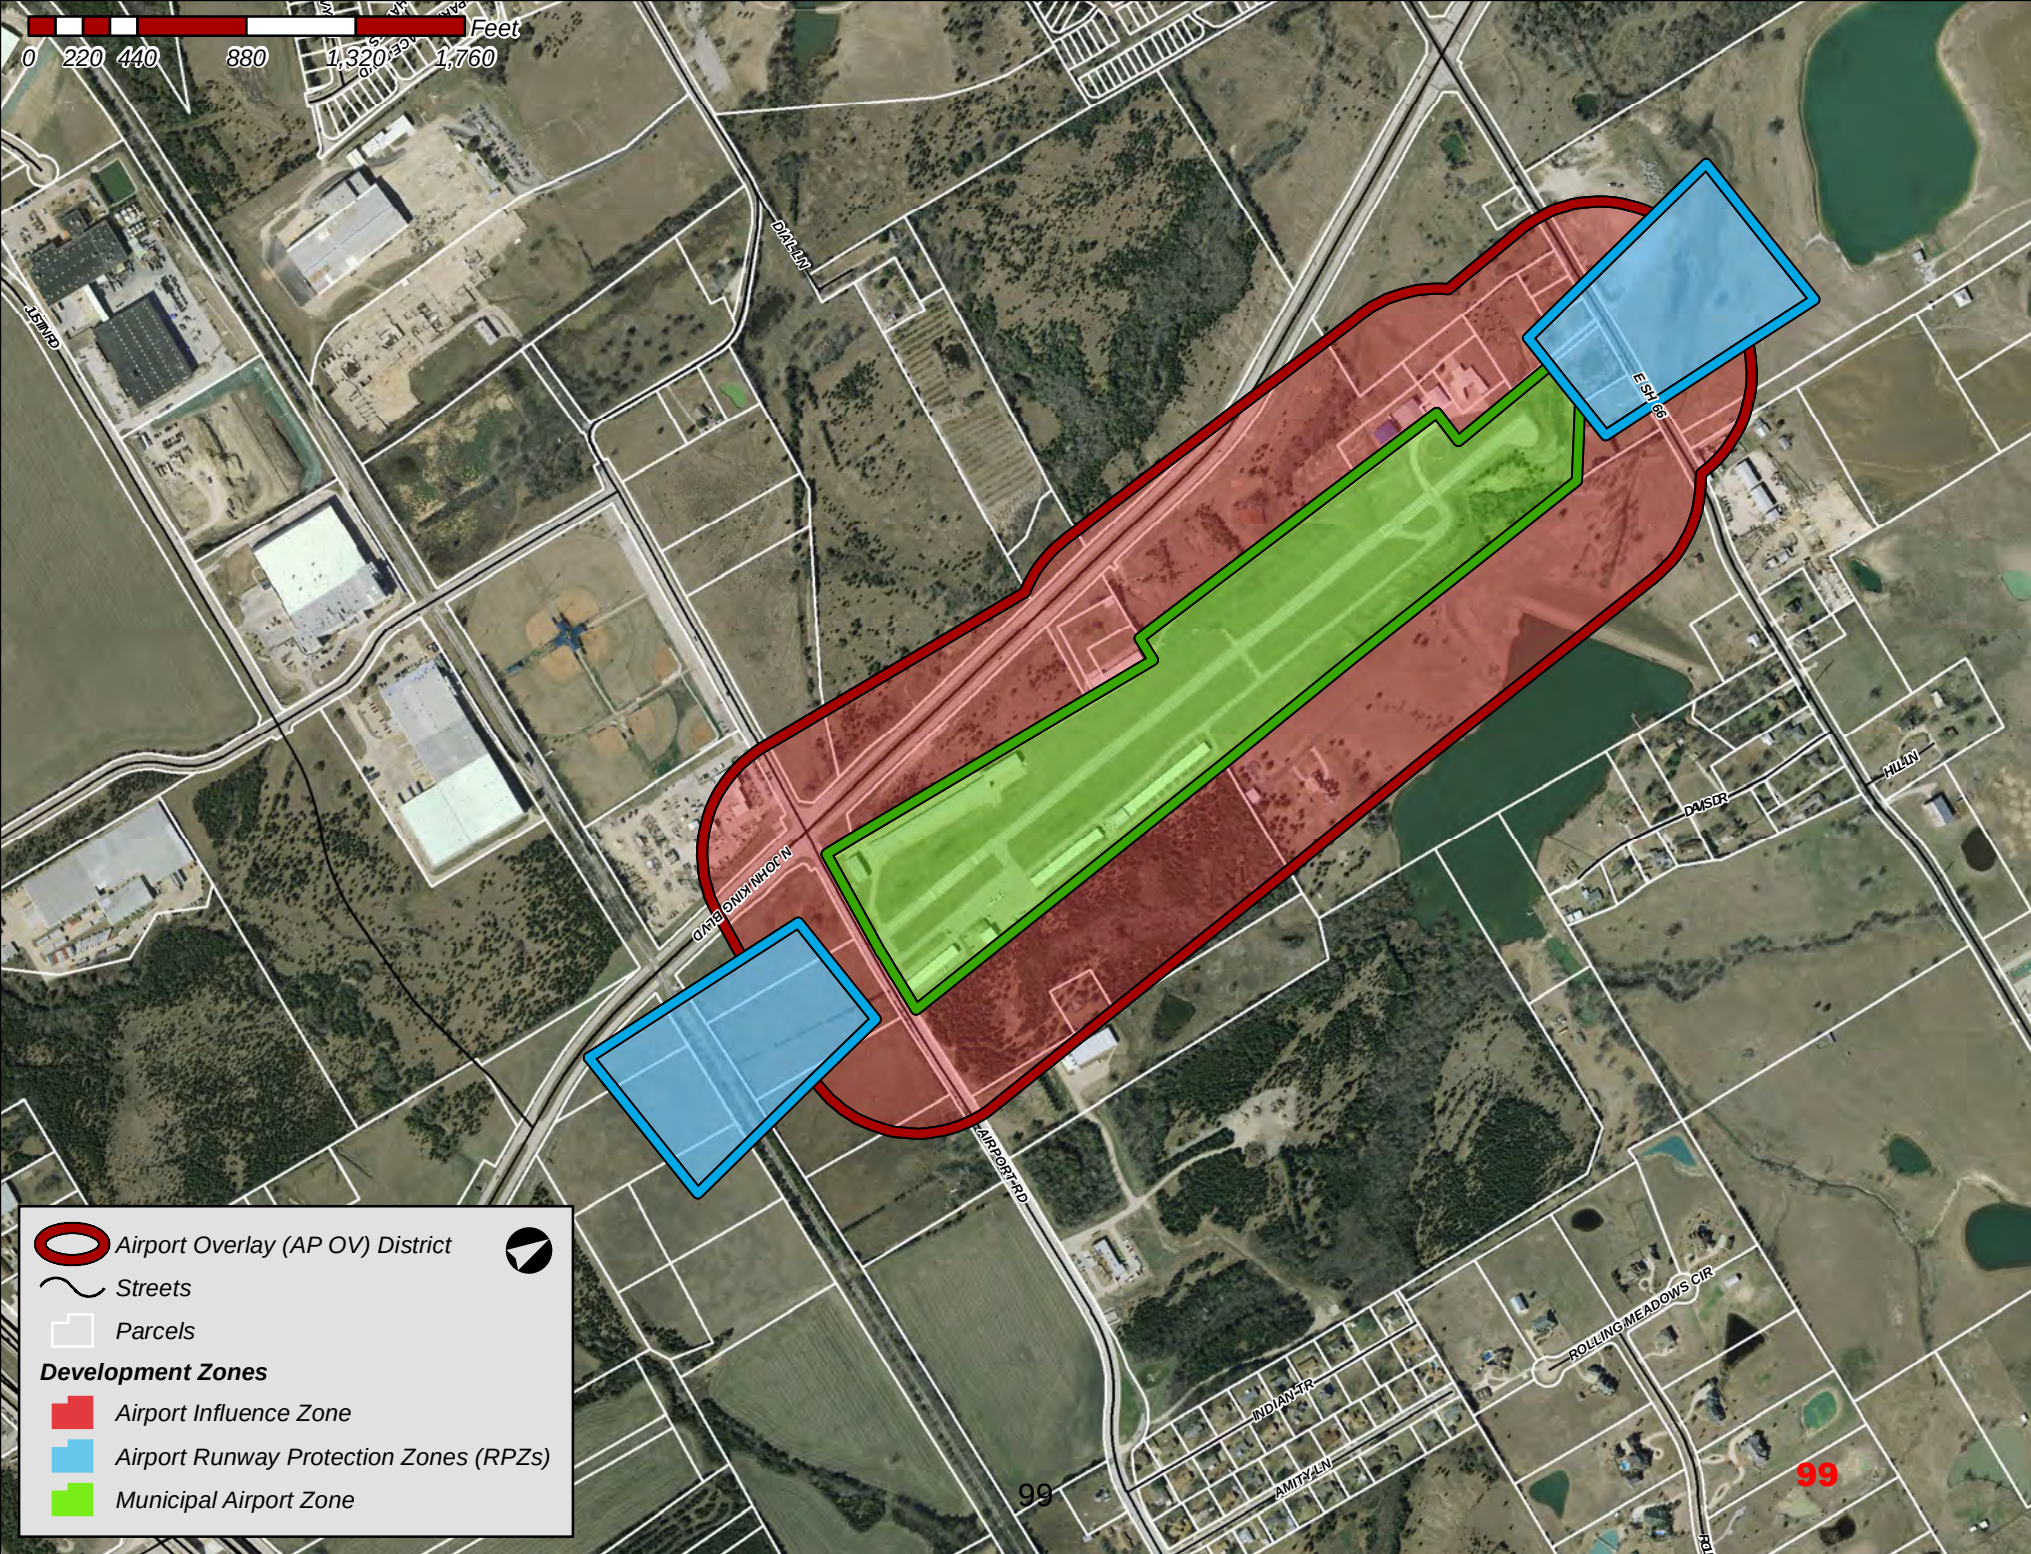
TO: Mayor and City Council

FROM: Ryan Miller, *Planning Manager*

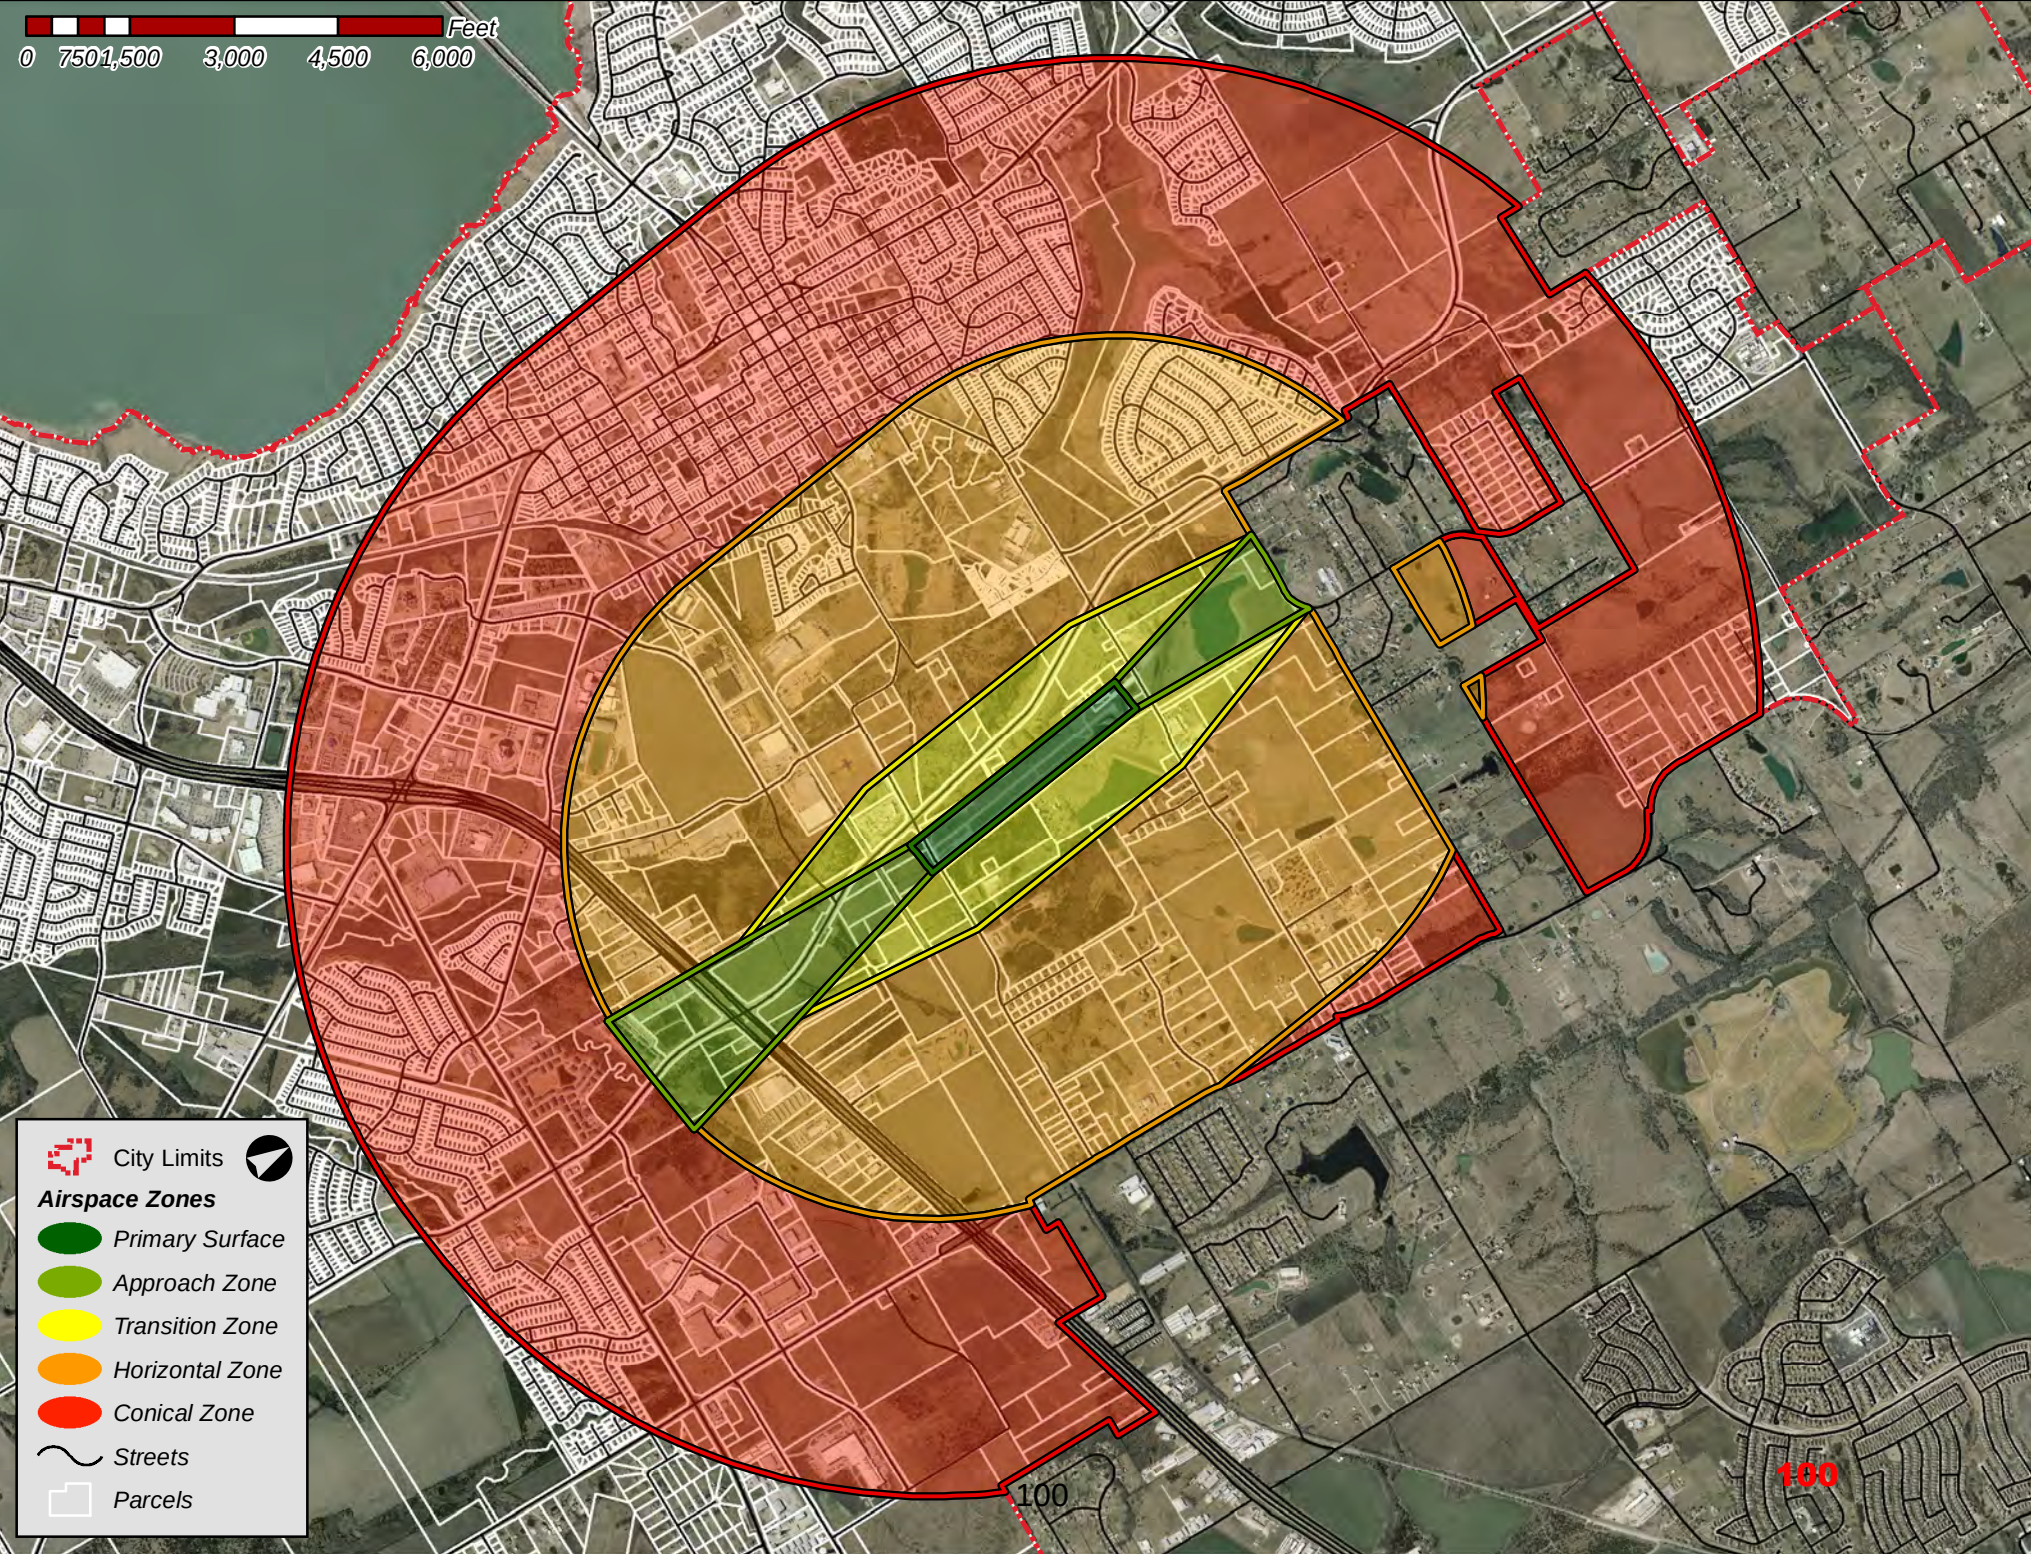
CC: Rick Crowley, *City Manager*
Robert LaCroix, *Director of Planning*



DATE: September 15, 2014



SUBJECT: Z2014-022: Airport Overlay (AP OV) District



At their regularly scheduled meeting on September 9, 2014, the Airport Zoning Commission (*Planning and Zoning Commission*) voted 7-0 to recommend approval of the 500-foot boundary proposed by the Airport Subcommittee, and forward the attached land use regulations and development standards for an Airport Overlay (AP OV) District to the City Council. The document was prepared in accordance with Chapter 241, *Municipal and County Zoning Authority Around Airports*, of the Texas Local Government Code, which enables municipalities to draft land use restrictions for properties adjacent to airports -- which are used in the interest of the general public -- to prevent the creation of an airport hazard (§214.012). In addition, the document has been reviewed by the Aviation Department at the Texas Department of Transportation (TXDOT) for compliance to all applicable standards, and all comments have been addressed.

On August 29, 2014, staff sent out 35 notices to property owners and residents within 500-feet of the subject property. At the time this case memo was drafted staff had received one (1) email in support of the request, one (1) email in opposition to the request, and four (4) notifications returned in opposition of the request. *City staff has no knowledge of any Homeowner's Associations or Neighborhood Organizations located within 1,500-feet of the subject property.* Additionally, Mr. Bill Bricker acting on behalf of Rockwall Property Corporation stated his opposition to the request at the Planning and Zoning Commission meeting on September 9, 2014. Staff has prepared a *For/Against Map* showing all support/opposition to the zoning change. Since the opposition to this case exceeds 20% of the total land area located within the 200-foot buffer, this case will require a ¾-majority vote by the City Council in accordance with the requirements of §211.006 of the Texas Local Government Code.

Should the text amendment be approved, it will be inserted into the UDC as Section 6.16, *Airport Overlay (AP OV) District*, of Article V, *District Development Standards*. This case is a public hearing and staff will be available to answer any questions.

NOTICE OF PUBLIC HEARING
CITY OF ROCKWALL, PLANNING & ZONING DEPARTMENT

PHONE: (972) 771-7745
EMAIL: PLANNING@ROCKWALL.COM

To Whom It May Concern:

You are hereby notified that the City of Rockwall Planning and Zoning Commission and City Council will consider the following application:

Case No. Z2014-022: Airport Overlay (AP OV) District

Hold a public hearing to discuss and consider a City initiated zoning request for the approval of a text amendment to Article V, District Development Standards, of the Unified Development Code [Ordinance No. 04-38] for the purpose of creating and implementing an Airport Overlay (AP OV) District, which will be applicable for the Ralph M. Hall/Rockwall Municipal Airport property, and for all properties located within 500-feet of the airport property and/or located within the Airport's Runway Protection Zones as defined by AC150/5300-13A, Airport Design, of the FAA standards, and take any action necessary.

For the purpose of considering the effects of such a request, the Planning and Zoning Commission will hold a public hearing on **Tuesday, 9/9/2014 at 6:00 p.m.**, and the City Council will hold a public hearing on **Monday, 9/15/2014 at 6:00 p.m.** These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street.

As an interested property owner, you are invited to attend these meetings. If you prefer to express your thoughts in writing please return the form to:

Ryan Miller
Rockwall Planning and Zoning Dept.
385 S. Goliad Street
Rockwall, TX 75087

You may also email your comments to the Planning Department at planning@rockwall.com. If you choose to email the Planning Department please include your name and address for identification purposes.

Your comments must be received by **9/15/2014** to ensure they are included in the information provided to the City Council.

Sincerely,

Robert LaCroix, AICP
Director of Planning & Zoning

Brad Griggs RE: Bobby F. Athey's Aiprort Rd Property right in front of the entrance to airport and all the way back to l/10

mile off I-30 on John King Blvd, back to behind Jackie Athey.
16.44 acres total, for sale for $1.79 sf.

09-02-14

What is the Overlay about if the plans to expand the airport have been called off? I hardly know what to tell our realtor anymore. She wanted us to declare the City's plans before she would sign on to sell it for us and I told her a while back Sherri said you are no longer interested in purchasing our land, as the Airport was not going to be expanded, after keeping us dangling for 2 years that you were interested and had ask us not to sell it to anybody else.
Seems all the damages of that overlay would cost you more than purchasing that property from us out right. Bob is now 80 years old and you know, we do not plan on cutting down any trees or lowering anything. I would think there is some sort of grandfather clause that protect farmers who own land there since 1946 and your airport came in around 1963 and damaged our property considerably ever since . It is not our place to keep you a clear runway view. If you want an airport there, which you told us a few months ago

you did not, you are going to have to purchase our land. I see on line where people are fighting this in other towns and will not let city's even cut down trees that the city already owns. Also city's have clear cut proeprty and left it lay for years. All obviously not good for the citizens, only good for the airport.

Pat

Please place a check mark on the appropriate line below:

☐ I am in favor of the request for the reasons listed below.

☒ I am opposed to the request for the reasons listed below.

NO. This proposed zoning change will place onerous restrictions and cause irreparable harm to our farmland which has been in our family since 1946, long before the airport was there. It appears to be a "back door" attempt to take our property without compensation.

PLEASE RETURN THE BELOW FORM

Case No. Z2014-022: Airport Overlay (AP OV) District

Please place a check mark on the appropriate line below:

☐ I am in favor of the request for the reasons listed below.

☑ I am opposed to the request for the reasons listed below.

The restrictions that this proposed zoning change imposes will greatly restrict what can be built on our property. We will be damaged. I am very much against this zoning change proposal to "Airport Overlay."

Name: Julie Marshall, et al

Address: 1208 S. Broadway Tyler, Tx 75701

Tex. Loc. Gov. Code, Sec. 211.006 (d) **If a proposed change to a regulation or boundary is protested in accordance with this subsection, the proposed change must receive, in order to take effect, the affirmative vote of at least three-fourths of all members of the governing body. The protest must be written and signed by the owners of at least 20 percent of either: (1) the area of the lots or land covered by the proposed change; or (2) the area of the lots or land immediately adjoining the area covered by the proposed change and extending 200 feet from that area.**

NOTICE OF PUBLIC HEARING
CITY OF ROCKWALL, PLANNING & ZONING DEPARTMENT

PHONE: (972) 771-7745
EMAIL: PLANNING@ROCKWALL.COM

To Whom It May Concern:

You are hereby notified that the City of Rockwall Planning and Zoning Commission and City Council will consider the following application:

Case No. Z2014-022: Airport Overlay (AP OV) District

Hold a public hearing to discuss and consider a City initiated zoning request for the approval of a text amendment to Article V, District Development Standards, of the Unified Development Code [Ordinance No. 04-38] for the purpose of creating and implementing an Airport Overlay (AP OV) District, which will be applicable for the Ralph M. Hall/Rockwall Municipal Airport property, and for all properties located within 500-feet of the airport property and/or located within the Airport's Runway Protection Zones as defined by AC150/5300-13A, Airport Design, of the FAA standards, and take any action necessary.

For the purpose of considering the effects of such a request, the Planning and Zoning Commission will hold a public hearing on **Tuesday, 9/9/2014 at 6:00 p.m.**, and the City Council will hold a public hearing on **Monday, 9/15/2014 at 6:00 p.m.** These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street.

As an interested property owner, you are invited to attend these meetings. If you prefer to express your thoughts in writing please return the form to:

Ryan Miller
Rockwall Planning and Zoning Dept.
385 S. Goliad Street
Rockwall, TX 75087

You may also email your comments to the Planning Department at planning@rockwall.com. If you choose to email the Planning Department please include your name and address for identification purposes.

Your comments must be received by **9/15/2014** to ensure they are included in the information provided to the City Council.

Sincerely,

Robert LaCroix, AICP
Director of Planning & Zoning

CITY OF ROCKWALL

ORDINANCE NO. 14-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, BY ADDING SECTION 6.16, *AIRPORT OVERLAY (AP OV) DISTRICT*, OF ARTICLE V, *DISTRICT DEVELOPMENT STANDARDS*; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, an amendment to the City of Rockwall Unified Development Code [*Ordinance No. 04-38*] has been initiated by the City Council of the City of Rockwall to add Section 6.16, *Airport Overlay (AP OV) District*, of Article V, *District Development Standards*; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the city's corporate boundaries, and the governing body in the exercise of its legislative discretion, has concluded that the Unified Development Code [*Ordinance No. 04-38*] should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That Section 6.16, *Airport Overlay (AP OV) District*, shall be added to Article V, *District Development Standards*, of the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, as heretofore amended, be and the same is hereby amended as specifically described in *Exhibits 'A'* of this ordinance.

Section 2. That any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *Two Thousand Dollars* ($2,000.00) for each offense and each and every day such offense shall continue shall be deemed to constitute a separate offense;

Section 3. That any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *Two Thousand Dollars* ($2,000.00) for each offense and each and every day such offense shall continue shall be deemed to constitute a separate offense;

Section 4. That if any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable;

Section 5. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides;

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 6TH DAY OF OCTOBER, 2014.

_____
David Sweet, *Mayor*

ATTEST:

_____
Kristy Ashberry, *City Secretary*

APPROVED AS TO FORM:

_____
Frank J. Garza, *City Attorney*

1st Reading: *September 15, 2014*

2nd Reading: *October 6, 2014*

Sec. 6.16. Airport Overlay (AP OV) District.

Note: This document was prepared using FAA guidelines as of June 23, 2014 and using AC150/5300-13A [issued on September 28, 2012].

A. ***Purpose.*** The purpose of this district is to provide both airspace protection and land use compatibility with airport operations at the Ralph M. Hall/Rockwall Municipal Airport. This district, through establishment of airport zones and corresponding regulations, provides for independent review of development proposals in order to promote the public interest in safety, health and general welfare of the City of Rockwall. Therefore, the City of Rockwall deems it necessary to regulate uses of land located within or near the traffic patterns of the airport through regulation of height of structures and objects of natural growth, andthrough the regulation of land uses within the Airport Overlay (AP OV) District.

B. ***Airport Zones.*** In order to implement the intent of this ordinance, the Airport Overlay (AP OV) District hereby includes the following three (3) exhibits that depict the zones withinthe controlled area and shown on the official zoning map as depicted in *Exhibit 'A'*:

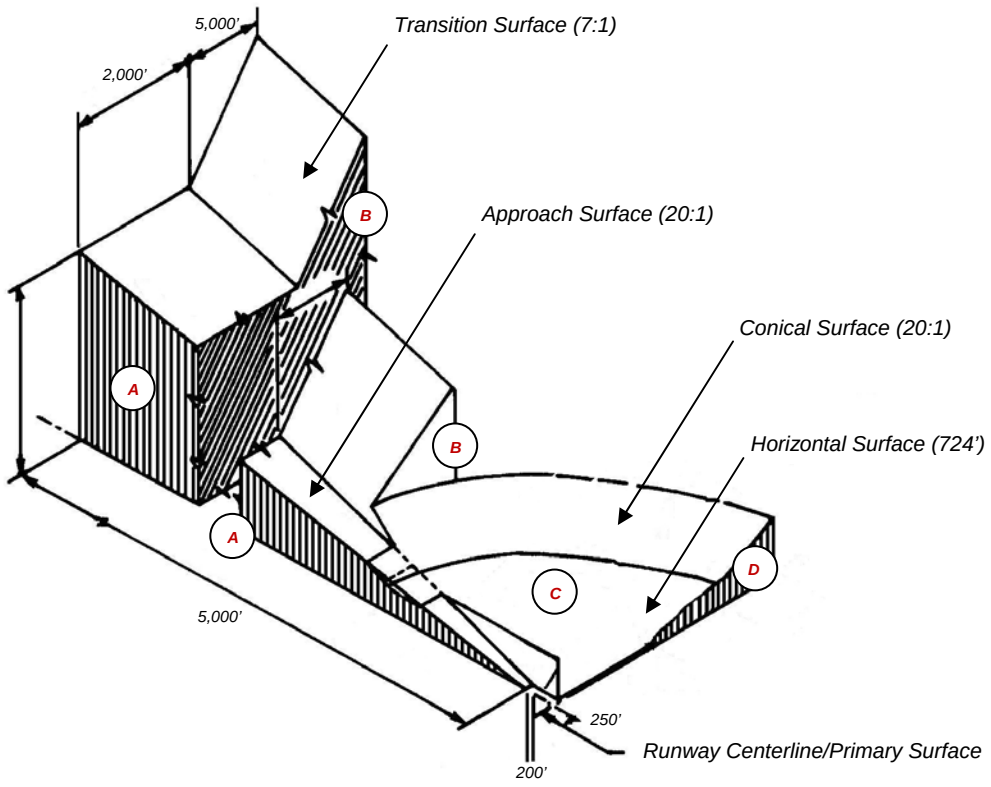
- ☑ Airport Overlay (AP OV) District Boundaries (*see Exhibit 'A'*)
- ☑ Development Zones within the Airport Overlay (AP OV) District (*see Exhibit 'B'*)
- ☑ Airport Airspace Zones Boundaries (*see Exhibit 'C'*)

C. ***Permitted Uses.*** All uses otherwise permitted by existing zoning ordinances within the boundaries of the AP OV District are permitted within the district, except where there is a conflict between the AP OV District and the existing zoning ordinances. Where the provisions of the AP OV District are more restrictive, the provisions of the AP OV District shall govern.

D. ***Controlled Area.*** The area within which airport land use compatibility controls may be instituted, as defined by *Section 241, Municipal and County Zoning Authority Around Airports,* of the *V.T.C.A., Texas Local Government Code,* shall be defined as the controlled area. The controlled area is located outside the Airport boundaries and within an area measured no farther than one and one-half (1½) statute miles from the centerline of the Ralph M. Hall/Rockwall Municipal Airport runway and lies no farther than five (5) statute miles from each end of the paved surface of the runway.

E. ***Airspace Zones.*** The following *Airspace Zones* are hereby established and set forth (*see Exhibit 'B' & Figure 1.1 [below]*):

1. *Primary Surface.* The *Primary Surface* is a surface that is longitudinally centered on the runway. It extends 200-feet beyondthe end of each runway and 250-feet on either side of the centerline of the runway for a total width of 500-feet (*i.e. a 250-foot side buffer of the runway centerline*).



2. *Approach Zone.* The *Approach Zone* is a fan shaped zone that is established at both ends of the runway for the purpose of landings and take-offs. The *Approach Zone* commences at the end of the *Primary Surface* (*i.e. 200-feet beyond the end of the runway*) and has a beginning width of 500-feet. It then extends uniformly along the continuation of the centerline of the runway to a width of 2,000-feet at a distance of 5,000-feet from the point of commencement, and a slope of 20:1 or one (1) foot in height for each 20-feet in horizontal distance *[this is the land area that exists underneath the Approach Surface]*.

3. *Transition Zones.* The *Transition Zones* are symmetrically located on either side of runway, and have variable widths. The *Transition Zones* extend outward and upward commencing from the edge of the *Primary Surface* (*i.e. 250-feet on either side of the centerline of the runway and 200-feet on either end of the runway*), and are parallel and level with the runway centerline. The *Transition Zones* extend upward and outward at slope of 7:1 or one (1) foot vertically for each seven (7) feet horizontally to the point where they intersect the surface of the *Horizontal Zone*. The *Transition Zones* are established adjacent to the *Approach Zones* and extend their entire length. The *Transition Zones* flare symmetrically with either side of the runway*Approach Zone* from the base of said zones and slope upward and outward at the rate of 7:1 or one (1) foot vertically for each seven (7) feet horizontally to the points where they intersect the surface of the *Horizontal Zone* and the *Conical Zone [this is the land area that exists underneath the Transition Surface]*.

4. *Horizontal Zone.* The *Horizontal Zone* consists of the land area within the perimeter of which is constructed by swinging arcs of 5,000-feet from the center of each *Primary Surface*, 200-feet beyond the centerline of each runway and connecting the adjacent arcs by lines of tangent to those arcs. The *Horizontal Zone* does not include the *Approach Zone* and/or the *Transition Zone [this is the land area that exists underneath the Horizontal Surface]*.

5. *Conical Zone.* The *Conical Zone* consists of the land area that commences at the periphery of the *Horizontal Zone* and extends outward for a distance of 4,000-feet, at a 20:1 slope or one (1) foot in height for each 20-feet of horizontal distance. The*Conical Zone* does not include the *Approach Zone* and/or the *Transition Zone [this is the land area that exists underneath the Conical Surface]*.

Figure 1.1: Airspace Zones
***A**: Approach Zone; **B**: Transition Zone; **C**: Horizontal Zone; **D**: Conical Zone*

F. ***Height Limitations.*** Except as otherwise provided in this ordinance, no structure or tree shall be erected, altered, allowed to grow, or be maintained in any zone created above to a height in excess of the limits established herein for each of the imaginary surfaces created by the airspace zones (*Section 77.19, Civil Airport Imaginary Surfaces, FAR)*, which are defined as follows:

1. *Approach Surface.* The *Approach Surface* is the surface that is created by the *Approach Zone*, and is required to prevent existing or proposed objects, objects of natural growth or terrain from extending into the area required for an aircraft's navigable airspace. The *Approach Surface* is the same width as the *Primary Surface* (*i.e. 500-feet*), and has a slope of 20:1 or one (1) foot in height for each 20-feet in horizontal distance commencing at the *Primary Surface* and extending to a point 5,000-feet from the point of beginning.

2. *Transition Surface.* The *Transition Surface* is the surface that is created by the *Transition Zone*, and is required to prevent existing or proposed objects, objects of natural growth or terrain from extending in the area required for an aircraft's navigable airspace. The *Transition Surface* is the surface that extends outward and upward, at right angles to the runway centerline (*at any point 250-feet normal to and at the elevation of the centerline*) and extended runway centerline (*i.e. 200-feet beyond the end of the runway*), from the sides of the *Primary Surface* and the *Approach Surfaces* to a point of 150-feet above the airport elevation (*i.e. 724-feet*) [*the airport elevation is 574-feet above mean sea level*]. The *Transition Surface* has a slope of 7:1 or one (1) foot in height for each seven (7) feet in horizontal distance.

3. *Horizontal Surface.* The *Horizontal Surface* is the surface that is created by the *Horizontal* Zone, and is required to prevent existing or proposed objects, objects of

natural growth or terrain from extending into the area required for an aircraft's navigable airspace. The *Horizontal Surface* is the horizontal plane created by swinging arcs centered on the extended runway centerline where it crosses the *Primary Surface*, and is situated 150-feet above the established airport elevation (*i.e. 724-feet) [the airport elevation is 574-feet above mean sea level],* which coincides with the extent of the *Horizontal Zone*.

4. <u>*Conical Surface.*</u> The *Conical Surface* is the surface that is created by the *Conical Zone*, and is required to prevent existing or proposed objects, objects of natural growth or terrain from extending into the area required for an aircraft's navigable airspace. The *Conical Surface* extends upward and outward from the outer limits or the periphery of the *Horizontal Surface* at a slope of 20:1 or one (1) foot in height for each 20-feet of horizontal distance. The *Conical Surface* extends to a height of 350-feet above the airport's elevation (*i.e. 924-feet*) [*the airport elevation is 574-feet above mean sea level*].

[Where an area is covered by more than one (1) height limitation, the more restrictive limitation shall prevail. Nothing in this ordinance shall be construed as prohibiting the growth, construction or maintenance of any tree or structure to a height up to 45-feet above the surface of the land, except in the Approach Zones.]

G. ***Airport Hazard Area.*** The *Airport Hazard Area* is an area of land or water on which an airport hazard could exist. An *airport hazard* is defined as a structure or object of natural growth that obstructs the airspace required for the taking off, landing, and flight of aircraft or that interferes with visual, radar, radio, or other systems for tracking, acquiring data relating to, monitoring, or controlling aircraft. For the purposes of this ordinance, the *Airport Hazard Area* is defined as the entirety of all the imaginary surfaces stated in Section G, *Height Limitations*, of this ordinance (*see Exhibit 'C'*).

H. ***Airport Overlay (AP OV) District.*** This *Airport Overlay (AP OV) District* is hereby established as the land area owned by the City of Rockwall and held as Ralph M. Hall/Rockwall Municipal Airport, the Airport Runway Protection Zone (RPZs), and a buffer area extending five-hundred (500) feet from all property lines of the Ralph M. Hall/Rockwall Municipal Airport (*see Exhibit 'A'*).

1. *Intent.* The Airport Overlay (AP OV) District is intended to overlay any other zoning district's regulations comprising or pertaining to areas to which it is applicable, to prevent undue negative interaction between aviation activities associated with the airport and the surrounding community. It is intended to protect the lives and property of the users of the airport and of the occupants of the land in its general vicinity by restricting places of public assembly within this Airport Overlay (AP OV) District. The overlay is intended to preserve the utility of the airport and the public investment therein.

2. *Development Zones.* The *Development Zones* are hereby established within the Airport Overlay (AP OV) District. These zones are depicted in *Exhibit 'B'* of this ordinance. The *Development Zones* are defined and described as follows:

    a. <u>*Airport Runway Protection Zones (RPZs).*</u> The *Airport Runway Protection Zones* are hereby established as the trapezoidal areas centered about the extended runway centerline. The *RPZ* dimensions for a particular runway end are a function of the type of aircraft and approach/departure visibility minimum associated with the runway end. The *RPZs* for the Ralph M. Hall/Rockwall Municipal Airport commence

200-feet from the edge of pavement at the end of each runway, beginning with a base of 500-feet (*i.e. inner width or 'W_1'*), extending 1,000 feet along the runway centerline (*i.e. length or 'L'*), and terminating at the outboard corners of a 700-foot line segment (*i.e. outer width or 'W_2'*) [*see Figure 1.2*], creating a 13.770-acre trapezoidal area, which is intended to service *Aircraft Approach/Departure Categories 'A' & 'B'* (*i.e. small single and multi-engine planes*). Contained within the two (2) trapezoidal areas that make up the *RPZs* are the *Controlled Activity Area* and a portion of the *Runway OFA (Object Free Area)*. These areas are defined as follows:

(1) *The Runway Object Free Area (OFA).* The *Runway Object Free Area (OFA)* is centered on the runway centerline. The *Runway OFA* clearing standard requires clearing the *OFA* of above ground objects protruding above the runway safety area edge elevation. Except where precluded by other clearing standards, it is acceptable to place objects that need to be located in the *OFA* for air navigation or aircraft ground maneuvering purposes and to taxi and hold aircraft in the *OFA*. Objects non-essential for air navigation or aircraft ground maneuvering purposes are not permitted to be placed in the *OFA*. This includes parked airplanes and agricultural operations.

(2) *The Controlled Activity Area.* The *Controlled Activity Area* is the portion of the *RPZ* beyond the boundaries of the *Runway OFA*.

Figure 1.2: Airport Runway Protection Zone (RPZ)

For additional references pertaining to RPZ's, see AC150/5300-13A, Airport Design issued by the FAA on September 28, 2012.

b. *Municipal Airport Zone.* The *Municipal Airport Zone* is hereby established as the real property boundaries of the Ralph M. Hall/Rockwall Municipal Airport. This zone contains the majority of all airport related land uses and structures.

c. *Airport Influence Zone.* The *Airport Influence Zone* contains all areas within the 500-foot buffer excluding the *Municipal Airport Zone* and the *RPZ*.

d. *Height Restriction Zone.* The *Height Restriction Zone* extends to the edge of the *Conical Zone* and is subject only to the requirements stipulated in Section F, *Height Limitations*, of this ordinance (*see Exhibit 'A'*).

3. *Use Restrictions.*

a. *Airport Runway Protection Zone (RPZ) [Runway Object Free Area (OFA) and Controlled Activity Area].* No uses are permitted within the *Runway Object Free Area (OFA)* or the *Controlled Activity Area* unless deemed essential to air navigation or aircraft ground maneuvering purposes by the Federal Aviation Administration (FAA) with the following exceptions:

(1) *Permitted Uses.*

(a) Agriculture (*other than Forestry or Livestock*)

(2) *Specific Use Permit (SUP).*

(a) Roadways, Automobile Parking Areas, and Railroads that Adhere to the Height Restrictions

b. *Municipal Airport Zone.*

(1) *Permitted Uses.*

(a) Aircraft Runways, Taxiways, Taxilanes, Ramps, Parking Areas and Fuel Storage Facilities
(b) Aircraft Operational Facilities (*including but not limited to Instrument Landing Systems, Visual Navigational Aids, and Related Equipment; Communication Facilities; Weather Service Offices And Equipment*)
(c) Hangars (*includes all buildings which may be used for the Storage or Maintenance of Aircraft, Airport Snow Removal, Sweeping and Other Maintenance Equipment, and/or Other Aviation-Related or Ancillary Activities*)
(d) Terminal Buildings (*which may contain Offices or Airline Companies, and Other Businesses and Concessionaires*)
(e) Offices and Facilities for Airport Management, Air Charter, Air Taxi, Crop Spraying, Aircraft Sales or Rentals, and Air Cargo Processing Facilities
(f) Agriculture (*other than Forestry or Livestock*), Tourism Information Centers and Museums
(g) Flight Schools, Flying Clubs, and Other Schools or Training Facilities (*relating to Aviation or Air-Related Transportation*)
(h) Offices and Facilities for the Operation and Maintenance of Air Rescue, Emergency and Firefighting Services
(i) Aircraft Maintenance, Manufacturing, and Testing Facilities
(j) Offices and Facilities of Federal, State and Local Government Entities

(2) *Prohibited Uses.*

(a) No uses other than those uses explicitly permitted above.

c. *Airport Influence Zone.* All uses permitted within the underlying zoning depicted on the official zoning map of the Cityof Rockwall, with the following additional uses and exceptions:

(1) *Permitted Uses.*

(a) Outdoor Baseball/Softball Facilities and/or Other Public or Private Recreational Uses (*Day Time Operations Only*); *these uses are prohibited from incorporating any outside lighting that could create a potential hazard to airport operations.*
(b) Municipal Water Ground Storage Tanks (*i.e. Non-Elevated Storage*)

(2) *Specific Use Permits (SUP):*

(a) Residential Airpark or Aviation Homes
(b) Driving Test Track

(3) *Prohibited Uses:*

(a) Residential Uses (*e.g. Single Family, Multi Family, etc.*)
(b) Educational Centers (*including all types of Primary and Secondary Schools, Pre-Schools, and Child Care Facilities*)
(c) Hospitals, Medical Inpatient Treatment Facilities, Nursing Homes and/or Convalescent Home Facilities
(d) Places of Worship
(e) Places of Public Assembly (*Not Previously Listed*)
(f) Fuel Handling and Storage Facilities (*Does Not Include Gas Stations*)

d. *Height Restriction Zone.* Properties within the *Height Restriction Zone*, outside of the Airport Overlay (AP OV District), are subject to the use requirements stipulated by the underlying zoning depicted on the official zoning map of the City of Rockwall (*see Exhibit 'A'*).

4. *Additional Use Restrictions.*

(a) Notwithstanding any other provision of this ordinance, no use may be made of land within any zone established by this ordinance in such a manner as to (*1*) create electrical interference with radio communication between the Airport and aircraft, (*2*) make it difficult for flyers to distinguish between airport lights and others, (*3*) result in glare in the eyes of flyers using the Airport, (*4*) impair visibility in the vicinity of the Airport or otherwise endanger the landing, taking-off, or maneuvering of aircraft.

5. *Legal Non-Conforming Uses.*

(a) *Regulations Not Retroactive.* The regulations prescribed by this ordinance shall not be construed to require the removal, lowering, changes and/or alteration of any structure (*e.g. building*) or object of natural growth (*e.g. tree*) not conforming to the regulations as of the effective date of this ordinance, or otherwise interfere with the continuance of any legal non-conforming use. Nothing herein contained shall require any change in the construction, alteration, or intended use of any structure or property, for which the construction or alteration of said structure or property was commenced prior to the effective date of this ordinance.

(b) *Hazard Marking and Lighting*. Notwithstanding the preceding provision of this section, the owner of any non-conforming structure or tree is hereby required to permit the installation, operation, and maintenance thereon of such markers and lights as shall be deemed necessary by the City Manager or his designee to indicate to the operators of aircraft in the vicinity of the Airport, the presence of such airport hazards. Markers and lighting necessary for existing non-conforming structures or trees shall be operated and maintained at the expense of the property owner. Markers and lighting necessary for future non-conforming structures or trees, approved per the requirements of this ordinance, shall be installed, operated, and maintained at the expense of the property owner.

6. *Architectural Standards.*

(a) All buildings within the *Municipal Airport Zone* shall be designed by a licensed, professional architect and all drawings submitted for approval and/or permits shall bear the architect's seal of the State of Texas.

(b) All buildings intended for airport relateduse such as hangars, maintenance facilities, offices and facilities for airport management, terminal buildings and other similar types of uses with exterior walls visible from a public right-of-way shall consist of 90% masonry materials, excluding doors and windows as defined in Article X III, *Definitions*, of the Unified Development Code (*i.e. "Masonry"*). Building exterior walls not visible from the public rights-of-way may be earth-tone colored, pre-finished aluminum, steel or masonry. Materials that are unfinished are prohibited.

[All other buildings not related to airport uses within the Airport Overlay (AP OV) District shall conform to building materials requirements as stipulated within the Unified Development Code.]

In addition, all buildings intended for airpot related uses shall adhere to the following standards:

1) A *Material Sample Board* indicating all exterior materials and colors must be submitted to the Planning and Zoning Commission, upon a recommendation by the Architecture Review Board (ARB), for approval prior to the commencement of construction. All sides of the exterior building shall be architecturally integrated and similar in nature with respect to the design and aesthetic.

2) All roofs shall be metal. If galvanized metalis being proposed, it shall be limited to a roofing material only.

3) Building glazing or reflectors shall not be incorporated into a building if it will cause a glare or reflection that could interfere with airport operations or ground circulation.

4) All windows or large glass elements shall be oriented and/or treated to avoid reflections that could cause a distraction to air traffic that is landing or taking off.

5) All new construction shall be of a high quality and utilize materials and finishes that will maintain their appearance with relatively low maintenance.

6) All steel used for roofing or siding shall be a minimum of 28 gauge steel, with a factory finish in a color that has been approved by the Planning and Zoning Commission, and which has been warranted by the manufacturer for a minimum of 20 years with regards to the durability and color fastness.

7) All floors must be constructed of a minimum of four (4) inches thick concrete and reinforced with steel to a standard approved by the Engineering and Building Inspections Departments.

8) All buildings facing a taxiway (*i.e. a path connecting runways with ramps, hangars, terminals, etc.*) shall have a hangar door that has a minimum opening of 55-feet in width by 16-feet in height (*i.e. 55' [w] x 16' [h]*). Buildings facing a taxilane (*i.e. a path connecting the taxiways to aircraft parking positions*) shall have a hangar door that has a minimum opening of 41-feet, 6-inches in width by 12-feet in height (*i.e. 41'-6" [w] x 12' [h]*). Approved swing out, overhead or sliding doors may also be used. All pedestrian doors must be of a pre-finished metal construction positioned in metal doorjambs. No wood doorjambs will are permitted on exterior doors.

9) Mechanical equipment shall be screened so as not to be visible from the public and private right-of-ways. All screens, whether situated on the ground or on the building, shall be constructed to be aesthetically integrated into the design of the building. The rooftops of all buildings shall be free of any mechanical equipment unless completely screened from all points of view along all public right-of-ways by an architectural parapet. All screening materials shall be compatible with the material used on the building.

7. *Landscaping.*

(a) The requirements contained within Article V, *District Development Standards*, and Article VIII, *Landscape Standards*, of the Unified Development Code, whichever would be applicable to the subject property independent of the AP OV District, shall apply to a property located within the overlay (*i.e. the landscaping percentage of the underlying zoning district would apply*). In cases where aircraft requirements would conflict with certain landscaping elements, the Planning and Zoning Commission may approve requirements that deviate from those stipulated by the Unified Development Code if, in its opinion, such alternate requirements provide for a safer and more efficient use of the property.

8. *Variances.* The City Council may, upon request from the applicant, grant a variance to the any of the provisions contained within Section H.6, *Architectural Standards*, and Section H.7, *Landscaping*, of this ordinance where unique or extraordinary conditions exist or where strict adherence to the provisions of this ordinance would create a hardship. Approval of any variance to any provision of this section shall require City Council approval by a three-quarter (¾) majority vote of the City Council members present with a minimum of four (4) affirmative votes.

I. Administrative Procedures and Permits

1. *Future Use.* Except as specifically provided herein, no change shall be made in the use of land and no structure or tree shall be erected, altered, planted or otherwise

established in any zone hereby created unless a permit therefore shall have been applied for and granted. Each application for a permit shall indicate the purpose for which the permit is desired, with sufficient particularity to permit it to be determined whether the resulting use, structure or tree would conform to the regulations herein prescribed. If such determination is in the affirmative, the permit shall be granted.

a) In the area lying within the limits of the *Horizontal Zone* and *Conical Zone*, no permit shall be required for any tree or structure less than 75-feet of vertical height above the ground as measured at grade, except when because of terrain, land contour or topographic features such tree or structure would extend above the height limits prescribed for such zone.

b) In the areas lying within the limits of the *Approach Zones* but at the horizontal distance of not less than 4,000 feet from each end of the runways, no permit shall be required for any tree or structure less than 75-feet of vertical height above the ground as measured at grade, except when because of terrain, land contour or topographic features such tree or structure would extend above the height limit prescribed for the *Approach Zone*.

c) In the areas lying within the limits of the *Transition Zones* ending at the perimeter of the *Horizontal Zone*, no permit shall be required for any tree or structure less than 75-feet of vertical height above the ground as measured at grade, except when such tree or structure because of terrain, land-contour or topographic features would extend above the height limit prescribed for such *Transition Zones*.

Nothing contained in any of the foregoing exceptions shall be construed as permitting or intending to permit any construction, alteration or growth of any structure or tree in excess of any of the height limits established by this Ordinance except as set forth in Section F, *Height Limitations*.

(1) *Existing Uses.* No permit shall be granted that would allow the establishment or creation of an airport hazard or permit a non-conforming use, structure, or tree to be made or become higher, or become a greater hazard to air navigation, than it was on the effective date of this Ordinance or any amendments thereto or than it is when the application for a permit is made. Except as indicated, all applications for such a permit shall be granted.

(2) *Non-Conforming Uses Abandoned or Destroyed.* Whenever the Board of Adjustment (BOA) determines that a non-conforming structure or use has been abandoned for a period of six (6) months, or more than eighty (80%) percent of a non-conforming structure or tree has been torn down, physically deteriorated, or decayed, no permit shall be granted that would allow such structure or tree to exceed the applicable height limit or otherwise deviate from the zoning regulations.

(3) *Variances.* Any person desiring to erect or increase the height of any structure, or permit the growth of any tree, or use of their property, not in accordance with the regulations prescribed in this ordinance, may apply to the Board of Adjustment (BOA) for a variance from such regulations. Such variances shall be allowed where it is duly found that a literal application or enforcement of the regulation would result in practical difficulty or unnecessary hardship and the

relief granted would not be contrary to the public interest but will dosubstantial justice to be in accordance with the spirit and intent of this Ordinance.

(4) *Hazard Marking and Lighting.* Any permit or variance granted may, if such action is deemed advisable to effectuate the purpose of this Ordinance and be reasonable in the circumstances, be so conditioned as to require the owner of the structure or tree in question to permit the owners at their own expense, to install, operate, and maintain thereon such markers and lights as may be necessary to indicate to flyers the presence of an airport hazard.

J. ***Enforcement.*** It shall be the duty of the City Manager or his designee to administer and enforce the regulations prescribed herein. Application of permits shall be made to the City Manager or his designee upon a form published for that purpose. Applications requiredby this ordinance to be submitted to the City Manager or his designee shall be promptly considered and granted or denied. Applications for variances shall be made to the Board of Adjustment (BOA) by first filing said application for variance with the City Manager or his designee who shall forthwith transmit said application to the Board of Adjustment for determination.

K. ***Appeals.*** Requests for appeals to administrative dec isions by the City Manager or his designee concerning the enforcement of this ordinance shall be directed to the Board of Adjustment (BOA) in compliance with Section 11, *Board of Adjustments*, of Article II, *Authority and Administrative Procedures*, of the Unified Development Code.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 09/15/2014

APPLICANT: Beth Godfrey of TKC CLXXXVI, LLC

AGENDA ITEM: **Z2014-023**; Zoning Amendment to PD-46

SUMMARY:

Hold a public hearing to discuss and consider a request by Beth Godfrey of TKC CLXXXVI, LLC on behalf of the owner, Rick Sharp, for the approval of a zoning amendment to Planned Development District 46 (PD-46) [*Ordinance No. 99-05*] to allow for a *Rental Store with Outside Storage* (*i.e. Sunbelt Rentals Company*) to be established on a ~3.35-acre portion of a larger 6.222-acre parcel of land identified as Lot 2, Block A, Sharp Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 46 (PD-46) for commercial land uses, situated within the SH-276 Corridor Overlay (SH-276 OV) District, located east of Corporate Crossing (*FM-549*) in between SH-276 and Springer Lane, and take any action necessary.

BACKGROUND INFORMATION:

The subject property is identified as a 3.211-acre portion of a larger 6.222-acre tract of land situated within the SH-205 Overlay (SH-276 OV) District, is east of Corporate Crossing *(FM-549),* between SH-276 and Springer Road, and is located at 2582 SH-276. The property is currently zoned Planned Development District No. 46 (PD-46) and has an underlying zoning of commercial that also allows for other uses that may be considered more intense such as outside storage of trucks and trailers, limited outside storage of pallets, metal buildings, and trucking operations and associated uses. PD-46 also has other tracts of land that allows for similar uses such as outside storage of equipment, contractor yard and equipment yard, minor auto repair shop and associated uses, limited outside storage of boats, a concrete batch plant, etc.

The purpose of the request is to amend PD-46 to allow for a *Rental Store with Outside Storage*. The applicant has indicated that this site will be home to Sunbelt Rentals, a nationally recognized brand for this industry. Sunbelt Rentals offers general construction equipment such as industrial tools, pump and power generation equipment, trench shoring, scaffolding, etc. for use in commercial, residential, and municipal related projects. Based on the use requested, the intensity of this particular use could be considered compatible and should be taken into consideration when reviewing the uses allowed in PD-46 as similar in nature.

Staff has also included a condition in this memo that all outside storage and/or display of machinery and equipment is to be in a stowed position with the purpose of not extending any part of the machinery or the equipment in an upward or outward manner so as to prevent the appearance of a nuisance. Generally, in a commercial zoning district, outside storage requires screening to the height of what is being stored; however, most of the properties in PD-46 have existing chain link fences, including this site which allows for the outside storage of trucks and trailers and would not require additional screening. After discussing this issue at the work session, the applicant is requesting that the equipment not be stored in a manner that would

extend beyond the height of the principle building in order to avoid what may be viewed as a zoning violation.

In your packet is a request to amend PD-46 to allow for the *Rental Store with Outside Storage*, a legal description, a conceptual site plan, and Ordinance No. 99-05 (PD-46) for your review and consideration.

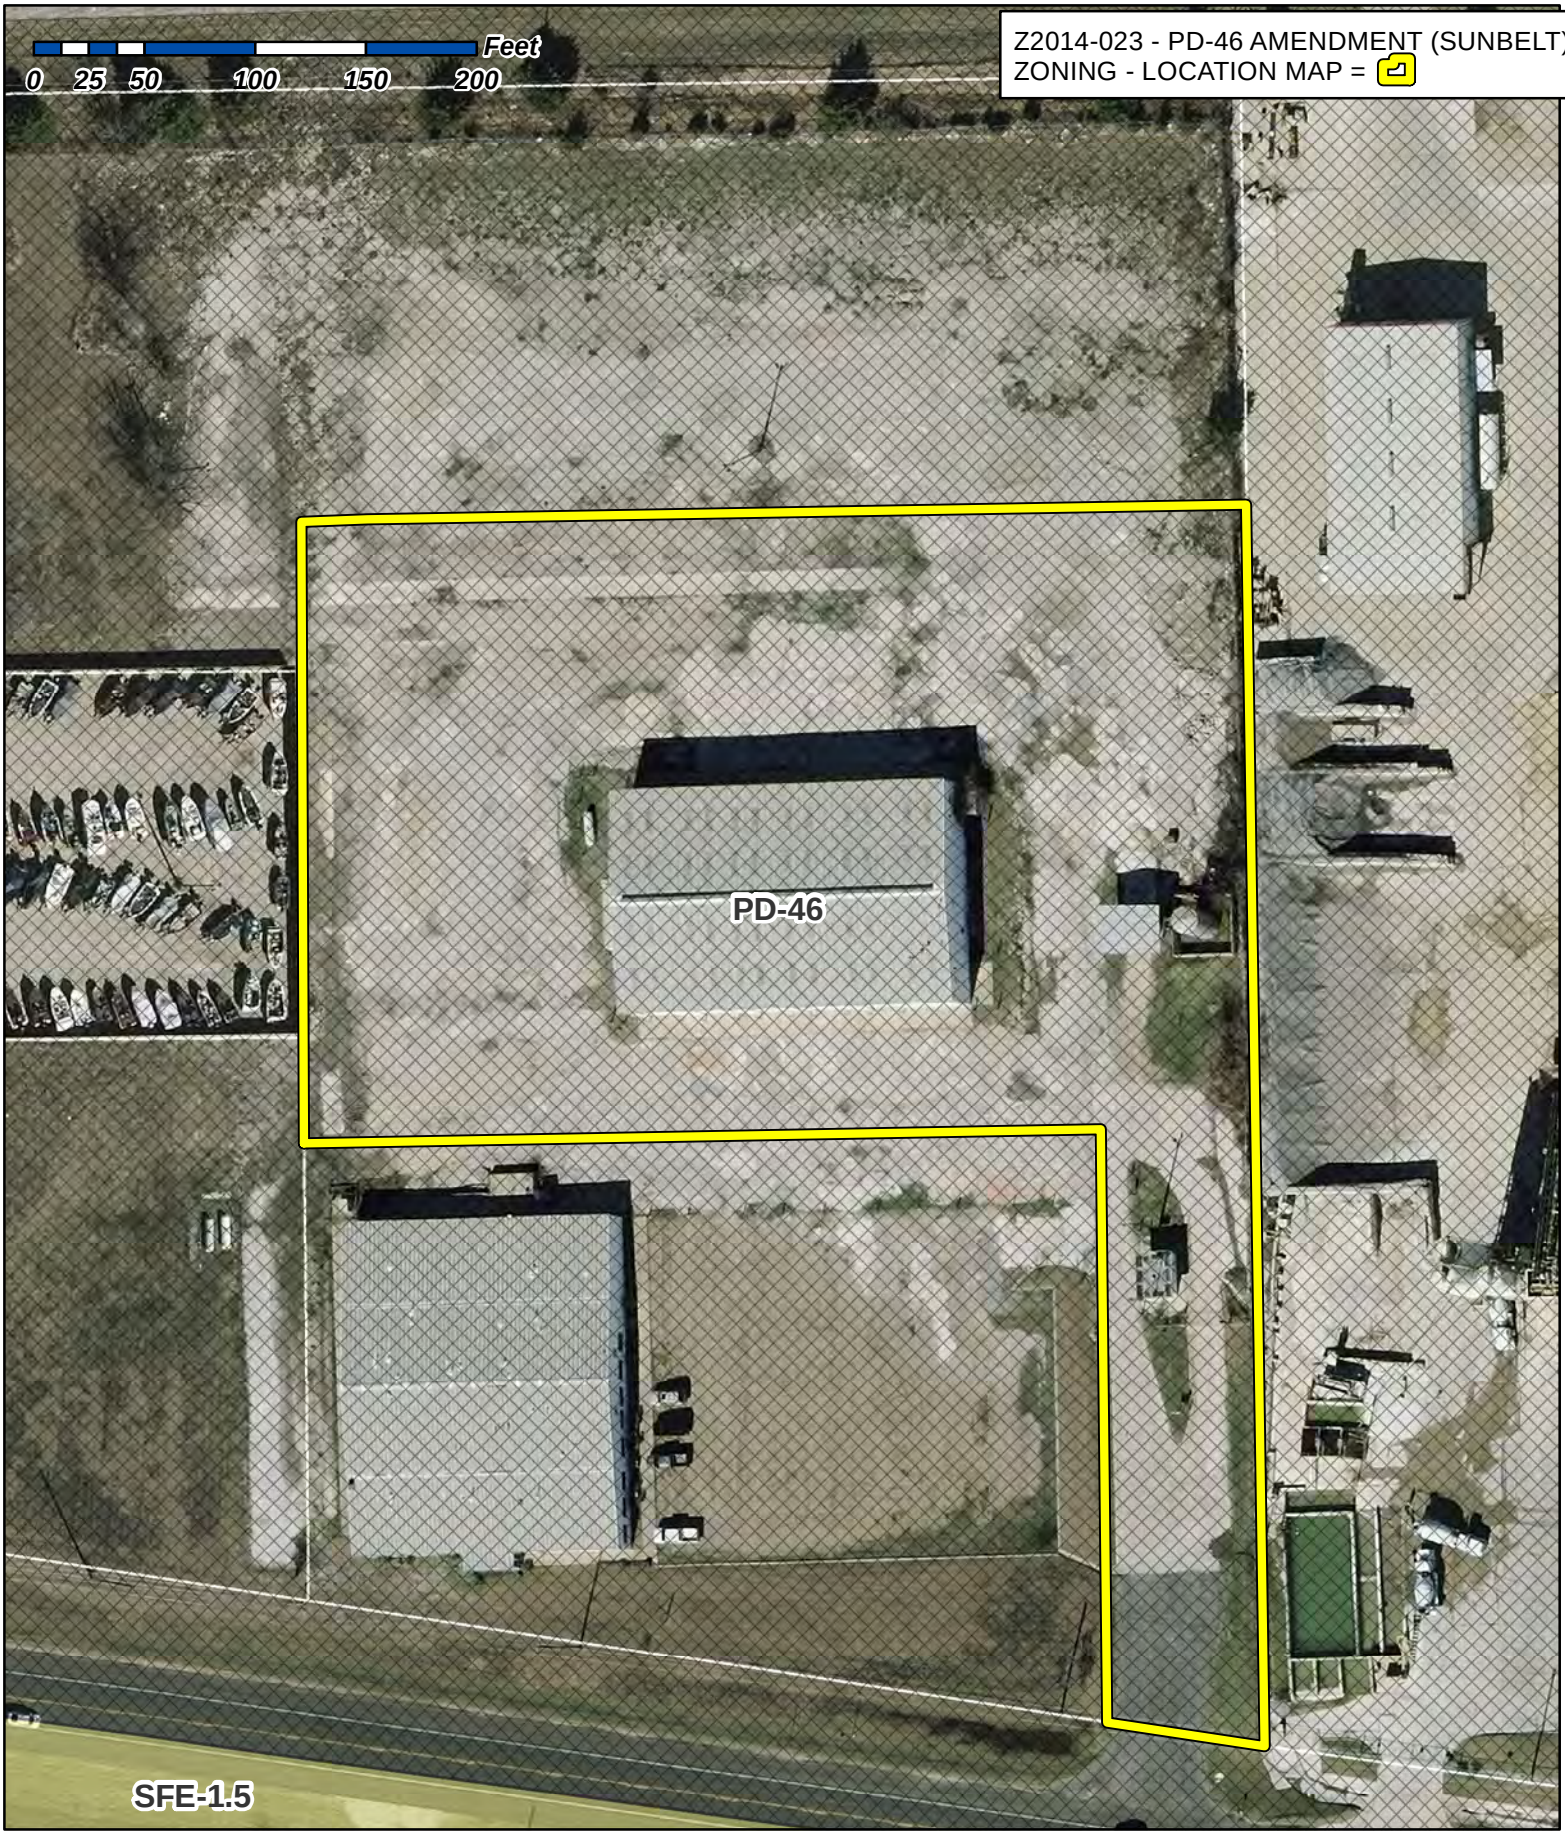
NOTIFICATION:

On August 29, 2014, staff mailed twenty-five (25) notices to property owners within 500 feet of the subject property as well as one (1) HOA within 1500 feet (Timber Creek Estates HOA). Additionally, staff posted a sign along SH-276 on the subject property as required by the Unified Development Code (UDC). At the time this report was drafted, staff has received two (2) notice "opposed to" the zoning change requested.

RECOMMENDATIONS:

Should the request be approved, staff would offer the following conditions of approval:

1. That the storage and/or display of machinery and equipment shall be in a stowed position so as to not extend any part of the machinery or the equipment in an upward or outward manner.



2. That the Subject Property generally conforms to the Conceptual Site Plan attached hereto as Exhibit 'B'

3. That the permissible uses for the Subject Property shall be those permitted within the Commercial (C) District and to include the following uses;
    a. Outside storage of trucks and trailers;
    b. Limited outside storage of pallets;
    c. Metal buildings;
    d. Trucking operations and associated uses;
    e. Rental store with outside storage of machinery and equipment.

4. Any construction resulting from the approval of this zoning ordinance shall conform to the requirements set forth by Planned Development District Ordinance, the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING RECOMMENDATION:

On September 09, 2014, the Planning and Zoning Commission recommended approval of the amendment to Planned Development No. 46 (PD-46) with staff conditions by a vote of 7 to 0.

PHONE: (972) 771-7745
EMAIL: PLANNING@ROCKWALL.COM

To Whom It May Concern:

You are hereby notified that the City of Rockwall Planning and Zoning Commission and City Council will consider the following application:

Case No. Z2014-023: Sunbelt PD Amendment

Hold a public hearing to discuss and consider a request by Beth Godfrey of TKC CLXXXVI, LLC on behalf of the owner, Rick Sharp, for the approval of a zoning amendment to Planned Development District 46 (PD-46) [Ordinance No. 99-05] to allow for a Rental Store with Outside Storage (i.e. Sunbelt Rentals Company) to be established on a ~3.35-acre portion of a larger 6.222-acre parcel of land identified as Lot 2, Block A, Sharp Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 46 (PD-46) for commercial land uses, situated within the SH-276 Corridor Overlay (SH-276 OV) District, located east of Corporate Crossing (FM-549) in between SH-276 and Springer Lane, and take any action necessary.

For the purpose of considering the effects of such a request, the Planning and Zoning Commission will hold a public hearing on **Tuesday, 9/9/2014 at 6:00 p.m.,** and the City Council will hold a public hearing on **Monday, 9/15/2014 at 6:00 p.m.** These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street.

As an interested property owner, you are invited to attend these meetings. If you prefer to express your thoughts in writing please return the form to:

David Gonzales
Rockwall Planning and Zoning Dept.
385 S. Goliad Street
Rockwall, TX 75087

You may also email your comments to the Planning Department at planning@rockwall.com. If you choose to email the Planning Department please include your name and address for identification purposes.

Your comments must be received by **9/15/2014** to ensure they are included in the information provided to the City Council.

Sincerely,

Robert LaCroix, AICP
Director of Planning & Zoning

I oppose this application. Tho I know I am wasting my time on this, I will still voice my opinion. Rockwall has made my investment in my home a disappointment. You allowed beer and wine across the street, built a eye soar of a bread plant and won't get rid of a nuisance like the outdated cement plant. Now were suppose to look at a trashy rental yard. We can't drive out of our homes now because of poor planning and development with no roads but constant adding of schools and tax free bussiness and now wanting to add a eye soar ,that all rental places are to junk it up more. I would support Rockwall city counsel doing a bond election and buying me out my home at the fair market, now that is fair. Maybe you guys should come by around 7 or 8 am and see the light back up to past the cement plant and so now all that traffic comes thru our nieghborhood and its a parking lot when school starts.
Thanks for your time

Re: **PD-46 Amendment**
2578 Hwy 276
Rockwall TX 75032

To Whom It May Concern:

This letter is in regards to the proposed amendment of PD-46 at 2582 Hwy 276 in Rockwall TX. The 6.22-acre property is currently zoned under a Planned Development with commercial use. It is intended for the property to be replatted to a ±3.35 acre lot, as shown on the attached Conceptual Site Plan, and described in the attached legal description. The intended site use will remain commercial, however we request that the PD-46 be amended to include outside storage of machinery and heavy equipment for the ±3.35 acre lot. This will allow for a Sunbelt Rentals Company to occupy the property.

Please contact me should you have any questions.

Sincerely,

TKC CLXXXVI, LLC

ORDINANCE NO. 99-05

AN ORDINANCE OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE COMPREHENSIVE ZONING ORDINANCE OF THE CITY OF ROCKWALL AS HERETOFORE AMENDED SO AS TO CHANGE THE ZONING ON A TRACT OF LAND WHICH IS MORE FULLY DESCRIBED HEREIN FROM "A" AGRICULTURAL CLASSIFICATION TO PLANNED DEVELOPMENT ZONING "PD- 46 PLANNED DEVELOPMENT NUMBER 46; CORRECTING THE OFFICIAL ZONING MAP; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a change in the classification of a zoning district has been initiated by the City of Rockwall for the property more specifically described in Exhibit "A" attached hereto; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the state of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Comprehensive Zoning Ordinance of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED by the City Council of the City of Rockwall, Texas:

SECTION 1. That the Comprehensive Zoning Ordinance of the City of Rockwall, as heretofore amended, be and the same is hereby amended by amending the zoning map of the City of Rockwall so as to give "Planned Development District No.46 classification to the tract of land described in Exhibits "A" and "B"attached hereto and made part of.

SECTION 2. That the property described in Exhibit "A" shall be used only in the manner and for the purposes provided for in Exhibit "B" and the Comprehensive Zoning Ordinance of the City of Rockwall as heretofore amended, as amended herein by granting of this zoning change, and as may be amended in the future. The granting of this zoning classification for the property as described in Exhibit "A" is subject to the following special conditions:

A. The use of the property shall be regulated by the following requirements:

1. The uses, area requirements and development standards of the Commercial zoning category of the Comprehensive Zoning ordinance as currently adopted, or as revised in the future, and Exhibit "B" except as otherwise provided for in this ordinance.

B. Those tracts with existing buildings will be allowed to use the same exterior materials currently shown in Exhibit "B"for any new buildings that are built. However, if an existing building is expanded to an amount that equals 50% of the appraised tax value of that building, the requirements of the commercial zoning district exterior materials shall be met.

SECTION 3. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

SECTION 4. Any person, firm or corporation violating any of the provisions of this ordinance shall be punished by a penalty of fine not to exceed the sum of TWO THOUSAND DOLLARS ($2,000.00) for each offense and each and every day such offense shall continue shall be deemed to constitute a separate offense.

SECTION 5. If any section or provision of this ordinance or the application of that section or provision to any person, firm, corporation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, nor shall adjudication affect any other section or provision of the Comprehensive Zoning Ordinance of the City of Rockwall, Texas, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

SECTION 6. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be and the same are hereby repealed to the extent of that conflict.

SECTION 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such case provides.

DULY PASSED AND APPROVED this 1st day of March, 1999.

APPROVED:

Mayor
George R. Hatfield

CITY OF ROCKWALL

ORDINANCE NO. 14-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING PLANNED DEVELOPMENT DISTRICT NO. 46 (PD-46) *[ORDINANCE NO. 99-05]* AND THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS HERETOFORE AMENDED, BY ALLOWING A RENTAL STORE WITH OUTSIDE STORAGE TO BE DESIGNATED ON TRACK 2, LOT 00 OF EXHIBIT 'B' WITHIN ORDINANCE NO. 99-05, BEING A 3.211-ACRE PORTION OF A LARGER 6.222-ACRE TRACT OF LAND IDENTIFIED AS LOT 2, BLOCK A, SHARP ADDITION, ABSTRACT 186 J. A. RAMSEY SURVEY, LOCATED AT 2582 STATE HWY 276, AND MORE SPECIFICALLY DESCRIBED IN EXHIBIT "A"; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, An amendment to Planned Development District No. 46 (PD-46) has been requested by Beth Godfrey of TKC CLXXXVI, LLC to allow for a Rental Store with Outside Storage within Planned Development District No. 46 (PD-46), on a 3.211-acre portion of a larger 6.222-acre tract of land identified as Lot 2, Block A, Sharp Addition, Abstract 186 J. A. Ramsey Survey, located at 2582 Hwy 276, and more specifically described in Exhibit "A" of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that Planned Development District No. 46 (PD-46) *[Ordinance 99-05]* and the Unified Development Code *[Ordinance No. 04-38]* of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the Unified Development Code of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to amend Planned Development District No. 46 (PD-46) to allow for a Rental Store with Outside Storage for the *Subject Property*; and

Section 2. That the development and uses of the *Subject Property* shall be subject to the requirements set forth in ***Planned Development District No. 46 (PD-46)*** and ***Article V, Section 4.5, Commercial District*** of the City of Rockwall Unified Development Code as heretofore amended and as may be amended in the future, and shall be subject to the additional following conditions:

1. That the storage and/or display of machinery and equipment shall be in a

stowed position so as to not extend any part of the machinery or the equipment in an upward or outward manner.

2. That the *Subject Property* generally conforms to the Conceptual Site Plan attached hereto as Exhibit 'B'

3. That the permissible uses for the *Subject Property* shall be those permitted within the Commercial (C) District and to include the following uses;

    a. Outside storage of trucks and trailers;

    b. Limited outside storage of pallets;

    c. Metal buildings;

    d. Trucking operations and associated uses;

    e. Rental store with outside storage of machinery and equipment.

Section 3. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

Section 4. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

Section 5. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of TWO THOUSAND DOLLARS ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 6. If any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code No. 04-38 of the City of Rockwall, Texas, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable.

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this ___ day of _____, 2014.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 9/15/2014

APPLICANT: Vasquez Engineering, LLC

AGENDA ITEM: **Z2014-024;** Cavender's SUP

SUMMARY:

Hold a public hearing to discuss and consider a request by Juan J. Vasquez, PE of Vasquez Engineering, LLC on behalf of James R. Thompson of Cavender Investment Properties E, LTD for the approval of a Specific Use Permit (SUP) for a general retail store within a Light Industrial (LI) District for the purpose of constructing a Cavender's Boot City on a 3.27-acre parcel of land identified as Tract 9-4 of the J. Lockhart Survey, Abstract No. 134, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, situated within the IH-30 Overlay (IH-30 OV) District, located on the south side of the E. IH-30 frontage Road west of Corporate Crossing (FM-549), and take any action necessary.

BACKGROUND INFORMATION:

The applicant, Juan J. Vasquez, P.E. with Vasquez Engineering, LLC, is requesting approval of a Specific Use Permit (SUP) to allow for a general retail store, and more specifically, a Cavender's Boot City. The proposed retail store will be located on a 3.27-acre tract of land situated on the south side of IH-30 west of Corporate Crossing. The property is zoned Light Industrial (LI) District and is located within the IH-30 Overlay (IH-30 OV) District.

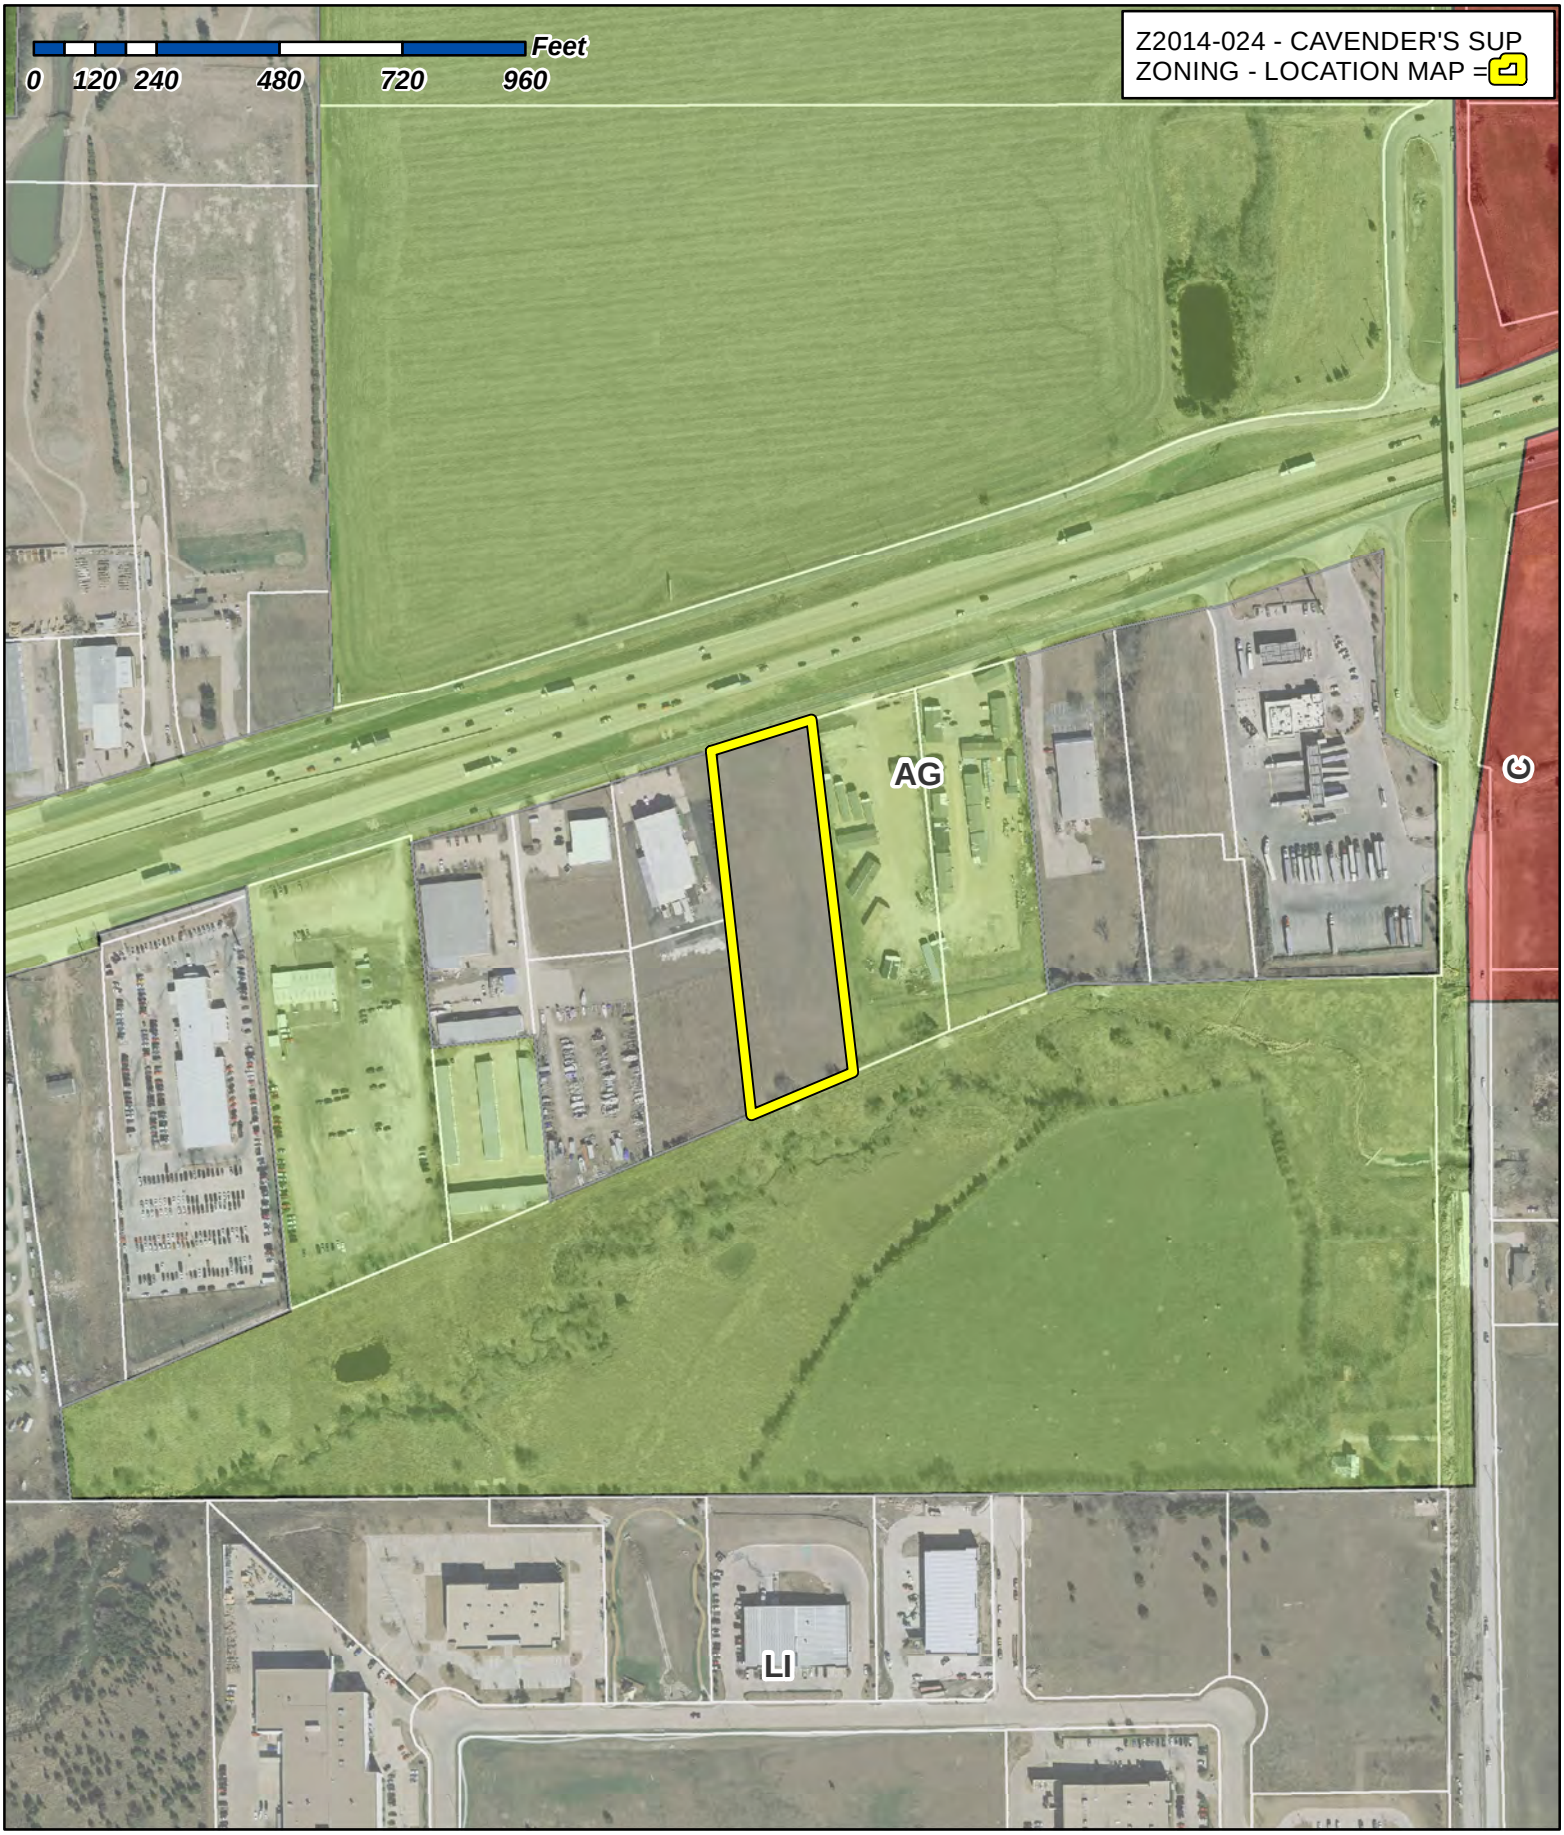
The applicant is proposing a 21,341 sq. ft. building. It should be noted that the applicant is seeking approval of a site plan concurrently with the request for the SUP. In your packet is a letter of request for the SUP and a conceptual site plan for your consideration.

NOTIFICATION:

On August 29, 2014, staff mailed 12 notices to property owners and non-owner occupants within 500 feet of the subject property. A notice was published in the Rockwall County News and a sign was posted on the subject property. At the time of this report, one response has been returned in favor of the request.

RECOMMENDATIONS:

If the Planning & Zoning Commission and City Council choose to approve the applicant's request for a SUP to allow for a general retail store within the LI District, staff offers the following conditions of approval:



1) All operations on the property shall generally conform to the Conceptual Site Plan.

2) Any construction or building necessary to complete this request must conform to the requirements set forth by the UDC, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING & ZONING COMMISSION:

On September 9, 2014, the Planning & Zoning Commission recommended approval of the SUP with staff conditions by a vote of 7-0.

SPECIFIC USE PERMIT

Cavender Investment Properties E, Ltd, which is the current owner of property, would like to request a Specific Use Permit in order to develop their existing 3.27 acre tract into a new Cavender's Boot City retail store. The current zoning designation of Light Industrial "LI" doesn't allow General Retail Uses by right.

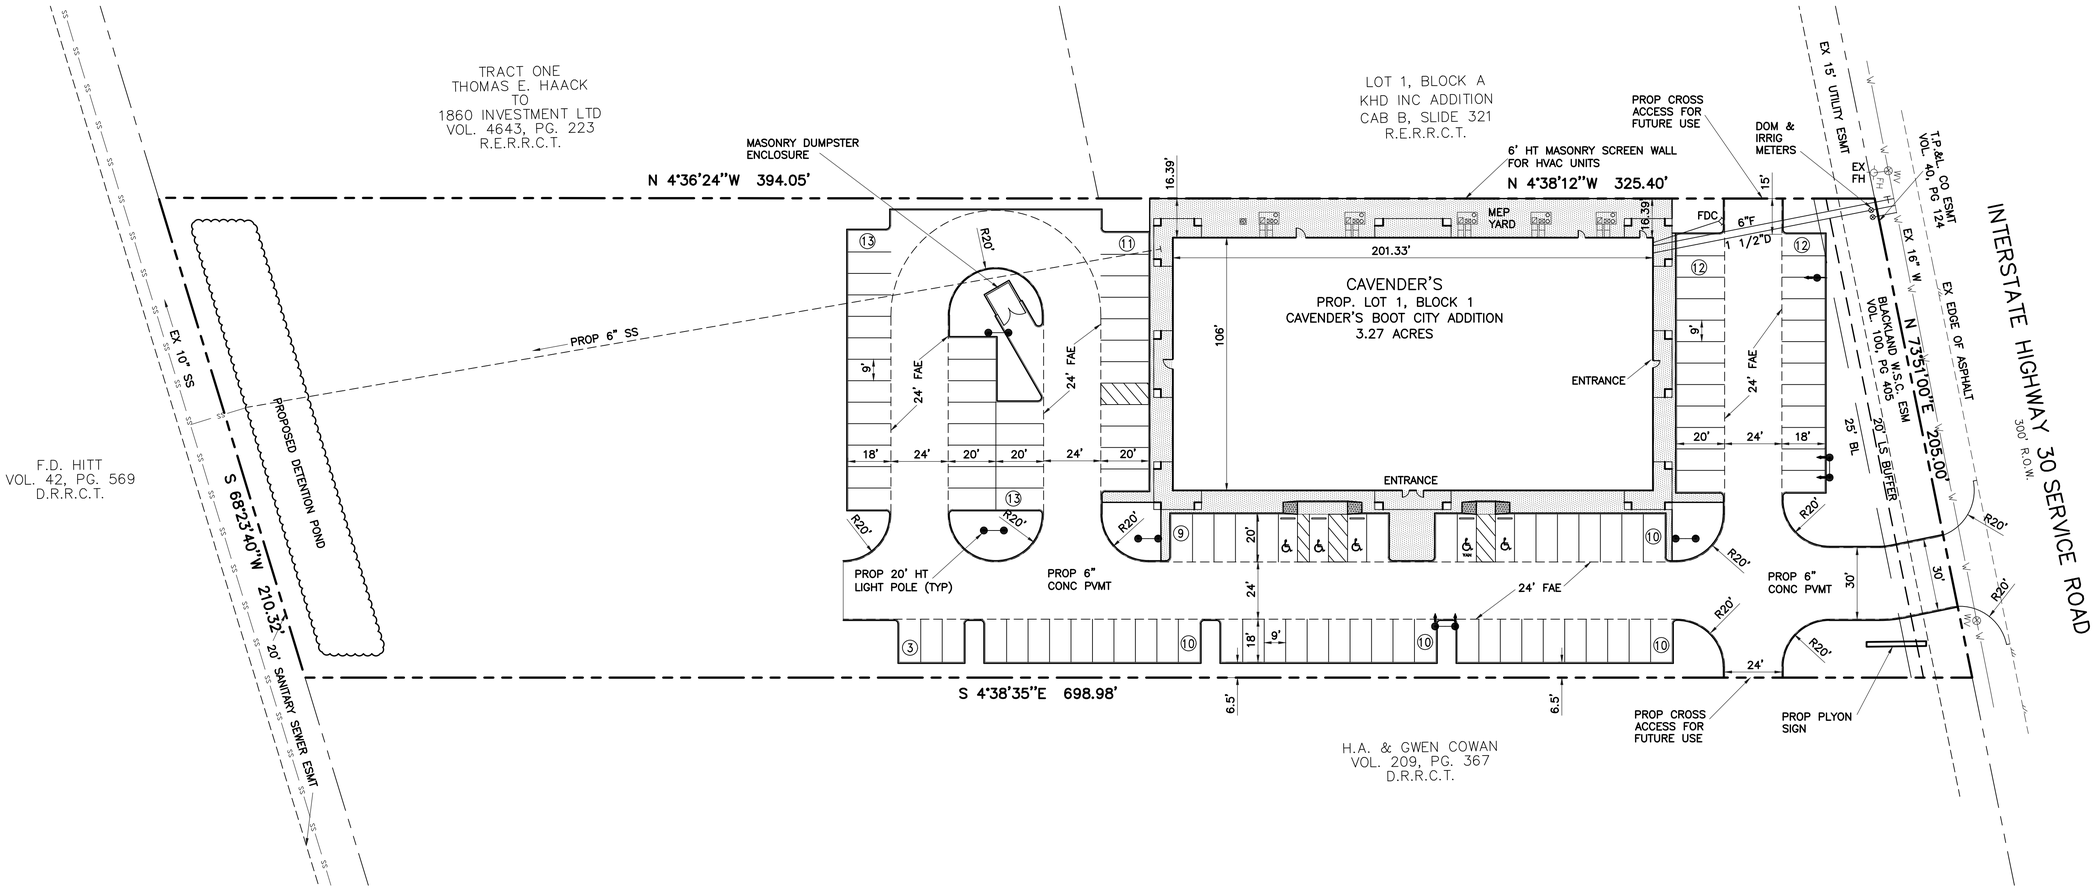
The proposed store will be approximately 21,000 square feet and will meet the City's building material requirements for retail developments along with meeting the requirements of the I.H. 30 Overlay district. Cavender's is excited about developing a new store in the City of Rockwall.

METES AND BOUNDS DESCRIPTION
CAVENDER'S BOOT CITY
SUP REQUEST

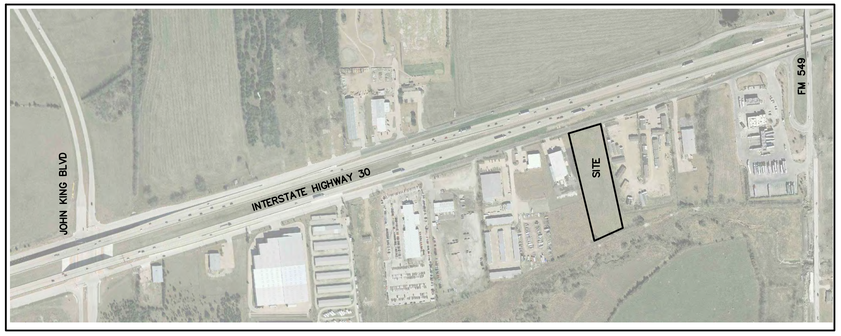
All that certain lot, tract or parcel of land situated in the JOHN LOCKHART SURVEY, ABSTRACT NO. 134, City of Rockwall, Rockwall County, Texas, and being all of a 3,268 acres tract of land as described as Tract II in a Warranty deed from Thomas E. Haack to 1860 Investments, LTD., dated May 31, 2006, and being recorded in Volume 4643 Page 223 of the Official Public Records of Rockwall County, Texas, and being more particularly described as follows:

BEGINNING at 1/2" Iron rod found for corner in the Southeast right-of-way line of Interstate Highway 30 at the Northwest corner of said 3.268 acres tract, said point also being at the Northeast corner of Lot 1, Block A, of K.H.D. INC., an Addition to the City of Rockwall, Texas, according to the Plat thereof recorded in Cabinet B, Slide 321, of the Plat Records of Rockwall County, Texas;

THENCE N. 73 deg. 51 min 00 sec, E. along said right-of-way line, a distance of 205.00 feet to a 1/2" Iron rod with yellow plastic cap stamped "R.S.C.I. RPLS 5034" found for corner at Northwest corner of a tract of land as described in a Deed to H.A. & Gwen Cowan, as recorded in Volume 209, Page 367 of the Real Property Records of Rockwall County, Texas;



THENCE S. 04 deg. 38 min. 35 sec. E along the West line of said Cowan tract, a distance of 698.98 feet to a 1/2" Iron rod found for corner at the Southeast corner of said 3.268 acres tract and being in the Northwest line of a tract of land as described in a Deed to F.D. Hitt, as recorded in Volume 42. Page 569 of the Deed Records of Rockwall;



THENCE S. 68 deg. 23 min. 40 sec. W. along the Northwest line of said Hitt tract, a distance of 210.32 feet to a 3/8" Iron rod found for corner at the Southwest corner of said 3.268 acres tract;

THENCE N. 04 deg. 36 min. 24 sec. W. a distance of 394.05 feet to a 1/2" Iron rod found for corner at the Southeast corner of said Lot 1;

THENCE N. 04 deg. 38 min. 12 sec. W. along the East line of said Lot 1, a distance of 325.40 feet to the POINT OF BEGINNING and containing 3.27 acres of land.

CITY OF ROCKWALL

ORDINANCE NO. 14-___

SPECIFIC USE PERMIT NO. S-

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) WITHIN A LIGHT INDUSTRIAL (LI) DISTRICT ALLOWING FOR A GENERAL RETAIL STORE ON A 3.27-ACRE PARCEL OF LAND IDENTIFIED AS TRACT 9-4 OF THE J. LOCKHART SURVEY, ABSTRACT NO. 134; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a request has been made by Juan J. Vasquez, P.E. with Vasquez Engineering, LLC, on behalf of James R. Thompson of Cavender Investment Properties E, LTD., for a Specific Use Permit within a Light Industrial (LI) District allowing for a general retail store on a 3.27-acre parcel of land identified as Tract 9-4 of the J. Lockhart Survey, Abstract No. 134, City and County of Rockwall, Texas; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the Unified Development Code of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit allowing for a general retail store within a Light Industrial (LI) District, on the subject property identified as Tract 9-4 of the J. Lockhart Survey, Abstract No. 134, City and County of Rockwall, Texas; and

Section 2. That the Specific Use Permit shall be subject to the conditions set forth in **Section 5.3, *"LI" Light Industrial (LI) District*, of Article V, *District Development Standards*, of the City of Rockwall Unified Development Code (Ordinance No. 04-38)** as heretofore amended, as amended herein by granting of this zoning change, and as may be amended in the future, and shall be subject to the additional following conditions and definitions.

1) All operations on the property shall generally conform to the Conceptual Site Plan.

2) Any construction or building necessary to complete this request must conform to the requirements set forth by the UDC, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

Section 3. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

Section 4. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

Section 5. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of TWO THOUSAND DOLLARS ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 6. If any section or provision of this ordinance or the application of that section or provision to any person, firm, corporation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE ____ DAY OF _____, 2014.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Mayor and City Council

FROM: Ryan Miller, *Planning Manager*

CC: Rick Crowley, *City Manager*
Robert LaCroix, *Director of Planning and Zoning*

DATE: September 15, 2014

SUBJECT: Lakes of Somerset Amendments (PD-63) [*Z2014-025*]

At their regularly scheduled meeting on September 9, 2014, the Planning and Zoning Commission, at the request of the applicant (Christopher Orr), postponed the public hearing to October 14, 2014. This means that the projected City Council public hearing will be held at the October 20, 2014 meeting. According to Section 6.2, *Public Hearing Postponements, Recess, and Continuations*, of the Article II of the Unified Development Code, a public hearing may be postponed by announcing the postponement at the public hearing by stating the time and place the new public hearing is scheduled to begin. The announcement of a postponement shall be sufficient notice and no additional notice shall be required.

ARCADIA

VIA ELECTRONIC MAIL

September 2, 2014

Mr. Ryan Miller
Planning Manager
City of Rockwall
385 South Goliad Street
Rockwall, TX 75087

Re: Zoning Amendment Application Z2014-25

Dear Mr. Miller,

Based on feedback from the Planning and Zoning workshop held on August 24, 2014, Arcadia Lakes of Sommerset Holdings, LLC is requesting that the above application be postponed until the first P&Z meeting in October 2014 to resolve certain project issues with Staff.

If you have any questions, please don't hesitate to contact me at 214.724.9281.

Sincerely,

Christopher Orr

3500 Maple Avenue ▪ Suite 1165 ▪ Dallas, Texas 75219

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 09/15/2014

APPLICANT: Caprice Michelle; *Rockwall's Rustic Ranch, LLC*

AGENDA ITEM: **Z2014-026**; *Restaurant SUP in PD-50 (406 N. Goliad Street)*

SUMMARY:

Hold a public hearing to discuss and consider a request by Caprice Michelle of Rockwall's Rustic Ranch, LLC for the approval of a Specific Use Permit (SUP) for a restaurant within Planned Development District 50 (PD-50) on a 0.53-acre parcel of land identified as Lot B, Block 123, B. F. Boydston Addition, zoned Planned Development District 50 (PD-50) for Residential Office (RO) District uses, situated within the North Goliad Corridor Overlay (NGC OV) District, addressed as 406 N. Goliad Street, City of Rockwall, Rockwall County, Texas, and take any action necessary.

ADJACENT LAND USES AND ACCESS:

The land uses adjacent to the subject property are as follows:

North: Directly north of the subject property is a 0.37-acre parcel of land zoned Planned Development District 50 (PD-50) for residential/office uses. North of this use is a residential property on a 0.34-acre parcel of land zoned Planned Development District 50 (PD-50).

South: Directly south of the subject property is an office building (*Land Headquarters Company, Inc.*), which is situated on a 0.49-acre parcel of land zoned General Retail (GR) District. Beyond this use is Olive Street followed by a winery/restaurant (*KE Cellars*) and a church (*Joy Lutheran Church*).

East: Directly east of the subject property Bin 303, which is situated on a 0.72-acre parcel of land zoned General Retail (GR) District. Beyond this property is a vacant tract of land followed by a residential home. Both of these property are zoned Single Family 7 (SF-7) District.

West: Directly west of the subject property is N. Goliad Street [*SH-205*] followed by two (2) vacant parcels of land zoned Planned Development District 50 (PD-50).

PURPOSE AND CHARACTERISTICS OF THE REQUEST:

The subject property is a 0.53-acre parcel of land located at 406 N. Goliad Street zoned Planned Development District 50 (PD-50) for Residential-Office (RO) District uses. Existing on the property is a 2,074 SF single family home and a 640 SF garage that were constructed in the 1950's. The applicant, Caprice Michelle, is in the process of remodeling the single family home for the purpose of converting the use from a residential use to a commercial use. According to *Ordinance No. 07-29* in order for a property to be converted from any use other than single family residential it shall be subject to site plan review. The Planning and Zoning Commission approved a site plan for the subject property on August 12, 2014.

Since the approval of the site plan the applicant has submitted an application requesting a Specific Use Permit (SUP) for the purpose of establishing a restaurant. According to the *Permissible Use Charts* contained within Article IV, *Permissible Uses*, of the Unified Development Code (UDC) properties located within a Residential Office (RO) District are permitted a restaurant through a SUP with the additional requirements that the total square footage be limited to 2,000 SF and that the restaurant not incorporate a drive-through. The floor plan provided by the applicant shows that the restaurant service area will be limited to 2,000 SF and that a drive-through will not be incorporated into the overall design of the facility. In addition, a restaurant carries a parking requirement of one (1) parking space per 100 SF of building area. This means that based on the floor plan provided by the applicant the proposed restaurant will have a total parking requirement of 27 parking spaces (*i.e. 2,714 SF/100 SF = 27*). Currently, the zoning exhibit and approved site plan indicate the ability to provide a maximum of 28 parking spaces. The applicant's request does conform to all other applicable requirements for this proposed land use.

Ordinance No. 07-29 also states that joint or shared access shall be required on all adjoining lots if the property is used for non-residential uses; however, the City Council shall have the ability to approve variances to this requirement if unique or extraordinary conditions exist. As part of this application, the applicant is requesting that the City Council waive the shared access requirements for a portion of the property. According to the letter submitted by the applicant the purpose for the variance request is to allow for the ability to control the parking areas in the event that overflow parking from adjacent uses becomes an issue, and that the easement devalues the property. Staff does not find that a unique or extraordinary condition exists, but would acknowledge that the circulation pattern (*i.e. an additional drive approach on N. Goliad Street*) was not accounted for in the original access plan (*contained in the packet*). This being stated the proposed circulation pattern depicted in the applicant's zoning exhibit is contingent on the approval of the drive approach on N. Goliad Street from the Texas Department of Transportation (*TXDoT*). By approving the SUP request and the zoning exhibits as presented by the applicant, a variance to the joint or shared access requirements will also be approved (unless a motion stating otherwise is made).

NOTIFICATION:

On August 29, 2014, staff mailed 108 notices to property owners and residents within 500 feet of the subject property. Additionally, staff posted a sign adjacent to N. Goliad Street [*SH-205*] as required by the Unified Development Code (UDC). At the time this case memo was drafted staff had received one (1) response in favor of the applicant's request.

City staff has no knowledge of any Homeowner's Associations or Neighborhood Organizations located within 1,500-feet of the subject property.

RECOMMENDATIONS:

If the City Council choose to approve the applicant's request for a Specific Use Permit (SUP) for a *Restaurant (Less Than 2,000 SF)* on the subject property then staff would recommend the following conditions of approval:

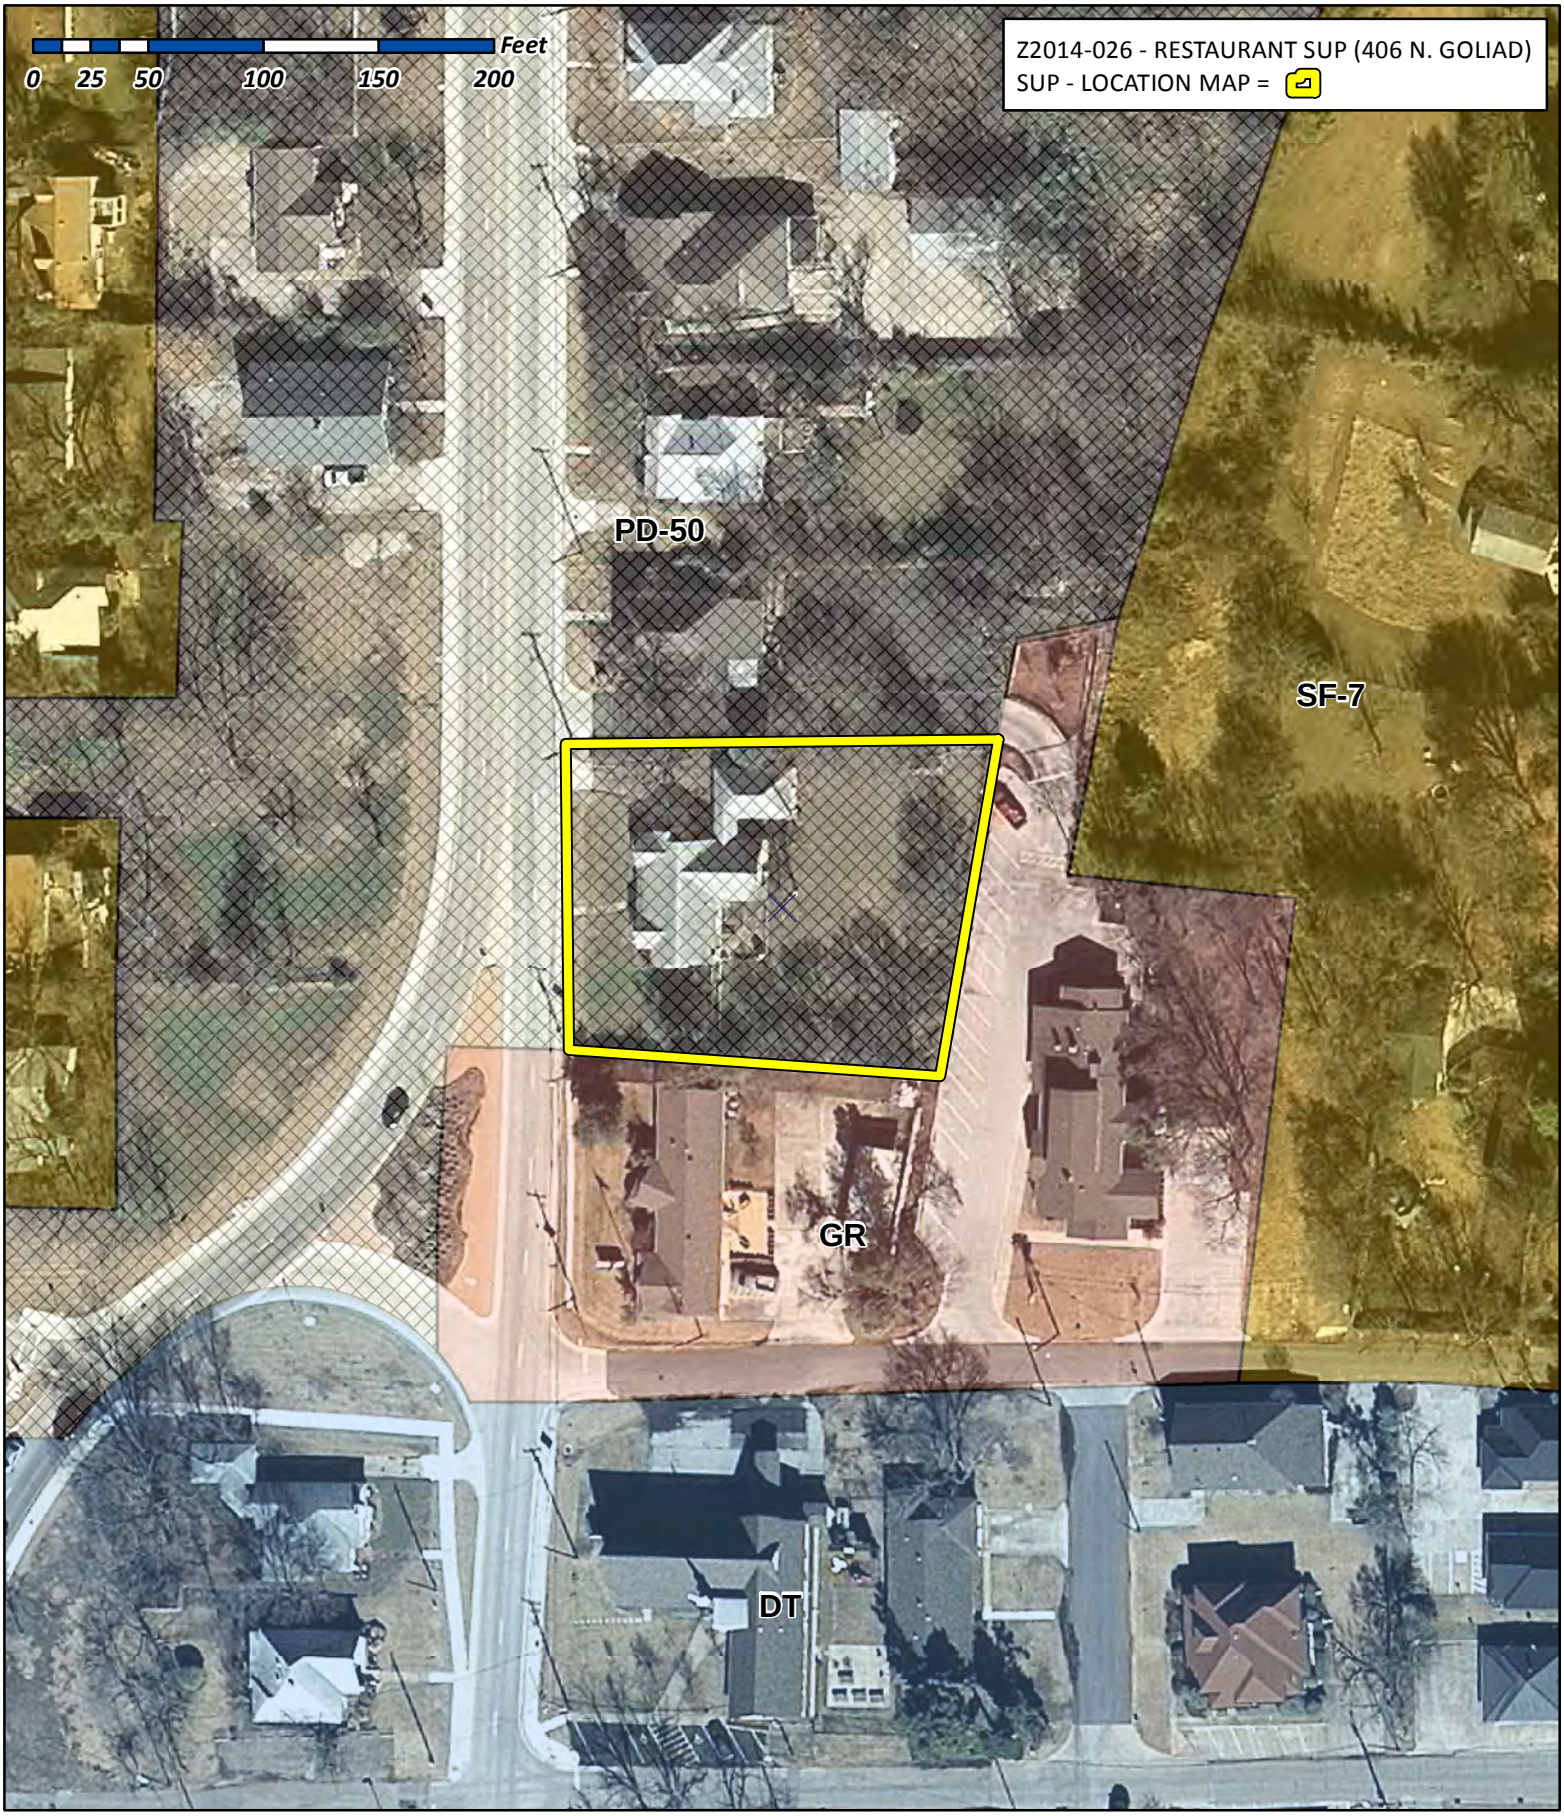
1) The applicant shall be responsible for maintaining compliance with the operational conditions contained in the SUP ordinance and summarized as follows:

   (a) The development or operation of a *Restaurant [Less Than 2,000 SF; Without Drive-Through or Drive-In Service]* shall generally conform to the Concept Site Plan contained in Exhibit 'B' of the SUP ordinance; and,

(b) The operation of a *Restaurant [Less Than 2,000 SF; Without Drive-Through or Drive-In Service]* shall generally conform to the Floor Plan contained in Exhibit 'C' of the SUP ordinance; and,

(c) The service area of the restaurant shall be limited to 2,000 SF; and,

(d) All outdoor seating and waiting areas should be situated behind the front yard building setback adjacent to SH-205.



2) The applicant shall comply with all Planning, Engineering and Fire comments prior to the approval of the SUP;

3) Prior to the issuance of a Certificate of Occupancy the applicant shall be required to submit a replat that indicates the location of all easements on the subject property; and,

4) Any construction or building necessary to complete this request must conform to the requirements set forth by the UDC, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING & ZONING COMMISSION:

On September 9, 2014, the Planning & Zoning Commission made a motion to recommend approval of the Specific Use Permit for a restaurant with the added condition that the cross access easements approved with the site plan be provided by the applicant. The motion passed by a vote of 7-0.

September 1, 2014

Regarding Address: 406 N Goliad Rockwall, Tx 75087

Owner:Rockwall Rustic Ranch, LLC by President, Caprice Michelle

Attn:City Council of Rockwall.

This letter serves as a formal request to the Members of the Rockwall City Council asking to please remove the public access easement located on the drive indicated on the 406 N Goliad Site plan. There are several reasons for this request. First, there is an existing restaurant that is directly behind this property and it will create further issues for the new tenant to be able to control traffic issues. Secondly, there is just enough parking for my new tenant. Thirdly, this tenant will provide a family gathering environment with outoor games and this extra traffic will cause further safety concerns. In addition, by not granting this easement, valet parking in the future may also be offered on this property. Finally, because this is a long term investment, taking this easement only devalues this property for future property appreciation.

Thank you for all your patience and consideration in this matter,

Rockwall's Rustic Ranch, LLC

by, Caprice Michelle, President.

Rockwall's Rustic Ranch LLC
by, Caprice Michelle

406 N Goliad, Rockwall, TX 75087 - Rockwall's Rustic Ranch LLC;

1. Commercial Permit for a Restaurant.

2. Have a potential client, Jack's Mac and Grill. They indicated if I had the parking here they would have a lease in hand.

3. Would like to request to be able to have a Valet service on this property. This is a long term investment and we would like the right to exercise this offer possibly in the future.

4. The restaurant will be bound by their lease to stay within the required 2000 square footage.

5. House is 2071 sq ft according to the tax role. 96 sq ft is the patio area. The kitchen area will be used for freezer storage and the garage will be storage area also. bathroom waste area has been increased.

6. Difficult to finalize the sq ft layout until the tenant signs the lease. Still in the development stage.

7..Would like the cross access easements waived on this property.

Due to the following reasons;

a) More traffic will be accessing this location and creating more dangerous situations for this family gathering.

b) Safety Reasons & Hazard.

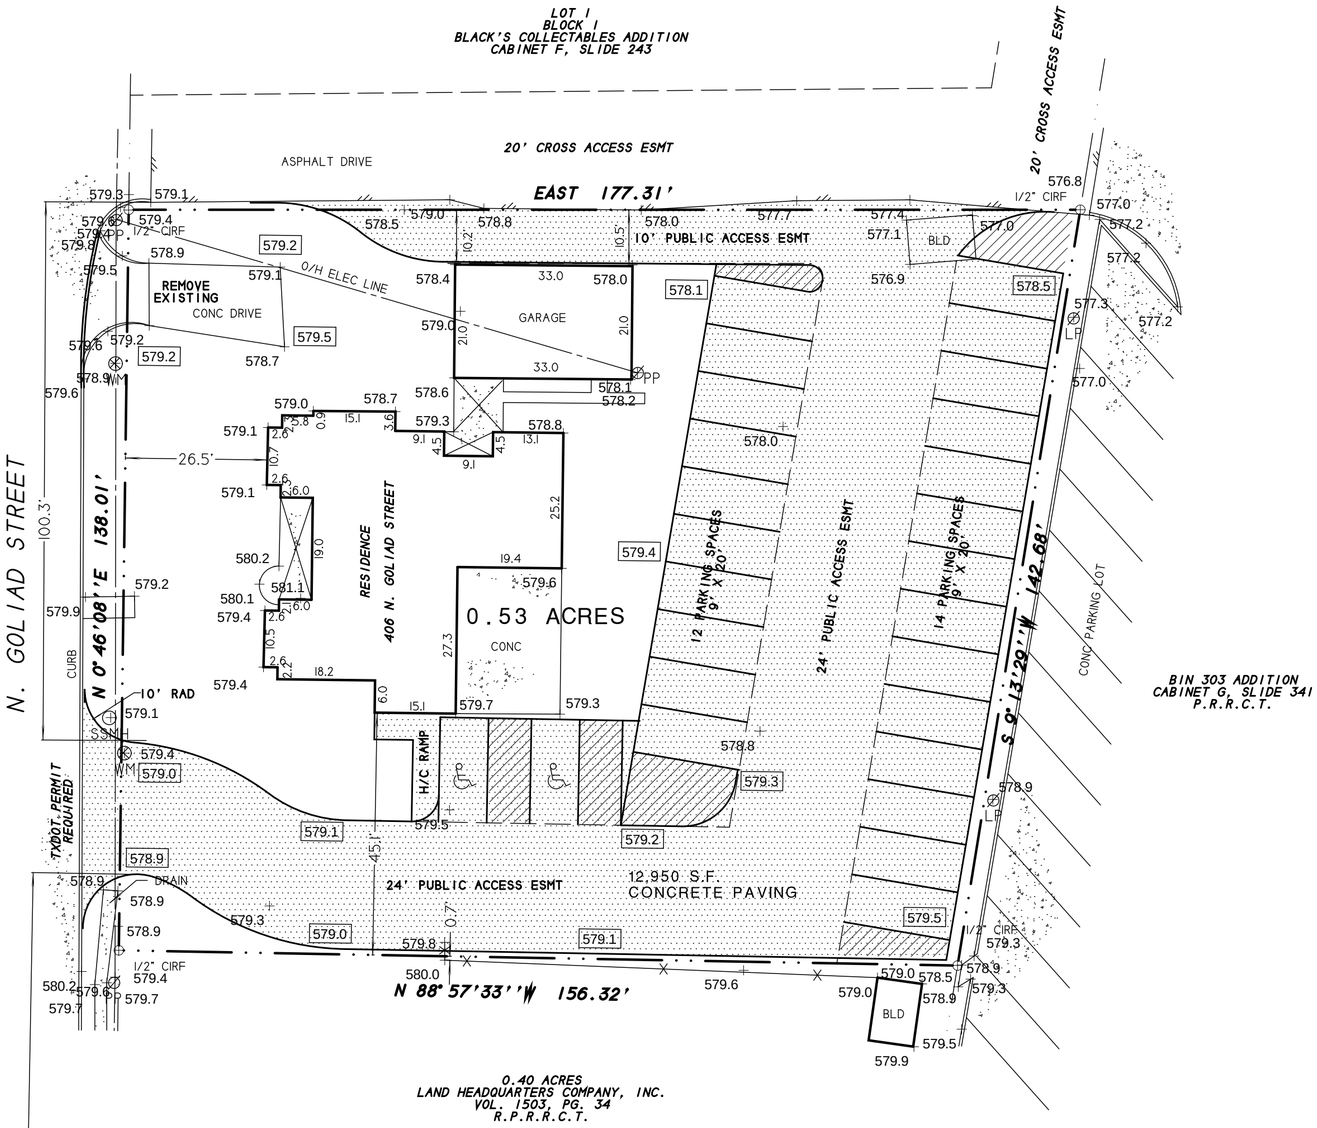
c) More Traffic Within a family environment.

d) Diminishes the value of my property.

e) This will cause a Decrease in the parking spaces because other people will be parking here for other businesses.

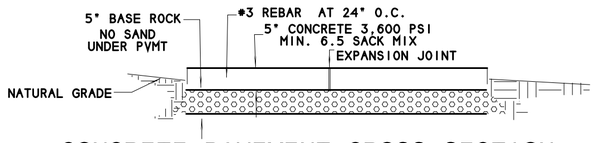
f) This makes this property Less attractive to my potential tenant.

g) Tenant is asking me to put in the parking lot. They want all the parking for their use.



h) The parking lot perhaps will need to be built to different Code expectations. Futher investment. Higher municipal expectations.

8. This access takes what makes my property valuable.



9. Not offering any compensation.

10. Having a free standing building with it's own parking increases the resale value of this ~~home~~ location.

Current Approved Site Plan (Depicts the Cross Access as Recommended by the Planning and Zoning Commission)

NOTE: Drainage detention is required for the parking lot.

CITY OF ROCKWALL

ORDINANCE NO. 14-XX

SPECIFIC USE PERMIT NO. S-XXX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) FOR A RESTAURANT THAT IS LESS THAN 2,000 SF IN SERVICE AREA AND THAT DOES NOT HAVE A DRIVE-THROUGH OR DRIVE-IN SERVICE ON A 0.53-ACRE PARCEL OF LAND; ZONED PLANNED DEVELOPMENT DISTRICT 50 (PD-50) FOR RESIDENTIAL OFFICE (RO) DISTRICT LAND USES; BEING ADDRESSED AS 406 N. GOLIAD STREET AND IDENTIFIED AS LOT B, BLOCK 123, B. F. BOYDSTON ADDITION, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a request has been made by Caprice Michelle on behalf of Rockwall's Rustic Ranch, LLC for the approval of a Specific Use Permit (SUP) for a *Restaurant [Less Than 2,000 SF; Without Drive-Through or Drive-In Service]* on a 0.53 at 406 N. Goliad Street, being zoned Planned Development District 50 (PD-50) for a 0.53-acre parcel of land identified as Lot B, Block 123, B. F. Boydston Addition, zoned Planned Development District 50 (PD-50) for Residential Office (RO) District land uses, situated within the North Goliad Corridor Overlay (NGC OV) District, addressed as 406 N. Goliad Street, City of Rockwall, Rockwall County, Texas, and more specifically described in *Exhibit 'A'* of this ordinance, which herein after shall be referred to as the *Subject Property*, and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1. That the Unified Development Code [*Ordinance No. 04*-38] of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit (SUP) allowing for a *Restaurant [Less Than 2,000 SF; Without Drive-Through or Drive-In Service]* within a Planned Development District 50 (PD-50) as stipulated by *Ordinance No. 07-29* and Article IV, *Permissible Uses*, of the Unified Development Code on the *Subject Property*; and

SECTION 2. That the *Subject Property* shall be developed and/or used only in the manner and for the purposes described in this Specific Use Permit (SUP) ordinance, *Ordinance No. 07-29* and as stipulated by Section 4.2, *Residential Office (RO) District*, of Article V, *District Development Standards*, of the Unified Development Code [*Ordinance No. 04-38*] as heretofore amended, as amended herein by granting of this zoning change, and as may be amended in the future, and shall be subject to the following conditions and compliance standards:

2.1 Operational Conditions

The following conditions pertain to the operation of a *Restaurant [Less Than 2,000 SF; Without Drive-Through or Drive-In Service]* on the *Subject Property*, and conformance to these operational conditions are required for continued operations:

1) The development or operation of a *Restaurant [Less Than 2,000 SF; Without Drive-Through or Drive-In Service]* shall generally conform to the *Concept Site Plan* contained in *Exhibit 'B'* of this ordinance, and incorporated by reference herein;

2) The operation of a *Restaurant [Less Than 2,000 SF; Without Drive-Through or Drive-In Service]* shall generally conform to the *Floor Plan* contained in *Exhibit 'C'* of this ordinance, and incorporated by reference herein;

3) The service area of the restaurant will be limited to 2,000 SF; and,

4) All outdoor seating and waiting areas should be situated behind the front yard building setback adjacent to SH-205;

Section 3. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

Section 4. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

Section 5. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of TWO THOUSAND DOLLARS ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 6. If any section or provision of this ordinance or the application of that section or provision to any person, firm, corporation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

Section 8. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 6TH DAY OF OCTOBER, 2014.

David Sweet, *Mayor*

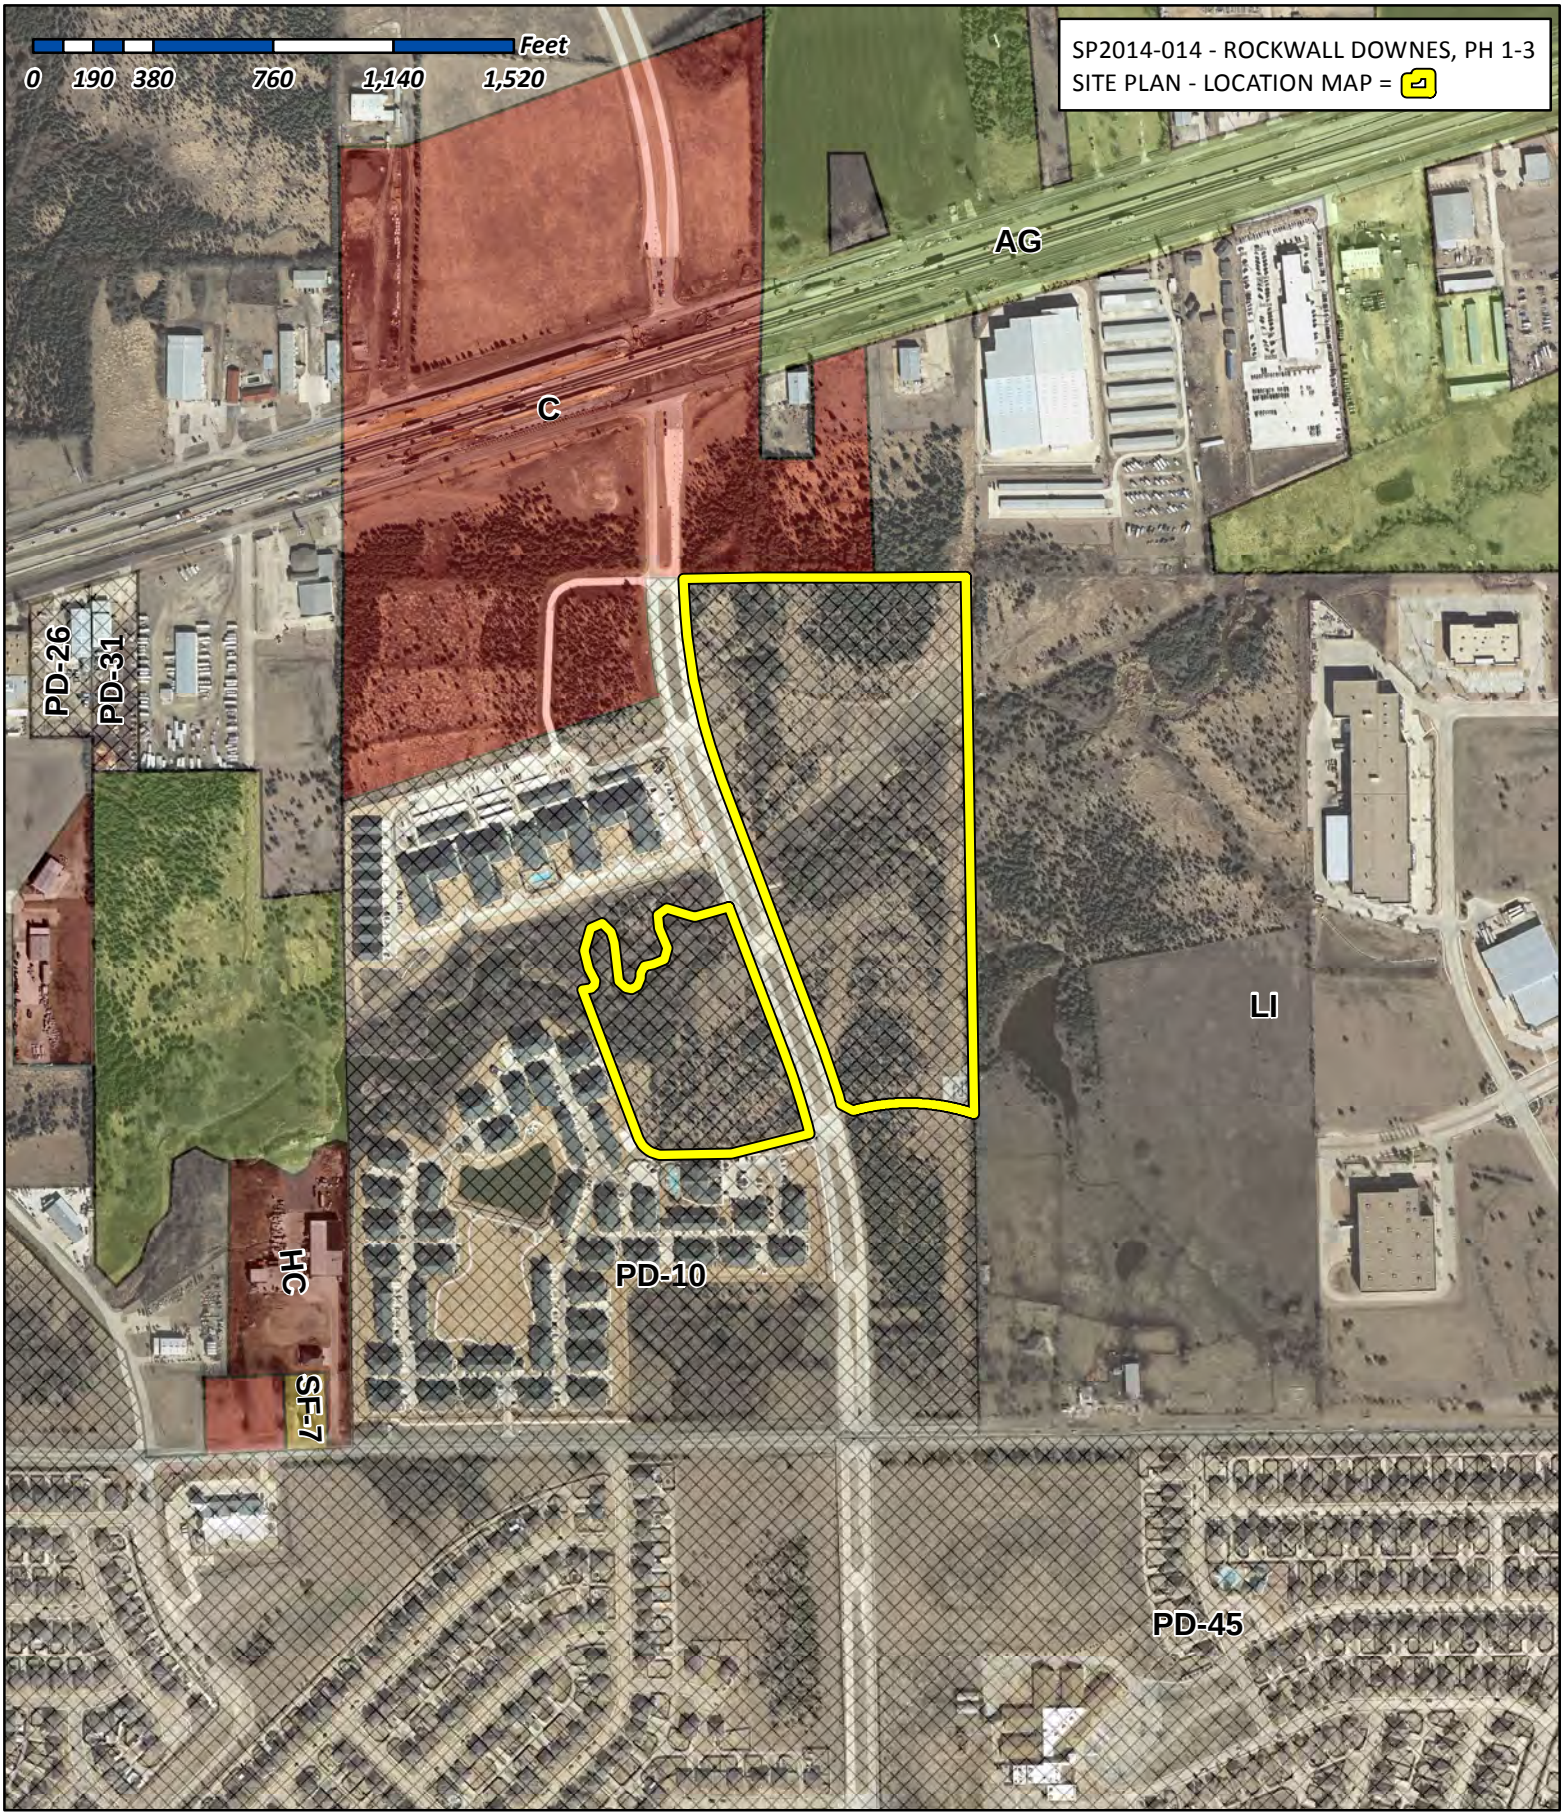
CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Mayor and City Council

FROM: Ryan Miller, *Planning Manager*

CC: Rick Crowley, *City Manager*
Robert LaCroix, *Director of Planning and Zoning*



DATE: September 15, 2014

SUBJECT: Rockwall Downes (*SP2014-014*)

On September 9, 2014 the City Council approved the site plan for the *Rockwall Downes Subdivision.* As part of this case, the applicant is requesting a variance to the dead end road requirements for Phase 3 of the subdivision. According to *Standards of Design and Construction Manual*, "(u)se of this design [cul-de-sacs] shall provide proper access to all lots and shall not exceed six hundred (600) feet in length, measured from the center of the cul-de-sac to the center of the intersecting street (not a dead end street)." The site plan provided by the applicant shows a dead end street that extends more than 600-feet and terminates in a cul-de-sac. Originally, the plan showed a connection to a mutual access easement connecting to the multi-family development (i.e. *the Mansions*) south of the subject property. The applicant has provided a letter stating that the purpose for the revised layout is to make the subdivision more marketable/desirable to prospective buyers. To help mitigate this variance request the applicant has provided a 24-foot emergency access point adjacent to the cul-de-sac and connecting to John King Boulevard.

While the submitted layout does vary from the approved preliminary plat, the proposed changes do not have an impact on the density or number of lots being proposed by the applicant; nor, does it change the intent of the development. The Planning and Zoning Commission did review the proposed layout for Phase 3 and voted 7-0 to approve the site plan. As part of this motion, the Planning and Zoning Commission also unanimously voted to recommend approval of the applicant's variance request to the City Council.

Rockwall, Tx. 75087

Re: Variance Request for Over-Length Street
Rockwall Downes Ph. 1-3
Rockwall, Tx.

Dear Mr. Miller:

As you are aware, Cambridge Companies is in the process of developing plans for Phase I-III of Rockwall Downes. More specifically, the Rockwall Downes lies within Tracts G, H, and I of PD-10, a planned development district with the City of Rockwall.

The purpose of this inquiry is related to Phase III. This phase presently is situated just north and east of an existing multi-family development. Furthermore the current approved plan shows this phase sharing a drive/street with the multi-family development. We believe this may not be received well by perspective buyers and we would like to separate ourselves from our neighbors for perception purposes. Therefore we are proposing a single cul-de-sac with an emergency access point to the end of the cul-de-sac acceptable to the fire department and the engineering department to provide dual access points in the event of an emergency.

We would like to thank you in advance for your time and consideration in this matter. If you have any questions about the information enclosed or need any additional information to facilitate a decision please let us know.

Sincerely,

Matthew W. Alexander, P.E.
Vice President - Development

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Mary Smith, Assistant City Manager**

DATE: **September 12, 2014**

SUBJECT: **Amending the Fiscal Year 2014 Budget**

The final General fund budget summary sheets for the fiscal year 2014 amended and fiscal year 2015 proposed budget are included in the Council packet with the budget adoption agenda item. The amended budget has not changed during budget discussions.

CITY OF ROCKWALL, TEXAS

ORDINANCE NO.

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE BUDGET OF THE CITY FOR THE FISCAL YEAR OCTOBER 1, 2013 THROUGH SEPTEMBER 30, 2014; PROVIDING FOR AN EFFECTIVE DATE.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the budget of the City Council of the City of Rockwall for the fiscal year October 1, 2013, through September 30, 2014, be and the same is hereby amended and such amendments are indicated and shown on **Exhibit "A"** attached hereto and made a part hereof for all purposes.

Section 2. This ordinance shall take effect immediately from and after its passage.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 15th day of September, 2014.

ATTEST: **David Sweet, Mayor**

Kristy Ashberry, City Secretary

APPROVED AS TO FORM:

Frank Garza, City Attorney

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Mary Smith, Assistant City Manager**

DATE: **September 9, 2014**

SUBJECT: **Adopting the Fiscal Year 2015 Budget**

Notebook. It is included by reference only, rather than presented again in its entirety.

General Fund

The General Fund as adopted will anticipate tax collections based on a 49.55 cent tax rate with expenditures adjusted as discussed at the previous Council meetings.

The budget now includes funding for an additional three fire driver positions to be added during the fiscal year. This will be accomplished by recognizing $265,000 of street materials from General Fund reserves.

Water – Sewer Fund

The water and sewer fund rate study continues and should be ready for Council presentation in November 2014. In all likelihood, it will demonstrate a need for a rate increase to be considered for immediate implementation. The proposed budget anticipates new revenue creation to balance expenditures.

Sales continue to be lower than projected due to successful conservation efforts by our customers. The easing of drought restrictions to once per week watering is helping with the chlorine residuals and water quality but we will not know the full monetary impact of any increased consumption for a month or so. The rate resolution will be presented to Council shortly with the new rates to be effective on January 1st.

Budget Adoption Wording

Senate Bill 656 effective for budgets adopted after September 1, 2013 requires specific wording is included in the adopted budget document. The following statement will appear on the cover of the document and be published on the City's website for one year:

This budget will raise more revenue from property taxes than last year's budget by the amount of $822,348, which is an increase of 4.7% from last year's budget. The property tax revenue to be raised from new property added to the tax roll this year is $ 969,635.

Staff proposes Council have the statement read into the record prior to the Council's vote on the ordinance adopting the budget.

CITY OF ROCKWALL

ORDINANCE NO. _____

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, APPROVING AND ADOPTING A BUDGET FOR THE CITY FOR THE FISCAL YEAR OCTOBER 1, 2014, THROUGH SEPTEMBER 30, 2015; PROVIDING THAT EXPENDITURES FOR SAID FISCAL YEAR SHALL BE MADE IN ACCORDANCE WITH THE SAID BUDGET; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City Manager of the City of Rockwall, Texas has heretofore filed with the City Secretary a proposed General Budget for the City covering the fiscal year aforesaid, and

WHEREAS, the governing body of the City has concluded its public hearing on said budget,

WHEREAS, in accordance with Section 7.06 of the City Charter, the budget for fiscal year 2014-15 is being adopted in a timely manner,

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That said budget for the fiscal year October 1, 2014, through September 30, 2015, be and the same is hereby attached to this ordinance and made a part hereof for all purposes and marked **"Exhibit A".**

Section 2. That said budget attached hereto and marked **"Exhibit A"** be, and the same hereby is, approved and adopted by the City Council as the official budget for the City for the fiscal year aforesaid.

Section 3. That expenditures during the fiscal year shall be made in accordance with the budget approved by this ordinance unless otherwise amended by a duly enacted ordinance of the city.

Section 4. This ordinance shall take effect immediately from and after its passage.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 15th day of September, 2014.

David Sweet, Mayor

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Mary Smith, Assistant City Manager**

DATE: **September 12, 2014**

SUBJECT: **Tax Rate Adoption**

The Council agenda for Monday September 15, 2014 includes the ordinance to adopt the Ad Valorem tax rate of 49.55 cents per one hundred dollars of assessed value. Specific language in the motion is not required this year since we are adopting the Effective tax rate.

213

CITY OF ROCKWALL, TEXAS

ORDINANCE NO. _____

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, LEVYING THE AD VALOREM TAXES FOR THE YEAR 2014 AT A RATE OF $.4955 PER ONE HUNDRED DOLLARS ($100.00) ASSESSED VALUATION ON ALL TAXABLE PROPERTY WITHIN THE CORPORATE LIMITS OF THE CITY AS OF JANUARY 1, 2014 TO PROVIDE REVENUES FOR THE PAYMENT OF CURRENT EXPENSES AND TO PROVIDE AN INTEREST AND SINKING FUND ON ALL OUTSTANDING DEBTS OF THE CITY; PROVIDING FOR DUE AND DELINQUENT DATES, TOGETHER WITH PENALTIES AND INTEREST; APPROVING THE 2014 TAX ROLL; PROVIDING FOR EXEMPTIONS OF PERSONS OVER SIXTY-FIVE (65) YEARS; PROVIDING AN EFFECTIVE DATE.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That there be and is hereby levied for the year 2014 on all taxable property, real, personal and mixed, situated within the limits of the City of Rockwall, Texas, and not exempt by the Constitution of the state and valid State Laws, a tax of $.4955 on each **ONE HUNDRED DOLLARS** ($100.00) assessed value of taxable property and shall be apportioned and distributed as follows:

a. For the purpose of defraying the current expenses of municipal government of the City, a tax of $.2207 each ONE HUNDRED DOLLARS ($100.00) assessed value of all taxable property.

b. For the purpose of creating a sinking fund to pay the interest and principal on all outstanding bonds of the City not otherwise provided for, a tax of $.2748 each ONE HUNDRED DOLLARS ($100.00) assessed value of all taxable property, within the city which shall be applied to the payment of such interest and maturities of all outstanding bonds.

Section 2. That all ad valorem taxes shall become due and payable on October 1, 2014, and all ad valorem taxes for the year shall become delinquent after January 31, 2015. If any person fails to pay the ad valorem taxes on or before the 31st of January, 2015, the following penalties shall be payable thereon, to wit:

During the month of February, six percent (6%); during the month of March, seven percent (7%); during the month of April, eight percent (8%); during the month of May, nine percent (9%); during the month of June, ten percent (10%); and on or after the first day of July, twelve percent (12%).

Section 3. Taxes are payable in Rockwall, Texas, at the office of the designated Tax Collector. The City shall have available all rights and remedies provided by law for the enforcement of the collection of taxes levied under this ordinance.

Section 4. All delinquent taxes shall bear the maximum rate of interest per annum as provided by law, in addition to the penalties provided herein.

Section 5. All taxes for the year 2014 which remain delinquent on July 1, 2015 shall incur an additional penalty of twenty percent (20%) of the amount of taxes, penalty and interest due to defray cost of collection.

Section 6. That pursuant to Article VIII-1b of the Constitution of Texas, $60,000 of the appraised value of residence homesteads of any married or unmarried persons, including those living alone, who were sixty-five (65) years of age or older on January 1, 2005, shall be exempt from ad valorem taxes.

Section 7. This ordinance is enacted in order to authorize the collection of ad valorem taxes for the year 2014 and shall take effect immediately from and after its passage.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 15th day of September, 2014.

David Sweet, Mayor

ATTEST:

Kristy Ashberry, City Secretary

APPROVED AS TO FORM:

Frank Garza, City Attorney

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Mary Smith, Assistant City Manager**

DATE: **September 12, 2014**

SUBJECT: **Hotel/Motel Funding Recommendation**

The Hotel / Motel subcommittee comprised of Mayor Pro Tem White and Council members Lewis and Townsend met to discuss funding requests for budget year 2014-2015. The Council received a notebook including the organization's requests along with their required reporting for this year's funded events. Attached is a summary of the requests with the previous year's allocations to the organizations. This summary also includes the subcommittee recommendations as to funding for the coming budget year.

Revenues and Fund Balance

Staff continues to be conservative in the projection of revenues. With that said, revenues increased by 17% during the current year and are expected to maintain that level for fiscal year 2015. We expect to receive $310,000 in hotel tax revenues and to finish fiscal year 2014 with a fund balance of $87,000. The committee chose to maintain a healthy fund balance in order to allow flexibility in meeting supplemental requests during the year.

Funding Levels

Funding requests for fiscal year 2014 totaled $444,840 which is a slight decrease from prior year's requests. Each specific application was discussed and whether they met our stated purposes and the state statute's requirement for "heads in beds". The subcommittee's recommendations for funding are attached. The subcommittee chose to fund events as funding allowed with most organizations receiving less than they requested due to a lack of sufficient revenues. A few requests were not funded as not meeting the "heads in beds" provision.

Contract Language/Documentation

Each organization will continue to be required to provide documentation such as a log, guestbook, registration list or other documentation that specifically notes if each person is spending the night in a hotel establishment. The City provides a link which must be included in each printed ad or event website with contact information for the hotels.

Staff will be available at the Council meeting to answer any questions.

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Mary Smith, Assistant City Manager**

DATE: **September 12, 2014**

SUBJECT: **REDC Budget**

The Rockwall Economic Development Corporation Board approved the attached budget at their Board meeting on September 11, 2014.

The budget is largely unchanged from this fiscal year's base budget. The EDC will be completing infrastructure improvements to Phase IV of the park as well as construction of Justin Road in the new budget year. Both are funded with bond proceeds issued in 2013. A number of previously contracted incentives are due to be paid in fiscal year 2015. The EDC's unallocated reserves will remain almost $3 million dollars after those payments and operating expenses.

REDC President, Sheri Franza, will be available at the Council meeting to present aspects of the budget and answer any questions.

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Mary Smith, Assistant City Manager**

DATE: **September 12, 2014**

SUBJECT: **RTPA Budget**

The Rockwall Technology Park Association Board met Thursday September 11, 2014 to approve the budget for maintenance of the Tech Park phases I – VI. The budget includes a slight increase in the park maintenance budget to reflect more frequent mowing intervals on the former Hitt property, which after infrastructure upgrades underway at this time, is be referred to as Phase IV.

REDC President, Sheri Franza, will be available at the Council meeting to answer any questions about the proposed budget.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 09/15/2014

APPLICANT: Jose and Maria Lopez

AGENDA ITEM: **MIS2014-011**; Special Request (208 Texas Avenue)

SUMMARY:

Discuss and consider a request for the approval of a special request for the purpose of permitting the construction of a covered porch that does not conform to the setback requirements as stipulated by Planned Development District 75 (PD-75) [*Ordinance No. 09-37*] for a 0.12-acre property that is identified as Lot 685 of Rockwall Lake Estates #1 Addition, City of Rockwall, Rockwall County, Texas, is zoned Planned Development District 75 (PD-75), is addressed as 208 Texas Avenue, and take any action necessary.

CHARACTERISTICS OF REQUEST:

The applicants, Jose and Maria Lopez, are requesting a special exception to the setback requirements stipulated by *Ordinance No. 09-37* for the purpose of constructing a covered porch adjacent to Texas Avenue. The subject property is a corner lot located within *'Area 1'* at the southeast corner of Bass Road and Texas Avenue. According to *Ordinance No. 09-37* properties located within *'Area 1'* require a front yard setback of 20-feet, and since the property is on a corner it is required to meet the front yard building setback adjacent to both Bass Road and Texas Avenue. Currently, the main structure is situated an estimated 25-feet from Bass Road and 17-feet from Texas Avenue (as measured by staff). The proposed covered porch will be ten (10) feet by 14-feet (or 140 SF), and be situated seven (7) feet from the northern property line adjacent to Texas Avenue. The structure will be constructed with a wood frame and incorporate a roof structure that can be built utilizing standing seam metal or asphalt shingles. With the exception of the requested 13-foot variance to the front yard building setback requirements the structure will be in conformance with all applicable codes.

Generally, this request would require approval from the Board of Adjustments (BOA); however, *Ordinance No. 09-37* specifically states that the Planning and Zoning Commission and City Council may vary building setbacks upon request by an applicant. Staff would like to acknowledge that the applicant's request appears to be consistent with existing development in the neighborhood, and the approval of the request would not alter the essential character of the planned development district.

RECOMMENDATIONS:

If the City Council chooses to approve the applicant's request for a waiver to the front yard building setback requirements staff would recommend the following conditions:

1) Prior to the construction of the carport the applicant will need to apply for a Building Permit from the Building Inspections Division,

2) Any construction or building allowed by this request must conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING & ZONING COMMISSION:

On September 9, 2014, the Planning & Zoning Commission recommended approval of the applicant's request for a waiver to the front yard building setback requirements by a vote of 6-0, with Commissioner Lyons absent.

MEMORANDUM

TO: **Honorable Mayor and City Council Members**

FROM: **Kristy Ashberry, City Secretary**

DATE: **September 10, 2014**

SUBJECT: **Recommendations re: appointments to the Youth Advisory Council (YAC)**

This year, applications for YAC were solicited via local news media outlets, our website and Facebook page, word-of-mouth, and by reaching out to a few teachers. We received about twenty applications. An interview panel consisting of myself, Councilmember White (YAC liaison), Brandy Glover (RHS teacher/YAC liaison), and three existing YAC students (Beth, Isabella and Baldwin) conducted sixteen interviews on Monday, Sept. 8. The panel is recommending that the following students be considered by the City Council for appointment to the 2014-15 Youth Advisory Council:

1	Re-appointment	**Senior (RHHS)**	Samuel	Strahan
2	Re-appointment	**Junior (HmSch)**	Beth	Naylor
3	Re-appointment	**Junior (RHHS)**	Isabella	Burzair
4	Re-appointment	**Junior (RHHS)**	Baldwin	Bakkal
5	Re-appointment	**Junior (RHS)**	Derek	Avenetti
6	NEW appointment	**Junior (RHS)**	Cate	Ghormley
7	NEW appointment	**Junior (RHHS)**	Logan	Peet
8	NEW appointment	**Freshman (RHS)**	Bethany	Villabos
9	NEW appointment	**Senior (HmSch)**	Elsa	Castro
10	NEW appointment	**Senior (RHS)**	Mie	Pighee
11	NEW appointment	**Sophomore (RHS)**	Reid	Rakow
12	NEW appointment	**Junior (RHS)**	Jake	Mirelez

In addition, due to inconsistent, low attendance last school year, the panel has recommended that the following students not be re-appointed to YAC for 2014-15:

Senior (RHS)	Heath	Terry
Senior (RHHS)	Aaron	Stubbs

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: **Brad Griggs, Assistant City Manager**
CC: **Mary Smith, Assistant City Manager**
CC: **Rick Crowley, City Manager**

FROM: **Andy Hesser, Parks and Recreation Manager**

DATE: **September 11, 2014**

SUBJECT: **CHRISTMAS DECORATIONS QUOTE FOR SAN JACINTO ST.**

The San Jacinto St. portion of the Downtown Improvement project is scheduled to be complete in time for the Christmas shopping season. Given this timing, it was suggested that San Jacinto St. should be appropriately decorated. Staff has put together a plan that creates a seasonal draw for the pedestrian area by placing a 24' tall Christmas tree as the focal point and utilizing the newly constructed features such as trees and decorative light poles for lighted garland wraps with ornaments and densely lighted tree trunks.

Staff requests that City Council consider purchasing Christmas decorations for San Jacinto St. from Christmas Designers.com. The funding source for this project is the Downtown Donations Fund. The total project cost is estimated to be $19,850 and includes:

- 24' Majestic Mountain Pine Commercial Christmas Tree with LED lights
- 4' 3D Snowburst Tree Topper
- Ornament package for 24' tree with 6" and 8" ornaments
- Light pole garland wraps with ornament clusters and LED Lights
- LED tree trunk wraps
- 20 Photo cell time clocks

In FY 2013, 18 lighted garland and ornament clusters were purchased from Christmas Designers.com for the 16' tall light poles around the square. This proposal matches what has already been purchased for a uniform look around the square. Since the Christmas tree will be viewed up close at street level and will likely be the background for many family photos, this proposal includes a high quality design and material as a opposed to a typical "panel" tree that is best viewed from a distance. Contingent upon approval, the decorations are available to be shipped in the current fiscal year and could be installed as soon as the construction is complete along San Jacinto St. The park maintenance staff is prepared to do the installation.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley – City Manager**

FROM: **Jacky Casey – Assistant to the City Secretary**

DATE: **September 12, 2014**

SUBJECT: **Charter Review Commission Timeline**

Below is the excerpt from the current City Charter regarding the appointment of a Charter Review Commission. Also included is a timeline of key dates for said appointments and ordering of election.

Sec. 11.15. Charter Review Commission.

(1) The City Council *must* appoint a Charter Review Commission of *ten citizens* of the City which will:

(a) Inquire into the operation of the City government under the Charter and determine whether any provisions require revision. To this end, public hearings may be held. The Commission may compel the attendance of any officer or employee of the City and require submission of any City records it deems necessary to conduct the hearings.

(b) Propose any recommendations it deems desirable to insure [ensure] compliance with the Charter of the City government.

(c) Report its findings and present its recommendations to the City Council.

(2) The City Council will receive and have published in the newspaper of record of the City a comprehensive summary of the report presented by the Commission; will consider any recommendations made, may order any amendments suggested to be submitted to the voters of the City in the manner provided by State law as now written or hereafter amended.

(3) The **term of office of the Commission must be for not more than six months**, at the end of which time a report will be presented to the City Council and all records of proceedings of the commission will be filed with the City Secretary and become a public record.

248

Timeline to Appoint Charter Review Commission and Call Election	
October 6th – 20th	Proposed period to appoint Charter Review Commission.
October 20th – January 15, 2015	Proposed period for Commission to meet and discuss proposed changes to Charter.
January 15th – February 15th	Proposed period for Commission to report to Council and Council review proposed Charter changes for consideration.
February 17th	Proposed Council meeting for ordering Charter Amendment election.
February 28th	Tentative statutory last day for ordering election. **This date may vary by a day or two once the 2015 Election Calendar is released by the Secretary of State.*
March 1 to March 15	Proposed period for Council to publish recommendations of Charter amendments in newspaper.

VII. INVOCATION AND PLEDGE OF ALLEGIANCE – COUNCILMEMBER WHITE

VIII. PROCLAMATIONS / AWARDS

1. Fire Prevention Month p.24
2. Texas Night Out p.26
3. Breast Cancer Awareness Month p.28

IX. OPEN FORUM

X. CONSENT AGENDA

p.30 **1.** Consider approval of the minutes from the September 15, 2014 regular city council meeting, and take any action necessary.

p.51 **2.** Consider approval of change orders number 1 and number 2 with War Horse Inc. for the FM 3097 waterline connections relocation project in the amount of $27,854.16 to be funded from 2008 revenue bonds, and take any action necessary.

p.55 **3.** **Z2014-023** - Consider approval of an **ordinance** for a request by Beth Godfrey of TKC CLXXXVI, LLC on behalf of the owner, Rick Sharp, for the approval of a zoning amendment to Planned Development District 46 (PD-46) [Ordinance No. 99-05] to allow for a Rental Store with Outside Storage (i.e. Sunbelt Rentals Company) to be established on a ~3.35-acre portion of a larger 6.222-acre parcel of land identified as Lot 2, Block A, Sharp Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 46 (PD-46) for commercial land uses, situated within the SH-276 Corridor Overlay (SH-276 OV) District, located east of Corporate Crossing (FM-549) in between SH-276 and Springer Lane, and take any action necessary. **(2nd Reading)**

p.61 **4.** **Z2014-024** - Consider approval of an **ordinance** for a request by Juan J. Vasquez, PE of Vasquez Engineering, LLC on behalf of James R. Thompson of Cavender Investment Properties E, LTD for the approval of a Specific Use Permit (SUP) for a general retail store within a Light Industrial (LI) District for the purpose of constructing a Cavender's Boot City on a 3.27-acre parcel of land identified as Tract 9-4 of the J. Lockhart Survey, Abstract No. 134, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, situated within the IH-30 Overlay (IH-30 OV) District, located on the south side of the E. IH-30 frontage Road west of Corporate Crossing (FM-549), and take any action necessary. **(2nd Reading)**

p.65 **5.** **Z2014-026** - Consider approval of an **ordinance** for a request by Caprice Michelle of Rockwall's Rustic Ranch, LLC for the approval of a Specific Use

Permit (SUP) for a restaurant within Planned Development District 50 (PD-50) on a 0.53-acre parcel of land identified as Lot B, Block 123, B. F. Boydston Addition, zoned Planned Development District 50 (PD-50) for Residential Office (RO) District uses, situated within the North Goliad Corridor Overlay (NGC OV) District, addressed as 406 N. Goliad Street, City of Rockwall, Rockwall County, Texas, and take any action necessary. **(2nd Reading)**

p.72 **6.** **P2014-024** - Consider a request by Glenn Breyszcher of Dallas Mapping & Design on behalf of David Spiegel of the Lakes Assembly of God Church for the approval of a replat for Lot 1, Block A, Lakes Assembly Addition, being a 6.210-acre parcel of land, currently identified as Blocks B & C, Green Meadows Addition, City of Rockwall, Rockwall County, Texas, zoned Single Family 7 (SF-7) District, located on the north side of Williams Street (SH-66) east of the intersection of N. Clark Street and Williams Street, and take any action necessary.

p.77 **7.** **P2014-026** - Consider a request by Chase Finch of Corwin Engineering, Inc. on behalf of John Arnold of the Skorburg Company (BH Phase IIB SF, LTD) for the approval of a replat of Lots 51-60, Block D, Breezy Hill, Phases IIA & IIB, being a 3.624-acre portion of land that is currently identified as Lots 20-26 & 50, Block D, Breezy Hill, Phases IIA & IIB, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 74 (PD-74) for residential land uses, generally located north of the intersection of FM-552 and John King Boulevard, and take any action necessary.

p.83 **8.** **P2014-028** - Consider a request by Harold Fetty of H. D. Fetty Land Surveying, LLC on behalf of the owner R. D. Vanderslice for the approval of a replat for Lot 3, Block A, Adams Addition, being a 0.30-acre parcel of land identified as Lot 1, Block A, Adams Addition, zoned Planned Development District 50 (PD-50) for Residential Office (RO) District uses, situated within the North Goliad Corridor Overlay (NGC OV) District, addressed as 911 N. Goliad Street, and take any action necessary.

p.88 **9.** Consider authorizing the City Manager to execute a contract with CXT Precast Products for the construction of a restroom at Tuttle Sports Complex in the amount of $110,409.37 to be funded from the Recreation Development Fund, and take any action necessary.

p.97 **10.** Consider authorizing the City Manager to execute a contract with Rockwall County Committee on Aging for certain nutritional and senior service programs in the amount of $30,000.00 to be funded from the Administration Department operating budget, and take any action necessary.

p.105 **11.** Consider authorizing the City Manager to execute a contract with the Texas Department of Transportation, Aviation Division for participation in the Routine Airport Maintenance Program at the Ralph M. Hall / Rockwall Municipal Airport, with matching funds for the grant to be provided by the Airport Operating Budget, and take any action necessary.

p.121 **12.** Consider authorizing the Mayor to execute an interlocal agreement for fire protection services between Rockwall County and the City of Rockwall, and take any action necessary.

p.128 **13.** Consider authorizing the City Manager to enter into an agreement with APA for the 2015 Founders Day Festival headline entertainment in the amount of $30,0000 to be funded by Hotel/Motel Tax Funds, and take any action necessary.

p.153 **14.** Consider authorizing the City Manager to execute an engineering services contract with Hydrological Support Services, LLC to perform flood study reviews for developments within the City in an amount not to exceed $40,000.00 to be funded from the FY 2014-15 Engineering Department Operations Budget and developer reimbursement, and take any action necessary.

p.166 **15.** Consider approval of an **ordinance** establishing the speed limit along SH 205 from E. Interurban Street to south of S. Heath Street at 35 miles per hour and take any action necessary. **(1st Reading)**

p.175 **16.** Consider approval of an **ordinance** amending Chapter 38. Subdivisions; Article I. In General; Section 38-15. Miscellaneous requirements, Subsection (m) to increase Engineering Inspection fees from two percent to four percent, and taken any action necessary. **(1st reading)**

p.180 **17.** Consider approval of an **ordinance** amending the Code of Ordinances in Chapter 6. Animals, Article II. Administration, Division 2. Adoption Center Advisory Committee, Sec. 6-51 to modify the composition of the committee to align with state law, and take any action necessary. **(2nd reading)**

p.183 **18.** Consider approval of a resolution authorizing the City Manager to execute an agreement with TXDOT for Construction, Maintenance and Operations of Safety Lighting Systems Within Municipalities with the Texas Department of Transportation, and take any action necessary.

XI. APPOINTMENTS

1. Appointment with the Planning and Zoning Chairman to discuss and answer any questions regarding cases on the agenda and related issues and take any action necessary.

p.188 **2.** Appointment with Dana Macalik of the Rockwall Area Chamber of Commerce to hear report on Hotel Motel Occupancy Tax funding utilized for various projects including a community map, "Visit Rockwall" website and visitor's brochure, and Rockwall Chamber website, and take any action necessary.

p.193 **3.** Appointment with representatives from Suntex RHCL, LLC to request relief from the concession agreement to operate the marina within Chandlers Landing, and take any action necessary.

p.200 **4.** Appointment with Dewayne Cain regarding Rest Haven Funeral Home expansion, and take any action necessary.

p.207 **5.** Appointment with Mark Spencer to discuss and consider the master plan for the Park at Stone Creek, and take any action necessary.

p.213 **6.** Appointment with Kim Lovett with Eventive Marketing Solutions, representing UCR Asset Services, to request permission to hold two special events (Harbor HOWL-O-Ween on 10/25/14 and Harbor Holiday on 11/15/14) on the Harbor property, and take any action necessary.

XII. PUBLIC HEARING ITEMS

p.215 **1.** **MIS2013-006** – Hold a public hearing to discuss and consider approval of an ordinance for a City initiated amendment to Sections 38-360 through 38-368 of Chapter 38, Subdivisions, of the Municipal Code of Ordinances of the City of Rockwall, Texas, concerning updated impact fees for water and wastewater

facilities based on recently approved and updated land use assumptions and utility capital improvement plans for such facilities. **(1st Reading)**

XIII. ACTION ITEMS

p.338 **1.** **SP2014-018** - Discuss and consider a request by Scott Lay on behalf of Lay Construction, LLC for the approval of variances to the SH-205 Overlay (SH-205 OV) District requirements in association with a site plan for a Dairy Queen restaurant on a 2.0638-acre tract of land identified as Tract 36 of the B. J. T. Lewis Survey, Abstract No. 255, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the SH-205 Overlay (SH-205 OV) District, located on the east side of SH-205 [S. Goliad Street] north of the intersection of SH-205 and Yellow Jacket Lane, and take any action necessary.

p.348 **2.** **MIS2014-013** - Discuss and consider a request by Darryl LaCaze for the approval of a special request for the purpose of permitting an accessory structure that exceeds the maximum permissible size stipulated by Section 2.1.2 of Article IV, Permissible Uses, of the Unified Development Code and does not meet the exterior material requirements as stipulated in Ordinance No. 09-37 for a 33.05-acre property identified as Lots 1340 & 1341 of Rockwall Lake Estates #2 Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 75 (PD-75) [Ordinance No. 09-37], addressed as 503 Nicole Drive, and take any action necessary.

p.355 **3.** **MIS2014-014** - Discuss and consider a miscellaneous request by Tim Spiars of Spiars Engineering on behalf of Master Developers SNB LLC for the approval of a variance to the alley requirements stipulated by Planned Development District 41 (PD-41) [Ordinance No. 01-27] and Section 2.11 of the Standards of Design Manual, for a 12.45-acre subdivision of land identified as the North Shore Addition, being a portion of the Preserve preliminary plat, zoned Planned Development District 41 (PD- 41) for single family residential land uses, generally located on the south side of East Fork Drive, and take any action necessary.

p.361 **4.** **Z2014-022** – Discuss and consider approval of an **ordinance** for a City initiated zoning request for the approval of a text amendment to Article V, District Development Standards, of the Unified Development Code [Ordinance No. 04-38] for the purpose of creating and implementing an Airport Overlay (AP OV) District, which will be applicable for the Ralph M. Hall/Rockwall Municipal Airport property, and for all properties located within 500-feet of the airport property and/or located within the Airport's Runway Protection Zones as defined by AC150/5300-13A, Airport Design, of the FAA standards, and take any action necessary. **(1st Reading)**

p.393 **5.** Discuss and consider approval of a resolution establishing an intent to apply for Preserve America Community Designation, supporting heritage tourism and historic preservation, and take any action necessary.

p.398 **6.** Discuss and consider approval of a resolution establishing a Charter Review Commission, and take any action necessary.

XIV. CITY MANAGER'S REPORT TO DISCUSS CURRENT CITY ACTIVITIES, UPCOMING MEETINGS, FUTURE LEGISLATIVE ACTIVITIES, AND OTHER RELATED MATTERS.

1. Departmental Reports

p.402 Building Inspections Monthly Report - August 2014
Fire Department Monthly Reports - August 2014 p.418

p.441 Harbor PD Monthly Report - August 2014
Internal Operations Department Monthly Report - August 2014 p.443

p.447 Police Department Monthly Report - August 2014
Recreation Monthly Report - August 2014 p.450

p.452 Rockwall Animal Adoption Center Monthly Report - August 2014

2. City Manager's Report

XV. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding appointment of Mayor Pro-Tem pursuant to Section 551.074 (Personnel Matters)
2. Discussion regarding appointment to fill city council member vacancy in accordance with City Charter provisions pursuant to Section 551.074 (Personnel Matters)
3. Discussion regarding appointments to city regulatory boards, commissions, and committees including the Building and Standards Commission, Board of Adjustments, Planning & Zoning Commission, Rockwall Economic Development Corporation, and Charter Review Commission pursuant to Section 551.074 (Personnel Matters)
4. Discussion regarding City Manager performance evaluation pursuant to Section 551.074 (Personnel Matters).

XVI. RECONVENE PUBLIC MEETING & TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

XVII. ADJOURNMENT

This facility is wheelchair accessible and accessible parking spaces are available. Request for accommodations or interpretive services must be made 48 hours prior to this meeting. Please contact the City Secretary's Office at (972) 771-7700 or FAX (972) 771-7727 for further information.
The City of Rockwall City Council reserves the right to adjourn into executive session at any time to discuss any of the matters listed on the agenda above, as authorized by Texas Government Code § 551.071 (Consultation with Attorney) § 551.072 (Deliberations about Real Property) § 551.074 (Personnel Matters) and § 551.086 (Economic Development)
I, Kristy Ashberry, City Secretary for the City of Rockwall, Texas, do hereby certify that this Agenda was posted at City Hall, in a place readily accessible to the general public at all times, on the 3rd day of October, 2014 at 4:00 p.m. and remained so posted for at least 72 continuous hours preceding the scheduled time of said meeting.

Jacky Casey, Assistant Secretary

ARTICLE IV. - ART IN PUBLIC PLACES MASTER PLAN

DIVISION 1. - GENERALLY

Sec. 36-56. - Definitions.

The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Art committee means five members, appointed by the city council, to conduct an analysis of the concept of the art in public places program and develop a comprehensive master plan.

Art review team (ART) commission means the commission responsible for the review and approval of public art applications and/or projects according to the process outlined in this master plan.

Artist means a practitioner in the visual arts generally recognized by critics and peers as a professional possessing serious intent and ability.

Construction project means any capital project paid for wholly, or in part, by the city to construct or remodel any building, park or parking facility.

Coordinator means the staff person appointed by the city manager to coordinate and facilitate the implementation of this article and the master plan as adopted by the city council.

Eligible project means a construction or remodeling project, as defined in this section, for which the source of funds is not restricted by law or regulation as to its use for artworks.

Project consultant means an individual working for the artist, the city, or the construction company.

Visual arts professional means an artist, arts educator, art critic, arts administrator, arts dealer, designer, art historian, curator, fine art collector, architect, urban planner or landscape architect who is well respected in his field, knowledgeable with regards to multiple disciplines and styles of visual art and willing to participate effectively in a review process without conflict of interest.

Work of art means tangible creations by artists exhibiting the highest quality of skill and aesthetic principles including, but not limited to, paintings, sculptures, stained glass, engravings, mosaics, carvings, etchings, frescoes, mobiles, murals, collages, tapestries, memorials, environmental, photographs, drawings, monuments, fountains, or utilitarian/functional works.

(Ord. No. 06-17, § 1(23-32), 6-5-2006)

Sec. 36-57. - Purpose; established.

(a) It is the intention of the city to contribute to the cultural and artistic nature of this area by establishing a public art program which will:

(1) Foster development of cultural awareness and enrich the public environment for both residents and visitors through the visual arts;

(2) Celebrate the cultural, topographic and historical aspects of the area as well as the quality of life, lifestyle and diverse character of our community;

(3) Integrate the work and thinking of artists into the planning, design and construction of public buildings and spaces;

(4) Contribute a sense of ownership and civic pride in public facilities and spaces to citizens;

(5) Support, educate and assist citizens with their community activities in which public art plays a part; and

(6) Support a variety of artistic expressions and the visual arts.

(b) In an effort to accomplish the goals of the public art program, the council-appointed arts committee has developed a master plan to establish a process, which could include the selection, purchase, commission, placement, funding, maintenance and insurance of works of art on city-owned or city-controlled property.

(Ord. No. 06-17, § 1(23-31), 6-5-2006)

Sec. 36-58. - Appropriate forms of public art.

(a) The following are considered appropriate forms of public art:

(1) Works of art that reflect the purposes of the art in public places program, always aiming to achieve the highest aesthetic quality.

(2) Works of art that give due consideration to the proposed design in terms of scale, form and content with respect to its immediate and general, social and physical environment.

(3) Works of art that give due consideration to materials and construction for questions of durability, maintenance, public access, appropriateness, safety and security.

(4) Works of art that seek to reflect enduring artistic concepts, not transitory ones.

(b) Items not to be considered as works of art:

(1) Directional elements such as signage, except where these elements are integral parts of the original works of art.

(2) Art objects which are mass produced from a standard design, such as playground equipment or fountains.

(3) Reproductions of original art works.

(4) Decorative, ornamental or functional elements, including signage, which are designed by the building architect as opposed to an artist commissioned for the purpose of creating the art work.

(5) Landscape architecture and landscape gardening except where these elements are designed for and recognized by the ART commission as an integral part of the work of art.

(Ord. No. 06-17, § 1(23-33), 6-5-2006)

Sec. 36-59. - Appropriation; allocation and management of funds.

(a) Potential sources of funding to be considered:

(1) City-budgeted funds;

(2) Individual donations;

(3) Receiving grant monies; and

(4) Sale of tiles or plaques for recognition purposes.

(b) Recognition for sizable donations could be given by placing plaques in conjunction with the artwork.

(c) Management of the art in public places fund will be administered by the city manager or his designee.

(Ord. No. 06-17, § 1(23-34), 6-5-2006)

Sec. 36-60. - Funding of the public art program.

(a) *Appropriations.* Beginning with the 2011-12 fiscal year, all appropriations for city capital improvement projects, whether financed with city bond proceeds or city monies from any other source, shall include an amount equal to 1.0 percent of the total capital improvement project appropriation, to be used for design services of artists, for the selection, acquisition, commissioning, and display of

artworks, and for administration of the public art projects. Such appropriations shall apply to a capital improvement project financed with proceeds from general obligation bonds authorized by the voters beginning with the 2011-12 fiscal year; or revenue bonds, certificates, notes, or other obligations authorized by the city council beginning with the 2011-12 fiscal year. Monies appropriated as part of one project, but not deemed necessary by the city council in total or in part for the project, may be expended on other projects approved under the annual public art projects plan; provided that proceeds from bonds issued and authorized for a particular use or purpose shall not be used or diverted for a different use or purpose.

(b) *Grants and contributions from non-city sources.* Beginning with the 2011-12 fiscal year, each city department shall include in every application to a granting authority for a capital improvement project grant an amount for artists' services and artworks in accordance with this article. The public art appropriation shall apply to all capital improvement projects financed with grants or contributions from private persons or governmental or public agencies, subject to conditions of the granting or contributing person or agency. If the public art appropriation is not allowed as a reimbursable expense, only the city-funded portion of the project is subject to the public art appropriation.

(c) *Method of calculation.* The minimum amount to be appropriated for artists' services and artworks is equal to the total city capital improvement project appropriation multiplied by 0.010; provided that amounts budgeted for real property acquisition costs, demolition costs, equipment costs, normal major maintenance costs, financing costs, costs paid for from the contingency reserve fund, capital reserve funds, or interest earnings on city bond proceeds, costs of any below-grade water or wastewater improvements, and costs of resurfacing or repair of existing streets, sidewalks, and appurtenant drainage improvements are not subject to the calculation.

(d) *Public art accounts.* Amounts appropriated pursuant to this article shall be established by the city manager, or his designee, in a public art account within each capital improvement project fund.

(e) *City bond proceeds.*

(1) If a city capital improvement project is financed with city bond proceeds, the use of any amounts appropriated for artists' services and works of art in accordance with this article must be consistent with any voted proposition approved by the voters of the city, any resolution or ordinance adopted by the city council authorizing issuance of the bonds, and applicable state or federal law. In no event shall city bond proceeds be used for public art maintenance purposes.

(2) This section shall not apply to any refunding bond proceeds.

(3) This section shall not apply to any capital improvement project financed with water utility revenues that is located outside the city limits; or any below-grade capital improvement financed with water utility revenues, whether or not the below-grade improvement is part of a city capital improvement project that involves at-grade or above grade improvements.

(f) *City council exclusions.* When considering the capital improvements plan, or any amendment thereto, the city council may exclude individual city capital improvement projects from the application of this section.

(Ord. No. 11-10, § 1(23-45), 3-7-2011)

DIVISION 2. - ART REVIEW TEAM (ART) COMMISSION

Sec. 36-77. - Established.

(a) *Composition; appointment of members; term; compensation.* There is hereby created a commission known as the art review team (ART) commission. The commission shall be organized as follows:

(1) The art review team (ART) commission shall consist of five members, appointed by the city council. The team members will include two visual arts professionals, two members of the business community who will be representative of the environmental design fields (architecture, landscape architecture, urban planning/design), and one resident of the community. Selection of

the team will reflect ethnic, artistic, economic and demographic diversity of the community. All team members must possess knowledge of, or have an interest in contemporary, visual art, artistic principles and art media. A board member of the Rockwall Alliance for the Arts and the director of parks and recreation or his designee will serve as ex officio (nonvoting) members.

a. The art review team (ART) commission shall consist of five regular members appointed by a majority of the city council. The ex officio member from the Rockwall Alliance for the Arts will also be appointed by the city council. The ex officio member from the parks and recreation department will be appointed by the city manager.

b. In the case of a vacancy of the commission, the city council, by a majority vote, may appoint a replacement member to the commission. Any person appointed shall serve until the expiration of the term of office of the vacated position.

c. Each member of the commission shall be a resident citizen and qualified voter of the city.

d. Upon the initial appointment of the commission by the city council, members shall draw lots for three two-year terms and three one-year terms of service. Thereafter, the term of office of members of the commission shall be for two years. Members may be removed, as determined by the city council.

e. Members shall serve without compensation.

(b) *Meetings.* The commission shall hold its meetings on the call of the chairperson, or at such other times as the commission may determine. All meetings shall be open to the public.

(c) *Quorum.* All cases to be heard by the commission must be heard by at least four members.

(d) *Chairperson and vice-chairperson.* A chairperson and vice-chairperson shall be elected by the members of the commission at the first meeting following the annual appointment of the new members.

(e) *Records.* The commission shall keep minutes of its proceedings, showing the vote of each member upon each question, or, if absent or failing to vote, indicating such fact, and shall keep records of its examinations and other official actions, all of which shall be immediately filed in the office of the commission and shall be a public record.

(f) *Vote.* The concurring vote of four members of the commission shall be necessary for the approval of any application. Only the members of the commission present shall have voting privileges.

(g) *Rules and regulations.* The commission shall adopt rules in accordance with this article.

(Ord. No. 06-17, § 1(23-35), 6-5-2006)

Sec. 36-78. - Duties and responsibilities regarding education and public relations.

(a) The art review team (ART) commission shall promote the art in public places master plan.

(b) The art review team (ART) commission shall develop, evaluate and recommend projects in accordance with these guidelines:

(1) Press releases to all applicable news sources;

(2) Presentations to local civic organizations and area schools;

(3) Fundraising efforts for the art in public places fund;

(4) Grant applications for the art in public places program or its proposed projects; and

(5) Public forum.

(c) The art review team (ART) commission shall promote the art in public places master plan by various means, including:

(1) Acquiring suitable speakers to make presentations;

(2) Scheduling presentations; and

(3) Providing a copy of the information to outside sources wishing to use it to promote and further the art in public places master plan.

(d) The art review team (ART) commission, on an ongoing basis, shall actively explore potential sites for art in public places projects. In this, the commission shall seek the input of various city departments, as well as the community at large, to identify both future planned and existing sites. Upon development of an art project, information will be disseminated, as appropriate, through various mediums well in advance of the selection process to provide adequate time for applicants to prepare submissions. The coordinator will promote communication between the artist, art review team (ART) commission, city departments and any contractor or consultant involved with the project.

(Ord. No. 06-17, § 1(23-36), 6-5-2006)

DIVISION 3. - APPLICATIONS

Sec. 36-100. - Development of an art in public places project.

An art in public places project may originate from a number of sources:

(1) *City initiated.* City-initiated projects shall be given due consideration and the $150.00 application fee shall be waived. All other requirements of the application process shall apply.

(2) *Externally initiated.* Individuals, businesses and/or organizations wishing to submit a proposal for a project.

(Ord. No. 06-17, § 1(23-37), 6-5-2006)

Sec. 36-101. - Procedure; eligibility requirements.

(a) When the idea for placing a work of art is developed, the idea should be submitted in a "letter of intent" to the commission for consideration.

(b) The city will provide the following to all applicants for the art in public places program:

(1) A copy of the art in public places master plan; and

(2) An application form, which (at a minimum) will request the following information (if available at the time of submittal of the application):

a. Artist's name and resume;

b. Photos, slides, renderings, scaled models or other illustrations of work;

c. Requested location;

d. Processing fee of $150.00;

e. Size and material specifications;

f. Scope and schedule of work;

g. Lighting specifications, if applicable;

h. Estimated cost; and

i. Any additional information deemed necessary.

(c) The application, along with any other pertinent information, must be submitted to the coordinator for consultation by the commission.

(d) In order to foster community awareness of the art in public places master plan, appreciation of the visual arts, its potential for the enhancement of the public environment and to maximize its positive

effect on the community, applications must include educational information as to the nature of the project. Information will include, but not be limited to, the following:

(1) The artistic intention or goal of the project;

(2) The artist's statement;

(3) The artist's background information;

(4) Information on the artistic discipline, style, medium, technique and creative process, including their relative historical information; and

(5) Any other informative document relative to the educational aspect of the project.

(Ord. No. 06-17, § 1(23-38), 6-5-2006)

Sec. 36-102. - Approval.

(a) *Criteria.* The art review team (ART) commission will evaluate the project based on the following criteria:

(1) Health, safety and public welfare.

(2) Appropriateness to the site:

a. Size and scale;

b. Color scheme;

c. Theme; and

d. Materials.

(3) Size relative to the site and surroundings.

(4) Potential longevity:

a. Resistance to elements; and

b. Theme.

(5) Maintenance requirements.

(6) Aesthetic value.

(b) *Review and hearing.* After their review and approval, the art review team (ART) commission will then forward the application and its recommendations to the city council for review. If appropriate, the city council will hold a public hearing to assess public opinion of a proposal, deny the request, or approve the application. The council may give direction to and ask the art review team (ART) commission to continue to work with the applicant and/or project.

(c) *Denial; appeals made to council.* In the event the art review team (ART) commission determines a project is not suitable, the applicant may appeal their decision to the city council within 30 days of the denial. The appeal must be made through the coordinator and placed on the city council agenda.

(Ord. No. 06-17, § 1(23-39), 6-5-2006)

DIVISION 4. - PROCEDURE FOLLOWING APPROVAL

Sec. 36-133. - Project implementation and coordination.

(a) Once a project is approved, the art review team (ART) commission, in conjunction with the coordinator, shall make recommendations to the city council regarding the details of completion, which could include the following methods of implementation:

(1) *Open entry competition.* Any artist is eligible to enter. The site proposal will be appropriately advertised. Artists may be asked to submit slides of their past work, resumes and letters of intent related to the specific project or specific proposals for the project under review.

(2) *Limited entry competition.* The art review team (ART) commission invites a limited number of artists to participate in the selection process. The artists selected may be asked to submit slides of past work or proposals based on the proposed project. The names of the artists invited to participate shall be publicly announced upon receipt of written acceptance of the invitation.

(3) *Direct selection of artist.* An artist is invited to participate in the project and may be asked to develop a proposal for the project. If desired, a team of several artists may be put together.

(4) *Direct purchase of existing artwork.* A completed work of art is purchased.

(b) Upon approval of the art review team (ART) commission's recommendation by the city council, the city shall contract with the artist for services or for the purchase and installation of a specific artwork. In general, art in public places project contracts shall require the artist to produce, deliver, and install a work of art for a guaranteed maximum cost and by a predetermined time. Depending on the nature of the project, performance by the artist may be contractually ensured through phased payment for work completed and/or professional liability coverage. The coordinator shall work with the artist to determine the appropriate budget for each project to ensure that all necessary costs are met. Council approval of the budget for an art in public places project is a prerequisite for the project's final approval. In addition, the artist may be asked to make a public presentation at an appropriate time and in an appropriate forum in the community, possibly where the work is to be sited.

(c) In the case of an artist who has contracted with the city to produce a specific work of art, approval of the design prior to the signing of that contract shall be considered sufficient. If, however, the design changes substantially from that which was initially approved, the artist must return to the art review team (ART) commission for subsequent review. Any design changes approved by the art review team (ART) commission must be presented to the city manager or his designee for approval.

(d) In the case of a design team approach, it shall be the primary responsibility of the artist and the project consultant to collaborate on the design of the artwork and its relationship with the site. They shall be required to bring the design, in its formative stages, back to the art review team (ART) commission for review. The stage at which final approval of the design occurs will vary from project to project, as specifically stated in the artist's contractual agreement with the city.

(e) All project consultants expressing interest in an eligible construction or renovation project shall be advised of the art in public places program requirements and guidelines. The selected consultant and appropriate city representatives shall work closely with the coordinator in the development of the artwork project and with the art review team (ART) commission in selection of the artist/artwork. The project consultant shall incorporate the requirements of the work of art into the construction documents, including time of delivery and installation.

(f) On-site activity in connection with installation of artwork shall be handled by the artist, coordinator, and appropriate city representatives within the departments having jurisdiction over the site and/or construction.

(g) The coordinator shall function as a liaison between the artist and the various city departments involved in the completion of each artwork project. In instances where construction matters cannot be resolved between the artist and the consultant, the city shall have final authority.

(h) The coordinator shall establish and maintain appropriate records of each project, which shall include the contract with the artist, records of the art commission and council's actions, interdepartmental agreements, all billings made in connection with the project and all related correspondence. In addition, the coordinator shall maintain records particular to the project to ensure adequate standards of documentation, registration, care, and installation of the artwork.

(Ord. No. 06-17, § 1(23-40), 6-5-2006)

Sec. 36-134. - Maintenance, insurance and repair of public art.

(a) The art review team (ART) commission shall make an annual review of the city's art in public places collection for the purposes of a maintenance needs assessment. The art review team (ART) commission shall communicate those needs and the appropriate actions to the coordinator.

(b) The works of art acquired through the art in public places program become the property of the city and are held in trust by the city. Therefore, the expenses associated with the routine maintenance and operation of each artwork shall be incurred by the city. Routine maintenance shall be understood to include such things as the periodic cleaning and the operational costs of a work. Any substantive repair of the work, such as structural repair, or major maintenance, shall be considered to be an expense of the related art in public places fund.

(c) So far as is practical, in the event repair of the artwork is required, the city shall give the artist the opportunity to do that work for a reasonable fee. Disputes concerning what constitutes a reasonable fee shall be settled by a panel of three visual art professionals with knowledge of curatorial concerns, to be appointed by the art review team (ART) commission. If the artist declines to perform the needed repairs for such a fee, the city may solicit proposals from qualified conservators.

(Ord. No. 06-17, § 1(23-41), 6-5-2006)

Sec. 36-135. - Eligible costs for art in public places funds.

(a) All art in public places contracts shall require the artist to design, produce, deliver and install a work of art for a guaranteed maximum cost. This cost may include the cost of the work itself and any associated costs which may be required by the city or inherently related to the implementation of the project. Therefore, the following costs are eligible expenditures for the monies included in the total project commission:

(1) The work of art itself including, but not limited to:

a. The artist's design fee;

b. Additional labor, materials and contracted services required for the production and installation of the work;

c. Transportation of the work to the site; and

d. Installation of the work.

(2) Identification plaques and labels.

(3) Frames, mats, mountings, anchorages, containments, pedestals, or materials necessary for the installation, location or security of the work of art.

(4) Photographs or slides of the completed work for the purposes of routine documentation of the project.

(5) Permits or fees necessary for the installation of the work of art.

(6) Legal costs incurred by the city, directly related to the project.

(7) Associated administrative costs incurred by the city.

(8) Other types of expenses specifically provided for in the contract and approved by the council.

(b) In addition to the actual costs associated with an art in public places project, the monies are to be used for the selection, acquisition, and substantive maintenance of the work of art commissioned or purchased through the art in public places program. Therefore, the following items are eligible expenditures of the monies:

(1) The project specific costs of the art in public places program associated with the selection and acquisition of the artwork.

(2) Substantive structural repair and maintenance of the works of art commissioned through the art in public places program.

(Ord. No. 06-17, § 1(23-42), 6-5-2006)

Sec. 36-136. - Ineligible costs for art in public places funds.

The following are ineligible costs for art in public places funding:

(1) Services or utilities needed to routinely operate or maintain the artwork.

(2) Modifications in or improvements to building surfaces or structural elements of the building.

(Ord. No. 06-17, § 1(23-43), 6-5-2006)

Sec. 36-137. - Relocation and removal of art.

(a) The following policy has been included to provide a consistent method for determining if a work has remained relevant and/or useful in the context of its original purpose. It also provides a mechanism for the proper removal of a work of art that has deteriorated or has been damaged beyond repair. In this document, the term "removal" means permanent removal of a work of art, and relocation means reinstallation of a work of art at a new site. Works of art may be considered for removal only after five years have passed from the date of the acquisition, unless the installation site has been substantially altered, or the work has deteriorated or been damaged, or the council otherwise determines that circumstances warrant the need for removal or relocation.

(b) Requests for removal or relocation shall be acted on through the following process:

(1) Requests for removal or relocation may be city or externally initiated (i.e., by a recognized civic group with evidence of community support). These requests must be submitted through the coordinator.

(2) The coordinator shall review the request and forward it to the art review team (ART) commission. The art review team (ART) commission will evaluate the request and make a formal recommendation to the council. In evaluating a relocation or removal request, the art review team (ART) commission shall apply the following criteria:

a. Visual record of alteration, damage to, or deterioration of the site or work of art;

b. Cost estimates for repair, relocation or disposal; and

c. A new site plan for relocation.

(3) The city council will ultimately determine if an art in public places piece should be relocated.

(4) The city council will not generally consider removing an art in public places piece before five years unless there are extenuating circumstances involved.

(Ord. No. 06-17, § 1(23-44), 6-5-2006)

Proclamation

Rockwall, Texas

Whereas, the City of Rockwall is committed to ensuring the safety and security of all those living in and visiting our city, and fire is a serious public safety concern both locally and nationally; and

Whereas, in 2013 home fires killed more than 2,700 people in the U.S. and fire departments in the United States responded to 369,500 home fires; and

Whereas, working smoke alarms cut the risk of dying in home fires in half; and

Whereas, Rockwall residents should install smoke alarms in every sleeping room, outside each separate sleeping area, and on every level of the home and ensure appropriate alert devices are in place to meet the needs of people who are deaf or hard of hearing; and

Whereas, Rockwall residents who plan and practice a home fire escape plan are more prepared and will therefore be more likely to survive a fire; and

Whereas, Rockwall first responders are dedicated to reducing the occurrence of home fires and home fire injuries through prevention and protection education and have found Rockwall residents to be responsive to public education measures, taking personal steps to increase their safety from fire, especially in their homes; and

Whereas, the 2014 Fire Prevention Month theme, **"Working Smoke Alarms Save Lives: Test Yours Every Month!"** effectively serves to remind us that we need working smoke alarms to give us valuable time needed to get out safely.

Now Therefore, I David Sweet, Mayor of the City of Rockwall do hereby proclaim **October 2014** as

FIRE PREVENTION MONTH

in the City of Rockwall and urge all residents to test their smoke alarms at least every month by pushing the test button, and to support the many public safety activities and efforts of the Rockwall Fire Department.

In Witness Whereof, I hereunto set my hand and seal this 6st day of October, 2014.

Proclamation

Rockwall, Texas

Whereas, the National Association of Town Watch (NATW) sponsors a nationwide crime, drug and violence prevention program called "National Night Out" in August of each year; and

Whereas, the 31st annual "National Night Out" and the annual "Texas Night Out" events provide a unique opportunity for Rockwall to join forces with thousands of other communities in promoting cooperative, police-community crime prevention efforts; and

Whereas, the citizens of Rockwall play a vital role in assisting the Rockwall Police Department through participation in crime, drug and violence prevention efforts in the City of Rockwall and is supporting "National Night Out 2014" and "Texas Night Out 2014" throughout our community; and

Whereas, it is essential that all citizens of Rockwall be aware of the importance of crime prevention programs and the impact that their participation can have on reducing crime, drugs and violence in Rockwall; and

Whereas, police-community partnerships, neighborhood safety, awareness and cooperation are all important themes of the "Texas Night Out" program;

Now, Therefore, I, David Sweet, Mayor of the City of Rockwall, Texas, do hereby proclaim October 7, 2014, as

Texas Night Out

in the City of Rockwall and call upon all citizens of Rockwall to join the Rockwall Police Department and the National Association of Town Watch in supporting this important event on Tuesday, October 7th.

In Witness Whereof, I hereunto set my hand and official seal this 6th day of October, 2014.

Proclamation

Rockwall, Texas

Whereas, breast cancer is the most common cancer among women except for non-melanoma skin cancers; and

Whereas, this disease touches the lives of Americans from every background and in every community across our Nation; and

Whereas, although great strides have been made in combatting this illness, still more than 200,000 women will be diagnosed with breast cancer this year, and tens of thousands may lose their lives to this terrible disease; and

Whereas, early detection is key to fighting breast cancer, which is a disease that, although less common, may also affect men; and

Whereas, monthly self-examinations and routine mammograms are vitally important and remain the very best means by which breast cancer may be detected; and

Now, Therefore, I, David Sweet, Mayor of the City of Rockwall, Texas, do hereby proclaim the month of October, 2014 as

BREAST CANCER AWARENESS MONTH

in the City of Rockwall and encourage the citizens in our community to schedule and follow through with a routine mammogram this month and to honor those whose lives have been affected by this devastating disease.

In Witness Whereof, I hereunto set my hand and official seal this 6th day of October, 2014.

MINUTES
ROCKWALL CITY COUNCIL
Monday, September 15, 2014
4:00 p.m. Regular City Council Meeting
City Hall, 385 S. Goliad, Rockwall, Texas 75087

I. CALL PUBLIC MEETING TO ORDER

Mayor Sweet called the meeting to order at 4:00 p.m. Present were Mayor David Sweet, Mayor Pro Tem Jim Pruitt and City Council Members David White, Mike Townsend, Scott Milder, Bennie Daniels and Dennis Lewis. Also present were Assistant City Managers Mary Smith and Brad Griggs and City Attorney Frank Garza. City Manager Rick Crowley was absent from the meeting.

II. WORK SESSION

1. DISCUSS AND CONSIDER MODIFICATIONS TO THE BRICK PATTERN IN THE DOWNTOWN AREA, AND TAKE ANY ACTION NECESSARY.

Mayor Sweet explained that the city council, staff and guests in attendance in the audience will be walking to the city hall parking lot just south of the building in order to view the "mock up" of bricks which have been laid in a portion of the downtown area as part of the renovation project. He explained that brief discussion will be held there outdoors (not audio recorded) and that subsequent discussion will occur once everyone returns to the council chambers afterward.

Upon convening outdoors in the parking lot, Mayor Sweet read the following memo from City Manager Rick Crowley:

MEMORANDUM

TO: **Mayor and Council**
FROM: **Rick Crowley, City Manager**
DATE: **September 12, 2014**
SUBJECT: **Brick Pattern Modifications Downtown**

Over the course of this week, Mayor Sweet and Mayor Pro Tem Pruitt have indicated that the Council continues to receive complaints of varying detail related to the brick selection of the downtown project. Several meetings with Hill Wilkinson and La Terra have been held. Hill Wilkinson has suggested that they have determined that it is possible to make certain limited changes in the brick with considerably less expense and less timeline change than that had previously indicated provided that they changes were somewhat limited and that they brick associated with the change is readily available. Discussions with several members of the selection committee have been held.

Hill Wilkinson has provided a cost estimate for the change under consideration as well as the timeline differential, and discussion will be held in workshop format at Monday's meeting. The downtown advisory committee who has been involved

in the selection process have been invited to convene a meeting at 4pm as well and will join the Council in looking at the mockup of the brick wall behind Napoli's restaurant.

The cost and timeline information assumes the following:

The newly completed brick wall on San Jacinto in the block adjacent to the Center will remain as is (with the pattern that contains the black brick).

The area on the square where brick has just been installed would be modified by chiseling out the black bricks and replacing each with a rose-colored brick which may be selected as a more desirable color and is apparently readily available.

Adjusting the not yet installed mingled brick pallets to replace the black brick with the proposed rose-colored brick (The black brick is 10% of the current blend

Hill Wilkinson has confirmed with Acme Brick that they have 8,000 of the Rose brick on the ground ready to ship. They have indicated they will hold them for a few days pending Council's decision.

Hill Wilkinson's cost estimate to purchase the rose-colored brick; chisel out the installed black bricks and replace with the rose colored brick; remove black bricks from the mingled pallets and insert rose-colored brick; along with other ancillary costs totals $30,534. They have conservatively estimated a two-week project timeline impact. They would anticipate installing the CMU walls and leaving them bare during the waiting period while the brick is delivered and re-mingled – they would not stop work during this period. This change is expected to be minimally disruptive to the schedule.

Staff has requested the price and timeline implications if Council were to choose to demo the newly installed wall and rebuild it with the re-mingled color pallet. Hill Wilkinson will have that information available for the Council on Monday and will be present at the meeting to answer any questions.

After reading the memo above, Mayor Sweet then explained that no final decision has been made at this time. He indicated that he recognizes the importance of keeping the project on time as well as keeping in mind the long term impact of this decision.

Mayor Pro Tem Pruitt indicated that he was previously approached by downtown property owners and citizens and was asked to meet to discuss this matter, so he did so, just as he would meet with any constituent who requested to meet. He stressed that no 'secret meetings' have been held concerning the matter. Mayor Pro Tem Pruitt indicated that he knows downtown merchants are concerned about keeping the project on schedule, and although he has heard some are not happy with the way the brick looks, they are more concerned with keeping the project on time. He explained that the city is not taking down the existing brick that has already been laid, as the city owns all of the brick already. He has heard that the most undesirable color in the mix is the black brick, which accounts for 10%.

Carol Crow, local citizen and member of the council appointed committee charged with providing input into the downtown renovations project, mentioned that the first set of meeting minutes from the committee indicates that the committee did not want a modern looking brick. She further stated that the wrong brick was ordered – that a smooth brook instead of a tumbled brick was ordered. She and the committee had wanted an "old world," reclaimed type of brick, and she asked if the bricks that have been bought can be 'tumbled' in some way.

Mayor Pro Tem Pruitt indicated that 'tumbling' the bricks will not be possible, and Mrs. Crow replied that it will not look 'historic' then. Mayor Pro Tem Pruitt indicated that the darker rose colored brick is available and is currently being held for the city, and the cost to replace the black bricks with the rose color is reasonable within the contingency fund.

Councilmember Milder indicated he has received a lot of emails from people who like the brick and believes that probably half the citizens tend to be happy with city council's decisions, and the other half are likely unhappy. He expressed his understanding that only about half of the project committee members showed up and 'blessed' the brick selection before it was ordered.

Christi Foster, downtown merchant / store owner of Groovy's, came forth and indicated that at a recent meeting, indication was given that a "wash" may be able to be applied to the brick some time in the future. She stated that a portion of the new sidewalk had been poured on Monday following that meeting, and since that time, she made a point to stand out there for two days and solicit feedback from downtown visitors regarding their opinions about the brick that has already been laid. In doing so, she heard from a lot of people who indicated that they like it and believe it looks good and matches the other elements of downtown very well. She acknowledged the understanding that it is the brick that the committee chose, and, while overall she is not quite sure how she feels about it, she does believe it complements the other elements downtown.

Mayor Sweet pointed out that the city needs to control the expense, which is something a responsible elected body should always consider. He explained that there is a contingency built into the project, and making modifications to change out the black brick with the rose brick, if it is in fact approved, would not shortchange the long term impact of the project.

Councilmember Townsend pointed out that no matter what the city council chooses to do, some members of the public will like it, and some will not. He pointed out that when any brick is first installed, it may look 'stark;' however, over time it begins to look weathered. He offered brief comments about how an "older look" is created when laying brick, pointing out that often there is contrasting brick involved. He generally expressed concern about putting a lighter, red colored brick in place of the black brick because he believes the design will not look near as sharp as it does now. He believes the brick that is laid will lighten up over time and will not be as noticeable later on.

Mayor Pro Tem Pruitt shared that he has heard comments that there is a lot of contrast. He estimates that about 1/3 of downtown is made up of brick. As far as the colors blending in with what is already in downtown, it seems that was not completely considered when this brick was chosen. He pointed out that whatever is chosen, it will have to be suitable for about the next fifty years. He, like some on the committee, feels it does look too modern and does not really achieve a historic look. He understands the

committee that chose the brick does have a right to change their minds. He is not crazy about the rose colored brick replacement option; however, this is a way to modify the brick at a minimal cost and timeframe.

Councilmember Lewis indicated that what the brick looks like now may not be what it looks like in ten or fifteen years.

Councilmember Daniels expressed concern about varying "compromises" that have been discussed and preliminarily arrived at in recent meetings that have occurred between staff and committee members. He understands it may not achieve the historic look that some were seeking; however, he explained that we are now in a position where reaching a final decision is necessary and imminent.

Councilmember Milder stated that if the black bricks are eliminated and the rose ones put in their place, the rose color may not be the right color either. He cautioned about the need to be careful about making decisions which affect the entire community based on the concerns of one or two people.

Mayor Pro Tem Pruitt made a motion to take the black brick out and replace it with the rose colored brick and provide a change order to the construction manager contingent upon that cost and timeline keeping the project on time and within budget. Mayor Sweet seconded the motion.

Mayor Sweet pointed out he is the only member of council who was originally involved in discussions about putting forth downtown improvements to the voters for consideration in the bond election. He believes it was the right thing to do. He wanted the project to achieve two major things – incremental, additional, much needed parking in the downtown area and a more pedestrian friendly downtown. Also, he wanted to minimize the impact that the entire project had on the downtown merchants, traffic flow and all the events that are typically held in the downtown area. Creating, communicating, and managing a successful timeline has been achieved and continues to take place. He pointed out that downtown buildings are a "hodge podge," with some liking the stark differences and some hating it. He acknowledged that he likes the differences and believes there is no other downtown out there like the one here in Rockwall. Sweet went on to indicate that a lot of feedback and conversations have taken place with people who have expressed concern about the downtown brick. He indicated that he can support replacing the black brick with the rose colored brick as long as the black brick will be utilized elsewhere in the city on a different project, perhaps at the municipal airport. Sweet understands that this brick decision is one that will be in effect for at least fifty years or more. He also understands that it is imperative to ensure this brick replacement will not result in the timeline being extended on the project. He overall encouraged the various groups (merchants, homeowners and volunteers) to regroup and realign after this decision is made in order to get back to promoting and supporting the downtown.

Mayor Pro Tem Pruitt commented that he is not in favor of tearing down the entire brick work and starting over. He concurred that his building is unique and so are a lot of the other buildings downtown, and he likes the differences. He enjoys having his business downtown and would not have his business located in any other place in Rockwall. He pointed out he is not a member of the "downtown merchants" organization, including his law business, but he appreciates being invited to one of their recent meetings. He did begin receiving comments about the downtown aesthetics once the brick started going

up downtown. He expressed that downtown is vibrant, with property values having increased between 100-300%. Furthermore, he does not wish to change it to look modern. His desire is to keep it looking historic.

Mayor Sweet indicated that no new brick will be placed downtown without it somewhat looking 'new;' however, he believes the rose colored bricks will help the new blend in with the old.

Councilmember Lewis asked if the designer originally had black accents in the wall renderings. Mr. Griggs indicated that, yes, the original renderings, he believes in January of 2013, did reflect black accent bricks.

The motion on the floor failed by a vote of 2 in favor (Sweet and Pruitt) and 5 opposed (White, Townsend, Milder, Daniels and Lewis).

Councilmember Milder made a motion to move forward with the plan as it currently stands. City Attorney Frank Garza clarified that there is not a need to make said motion at this time.

Councilmember White suggested that we move forward 'as is' with the black brick, and then, if it needs to be modified later on with a veneer or paint, that may be done later on at a very, very minimal cost.

Mayor Sweet indicated that White's suggested option does still exist sometime in the future. Councilmember White pointed out that the mock-ups that the city sent out to advertise the bond proposal for downtown showed a wall that looked nothing historic and looked nothing like what has been built; however, they voted to approve the project based on what they saw in those mock-ups.

Councilmember Daniels wanted to know who will decide whether we like it or not once the project is completed.

Mayor Sweet indicated that making downtown more pedestrian friendly and adding additional parking are two goals that must be achieved. He reiterated that these goals will invariably come to pass upon completion of this project.

III. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding the following legal claim: TF-Harbor LLC v. City of Rockwall, Texas and Rockwall Rental Properties L.P. pursuant to Section 551.071 (Consultation with Attorney)

2. Discussion regarding appointments to city regulatory boards, commissions, and committees including the Building and Standards Commission, Board of Adjustments, Planning & Zoning Commission and Rockwall Economic Development Corporation pursuant to Section 551.074 (Personnel Matters)

IV. ADJOURN EXECUTIVE SESSION

The Council adjourned from Executive Session at 5:52 p.m.

V. RECONVENE PUBLIC MEETING (6:00 P.M.)

Mayor Sweet reconvened the public meeting at 6:00 p.m.

VI. TAKE ANY ACTION AS A RESULT OF EXECUTIVE SESSION

Mayor Pro Tem Pruitt made a motion to appoint Tracy (Friggle) Logan as a member of the Planning and Zoning Commission (to replace Connie Jackson, who has termed out, and with an initial term to expire in August of 2017). Councilmember Lewis seconded the motion, which passed unanimously of council (7 ayes to 0 nays).

VII. INVOCATION AND PLEDGE OF ALLEGIANCE – COUNCILMEMBER DANIELS

Councilmember Daniels delivered the invocation and led the Pledge of Allegiance.

VIII. PROCLAMATIONS / AWARDS

1. Hispanic Heritage Month

Mayor Sweet read the proclamation into the record.

2. Constitution Week

Mayor Sweet called forth a few members of the Daughters of the American Revolution (DAR). He then read and presented a proclamation for Constitution Week. DAR indicated that individual American flags and copies of the U.S. Constitution were distributed to those in the audience. They stated that DAR exists to promote U.S. history, and they hope to reinstitute the U.S. Constitution as part of the local school curriculum.

IX. CONSENT AGENDA

1. Consider approval of the minutes from the August 28, 2014 city council budget work session, and take any action necessary.

2. Consider approval of the minutes from the September 2, 2014 regular city council meeting, and take any action necessary.

3. P2014-018 - Consider a request by Chase Finch of Corwin Engineering, Inc. on behalf of John Arnold of the Skorburg Company for the approval of a final plat for Stone Creek, Phase VI, containing 76 residential lots on a 26.532-acre tract of land situated within the S. King Survey, Abstract No. 131, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 70 (PD-70) for residential land uses, generally situated south of FM-552 and east of N. Goliad Street (SH-205), and take any action necessary

4. P2014-021 - Consider a request by Chase Finch of Corwin Engineering, Inc. on behalf of John Arnold of the Skorburg Company for the approval of a final plat for Breezy Hill, Phase III, containing 71 residential lots on a 48.250-acre tract of land situated within the J. Strickland Survey, Abstract No. 187, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 74 (PD-74) for residential land uses, generally situated north of FM-552 in between John King Boulevard and Breezy Hill Lane, and take any action necessary.

5. P2014-022 - Consider a request by Chase Finch of Corwin Engineering, Inc. on behalf of John Arnold of the Skorburg Company for the approval of a final plat for Breezy Hill, Phase IV, containing 51 residential lots on a 29.646-acre tract of land situated within the J. Strickland Survey, Abstract No. 187, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 74 (PD-74) for residential land uses, generally situated north of FM-552 in between John King Boulevard and Breezy Hill Lane, and take any action necessary.

6. Consider adoption of a resolution amending the Permit, Health and Misc. Fees Schedule to add a fee for late health permits, to increase the fee charged for food service/child care center plan reviews, and take any action necessary.

7. Consider approval of an ordinance amending the Code of Ordinances in Chapter 6. Animals, Article II. Administration, Division 2. Adoption Center Advisory Committee, Sec. 6-51 to modify the composition of the committee to align with state law, and take any action necessary. (1st reading)

8. Consider approval of an Interlocal Cooperative Agreement with Rockwall County to fund the engineering design and construction of the IH30 Ramp Reversal project east of SH 205 with city's contribution of $950,000.00 toward the estimated project cost of $1,310,216.37 to be funded out of 2012 Bond Election proceeds, and take any action necessary.

Councilmember Townsend pulled Consent Agenda items #3 and #7 for further discussion.

Councilmember Townsend made a motion to approve the remaining items (#1, 2, 4, 5, 6 and 8). Councilmember Daniels seconded the motion. The motion passed by a vote of 7 ayes to 0 nays.

Regarding Consent Agenda item #3, Councilmember Townsend inquired as to what may have been indication on the plat regarding possible removal of a city park from the Stone Creek proposed final plat. Mr. Griggs clarified that this piece of land will still be dedicated to the city for the purpose of being public open space / a park area. Councilmember Townsend then moved to approve Consent Agenda item #3. Councilmember White seconded the motion, which passed unanimously of council (7 ayes to 0 nays).

Regarding Consent Agenda item #7, Mayor Pro Tem Pruitt provided details of what the proposed ordinance spells out, indicating that an updated ordinance was handed to council this afternoon and is different than the one included in the meeting packet over

the weekend. He proposed adding language to the proposed ordinance before second reading to stipulate that "the animal welfare organization representative may not also be employed by the shelter." Mayor Pro Tem Pruitt then made a motion to approve the ordinance as presented with the expressed modifications being added. Councilmember Townsend seconded the motion. The ordinance was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 14-__

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE CODE OF ORDINANCES IN CHAPTER 6. ANIMALS; ARTICLE II. ADMINISTRATION; DIVISION 2. ANIMAL ADOPTION CENTER / ADVISORY COMMITTEE; SECTION 6-51. ESTABLISHED; COMPOSITION TO AMEND COMMITTEE MEMBER COMPOSITION IN ACCORDANCE WITH STATE LAW REQUIREMENTS. PROVIDING FOR REPEALING, SAVINGS AND SEVERABILITY CLAUSES; AND PROVIDING FOR AN EFFECTIVE DATE OF THIS ORDINANCE.

The motion passed by a vote of 7 ayes to 0 nays.

X. APPOINTMENTS

1. Appointment with the Planning and Zoning Chairman to discuss and answer any questions regarding cases on the agenda and related issues and take any action necessary.

Chairman of the Planning & Zoning Commission, Craig Renfro, came forth and briefed the council on recommendations of the Commission relative to items on tonight's city council meeting agenda. The council took no action regarding this item.

2. Appointment with representative(s) from the Rockwall County Open Space Alliance (RCOSA) to hear presentation regarding the organization's work and associated progress, and take any action necessary.

Mr. Bob DeJean, Chairman of the RCOSA, came forth and introduced other representatives of the RCOSA who were present at the meeting including the following: Co-chair Nell Wellborn, Dale Morgan, and Earl Milner.

Mr. Milner recognized Mayor David Sweet and City Manager Rick Crowley for their representation of the City of Rockwall on the Rockwall County Open Space Alliance. He then explained the purpose and history of formation of the Open Space Alliance. He briefed the council on various, recent tasks of the Alliance, including holding monthly, countywide meetings with elected and appointed officials throughout Rockwall County, making t-shirts and brochures to advertise the RCOSA, and speaking to the various elected bodies throughout the county. Overall, the purpose is to coordinate open space-related goals and plans throughout and among all the entities located in Rockwall County to create a unified, joint effort.

Mayor Sweet thanked the City of Rockwall for supporting things like dedicating park space, biking and walking trails. He indicated that the City of Rockwall has over five hundred people who volunteer for the city, and he indicated that Mr. Milner is welcome

and invited to reach out to any of those volunteers to seek support for the RCOSA. No action was taken by the council related to this agenda item.

XI. PUBLIC HEARING ITEMS

1. Hold public hearing to hear comments regarding the proposed City of Rockwall Fiscal Year 2015 Budget, and take any action necessary.

Assistant City Manager Mary Smith indicated that $.4955 per $100 of assessed valuation will be the proposed tax rate associated with the fiscal year 2015 budget. She explained that this is the effective rate, so essentially there will be no tax rate increase for this budget. Mrs. Smith commented on some of the highlights of this budget, which include addition of a maintenance worker in the downtown area once the improvement project is completed; a criminal investigator in the Police Department contingent on approval of partial funding of this position through a grant for which the city has applied; four new firefighter driver positions in the Fire Department; several months of reserves; about $900,000 in road repairs; a traffic signal at Mims and Ralph Hall Parkway; and small projects to update parks and facilities.

Following Mrs. Smith's comments, Mayor Sweet opened the public hearing, asking if anyone would like to come forth and speak. There being no one wishing to come forth and speak, Mayor Sweet then closed the public hearing.

No action was taken related to this agenda item.

2. P2014-017 - Hold a public hearing to discuss and consider a request by Joe Allman of Inner Urban Homes, Inc. for the approval of a replat for Lots 24 & 25, Block A, Chandler's Landing Phase 7 Installment Two Addition, being a 0.49-acre parcel of land currently identified as Lot 23, Block A, Chandler's Landing Phase 7 Installment Two Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 8 (PD-8) for residential land uses, located at 104 Thistle Place, and take any action necessary

Planning & Zoning Director, Robert LaCroix, provided brief background information related to this agenda item. He explained that this replat will be changing one large lot back to two, individual, smaller lots and abandon a ten foot utility easement along the south side of the property. He explained that it was replated in 2013 because the previous owner was going to build a larger home on one, larger tract; however, the new homeowner would like to take it back to the original, two separate lots. Mr. LaCroix indicated that notices were sent out to adjacent property owners located within five hundred (500') feet of the lot in question. He stated that one response was received back in opposition, and one was received back in favor (from the Chandler's Landing HOA). The Planning & Zoning Commission has recommended approval of this request.

Councilmember Townsend clarified that the utility easement is being taken out of the south side of the property and is then being added back in, in between the two lots.

Mayor Sweet opened the public hearing and called the applicant forth to speak. Mr. Allman indicated he would like to take the property back to what it was originally like back in 1974 and has been for thirty-nine years. He believes two reasonably sized houses can be built on the two lots once they are separated again.

There being no one else wishing to come forth and speak, Mayor Sweet then closed the public hearing.

Councilmember Lewis made a motion to approve P2014-017. Councilmember White seconded the motion, which passed by a vote of 7 ayes to 0 nays.

3. Z2014-022 - Hold a public hearing to discuss and consider approval of an ordinance for a City initiated zoning request for the approval of a text amendment to Article V, District Development Standards, of the Unified Development Code [Ordinance No. 04-38] for the purpose of creating and implementing an Airport Overlay (AP OV) District, which will be applicable for the Ralph M. Hall/Rockwall Municipal Airport property, and for all properties located within 500-feet of the airport property and/or located within the Airport's Runway Protection Zones as defined by AC150/5300-13A, Airport Design, of the FAA standards, and take any action necessary. (1st Reading) [Requires a 3/4-Majority Vote for Approval]

Mr. LaCroix, Planning Director, provided background information related to this agenda item. He indicated that the Planning & Zoning Commission, which has been designated by the city council as the "Airport Zoning Board," has recommended this amendment to the Unified Development Code. He indicated that the airport division of the TXDOT has reviewed the proposed changes, which resulted in comments received back and adjustments being made to the proposed changes. Notices were sent out to adjacent property owners located within five hundred feet of the property. One notice was received back in favor, and six were received back in opposition. Because of the opposition received, a ¾ majority vote of the council is needed tonight in order to have this item approved.

Councilmember White explained that this amendment will basically create a way for the city itself to monitor and enforce FAA-related restrictions and rules already in place on and around the airport.

After additional comments, Mayor Sweet opened the public hearing, asking if anyone in the audience would like to come forth and speak during this time.

Jack Athey
1780 Airport Road
Rockwall, Texas

Mr. Athey indicated that he and his family (siblings) are all involved in and affected by this matter. He indicated that the city is in violation of the United States Constitution, Amendment 4 (related to 'unreasonable searches and seizures'). He generally indicated he believes private property is being taken for use on / by the public airport without just compensation. He stated that he previously submitted two correspondence letters letting the council know that he and his siblings are opposed to the proposed zoning change. He generally expressed that the timeframe associated with public notices sent related to this proposed zoning-related modification was short. He again expressed that he is opposed to this item and believes the city is in violation of the 4th and 5th amendments of the U.S. Constitution.

JoAnna Athey
1780 Airport Road
Rockwall, Texas

Mrs. Athey expressed concern about her not completely understanding what exactly is being proposed. She explained that she did receive the notice, which referred her to the city's website for more information; however, she did not find any additional information online. She was not able to find any audio recording of the recent Planning & Zoning Commission meeting either. She further explained that she does not completely understand the FAA's rules and regulations, and she believes that the FAA makes "suggestions" rather than rules/regulations. She wants to know the city's specific interpretation of these rules and regulations. She wants to know what other, similar airports the city may have looked to for comparison when creating this proposed ordinance. She expressed concern about the city placing a lot of erroneous rules and restrictions on what she can and cannot do with her land in the future. She pointed out that she believes the FAA recommends that a city buy adjacent land next to an airport if and when restrictions become excessive.

John White
1929 South Lakeshore
Rockwall, Texas

Mr. White expressed support for this agenda item because he believes it will make the area in and around the airport safer. He explained his understanding that this is being done in the interest of the public to prevent the creation of an airport hazard. He explained he is a former pilot who has flown in and out of the airport many times in years past. He believes that sometimes pilots run out of gas, and he believes that putting this zoning in place will help protect the public in and around the airport. He explained he is in support of this item.

There being no one else wishing to come forth and speak during this time, Mayor Sweet then closed the public hearing.

Councilmember Daniels asked what would happen if the city does not adopt the proposed ordinance this evening. Mr. Garza, City Attorney, explained that if the council does not adopt the ordinance being proposed, the original ordinance from the 1960s which adopted the original Airport Overlay District would continue to stay in effect. He clarified that current land uses by the property owners would be allowed to continue even after adoption of this ordinance.

Councilmember Pruitt explained that high power lines located at the very end of the airport were the original concern that caused the Airport Subcommittee to begin looking into the land uses around the airport for safety reasons. He explained that state law changed some years ago, and about fifteen years ago, the city should have created and established this Airport Zoning Board in order to control what is built around the airport in the interest of safety.

Councilmember White asked for clarification regarding the land around the airport, asking if it is controlled by the FAA. Mr. LaCroix clarified that it is ultimately controlled by the FAA, but the local jurisdiction has to first pass regulations to establish land uses, including prohibited uses. Councilmember White suggested that the council might consider changing the "prohibited uses" language and replacing it with language to stipulate that a Specific Use Permit (SUP) will be required in order to allow the Council to

have discretion in each instance. Mr. Garza indicated that it is possible to reword the ordinance to include this suggestion.

Councilmember White made a motion to approve Z2014-022 with the caveat that "prohibited uses" will be replaced with "specific use permit required" before second reading of the ordinance and that language will be included to state that any SUP or overruling of the Overlay District would require a ¾ majority vote approval of the council. Councilmember Milder seconded the motion.

After brief comments, Councilmember White withdrew his motion and indicated he is ok with tabling this item until the October 6 council meeting. He volunteered that the Airport Subcommittee will read back through the entire ordinance again to further evaluate language reflecting "prohibited uses" prior to considering this item again at a future council meeting.

Councilmember White made a motion to table Z2014-022 until the next city council meeting. Councilmember Milder seconded the motion, which passed by a vote of 7 ayes to 0 nays.

4. Z2014-023 - Hold a public hearing to discuss and consider approval of an ordinance for a request by Beth Godfrey of TKC CLXXXVI, LLC on behalf of the owner, Rick Sharp, for the approval of a zoning amendment to Planned Development District 46 (PD-46) [Ordinance No. 99-05] to allow for a Rental Store with Outside Storage (i.e. Sunbelt Rentals Company) to be established on a ~3.35-acre portion of a larger 6.222-acre parcel of land identified as Lot 2, Block A, Sharp Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 46 (PD-46) for commercial land uses, situated within the SH-276 Corridor Overlay (SH-276 OV) District, located east of Corporate Crossing (FM-549) in between SH-276 and Springer Lane, and take any action necessary. (1st Reading)

Planning Director Robert LaCroix provided brief background information related to this agenda item, indicating that the underlying zoning is "Commercial" that allows for other uses which may be more intense. It used to be occupied by a trucking company and limited outside storage was allowed at this location. He explained that the applicant's site plan has been approved, and it shows a back road off of Springer Road that will be mainly utilized for trucks coming in and out as opposed to utilizing SH-276. The now proposed rental store will need to have approval of a limited amount of outside storage. This rental facility will rent to contractors as well individual members of the public. It has been recommended that the outside storage be limited in that it would be 'stowed away' (i.e. long arms on equipment would have to be stored in a lowered position).

Mr. LaCroix explained that notices were sent out to adjacent property owners located within five hundred (500') of the property in question. Two notices of opposition have been received back by staff. The Planning & Zoning Commission did recommend approval of this agenda item.

Mayor Sweet opened the public hearing, and called the applicant forth to speak.

Beth Godfrey
TKC CLXXXVI, LLC

5935 Carnegie Boulevard, Ste. 200
Charlotte, North Carolina 28209

Mayor Sweet asked if anyone else would like to come forth and speak. There being no one else wishing to come forth, Mayor Sweet then closed the public hearing.

Councilmember Lewis made a motion to approve Z2014-023. Councilmember White seconded the motion.

Councilmember Milder indicated he drove out to the location today and does believe it is appropriately zoned.

The ordinance was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 14-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING PLANNED DEVELOPMENT DISTRICT NO. 46 (PD-46) [ORDINANCE NO. 99-05] AND THE UNIFIED DEVELOPMENT CODE [ORDINANCE NO. 04-38] OF THE CITY OF ROCKWALL, TEXAS, AS HERETOFORE AMENDED, BY ALLOWING A RENTAL STORE WITH OUTSIDE STORAGE TO BE DESIGNATED ON TRACK 2, LOT 00 OF EXHIBIT 'B' WITHIN ORDINANCE NO. 99-05, BEING A 3.211-ACRE PORTION OF A LARGER 6.222-ACRE TRACT OF LAND IDENTIFIED AS LOT 2, BLOCK A, SHARP ADDITION, ABSTRACT 186 J. A. RAMSEY SURVEY, LOCATED AT 2582 STATE HWY 276, AND MORE SPECIFICALLY DESCRIBED IN EXHIBIT "A"; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed unanimously of council (7 ayes to 0 nays).

5. Z2014-024 - Hold a public hearing to discuss and consider approval of an ordinance for a request by Juan J. Vasquez, PE of Vasquez Engineering, LLC on behalf of James R. Thompson of Cavender Investment Properties E, LTD for the approval of a Specific Use Permit (SUP) for a general retail store within a Light Industrial (LI) District for the purpose of constructing a Cavender's Boot City on a 3.27-acre parcel of land identified as Tract 9-4 of the J. Lockhart Survey, Abstract No. 134, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, situated within the IH-30 Overlay (IH-30 OV) District, located on the south side of the E. IH-30 frontage Road west of Corporate Crossing (FM-549), and take any action necessary. (1st Reading)

Mr. LaCroix provided brief background information related to this agenda item, indicating that this request is associated with a proposed Cavender's Boot City retail store. He explained that this is located in a "light industrial" district, so having a retail use approved in this location will require the city council to approve issuance of a Specific Use Permit.

Mayor Sweet opened the public hearing and called the applicant forth. The applicant, Mr. Juan Vasquez of Vasquez Engineering, came forth and indicated he is available to answer any questions the council may have. There being no one else wishing to come

forth and speak, Mayor Sweet then closed the public hearing. Mayor Sweet asked if anyone else would like to come forth and speak. There being no one else, Mayor Sweet then closed the public hearing.

Councilmember Lewis made a motion to approve Z2014-024. Councilmember White seconded the motion. The ordinance as read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 14-
SPECIFIC USE PERMIT NO. S-

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [ORDINANCE NO. 04-38] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) WITHIN A LIGHT INDUSTRIAL (LI) DISTRICT ALLOWING FOR A GENERAL RETAIL STORE ON A 3.27-ACRE PARCEL OF LAND IDENTIFIED AS TRACT 9-4 OF THE J. LOCKHART SURVEY, ABSTRACT NO. 134; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed unanimously of council (7 ayes to 0 nays).

6. Z2014-025 - [Request to Postpone to the October 20, 2014 Meeting] Hold a public hearing to discuss and consider approval of an ordinance for a request by Christopher Orr of Arcadia Lakes of Somerset Holdings, LLC for the approval of a zoning amendment to Planned Development District 63 (PD-63) to allow for changes to the concept plan and development standards stipulated by Ordinance No. 05-51 for a 139.354-acre tract of land identified as Tracts 1 & 7 of the A. Johnson Survey, Abstract No. 123, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 63 (PD-63) for Single Family 10 (SF-10) District use, situated within the SH-205 Overlay (SH-205 OV) District, located at the northeast corner of the Intersection of FM-549 and S. Goliad Street (SH-205), and take any action necessary. (1st Reading)

Mayor Sweet made a motion to postpone this item, as requested, until the Monday, October 20, 2014 regular city council meeting. Councilmember Daniels seconded the motion, which passed by a vote of 7 ayes to 0 nays.

7. Z2014-026 - Hold a public hearing to discuss and consider approval of an ordinance for a request by Caprice Michelle of Rockwall's Rustic Ranch, LLC for the approval of a Specific Use Permit (SUP) for a restaurant within Planned Development District 50 (PD-50) on a 0.53-acre parcel of land identified as Lot B, Block 123, B. F. Boydston Addition, zoned Planned Development District 50 (PD-50) for Residential Office (RO) District uses, situated within the North Goliad Corridor Overlay (NGC OV) District, addressed as 406 N. Goliad Street, City of Rockwall, Rockwall County, Texas, and take any action necessary. (1st Reading)

Mr. LaCroix, Planning Director, provided background information related to this agenda item. He indicated that a site plan was already approved back in August, and it showed how parking, traffic circulation and access would operate in and out of this property. Since that time, the property owner has a new tenant, a restaurant, who wishes to

operate at this location, which will require a Specific Use Permit (SUP). The maximum square footage of the restaurant is limited to 2,000 square feet. One parking space per 100 square feet is required, and the applicant's plans do comply with this requirement. Mr. LaCroix stated that 108 notices were mailed out to property owners and residents located within five hundred (500') feet of the subject property. One notice has been received back in favor by staff at this time. He indicated that the Planning & Zoning Commission is not recommending approval of the variance request regarding public access. This would mean the applicant would be required to grant public access to the south of the property and west onto SH-205.

The restaurant should be no more than 2,000 square feet and all patio or waiting areas should be situated behind the front setbacks.

General comments were made by staff and council related to parking, traffic flow and public access.

Mayor Sweet opened the public hearing. There being no one wishing to come forth and speak, Mayor Sweet then closed the public hearing.

Councilmember Lewis made a motion to approve Z2014-026, including Planning & Zoning Commission's recommendation to leave the cross access in place. Councilmember White seconded the motion. The ordinance was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 14-___
SPECIFIC USE PERMIT NO. S-____

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THE UNIFIED DEVELOPMENT CODE [ORDINANCE NO. 04-38] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) FOR A RESTAURANT THAT IS LESS THAN 2,000 SF IN SERVICE AREA AND THAT DOES NOT HAVE A DRIVE-THROUGH OR DRIVE-IN SERVICE ON A 0.53-ACRE PARCEL OF LAND; ZONED PLANNED DEVELOPMENT DISTRICT 50 (PD-50) FOR RESIDENTIAL OFFICE (RO) DISTRICT LAND USES; BEING ADDRESSED AS 406 N. GOLIAD STREET AND IDENTIFIED AS LOT B, BLOCK 123, B. F. BOYDSTON ADDITION, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a vote of 7 ayes to 0 nays.

Mayor Sweet called for a brief break at 7:34 p.m.

At 7:45 p.m., Mayor Sweet called the meeting back to order.

XII. SITE PLANS / PLATS

1. SP2014-014 - Discuss and consider a request by Matthew Alexander on behalf of the Rockwall Downes Development, LLC for the approval of a variance to the dead end street requirements as stipulated by the

Engineering Standards of Design and Construction manual for Phase 3 of the Rockwall Downes Subdivision, containing 26 single-family lots and being one phase of the proposed 35.651-acre subdivision, which is situated within the J. M. Allen Survey, Abstract No. 2, Rockwall, Rockwall County, Texas, zoned Planned Development District 10 (PD-10), situated within the SH-205 By-Pass Overlay (SH-205 BY OV) District, located adjacent to John King Boulevard north of SH-276 and south of IH-30, and take any action necessary.

Planning Director Robert LaCroix provided background information related to this agenda item. He explained that the Planning & Zoning Commission has recommended approval of this request with incorporation of a twenty-four (24') emergency access onto John King Boulevard. It was noted that the applicant was not present at the city council meeting. Councilmember Lewis made a motion to approve SP2014-014. Councilmember White seconded the motion. After brief comments, the motion to approve passed by a vote of 6 ayes to 1 nay (Pruitt).

Mayor Sweet reordered the council agenda to address Action Item #6 and #7 next.

XIII. ACTION ITEMS

1. Discuss and consider appointments to city advisory boards and commissions, and take any action necessary.

Regarding this agenda item, brief discussion took place related to outstanding appointments needed on various city boards and commissions. Indication was given that no action will be taken at this time.

2. Discuss and consider approval of an ordinance amending the budget for fiscal year 2014, and take any action necessary.

Mrs. Smith offered brief comments related to this agenda item. Mayor Pro Tem Pruitt asked why the city added $40,500 to the Rec Development Fund. Mrs. Smith indicated that that dollar amount is reflective of previously approved projects earlier in the year by the city council, including dredging the takeline and improvements at Tuttle Ballfields. After the brief comments, Councilmember White made a motion to approve the ordinance amending the FY 2014 budget. Councilmember Milder seconded the motion. The ordinance was read as follows:

CITY OF ROCKWALL, TEXAS

ORDINANCE NO. 14-___

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE BUDGET OF THE CITY FOR THE FISCAL YEAR OCTOBER 1, 2013 THROUGH SEPTEMBER 30, 2014; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a vote of 7 ayes to 0 nays.

3. Discuss and consider approval of an ordinance adopting the budget for fiscal year 2015, and take any action necessary

Assistant City Manager Mary Smith provided comments related to this agenda item. She then read the following, required statement into the public record:

This budget will raise more revenue from property taxes than last year's budget by the amount of $822,348, which is an increase of 4.7% from last

year's budget. The property tax revenue to be raised from new property added to the tax roll this year is $ 969,635.

After brief comments, Councilmember Lewis made a motion to adopt the proposed budget for FY2015. Councilmember White seconded the motion.

Mayor Pro Tem Pruitt asked Mrs. Smith if the increase in the budget is less than the combination of the population growth and inflation. Mrs. Smith confirmed that it is.

The ordinance was then read as follows:

CITY OF ROCKWALL

ORDINANCE NO. 14-___

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, APPROVING AND ADOPTING A BUDGET FOR THE CITY FOR THE FISCAL YEAR OCTOBER 1, 2014, THROUGH SEPTEMBER 30, 2015; PROVIDING THAT EXPENDITURES FOR SAID FISCAL YEAR SHALL BE MADE IN ACCORDANCE WITH THE SAID BUDGET; AND PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a vote of 7 ayes to 0 nays.

4. Discuss and consider approval of an ordinance levying ad valorem taxes for the tax year 2014 and take any action necessary.

Councilmember Milder made a motion to approve the ordinance levying ad valorem taxes for the tax year 2014. Councilmember Townsend seconded the motion.

Mayor Sweet commented that this is the fourth consecutive year in a row that either the current or effective tax rate has been passed, and the fourth year in a row that public safety needs have been addressed in the police and fire departments. The ordinance was read as follows:

CITY OF ROCKWALL, TEXAS

ORDINANCE NO. 14-___

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, LEVYING THE AD VALOREM TAXES FOR THE YEAR 2014 AT A RATE OF $.4955 PER ONE HUNDRED DOLLARS ($100.00) ASSESSED VALUATION ON ALL TAXABLE PROPERTY WITHIN THE CORPORATE LIMITS OF THE CITY AS OF JANUARY 1, 2014 TO PROVIDE REVENUES FOR THE PAYMENT OF CURRENT EXPENSES AND TO PROVIDE AN INTEREST AND SINKING FUND ON ALL OUTSTANDING DEBTS OF THE CITY; PROVIDING FOR DUE AND DELINQUENT DATES, TOGETHER WITH PENALTIES AND INTEREST; APPROVING THE 2014 TAX ROLL; PROVIDING FOR EXEMPTIONS OF PERSONS OVER SIXTY-FIVE (65) YEARS; PROVIDING AN EFFECTIVE DATE.

The motion passed by a vote of 7 ayes to 0 nays.

5. Discuss and consider the Hotel tax subcommittee recommendations for funding allocations in fiscal year 2015, including authorizing the City Manager to execute associated funding agreements, and take any action necessary.

Mrs. Smith explained that Councilmembers White, Townsend and Lewis met as a subcommittee to discuss the proposed requests. All funding recommendations have been included in the council member meeting packets for consideration. If these recommendations are approved, a little over $87,000 will be left as a balance in the hotel/motel tax fund. Councilmember Daniels indicated that some funding requests

significantly increased this year over last year. Mrs. Smith provided a brief explanation associated with each increase. Mayor Sweet made a motion to approve the recommendations for hotel/motel tax funding. Mayor Pro Tem Pruitt seconded the motion, which passed unanimously of council (7 ayes to 0 nays).

Action Item #8 was addressed next by council.

6. Discuss and consider approval of the Rockwall Economic Development Corporation (REDC) budget for fiscal year 2015 and amended budget for fiscal year 2014, and take any action necessary.

Regarding this agenda item, Assistant City Manager Mary Smith provided brief background information, indicating that the REDC board did review and recommend approval of this proposed budget at a recent meeting. She indicated that this budget includes the same two percent estimated sales tax increase that is reflected in the city's upcoming budget. It also includes the infrastructure improvement project that is currently underway and is expected to be completed next year.

Sheri Franza, President of the Rockwall Economic Development Corporation came forth, indicating that the line item for personnel may need to be amended towards to end of the year. Project Manager Ken Keaton is nearing retirement, but this won't be until around July of next year. After Mrs. Franza's brief comments, Councilmember Daniels made a motion to approve the amended budget for the REDC for FY2014 and the proposed budget for FY2015. Councilmember Milder seconded the motion. After brief comments, the motion passed by a vote of 7 ayes to 0 nays.

7. Discuss and consider approval of the Rockwall Technology Park Association budget for fiscal year 2015 and amended budget for fiscal year 2014, and take any action necessary.

Mrs. Smith indicated that this budget goes towards maintaining the common areas at the Tech Park as well as the tracts of land which have not yet sold. No significant changes were proposed in this particular budget for the upcoming fiscal year. After brief comments from Mrs. Franza, Councilmember Daniels made a motion to approve the Rockwall Tech Park Association budget for fiscal year 2015 and the amended budget for fiscal year 2014. Councilmember White seconded the motion, which passed unanimously of council (7 ayes to 0 nays).

The council addressed Action Item #1 next.

8. MIS2014-011 - Discuss and consider a request for the approval of a special request for the purpose of permitting the construction of a covered porch that does not conform to the setback requirements as stipulated by Planned Development District 75 (PD-75) [Ordinance No. 09-37] for a 0.12-acre property that is identified as Lot 685 of Rockwall Lake Estates #1 Addition, City of Rockwall, Rockwall County, Texas, is zoned Planned Development District 75 (PD-75), is addressed as 208 Texas Avenue, and take any action necessary.

Mr. LaCroix provided brief background information related to this agenda item, indicating that this is a corner lot, so it requires dual setbacks. A 10'x14' porch area is being proposed, so a 7' setback is being requested as opposed to the 20' setback on Texas Avenue in order to build the proposed covered porch. The Planning & Zoning Commission did recommend approval of this agenda item. Councilmember White made

a motion to approve MIS2014-011. Councilmember Daniels seconded the motion, which passed by a vote of 7 ayes to 0 nays.

9. Discuss and consider appointments to the city's Youth Advisory Council (YAC), and take any action necessary.

City Secretary Kristy Ashberry explained that about twenty applications were received for the YAC this year, and interviews were recently held with a panel consisting of two existing YAC members, Councilmember David White, Rockwall High School Geography Teacher, Brandy Myers and herself. Ms. Ashberry further explained that a couple of the students on the list of recommendations live in either Heath or Fate, and both of those city managers has given indication that those respective cities are willing to financially sponsor those students this school year at a rate of $250.00. Mayor Sweet made a motion to approve the five re-appointments and seven new appointments to the city's Youth Advisory Council as recommended by the interview panel. Councilmember Lewis seconded the motion, which passed by a vote of 7 ayes to 0 nays.

The re-appointments and appointments include the following slate of students:

1	Re-appointment	Senior (RHHS)	Samuel	Strahan
2	Re-appointment	Junior (HmSch)	Beth	Naylor
3	Re-appointment	Junior (RHHS)	Isabella	Burzair
4	Re-appointment	Junior (RHHS)	Baldwin	Bakkal
5	Re-appointment	Junior (RHS)	Derek	Avenetti
6	NEW appointment	Junior (RHS)	Cate	Ghormley
7	NEW appointment	Junior (RHHS)	Logan	Peet
8	NEW appointment	Freshman (RHS)	Bethany	Villabos
9	NEW appointment	Senior (HmSch)	Elsa	Castro
10	NEW appointment	Senior (RHS)	Mie	Pighee
11	NEW appointment	Sophomore (RHS)	Reid	Rakow
12	NEW appointment	Junior (RHS)	Jake	Mirelez

10. Discuss and consider Christmas planning and decorations for downtown, including associated cost estimates, and take any action necessary.

Assistant City Manager Brad Griggs has indicated that staff has evaluated Christmas decorations for downtown at the request of the city council. Staff has evaluated a 24' foot Christmas tree with a 12' diameter base lighted with soft glowing, white lights, ornaments and garland around all of the light poles downtown. The cost for lighting the San Jacinto square would be just under $20,000, with installation and removal being handled by the city's Parks Department. Mayor Sweet made a motion to approve the recommendations for the Christmas decorations. Councilmember White seconded the motion. Councilmember White asked what the funding source is for these decorations. Mrs. Smith indicated that the downtown donations fund is funded by Republic Waste, the city's garbage contractor, who has been making contributions to this fund for a while now. The motion passed by a vote of 7 ayes to 0 nays.

11. Discuss and consider the City Charter including possible establishment of a Charter Review Commission, and take any action necessary.

Assistant City Manager, Mrs. Smith, provided brief comments related to a timeline that staff has prepared related to the city council appointing a Charter Review Commission. She suggested the council consider naming citizens to a Charter Review Commission no later than the second meeting in October in order to move forward with this process. Mayor Sweet encouraged members of the public to contact the City Council if they have a desire to serve on this committee. It was clarified that a possible charter amendment would take place at the May 2015 election. The council took no formal action related to this agenda item at this time.

XIV. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding the following legal claim: TF-Harbor LLC v. City of Rockwall, Texas and Rockwall Rental Properties L.P. pursuant to Section 551.071 (Consultation with Attorney)

2. Discussion regarding appointments to city regulatory boards, commissions, and committees including the Building and Standards Commission, Board of Adjustments, Planning & Zoning Commission and Rockwall Economic Development Corporation pursuant to Section 551.074 (Personnel Matters)

XV. RECONVENE PUBLIC MEETING & TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

The Council did not reconvene in Executive Session following the close of the public meeting agenda. See start of 6:00 p.m. public meeting above for action taken at that time.

XVI. ADJOURNMENT

The meeting was adjourned at 8:24 p.m.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 6th day of October, 2014.

City of Rockwall
The New Horizon

MEMORANDUM

TO: Rick Crowley, City Manager

FROM: Timothy M. Tumulty, Director of Public Works/City Engineer

DATE: September 30, 2014

SUBJECT: FM 3097 Waterline Relocation- Change Order Numbers 1 and 2

The FM 3097 waterline relocation project was previously approved by City Council.

The FM 3097 project is for the relocation of two waterlines crossing FM 3097. These existing waterlines needed to be lowered to avoid conflict with the upcoming TXDOT widening of FM 3097.

Change Order Number 1 and 2 are due to modifications which were required to install the work as requested. These modifications were due to conflicts with the franchise utilities which required the relocation of four bore pits. These change orders also include an extension of a 12" water line to provide a continuous water system and eliminate two dead end systems.

Staff requests Council consider approval of Change Order No. 1 with War Horse Enterprises in the amount of $24,958.93 and Change Order No. 2 in the amount of $2,895.23. Funds are available from 2008 Revenue Bonds.

CITY OF ROCKWALL

ORDINANCE NO. 14-42

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING PLANNED DEVELOPMENT DISTRICT NO. 46 (PD-46) *[ORDINANCE NO. 99-05]* AND THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS HERETOFORE AMENDED, BY ALLOWING A RENTAL STORE WITH OUTSIDE STORAGE TO BE DESIGNATED ON TRACK 2, LOT 00 OF EXHIBIT 'B' WITHIN ORDINANCE NO. 99-05, BEING A 3.211-ACRE PORTION OF A LARGER 6.222-ACRE TRACT OF LAND IDENTIFIED AS LOT 2, BLOCK A, SHARP ADDITION, ABSTRACT 186 J. A. RAMSEY SURVEY, LOCATED AT 2582 STATE HWY 276, AND MORE SPECIFICALLY DESCRIBED IN EXHIBIT "A"; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, An amendment to Planned Development District No. 46 (PD-46) has been requested by Beth Godfrey of TKC CLXXXVI, LLC to allow for a Rental Store with Outside Storage within Planned Development District No. 46 (PD-46), on a 3.211-acre portion of a larger 6.222-acre tract of land identified as Lot 2, Block A, Sharp Addition, Abstract 186 J. A. Ramsey Survey, located at 2582 Hwy 276, and more specifically described in Exhibit "A" of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that Planned Development District No. 46 (PD-46) *[Ordinance 99-05]* and the Unified Development Code *[Ordinance No. 04-38]* of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the Unified Development Code of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to amend Planned Development District No. 46 (PD-46) to allow for a Rental Store with Outside Storage for the *Subject Property*; and

Section 2. That the development and uses of the *Subject Property* shall be subject to the requirements set forth in ***Planned Development District No. 46 (PD-46)*** and ***Article V, Section 4.5, Commercial District*** of the City of Rockwall Unified Development Code as heretofore amended and as may be amended in the future, and shall be subject to the additional following conditions:

1. That the storage and/or display of machinery and equipment shall be in a stowed position so as to not extend any part of the machinery or the equipment in an upward or outward manner.

2. That the *Subject Property* generally conforms to the Conceptual Site Plan attached hereto as Exhibit 'B'

3. That the permissible uses for the *Subject Property* shall be those permitted within the Commercial (C) District and to include the following uses;

    a. Outside storage of trucks and trailers;

    b. Limited outside storage of pallets;

    c. Metal buildings;

    d. Trucking operations and associated uses;

    e. Rental store with outside storage of machinery and equipment.

Section 3. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

Section 4. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

Section 5. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of TWO THOUSAND DOLLARS ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 6. If any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code No. 04-38 of the City of Rockwall, Texas, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable.

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 6th day of October, 2014.

David Sweet, Mayor

CITY OF ROCKWALL

ORDINANCE NO. 14-43

SPECIFIC USE PERMIT NO. S-126

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) WITHIN A LIGHT INDUSTRIAL (LI) DISTRICT ALLOWING FOR A GENERAL RETAIL STORE ON A 3.27-ACRE PARCEL OF LAND IDENTIFIED AS TRACT 9-4 OF THE J. LOCKHART SURVEY, ABSTRACT NO. 134; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a request has been made by Juan J. Vasquez, P.E. with Vasquez Engineering, LLC, on behalf of James R. Thompson of Cavender Investment Properties E, LTD., for a Specific Use Permit within a Light Industrial (LI) District allowing for a general retail store on a 3.27-acre parcel of land identified as Tract 9-4 of the J. Lockhart Survey, Abstract No. 134, City and County of Rockwall, Texas; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the Unified Development Code of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit allowing for a general retail store within a Light Industrial (LI) District, on the subject property identified as Tract 9-4 of the J. Lockhart Survey, Abstract No. 134, City and County of Rockwall, Texas; and

Section 2. That the Specific Use Permit shall be subject to the conditions set forth in **Section 5.3, *"LI" Light Industrial (LI) District*, of Article V, *District Development Standards*, of the City of Rockwall Unified Development Code (Ordinance No. 04-38)** as heretofore amended, as amended herein by granting of this zoning change, and as may be amended in the future, and shall be subject to the additional following conditions and definitions.

1) All operations on the property shall generally conform to the Conceptual Site Plan.

2) Any construction or building necessary to complete this request must conform to the requirements set forth by the UDC, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

Section 3. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

Section 4. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

Section 5. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of TWO THOUSAND DOLLARS ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 6. If any section or provision of this ordinance or the application of that section or provision to any person, firm, corporation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 6th DAY OF October, 2014.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1. That the Unified Development Code [*Ordinance No. 04*-38] of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a

Specific Use Permit (SUP) allowing for a *Restaurant [Less Than 2,000 SF; Without Drive-Through or Drive-In Service]* within a Planned Development District 50 (PD-50) as stipulated by *Ordinance No. 07-29* and Article IV, *Permissible Uses*, of the Unified Development Code on the *Subject Property*; and

SECTION 2. That the *Subject Property* shall be developed and/or used only in the manner and for the purposes described in this Specific Use Permit (SUP) ordinance, *Ordinance No. 07-29* and as stipulated by Section 4.2, *Residential Office (RO) District*, of Article V, *District Development Standards*, of the Unified Development Code [*Ordinance No. 04-38*] as heretofore amended, as amended herein by granting of this zoning change, and as may be amended in the future, and shall be subject to the following conditions and compliance standards:

2.1 Operational Conditions

The following conditions pertain to the operation of a *Restaurant [Less Than 2,000 SF; Without Drive-Through or Drive-In Service]* on the *Subject Property*, and conformance to these operational conditions are required for continued operations:

1) The development or operation of a *Restaurant [Less Than 2,000 SF; Without Drive-Through or Drive-In Service]* shall generally conform to the *Concept Site Plan* contained in *Exhibit 'B'* of this ordinance, and incorporated by reference herein;

2) The operation of a *Restaurant [Less Than 2,000 SF; Without Drive-Through or Drive-In Service]* shall generally conform to the *Floor Plan* contained in *Exhibit 'C'* of this ordinance, and incorporated by reference herein;

3) The service area of the restaurant will be limited to 2,000 SF; and,

4) All outdoor seating and waiting areas should be situated behind the front yard building setback adjacent to SH-205;

Section 3. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

Section 4. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

Section 5. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of TWO THOUSAND DOLLARS ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 6. If any section or provision of this ordinance or the application of that section or provision to any person, firm, corporation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 6TH DAY OF OCTOBER, 2014.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 10/6/2014

APPLICANT: Dallas Mapping & Design

AGENDA ITEM: **P2014-024;** Lakes Assembly Addition

SUMMARY:

Discuss and consider a request by Glenn Breyszcher of Dallas Mapping & Design on behalf of David Spiegel of the Lakes Assembly of God Church for the approval of a replat for Lot 1, Block A, Lakes Assembly Addition, being a 6.210-acre parcel of land, currently identified as Blocks B & C, Green Meadows Addition, City of Rockwall, Rockwall County, Texas, zoned Single Family 7 (SF-7) District, located on the north side of Williams Street (SH-66) east of the intersection of N. Clark Street and Williams Street, and take any action necessary.

COMMENTS:

- The purpose of this request is to replat a 6.21-acre tract of land to accommodate for the future expansion of the existing church.

- The Engineer has completed the technical revisions requested by staff, and this plat is recommended for conditional approval pending the completion of final technical modifications and submittal requirements required for the recordation by the applicant or owner.

- Conditional approval of this plat by the City Council shall constitute approval subject to the conditions stipulated in the Recommendation section below.

With the exception of the items listed in the Recommendation section of this case memo, this plat is in substantial compliance with the requirements of the Subdivision Ordinance in the Municipal Code of Ordinances.

RECOMMENDATIONS:

If the Planning & Zoning Commission and City Council choose to approve the replat for Lot 1, Block A, Lakes Assembly Addition, the following conditions of approval are offered:

1) All the technical comments from the Engineering, Planning and Fire Departments shall be addressed prior to the filing of this plat; and

2) Any construction resulting from the approval of this plat shall conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING RECOMMENDATION:

On September 30, 2014, the Planning and Zoning Commission recommended approval of the replat with staff conditions by a vote of 7 to 0.

WHEREAS LAKES ASSEMBLY CHURCH, is the owner of a tract of land situated in the R. BALLARD SURVEY, ABSTRACT NO. 29, Rockwall, Rockwall County, Texas, and being all of Green Meadows Addition Replat of Blocks B and C, an addition to the City of Rockwall, Texas according to the plat thereof recorded in Cabinet A, Slide 195, of the Official Public Records of Rockwall County, Texas, and being that certain tract of land described in Warranty Deed from Ted Cain to Rockwall Assembly of God as recorded in Volume 119, Page, 973, of the Official Public Records of Rockwall County, Texas, and being more particularly described as follows:

BEGINNING at a 3/8 inch iron rod in concrete found for the southwest corner as described in said Green Meadows Addition, and being in the northwesterly right-of-way line of State Highway No. 66, a.k.a. Williams Street (called 60' R.O.W.), and also being in the east line of a 15' alley;

THENCE North 00 deg. 38 min. 34 sec. West with the west line of said Green Meadows Addition and east line of 15' alley a distance of 634.87 feet to a 5/8" iron rod with yellow plastic cap stamped "RPLS 5405" set for corner, from which a bent 3/8" iron rod found for the northwest corner of said Green Meadows Addition bears N 00°38'34" W a distance of 128.56';

THENCE North 88 deg. 54 min. 26 sec. East with the north line of said Green Meadows Replat of Blocks B and C and south line of Block A of Green Meadows Addition, an addition to the City of Rockwall, Texas, according to the plat thereof recorded in Cabinet A, Slide 117 a distance of 601.87 feet to wood fence post found for corner from which a 1/2" iron rod found bears S 36°34'18" W a distance of 1.18';

THENCE South 35 deg. 12 min. 54 sec. East with the northeast line of said Green Meadows Addition 185.14 feet to point for corner in said northwesterly right-of-way line, from which a 1/2" iron rod found bears S 35°12'54" E a distance of 0.27';

THENCE South 54 deg. 47 min. 06 sec. West with said northwesterly right-of-way line of State Highway No. 66, a.k.a. Williams Street (called 60' R.O.W.) a distance of 858.51 feet to the PLACE OF BEGINNING, and containing 270,522 square feet or 6.210 acres of land, more or less.

OWNER'S DEDICATION

NOW, THEREFORE, KNOW ALL BY THESE PRESENTS:

STATE OF TEXAS
COUNTY OF ROCKWALL

I the undersigned owner of the land shown on this plat, and designated herein as the LAKES ASSEMBLY ADDITION subdivision to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, watercourses, drains, easements and public places thereon shown on the purpose and consideration therein expressed. I further certify that all other parties who have a mortgage or lien interest in the LAKES ASSEMBLY ADDITION subdivision have been notified and signed this plat.

I understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same. I also understand the following;

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of their respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction reconstruction, inspecting, patrolling, maintaining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer drainage structures, storm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or

Until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer and/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as progress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or

Until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

I further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the Subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; I, my successors and assigns hereby waive any claim, damage, or cause of action that I may have as a result of the dedication of exactions made herein.

CITY OF ROCKWALL
CITY COUNCIL COMMISSION MEMO

AGENDA DATE: 10/06/2014

APPLICANT: Chase Finch, *Corwin Engineering, Inc.*

AGENDA ITEM: **P2014-026**; Lot 51-60, Block D, Breezy Hill, Phase IIA & IIB

SUMMARY:

Discuss and consider a request by Chase Finch of Corwin Engineering, Inc. on behalf of John Arnold of the Skorburg Company (BH Phase IIB SF, LTD) for the approval of a replat of Lots 51-60, Block D, Breezy Hill, Phases IIA & IIB, being a 3.624-acre portion of land that is currently identified as Lots 20-26 & 50, Block D, Breezy Hill, Phases IIA & IIB, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 74 (PD-74) for residential land uses, generally located north of the intersection of FM-552 and John King Boulevard.

REPLAT COMMENTS:

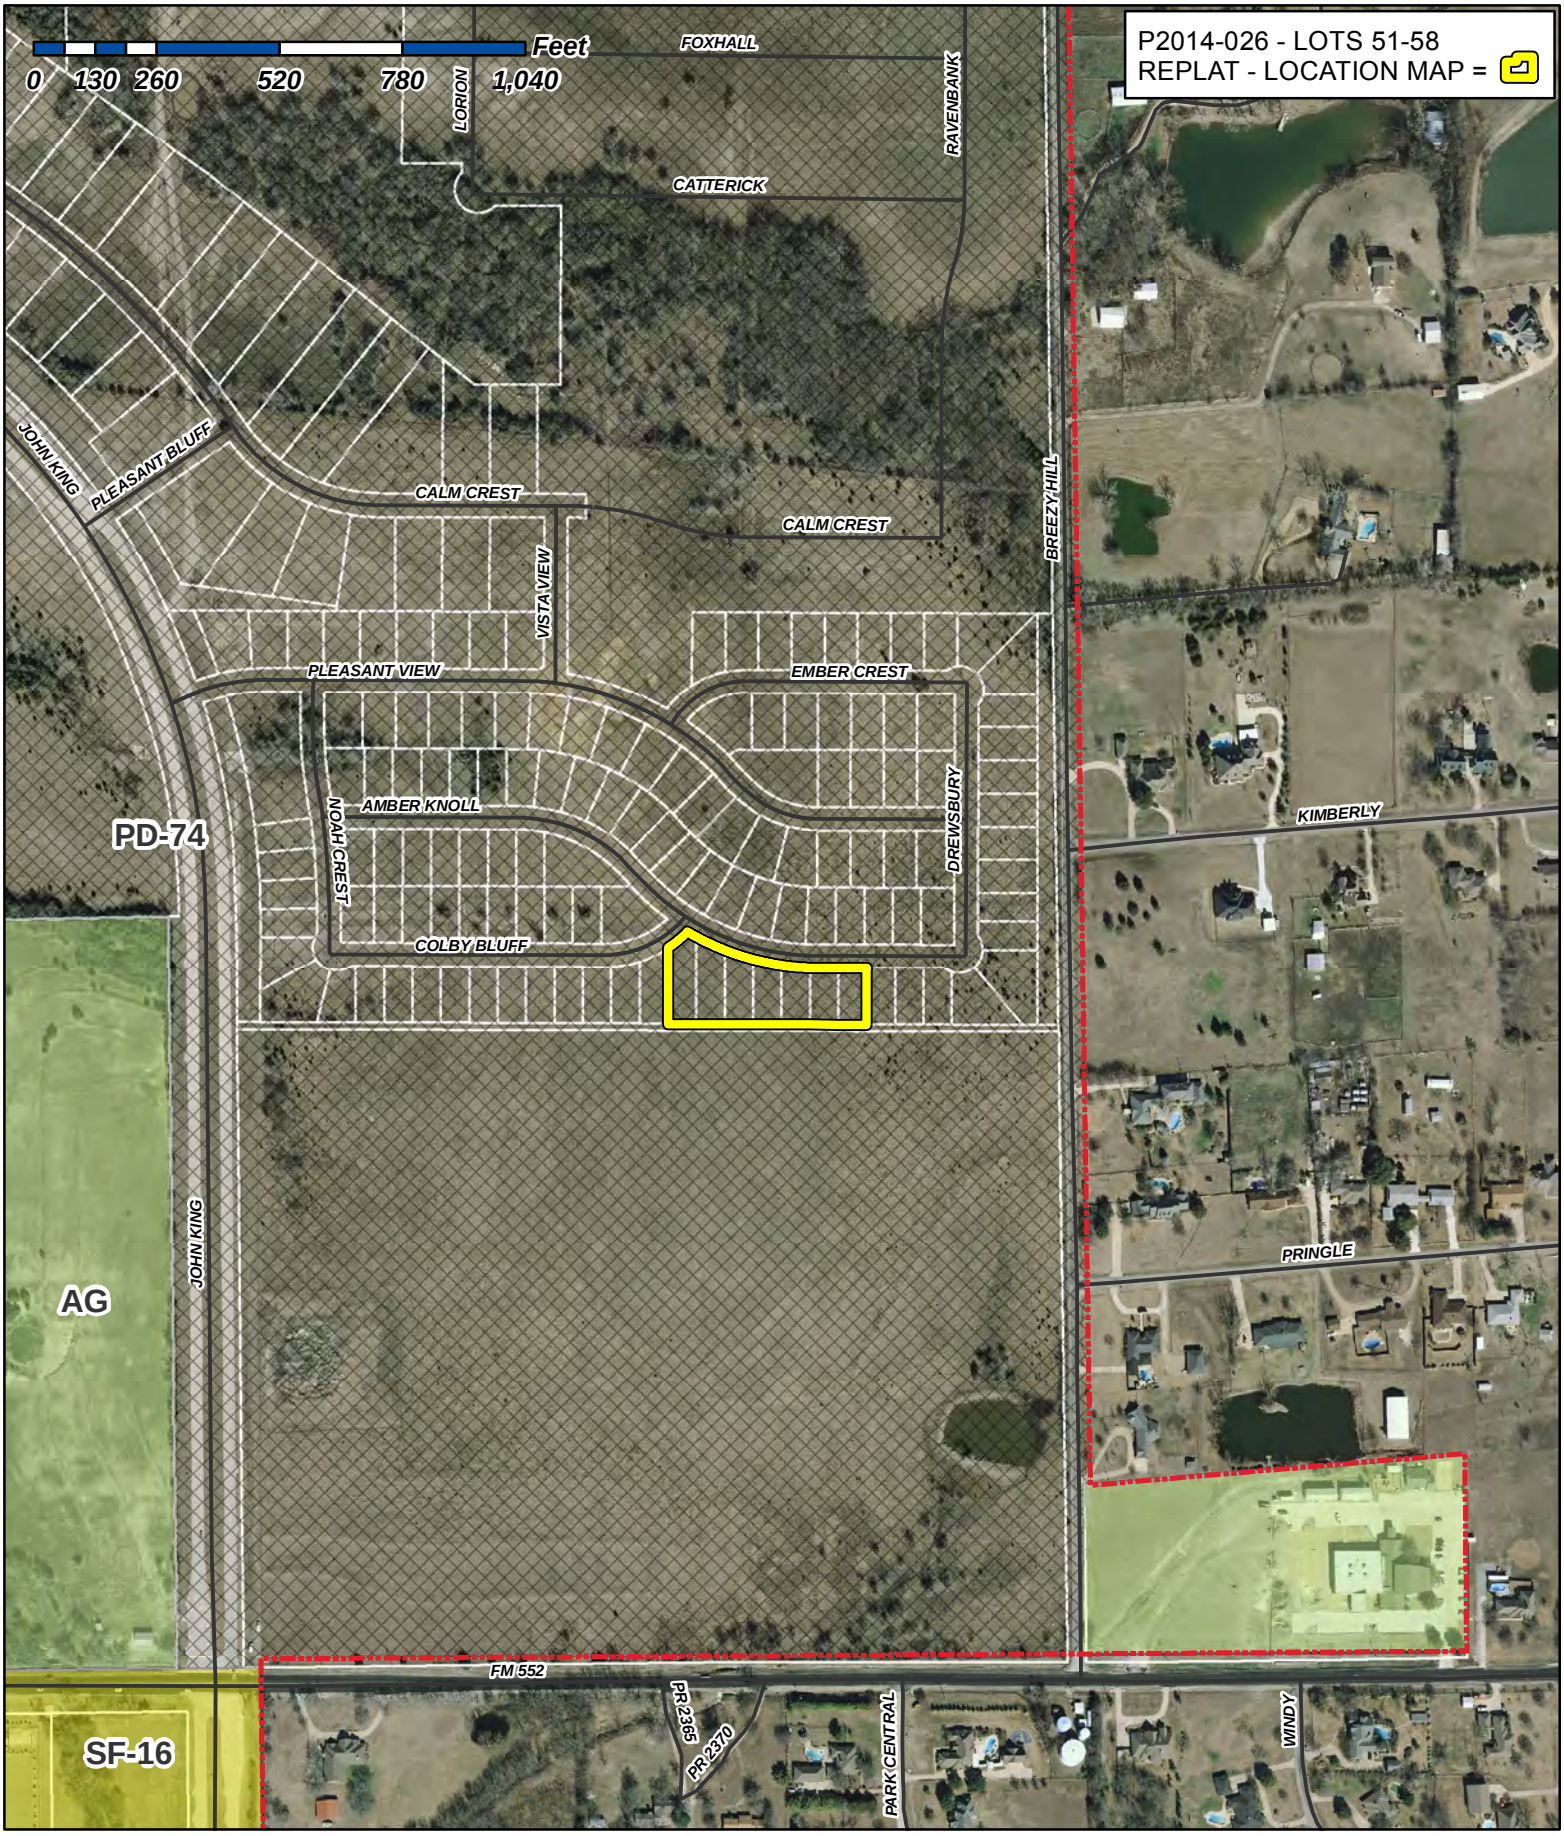
☑ The purpose of this replat is to dedicate a 50-foot street that will provide access between Phases IIA & IIB and Phases IA & IB. The proposed replat involves replatting six (6) single-family residential lots and one (1) open space lot into five (5) single-family residential lots and four (4) open space lots. The proposed lot configuration conforms to the requirements of Planned Development District 74 (PD-74).

☑ The Engineer has completed the majority of the technical revisions requested by staff, and this plat, conforming to the preliminary plat [*P2013-010*] and final plat [*P2013-024*], is recommended for conditional approval pending the completion of final technical modifications and submittal requirements required for the recordation by the applicant or owner.

☑ Conditional approval of this plat by the City Council shall constitute approval subject to the conditions stipulated in the Recommendation section below.

With the exception of the items listed in the *Recommendation* section of this case memo, this replat is in substantial compliance with the requirements of the *Subdivision Ordinance* in the Municipal Code of Ordinances.

RECOMMENDATIONS:



If the Planning & Zoning Commission and City Council choose to approve the replat for *Lots 51-60, Block D, Breezy Hill, Phases IIA & IIB* then staff would recommend the following conditions of approval:

1) All the technical comments from the Engineering, Planning and Fire Departments shall be addressed prior to the filing of this plat;

2) Any construction resulting from the approval of this *replat* shall conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION:

On September 30, 2014, the Planning and Zoning Commission recommended approval of the replat by a vote of 7-0.

Mayor, City of Rockwall City Secretary City Engineer

OWNER'S CERTIFICATE

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:
STATE OF TEXAS
COUNTY OF ROCKWALL
We the undersigned owner"s" of the land shown on this replat, and designated herein as the LOTS 20-26 BLOCK D out of BREEZY HILL PHASE 2A & 2B, subdivision to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, water courses, drains, easements and public places thereon shown on the purpose and consideration therein expressed. We further certify that all other parties who have a mortgage or lien interest in the LOTS 20-26 BLOCK D out of BREEZY HILL PHASE 2A & 2B, subdivision have been notified and signed this plat.

We understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same. We also understand the following;

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of their respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maintaining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, storm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or

Until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer and/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as progress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or

Until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

We further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the Subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; we, our successors and assigns hereby waive any claim, damage, or cause of action that we may have as a result of the dedication of exactions made herein.
